How Ranger Voted

Voters in the two Ranger voting precincts, No. 3 (City Hall) and No. 4 (Young School) started voting early and in large numbers Saturday in the Democratic run-off primary election. Ranger votes went to the polls in larger numbers than they did in the first primary on July 24.

The pattern of voting in larger numbers was carried on throughout the state, with practically every locality reporting larger turn-outs of voters Saturday than there had been in the first primary.

The short ballot enabled quick voting and likewise rapid tabulation of the votes following the close of the polls at 7 p. m. Votes of the two Ranger boxes were completely tabulated within a few minutes after the polls closed.

The unofficial vote in the two local boxes:

CITY HALL

Governor: Shivers, 371; Yarborough, 399.
Supreme Court Justice: Brewster, 389; Scott, 243.
Court of Criminal Appeals: Davidson, 667.
State Representative: Burkett, 218; Brashear, 445.
Sheriff: Tucker, 261; Williams, 403.
County Commissioner: Castleberry, 285; Arther, 383.

YOUNG SCHOOL

Governor: Shivers, 238; Yarborough, 279.
Supreme Court Justice: Brewster, 271; Scott, 209.
Court of Criminal Appeals: Davidson, 514.
State Representative: Burkett, 202; Brashear, 309.
Sheriff: Tucker, 211; Williams, 303.
County Commissioner: Castleberry, 197; Arther, 320.
The combined total vote tabulation in the election Saturday in some cases exceeded the vote of the July primary by almost 100 votes. In the governor's race, there were 82 more votes counted Saturday than in the election of July. In the representative race, there were 108 votes tabulated Saturday. In the Sheriff's race, there were 85 more votes, and the county commissioner's race drew 97 more votes.

Scout Training Credited With Saving Of Child

First aid training as a Boy Scout in Ranger's Troop 10 is credited with saving a life.

Kenneth Grice, son of Mr. and Mrs. J. T. Grice, who was serving as substitute life guard at the municipal swimming pool Wednesday afternoon, is credited with saving the life of Robert Collett, age 3, by being able to administer artificial respiration.

Kenneth had replaced Tommy Sutton who had been serving as life guard for several weeks, until football practice started Monday. His only special training in first aid had been received during the years he had been a member of Troop 10, his former Scoutmaster M. G. Smith said.

The child had been discovered lifeless lying in the wading pool. He was removed by Kenneth who started applying artificial respiration.

Swimming Pool Closes Tuesday

Ranger's municipal swimming pool in Willows Park will close this week. The pool will be closed following the swimming session Tuesday afternoon, Aug. 31. City Manager Les Crossley said Saturday. The pool has not drawn the attendance this year that it had a year ago.

The prolonged period of extremely hot, cloudless days through the middle of the summer may have been a contributing factor to the smaller attendance.

It is back to school Monday for the Seniors of Ranger High School. At least the preliminary phase of starting back to school—registration for classes—gets underway.

Ranger School Supt. G. B. Rush in announcing the schedule for school opening preparations said that Seniors would begin registering at 8:30 a. m. at the high school building. Tuesday the juniors start their registration beginning at 8:30 a. m. also.

Also on Wednesday all students of the Junior High School and Elementary grades will register beginning at 8:30 a. m. at their respective buildings.

Supt. Rush said that regular classes for all students in the Ranger school system would begin Thursday morning, Sept. 2.

The school buses will begin their regular school route runs on Thursday morning.

Classes will be held both Thursday and Friday, Labor Day, Sept. 6 will be observed as the first holiday of the school year which will end Friday, May 27, 1955. There are no more scheduled holidays until Thanksgiving.

The March of Dimes— After Six Years Brighter Hopes For Dillard Jacoby To Walk Again

For six long years it has been treatment of one kind or another, and for the summer months it has been a wheel chair, and plaster cast, both of which have been uncomfortable during the hot days and weeks, but the future is brighter for a Ranger 1 a d, Dillard Jacoby, age 10.

The hope for a better future, and the possibility of being able to walk without the aid of braces, are the bright rays reflected from the multitudes of shining dimes that have been contributed in the March of Dimes drives in times past.

Stricken with polio in June 1948 at the age of 4, Dillard, son of Mr. and Mrs. Walter Jacoby, has had a pretty rough time. He has been unable to run and play and enjoy the freedom of other children who were spared the effects of the dreaded crippling disease of polio.

Nevertheless, the future is brighter and he can look forward with the hope that he can walk, maybe soon, thanks to the professional care and treatment from specialists whose services were made possible because the March of Dimes drive had furnished funds for the National Foundation for Infantile Paralysis to carry on such work.

When he was stricken it meant weeks and months in the hospital,

Residence Fire Causes \$2,500 Loss Saturday

The heaviest fire damage in Ranger for a number of months resulted about 10 o'clock Saturday morning from a fire originating in a bathroom at 452 West Pine.

The dwelling belonged to Mrs. J. W. Harmon, and was occupied by the family of L. V. Griffith. The estimated damage to the dwelling was placed at \$2,500, with an undetermined amount of damage by fire, smoke and water to the contents. The building was covered by insurance, but it was stated that there was no insurance on the contents.

The fire is thought to have originated from a small heater in the bathroom and from there it spread to a hallway and two bedrooms.

Only by quick work on the part of the Ranger Fire Department was a much heavier loss prevented. The fire had spread to such an extent by the time it was discovered and the alarm given, that it would have been only a matter of a few more minutes until the flames would have completely engulfed the interior of the house.

Ginning Season To Start Next Week

Workmen will begin getting ready for the cotton ginning season in Ranger on Monday, W. F. Freager, owner of the gin said Saturday. It will require several days time to service the machinery before any ginning will be done.

There was only one bale of cotton waiting to be ginned and this was the first bale of the year which was pulled and brought to the gin by Frank Penn on August 16. Penn will receive the \$50 cash bonus offered the Ranger Chamber of Commerce for the first bale of cotton ginned here.

Coach Too Busy To Get His Masters Degree

Football coaching duties with Ranger High School Bulldogs this week prevented Coach Boone Yarborough from receiving a Masters Degree in person at the East Texas State College, Commerce. Earlier this summer Yarborough completed his work for a Masters Degree in Administrative Education at the College and the degree was awarded at the summer commencement exercises this week.

His Bachelor's Degree in Physical Education was received at East Texas also.

Eastland

The torrid political campaign waged in Texas, Eastland County and the 76th Legislative District, was brought to a rapid climax Saturday night with a fast vote count following the end of balloting in the Democratic run-off election.

Unofficial tabulations at early Sunday indicated that Texas had kept its governor, Allan Shivers; the 76th District will have a new representative, Paul Brashear; Eastland County will return a former sheriff, J. B. Williams to office; and Precinct One of Eastland County will have a new commissioner, J. B. "Tip" Arther.

Shivers who lost Eastland County in the July 24 election by a small margin to his opponent Ralph Yarborough, regained it by a margin of almost 600 votes Saturday.

Brashear led Omar Burkett, the incumbent, in the race for State Representative by a margin of 1,999 votes.

In the race for county sheriff Williams defeated J. Frank Tucker, incumbent, by a margin of 636 votes.

For the office of County Commissioner in Precinct One, Arther, outdistanced Frank Castleberry by 529 votes.

The unofficial tabulations of the complete vote in Eastland County was: Governor: Shivers, 3,550; Yarborough, 3022.
Supreme Court Justice: Brewster, 3,955; Scott, 2,266.
Court of Criminal Appeals: Davidson, 4,040.

Brashear Wins By Large Vote

A landslide of votes in the 76th Legislative District composed of Eastland, Callahan, and Shackelford Counties, in Saturday's run-off primary election swept Paul Brashear of Cisco into office as the next representative.

Brashear's victory over the incumbent, Omar Burkett, was both conclusive and decisive. Late Saturday night the unofficial count of votes in the three county area was complete with the exception of one small box in Shackelford County yet to be heard from. His lead over Burkett at that time was 2,668 votes. Vote counting in both Eastland: Burkett, 2,246; Brashear, 4,245.

The vote by counties: Eastland: Burkett, 2,237; Brashear, 4,223.
Callahan: Burkett, 1,071; Brashear, 1,548.
Shackelford (incomplete): Burkett, 589; Brashear, 781.

Burkett lost Eastland county by almost 2,000 votes. He carried only five small boxes in the county, and these by bare margins, including Long Branch by one vote; Scranton by six; Dothan and Cook by three each and Sabana by one.

State Representative: Burkett, 2,246; Brashear, 4,245.
Sheriff: Tucker, 2,949; Williams, 3,885.

County Commissioner: Castleberry, 1,204; Arther, 1,733.

Saturday's election brought to an end a run-off primary that set a number of new marks. Old-time political observers declared it was most bitter and caustic verbal battles for the office of governor that had ever been witnessed in the state. Observers declared it was undoubtedly the most expensive battle ever waged for an office in this state.

Voters themselves added another first—the largest turn-out at the polls ever recorded for a run-off primary. The Saturday vote, it was indicated by tabulations to midnight would exceed the July election vote by possibly 100,000 votes.

Normally in Texas the run-off primary elections have drawn a smaller vote than in the first primary, but the 1,548,000 votes in July seemed certain of being surpassed, as tabulations estimated a total vote of approximately 1,466,000. The record vote in a primary election in Texas was set in July, 1952, when 1,356,000 votes were cast.

Local interest in the district, county and precinct races reached a high pitch in the closing days of the campaign, and by comparison with the governor's race, they all became almost as hot and bitter, as the candidates scrapped for votes.

The late returns indicated that the total vote for the reelection of Governor Allan Shivers might possibly reach a margin of 100,000. Shivers maintained a margin of approximately 53 per cent of the total vote cast, from the time the early tabulations were first released following the close of the polls at 7 p. m. He consistently maintained that lead throughout the increasing vote count. This was (Continued on Page Two)

New Schedule Of Hours For Ranger Library

The Ranger Community Library will adopt a new schedule of hours beginning on Wednesday, Sept. 1, it was announced today by Mrs. R. A. Jameson, librarian.

Beginning Sept. 1, the library will be open from 2 p. m. to 5 p. m. on Monday, Wednesday and Friday. During the summer the hours have been from 9 a. m. to 12 noon, on Monday, Wednesday and Friday. Mrs. Jameson said the 9 to 12 hours would be observed tomorrow, but the change will be effective on the morning of Sept. 1. The library will be closed on Labor Day, Monday, Sept. 6.

Bulldogs Begin To Settle Down After First Week Of Workouts

Ranger's 1954 edition of the Bulldogs looked promising Saturday morning in a workout scrimmage against the Strawn High School eleven. Since the Bulldogs started workouts Monday, Coach Poone Yarborough, and Stubby Warden have daily stiffened the twice-a-day sessions.

The combinations used in Saturday morning's scrimmage showed up better defensively than they did offensively. The offense was sluggish, and weakness at blocking showed itself. The passing plays looked better than the ground gaining tries.

Of course, against the smaller Strawn team, the Bulldogs would eventually go where they wanted to go, but when the second string took to the field Strawn managed to begin stopping them.

Judging by the scrimmage Saturday and the squad scrimmages of the past few days, Yarborough is seeking to develop a starting string centered around Jerry Cantrell and Jimmy Nail as ends; Eddie Joe Jones and Archie Robinson as tackles; Tommy Young and Gary Fatterson as guards; John Rush at center; Scott Forney at quarterback; Jerry Wharton and Bennie Robinson as the two half backs and Jim Littlefield or Tommy Sutton at the full back.

If this combination develops and begins to click, the Bulldogs will field a line, averaging a fraction over 182 pounds, and the backfield will average about 157 pounds.

Saturday afternoon Yarborough had not been able to complete arrangements for a scrimmage with another school team, but indicated that he hoped to be able to arrange one with Dublin within a day or so.

"The boys are showing an excellent spirit," both Yarborough and Warden agreed at the end of five days practice. If the cooperative and determination to win spirit will fully develop within the squad Yarborough said it would do as much toward developing a winning team as any other single factor.

"It is entirely too early to make any predictions, as all of the boys are stiff, and we are having to

work the soreness out of them," the head coach for the Bulldogs said. He explained that the players can be expected to look ragged on the field for the first few days.

As of Friday night minor injuries were hindering three men in the Bulldog squad. Jerry Cantrell had some painful blisters on his heels; Gary Patterson was having trouble with his feet and Tommy Young had a bum shoulder.

Yarborough is putting together a pony of featherweight backfield which shows some promise of becoming possibly a secret weapon to be used against the opposition. He was quite well pleased with the results in sampling this combination. They are, Paul Hinds at quarterback; David Wharton, and Freddy Cooper at halfback; and John Swinney at full. The average weight is about 131 pounds. The two halfbacks are freshmen and of course out for their first time this year. Both Hinds, a sophomore, and Swinney, a junior were on the squad last year.

Up to this time, Stanley McNalley has been handling all the chores as team manager, and general grand boy for the coaches and players.

Yarborough announced yesterday that the two-day workouts would continue through Wednesday, and with the beginning of classes, they would drop back to a regular afternoon session after school.

Eighty Volumes Recently Added To City Library

A number of new books have been added to the shelves of the Ranger Community Library, Mrs. B. A. Jameson, librarian, has announced.

She was in Dallas recently and while there purchased 80 new volumes. The majority of the new books are for children and teenage readers, and cover a wide range of subjects, including science, fiction, mystery and adventure.

Among the latest volumes of adult fiction are three new books which have been given very favorable reviews.

A Texas novel by a Texas author is the "Star in the Sky" from the pen of Gerald Reed. The theme of this book is built around the Texas Navy when Texas was a Republic.

Historical fiction is found in the latest book by Irving Stone, "Love is Eternal." The plot is woven around the courtship of Mary Todd Lincoln and Abraham Lincoln.

From the pen of the author of "The Emperor's Lady," F. W. Kenyon, has come another story of the days of French kings. The latest is "The Merry-Go-Round," and the time of the plot is during the reign of Louis XV.

An estimated 225 people of Ranger Friday afternoon inspected the Greyhound Senicruiser which was on exhibit at the Paramount Hotel, bus headquarters.

The new bus, which is revolutionary in construction and design gives passengers an opportunity to enjoy scenery on highway travel. Many features about it are a complete departure from conventional construction and design.

Officials of the Southwestern Greyhound Lines state that this type of bus will be operated on the route through Ranger at a future date.

Mrs. Louise K. Harmon was recently named Ranger Agent for Greyhound.

What Was This Call Worth?

"Mommy, can I stay at grandmother's tonight?" That was little Carol's very first telephone call - a real thrill that can hardly be measured in dollars and cents. Yet, Mrs. Caroline Niemeyer, Carol's grandmother, can tell you what that call cost. She is one of a group of customers who kept day-by-day records of calls made for a week - a total of 30 calls covering 133 miles. Then she broke her telephone bill down into the actual cost per call. "I was amazed," she reported, "at how little my telephone service cost for all the convenience and happiness it delivers." SOUTHWESTERN BELL TELEPHONE COMPANY... Christian Science

Christ Jesus' mission to reveal divine healing which overcomes sin, sickness, and sorrow in every age, will be brought out at Christian Science services Sunday.

Scriptural selections in the Lesson - Sermon entitled "Christ Jesus" will include the account as given in Matthew of Jesus' response to the followers of John the Baptist who asked if he was the Messiah (11:3, 5): "... Go and show John again those things which ye do hear and see; the blind receive their sight, and the lame walk, the lepers are cleansed, and the deaf hear, the dead are raised up, and the poor have the gospel preached to them.

The following correlative passage will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (131: 26-30): "The mission of Jesus confirmed prophecy, and explained the so-called miracles of olden time as natural demonstrations of the divine power, demonstrations which were not understood. Jesus' works established his claim to the Messiahship."

The Golden Text is from John (1:17): "The law was given by Moses, but grace and truth came by Jesus Christ."
