

THE RANGER TIMES

50TH YEAR

RANGER, TEXAS, TUESDAY, APRIL 5, 1955

PRICE FIVE CENTS

The Pathfinder

by Lee Harr

The preacher at the wedding ceremony was an ardent fisherman and slightly absent-minded. He had postponed for an hour a fishing trip to preside over the ceremony. He asked the groom: "Do you promise to love, honor and cherish this woman?" "I do," said the groom meekly. "Okay," the preacher said, closing his book and turning to the bride. "Reel him in."

Speaking of fishing, and what is more uppermost in the mind as winter's weather seems to be departing in favor of spring, several good strings of fish were reported over the weekend.

Fishing from a floating boat dock at Strawn Lake three men caught 247 Crappie Saturday night, using minnows and a lantern. We do not know who the lucky fishermen were, but the story came from a reliable source. The luck of some!

An invitation to attend the Walters AFB - Community Easter Pageant on Easter Sunday morning was extended today to residents in surrounding communities, by Lt. Col. William N. Brown, II, acting commander of Walters AFB.

The pageant is slated for 7:00 p. m. Eastern Sunday morning. Contrary to last year's production which was held at the top of the hill, this year it will be staged at the foot of Easter mountain on the base.

Seating which was not available last year will be provided for this year's production. Admission, is, of course, free and ample parking space will be provided.

Walters AFB presented a similar pageant near Christmas last year that met with resounding success. Reports indicated an inspirational gathering.

BYRD'S DOG - WATCHDOG

—Sen Harry Flood Byrd, Virginia Democrat who watchdogs the Senate Finance Committee, briefs "Happy," his constant companion, on the world situation. The five-year-old cocker spaniel has been with the senator for two years, never tries to nip an appropriation or even a visitor.

Stocker Calves Down Slightly; Market Steady

Cattle price remained steady and showed little change at Monday's auction at the Ranger Livestock Commission Exchange.

Fat calves were generally strong as some sold for as high as \$22. Stocker calves, down slightly from the past two weeks, topped at \$19.50.

More than 450 cattle and 70 hogs were sold during the day, Loy Williams, Livestock Exchange manager, said.

Prices of the day's sale included: Fat calves, \$17-\$22; common to medium calves, \$13-\$17; canners and cutters, \$7.50-\$11; fat cows, \$11-\$13.50; bulls, \$12-\$14.50; stocker calves, \$16-\$19.50; stocker cows and calves, \$9-\$15.00 a pair; hogs, tops at \$18.25 and sows, \$14-\$15.50.

City Firemen Bound For Eastland Test

Expected to attract more than a hundred volunteer firemen from over this section, the North Central Texas Firemen's Association will hold its quarterly convention in Eastland tonight.

Starting off the colorful affair, there will be pumper and hose races at 7:30 o'clock, at the corner of White and Green Streets.

A banquet will follow, in the Eastland Fire Station, at 8:30. The business session will be held after the banquet, in the City Hall Auditorium.

Towns to be represented will include: Eastland, Ranger, Palo Pinto, Mineral Wells, Weatherford, Aledo, Dublin, DeLeon and Gorman.

Guy Robinson, first assistant

Fire Department, is president of chief of the Eastland Volunteer fire association.

The organization meets every three months, in some city over the district. The sessions are held the first Tuesdays in the quarters.

In January, the firemen convened in Mineral Wells.

Membership is available only to volunteer departments.

Trek To Polls Begins Here With Possible Record Vote

Labor, Cash Donations Swell Canteen Ante

A surge in donations this week aided in steps toward the completion of the Teen-Canteen, it was announced here this morning.

Workers are rapidly reaching the climax in the redecoration of the building as interior rebuilding was begun last week.

Door locations within the structure are being altered and closets are being torn out with the space to be used to provide rest rooms.

However, as the construction progressed, Rip Galloway, Chamber of Commerce manager, said that there is yet a definite need for both skilled and unskilled labor.

The labor is needed in groups so that a supervisor may be appointed and eliminate any duplication and allow quicker completion.

Labor donations this week included:

Carpenters: Jack Weeks, Buck Weeks, Sydney Horton and Wesley Stiffler, and David Pickrell, who donated labor.

For cash donations the Elk's club donated \$25 and the Community Chest allotment was received which totaled \$165.70. The Community Chest donation was the portion set aside for the Teen-Canteen on a prorated basis between the youth project and other welfare agencies.

College English Head Attends Denton Meeting

Mrs. R. L. Hamrick, English Department head at Ranger Junior College, attended the twentieth annual Conference of College Teachers of English of Texas at North Texas State College in Denton Saturday.

More than 200 English teachers from various junior and senior colleges and universities were present for the conference.

Highlight of the conference was the address at the luncheon meeting of John Ciardi, poet and professor at Rutgers University, who spoke on "The Play Impulse of Poetry."

Shriners Plan Feed and Games Friday Night

The Cross Timber Shrine Club's "Barbecue and Game Night" will be held at the Ranger Country Club Friday night, it was announced here today.

Dinner will be served at 7:30 with games of cards and dominoes to follow. Several prizes will be awarded players and a valuable door prize will be presented.

Skunk, Prankster Head Police Activities Here

It was a mild but varied weekend for Ranger policemen.

A small colored boy reported Sunday afternoon from the Tower Theatre that he had been shot in the arm. However, it was only a prank, the investigating officer learned, and the boy's father said that they were going home and it would be a long time before the boy had courage enough to do anything like that again.

Policemen also learned that Spring brings flowers—and skunks.

After two complaints of a skunk being under a house on Elm street, officers were unable to dislodge the animal from under the residence.

The dwelling was constructed too low, to employ measures of dislodging the animal from his hiding place.

Weather Reports

Clear to partly cloudy and continued warm Tuesday and Wednesday. High both days in the 80s. Low Tuesday night 50-55.

SEA "ROBIN"—This is one "robin" which won't gladden the hearts of winter-weary northerners unless they see her picture in the newspaper. It's Robin Barrett, a nonmigratory type, who prefers to summer in St. Petersburg, Fla.

Hazy Skies Offspring Of Western Storm

Weather forecasters had Eastland Countians peering into cloudless, but dust filled skies, in search of tornadoes Monday.

Tornado warnings had been posted here and on in Oklahoma Monday afternoon only to be removed after darkness moved into the area.

The threat that hung over this section of the state moved eastward during the afternoon, leaving only dust filled skies and ascending temperatures and a slight trace of rain here.

Temperatures in West Texas and the Panhandle were mostly in the 60's during the day and dust, though it limited visibility in several areas, was not nearly so severe as the area experienced last week.

A light haze with only small amounts of dust marked the trail here of the blinding dust storm which absorbed West Texas Sunday and Monday in 45-mile-an-hour winds.

At Big Spring visibility dropped to half a mile and three fourths of a mile at Childress, Midland and Salt Flat also reported heavy dust in the area.

A weak cool front reached Wichita Falls and Southward between Abilene and Midland Sunday but provided no big change in temperatures. No drastic change was caused in the Eastland County area by the weak front.

Weathermen said that winds would diminish in West Texas today and practically all dust would disappear from the sky.

Line Forms Before Polls Opened At 8

Activity at the polls began at what may be a record rate this morning as a steady stream poured through city Hall to cast their ballots in favor of their candidates.

A line had already formed as the polls opened at 8 a. m. and activity had never decreased when at 2:15 this afternoon 584 ballots had been cast.

Heading the waiting line and voting first was C. E. Wheat Second voter was Mary Joy Wilson who was followed by W. G. ...

Polio Vaccine Expected Here In Late April

Salk polio vaccine is planned to be available here the latter part of this month if the vaccine is labeled a lethal weapon against polio, Jess Cole, County March of Dimes Chairman said today.

Results of last summer's tests with the serum will be announced April 12 from the University of Michigan where Dr. Thomas Francis, Jr. is making necessary tests to determine the effectiveness of the vaccine.

Cole said that the National Foundation has indicated that a license number will be given the serum within five days by the National Institute of Health and within 48 hours from that time, the vaccine would be distributed to state headquarters with assignment to county agencies completed within two days.

County units are expected to administer the vaccine the day following receipt.

No word has as yet been received here regarding a definite schedule of vaccinations should the serum be proven.

Heart Attack Fatal To I. D. Carlille Sunday

Funeral services will be held in Brownwood this afternoon for I. D. Carlille who died in a Gainesville hospital Sunday following a heart attack in Louisville.

Mr. Carlille had been remodeling a cafe that he had recently bought when the attack occurred. He was rushed to the Gainesville hospital but died a short time later.

Mr. and Mrs. Carlille, former residents of Ranger had been living in San Angelo and Mrs. Carlille was there at the time of Mr. Carlille's death.

Complete funeral and burial arrangements were not available at the time of this publication.

Perfection Marks Choir's Presentation

The Chancel Choir of the First Methodist Church presented their annual Palm Sunday program of anthems to a large audience Sunday evening. Exponents of religious classics were thrilled with the professional perfection of the presentation by Mr. Fred Baumgardner, Mrs. D. D. Pickrell, violinist,

and the members of the choir. The program was opened with a well known anthem from the pen of Beethoven, "The Heavens Resound." A violin obligato by Mrs. ...

Miss Vivian Simmons sang "Lead Kindly Light" accompanied by the male chorus.

Leon F. Brown guest conducted two of his anthems, "God Be Merciful Unto Us" and "O God, How Wonderful Thou Art", which was dedicated to the "Chancel Choir. He is the first composer to so honor the Choir."

The offertory number was "Give Me Your Tired" by Irving Berlin, the text of which is taken from the inscription on the statue of liberty.

Gaston Dixon sang the solo on "O My Father" which was arranged for the Choir in memory of Mary Baumgardner, who first conceived the number and urged that it be arranged for the group. Jo Ann Crider, Mary Ellen Deffenbach and the director shared the work of making the score.

"Softly and Tenderly," one of the perennial favorites of many choirs and congregations, was tastefully presented with Jo Ann Crider and Gaston Dixon doing the solo parts. Miss Crider also sang the soprano solo on "Treasure in Heaven", which was presented as representative of contemporary church music.

One of the most beautiful numbers of the evening was "I Walked Today Where Jesus Walked." The text and music of this anthem have been almost universally accepted by the musicians and congregations of Protestant churches. Piano accompaniment was by Mary Ellen Deffenbach.

Proceeding the final number was "My God and I" which is perhaps the most beautiful and well loved number for which the choir is noted. It was dedicated to Pat Thomas.

The program was concluded with a wonderful arrangement of "The Lord's Prayer" by the Choir with organ and piano accompaniment, violin obligato and chimes, which were played by Patsy Entler.

Guy P. Parker Is County Bond Chief

Guy P. Parker is the new U. S. Savings Bonds Chairman for Eastland County. Announcement of the appointment was made by Nathan Adams, Chairman of the Advisory Committee for Texas.

Mr. Parker will direct all phases of promotion and the sale of Savings Bonds in Eastland County. He becomes a member of the statewide volunteer organization whose efforts are contributory to public service.

"Present times are and the next several years probably will be as critical as any during the past quarter of a century, and it is more than ever essential that everyone of us do all we can to keep ourselves, our community, our state and our nation strong," the new county chairman said. "Purchasing Savings Bonds is a way everyone can help insure the strength and the bonds afford every citizen a means of helping himself and also the economic well-being of his community, our state and our country. Improved features of Series E and H Savings Bonds such as increased interest of 3 per cent compounded semi-annually make the bonds more attractive and better investments than ever," he said.

Former Ranger Woman Killed In Automobile Crash

Mrs. Lewis Pitcock of Graham, formerly of Ranger, was killed in an automobile accident at 8 o'clock this morning while en route to Denton to a club meeting. Three other passengers in her car were seriously injured.

Mrs. Pitcock is survived by her husband of Graham and three sons.

Funeral services are pending at a Graham funeral home.

"STANDBYS" OF COMBAT—U.S. Army soldiers move in after an atom blast to inspect the relative damage to artillery pieces, vehicles and other equipment stationed from 500 to 2,000 yards from ground zero—core of detonations at the Nevada Test Site. This 50 mm anti-aircraft gun has been subjected to several blasts.

The program was concluded with a wonderful arrangement of "The Lord's Prayer" by the Choir with organ and piano accompaniment, violin obligato and chimes, which were played by Patsy Entler.

FOR RANGER'S GUARD—Pictured above is the new proposed National Guard armory projected for construction here in 1956 by the Corps of Engineers at a cost of \$65,000. The new unit would furnish the guard with a large drill hall, office space and day room. The building that now serves the guard would be used as a vehicle repair shop entirely. The new building would be constructed slightly west of the present vehicle compound. The building program is a part of Eisenhower's reserve program, which calls for reduction in services, and yet provides adequate protection from a pool of specialized and well equipped reserves to draw from in case of war.

EASTER PARADE—1910—Fashion notes collected from the crowd outside St. Patrick's Cathedral in New York City, 1910, would have featured feathered hats for the ladies, top hats and bowlers for the men. Note the few autos, many carriages.

Early Reply On Vaccine Asked By Health Head

Importance of early acceptance of inoculation against polio, with the report on the Salk vaccine due Apr. 12, was pointed out today by Dr. L. C. Brown, county health officer, who has charge of the students' vaccination program against polio in Eastland County.
"Dr. Hollie, state health officer, wants to know the number of requests," he explained. "The vaccine will be given after the Apr. 12 Salk report to children of the first and second grades, both white and black, and in public and parochial schools, in accordance with the requests made. It will be free to those in these two grades. Others who wish it may obtain it from their family physicians."
Dr. Brown said that it is expected that 9,000,000 doses will be available for the two grades designated.

Rotary Test Near Eastland

Second oil test of this week was staked in Eastland County this week.
Location for a 1,800-foot rotary test was staked two miles northwest of Eastland in Eastland County.
The venture is Irish Drilling Co. of Cisco No. 1 Ben Mathews. Drillsite is 791 feet from the south and 1,980 feet from the west lines of Section 24, Block 4, H&C Survey.

Undergoes Surgery

Big news about Buick's 4-Door Riviera

THIS brand-new kind of automobile — the sensation of all the Auto Shows this year — is now rolling off the Buick assembly lines in volume numbers. That's the first news.
And the second is just as wonderful — this dramatic new model is very definitely everything that eager buyers hoped it would be.
For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers — plus rear-compartment room big as a Buick-size family sedan.
It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera — and with luxurious new spaciousness in its sizeable and full-length 4-door body.
With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.
You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.
And you'll find legroom, headroom and hiproom extra-generous both front and rear — with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.
Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.
So you can pick your 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine — the swift get-away and gas saving of Variable Pitch Dynaflow — the velvet stride of the Million Dollar Ride — the long list of Buick bonus features at no extra cost — and all at "great buy" prices that have helped more Buick into America's "Big Three" of best sellers.
But—better come see us about the 4-Door Riviera now.
With all-out production—and a prompt order—this newest excitement in cars will be yours that much sooner.
*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Enjoy cooled, filtered air for less than you think with Buick's AIRCONDITIONER It's a genuine Frigidaire

LEGAL NOTICE

AN ORDINANCE GRANTING TO LONE STAR GAS COMPANY, A CORPORATION, ITS SUCCESSORS AND ASSIGNS, A FRANCHISE TO FURNISH AND SUPPLY GAS TO THE GENERAL PUBLIC IN THE CITY OF RANGER, EASTLAND COUNTY, TEXAS, AND THE ENVIRONS THEREOF, PROVIDING FOR THE PAYMENT OF A FEE OR CHARGE FOR THE USE OF THE STREETS, ALLEYS AND PUBLIC WAYS, AND PROVIDING THAT IT SHALL BE IN LIEU OF OTHER FEES AND CHARGES, EXCEPTING AD VALOREM TAXES.

SECTION 1. That the City of Ranger, Texas, hereinafter called "City," hereby grants to Lone Star Gas Company, hereinafter called "Company," its successors and assigns, consent to use and occupy the present and future streets, alleys, highways, public places, public thoroughfares and grounds of City for the purpose of laying, maintaining, constructing, operating and replacing therein and thereon pipelines and all other appurtenant equipment needed and necessary to deliver and sell gas to persons, firms and corporations, including all the general public, within the City's corporate limits and the environs thereof, said consent being granted for a term of twenty-five (25) years from and after the date of the final passage and approval of this ordinance.

SECTION 2. Company shall lay, maintain, construct, operate and replace its pipes, mains, laterals and other equipment as to its installation as little as possible with traffic and shall promptly clean up and restore to an approximate original condition, at its cost, all thoroughfares and other surfaces which it may disturb. The location of all mains, pipes, laterals and other appurtenant equipment shall be fixed under the supervision of the Board of Commissioners or an authorized committee or agent appointed by said Board.

SECTION 3. When Company shall make or cause to be made excavations or shall place obstructions in any street, alley or other public place, the public shall be protected by barriers and lights placed, erected and maintained by Company; and in the event of injury to any person or damage to any property by reason of the construction, operation or maintenance of the gas distributing plant or system of Company, Company shall indemnify and keep harmless City from any and all liability in connection therewith. Company shall repair, clean up and restore to an approximate original condition, all streets and alleys disturbed during the construction and re-

A new method for cleaning and lubricating all office machines. Made especially for office machines. No water to create rust. No acid or alkali. No gummy or sticky detergent. Thoroughly lubricates all moving parts and bearings. Yet dries and does not collect dust. Makes all machines operate much smoother, including new ones. Try it the next time you need a cleaning job, you will be glad you did. HAIL Typewriter Co. 30 Years in Eastland 204 S. Seaman St. Phone 94

LEGAL NOTICE

pair of its gas distributing system. SECTION 4. Company may make and enforce reasonable rules and regulations in the conduct of its business and shall have the right to make a charge for labor and material furnished and services rendered in the inauguration of actual gas service not to exceed the actual cost of labor and material involved and may require, before furnishing service, the execution of a contract therefor and may require each consumer, within the corporate limits of City, to pay Company for the installation of all service pipes from the main in the street or alley to and throughout the consumer's premises; and Company shall have the right to contract with each consumer with reference to the installation of service pipes and the control of service pipes from the connection thereof with Company's main in the streets or alleys to and including the meter located on the consumer's premises. Service lines are defined as supply lines from Company's mains in the streets and alleys to and ending at consumer's property line.

SECTION 5. Company shall not be required to extend mains on any street more than fifty (50) feet for any one consumer of gas. Nor shall Company be required to connect to intermediate or high-pressure lines.

SECTION 6. Company shall be entitled to require from each and every consumer of gas, before gas service is commenced, a deposit of twice the amount of an estimated average monthly bill, which said deposit may be retained by Company until service is discontinued and all bills therefor have been paid. Company shall then return said deposit to the consumer, together with six per cent (6%) interest thereon from the date of said deposit up to the date of discontinuance of service. Company shall be entitled to apply said deposit, with accrued interest, to any indebtedness owed Company by the consumer making the deposit.

SECTION 7. The rights, privileges and franchises granted by this ordinance are not to be considered exclusive, and Company hereby expressly reserves the right to grant, at any time, like privileges, rights and franchises as it may see fit to any other person or corporation for the purpose of furnishing gas for light, heat and power to and for City and the inhabitants thereof.

SECTION 8. Company shall furnish reasonably adequate service to the public at reasonable rates and charges therefor; and Company shall maintain its property, equipment and appliances in good order and condition.

SECTION 9. Company, its successors and assigns, agrees to pay and City agrees to accept, on or before the 1st day of April, on or 15, and on or before the same day of each succeeding year during the life of this franchise, up to and including the year 1980, a sum of money which shall be equivalent to two per cent (2%) of the gross receipts received by Company from the sale of gas to its domestic and commercial consumers within the city limits of said City (expressly excluding, however, receipts derived from sales to industrial and governmental users and consumers in said City) for the preceding calendar year, which annual payment shall be for the rights and privileges herein granted to Company, including expressly, without limitation, the right to use the streets, alleys and public ways of said City. And it is also expressly agreed that the aforesaid annual payment shall be in lieu of any and all other and additional occupation taxes, easement and franchise taxes or charges (whether levied as an ad valorem, special or other character of tax or charge), in lieu of municipal license and inspection fees, street taxes and street or alley rentals or charges, and all other additional municipal taxes, charges, levies, fees and rentals of whatsoever kind and character which may impose or hereafter be authorized to levy and collect, excepting only the usual general or

LEGAL NOTICE

special ad valorem taxes, which City is authorized to levy and impose upon real and personal property. Should City not have the legal power to agree that the payment of the foregoing sums of money shall be in lieu of taxes, license, fees, street or alley rentals or charges, easement, or franchise taxes or charges, aforesaid, then City agrees that it will apply so much of said sums of money paid as may be necessary to satisfy Company's obligations, if any, to pay any such taxes, license, charges, fees, rentals, easement or franchise taxes or charges.

In order to determine the gross receipts received by Company from the sale of gas (expressly excluding the sales of gas to industrial and governmental consumers) within the corporate limits of City, Company agrees that on the same date that payments are made as provided in the preceding paragraph of this Section 9, it will file with the City Clerk a sworn report showing the gross receipts received from the sale of gas to its domestic and commercial consumers within said city limits for the calendar year preceding the date of payment. City may, if it sees fit, have the books and records of Company examined by a representative of said City to ascertain the correctness of the sworn reports agreed to be filed herein.

Receipts from sales to governmental users or consumers shall include all those receipts derived from the sale of gas to Federal, State, County or City governments and branches or subdivisions thereof, school districts or other similar districts, it being the intention to include within the term "governmental users and consumers" all tax-supported institutions owned or operated directly or indirectly by said governments and branches or subdivisions thereof, such as schools, colleges, hospitals, eleemosynary institutions, army or training camps, airports, courthouse, city hall and other institutions of like or similar kind and character.

"Industrial users or consumers," as herein used, are those generally and commonly classified as such by Company.

The payment herein provided shall be for the period January 1 to December 31 of the respective year that the payment is made.

SECTION 10. Company shall

LEGAL NOTICE

file its written acceptance of this franchise ordinance within sixty (60) days after its final passage and approval by said City. PASSED AND APPROVED on this 22nd day of March, 1955. ATTEST: L. 'He Couldn't Marry Five' Is Title Olden Senior Class Play

Complications enough generally arise when a young man falls in love with two girls at the same time, but just imagine how involved things would be if he fell in love with five and couldn't, for the life of him, make up his mind which one to marry! Well, that is what happens in the rollicking three-act comedy, "He Couldn't Marry Five," which is to be produced by the senior class of Olden High School in the Olden gymnasium at 8 p.m. Thursday.

Donald Regan is the only son of a wealthy businessman. Donald has just recuperated from a nervous breakdown brought on by an over-indulgence in sports. His father wants him to go to a small town and rest while trying to decide what he would like to do in life. So an important member of Mr. Regan's firm, Ralph Barton, who is about to be promoted to a partnership, takes Donald home with him, where Donald meets Mr. Barton's five eligible daughters and proceeds to fall for first one and then another until he is courted all five! From then on, one hilarious situation comes tumbling after another until things seem utterly hopeless. But everything comes out all right in the last act, and Donald gets the right girl. Here is a play designed to entertain every man, woman and child. It abounds in clever dialogue, fast action and true-to-life characterizations.

J. T. Weaver, principal of Olden High School, is director of the play and his wife, Mrs. Weaver, is assistant director. Admission is 50 cents for adults and 25 c/10 for students. Funds derived from the play are used each year for the senior trip. Last year the seniors went to Austin, Houston and Galveston; this year they are planning to go to New Orleans. Tickets are being sold by the seniors, and the fifth, sixth, seventh and eighth grade students.

The characters in the order of their appearance follows: Connie, the mother — Betty Smith.

June, the artist — Frances O'Brien.
May, the dancer — Maxine McCotter.
Granny, Mr. Barton's mother — Shirley Matlock.
Etta, Mr. Barton's sister — Wilma Elliott.
April, the actress — Thelma Edwards.
Tara, the nurse — Wanda Yielding.
Ralph, the father — Dale Norton.
Donald Regan, the son of Mr. Barton's boss — Alvis Rodgers.
Leona, the tomboy — Linda Needham.

Countian Spends Week's Leave In Visit To Tokyo

TOKYO — Pfc. Warren McMurry, son of Mr. and Mrs. J. R. McMurry, 291 Avenue I, Cisco, Tex., recently spent a week's leave in Tokyo from his unit in Korea.

A gunner in the 623d Field Artillery Battalion, he entered the Army in September 1953 and completed basic training at Camp Chaffee, Ark.
Private First Class McMurry was graduated from Cisco High School in 1953.

ATTEND THE CHURCH OF YOUR CHOICE EACH SUNDAY

Estimated Million Children Are Deaf

Most of us take our hearing for granted. It probably has never occurred to us what a change it would make in our lives if we were suddenly deprived of it. We seldom think of the numerous sounds we hear during the day, sounds which keep us in close touch with the world about us. For those who can't hear, or who have difficulty hearing, it's almost like living in a different world, declared Dr. Henry A. Hollis, State Health Officer.

There are many children, more than a million it's estimated, who live in this other world. They have either been born deaf or have lost much, or maybe all, of their hearing since birth. Being somewhat cut off from the world, the deaf child is frustrated because he can't communicate his feelings and needs to others. A sense of inferiority and hostility is frequently the result.

Most hearing loss in children is the result of repeated colds and infections in the ears, nose, and throat. Such infections can cause what we know as conduction deafness. If such infections are not treated early, a child's hearing may receive permanent damage. Hearing loss may follow measles, scarlet fever, influenza, or meningitis. These diseases may result in what is referred to as nerve deafness.

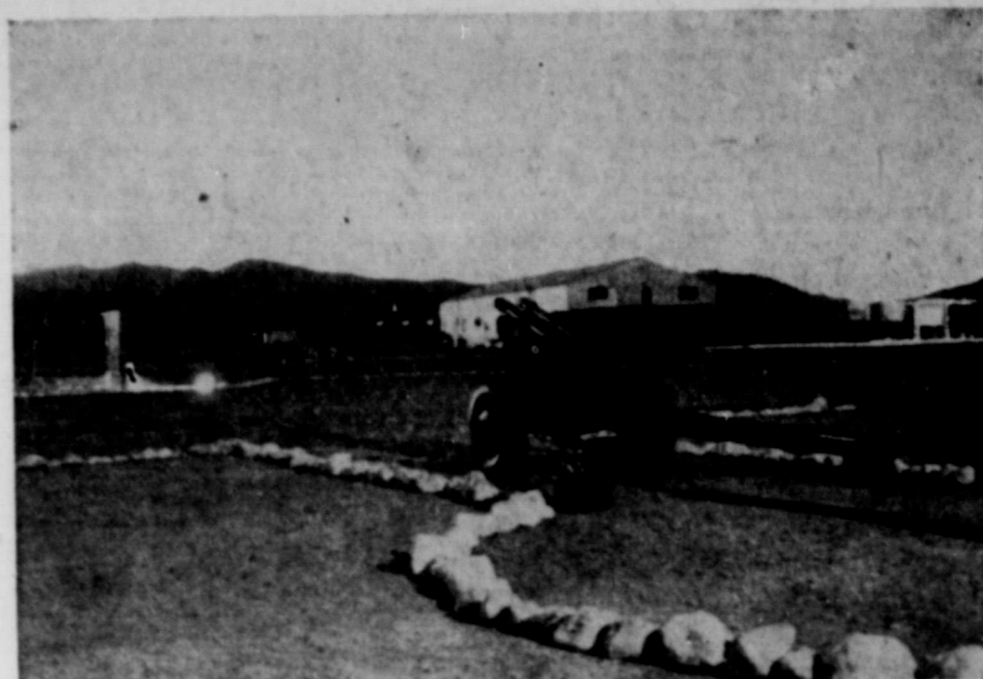

Enlarged adenoids, the result of infections, account for many cases of partial loss of hearing. The overgrown adenoids block up the little tubes that lead from the throat to the ears. These tubes must be open and clear for good hearing. For these children, curing infection isn't enough. Their adenoids may have to be removed. Otherwise, they may suffer permanent hearing loss.

Not all children with a hearing loss can regain it. A serious infection, such as meningitis, can completely destroy the patient's hearing ability. As soon as deafness is suspected the child should be taken to an ear specialist for a complete examination.

Seek Burglars In Looting Of Scranton Store

Quest for the burglars in the looting of the Morgan Store at Scranton is continuing.
A considerable amount of groceries — chiefly canned goods and meats — were stolen in the burglary which took place Thursday night. Sheriff J. B. Williams said that the store was entered by breaking out a window.

BY ATOM'S EARLY LIGHT—The world's most powerful "flashbulb"—an atom blast—was used to illuminate this scene at the Nevada Test Site where U.S. Army troops are participating in Exercise Desert Rock VI this spring. The time was 5 o'clock in the morning; light conditions—total darkness. The photographer tripped the shutter just as the burst turned night to momentary day.

GUAR IS DECLARED TO BE FINE ANNUAL SUMMER LEGUME HERE

The supervisors of the Upper Leon Soil Conservation District believe that guar is an excellent annual summer legume, well adapted to this area. E. E. McAlister, head of the Eastland SCS Work Unit, said today.

This legume might well be grown on acres diverted from cash crops, such as peanuts, wheat and cotton, in that it will improve soil conditions and help control wind and water erosion as well as furnish cash returns from seed harvest, Mr. McAlister said.

Mr. McAlister said the crop has been grown by several farmers in this area. The plants chief benefits are the addition of nitrogen and large amounts of high quality residue or organic matter. Crops following guar have made marked increases in yields. Guar can be grown strictly for green manure or for seed production. After the seed is harvested the dry residue returns to the soil as a humus producing trash. There it produces a mulchy condition in the upper level of soil, absorbing rain and storing the moisture for future crop use.

Guar can be planted with the same equipment we use on sorghums, planting seven to nine pounds per acre in rows. Regular

Desdemona Slugs Out Victory Over Tolar Baseballers

The Desdemona Porkers took their fourth baseball win in six starts with Tolar on the Tolar diamond on Friday evening, pounding out an 8-2 victory over Tolar.

Harold Lewis, Desdemona pitcher, whiffed ten Tolar batters in the seventh inning contest to run his total to 43 strikeouts in four games. Leon Rodgers is the Desdemona catcher.

Battery for Tolar was Ives, pitcher, with Huston doing the catching. Moyd Redwine of Desdemona turned in the star play of the game when he hauled in a long and hard drive, in between right and center field position. He had been shifted to right field from third base and Jimmy Burleson took over the third base duties.

Desdemona scored 2 runs in the first inning, two in the fourth, and four in the final seventh, with Tolar scoring their only two runs in the first inning.

Desdemona has previously marked up victories over Carbon, Gordon and Lingleville, being defeated by Strawn and Gordon at Strawn with Scranton, for the past week, was postponed and will be played at some later date.

HERE FROM ODESSA

Mrs. Robert Weems and daughter Debbie of Odessa, were here over the weekend visiting Dr. C. White, Mr. and Mrs. Jesse White and family and Mr. and Mrs. D. A. Weems.

VISIT IN FORT WORTH

Mr. and Mrs. Wendell Halbrook and daughter, Sandra, spent the weekend in Fort Worth where they visited Mr. and Mrs. Hart Donahue and Mr. and Mrs. Mac McGaha.

Mr. and Mrs. Henry Hamilton

visited her sister and family in Breckenridge over the weekend.

STRICTLY FRESH

MUSEUM OF MODERN ART, spokesman in New York City maintains that parents should not discourage children who smear walls with crayons or water-color paints—the tots are developing "creativity and free expression." There's nothing free, though, about the landlord's expression of how much you'll have to pay to redecorate.

Firemen in Comstock, Minn., doused walls of a burning tavern with beer to douse the flames when they ran out of water. We hope it was more effective than the same treatment on human interiors the morning after.

Fellow in Mexico City, Mexico, stole 10 feet of cable, sold it for \$5 to buy medicine for a toothache. Turned out to be fine earache medicine. Cable was part of a radio broadcasting hookup.

Poets extol autumn, "when the frost is on the pumpkin," but the season we like best is that

brief interlude between winter and spring when the rust is still on the lawn mower.

It would require more than a stretch of the imagination to picture some gals in the new bathing suits.

Mrs. A. F. Dooley of Denton is here visiting her daughter, Mrs. Keith Langford and family.

Mr. and Mrs. Joe A. Tullos spent Sunday afternoon in Strawn where they visited Mr. and Mrs. S. F. Tullos.

Mr. and Mrs. Frank Arrendale and Mr. and Mrs. J. M. Shell visited in Breckenridge Sunday.

Growth and Problems are Twin Companions—

... and go along together in the evolution of Progress. Two years ago in a Western city we witnessed the processing of 4400 County Clerk documents into the records of a large title plant. Every day it was the same. Every instrument filed added another entry to someone's abstract and another problem to the abstractor who processed it. And as we walked away we thought of our big responsibility in preserving your title records even in this small county. Yes, it's a problem, but Progress in action!

Electric Cooking is CLEAN

.....helps keep utensils mirror-bright and white-glove clean

The secret of white-glove clean electric cooking is built right into your modern electric range. Electric heat itself is clean... clean as electric light. With metal-to-metal contact on surface units, heat goes directly into the bottoms of utensils for maximum efficiency and cleanliness. Electric ovens, too, are designed for clean cooking.

See for yourself how a modern electric range helps keep your pots and pans mirror-bright... and your kitchen curtains and walls fresh and looking with less care and effort.

Start enjoying clean electric cooking. Go to your favorite appliance store for the electric range that fits your needs and your budget.

Mrs. Tucker of Cheaney Presides At HD District Convention, Temple

MRS. BILL TUCKER

Mrs. Bill Tucker of Cheaney, vice president of District Eight, Texas Home Demonstration Association, presided at the District convention, March 30-31, at Memorial Baptist Church, Temple.

Attending from Eastland County, besides Mrs. Tucker, were Mrs. Ernest Schaefer of the Word Club, Cisco; Mrs. Jess Flippin of the Pioneer Club, Pioneer; Mrs. Will Ware of the North Star Club, Rising Star, delegates; Miss Minnie Mae Billingsley, County Home Demonstration Agent, and Miss Julia LaFaye Mason, Assistant County Home Demonstration Agent.

Mrs. Tucker appeared on the Temple TV Station while there and the two-day convention program included workshops in citizenship, recreation, health-safety, 4-H, civil defense and T.H.D.A. A "Fun for All" night was planned by the Bell County clubwomen, hostesses for the convention. Comanche County and Bosque County women were in charge of the recreation program following the banquet, both of which were held in the Gober Party house.

Joel Tankersley Elected King At Snyder Hi School

Joel Tankersley of Snyder, who spent his junior high school days at Eastland and his grade school days at Morton Valley, recently was elected "Mr. Snyder High School" by popular vote of the student body and was presented in formal coronation in the high school auditorium there recently.

He is the grandson of Mrs. D. B. Tankersley, 306 N. Seaman St., Eastland, and his maternal grandparents are Mr. and Mrs. J. L. Williamson, Rt. 2, Ranger. Joel is a senior at Snyder High School where he was elected captain of the 54-55 basketball team and was one of the three seniors on that team. He is a member also of the student council and was one of the four delegates to the state convention in Denton, March 24-26. Joel was selected to Who's Who of Snyder High School by the classroom teachers. He crowned "Miss Snyder High School" at the coronation in which about 60 girls and their escorts took part.

Mr. and Mrs. "Tank" Tankersley of Abilene visited here Sunday in the homes of Mr. and Mrs. G. A. Townzen and Mrs. Molly Townzen.

County HD Council Will Meet In Eastland Wednesday Afternoon

Eastland County Home Demonstration Council will meet at 2 p.m. Wednesday at the Texas Electric Building, with Mrs. Ernest Schaefer of Cisco, council chairman, presiding.

Reports of the convention of Eighth District, Texas Home Demonstration Association, held March 30-31 in Temple, will be given by Mrs. Will Ware of Rising Star, Mrs. Schaefer of Cisco and Mrs. Jess Flippin of Pioneer.

Walters AFB Community Easter Pageant Bigger and Better Now

WALTERS AFB TEXAS, April 4.—"Bigger than ever" were the words used to describe the coming Walters AFB — Community Easter Pageant. These came when the Pageant's director, Chaplain Robert Bonham, said the cast for this year's presentation will be almost three times larger than last year's.

Fast becoming the big Easter event of the area, the Pageant will also feature a combined chorus of well over 100 voices from the churches of Mineral Wells and Weatherford.

The presentation which is slated for 7:00 a.m. on Easter Sunday morning will be held at the foot of Easter mountain located on the base. Admission is free, and seating which was not available last year will be provided for this year's production.

Also, the Chaplain added, since last year's Pageant was held on top of Easter mountain it necessitated the spectators' walking up the hill. The coming show will be presented on a football-field-size stage cut into the foot of the mountain thus eliminating the long trek up the hill.

The Pageant, entitled "A King Is Risen", will portray the traditional Easter story and was written by Mrs. Robert Bonham, wife of Chaplain Robert Bonham of the 826th Engineer Aviation Battalion. Directing the Pageant is Mrs. Robert Volk.

The cast is made up of people from Walters AFB as well as Mineral Wells and Weatherford emphasizing the fact that this is a base-community cooperative venture.

With some rehearsals already held the Pageant is quickly taking shape. Construction on the Pageant site is about completed and is being done by Co. "B" of the 1091st Engineer Aviation Battalion at Walters AFB.

Ample parking space will be provided for the hour-long presentation.

Mr. and Mrs. R. R. Phillips are the parents of a 7 pound 11 ounce boy, born at 5:40 p.m. Sunday, Apr. 3 at Ranger General Hospital.

Mr. and Mrs. Keith Langford announce the birth of an 8 pound 3 ounce boy at 10:54 p.m. Monday, Apr. 4 at Ranger General Hospital. They have named him Scott Alford.

Paternal grandparents are Mr. and Mrs. C. R. Langford of Lawn, Tex. and the maternal grandparents are Mr. and Mrs. A. P. Dooley of Denton.

Mr. and Mrs. G. T. Nahors are the parents of a 7 pound 8 1/2 ounce boy, born at 1:51 a.m. Tuesday, Apr. 5 at Ranger General Hospital.

Mr. and Mrs. Norman L. Moore announce the birth of an 11 pound 12 ounce boy, Jerry Lee, at 10:40 p.m. Mar. 29 at West Texas Hospital.

WSCS Circle 1 Meets Monday

Circle No. 1 of the W.S.C.S. met in the home of Mrs. Floyd Killingsworth at 3:30 p.m., Apr. 4. Mrs. C. W. Harris, circle leader, introduced Mrs. W. F. Creager who presided over the program and gave the devotional entitled "United Work of Protestant Women."

Mrs. W. C. Garrett read the text, John 17, 20-23. The song, "The Church is One Foundation" was followed with prayer by Mrs. F. S. Pearsall.

Mrs. Arthur Deffebach discussed "Unity of the Faith," telling of the interdenominational work of women in the United States. The questions who, what, why, when and where, were answered in a clear, concise manner. One phase of this work which was recently planned and executed in Ranger was the World Day of Prayer. Other phases are World Communion Day and May Fellowship Day.

Mrs. Harris presided over the business session during which the minutes were read by Mrs. E. L. Danley. The following committee was appointed to plan the Men's Club dinner, Apr. 28, at the home of Mrs. Pearsall, Creager, and Rogers.

The meeting closed with the singing of "Blest Be the Tie" and a prayer by Mrs. Arthur Deffebach.

LOOK WHO'S NEW

Mr. and Mrs. R. R. Phillips are the parents of a 7 pound 11 ounce boy, born at 5:40 p.m. Sunday, Apr. 3 at Ranger General Hospital.

Mr. and Mrs. Keith Langford announce the birth of an 8 pound 3 ounce boy at 10:54 p.m. Monday, Apr. 4 at Ranger General Hospital. They have named him Scott Alford.

Paternal grandparents are Mr. and Mrs. C. R. Langford of Lawn, Tex. and the maternal grandparents are Mr. and Mrs. A. P. Dooley of Denton.

Mr. and Mrs. G. T. Nahors are the parents of a 7 pound 8 1/2 ounce boy, born at 1:51 a.m. Tuesday, Apr. 5 at Ranger General Hospital.

Mr. and Mrs. Norman L. Moore announce the birth of an 11 pound 12 ounce boy, Jerry Lee, at 10:40 p.m. Mar. 29 at West Texas Hospital.

HOSPITAL NEWS

Carolyn Weaver of Ranger is a surgical patient at Ranger General Hospital.

New admissions at West Texas Hospital include: Mrs. Earl Ewing, medical; Mrs. C. N. Adams, medical; J. J. Johnson, surgical; Carl J. Emfinger, surgical. The latter two have been dismissed.

Rebekah Notice

The Ranger Rebekah Lodge will meet at 8 o'clock through the summer months, beginning tonight. Members of the degree team are requested to meet at 7 p.m. tonight for practice.

104 RUSK RANGER

THE 100-MILLION-DOLLAR LOOK!

A motorcar named TERRIFIC!

Take the word of the many thousands who have been switching to the beautiful Chrysler Windsor Deluxe V-8—

There's an excitement about this stunning new car that's contagious. You'll feel it at the wheel. Your passengers will feel it. And those who watch you flash by will feel it, too!

You'll be absolute master of eighteen feet of sleek and stunning new motorcar styling. And it's a lot more than just a new look... it's a thrillingly different look from anything else you'll see, no matter where you drive.

By measurement, Chrysler is inches lower than other big cars. It's longer than ever—a breathtaking sweep of tailored steel that, even at rest, suggests pure motion.

You sit behind the only windshield that "wraps around" both top AND bottom to accent the car's look of forward motion. And it's this sweptback design that makes Chrysler's Super-Scenic Windshield the safest to see out of!

The wonders never cease, especially when you start driving. In the Windsor Deluxe with its brilliant new Spitfire V-8 engine, or the 250 hp New Yorker Deluxe... and with PowerFlite automatic drive... you get a head start that's for keeps. And no other car in the world gives you Full-time Power Steering or bigger, smoother, safer Power Brakes!

Your Chrysler Dealer wants to show you the biggest dollar-value car on the road today. Stop by soon for the greatest motoring experience ever. Ten-to-one you'll call it "Terrific!"

FEED TEXO CHICK STARTER AND GROWING FEEDS WITH VIGOFAC

Successful poultry growers all over the Southwest are using the NEW TEXO Chick Starter and getting up to 12% gain in growth with 4% increase in feed efficiency. We have this NEW TEXO Chick Starter in stock right now and urge you to come in and let us show you how you can put more layers in the house on our program, at less cost to you.

No poultry program can be a success without the very best Grower Feed during the growing period. The very best TEXO Growing Feed is exactly what we offer you. We have TEXO's 16% Grower if your program calls for a complete, balanced ration. Or, if you prefer to use your grain during this period, we offer you TEXO's 20% Grower. These TEXO Growing Feeds are fortified with a balance of all the necessary proteins, vitamins, carbohydrates and minerals that your pullets need, plus growth giving "Vigofac." Feed your pullets the TEXO way and you'll put more strong, producing layers into the laying house.

With Billy Graham Nobility, Labor, Politicians Mingle For Greatest Event of Crusade

By George Burnham
Chattanooga News-Free Press
Staff Writer

GLASGOW, Scotland — After being warned by his doctor that he was risking a week's layoff at Kelvin Hall meetings, Billy Graham got out of bed Friday to address an unusual civic luncheon—described by local leaders as the greatest single event of the "Tell Scotland" crusade.

The most unusual feature of the dinner was the kind of people it brought together. Scotsmen said it was the first time in memory they had seen at one meeting the top representatives of industry, political parties, state military and clergy. Present were scores of nobility and several members of parliament.

Billy, who had been under treatment for an infected throat and high fever, was honored at the luncheon by Hugh Fraser, leading Glasgow merchant, and Mrs. Fraser. Among those seated at the head table with them were the Earl and Countess of Elgin, the Earl of Stair, Lord and Lady Kinnaird, the Marquis and Marchioness of Lansdowne, Lord and Lady Provost of Edinburgh, Maj. Gen. R. G. Collingwood, Air Commodore S. C. Moore and others.

The luncheon, attended by all the pomp and pageantry of a movie setting with guests—announced in an ear-splitting voice by a town crier—who ran the gamut of titles with every announcement and toasts by the glassful. Billy drank his with orange juice.

In the midst of such a distinguished setting some might have watered down a hard-hitting message. But Billy stuck to the guns of the gospel he has used in reaching the man on the street and highest rungs of society.

He didn't regard the luncheon guest as better than ordinary folk, but he was not unaware of the tremendous influence they could wield in Scotland. Speaking in a low voice that gradually gained strength, Billy recalled the great debt owed by the United States to Scotland springing from the time that leaders of the 13 colonies met to form a nation.

"They were having numerous

disagreements and little success when Benjamin Franklin rose to his feet and said, 'Gentlemen, we've tried everything else and failed. Let's try God.' The men got on their knees and prayed.

"Out of that prayer meeting came much of the Constitution of the United States. And the Constitution of the United States is founded to a great extent on Presbyterian law brought from Scotland."

Billy reminded the listeners of the dangerous situation in which the world finds itself today and then told how in his opinion it all came about.

"Around the turn of century we entered a period of humanism, secularism, behaviorism and other 'isms.' People felt they no longer needed God. It was popular to doubt the existence of God. People laughed at old-fashioned ideas. They said science had all the answers.

"World War I shook the people up a little bit and World War II exploded a lot of their high-sounding phrases. Now in the midst of an atomic era man is saying, 'I'm not sure. What is the answer to our problem and the people who predict the world is about to destroy itself?'"

"The answer is very simple. We must return to the old-fashioned book, the Bible, that our nations were founded upon. It is an old book our mothers had in their homes, but now it is associated only with ministers and churches.

"The problem of the human race is that our souls, the real part of us, had a disease with an ugly name—sin. What is it that has made men with culture thousands of years old cheat, lie, steal and fight? What is it in our modern intelligent world that makes men cheat, lie, steal and fight?"

"It is our sinful nature. Before man can solve the problems of the world, man must have a re-birth in his own soul. Only the Gospel of Jesus Christ can transform human nature. How do I know? I know because I have seen Christ change factory workers, movie stars, congressmen and thousands of others.

"No religious awakening can take place in the world until we as individuals change. Our problems must be solved quickly because time is running out. It isn't possible for this generation to pass along its mistakes to the next.

"There isn't time. Man is on the verge of destroying himself. But I am convinced there is one more and only one move. That is a return to Almighty God. I pray to God that we make it in time."

KLONDIKE QUEEN

CHICAGO — Mae West was unanimously selected by the residents of Dawson City, Yukon Territory as "Queen of the Klondike," a title authorized by the Yukon Territory Chamber of Commerce and its mayor, John R. Colbourne. The title was bestowed on Miss West at ceremonies in the Ches Parre here by John Baker, president of the Klondike Big Inch Land company, sent as a representative of the people of Dawson. Baker presented Miss West with an official deed to one square inch of land in the Klondike and a real gold nugget.

The title was given to Miss West because, according to a telegram received from Mayor Colbourne, Miss West "so magnificently typifies all the romance and excitement of the fabulous legend long associated with the gold rush country."

Priscilla Class To Meet Thursday

The regular business meeting of the Priscilla Sunday School class will be held Thursday evening, April 7 at 7:30 p.m. in the home of Mrs. Corvis Beck, 1125 Sinclair.

All members and associate members are invited to attend.

P. E. Davenport —

(Continued From Page 1)

of the peace at Snyder.

Mr. Davenport was a member of the Methodist Church for eighty years.

In 1886 he married Miss Margaret Daniels of McGregor. Her death occurred in 1929.

Surviving are four children, three daughters and a son: Mrs. Meeley, of San Angelo; Mrs. D. Singletary of Goldthwaite, Mrs. Fred Manning of Kingston, N.J., and Fred Davenport of Eastland. He also leaves two brothers, Judge G. L. Davenport, mayor of Eastland, and Albert Davenport of Gainesville. Other survivors include fourteen grandchildren and twenty great-grandchildren.

Funeral services were held in the Bell Funeral Home Chapel in Snyder Sunday, conducted by the Rev. J. Lennel Hester, Snyder Methodist pastor, assisted by the Rev. M. W. Clark, also of Snyder, a close friend of the Davenport family for fifty years. Interment followed at Snyder.

Present from here at the services were Mr. and Mrs. Fred Davenport, Mayor Davenport, Judge and Mrs. Turner Collie and T. L. Fagg.

GUESTS FROM CALIFORNIA

Mr. and Mrs. E. H. Mills had as their guests over the week end, their grandson, Mr. and Mrs. Chas. W. Mills, of Los Angeles, Calif.

They were enroute home from Florida where they had attended the 90th annual Providence Mutual Life Ins. Co. convention.

LOWEST-PRICE CAR

IN 'ALL 3' TO GIVE YOU ALL THIS IS PLYMOUTH!

<p>TOP SIX</p> <p>The <i>thriftiest, smoothest</i> six in the low-price 3—that's Plymouth's Power-Flow 117! Its high compression ratio, combined with exclusive Chrome-Sealed Action, gives you more power from less gas, and velvet-smooth performance. You'll enjoy lightning acceleration, thanks to a special metering system in the carburetor. And the PowerFlow thrives on regular, not premium grade, fuel.</p>	<p>TOP SIZE</p> <p>The <i>biggest, longest, roomiest</i> car of the low-price 3—that's Plymouth! Brilliant new <i>Forward Look</i> styling gives you more glamor outside, more luxury inside; plus the new Full-View windshield, swept back to give the greatest visibility in the low-price 3. And Plymouth's big size means you and your passengers will enjoy the smooth, steady ride that only a truly big car can give you.</p>	<p>TOP VALUE</p> <p>Plymouth is the only low-price car to give you at no extra cost such extra value features as: electric windshield wipers, Safety-Rim wheels and an independent parking brake for greater safety... Oriflow shock absorbers for a smoother ride... an Oilite fuel filter and oil bath air cleaner for lasting economy. See and drive a Plymouth today—see why it's your best-buy low-price car!</p>
--	---	---

"WHY PAY UP TO \$500 MORE FOR A CAR SMALLER THAN PLYMOUTH?"

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find that, *model for model*, Plymouth sells for much, much less than medium-price cars, and gives you more car for your money!

BEST BUY NEW; BETTER TRADE-IN, TOO

ALL-NEW PLYMOUTH
