

# Community Action Program: 'on' again?

Local residents will attempt to form a new Community Action Program for Castro County at a public meeting Monday night.

**THE MEETING** will begin at 7:30 p.m. in the basement assembly room of the courthouse. Coordinating the meeting is Ellis Mayberry, a member of the original Castro County Community Action Committee.

Although the county's original Community Action Program went defunct in 1969 when the CAP regional office cut off its funds, Mayberry is convinced there's still a need for the program here.

"THROUGH the Community Action Program we could set up local training schools for auto mechanics, bookkeeping, typing, homemaking, nurse's training and other skills," Mayberry said, "and we could get such services as a day care center for working mothers, income tax assistance, medical care, an emergency food program, aptitude testing and other services."

Representatives of the Panhandle Community Action Agency in Amarillo will be at Monday night's meeting to explain the purposes, programs and duties of a local CAP, Mayberry said.

"It would be up to local people to set up a board of directors and apply for a charter," Mayberry added, "and we could presumably hire a local full-time consultant and staff to develop and administer the program here according to our needs."

**THE Community Action Program**—part of President Lyndon Johnson's original "Great Society" plan—has had a turbulent history here, as it has had in many other communities across the US.

The national program gave birth to such projects for the disadvantaged as the Neighbor-

hood Youth Corps, the Job Corps, In-School Out-of-School work-training programs for students, adult education programs, "Upward Bound" concept for college students from poor families, neighborhood service and training centers, day care centers, the Head Start program, and others.

**CASTRO County's Community Action Program** went defunct in 1969 when the regional office of the CAP refused to fund it for another year. Federal agency officials charged that the local committee didn't have enough control of local pro-

## Candidates asked to donate

County Democratic Chairman Carl King has called a huddle of his precinct chairmen for Feb. 14 to come up with a way to conduct the May 6 primary election here in case the state legislature doesn't go into special session and solve the problem.

**BUT MEANWHILE,** King is asking for "filing contributions" from Democratic candidates to help pay for the election. Historically, party primary election costs have been paid by candidates, who were assessed a percentage of their prospective salaries. But a three-

man federal court panel declared the assessment system unconstitutional Jan. 20, throwing the entire state into a quandary just four months before the primaries. With mandatory assessments now illegal, King is asking Demo candidates for all county

and state offices to sign a "Filing Contribution" form pledging \$50 to help defray the expenses of holding the party primary.

The pledge also binds each candidate "to make additional contributions to the Castro County Democratic Committee over and above the \$50" if asked to do so.

However, the pledge stipulates that a candidate's filing contributions "are not made as a condition for placing my name as a candidate on the ballot of the Democratic Primary."

"LEGALLY, the candidates don't have to make the contributions," King said, "but all those I've contacted have signed the document pledging the contribution. I've contacted all but two county candidates so

far, and I've also received contribution checks from Representative Bill Clayton and Congressman George Mahon."

He added, "More than half of the announced candidates already had made a \$50 deposit by the time the court made its ruling."

Under the assessment system that was declared unconstitutional, filing fees ranged as high as \$400 for candidates for top county offices, and as much as \$1,000 or more for certain district and state office candidates. However, candidates generally received refunds after the primary elections, King said.

**POLITICAL parties in the past** have had to pay only for their own primaries. The state pays the costs of a general election after party nominees are chosen.

Elsewhere in the state, at least one county party chairman has called for volunteer workers to conduct the election. But King said he doesn't want to go that route.

King is asking for any volunteer workers at this time, he said. "I think the election workers should be paid, whether they're paid by the state, county or party. I want to make sure we have people who know what they're doing, that we have Democrats working in the Democratic primary and Republicans in the Republican primary." (See CANDIDATES, Page 14)

### Top citizens to be named

## Will Rogers Jr. will keynote CofC banquet

An evening full of highlights is in store for those who attend the annual Castro County Chamber of Commerce Banquet Saturday night. For instance:

—**WILL ROGERS JR.**, nationally known personality, will be the banquet speaker.

—Castro County's "Citizen of the Year" for 1971 will be announced by G. L. Willis Jr.

—Dimmitt's first "Woman of the Year" will be named by Mrs. Carol Bryant, president of Beta Sigma Phi sorority here. —A new "Miss Castro County," Sarita White, will be introduced and crowned by Harley Wilke, Jaycee president.

—**THE DIMMITT High School Stage Band** will perform during the dinner, and Assistant Bandmaster Richard Bailes will provide special music.

—Reeford Burrous, outgoing Chamber of Commerce president who will serve as master of ceremonies, will install four new directors and pass the president's gavel to Dr. David Bechtol.

—And caterer Bob Dowell of Amarillo will give diners their choice of Polish sausage, ham or roast beef, with a special table for weight-watchers.

**THE BANQUET** will begin at 7:30 p.m. in Dimmitt High School gymnasium, which will be decorated in a western theme by members of Beta Sigma Phi sorority.

A few tickets at \$5 each may be available at the door. Ticket salesmen were to turn in their unsold tickets to the Chamber of Commerce office Wednesday.

New directors who will officially take office at Saturday night's banquet are M. J. Reed, Dan Nelson, Bill Behrends and Fred Lemme. They succeed Reeford Burrous, Ike Moore, Nick Gonzales and Robert Benton, whose terms have expired. Burrous, as the outgoing president, will conduct the changing of the guard.

Also serving on the chamber's governing board during the coming year will be carryover

### Will Wright dies Wednesday

Funeral services for Will Wright long-time Dimmitt resident, were pending Wednesday at Dennis Funeral Home.

Mr. Wright died early Wednesday morning in Plains Memorial Hospital.

### Oops!

The News erroneously placed candidate L. J. "Bud" Steiert of Hart in the wrong precinct in a front-page headline last week.

**STEIERT** is seeking the Democratic nomination for county commissioner from Precinct 1, as the story said—not Precinct 2, as the headline indicated. Commissioners will be elected in Precincts 1 and 3 this year; it's an "off year" in Precincts 2 and 4.

Will Rogers Jr.

directors Stanley Schaeffer, Jack Flynt, George Sides, Harley Dodd, Dr. David Bechtol, Carroll Webb, Bill Dannevik and Barry Love.

**WILL ROGERS JR.**, the banquet speaker, has had a varied and colorful career. Son of comedian Will Rogers

and grandson of Cherokee leader Clem Van Rogers, for whom Rogers County, Okla., was named, Rogers has served in such diverse occupations as congressman, newspaper publisher, actor, television commentator, army officer, rancher, US park

### 75 pick up auto plates on first day

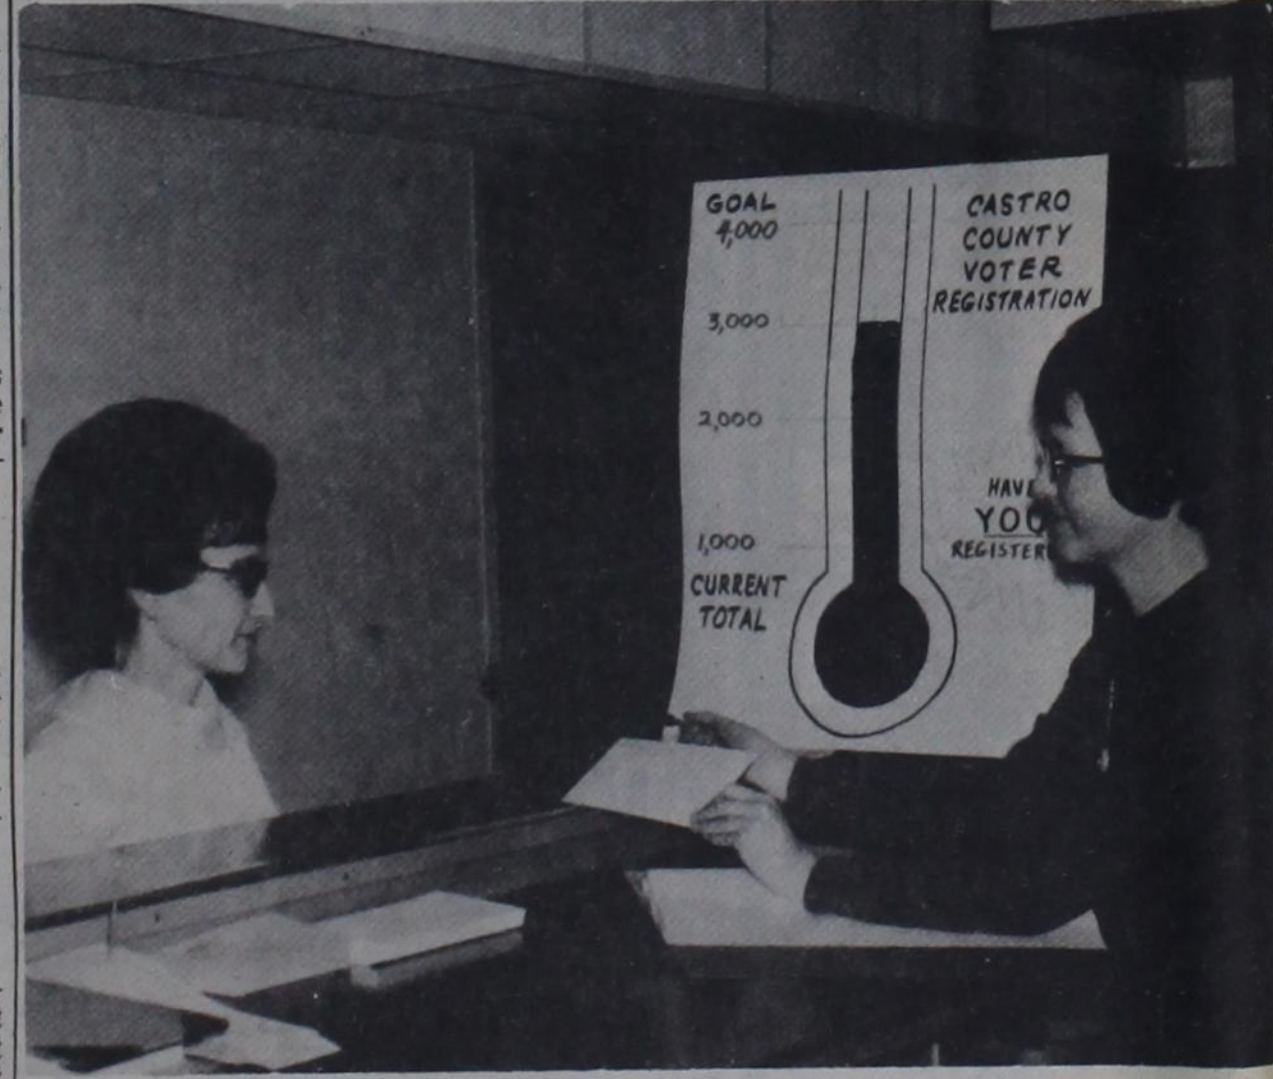

Approximately 75 Castro County residents picked up their new 1972 green-on-white license plates in the county tax office in Dimmitt Tuesday, the first day of their sale.

A TEXAS motorist can get his 72 plates by mail or if he prefers, he may register his vehicle in person.

Whether the driver uses the mail or applies in person—the important thing to remember is to be very careful NOT to separate the three-part application form. A stick-down strip showing the new license number must be attached to all three parts of the form, then the tax office separates the form, returning the receipt to the owner.

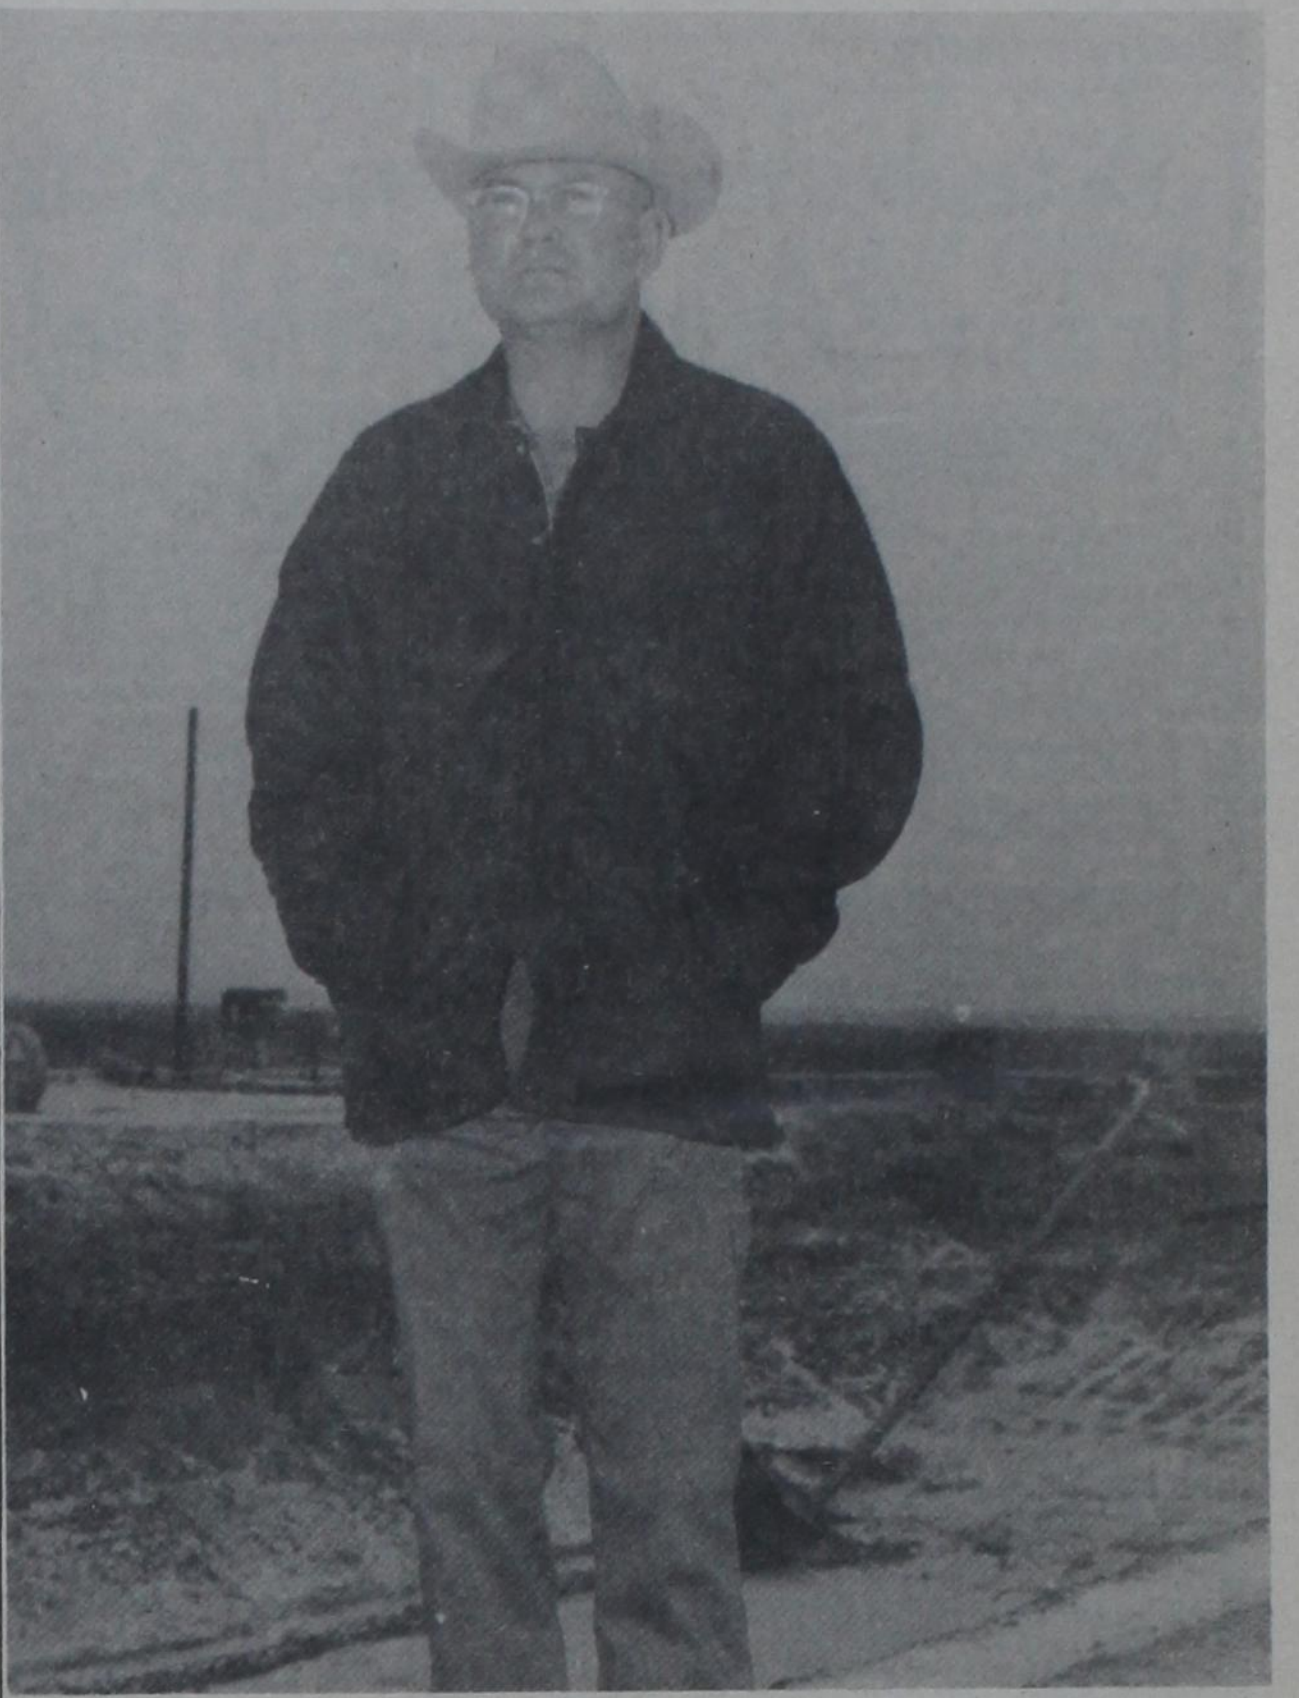

Application for license plates should be sent only to the county tax office. With the form, a certificate of title and last year's registration receipt is not needed.

During March, it will be necessary for owners to apply in person at the county tax office to obtain license plates.

**HAVE YOU REGISTERED?** Dorothy Wright (right) of the county tax office registers Mrs. Joy Jones to vote while the "voter thermometer" in background shows a recent total. County Tax Assessor Kent Birdwell estimated that 3,000 Castro County residents had registered to vote by Tuesday. The goal is 4,000 or more registered

voters in the county this year. First balloting will be in the city elections April 1 and party primaries May 6. Registration is free. You now register for a three-year period, and if you vote in any election during that time you are automatically re-registered.

CONSERVATION FARMER OF THE YEAR ... In background is his newest tailwater return system

## Glenn Merritt receives top conservation award

Glenn Merritt, who has built up a model farm between Dimmitt and Hart, has been named the "Conservation Farmer of the Year" by the Running Water Soil and Water Conservation District.

"**HE HAS** done more conservation work on his place than any other farmer in the county," said Larry Starnes of the local Soil Conservation Service office in announcing the 1972 winner.

Merritt farms 880 acres in the Five Point area, within sev-

en miles of his birthplace. Through the years, the soft-spoken farmer has used many water-saving and soil-building techniques to build an impressive conservation record and a successful farming operation.

His land lies in three separate or cornering plots. Half of a playa lake cuts into the north edge of his place, keeping more than 30 acres out of tillage in a normal year. And he has the usual water runoff problems—except that he has solved most of them.

**HE HAS 75 acres** planted to Bermuda grass, including two grassed waterways that take up 15 acres. He has reclaimed much of the lake area for optimum use. He has installed four tailwater return systems that reclaim both runoff water and rainwater, and says, "I could use another one." He completed his Great Plains Conservation Program contract in 1969.

For Merritt, conservation enters into every crop plan. He rotates his crops, planting one-third of his cultivated land in high-residue crops each year to keep his soil built up and prevent it from blowing.

### Heck announces for Pct. 1 post

George Heck has announced he will seek the office of County Commissioner for Precinct 1, subject to the action of the Democratic primary election May 6.

**HECK, 46,** was born and raised in Castro County. He farms 1,400 acres southeast of Nazareth.

"My main objective will be to try to keep better county roads if I'm elected," Heck said.

A member of the Nazareth American Legion Post, Heck served in World War II in Manila, Leyte and Okinawa with the 187th Airborne Div., and later with the Allied Occupation Forces in Japan.

He and his wife, Vera, have eight children. Heck attended Nazareth Public Schools.

### Castro NFO picks Schulte

Leonard Schulte of Nazareth was elected Castro County chairman of the National Farmers Organization Monday night in the community room of the Farmers State Bank in Hart.

**OTHER officers** for the coming year are vice-chairman, Deryl Clevenger; secretary and treasurer, Johnny and Norma Schacher; trustee, C. C. Hanes; and public relations, Mrs. Robert Huseman.

Committees for the new year were also elected at the monthly meeting, and representatives spoke on the importance of block selling of farm products.

Members of the grain committee are Deryl Clevenger, Weldon Jones, Bob Kay, David Nelson and Wamon Foster.

The meat committee members are Edd Ramaekers, Elmer Schulte, Wade Mills and James Welch.

Members of the cotton committee are Deryl Clevenger, Weldon Jones, Bob Kay, David Nelson and Wamon Foster.

**BOBBY MCBETH,** Amarillo area cotton representative, spoke on the importance of blocking cotton for sale in 1972. He said to maintain good prices, blocking is necessary.

Bobby Flowers, area meat representative, talked of the importance of blocking livestock to keep meat prices up.

Members of the NFO were reminded to pay their dues and participate in the future meetings. About 20 members were present at the meeting. A sausage supper is planned for the near future.

### Mrs. Contreras's funeral is held

Services for Mrs. Jofia Contreras, 85, were held Tuesday morning in St. William's Catholic Church in Tulia.

Rev. Rex Nicholl, associate pastor of the Sacred Heart Catholic Church of Plainview, officiated. Burial was in Rosehill Cemetery under the direction of Wallace Funeral Home.

A native of Mexico, Mrs. Contreras moved to Tulia from Dimmitt a month ago. She was a resident of the Tulia Nursing Home.

## Bar association elects Buntyn at annual meeting here Monday

County Attorney Robert Buntyn of Dimmitt was elected president of the 64th Judicial District Bar Association at its annual meeting Monday night at the Colonial Inn Restaurant.

**THE MEETING** featured an address by Chief Justice Jim Ellis of the Court of Civil Appeals in Amarillo.

George Jennings Jr. will serve as vice-president of the attorneys' district association this year, and Ken Owen will again be secretary-treasurer.

Judge Ellis challenged members of the association to be "gentlemen of the law" in all their actions. While both entertaining and challenging his fellow bar association members,

"A lot of farms in the county may blow, but Glenn's doesn't," Starnes said. "His topsoil stays right where it is."

**DURING THE 1971 crop year,** Merritt raised approximately 345 acres of grain corn, 181 acres of sugarbeets and 50 acres of cotton. He didn't harvest any wheat during the 1971 crop year, but has a wheat crop now.

In addition to his farming program, Merritt has a cattle "warm-up" operation, sending (See MERRITT, Page 14)

### Commission races draw spotlight as deadline looms

With the Feb. 7 filing deadline just four days away, the commissioners' court races have drawn the election spotlight in the county, with six men seeking the two available posts in the May 6 Democratic primary.

**THREE MEN** are in the race for the Precinct 1 chair on the county commissioners' court. They are George Heck, Dean Sanders and L. J. "Bud" Steiert. Long-time Commissioner E. I. "Tump" McLain has not filed for re-election.

In Precinct 3, it's a three-man race between Jimmie Howell, Andy Schumacher and incumbent J. M. Wright.

No other contested races have developed for county offices so far.

Judge Ellis quoted Burke of England as he traced the history of "gentlemen of the law."

**HE DESCRIBED** the gentleman lawyer as "thinking with his heart," fighting for rights and self-respect of all citizens and being a profile in courage.

"Gentleman lawyers have an obedience to the unenforceable," Judge Ellis concluded.

Honored guests at the meeting were Judge and Ms. Ellis of Amarillo; Judge and Ms. Charles Reynolds of Amarillo; two county judges, Judge Henry Heck of Hale County and Judge Raymond Wilson of Castro County; and Hale County Probation Officer Clarence Lewis and his wife.

Sheffy's chatter

# Wootens return home from South Texas trek

By MYRTLE SHEFFY  
Mr. and Mrs. Richard Wooten are home from a trip south. They first stopped in Junction and that area to visit, on to Uvalde and Crystal City, then on to Falcon Lake to fish. They saw the Clarence Beardens and their kin. They tried to fish but the weather was misty, foggy and just plain uncomfortable. The ladies went to Zapata to see the stores. Ruth says it is a Mexico-type town. The Wootens went on to Del Rio and tried fishing in Lake Amistad. A few fish were caught. Ruth says the citrus trees are a thing of beauty, as were the Bougainvillea, which were in bloom all around the towns. The Beardens came home by way of Buchanan Lake.

ETHEL LOWE'S daughter came to see her one day. They were Mickey Ezell and granddaughter Candy Annen, who is Don's daughter. Peggy Mills of Amarillo and Ethel went home with them. She and Raye Cotter and Rickey heard the great preacher Angel Martinez at the Baptist Church in Amarillo. Ethel then went on to Spearman to visit daughter Sonya and Ted Godfrey and girls. Mrs. Ted Robb and her guests, young misses Debbie Murdock, Carla Carpenter, Cheryl and Jan Robb were having dinner at the Colonial Inn Restaurant Sunday. The daddy Ted Robb and son Larry, V. C. Hopson, Wade Mills and Mr. Black of Hart and several others whose names I didn't get, went to the Aspermont area last weekend to hunt quail.

Don and Betty Carpenter went out to Tucson, Ariz., to visit her mother. Nice to be out in the warm sun country in January. Shorty Trimble attended the funeral service for a nephew, Allen Jerrell, in Odessa one day recently.

BOB AND Jeannie Estes of Hugo, Okla., and their daughters Karen Estes, who teaches at Las Cruces and Kathy who is a student at Tech were Sunday guests of Bob's sister Helen Richardson.

Joe Hammond and friend Tony Belew of Texas Tech at Lubbock were Sunday guests of Joe's parents, the W. B. Hammonds. Tom Davis had a bad spell Friday, maybe a mild heart attack. His wife Johnny, James Bradford, Josie and the Burl Bradfords took him to High Plains Baptist Hospital in Amarillo.

Paul Harris went to Commerce this week to check out the college possibilities. Paul is the son of Dr. Jack Harris of Dallas and Betty Harris of here. Betty works at the clinic. Ivor and Hazel Bagwell went to Dallas to help celebrate daughter Nelda's birthday and for a visit. Nelda and husband Marion Fallwell are living in Dallas now and he is a lawyer. The Bagwells came home by Weatherford to see schoolyard friends Mr. and Mrs. Pryor Cornett.

MR. AND MRS. Jodie Minnick went to Mineral wells to be with his mother who had a heart attack. We haven't heard any more.

Ralph and Amy Glover have had company from Grass Valley, Calif., Amy's sister and husband Mr. and Mrs. Ross Nettles. They also visited a sister Mrs. and Mr. Hub Dillar at Hereford and a sister Eva Doty at Sudan. Mrs. Glover had done a nice thing "frame" for an old violin belonging to the girls' father. I plan to go see that.

Mrs. Andy Schumacher and Mrs. Frank Hoelling of Nazareth flew up to Columbus, Neb., to attend the memorial service for their aunt Mrs. Henry Heiman. It was in the Catholic church.

MR. AND MRS. Stanley Schaeffer were hosts Wednesday night at a farewell party for Nick and Olivia Gonzales who are moving this week to Kermit. 110 people came. They presented a money tree to the Gonzaleses. Cookies and coffee were served. I don't know who helped. We couldn't go because of two other commitments.

Do go by the hospital and visit your friends if they need company, and stop at the gift shop. Amy tells me that the pink ladies have many pretty things including needlework by Virginia Gilbreath.

Mrs. Alfred Hamblen and her son and daughter-in-law of Canyon and Wayside came by to see me one day, bringing her new book, "Rim to Rim," a story about Will Hamblen of Wayside and his 40-year efforts to get a road across the Palo Duro Canyon. He graded out a sort of wagon trail. They voted at Claude now they have the much needed road, Silverton Crossing.

MARINE Graham Sheffy is

home from three years in service for good (maybe). He says he sweated the time out in the desert, 29 Palms and Yuma, Ariz. He had a good time. He learned electronics and much drill and taught the new recruits.

Mrs. E. R. Hutto of Bovina has been here a few days visiting her daughter Roxie and Robert McLean and also to be with her mother Mrs. Fite, formerly of Wildorado, now living at the home. Mrs. Fite is in Plains Memorial Hospital.

Sam and Virginia Gilbreath and Joe and Dugan Butler left here Sunday for Sun City, Ariz. That is near Phoenix. I hear Sam and Joe plan a little golf. The girls will probably go antique hunting.

DR. AND MRS. Bill Lee are at Galveston for a few days on business. Seems Bill attended some medical refresher courses.

Juanita Sims of Hereford was a Sunday dinner guest of her sister Ola and Shorty Trimble. Also they visited their mother Perlie Beck at Golden Spread Nursing Home.

Mrs. Shorty Oldham came home from Mayo's Clinic in Rochester Thursday. Her Baptist Sunday School friends look food to the house as a welcome back token.

Several people are going to WTSU this semester from here—Nancy Fuller, whose husband Craig is at Cam Rahn Bay in Vietnam, Verbie Nelson, Shelly George Rice, Kathy Paetzold, Rodney Patton, the Crum brothers, Gary and Gail, the Golden twins Ronald and Donald and their wives, Delores and Vicki, Paula and Karen Birdwell are back. Suzanne and Lynt Merritt are also back in school. Probably many more I don't hear about.

MRS. RAY Jo Riley was hostess at a bridge party Thursday afternoon. Guests were Ruth Jackson, Katy Graham, Carolyn Jones, Ina Cleavinger, Mona Merritt, Betty Boothe, Shirley Wise, Gail Bruegel, Sue Merritt, Dorothy Gilbreath, Pat Bagley and Joannis Robertson.

Yolanda Ramirez of the Amarillo Daily News came to Dimmitt Wednesday to get feature stories about some of our Dimmitt people. It was my pleasure to take her to the Fred Bruegel's home. You will find his story in the news this week. She also visited J. R. Brown at the elevators and Mr. B. M. Nelson of the Castro County News. She remarked about the friendly people she met here.

NETTIE Graham was hostess to the Elephant Birthday Club with a dinner on Wednesday. Each lady brings a dish of her favorite food. I think this club is about 30 years old. Guests in Nettie's home were Retta Cluck, Rachel Hunter, Hazel Merritt, Ruby Maples, Maggie Boren, Faye Kenmore, Mary Kirkpatrick, Libby Humphries and Lois Bartlett.

Margaret and Jim Leinen of Baldwin Park, Calif. were here for a visit with Margaret's folks Jimmie and Della Chapman, and Jim's mother Lucy Leinen of Nazareth. Jim is with the Los Angeles police force. Duke Chapman is with the Marine Air School at Jacksonville Fla. now.

Tommy and Donna Stafford and two small daughters from Colbran, Colo., were here for a few days visit with Donna's mother Mrs. Rex Sheffy and Tom's grandmother Dora Houtchens.

Ken and Mary Ann Gill are newcomers to Dimmitt I recently met. Ken is a student at WTSU. Mary Ann teaches special Education at North Elementary. Their home is in Miami.

ALLAN and Peggy Webb had company Sunday. They were Mr. and Mrs. Jay Vineyard of Amarillo, Ouida and G. L. Willis, Jay Lee and Reba Touchstone. Saturday Peggy and Allan flew down to El Paso to see about the aged relatives who are in a nursing home.

Our Birthday Girl this week is Mrs. Sam Butler, who was 87 years old Monday, Jan. 31. Several people went by the house for coffee and greetings. Coming in for dinner were daughter Jewell and her husband Clint Price of Salt Lake City and son Willie and Mineola Butler of New Mexico, a grandson Vick and his wife from Lubbock.

JERRI BUTLER was hostess to three tables of bridge ladies last Thursday. Don't know all the guests. Seems last week was party time for folks.

Charles and Lois Wess were hosts at bridge and dessert Saturday evening. Guests were the George Sidesees, the Dale Winders, the George Bagleys, the Reeford Burrouses, and John and Dorothy Gilbreath.

Shotgun and Florene Stafford of Tulsa were here to visit her mother Dora Houtchens and a

sister Mary Hestand who had surgery in the Plainview Hospital. Mary is fine now.

Polly Bell had a few friends in on a recent Tuesday evening for games of "42". She served a fruit cake and coffee to Mamie Birdwell, Billie Wesson, Blackie and Sara Blackwell, Myrtle and Sid Sheffy, Offie and Charlie Burks, Effie Horton of Dallas who is a guest of the Burks, Bish and Burl Bradford.

Our sympathy goes to the family of Thomas Earl Harrison who died last week. Earl was a friend to all the people in this area. He will be missed.

Mrs. Lilla Mae Hunter of Dalhart was here for the service and for a visit with other friends.

HERE ARE a few school news items I heard about. Libby Cleveland tells me that several members of the senior class did a fine clean-up job on the paint mess on business buildings. The clean-up crew did "not" do the painting. The town thanks you and I thank you. Mrs. Cleveland is sponsor of the senior class and the students will be selling lemon scented candles to help pay for the graduation expenses. And the big speech tournament (regional) will be in Dimmitt Saturday Feb. 5.

The band regional meeting was in Lubbock.

Coach Kenneth Cleveland was one of the speakers at a regional meeting of coaches at Lubbock. And the basketball tournament was here last weekend, but the sports writer will give you that news.

I talked to Helen Richardson who is South Grade School Principal. She gives me some of the programs coming up, such as all school secretaries will meet for a workshop in educational matters at Brownfield Saturday the 5th and another, Carol Lantz, school nurse and Head Start teachers Lindon Hollins and Lottie Smith will attend a workshop at Lubbock Feb. 4th and 5th.

THE PARENTS of the varsity basketball girls were hosts to the varsity girls and boys Friday night for a spaghetti supper at the home of Goldman and Carole Dyer. Bob and Nelda Askey, Kenneth and Libby Cleveland, managers and Harold Bob and Ruth Bennett were also guests. Parents who assisted with the supper were, the Houston Lusts, Kenneth Jacksons, Buster Tidwells, Calvin Pettys, Charlie Whites, Buford Newtons and Dale Winders. I heard that 53 ball players and friends were at the Dyer supper.

The county teachers enjoyed a salad supper and business meeting at the Hart School. Helen Richardson says the grade school kids decorated the tables and walls with a very fine art exhibit. Bobby Crooks, president, presided at a business meeting at which new officers were elected. But I forgot to get the names so we will do that another time.

RALPH Smith, band director of the Dimmitt Band and Nolan Froehner, director at Nazareth went to Lubbock Thursday to the all Regional Band meeting. The big concert was Saturday night and Avis Smith, Evie Froehner, and Junior High director Richard Bales and his wife Noreen went down for that. Mrs. Horace Carlile was hostess at her bridge club, Thursday afternoon. Her guests were Helen McLean, Reba Touchstone, Maxine Tidwell, Virginia Gilbreath, Margaret Wilson, Pearl Sheffy, Jeannie Miller, (who won high score) as did Helen McLean. "Both of them are smart."

Dorothy Hopson and Jerrine Parks went to Amarillo Wednesday to attend a trainee program for new weight watchers. Dorothy says if you are interested come to the local meetings at the class room in Methodist Church each Monday at 10 a.m. or 7 p.m.

Rex and Dorothy Sheffy and son Brett went to Van Horn Wednesday on a business trip. Also they visited the Floyds and other friends they knew when they lived there. The weather was a warm 82 degrees. Son Scott stayed with us.

HERB AND Dorothy Mayfield and children Marla, Bryan and Britt visited Herb's brother Smokey and his family at Stinnett over the weekend. Herb's niece Cindy was a runner-up in a beauty contest at the Stinnett School.

Pam Woodard's sister Mendy Sternberg visited them Saturday. The Woodards have a new nephew who was born Sunday to Pam's brother and his wife. He weighed 7-pounds, 8-ounces and has been named William Clay.

Mrs. Neva Hickey of the Village Shop and Al Jackson and Mrs. Kate Beecher of Cobbs are home from a summer show market in Dallas last weekend.

### 1—REAL ESTATE, HOMES & LAND

### GRASS and WATER!

2 sections of grass, (small amount in cultivation), approximately 500 acres would row water. Irrigation wells on all sides of this land. Good fences and windmills, corals and pressure pump. With the addition of more irrigation wells and with sprinklers, the grazing potential could be enormous, or part could be used for transferred cotton acres. Reasonably priced. Good financing with reasonable down payment and low interest loans for a qualified purchaser.

300 acre irrigated farm on pavement, two irrigation wells, a good place to build a home, on a nice farm.

1/2 section irrigated farm near Dimmitt. Three irrigation wells tiled together, a near perfect farm. A qualified buyer may assume low interest loans and make acceptable down payment.

Well improved short half irrigated farm on pavement. Two irrigation wells tiled together. Good allotments and yields. A nice place to live.

## Boy's finger pulled off in basketball accident

By TEENY BOWDEN

DICKIE Bradley lost a finger last Sunday afternoon in a freak accident, but the finger has been sewn back on. He was playing ball at the Springlake Earth gym and his ring caught on a bolt attached to the basketball goal. His weight on the ring tore the finger from his hand. He was treated at the Medical Arts Hospital in Littlefield and was dismissed at noon Monday. His dad, Roy Bradley of the El Paso Natural Gas camp, spent the night at the hospital with him.

Mr. and Mrs. J. C. Holbrooks, Mrs. E. R. Sadler, Mrs. Ezell Sadler and Mrs. L. B. Bowden attended the funeral services of Mrs. Mattie Turner in the First Baptist Church of Dimmitt last Tuesday afternoon. Mrs. Turner was a charter member of the Sunnyside Baptist Church and a resident of the community for many years. They came to the community in 1915 and lived for five years on the place now belonging to C. J. Fowlkes. Then they bought a half section of land in the southwest part of the community where they made their home until 1950 when they moved back to Dimmitt. They first lived in a two-room house, but later bought the Abbott school building and

Homemakers get tips on packing

By MRS. OWEN ANDREWS
Frio Homemakers Club met Tuesday afternoon in the First National Bank community room with Mrs. Ronnie Andrews as hostess.

She made suggestions as to how to plan a minimum wardrobe and how to organize accessories with costumes for ease of packing and using.

Others attending the meeting were Mrs. Eugene Baldwin, Tommy Sparkman, Annie Lee Dobbins Henry Andrews, Annie Springer, Jim Brooks, J. E. Warrick, Laura Littrell, T. L. Sparkman Jr. Owen Andrews and Miss Alma Andrews.

MRS. GRACE HENSON of Englewood, Fla., came this week to visit her relatives, the Elza Warricks and H. E. Lindleys. She is here especially for a checkup with her physician in Amarillo.

Word was received here of the death on Tuesday night of Newt Lawson of Grandfield, Okla. former resident of this community. Funeral services were held there on Thursday.

Mrs. B. H. Baldwin returned home last week from a month long visit with her daughters. Mrs. Wesley Earp of Denton and Mrs. Ben Dean of Fort Worth. She went home with the Earps' when they were here for Christmas.

MR. AND MRS. Lloyd Shultz were at Dallas last week for Lloyd to see an eye specialist. They also visited three of his brothers, Alvin of Roscoe, C. C. of Alvarado and A. L. of Tulsa who was visiting in Dallas, and their wives.

Mrs. Sam Ogan is continuing to improve from her burns received in the Frio parsonage fire Jan. 12. She is making steady progress, but during this stage of healing she is feeling severe pain. The doctors say it is due to increasing sensitivity of nerves and blood circulation which have been somewhat in shock—as is normal for burn injury. She is still in intensive care at High Plains Hospital.

STATE SOYBEAN MEET

The fifth annual meeting of the Texas Soybean Association will be held February 4 at the Texas A&M Agricultural Research and Extension Center at Beaumont. Registration begins at 8:30 a.m. Profits and factors influencing price will be major topics of discussion, says R. J. Hodges, Extension agronomist.

HOUSING MANAGER WILLIAM J. T. ROBERTSON
... With first migrant housing permit issued in Texas

County housing project gets No. 1 state permit

The Castro County Agricultural Housing Association has received the state's first Migrant Labor Camp Permit issued under the new laws governing the quality of housing for migrant workers.

WILLIAM J. T. Robertson, manager of the local housing complex, said that until the stiff new Texas law was passed the only guidelines affecting housing for migrant workers was a federal law. However, this law applied only to housing used by migrants who traveled interstate.

The new law requires any company or person that furnishes housing for more than 15 migrant workers, including children, for more than three days of a year to ask for state inspection, meet all standards of the law and obtain a license, Robertson explained.

The Commissioner of Health, Texas State Department of Health, is in charge of inspections and permits.

THE NEW state law was put into effect after federal laws governing interstate migrant workers' housing. Some of the requirements are first aid kits, cooking and eating facilities separate from living quarters, water supply tested by the state

labs for purity, and a number of other health and sanitation measures, Robertson said. Robertson explained that the license cost is based on the number of families housed and costs \$20 to \$50 depending on the size of the housing unit.

A heavy fine and possible imprisonment or both may be imposed on the owner if he fails to provide the required facilities, or on the occupant if he destroys or doesn't use the facilities, Robertson said.

"THE LAW is stiff and many places may be unable to obtain the housing permits," Robertson said.

KC's serve steak to 160

By Mrs. Florance Albracht
The Knights of Columbus had a steak supper Saturday night. They served around 160 plates. Later the evening was spent playing cards.

The Dimmitt Agri Industries, Inc. sponsored a dinner Monday evening at the Nazareth School cafeteria. The meal was served by the PTA.

MR. AND MRS. Clarence Schulte went to Muleshoe for dinner Sunday with the Phil Brockmans. They also went by to see their new home which they're building six miles west of Lazbuddie.

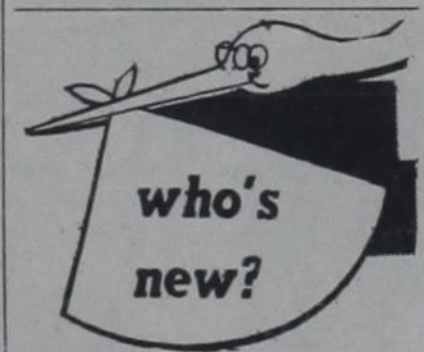

The Paul Venhauses, Albert Venhaus and wife, Helen Backus and Agnes Brockman went to Clovis Wednesday evening for supper at Mrs. Hilners and the Kaplans. They visited a few minutes with Phil Brockman at Clay's Corner also where he works.

Mrs. Frank Hoelting and Mrs. Andy Schumacher flew to

Columbus, Neb. Saturday to attend the funeral of their aunt Mrs. Henry Heimann. The Henry Heimans had celebrated their Golden Wedding the past summer.

Helen Backus spent the weekend in Hereford with the Francis Backus family.

Mrs. Mary Booher retires Monday

Mrs. Mary Booher, who has prepared and served food for nearly every student attending Dimmitt Public Schools during the last 20 years, retired Monday.

HER FELLOW service employees, teachers and administrators gathered in Dimmitt High School cafeteria Monday afternoon to honor her with a retirement reception. They presented her with a money tree, and ladies served coffee, punch and homemade cookies.

Mrs. Riley's brother dies

Clyde P. Davis, 70, who farmed in the Littlefield area for the past 12 years, died Monday in Medical Arts Hospital in Littlefield. Mr. Davis was a brother of Mrs. Ray Riley of Dimmitt.

SERVICES were held Wednesday afternoon in Crescent Park Church of Christ with Bob Wear, minister, officiating. Burial was in the Littlefield Memorial Park under the direction of Hammons Funeral Home. Mr. Davis was a native of Rocky, Okla. Survivors include his wife, Minnie; a son, Wayne of Lubbock; a daughter, Mrs. Joyce Lance of Lubbock; three brothers, Banks of Littlefield, Boyd of Hobart, Okla., and Burl of Mountain Park, Okla.; a sister Mrs. Riley of Dimmitt and three grandchildren.

who's new?

Colonus visited their mother, Mrs. Flo Backus in Happy Sunday. Mr. and Mrs. Albert Schulte and Mrs. Greg Hoelting are in Denver visiting the Marvin Schultes and their new son, Brad. Mrs. Hoelting will also be visiting their son Denis and family in Denver and the Leroy Hoeltings in Colorado Springs.

Mr. and Mrs. Leonard Enders of Oklahoma City spent the weekend here with the Ernie, Arnold and Len Brockmans.

GORDON Wilhelm, son of Francis Wilhelm, was the only one seriously injured in a wreck east of town Friday night. Several other youngsters were involved, but lucky none required hospitalization.

Lots of cold weather again the past week and more promised for us by the weatherman for the week.

Our trip to San Antonio to see our son Art was great. We spent a couple hours at the Alamo, took a river boat ride with weather at 88 degrees, saw a pro-basketball game, Chicago Bulls vs. Houston Rockets at the big convention center, went to Austin and saw the big new L.B.J. Library. The weather was very warm for a few days until the north blew in and they had rain for a couple days and much cooler weather.

FRANK Hoelting and Leonard are spending a few days in Amarillo with the Ronnie Hoeltings while Mrs. Hoelting is attending the funeral of her aunt in Nebraska.

The Laverne Wilhelm family and Mrs. Ozetta Wilhelm of Hereford enjoyed dinner with the Bert Wilhelms in Umbarter Sunday honoring Sister Francis Mary, daughter of Mrs. Frank Wilhelm of Hereford. Sister Francis Mary is here on a visit while school is dismissed for summer vacation. She has been teaching in Chile (Santiago), South America the past 8 year and will return there in a couple months.

FOOD-WASTE CHAIN
A small farm in Sydney, Australia is showing that an inter-linked food-waste chain is possible, points out Dr. David Mellor, Extens on poultry marketing specialist. The food cycle on the farm works its way down through turkeys, cattle, hogs, ducks and fish. The fish are finally ground up and fed back to turkeys and hogs. The farm annually produces 4,000 turkeys, 250 hogs, 25 head of cattle and 500 ducks on only 10 acres of land. Poultry fits in well in the food-waste chain as the feed to food conversion for all poultry is among the best of any animal species.

Courts fuel Smith-Barnes feud; editors favor Briscoe in poll

AUSTIN—One adverse federal court decision after another fuels the feud between Gov. Preston Smith and Lt. Gov. Ben Barnes.

SMITH WAS quick to blame Barnes for the failure of a 1971 (filing fee statute which threatens to force a special legislative session.

While that issue was still raging, another Dallas three-judge court struck down the legislature's congressional redistricting plan. Once more, Smith accused the lieutenant governor of "reluctance" and "inaction" on redistricting.

When a third court frowned on House of Representatives redistricting in major counties as done by a board Barnes served on, Smith once more leveled at the lieutenant governor charges of "immature action" and lack of leadership. Single-member districts were ordered for Bexar and Dallas counties.

SEN. J. P. WORD of Meridian, speaking in Barnes' defense, said Smith offered the legislature no leadership himself and reminded that the governor could have vetoed the congressional redistricting measure if he didn't like it.

Meanwhile, Atty. Gen. Crawford Martin succeeded in getting a temporary postponement of the congressional redistricting order. The US Supreme Court agreed to delay the new plan pending appeal.

US Sen. Lloyd Bentsen, who intervened as a friend of the court in support of the stay, said congressional candidates for this year, at least, can run in the districts given them by the legislature.

THAT WOULD be a relief for Congressmen Graham Purcell of Wichita Falls and Omar Burren of Anson; Jim Wright of Fort Worth and Ray Roberts of McKinney; and O. C. Fisher of San Angelo and Abraham Kazen of Laredo, who had been pitted against each other in the federal district court plan.

If he has to call a special session on primary election financing, said Smith, he will expect "those responsible for creating this problem" to come up with "workable alternatives."

GOVERNOR'S POLL TAKEN

Delph Briscoe won another editor's poll last week at the Mid-winter meeting of the Texas Press Association. Editors were asked first who they thought would carry their county—if the vote were taken on that date (Jan. 24). Forty-eight editors responded to the poll with this vote: Briscoe, 18; Preston Smith, 13; Ben Barnes, 12; Barnes-Briscoe tie, 2, and three undecided.

They were asked: "How will you vote in the 1972 governor's race?" This was the result: Briscoe, 28; Smith, 6; Barnes, 5; Grover, 1 and undecided, 8.

CRIME FIGHT PROPOSED

The governor's Criminal Justice Council promises a legislative drive for laws to help stamp out organized crime in the state.

Mafia-type operations have been noted in Texas by the President's Commission on Law Enforcement and Administration of Justice and other investigators, the council's new 1972 plan points out.

Further, states the council, many bets on sports events are being taken by bookie shops with national "confederation" affiliation.

This legislation was recommended: —Power for the attorney general to bring suit in criminal cases.

—Subpoena power in a statewide grand jury or crime prevention council.

—Permission for electronic surveillance (including wiretapping).

The council proposes to spend about \$1 million of its projected \$25 million 1972 allocations for action against organized crime.

INSURANCE HEARING SET

The State Board of Insurance has set a Feb. 15 hearing on broader damage coverage, and higher liability limits for coastal and beach areas, under the new Catastrophe Pool Act.

Due for consideration is a deductible on beach dwellings of two percent of the amount insured, with a minimum deductible of \$250 and elimination of percentage deductible on beach commercial risks substituting a \$500 flat figure. The board also proposes to consider adoption of building specifications for high risk coastal areas.

The board will also consider hiking coverage limits to \$1 million on beach dwellings and \$5 million on commercial risks. Under the present pool, windstorm damage is limited to \$100,000 on a beach home and \$500,000 on a commercial venture such as a marina or hotel.

ATTORNEY GENERAL'S OPINIONS

A county has authority to construct and operate an area or regional waste water collection and treatment system and perform water quality management functions, Attorney General Martin held.

In other recent opinions, Martin concluded:

—An independent school district lacks authority to give an outright 20-year lease of property to a neighborhood center.

—Fees paid erroneously to the Industrial Accident Board and placed in the state treasury may not be refunded in absence of a legislative appropriation.

—The State Building Commission has authority to contract with the Texas Parks and Wildlife Department for construction of state park projects and may contract with the State Highway Department for roads, trails, bridges and parking areas with Board of Control approval.

—Parks and Wildlife Commission has authority to control taking of fish from public waters, but it's doubtful any rule imposing restrictions on bass tournament participants that would not apply to other fishermen would be valid.

—Any applicant for certification as a psychologist must have received the doctoral degree.

—Texas Education Agency cannot participate separately in payment of premiums of insurance for its retired employees.

—The 1971 rules adopted by the Texas State Board of Dental Examiners are valid.

—The Industrial Accident Board has jurisdiction over industrial injuries to employees of the City of Bryan.

—A \$5,000 legislative appropriation to Elm Creek Water Control District is valid, and the governor has no authority to veto a portion of an appropriation.

COURTS SPEAK

A candidate for state senator must live in his district only one year before the date of the general election, the State Supreme Court held.

Overruling the Austin Court of Civil Appeals, the High Court found legal the University of Texas' acquiring 280 acres of its UT-Permian Basin campus site at Odessa through donation of park land acquired with county bond funds.

Kiwanians hear of Arabian life

An American's life in Saudi Arabia isn't as many Americans imagine it would be, Dimmitt's Kiwanians were told by a former member at their noon meeting Monday.

SPEAKING to the club was Homer Nesbitt, a senior electrical specialist with the Arabian-American Oil Co. (ARAMCO). A former employee of Dimmitt Agri Industries, Inc., Nesbitt now lives at Ras Tanura in the central west coast of Arabia, where ARAMCO has its offshore loading facilities.

He explained that Ras Tanura is an international community—as are most other Arabian oil centers—with Dutch, English, German and American citizens working with Arabians to supply the world with most of its oil.

"The company provides nice homes, a hospital, commissary, stores, and so forth, although there aren't many cities in that area that you'd want to visit," he said.

RICE IS the principal food in Arabia, Nesbitt said. Arabians mix it with many other foods and spices, and eat it without utensils almost every meal.

The traditional Arabian barbecue is called a "goat grab" by Americans, and Nesbitt attended a company-sponsored one just before leaving for his present vacation in the US.

"The tables were taken out of the dining hall and were replaced by carpets, then the carpets were covered with tablecloths," Nesbitt said. "They brought out large platters of

Odessan files for No. 2 post

Lieutenant Governor candidate Bill Jones has filed for the Democratic nomination with a statement deploring the "vacuum of responsibility" in state government and the legislative leadership.

JONES, an Odessa businessman, filed at State Democratic Executive Committee headquarters in Austin on Monday as a candidate for the Democratic nomination for lieutenant governor in the May 6 primary.

He pledged "a vigorous campaign, a direct people-to-people campaign in all sections of the state, a campaign keyed to the issues confronting Texas."

SCREWWORM CASES UP IN '71

Texas recorded 444 cases of screwworms in 1971, making the year the worst since 1968. However, confirmed cases had been down considerably in 1969 and '70. Fifty-six counties had screwworm outbreaks in 1971, with Val Verde County leading with 67 cases. Other counties with heavy incidences were Kinney with 44; Bowie, 31; Lampasas, 27; Brewster, 26; Webb, 23; and Fort Bend, 21. A total of 255 cases were chalked up in September and October. Livestock producers are urged to keep a close check on their livestock and to submit worm samples to the Screwworm Eradication Program, Box 969, Mission, Texas.

The Court of Criminal Appeals relaxed rules on admissibility of gory pictures in murder trials, holding, in effect, that use of photographs is largely up to the trial judge's discretion where it is "competent, material and relevant to the issue on trial."

APPOINTMENTS

James F. Ray of Arlington was selected executive director of the Commission on Intergovernmental Relations.

Gov. Smith named 10 more members of the Texas Criminal Justice Council. They are Mrs. Gladys M. Mangum of Clyde, Sidney L. Sadler of Pecos, D. V. Flores of Houston, Jim Lindsey of Del Rio, M.M. Vicars of Brownsville, Joe T. Morrow of Honey Grove, Vernon B. Rucker of Killeen, George M. Newman of Waco, Dr. John T. Holbrook of Bryan and Michael G. Reilly of Corrigan. Dr. Wallace Larson of San Antonio is the new president of Texas Veterinary Medical Association.

Ralph Yarborough designated Clifton L. Holmes of Kilgore as his assistant statewide campaign manager and director of organization.

Texas Water Quality Board will hold hearings Feb. 7-11 in Baytown on reduction of municipal and industrial wastes into Houston Ship Channel.

Discharges must be reduced to the level permitted by the Agency following a Galveston Bay shellfish conference. The federal rule required reduction of oxygen-depleting substances dumped into the channel to 35,000 pounds a day by 1975. About 100,000 pounds daily is the present level.

SHORT SNORTS

Texas building — 24 percent over 1970 — set an all-time record last year.

The Moody Foundation of Galveston approved grants totaling more than \$5 million to 120 programs and projects in 1971.

Gov. Smith told the Senate finance committee the federal government must assume 100 percent of welfare and medical aid costs.

Nolan Robnett of Austin is a Democratic candidate for state treasurer.

Tom McElroy of Dallas entered the Republican governor's primary. GOP leaders say they want a wide-open gubernatorial race.

Texas Industrial Commission plans foreign trade missions to Bucharest and Moscow.

Federal disaster aid has been approved for flood-hit Bowie, Delta, Fannin, Lamar, Rains and Red River Counties.

Planning offices for the 1972 national governors' conference in Houston opened at the headquarters Shamrock Hilton Hotel in Houston last week.

DIMMITT

Sackett of the Lions Clubs in District 2-T1 announced that this project, sponsored by the Lions Clubs to solicit public support for Girlstown, exceeded its goal.

Each girl received a new coat and a pair of shoes valued at \$50. Girls were permitted to make their own selections.

Sackett expressed his sincere thanks to all the radio, television and newspaper media that covered this project, and to all those who contributed to make some girl more fortunate at Christmas.

### Smithson named state champion in corn contest

Howard Smithson of Dimmitt has been named state champion in the 1971 "Project: 200" national corn growing contest, sponsored by the producers of Funk's G-Hybrids. His winning average of 187.7 bushels per acre was made on 5.7 acres with Funk's G-4646.

SMITHSON'S yield was the second highest within the southern region and was topped only by regional champion Raymond Walker of Gruver with a yield of 193 bushels per acre.

To qualify for Funk's-G Project:200, growers are required to harvest a minimum of two full acres of shelled corn with conventional harvesting equipment. Yields are then converted to No. 2 corn.

Smithson applied a herbicide and an insecticide and rotary hoed his contest corn. He irrigated the corn seven times during the season.

AT HARVEST on Nov. 5, plant population stood at 28,000 plants per acre and moisture level of the corn was 13.8 percent. This was then converted to No. 2 corn to calculate the final yield.

Smithson grew 95 acres of corn in 1971 and averaged 133.4 bushels per acre.

In recognition of the Project: 200 state championship, Smithson will be presented with a beautiful engraved plaque from The Producers of Funk's G-Hybrids.

TEXAS Building and Construction Trades Council has withheld endorsement of political candidates, and by doing so angered former Sen. Ralph W. Yarborough, a senate candidate.

### Brackett ends basic training

Airman Gerald G. Brackett Jr., son of Mr. and Mrs. Gerald G. Brackett of Dimmitt, has completed his US Air Force basic training at Lackland AFB. He has been assigned to Chanute AFB, Ill., for training as a fire protection specialist. He attended Dimmitt High School.

### Continental acquires five more systems

Continental Telephone, parent corporation of West Texas Telephone Co. here, has acquired five independent telephone companies serving some 10,000 stations.

THE LARGEST of the properties is Poland Telephone Co. of Raymond, Maine, serving 3,700 stations. The other acquisitions are Owyhee Telephone Co. in Idaho, Everts Telephone in Kentucky, Jackson Telephone in South Carolina and Hysham Telephone in Montana. The number of telephones in the Continental System now exceeds 1.8 million.

Terms of the individual purchases were not disclosed, but all were acquired for Continental stock, the total being 131,700 shares of Continental common.

### Attorney general warns against bogus schemes to 'earn at home'

Attorney General Crawford C. Martin today issued a warning for Texas citizens to be on the alert for bogus home employment schemes. Elderly people and housewives who are anxious to supplement the family income, but because of children or other obligations find it impossible to hold a part time job, are usually the victims of such operations, Martin said.

MARTIN pointed out the companies engaging in this practice typically place advertise-

ments in the "want ad" section of newspapers which tell of the chance to earn money at home. "Normally there is no disclosure of the type of work, but the pitch is made to send in a small sum of money, usually less than \$5, to show good faith or cover expenses. The work generally turns out to be addressing envelopes or some other similar activity," the Attorney General added.

While the "work" offered may vary, a common theme found in all of the plans is that the prospect is required to buy something from the advertiser. This purchase by the consumer is the gimmick, and this is what the company is interested in, not in providing employment, Martin continued.

By GERALD BROADSTREET

Greetings Comrades, I am pleased to report that our membership is steadily growing. Since my last writing we have increased our membership to 161; this is five more than we had last week.

MEMBERSHIP is our strength and we need strength when we tell our political leaders that we need more and better hospitals instead of cutting our funds and phasing out veterans' programs. If you members know of someone who is eligible to join, ask them to—we need their help.

Last Saturday we had a dance at the post home. As usual, everyone had a real nice time. The music was good and we had a real good turnout. On behalf of Commander Gene Johnson and the House Committee, I want to say thank you to all those who come out and participate in our activities. We do appreciate it.

COMING UP in February is our annual Sweetheart Ball conducted and sponsored by the Ladies' Auxiliary. These girls go all-out for this particular event: if you have attended a Sweetheart Ball in the past you know what I mean. This year the menu will be a spaghetti supper, and if I have my information correct, the sauce will be prepared by an authentic Italian cook.

As in the past, a dance will follow. Blackie and the Blackhawks will do the honors in the music department.

This gala event will take place at the post home Saturday Feb. 12. Make plans now to attend. You'll be glad you did.

COMRADES, don't forget our regular business meeting will be this Monday at the post home. We are closed for business that day and only members will be admitted. If you have any questions or just want to know what's going on, or if you have some ideas you'd like to present, come to the meeting. You'll enjoy it.

Keep in mind that Wednesday is our game night, and we get started at 8, so come on out and bring the family with you. See you then.

Recently the James Bliss Company of Pennsylvania has been joined by the Attorney General of Pennsylvania from using such false advertising practices, Martin said. "The Court decree provided that individuals that have been victimized by this scheme may obtain refunds of their money from the company," he added.

Martin asks that anyone who has paid money to the James Bliss Company and desires a return of the money to contact his Consumer Protection Division at P. O. Box 12548, Capitol Station, Austin, Texas 78711. Martin said these requests will be forwarded to the Attorney General of Pennsylvania for processing.

FURTHER, Martin asks people who have been victimized by other such ploys to forward the information to his Consumer Protection Division. Martin noted that many people do not complain to his office since the amount of money involved is so small. "Unless we are made aware of the vicious rackets, however, such activities on the part of unethical promoters may go on for some time before they are stopped," Martin concluded.

PEST CONTROL WORKSHOP

A workshop for structural pest control operators is set for February 21-23 at the Ramada Inn in College Station. Discussions will be featured on cockroach control, toxicology of pesticides, flying insect control, rat control, identification of insects and insecticides, effective communications and suppliers' responsibilities to pest control operators.

Rev. Charles Harris

### DHS grad is new Lee Street pastor

Rev. Charles Harris, a 1965 graduate of Dimmitt High School, is the new pastor of the Lee Street Baptist Church.

HE TOOK over the duties of the local pastorate Jan. 16, and has gotten "settled in" at the church parsonage at 402 SW Fourth St.

Rev. Harris comes to Dimmitt from Fort Worth, where he attended Southwestern Theological Seminary. He was ordained in March 1968 while attending Wayland Baptist College in Plainview. He has been pastor of the First Baptist Church of Turkey, Chalk Baptist Church of Paducah and Cowden Street Baptist Church in Fort Worth.

He was a junior in high school when his father, Earl Harris, was named manager of Dimmitt's Piggy-Wiggly Supermarket in December 1963. After graduating from Dimmitt High School in 1965, Rev. Harris entered Wayland Baptist College, where he received a BA degree in religion in 1970.

HIS WIFE, Deanna, is the daughter of Mr. and Mrs. Buster Morgan of Dimmitt. She graduated from DHS in 1967 and attended Texas Wesleyan College in Fort Worth.

### VA increases survivor pay

Increases in Dependents Indemnity Compensation (DIC) and veterans' pensions will amount to \$11,952,000 in Texas, according to Jack Coker, VA regional director at Waco.

ADDITIONAL payments under the new law signed by President Nixon last month are being received in monthly checks starting Feb. 1.

Widows' rates under DIC go up 10 percent while children eligible for these payments will get 5 percent more and parents 6.5 percent additional. In Texas, DIC payments total increase is \$4,529,000.

DIC is payable to survivors when a military service member dies on active duty, or when an ex-serviceman or retiree dies of a service-connected disability.

IN ADDITION, the legislation signed by President Nixon provided for a 6.5 percent cost of living increase for 2.2 million U. S. veterans, widows and children who draw VA benefits based on death or disability of veterans for non-service-connected causes.

## Little Dribblers loop expanded

So many fifth and sixth grade boys have signed up to play Little Dribblers basketball this year that league officials are expanding the program to 10 teams.

LEAGUE workers elected Gene King president at their 1972 organizational meeting last Thursday night. Other new officers are Ewell Kelly, vice-president; Billy D. Scott, secretary; Stanley Schaeffer, treasurer; and Kenneth Ringo, player agent.

With 103 boys already signed up by organizational night, league workers voted to add two teams this year and make it a 10-team program.

A player draft will be conducted later this month, and the season will start as soon as possible after the varsity basketball season ends Feb. 15.

THE LEAGUE will play two games a night, four nights a week in the Dimmitt High School gym. The season will last approximately four weeks, ending with an all-team tournament. Then an all-star team

will be chosen to represent Dimmitt in the National Little Dribblers Playoffs.

Fifth and sixth grade boys who haven't already signed up may do so by contacting Principal Emmett Broderson at North Elementary School.

Anyone wishing to help coach, manage or sponsor a team should contact Gene King at the school tax office at Dimmitt High School.

## Volleyball meet set in Canyon

The Chi Upsilon chapter of Beta Sigma Phi sorority of Canyon will sponsor its annual invitational volleyball tournament March 9, 10 and 11.

THE tournament will be held in the West Texas State University field house. First, second and third place trophies will be awarded in both men's and women's divisions.

The entry fee is \$7.50 per team, and all proceeds will go to civic projects. The entry deadline is Feb. 27.

More information and entry blanks are available from Nell Sims, Happy, Telephone 764-2684.

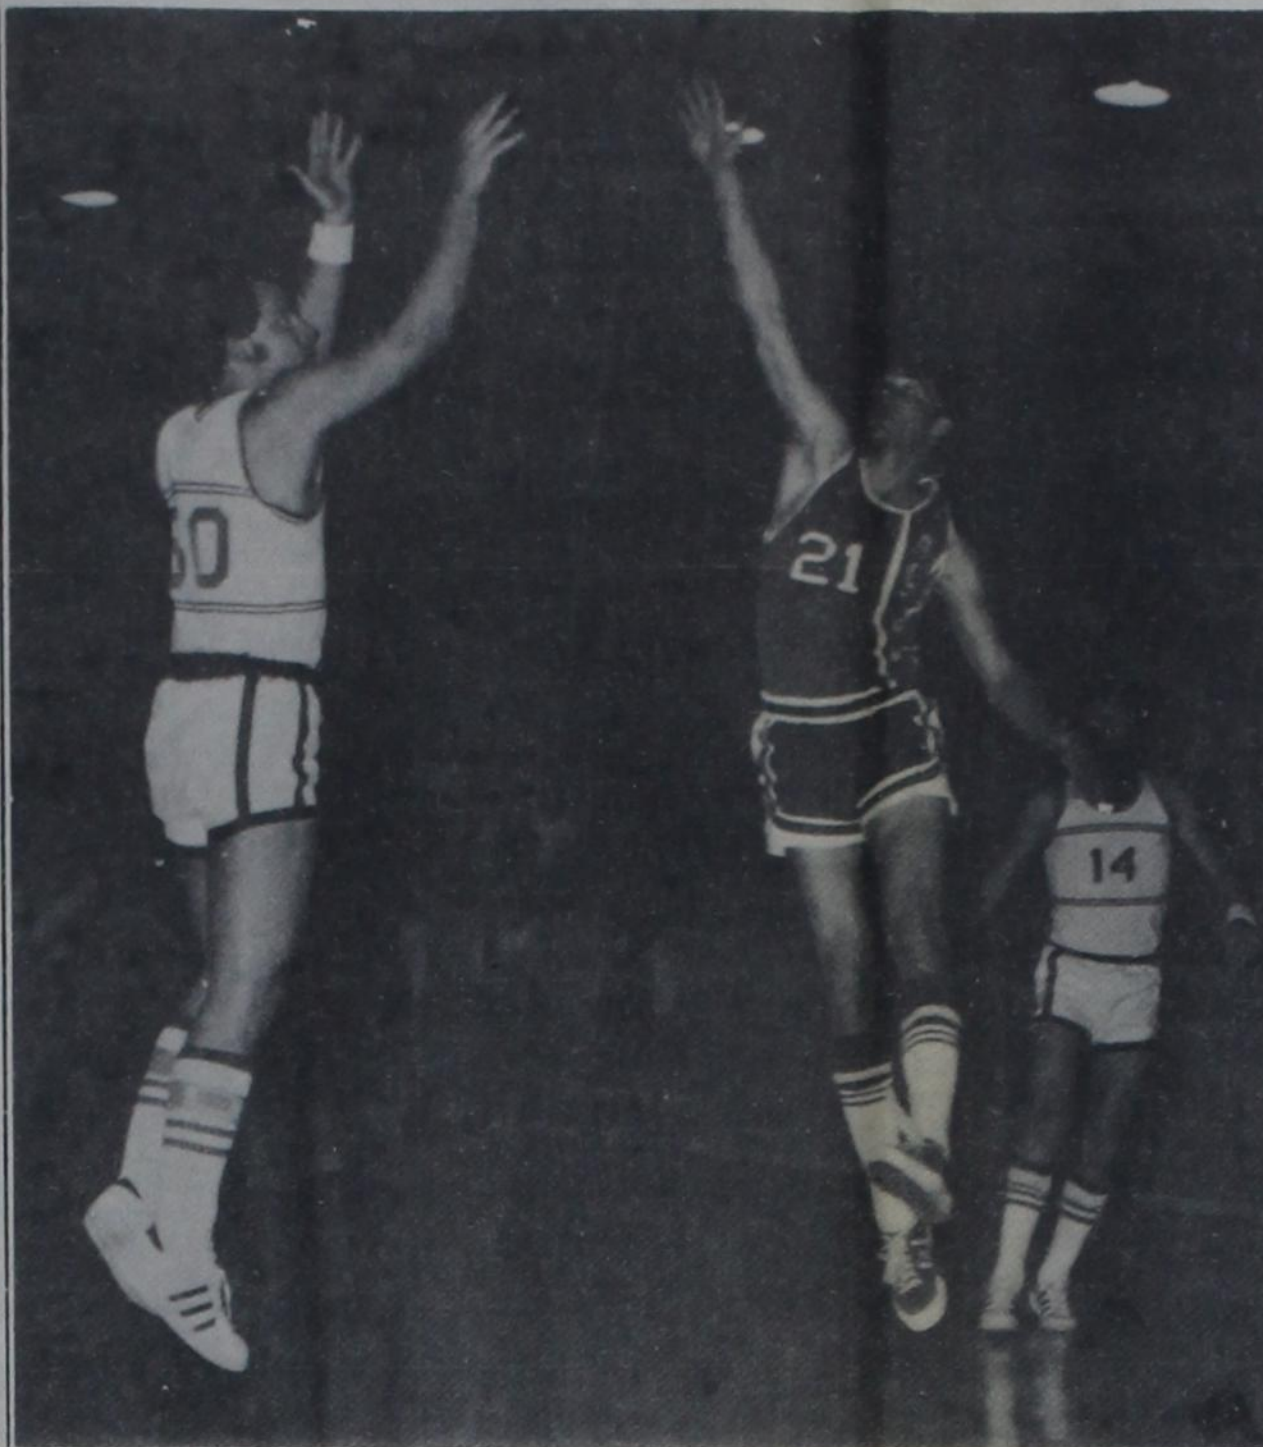

## Young Farmers get area award

The Dimmitt Chapter of Young Farmers received the Area 1 radio-TV award in the chapter public relations contest at the state convention Jan. 21 and 22 in San Antonio.

Mrs. Max Marble of Hart was among the past state presidents of the Young Homemakers honored at the convention. She was elected the first state president in 1961.

The 1,200 delegates and guests attending the meeting elected Stanley White of Stephenville president of the Young Farmers for the coming year. Mrs. Rita Travis of Beaumont was elected president of the Young Homemakers of Texas.

R. G. (RANDY) Pendleton, formerly of Andrews, has resigned as director of the office of state-federal relations in Washington to run for state comptroller.

## Dimmitt, Muleshoe win freshman tourney titles

Dimmitt's boys and Muleshoe's girls survived tough competition to win the championship trophies in the annual Dimmitt Freshman Tournament Thursday, Friday and Saturday.

DIMMITT'S freshman girls finished second, Olton came out third and Canyon Purple captured the consolation trophy in the girls' bracket.

In the boys' tournament, Friona finished second, Muleshoe defeated Alamo Catholic for third place and Olton won the consolation title with a victory over Kress.

Dimmitt's freshman Bobcats used a 19-point outburst in the second quarter to defeat Friona, 51-44, in the championship game Saturday night.

COACH Don Parker's Bobcats built a 12-6 lead in the first quarter, then bombed the nets in the second to emerge with a 31-14 halftime advantage over the respected Friona crew. The stunned Chieftains fought back

to within five points in the third period before Dimmitt surged ahead, 40-31, by the end of the frame. The Bobcats held on in the fourth to take a seven-point victory.

It was Dimmitt's second win in three games against the Friona freshmen. Leading the Bobcat attack were Kelly Moore with 16 and Wayne McKee with 14.

Dimmitt reached the championship encounter via a 61-21 scathing of Muleshoe in the semifinals Friday night. Parker sent in all 16 of his freshman boys who were suited out, and 13 of them scored. Leading the fray were Tommy Killough with 10 points and Harold Love with 9.

IN THE opening round last Thursday, the freshman Bobcats rang up a 48-28 victory over Olton as all 16 squadmen saw action. Kelly Moore paced Dimmitt with 13 points while Ricky Wright scored 10. The three tournament victories left the freshman Bobcats with a 15-3 season record.

IN THE GIRLS' tourney, Coach Bob Askey's freshmen got within reach of the title trophy before losing, 35-24, to a strong Muleshoe team in the championship game Saturday night.

The Bobbies stayed within striking range through most of the game, trailing 7-3 after the first quarter, 12-16 at halftime and 20-23 going into the fourth. But in the final period Muleshoe found the range for 12 points while Dimmitt could muster only four.

Cindy Dyer was Dimmitt's top scorer with 15.

The freshman Bobbies defeated Alamo Catholic in the opening round last Thursday and Friona in the semifinals Friday to advance to the championship game.

IN THEIR opener against Alamo Catholic, the Bobbies won handily, 45-32, as all 18 squad members saw action. Cindy Dyer paced Dimmitt's scoring pith 20 points.

In the semifinal game, Cindy Dyer sank 22 points and D'Wan Goldsmith 13 as Dimmitt captured a 37-29 victory over Friona's freshman girls.

## Bobcats bomb Olton Friday

Every boy on Dimmitt's varsity squad scored Friday night as the Bobcats unleashed a devastating run-and-shoot offense and overran the Olton Mustangs, 86-50.

PLAYING on the home hardwood, the Bobcats filled the air with 65 field shots and hit 33 of them for a 51 percent bullseye rate. And at the free-throw line, Coach Kenneth Cleveland's Cats sank 20 of 31 for 64 percent. Dimmitt also dominated the backboards, picking off 40 rebounds.

Leading the Bobcat attack were Danny Ebeling with 33 points and Jerry Matthews with 20.

## Bobbies corral Fillies by 36-30

After a close first half the Dimmitt Bobbies opened up an 11-point lead over Olton's Fillies in the third quarter here Friday night, then coasted to a 36-30 victory as all 18 girls on the squad saw action.

COACH Bob Askey's starters built a 12-5 lead in the first quarter, but Olton closed it to a point at 19-18 by the powder break.

Dimmitt's forwards struck for 13 points in the third quarter while the guards shut off the Fillies with three to give the Bobbies a 32-21 edge going into the fourth. Askey emptied his bench in the final frame, allowing seven reserves and five B-squad sophomores to see action.

Leading Dimmitt's scoring attack were Nancy Tisdale with 14 points and Diane Dyer with 13. Top guards for Dimmitt were Ann Lust and Vicki Winders with eight rebounds and three steals apiece.

## Sports movies on tap tonight

Jack Tomkins of Amarillo, farm and ranch editor of KVII-TV, who hosts the weekly "Panhandle Sportsman" outdoors show on Channel 7, will show some of his sports films to the Dimmitt Young Farmers tonight (Thursday) at 7:30.

THE MEETING will be in the Dimmitt High School vo-ag building, and is open to the public.

Tomkins' program will be on hunting and fishing trips he has filmed in the region.

DIANE DYER gets off a clean shot for two of her 13 points against the Olton Fillies in Friday night's District 3-AA bout here. After a close first half, the Bobbies lowered the boom in the third quarter and coasted to a 36-30 victory. (Photo by Hal Heathington)

## DHS grad earns McMurry honors

Susan Kay Thornton, junior art major from Dimmitt, has been named to the honor roll for the fall semester at McMurry College in Abilene.

IN ANNOUNCING the names of top scholars for the fall semester, Dr. C. W. Tarter, dean of the college, explained that the honor roll includes those who posted a grade average of 8.5 or better.

Miss Thornton is the daughter of Mr. and Mrs. W. E. Thornton of Dimmitt.

"Cycle" to most people has something to do with a motor or a bike.

To us, "cycle" has to do with the efficient production of electric power, with efficiency and with conservation of resources.

It's about a unit we'll install in 1973. It's called a Combined Cycle Unit. It utilizes a gas turbine to help create electricity and in so doing, it produces heat. We then use this heat to make steam to run a steam turbine which, in turn, produces electricity. Using these units in combination, we generate more power but with less fuel and water than if each were to be run separately.

So, we do the "cycling" and you'll have the power you'll need at the lowest possible cost. Sounds simple, doesn't it? But, it took lots of planning and lots of engineering know-how to come up with this means of conserving resources and yet producing adequate electricity.

Charles Triplett, 30, of Hale Center will assume the duties of city marshal Feb. 15.

Born in Mutual, Okla., Triplett was raised on farms at Claude and Canyon. He graduated from Canyon High School and attended West Texas State University one year.

Triplett has some 200 hours of police training through the state law enforcement training program. He worked in Plainview before moving to Hale Center, where he has been a member of the police force two years.

He and his wife, Sue, have two sons, Larry, 5, and Michael, 3.

"I'm here to do a job," Triplett said. "I want very much to cooperate with the people of Hart, and I want them to cooperate with me."

GIRLS IN Action met last Wednesday after school in Fellowship Hall of the First Baptist Church.

Mrs. Harold Bass, leader, presented a missionary lesson on work in Brazil and Pakistan.

COTTON harvest is almost over for this year, with not quite as much ginned this year as last.

The three gins report to date some 4,901 bales ginned with just a little coming in now. The 1970 crop was 7,919 bales.

SOME 75 members of the First Methodist Church Sunday school departments enjoyed a skating party last week in the Hart Elementary gym.

Three Hart ladies have enrolled in a beauticians' school in Plainview. Mrs. Donnie Black has almost completed her training and Mrs. J. C. Miller and Mrs. Aubrey Myers are new students.

Mrs. W. C. Crick, Marcie Westcott and Jerry Swindle are patients in the Plains Memorial Hospital in Dimmitt, and Mrs. J. P. Armstrong is a patient in St. Mary's Hospital in Lubbock. Illey Scott is reported to be improved in a nursing home in Plainview. Mrs. Henry Hendrix was admitted Monday to the Tulia Hospital.

DR. FRED HOWARD, Bible teacher at Wayland Baptist College, will teach the book of Job at the First Baptist Church the nights of Feb. 7, 8 and 9. Classes will start at 7 p.m. The classes are open to all adults and young people, and a nursery will be provided.

CHARLES TRIPLETT... New city marshal

MR. AND MRS. Granville Martin of Hart and Mrs. Lillian Marble of Floydada were in Roswell last Thursday to attend the funeral of his uncle, William Pierce Martin, 83.

Mr. Martin died Jan. 24 following a lengthy illness.

THE HART Board of Education has accepted the resignation of Lewis Winter as music teacher. He has accepted a teaching position in Brownsville.

The board has accepted the application of Mrs. Darlene Henson to replace Mr. Winter. Mrs. Henson graduated from West Texas University in December. She is a graduate of Amarillo High School and did her student teaching in Ridgcrest Elementary school in Amarillo. Both of her parents are teachers in the Amarillo school system.

SANDRA LACY, bride-elect of Chuck Stark of Kress, was honored in Tulia with a lingerie shower last week in the home of Mrs. G. L. Sadler. Guests were employees of the First National Bank of Tulia, where Miss Lacy is employed.

Miss Lacy, daughter of Mr. and Mrs. Bill Lacy, will exchange wedding vows with Stark on Feb. 14 in the home of her parents. JERRY STEVENS, district Scout executive of Plainview, met Saturday with the Webedo den for a field day. Stevens gave instructions in clay molding and the making of plaster molds. The group enjoyed a sack lunch, after which Coach Glen Gleghorn and J. V. Westcott, den leader, supervised some athletic games in the school gym. Westcott was given a surprise birthday party by the Webedo den, supervised by Mrs. Leonard Griswold, den coach.

HART youngsters dominated the lamb show at Hereford last weekend. Gary Hart exhibited the champion Southdown and Harley Malone the reserve champion Southdown. Jim Tucker exhibited the champion medium wool lamb.

Nelda Henderson placed second with her crossbred lamb. Lana Tucker's lamb placed third in the heavyweight medium wool class. Jim Tucker also exhibited the fifth place lightweight medium wool lamb. Harley Malone exhibited the first place medium crossbred barrow.

The livestock judging team of Gary Hart, Stanley Harris, Robert Lacy and Jim Tucker placed in the top 10. Complete results were not available at press time.

Dean, Tammye, Kent and Terry Hill placed high with their Hereford steers. They exhibited the third place lightweight, second place middleweight and third place heavyweight. The Hart FFA chapter also placed high at the Amarillo Fat

Stock Show. Jim Tucker exhibited the first place lightweight medium wool lamb and the fourth place heavyweight medium wool lamb. Lana Tucker placed seventh in the heavyweight medium wool lamb class.

Steve Cox exhibited the fourth place lightweight Chester, Harley Malone showed the seventh light crossbred and Bill Clifford place 12th with a light Chester.

J. V. WESCOTT, Webedo Den leader, and Mrs. Leonard Griswold, den coach and den mother, met Monday after school with the Webedo boys at the CVAE building.

The boys began their work on fruit bowls for their mothers. Cub Scouts of Dens 1 and 2 met last Wednesday in the home of Mrs. Griswold and began the study of the American flag and made book markers for patients in Plains Memorial Hospital in Dimmitt.

Mrs. Lyndall Warren and Mrs. Bob Reed met with Cub Scouts of Den 3 last Wednesday in the Wozencraft building. The ladies assisted the boys in their project of making fish pencil holders for their dads.

The Cub Scout January pack meeting was held last Thursday night in the Hart grade school gym.

Den 3 gave the opening ceremony by singing "Old Glory," and Dens 1 and 2 presented the skit, "Feats of Skill," with the Webedo boys entertaining with rope tricks and knot tying.

Bill Rich presented the awards to Dereck Rich, Melvin Washington, Clay Barnes, Tracy Rich, Marlin Marble, Kyle Gleghorn, Glen Snitker, Leslie Reed and Benny McLain.

CAROLYN COLE, daughter of Mr. and Mrs. Everett Cole of Hart, has been named to the Dean's List at South Plains College with a 3.33 grade average. She carried 15 hours of college courses and also worked 14 hours per week in the college library. To attain the Dean's List, a student must achieve a grade average of 3.25 for at least 12 semester hours' work. Miss Cole is a special education major.

The Scouts will have a window display at Kittrell Electronics at 407 Broadway Feb. 7 through 21.

THE HART LIONS met in the United Methodist Church fellowship hall last week since the bank community room was over a pith three sets of bank examiners.

Roy Quinby, Jack Smithson, Hilton Bartlett, Dr. Hess, and Mr. Meharg from the Plainview Noon Lions were visiting guests from out-of-town. Dean Sanders was a guest and prospective renewed member.

Dr. Charles Smallwood, dean of the School of Agriculture at West Texas State University, spoke to the Lions, describing

the recent activity in the School of Agriculture at WTSU. The School of Agriculture has over 560 students with three areas of study—animal science, agriculture and agricultural business.

THE DANCE was program topic of the recent meeting of the Chi Psi chapter in the community room of Farmers State Bank with Mrs. Frank Barnes and Mrs. Tom Ed Benton serving as co-hostesses. They served refreshments from a decorative table using a red and white color scheme.

Program chairmen were Mrs. Clinton Billingsley and Mrs. Max Marble. Mrs. Billingsley defined the word dance and discussed various dances from all countries. She stated that ballroom dances had the minute as the most popular and that ragtime developed into the jazz in 1914. Her main topic was ballet, and each person learned the basic ballet positions.

Mrs. Marble discussed briefly music and clothing in dance. She modeled three types of

clothing and discussed forming opinions about individuals by their clothing. Pictures of various types of clothing were displayed.

In the business meeting, the social committee report, given by Mrs. George Vance, revealed plans for a Valentine social on Feb. 12 when the members and their husbands will go to the Hayloft Dinner Theater. Plans were discussed for the Valentine Queen crowning and the rushee party.

Next meeting is scheduled for Feb. 17.

# Young Homemakers honor Mrs. Marble

Mrs. Max Marble of Hart was among the past state presidents of the Texas Association of Young Homemakers honored in San Antonio at their 16th annual convention. She was unable to be on hand to accept her award personally due to illness in her family.

HAVING written the first correspondence in an effort to organize a statewide Young Homemakers' Association similar to the Young Farmers' group, Mrs. Marble was elected the first state president in December 1961 in Dallas.

She had been active in Future Homemakers during her high school years and had received the State Homemaker Degree. During a Young Farmers convention in Amarillo she discussed the possibility of a Young Farmers' auxiliary for wives with those present. The idea was accepted and the wives made plans to organize. Mrs. Marble was then elected the first president of the Lockney Young Farmers Auxiliary.

Mrs. Marble wrote to the state FHA advisor describing the Lockney wife's group and told of her desire to have a statewide group similar to the Young Farmers. Ruth Huey, state FHA advisor, discovered one other women's group in the state, although it was known as Young Homemakers of Comanche. Representatives of both chapters met with Miss Huey at the Young Farmers convention in Dallas in 1961.

The plan for a statewide organization was presented in the meetings, resulting in Mrs. Marble being elected president. The Young Homemakers idea

spread and the first annual convention was held in Fort Worth in January 1963 with the Young Farmers convention.

The Young Homemakers Association is sponsored by the Texas Education Agency as an adult program through the high school's home economics program. Programs assist the young wives and mothers with budget planning, meal preparation, sewing and other personal and family ideas. The program is open to young women who are interested in home economics.

At present, there is no Young Homemakers chapter in Hart, but Mrs. Marble is president of the Hart PTA and a member of Chi Psi sorority.

HARLANDALE (San Antonio) Houston and Fort Worth school districts will receive \$574,186 to finance extensive research and development projects in career education.

### Busy time now for gardeners

By IRENE KEATING  
It is already February. That cold weather we had last week made it seem like winter again. It sure is pretty to see the ice laden trees. Of course, I know that can cause limbs to break, etc.

HOW MANY of you have been out the Hart highway the last two weeks? Did you notice anything different? I think a great improvement has been made by the removal of the telephone lines and poles. The wires now are under-ground to the Hutto's house. It is amazing how different (and better) it looks with those poles and lines gone.

Last week eight leaders and one junior leader attended Food Show-Bake Show training. It was that icy snowy Thursday and I had three things scheduled and I was pleased that women came to every one of them. Mrs. Mary Holebec came from Plainview on the icy roads to give a blender program for the Town and Country H.D. Club. It made everyone want to use their blenders more or buy one.

It is again time to share the garden calendar with you. Everett Janne, our landscape horticulturist, does an excellent job with this. It is very helpful to me to know what needs to be done when in my yard.

1. DELAY pruning roses in Central and North Texas until late February or early March.  
2. Initiate spray program on roses to control black spot as soon as new growth starts. Suggest using Maneb, Phalthan, or Benlate.

3. Protect newly planted rose bushes from drying winds by mounding soil over canes or using a roofing paper collar filled with soil or mulch.  
4. PRUNE deciduous trees and shrubs this month. Spring flowering shrubs should be pruned after they bloom.

5. If you suspect severe freeze damage you may prefer to delay pruning until growth starts to be sure all damaged tissue is removed.  
6. Continue to select and plant needed woody ornamentals, and remember to plan before you plant.

7. In case of a sudden winter storm be prepared to mulch tender plants or provide some means of temporary protection using paper boxes, plastic film or other cover.  
8. DON'T FORGET to water those plants that were set out last month.

9. Rake and clean fallen leaves and grass from lawn area.  
10. Be prepared to apply a complete fertilizer such as an 8-8-8 or equivalent to the lawn in late February or early March. Use 15 to 18 pounds per 1,000 square feet.

11. Spring and summer flower seeds that may now be sown directly to the beds in which they are to grow include: nasturtium, annual phlox, California poppy, hollyhock, four o'clocks, coneflower, calendula and balsam.  
12. SEEDS TO be sown in protected flats at this time include periwinkle, geranium, Dusty Miller, petunias, cypress vine, cosmos, coleus and others.

13. Don't forget to give pansy beds a light application of fertilizer.  
14. Watch for spider mites and aphids on young plants. See L-199 for controls to use. (Available in my office)

15. Inspect trees and shrubs for scale insects. A dormant oil spray will aid in their control. Follow instructions given in L-199 for details.  
16. FERTILIZE pecan trees this month. Also apply zinc sulfate to pecan trees using 5 pounds per 100 square feet. In highly alkaline soils better results can be obtained by applying to pecan trees as a foliar spray as soon as new growth commences.  
17. Dahlia tubers can be set out in late February.  
18. Rework annual beds prepared last month to kill out weeds that may have germinated.

This will keep us busy every good day this month!

"EVEN THOUGH we never like it, and even if we wish they didn't write it, and even if we disapprove, there isn't any doubt that we could not do the job at all in a free society without a very, very active press."—John F. Kennedy

## Gfeller to give technical talk in Mexico City

Ronnie Gfeller, entomologist with Dimmitt Agri Industries, Inc., will deliver a paper on the Southwestern corn borer at the Southwest branch meeting of the Entomological Society of America this month in Mexico.

HIS PAPER, "Control and Seasonal History of the Southwestern Corn Borer on the High Plains of Texas," will be read before entomologists gathered in Mexico City, Feb. 12, 13, and 14.

Gfeller's research was conducted in three counties using seven tests. His paper contains both primary research and conclusions.

He found spraying corn to control borers was not profitable when the corn could be harvested early with a moisture count above 20 percent. However, the Plains weather sometimes doesn't permit early harvest. Spraying is necessary to reduce lodging by the corn borer and stalk rot when harvest is delayed after Oct. 1.

Gfeller and his wife, Kay, will fly to Mexico City from Lubbock Feb. 12 for five days.

## Hance appointed to state council

Kent Hance, a Dimmitt native, has been appointed by Gov. Preston Smith to the Texas Criminal Justice Council.

HANCE, a Lubbock attorney, is the son of Mrs. Beral Hance of Dimmitt. He is a graduate of Dimmitt High School and is married to the former Carol Hays, daughter of Mr. and Mrs. Charlie Hays of Dimmitt.

A graduate of Texas Tech and the University of Texas School of Law, Hance has practiced law in Lubbock since 1968. He and his wife and their two children live at 2721 55th St. in Lubbock.

Hance was one of eight members appointed by the governor Saturday to the Criminal Justice Council. The other seven are Harmon Scheeles, a Dallas dairyman; Mayor Ken Ritter of Beaumont; Mrs. Ray W. Wiloughby, a San Angelo businesswoman; District Judge Noah Kennedy Jr. of Corpus Christi; W. E. Haynes Jr., Laredo real estate man; Dr. I. T. Hunter, a Tyler dentist; and Mrs. Carol Koch, a Quanah publisher.

## Former resident dies in Plainview

Funeral rites for Mrs. Emma Glenn, 94, who moved to Plainview in 1949 from Dimmitt, were held recently in the Eleventh and Amarillo Streets Church of Christ in Plainview.

HUBERT SETLIFF and Earl Cantwell, Church of Christ ministers, officiated at the services. Burial was in Plainview Memorial Park Cemetery by Wood-Dunning Funeral Home.

Her husband, William, died Jan. 5. Surviving are three sons, George of Plainview, John of Lubbock and Aden of Mineola; a daughter, Mrs. Una Billington of Plainview; six grandchildren; 11 great grandchildren and nine great great grandchildren.

## Church to host college troupe

The First Christian Church of Dimmitt will host Bill Claycomb, assistant to the president of Ozark Bible College, and a girls' trio at the evening service Sunday.

CLAYCOMB and the trio will present the work of Ozark Bible College in word and song. The service will be at 6 p.m., and the public is invited.

## Local school well represented in all-region bandfest Saturday

Dimmitt and Castro County were prominent in the all-region and concerts Saturday evening at Coronado High School auditorium in Lubbock.

RALPH SMITH, bandmaster for Dimmitt Public Schools, was the organizer for the B-A-AA North Zone All-Region Band. He was assisted by Richard Bales, assistant band director here.

Nineteen local students—18 from Dimmitt and one from Nazareth—earned places in two of the four honor bands that performed before a capacity crowd Saturday night. The bands included the North Zone B-A-AA band with 15 students from Dimmitt and one from Nazareth, an all-class junior high band with three Dimmitt students in it, a South Zone B-A-AA band, and an honor band made up of top students from Class 3A and 4A schools in the region.

Alissa Huckabay of Dimmitt was the first-chair oboist in the North Zone Band. Two of the band's three tenor saxophonists were DHS students, with Jan Giles playing first chair and Jeanne Petty playing third chair.

OTHER local students in the high school honor band were Janet Smithson of Dimmitt and Kipa McFarland of Nazareth, flutes; Elaine Cook, bassoon; Vicki Carpenter, Julie McDermitt and Debbie Hansen, clarinets; Deana Hargrove and Susie Mooney, contra bass clarinets; Dawn Parker, cornet; Brent Miller, trombone; Jeff Barringer, baritone; Max Hastings, tuba; and Beverly Hill, percussion.

In the junior high honor band were Gay Oldham and Sandra Carpenter, clarinets; and Connie Nelson, bass clarinet.

The North Zone All-Region Band performed "Drums of America" by Warrington and Frock; scenes from the score of the CBS documentary, "The Louvre," by Dello Joio, "Be-guine for Band" by Ossey; and a selection composed by the guest director, W. Francis McBeth, band director at Ouachita University, Ark., and conductor of the Little Rock Symphony Orchestra.

THE JUNIOR High All-Region Band performed "Elmira March" by Abbott; prelude to

# County now back in Mahon's fold

The latest move in Texas' wild game of congressional checkers put Castro County back in the district of Congressman George Mahon for the 1972 elections.

THE U.S. Supreme Court, honoring an appeal by Texas Attorney General Crawford Martin, ordered a temporary postponement of the Jan. 20 redistricting order by a three-man federal district court panel. The postponement will remain in effect throughout 1972.

## Demos want 4,729 voters on books here

The "Operation Everybody!" voter quota for Castro County has been set by the Texas Democratic Party at 4,729, according to County Chairman Carl L. King.

"THAT FIGURE represents 65 percent of our estimated eligible voting population," King said. "The state goal of the Democratic Party is to have five million Texans registered between now and April 5, 1972, the last day to register in order to be eligible to vote in the May 6 primary."

"Operation Everybody!" is a project of the State Democratic Executive Committee. The special drive is headed by Mrs. James A. McMullen III of Fort Worth, chairman, with Mrs. Abbie K. Evans of Houston as vice-chairman.

"Voter registration is free, but everyone must register in order to vote in the 1972 elections," King said. Application forms are at the county tax assessor's office in the courthouse.

A SPECIAL plea is being made to all 18, 19 and 20-year-olds to register and take advantage of the new law which entitles them to vote for the first time.

"Our county will be competing with other counties of similar size for statewide recognition in doing a good job," King said.

Gold, silver, and bronze plaques will be awarded to the counties that exceed their quotas by the highest margins. All counties that meet their quotas will receive special certificates of merit.

(Continued from Page One) grams, that the disadvantaged in the county weren't sufficiently represented on the committee, and that the political and economic "establishment" had too much influence on the program here.

Local program officials answered that they had tried to place more disadvantaged people on the committee but that many had been unwilling to participate or work on it, and that they had tried to develop a program acceptable to the general public here to gain public support and the cooperation of local governments. Rifts between CAP committees and local "establishments" became a common outgrowth of the program across the nation, and local CAP leaders said they were trying to avoid such rifts here.

But the appeal didn't save the CAP organization here. The phases of the program that survived—mostly in the public schools—are now monitored by the Panhandle Community Action Agency in Amarillo.

Mayberry said he hopes Monday night's meeting will be the first step toward bringing the program back to the county under the control of a local committee.

## Ladies learn uses of blender

By MARY JO SMITH

The Town and Country Home Demonstration Club met last Thursday morning in the home of Ann Pevehouse.

MARY HELEBEC of the Plainview Southwestern Public Service Co. presented the program on blenders. All the members enjoyed the dishes prepared in the blender. We received recipes for preparing dips, cakes, fruit drinks and many other dishes. These foods were prepared in literally seconds with the work being done by the blender.

Ms. Helebec advised that you don't need to buy a blender with numerous buttons: the basic settings of high and low are basically sufficient.

She also reminded us to pour in the liquid ingredients first. The use of a blender will help eliminate much unnecessary waste and may add variety to the menu, she said.

CHARLOTTE COLE was guest. Sammie Lytal provided the refreshments. The next meeting will be next Thursday in the home of Ethel Rose. The program will be on foreign foods.

ment of the Jan. 20 redistricting order by a three-man federal district court panel. The postponement will remain in effect throughout 1972.

The US District Court had ruled that the 1972 congressional district boundaries set by the Texas Legislature last year were inequitable, and ordered sweeping changes with new "mathematical" boundary lines.

The legislature's original plan had taken Castro and six neighboring counties out of the district of Congressman Bob Price within the northern fringe of Congressman Mahon's district.

THE FEDERAL district court order took the seven counties out of Mahon's district and put them back into the southern edge of Price's new District 13.

But the Supreme Court postponement order put the legislative redistricting plan back in force. So for the 1972 elections, Castro and its six neighboring counties—Deaf Smith, Parmer, Bailey, Lamb, Hale and Hockley—will be in the district now represented by Mahon.

The Supreme Court action threw Price—a Pampa Republican—back into a showdown with Congressman Graham Purcell, a Wichita Falls Democrat, in the new North Texas district.

## Last rites held for H. S. Hilburn

H. S. Hilburn Sr., former long-time editor of the Plainview Herald and one of the state's leading authorities on the use and conservation of water, died last Thursday of an apparent heart seizure. He was 80 years old.

MR. HILBURN'S first wife, the former Ora Anne Ramey of Dimmitt, died in March 1954. He was related by marriage to Edwin and Edgar Ramey of Dimmitt and the Dewey Wright family.

Funeral services were conducted Saturday afternoon in the First United Methodist Church Chapel in Plainview with the pastor, Rev. Mark Williams, officiating. Burial was in Plainview Cemetery, with arrangements by Lemons Funeral Home.

"MY FATHER, who was one-fourth Cherokee, was on the tribal rolls," Rogers recalls. "And my grandfather, in addition to being a tribal leader, was an officer in the Confederate Army."

Like the children of many early Hollywood stars, Rogers was graduated from Beverly Hills High School. He then attended Stanford University in Palo Alto, Calif., where he was captain of the debate team and a member of the polo and swimming teams. He met his wife, Collier Connell, at Stanford. The couple have an adopted son, Clem, a full-blood Navajo, and a second son, Carlos.

Rogers' first career after college graduation was as editor, publisher and part owner of the Beverly Hills Citizen, for a time the largest weekly in the West.

HE TOOK time out from his journalist endeavors to serve in Congress from 1942 to 1944. He resigned his seat in Congress to enter the Army, where he won the Bronze Star and Purple Heart in action as a reconnaissance officer with anti-tank units of the Seventh Armored Division in Germany.

He left publishing in 1954 to make the picture, "The Will Rogers Story," in which he played the role of his father. He then helped make two more Hollywood films before moving to New York City to host a morning television show in the CBS network.

He continued to work in the entertainment field in California where he served as chairman of the California State Parks Commission in 1959 and 1960. Now dividing his time between Los Angeles and Tubac, Ariz., Rogers has added ranching and real estate to his professional activities. Long interested in Indian affairs, he is honorary chairman of Arrow, Inc., an Indian interest organization founded by his wife in 1947.

He was special assistant to the Commissioner of Indian Affairs from November 1967 to June 1969, during which time he traveled widely over Indian Country and was active in bureau policy-making. Rogers is appearing by arrangement with Harry Byrd Kline Celebrity Service, Dallas.

## Cars collide in fog Friday

A traffic accident at US 385 and Southeast Third Street Friday caused heavy damage to two vehicles but the drivers were unhurt, Police Chief W. W. Jones reported.

A 1960 FORD sedan driven by Billy Wayne Potter of Plainview was traveling north on US 385 when Jamie Gregorio Esparza of Dimmitt pulled out from Third St. and struck the left side of Potter's car, Jones said.

Jones said Potter said he saw the other car coming, but that Esparza didn't see the Potter car in the fog.

Esparza was cited for failing to yield the right of way to another vehicle, and Potter was cited for speed under the limit but unsafe for conditions.

## Four stores burglarized

Friday night the Dimmitt Safety Lane was broken into and \$30 was taken, Police Chief W. W. Jones said.

Windows were broken also at the Big T Pump Co., Farm-land Industries fertilizer plant and Cyanamid Farm Supply, but nothing was taken, Jones said.

## Law officers have 'em, too

Law officers can, too, have wrecks.

SHERIFF Jack Cartwright was involved in a minor one Tuesday morning at the intersection of US 385 and East Jones Street.

Thomas Persons was stopped at a stop sign and Cartwright was making a left turn when the two vehicles collided, Police Chief W. W. Jones said. No citations, have been issued.

Merritt, 46, is the son of the late Mr. and Mrs. Lint Merritt. He was raised 4 1/2 miles southeast of his present home, and was born two miles south of the home place. He has three brothers (Percy, John, and Claude) and three sisters (Hazel, Sarah and Ina Dee).

AFTER attending Dimmitt Public Schools, he started farming in 1944 when he and his brother, Percy, rented their father's place. But World War II interrupted his career—he was drafted and spent 15 months in the US Infantry.

"I was just about 30 minutes late for the war," he said. "We landed in France two days before the war was over in Europe. They sent us back to the States to ship us on to the South Pacific, and the war ended while we were in the States on a 30-day recuperation period."

In 1946, after he returned home, he and Percy bought 308 acres as partners, and later purchased the quarter-section where Glenn and his family now live.

IN 1950, Glenn and Percy "traded out," consolidating the land they had bought and inherited to get it under individual ownership.

Merritt stepped out of one partnership into another when he married Mona Brock, daughter of Mr. and Mrs. Earl Brock of Dimmitt.

The Merritts have four children—Brock, 20, LeAnn, 18, Mark, 13, and Deannea 9. They live in a modern brick farm home seven miles southeast of Dimmitt.

MERRITT'S top hand is his son Brock who has completed two years as an agriculture student at Texas Tech and is now helping his dad full-time on the farm. In high school, Brock was active in Future Farmers of America, winning the Star Greenhand award as a freshman. And as a junior, he won a trip to Kansas City to display his 4-H electrical exhibit.

LeAnn, who was an all-district basketball guard and a top art student in Dimmitt High, is now a freshman art major at Texas Tech.

Merritt is a member of the Farmers Union and the Sugar-beet Growers Association, has been a community committee-man on the Agricultural Stabilization and Conservation Committee, and is currently the second alternate in ASC Community "C."

## Hereford to host annual vegetable conference today

The latest research findings and successful management practices will highlight the Annual West Texas Vegetable Conference, slated for Hereford, today (Thursday).

The one-day meeting will feature presentations on production, planning and business management, along with a good look at weather modification, at the Hereford Bull Barn, beginning at 8:30 a.m.

KEYNOTE speaker will be Dr. William Sistrunk, horticultural food scientist from the University of Arkansas. He will give West Texas producers, shippers and processors the latest information on production of high quality vegetables for processing.

"Dr. Sistrunk is an authority on vegetables grown for commercial canning and freezing," notes Dr. Roland Roberts, area vegetable specialist for the Texas Agricultural Extension Service at Lubbock.

Relating soil fertility to potato crop response in the Hereford area will be discussed by Dr. William Lipe, research horticulturist for Texas A&M University. Dr. John Downes, Texas Tech University agronomy professor, will tell about maximizing yields from once-over harvesting of pickling cucumbers.

THE PROFIT potential of vegetables destined for processing will be covered by Marvin Sartin, Extension area management economist; and James Hatton, Extension engineer at Weslaco, will discuss mechanized processing crop production, from the seed to harvest.

Roberts will bring the vegetable businessmen up to date on the latest demonstrations and tests being conducted by Texas A&M in the High Plains.

The program will conclude with a discussion of weather modification by Oliver Newton, agricultural meteorologist with the National Weather Service at Lubbock. He will tell about the possibilities as they affect Plains vegetable industry. The meeting will adjourn at 4 p.m.

## 'Wounded Knee' book review set

Mrs. Marilyn Carver will review the book, "Bury My Heart at Wounded Knee" by Dee Brown at the Dimmitt Book Club Wednesday.

THE REVIEW will begin at 4 p.m. in the First State Bank community room, and is open to the public. A business meeting of the club at 3:30 will precede the book review.

## Camp Fire groups start candy sale

Blue Birds and Camp Fire Girls began knocking on doors throughout Dimmitt over the weekend to kick off their annual candy sale.

THIS IS the only money-making project for the girls during the year. The candy sells for \$1 a box.

A new board of directors took office last Thursday. They meet monthly to discuss scouting projects with the leaders. The leaders also have an idea sharing meeting monthly.

The response to help with getting the Scout Hut into shape has been great and it is appreciated. Several groups that also meet there drop in to look in on the local scouts.

Incumbents are Troy Kirby and Noel Gollehon.

THE FEDERAL court ruling left political parties without a means of paying for their primaries. Pressure has mounted on Gov. Preston Smith to call the legislature into special session to solve the problem. But the governor has been reluctant to do so.

"Gov. Smith told me last week that he thought the cost would be exorbitant for calling the legislature back into special session over this issue," King reported.

King said he and other county Demo chairmen "are considering hiring our own private attorney to appeal the court's assessment ruling, although the court has told the governor that the legislature would have to appeal the decision."

KING WILL get together with the state's other county Democratic Party chairmen at a convention and seminar in Austin Feb. 11 and 12. He'll relay any decisions made there to local precinct chairmen at their Feb. 14 meeting here.

"If some other way is found to pay for the election," he said, "I intend to recommend to our precinct chairmen that we refund these filing contributions to the candidates."

## DECLINE IN GRAIN EXPORTS

Reduced grain exports from Texas ports are costing the state's grain industry millions of dollars, points out John Seibert, Extension grain marketing specialist. Grain sorghum exports during the last three months of 1971 were down more than 30 million bushels from the same 1970 period. This reduced revenue by \$19 million.

Hard winter wheat exports were off 46 million bushels during the last six months, resulting in a loss of more than \$25 million. Factors causing this decline include large world supplies of grain, price competition with grains from other countries, and dock strikes.

## Cats squeak past Longhorns, 69-68

Dimmitt's Bobcats defeated the Lockney Longhorns by one point in an action-packed final 20 seconds here Tuesday night.

DIMMITT went into the final seconds leading 67-66 and David Nino sank two free throws to put the Cats ahead by three.

With two seconds left, Lockney tossed in two free throws to alter the final score to 67-66. Then Dimmitt stalled the final seconds out.

Jerry Matthews hit his season's high of 26 points, while Danny Ebeling chipped in 12.

"Lockney would get a point or so ahead and Matthews would close the gap and put us back in the lead," Coach Kenneth Cleveland commented.

## Bobbies end year with 17-11 mark as Lockney wins

Lockney avenged an earlier loss to the Dimmitt Bobbies Tuesday night, 52-37. It was the last game of the season, and left the Bobbies with a 17-11 record and a 4-6 district mark.

DIMMITT'S top scorer Tuesday night was Diane Dyer with 19 points. The Bobbies played without the services of senior forward Nancy Tisdale.

Sarita White grabbed six rebounds and two steals to lead Dimmitt's defense, while Ann Lust got two rebounds and five steals.
