By UNCLE BOB

There is a time in everyone's life when he must reach forth for advancement and betterment. The wheels of progress have no reverse gears, we must go forward with our own personal life to seek the benefits and goals of modern living.

This week I was offered a position with one of the major newspaper chains of this nation at a far advanced salary. I notified the Times Publishing Company of this offer and Joe Dennis advised me to accept the position, "explaining that he and the Times Publishing Company have been and will always stand for promotions."

My stay at the Times and at Ranger has been a memorable occasion and one that I will never forget. I will report to my new employers on the 7th day of June to accept my new responsibilities. My last paper at the Ranger Times will be on Sunday, June 6.

I would like to express my appreciation to the people of Ranger for the responsibilities and courtesies that I have received during my stay as your editor.

I honor my work as President of your "Little League" and the confidence that you gave me by electing me president of an activity for your children. Little League work will continue and the force of this program will be strong. It is part of Ranger, it is a part of you, and it is a part of tomorrow. The managers and club officers with which I leave "The Little League" are competent and trustworthy, they are citizens with a civic pride.

As a member of the Volunteer Fire Department, my record there has been blank. I played a part on the drill team at the last District meet and the only thing that we came home with was one Editor with water in his shoes.

The Volunteer Fire Department is a need of the community and you must back its every activity. It is a safeguard agency to life and property.

To the Rotary Club, my membership there has been a wonderful occasion and for those that deem them "Old Moss Backs" they are wrong. The Rotary Club leaders are the leaders of our city and they are alert to every benefit that might better Ranger. It is a fast moving, well-organized Civic organization. I appreciate the companionship and courtesies bestowed upon me by its members. I feel that it is an honor to be a member of the Rotary Club and I will join the Rotary Club as my first achievement in my new position.

Only in the short time that I have lived here I look upon Ranger as my home and the citizens as my friends. Ranger is a friendly city and I have never met a person I dislike during my stay here. If I have at any time published stories to hurt you or published stories to have you feel ill toward me, I apologize. I know that I have made mistakes in spelling and etc. I have made mistakes in subject (Continued on Page Five)

HE NEEDS HIS SPEED—Roger Bannister, Britain's speed artist, who recently ran the world's fastest mile in 3:59.4, finds his flashing form is none too fast in New York traffic. The British runner competed with Manhattan's fleet-footed citizens every time he crossed the street during his brief visit to the United States.

Chicken Snake Finds Crime Doesn't Pay!

Charles Eyley walked into his chicken house to find a large chicken snake "stuck" in a hole and unable to escape.

Eyley at once grabbed a shovel and decapitated the reptile to find that the snake, while robbing the eggs also consumed the nest egg made of glass.

Eyley stated "the snake was unable to go back through its entrance route because the glass nest egg would not break and caused a large lump in the center of the snake, voiding its means of escape. A new sign hangs in the Eyley hen house that reads for the benefit of chicken snakes: "Plug Them Before You Eat 'Em."

NEW FORD DEALERS NOT NEW-COMERS TO RANGER

The new owners of the Ford dealership in Ranger, Holman M. Bagwell and John T. Roberson, are not new comers to this city.

Bagwell owned the White Auto Store here for several years and Roberson owned and operated a ranch east of Ranger for the last four years.

Roberson owned an appliance

business in Breckenridge and operated this company successfully for eight years before going into the ranching business.

The Robersons have two daughters, Mrs. Marjorie Cowover of Randolph Field, and Mrs. Colleen Scoggins of Wichita Falls.

The Roberson family belongs to the Methodist Church and he is a member of the Masonic Lodge.

Holman M. Bagwell is a member of the Masonic Lodge, Eastern Star and Elks.

The Bagwells have two children, Gerald who attends college and Eugene, who is a member of the student body of Ranger High School.

The company, purchased from Morris Leveille and Charles A. Campbell, will go under the trade name of Bagwell-Roberson Motors. Additional stock is planned for the used car lot on Main and Commerce Street and for the new car show room on Main. A complete garage and genuine Ford parts are stocked by the Bagwell-Roberson Motors. The new owners announced there will be no change in company personnel.

Range Judging Contest Set For June 18

Fred Walker, range specialist of the Texas A&M College Extension Service, will conduct a range judging contest during the annual field day of the Eastland County Livestock Raisers Association on the Ed Harrison ranch June 18, according to Boyd Hilley, president of the organization.

The Harrison B&B hereford ranch is five miles east of Gorman on the Desdemona Highway, Hilley said.

Besides Walker, others from the A&M College Extension Service scheduled to be on the program include John G. McHaney, agricultural economist and James A. Gray, general husbandman. Two Fort Worth men, Walter Rice, field representative of the Stockyards Company, and E. R. Eudaly, animal nutritionist of University Mills, will also be on the all day program which will get underway at 10 a.m. and last until mid-afternoon.

Lunch will be provided through the courtesy of the Gorman Business Men's Club, Hilley said.

Talks and demonstrations dealing with current livestock management problems are included on the all day program. Beef cattle on the Harrison ranch, as well as live sheep and goats, will be used in discussing factors that determine quality in fine wool sheep and Angora goats.

The field day is only one activity of the livestock raisers group that was organized in the county many years ago.

Funeral Services Friday Afternoon For Ranger Girl

Readers Opinion

To The Ranger Times

Dear Editor:

In my opinion the recent Supreme Court decision on segregation is unconstitutional, unfair and subject to dispute. According to the constitution's preamble which reads thus: "We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this constitution for the United States of America."

There were 38 signers to this priceless document, all of whom were of the white race. When the Negro was given his freedom after the Civil War, he acquired the right to vote. The right to vote also gave the Negro the right to acquire property and have equal facilities within his own sphere. The Supreme Court ruled that segregation is wrong. Then by the same brand of thinking subjugation is also wrong. Which of the two wrongs is the lesser evil—segregation of the Negro by the whites? To this Texas man's thinking the constitution does not give the Negro the right to force his way into the white schools, public eating places, golf courses, churches, etc.

In my opinion, the social mixer (Continued on Page Six)

YOUTH NUMBER ONE PROBLEM OF LIQUOR CONTROL BOARD

AUSTIN (Sp.)—Consumption of alcoholic beverages by juveniles was described today by Coker R. Stevenson, Jr., Texas Liquor Control Board administrator, as "our No. 1 problem."

"We are doing all we can, with the cooperation of other law enforcement agencies and the industry to stop sales to minors," Stevenson said, "but enforcement is not the complete answer to the problem."

"Some parents do not always know where their children are or what they are doing," the administrator said, adding:

"It is easy for a boy or girl, left alone for an evening, to fall into bad companionship. You and I know what the result can be—and sometimes is."

"We must use education along with enforcement if we expect to achieve the results we seek. This education is the business of the home, the church, and the school."

"A boy or girl can ruin his whole life by one drunken act; or he can end that life prematurely in a thousand different ways if he behaves hazardously while under the influence of alcohol."

"Herein lies a responsibility that is ours, as adults. If we fail to discharge that responsibility, then we, as parents, are guilty when tragedy occurs."

One particular difficulty arises, Stevenson said, from the fact that armed forces personnel 18 years old may purchase alcoholic beverages on military posts.

When off the military establishments,

Ladies Night For Rotary Club Set For Tuesday

At the noon-time meeting of the Rotary Club in the Gholson Hotel it was elected to have "Ladies Night" Tuesday, June 8. The program chairman will announce the speaker for the meeting at a later date.

Ship Disaster Victim Buried At San Diego

Funeral services for Ensign Loyd McNatt, who was one of the 91 seamen killed in the devastating explosion aboard the aircraft carrier Pennington last Wednesday, were held at the First Methodist Church at Sheep's Head Bay, Mass. Tuesday.

Ensign McNatt, a veteran of 15 years in the Navy, was the son of Mrs. L. C. McNatt, 510 East Pershing.

Other survivors include his wife and a ten year old daughter, Linda, of Brooklyn, N. Y.; two brothers, Chad of Brooklyn and L. C. Jr. of Fort Worth; and three sisters, Mrs. M. G. Ragan of Lamona, Mrs. H. T. Jones of Los Angeles, Calif., and Mrs. J. K. Line of Burbank, Calif.

The body was shipped today to the National Cemetery in San Diego, Calif., for burial.

Work Will Start On Youth Center

At a meeting of the Youth Activity Committee, a city wide group at the Ranger Chamber of Commerce offices last night, it was announced that work would start on the Teen-Canteen building located in Willow Park tomorrow.

Charley Rose was appointed to head all work parties and the committee set each Monday and Friday as work nights from 6:30 until 7:30.

Purpose of this committee is to provide recreational facilities for the youth of Ranger.

Contract Signed By Times Editor

The Ranger Times Editor, Bob Kelly announced today his acceptance from The New Mexico Newspapers, Inc. of a position with that organization.

The new duties will be a big advancement for the Times Editor. The editor will report to Santa Fe, New Mexico on June 7th to accept his new responsibilities.

The last edition of the Times to be edited by Kelly will be the Sunday edition, June 6th. Joe Dennis, manager of the Times announced today that a replacement will be announced at a later date.

Stephenville Builder Dies

STEPHENVILLE (Sp.)—William Jefferson Bellomy, 68, a Stephenville contractor for 36 years, died Tuesday night at his home after suffering a heart attack.

Survivors include his wife; four daughters, Mrs. James A. Smith of Ranger, C. B. Williams of Venice, Calif., W. E. Brown of Alexandria, Va., and Harold Quilley of Bamberg, Germany; two stepdaughters, Mrs. Leck Pack and J. H. Runyon of Stephenville; one stepson, Elwood Knox of Abilene; one brother, Tom Bellomy of Littlefield; three sisters, Mrs. Lutz Hill of Stephenville, Lizzie Whitacre of New Mexico and Alben Roberts of Bridgeport; one half-sister, Mrs. Everett Wilson of Sipe Springs; six grandchildren and four step grandchildren.

Funeral services were held at 10 a.m. today in the First Baptist Church in Stephenville with burial in West End Cemetery.

Giants Take Dodgers To Lead The League

In the first game at the Little League field Tuesday night the Giants won a close game over the Dodgers to take the lead in the league. For the Giants 5 runs, 3 hits and 2 errors. For the Dodgers 3 runs, 5 hits and 12 errors.

Dempsey was the pitcher for the Dodgers and Blackwell for the Giants. Blackwell was relieved in the game by Powell who gave up two hits with eight strike outs while on the mound.

Top batter for the Dodgers was Duncan who received two hits on 3 trips to the plate. Top batter for the Giants was Covington who received 1 for 3.

In the second game the Indians faced the Yankees. The Yankees won the game after a rally in the fourth that brought eleven runs

Area Scouts To Begin Moving To Camp Billy Gibbons June 14

The first contingent of Scouts will move into Camp Billy Gibbons Monday morning, June 14th, to start their activities for the first week of Camp Billy Gibbons which, according to officials, looks as though it will be a banner year for the Comanche Trail Council's Camp. This year's camp will mark

the 24th anniversary for Camp Billy Gibbons. Through these 24 years the camp has averaged around 300 Scouts and Scouters participating each year which would mean over 7,000 boys and men have enjoyed this camp experience at Camp Billy Gibbons, located 16 miles

south of Richland Springs on Brady Creek some 4 and one half miles before it empties into San Saba River.

The Scouts and their leaders have access hiking privileges over some 52,000 acres. Through the goodness of adjoining ranch owners Scouts have an unlimited space to do their hiking. Although thousands of Scouts have tramped over the wooded territory in the camp, the officials state that not one time has a campfire or any depredation to the ranches been called to the attention of the Scout officials. Of course, the Scouts are reminded from time to time that one of the Scout's laws is to respect other people's property.

Due to recent rains the camp presents a beautiful sight with cacti and all types of wild flowers blooming. The little lake, formed on Brady Creek by a dam which backs water up one fourth of a mile, affords wonderful boating and canoeing for this coming season.

Scouts who are fishermen clean their fish and present same to the cooks who place it on their respective tables. Fishing is expected to be good this spring.

The following troops have designated the week that they expect to attend: First week—Troop 101, Troop 58, Cisco; Post 34, Troop 22, Brownwood; Troop 35, Blanket; Troop 55 and Post 5, San Saba; Troop 38, Gorman; Troop 115, Rising Star; Troop 47, Comanche; Troops 39-41, Stephenville; Troop 17, Troop 20, Troop 63, Breckenridge.

For the Second Week—Troop 26, Lometa; Troops 1, 2, 8, 24 and 43, Brownwood; Troop 44, Priddy; Troop 27, Bangs; Troop 103, Eastland; Troop 34, Richland Springs; and Troop 30, Dublin.

Other troops are expected to be heard from within a week. There is no designated visitor's day. Visitors are welcome any day especially for the Camp-Fire programs. However, it is brought out that parents or friends visiting during the day-time may drive a long distance just to find out that their son is out on an all-day hike. A great many parents come down on Sunday morning to visit and participate in the early sunrise church service which is held on the banks of Brady Creek.

LITTLE LEAGUE ELECTS NEW PRESIDENT TO FILL OFFICE VACATED BY TIMES EDITOR

Officers of the Ranger "Little League" elected former vice president Bernie Milmo to head the Little League.

Milmo, a welder for Lone Star, makes his home at 800 Foch St. Ranger, has been active in the Little League as vice president and has carried out the duties of his office with the highest of efficiency.

Former president, Bob Kelly,

editor of The Ranger Times, will leave Ranger Saturday to accept a position with the New Mexico Newspapers, Inc. He was the first president of the Little League in Ranger and a former ball player with the Marine Corps in World War II and the Korean War.

Joe Daskevich was elected to the post of vice president of the Ranger Little League to fill the shoes of Milmo who moved up to the presidency.

Daskevich was assistant manager of the Indians and has carried an active part in the success of this organization in Ranger.

Daskevich makes his home at 812 Young Street and is the agent for the American National Insurance Co., in this area.

Cisco C-C To Give Beef Calf Show Ribbons

Ribbons for the winners at the one day creep fed registered beef calf show to be held at the show grounds on the Albany Highway in Cisco Friday, June 25, will be awarded through the courtesy of the Cisco Chamber of Commerce, according to members of the Livestock Show Association of that city, sponsors of the affair.

The show will be unusual in that the calves to be shown will be exhibited direct from the pasture and will not be broken to lead or to a halter it was explained, making it as practical as possible.

There will be no sale or auction of the one day show, but breeders who exhibit may sell animals by private treaty at any time during the one day affair.

Breeders, not only from Eastland but also from adjoining counties, are eligible to show their calves. The animals to be entered for competition must have been dropped after Sept. 25, and must be of the same sex. It was explained that calves of opposite sex or even individual animals may be exhibited simply for show but not in competition. Breeders are expected to furnish panels for penning the calves. The panels are to be eight feet by 10 feet and four feet high made out of six inch rough boards.

There are no entry fees and animals are not required to be entered prior to the show date. Show officials would like to have the panels put up the day before however.

There were twenty-three present.

RHS Home Ec. Dept Offers Summer Course

Each year, as a part of its vacation program, the Homemaking Department of Ranger High School has a summer program consisting of four weeks of group meetings at school and home projects chosen by the girls who decide to enroll in the summer classes.

Classes began Monday of this week with this schedule: First week—Improving the Home Ec. Department, including cleaning files, making reference scrapbooks and notebooks, mending linens and laundering curtains. Second week—Home Nursing unit, "Home Care of the Sick." Third and fourth weeks—Individual craft projects carried on in group work.

The girls enrolled in this summer course will receive one-half credit toward graduation, in addition to some practical application of theories on cooking, sewing, housework, etc. Each girl will spend 100 hours at home on cooking, sewing, room improvement, gardening or any other project connected with the home.

In addition to this home work and class work, several picnics and parties have been planned so that the girls are looking forward to an entertaining and profitable summer.

Letter From Olden

Mrs. Yielding Will Give Up Her Weekly Letter After Three Years

Dear Readers, Mr. and Mrs. Lee McGuire have returned from a trip to Alvin where they visited with her brother, Buck Reed, and other relatives.

And Mr. and Mrs. Granvel Nabors, Connie and Gary of Fort Smith, Ark., were recent visitors in the home of her parents, Mr. and Mrs. Dick Yielding.

Did you tell you Dick Elliott, father of Buster Elliott and Mrs. Tom Sharp, is very ill at Mrs. Sharp's home? And Mrs. D. O. Moffet is resting comfortably after having underwent surgery in the Ranger General Hospital last week.

Have you heard that Mrs. J. C. Oneshy was honored last Monday morning with a tea in the home of Mrs. Archie Kelley. The Oneshys are moving to Ft. Worth.

The Olden seniors left at five Tuesday morning on their senior trip. They, along with their sponsors, Mr. and Mrs. J. T. Weaver, were going to tour the coast and other interesting points before returning home next week.

Mr. and Mrs. J. D. Harrell were called to the bedside of her father in Shamrock Wednesday morning.

And Mr. and Mrs. Melvin Cole and children of Brownfield have been enjoying a week's vacation here with Mrs. Cole's parents, Mr. and Mrs. M. S. Holt.

Other visitors in the home were Mr. and Mrs. Melvin Holt and family of Abilene.

Miss Elvora Patterson is enjoying a summer vacation with her sister, Mrs. Clack and family of

Apartment. Mr. and Mrs. Max Langston of Freeport and Mrs. Jimmie Langston and children of Brownwood arrived in Olden on Tuesday to attend the wedding of their brother, Bobby Don.

Mr. and Mrs. S. J. Perkins of Littlefield are visiting his sister, Mrs. Nettie Fox. They were dinner guests last Thursday evening in the home of Mr. and Mrs. Dick Yielding.

Mrs. Sherman, mother of Mrs. Burley Patterson, is very ill at this writing. And Mrs. Ray Howell of Breckenridge was a visitor in the home of her mother, Mrs. Annie Wilkerson last week.

Supt. and Mrs. Travis Hilliard and family left last week on a ten day vacation trip through South Texas and East Texas.

And J. B. Marlow, Hobbs, N. M., spent some time here with his parents last week. Miss Marjorie Hendricks of Texas Tech, is also visiting in the Marlow home.

Years truly has enjoyed writing this column for the past three years, but now as we are moving someone will take my place. So I'll see you at the El Morocco Motel in Eastland.

As ever, Mrs. Dick Yielding

Two Wells Are Gauged South Of Eastland

Two wells in the Eastland County regular field, four miles south and southeast of Eastland, have been completed by Victor Cornelius of Eastland.

29, Block 2, H&TC Survey, had a daily potential of 54.06 barrels of 38 gravity oil. It is pumping from 24 perforations at 1,283-87 feet with the casing set at 1,310 feet, total depth.

His other oiler, No. 1 Guy Robbins, Nancy Usury Survey, had a daily gauge of 24 barrels of 38 gravity oil. Completion was on a pump from 24 perforations at 1,233-38 feet. Casing is on bottom at 1,278 feet.

NEWS FROM STAFF

By Mrs. M. O. Hazard

STAFF—Mr. and Mrs. Wayne White and Mr. and Mrs. M. O. Hazard attended the commencement of the Olden school Thursday evening.

Mrs. J. C. Foreman, Kenneth and Allen, of Olden, spent the day Friday with Mrs. Foreman's mother, Mrs. Allen Crosby.

A. J. Fox made a business trip to Bryan Thursday.

Mrs. S. E. Hazard of Eastland spent Friday afternoon with Mrs. M. O. Hazard.

On last Saturday evening, friends of Mr. and Mrs. Floyd Crawley, honored them with a house warming. The couple just recently moved into their beautiful new home. Games of forty-two were played throughout the evening and delicious refreshments were served to a large crowd. Co-hostesses for the occasion were Mrs. M. A. Abel, Wayne White and Walter Duncan. Mr. and Mrs. Crawley received many beautiful and useful gifts. Some sent gifts that were unable to attend the party.

Mr. and Mrs. Simmons of Fort Worth spent Saturday night with Mrs. Simmons' parents, the Walter Duncans.

John M. White has as guests Friday his sister-in-law, Mrs. Bill White, and daughter, Frances, of Keyota, Okla.

The Maurice Hazard family of Eastland were out Tuesday evening to visit their parents, the R. A. Parkers and M. O. Hazards.

KIDNEYS MUST REMOVE EXCESS WASTE

Nagging backache, loss of pep and energy, headache and dizziness may be due to slow-down of kidney function. Doctors say good health, when some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 60 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 10 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Mrs. Newt Crawley of Gorman accompanied by Mr. and Mrs. Floyd Crawley were in Fort Worth Sunday where they visited with Mrs. Crawley's son, Harlan and family.

Mr. and Mrs. M. A. Abel attended the commencement Tuesday evening at the Walnut Springs school.

A large number from here attended the funerals of Mrs. Hale at New Hope and Elger Harber in Eastland. Mrs. Hale was the mother of Mrs. J. L. Little.

Dr. and Mrs. M. E. Mullings and sons of Abilene were guests recently of their brother-in-law, John N. White.

Mrs. R. A. Parker spent Tuesday in Eastland in the home of her daughter and son-in-law, Mr. and Mrs. Maurice Hazard.

Mr. and Mrs. John F. White of Odessa were guests Saturday of Mrs. White's brother, M. O. Hazard, Floyd Crawley.

Mrs. M. O. Hazard visited Wednesday with Mrs. Pearl Bourland in Eastland.

R. C. Reeves and family were visitors in Clyde Sunday.

Mrs. Era Wallis and son, Ben, of Abilene, were visiting here with relatives over the week-end.

NO TICK-TOCK—Just 'drip-drop' on Kennamer. Door-keeper of the House of Representatives in Washington, D. C., is glad he need not rely on this ancient water clock when alerting members of the House that a session is about to begin. The one-handed clock's weights were moved by the difference in balance caused when water dripped from upper to lower container. Kennamer today relies on electric clocks and gongs.

NOTICE To Members of Comanche County Electric Cooperative Association

In order to more nearly comply with Federal Wages and Hours law and to operate more efficiently, the Eastland office will close on Saturdays after June 5, 1954. A pay slot in the door will be provided for your convenience.

Crews will be available for emergency calls at any time—the same as usual.

Value of Sun Tan Probably Isn't Worth Trouble, Risk, Experts Say

AUSTIN (Pa.) — The therapeutic value of a sun tan probably isn't worth the trouble and risk it takes to get one. That's the word from the State Health Department. They say a tan is nothing more than a manifestation of a skin injury. But these same health officials are first to admit that a sensible tan in the sun makes a fine mental tonic. Overdoing it the first week of sunbathing weather is the thing that leads to trouble. Sunshine in large doses can kill you. More than one "sunbather" had succumbed to a "sunburn sucker" had succumbed to a sun when he wasn't accustomed to it. Even a hot over-exposure can mean two or three miserable days and sleepless nights when a mere shirt is torture.

Some people are physically unable to tan. Known as "helio-phobes," they could spend the entire summer in the sun and all they'd get would be blisters on the blisters. The reason is that their skin lacks the pigment necessary to produce the tan tint, and each new exposure means a new burn. But if you simply have to have that golden sheen this summer, you can avoid disastrous complications by following these recommendations from Dr. Henry A. Hollie, the state health officer.

Assuming you're a type who can tan — a "helio-phile," that is — do it by repeated exposures, of say five minutes for the first two or three days. Then increase exposure time to 15 minutes for a couple more days, and then 30 or 45 minutes until you're well done. After that, you'll probably be safe as far as burning is concerned. But there is still the danger of sun stroke or heat prostration.

sunbath is a source of vitamin D, as most people know. What they apparently do not know is that apparently healthy people can get all the vitamins required simply by good living. Ever wondered about the source of freckles which sometimes spread so becomingly across an upturned female nose? Here's the answer: The color of everyone's skin is determined by the amount of pigment which is formed by the body as a defense against sun rays. Dark-complected people have considerable, though very little, and a fair one at all.

READERS—

(Continued from Page One)
ing of Negroes and whites will not "form a more perfect union" because they do not coincide as to customs, traits and temperament. It will not "establish justice" because it is certainly wrong for one group to force themselves upon another group. It will not "insure domestic tranquility" because their manners and temperament are by nature itself isolated or segregated. It does not "provide for the common defense" because each race will naturally defend his own home first. It does not "promote the general welfare" because each race will fare well or better in their own natural environment. And it will not secure "the blessing of liberty to ourselves and our posterity" because it is morally wrong to mix by marriage. A thoroughbred always commands more respect than a common bred. The nine good men and true should read our constitution's preamble a few more times.

Hot Days Can Be Pleasant Days With Good Food

The hot days can be pleasant days with the right kind of food plus an easy way to prepare them. First, we should think of the lighter foods that contain enough vitamin to supply the energy needed for hot weather and yet do not give the heating element to the body. A good meaty sandwich will be enough for the meal itself if followed by a wholesome desert. A sherbert or ice cream with a base of "golden angel food cake" will appease the appetite and let one stay within a calory budget. The following is a good recipe for the cake.

5 egg yolks
1 1/2 cups sugar
1 1/2 cups cake flour
1 t. cream tartar
1 t. salt
1/2 cup water
1 t. vanilla
1 t. baking powder
5 egg whites

Beat egg yolks until thick, add water, beat until creamy. Add sugar and beat again until thoroughly blended. Sift flour and measure rest of flour, baking powder and salt, fold this into egg yolks. Add vanilla. Beat egg whites until foamy, add cream of tartar, beat until stiff, fold into batter and bake in ungreased tube pan about 45 minutes at 325 degrees F. Place pan of water below baking pan in oven. When done invert pan and let remain until cold.
