38TH YEAR RANGER, TEXAS, SUNDAY, OCTOBER 31, 1954 PRICE FIVE CENTS

The power of women! The women in this case are wives of two of our embassy delegates in Moscow who touched off another explosive episode in the touch-and-go game in American-Russian relations this week with their pushing, shoving and hitting exhibition as a result of their picture taking in a Soviet factory zone. Farmers Prepare For Peanut Harvest

Eastland County farmers geared themselves this week in preparation to harvest the year's peanut crop which threatens to produce the lowest yield in recent years.

The harvest, expected to produce an average of some 10 to 15 bushels per acre, will begin in full swing the first part of next week and should be 95 per cent complete by November 15, with the weather permitting.

Yield per acre is expected to drop to 10 to 15 bushels as compared to last year's average of 22 bushels per acre.

However, light as the crop is expected, it will boost the county's farmer income by some million dollars.

The County, next year will allot 3,800 acres of this year's allotment as the government allotted 31,840 acres and only 28,000 acres were actually planted. The unplanted acreage will be returned to the state for re-distribution.

With the seed situation still at its critical peak, it has been estimated that approximately 35 per cent of the county's crop will be baled for future feeding purposes thus reducing the acreage potential from which seeds may actually be obtained.

Reports have filtered in that all Spanish peanut producing areas have been affected by the long periods of drought, similar to that which has touched the southwest Georgia, Florida and Alabama are extremely short on their yield.

The latest tabulation given out by the Federal Inspection Service indicates that 20,000 tons of the estimated 60,000 ton crop in the Southwest has already been sold and is not available for seed, while there remains in the hands of the producers some 40,000 tons of peanuts yet to be marketed. Of this 40,000 tons, it is likely that not more than 50 per cent would be suitable for seed, and this would leave a close margin from which to select the 18 to 20 thousand tons of seed needed for replanting.

Under the plans advanced by the Southwestern Peanut Growers Association, every producer of peanuts is assured full loan value as guaranteed by the government of \$228 per ton, and in addition to this basic price, everything over actual operating expense will be distributed to those farmers who cooperate in the seed-saving program. This could amount to as much as \$12 per ton to be distributed back to the farmer after replanting.

Graham Blasts Bulldog's Championship Bid 42-14

Wharton Scores Twice, Forney Leads Defense

It was trick or treat last night at Graham and mainly a treat for the Steers as their fleet backfield trapped the turf like a group of goblins and ghosts in smashing the Ranger Bulldogs 42-14 in a Halloween prelude.

With the stealthiness of a spook, Graham rocked the Bulldogs with 14 points in the first four minutes before the Ranger eleven were allowed to handle the ball on a single offensive play.

The "demon of the night" title went to Graham's backfield ace, Mike Dowdle, who scored five touchdowns, one on a 94 yard gallop, before being lifted late in the fourth stanza for a replacement. With deadly accuracy, Bobby Cain, point after specialist, boot six consecutive conversions.

After Graham's first two rapid fire touchdowns, the contest settled into a pattern of smashing drives, long gambling passes, and terrific line play, providing the shivering fans with a stimulant in the form of variety that provided thrill after thrill.

Scott Forney, Ranger quarterback, and Jerry Wharton carried the maroon and white colors well for Ranger.

Scott Forney, Ranger quarterback, with his bull-like charges and Jerry Wharton, injured two times in the fracas, with his great broken field running, staged an exhibition that gained the applause of even the Graham fans. Forney was particularly effective on defense, and Wharton scored the only pair of Ranger touchdowns.

It was the surprise element that shook the Dogs from the beginning of the game. Never, this year have they faced a backfield so swift as that of Graham. The Steer linesmen were a group of opportunists, turning three Ranger hobbles into scores.

The Steers took the opening kickoff on their own 27 yard line and with four running plays covered the entire 73 yards for the games first score. It was Dowdle leading the bruising ground attack as he continued to do the remainder of the night. On their first play from scrimmage, Dowdle swept left end for 46 yards and two plays later, on a quick open over left tackle, he bulldozed his way into the end zone from the Ranger 32 yard line. Cain converted.

As the Steers returned the kickoff, Ranger end John Rush took on his own 38, and fumbled to a mass of determined Graham defenders. Again, with only four minutes of playing elapsed, the Steers needed only five plays for another scoring combination with

Dowdle again popping into scoring territory untouched from his one yard line.

After two offensive efforts by both teams it seemed that Ranger was not going to be counted out so easily. Ranger took a Graham punt on their own 37-yard line. Wharton picked up seven over right tackle, added another 12 on the same play and Littlefield added seven over right guard. Unexpectedly, Wharton blasted the left side of his line at the tackle position, snaked his way past the first line of defense and snatched the balance of the 44 yards in scoring territory. Forney converted making the score 14-7.

However, Graham bounced back with Dowdle leading off with a 27 yard gallop, then scoring three plays later from his own four yard line. Again Cain converted.

While Graham was adding 14 points in the second quarter, Ranger managed only seven. Utilizing the TCU spread, Forney hit Jerry Cantrell with a 55-yard aerial and Grub Bush snagged another and carried to the Graham 10 yard line before being stopped to set up the last Ranger score. Robinson blasted for seven over left tackle and Wharton went the remaining four yards over right guard. Forney's second kick was good.

After a scoreless third period, Graham added an insurance touchdown in the fourth when Dowdle broke over his left tackle for a 94-yard gallop after Ranger had moved into the Steers 10-yard line only to lose possession of the ball on downs.

Pro And Con of Amendments Ten And Eleven Given In Brief Form

(Editor's Note: This is the last of a series of articles concerning proposed constitutional amendments that voters will vote on Tuesday. It gives pro and con discussions on the last two amendments.)

Proposed amendment 10 concerns the right of Texas service men and women to vote and amendment 11 concerns the creation of an assessor-collector in small counties.

The tenth amendment would permit all Texas service men and women to vote in the counties in which they resided when they entered the service. They would be required to pay their poll tax in order to vote.

FOR

This amendment would remove disfranchisement of members of the regular military personnel. The right to vote has been denied this group for 109 years.

In permitting the service man to vote in the county where he resided the privilege of absentee voting, hitherto denied, would also be granted.

The danger of military control of local affairs would be removed by permitting the military personnel to vote only in the counties in which they resided when they entered the service.

AGAINST

A member of the armed services stationed in Texas from other states would be disfranchised here regardless of the length of his residence in this state. New non-military residents are permitted to vote as soon as they have lived in the state one year and six months in the county.

The voting privilege would be restricted to voting only in the county in which the individual resided when he entered the service regardless of the length of his residence in another county. It would be in another county. It would be in another county.

Breck Theatres Are Sold By Brann Garner

Sale of the Palace and Trail Drive-In Theatres to H. W. Webb and Billie Creagh from Brann Garner has been announced in Breckenridge. The transaction was completed Friday.

Creagh, owner of the Corall Drive-In, will also operate the Trail. Mr. Webb will operate the Palace Theatre in downtown Breckenridge.

Garner lived in Ranger for many years and operated the Arcadia Theatre until it was destroyed in a spectacular fire in 1951. He and his family moved to Breckenridge in 1951 and plan to continue living there.

Ranger Bank To Be Closed Election Day

The Commercial State Bank will be closed all day Tuesday in observance of election day.

Bank officials have urged that all persons complete their transactions on Monday. The Bank will open again Wednesday on the regular schedule.

MASSEGEE, HEATH TO CONDUCT SERVICES AT CHAPEL OPENING

The Eastside Baptist Chapel, under the co-pastorship of Jackie Heath and Charles Massegee, sponsored by the First Baptist Church, will have the first services Sunday morning, Oct. 31. Sunday school will begin at 9:45 and morning worship at 10:50. Lewis Green is Superintendent, and Carl Eakin is associate. Mrs. Cordia Lambert is Training Union Director and D. C. Singleton is Associate.

A full program of teaching, training, preaching, praying, singing, and Christian fellowship will be carried out by the membership of the chapel. The open Bible with the Gospel of the Lord Jesus Christ will be the message and the program. There is a welcome and a place for everyone. Come to worship and leave to serve in the motto that Lewis Green wants carried out in the Sunday school and all the services.

A dedication service is set for November 7, in the afternoon. Further announcements will be made at a later date. There will be a general assembly of the Sunday school at 9:45. Classes with the teaching of the Holy Scriptures for Training Union will be at 6:30 with the actual program that will be of unusual interest for everyone. The evening worship will begin at 7:30.

Bring your family, enlist in the services of the Lord in Eastside Baptist Chapel.

Jackie Heath Charles Massegee

WHEN DOES 1X EQUAL 3X?

(An Editorial)

When you vote for governor on November 2nd. That's right! Your X by the side of the name you favor for Governor, on the November Ballot, equals three votes.

- One vote for governor in 1954.
- One vote for your choice of president of the United States in 1956. The votes for governor this year determine the number of delegates to county and state party conventions in 1956. State Conventions elect and instruct delegates to the national conventions of each party. And national conventions nominate candidates for president of the U. S. A heavy vote for governor means more delegates decide who shall go to the national conventions, what party platform they will endorse, what candidates for president they will support.
- One vote for your party's primary elections in 1956. It takes 200,000 votes for a party's nominee for governor in 1954 to require that party to hold primary elections in 1956.

Each vote is important. Will YOU vote on November 2nd?

at all, he would in most instances have to vote absentee.

Absentee voting is not permitted in some states. It is entirely possible that an individual who entered the service in another state and who was stationed in Texas for several years would lose his right to vote anywhere. This amendment would not extend this right to these servicemen and women.

Eleventh Amendment
The eleventh amendment would permit the creation of the office of tax assessor - collector in any county having less than 10,000 population, provided the commissioner's court should submit the question to the qualified property owning tax paying voters of the county at an election to be held for that purpose and provided that a majority of the voters should approve. Under the present constitution this duty is performed by one person, serve as sheriff and tax assessor-collector. Entirely separate talents and qualifications are required for the two jobs.

Deputies are usually employed to assess and collect taxes in these counties. It is difficult to find competent persons willing to accept these positions at the salaries paid which by statute are based on the population.

AGAINST

The creation of a new office paying a salary appreciably higher than that paid chief deputies would increase county expenses and county taxes.

A tax roll of 50 pages or less in counties of this size could easily be handled by a chief deputy and assistant since months intervene between assessment and preparation of the roll and collection.

'Partnership With The Provider' Theme For First Baptist Sermon

Sunday morning at 11 a.m. worship hour the theme "In Partnership with The Provider," will be the theme used by Rev. Ralph Perkins at the First Baptist church. The answer to the problems that beset our fair community from politics to home difficulties will be presented. The big question, "Who Is Your Partner?" In whom do you place your trust? God? Man? Riches? Family? Age? Bring your family Sunday morning to Sunday school and stay for the preaching hour. Who is your partner on Sunday morning at 11 a.m.?

Sunday school is as well integrated as the public school system. Boys and girls are graded according to public school grades. Each child has a fair chance this way never to be placed in an embarrassing situation. No one is re-

Sunday Evening: "Speaking As The Oracles of God."

The Parable of the Ten Virgins is one of the most interesting parables which our Lord taught. The lesson of the parable is of great importance. You will enjoy hearing the interpretation of this lesson Sunday morning.

The Sunday evening sermon will stress the importance of presenting Bible ideas in the language of the Bible. This will be the start of a series on the Divine Language. The Bible language is contrasted to the religious vocabulary commonly used today. We extend to each of you a cordial invitation to have fellowship with us in our service.

Former Pastor To Speak Sunday At First Methodist

Rev. William L. Hankla, former pastor of the Ranger First Methodist Church for two weeks, will be the guest speaker Sunday evening at 7:00 o'clock. Rev. Bruce Weaver, local pastor of the First Methodist Church, will go to Breckenridge and speak in the First Methodist Church there. Rev. Hankla's sermon subject will be: "Where Do You Do Your Banking?"

Rev. Bruce Weaver announced today that his sermon subject for Sunday morning at 10:50 a.m. will be "A Christian Definition Of Man." The Chancel Choir will sing the anthem "Surely God Is In This Place" directed by Mr. Fred Baumgardner. Miss Vivian Simmons will sing the solo part accompanied at the organ by Miss Mildred Balch.

The Commission on Finance will meet at 5:30 p.m. Sunday in the Hall Bible Class room, Mr. Morris Newham announced today. The members of that Commission are: Morris Newham, Chairman, Mrs. Iris Hummel, sec., J. A. Bates, Frank Williamson, Mrs. C. W. Harris, H. P. Earnest, James Ratliff, Dr. Price Ashton, Frank Deaton, J. Laymen's Week Is Sponsored By Brotherhood

The Brotherhood of the First Baptist Church will begin Sunday night Oct. 31 at the evening worship hour. Ronald Pruet will bring the message, Keith Langford will have charge of the music and Andy Anderson is in charge of the programs for the week, according to president Homer L. Coody.

This special offering has been approved by The Methodist Council of Bishops and the Council on World Service and Finance.

Seventy per cent of the receipts from the offering will be administered throughout the denomination's Division of World Missions and 30 per cent through the Methodist Committee for Overseas Relief.

The Brotherhood will meet Monday night at 7 p.m. for a program that will be most interesting. T. J. Anderson program chairman announces that Morris Jefferies, R. V. Robinson, L. L. Bruce, and G. B. Rush will appear on the evening program. Keith Langford has arranged for a male quartet and light refreshments will be served.

The officers and group captains have met and divided the men of the church into groups and each captain is anxious to have his

members present at each meeting. O. C. Warden is vice president in charge of attendance. The 12 groups will be designated according to the names of the twelve Apostles: Thomas, W. J. Arterburn; Simon the Cananite, Ronald Pruet; Matthew, Les Cantrell; Thaddeus, Felton Brasher; Bartholomew, Tommy Guess; Phillip, Wayland Jowers; Andrew, R. V. Robinson; Simon Peter, Lloyd Bruce; John, Lem Rushing; James Zebedee, G. B. Rush; Matthias, Jerry Carter; James Alphaeus, Lee Everheart.

These leaders with 201 men on the roll will bring to life the better qualities of Christian leadership and challenge these men to greater tasks that are ahead.

The men will have charge of the Hour of Inspiration on Wednesday night and the Sunday morning worship service, Nov. 7. The program will be announced later according to program chairman T. J. Anderson. Corvis Beck is activities vice president, and Aaron Howton is secretary. Bill Beyers is directing the boys work.

BLOOD MONEY!

Judas got BLOOD MONEY when he used the House of God as a place to sell his soul. The church is where we train for divine service; a place to worship. God forbid that men should ever use it to bring reproach upon His cause. Don't settle for a measly THIRTY PIECES of silver. Don't gloat over gain. Thank God for it. Go to Church.

Men's Training Class Meets At Church of Christ

The Men's Training Class of the Church of Christ, Mesquite and South Rusk, met last Thursday evening at 7:30 p.m. Brother Crumley, the local Evangelist, led the group discussion on the theme "How To Study The Bible."

It was pointed out that one should approach the Bible with a sincere love of the truth, and it was also stressed that one must learn to make the proper divisions of the Bible. The three Ages were studied: Patriarchal, Jewish, and Christian; and the laws governing each were examined.

The class period closed with the presentation of the perfection of the New Covenant under which we live today. The class continues to gain in interest and numbers. It is open to all who are earnestly seeking to find the key to a better understanding of the Bible which is the world's greatest book.

Rebekah Lodge Meets Tuesday

Members of the Ranger Rebekah Lodge No. 244 met in regular session at Oddfellows Hall Tuesday, Oct. 26, with vice-grand, Eleanor Horton, presiding.

Routine business was transacted and sick reports were given.

A box is to be placed in the hall and all members are requested to bring face cloths, towels and Ivory soap, which will be sent to the Rebekah homes at Ennis and Corsicana.

The lodge gave a vote of thanks to all those responsible for making the Association a success.

The team captain requested that all members of both teams be present next Tuesday night for practice.

Talks were made for the good of the order. The penny prize was furnished by Eula Blackwell and won by Raby Greer. There were 14 members present.

Christian Science

Mortals are redeemed from sin when sin is destroyed through the practical understanding of God's infinite love for man. This underlying point in the religion of Christian Science will be explained in the Lesson-Sermon, entitled "Everlasting Punishment" which will be read this Sunday.

The story of the Prodigal Son, in which the young man turned from sin and was welcomed with forgiveness from his father, will be included in the selections from the King James Version of the Bible.

Further passages on the overcoming of sin will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy. "Who will stop the practice of sin so long as he believes in the pleasures of sin? When mortals once admit that evil confers no pleasure, they turn from it. Evil is sometimes a man's highest conception of right, until his grasp on good grows stronger. Then he loses pleasure in wickedness, and it becomes his torment. The way to escape the misery of sin is to cease sinning. There is no other way." (pp. 32, 327).

The Golden Text is from Psalms (130:7): "Let Israel hope in the Lord: for with the Lord there is mercy, and with him is plentiful redemption."

'Egyptian' Shows New Perfection Of CinemaScope

Darryl F. Zanuck's "The Egyptian," which brings the vivid cinematic life the turbulent drama of ancient Egypt, is the first important motion picture conceived along spectacular lines to reveal the breath-taking results of CinemaScope's advancing techniques. Showing at your Tower Theatre Sunday and Monday.

In a little more than a year since CinemaScope was introduced with "The Robe" and revolutionized the standards of the motion picture industry, added values have been brought to the anamorphic wide-screen process. The optical firm of Bausch and Lomb improved on the original lenses of Professor Henri Chretien, inventor of the anamorphic process, and developed a series of camera lenses that give CinemaScope greater flexibility, range and depth.

These newly-perfected lenses were used to photograph "The Egyptian" and they gave to the production a greater clarity of image and a new sense of intensified audience participation than had heretofore been achieved. They opened up new vistas of entertainment for the public with better relative definition over the entire surface of the large screen. With the new lenses the cinematographer has greater maneuverability for his cameras to give finer pictorial qualities and the director wider latitude in which to achieve added dramatic values. CinemaScope, which achieved instant public acceptance when it was introduced, now gives greater entertainment values.

Fire Department Auxiliary To Meet Tuesday

The Auxiliary of the Volunteer Fire Department will hold their monthly business meeting at the City Hall at 7 p.m. Tuesday, Nov. 2.

Wives of all volunteer firemen are urged to attend.

Drug Injections Discovered For Curbing Grubs

Veterinary scientists, searching for better ways to control cattle grubs, have come up with another new angle of attack, the American Foundation for Animal Health announced today.

Research veterinarians of the U.S. Department of Agriculture have reported encouraging results with daily intake of phenothiazine during the months when heel flies deposit eggs on the legs of cattle. The drugs are absorbed into the animal's blood stream so they can attack grubs before extensive damage is done.

Treated cattle averaged some 80 per cent fewer grubs than untreated animals, and some were completely free of infestation.

Grubs are the larvae of the heel fly. They burrow into the animal from eggs deposited on the hide by the adult fly. After living within cattle several months, they puncture their way out again, usually through the back, and in so doing cost the livestock industry millions of dollars every year in damaged hides and prime meat cuts.

calves on the ground are like MONEY IN THE BANK

It costs a lot of money to keep a cow. A lot of that money is lost if she fails to settle or drops small, weak calves that die or develop into "tail-enders."

BIG CROPS of husky calves are a must, if a fellow is going to make money ranching. This is especially true when the price of cattle is off.

Your range needs help. It takes more than grass alone to give your cows what they need to grow and drop the kind of calves that will bring top prices next fall.

PURINA RANGE CHECKERS have proved their worth in research tests and on thousands of ranches. This favorite range supplement has what it takes. Cattle love Checkers, do well on them. Cows stay up in good shape at calving time, have lots of milk for the calves, too.

More and more Southern cattlemen are planning their breeding program so that calves come in the late fall. These calves are ready to eat early grass—hit the early market, which is usually best.

Feed for big calf crops the Purina Way. Purina Range Checkers can help you keep your operation on the profit side of the ledger.

ing the team's weaknesses, stationed Ted Sittup, one of their assistant coaches, in the press box to report the head coach, Roy Curry by telephone.

It probably aided in the winning cause eventually, but resulted in a Ranger foublow in the first period. Ranger backfieldmen were punching at the right side of the line for steady gain and Sittup called to stuff the holes in the right side. Stuff the holes Graham did and Jerry Wharton blasted over-left tackle for 44-yards and a TD.
