

# The Ranger Times

Weather Reports

Partly cloudy, continued mild Tuesday, turning cooler Tuesday afternoon. Generally fair and cool Wednesday.

35TH YEAR

RANGER, TEXAS, TUESDAY, OCTOBER 26, 1954

PRICE FIVE CENTS

## The Pathfinder

by Lee Harr

Anybody notice the quirk in Saturday night's football game between the Rangers and Tarleton Plowboys. It all took place in the third quarter with Ranger ranning the ball on their own 28-yard line. Harold Merrifield went over right tackle for seven yards, then Charles Lenamond took a pitchout around right end for five more. The refs called it third down without a measure. Tommy Wood plowed into the center of the line and was thrown for a good yard's loss, the chains were brought in, the measurement made and Ranger awarded a first down.

The Ranger High School band pulled quite a novelty out of their trick bag Friday night in Cisco. A fellow dressed in white overalls hindered the band in their marching formations. Finally the entire band, with howls and screams, surrounded the unfortunate fellow. When the unit was finally "whittled" into formation again the fellow had completely disappeared, never to be seen again.

Quite a lot of speculation has developed since the Ranger-Cisco football game Friday night. Some are even predicting that the team will get out of the district again this year. Some Ciscoans observed that the Ranger squad was the best they have seen all year. Could the surprising Stephens and Mineral Wells are going to be mighty tough.

Lanell Rowell, Rangeann chief, covered a half time fumble rather nicely at the junior college game when someone played the wrong record during the mid-game ceremonies.

From all indications the Pioneer Conference race will be decided Saturday night when Arlington State meets San Angelo Junior College at Arlington. Both teams have two conference wins as compared against no losses. Some sports scribes have labeled Arlington as the strongest junior college eleven in the state.

Seems that the prop portraying Lake Leon, including its running water was so popular at the Chamber of Commerce banquet, that it is going to be removed to the C-C office. A slight transition from summer to fall foliage is going to be made however.

### Brother of Four Ranger Men Dies in Goldthwaite

Graveside services for Robert L. (Bob) Ervin of Goldthwaite, were held at 3 p.m. Monday, Oct. 25 at the Macedonia Cemetery, near Ranger.

Geo. C. De Vool, pastor of the Goldthwaite Church of Christ, officiated. Mr. Ervin died at 8 a.m. Sunday in Goldthwaite.

Mr. Ervin was born Jan. 13, 1881 in Ranger and moved to Goldthwaite in 1918. He was a retired tinner. He was married to Olivia Adams in Ranger, Dec. 6, 1902. She preceded him in death in 1941. Mr. Ervin was a member of the Church of Christ and the I.O.O.F. Lodge.

He is survived by three sons, Chas. Ervin of Midland, Harlan Ervin of Long Beach, Calif., and Homer Ervin of Corpus Christi; one daughter, Oma Ervin of Dallas; five brothers, J. R., C. D., O. R. and J. H., all of Ranger and J. P. of San Antonio; and five sisters, Mrs. Allie White of Temple, Mrs. L. E. Hendry of Coleman, Mrs. Mae McMillan of Coleman, Miss Abbie Ervin and Miss Ruth Ervin, both of Goldthwaite.

### Call Meeting Set For Chest Heads

Dr. M. E. Jolly, president of this year's Community Chest Drive, has announced a call meeting of all team captains, directors, board members and workers in the Chamber of Commerce building Thursday at 2 p.m.

Dr. Jolly has requested that all team captains bring their cards and make a report on the progress of the drive thus far this year.

## EASTLAND COUNTY GILT AND BOAR NAMED GRAND CHAMPS

BRECKENRIDGE (TNS) — Eastland County's champion gilt, owned by Bobby Koonce of Desdemona, was named grand champion gilt at the Breckenridge area Sears swine show Saturday.

## Shriners Plan To Underwrite Circus Trip

Members of the Cross Timber Shrine Club of Ranger are planning to underwrite the trip for one entire class from the elementary school to visit the Shrine Circus in Fort Worth at Will Rogers Coliseum sometime in November. The circus begins November 19. Arrangements were being made today to have the children excused from school classes and getting the permission from parents for a group to attend.

A Variety Show, a forerunner of the famous Shrine Circus, will be in Ranger next Tuesday night at the high school auditorium. The troupe consists of stars of stage, radio and TV, who will feature events from one extreme to the other.

Included in the cast will be Nan Roy, vivacious blond songstress; Marvin Montgomery, banjo artist supreme; and the Hancock-Hutchinson Girls, a famous line of dancers under the leadership of Pat Hutchinson; famous impressionistic dancer.

Also featured will be Bill Wright with his inimitable ukulele novelties. Wright was formerly with Paul Whitman's band.

Other attractions of the star-studded variety show will be Rex, the performing Chihuahua dog; Bob Bohm, accordionist; Cherry Maddux, "Miss Marie," Joe Felix, bongie-woogie piano player; and Harvey and Bob, clowns deluxe.

Herschell Gibbs is producer of the show and Ken Vaughan will direct the 16-piece Moshal Temple orchestra.

## MEN'S CLUB MEETING

The Men's Methodist Club will hold its monthly fellowship and social meeting Thursday night at 7 o'clock in the church basement.

With average attendance near 65 at previous meetings, Dr. Price Ashton, program director, has promises of another interesting schedule.

Circle 1 of the church will host the members and guests in an evening meal.

## MINIMUM OF 2,000 POUNDS OF COVER CAN MEAN PROFIT

(Editor's Note: This is the second in a series of three articles prepared by a Soil Conservation Service expert. It is published in cooperation with the Eastland SCC office.)

A minimum of 2,000 pounds of cover and litter per acre managed for erosion control enables farmers and ranchers to farm and ranch at a profit.

Nature controls both wind erosion and water erosion by preserving a mulch on the land. When we try to understand the needs of nature and supply those needs, we will be rewarded with higher yields. Nature will take over much of the heavier work of farming by keeping the soil loose and permeable to water and roots, thus eliminating the necessity for some of the cultivation. When cultivation is needed it will be much easier in a soil that is in good physical condition.

Scientists and many farmers recognize mulch farming as one of the greatest techniques for holding soil. Mulch farming means working with mulch, raising crops through it, working the ground under it, but never working it under.

Mulch farming, also called stubble farming, is a necessity on land that is subject to wind erosion and is being used more and more for the control of wind erosion. It has other values. It gets water into the soil and conserves it there. It slows evaporation of water from the soil. It prevents extreme changes in soil temperature, maintaining a temperature more favorable to plant growth than is found in a bare soil.

For maximum production soils must be kept in good physical condition and a high state of fertility. This probably is of even greater importance with mulch farming than with clean tillage practices.

competition held in Eastland. Robert Bell, also of Eastland county, showed the grand champion boar. Bell is from Nimrod.

W. H. (Bill) Lehnberg, Jones County agricultural agent, judged the show.

A barbecue was given by the Breckenridge store manager for all contestants, their parents and adult leaders. Stephens County Home Demonstration Club women prepared and served the barbecue.

Following are winners in the area gilt show:

1. Bobby Koonce, Desdemona.
2. Jess Cloud, Graham. 3. Waggle.
4. Mike Smith, Throckmorton.
5. Thomas Marley, Jackboro.
6. Bela James, Graford.

Winners in the area boar show were:

1. Robert Bell, Nimrod.
2. H. K. Jones, Jr., Graham (Stephens County Club).
4. Scott Whitaker, Woodson.
5. Billy Wolfe, Jarmyn.
6. Bela James.

## Myrick Re-elected As Farm Bureau President

Eastland County Farm Bureau members re-elected A. Z. Myrick as president of the organization for the coming year at their annual meeting held Monday night at the First Methodist Church in Eastland. It will be Myrick's fourth term.

Farm Bureau members paid honor to all officers by re-electing the entire slate. Jimmy Sparks of Desdemona was named first vice president, Mitchell Campbell was named second vice president, Ray Norris secretary - treasurer and Mrs. W. C. Tucker of Ranger reporter.

## Two Indicted Monday By Grand Jury

Two true bills and one no bill were returned Monday by the 91st District Court Grand Jury. The jury was then recessed until Nov. 29.

Indictments were returned against J. C. Putnam and Tilford Wesley Cochran. Putnam is charged on two counts with forgery and passing a forged instrument.

Cochran is charged with burglary in connection with the attempted burglary of a Cisco transfer and storage company.

Ann Dyke Haller, charged with forgery, was no billed.

PASS THE ASPIRIN—Commissioner of Internal Revenue T. Coleman Andrews is one of the few persons who can smile at the new, enlarged 1954 Federal Income Tax Form 1040, now rolling off the presses at the Government Printing Office in Washington, D. C. Taxpayers making over \$3000 a year must use the new form, but they have one consolation—tax deadline has been moved up to April 15, instead of March 15.

The fiscal year was also changed from Nov. 1 to Oct. 31 inclusive. Some 13 resolutions were passed. Most concerned water conservation and laws. Some dealt with drought disaster and one called for more acreage from drought struck areas.

All five retiring directors were asked to serve another term. They are Myrick, Sparks, C. L. Rogers, Lee W. Starr and George Bennett.

Ed Harrison of Gorman, Ray Norris of Eastland and P. M. Ray of Scranton were named delegates to the Texas Farm Bureau State convention to be held in Galveston Nov. 8-10. Alternates are B. O. Speegle of Scranton, J. C. Coats of Cisco and Mrs. Tucker.

Changes in the county organization's charter and by-laws were adopted to conform with the state charter. The word Federation was dropped from the organization's name.

## Fourth Clary Murder Trial Ends In Balk

ALPINE (Spl.) — T. Clifton Clary, Rannels County rancher whose third trial for the murder of his wife ended shortly before Christmas as a mistrial in Eastland, has succeeded in having the indictment against him quashed.

The indictment was quashed by District Judge C. E. Patterson Monday in Alpine where Clary was to be tried for the fourth time on the charge.

Judge Patterson ruled that the indictment was vague and did not set forth the methods by which the alleged murder took place. Clary's defense attorneys had made the same attempt when the case was tried in Eastland, but their motion was denied.

Twice Clary has been found guilty of murder, and twice the Court of Criminal Appeals has overruled the court's decisions.

Clary, by law, can be re-indicted.

## Cattle Up Slightly At Monday Sale

The Ranger Livestock Commission Company sold 350 head of cattle and 75 hogs at its regular Monday auction, Loy Williams has announced.

Monday's prices were: good calves, \$16-\$22.50; common to medium calves, \$12.50-\$16.00; fat cows, \$10-\$12.50, and a few at \$13.00; cutter calves, \$5-\$9.50; bulls, \$10.50-\$12.50; stocker calves, \$16.00-\$19; cows and calves, \$80-\$135 a pair; top hogs, \$20 and sows, \$18.00 down.

## Seventh of A Series Sixth Amendment Would Bar Use Of State Funds For Toll Roads

(Editor's Note: This is the seventh in a series of eleven articles prepared by the Texas League of Women voters for this newspaper.)

Listed six on the list of 11 proposed amendments which voters will decide yes or no on Nov. 2, is an amendment concerning toll roads in Texas.

This amendment would prohibit the Legislature from lending the credit of the state, or granting public money to, or assuming any indebtedness of, any one authorized to construct, maintain, or operate toll roads or turnpikes in this state.

FOR The Legislature at the 1953 session passed a bill creating the "Turnpike Authority" which authority is charged with the construction and supervision of toll

## Homecoming Schedule Ruined By Tarleton

### Six Sent To Abilene For Induction

Six men were sent to Abilene this morning for induction into the armed forces by Local Draft Board 35.

Robert Paul Shaw, Cisco; Ollie Meredith Sides, Ranger; David Harold Gray, Breckenridge; James Burke Greer, Eastland. Four of these men volunteered for induction. Any registrant who has reached the 18th anniversary of his birthday and who has not reached the 26th anniversary may volunteer at his local board for induction into the armed forces. Mrs. Jewell Reeves, clerk, said, by filing an application for voluntary induction.

Mrs. Reeves said the November call will be filled entirely by volunteers.

The following named registrants were forwarded for physical examinations. Gentry Leonard Bryant, Ranger; Herbert Hoover Norman, Breckenridge; Tommy Burnett Watson, Breckenridge; Marvin J. Maynard, Carbon; Paul Gene Schaefer, Cisco; Ralph Jesse Kimble, Breckenridge; Mack Burton Green, Breckenridge; Rufus Ugene Barton, Ranger; Thomas Jack Duvall, Breckenridge; Lloyd Edward Jones, Ranger; Freddy James Smith, Breckenridge; Phurson Marvin Andrews, Breckenridge; Ira Michael Tyrone, Carbon; Williams Ugene Sikes, Eastland.

The following were ordered to report but were transferred to other boards for their convenience: Otto Richard Ganser, Ranger; J. G. Wright, Ranger; Winifred Ray Hutton, Ranger; William Edison Owen, Eastland and Robert Barrett Latham, Eastland.

## Shelby Parnell Is Elected Exes Head For Year '55

Shelby Parnell, of Ranger was elected president of Ranger Junior College Ex-Student Association Saturday at their annual election.

A complete Ranger staff will assist in the associations activities, as Lee Russell, Mrs. M. G. Smith, Wilson Guest, and Wesley Walker, all of Ranger, were elected vice-president, secretary, treasurer and reporter respectively.

Ex-students receiving gifts at the meeting were: members of the oldest class represented, Mrs. Charles Hamilton, 1931 and Finis Langston, 1933, members who traveled the farthest distance, Walter Wood, Frankford, Germany and Mrs. George Ann Chancellor, Fort Sill, Okla.; Members having the most children, Shelby Parnell and Mrs. George Rogers.

## ALLOTMENTS, PRICE SUPPORTS HEAD FARM BUREAU AGENDA

GALVESTON — Acreage allotments, price supports and the farmer's cost-price squeeze are likely to get top billing when the Texas Farm Bureau holds its 1954 convention here Nov. 8-10.

Some 1,600 members, representing every phase of agriculture in Texas, are expected to converge on this report city for the state farm organization's 21st annual session.

Policies to guide the organization in its dealings next year with Congress, various government agencies and officials will be formulated by voting delegates from about 180 counties.

A state-wide resolutions committee will meet here for four days prior to the convention to draft tentative resolutions for the delegate body's consideration. These drafts will be based on county resolutions.

Registration for the convention will begin Sunday afternoon, Nov. 7, in the Deucalion Hotel. A evening service will be held that evening.

An open hearing on tentative resolutions will be held Monday morning, with conferences on various commodities scheduled for that afternoon.

Finals of the state-wide Farm

## 14-13! Plowboys Rip Docile Ranger J C

The off-and-on-and-hot-and-cold Ranger Junior College Rangers were both off and cold Saturday night at Ranger stadium as the Tarleton State Plowboys handed the Rangers their second consecutive Pioneer Conference loss by a score of 14-13 and eliminated them from the flag race without the slightest glimmer of hope.

The 14-13 score is not indicative of closely contested game in the case. The Rangers showed the spark of a team that they could well be only on two occasions, both of which resulted eventually in scores. Fumbles hampered the Rangers throughout the contest and one in the second period on the Tarleton 1-yard line undoubtedly was the play that cost the game for the Rangers.

Resembling a ballet in four parts, neither unit with few exceptions portrayed the aggressive, zest of a team actually desiring to win the contest at all costs. For the most part it was an exhibition of running plays mingled with an occasional pass and the fourth down punt making an unpleasant past time for the shivering homecoming fans on the crisp stormy night that it was.

Only Tarleton's Howard Meisner lugged the pig skin with any amount of success, reeling off 90 yards in 14 carries.

Leotus Clayborn, quarterback, furnished the local partisan with some degree of excitement at times with his lengthy, gambling, arching passes that accounted for both the Rangers scores.

It seemed as though in the first quarter that Ranger was well on its way to an easy conquest over the listless Plowboys.

## ALLOTMENTS, PRICE SUPPORTS HEAD FARM BUREAU AGENDA

Bureau queen contest will be held Monday night. Thirteen district nominees will compete for the state crown and its accompanying prize, a trip to New York.

The convention proper will get under way Tuesday, Nov. 9, with the morning session featuring TFB President J. Walter Hammond's annual address.

Two nationally-known speakers will address the convention that afternoon. They are Senator James Eastland of Mississippi and Howard Hill, president of the Iowa Farm Bureau Federation.

Banquet speaker Tuesday night will be the well-known Dr. W. H. (Bill) Alexander, pastor of the First Christian Church in Oklahoma City.

Voting on resolutions will take place on the final day, Wednesday. Balloting will begin after the credentials committee reports and delegates are seated.

Adopted resolutions dealing with state matters will become the official policy of the Texas Farm Bureau for 1955. Approved resolutions on national issues will be recommendations to the American Farm Bureau Federation's annual meeting which convenes Dec. 12-16 in New York City.

After a series of four downs by both squads, after the opening kickoff, Ranger took possession of the ball on their own 39 yard line. The first play drew an offside penalty making it first down and 15 yards needed for the Rangers. Tommy Wood got one over left tackle. Charles Lenamond added another yard over center and a Clayborn pass to End Raymond Gilstrap was batted down. Harold Merrifield on fourth down, in kick formation and needing 14 yards for a first down, kept the ball and circled left end for 16 yards. Eight more line bursts moved the pellet to the Tarleton 19 where Clayborn triggered a pass to Wood for the initial score. Gilstrap's kick was blocked.

However, it required only six plays for the Plowboys to establish a lead in the game in which they never relinquished. Highlights of the 64 yard scoring drive was a 27-yard pass from Roy Sawyer to Gene Ward and 36 yard scoring jaunt by Charles Cox taking a pitchout tearing off left end, and tight walking the side lines for the Plowboys first score. Sawyer converted.

The scoring was ended until the third quarter when Sawyer, operating from the Ranger 33 dropped back to pass and was seemingly trapped for a substantial loss behind the line of scrimmage, pulled in the defense, shook off three tacklers and triggered a looping pass to Ward, standing on the four yard line and with no opposition within shouting distance Ward trotted into the end zone. Sawyer provided the winning one point margin with his second good kick of the evening.

The Rangers managed another score in the fourth quarter when a 14-yard pass from Clayborn paid off. Gilstrap converted to end the scoring for the night.

With 47 seconds left to play in the first half, after moving from their own 28 to near midfield, a Ranger aerial from Clayborn to Wood moved the ball to the Tarleton 29. An identical Clayborn-Wood toss moved the ball to Plowboy's one yard line. Wood bucking over left guard on the next play fumbled and Tarleton recovered.

## Beverlie Pharris Crowned Queen Of Homecoming

Dr. Price Ashton, president of Ranger Junior College, crowned Beverlie Ann Pharris Homecoming Queen of 1954 during pre-game ceremonies Saturday night at Ranger Stadium.

Mrs. Pharris rode atop a convertible, driven by Buddy Hamrick, around the field as the Rangeanns formed a guard of honor.

She was escorted by her husband, Bobby Pharris, a member of the Rangers football team.

Following her onto the field were Duchesses Joyce Steel, escorted by Kenneth Steel and Diane Koehn, escorted by W. H. White.

The queen was crowned and presented with a large bouquet of red carnations.

LEGION DAYS—Gov. Allan Shivers is pictured signing the proclamation declaring Oct. 20 through Veterans Day, Nov. 11 as Legion Days. At the Governor's left is E. L. (Stonewall) Jackson of Cisco, state commander, and at right is Culp Krueger, El Campo, state chairman of post activities. Local Legionnaires are participating in Legion Days.

## Eggs for Halloween Favors

## Eggs In Witches' Hats Will Be Part of Hallowe'en Fun This Year

Which is witch? None! They're all good eggs in witches' hats. They're part of the fun at Halloween parties. Each is a favor to take home or consume on the spot. Each bears the guest's name on its collar and can be used as a placard.

The hard-boiled look on the shell is achieved with a black crayon or a few strokes of a paintbrush dipped in pure vegetable color.

Assemble a few hard-cooked eggs in array such as this, surround with popcorn, use sheaves of grain or autumn leaves for background and — presto! — you have a centerpiece to radiate magic for Halloween.

Twist collars into circles of size to hold eggs and fasten with paste. Then paste names of guests on collars.

Make witches' hats by joining the two straight edges of the crown on the inside with cellulose tape. Attach crown to hat brim with more tape. Use pieces of wool yarn for witches' hair by pasting

## Cooperative Degree Program Is Announced By Howard Payne, A&M

BROWNWOOD (Spl.) — A new cooperative degree program between the Texas A&M College School of Agriculture and Howard Payne College's Daniel Baker College of Agriculture and Useful Arts at Brownwood has been announced by A&M's president, Dr. David H. Morgan, and Howard Payne's president, Dr. Thomas H. Taylor.

## Look For Metal Leg Bands On Wild Game Birds

WASHINGTON, D.C. — A national conservation leader today reminded hunters to look for metal bands on the legs of wild game birds which they bring to bag.

"These birds have been banded by research workers to secure needed information about game habits and movements," said President Claude D. Kelley of the National Wildlife Federation. "The facts thus obtained help federal and state wildlife agencies do a more scientific job of setting open seasons and bag limits."

A band recovered from the leg of a wild duck, goose, dove or other migratory bird should be mailed to the U. S. Fish and Wildlife Service, Washington 25, D.C., along with information about where and when the bird was shot, Kelley said. In return the hunter will receive an answer telling where and the bird was banded and its approximate age.

Many states carry on banding projects in search of facts about resident species such as quail, grouse and pheasants. These bands should be turned over to a game warden or returned by mail to the state game department.

## MINIMUM-

(Continued from Page One)  
two lines of fingered wheels which cultivate as they rotate.

A planter equipped with disk furrow openers is desirable for working through residue. To avoid clogging, a disk rolling counter between the disks may be used.

To maintain residue on the surface until the row crop has reached considerable height, a sweep type cultivator has been used. Large sweeps help to keep the mulch on the surface. Disk tillers may be mounted next to the rows to help eradicate weeds in the rows.

When clean tilled crops which provide little protection against wind erosion are grown, strip cropping with sorghum or suitable grass may be necessary. The rows should run about at right angles to the direction of the prevailing winds. The erosion resisting strips should be spaced closely enough to protect the non-erosion resisting crop. The strips should probably be not less than four rows wide and may be wider. The width of the main crop strips may vary but generally should not be greater than 12 rows. The actual width will depend on soil type, direction of rows, and type of crops involved.

No rigid system of cropping or rotation has been devised that can equal a flexible cropping plan in effective wind erosion control and economy of production. Such a plan should take into consideration the soil, moisture and fertility conditions at each successive planting period of the year. Crops should be selected which will provide sufficient cover under these varying conditions.

## NUTS FOR YOU—Phyllis Mumby, 2, of Pomona, Calif., invites you to sample a plateful of what may someday be a major crop for southern California farmers. They're Macadamia nuts, edible fruit of Australia's Queensland nut tree. Extensive plantings of the trees are now being made, with an eye to a future bumper harvest of the hard-shelled nuts.

part in making the cooperative degree program possible.

"Dean Shepardson recently spent two days in Brownwood to work with us on developing this program," Dr. Taylor said.

Dean Shepardson explained that the need for such a program springs from the growing practice by industry of choosing executives from among its technically trained personnel.

"This choice clearly points up a need on the part of such technical workers for a broader general background in the humanities than has been provided previously."

"We are looking forward to similar cooperative efforts with other institutions in the future," the dean said.

## PERSONAL

Orville Miller of Dallas, formerly of Ranger, was here for the RJC Homecoming.

Mr. and Mrs. Finis Langston of Dallas, visited his parents, the F. E. Langstons, over the weekend.

Mr. and Mrs. Bran Garner and daughter, Gail, of Breckenridge, were here over the weekend.

Mr. and Mrs. Alvis Wood have had as their guest, his brother, Walt Wood, of Frankfurt, Germany.

## Gossett Says State Building Is Overcrowded

"Our State Capitol Building has been overcrowded and partitioned to the point of absurdity," Ed Gossett of Dallas, former congressman and chairman of the State Courts Bar of Texas, told members of the Corpus Christi Kiwanis Club Wednesday.  
 Gossett spoke in behalf of Amendment Four which will be voted on November 2 and will transfer surplus money from the Confederate Pension Fund to a State Building fund to construct

a State Court and State Office building. He said, "We will get more and better service from state officers and agencies when they have adequate and decent places in which to work."  
 Gossett emphasized that no additional taxes are necessary to build the buildings and that \$250,000 would be saved each year by moving agencies now housed outside the capitol in rented space into a new state-owned office building.  
 "Amendment Number Four permits the Legislature to use the surplus of the Confederate Pension Fund to relieve the State building shortage. When this is done, the State Capitol can get rid of its partitions and lean-tos and can again become a structure in which all Texans take pride," he said.  
 His address to the Corpus Christi civic club was one in a series being made around the state in support of Amendment Number Four and other amendments. He was in Amarillo last week at the United Daughters of the Confederacy convention where that group's endorsement of

Amendment Number Four was repeated. It has also been endorsed by four former governors and seven former attorney generals.

*His hero...do you really deserve it?*

OF COURSE you deserve to be your son's hero. Haven't you worked extra hard to provide for his physical needs, strained your memory for facts to feed his enormous curiosity, passed on to him the timeless spiritual truths treasured from your own childhood?  
 Still, you wonder at times if you can ever be equal to the image you see reflected in his eyes. You wonder if you can ever build enough security to justify the unqualified faith that lights his face now.  
 Eight million Americans just like yourself have discovered a plan that's helping them work toward goals like this, a plan that can provide financial security for your family and educations for your children. It's the Payroll Savings Plan of investment in U. S. Savings Bonds—the Bonds that now pay an average 3% annual interest for as long as 19 years and 8 months.  
 Here's how it works. Just tell the people in your pay office how much you want to save. They'll put that amount aside for you each payday. When enough accumulates, they'll buy and turn over to you a Series E Bond which then adds its interest to your total. This way \$3.75 a week, for example, becomes \$1,025 in just 5 years.  
 The Payroll Savings Plan works even for people who have never been able to save before. It will work for you. Why not sign up today?  
 If you want your interest as current income, ask your banker about 3% Series H Bonds which pay interest semiannually by Treasury check.

Choose your own savings goal

	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, approx.	\$8.80	\$18.75	\$45.00
Each week for 19 years and 8 months, approx.	\$3.75	\$7.50	\$18.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Remember, you can save any sum you wish, from a couple of dollars a payday up to as much as you want. The important thing is, start your Plan today!

### All-Day Week Of Prayer Program Is Held Monday By WSCS Members

Members of the Woman's Society of Christian Service met Monday, Oct. 25 for a Week of Prayer program, with Mrs. Bruce Weaver in charge. The theme for the day was "Christ, Our All".

Following the opening prayer and call to worship, the congregation responded with the singing of "Jesus, Stand Among Us". Then Mrs. Weaver talked on "The Power for Christ".

Mrs. Richard Bonney sang a solo entitled "Prayer". Mrs. J. L. Turner spoke on "The Transforming Christ", followed by a solo "I Walk Today Where Jesus Walked" by Mrs. Bonney.

"The Ever Present Christ" was Mrs. Arthur Deffenbach's subject, while Mrs. A. W. Brazda spoke on "The Saving Christ and Faith in Christ".

A responsive reading by the group and a prayer by Mrs. Weaver closed the morning program.

Following a sack lunch, Mrs. Stanley McAnelly presided over the afternoon session entitled "Our All Sufficient Help". After silent prayer the group sang "Holy Spirit, Faithful Guide".

Mrs. A. J. Ratliff spoke on

"The Deaconess Pension Fund", Mrs. McAnelly on "Christian Literature for India"; and Mrs. L. E. Wolfe on "Leadership Training in Girl's Schools in Pakistan".

The group sang "Break Thou the Bread of Life", followed by a talk by Mrs. W. F. Croager entitled "The Mobile Dispensary of India".

The program was closed with the altar service and prayer.

### Royal Neighbors Have Regular Meeting Monday

The Royal Neighbors of America No. 9059, met Monday evening in regular session, with Oracie May Smith, presiding.

Routine business was transacted and sick reports given. Della Rushing was reported to be still in the hospital.

Members are requested to wear formal next Monday evening when Mary E. Beck and Viola Law will be initiated into the lodge as social members. Refreshments of pie and coffee will be served.

The penny prize was furnished by May Smith and won by Lena McDonough.

Those present were: Carrie Henry, Lena McDonough, Laura Melton, Lee Graham, Leona Artburn, May Smith, Alberta Miller, Laura Todd, Edna Hoffman, Early Wallace, Gussie Tankersley, Rosalie Lee, Claudia Alexander, Tillie Hicks, Winnie Phillips, Callie Lee, Izetta Smith and Eleanor Horton.

### Mrs. L. Hagaman Hosts Columbia Study Club

Members of the Columbia Study Club met at 3 o'clock Tuesday afternoon in the home of Mrs. Leslie Hagaman.

Mrs. H. L. Coody reviewed the book entitled "Please Excuse Johnny" by Florence McGehee.

Members attending were: Mmes. P. M. Kuykendall, J. P. Morris, A. N. Larson, Stanley McAnelly, Roy Jamison, L. R. Pearson, Saunders Gregg, W. L. Downtain, E. E. Crawford, D. D. Pickrell and the hostess, Mrs. Hagaman.

### Oil Belt District I.O.O.F. And Rebekah Association Meets Here

The Oil Belt District IOOF and Rebekah Association met in Ranger Thursday evening for their semi-annual meeting. A chicken dinner was served in the Oddfellows hall, and the business session and program was held in the High School Auditorium.

A. H. Blackwell, president pro tem, opened the meeting at 8 o'clock with A. H. Williams giving the invocation. The Ranger Oddfellows presented the flag, with the pledge of allegiance by the audience.

The welcome address was given by John W. Ivy, and the response by Lydia Krauskopf of Cisco. Officers present answered roll call, and minutes of the last meeting were read and approved.

### Kerr Buck Harvest Draw October 29

AUSTIN — The Executive Secretary of the Game and Fish Commission said Texas hunters desiring to share in the harvest of surplus buck deer on the Kerr Wildlife Management Area should write Commission headquarters in Austin prior to October 29.

The Commission recently sanctioned taking of one hundred head of deer, comprising an equal number of bucks with pronged horns, and does, from the experimental project because of over-population. But the antlerless deer phase was lately abandoned because of the disapproval of the Kerr County Board of Commissioners.

Deadline for applications for the drawing is Friday, October 29. The drawing, similar to those to determine licenses for the regular antelope hunts, will be held Monday, November 1. Persons selected will be promptly notified by letter.

Letters of application for the drawing should be addressed to Vernon E. Skages, Chief Clerk, Texas Game & Fish Commission, Walton Building, Austin, Texas.

The only expense to the persons selected in the draw will be the price of a regular \$2.15 hunting license.

The hunt itself, which will be the first free public deer hunt in modern Texas history, will be for four days beginning Tuesday, November 16. Fifteen hunters a day will be accommodated for four days. The hunt will be supervised by wildlife biologists and game wardens.

### 1920 Club To Hold Book Tea

Members of the 1920 Club and their guests will meet at 3:00 Friday afternoon, Oct. 29 at the Community Club House for a book tea. Members are asked to note the change from Thursday to Friday afternoon.

Each one attending is asked to bring a book. These books will be divided between the Community Library, the Ranger High School Library and the Ranger Junior College Library.

### Child Welfare Club To Meet On Wednesday

Members of the Child Welfare Club will meet at 3 o'clock Wednesday afternoon, Oct. 27 in the home of Mrs. A. N. Larson.

All members are urged to be present.

### Merriman Bible Study Group Meets Tuesday

The women of the Merriman Baptist Church met Tuesday, Oct. 19 for their weekly Bible study in the home of Mrs. Stella Vinson. The second chapter of the book of John was studied and discussed. The meeting was closed with prayer.

Refreshments were served to the following: Mmes. E. H. Hoover, A. E. Dawson, C. J. Cole, Susie Vinson, Dorothy Hanson, G. G. Eschburger, Ima Ainsworth and the hostess, Mrs. Vinson.

The next meeting will be held in the Eschburger home.

### Cisco Baptist TU To Have Program In Cisco Sunday

The Training Union Department of the Cisco Baptist Association will have a program Sunday afternoon October 31, at 2:30, in the First Baptist Church of Cisco. This meeting will be of importance because of the program that will include conferences, organization, and program planning.

Pastors, directors, and all Training Union workers, officers, and helpers will find this to be a profitable meeting according to Director Ralph E. Perkins. This will be a meeting of "information" and "inspiration." The meeting will be over by 3:45.

There are 36 churches in the Cisco Association and 27 churches have Training Unions with a combined enrollment of 4000 members.

There will be leadership conferences for Adults, Young People, Intermediates, Juniors, and the Elementary that includes, Primary, Beginner, and Nursery workers. There will be a place for the children and they will be cared for. Through the full cooperation of the churches the Association can soon become Standard and more effective work can be accomplished.

Plans for the State Training Union Convention Nov. 25-27, in Corpus Christi will be discussed.

### Second Baptist WMS Meets For Mission Study

The Woman's Missionary Society of the Second Baptist Church met Monday afternoon at the church for mission study, with Mrs. D. D. Brian presiding.

The group sang "Rescue the Perishing", led by Mrs. Floyd Caraway and accompanied by Mrs. Jasper Massee.

The devotional was led by Mrs. Floyd Rogers from Romans, 10. The opening prayer was given by Mrs. Albert Williams. Mrs. Brian taught the first chapter of "Land of Many Worlds" by Robert G. Bartcher. The closing prayer was given by Mrs. H. A. Pitman.

There were 17 members present.

### LOOK WHO'S NEW

Mr. and Mrs. R. R. Sisk of Ranger announce the birth of a 7 pound 14 ounce boy, William Thoma, at 6:42 a.m. Friday, Oct. 22 at the West Texas Hospital.

Mr. and Mrs. Melvin McGoough of Ranger are the parents of an 8 pound boy, born at 7:45 a.m. Tuesday, Oct. 26 at the Ranger General Hospital.

Born to Mr. and Mrs. Garry Downard, in the Ranger General Hospital, a son, Charles Christopher, who weighed 7 pounds and 9 ounces. He arrived at 6:30 a.m. Friday, Oct. 22.

Maternal parents are Mr. and Mrs. Milton Nash and paternal parents are Mr. and Mrs. Charles Underwood of Oregon.

### Hospital News

New admissions at Ranger General Hospital are: Mrs. O. L. Hooper, Eastland, medical; Mrs. E. W. Griffin, Olden, medical; Richard Bonney, Ranger, medical; J. E. Graham, Cisco, surgical; Mrs. V. W. Elmore, Breckenridge, medical; and Mrs. Margaret Lemley, Abilene, medical.

New patients at West Texas Hospital include: Mrs. R. L. Willis; Miss Jo Ann Williams; Jack Parrott, RJC; and Mrs. T. R. Venable, Strawn.

Attending the Baptist Convention in Ft. Worth these past days were: Rev. and Mrs. Ralph E. Perkins, Mmes. Ronald Pruet, Glenn West, J. B. Houghton, Sr., W. A. Reuver, R. E. Barker, Lee Mitchell, Lon Tankersley, and Izetta Smith, from the First Baptist Church; Mrs. D. D. Brian, and Mrs. Betty Pitman of the Second Baptist Church.

Attending the Brotherhood Convention Monday were Homer L. Coody, Twymen Hale, J. B. Houghton, Sr., and O. C. Warden.

### Churches Still Open For Prayer

In a statement to the Times Monday, Rev. Ralph Perkins, pastor of the First Baptist Church, stated:

"The Churches of Ranger are still open for those who desire to come and to pray for rain. For 10 days the churches have had their doors open for the many who have come seeking the divine will of the Almighty concerning a personal 'get-right-with-God'."

"The scripture is still true; 'If my people, which are called by my name, shall humble themselves and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.' 2 Chronicles 7:14.

There is no set time for the praying, neither is there a program being followed. People who want to pray just come and pray. The need of the hour is great, and Christian people ought to turn to God in this hour of spiritual drought as well as in the period of parched earth.

"For those who so desire, the churches are open for you who would seek a period of silence and quietness before God in his holy place. We must fit into God's scheme, and not ask an Omnipotent, Omniscient, Omnipresent, Creator to descend to the level of common flesh. We can ask him to bless creation when his creatures are willing to do his will.

"We have God's promise, and the churches are open."

### IOOF Oil Belt Circle Meets In Eastland Monday

The Oil Belt Circle of the IOOF met in Eastland Monday night at the Oddfellows Hall. Lodges represented were Eastland, Breckenridge, Baird and Ranger.

Following a fish fry, Addie Williams, vice-president, presided in the absence of the president. The initiatory degree was put on three candidates from Ranger: Leo Wheat, Johnny Barton and Eugene Barton.

Those attending from Ranger were Messrs. Williams, John Hicks, Ray Todd, C. E. Bell, John Ivy, Speigle, Hugh Mahaffey, J. D. Barker, Jesse Smith, Bill Leverette, Barton, Wheat and Barton.

**The Basic Idea Behind the All-New 1955 PONTIAC**

On Display October 29 and 30

ABOUT 30 years ago General Motors Corporation presented to America a new car called Pontiac. This new car was the direct result of a very specific idea.

**The idea was this:** to create a car which took its style, its engineering principles and its features from the very best and most expensive in America—and to build these into a car priced just above the very lowest!

Naturally, such an idea produced a wonderful and highly popular car—a car which millions of satisfied owners have driven with outstanding pride and pleasure.

Now, nearly three decades later, an entirely new Pontiac has been created for 1955—a car completely new from the ground up!

**One thing, however, about the 1955 Pontiac remains unchanged—its basic idea—to offer the American public the very finest car that can possibly be built to sell at a price within easy reach of any new-car buyer.**

**When you see** the new Pontiac on Friday or Saturday—Oct. 29 or 30—you will be immediately impressed by its remarkable new styling. No other car in the world looks like this new Pontiac!

**When you drive** it you will be astonished at its performance. For the 1955 Pontiac introduces the powerful new Strato-Streak V-8, an all-new engine that has already been proved in more than 3 million test miles!

**When you price** the new Pontiac you will come face to face with the basic Pontiac idea—you will be agreeably surprised that so much car, so much sparkling newness, so much luxury, so much downright goodness can be priced so near the very lowest.

We cordially invite you to come in on Friday or Saturday and see for yourself what a superb all-new General Motors masterpiece has been created to carry the wonderful name "Pontiac" for 1955.

**Cozby Pontiac**  
PINE & RUSK—RANGER

### Stephenville Plans Celebration Of 100th Birthday October 27-31

STEPHENVILLE (Spl.) — Local citizens are showing all plans into high gear for Stephenville's greatest birthday party — an official five day celebration which will mark the town's 100th birthday anniversary.

For the most part it will be turning the pages of history backward as the local citizenry pays tribute to the pioneers of yesterday, who gave Stephenville a spot on the map a hundred years ago.

Centennial Chairman Clinton Cox has outlined a program for the five days, October 27-31, with the following highlights:

Oct. 27 — The Centennial will officially open with a parade of floats, bands, covered wagons, etc., at 9:30 a.m. WFAA Saturday Night Shindig — Early Birds — 7:30 p.m.

Oct. 28 — Another parade is being planned to start at 4:30 p.m. A historical pageant, "Stephenville in Review," will be presented at 7:30 p.m.

Oct. 29 — A school parade is scheduled for 4:30 p.m. Stephenville High School will meet Cisco High School in a football game at Tarleton Stadium at 8:00 p.m. An old fiddlers contest and beard and costume judging will be held in the city recreation hall starting at 7:30 p.m. Brewley Chuck Wagon Gang will present a program also.

Oct. 30 — A band parade is slated for 10:00 a.m. Tarleton

State College will play Schreiner Institute in a Tarleton Homecoming football game at Tarleton Stadium at 1:30 p.m. The final presentation of "Stephenville in Review" will be offered at 7:30 p.m. Dances, round and square, will start at 9:00 p.m.

Oct. 31 — Morning church services in all local churches. Old fashioned singing in the city recreation hall from 1:00 p.m. until 5:00 p.m. Dr. Robert E. Goodrich, Jr., of the Dallas First Methodist Church, will deliver a sermon at community church service, Tarleton Stadium, in the evening.

In addition to the above, a complete program of fair activities—judging, shows, exhibits, attractions, etc., will be offered at the fairgrounds.

Participants in the opening day parade will be judged in three classes — Most Beautiful, Most Fitting to 1854, and Most Unique. Cash awards of \$15.00 for first, and \$10.00 for second, will be given in each class.

Judges, on the final day, will select a float as being the "Most Outstanding of All Parades" and the winner will receive \$25.00.

Tickets for the Stephenville in Review pageant, reserved and general admission, are now on sale and may be purchased from either the Parent-Teacher's Association or at the Chamber of Commerce Office. There is a limited number of reserve seats.

### MAGAZINE PREDICTS ANOTHER BOOM AHEAD FOR AMERICANS

Another boom lies ahead, according to Changing Times, the Kiplinger Magazine, and one way to get in on it is to invest in stocks that will share in the next big period of America's growth. In the lead article in the October issue of the publication, the editors say:

"Americans, though notorious for their optimism, have consistently under-rated their own future. Benjamin Franklin thought it would take hundreds of years to reach the American continent. Only a few years ago economic forecasters thought it would take until 1960 to attain a goal of 60 million jobs and 155 million population. Today, 1954, is still six years away but instead of 155 million people in 1960 there are 162 million now. There will be many more than 60 million employed in 1960 because there are 62 million employed already.

Two big batteries are being charged for the next economic

spurt. They are the dynamic increase in population and the tremendous research program being operated by industry and government.

"The growth in population is full of potentialities for business. Families are not only growing, but over the past 15 years their buying power expressed in real income has increased tremendously. In a country where business is aggressively seeking new customers under a system of free enterprise, and constantly devising new products to sell, a population rise spells business activity.

"The other big prime mover that is storing up energy for the next boom is research. Industry and government together spend three or four billion dollars a year hunting for new products, new materials and new methods. Each new discovery opens up the possibility for more.

"New products, materials and methods plus more people with

money — those are the ingredients that seem destined to make another boom."

The article contains a thumbnail description of 26 sample companies that will be most likely to share in the next period of growth. And the advice to investors is this: "Select your stocks with such expert advice as you can get do not expect to make a killing in the next few months or even years; invest regularly through dollar cost averaging; think of your investment in long range terms."

### PILES SHRUNK without surgery!

**IN CASE AFTER CASE PAIN STOPPED!**  
**NEW STAINLESS FORM now ALSO AVAILABLE!**  
In 90% of cases of simple piles—tested by doctors—amazing Pazo Ointment stopped bleeding, reduced swelling, healed cracking... WITHOUT SURGERY! Pain was stopped or materially reduced. Pazo acts to soothe, relieve itching instantly. In tubes, also modern Suppositories. Get Pazo at drug-gists for wonderful fast relief.

everyone loves that child of yours...

No other gift brings so much love. Your child's portrait, made now, will be a happy answer to Christmas giving. Make your appointment now!

**Martha Dorcas Class To Meet Thursday Noon**

Members of the Martha Dorcas Sunday School class of the First Methodist Church will meet for a covered dish luncheon at noon Thursday, Oct. 28, in the home of Mrs. Chas. Ashcraft.

All members of the class are urged to be present.

**PERSONALS**

Mrs. E. L. McMillan and Tom Rawls spent Sunday in Dallas where they visited Mrs. John Gholson in Baylor Hospital. Mrs. Gholson recently underwent another operation on her hip and is reported to be doing very well.

Mrs. E. L. McMillan is spending a few days in Strawn with her daughter and family, the Pat Hinksons.

**GABLES LATEST ON TOWER SCREEN**

A scene from "Betrayed" filmed in beautiful color starring Clark Gable and Lana Turner playing Wednesday and Thursday at your Tower Theatre.

**BETTI'S BUDGET of HELPFUL HINTS**

Apples are plentiful now, tart and delicious. Why not try to make baked apples more glamorous, by making a lemon sauce to serve with the hot baked apples. Or, here's another tip to dress up this dessert; a lemon sauce with chopped almonds topped with whipped cream! Real fancy.

You can dress casually for comfort—but never carelessly! You can actually add to the smartness of your appearance if your casuals are wash-tub clean—and that means plenty of laundering. However, even that job seems less arduous if the results are something to be proud of. So, just to be sure of sparkling colors and clean whites, use detergent-based head-bluing right in the wash water along with the soap.

There is a "quick-set" method for a flavored gelatin salad if you're interested in a real fast preparation. After the gelatin has been dissolved completely in one cup boiling water, add 8 to 12 ice cubes and stir constantly until it begins to thicken. Remove the unmelting ice, pop into the refrigerator and chill until firm.

And now bath mats are nylon. The colors are luscious, too, and with modern methods it's so easy to keep them like new.

Never, ever let a can opener stay dirty after use. Some of the new models have removable cutting wheels which can be taken out and washed in hot soapsuds. Make sure to remove all vestiges of food, rinse well in hot water and dry thoroughly.

A parfait for dessert. Fill glasses with pistachio and vanilla ice cream. Garnish with orange and raspberry sherbet. Have these on hand in bulk form and store in the freezing compartment of your refrigerator. Makes a wonderful dessert for unexpected company.

**You Can Drive Safely If You Follow The Rules**

Too many automobile accidents today are caused by a lack of courtesy on the part of the driver—especially when driving on roads where there are a considerable amount of hills.

The November issue of Better Homes and Gardens Magazine lists four rules that can help you stay alive in your automobile when you are driving on hilly roads.

The first rule is don't speed when you are approaching a hill. You might get over the hill and find an onrushing car in your lane. Or there may be a stalled vehicle just over the rise.

**Inspiration Hour Wednesday Night At First Baptist**

The Hour of Inspiration held each Wednesday evening at 7:30 in the lower auditorium of the First Baptist Church, will find a special program this week and a thrilling and inspiring service is prayerfully expected. The entire church group is expected to participate in the service.

Officers and Teachers meeting with the previewing of the Sunday school will begin at 6:30. Through this medium the officers and teachers are kept abreast with the growth and development of the Sunday school that continues to grow year after year.

The fine response of the Church Choir in rehearsals each Wednesday night at 8:20 is most gratifying, according to Choir director Lee Russell. Wednesday night is the spiritual barometer of the services on the Lord's day. The Wednesday night services have for over a century proved to be the heart beat of the church. Singing, praying, testifying, Bible study, lay messages, and special programs presented by various groups in the church makes for a splendid hour of spiritual enjoyment.

The Nursery is open on Wednesday nights for the entire service.

Lt. and Mrs. Geo. W. Chancellor of Fort Sill, Okla., were here for the Homecoming and visited her parents, Mr. and Mrs. Geo. Rogers.

**Ding Darling Scholarships To Be Granted**

WASHINGTON, D.C.—The National Wildlife Federation has announced that Ding Darling Fellowships in the amount of \$1,000 each will be awarded to a limited number of outstanding graduate students in conservation education for the school year 1955-56.

The fellowships, financed largely by returns from the famous wildlife stamps distributed annually by the Federation, are named in

honor of the noted newspaper cartoonist who served as first president of the organization. The first series of stamps, issued in 1938, were painted by artists-conservationist Darling.

In addition to the graduate fellowships, a number of scholarships will be granted to qualified undergraduate students in the field of conservation, according to Dr. E. Laurence Palmer, the Federation's director of conservation education. The undergraduate grants are made possible by the income from a bequest by the late James Hopkins of New York City.

Three Ding Darling fellowships were awarded last spring to students now doing graduate research

work at Boston University, University of California at Berkeley and Utah State Agricultural College. Two undergraduate grants went to students at the University of the South, Sevensville, Tenn.

Dr. Palmer said application forms may be obtained by writing to the National Wildlife Federation at 282 Carroll Street, N. W., Washington 12, D. C. Deadline for applications is Dec. 31, 1954.

**PERSONAL**

Week end guests in the J. G. Smith home were their son and family, Mr. and Mrs. Leroy Smith, Stanley, Rene and Mike of Leveland.

**calves on the ground are like MONEY IN THE BANK**

It costs a lot of money to keep a cow. A lot of that money is lost if she fails to settle or drops small, weak calves that die or develop into "tail-enders."

**BIG CROPS** of husky calves are a must, if a fellow is going to make money ranching. This is especially true when the price of cattle is off.

Your range needs help. It takes more than grass alone to give your cows what they need to grow and drop the kind of calves that will bring top prices next fall.

**PURINA RANGE CHECKERS** have proved their worth in research tests and on thousands of ranches. This favorite range supplement has what it takes. Cattle love Checkers, do well on them. Cows stay up in good shape at calving time, have lots of milk for the calves, too.

More and more Southern cattlemen are planning their breeding program so that calves come in the late fall. These calves are ready to eat early grass—hit the early market, which is usually best.

Feed for big calf crops the Purina Way. Purina Range Checkers can help you keep your operation on the profit side of the ledger.

**COME IN.** We'll visit about Purina Range Checkers and profitable ranch management. Make it soon!
