Wheat harvest begins

THE COUNTY'S FIRST LOAD of 1976 wheat was delivered to Dimmitt Agri Industries at Nazareth at 9:45 a.m. Saturday by Ted Robb. The first load was harvested Friday evening by Robb & Mills at a farm which they rent from H. T. Gardner of Morton, six miles south and two east of Nazareth. Checking the

first load [from left] are Lucy Leinen, Remon Bernea, Robb and Branch Manager Kenneth Slough. The Early Triumph variety wheat had a moisture content of 11.2%, a test weight of 57 lbs., and classified as No. 3 dark hard winter wheat.

Ted Robb and Wade Mills opened the 1976 wheat harvest when they cut the county's first truckload Friday evening south-east of Nazareth and delivered it Saturday morning to Dimmitt Agri Industries' Nazareth point.

GERALD ACKER—who brought in the county's first wheat last year—followed Robb & Mills with a load to the DAI Nazareth point Saturday evening.

Since then, at least five other elevators in the county have received their first 1976 wheat, and the rest said they were expecting their first loads "right away."

Robb also brought in Dimmitt's first load of 1976 wheat, delivering it to Dimmitt Agri Industries' South Elevator Sunday from his farm north of the city. Ward Golden brought a load to the South Elevator the same day.

FOUR OTHER elevators at Hart, Flagg and Nazareth received their first loads Monday. Bobby Jones delivered the first 1976 wheat to Flagg Grain Co.; Bennett Cattle Co. and I. S. Scott weighed in the first load at Farmers Grain Co. at Hart; Hubert McLain brought in the first load at Prairie Grain Co. at Hart; and Earl Backus delivered a big load to Star Grain Co. at Nazareth.

W&C Grain, Inc. of Dimmitt received its first 1976 wheat Tuesday afternoon when C&S Farms northeast of the city delivered a 28,660-lb. load.

Moisture content of the first cuttings ranged from 9.3% to 16.5%, and test weights varied from 57 to 63 pounds per bushel.

MOST OF those delivering the early loads weren't yet calculating their yields, but their estimates ranged from 25 to 47 bushels per acre.

Below-average yields are expected from most of the county's wheat land this year because of the winter drought, the high cost of watering and the recent hailstorms. But even in a below-average year, Castro County's farmers can be expected to produce enough wheat for millions of loaves of bread.

4-H'ers to tour world

Kelly Bagley and Cinde Sides will leave this week to begin a trip to Europe and Russia this summer as participants in the 4-H Citizen Ambassador Program.

KELLY is the daughter of Mr. and Mrs. George R. Bagley and Cinde is the daughter of Mr. and Mrs. George Sides, all of Dimmitt.

The Dimmitt girls will join other 4-H Citizen Ambassadors in Washington, D.C. June 26 for an orientation program prior to a 38-day people-to-people visit in England, France, Belgium, Switzerland, Germany, Denmark, the Netherlands and Russia.

They will travel in a group of 33 to 35 youth chaperoned by Mrs. Edd Burnett of Tulsa.

The group will travel by air and bus as they experience homestays with host families, visits with European 4-H and other youth groups; tour historical sights, and meet new friends from many different cultures in Europe, as well as youth from other states in the United States.

The 1976 4-H Citizen Ambassadors are 4-H and other youth 16 to 20 years old from 21 states.

Board offers pool plan

The Dimmitt School Board voted Monday night to pay the 1975 operating deficit of more than \$2,200 on the public swimming pool at Dimmitt Middle School.

BUT THE board stood firm in its refusal to open the pool this summer until the City of Dimmitt agrees to pay all future deficits of the summer swimming program.

The board approved a 22-point operating agreement to be considered by the city commission at its next meeting at 6:30 p.m. Monday.

The school board regards the swimming pool as a city recreation program, and feels the city should not have charged the school district \$1,425 for a water meter and pool water last summer.

BUT THE city commission considers the pool to be school

property, and thus the school district's responsibility.

In past years, the school district operated the pool and the city helped pay any deficit on the summer program, under an unwritten "gentlemen's agreement." But the two governing bodies have been at odds over the program since last summer, when the city paid for a \$27,000 pump-and-filter system, then started charging for the pool's water.

At its last meeting, the city commission authorized \$750 in city funds to apply to any operating deficit on the pool this summer. But the school board Monday night didn't accept that offer. Instead, it countered with the proposed operating agreement which calls for the city to "pay to the school any deficit that might exist at the end of the last

month of operation for the year."

Meanwhile, the city's only public swimming pool remains closed until the two governing bodies resolve the issue.

Commissioners deny proposal to halve polls

The County Commissioners' Court decided Monday not to consolidate voting boxes in Castro County, after protests were heard concerning a proposal to halve the number of ballot boxes.

CASTRO County now has 16 voting precincts where ballots are cast in elections. The suggestion had been made to cut the number to eight by consolidating precincts, in order to reduce the cost in election judges and clerks.

However, the plan drew strong opposition from various parts of the county. County Judge Weldon Bradley said. Delegations from the Summerfield community in northwest Castro County and Sunnyside, south of Dimmitt, met with the commissioners to protest the change.

The commissioners' court voted to leave the election boxes as they are, unless and until a change is required by law.

MRS. RAY RILEY and Librarian Carlton Moyers met with the court to submit the names of Mrs. Jim Elder and Weldon Skinner for appointment as trustees on the Rhoads Memorial Library board. Both were approved.

35 aliens jailed here

The Sheriff's Dept. had to hang out a "No Vacancy" sign at the county jail Saturday night after deputies intercepted a rental truck carrying 35 illegal aliens from Mexico.

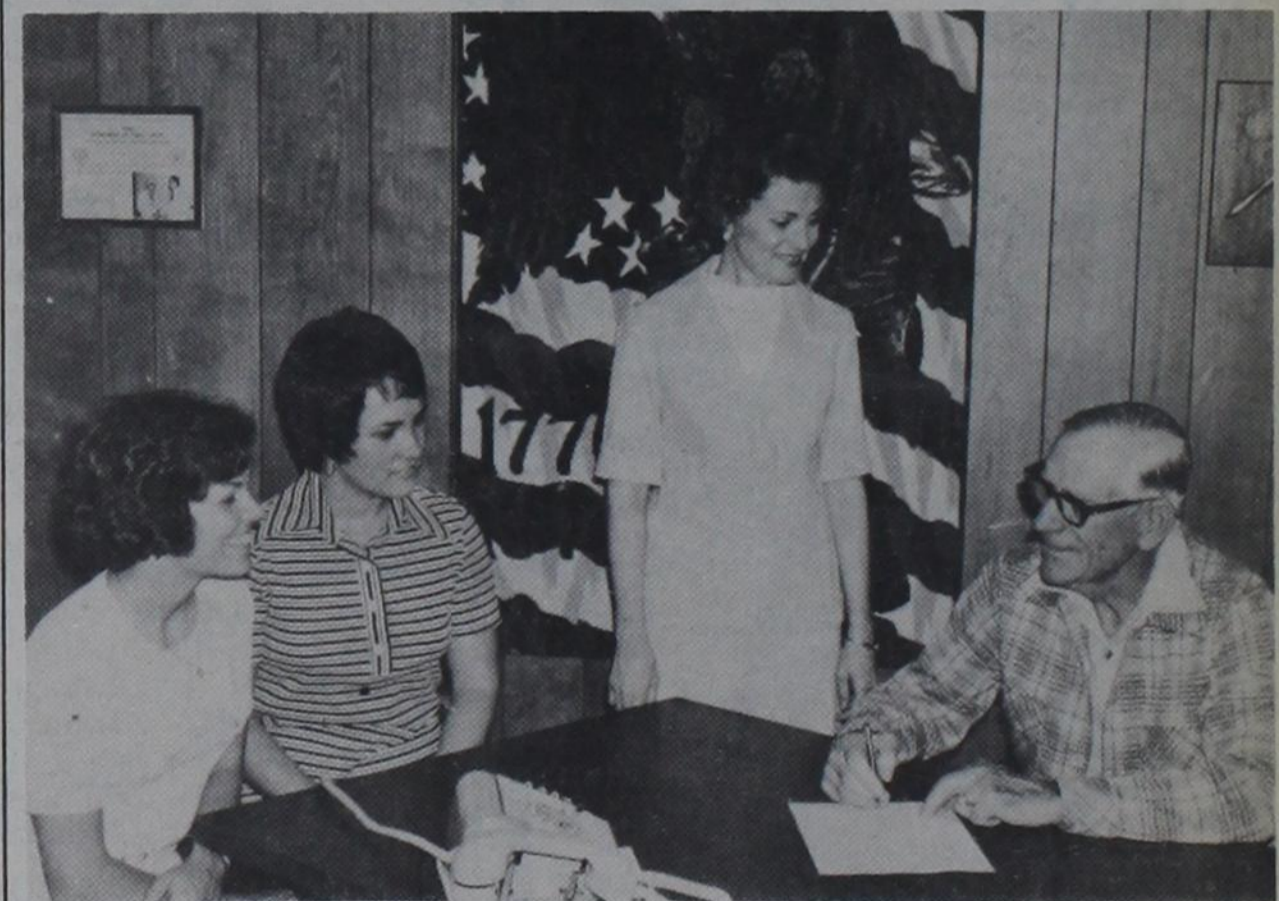

ALL OF THEM—34 men and one woman—were booked into the county jail Saturday night, then 10 were transferred to the city jail Sunday. The US Border Patrol sent a bus Monday to pick them up and return them to Mexico.

After receiving a tip Saturday afternoon on the truck's location, deputies called Justice of the Peace Marshall Young—who lives in the vicinity where the truck was reported to be—and asked him to "see if he could spot it."

Young saw the truck from his house and followed it, keeping deputies informed via CB radio. Deputies Granville Martin and David Slaughter stopped the truck and a lead car six miles north of Dimmitt on a county road.

THE SHERIFF'S Dept. reported that the truck had been rented in the El Paso area, and that the illegal aliens evidently had been picked up by Sebastian, near Corpus Christi.

Alfredo Garcia, 28, of Toledo, Ohio—the driver of the lead car—has been charged by the US Border Patrol with transporting illegal aliens. And the truck's driver, 26-year-old Arturo Longoria of Muleshoe, was charged with carrying a concealed weapon.

'CLEAN UP DIMMITT DAYS' are officially proclaimed for June 21 through July 3 by Mayor Elmer Youts at the request of the Dimmitt Young Homemakers Club. Purpose of the city-wide project is to encourage resi-

dents to beautify their property in preparation for the nation's Bicentennial. Witnessing the signing are [from left] Doricell Davis, Young Homemakers reporter; Shirley Taylor, vice-president; and Susan Hanners, president.

Club urges city clean-up

"Clean Up Dimmitt Days" will be sponsored June 21-July 3 by the Dimmitt Young Homemakers as a Bicentennial project.

THE AIM is to make the town a better place to live and celebrate the nation's 200th birthday.

The Dimmitt City Commission endorsed the program at its meeting last week, and agreed to make city trash collection equipment available during the two weeks, in response to a let-

ter presented by Susan Hanners, Young Homemakers president.

"This is a city-wide Bicentennial project that everyone can take part in," Mrs. Hanners said. "Our city has not had a general clean-up in several years and the days just prior to our country's birthday seem an appropriate time for one."

"We hope all Dimmitt residents will join the Young Homemakers and the City Commission in making 'Clean Up Dim-

mitt Days' a tremendous success."

A clean-up campaign for the city is greatly simplified with the new trash collection system, she added, and City Manager Gaynett Holland said city employees will pick up trash and junk items that will not fit in the new trash containers.

Residents are asked to clean yards, alleys and vacant lots. Removal of derelict buildings or sheds, junk cars, old tires and appliances is encouraged.

about dimmitt and castro county

It seems a little unusual that all of the hanky-panky going on in Washington is related to the democratic side of the House and Senate. Of course there are more democrats in the congress than republicans, but you would assume that nature would have just about endowed both parties equally so far as physical makeup is concerned. Surely some lady of the seamy side of life could come up with material for a book about at least one republican. Former Senator Sam Ervin said that the rash of exposures doesn't worry him in the least, because at his age anything he might have done has been taken care of by time limitations.

Carter is the democratic nominee and all is harmonious in the democratic party. On the other hand, the republicans are selecting a nominee the hard way and the party is split down the middle. As a democrat it grieves me deeply to see the republicans mess up so badly.

Due to conflict with other meetings being held on Thursday evening, June 24, the monthly meeting date of the Castro County Museum Association membership has been changed to Wednesday evening at 8. The meeting will be held in the community room at the courthouse.

Farmers Union to reorganize here

Area farmers are invited to a meeting at the Hart School Cafeteria at 8:30 p.m. Tuesday, for reorganization of a Farmers Union in Castro County.

A SLIDE presentation is scheduled on Farmers Union and its objectives. Following the election of officers, refreshments will be served.

For further information, interested persons may contact Frank Hooper at 938-2520 or Doug Higgins at 938-2342.

Lions, ladies to have supper

Officers for the next year in the Dimmitt Lions Club will be installed at a Ladies Night Supper at 7:30 p.m. next Thursday, June 24, at the Castro County Country Club.

Gary Huffines will take office as president to succeed Robert Ryan. Other officers and new directors will be installed and Beth Cleveland will be formally inducted to the Lions' Sweetheart title.

What can you put in time capsule?

Messages from present Castro County residents to their successors 50 years in the future will be collected June 28-30 for burial in a time capsule July 3. All citizens of the county are invited to contribute material.

'Firecracker Fund' started

A Community Firecracker Fund is open at the Dimmitt Chamber of Commerce office to receive contributions for a big Independence Day fireworks display being planned by the Dimmitt Bicentennial Committee.

DONATIONS from clubs and individuals are needed to make up the minimum of \$1,200 needed for a fireworks show the entire community can enjoy, according to Linda Maxwell, Bicentennial Committee chairman.

The fireworks display will be one phase of special program saluting the nation's 200th birthday and also the centennial of Castro County's formation.

The Bicentennial Committee hopes residents will contribute to the community fund the amount of money they would normally spend for fireworks in their own families. Names of contributors will be listed on a special page in the Bicentennial Edition of the Castro County News July 1.

Schools donate building to museum

Extra space for the Castro County Historical Museum in the form of a roomy barracks building given by the Dimmitt Public Schools, is now located on the lot at 404 W. Halsell at the rear of the main building.

THE BUILDING has been used by the school system but since it is no longer needed the school board agreed to give it to the Museum Association, which had it moved and will have a new foundation built for it.

In sound condition, with paneled walls inside, the building will be suitable for display space in the future. B. M. Nelson, museum board president, said.

At present it will be used for storage and work space while the pioneer home which has been purchased to serve as the main museum is being renovated for its purpose.

School board employs four

The Dimmitt School Board hired a high school counselor, assistant band director and two members of the coaching staff at its meeting Monday night. Several resignations from the faculty were accepted also.

D. H. KOENIGER of Austin was employed as counselor at Dimmitt High School. Fred Allen, a recent graduate of Abilene Christian College, was hired as assistant director of school bands.

Dennis Miller, recent graduate of Panhandle State University at Goodwell, Okla., was hired as an addition to the high school faculty and to assist in coaching football and girls' basketball.

Sam Browning will come from Morris to replace David Bellinghausen as a coach at the Middle School.

KOENIGER will succeed Kenneth Ringo in the counselor's post. He is a former agriculture teacher and high school principal, but in recent years has been out of the teaching field and working with the state Selective Service office.

Resignations were submitted to the board by Koma Ratcliff, who is retiring, and for various reasons by Jean Morris, Vicky Vaughn, Ellen Gregory, John Parchman, Nita Reese and Teri Beth Rush.

A 50-FOOT GEYSER in the middle of the street created a scenic attraction for neighborhood youngsters but halted traffic on the 200 block of Southwest Third Street Sunday evening. The City Water Dept. fought the spewing water-line break for a few minutes, then retreated a block to shut off the main line above it.

Hopsons join 'Friendship Cruise' in Utah, Arizona

By MYRTLE SHEFFY

Cindy Hopson.

V.C. and Dorothy Hopson and friends James and Joyce Autry of Rocky Ford, Colo. joined a group of people with 315 boats for the annual Friendship Cruise at Green River Utah. There were four boats from Rocky Ford. These are outboard boats. They went down the river for more than 80 miles, then up the Colorado River to Moab, Utah. They had to climb or go over rapids. All had the CB radios to keep in touch. One man fell overboard, hurt a little bit, but a doctor was along that fixed him up. The group camped out, had the roll-up things to sleep on, meant to cook, but ate Twinkies and candy or stuff. 67 boats had to pull out because of rock damage.

THEY stopped at Paige, Ariz. and fished in the big Powell Lake, catching bass and perch. No trees, just big red rocks. The scenery was most beautiful up and down the rivers. I believe Dorothy said the trip was around 190 miles. And the Hopson's son-in-law Donny McDaniel received broken bones and hurts in a dune buggy accident here in town. He is in Northwest Texas Hospital in Amarillo. He is the husband of

A Letter From Daddy Her father has sent a letter and a picture, too, to show his family what he's doing while they are apart. It makes them feel close and it comforts them. Our Heavenly Father has written us a love letter and given us a picture of what He is doing for us while we're apart. Both are contained in the words of the Bible. In Jeremiah 31:3 He says, "I have loved thee with an everlasting love; therefore with loving kindness I have drawn thee." And Our Lord tells us in John 14:2, 3, "In my Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself: that where I am, there ye may be also." We invite you to attend church this week. COMMISSIONED—John Howell of Dimmitt, who received his BS degree in physical education from Panhandle State University at Goodwell, Okla., this month, was also commissioned a second lieutenant through the ROTC department. His wife, Donna, left, and his sister, Gayle Stovall of Fritch, pinned the new bars on the officer's shoulders. Howell has been assigned to the field artillery at Ft. Sill, Okla., and will later be assigned to Korea.

hospital. They visited mom Mable and the Raymond Wilsons and sister Mona Merritt and family.

Rev. John and Dorothy Street went to a Baptist convention back East someplace. Then they go on a trip to Williamsburg, Va. and Washington, where they are guests of Senator Mahon one day. They plan seeing other states enroute home.

THE BIG fish fry with many salads and cakes was a success! Many people came in for Sunday supper in the Methodist fellowship hall! Donald Wright got the fish someplace and all the men fried them outside in big pots. Very good, we all say.

And Saturday evening the marriage of Linda McKneely and Ken Shannon was at the Methodist Church. I didn't get to go. Had family things to do. But Ken is the son of Fate and Dorothy and Linda is a school teacher and the daughter of Mr. and Mrs. W. C. McKneely.

Garland and Ruth Coleman are the grandparents of a boy. His name is Garland Ellis III, son of Garland and Susan Coleman of Tulia.

Connie Nelson was a weekend visitor of her friend Cheryl McGahey in Pampa. They were contestants in the district Lions Club Sweetheart Contest and will be roommates at Tech next fall.

ELVIS AND Joy Barker attended graduation exercises for daughter Pam in Little Rock, Ark. June 4. Pam completed a 10-month dietetic internship sponsored by the University or Arkansas Medical School and the Veterans Administration.

Pam returned to Dimmitt with them for a week's visit, returning to Little Rock Saturday where she will be working this summer.

Jay Noble of Denver City and his grandson Kevin of Houston came up for a weekend visit with Jay's parents Mr. and Mrs. Doc Noble.

Mayes Mitchell and family of Chico were here visiting his mother Leora Calhoun and sister Bobbie Chester. They also visited in Clovis with nieces.

Beral Hance spent the weekend in Lamesa with her sisters Junia Green and Mr. and Mrs. Arthur Smith. Other relatives were there from Tucson, Ariz. and Las Vegas, Nev. Much fun was had by all the family at the get together.

Band gets more kudos

Dear Editor:
 The five bus drivers who had the privilege to drive the charter buses for the Dimmitt High School Band on their recent trip to St. Louis would like to offer their thanks for making an enjoyable time for all, to the band members, parents and sponsors, and Ralph Smith, director.

ALL THE band members' behavior was excellent, both on the buses and off. They truly portrayed to people all along the trip an excellent image of well-mannered and extremely polite young people.

We hope everyone enjoyed the trip as much as we did. Everyone in Dimmitt has a right to be proud of this wonderful group of band members and parents, and especially your director, Ralph Smith.

Again let us say we were proud to be associated with such a fine group of young people and adults.

John Ward attends LCC youth camp

John Ward, son of Mr. and Mrs. Dale Ward, participated in Encounter, an annual week-long youth lectureship and camp on the campus of Lubbock Christian College last week.

THE PROGRAM, designed for 12-to-18-year-olds, includes Bible studies, chapel services, chorus and recreational activities. The youths live in LCC dormitories and are supervised by college-age counselors. Attendance this year totaled 620 teenagers from eight states.

THE VERY commonplaces of life are components of its eternal mystery. —Atherton.

Pam Barker is UAMS graduate

Pamela Barker of Dimmitt was one of 14 dietetic interns graduating June 4 in ceremonies at Fort Roots Veterans Administration Hospital at Little Rock, Ark., joint sponsor of the intern program with the University of Arkansas for Medical Sciences.

AFTER A short visit with her parents, Mr. and Mrs. Elvis Barker, she has returned to Little Rock to be employed this summer at the Medical Center and also to work part-time at a church camp for youth. The Barkers attended their daughter's graduation.

An honor graduate of Dimmitt High School in 1971 and of Texas Tech in 1975, Miss Barker was accepted for the internship on the basis of scholarship and her goals for the future.

She earned a BS degree in home economics at Tech with a double major in foods and nutrition and home and family life.

She is a member of Phi Kappa Phi Honor Society and the American Home Economics Association.

Teen Tops club organization is in prospect

Possibility of a teenagers' unit of the Tops Club here was discussed at this week's meeting, and a special invitation is given to teen residents with weight problems to meet with the group at 6:30 p.m. Monday.

IF ENOUGH interest is shown the teen group will be organized under sponsorship of the adult club. Also invited to the meeting and all other Tops sessions are men who want to solve a weight problem.

Queen of the Week for the

club was selected for an unusual reason this time, not for loss of weight but because she became the mother of a son during the week. Karen Moss is the queen and her baby, Robert Douglas, was made an honorary club member.

Jackie Smotherman was cited as KOPS of the Week, the member most successfully "Keeping Off Pounds Sensibly" in accord with club goals. Twenty members weighed-in at the meeting and showed a net loss of 25 pounds, 12 ounces.

YOU CAN buy tickets to a performance of TEXAS at the Dimmitt Chamber of Commerce office up to 3 p.m. on the day of the performance you want to attend.

DUANE AND TAMMY MARBURGER
... New manager and wife at Gibson's

Marburger named Gibson's manager

Duane Marburger, 21, is the new manager of Dimmitt's Store.

HE SUCCEEDS Ernie Garcia, former manager, who has gone to Cameron to manage a large new Gibson's Store.

Marburger's wife, Tammy, serves as a sales clerk at the local store.

Mr. and Mrs. Marburger came to Dimmitt from their home town of Brenham, where he was a Gibson's department manager. He has been with Gibson's 10 months. The Mar-

burgers live at 618 NW Sixth St.

MARBURGER is a graduate of Blinn Junior College at Brenham, where he earned an associate degree in business.

"We're very pleased with the support the community has given the store here, and we want to continue to merit that support," Marburger said.

Gibson's in Dimmitt is owned by the Sandra Corporation of Pampa, which also owns other Gibson's stores in Texas and Oklahoma.

Three from county going to seminar

The Castro County Farm Bureau will send three students to the 14th annual High School Student Citizenship Seminar to be held July 12-16 in Waco, according to Gale Sadler of Sunnyside, president. The seminar is sponsored annually by the Texas Farm Bureau.

Attending from this county will be Sharla Carson of Hart, Timmy Wilhelm of Nazareth and Jim Wright of Dimmitt. They will be among some 450 high school juniors and senior from over Texas who have been selected on the basis of leadership qualities and scholastic achievement.

PURPOSE of the annual seminar, which is held on the campus of Baylor University, is

to give students a better understanding of the American competitive enterprise system and opposing ideologies, in discussions pertaining to systems of government and economics.

Several nationally known speakers will be featured. They include Dr. Clifton L. Ganus, president of Harding College at Searcy, Ark., and United States historian; W. Cleon Skousen of Salt Lake City, author, educator and lecturer; Vernie R. Glasson III, assistant director of national affairs, American Farm Bureau Federation, Washington, D.C.

Also John D. Jackson of Fort Worth, instructor for Flying Training Ground School, American Airlines; Harold P. Plummer of Minneapolis, lecturer and US State Department representative at the Brussels and Seattle World's Fairs; and Paul M. Chretien, senior briefing officer, Central Intelligence Agency, Washington, D.C.

REPORTS were given by committee chairmen, including Welborn's report that he has given Cardiac-Pulmonary Resuscitation instruction to 12 persons and trained two to be instructors.

Joyce White, Area 2 director, was here from Lubbock and presented new organization instructions.

She informed the group she has resigned as area director and the new director is expected to be here at the next county unit meeting July 8. Miss White now has a television program on a Lubbock station where she appears each week-day at 9 a.m. as "Sunshine Sally."

Dr. Bill Lee presided at the session.

There will be an open division also.

Bicentennial cookout plans grow

By TEENY BOWDEN

Vacation Bible School commencement exercises Friday brought to an end a successful Bible School. 79 were enrolled with an average attendance of 70. Also 60 perfect attendance certificates and ribbons were given to pupils and faculty.

L. B. BOWDEN visited in Littlefield Tuesday afternoon with the Atmospherics, Inc., meteorologist and the pilots hired by Better Weather, Inc. to confirm that on the 2nd through the 5th and on the 7th they were seeding for rain. They showed him the radar charts and other records of their procedure during the period. They will continue to seed for rain when they are not having to suppress hail. One inch of rain was recorded

for the community Monday although amounts up to 3.40 were received in the northeast part of the community. Sunnyside proper had 3.20.

Mr. and Mrs. J. C. Holbrooks returned home Thursday evening from a 17-day vacation in eight states. They attended the Grand Ole Opry and made several tours in Nashville, visited with their daughter Mr. and Mrs. Russell Ramey, Adrian and Jody, in Jonesboro, Ind., with friends in Iowa, the Gateway to the West Arch in St. Louis, Mo., and the Cowboy Hall of Fame in Oklahoma, as well as many other places of interest in all the states visited. They also were in rain so heavy it stopped all traffic as they crossed the Mississippi River.

Mr. and Mrs. Gale Sadler, Mrs. Gerald Graham, Mrs. Ray

Joe Riley and Mrs. J. Paul Waggoner met with representatives from several different communities at the city hall in Dimmitt Thursday night to make plans for the July 9th county-wide Bicentennial Cookout on Running Water Draw. Since there will be so many July 4th activities this special year, there will not be the regular community July 4th Homecoming this year. Remember the clean-up, paint-up project for the community building this Thursday, Friday and Saturday. If enough help maybe we can finish on Thursday.

JERRI KAY CLARK won first place in barrel racing at the Terry County 4-H Horse Show in Brownfield last Saturday for the Dimmitt club.

Mr. and Mrs. Hershel Wilson, Daneen, Susan Sadler, Tammy Ross and Greg George were in Abernathy Thursday afternoon for a Singing Disciples rehearsal in preparation for the Gospel Concert to be sponsored by the Sunnyside Lions Club at the Springlake-Earth school Saturday night at 8 p.m. After the rehearsal, the local group went to Lubbock for a swimming party.

Mr. and Mrs. Jerry Ray Hampton and family returned home Tuesday from a week's vacation in the mountains at Mora, N.M. They were sideswiped by a pickup which had a blowout as they went to Mora. No one was injured but the car was heavily damaged. Since they were in two vehicles they went ahead with their vacation.

Resa Carson came home from Denver last Tuesday for the summer. She has visited with several friends in Lubbock last week and this week.

MRS. JEAN Cogburn and son Gary of Lubbock visited Tuesday through Thursday with Mrs. Lillian Carson.

Gale Sadler presided at the Farm Bureau meeting in Dimmitt Tuesday night.

Mr. and Mrs. Bob Gunderson and girls of Roseburg, Ore. arrived Friday to spend a week or two with her parents, Mr. and Mrs. R. E. Duke and the Robert Duke family in Dimmitt.

Mrs. Embree Roy Sadler and Mrs. L. B. Bowden worked with auxiliary duties at Plains Memorial Hospital in Dimmitt Monday afternoon. Mrs. John Gil-

breath worked last Friday morning and the 27th. Mrs. Curtis Pruitt and her granddaughter Dawn Merriott of Lamesa spent Saturday and Sunday with her parents Mr. and Mrs. Floyd Ivey.

Mr. and Mrs. Buford Newton and their granddaughter Tessie Newton of Odessa visited Friday with their daughter Mr. and Mrs. Carl Dean Carson and Deakon.

Lee Bradley was honored with a birthday cookout in the home of Mrs. Lillian Carson last Tuesday night.

JOEL AND Justin Bradley were honored with a birthday party in their home after the Bible School commencement Friday night. They were two years old. Those present were Mr. and Mrs. Weldon Bradley of Dimmitt, Mrs. Lillian Carson and Resa, Bruce Blain of Dallas, Mr. and Mrs. David Sadler, Melody and Karla, Mr. and Mrs. Lynn Cox, Brandon and Cinnamon, Mr. and Mrs. George Anderson and family, and Cindy Sadler. They enjoyed cake and coffee together.

Mrs. Ricky Byers hosted the Earth Young Homemakers to a cookout last Friday. New officers were elected. Mrs. Byers was elected president, Mrs. Jimmy Waggoner secretary. They also had a cookout for their husbands Saturday night at the Springlake Baptist Church. About 14 attended the hamburger cookout and they played volleyball after supper. Mr. and Mrs. Ricky Byers, Mr. and Mrs. Jimmy Waggoner and Mr. and Mrs. Barry Pittman were among those attending.

Hershel Wilson provided the program for the Order of the Eastern Star installation of officers in Dimmitt last Saturday night. He sang "Statue of Liberty" and "Fill My Cup, Lord." Mrs. Wilson was installed as organist at the meeting Tuesday night since she was not able to make the installation service.

Mr. and Mrs. Larry Sadler and family and Mr. and Mrs. C. B. Lunsford and family of Dimmitt left Saturday morning to fish a few days at Lake Breckenridge. Mr. and Mrs. Travis Cowles and family of Amarillo and friends from Dallas were expected to meet them there.

MR. AND MRS. Jake King, Karl and Brenda of Hereford, Tim Dawson of Hereford and Mrs. Charlene Blair of California were guests of Mr. and Mrs. David Sadler, Melody and Karla at the VBS commencement Friday night. Mrs. King and Mrs. Blair also visited with them one afternoon this week. She is an aunt of Mrs. Sadler.

Brannon Byers was honored with a birthday party in Clovis Wednesday. They had lunch at the Soda Straw and then went to the park where they played on the equipment and attended the zoo. His guests were Stacy Waggoner and his mother, Stephanie Byers and her mother of Springlake, Jeff Bonick and Jeff and Jewell Hamilton, all of Earth.

Suit against coach dropped

County officials dropped assault charges against Bobby King Monday after the former Dimmitt High School football coach took a voluntary lie-detector test.

KING had been charged with assault in a complaint filed April 28 by Bob DuLaney, following an alleged argument between the two men in the coach's office.

"Mr. King has voluntarily taken a polygraph test at the Department of Public Safety offices in Lubbock," County Attorney Robert Buntyn said Monday. "The results of the polygraph test indicate Mr. King to be innocent of the charges against him. Accordingly, I submitted a motion to Judge Weldon Bradley Monday morning to dismiss the charges, and Judge Bradley granted the motion."

MRS. RAYMOND HUSEMAN
... The former Kimberly Wilhelm

Kimberly Wilhelm, Mr. Huseman wed

Mr. and Mrs. Raymond Huseman are at home on Route 2, Happy, after their recent marriage and a trip to Arlington, Houston and the Texas Gulf Coast.

THE BRIDE is the former Kimberly Wilhelm, daughter of Mr. and Mrs. Francis Wilhelm and the groom is the son of Mr. and Mrs. Robert Huseman. Both families live at Nazareth.

The marriage was solemnized in the Holy Family Catholic Church at Nazareth, with Rev. Stanley Crocchiola conducting the nuptial mass. Red roses and peonies with fresh foliage decorated the altars.

Family members were attendants to the couple. Michele Schmucker, the bride's sister, was matron of honor. Gaylene Wilhelm and Julie Huseman were bridesmaids and the groom's younger sister, Rachel, the flower girl.

BEST MAN was David Olvera and groomsmen, Mickey Gerber and Gordon Wilhelm. Craig Wilhelm was the ring bearer. Serving as altar boys were Neal Wilhelm, Hugh Wilhelm, Eric Wilhelm and Billy Huseman. Ushers were Virgil Brock-

man, Rex Raemakers, Sidney Birkenfeld and Rocky Wilhelm.

Guitarists, Noreen Kleman and Analeen Venhaus, accompanied a vocal group including Mary Beth Ramaekers, Mary Wilhelm, Elaine Ramaekers and Tricia Gerber in wedding music.

The bride wore a gown of starlight satin with sheer sleeves puffed with lace ruffles. Lace outlined the Edwardian neckline and formed a double ruffle around the flared skirt which formed a slight train. Flowing past the skirt train, the lower tier of her illusion veil was bordered with lace.

HER BOUQUET was of white carnations mingled with green, yellow and blue gladiolas.

The quaint style of the bridesmaids' frocks was emphasized by ruffled moccasins. Of flowered chintz, the dresses were made with basque bodice, gathered skirt finished with wide hem flounce, and bracelet sleeves also flounced. Round necklines were outlined with lace.

A reception and dance in the Nazareth Community Hall followed the wedding. Music was by the "Country Inventions."

Threefold anniversary party set

Three Dimmitt couples who are celebrating anniversaries of June weddings of 25 years ago will be honorees at a triple Silver Wedding reception in the Castro County Country Club from 7:30 to 9:30 p.m. Friday.

SUE AND Emmett Broderon, Martha and Bill Dannevik, and Joan and Ike Moore will be honored at the reception, with their children as hosts.

Friends of all three couples are invited to call during the reception hours.

MR. AND MRS. PEDRO GONZALES
... At home after marriage

Flores-Gonzales wedding is held

Mr. and Mrs. Pete Gonzales, married recently in an evening ceremony at the home of Mr. and Mrs. Lonnie Bell, are now at home in Dimmitt.

THE BRIDE is the former Lupe Flores, daughter of Mrs. Maria Flores. Parents of the groom are Mr. and Mrs. Pedro Gonzales.

Viggo Ulrich, minister of the Bedford Street Church of Christ, officiated at the double-ring ceremony in which the bride's brother, Homer Medrona, gave her in marriage.

Vicki Hunter was maid of honor. Medrona served as best man.

Red and white roses with floating candles in a fountain were part of the wedding scene, with a background of candleabra set in red and white carnations.

THE BRIDE'S gown of snow-white sheer over satin was fashioned with a fitted bodice, ruching around the high neckline, over the shoulders and at the wrists of the full sleeves. She wore white ribbons in her hair and carried a bouquet of white and pink flowers.

A reception for about 35 friends was held in the Bell home following the wedding.

Mrs. Gonzales graduated in

Wedding and anniversaries are celebrated

June wedding anniversaries of both the bride's and groom's parents were celebrated at the rehearsal dinner for the Bobbi Kirby-Dudley Wooten wedding party preceding the couple's marriage.

MR. AND MRS. Rex Wooten were hosts at K-Bob's Steak House. Red and white table decorations included heart-shaped cakes for the honored couple, and also for the Troy Kirbys and the Wootens.

The cakes were served with homemade ice cream after the steak dinner. Mr. and Mrs. Charles Wales assisted the hosts. Special guests were Rev. and Mrs. John Street.

The dinner culminated a series of courtesies for the couple. The bride and her sister, Keri Jack of Friona, entertained the wedding party with a Mexican supper in the Kirby home before the wedding.

MISS KIRBY was honoree at a shower in the home of Mrs. Bryce Dowell, with 30 hostesses. A kitchen shower was given by Eighth Street residents in Mrs. Gene Seely's home with Mrs. J. A. Wohlgenuth assisting.

She was complimented with a lingerie shower in the home of Susan Wise, who was assisted by Melony Dowell, Kim Miller, Linsae Snider and Cindy Dyer.

What's Behind It? Saving Money

That's more important than ever these days. There are ways you can make sure that the energy you use in your new total electric home is used in the most efficient manner possible. So efficiently that you will save 40% or more on heating and cooling cost when compared to previously accepted standards for total electric construction.

WALLS in the ENERGY EFFICIENT HOME conform to one of three options that make sure heat stays where you want it...outside in the summer and inside in the winter. Option #1 with 6" walls and R-19" insulation, Option #2 with tongue and grooved 3/4" styrofoam sheathing, 4" walls and R-11" insulation, or Option #3 with R-15" minimum insulation. Walls also have a vapor barrier of 6 mil. polyethylene or foil-backed sheetrock. Sill insulation or sill caulking between the bottom plate and the floor is required.

CEILING in the ENERGY EFFICIENT HOME is insulated with R-30.

FLOORS (if pier and beam construction) are thoroughly insulated using R-13". In slab floors choose between Option #1, rigid urethane or styrofoam (3/4" minimum thickness) from top of floor along the outside edge of the slab down to the brick ledge, or Option #2 - pour vermiculite in the cavity between bricks and slab up to the top of the floor.

WINDOWS AND DOORS are weather-stripped and caulked. Double pane glass or storm windows and insulated core or storm doors also ensure energy efficiency. It is recommended that glass area not exceed 8% of floor space.

OTHER RECOMMENDATIONS include the use of cool fluorescent lighting, and a heating/cooling system like the heat pump that maximizes efficiency and an electronic air cleaner to be used with moving air systems.

Having Comfort

Yes, you can save money without sacrificing comfort. The total electric ENERGY EFFICIENT HOME is the way to save 40% or more of heating and cooling cost and still enjoy all the convenience available in a new home today. Call us this week for all the details.

*The "R" value in the guidelines indicates the "Installed Resistance" of the insulation to the flow of heat.

Small Talk

By SUE COLEMAN

In a dress shop lately two cute teenage girls were looking over the stock and one remarked, "My mother says these dresses are in the style she wore when she was a girl."

"HONEY," the middle-aged saleslady said, "we haven't got a thing in the store this year that isn't in the style somebody wore sometime!"

And that's the best description I've heard of the current fashions. Anything goes, from any period.

IT'S not a bad situation, really. Instead of getting in a tizzy to find "the latest," as most women did some years ago when fashions made very definite changes from one year to the next, we can just dig back in the closet and find something from 1950, or 1930—if it hasn't been sold for pennies in a garage sale, that is. Or outgrown, so to speak.

Some of the costumes that show up in the old-time western dress contest at the Fourth of July celebration here may look quite timely in spite of their past-century flavor.

A lot of formals and wedding dresses this spring have an Edwardian air with bands of lace circling the neck instead of collars, lace-trimmed yokes and berthas, skirts flared from the waist instead of gathered, and dust-ruffled around the hems. Those were all worn by women who pioneered this country around 1900.

OF COURSE, the modern woman who looks charmingly demure in these period pieces, puts them away and dons jeans or shorts for everyday work-time. That wouldn't have been approved at all by the pioneer woman, who was more likely to have been garbed in a Mother Hubbard.

MEAT SALES to the institutional market totals 40 to 45 percent of all meat sold in the US, and 25 to 30 percent of this is ground beef.

MRS. DUDLEY WOOTEN
... Formerly Bobbi Kirby

Newlyweds are at home after vows

Mr. and Mrs. Dudley Wooten are at home in Dimmitt after their recent marriage in the First Baptist Church. Mrs. Wooten is the former Bobbi Kirby, daughter of Mr. and Mrs. Troy Kirby.

Parents of the bridegroom are Mr. and Mrs. Rex Wooten. The twilight ceremony was conducted by Rev. John Street, pastor of the church.

PAIRED spiral candelabra held white tapers as a background for the wedding party, with large arrangements of red carnations and white gladiolas on either side.

Keri Jack of Friona was her sister's matron of honor and Joyce Wooten, sister of the groom, was bridesmaid. Kurt Wales acted as best man and Rick Wright groomsmen. Tammy Calhoun and the bride's brother, Kent Kirby, lighted the candles.

Ushers were Galen Jack of Friona, Dennis Hill of Hart,

Kelton Cates of Binger, Okla. and Baily Patterson of Vega.

GIVEN IN marriage by her father, the bride was gowned in white crepe with lace trim at the high midriff, around the V-neckline and on the leg-o-mutton sleeves. Tiered illusion edged with lace was gathered to a sequined Juliet cap to form a fingertip length veil.

She carried gardenias, stephanotis and babybreath on a white Bible given her by Mrs. Jerry Cluck. Traditional items in her costume were the wedding band of her maternal grandmother, the late Mrs. G. S. Armstrong; a diamond pendant, gift of the groom; a bracelet borrowed from her paternal grandmother, Mrs. A. T. Kirby, and a blue garter.

LISA HALL at the organ accompanied Zella Ellison in vocal solos, "Whither Thou Goest" and "True Love Lasts Forever." Melony Dowell played piano selections during the reception.

Vada Wilcox, cousin of the bride, invited guests to register at the wedding, preceding the reception in the church fellowship hall. Red candles glowed in brass candelabra centering the lace-trimmed white cloth on the bride's table.

Cindy Dyer ladled punch while Linsae Snider and Susan Wise served the three-tiered wedding cake trimmed in red rosebuds and dove figurines and topped with bells.

AT THE groom's table, covered in red denim and bandana print, a cake decorated in cowboy design was cut by Brenda Seely. Leta Musick poured coffee. In the houseparty were Mmes. Dan Heard, Milton Bagwell, Don Moke, Elbert Smith, Clark Dobbs, Jim Cleavinger, Charles Wales, Bryce Dowell and Ray Baldrige.

The couple left on a wedding trip to Dallas and Fort Worth. For travel Mrs. Wooten wore a pantsuit of Calcutta cloth in natural color with yellow accessories.

She is a 1975 graduate of Dimmitt High School and was employed a year as an aide at Plains Memorial Hospital after attending Amarillo College. The groom is associated with his father in farming in the Flagg community. He attended Clarendon College after graduation from Dimmitt High.

McKneely-Shannon wedding is solemnized in church

Rainbow tapers in spiral candelabra lighted the altar of the First Methodist Church where Linda Mae McKneely and Ken Shannon repeated marriage vows Saturday evening. Rev. Bobby Gordon, pastor of the Lee Street Baptist Church, officiated.

VOTIVE candles on pew ends in the church were tied with white bows. Unity candles were set in silver candelabra and lighted by the couple.

The bride, daughter of Mr. and Mrs. W. C. McKneely of Cherokee, is a teacher in the Dimmitt schools. The groom's parents are Mr. and Mrs. L. F. Shannon of Hereford.

The bride's attendants were her sisters, JoAnn Brunson of Ballinger as matron of honor, Betty Jean Neel and Patsy McKneely of Abilene and Nancy McKneely of Cherokee as bridesmaids. Her niece, Lesia Estep of Lubbock, was the flower girl.

David Shannon of Hereford was his brother's best man. Another brother, Ray Earl Shannon of Hereford, with David Eular of Amarillo and Jackie Robert, were groomsmen. Jonathan Brunson, the bride's nephew, carried the rings.

CANDLES were lighted by the ushers, James Perry McKneely and Terry Neal, brother and brother-in-law of the bride. Mrs. Bobby Beckett was the organist, who accompanied Louis Querze in solos, "More," "The Lord's Prayer" and "Wedding Song."

The bride's organza gown was styled with lace bishop sleeves and redingote skirt that swept into a train. Her illusion veil was edged with lace and fell in tiers to extend over the train of the skirt.

Her crown-shaped bouquet of yellow roses and daisies was carried on a bridal Bible.

Dotted Swiss dresses in rainbow colors were worn by the bridesmaids. Empire waists were trimmed with lace and skirts were ruffled around the

hem. Rainbow-hued hats matched their dresses and each carried a single yellow rose.

AFTER THE ceremony the couple received friends in the church fellowship hall. The refreshment table was covered with airy white tulle over yellow, draped around the skirt and caught with rainbow ribbons.

The reception houseparty included Mrs. Ted Sheffy, Mrs. Butch Strickland, Linda Parker, Sharon Goode, Karen Lilly, Nell

Humphry, Evelyn Evans, Cheryl Beckett, Mrs. Terry Teaschner and Donna Grubbers.

For a short honeymoon trip, Mrs. Shannon wore a blue denim pantsuit. The couple is at home at 712 Oak St.

The bride is a graduate of San Angelo State University and completed high school studies at Cherokee. The groom, employed by Amstar, graduated from Hereford High School and attended Texas State Technical Institute at Amarillo and South Plains College at Levelland.

Irene's Ideas

Look twice before choosing 'antiques'

By IRENE KEATING

Perhaps you'll be traveling and doing some antique hunting this summer. Here are some pointers on spotting genuine antiques.

ALWAYS examine pieces in a good strong light.

As wood ages its color does also, therefore, if an underside or interior area of an "antique" is scraped, it will show at once how the surface has aged if it is authentic.

Certain decorative markings show age and approximate years of construction. Crude dovetails on heavy drawers of bureaus and chests signify the early 1600's.

Look for signs of alteration: NEW SCREWS - Prior to 1850 screws did not taper and the slot in the head was hand-cut. Modern screws are machine cut and upon close observation one can see the uniformity of their shape. VENEERS - antique veneers were hand sawn and thick, approximately 1/8 inch. Modern veneers are much thinner.

LOOK FOR areas of lightness which may mean acid or bleaching agents were used in an attempt to give the piece authenticity.

Look for an undue amount of dust in places where dust should not be—dust which may

have been thrown on some sticky substance and will not rub off easily.

Look for areas of wear. Is the area of wear one where the object would have shown wear over a period of time?

A transparent polish denotes age; this is a good characteristic.

Be wary of carved pieces, especially mahogany. Examine every detail carefully. As a rule in fakes the carving has been well rubbed down. In an authentic antique the carving sharpness is still definable.

Beware of oak antiques. Oak is often disguised as an antique. Examine carefully.

WE LOSE the peace of years when we hunt after the rapture of moments. —Bulwer.

Nazareth team leading league

The Nazareth Coors team boosted its season record to seven wins and two losses and cinched the first-half lead in the Irrigation League with a 21-9 drubbing of the Plainview B team last Wednesday.

NAZARETH got 17 hits to Plainview's nine in the lop-sided game. Ray Schmucker was the winning hurler and McAlister the loser.

Nazareth slipped into the league lead by a half-game with a victory over the Plainview volunteers, 8-5, on June 5. Art Brockman was on the mound for Nazareth in that game and Randy Chennault took the loss.

Behind Gene Schmucker's pitching June 2, Nazareth beat Liberty Liquors of Amarillo 10-5. J. C. Pohlmeier's triple in the bottom of the fourth with the bases loaded gave Nazareth its winning momentum.

Letter to the editor

Retiring teacher says 'Thanks' to community

Words are so very inadequate to convey my sincere feelings and appreciation for the many, many acts of kindness and concern shown me during my teaching in the Dimmitt Schools. Since my beginning in 1952, there have been only enough clouds to make the sun shine more brightly. Each principal and superintendent has been most cooperative, willing, and eager to support me in every way. R. S. Vestal, Paul Hilburn, Charlie White, W. E. Reisdorph, Jane Kirkpatrick Bailes, Owen T. Loyd, Ike Moore, Robert Ryan and D. W. Harkins have each contributed to any success which I attained. Such could not have been possible if it had not been for the atmosphere created by the above-named administrators: a real team effort of parents, teachers, students, and administrators pulling together.

As I leave Dimmitt Schools, there are mixed feelings, among them being the gratitude for the privilege of knowing and loving and working with marvelous people through the years. I feel that I taught the Best, that I taught with the Best, and that I taught for the Best.

I have always felt a special love for each and every one of my students; I feel that by the time a student leaves high school he should have a strong sense of self-direction that can take him into the real world. Since students need help over the walls of life, it was a joy to me to encourage them to make men and women of themselves so that they might be an asset to our country and cope with the problems therein.

I am deeply appreciative of the inspiration and opportunity that Dimmitt has given me. To every student I have taught, may I say a big "Thank you" for coming my way and for allowing our roads to meet. You have been a great blessing, pleasure and joy to me. With the closing of school this year, I would like to say a Special Thank you to:

The senior class for the beautiful memorable plaque of appreciation and the red rose corsage.

ENGLISH III classes for the travel day-date alarm clock, Fostoria crystal pieces, the beautifully decorated cake, cologne, class refreshments, and many, many rose corsages and bouquets, the orchid corsages, and the other beautiful corsages and bouquets.

To the faculty and lunchroom ladies for the beautiful Samsonite handi-tote bag, the lovely orchid corsage, and the never-to-be-forgotten farewell party—to include Mrs. Gladys Leith (former high school librarian).

TO ALL FORMER STUDENTS who remembered me with gifts and visits.

So may I say to the teachers, students, office personnel, custodians, lunchroom ladies, administrators, and school board members a big hearty "Thank you" for a most happy teaching career, each person fulfilling a vital part for the total teaching program.

All-in-all, school teaching has been most rewarding. If I had my life to live over, I would pursue the same road - to endeavor to lead each student to reach his potential, since there is something he can do, he must be lead to find it. Yes, working with the students in Dimmitt has been a great experience with memories that will never grow dim. If I had a philosophy to leave, it would be: give people a good standard to live up to, then trust them. Since we never climb a ladder by looking down, one must look UP and climb. "Hitch your wagon to a star," and "work hard to achieve your potential."

And now, good luck, God bless and lead you throughout life, and always know that I love you and wish for you the very best that life has to offer.

Local Crusade workers lead district meet

Two women from the Castro County Unit led group sessions at the American Cancer Society's annual district meeting in the Hilton Inn at Lubbock Saturday.

MRS. DON MOORE had charge of the Crusade session and Mrs. L. C. McLain the Public Education session. Mrs. McLain was appointed to the district committee.

The Castro County Unit will be presented the Golden Achievement Award at a later date, for having reached an all-time high in funds raised for the ACS.

Mrs. Danny Goolsby and Mrs. Claude Forson were others from this county at the district meeting, which was attended by 40 people from 15 counties.

Dr. Gerald Woolam was the speaker, discussing progress he has seen in treatment of cancer patients the past seven years.

On Wall Street
By Bob Hill
A. G. Edwards & Sons, Inc.

The demand for cotton is booming and will likely continue for the next 12 months. One of the largest cotton brokers in the country says that his company is down to the lowest amount of cotton available in the past 15 years. Cotton was selling for 63 cents a pound last fall and could possibly hit \$1 before the end of the year.

IT SEEMS that foreign buyers are the cause of the price surge. The US demand for cotton has grown steadily in the past several months. But foreign buyers, seeing US cotton available at prices competitive with the rest of the world, have been huge buyers. Hong Kong buyers recently purchased 300,000 bales. The upturn in the Japanese economy has sparked heavy cotton buying by that country in order to keep the Japanese textile industry busy.

Pakistan, a major supplier of cotton to the Far East, will have a much smaller crop this year and the price of cotton from the source has jumped sharply. Russia and Mexico are also large cotton suppliers. Both are reporting smaller crops this year and will have little cotton if any to export. Russia had earthquakes which damaged an already small crop and Mexican cotton farmers were told to cut back in favor of food production.

US farmers planted about 11.2 million acres this spring, up 12% over last year. About 100,000 acres of that crop was hailed out May 23. Another 250,000 acres in West Texas will probably not produce much due to drought and the unusually cool weather in the Mississippi valley may reduce output there.

A SMALLER than normal US crop could spell real trouble. If the American production doesn't go over 10.5 million bales for the 1976-77 year, the price of cotton would be expected to go nearly \$1 per lb. with foreign demand strong. The only other time cotton hit that price was in 1973. However, history may not repeat itself.

Although everyone in cotton seems to be making money at the moment, cotton prices may

VETERAN'S SERVICES

By BEDFORD W. SMITH
County Service Officer

UNLESS the child of a veteran has been accepted by an approved institution for courses leading to a standard college degree, he or she will automatically receive VA counseling to assist in the selection of an educational goal and the development of a program to achieve it.

An education plan must be submitted by or for the eligible child showing the goal, program to be followed, the school or schools selected and a program cost estimate.

Training may be taken at any approved college, vocational, business or professional school, or at any approved institution providing apprenticeship or other on-the-job training.

In addition to the types of training listed above, spouses may enroll in secondary and correspondence schools or in schools offering farm cooperative programs.

Any program of education outside the United States may be pursued only at an approved institution of higher learning.

Monthly allowance rates paid under this program are \$270 for full time students, \$203 for three-quarter time students, and \$135 for half-time students.

Tuition costs only—limited to \$270—will be paid to less than half-time students.

ENROLLEES in full time cooperative courses which alternate classroom study with on-the-job experience, will receive \$217 a month.

Eligible students may borrow up to \$600 per academic year to pursue a college degree course or one leading to a professional or vocational objective which requires at least six months to complete.

Loans are available only to students unable to obtain student loans of the amount required under provisions of the Higher Education Act of 1965.

Full information on the VA dependents' education program can be obtained at the nearest VA office, veterans county service office, or veterans service organization.

BOYS STATE representatives from Castro County have returned from Austin after a week at the annual assembly sponsored by the American Legion. Chosen by the Legion Post in each home community, Donnie Davis went from Dimmitt, Kerry George and Gary Jackson from Hart, Clyde Birkenfeld and Royce Huseman from Nazareth. With other high school boys from over Texas, they

took part in study and practice designed to teach them the fundamentals of American government, climaxed with a day in the state capitol where elected members of the group actually served in offices. A Flag Day parade Monday was a high point of the week's program.

WTSU honors given to seven

Seven Dimmitt students at West Texas State University have been named to the Dean's Honor Roll for the spring semester. They had grade point averages from 3.25 to 3.84 on a 4.0 scale.

SENIORS listed on the honor roll are Lois D. Sanders, Kristi B. Pegram, an elementary education major, and John V. Nino, who majors in health and physical education.

Others named are Judy Birdwell, junior English major; Ro-

chelle Oldham and Jane A. Steffens, also juniors, and a freshman, Juan E. Sauseda, who majors in liberal arts and law.

A SIMPLE formula for staying solvent was developed in the 18th century by Dr. Samuel Johnson. He said, "Whatever you have, spend less." He wasn't advocating a miserly life though, because he also advised, "It is better to live rich than to die rich."

View from the Library

By CARLTON MOYERS
Librarian

The little people took over. And over. And over. They came by the ones. And the twos. And the threes. They came by car. And on foot. And by word of mouth.

WHEN THE popcorn had cleared the air and the projector quit smoking, almost 400 has visited with us and launched the good ship "Ring-A-Bell '76", our summer reading program.

We had the troops ready for the invasion which streamed through the front doors. Without all those wonderful folks who gave of their time (and nerves), it would have been a disaster.

Our first great contribution came from Jack Patton, who most generously let us use his theatre to show cartoons. (Hope the noise didn't weaken the walls.)

AND THEN there were the game table operators who were besieged by a group more lively than the boys on D-Day. All these good folks helped with the roundup and headed for the library where games were set up.

Mary Ann Howell called a no-hitter bingo game.

Irene Wilhelm and Clara Patton roamed among the extra people.

Verletta Witt entertained with story and song.

Doris Wait supervised the

Can of Worms and Barrel of Monkeys.

Sue Merritt kept a tight rein on the pistol-packing shooters of rubber-tipped darts.

Vicky Welhelm helped with Bingo.

Sybil Steffens herded all the donkey tail pinners.

Ann Wydick chased tennis balls that were thrown at cans.

Jeanette Malone fielded ring toss.

LaNell Hanson handled the most popular place, the prize shelf.

THANKS ALL, we needed that. The party was a great success. Okay, summer readers, the second party is for those who've read at least 10 books. Get stars on your bells and come in frequently. There'll be surprise prizes throughout the summer. There may be a prize for summer reader who comes in most frequently.

Come see our new games. Congratulations are in order for Jennifer, Susan and Jerry Hanners. They were selected as the 1976 Library Family of the Year. The entire family availed themselves of library services through the year. Many family members come in, but not always the entire family uses the library. Congratulations. Keep it up.

Thanks all, from Carlton at the book store and game shop. The cassette tapes are here. Lend and ear and clap your hands.

Teacher exams set at WTSU

The National Teacher Examination will be given at West Texas State University July 17.

Registrations for the examinations must reach the Educational Testing Service, which prepares and administers the tests, by June 24.

THE examinations are designed to measure knowledge gained from professional and general education and in 22 subject-matter fields.

Scores from the examinations are used by many states for certification of teachers, by many school systems for selection, tenure status and identification of leadership qualities and by many colleges as part of their graduation requirements. About 100,000 candidates took the examinations last year.

Bulletins of Information describing registration procedures and containing registration forms may be obtained from Dr. Kenneth Waugh, director of the WTSU Testing, Academic and Career Counseling Center, or directly from the National Teacher Examinations, Educational Testing Service, Box 911, Princeton, N.J. 08540.

Farmers 'in box' over gas rates, King tells Rotary

A problem with no foreseeable solution, yet so serious that an answer must be found "unless Americans want to eat automobiles instead of food," was discussed by Carl King, Dimmitt farmer and member of the Panhandle Irrigation Gas Users Association, as he spoke to the Rotary Club Friday.

KING TALKED "off the cuff" of the plight of farmers caught between the necessity of water for their crops and the rising cost of natural gas used to pump the water.

"Farmers are in the biggest box ever," he said. "We don't want to pick on the energy producers, but gas prices have risen all out of proportion and we just hope the government will begin to see the farmer's viewpoint in the midst of all the consumer clamor for lower farm prices."

"We would rather not go the regulation route but we do hope for a lower gas rate for farmers

Mrs. Laurent's father buried

Funeral services for Floyd Keeling of Plainview, 57, father of Diane Laurent of Dimmitt, were conducted Tuesday afternoon in the Boswell Heights Baptist Church at Plainview and burial was in Plainview Memorial Park.

A NATIVE of Shamrock, Mr. Keeling moved to Plainview in 1941. He was a veteran of World War II military service.

Survivors include his wife, the daughter, a son, Rodney of Plainview, a stepson, three stepdaughters and five sisters by some means," King said.

Asked whether the individual citizens can do anything to help, King said letters to legislators are still worth the effort, and that petitions are being circulated now asking Gov. Dolph Briscoe to call a special session of the Texas Legislature to deal with the problem.

Vacation visits are numerous

By MRS. AGNES BROCKMAN

Mr. and Mrs. Florence Albracht returned home Wednesday from a two week trip to the West Coast, visiting relatives near Salem, Ore. and attending the wedding of Judy Ann Huseman and Paul Olson in Los Angeles, Calif.

Little Don Henry, son of the Ronnie Hoopers, was laid to rest in Holy Family Cemetery Saturday afternoon. Our sympathy goes to the family.

Ida Birkenfeld, her children Roxanne and Curtis drove to Oklahoma City over the weekend to visit with Tony and Earlene Fritz and help them celebrate their fifth wedding anniversary.

JACKIE BOOK spent the weekend with her folks the George H. Books. She will move to Arlington Tuesday where she will be working.

The weather is quite pleasant here, rather warm during the day, cool at night, and a little wind once in a while. Sure

could use some more rain, as in spots it's getting rather dry again.

Bobbie Hofernik of Taylor has been here visiting with friends for several days.

Mr. and Mrs. Conrad Melcher of Slaton spent Sunday in Nazareth with the Bud Steffens family.

Power is the name of the game for these three!

International 4-WD Tractors

Now there are 3 high-power IH 4-wheel drive models to pick from—and there's not a weakling in the bunch! All are powered by big-displacement International diesels that have such an outstanding reputation for performance under load. These are engines that "hang tough" when the engine gets tough, because IH thinks that's the way tractor engines should be built.

Each of these 4-WDs feature exceptional maneuverability and handling ease. They're equipped with all-weather cabs so long days in the field won't seem quite so long. Let us demonstrate one for you soon.
