### WINDBAG By The Office Loafer

The summer has been rough for a lot of us. Each day there's a yearning for a change.

Here's a special message to the women readers and it has been given the title—

#### SUMMER IS FOR THE BIRDS

Just a few months ago, you couldn't wait for summer. For summer meant vacation. Sunny weekends. Picnics. Swimming. And fun.

Summer's come and almost been. And you are beginning to wonder why you looked forward to it.

Because you're fed up with having the kids around all day. You're worn out with stopping their fights, fixing their bruises, listening to their whining till you could scream (and sometimes do). You've watched them like a hawk when they ran wild outside. And you worried when they were quiet. You've heard the refrigerator door slam a million times a day, and you're ready to cry over any more milk spilled on the floor, one more ice cream bar melting into the rug.

You are delighted that school is starting again.

The kitchen's one great big oven. The house is a mess. The windows need washing. Sand and dust from a summer's activities tracked everywhere.

If only summer would end, and quick!

Take it easy. You can't turn summer into fall just wishing. Stop your wishing and do something.

Call grandma. Or palm the kids off on the day next door. Put on the best you own. And get out.

And go shopping.

Just to look at Fall.

And to take advantage of the beautiful bargains in Ranger on Dollar Day, Wednesday, Sept. 8.

To look at the windows. To go inside where it's cool. To stand in the aisle with Fall all around. In new nylon. In new dresses, new blouses, new lingerie, new suits, new coats you can't help touching and holding up against yourself. In new colors, fabrics, styles that haven't a single solitary thing to do with summer. In colorful new socks for the men in your life.

Already you can see leaves floating in the air, wheeling about, sailing down from the trees. Sense a fresh nip in the air. Feel summer, with all its trials and tribulations, behind you.

What are you waiting for? Fall is as near as your favorite. (Continued On Page Four)

### \$500 Fire Loss—

## Spectators Hinder Work Of Firemen

Spectators rushing to the scene of a fire Thursday night created traffic jams and hindered Ranger firemen in their efforts in fighting the fire 409 South Oak Street. A garage and contents were totally destroyed. The building loss was estimated at \$500, partially covered by insurance, and an undetermined amount of loss to contents.

The residence at 409 South Oak is owned by J. R. Dempsey and occupied by Mr. and Mrs. Ed Monroe. It was reported that Mr. and Mrs. Monroe were in bed when the fire was discovered and reported at 9:20 p.m. Cause of the fire was not determined.

Spectators rushed to the fire in such numbers that they hindered firemen, and when one of the booster trucks had exhausted its supply of water firemen had difficulty in clearing a path so the truck could go for more water.

Friday city officials, firemen and police, issued statements warning spectators against hindering firefighting efforts in the future.

It was pointed out by Police Chief W. G. Pounds that it is a violation, not only of a city ordinance, but also a state law for spectators to follow trucks closely to the scene of a fire and in hampering firemen in fighting a fire.

"We want to give adequate warning that future acts will not be permitted," he said, "and if the laws are violated in the future at fires, tickets will be issued."

## Class Sponsors At Ranger High School Named

Sponsors for the high school classes have been named. H. L. Coody, principal, announced Friday afternoon.

For the Seniors the sponsors will be Mrs. L. H. Hagaman and Miss Anna McEver.

For the Junior class they are Mrs. Lillian Robinson and A. G. Koenig.

For the Sophomores the sponsors are Mrs. Gladys Hunter and Mrs. Marilyn Henderson.

For the Freshmen they are Jack Wilhelm and Mrs. Imogene Hahn.

Persons violating the city ordinance which forbids spectators following fire trucks are subject to a minimum fine of \$5.00 with the maximum fine extending to \$200.00.

## College Credits Of RJC Accepted By Other Schools

Prospective college students in this area were today reminded by Dr. Price Ashton, president of the Ranger Junior College, that all credits earned here, are transferable and accepted by any recognized accredited college or university.

The Ranger Junior College is a member of the Texas Association of Colleges; the American Association of Junior Colleges; Southern Association of Junior Colleges. It is approved by the Texas Education Agency and the National Commission on Accrediting.

It was pointed out that in order for the Ranger College to maintain membership and recognition by these organizations it must maintain high academic standards. In every instance the college has equaled or exceeded all requirements of academic standards for a two-year college.

## Charles Campbell Receives Degree From North Texas

Charles Donald Campbell, son of Mr. and Mrs. Charles A. Campbell of Ranger recently received his BA degree in Marketing at the summer commencement exercises of the North Texas State College, Denton.

He is a graduate of Ranger High School and later attended Ranger Junior College. Meanwhile he has spent a year in military service. At the present time he is with the Curry Insurance and Real Estate Firm in Dallas.

Mr. and Mrs. Campbell attended the commencement at Denton.

Registration for the 29th annual session of the Ranger Junior College will begin on Sept. 6 and 7, with classes scheduled to begin on Wednesday, Sept. 8.

Advance indications are that enrollment for the 1954-1955 session will be the largest in the history of the college, an announcement from the office of the college president, Dr. Price Ashton, said Saturday.

Dr. Ashton begins his second year as president of the college and is enthusiastic over the outstanding faculty for the coming school year.

Administrative Assistant to the president is Dr. David L. Norton, who comes to Ranger from Austin. In addition to his administrative duties on the Ranger campus, Dr. Norton will head the evening program of the Breckenridge branch of the college.

Other new faculty members include Dr. Grady G. Tice of Houston, who will head the Department of Science and Agriculture; Mrs. David L. Norton, chairman of the Speech and Drama Departments and sponsor of the newly formed campus organization, the Range-Anns; Judson Hardy, well known architect from Abilene, and former mathematics instructor at Hardin-Simmons University, who will serve as head of the Mathematics, Engineering and Architectural Department.

Returning faculty members include, Russell F. Webb, Dean of Adult Education; Robert L. Willis, Dean of Student Life; Fred E. Baumgardner, Dean of Music; Mrs. Mamie Ruth Hamrick, chairman of English and Spanish Departments; Vivian Simmons, chairman of Business Administration Department; A. P. Thomas, assistant coach and instructor in Business Administration; Sam E. Aills, assistant coach and Physical Education instructor; Richard E. Henderson, director of Physical Education and head coach; and Mrs. Frances Jameson, girls counselor.

Among the many improvements on the campus during the two new dormitories. One is a girls dormitory and the other for boys. The new girls building will accommodate 40 girls and the boys building will house 20 additional students on the campus.

## Quarterbacks Will Meet At C of C Tuesday

The Ranger Quarterback Club will hold a business meeting beginning at 7:30 p.m. Tuesday at the Chamber of Commerce office. It was announced Saturday by L. E. Wallace, club president.

Wallace urged all members to attend, as several matters concerning club activities for the football season will be discussed.

## BULLDOGS SHOWING IMPROVED TEAM AT END OF TWO WEEKS

The Ranger High School Bulldogs are showing rapid improvement, and the center of attention for the grid team is directed toward the season's opening game next Friday at Colorado City, as the squad rounded out the second week of pre-season training.

Coach Boone Yarbrough had a more cheerful tone in his voice Saturday morning as he discussed the subject of football in general and the Ranger High School Bulldogs in particular.

At the end of two weeks of intensive drills, Yarbrough said his charges are showing definite improvements and in the scrimmage against Dublin Thursday night at Bulldog Stadium they looked quite a bit different to their performance in a scrimmage workout against Strawn a week ago.

Two players were on the injury list Saturday. Charles Bonney, guard, had a wrist injury, and Bennie Robinson, half back had an ankle injury sustained in the Dublin scrimmage. Neither boy is classed as seriously injured and the coach expressed the opinion they would be in good condition by the time of the first game of the season.

The showing on defense against the Dublin boys was good. The Bulldog offensive game gave every indication of being polished to the clicking point. This was especially true of the running attack.

For a Year of Work, a Day of Rest . . .

Receiving the tribute of a grateful nation this Labor Day are the millions of America's workers in all phases of labor—indoor, outdoor, office or shop, above the ground, on the ground and under the ground. All combine to make America the world's greatest nation and a land of opportunity for all working men and women. In union with the entire country, we offer our "Thanks."

## MONEY SAVING DOLLAR DAY SCHEDULED HERE WEDNESDAY

Shoppers in Ranger on Wednesday will find a multitude of money saving values.

The offerings will be in a wide variety of merchandise in practically every line.

Ranger merchants are offering a mixture of both summer close-out bargains, and extra values on items for the fall and winter months ahead.

Advance purchases for the opening of the fall season have been arriving in Ranger daily for several weeks. Now they are being unpacked and displayed. Some firms are offering extra special values that save cold cash in merchandise that can be put away for another season, or may be used some this season if cooler weather remains elusive.

Wednesday, Sept. 8, will be a good day for the women who like bargain hunting. The bargains will be in Ranger stores.

### Bring 'Em On —

## TUFFI READY TO START GRID SEASON; IN TOP CONDITION

Tuffi is ready for the opening football game.

Tuffi, in case you don't know, and it seems impossible that anyone can live in Ranger and not know about Tuffi, for he was the mascot of the Ranger High Bull-

dogs and went through the 1953 season with them to take the State Championship of Class A.

He appeared to be in excellent condition for the coming season, when interviewed Friday afternoon at his own training quarters — the back yard of the H. P. Hodges residence at 314 South Hodges. Tuffi indicated his readiness to tackle anything from opposing football teams to the other end of a rope. In fact he preferred the other end of a rope — a large one at that — and gave a newspaper reporter a stiff workout in a tug of war.

Mention of Class AA competition for this year seemed to bother Tuffi not a bit. He merely shrugged off the mention of other teams in this district reputed to be tough spots on this season's schedule for the local high school boys.

The look on his face and a low rumbling growl fully backed up the declaration, "Bring 'em on, I'm ready."

## Ranger To Observe Holiday On Monday

The holiday which bridges the gap between summer and fall — Labor Day — will be generally observed in Ranger on Monday.

It is one of the six annual holidays on the schedule of the Retail Merchants Association for general city-wide observance.

All public offices will be closed. This will include the City Hall, the Post Office, city schools, and others. The Commercial State Bank will also be closed.

## Range-Anns Are To Add Color To RJC Campus

The newest organization on the Ranger College campus is to be organized within a few days, and previous brief announcements have created an unusual amount of interest in it. This organization is to be labeled the Range-Anns.

All girls regularly enrolled in Ranger Junior College are invited to try-out for membership in the Range-Anns, according to an announcement Saturday by Mrs. David L. Norton, director a 3 d sponsor.

The Range-Anns is to be a trick marching squad serving as the nucleus of the fighting spirit of the Purple and White, giving the football fans an extra half-time thrill, and spurring the fighting Rangers toward a Pioneer Conference championship title.

Assisting Mrs. Norton are five champion baton twirlers from leading high schools over the state. They are: Patsy Simpson, Eastland; Delia Joiner, Austin; Beverly Carey and Mary Frances Carey, Vernon, and Joyce Still, Anson.

## Lions, Ladies Hold Open Air Session

Members of the Ranger Lions Club and their ladies Friday night held an open air meeting and ate a turkey supper at Lake Leon. The gathering was held below the newly completed dam in the scenic area which is to be converted into a future park and picnic spot.

Mrs. David L. Norton, new member of the Ranger Junior College faculty gave two readings.

Dr. Grady Tice was voted into the club as a new member.

Lions also voted that the club would join with the Rotary Club in holding a special agricultural meeting next Wednesday.

At the post office only the mail service normally rendered on holidays and Sundays will be provided. Industrial plants in the vicinity of Ranger will observe the holiday, and those which have services or operations that require some activity, will be operated with skeleton crews.

One Ranger business, the Ranger Livestock Commission Company, will operate as usual. Loy Williams, local manager has announced. The weekly sale of livestock in Ranger as a service to livestock producers and buyers, has become regularly established and as it cannot be postponed to another day in the week, it was decided to hold the sale as usual.

The fall term schedule of the Ranger Junior College provides for activities to begin on Monday, and registrations for the fall term will be started, it has been announced. Ranger public schools, which began the new school year on Thursday, will observe Monday as a holiday.

For some individuals the holiday period began either at the end of the work day Friday, or at noon on Saturday. For others it did not start until the end of Saturday's business hours.

Advance indications are that this weekend will see the heaviest volume of highway travel for any one weekend this year. As a result the Texas Highway Patrol and various local law enforcement agencies are preparing to deal with the extra heavy highway traffic.

With the approach of the long weekend holiday, appeals for careful driving and highway travel, and warnings of the danger of serious traffic accidents under congested travel conditions have been issued.

In Texas alone the expected automobile accident death toll has been estimated at 50. Nationwide the holiday traffic deaths have been predicted at figures ranging from 390 to 450 persons doomed to be killed on streets and highways between sundown Friday and midnight Monday.

## RANGERS GRID SQUAD OF 42 LOADED WITH GOOD MATERIAL

Starting with a good foundation of lettermen returning to the squad, Head Coach Dick Henderson of the fighting Ranger Junior College Rangers, points to a wealth of football talent recruited from widely scattered high schools over the state.

With the beginning of pre-season training on Wednesday, Henderson and his assistants, Sam Ails and Pat Thomas, began workout sessions with a squad of 42 as they took the first steps toward moulding a team which is pointed for the title spot in Pioneer Conference play.

There were no warm-up or breather sessions. The prospective Rangers for 1954 began going through the paces all the way from the first time out. Twice-a-day sessions on the field were the order of the day. Workouts are called daily for a two-hour period from 8 a.m. to 10 a.m. and another from 5 p.m. to 7 p.m.

Returning lettermen included such stalwarts as Fred Vinson, tackle, 5-10 1/2, weighing in at 225, from Memphis, Texas; Bobby Pharis, fullback, 5-8, 155, from Breckenridge; Allan Gibbs, guard, 5-8, 185, from Newcastle; Wayne Hargrave, guard, 5-9, 170, a former Ranger Bulldog; Tommy Wood, halfback, 5-10, 170, from Wellington; Lee Otis Clayborn, center and end, 6-2 1/2, 185 from Newcastle; Glaz Gilstrap, end, 6-6, 185 from Big Spring; Kenneth Scott, full back, 6-0, 205, from Anson; Tom Hudson, fullback, 5-11, 195, from Throckmorton; Raymond Halecnak, halfback, 5-7 1/2, 140 from Crowell; George Scott, tackle, 6-3, 210, from Crowell;

Dalton Bleeker, tackle, 6-1 1/2, 210 from Breckenridge.

One of the shining prospects from the long list of recruits is R. C. Smith a former Ranger Bulldog, who played on Navy teams during his four year hitch in service and last year was given honorable mention on an all-Navy service team.

Other candidates for the spot on the Rangers included J. D. Hanson of Eastland; Jim Shortliff and Dub White, both of Austin; Buddy Caddell of Crowell; Kenneth Richardson of Burk Burnett; Lonnie Wood of Wellington; Whimpy Salyer, Calvin Tucker and Charles Wooten, all of Dublin; Russell Noleubby of Breckenridge; Lloyd Hacker of Hermleigh; Jim Bob Roberts of Woodson and William Hawkins of Fort Worth. Hawkins from the Paschal team of last year played in the all-star game at Childress.

Less than a week remains before the Rangers will open the season on the home field against the Wharton Junior College team.

This means, according to the coaches, that no time will be lost in getting ready for the first appearance where the scoring will count.

Henderson wasn't making any predictions, except to say that prospects were good for a better team than last year when the Rangers finished in third place for the conference title. He did add, however, that the other teams would also be better. He thinks San Angelo is the team in the conference that will have to be beaten for anyone to win the title.

FAIR AND CONTINUED HOT through Monday.

## 850 Enrolled In Ranger Schools

A total of 850 students had been enrolled in the Ranger schools through the second day of classes Friday, it was announced from the office of Supt. G. B. Rush.

Two classes in high school, the freshmen and juniors have the same number of students, 59. The sophomore class has 54 and the seniors 32, making a total of 204 in high school.

The junior high school enrollment was listed at 156.

In the elementary school, Young has 203 enrolled and Hodges Oak has 267.

The Slaughter School (colored) has an enrollment of 20.

## Former Strawn Man Gets New Post With T-P

A former Strawn man, J. G. Tucker, has been promoted by the Texas and Pacific Railway. This announcement was made Saturday by L. C. Porter, operational vice president of T&P, Dallas.

Tucker has been appointed superintendent of the Louisiana division with headquarters at Alexandria, La. He moves to his new position on Sept. 16 for his present position as assistant superintendent of the railroad's western division.

A native of Strawn, Tucker is a veteran of 35 years service with the Texas and Pacific. He started as a clerk on the T&P's old Fort Worth Division in 1919. For a number of years he served in various traffic and operating department positions in West Texas. In 1942 he became trainmaster. Since 1949 he has been assistant superintendent of the railroad's western division.

## Equalization Board Members Named By City

The appointment of a three-member Board of Equalization for the City of Ranger, was announced Saturday from the office of City Manager Les Crossley.

The approval of the appointment of James Ratliff, Floyd Killingsworth and Morris Newham made by the Board has been made by the City Commission. No date has been set for the holding of equalization hearing on tax valuations on the city rolls.

The members of the board will be sworn in and organized before hearing dates are set, Crossley said.

## Deer Hunters Fined Heavily

Out-of-season deer hunters have paid some heavy fines according to the latest arrest report announced by E. M. Sprott, director of Law Enforcement for the Game and Fish Commission.

Three San Angelo men prosecuted for taking two deer, one a doe, paid \$600 in fines plus costs. Several \$100 fines plus costs were meted out in similar cases elsewhere.

Illegal fishing cost several men substantial fines, including levies of as much as \$100 fines plus costs.

A vaccine for bluetongue, a sheep disease, is now in production by four commercial laboratories. Workers of the Texas Agricultural Experiment Station made several contributions to the basic research on the disease.

## Commission Says New Licenses Now Available

A reminder was issued today to Texas hunters and fishermen, by the Texas Game and Fish Commission, that new licenses are required as of Sept. 1, for another year. The license period for hunting and fishing licenses corresponds with the state's fiscal year and this begins on Sept. 1.

There are 1,700 licensed deputies from whom licenses can be purchased. These have been supplied with the new forms, as well as copies of the Game and Fish Law Digests.

### Interscholastic League Listing Of Grid Teams Has Many Changes

Class AAAA high school football will have four new schools competing this year, while one school has changed districts, according to the University Interscholastic League's official 1954 football list released in Austin Saturday.

The new big-conference teams will be Hillcrest (Dallas) from Dist. 12-AA, Brownsville from 8-AAA, and Freeport and Galena Park from 6-AAA.

Stephen F. Austin (Austin) is switched from Dist. 6 to play in Dist. 5 against Highland Park (Dallas), Tyler, Waco and Wichita Falls.

Four schools moved up from AA to AAA, 15 from A to AA, 30 from B to A, and six from Six-man to Class B football.

The changes in this immediate area include a switch of De Leon from 7-A to 8-A; Comanche from 9-AA to 8-AA and Ranger from 7-A to 9-AA.

Going from AA to AAA are M o u n t Pleasant, Henderson, French (Beaumont) and Level land.

Football just about held its own, with 890 high schools entering League play this year, compared to 892 last year.

AAAA will have 53 teams this year against 49 last year; AAA stays the same with 58; AA adds five to make it 180; compared to 175 last season; Class A picks up 20 new teams, up from 197 to 217; B has a net loss of 24 schools, down to 215 from 239; and Six-man declines to 167 from 174 last year.

A few schools moved back a notch. Gladewater went from AAA to Dist. 16-AA; Ft. Stockton, Marfa, Hewitt (Naples), San Augustine and Madisonville went from AA to A; Ferris, Burleson and Lovelady dropped from A to B; and Clint switched from Class B to Six-man.

In most cases, schools move to a higher conference as enrollment increases, and go back a lower class as enrollment drops.

Extensive revision of Conference B districts was necessary because of conference changes. A number of district champions moved to different districts or their district number was changed. The same is true in A and AA to a lesser extent. No 1953 champions were transferred in Six-man, AAA and AAAA.

### McCotter Service Set For Monday

Funeral services for Mrs. Mamie McCotter, who died at 8:30 a.m. Monday following a long illness, will be held at 10 a.m. Monday in the Methodist Church in Olden. The body will lie in state at the Church one hour preceding the services.

Rev. Alfred Nelson, pastor of the Olden Baptist Church will officiate. She was a member of the Methodist Church.

Mrs. McCotter was born in Lee Center, Mich. April 24, 1879. She was married to the late William McCotter in 1903. She was at the home of her son Max McCotter in Olden and had been ill for about four months.

Survivors include her son, Max; three grandchildren; two brothers Howard D. Wood of Denver, Colo. and Louis D. Wood of Colorado Springs, Colo.

Burial will be in the Eastland Cemetery under the direction of Hamner Funeral Home.

Pall bearers will be Jim Everett, Travis Hilliard, H. C. Thomas, Tom Sharp, Truman Bryant, and O. H. Dick.

## Duck Details Are Completed

All arrangements have been completed for the waterfowl harvest in Texas now that the United States Fish and Wildlife Service has formally issued its regulations, it has been announced from the office of the Texas Game and Fish Commission in Austin.

"All we need now," H. D. Dodgen, executive secretary said, "is some good rains to fill up rivers, small lakes and tanks. We need to scatter the ducks when they come on down from the northern nesting grounds to avoid the concentrations that will otherwise occur, to the detriment of hunters as well as to the hungry birds themselves."

The Executive Secretary said the Commission has received no formal complaints from Texas hunters about the sixty-day shoot beginning

at noon on Friday, Nov. 5, and continuing until sundown on Jan. 3. Regulations are identical with last fall.

"We naturally would have preferred the zoning system as requested to give the northern tier of counties an earlier opening," he said. "But the Fish and Wildlife Service, which has final authority over migratory birds, apparently decided it would be poor conservation to liberalize the regulations under the present waterfowl population status."

## 'God's Eternal Plan' Is Topic For Sunday At First Baptist

Sunday is known in some circles as "Labor Day Sunday". This Lord's Day, the First Baptist invite, as always, the new citizens to the entire services of the day. Sunday school at 9:45, morning worship at 11:00, Training Union at 7 and Evening worship at 8. The pastor will be in the pulpit for both services.

The morning message will be "God's Eternal Plan." The message is based upon the 9th chapter of Daniel, and the ministry of Jesus.

There will be special music furnished by the choir which is one of the important parts of each worship service. Both adults and young people comprise a choir of many voices. The evening services will begin with the Training Union meeting in departments. There has been great growth in Sunday evening attendance because of the programs for each member of the family.

The pastor will present a message pertaining to what the word of God has to say about the basic truths of modern day worship, salvation, missions, etc. Sunday night the message will be in regard to forms of worship, usages of scripture, the Holy Bible, songs,

## Chap. Masseege To Speak For Youth Crusade

The Youth Crusade sponsored by the First Baptist Church will hear Chaplain Jasper Masseege Saturday night at 8 p.m. The Rev. Masseege will relate his experiences in Korea and tell of the many things that will be of interest for our Youth of Ranger.

The young people of Ranger are to be highly commended upon the high type of entertainment they have chosen. These young folk have been meeting and planning their programs and with the guidance of the youth council have attracted state wide attention for their outstanding achievements.

The youth choir and special arrangements will have the music for the evening. Choruses and sacred hymns will be used. Refreshments will be served at the close of the program. All of the young people of the area are invited to these programs. Come Saturday night and enjoy a fine evening's entertainment.

## Church of Christ 225 South Rusk

The work of the Church of Christ, which meets at 225 South Rusk, is moving along in a fine way according to the report of Thomas F. Shropshire, minister for the church. He states that attendance and interest are good in every service. He announces that the subjects of his sermons for Sunday will be, "Apostolic Teaching" and "The Center of the Bible".

The schedule of services is as follows: Sunday: Bible Classes, 9:45 a.m.; Worship, 10:45 a.m.; Evening Worship, 7:30 p.m. Wednesday: Ladies' Bible Class, 1:30 p.m.; Mid-Week Service, 7:30 p.m. A cordial invitation is extended to all to attend these services.

## PERSONAL

Mrs. Margaret Osterhout has returned from a ten day vacation, which she spent in St. Louis visiting her family.

## Bible Lecture To Be Given Sunday In Eastland

The sixth in a series of Bible lectures will be held Sunday, Sept. 5, at 3 p.m. at Kingdom Hall of Jehovah's Witnesses, 209 Neblett St., Eastland.

The speaker will be E. M. Baird of Ft. Worth, minister of Jehovah's Witnesses, who will speak on the subject "The Urgency of our Times". What is the urgency? When will it end?

All are cordially invited to hear this lecture. No collection will be taken.

## Guest Minister Sunday Evening, First Methodist

Rev. Hubert Crain, of Stephenville, will speak in the evening worship service of the First Methodist Church, Sunday, September 5. Rev. Crain is the superintendent of the homes for the retired ministers of the Central Texas Conference. He served as pastor of the Ferris Methodist Church for three years until June 15, 1954.

Rev. Bruce Weaver, pastor of First Methodist Church, will begin preaching in a revival meeting in Grandview, Texas, Sunday evening and continue through the following Sunday, Sept. 12.

## Services At The Church of Christ Mesquite & Rusk

The following is the schedule of services at the Church of Christ, at Mesquite and South Rusk, Max R. Crumley, evangelist.

SUNDAY: Crusade for Christ (KERC 1590) 7:45 a.m.; Bible School 9:45 a.m.; Morning Worship 10:45 a.m.; Young People's Class 6:00 p.m.; Evening Worship 7:00 p.m.

WEDNESDAY: Assembly for Praise & Devotion 7:30 p.m.; The Children's Hour 8:00 p.m.; Adult Edification 8:00 p.m.

SERMON SUBJECTS: Sunday Morning: "A Christian Home"; Sunday Evening: "The Misunderstood Christ."

A nation is no stronger than its homes. The Roman Empire fell only after its homes were corrupted. The ancient phrase, "The hand that rocks the cradle rules the world" contains a great truth. Christian homes where the principles of Christ's Truth is taught are the hope of the world. What is a Christian home? Why is it a necessity? How can it be built? These and other vital questions will be discussed Sunday morning.

Christ the Savior and the Hope of the world was misunderstood by His generation, even by His disciples. What were the disastrous results of this misunderstanding? How is He and His teaching misunderstood today? How can we clear up this misunderstanding? These questions will be discussed at the evening services.

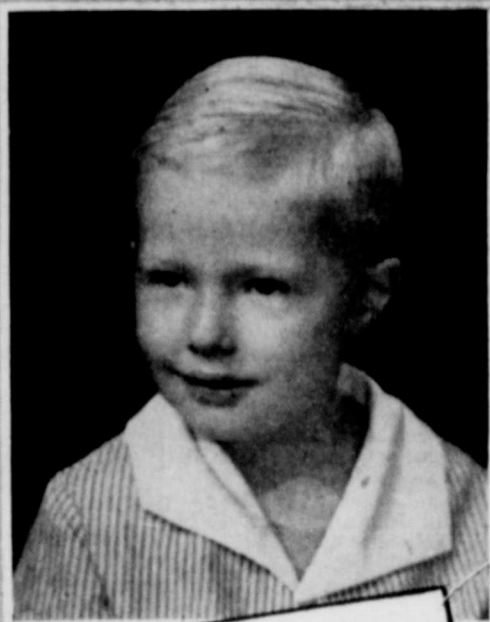

You will be deeply moved and encouraged by the fervent discussion of these vital themes. You are invited to be with us in these services.

in honor of labor

God glorified work and promised rest for the Laboring Man. A man's work is born with him but God said rest every seventh day. God is for the laboring man but He is against the indolent, shiftless, slothful, non-producers. The first Monday in September is important in America. It is nationalized in honor of labor. We should celebrate by enjoying all the good fortunes of the American working man. This is Labor Day weekend, your day, Mr. Working Man.

### Know What Your Fruit Dollar Buys; Protect Family's Health

Do you know the good that fruit  
brings your family? Do you know  
what you really get from your  
fruit dollar? To check returns on  
your fruit investment, consult nu-  
trition tables on foods that you  
can get by writing to your Food  
Editor, or to the United States  
Department of Agriculture.

foods are bananas, long recom-  
mended by doctors as one of the  
first solid foods for infants. Ban-  
anas have a well-rounded supply  
of vitamins, and essential minerals  
as well as fruit sugars and pectins.

#### Know Storage of Fruits

It is important to know the proper  
storage of fruits, to utilize them  
to best advantage. Apples, ber-  
ries, grapes and citrus fruits  
like oranges and grapefruit belong  
in the refrigerator. But bananas,  
peaches and pears should not be  
put in the refrigerator. They  
should stay in the fruit bowl at  
comfortable room temperature un-  
til fully ripe. The banana tells  
when it is fully ripe by its peel.  
When the peel is green-tipped or  
all-yellow the banana is partially  
ripe. To use it to advantage at this  
stage, it should be cooked. When  
the peel is yellow and flecked  
with brown, the banana is fully  
ripe, and at its best for sweet-  
mellow flavor. At this stage, it is  
just right for eating "out of  
hand," for infant feeding, for  
salads, desserts, milk shakes and  
as an ingredient in baking.

### Ranger Families Attend Requiem Mass In Dallas

Rosary was recited Monday  
night for Patrick Leo Dennehy, 51,  
a parts salesman for a Dallas au-  
tomobile agency. He died Sunday at  
his home at 4415 Buena Vista fol-  
lowing a heart attack.

The requiem was at the An-  
derson - Clayton Brothers Funeral  
Chapel in Mesquite.

Requiem Mass was celebrated at  
9 a.m. Tuesday at Holy Trinity  
Church, in Dallas, with the Rev.  
Francis Brady officiating. Burial  
was in Calvary Hill Cemetery.

Dennehy was born in Forney  
and was employed by the Camp-  
bell Motor Co. there. He was a  
resident of Ranger from 1935 to  
1942 and was employed by the  
Lowell Motor Co. here. He moved  
to Dallas in 1942 and had  
worked for Bankston-Holler Motor  
Co. since then.

He was a member of Holy Trinity  
Church in Dallas.

Survivors include his wife; a  
son, Patrick Leo Dennehy Jr. of  
Dallas; mother, Mrs. Delia Den-  
nehy of Arlington, and two broth-  
ers, John Dennehy of Arlington  
and Thomas Dennehy of Tyler.

#### Our Society Editor doesn't think

all things were better in the old  
days, especially not the style of  
reporting the society news. This  
opinion was voiced after reading  
the following account of a wed-  
ding in other years:

Miss Jennie Jones and Bob  
Henry were married at the Jones  
mansion last night.

The bride is the daughter of  
Constable Jones, who has made a  
good officer and will doubtless be  
re-elected this spring.

He offers a fine horse for sale  
in another column of this issue.

The groom runs a grocery store  
on Main street and is a steady  
patron of our advertising columns.

He has a good line of bargains in  
his ad this week.

All summer he has paid two  
cents more for butter than any  
other store in town. They were  
married by the Rev. Josiah But-  
terworth, who last week called at  
this office and gave a nice order  
for printing.

He is also going in business  
and will write fire insurance. So  
say the business cards we recently  
printed for him.

Jennie and Bob left on the 10  
o'clock train for Milwaukee to  
visit with the bride's uncle, who,  
we understand, has lots of money  
and cancer.

Thanks to Burlington Mills for  
the idea on shopping at Ranger's  
Dollar Day.

#### How Often Have I Wondered—

... why so many other people get along better than I. Ever  
have that feeling? If so, it's time for us to do a little soul-  
searching together. If we are day-dreaming or drifting along  
aimlessly without thought or reason, let's stop and about  
face. Let's begin to do things wisely. Let's guard against buy-  
ing property with faulty titles. Investing in good titles is a  
sure way to get along better financially—better than those  
who don't. I will if you will!
