Bulldogs Stage Stampede To Overpower Bears 28-6

Burial For Wreck Victim Set Sunday

A bus-truck collision 13 miles northwest of Cisco at 5:30 p. m. Friday, in front of the Lone Star Gas Co. Pueblo plant killed former Ranger resident and injured two passengers of a Texas, New Mexico and Oklahoma bus.

Killed was Thomas Jefferson Wharton, 53, of Route 1, Cisco. Injured were Mrs. Jackie Red, 53, of Stamford, who suffered cuts and bruises and Miss Donna Edmond, 73, of Dublin, who also received cuts and bruises. Both were treated at a Ranger hospital.

Wharton had been an employee of the Lone Star Gas Co. for about 29 years. He had lived at the Pueblo plant for the past three years. From 1936 to 1945 he had lived in Ranger. He was transferred from here to Graham and later was at Eastland before going to the plant northwest of Cisco.

He was born Feb. 13, 1901 at Willow, Okla.

Funeral services will be held at 4:00 p. m. Sunday from the Church of Christ in Eastland, to be conducted by Sanford Tunc, pastor of the Mornn Church of Christ. Interment will be in the Eastland Cemetery under the direction of Kingworth Funeral Home of Ranger.

Both of the women were passengers on the bus. Wharton was the driver of the truck and it landed on top of him. He was dead on arrival at a Ranger hospital.

The driver of the bus was Kenneth Leon Strickland of Lubbock. State Highway Patrolmen D. R. Womack and Ray Haten, both of Eastland, investigated.

Survivors include his wife; his mother, Mrs. Sally P. Wharton of Eastland.

Meeting Set For Community Chest Tuesday

A meeting of all Community Chest officers, directors and committees, as well as representatives of participating agencies, has been called for 7:30 p. m. Tuesday at the Chamber of Commerce office, Dr. M. E. Jolly, president of the chest said Saturday.

The group will receive reports from the participating agencies on the past year's work; receive requests for future funds, and set a quota for this year's drive. It is also expected that a date for the coming fund raising campaign will be set.

Agencies which participate in Community Chest funds are the Child Welfare Club; Youth Activities Committee; Community Public Library; Red Cross; Girl Scouts; USO; Red Cross and Salvation Army.

Four additional committees were announced Saturday. They are as follows: Advisory: W. F. Creager, J. A. Bates and J. E. Matthews. Publicity: R. V. Galloway and Joe Dennis. Big Gifts: J. E. Matthews, J. A. Bates, B. A. Tumbell and Dave D. Hickrell. Planning: Dr. W. P. Watkins, Dr. Price Ashton, C. E. May and Gaston Dixon.

Quarterbacks Need Members

Response to appeals for members to the Ranger Quarterback Club has been gratifying within recent days. Officers of the club reported Saturday.

Egg Marketing Discussed At Ferguson Farm

One of three special meetings in Eastland County for poultrymen on the subject of egg marketing was held Friday morning at the Ferguson farm east of Ranger on Highway 80.

Principal speaker at the meeting was K. F. Schlamb, poultry marketing specialist from the A&M College Extension Service.

Schlamb discussed the production and preparation of eggs for sale on a graded market. He reviewed the requirements for such a market; stressing the care and method of handling eggs during the various seasons of the year, and the cleanliness in egg production.

A number of egg producers from this section of the county attended, as well as EFA boys and their instructor, Beverly Dudley, Jr. from the Ranger High School; all members of the Extension Service in the county, and several business leaders from Ranger.

A similar demonstration had been held Thursday on the Harold Courtney farm northwest of Eastland, and another on Friday afternoon on the farm of Mrs. J. H. Eberhart near Rising Star.

Services For Mrs. Harrison Set Sunday

Mrs. Stella Harrison, 73, an ex-resident of Eastland and Ranger, died in a Midland hospital Friday afternoon after a lengthy illness.

Mrs. Harrison had lived in Midland for five years, but previously had been a resident of Eastland County for 45 years. Services will be held Sunday afternoon (time to be announced) in the Harmon Funeral Chapel. Burial will be in Eastland Cemetery.

Survivors include three sons, E. J. of Ranger, G. A. of Odessa and R. L. Harrison of Odessa; and two daughters, Mrs. Fay Shultuck of Midland and Mrs. J. H. Jonett of Vernon.

Galloway Planning To Attend Session For C-C Managers

The third annual conference for local chamber of commerce officials is scheduled in Abilene Sept. 24 and 25; R. V. Galloway, manager of the Ranger Chamber of Commerce, said Saturday he is planning to attend part of the sessions at least.

The conference planned for presidents, managers and office secretaries is sponsored by the West Texas Chamber of Commerce. Topics include discussions of techniques in community building.

Delbert Downing, manager of the Midland Chamber of Commerce and president of the Chamber of Commerce Managers Association of West Texas, is the keynote speaker on the subject "Community Builders Are Important."

RJC Offering Bible Course

Dr. Price R. Ashton, president of Ranger Junior College, Saturday announced that a Bible course will be taught at the college.

Session For C of C Committees Set For Monday Night

All committees for the annual Chamber of Commerce meeting and banquet are to meet at 7 p. m. Monday at the Chamber of Commerce office, Manager R. V. Galloway, said Saturday.

He said that the theme of the meeting will center around the new Lake Leon.

L. G. LeTourneau will be the principal speaker at the banquet on Oct. 21.

Ranger Cotton Gin Reports 33 Bales Ginned

Despite the unfavorable outlook on the cotton crop in this immediate area, T. D. Lauderdale, manager of the Ranger gin, is of the opinion that more cotton will be produced in this vicinity than was expected when ginning operations began a few days ago.

Lauderdale said that 33 bales of cotton had been ginned up to noon Friday, with eight bales being ginned on Thursday and three Friday morning.

The extremely dry, hot weather is responsible for an unusually good turnout on ginning, and the grade of cotton being produced. Most of the cotton is grading as middling, and was bringing 31.47 cents a pound Friday. Cotton seed was being bought at the gin at 58 a ton.

Lauderdale said that after talking with farmers he believes approximately 250 bales may be ginned here this season. Prior to Sept. 1, it had been estimated that not more than 150 bales might be ginned locally.

Some small fields of cotton are reported to be showing a prospect of possibly a third of a bale to the acre, but the general average is about one-sixth of a bale to the acre.

Last year was one of the largest gin runs in several years. A total of 900 bales were ginned.

Mouths Open, But Not To Drink

It was a sad day Friday for Eastland County members. The reason for the sorrow was action taken by Sheriff Frank Tucker, who was cleaning out his safe.

Tucker ordered approximately 100 cases of beer to be poured out and county workers were busy Thursday and Friday following his orders. Some whiskey, in broken bottles, was also being disposed of in the unusual way.

More beer still remains in the safe and is due to be disposed of soon. The unbroken whiskey will be turned over to the Texas Liquor Control Board for resale.

But beer drinkers shouldn't feel too bad about the thing. Sheriff Tucker explained the beer was all "flat" after it's 18 month confinement.

Ranger Boys Show Change In Play To Defeat Brewer

The Ranger Bulldogs returned to their winning ways Friday night at Bulldog Stadium by completely overpowering a highly rated Bear eleven from Brewer of Fort Worth and took the game by a 28 to 6 score.

For their first home appearance of the season the Bulldogs were a vastly different team as compared to the journey to Colorado City a week ago. The Bulldogs appeared to be a revitalized crew which played a completely different brand of football.

The Brewer Bears seemed to have been chased up a tree by a gang of fighting Bulldogs and kept there for the entire evening. The Ranger boys outplayed Brewer in every department, and the highly rated backfield ace, Stafford Reeves, was unable to move against the fast breaking Bulldog defense.

There were a few ragged edges during the evening, with the most obvious ones being in the fumbles department. Except for fumbles on the part of the Bulldogs, the triumph over Brewer might have been much greater.

After a scoreless first quarter, the Bulldog machine began to roll, and from that time on the visiting Bears were out of the picture insofar as the possibility of winning a football game was concerned.

It was on the second play in the second quarter that end John Rush took a 13-yard pass from Quarterback Scott Forney and raked up the first Bulldog touchdown. Forney's kick for extra point was good and the Ranger team had started its march across the Bear's goal line.

To open the second half of the game, Scott Forney took the kickoff from Brewer's William Roach, on the Ranger 12-yard line and went the distance of 88 yards untouched for the next score of six points. He also made a perfect boot of the try for extra point and the count stood, Ranger 14, Brewer 0.

Unnecessary Calls Hinder Firemen After Alarm Sounded

Ranger citizens are requested not to call the telephone operator in an effort to find out where a fire is located whenever an alarm is sounded. This request was made Saturday by Virgo Johnson, volunteer fire chief, in the interest of aiding volunteer firemen.

Johnson said the switchboards at the telephone office are swamped with calls every time a fire alarm is sounded. This delays the operators from getting the fire location information to the volunteer firemen, and this delays them getting started to the fires.

In addition, the fire chief pointed out, the telephone operators are under instructions not to give out information on the location of a fire except to the list of volunteer firemen posted on the switchboard at the telephone office.

Under instructions to the operators, unauthorized persons are not to receive this information, and calls to the office for that purpose, serves to hinder getting the information to the firemen.

"Cooperation in this respect with the firemen will be appreciated," Johnson said.

Burning Roast Causes Fire Alarm

An over-cooked roast in a kitchen stove oven caused a fire alarm to be sounded in Ranger about 5 p. m. Friday. When a member of the J. G. Renteria family at 414 Cypress returned home after being away for a while, he discovered a house filled with smoke. Immediately a fire was reported, but when Ranger firemen arrived they found that a roast in the stove oven had been allowed to cook too long and had caused the smoke.

Truck Stolen In Fort Worth Found Here Before Owners Discover Loss

Ranger police early Friday morning were responsible for the recovery of a truck which had been stolen in Fort Worth, and the arrest of three men for investigation in connection with the theft, before owners of the truck knew it was missing.

Patrolman Ed Freeman became suspicious when he observed a Friday Producer Company truck of Fort Worth improperly parked on a downtown street in Ranger, and at 2:30 a. m. awakened a man sleeping in it. After a few questions he arrested Carl Hans, 32, of Oklahoma City and took him to the police station for further questioning.

Hans wore blood stained clothes and gave evidence of having been in a fight. He is said to have finally claimed that he was riding with two other men and they got into a fight and after the trio had reached Ranger, the others walked away and left Hans with the truck.

Freeman had earlier seen two men in the vicinity of the Texas and Pacific passenger station. After Hans had given a description of his companions, who he claimed had picked him up in the truck and given him a ride to Ranger, the policeman located the pair, L. E. O'Neal, 30, of Ft. Worth, and took them to the police station for further questioning.

One of them also wore blood stained clothing. None of the three would admit responsibility for the truck. A check with the owners of the truck in Fort Worth revealed that they had not known it was stolen.

Fort Worth officers requested that the three men be held in jail here, and they came for them Friday afternoon. The officers from Fort Worth said all three had previous criminal records.

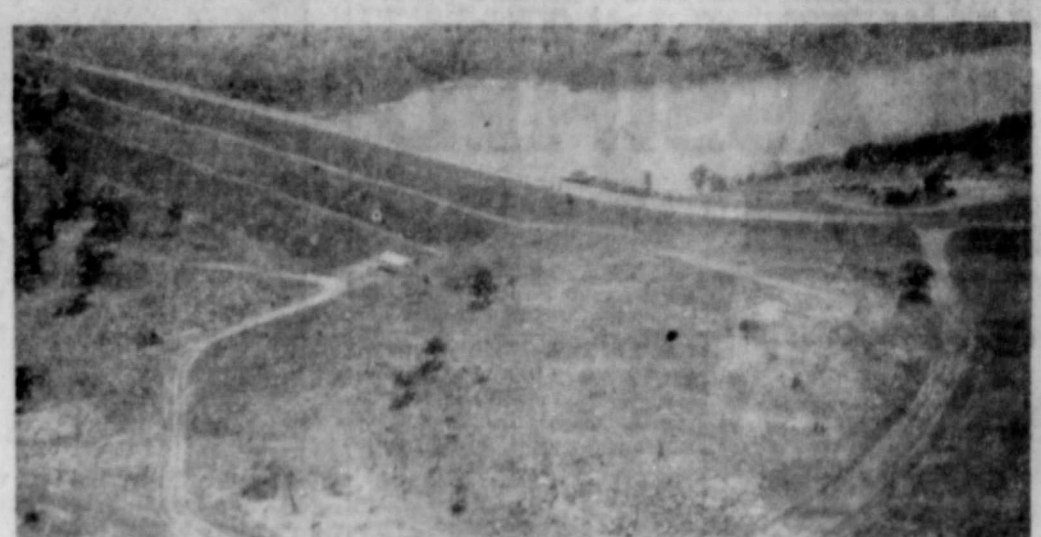

New Service Station Being Erected Here

Construction was begun Friday on a new service station to be located at the corner of Triffin Road and Highway 80 east. The station, under long-term lease to the Sinclair Refining Company, is being built by A. P. Thomas and Dr. Price Ashton.

The station will be constructed according to plans designed by Sinclair architects and is to be all masonry. It will have a concrete driveway and approach extending from the pavement on the highway. It is being built on a lot with 160 feet fronting on Highway 80.

Thomas said that it is expected the construction will be completed in about 60 days, and will be operated under the supervision of the Sinclair Refining Company. E. W. Chaney of Comanche is the contractor.

The building will embody the latest in design and construction, and will have tiled rest-rooms.

SIGNED, SEALED AND DELIVERED—The dam at Lake Leon is officially completed and has been accepted by the Eastland County Water Supply District. Final settlement was effected by the directors of the district Friday. The above aerial photo of the dam, might be called the beginning of the end to a dream of Eastland County leaders who envisioned the possibilities of such a lake and have worked unceasingly until the project has been complete. (Photo by D. E. Capps, Ranger, from a Premier Company plane piloted by Joe Collins).

Lake Leon Dam Now Formally Completed

With final approval from attorneys and engineers, the Board of Directors for the Eastland County Water Supply District has officially accepted the completed dam at Lake Leon, and Friday made final payments to the contractor, McCortain Construction Company.

Board President C. B. Pruet said Friday that a meeting was held Wednesday night in Eastland at which time arrangements were completed for the final settlement.

Attorneys representing the District were Turner and Seaberry of Eastland and Pearson and Cox of Ranger. The firm of Frazee and Nichols of Fort Worth were engineers for the project, and:

While only a small amount of water is now impounded by the dam, the lake is beginning to fill. The current prolonged drought has placed emphasis upon the need for a greater supply of water for this area, and the only remaining problem is the lack of rainfall to fill the lake.

Both the filtration plant and the pump station at the lake have been completed for some time, and are ready for use just as soon as the water level reaches a point where it will be sufficient to begin using Lake Leon as a source of water supply for both cities.

Many plans are in the making for developing the lake area for recreational facilities, as well as providing a water supply.

Lake Leon is officially closed for fishing until Jan. 1, 1955, Pruet said. It was necessary for the Board to declare it closed in order to obtain the assistance of the Texas Game and Fish Commission in stocking Lake Leon with fish. The Commission recently stocked it with 30,000 Channel cat, and had previously released 200,000 black bass in the lake.

Pruet said the lake will be controlled by a game warden and violators of the closed season will be prosecuted.

No boating will be permitted on the lake at present, and R. L. Likely, game warden, will have absolute control over all matters pertaining to health requirements in the water-shed area of Lake Leon. These will be enforced and all requirements of the State Health laws must be met. The work through the District, in regard to the protection of public health, is both broad and definite.

From the bed of Leon River to the top of the dam is 87 feet. It is 1,500 long and has a retaining wall making a total of 5,000 feet. When filled to spillway level, it will impound 25,000 acre feet of water, and cover a flooded area of 1,500 acres.

The lake naming contest sponsored recently as a joint enterprise of the Eastland and Ranger Chambers of Commerce, drew widespread attention to the new lake, and was won by Mrs. Bob Young of Baird, who received the \$100 cash prize. There were over 1,700 entries in the contest.

The dam will not be dedicated in formal ceremonies until some future date. A joint meeting of both the Ranger and Eastland Chambers of Commerce committees several days ago decided to wait plans for such a program until such time as there was an adequate supply of water in the lake.

Ranger Players Making Places On Frog Squads

Reports from the campus of Texas Christian University indicate that two of Ranger Bulldogs are due for a starting berth on the Horned Frog freshman team. They are Tommy Hinds and Chiro Minton, from last year's state championship team.

The freshman does not play a regularly scheduled game until Oct. 16, when they meet the freshmen from Texas A & M.

Other reports from the TCU area indicated that Bill Yung, another Ranger footballer, was due to be a starter at the left guard spot, when the Horned Frogs opened Saturday afternoon against the Jayhawks of the University of Kansas in Lawrence, Kan.

'Gone With The Wind' On Return Showing At Tower, Sept. 22-25

"Gone With The Wind" on wide screen!... Clark Gable and Vivien Leigh created one of the greatest love teams in film history as Rhett Butler and Scarlett O'Hara in David O. Selznick's production of "Gone With The Wind." The famous Technicolor picturization of Margaret Mitchell's novel is now brought to the Tower Theatre in its new wide screen presentation, adding even greater scope and eye-appeal.

GORMAN BOY ELECTROCUTED AT HOSPITAL

GORMAN (TNS) — A 17-year-old Gorman youth was electrocuted Friday afternoon when he was making repairs under the Blackwell Hospital.

Dead is Edwin Hattox. His brother and mother, Garvic and Mrs. Electra Hattox, discovered the body about 5 p.m. Mrs. Hattox is a nurse at the hospital.

The youth had taken an extension cord under the hospital and apparently it got in water and electrocuted the boy.

Hattox was a native of Gorman and a High School senior. He was named friendliest boy in the '54 annual.

Survivors include his mother and brother and another brother, Raymond.

Motorcycle Hill Climb At Metcalf Gap On Sunday

The Motorcycle Asphalt Aviators Club of Mineral Wells is sponsoring a state championship hill climb at Metcalf Gap on U.S. Highway 180 from 1:00 p.m. to 6:00 p.m. Sunday. It has been announced by club officials.

The hill on which the climb will be held is 480 feet from top to bottom and 75 degrees up-grade.

The Mineral Wells club sponsor or aid in sponsoring a number of civic projects in that city, and proceeds for any event go to such causes.

Store grain only in bins which have been thoroughly cleaned. Old grain, trash, feed sacks and other objects furnish living quarters for insects which destroy thousands of bushels of farm-stored grain yearly.

NEWS FROM CHEANEY

Mrs. Bill Tucker

Mrs. Eula Hart hosted a miscellaneous shower in her home Thursday evening, September 9, for Mr. and Mrs. Odie Melton of Cisco, who were married recently. Odie, son of Mr. and Mrs. Lonzo Melton, has been employed away from home a number of years, but visits here occasionally. Many gifts for the couple were displayed at the Hart home, and hearty congratulations extended them from everyone in the community.

Loresta Love spent Saturday night with Charlene and Helen Blackwell in Ranger, after attending the barbecue supper, and came to Cheaney for church Sunday morning.

Guests from Ossawatimie, Kan., and from Chicago were scheduled to arrive over the weekend at the Joe Butler home. We'll tell you next week.

Bob Love of Odessa spent Thursday with his mother, Mrs. Ann Love. He was looking after farming interests at Stephenville, where an irrigation well has just been completed on his fruit, grain and cotton farm.

Mr. and Mrs. Bill Tucker visited in the home of Mr. and Mrs. C. W. Maltby of Desdemona Sunday afternoon.

John and Betty Tucker were dinner guests of the Richard Tuckers following church service Sunday.

Mrs. Sulla Walton tells us of the marriage of her grandson, Lynn (Tookum) Walton of Strawn who was recently wed to Miss Ash, daughter of Mrs. Ruby Ash of Ranger, a nurse at Ranger General Hospital. Lynn is the son of Dan Walton of Strawn.

On Wednesday morning, Sept. 8, Mrs. Bill Tucker, Red Cross Home Nursing instructor, began the course of lessons, "Home Care of the Sick" for the Parent-Teacher group in Cisco. The classes will be held on the regular second Wednesdays. Twelve women are enrolled and others are on the waiting list. On Friday morning, September 9, the same course of seven two hour lessons was begun.

with the 15 Home Ec girls of Carbone High School. These lessons are scheduled each Wednesday and Friday morning throughout the course.

Miss Irma Lilley of Gorman will go to Brownwood Tuesday, Sept. 21, to compete in the District 7 Farm Bureau Queen contest. Miss Lilley was recently chosen Eastland County Farm Bureau Queen, and is now enrolled as a student in Texas Tech at Lubbock. Mr. and Mrs. John Love of Cheaney will be spending Sept. 18-20 in Lubbock and will bring Miss Lilley with them to the Brownwood meeting.

A Farm Bureau Policy meeting, with prominent state and national leaders, is scheduled prior to the Queen contest. Representatives from other counties in District 7 will also vie for the title.

Five more radio stations have joined the vast network broadcasting the Texas Farm Bureau's weekly program, "Farm Bureau Round-Up." The new stations carrying this 15-minute summary of state and national agricultural news of interest to farmers and ranchers are KWHI, Brenham; KSTA, Coleman; KIMP, Mt. Pleasant; KSEY, Seymour; and KTEM, Temple.

Last Rites For Miss E. Johnson Held Friday

Funeral services were held Friday, Sept. 17, at Hamner Funeral Home in Eastland for Elizabeth Fannie Johnson, who died Sept. 15 at Austin. Austin Varner, Church of Christ minister, officiated.

She was born, November 26, 1896 at Valley View, Texas, the daughter of Mr. and Mrs. William T. Johnson and the youngest of eight children.

Her first year of schooling was at the Freedom School house and the present Dr. T. E. Payne of Eastland was her teacher.

At the age of eleven she was fatherless and at sixteen she was motherless. She attended High school at Childress and later attended the University of Texas. She took business training in Dallas. At one time she was a stenographer at A&M College. She spent seven years in Washington, D. C. working for the government. She obeyed the gospel in 1933 and attended church services regularly until incapacitated by illness. Death came at 10:30 p.m. Sept. 15, 1954.

She leaves surviving her one brother, J. E. Johnson of Conroe; two sisters, Miss Eula Johnson of Dallas and Mrs. T. E. Castleberry of Eastland.

Burial was in Eastland cemetery with W. L. Sharton, Jack Lee and four nephews of the deceased, Oral E. and Lawrence D. of Rising Star, Raymond S. of Hobbs, N. M., and Loyd Castleberry of Kilgore.

How Often Have I Wondered—

... why so many other people get along better than I. Ever have that feeling? If so, it's time for us to do a little soul-searching together. If we are day-dreaming or drifting along aimlessly without thought or reason, let's stop and about face. Let's begin to do things wisely. Let's guard against buying property with faulty titles. Investing in good titles is a sure way to get along better financially—better than those who don't. I will if you will!

Rev. Paul Bell To Preach Both Services Sunday, First Baptist

A special treat is in store for those who attend the services at the First Baptist Sunday because of the messages and information delivered by Missionary Paul Bell who is in the states for a few months. He will preach both the morning and evening worship services. The evening service beginning at 7 p.m. with Training Union in all the 8 departments will be followed by Rev. Bell as he shows slides and pictures of the central American states.

Sunday school beginning at 9:45 with departmental worship that leads and prepares each for the Bible teachers. The assembly program and the Sunday school lesson directs the heart and mind of the lover of the Almighty to the morning worship hour. Each phase of the work is directed to the climax, the hour of congregational singing and the message.

Sunday is the Lord's day. This day of worship will bring glory and honor to God only when those "who call the name of Jesus" actually follow the teachings concerning worship. "Forsake not the assembling of yourselves" in worship on the Lord's day.

Training Union meeting at 7 p.m. is that phase where by each member and visitor has an opportunity to grow and develop the talents that God has given each person who has been created "in His image." Jesus told his followers that the talents were to be used for the glory of the Father, not buried, not hidden, not neglected, but used that others might feel the power of God.

The evening message by Paul Bell will be pleasing and entertaining as he challenges us with his message from God and the pictures from Guatemala. The nursery is always open for the services.

Church of Christ Services For Week Announced

The following is the schedule of services at the Church of Christ, Mesquite and So. Rusk, Max R. Crumley, Evangelist.

Sunday: Crusade for Christ (KERC 1590) 7:45 a.m.; Bible School 9:45 a.m.; Morning Worship 10:45 a.m.; Young People's Class 6:00 p.m.; Evening Worship 7:00 p.m.

Wednesday: Assembly for Praise & Devotion 7:30 p.m.; The Children's Hour 8:00 p.m.; Adult Edification 8:00 p.m.

Sermon Subjects: Sunday Morning: "Five Things To Do"; Sunday Evening: "Evaders of Truth."

The Christian Religion consists not only in things to believe but also in things to do. There are very definite beliefs that a Christian must hold to. These doctrines are profitable to him to the extent that he is exercised by them. God's commands must be obeyed. The obedient receive life eternal.

The Lord has revealed the Truth which saves in the Bible. Truth should be the object of our search in every field. Truth makes one free. But Truth is not always pleasant and one is not always willing to accept Truth when he finds it. Some evade the Truth.

You will not wish to miss the earnest discussions of these announced themes next Lord's Day. We extend to each of you a warm invitation to attend our services and enjoy these lessons with us.

Edification Hour Held Wednesday Church of Christ

The Wednesday evening "Hour of Edification" was well attended at the Church of Christ, Mesquite and South Rusk. The program was under the direction of M. H. Bobo. The congregation was led in devotional hymns by Pat Moseley.

Following the opening hymns Holcomb Greer effectively read Psalms Sixty-three. An air of reverence pervaded the assembly as Buck Wallace offered the opening prayer. Brother Crumley taught a practical lesson from the eleventh chapter of Proverbs.

The Power of Righteousness to elevate society, strengthen a nation and preserve the human soul was stressed. The evil of hypocrisy was pointed out. The proper attitudes toward one another were discussed and the havoc wrought by talebearers was pointed out.

After the lesson a call to obedience was issued in the form of a hymn and the audience was dismissed by R. C. Everett.

'Our God' To Be Morning Subject Merriman Baptist

"Our God," will be the keynote of the 11 o'clock service at the Merriman Baptist Church, Sunday, September 19. The pastor, Rev. Eugene Hoover, will bring a message on the subject, with the text in Isaiah 45:5, "I am the Lord, and there is none else, there is no God beside me."

An intelligent man realizes there is a Supreme Being. As one has so nobly stated, "We are not accidents placed here, but placed here with a purpose, and that purpose is to serve God. And with these thoughts in mind, the message will present God, the eternal God, His essence, and the Believers position in Him.

The evening evangelistic message at 8 o'clock will be "Who Cares If A Sinner Goes To Hell?"

Study Course To Begin Monday At First Baptist

A combination of organizations, W.M.U., Brotherhood, and Sunday school, will utilize the Monday evening beginning at 7 p.m. with the W.M.U. having a splendid program. The Brotherhood are guests to this fine program, and according to President Pete Braslier, the W.M.U. and the S.S. will be the guests of the Brotherhood at a watermelon feed following the service.

The Sunday school begins their course "One to Eight" following the W.M.U. program, and at 8:30 the watermelons will be brought forth. The Study course is being taught in conjunction with some 29,000 other Baptist Churches in the Southern Baptist Convention this week. The book is being taught by the pastor at the request of the Sunday school department. The study course is of tremendous importance to all the leadership and the membership of the church.

The work will begin each night at 7 and close at 8:30 p.m. The departments from the Intermediates up will study the book, "One to Eight." The Juniors down will have entertainment, singing, and interesting programs. This group will meet in Annex No. 1.

All teachers and officers who are to be elected and the officers who have been elected are to take the course. The new year's program is based upon the contents of the book, and the success of the work will be based upon the leadership as they complete the book.

The Nurseries will be open each night.

Merriam Baptist Ladies Organize Bible Study Group

The women of the Merriman Baptist Church met in the home of Mrs. Reese Rodgers to organize a Women's Weekly Bible study. The following officers were elected: President, Mrs. George Falls; Vice-President, Mrs. J. W. Vinson; Secretary, Mrs. Albert Dawson; Treasurer, Mrs. Reese Rodgers; and Social Chairman, Mrs. J. Cole.

Mrs. Eugene H. Hoover, the pastor's wife, gave a brief summary of the Book of Galatians, showing the liberty of the Christian.

The next meeting will be held in the home of Mrs. Dawson, at 10 a.m. September 21.

Hospital Report

New patients at the Ranger General Hospital include: J. E. Jones, Ranger, surgical; Mrs. W. H. Stephenson, Ranger, surgical; Mrs. J. L. Daniels, Moran, surgical; and Ronnie Cagle, Olden, surgical.

New admission at West Texas Hospital are: Mrs. Don Bradford of Ranger and Mrs. N. L. Whittenburg of Breckenridge.

Mrs. Edgar Black Is Hostess To Christian Ladies

Members of the Woman's Christian Fellowship of the First Christian Church met for the regular monthly luncheon in the home of Mrs. Edgar Black at 1 p.m. Thursday, Sept. 16.

The luncheon was followed by a program and the business meeting. Mrs. O. R. Ervin gave an

Glen West's To Host Supper For Local BSU

The B.S.U. of the Ranger Junior College will meet Monday night at 6 in the home of Mr. and Mrs. Glen West, on Highway 80 East. Supper will be served. This program, according to Max Dillard, local president, will be im-

Important and each Baptist Student urged to attend.

The organization will be completed, and, following the business session and the supper, the group will attend the closing period of the study course being taught in the lower auditorium of the first Baptist Church.

Students of any denomination may participate in the B.S.U. and are always welcome.

CONSULT THE CLASSIFIED AD SERVICE

By Example

Behold these little ones— maybe three, maybe more. What contribution will they make to their day, their generation? Father, Mother, Teacher, Preacher, it depends on you. How much better it is to support our churches and their constructive program of Religious Education, than to support the alternative—a juvenile court. Parents, don't let the youngsters down. Teachers, show them the way. Preachers, tell them of God... give them your level best. LEAD them, don't SEND them up the steps of the HIGHEST and HOLIEST known to man—the Sanctuary of God, the Church. Be an EXAMPLE.

You Is The Church... The Church In You
Give a contribution to your church. Every man, woman, child, every one in the family of the church. Be a faithful worker. Attend every service.

WOMEN AND WHEELS

It's Not Your Sex, It's Your Personality

By Mary Lou Chapman

You can make statistics prove almost anything. You could find some to "prove" that women are better drivers than men, or you could find some to "prove" the opposite.

But we don't want to heat up the old war between the sexes. We don't feel that being male or female affects the way you drive, really. We know some good ones and some bad ones of each kind.

It's not your sex, it's your personality that counts. It's the kind of individual you really are that affects your driving.

Some ladies we know just don't happen to be ladies on the highway. They honk at pedestrians and "hog" the road, showing their unladylike nature. And some gentlemen, who can be ever so charming and pleasant at a dance, drive like someone is stepping on their toes when they get behind the wheel of a car. They break speed limits, and generally behave as if they were at a jam session. Invariably, it's only a traffic jam session.

THE NAME'S THE SAME

There is something about the completely anonymous situation of driving alone that makes these ladies and gentlemen think they can get away with murder—and sometimes, that's just what it is. Because the people in the other cars don't know you, it's apparently all right to break all the rules.

The director of the Psychopathic Clinic of Detroit Recorder's Court maintains a driver behavior in a manner which reflects his true personality pattern. His personality does not change. But there is one significant difference. In his car he has more freedom of opportunity to demonstrate the presence of unsocial, irresponsible or even anti-social traits.

BAD DRIVER, BAD GUY

The clinic has found that problem drivers are usually emotionally unstable. They generally are the impulsive and irresponsible person, the day dreamer, the alcoholic, and the selfish egocentric. There are also those suffering from feelings of inferiority, who sometimes believe the automobile offers a way to show the world that they are "as good as anybody else." This usually takes the form of speeding or trying to "outwit" the police.

If, however, a person—man or woman—is emotionally well-balanced in other phases of his life, at home, at work, in the community, he is unlikely to be a chronic problem child on the highway.

(Fash-ion writer, artist and TV personality, Miss Chapman is a native of Detroit, and has spent the last several years working with automobile stylists, designers and engineers at Chrysler Corporation.)

Methodists To Have Regular Service Sunday

Rev. Bruce Weaver, pastor of the First Methodist Church, will preach the sermon in the morning and evening worship services Sunday, September 19. The morning sermon subject will be, "A Good Investment." A special welcome will be given to the college students from Ranger Junior College.

Sunday School Classes for all ages will begin at 9:45 a.m. Guest teachers will appear in some of the classes. Plans are under way for the Annual Rally Day Program, Sunday, September 26, according to Mr. Frank Deaton, General Superintendent.

The Executive Committee of the Commission on Education met Thursday evening to discuss plans for a continued emphasis on the program of Christian Education. The meeting was attended by: Arthur Deffebach, Mrs. Stanley McAnelly, Frank Deaton, Gaston Dixon, Rev. Bruce Weaver, Mrs. Charley Garrett, Mrs. Roscoe Hopper and Mrs. Leonard Pounds.

The Official Board of the First Methodist Church will meet Sunday, September 19, immediately following the morning worship service. According to W. F. Cressler, the Board Chairman, some important matters are to be presented and each member is urged to remain after the worship service.

WMS Concludes Week of Prayer

Members of the Woman's Missionary Society of the First Baptist Church met at 9 o'clock Thursday and Friday mornings for the State Mission Week of Prayer. The theme was "Looking Unto Jesus" with Mrs. Earle Pittman as program chairman.

The song, "Open My Eyes" was followed with prayer by Mrs. Chas. Layton. Mrs. L. G. Kennedy, program leader for the day, presented the following program: "Looking At W.M.U." by Mrs. L. D. Tankersley; "Looking At An Opportunity and City Missions" by Mrs. Roy McCleskey; "Looking on Rural Fields" by Mrs. Pittman; and "The Latin-American in Texas" by Mrs. Kennedy.

The meeting dismissed with prayer by Mrs. Ralph Perkins. Mrs. A. W. Warford was program leader Friday morning. After the opening song, Mrs. Earl Horton led in prayer.

Mrs. W. A. Reuser gave the devotional entitled "Look To Jesus." On the program, Mrs. Lee Everheart discussed "Looking At Texas Through Reading Glasses"; Mrs. Chas. Layton, "Looking At Texas Through Rose-Colored Glasses"; Mrs. Iwain Dennis, "The Life Of Frank P. Vinas"; and Mrs. J. B. Houghton gave a report from the First Baptist Church at Maud, Texas.

Mrs. Houghton closed the meeting with prayer. Present were: Mrs. Bill Plum, Shreveport, Louisiana; Mrs. John Thompson, Denton; Mrs. W. R. Dooley, Wichita Falls; Mrs. Joe Harris, Fort Worth; and Mrs. Ben Smith of Selma, Alabama, who was accompanied by her husband.

Mrs. Vaughn's family has reunion here. For the first time in ten years, Mrs. H. H. Vaughn, her five sisters and a brother were together for a reunion here in the Vaughn home Thursday and Thursday night.

The sisters are Mrs. Bill Plum, Shreveport, Louisiana; Mrs. John Thompson, Denton; Mrs. W. R. Dooley, Wichita Falls; Mrs. Joe Harris, Fort Worth; and Mrs. Ben Smith of Selma, Alabama, who was accompanied by her husband. Mrs. Vaughn's brother is Jack Wood of Abilene. Mrs. Wood was here also. Mrs. Dooley remained here for a longer visit.

SOCIETY

Numerous Entries Prove Great Interest In Women's Department

Entry blanks pouring into the Women's Department of the State Fair of Texas prove there's more interest than ever this year in the traditional homemaking skills which have always been such an important part of the fair.

Mrs. Leah Jarrett, director of the Women's Department, said that at least 5,000 items are expected to be entered this year—and most of them will be shown during the fair in the new air-conditioned Women's Building.

LOOK WHO'S NEW

Mr. and Mrs. Bob Blair of Eastland announce the birth of twin boys, Friday, Sept. 17 at the Ranger General Hospital. The first one was born at 5:11 p.m. and weighed 3 pounds 10 1/4 ounces. The other was born at 5:31 p.m. and weighed 3 pounds 10 3/4 ounces.

Civil Defense Discussed At HD Club Meet

"Civil Defense" was the topic of the lesson presented at the regular meeting of the Cheaney Home Demonstration Club Thursday afternoon, September 8, in the home of Mrs. Richard Tucker.

The president, Mrs. Bill Tucker, conducted the business session and heard committee reports. Mrs. R. W. Gordon gave the September council report and led discussion on achievement day plans for November.

New officers were elected for the coming year. President, Mrs. R. W. Gordon; vice-president, Mrs. Richard Tucker; secretary-treasurer, Mrs. Theibert Jones; and council delegate, Mrs. Bill Tucker.

The ABC's of Civil Defense are important to study and know, and there are many ways that women may have a part in the Civil Defense program, in educating themselves and their families to the necessity of self-protection and being able to help others in time of disaster.

Present were: Mrs. Jones, John Love, Gene Ferrell, Gordon, Tucker; visitors, Mrs. Kenneth Brown, L. Z. Melton and Mary Tucker; and the hostess, Mrs. Tucker.

Shower Honors Lacasa Couple

Mr. and Mrs. Coy Bardsley, who were married recently in Amarillo and who are making their home in the Lacasa Community, were honored with a shower at the Lacasa Club House, Messrs. Clark Bradford and Audie Templeton were hostesses.

After the gifts were opened, refreshments of cake and punch were served to the guests.

Those attending were Mrs. Crabtree, Mr. and Mrs. Aaron Howton, Jr., and daughter Peggy, Mrs. Treda Lawson, all of Ranger; J. H. Hobbs, Willie Cantwell and family, Mr. and Mrs. Frank Bardsley, Mr. and Mrs. B. C. Mc-Nabb, Mr. and Mrs. G. V. McGowan, H. L. Caraway, Nelda and Jimmie Caraway, Mrs. Roger Kerry of Caddo.

Mr. and Mrs. Omer Sherrill, Mr. and Mrs. Joe Lynch Jackson and children, Mr. and Mrs. John Gray, Mr. and Mrs. Robert Jackson, Mrs. Effie Newham and Hazel Newham, Mr. and Mrs. Zelma Herrington and son, Larry, Melvin Truesdale and family, Mrs. W. R. Leonard and children, Mrs. A. O. Templeton and Mr. and Mrs. J. O. Templeton.

Several others who were unable to purchase tickets, and to send out

Cisco Baptist Association Has Annual Session In Rising Star

The 70th Annual session of the Cisco Baptist Association, meeting in Rising Star closed with one of the greatest records in the history of the association. For the second time in four years the First Baptist Church of Ranger led the 36 churches in the number of converts baptized.

The Association has been found to have sponsored the Youth Rally each month and are 18 months ahead of the other associations in the south. Once each month the Baptist Young People, and their friends gather in one of the 36 churches for an evening of high spiritual entertainment, fun and fellowship. The Young People of this area have found, according to Jerry McBride of Brookside, "that they can have a better time when their evening entertainment is Christian and wholesome."

The First Church has also led in the number of Young People surrendering to special service for the Master. There are 29 who have answered the call to religious work. There are nine young men who have surrendered to preach the Gospel. Rev. H. M. Ward, of Cisco was selected as moderator and Rev. D. D. Brian, pastor of the Second Baptist Church of Ranger elected as vice-moderator. Rev.

BETTI'S BUDGET of HELPFUL HINTS

Boiled salad dressing may be kept in your home freezer for two to four months. Here is a tested recipe: Mix 1/2 cup cider vinegar and 1/2 cup water. Bring to a boil on medium heat. Reduce to medium low heat and slowly add mixture of 14 cup sugar, 3 table-spoons flour, 1-2 teaspoon salt and 1 teaspoon dry mustard.

Stir constantly with wire whisk or perforated spoon. When a smooth, return to medium heat and add 4 egg yolks, beaten (without froth). When dressing boils again, remove from heat and cool, uncovered. Seal in freezer carton and store in home freezer.

Even the baby who has everything might just be lacking a portable bathtub. If so, it's a gift that will delight the heart of any busy mother. One kind has folding aluminum legs, plastic-tipped feet, and folds to less than three inches in thickness. The tub, hammock and pickets are made of vinyl plastic which can be kept safe and sanitary with soap and water whether baby's traveling or at home.

Decorative pillows that can be dunked right in soapuds, cover and all, are certainly good buys for any college dormitory room.

To keep cookies from sticking, remove them from the cookie sheet while they're hot. It is usually not necessary to grease the pan.

When a recipe calls for evaporated milk, condensed milk can not be substituted. Evaporated milk is whole milk with the water removed. Condensed milk is evaporated milk which has been sweetened.

Don't "stew" your clothes by excessive soaking. Too much soaking causes the relaxed fibers to reabsorb the dirt when the hot water cools off, and gives white clothes that gray look. Make 20 minutes

NEWS FROM LACASA

By Mrs. D. B. Raney. There are several new residents in the Lacasa community. J. W. Graham has moved a house onto the Graham ranch and is moving into it. The Grahams have two boys, George and Jerry.

Mr. and Mrs. Bell and baby have moved to the residence belonging to Dr. A. W. Brada, vacated by Weldon Leonard and family.

Weldon Leonard has moved a house onto a plot of land purchased from the Lippe place at Lacasa. The Leonards and their four children, Peggy, Roy Allen, Stephen and Joyce are living there.

Melvin Truesdale has bought the Lippe house and is remodeling it. Mr. and Mrs. Truesdale also have four children, Ann, Linda, Gary and Sheila.

Mr. and Mrs. G. V. McGowan and Mrs. Charlie Veale, Effie Newham and Dial Raney attended the Cisco Baptist Association at Rising Star Tuesday.

Capt. Jasper Masseege will have charge of services at New Hope Baptist Church Wednesday night.

Mrs. Corlis Lambert attended the Cisco Baptist Association at Rising Star Monday evening and Tuesday.

The Lacasa Home Demonstration Club will meet all day at the Club House, Thursday, September 23. Mrs. Cunningham, county agent, will be present.

The world's first state police radio system was established by the Michigan State Police in 1929.
