

NAMES FOR THE LAKE—V. Galloway, Manager of the Ranger Chamber of Commerce and Herbert Tanner, Manager of the Eastland Chamber of Commerce are shown as they began to sort the mail which contains entries in the Name the Lake Contest being conducted jointly by the two organizations. So far the number of suggested names has far exceeded expectations when the contest was started. The contest will close July 15. Each mail brings an increasing number of entries, and the incomplete tabulation this morning at the offices of both organizations, show over 800 entries in the contest, from approximately 170 different cities and towns. The Weekly

WINDBAG
 By The Office Looper

Monday we will observe Independence Day.

This holiday, perhaps the oldest tradition of the United States, this year means that it has been 178 years since a group of men declared their independence from the ruling crown of England. There followed years of a bitter struggle before winning that freedom—the basis upon which the greatest nation of modern history was founded.

There are many thoughts that would be apt at this time with relation to our political aspects, but to this old country boy, it seems that we have a vital one, close to each of us, which needs consideration at this time.

Within the past generation we have become a bunch of demons. Behind the wheels of automobiles we have come to use this holiday—and all other holidays, for that matter—to destroy life and property by the careless use of man's most convenient mode of transportation. Did you ever stop to think that there are certain classes of our citizenship—the doctors, nurses, ambulance drivers, law enforcement officers and others—who shudder at the thought of the death and destruction which has come to be identified with extended holiday periods in this nation of ours? By the reckless use of our motor vehicles we, as individuals, have become some of our nation's worst enemies.

Are you a heel at the wheel? The National Safety Council, which is coordinating a nationwide Fourth of July Safety Campaign, holds up six mirrors. If you can see yourself in any of them, then be prepared to become a holiday statistic.

The Me-First—this is the selfish competitive character who must be first away from the traffic light, can't stand to have anyone pass him, and risks the life of anyone who gets in his way.

The Big I—this is the fellow who is too big for the rules. Others can obey the law and a code of decent and courteous behavior, but not this self-inflated big shot. He's above all that.

(Continued On Page 7)

Suggested Names For New Lake Will Provide Judges A Variety From Which To Pick The Winner

By BOYCE HOUSE

Numerous names, many showing ingenuity and imagination, are pouring in for Texas' newest lake, built through the joint efforts of Ranger and Eastland. The person first suggesting the winning name will receive \$100.00.

J. B. Williams Makes Formal Announcement

"I've been urged to make this race by people in all parts of the county," J. B. Williams of Eastland, candidate for sheriff of Eastland County in the July 24 Democratic primary election, said Tuesday in making his formal announcement in behalf of his candidacy.

Williams, who was sheriff in Eastland County from 1947 through 1950, said, "If I'm elected I promise an efficient administration, a capable and experienced staff and fair and impartial enforcement of the law."

A World War II veteran, Williams is the only ex-serviceman in the race. He makes his home at 1003 South Daughtery, having been a resident of Eastland County since Sept. 1, 1946. He was elected sheriff a few months after he was discharged from the Navy. While in the service, Williams was attached to shore patrol.

(Continued on Page 8)

RANGER SCOUTS—Seven members of Ranger Scout Troop 10 and three members of Troop 15, last week won a plaque for being Class A campers while on the annual trip to Camp Billy Gibbons. Shown here are the Ranger Scouts at their campsite. In the front row, left to right, they are Robert Ferguson, Tommy Ford, Freddy Green, Barney Blankenship and Lanny Smith. Standing, left to right, Jerry Rhodes, Ronny Jumper, Frank Lantrop, Mike Fisher, Jimmy Swinney and Scoutmaster M. G. Smith.

A 'Sob' Story— Latest Ranger Police Mystery Goes Unsolved

This story could be a real "tear jerker."

The vegetable mystery of the Ranger Police Department has now gone down on the record books as being "unsolved."

It was not a "hot potato" case, but instead Chief of Police W. G. Pounds this week has worked on the "hot onion" case—fifty pounds of them.

E. L. Tackett, 46 Terry Place, reported to the Chief of Police that he had discovered a sack of onions hidden under a city culvert at the intersection of Lula and Walnut streets. Whereupon, the chief went to the scene and hauled the sack to the police station. A check with local merchants and produce distributors failed to locate an owner. Where the onions came from, and who placed them under the culvert are questions that have gone unanswered.

Recently there have been numerous trucks loaded with onions passing through Ranger. The Chief of Police thinks someone grabbed the sack while one of the trucks was parked here and picked a hiding place until such time as it would be more convenient to dispose of the lot.

Arther Gives Promise of Fair Consideration

"About the only promise I make to the voters of this precinct is the promise of fair consideration on any problem that comes up," J. E. "Tip" Arther, candidate for county commissioner, Precinct 1, said today in making his formal announcement.

Arther, 35-year-old resident of Morton Valley and a former Eastland feed dealer, said, "My full time will be devoted to the job if the voters see fit to elect me July 24. I feel that I am both physically and mentally able to devote full time to the job."

A graduate of Eastland High School, Arther attended school in Eastland and Olden. He holds certificates in book-keeping and accounting from the Eastland County Vocational School.

A veteran, he saw 46 months of service in the Army during World War II.

Ranger Student Attends Summer Term At Tarleton

STEPHENVILLE, (Spl.)—Byron B. Wheat of Ranger is attending the first six weeks of summer school here at Tarleton State College. Byron, son of Mr. C. E. Wheat, is a freshman majoring in engineering. The second summer term at Tarleton will open July 19.

City Briefs—

TWO GRASS FIRES

Firemen report no damage resulting from two grass fires on which runs have been made in the past few days. A grass fire was discovered on Blundell street at 2:22 a. m. Wednesday by City Patrolman Joe Faircloth, and one truck called out to extinguish the fire.

A call was answered Tuesday to a location about two and a half miles west of Ranger on Highway 80, and a grass and brush fire extinguished before it reached a dwelling.

TWO ARE FINED

A Brownwood woman and a Comanche man were arrested Tuesday night by City Patrolman Ralph Veal and charged with being drunk. They paid fines and costs in Corporation Court Wednesday totalling \$40.70.

NO INJURIES IN WRECK

It was reported that no injuries resulted from an automobile head-on collision about one-half mile east of the Ranger city limits about 5:30 p. m. Wednesday. One car westbound on Highway 80 collided with one eastbound. Highway Patrolmen investigated the accident and filed a charge of passing in a no-passing zone against Harry Lee Stalcup, reported to be from Midland. He pleaded guilty before Judge Chas. Bobo and was fined in Justice Court.

Driver of the other automobile was reported to be G. C. Singleton, address unknown.

FUTURE "MISS RANGERS"—In the Bathing Beauty Review at the municipal pool in Willow Park, Saturday night, June 26, three winners were named in each of two divisions, "Junior Miss Ranger" for girls eight through thirteen years, and "Sub-Junior Miss Ranger" for girls three to eight years. First prize was \$7.50 cash, second, \$5 in swim tickets and third, \$2.50 in swim tickets.

In the upper group are shown the "Junior Miss Ranger" contestants left to right, Patricia Ann Wheat, Lucille Nussle, Paula Lingie, third place, Jill Watkins, second place and Barbara Ann Craig, first place winner.

In the other group are five of the contestants for the "Sub-Junior Miss Ranger" division. Left to right they are, Jill Watkins, Mary Louise Woods, second place, Mary Elizabeth Craig, Pat Townzen, first place, and Dorothy Ann Oliver, third place. (Photos by Don Norris, courtesy of Abilene Reporter-News).

TOP-HEAVY SCORES TUESDAY DODGERS 21, INDIANS 6; GIANTS 25, YANKEES 6

Games scheduled in Little League play tonight beginning at 6 p. m., will see the Dodgers and the Yankees tangle and at 7:45 the Indians meet the Giants.

Fans at Tuesday night's games in the Ranger Little League saw a lot of scores but most of them were piled up by the winning teams, and after the double-header the league standing remained the same.

In the first game the Dodgers scalped the Indians by a score of 21 to 6; and in the second game, the Giants, after four consecutive defeats, came back strong to smother the Yankees 25 to 6.

The big inning for the Dodgers came in the second, when 16 men were at bat and accounted for a total of 12 runs. The Dodgers gathered 12 hits in the game including doubles by Tommy Canacho and Charles Harper. They were aided by 12 Indian errors.

The Indians picked up only five hits, all of them singles, against the effective pitching from Dodger moundsmen, John Perkins, playing second for the Dodgers was key man in the first triple play of the season. The Indians had the bases.

"Miss Ranger" Goes To Cisco For Rehearsal

Miss Dorothy Dell Beck who received the title of "Miss Ranger of 1954" at the Bathing Beauty Review in Ranger, June 26, will go to Cisco Friday night for a rehearsal preparatory to the "Miss Eastland County" contest to be held on July 3.

Indications are that a large group of Ranger people will attend the Monday review to be held at Lake Cisco, as a climax to a several day program.

Ranger Will Close Monday For Holiday

Roy Lane Asks Re-election On Record Made

Roy Lane, who is seeking re-election as district clerk, today issued a formal statement in behalf of his candidacy.

The statement:

"Due to the duties of the office of district clerk, which you have heretofore entrusted to me, I have been unable to see all of you as of this date, and probably will not be able to see you before July 24th. Therefore, may I take this opportunity to express my appreciation to you for the honor of serving you in the important office, and I want to thank each of you personally for the trust that you have placed in me, while serving as your district clerk.

"As most of you know, the duties of the district clerk are many. He must be posted and familiar with the rules of practice and procedure in all civil actions as well as criminal cases brought in the district courts of our county and the State of Texas. It is his duty to issue all process in connection with these cases, whether civil or criminal, and to record and keep all the records of and for the District Court, and to issue abstracts of judgment, to consider the solvency of various bonds and to approve or reject them. He is responsible for all moneys paid into the registry of the Court as trust funds and child support funds, as well as moneys deposited as court costs, fines, etc. There are many other duties that could be mentioned, but space will not permit.

"When I first asked you for (Continued on Page 8)

Independence Day, July 4, which comes on Sunday, will be observed in Ranger and the nation, Monday, July 5.

Practically all retail stores in Ranger will be closed from late Saturday through Monday. Some industrial and office workers will be off the job from Friday afternoon through Monday.

Mrs. Mae Belle Oyster, secretary-manager of the Ranger Retail Merchants Association said most of the member firms had indicated they would observe the holiday Monday.

City officials will be closed, but the police and fire departments will be fully staffed.

The Post Office and the Commercial State Bank will be closed.

The Ranger Live Stock Commission Company had previously announced the regular Monday auction sale, and this will be held, it was announced today by Loy Williams, assistant to Lloyd Coan, owner of the commission firm.

Little League teams in Ranger will play a double-header Monday night.

An announcement was made in Abilene that the Highway Patrol for this district expected to work around the clock during the long weekend holiday, in anticipation of a huge volume of highway traffic. A portion of the force for this district was transferred to the flood area along the Rio Grande early this week to help in that district.

One of the strongest campaigns for traffic safety in appeals to motorists has been underway for several days by a number of safety organizations, state and national.

A total of 370 Americans will die in highway accidents during the coming three-day July Fourth weekend, according to a prediction released today by the Association of Casualty and Surety Companies.

The Association's estimate, based upon "a conservative expansion of the accident rates of three-day Independence Day holidays in the past," breaks down the causes of the fatal accidents into six principal categories:

Speeding is expected to kill 123 persons; excessive use of alcohol will account for 82 more, both motorists and pedestrians; failure to keep to the right of the centerline, 57 deaths; failure to yield the right-of-way, 26 deaths; over-fatigued drivers or drivers actually asleep at the wheel, 23 deaths; miscellaneous causes, 79 deaths.

In releasing the estimate, Thomas N. Boate, Accident Prevention Department manager of the Association, pointed out that the Association's figures for the recent Memorial Day weekend were "grimly close to reality." The national highway death toll for that holiday, not counting those who were injured but didn't die until sometime after the weekend was over, was 362. The Association had predicted 380 deaths.

The National Safety Council has predicted the three-day weekend will produce the worst July 4 traffic jam in history, with an estimated 40 million cars on the nation's highways.

The fatality estimate of the National Safety Council, set at 400. Last year's July 4 death toll reached 454.

Charles Williams Going To Hawaii

Charles Williams, son of Mr. and Mrs. S. T. Williams, Route 3, Ranger, is home on a two-week furlough from Army Signal Corps. From Ranger he will go to the West Coast and on to a new assignment in Hawaii. He has been in service more than seven months, and has recently been stationed at Camp Gordon, Georgia.

City Water Ranger Still Using Million Gallons Daily

Ranger's daily water consumption is continuing over or near the million mark, but the lake level is almost a foot higher than it was a year ago, according to today's report from W. O. McMillan, city pumpmaster at the city's Lake Haysman water plant.

Ranger used 1,019,000 gallons of water Wednesday and 949,000 gallons on Tuesday.

The lake level was measured at 15.7 feet Wednesday. This compares with 14.8 feet on June 30 a year ago. The level of the lake at the beginning of June was 17.4 feet.

Annual Reunion To Be Held In Thurber, July 4

The Thurber Erath County Annual Reunion will be held Sunday, July 4, at Thurber, it was announced by the Committee.

Those attending are asked to bring a basket lunch.

Former County Resident Dies in California

Word has been received here of the death of J. M. Wilcox in El Centro, Calif. He succumbed to a heart attack.
The funeral will be held Saturday morning in El Centro.
Mr. Wilcox was related to the Woods family in Ranger and to George Wilcox in Cisco. He will be remembered as manager of the ice plant in Eastland for many years. Mrs. Wilcox was associated with the Fashion Shop for a long time.

NEWS FROM CHEANEY

Church attendance Sunday seemed to be increased, judging by the number of cars parked around both churches. Regular fourth Sunday services for the Baptist congregation, with their pastor Dixie Clement, of Gorman in charge.
Brother J. Frank Lilly of Gorman preached at both morning and evening services at the Church of Christ. Out of town visitors were Mr. and Mrs. Tom Tucker and sons, Thomas and Jimmy, of Artesia, New Mexico and Mr. and Mrs. Boyd Wisdom, of Abilene, who visited relatives during the day.

The Tuckers are here visiting the parental Joe Tucker family, and in Ranger with the Parental Levi Cozart family, while on vacation. Thomas, the elder of the two boys, is enrolled in summer session at Abilene Christian College, preparatory to entering the ministry.

The J. B. Blackwell family, we learned, spent a few days in Lubbock and Odessa the past week, visiting relatives. They were accompanied by their mother, Mrs. Belle Blackwell.

Mr. J. L. Brown was returned to the Ranger Hospital on Tuesday, from Baird, where he had made his home for some time with Dale Brown, his son. His condition is reported critical. He is 82 years of age.

Mr. and Mrs. Harry Deal and Judy, and Mrs. Pearl Stewart, of Ranger, made a Saturday evening call in the Bill Tucker home.

Mr. and Mrs. Hatley Dean and Mr. and Mrs. Ben Freeman attended a birthday supper in Ranger in the home of their brother, Frank Weekes, who was celebrating his 70th birthday, June 24th. His health is some better at latest report.

Mr. and Mrs. Frank Poteet were Thursday dinner guests of John and Betty Tucker, also visiting the Richard Tucker home in the afternoon.

Mrs. Eunice Mae Gregory and children are visiting her parents, Mr. and Mrs. Lee Yancey, for an indefinite time.

We are in error. The name Herman Bell, in last week's issue, should have been Aaron Bell, of Ranger. A thousand pardons, if he noticed the mistake. His grandson, Mike Love, from Odessa, has been visiting in the Bell home, and is now visiting his grandmother, Mrs. Ann Love and the John

HMMMM—Emperor Haile Selassie of Ethiopia enjoys an eye-opening treat as he samples a glass of ice-cold lemonade. The traditional American summertime treat was served to the Emperor when he visited the Edwin Doty farm near Rochester, Minn., while on his tour of the United States.

Loves. Mike is the son of minister and Mrs. Herbert Love, of Odessa.

Jessie Underwood, we are told, is visiting in Fort Worth this week with a host of relatives Betty Ross, of Ranger visited LaVerne Alinsworth, and attended church at Cheaney.

The Eastland County Farm Bureau group are already planning another community meeting to be held soon in July at Okra. Date has not been set as yet, but will be released later. A meeting, such as the one held recently at the Park in Gorman, is being considered. This brings a lot of folks together, provides an atmosphere of good fellowship between community groups and promotes the aims and activities of the farm organization, through information and education. Food, fun, fellowship for farm folks, is the aim of these programs.

Mrs. Jim Cunningham and son David, of Eureka, Kansas, visited during the week with the Hatley Deans. Sue Weekes was also a house guest throughout the week.

Mr. and Mrs. Bob Love and Don, of Odessa and Mr. and Mrs. Clarence Horn and children were visitors in the Ann Love home, over the weekend.

Jimmy Greer, of Gorman and Miss Betty Jean Love, the Arthur Loves and Mr. and Mrs. Herman Nerger of Alameda, were church visitors Sunday night.
Mr. and Mrs. Bill Logan and her mother also visited in the Ann Love home, Sunday.

Fields' Are Laid Bare By Army Of Hoppers

Grasshoppers, thousands of them, have caused heavy damage in Eastland County during the past few weeks, County Agent J. M. Cooper said Thursday.
Cooper said the infiltration of grasshoppers in Eastland County is the first trouble "we have had with hoppers in several years."
Grasshoppers hit Mrs. C. M. McCain. His farm south of Eastland was invaded by hoppers and 175 acres of alfalfa was literally mowed to the ground.
Cooper said most of the damage in the county was being done by the yellow hoppers (deficient). It was the yellow hoppers that left McCain's field in destruction.

The hoppers destroyed several acres of cotton on the Ray Norris farm in the Flatwood community and even ate all the leaves off 40 acres of his pasture land. Cooper said he had also spotted them west of Cisco.

The only outbreak of jumbo grasshoppers spotted so far in the county by the county agent was

Cooper said that the invasion this year was almost at an end. By the middle of July the hoppers will slow down and start breeding and laying eggs. After that they will die. Then we have to wait about them next spring.
"What can farmers do to combat the long legged, high jumping, tobacco sitting enemy?"
Cooper suggested the use of one of three insecticides. Taxaphene, Dieldrin or Chlordane were his suggestions.

It is estimated the population of India and Pakistan together equals that of the entire world three centuries ago.

Baby's Bottle Bounces the Ounces

BY EDNA MILES

THE new plastic nursing bottle may well prove to be the greatest boon to mankind since sliced bread. Just ask any mother (or father) who's struggled with a bottle at 3 a. m., only to have it crash to the floor.

And if you could interview Baby, he'd tell you he likes a bottle on which he can get a grip. He'd also tell you he expects to break a number of bottles, and at this point Mother will step in to tell you that not only is this true, it's expensive.

The answer to these problems was thought up by an irate father who got up in the wee hours, fumbled the baby's bottle and decided there must be some easier way to go at the whole thing.

As he caressed his bruised left foot, his eyes fell on a plastic cosmetic container belonging to his wife. And a brand-new polyethylene nursing bottle was born, one that's odorless, tasteless, harmless to formula and a natural insulator as well.

Formula, the makers of this bottle claim, keeps warm five times longer than in glass. This is an extra boon if yours is a slow-feeding baby.

Going—going—but not gone. When Baby heaves one of the new plastic nursing bottles overhead, there's a crash, but no smash. Easy to clean and heat-resistant, the well-nigh unbreakable bottles are a real boon to Mother, Dad, and the pocketbook.

Laundry Curtains, Pillows and Toys

Most of today's homemakers have a washing machine, either wringer type or automatic. A good many also own an automatic gas or electric clothes dryer, too. How many women who own both fully realize just what these two machines do?

The home economics department of Whirlpool Corporation, world's largest manufacturer of home laundry equipment, has released an amazing list of items that can be washed and dried at home. In fact, it seems that there isn't anything that the machines now on the market can't do perfectly.

Did you know that your best lace curtains could go into your washer and dryer and come out clean and in perfect condition? It's true, they say. Take off hooks, pins and removable trimmings. Use warm water and soap and a pillow case or mesh bag to put the curtains in while they are being washed. Incidentally, the washing shouldn't be for more than five minutes. The dryer eliminates the use of a curtain stretcher.

Another important job that your Whirlpool washer and dryer can do for you out home is washing feather or down pillows. These, too, should be washed in warm water, and soap and three to five minutes is considered ample washing time. The important thing to remember here is that the pillows should go into the dryer immediately after the last wash rinse. Quick drying insures a fresh, clean-smelling pillow and prevents the feathers from becoming stale or mildewy.

Baby's teddy bear or other stuffed toys can be washed and dried in exactly the same way.

Michigan State College, the nation's oldest agricultural land grant school, was forced to cancel its first commencement back in 1961; the entire class was excused when it enlisted as a body in Howard's Engineers for service in the Civil War.

"WHO'S GOING TO MAKE ME?"—Not this young rider, at any rate, if Patch III has anything to say about it. Patch had just knocked down the bar on an obstacle course during the Cheshire Horse Show in London, England, and immediately decided to sit out the rest of the event.

BETTI'S BUDGET of HELPFUL HINTS

Arms and shoulders attract special attention in summer's baretop dresses and play clothes. See that yours are in condition to rate it by scrubbing with a well-sudged bath brush or rough wash cloth as a regular part of your bath-time routine. After going over back, arms, and shoulders, you might "tear up" the skin with a fast splash of cold water.

For a different sort of pie add a little shredded coconut just before the pie has finished baking. It will toast to a golden brown while the pie finished baking—adding eye-appeal as well as taste appeal.

Empty sockets can be made shockproof by inserting a burned-out fuse. Incidentally, this is a good trick to keep outdoor sockets in shape when not in use.

When planting tiny seeds, place them in a large salt shaker and sprinkle them in your window boxes.

Here's a summer salad idea called "Two-tone Tomatoes." Turn tomatoes stem end down. Cut each from top, almost to bottom, in three slices. Insert one-fourth inch slice of smoked cheese in each cut.

You don't have to do without pork, in order to stick to your diet, but you should be sure that it is trimmed very lean. Then, try to have a lower calorie meat at the next meal.

For a taffy sundae try pouring unsulphured molasses from the jar over a serving of vanilla,

chocolate or coffee ice cream. Serve plain, with chopped or whole nuts, or with shredded coconut.

A really smooth finish on your table mats will mean an easier laundering operation. After washing the mats, squeeze them through a thick starch solution containing laundry wax. Dry, then dip again and dry. The ironing will be smooth and easy to do.

Wedding Tip—On or just before the wedding day, the bride and groom exchange gifts.

Willow Run airport, serving metropolitan Detroit, is the only commercial field operated by a university, the University of Michigan, which acquired it from the government after World War II as surplus property.

PARTNERS—The pilot of an F-56 Sabrejet at Selfridge Field, near Detroit, Mich., gazes thoughtfully at his partner in the job of defending America's cities from air attack. The newcomer on the defense scene is the guided missile, "Nite," which, in case of attack, would be used to intercept enemy aircraft at high speed.

Odessa Wedding Ceremony Unites Barbara Hennon, N. D. Gregory

ODESSA, June 12 (Spl)—In a beautiful twilight ceremony pronounced Saturday, June 12 in the East Side Baptist Church, Miss Barbara Hennon became the bride of Norman Dean Gregory. The bride is the daughter of Mr. and Mrs. W. E. Hennon of Odessa and her husband is the son of Rev. and Mrs. H. E. Gregory of Odessa.

Rev. Gregory, father of the groom, officiated at the double ring ceremony. Wedding music was presented by Mrs. Gerri Miller, who sang pre-nuptial solos, accompanied by Miss Shirley Gaddison. The bride, given in marriage by her father, wore a ballerina length gown of white imported eyelet embroidered nylon organdy. It was designed with a drop yoke effect and tiny puff sleeves with a high neckline. Her illusion fingertip veil was secured to a tiny hat sprinkled with rhinestone rosettes and pearls. Her only jewelry was a single strand of pearls, a gift of the groom. She wore lace mitts and carried a bouquet of Philadelphia orchids on a white ribbon. Miss Alta Hunter, maid of honor, and Miss Rowena Mead, bridesmaid, wore identical gowns of organdy and net in pastel shades. They carried bouquets of pink and yellow flowers.

Tummy Gregory served his brother as best man, Billy Hennon.

Walt Daniels' Return From Vacation Trip

Mr. and Mrs. Walter Daniels have just returned from a vacation trip through the New England states. The first point of interest was the Skyline Drive in the Shenandoah Valley. They stayed in New York three days and made a tour of the city. They visited Nantucket Island off the coast of Maine and also saw Plymouth Rock where the Pilgrims landed. They went on up through the New England states as far as Augusta, Maine and then returned home by way of Albany and Buffalo.

After making this trip, Mr. and Mrs. Daniels have been in all 48 states.

LOOK WHO'S NEW

Mr. and Mrs. J. R. Hopkins of Strawn are the parents of an 8 pound 1 1/2 ounce boy born at 11:45 a.m. Wednesday, June 30 at the Ranger General Hospital.

Mr. and Mrs. W. E. Quisenberry of Minges announce the birth of a 6 pound 6 ounce boy at 4:04 p.m., June 30 at Ranger General Hospital.

Mr. and Mrs. Jasper Williamson of Ranger are the parents of a 10 pound boy, born at 6:21 p.m., June 30 at Ranger General Hospital.

Hospital Report

New patients at Ranger General Hospital are: Mrs. Lewis Green, Jr., Aspermont, surgical; Johnny Baker, Eastland, medical; Mrs. J. H. Andrews, Strawn, medical; Beat Calhoun, Gordon, medical; Jerry Rhodes, Ranger, medical; Mrs. D. H. Honea, Odessa, surgical; and Mrs. Clyde Horner, Eastland, medical.

Patients admitted recently at West Texas Hospital include: Mrs. A. A. Bowen and Luther Woodruff, of Ranger; Mrs. Bob Wymer has been released.

Capt. D. C. Henry and family of Randolph Field, San Antonio, visited in the home of his grandmother, Mrs. Carrie Henry, over the week-end.

Dr. and Mrs. A. T. Adkins recently arrived in Ann Arbor, Michigan, where he will intern at University Hospital. Mrs. Adkins is the former Helen McAnelly.

Mr. and Mrs. T. L. Dupree and Carol Ann of Humble, Texas, formerly of Ranger, are visiting relatives and friends here.

Soap A Welcome Picnic Guest

That all-American pastime of the picnic is right around the corner. Picnics aren't much fun though, if you have a lot of problems with them. Often the best picnic spots are not equipped with running water. So—what to do about such things as washing hands before mealtime? Here's a solution that is so easy, you will wonder why you hadn't thought of using it long before this. Simply take along a capped jar of soapy water and another jar of clear rinse water. Then all you have to do is to pour the soapsuds over your hands, lather, and then rinse with water right out of the jar. Don't even have to take along a basin. Paper towels will do the drying trick, but if you prefer luxury, take along real towels. Do whatever is most convenient for you. Incidentally, save some of the soap and water for hand washing before starting home again—the car upholstery can do nicely without sticky smears. Food that is packed in plastic or wrapped in wax or foil paper or glass jars will be protected from sand, gravel, and ants. Utensils carried along for cooking should be wrapped, too. Take an extra minute to see that food jar covers are tightly secured. Nothing disappoints more than not being able to enjoy food so carefully prepared for the picnic because dirt, sand and ants have gotten into it. Get the idea? That time for picnics is right around the corner.

Final Report Of Red Cross Shows \$6,182

The final financial report of the Eastland County Chapter of the American Red Cross showed that \$6,182 was collected during the 1954 campaign. The figure was \$1,208 short of the \$7,410 quota.

The report showed that Cisco turned in the most money with Eastland second and Ranger third. Cisco reported \$1,700, Eastland \$1,594 and Ranger \$1,575. Gorman reported \$500 and Rising Star \$490.53.

Of the amount collected, 50.3 per cent will be retained by the local chapter. The money to stay in the county amounts to \$3109.55. The amount sent to National Headquarters totaled \$3072.45, or 49.7 per cent. Other communities which contributed included: Carbon, \$22.65; Chaney, \$43; Colony \$19; Corinth, \$25; Flatwood, \$24.90; Kokomo, \$9.66; Long Branch, \$9; Morton Valley \$10; Mitchell, \$3.50; New Hope, \$1; Nimrod, \$8; North Star, \$45.31; Oltra, \$6; Sabanno, \$10; Seranton, \$16.70; Staff, \$23; Union Center, \$11; Word and Shady Grove, \$40.50; and Bluff Branch, Dotham and Cottonwood, \$6.50.

Dr. and Mrs. A. T. Adkins recently arrived in Ann Arbor, Michigan, where he will intern at University Hospital. Mrs. Adkins is the former Helen McAnelly.

Browning Family Has Reunion In Cisco Sunday

The Browning Family Reunion was held at Cisco Lake Sunday. Dinner was spread at noon. Swimming and miniature golf was enjoyed by the young folks and dominoes by the older ones. Those present were: Mr. and Mrs. J. D. Browning of Cisco; Mr. and Mrs. W. R. Dunlap, Mrs. Edith Pierce and children, Linda and Paul, all of Breckenridge; T-Sgt. and Mrs. A. K. Britt, Virginia Ann and Arle of Ellington Air Force Base; Mr. and Mrs. Jack Norton and Mr. and Mrs. Thomas Bragg, of Dallas; M-Sgt. A. C. Sharpe, of Amarillo Air Force Base; Mrs. Bertie Ford of Hobbs, N.M.; Jack Browning of Brownwood.

Mr. and Mrs. H. L. Browning and Edith Ruth of San Sala; J. V. Farabee of Weatherford; Mr. and Mrs. C. M. Browning and Emma Lou of De Leon; Mr. and Mrs. W. E. Woods, Susan and Jr.; Mrs. A. O. Hoover, Mr. and Mrs. D. A. Weems, Lola Faye and Paul, Mrs. Annie Sharpe, Mr. and Mrs. T. L. Browning, Sharon and Douglas, all of Ranger.

Pearl Poyner, Hugh Jackson Wed In Eastland

Announcement has been made of the marriage of Mrs. Pearl Poyner to Hugh M. Jackson on Friday, June 25 in Eastland. The couple will make their home in Ranger.

Mr. and Mrs. Delbert Capps and son, Loyd, left Wednesday for a vacation in Arizona.

Oil News Well Completed; New Wildcat Is Staked In County

Another Eastland County well has been completed and location for a new wildcat has been staked. Victor Cornelius of Eastland No. 4 M. W. Gieger has been completed four miles south of Eastland in the regular field. It is in Section 29, Block 2, H&TC Survey. The well pumped for a daily potential of 58.74 barrels of 38 gravity oil through 18 perforations at 1,273.76 feet.

The new wildcat will be Edwards, Matthews and Moore of Eastland No. 1 A. M. E. Holcomb Heirs, staked to a depth of 1,700 feet with cable. Drillsite is 970 ft. from the west line 336 feet from the north lines of the southwest quarter of Section 1, Block 4, H & TC Survey. Other area oil news: Scheduled as a 2,500-foot rotary wildcat in Stephens County is Menefee and Parsley of Olney No. 1 Pitts-Bradford, seven miles, south of Caddo. Drillsite is 500 feet from the north and 2,000 feet from the west lines of the south half of Section 69, Block 6, T&P Survey. In the regular field, W. J. Rhodes of Breckenridge staked his

No. 11 Joe Harris 14 miles south-east of Breckenridge. Staked for 1,900 feet with cable. It spots 600 feet from the east and 1,500 feet from the south lines of the southwest 160-acre tract in Section 54, Block 5, T&P Survey. Completed as a new producer in the Jackson Strawn Field was A. F. Knappenberger of Graham No. 4 F. R. Jackson, eight miles south of Caddo. Location is in Section 4, T&P Survey. Daily potential was 62.50 barrels of 38 gravity oil, plus 20 per cent water, pumping from 24 perforations at 1,770-1,776 feet, where formation was ruptured. Casing was set at 1,887 feet. Total depth was 1,911 feet, on elevation of 1,464.7 feet.

Start this "Twin" in forward or neutral and shift gear while the motor is running. Powerful, quiet and easy-to-operate with simple front panel controls. Full 360° pivot lets you reverse direction. Motor shock mounts cut down handle and boat vibration. Smooth-running and efficient at 1 1/2 or 12-MPH top speed.

Little League-

(Continued From Page One)

loaded, when he caught a pop fly for the first out, stepped on second to double a runner, and threw to third to get the last out.

Edward Mendez, Indian third baseman, was key man in a double play against the Dodgers in the top half of the sixth inning. He caught a runner off second and threw the batter out at first.

The Indians scored one run in the bottom of the sixth when four consecutive walks forced in a run.

The Giants, in the second game, performed similar to the way they did earlier in the season when they held top spot for so long. For the first two innings it looked like these two teams would stage an evenly game, but after two big innings, the third and fourth, they pulled too far away from the Yankees to ever be in danger.

This game was called at the end of the fifth because of the 9:30 time limit rule. The only extra base blow poked up by the Giants was a home run by Walter Blackwell with two men on in the fourth inning.

Under Little League rules the Yankees were suffering from pitching staff troubles, having used too many pitchers in the Monday night game. Robert Koenig was on the Yankee mound for his first try at the pitching chore. Despite the one-sided defeat of the Yankees, which was aided by 10 Yank errors, Robert fanned eight Giants in the five innings.

In the first game the Indians send Ronnie Daskevich to the mound for his first try of the season at pitching.

The line-ups for Tuesday night's games and player positions were as follows:

DODGERS: Richard Cozby p-ss; Tommy Camacho, ss-c; Floyd Ainsworth, cf; Ronnie Wynn, 3b-ss-p; Gerald Dempsey, 1b; David Duncan, c-3; John Perkins, 2b; Chas. Harper, lf; Tommy Ford, rf; Tommy Joiner, cf.

INDIANS: Teddie Joe Neeley, ss; Gene White, cf; Bobbie Fron, 1b; Ronnie Daskevich, p-rf; Edward Mendez, 3b; Tommy Smith, c; Bernie Milmo, 2b; Tommy Fowlie, 2b; Dwight Squires, rf; Mickey Craig, p; Herman Fron, lf; Jerry Whitehead, lf.

GIANTS: Ronnie Tye, rf; Fred Green, rf; John Merritt, lf; Walter Blackwell, 1b-p; Robert Powell, ss; John Nicholson, cf; Richard Webb, c; Sidney Birdett, 3b; Dean Richey, p-lb; James Nelson, 2b.

YANKEES: Billy Johnson, ss; Geo. Koenig, 1b; Gary Bradshaw, lf; Robert Ferguson, 3b; Billy Patton, cf; Charles Ferguson, rf; Terry Townzen, rf; Donnie Chestnut, 2b; Robert Koenig, p; David Webb, c.

Score By Innings table with columns R, H, E and rows for Dodgers, Indians, Giants, and Yankees.

LITTLE LEAGUE STANDINGS table with columns Team, W, L, Pct. and rows for Yankees, Giants, Dodgers, and Indians.

The season's first injury to a player which will keep him out of the line-up for a few days, was sustained Monday night by Joe Grissom, of the Indians on a slide into second base. The thumb on his right hand was hurt. A report indicated that no bones were broken but he would be out of the line-up for several games.

Chuck Garrett was out of the line-up Tuesday night for the Dodgers because of a thumb injury in pregame practice.

The line-ups for Monday night's games and the player positions were as follows:

DODGERS: Richard Cozby, ss; Tommy Camacho, 2b; Floyd Ainsworth, cf; Ronnie Wynn, 3b; Gerald Dempsey, 1b; John Perkins, p; Chas. Harper, lf; John Stroud, rf; David Duncan, c.

GIANTS: John Merritt, p-rf; Jim Robinson, c-f; Chuck Garrett, 2b; Walter Blackwell, ss; Robert Powell, lf-p; Richard Wilhelm, 2b-c; Sidney Birdett, 3b; Dean Richey, cf-lf; John Nicholson, rf; James Nelson, p-2b.

Rev. Ramon Vazquez

Gran Noticia En Espanol

A todas las personas de habla espanola les interesara saber que desde hace tres dias esta predicando en la Mision Bautista de Ranger, un predicador espanol, venido de la Republica Argentina. Estamos seguros que usted gustara escuchar el gran mensaje de Dios. Asista con su familia. Cada noche de esta semana a las 7:45 p.m.

Fidelity Class Has Luncheon

Members of the Fidelity Sunday School class of the First Baptist Church met at 12:30 noon Tuesday for a covered dish luncheon and business meeting. Rev. Ralph Perkins returned thanks.

The business meeting was presided over by Mrs. Joe A. Tullos. Mrs. C. C. Harris gave the opening prayer. For the devotional each lady gave a scripture verse and comment. The teacher, Mrs. Harris, and members decided that prospective members will be their project for the month. Sick reports were made and plans were made to visit more in the name of the church.

The meeting closed with prayer by Mrs. Lloyd Bruce an associate member. Rev. Perkins, John Perkins, Mrs. Glenn West and Miss Anne Locke were guests of the class.

WMS Meets On Monday, June 28

The Women's Missionary Society of the First Baptist Church met Monday, June 28 for Bible study and business meeting. The opening song, "Wonderful Words of Life" was led by Mrs. Earle Pittman.

Mrs. T. J. Anderson led the opening prayer. The W.M.S. voted not to meet July 5 because of the holiday. Plans were made for the mission study for the next two months.

All chairmen reported on their circles. Mrs. Perkins brought the Bible study entitled "Young People of Destiny in the Bible." Mrs. Walter Arteburn dismissed with prayer.

Rev. Vazquez To Preach Revival, Mexican Mission

The Rev. Ramon Vazquez, who is preaching this week in the Mexican Baptist Mission, is 49 years of age and has been preaching since he was 16.

His father was the first Baptist pastor fruit of the mission work of the Southern Baptist Convention of U. S. S. He founded what is now one of the largest Baptist churches of Argentina which he pastored until his death. At his death the church called as its pastor the Rev. Vazquez, who is preaching here this week. Rev. Vazquez pastored the church for almost twenty years and resigned to come to the United States.

Rev. Vazquez was the youngest person to graduate from the Baptist Seminary of Buenos Aires, Argentina. He was graduated at the age of 20 years and from then on he preached in his country and in other countries as evangelist.

About four years ago when the Baptist work in Bolivia and Peru was in its infanc year, Rev. Vazquez was called on a 4 months evangelistic trip through these countries. He preached to congregations of thousands of Indians showing them Christ as the Savior of all times and for all races.

Rev. Vazquez has been in the U.S. almost two years and is in constant demand as an evangelist in revival meetings in the Spanish-American churches of Texas.

The Mexican Baptist Mission of Ranger is pleased to offer you the opportunity of knowing this international preacher who will be with us through Sunday night.

Moreover, English speaking people can hear him next this Sunday evening at 7:30 p.m. at the First Baptist Church of Ranger.

All understanding Spanish are invited to hear him in the open air beside the Mexican Mission.

Come and bring all of your family. You and your home need Jesus. It is of Him the Rev. Vazquez preaches with power.

Grace SS Class Meets Thursday

The Grace Sunday School class of the First Baptist Church met at 7:30 p.m. Tuesday, June 28 in the lower auditorium for a business meeting. Mrs. Carl Eakin brought the devotional, using Psalms, 23.

Mrs. Eakin, class president, also had charge of the business meeting. The class will meet the second Thursday of each month.

Those present were Misses Carl Eakin, S. T. Williams and Mary Wheat.

Mr. and Mrs. Curley McCallum and Melvin of Odessa have been assisting in the home of her sister, Mrs. W. L. Squyres and mother, Mrs. Kitty Stephens and other relatives.

ASTHMA COUGHS

Don't let difficult breathing, coughing and wheezing due to recurring attacks of bronchial asthma or chronic bronchitis ruin your sleep and energy without trying BRENOLIN. Works through your blood to help loosen and remove thick, irritating mucus. This really allows coughing which permits free breathing and sounder sleep. Get BRENOLIN under money back guarantee at drugists.

DYE-BATH CREATES NEW LIFE FOR SINGLE-OCCASION SUIT

WONDERING what to do with that nice white suit Junior wore to Communion? Suggested steps for tinting in a washing machine follow. Dissolve dye in quart jar or pitcher of hot water. Place article in machine and fill machine with hottest water available. Pour dye solution into washer, run machine through regular washing cycle and set to last rinse. If the machine is so equipped, spin-dry article in it, otherwise squeeze out excess water manually. Finally, hang to dry either indoors or in a shady place outside. Communion suits come generally in pre-shrunk fabrics, so there's no shrinkage problem involved.

C-O-O-L—Even without the mermaids, Carter Barron Amphitheater in Washington, D. C., is a nice, cool place to be when the thermometer is having apoplexy, and a water show is in town. "Miss Washington" contestants, making a heart-warming spectacle in cool surroundings, are, from left: Jean Skidmore, 19; Ann Weaver, 20; Shirli Culpepper, 19; and, reclining, Jacklyn Traten, 18, all from the Washington area.

Gone Are the Good Old Days—

... when grandfather boasted that he bought bananas at a dime a dozen and his farm from the State with only one deed in the chain of title. Today the chain may contain hundreds of transactions and as it lengthens defects multiply and enlarge. The abstract is the only means yet devised which may reveal these defects and place them in position for correction. That's why more and more people are demanding an abstract when they buy real estate.

STAMFORD RODEO—Typical of the action and horsemanship of the cowgirl sponsor contest at the Texas Cowboy Reunion in Stamford is this picture showing Betty Osborne of Parpa making the swift turn around a barrel aboard Snipper Cody. Miss Osborne will represent the Top O' Texas Rodeo Association at the Texas Cowboy Reunion, July 1, 2, 3 and 5.

Texas Cowboy Reunion and Rodeo Opens With Parade In Stamford

By BOYCE HOUSE

Thousands of spectators are expected in Stamford to view the long and colorful Western parade at 5 o'clock the afternoon of July 1st marking the beginning of the unique Texas Cowboy Reunion. Hundreds of horses and riders, as well as chuck-wagons, buggies, stagecoaches and decorated floats will comprise the picturesque procession through the business district.

The first of the five performances of the rodeo will start at 8 p. m. and there will be performances all four nights (skipping Sunday, July 4), with an afternoon rodeo also on Monday, the final day.

Some of the points that make the Stamford celebration an outstanding tourist attraction, drawing visitors from three-fourths of the state are:

More cowboys assembled here than anywhere else in the world—nearly 500—old-time range-riders and several times that number of present-day cowboys. Largest number of contestants of any rodeo in the United States; All contestants genuine cowboys who will return to the ranch-

es, afterward; Chuckwagon feeds which the public can attend, getting the fare that cowboys eat, prepared by ranch cooks presiding at the chuck wagons of famous cattle outfits.

Two special attractions of the rodeo will be the music of the famous Hardin-Simmons Cowboy Band and the singing of Slim Willet, who will give the song he composed, "Don't Let the Stars Get in Your Eyes" and also "Cowboy Reunion", written in honor of the Stamford affair, being sung publicly for the first time.

President—Manager W. G. Swenson of the Texas Cowboy Reunion has been aided by numerous committees of civic-minded citizens. Features arranged include G-I roping (for service men and ex-service men), clover-leaf barrel race by 60 cowgirl sponsors, wild-cow milking, cutting horse contest, old-timers' roping contest, Quarter Horse Show, square dancing and modern dancing. The rodeo also will offer bareback, a n d saddle bronc riding, calf roping and Brahma bull riding besides the antics of clowns and the darning of bullfighters.

WINDBAG—

(Continued From Page One)

The Know-It-All — this driver is good, in his own estimation. He knows just what the other driver is going to do, just how fast he can stop, just how much room he needs to cut in on another car. But the only way this over-confident jerk escapes painful disillusionment is that the really good drivers give him a wide berth.

The Swashbuckler — this fellow thinks he expresses his masculinity or something by living dangerously behind the wheel. He believes that he who hesitates is lost, and that his luck will hold forever.

The Sorehead — this fellow is just plain hostile. He drives with a whip on his shoulder and is ready to lock fenders for any real or imagined wrong. He's sore at everyone, and very brave while surrounded by a steel automobile with the windows rolled up.

The Show - Off — this is the exhibitionist. He's graduated from no hands on a bike to no sense at the wheel. He just wants people to admire his flashy performances, but most other drivers are too busy getting out of his way.

Take a good, long look at yourself in one of these mirrors. See anything?

A heel at the wheel gets by because the good drivers give him the margin of safety he fails to give himself. But the heavy Fourth of July traffic will reduce that margin. Watch it.

—few—

If you have noticed anything different the last few days along the Texas and Pacific tracks; if it seems that there are more trains than usual, and if some of them don't look like the standard T&P variety then you are right, they are not. We are seeing in Ranger, some of the effects of the record breaking flood on the Rio Grande and its tributaries.

The Southern Pacific, the tracks of which extend across the state from Louisiana through Houston, San Antonio and to El Paso, traverse some of the worst flooded areas. Some of the SP trains are being routed to Fort Worth and over the T&P tracks toward El Paso on their transcontinental runs. Freight, as well as passenger trains are being rerouted through Ranger, C. E. Dowden, telegraph operator at the T & P station tells me.

It is hot weather. It is election year, and the candidates are beginning to get about a little more. Guess they think they can catch a fellow in the shade more often now the weather makes one want to hunt a cool spot. Yes, the candidates are getting more frequent all the time, but I haven't had a single cigar offered me yet. I guess they

are holding them for the voters' customers, as no doubt someone told them I couldn't vote here yet.

Any way campaigning is getting a little pickup right now, and some guy sent a newspaper clipping to Ralph Veal, candidate for the office of Constable in Ranger, telling him of the experience of a candidate a few years ago in Tennessee. This old boy said the report which was passed on to Ralph:

"Give away two calves and five goats to a barbecue; contributed five pairs of suspenders; six ladies' dresses and 15 baby rattles. For prospective voters plowed 173 acres of land and baled 10 tons of hay; drew 24 buckets of water; put up 14 kitchen stoves and kindled 17 fires. Lost two front teeth and some hair in a personal encounter with a supporter of an opponent. Attended 26 revival meetings and sang in all the choirs; made love to nine grass widows and eight old maids and got dog bit 39 times."

The life of a candidate ain't easy. Ralph says if it is that rough in Tennessee he had rather campaign in Texas anyway.

Thrift is a wonderful thing. So, folks wish their ancestors had practiced it more. That's me, too.

The sediment that the Amazon River washes down to the Atlantic discolors the ocean for 200 miles out to sea.

Safer Cough Relief

Mrs. W. Adams Buried Sunday At Bullock

Burial for Mrs. Walter Adams, 62, was in the Bullock Cemetery, following funeral services at 2 p. m. Sunday, June 27 at the Bullock Methodist Church. Services were conducted by Rev. L. A. Norris of New Castle, Rev. Bruce Wenner, pastor of the First Methodist Church, and Rev. Don Fordyce, pastor of the First Christian Church, both of Ranger.

Mrs. Adams died at her home in Gustine on June 25. She was born

in Stephens County, Texas, October 1, 1902 and was a resident of Ranger before moving to Gustine seven years ago.

Survivors include her husband, Walter of Gustine; three sons, Waldon of Dallas, Carlton and Clinton both of Gustine; two daughters, Lillian Boney of Dallas and Clara May Hart of Newton, Iowa, and four grandchildren. Also, her parents Mr. and Mrs. B. F. Dempsey, Rt. 3, Ranger; three brothers, C. N. Ernest and Herman Dempsey, all of Ranger; five sisters, May Miller of Lacasa; Mrs. Eddie Sides and Mrs. Lizzie Squires both of Ranger; Mrs. Jewel McDougal of Comanche and Mrs. Rachel Smith of Hobbs, N. M.

Pallbearers were Rudy Wells, Norval Adams and Hubert Pockrus all of Ranger, Henry Pearson, Homer Miller and Harmon Kemp all of Gustine.

Services were directed by Morris Funeral Home, Ranger.

CISCO (SoL)—An old fiddler's contest will be held Monday afternoon at Lake Cisco.

Three prizes will be awarded. All fiddlers are urged to attend by sponsors of the contest.

J. B. Williams—
(Continued from Page One)

and Naval Intelligence units. Williams, who was raised on a farm and attended school at Dyer, served as constable at Gorman for three and a half years before entering the Navy. He is the son of the late R. H. (Uncle Bob) Williams, a pioneer Eastland County resident.

Williams is married to the former Thelma Taylor, a life-long Eastland County resident and the daughter of C. S. Taylor, a Gorman pioneer.

A member of the American Legion and the IOOF Lodge, Williams said, "I just hope the voters of this county will look over my record and make a thorough investigation of my character and capabilities. I'll appreciate the support and influence of all my friends and citizens in the county."

J. B. Arther —
(Continued from Page 1)

World War II, including 18 months overseas, and nine months during the Korean conflict.

The son of Mr. and Mrs. Sid Arther of Eastland, Tip has lived in Eastland County since he was one and a half years old. He was in the feed business in Eastland five years, entering the business when he was discharged from the Army.

Arther moved to a farm near Morton Valley in 1951. He and his wife have made their home here ever since. "Since I live on a farm and have had contact every day with farmers and ranchers in the feed business, I feel I can better understand their problems," Arther said. "Then too, I feel I can serve both the people in Ranger and Eastland, since I live only eight miles from Ranger and five miles from Eastland."

Tip, who was a scout master for three years, is a Baptist and belongs to both the American Legion and the veterans of Foreign Wars. "I can't possibly get out and meet all the folks in this area," he said. "So if I don't get to see you, do me a favor and ask your neighbor about me. I stand ready to serve you as your commissioner."

Ben Gailey Hurt In Accident With Combine Monday

Ben Gailey, 14, son of Mr. and Mrs. N. C. Gailey, who reside 14 miles southeast of Ranger, was seriously injured Monday, when a combine ran over him. The accident happened at the Shaler Cagle farm, where he was helping combine grain.

His left shoulder was badly injured and he will be in a cast several weeks it was reported. After treatment he was released and returned to his home.

Mrs. J. W. Miller Is Victim of Auto Wreck

HEARNE (Sp.)—Mrs. J. W. Miller, mother of Hack Miller, who at one time owned a variety store in Eastland, was seriously injured in a car wreck between Hearne and Waco Saturday.

Ranger Begins Work On New 4-Inch Main

The Ranger City Commission in a regular session Tuesday night issued a contract to the Wynn Pipeline Service Company, to do a part of the work in connection with the laying of the new four-inch water main to the Evergreen Cemetery and Ranger Hill area.

The contract was awarded on the basis of a low bid. The city received five sealed bids, and the Wynn company was low at 19 cents per linear foot to do the welding of the pipe as it was being laid.

Work on the new main has already started, City Manager Les Crossley said today. City crews are digging the ditch and will do a large part of the work in connection with the new water line.

Routine business occupied most of the time for Tuesday night's meeting of the Commission which was presided over by L. T. Rushing, Mayor Pro-Tem.

Roy Lane—
(Continued from Page One)

This important office, I told you that if elected I would render you the most efficient service possible. I have tried to give that promise good, and I will give an investigation of my record, and when you have done this and considered the experience I have had, I hope you will help me again in this campaign.

"During my tenure in office we have filed and processed almost double the number of cases filed and processed for the same length of time preceding it. This of years following the war and our course was largely due to the oil activity which always causes more litigation. I am proud that I have been able to handle these cases with one regular deputy to help me, and I am sure that you will agree, and appreciate the fact that we have saved the county money, by the manner in which we have handled the work, and if it still my promise, to render the same economical, courteous and efficient service that I have in the past, if you see fit to re-elect me.

"I believe that my record while serving your district clerk will speak for itself, and that it will show that I am qualified to render you the service that you are entitled to have.

"The office of district clerk belongs to the citizens of Eastland County, and I have tried to keep this in mind at all times. I am your hired-hand with a job to do, and if the way I have cared for this important office meets your approval, I shall greatly appreciate another term, and again I wish to thank you for the many courtesies and favors which you have extended me.

"Thanking you for your continued support and vote on July 24th, I am respectfully, your district clerk, Roy L. Lane."

Sandra Herrell Attends TSC

STEPHENVILLE, (Sp.)—Sandra Herrell, daughter of Mr. and Mrs. J. D. Herrell of Olden, is attending the first six weeks of summer school at Tarleton State College. Sandra is a freshman majoring in home economics. The second summer term at Tarleton will start July 19.
