WINDBAG By The Office Loafer

This old country boy will be glad when Saturday has come and gone. When the votes are all in Saturday it will be the beginning of the end of a fierce political battle — maybe. (Who knows, this feud, as vicious as it has been may not end for another generation.)

This campaign for the office of Governor of Texas has set records of various kinds. To attempt an enumeration of them all would be a hopeless task. As we view this battle from the sidelines, in many ways it has been harmful to Texas as a whole.

By the hour the charges have been growing hotter. If either of the men are as bad as they have been pictured to the public then this state is in need of some better citizenship for public office. Whether deliberate or ill-advised, this writer, of personal knowledge, knows that from one of the candidates has come two specific false charges. To falsely and intently mislead the citizens in an attempt to get votes does not, in my opinion qualify a man for the office of governor.

The bitterness engendered by over-zealous candidates and their partisans will not be erased easily. This campaign no doubt has been the most bitter ever seen in the annals of Texas history. And there have been stormy political battles in the past, and this old country boy has had his share in fighting in some of them.

I have, along with everyone, ever active in Texas politics, had my share of post-election blues, as well as post-election joys, following the counting of the ballots.

It is true that this writer has a personal choice in this race, but by reason of a twist of personal circumstances and the poll tax law of Texas I do not have a vote. For that reason I have refrained from publicly attempting to influence a voter, because I would not be in a position to do the thing I would be asking another to do — vote for my choice of the two candidates.

There have been reckless charges and the smearing of character from both camps. Families have become divided within themselves during the heat of this vote-getting battle and friends of other years, now have become the bitterest of personal enemies. From the time I reached voting age I have tried to keep an open mind with regard to the rights of my fellowman when it comes to voting. I may have violently disagreed with him, but I have tried to never let a friend's personal choice of a candidate interfere with a friendship. Too often people don't all see it this way.

All men in public office will make mistakes. They have made them in the past and will continue to make them in the future. This will be true with the man seeking to be elected to public office. It is indeed a shame that this race could not have been run on the basis of the official records and future proposals for the good of the great State of Texas, and to have kept personalities out. This campaign has added nothing to the honor of the office sought. It becomes repulsive to see a campaign for the highest office in the greatest state dragged so low and become so foul.

The task of being good citizens lies ahead for all of us. May we all resolve to remove from ourselves the ill-feelings and prejudices which may have grown out of this campaign? Texans need to remain united, and we each need to be good citizens if we are to remain in this state, for we will be living under the tenure of the man elected to the office of governor.

Rev. Cliff Brown in his talks before Ranger's civic clubs since he began the tent revival here, has sounded a note which should be echoed throughout this state and nation. He challenged members of the clubs to preach and teach the younger generation the true spirit of Americanism. Such an appeal cannot be endorsed too strongly. For too long, to many of us have been content to say we are against Communism. Let's be for America and all its greatness and the things that made it great.

His Saturday night sermon will no doubt be interesting when he discusses the subject of Communism.

Polio Drive Needs More Local Support

An appeal for a general response to the Emergency Polio March of Dimes drive was issued today by M-Sgt. Jess Cole of Ranger, chairman of the Eastland County Chapter for the National Foundation of Infantile Paralysis.

Cole said that response so far has been widespread and returns from the mail appeal for the drive had been received from every section of the county, but to date the total amount of funds actually received had not reached a large sum. "Of course," he added, "we have not checked the collection boxes which are generally distributed in business places over the county."

Some confusion has arisen, Cole said, by reason of a direct mail appeal for the Sister Kinney Foundation, but he explained that the two are in no way connected.

The Eastland County chapter is faced with a possible heavy load in the future, and every contribution received will be appreciated. So far this year's case load has not been large in numbers, but there are several cases from years past which still need medical care, and where circumstances warrant the local chapter will extend assistance to the extent of the funds available.

The assistance of any organization or group of individuals to aid the drive in any way will be appreciated, the county chairman said. The drive will end on Aug. 31.

Mr. and Mrs. Mann expect to leave about Aug. 30 for Baton Rouge, and while there secure a place to live, and will probably move their family to Baton Rouge before Sept. 10.

1954 Rangers Schedule— COLLEGE TEAM TO PLAY NINE GAMES; WILL OPEN AT HOME

It will be a nine game schedule for the Ranger Junior Rangers, who begin football drills on Sept. 1. The first game sees the Rangers in action on the home field Sept. 11, and they will close in Kerrville against Schriener Institute, Nov. 20. There will be five home games and four away. Coach Dick Henderson said today that no attempt would be made to complete the

Frank Weekes Services Today

Funeral services were held at 3 p. m. today, Aug. 26, at the First Christian Church in Ranger, for Benjamin Frank Weekes, 70, who died at his home on Spring Road at 4:30 a. m. Aug. 25. Rev. Don Fordyce, pastor officiated.

Mr. Weekes was born June 24, 1884 in San Augustine County, Texas. The son of Cicero and Rosa Weekes, he came to Eastland County in 1889 with his parents. He was a member of the Church of Christ and a member of the Masonic Lodge for over 40 years, being a charter member of Ranger Chapter No. 394. He was married to Noma Mae Clem September 2, 1906 in Desdemona. He was a retired carpenter, having been employed by Premier Oil Refining Co. for 22 years.

He is survived by his wife, Nona of Ranger; two sons, Buck and Joe Weekes of Ranger; five daughters, Mrs. Alice G. Tulley, The Dalles, Ore., Mrs. Maud Clem Gheebere, Falfurrias, Mrs. Hazel Jankotak, Midland, Mrs. Nell Hester, Bismarck, N. D., Mrs. Betty Frank Veyran, Van Nuys, Calif., four sisters, Maud Dean, Sophie Freeman and Jennie Kimbrough of Ranger and Etta Brittain of Graham; two brothers, Willis Weekes of McCombe and Dick Weekes of Comanche; 10 grandchildren and 4 great grandchildren.

Funeral services were held at 10 a. m. today at the Alameda Cemetery with Killingsworth Funeral Home in charge. Honorary pallbearers were Jim Cook, Ernest Ingram, John Walton, Clyde Rodgers, Mat Robinson, H. G. Ramsey and Cicero Rodgers. Masonic graveside rites were conducted by members of Ranger Chapter No. 394.

Aggie Exes To Hold Barbecue Friday Night

The annual picnic and barbecue of the A&M Ex-Students Club of Eastland County is scheduled for Friday, 8:30 p. m., Aug. 27, at Eastland Memorial Park. It was announced today by Dr. R. H. Hodges of Ranger, president of the club.

The meeting is to honor all Eastland County students of A&M before they return to the college for the fall term.

Jimmy Dye, Route 1, Cisco, will be signally honored by the Eastland County Club, when he is presented with a scholarship certificate. He won top ranking scholastic honors in a competitive examination with 404 other A&M students, and the college has forwarded the certificate to the local club for presentation, Dr. Hodges said.

All present and ex-students of A&M are urged to attend, he said.

Bullock Cemetery Working Friday

several hours, was completed Sunday, and early this week operators indicated that they might allow more than the usual 72 hours for the cement to set before bringing the well in.

Early today no time had been announced for drilling out the plug.

Lease interest and activity in this area has definitely increased since last weekend and there are reports of lease offers over a wide area northeast of Ranger.

Location for a 5,000-foot wildcat in Stephens County has been announced for the Subsidy Oil Co., of Tyler, No. 1 J. M. Tarrant. It is near the Eastland-Stephens County line, being 330 feet from the north and 700 feet from the west line of the northwest quarter of Sec. 122, HTAB Survey. The test will be drilled with a rotary rig.

In Palo Pinto, L. R. Pearson of Ranger has staked the No. 2 Meckie Stuart Walker, et al, as a regular field project 12 miles northeast of Strawn. It is located 2,310 feet from the south and 990 feet from the west lines of Sec. 62, T&P Survey, and using cable tools is scheduled for 1,999 feet.

A regular field location has been staked south of Eastland as the E. C. Parsley, Trustee, of Olney, No. 3, Guy Parker. The 1,400-foot rotary project is located 890 feet from the north and 1,427 feet from the west lines of the southwest quarter of Sec. 30, Blk. 2, H&TC Survey.

A daily potential of 69.5 barrels of 42 gravity oil has been granted for the J. E. McKinzie of Meridian, No. 3 Marion Graham, in Sec. 81, Blk. 4, T&P Survey in Stephens County. The well, 12 miles southeast of Caddo, is in (Continued on Page Three)

Olden School Opens Doors September 1

OLDEN (TNS) — Olden school students will enroll for school Wednesday, Sept. 1, Supt. Travis Hilliard said today.

Hilliard said the regular schedule will be followed the first day after pupils are enrolled. The lunch room, with Mrs. Nina Lockhart and Mrs. DeAlva Edwards in charge, will begin serving on the opening day.

The bus route will be the same as last year, Hilliard said, until Lake Leon makes a change necessary. Claud Renfro will be the driver.

According to the superintendent, a limited number of under-age children will be admitted to the first grade, provided such children will reach their sixth birthday before the end of September.

For the first time in the history of the school, high school boys will be offered vocational agriculture. A new shop building is being constructed for this purpose. When the building is completed, it will be one of the largest in this area.

Hilliard said that the student accident insurance that was offered to all students last year will be available again this year.

Mrs. Jessie Kelley will be librarian and Tom Sharp junior, J. T. Weaver is principal. Other teachers include Billy C. Green, Gilbert Copeland, Miss Eunice Hamilton, Mrs. Elizabeth Vaughn, Mrs. Rudolph Little, Mrs. J. T. Weaver, Miss Namie Allison and Mrs. Milton Day.

Sample Ballot

The following is a list of the names of candidates and the order in which they appear on the ballot for the Democratic run-off primary election, Saturday, Aug. 28.

For Governor: Allan Shivers, Ralph W. Yarbrough

For Supreme Court of Texas (Place 1): Few Brewster, Alfred M. Scott

For Court of Criminal Appeals: Lloyd W. Davidson

For State Representative, 76th District: Omar Burkett, Paul Brunshear

For County Sheriff: J. Frank Tucker, J. B. Williams

For County Commissioner, Precinct No. 1: Frank Castleberry, J. R. "Tip" Arthur

Absentee Voting Sets Record As 298 Cast Ballots

A record number of 298 absentee votes were cast by the deadline Tuesday, County Clerk Johnson Smith revealed Thursday. The number is more than twice the number cast in the first primary, or 163 more to be exact.

During the 1952 runoffs, only 100 absentee votes were cast. And during the first primary in '52 there were only 235.

As far as anyone knows, the number represents the largest amount of absentee votes ever cast in a run-off election in Eastland County.

Clarke Attends Dealer Meeting At Dallas Today

A Ranger automobile dealer is one of 2,500 dealers in the United States who are today attending the same meeting, but are assembled in 28 different centers.

RANGER'S MAYOR FINDS MUCH INTEREST SHOWN IN PROGRAM HERE TO PROVIDE RECREATION

The project proposed for the benefit of the youth of Ranger — the Youth Center — is being enthusiastically endorsed by city officials from widely separated sections of Texas, Dr. Calvin W. Harris, Mayor of Ranger said today.

For several days the Mayor has been sending personal letters to mayors and city officials in other cities and towns over Texas. He has been telling them about the future plans for Ranger's Youth Center, and the desire of a local group to complete the project and thus provide the young people with a recreation place at home.

The response through Wednesday has been gratifying and encouraging the Mayor said. In addition to their letters of encouragement and endorsement of such a project, cash contributions have been received.

One of the letters is from Mayor C. S. Boone of Woodboro

near the Gulf Coast and he wishes success for the youth program planned for Ranger; another comes from Mayor Oran C. Whitten of Wink.

Mayor E. F. Rodgers of Albany stated that only last year a youth center was erected there and he is of the opinion that such projects are worthwhile for the youth of smaller cities in Texas.

"You are to be commended for your efforts," wrote E. B. Hill, Mayor of White Settlement.

From Wolfe City, Mayor Uta Bush, that he felt it was a "most worth-while undertaking" and wished Ranger success in its undertaking.

Dr. Harris said some of his letters had been in the mail only a few days, and before many more days he expected to have a letter to each mayor of a Texas city or (Continued on Page Three)

Bulldogs Speeding Up Daily Workouts

The Ranger High School Bulldogs are beginning to settle down to business, as Coach Boone Yarbrough, a 4 Assistant Coach Stubby Warden are putting their charges through two two-hour daily runs.

The two daily workouts are a rapidly moving sessions and scrimmages are the order of the day now.

Two of the three missing from last year's Class A State Championship squad, Gary Patterson and Jimmy Nail were out in uniform Wednesday afternoon, Jimmy Littlefield, the third member of the trio from last year's team, and who has been suffering with a case of whooping cough, has been pronounced well by his physician and is expected to be in uniform by tomorrow.

Yarbrough said it is too early yet to know exactly how he is going to fill the seven vacancies left from the championship team through graduation last spring. It may be several days before he begins to determine how the first string will shape up.

"There may have to be a lot of shifting and changes" the coach said.

Yarbrough and Warden are expecting a rough game to start the season, as Colorado City, which was hard to beat last year, will field almost the same team they had a year ago. On the other hand Ranger will field an unproven lineup for the season's opener.

Mothers Club Will Handle Game Programs

The programs for the 1954 Bulldog football games are being handled by the Bulldog Mothers Club, it was announced today.

Club members in a meeting at the high school building Wednesday voted to accept the handling of this year's programs. They will sell advertising on the 12-page program, and direct the sales at each of the four home games.

Money from the programs will go into the club treasury for the purpose of helping defray expenses of the annual banquet which the mother's give for members of the Bulldog football team following the close of the season.

Mrs. W. A. Robinson, president of the Bulldog Mothers Club is directing the sale of advertising which started today.

Desdemona Boy Joins National Guard Tuesday

David Charles Lewis, son of Mr. and Mrs. R. D. Lewis, Route 1, Desdemona, was sworn in Tuesday night as a member of the Ranger unit of the Texas National Guard, M-Sgt. Jess Cole has announced.

Cole said there are at the present time only five more vacancies before the local unit will reach its full strength. He said the National Guard offers many opportunities for young men between the ages of 17 and 18½ years. The latest member of the guard unit here is 17½.

Young men who enlist in the guard are subject to being deferred from the draft as long as they remain active and perform the duties required of them. In addition, army schooling is open to members of the guard. Those members still in high school, can obtain special schooling during summer months if they desire.

Sgt. Cole said that the National Guard is in process of giving enlisted men an opportunity to become officers. It is also pointed out that those who serve in the National Guard and later enter the Army have some advantages over those going straight into the army without any previous training.

Young men in the Ranger area interested in enlisting in the National Guard may make inquiry at the Armory located on Highway 80 west.

Annual Lone Star Picnic To Be Held Saturday

The Annual Lone Star Picnic, sponsored by the Lone Star Ladies Club, will be held this year on Saturday, August 28 at the Willow Park.

Each family is asked to bring a basket lunch, which will be served at 5 o'clock. There will be free swims and cold drinks for everyone.

All employees of the Lone Star system and their families are invited to attend.

A spokesman for the Club stressed the fact that those intending to swim should come early enough to do so before the supper hour.

Drouth Aid For Farmers Reviewed At Rotary Club

Geo. Lane of Eastland, manager of the Farmers Home Administration office for Eastland County was the speaker at the Wednesday noon meeting of the Ranger Rotary Club.

He discussed briefly the drouth relief program of the government, explaining that cattlemen and farmers who need to purchase hay and grain, can do so, under the relief program if they qualify.

Lane said the program was a good step in the right direction but did not go far enough, and that it is an aid to the government as much as it is to those in the drouth stricken areas of Texas.

He pointed out that through dealers in the drouth area the Commodity Credit Corporation is disposing of some of the surplus stocks of grain it has in storage.

The speaker said that some erroneous reports about the program have been spread, but that a livestock producer who could qualify for assistance would get it. He further remarked that without some kind of help every owner of livestock in this area would be bankrupt before long.

He said that members of the committee for the Farmers Home Administration were L. H. Hagan of Ranger, Jack Baker of Cisco and Oral Davis of Eastland.

G. B. Rush presided at the meeting in the absence of D. Joseph, president of the club. James Ratliff was program chairman.

W. F. Cressler had as his guests, John Tibbel and D. T. Mann. It was announced that Mann was moving from Ranger and his service as a civic worker here was recognized by the club members.

R. N. Cluck of Cisco was a visiting Rotarian.

DAV Miniature Auto Licenses To Arrive In County This Month

Ranger's disabled veterans will continue to be helped toward rehabilitation by local motorists who this month will receive from the Disabled American Veterans their 1954 Idento-Tags, miniature individual auto license number tags for key rings.

During the past 10 years the DAV has obtained more than \$183 million dollars in benefits for the nation's disabled veterans.

The DAV Idento-Tags are distributed from the organization's national headquarters in Cincinnati where disabled veterans make and assemble the tags in a project entirely owned and operated by the DAV.

Officials of the DAV pointed out today that the Idento-Tag mailing piece specifically points out that the organization does not give direct relief aid neither does any other veterans organization at the national level. According to the DAV, disabled veterans don't want handouts or doles. They want only the benefit to which they are rightfully entitled under the law and which the DAV spends its money to help them obtain.

The Idento-Tag provides key loss insurance for motorists and well over 115,000 sets of lost keys were returned by the DAV last year. Motorists are urged to place the new tags on their key rings immediately to insure prompt return of lost keys. Only keys with 1954 Idento-Tags can be returned.

Key rings with Idento - Tags come back to the DAV with wedding rings, class rings, rabbit feet, knives, gas tank caps, small bill-

boards with money, pictures of families, religious emblems, flashlights and an endless variety of objects on key rings.

Crop Measuring Is About Complete For County Farms

The Eastland County Agricultural and Stabilization Committee has about completed work of measuring acreage for peanut and cotton farmers, according to Emmett E. Powell, county office manager.

He said the committee would be glad to hear from any farmer whose cotton or peanut crops may not have been measured in order to determine the planted acreage.

Powell also said the committee has been aiding several producers in the terracing of their farms. He suggested that this would be a good time for terrace work before the planting of fall grain crops.

Survey Shows Texas Turkeys Are Rated Tops

COLLEGE STATION, (Spl.) — Housewives in 25 states, to the tune of 90 per cent rated Texas produced turkeys as excellent or good. This is one of many findings taken from a survey made by workers of the Texas Agricultural Experiment Station.

College Station wrapped questionnaires, 12,000 in number, were inserted inside the body cavities of as many ready-to-cook turkeys in four Texas processing plants during the period from November 30 to December 24, 1952. Purpose of the study, according to G. J. Mountney, E. D. Parnell and R. P. Halpin, members of the departments of poultry husbandry and agricultural economics and sociology at Texas A. and M. College, was to get from consumers their rating of Texas turkeys as to quality and value as a competitive food product. It is known that wholesalers in some areas of the nation do not favor Texas turkeys and since the consumer is the final judge of what they buy, their reactions were sought.

Almost a third of these answering the questionnaire said they actually shopped for the turkey finally bought. Better than 89 per cent said the birds were properly cleaned and better than 85 per cent bought the turkey as a frozen product. The average weight of the turkeys covered by the returned questionnaires was 13 pounds and this was indicated as a popular weight.

On quality, better than 96 per cent rated the turkey bought as excellent or good on tenderness; 91.5 per cent said excellent or good on juiciness; 90.1 per cent rated the cleaning job tops; 94.5 per cent liked the skin color and 97 per cent rated the plumpness or fleshing in the high brackets. One report said, "Our bird had an excellent taste . . . better than the fresh turkey bought from a farm."

Texas Farmers Have Slightly Higher Income

AUSTIN (Spl.) — Texas farmers' cash income exceeded \$78.5 million during the first six months of 1954, a rise of \$58,129 or 9 per cent from the \$645.4 million total for the same period last year.

The University of Texas Bureau of Business Research said increased revenue from cotton and cattle were primarily responsible for the overall increase. Cotton income showed a 33 per cent gain, from \$111.4 million in January-June, 1953, to \$150.8 million during the first six months of this year. Cattle income rose 22 per cent, from \$161.5 million to \$196.7 million.

Be sure you get the best of these big 4

1. economy
 What's it going to cost to keep that new car in gasoline? In oil? What about service and repairs? Check into it and you'll find that Chevrolet has the greatest name of all for keeping upkeep costs down over all the miles you drive!

2. price
 Take a look at what you pay and what you get. You'll see that Chevrolet has more for you and asks less from you. It's priced below all other lines of cars. That's possible because Chevrolet builds the most cars—and can build them better to sell for less!

3. performance
 Do you want livelier, smoother performance on less gas? Then be sure your new car has modern high-compression power. That's just what Chevrolet gives you—the highest-compression power of any leading low-priced car. Come in for a demonstration ride!

4. appearance
 You, of course, are the only one who can decide which car looks the best to you. But you might well consider this: Chevrolet's the only one in the low-price field with the smooth lines and graceful beauty of Body by Fisher. It's the look America likes best!

Now's the time to buy! Get our big deal! Enjoy a new . . . **Chevrolet**

Breashear For Representative

(An Editorial)

The Ranger Times sincerely believes that Eastland County and the entire 76th Legislative District will best be served by the election of Paul Brashear as our next State Representative.

The Times does not have a political axe to grind. The Times is not aligned with any power or pressure group, political or otherwise. We do not at this time know of any request, specific or general, that we would be called upon to make to our representative in Austin within the next two years.

We do know, however, that this section needs capable, fair and reasonable representation at Austin. It is our opinion that we have not had this type of representation in the past few years.

This newspaper has only one purpose when taking a stand on any public issue—and that is what will be the best for Ranger, Eastland County and this area. In the case of the coming election and the nomination of a State Representative, we do believe that it is to the best interests of this area that Paul Brashear be elected.

It is our opinion that he will seek to serve this district as a whole, and endeavor to do it fairly and in such a manner as to merit the respect of all those with whom he comes in contact. We have found this man to be highly regarded and well respected by the people who have been his neighbors for years.

We think Paul Brashear is the type of man who will avoid alignment with any group, large or small; and that he will refuse to serve any group for purely selfish reasons.

We do not believe a review of the record of the present incumbent—the record he made by his own acts—will in any measure be classed as outstanding. We are fearful that he has allowed too much of his personal choice or feelings to enter into his public acts. A continuation of the services of the incumbent, we fear, will not provide fair and reasonable representation, but will continue in office a man who may allow personal feelings to dictate his official course. We are afraid the present incumbent has lost sight of the fact that he is in reality a servant of the people, all the people of this district.

Ranger, Eastland County, the 76th District and all of Texas needs big men in public office. We believe you will make a contribution to this end, if you cast your vote for Paul Brashear in Saturday's election.

Several who are actively interested in the project have indicated a concerted effort would be made in the near future to complete it and open it for use by the Youth of Ranger.

SOUTHWESTERN OF THE YEAR in 1953, Coach DeWitt Weaver sends his Texas Tech Red Raiders against a rugged schedule that will make it difficult for them to repeat last season's accomplishments. Tech loses seven starters from the team that won the Border Conference title, led the nation in scoring, and beat Auburn 36-13 in the Gator Bowl.

Frog Coach Sees Little Hope For An Easy Game

FORT WORTH — There's no rest for the weary. Abe Martin, who became head football coach and track for 222 death still looking for a "soft touch" on his schedule.

Last fall the Horned Frogs met such teams as Michigan State, Penn State, Washington State and Kansas outside the Southwest Conference.

This year he has Oklahoma, Southern California, Penn State and Kansas. Upcoming in 1958 are Texas Tech, Alabama, Miami, Alabama is also on the docket for 1956 and Ohio State for 1957 along with Kansas and Alabama which will be paying a first visit to Fort Worth that fall.

"There's nothing like a good warmup game," says Abe with a wry grin. "We still have a couple of open dates in '56 and one in '57. Maybe we can get Notre Dame, Maryland and the Cleveland Browns."

Fatal Injuries In Sports Are Rare

NEW YORK — Bloody noses, strained muscles, and assorted lumps and contusions are relatively common in competitive sports, but injuries severe enough to cause the death of a participant are quite rare, statisticians of the Metropolitan Life Insurance Company find.

The statisticians, studying the causes of death among the millions of males between the ages of 10 and 29 insured under industrial policies, discovered that less than one in 100 accidental deaths could be attributed to competitive sports. During the two years under study — 1951 and 1952 — only 11 deaths in this group resulted from competitive athletics. Baseball and softball accounted for four of these deaths, golf for three, basketball for two, a football an d track for one death each.

Plugged at 4,643 feet was the Leatherwood Drilling Co., Jackboro No. 1 A. J. Allen in Sec. 10, Blk. 2, SP Survey in Stephens County. The abandoned wildcat was one mile north of Ivan.

An Eastland county wildcat, the C. F. Fourqurean No. 1 H. V. Ables, four miles northwest of Lendemona has been plugged as a failure at 1200 feet. It was in Sec. 17, G. W. McGrew Survey.

Latest report from the Railroad Commission indicates that total completions of oil wells in Texas for the year is running ahead of those of a year ago by 17 per cent. Completed so far this year are 7,711 compared with 6,570 a year ago.

Ingram Opens New Cafe On S. Austin

The new Jim's Cafe owned by Jim Ingram was opened Wednesday at 107 South Austin. Ingram, who has operated a short-order cafe, the Post Office, in the 200 block of North Austin for the past 14 months, has been in process of moving to the new location for several days. The building and fixtures have been completely refurnished, and several booths and tables added.

Ingram said he would feature short-orders.

New Type Bus To Be Shown Here Friday

The Scenicruiser, a newly designed bus for the Southwestern Greyhound Lines, will be on display in Ranger, Friday, Aug. 27, between 1 p.m. and 2:30 p.m. at the Paramount Hotel.

"The public is cordially invited to inspect this entirely new type of bus," said George E. Clark of Abilene, district sales representative for Greyhound. "This is one of the first of 500 Scenicruisers being built for Greyhound at a total cost of \$25,000,000. Within a few weeks, these motor coaches will be in service on principal routes throughout the country."

Clark said that they would be placed on their transcontinental runs and that one of the first runs to use this new bus would be the Memphis, Tenn., to Los Angeles, which passes through Ranger.

The Scenicruiser is a 43-passenger motor coach with a raised level for improved sightseeing.

through six foot windows of tinted, glare-resistant glass. The interior is decorated in modern design fabrics, with rooming, individually controlled reclining seats. The 40-foot length of the bus makes possible the inclusion of complete lavatory facilities.

Mechanical features include twin diesel engines, each of which is able to operate the bus and the air conditioning system. The engines are mounted in units so they may be removed and replaced by another engine assembly in a matter of minutes.

Sandwiches Can Be Fun When You Try Something A Bit Different

Sandwiches can be fun for the homemaker equipped with an eye for variety and skill in blending breads and fillings. August has been named Sandwich Month, and that's an invitation to experiment with a variety of breads and fillings. For an offering that tops a "dagwood," a pyramid sandwich can't be beat. It's a challenge to make, and something of a challenge to eat.

Racing Gamblers Are Hoping For Shivers' Election

AUSTIN, Aug. 26—An all-out effort to bring racetrack gambling back to Texas will be made next January if Allan Shivers is re-elected governor, according to well-informed quarters around the State Capitol.

George Echols of San Antonio ran for the legislature on a platform of racetrack gambling and reached the runoff but withdrew because he said he wanted to help Shivers in his race.

Benny Binion's lawyer issued an endorsement of Shivers. Binion is the "czar" of a nation-wide gambling ring, with headquarters in Nevada and including Texas, where he was tried in federal court and convicted of income tax evasion. There have been signs that other gambling leaders of the North and East who operate in connection with race tracks have been active in the governor's race and that, reportedly, thousands of dollars have been spent to help Shivers, and these gambling overlords are not in the habit of spending money without a purpose.

Shivers, while in the State Senate, was the leader of the race-track forces and he led the race-track gambling side in an unsuccessful effort to prevent repeal of gambling on horse races. He said Monday night at San Antonio that he would never run for office again—so, if he wins Saturday, he will be in position to help bring racetrack gambling back to Texas without fear of what the voters would do to him in a future election, political observers point out.

IT'S THE LAW in Texas

RULES FOR JUROR CONDUCT EXPLAINED

Thousands of Texans are called each year as prospective jurors in our many state and federal courts. When chosen to serve very few of these violate their oath with intentional misconduct. But honest mistakes have all too frequently brought the sincerity and ethics of an individual juror into question. Usually such errors arise from his misunderstanding of his function as a juror—for the jury is judge of the facts in the case before it.

Like Caesar's wife, the juror must not only avoid wrong, but must also avoid any appearance of wrong. Otherwise, his integrity

Week end visitors in the home of Mr. and Mrs. E. T. Boyd were her sister Mrs. Wayne Evans and son David of Fort Worth.

and honor may be brought into question by actions which are actually innocent but appear censurable to those who view them. By observing the following simple suggestions, the juror may be sure he is maintaining the highest of ethics, in which no possible fault may be found by others.

Hold yourself aloof from all persons (except other jurors) in any way connected with the trial of the case. That means that you should not mingle with nor talk to the lawyers, witnesses, parties, nor the judge, even though the discussion is wholly unrelated to the trial.

Do not discuss the case nor permit others to mention it to you or to your presence during the trial. If anyone insists upon talking about the case after you have explained to him that you are a juror and must not listen, report the

matter to the judge immediately. Do not commence your deliberations until you have heard all the evidence from both sides, the argument of the lawyers, and the court's charge. You should not mention the case except in the jury room when all other jurors are present.

Do not become a private investigator. All properly admissible evidence will be brought before you. Do not try to search out additional facts you believe to have been omitted. Do not even guess or speculate about facts not in evidence.

Be attentive to the evidence as it is presented. If you are to properly aid the other jurors in settling the fact questions, it will be necessary to listen carefully to all evidence presented.

Do not guess at the judge's op-

AN OPEN LETTER TO OMAR BURKETT

If I had known in advance what an irresponsible attack you would make upon me personally in this campaign for State Representative, I would probably have never entered it. However, Mr. Burkett, I am in it now and intend to see it through to the very end—until the very last vote is counted. And if I am honored by the people of this District with a seat in the State Legislature, I will devote my efforts to service—first, to the people of this District in particular; and, second, to the people of the State of Texas in general—to the end of making our State a better place in which to live. I will not grind my own axes and use my position to fight my personal feuds at the expense of my constituents.

I have never understood your purpose in circulating copies of my service discharge. I know I was no highly decorated war hero—but I went when they called me, made the army a hand while they wanted me and came home with an honorable discharge when they released me. How can you blacken me with that? I am proud of my service record.

And then you have circulated some statements from some clerks in Austin tending to brand me as a slacker in my duties as an employee of the Legislature. To that I can only say again that I am proud of my work record and the letters from the Assistant Secretary of State, and others, that I have exhibited to the public show that I have a right to be.

And, oh yes, you have spread the rumor that I was against R.E.A. and a captive of the big utility companies. If you have stumbled through the dark on a farm with a coal oil lamp as often as I have, even you would know that such a story is ridiculous and utterly false.

In the first place, a member of the state legislature has nothing to do with the REA—that's a federal project. Finally, being for or against the REA or big utility companies has not entered my mind. Both the REA and the utilities are serving in their fields and both are contributing to our state's progress. Paul Brashear owes no obligations except to be a good citizen of a good community and state, and these obligations he intends to fulfill.

Once again, want to make the statement, Mr. Burkett, that I made at our first campaign rally held in Kokomo: "I want to conduct a clean campaign and, if elected, be a clean representative." I still do not choose to engage in mudslinging and have the greatest confidence in the voters of the 76th District on August 28.

Those Who Know The Two Candidates Best Prefer Brashear 8 to 6.

Voters of Cisco, home of both candidates, favored Paul Brashear 821 to 600 in the first primary, July 24. Join his many Cisco neighbors in giving him a big majority on August 28th.

inion of the facts. You are the judge of the facts. He is not allowed and will not try to invade your province. His rulings on admissibility of evidence reflect no ideas or opinions on any fact question.

You should not mention or discuss your own personal experiences, or any knowledge that you may have of similar transactions. If you should disclose such information to others serving on a jury, the court would have to grant a new trial.

Accept no favors from and bestow no favors upon any person interested in the trial, however in-

nocent the conduct may be, it will raise doubts in otherwise undoubting minds, and may even be subject to more serious imputations and charges.

When in doubt ask the judge. If you are in doubt about your rights or duties as a juror you should not ask anyone but the judge for information.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Railroads Decline To Reduce Rates Into Drought Areas

CHICAGO — Western railroads have advised Secretary of Agriculture Ezra T. Benson that they could not grant his request for a 50 per cent reduction in freight rates on hay and livestock for the drought-stricken areas in the west. Business conditions in the railroad industry, they explained, did not warrant reinstating the emergency rates they put into effect last year.

Paul Brashear Says Burkett Court Enemy

"I firmly believe in the protection and preservation of your public institutions and if I am elected as your representative, I will devote every effort at all times to see that none of these are taken away from you for any reason whatsoever, and particularly, because of any personal grudge between individuals," Paul Brashear, candidate for State Representative of the 76th District, said in a radio address over Station KERC this afternoon.

Brashear said, "I call to your attention again the fact that during the last regular session of the State Legislature, my opponent introduced House Bill 239, which had as its sole purpose, and only purpose, the abolition of the 91st Court of Eastland County, and the inclusion of Eastland County in the 90th Judicial District of Stephens and Young Counties. This bill, under Mr. Burkett's sponsorship, quickly passed through the House of Representatives. However, due to the prompt action of our State Senator and other friends of the people of Eastland County, the bill was stalemated in the Senate and was never passed into law. Later in the same session, Mr. Burkett, on April 28, 1953, voted for the final passage of House Bill 565, which affected the entire judicial system of the State of Texas, but in particular, called for the creation of all new courts throughout the state and the abolition of only two. It should be noted particularly that one of these two courts was again the 91st District Court of Eastland County."

Brashear, who is running for his first elected office said, "Burkett has made frantic efforts in recent weeks to justify his legislative record in this regard on the basis of economy, but the fact that he supported a bill creating 11 new courts while abolishing only two clearly shows that economy was not the true reason why he supported such legislation. The only logical conclusion that can be made is that in truth and in fact Mr. Burkett's efforts were motivated by the fact that the present presiding judge of the 91st District Court defeated Mr. Burkett for a seat in the State Legislature several years ago and this fact must never have been forgotten or forgiven by him."

Saying he favored the Gilmer, he will certainly not say that he considers the law perfect in every respect and will not say that he considers the law perfect in every respect and will concede that a careful study of it might suggest that certain amendments were and are necessary. As in all other matters

of this type, the legislation will probably be amended and improved from time to time, but at present, I say it is right and just and good for the people of Texas, and a negative, do-nothing approach to our problems will never promote the kind of progress that we, in Texas, have always sought."

Brashear also condemned a bill Burkett introduced which would have set a minimum salary for constables. Saying the bill would have increased the salaries of Eastland County constables approximately \$2,400 per year, Brashear said that in the last three years \$21,950 in constables' salaries have been paid while only \$1,992.30 in fees has been taken in.

Brashear also hit a bill introduced by Burkett that would have "provided for the probation of those drivers license suspension in cases where the defendant needed to drive the car in business."

In concluding his talk, Brashear said, "I want to help work out a practical plan of water conservation throughout our drought-stricken state, and I will strive for an expanded program of rural telephones and electrification. Allen public school law as passed by the special legislature, Brashear said Burkett "at all times" opposed "such legislation."

"Again, the basis for his position was the question of economy," Brashear said, "but this can hardly be justified in view of the fact that the purpose was accomplished without the necessity of increased taxes. He has further attempted to justify his stand because of opposition to two or three particular provisions of the law."

Bacon Spiked Creole Onions Are Delicious And Fit For A King

The lowly onion is fit for a king when it is fixed this way! Tender, yet just crisp enough to be interesting, the onions are smothered in a Creole sauce to rival any Creole sauce ever to come from a Southern kitchen.

Just imagine the taste of this very low cost dish — delicious smoked bacon, pieces of tender ham, crispy green peppers — and tender, white onions — smothered in a rich tomato sauce. But none of this wonderful sauce is lost because it is served on hot, fluffy, white rice. Yes, here's your answer to the "what to serve" question.

Freshmen To Be Greeted At TU For Full Week

AUSTIN — An estimated 8,000 new freshmen will be welcomed to the University of Texas during "Howdy Week" September 12-18. The newcomers will take freshman tests, get acquainted with the campus, meet administrative officials and student leaders, and register for classes. There will be entertainment, too, sponsored by student organizations and religious foundations in the University area.

It's all part of "orientation," the process through which the University absorbs newcomers. Registration officials predict a total enrollment of 15,000, a gain of about 1,000 over last fall's student body. Registration will be conducted September 15-17, and classes will begin September 20.

2 slices bacon
1 tablespoon flour
1-3 cup chopped green pepper
1-2 cup chopped cooked ham or luncheon meat
1, 8 oz. can tomato sauce
1-2 cup water
1 small clove garlic, minced
1 teaspoon salt
1-8 teaspoon pepper
2 cups hot, cooked white rice
1-3 cup finely grated American or Parmesan cheese

METHOD: Peel onions and cook in boiling, salted water until tender, about 15 to 20 minutes. Drain onions. Cook bacon in a saucepan until crisp. Remove the bacon, blend the flour into the bacon fat and cook several minutes. Break the bacon into pieces and return to the saucepan. Add the green pepper, ham or luncheon meat, tomato sauce, water, garlic, salt and pepper. Mix well. Cut the onions in half and add to the tomato sauce. Cover and cook over a low heat for 10 minutes. Stir occasionally.

Arrange the hot cooked rice or "stuff" on a platter. Pour the onions over the rice. Sprinkle the cheese over the top.

This recipe makes seven servings.

Mrs. Rosa Taylor is ill at the home of her daughter, Mrs. A. N. Bradford.

Bill Harrington attended the Junior rodeo at Snyder last week. This week Pete Jameson of Ranger is visiting Bill Harrington.

What Was This Call Worth?

"Mommy, can I stay at grandmother's tonight?" That was little Carol's very first telephone call — a real thrill that can hardly be measured in dollars and cents. Yet, Mrs. Caroline Niemeyer, Carol's grandmother, can tell you what that call cost. She is one of a group of customers who kept day-by-day records of calls made for a week — a total of 39 calls covering 133 miles. Then she broke her telephone bill down into the actual cost per call. "I was amazed," she reported, "at how little my telephone service cost for all the convenience and happiness it delivers." SOUTHWESTERN BELL TELEPHONE COMPANY ... An Open Letter To ...

PRECINCT ONE VOTERS

Dear Friends,

It won't be long until you will return to the polls to decide who will serve you as your commissioner during the next two years.

I don't have to tell you that it is an important privilege that you have, for you know it. It is important in that you will be electing a man to do one of the most important jobs in the county. I consider it an honor and a privilege to have served you during the past few months.

In asking my first elected term, I would like to bring out a few facts about my record since I was appointed to fulfill the unexpired term of my brother. When I took office April 1, 1953 the precinct had a cash balance of \$12,303.95. On July 1, 1954 the cash balance was \$27,730.08. This increase in cash on hand was brought about by running the precinct as I would run my own business, which I did for 31 years.

I would like to point out that this cash balance was increased from \$12,303.95 to \$27,730.08 at a time when we were still in process of completing Highway 80 between Eastland and Ranger, which naturally necessitated the expenditure of additional funds.

My ability as a businessman is what I am offering you. If you think I have done a good job during the past year, I will greatly appreciate your support and your vote on August 28.

Sincerely,
Frank Castleberry

County Losing Many Thousands Of Dollars

DALLAS, Aug. 25 — Eastland County is losing many thousands of dollars a year in taxes and Texas as a whole is losing many millions of dollars because Texas is not allowed to produce its fair share of oil. According to the Dallas News, Texas has 52 per cent of the nation's oil but is allowed to produce only 43 per cent of the nation's output.

The result is that oil field workers are not as steadily employed as they could be; merchants and professional people in oil counties lose business; landowners and royalty owners should be getting much more income and the State, counties and school districts are losing millions of dollars in taxes.

The present governor is backed by the great international oil companies that are discriminating against Texas and they are fighting Judge Ralph Yarborough hard because they know that he will stand up and fight for Texas' rights and will help end this situation which is costing schools, taxpayers and Texans in general something like a million dollars a day.

Three Main Dish Quickies For Lunch Or Supper On Summer Days

Minimum effort and maximum goodness are represented in these three summer main dish quickies — cris-cross corned beef hash patties, hamburger skillet dish and Texas hot dogs. Besides being easy to prepare, they're economical.

Hamburger Skillet Dish: 1 pound ground beef, 3/4 cup uncooked rice, 1/2 cup chopped onion, 1/2 cup chopped celery, 2 1/2 cups tomatoes (No. 2 can), 2 teaspoons salt, 1-8 teaspoon pepper, 1 teaspoon sugar, 1 teaspoon Worcestershire sauce.

Cris-Cross Hash Patties: 1 cup bouillon or meat stock, Brown rice slowly in 2 table-spoons hot lard in a heavy skillet, stirring frequently. Add onion, celery and ground beef; brown lightly. Add rest of ingredients. Cover and simmer until rice is tender, about 45 minutes. Season to taste. 4 servings.

Texas Hot Dogs: Cut slits in long buns and spread buns with butter or margarine. Pan-fry franks in a little hot fat until lightly browned and place in buns. Top with hot chili con carne, either with or without beans.

Mr. and Mrs. Perry Pittman and Mr. and Mrs. Donald Small and children of Archer City were Sunday visitors to Mr. and Mrs. M. L. Laster.

NEWS FROM CHEANEY

By Mrs. Bill Tucker: The Cheaney Home Demonstration Club is sponsoring a community wide get together at the home of Mr. and Mrs. Gene Farrell, Thursday evening, September 2, at 8 o'clock, for the purpose of announcing the winner of the Applique Quilt. A program of music by a local group will also be featured, and games of "42" for those who like to play. Everybody is cordially invited to come for a friendly social, whether or not you hold a chance on the quilt.

Remember to go to your precinct and vote, Saturday, August 28. Precinct 10 voters will cast their ballots at the Alameda Church. Polls will open at 8 a.m. and close at 7 p.m.

A class in "Home Care of the Sick," American Red Cross Home Nursing Course, will begin September 8 in Cisco, sponsored by the Cisco Parent Teachers group. Enrollment is being done this week, with a limit of 12 students, being assigned by Mrs. D. N. Morrison, spokesman, for the

group. If enough interest is manifested by others, desiring the course, a second class will be arranged. This statement comes from Mrs. Bill Tucker, Home Nursing Chairman, Eastland County chapter, American Red Cross, who will be the class instructor for the 14 hour course, which includes 2 hours in Civil Defense.

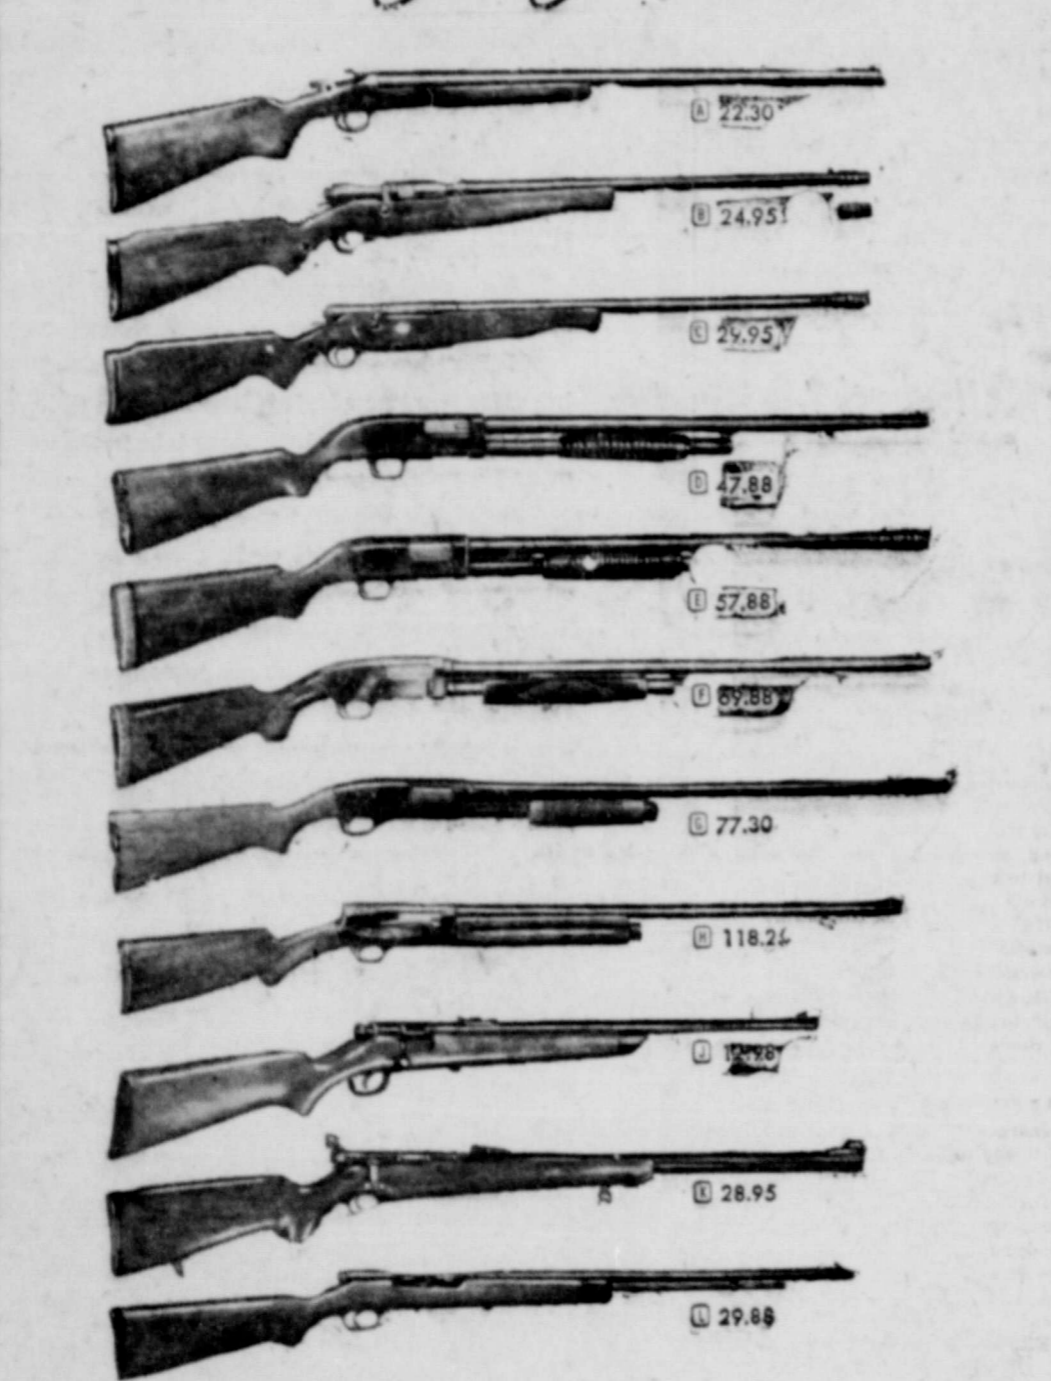

Mrs. Emma Green, who underwent the removal of one eye at the Gorman Hospital last week, was recovered enough to be brought home on Tuesday. She hopes to have better sight in the other eye as doctors have assured her she will.

Serious illness of her mother, Mrs. Agnes Rose, carried Mrs. John Love to Odessa, early Saturday morning to be at her bedside. Her stay is indefinite.

Mr. and Mrs. Bill Logan entertained friends and neighbors with an old fashioned ice cream supper at their home on Tuesday evening at 7:30. This is such a nice way for people to get together, so let's keep up the community spirit that has fast been disappearing and promote more community-wide interests.

Bible Comments: We're Known By Fruits Of Our Spirit

For August 29 "By their fruits ye shall know them," said Jesus.

The illustration was of trees, but Jesus was speaking of people.

This statement is true not only of the hypocritically false and corrupt. It is true of all men.

And it is true, also, not only of the fruits of evil, but of the lack of the fruits of good.

The fruitlessness of good is only one step removed from being fruitful of evil.

Jesus pronounced His bitterest words against the hypocrites who made a profession of religion but exploited and wronged their fellowmen.

He did not condone the victims of temptation and sinful passions, though He treated them with compassion and forgiveness.

He was almost scornful of those whose lives were "like a barren fig tree, with a snow of life, but no fruit."

What does it mean to have a fruitful life? The source of all goodness, the New Testament makes plain, is love, the love of God the example of man.

In love, Paul declared, was the fulfilling of the law. "For all the law is fulfilled in one word, even in this: 'Thou shalt love thy neighbor as thyself.'"

In the very chapter in which Paul made this declaration, he proceeded to analyze and set forth in detail the meaning of such love.

Paul also set forth the fruit, or fruits, of the Spirit, that is, of the "fruit" of Christ. These fruits are detailed with great precision.

"The fruit of the Spirit," Paul wrote, "is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance."

In any case it is not one, or some, of the fruits of the Spirit that mark the well-ordered, well-founded Christian life. It is the manifestation of all, and in so far as any one is lacking, to that extent one's life is unfruitful.

Mid-Week Service Church of Christ Mesquite & Rusk

The Wednesday evening devotions at the Church of Christ, Mesquite and South Rusk, were directed by Billy Cooper.

The service was directed by Pat Moseley and Morris George. The Twenty-third Psalm was read by Larry Purefoy following the opening prayer led by Brother Crumley.

The study of the apostles of Christ was furthered by speeches delivered by two of the young boys of the Young People's class.

Max Crumley Jr. spoke on "Phillip" and Joe Bradford spoke on "Bartholomew."

Following a prayer led by Tom Fox the teaching chapter of Proverbs was further discussed by Brother Crumley.

After a closing hymn the assembly was dismissed by Reed Campbell. The local church extends a warm invitation to all to attend these services.

Cliff Brannon To Blast Communism Saturday Evening

Evangelist Cliff Brannon, who has traveled in sixteen foreign countries and observed communism at work on three continents, will speak Saturday night, August 28 at 8 p.m. under the Big Tent, on the subject, "Will Russia Rule The World?"

It was announced by Rev. Ralph E. Perkins, pastor of the First Baptist Church.

In his sermon, "Will Russia Rule The World?" Brother Brannon brings into full play all of the analytical powers which he used so efficiently as an attorney presenting a case in court.

He marshals a tremendous array of historical and scientific data in support of his position. His case is clearly and forcefully made.

The message is calculated to stimulate Christians and Church members to an effective proclamation of the Gospel in this crucial hour, and also to convince the saved and point them to Christ who alone can give salvation.

Communism is the direct opposite of Christianity. The two cannot live in the same country. Attend the Revival being held each night at 8 p.m. under the Big Tent on the Athletic Field.

Let's Get The Record Straight, Friends!

This is our final word to you friends and neighbors of Eastland County before you go to the polls to vote in the important run-off primary election on Saturday, August 28.

On my own behalf and on behalf of my friends and supporters I want to thank all of you for being so courteous and considerate regarding my candidacy. We have attempted to conduct a clean and constructive campaign for the office of Sheriff and not one word has been published or broadcast in my behalf which has not been clean, sincere—and true.

However, in recent advertisements published in several Eastland County newspapers, the present sheriff has insinuated that there has been "mud-slinging" in this campaign. The voters of Eastland County certainly know this is not true—especially in regard to the conduct of my own personal campaign.

It is very unfortunate, however, that the present sheriff in the advertisements above mentioned sought to cast unfavorable reflection upon my candidacy with several wild statements. Some of them are so utterly ridiculous that I choose to ignore them completely.

THE HORACE WALKER MATTER... My opponent unfairly charges me with the responsibility of having hired Horace Walker as a deputy during my administration. Horace Walker did, as a representative of the Sheriff's Department, conduct a delinquent tax property sale for one day—and ONE DAY ONLY. It was, as many of you may recall, during the period that I was recuperating from a shoulder injury and was confined to bed at my home in Eastland, having been moved there after a stay in the hospital, and was under the care of a physician. I was, obviously, unable to be present and officiate during the delinquent tax sale and to read aloud the text of the legal sale papers as is required by law.

HORACE WALKER WAS TEMPORARILY DEPUTIZED TO PERFORM THAT DUTY FOR THAT ONE DAY ONLY ON RECOMMENDATION OF THE 91ST DISTRICT COURT! Regarding other deputies in my administration, I never hired a man who wasn't well recommended by reliable citizens of Eastland County. And... THE ONLY DEPUTY I WAS FORCED TO DISCHARGE WAS W. E. SOLOMON, A BROTHER-IN-LAW OF THE PRESENT SHERIFF. MR. SOLOMON'S PERSONAL CONDUCT WAS SUCH THAT I HAD ABSOLUTELY NO CHOICE BUT TO FIRE HIM FROM MY STAFF.

THE TRUTH ABOUT THE OSCAR GAGE CASE Relative to the very interesting case (it wasn't published in county newspapers) of Oscar Gage vs. Sheriff J. F. Tucker and his present deputy and jailer, Ealon Reeves, I have nothing to offer but the official record itself. I will say that SHERIFF TUCKER SEEKS TO LAY FULL BLAME ON HIS DEPUTY ALONE, LEAVING YOU TO BELIEVE HE WAS IN NO WAY RESPONSIBLE FOR THIS SHOCKING EPISODE. BUT— To fully clarify the matter, I am herewith publishing a copy of the official judgment rendered in the case in the U. S. District Court at Abilene.

Read it carefully, friends and neighbors. THIS DOCUMENT MAKES THE TRUTH UNMISTAKABLY CLEAR! IN THE DISTRICT COURT OF THE UNITED STATES FOR THE NORTHERN DISTRICT OF TEXAS ABILENE DIVISION OSCAR GAGE, PLAINTIFF VS. J. F. TUCKER, EALON REEVES AND MARYLAND CASUALTY COMPANY, DEFENDANTS.

JUDGMENT The above styled and numbered cause came regularly for hearing on the 19th day of October, 1953, at which time all parties came and announced ready for trial. The jury was then selected and consisted Minor Alexander and eleven other jurors and after the pleadings had been heard and evidence introduced, this case was submitted to the Jury under the charge of the court, and the jury rendered the following verdict:

"WE THE JURY FIND FOR THE PLAINTIFF AND ASSESS HIS DAMAGES AT \$250.00." (Signed) MINOR ALEXANDER, Foreman.

Under the verdict of the jury, the court is of the opinion that the plaintiff should recover, and it is accordingly so ordered. IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED by the court that the plaintiff, Oscar Gage do have and recover from the defendants, J. F. TUCKER, Ealon Reeves, and Maryland Casualty Company, the sum of \$250.00 dollars, together with costs of suit.

It is the further order of this court that the defendant, Maryland Casualty Company, have judgment over against the DEFENDANT J. F. TUCKER for any amount that it has to pay to plaintiff Oscar Gage, and for all costs in this behalf expended, for which let execution issue. RENDERED THIS 23rd day of October, 1953. (Signed) T. WHITFIELD DAVIDSON DISTRICT JUDGE

THE WILLIAM LOBB CASE... William Lobb was sentenced in 91st District Court on five indictments and the Judge assessed 10-year terms on each, to run concurrently. He was released, under legal procedure and ON ORDER OF THE JUDGE, and was paroled to me. In accordance with parole requirements, Lobb reported faithfully to me each month. I am humbly grateful to have had a small part in helping this man change his life and AM VERY PROUD TO REPORT THAT HE NOW IS A HAPPY AND RESPECTED CITIZEN OF HENDERSON, TEXAS.

J. B. WILLIAMS DIDN'T 'STEAL' \$3,800! My opponent is grossly wrong! I did not collect \$2,000 during my first term, nor \$1,800 during my second as he so erroneously reported on Aug. 19. I SAID I COLLECTED APPROXIMATELY \$20,000 DURING MY FIRST TERM, AND APPROXIMATELY \$18,000 DURING MY SECOND TERM. Where did that money go? I presume it went to build roads and bridges to help the schools get into other important county funds. Check the records in the court house. I regret that my opponent made this libelous and slanderous implication.

SCIENTIFIC CRIME DETECTION... Prior to entering the U. S. Navy in service of my country during World War II, I took a fingerprint identification course from a nationally-known criminology school. I also was specially trained in other phases of modern scientific crime detection by the Navy since I was attached to shore patrol, the USN military police. I will use that important knowledge further, beginning next January 1, if you elect me as your Sheriff.

ABOUT THAT "BOOTLEGGING AND WHISKEY" The present sheriff, according to his own statement, has made only 150 arrests for bootlegging during his two terms as Sheriff. BUT—FOR THE SAME PERIOD OF TIME, J. B. WILLIAMS CONDUCTED RAIDS AND MADE 180 ARRESTS FOR THE SAME OFFENSE! Don't be misled by wild, desperate propaganda, friends—check the record! The records of my opponent and myself speak for themselves! Furthermore, I would like to add that no member of my family—including in-laws or other kin—is now or has ever been engaged in bootlegging whiskey, retail or wholesale!

I regret the necessity of having to discuss these matters, and I have done so reluctantly. However, many, many of my friends and supporters have urged that it be done in this manner to correct any false or misleading impressions which may have been left as a result of my opponent's attempted smear. I humbly solicit your vote and support at the polls on Saturday, Aug. 28, and solemnly pledge my every thought, effort and action to render honest, efficient, fearless and dependable law enforcement and to do my level best to make you a Sheriff that you can be proud of. Thanking everyone and with kindest regards to all, I am Gratefully yours, J. B. WILLIAMS

TO THE CITIZENS OF EASTLAND COUNTY:

Any statement being circulated by radio or otherwise to the effect that I now, or at any time in the past, favored abolishing either the 90th or 91st District Courts is wholly untrue. I have always favored and still favor the continuance of both courts as presently constituted and have so argued before the Administrative Judges and the State Legislature. I feel that the rapid development and the prospects of the two districts justify my position.

RADAR NETWORK FOR STORM WARNINGS ALMOST COMPLETE

AUSTIN — A network of radar stations which will give Texas the best storm warning system now available in the world will soon be completed.

There are now 11 stations in operation, and three more will soon be in operation. Another at Lake Charles, La., which serves a section of Texas will add up to 14 in operation for this state.

E. L. Hardy, regional director of the US Weather Bureau, has advised Governor Allan Shivers that the last three in the chain will be in operation within six weeks at Austin, San Antonio and Lubbeck.

Besides the one at Lake Charles, those already functioning are at Amarillo, Victoria, Brownsville, Corpus Christi, Houston, Abilene, Fort Worth, Galveston, Midland, San Angelo and Wichita Falls.

Hardy told the governor that once the network is completed, it will be "the best and most up-to-date storm warning system now available anywhere in the world."

The first Catholic Church built in New Hampshire is located in West Claremont.

WHY I MUST VOTE

On August 28, I have a chance to keep my government in the hands of Americans who believe in the American system of freedom. The right to run my business in the manner I see fit, the right to worship God, the right to choose who shall represent me — these are some of the freedoms of our American way of life. I have never thought that in Texas, U.S.A., there was any danger of losing these freedoms. Yet, these very freedoms have been lost in Texas by the citizens of Port Arthur.

In November, 1953, a union definitely proven as run by Communists, came into Port Arthur. Why? No one except that union knows. They did not try legally to organize the large plants where many workers are employed. They began picketing small businesses which had no labor problems—largely businesses operated by a few members of one family. In the usual labor dispute, the employees of a business with whom employees have some dispute will picket that business. The Port Arthur pickets are not employees, but are professional pickets brought in from outside Port Arthur. Since there was no legitimate labor dispute between employers and employees, the only apparent purpose of these strikes were to extort money from the employers and to set employees against employer. The results of all this are many. Many small businesses have been forced to close their doors, honest employees have lost their jobs, neighbor has been set against neighbor, friend against friend.

Not only have these affected businesses. This Communist union has taken school children from their classes to picket their schools, using threats of death, rape and injury to all those children trying to cross the picket lines to attend classes.

I did not believe this could happen in America, especially in Texas. Neither did the citizens of Port Arthur — until November, 1953. It is still with them. Through the heroic efforts of our Governor and Attorney General, this alarming situation is gradually being blotted out.

Frankly, I am frightened about the future in Texas for myself, my children and grandchildren. Are they going to be under Communist rule as are the children in Port Arthur? They are, unless I—and thousands like me—wake up to what is happening right under my nose, and vote my convictions.

One of our candidates for governor of Texas has been publicly endorsed by this Communist union. It is admittedly pouring thousands of dollars into his campaign, as evidenced by the overwhelming majority given him in the Port Arthur area in the July primary.

If I vote for Ralph Yarborough on August 28, I am voting for another Port Arthur—possibly in Eastland County next time.
