

**In Nazareth wreck**

# Young mother dies, six others injured

A 25 year old Nazareth woman was killed and six other persons were injured in a grinding two vehicle collision one mile south of Nazareth on Farm Road 168 Monday afternoon.

MRS. DONNA Birkenfeld, 25, of Nazareth, was pronounced dead on arrival at Plains Memorial Hospital following the accident. Her husband Leslie Birkenfeld, 29, who DPS officers reported was driving the family car involved in the accident, remained in Plains Memorial Hospital in good condition late Tuesday night.

The couple's infant daughter, Bridgett, five months, remained in the intensive care unit of Northwest Texas Hospital in Amarillo in critical condition at presstime while their two year old daughter, Kirsten, was reported in good condition at Plains Memorial Hospital.

A nephew, nine year old Mike Birkenfeld of La Mont, Colo. also remained in the intensive care unit at Northwest Texas Hospital in critical condition, while a second nephew, 10 year old John Birkenfeld, also of La Mont, was removed from the intensive care unit at Northwest Texas Tuesday night after being transferred there from Dimmitt Tuesday afternoon.

Another nephew, eight year old Phillip Birkenfeld of Nazareth, remained in good condition at Plains Memorial Hospital. All the injured were passengers in the Birkenfeld car.

The car-pickup accident occurred about 1:30 Monday afternoon about one mile south of Nazareth on Farm Road 168.

According to investigating officer Elias Nava, the Birkenfelds were headed west on a county road in a 1967 Ford Falcon when they collided with a 1972 Ford pickup driven by Francis A. Gerber, 42, of Nazareth. Gerber was westbound on

168 at the time of the accident. He was treated and released at Plains Memorial Hospital Monday.

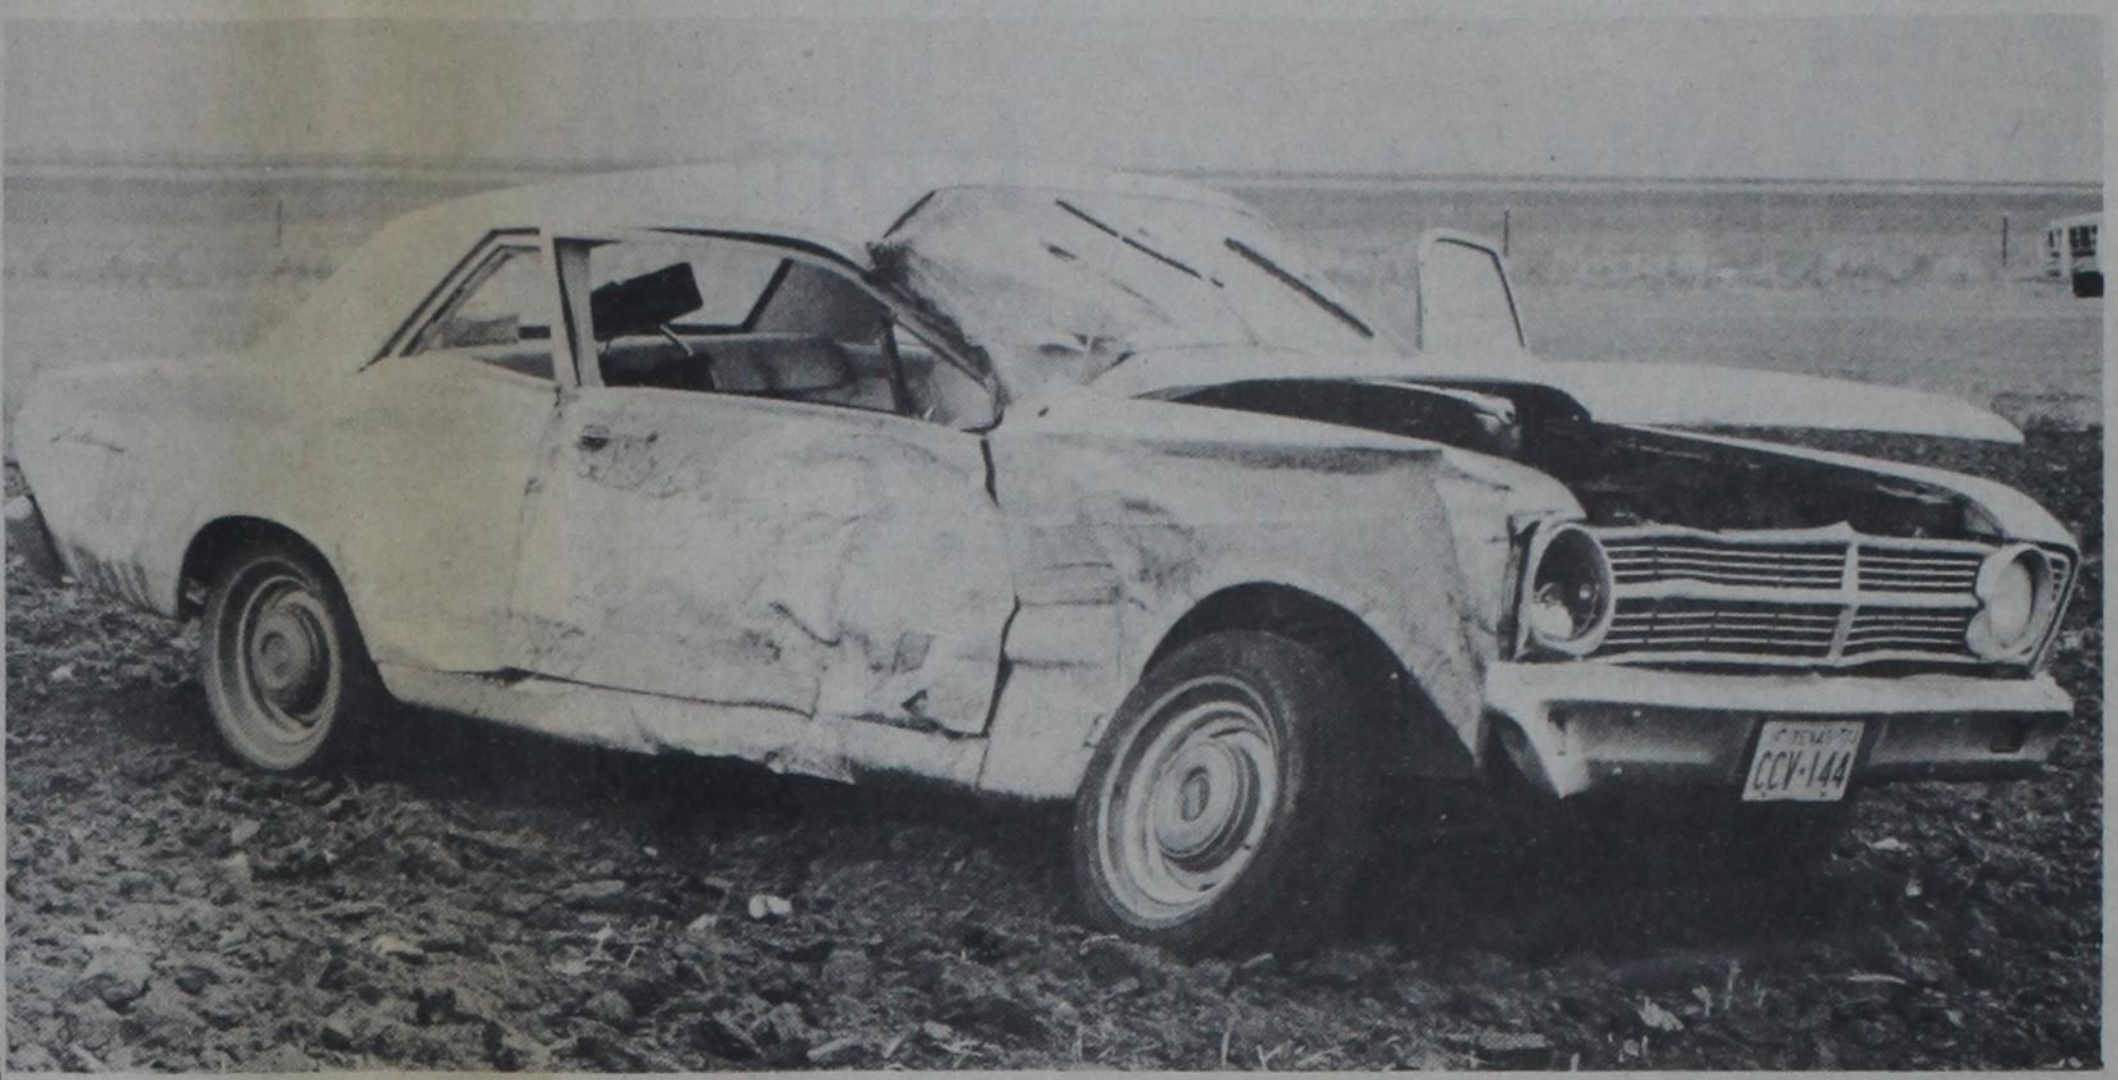

Nava reported that the vehicles collided in almost the exact center of the intersection. The front of the pickup struck the right center of the Birkenfeld car.

THE PICKUP came to rest 60 feet from the point of impact on the west side of the road in a ditch, while the Birkenfeld vehicle came to rest 120 feet from the point of impact in a plowed field on the west side of the road.

Funeral mass for Mrs. Birkenfeld will be held at 11 a.m. today (Thursday) in Holy Family Church in Nazareth.

Born in Lawton, Okla., Mrs. Birkenfeld was a former public school music teacher. She helped organize the Holy Family Church Christmas Pageant and directed its choir.

Survivors other than her husband and daughters include her parents, Mr. and Mrs. Carl Benke of Lawton, Okla.; eight sisters, Mrs. Jim Hennessy of El Paso, Mrs. Henry Renschan of Geronimo, Okla., Mrs. Gene Burk of Lawton, Sister Carlene Benke C.D.P. of West, Mrs. Dare Gueydan of Jonesborough, La., Angela Benke of Childress, and Mrs. Vic Hart and Mrs. Mary Benke, both of Lawton; and two brothers, Charles of Lawton and Larry of Walters, Okla.

CRUSHED BIRKENFELD CAR AFTER MONDAY'S FATAL ACCIDENT

## New bus paid off as funds pour in

The Dimmitt Satellite School's new bus, which had a \$1,900 debt hanging over it when it was contracted for last week, has been completely paid off.

MORE THAN \$2,300 in contributions poured in during the week, most of it from the Junior Fat Stock Show sale Saturday.

The bus was delivered to Satellite School teacher Norma Conard and her seven students Monday afternoon. The 1973 Chevrolet van, which is loaded with extras, replaces the nine-year-old vehicle which the school has been using since 1970.

"We can't thank the people of this community enough for their overwhelming response," said Emmett Broderson, chairman of the Satellite School's advisory board.

THE SCHOOL had started with \$800 in Satellite School funds, a \$250 trade-in allowance and a pledge of up to \$500 from the Dimmitt Kiwanis Club. With this \$1,550 and a lot of hope, board members voted last week to buy the \$3,500 bus and appeal to the community for help.

The next morning, board member Robert Benton explained the school's need to the Methodist Men at their breakfast meeting. The men passed the hat and came up with \$400 for the fund.

More contributions came in from individuals - Carroll Webb, Mrs. Dale Maxwell, Maurice Campbell, Carlos Calvert, Dan Nelson, Elmer Berlyhill, Ike Moore - to build the fund further.

THEN ON Saturday, the bus was virtually paid off during the auction sale that followed the Junior Fat Stock Show.

Six bidders who paid premium prices for the show lambs and barrows asked that the animals be "taken off the floor" and resold, with the second buyers getting the animals and the second winning bid going to the Satellite School bus fund.

The unique bidding idea netted \$1,620.83 for the bus fund.

BIDDERS WHO paid the floor price plus premium to take animals off the floor for resale to benefit the school were Nelson Drilling & Pump Service, Chem-Tex Farm Supply, the Castro County News, Taylor & Sons Grocery, George Sides and Donald Wright.

Those who contributed "resale" bids to the bus fund were Hays Implement Co., James Welch, Webb-Mears Engine Co., Castro Co-op Gin, Flagg Grain Co. and Sam Gilbreath.

Due to the unexpected response, the Kiwanis Club was able to cut its commitment Monday from \$500 to a more

[See New Bus, Page 12]

GARNETT F. HOLLAND

### Holland seeking commission seat

Garnett Holland will seek a post as city commissioner in the city election to be held April 6.

HOLLAND, a native of Dimmitt, retired from the US Air Force in December of 1969. He and his wife, Polly, and daughter Vanesa have resided in Dimmitt since his retirement. He is presently engaged in farming.

"Should the voters of the City of Dimmitt elect me as city commissioner, I will fulfill my obligation to the best of my ability. Your support in electing me to the office of commissioner will be appreciated," said Holland.

### Services held for Christie infant

Graveside services were conducted Tuesday in West Park Cemetery in Hereford for Bryce Alan Christie, infant son of Mr. and Mrs. Jimmy Christie, who was stillborn Monday at Deaf Smith General Hospital.

REV. JIM Pickens, pastor of the Forrest Heights Methodist Church of Lubbock officiated.

Survivors include the grandparents, Mr. and Mrs. Fate Shannon and Mr. and Mrs. Kenneth Christie, all of Hereford, and great-grandparents W. J. Thomas of Hereford and Mrs. Gladys Christie of Lubbock.

Arrangements were by Gilliland-Watson Funeral Home of Hereford.

J. R. BROWN

### Brown files for commission post

J. R. Brown has filed as a candidate for a post on the Dimmitt city commission, subject to the April 6 city election.

A NATIVE of Castro County, Brown has been a Dimmitt resident since 1935.

He has been in the grain business for a number of years and is manager and part-owner of Flagg Grain Co. Inc.

Brown has been affiliated with several civic organizations and has served on the Chamber of Commerce Industrial Development Board. He has also served with the City Planning Commission.

"I have no axe to grind with anyone or any organization and would, if elected, assume duty with a completely open mind. I like my town and will appreciate an opportunity to be a part of its progress," said Brown.

## Election dates set at county's schools

School board elections at Dimmitt, Hart and Nazareth have been set for April 6 and the filing deadline for candidates in each of the districts is March 6.

DIMMITT candidates may file at the school tax office while candidates at Nazareth may file at the school superintendent's office or at the county courthouse. Hart candidates may file at the school tax office.

Absentee voting in Dimmitt will be held at the school tax office March 15 through April 2. Robert Ryan will serve as absentee balloting judge. Candidates in the Dimmitt race must have a campaign manager and must list his or her name at the time of filing.

Absentee balloting in Hart and Nazareth will get underway March 18 and end April 2. Ab-

sentee voting at Hart will be done at the school tax office while absentee ballots will be cast at the school superintendent's office at Nazareth. Tom Ed Benton and Nancy Bowden have been appointed absentee voting clerks at Hart and DeWayne Brown and Charles Black have been named as election judges.

Lynn Ehly has been named election judge at Nazareth with Mrs. Agnes Brockman serving as alternate judge.

IN DIMMITT the terms of John Merritt, Charles Nutt and Melvin Barton are expiring, while at Hart the terms of David Nelson and Preston Upshaw are drawing to a close. At Nazareth the terms of trustees James Wilhelm and Ed Ramaekers are expiring.

## Schulte, Hill, Anthony show champions

Olen Schulte of the Nazareth FFA captured top honors in two divisions of the Castro County Junior Fat Stock Show last weekend. He showed the Grand Champion barrow Friday afternoon and was named as the best overall showman Saturday.

KENT HILL of the Hart 4-H Club captured the Grand Champion banner with his medium weight Hampshire in the lamb division and Stephen Anthony of the Dimmitt FFA showed the Grand Champion in the steer division for the second straight year.

Schulte's barrow placed as breed champion in the cross division before advancing to the championship, and Saturday afternoon he was named as the overall top showman by Supt. Danny Bruton.

In the lamb division Hill placed his medium wool animal as the breed champion. Anthony captured breed champion honors in the heavy Angus division before his calf advanced to the Grand Championship.

Jim Tucker of the Hart FFA showed the Reserve Champion

lamb, a medium weight medium wool.

Terry Hill's cross was chosen as the Reserve Champion barrow. Hill showed for the Hart FFA.

Mark Cluck of the Dimmitt FFA showed the Reserve Champion steer.

Kent Hill was named as the lamb division's best showman and Gary Nutt of the Dimmitt FFA won the honor in the barrow division.

OTHER winners in the show included:

LAMB DIVISION  
Fine Wool Light - 1. Mark Bennett, 2. Heidi Bruegel, 3. David Malone, 4. Johnny Hampton.

Fine Wool, Heavy - 1. Ricky Bagwell, 2. Mark Bennett, 3. Ricky Bagwell, 4. Cinde Sides.  
BREED CHAMPION, Ricky Bagwell; reserve champion, Mark Bennett.

Fine Wool Cross, Light - 1. Greg Cluck, 2. Nelda Henderson, 3. Lester Aven, 4. Heidi Bruegel.

Fine Wool Cross, Medium - 1. Kim Dyer, 2. Kim Dyer, 3. Danny Carson, 4. Kenneth Ad-

ams.  
Fine Wool Cross, Heavy - 1. Marlan Hart, 2. Cinde Sides, 3. Gregg Sides, 4. Lana Tucker.  
BREED CHAMPION, Kim Dyer, Reserve Champion, Kim Dyer.

Medium Wool, Light - 1. Darrell Lacy, 2. Terry Hill, 3. Johnny Webb, 4. Jim Wright.  
Medium Wool, Medium - 1.

Sharla Carson, 2. Tammy Hill, 3. Vic Hart, 4. Darrell Lacy.  
Medium Wool, Heavy - 1. Kent Hill, 2. Jim Tucker, 3. Sandy Harkins, 4. Stanley Harris.

BREED CHAMPION, Kent Hill; reserve champion, Jim Tucker.

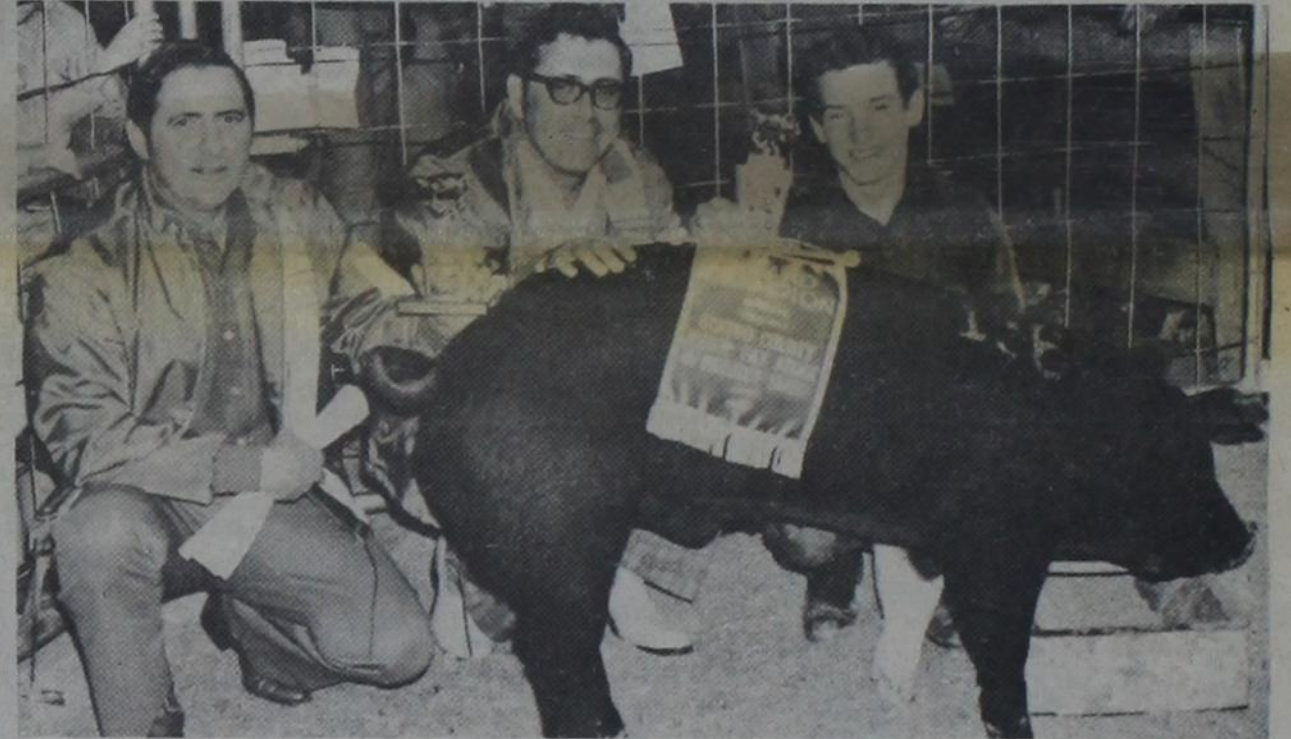

Southdown and Southern Crosses, Light - 1. Terry Bea-

vers, 2. Dana McLain, 3. Marlan Hart, 4. Renee Cluck.

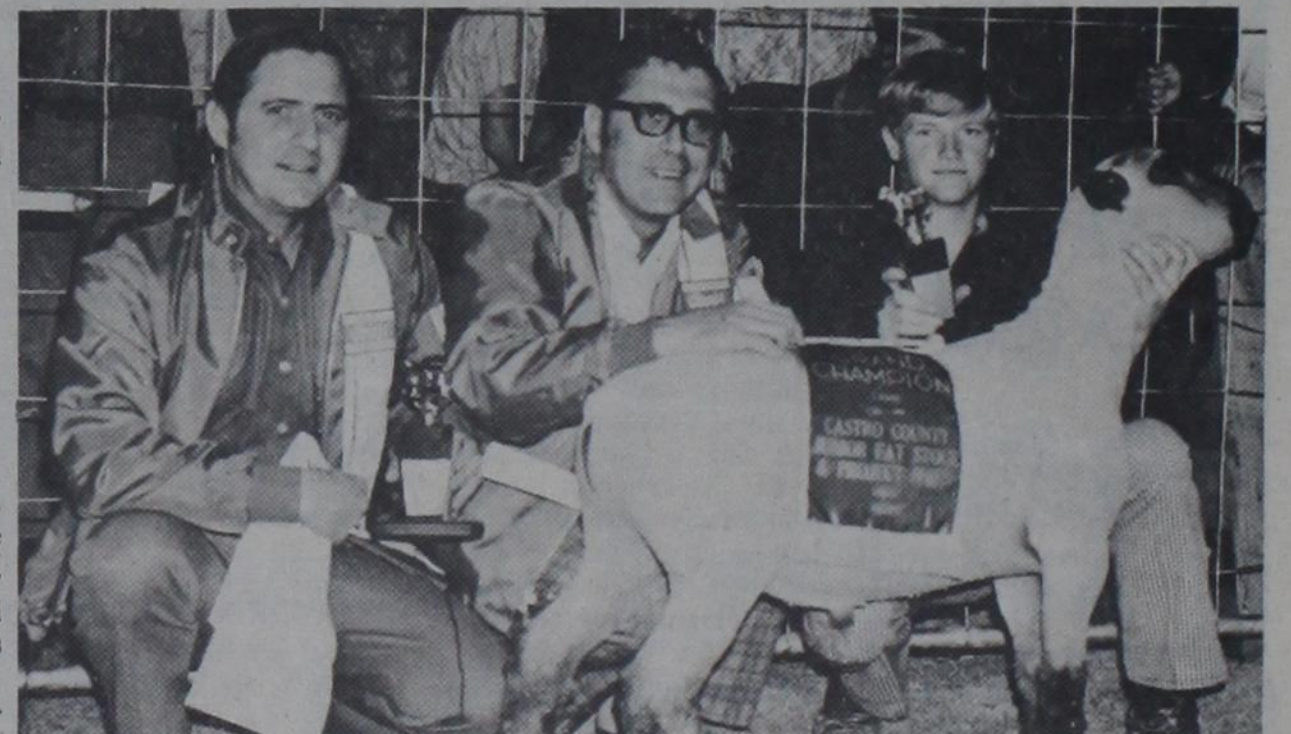

Southdown and Southern Crosses, Heavy - 1. Donna Hart, 2. Leslie Davis, 3. Joe Brockman, 4. Jay Nelson.

BREED CHAMPION, Leslie Davis; reserve champion, Donna Hart.

Other Breeds, Light - 1. [See Champions, Page 12]

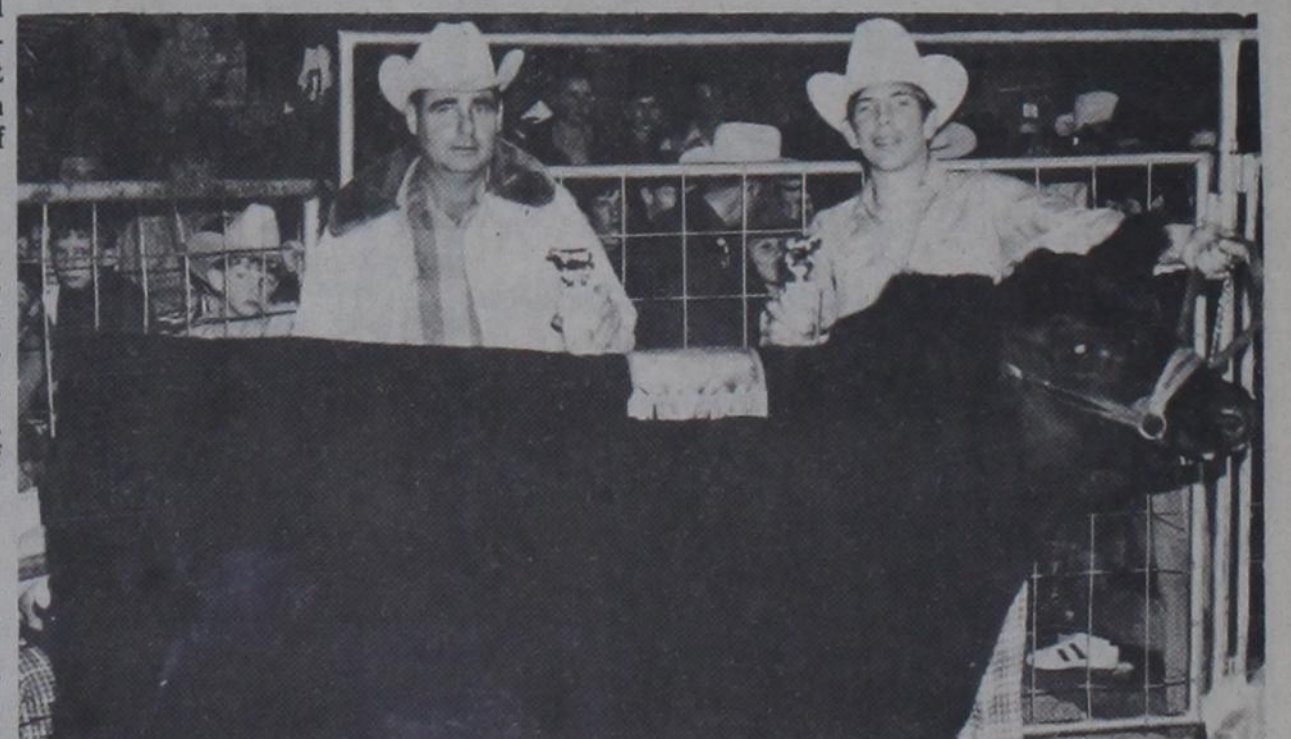

OLEN SCHULTE of the Nazareth FFA chapter captured double honors when his heavy cross was chosen Grand Champion barrow. Schulte was also named as the winner of the overall showmanship award. Coors Distributors of Amarillo bought the 239-pound barrow for \$4.75 a pound, a total of \$1,135.25. Schulte is the son of Mr. and Mrs. Ray Schulte of Nazareth.

KENT HILL of the Hart 4-H Club captured the Grand Champion lamb's banner with this 113-pound Hampshire. Coors Distributors of Amarillo paid \$4.25 a pound for the lamb at Saturday afternoon's record-setting sale. Hill

received \$480.25 for his lamb and was also awarded the showmanship trophy in the lamb division. He is the son of Mr. and Mrs. Bill Hill of Hart.

SECOND TIME AROUND - Stephen Anthony of the Dimmitt FFA displayed the Grand Champion calf for the second year in a row Saturday morning. Allen Webb, Jimmy Cluck and Truman Touchstone teamed up to pay

Anthony \$2.85 a pound for his 1101-pound Angus, a total of \$3,137.85. Anthony is the son of Mr. and Mrs. Bob Anthony of the Flagg community.

Sheffy's chatter

Burketts return from five-week trip to the West

By MYRTLE SHEFFY Swain and Katy Burkett are home from a five week trip to the West. First stop in Phoenix for a few days visit with sons David and Joe and families. On to San Diego to see son Mike. He went with them up to Los Angeles where they took the cruise ship going south down the California coast to Puerto Vallarta and Mazatlan, Mexico, a seashore resort. A little golf was played there, but, no carts so Swain didn't like that. They saw whales off the coast, but did not fishing. Katy says you must take the cruise, beautiful food, everyone waiting on you, the weather perfect. Back to Los Angeles where Mike met them, stayed two days, then to Yuma, Ariz., where they met the Ben Hills and all went to Mexico, Hermisillo and Guaymas, just to see the country. Played golf in all those places, back to Phoenix to see the boys. The Hills visited daughter Ann at Las Vegas. She lives in New York.

SAM AND Virginia Gilbreath and friends, the Wulfmans of Lake Tanglewood, spent two weeks at Sun City, west of Phoenix. This is a retirement city of 30,000, all above 50 years, golf, bridge, many shopping places, also art. A good restful place to go they say. Especially in our winter time.

Fred and Bobbie Bruegel and Doug and Wynema Adams had a very good five-day trip to the Grand Bahama Island as guests of the Miller Seed Company. Farmers and seed dealers could go. They stayed at a big hotel Country Club. Wonderful food, went swimming and touring the island. Bobbie says they were very impressed by the friendly people who live there. They are extra tall and speak with an English accent. Wynema won the Limbo contest, a dance under and over sticks, a very quick dance to native music. Fred and Doug went fishing, caught 40 or 50, even a whale the last day out. They saw Mr.

and Mrs. Howard Smithson and Sam and Jessie Morren on the big Island. I called Maretta and she said they were guests of the Weatherman Seed Company. They made all the market places and casinos. The Islands are covered with colorful flowers everywhere. Jessie Morren is with the Plains Memorial Hospital and Sam drives a truck for Ray Nelson. They say five days is not long enough to do and see everything but a fine trip. They all fly direct from Amarillo.

MRS. EUGENE Morton of San Antonio has been here for a visit with friends the Earnest Sammans and the Joe Bensons. The Mortons owned land near Big Square a few years ago.

Mr. and Mrs. Raymond Wilson were hosts at a dinner at the Colonial Inn with bridge at home. This was Thursday evening. Their guests were the Goodwin Millers, the Swain Burketts, the J.C. Gilbreaths, the M. E. Cleavingers and the Ray Carpenters.

Ray and Edna Riley spent a couple of weeks at a little place near San Marcos where they rest, play golf or go antique hunting. Son Kim is in school near there too.

Mrs. P. P. Robb went to Keyes, Okla. Sunday to attend the 64th wedding anniversary of her aunt and uncle Mr. and Mrs. Charlie Mobery. Now that is a long time to live together. Congratulations to the Moberys.

Mrs. Cowboy Johnson or Jeannie says the Cowbells were organized and Dottie Lewis is president. If you have a cow brand give it to the girls. A fund raising project is napkins with different cattle brands. They need \$10.00 for same. If you want a brand on napkins call Johnsons, 647-5653.

DALE WINDERS' sister Madge called from Santa Anna, Calif. Wednesday night to congratulate us. She reads the Castro County News to keep up with our goings and comings. Madge grew up at Flagg, finished school in Dimmitt. Her mother lives in Earth.

Mrs. Lily Kunetka moved here from El Campo and has bought the house at 106 Front Street. Mrs. Kunetka is the mother of Evelyn Noble. She attends church with the Catholic folks and noes needlework and things like that.

Save and give your Betty Crocker coupons to the Book Club and take them to Mary Edna Hendrix at the Library. These coupons will be used to get stainless steel flatware or dishes for the assembly room meetings. Mrs. Charles Vandiver will take them also.

Mr. and Mrs. Richard Wooten are home from an Oklahoma trip. They stopped in Waurika to visit his brother Leonard and family and Frederick to visit friends and Ruth's kin.

Leola Haberer is visiting her daughter Betty and her husband Dr. George Warrell at Rockwell, east of Dallas. She is home now.

MRS. FRANK Mears Sr. was hostess at a pot luck dinner for the birthday club. Wednesday the 13th of February was Mrs. Mears' day. Guests were Mrs. W. E. Kirkpatrick, Irene Harsh, Ruby Maples, Andy Nelson, Birdie Neill, Lois Bartlett, Dora Johnson, Louise Mears, Maggie Boren, Nettie Graham, Grace Winters, Retta

Cluck and Hazel Merritt.

Cletha George was hostess at a party Thursday afternoon. She served Valentine-shaped congealed salad and ice cream and cake to Dorothy Elder, Jeannie Miller, Ruth Wooten, Maggie Boren, Opal Bearden, Myrtle Sheffy, Anita Morris and Gladys Cleavinger, who won high score.

Mary Frances Davis of Sweetwater is staying here with sister Ceal and Horace Carlile for a few days.

Mr. and Mrs. Jerry Killingsworth are the parents of a new baby boy who came February 13. Meri is the mama's name. Grandparents are Jo Kirkpatrick and Woodrow and Alyce Killingsworth. The great grands are W.E. and Mary Kirkpatrick.

"HAPPINESS IS ..." a country supper that was a "so long for now" party Saturday evening for Bo and Carol Bryant, who are moving soon to Amarillo. Bo will be with the Bank of the Southwest, the one Bob McLean and sons bought into. They have a home out in the west part of town. The hosts and hostesses were the David Bechtols, the Elvon DeVaneys, the Jim Rosses, the Robert Bentons, the John Gilbreaths, the Dennis Blackburns, the Bud Giles, the Carl Bruegels, the Walt Hansens, the Jim Butlers and the Ray Robertsons.

Lonnie and Janice Bell have bought the Bo Bryant house at the west end of Oak Street, and Calvin and Jodie Lippard and daughter Dana have bought the

Bell house. And Steve and Drilma Handley bought the Lippard house. No one can move until the Bryants do.

Several people from the Bedford Street Church of Christ attended the Lectureship at ACC in Abilene this week. These I heard of, the Trellis Summers, the Elbert Summers, the Jack Millers and the Dean Wisemans. Seems these folks have children attending school there too.

TRUDY Jackson, Jill Braafladt and Debbie Wilson were hostesses at a baby shower for the new baby boy of Kay and Andy Rogers. This party was in the home of Mrs. Jim Elder, Feb. 2. The boy got in a hurry to be born so he and mamma were in the hospital. 25 guests came for a visit and bringing gifts. Out of town girls there were Poppy Byrnes Head and Susan Benson Royal of Hereford, Ruth Dyer Bennett and Linda Bennett from Lubbock.

These new babies I heard of who came last week - a boy for Jan and Mike Baca; grandparents are G. L. and Ouida Willis, greets are Mr. and Mrs. Clarence Byrnes; a boy for Charles and Sue Summers, Feb. 13. The grands are Melvin and Juanita Summers and Doris and Houston Lust and greets are Rachel Summers and Millie and Vern Lust.

Another boy!! Monte Moore, son of Don and Paralyne Moore, Feb. 10. I heard that granddad Glen Render was passing out cigars too. Grandma is Mrs. Glen Render and other grands

are Mr. and Mrs. B. L. Moore.

REV. AND Mrs. Lennol Hester will be attending the Texas Conference of Churches in Dallas this week. Rev. Hester is minister of the First United Methodist Church and Feb. 24 the Hesters will attend services at Asbury United Methodist Church in Midland. Gene Wisdom will be preaching here. Do mark your calendar for the revival March 3 through 7th at the Methodist Church.

Kyle and Sara Degge of Lockney were Sunday guests of friends Lee Cole and his parents the L. V. Coles.

Myrtle Johnson, son Steve and daughter Becky of Lubbock were Sunday guests of parents Shorty and Ola Trimble and Jim's mom Dora Johnson.

G. L. Willis attended a financial meeting in San Antonio. He saw A. J. and Jean Kemp from Fort Worth, also saw Connie Sheffy of Hereford who was attending a school teachers' meeting. Connie and Robbie both teach at La Plata in Hereford.

Jack and Susie Bradford have moved to Flagg from Lubbock. They have a big trailer house located where the Senter's store and house was. Jack will be farming with his dad James Bradford.

LINDY AND Lura Scarbrough of Amarillo came by Dimmitt Sunday to visit Dora Johnson and Mary Booher, former Flagg neighbors. They had been to see brother Jake Scarbrough at Earth and Lou Ella at

Plainview. We just now heard their brother Friday Scarbrough had died at Garland recently. These people were all early day settlers at Flagg.

Randy and Lou Griffith have moved to Hart where Randy is with the Hill Farms and Lou helps Louise and Carl Lee Kemp with the books at Kemp Feed Lots.

Craig and Nancy Fuller spent the weekend in El Paso visiting his sister Sharon and James (Tuffy) Cowell. He was a football player here and at WTSU a few years ago.

Charlie and Nancy Hays are home from Houston where Charlie has had treatment. They say the lung has been re-activated. He can breathe with it again. He is much better. They will go back in May for the next checkup.

Floyd and Nell Copeland visited in McAllen, Corpus Christi, Padre Island and Port Isabel recently. They met Sam and Betty O'Neil of Altus and Mr. and Mrs. Harold J. Harmon of Oklahoma City. They returned by way of Amistad Lake, and

found it slightly difficult to get gas.

Send cards to Pat Preston, Saturday, Feb. 23 is her birthday. Her address is Iris B. Dorm, Lubbock State School, Lubbock 79417.

MR. AND Mrs. Allan Webb and Mr. and Mrs. Floyd Copeland cordially invite everyone to an open house honoring Mrs. Vera Webb on her 81st birthday, Sunday, Feb. 24, during the hours of 2 till 6 p.m. at

the Webb's residence on the Clovis Highway. Come by and wish "Nanny" a happy birthday. No gifts, please.

Goldman and Carole Dyer entertained their dinner club at the Hereford Country Club Saturday night. Guests were Shirley and Harold Stephens, Esta and Charles Vandiver, Shirley and Frank Wise, Geneva and Stanley Schaeffer, Myrtle Lois and Russel Moran, Betty Boothe, Aural Davis, Sue and John Merritt.

Presenting The VERSATILE Eversman 329 Utilizing important NEW IMPROVEMENTS in the Famous Eversman CRANE AXLE. Longer, Heavier Stronger—Built To Sell at a LOWER COST. The main wheels of the EVERSMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors. OUTSTANDING FEATURES—Length 32'6". Width 12". THE HIGHEST POINT A steeple was first built on the town church so that anyone anywhere in the village could look out and locate the house of worship. The steeple on the church was the highest point in town. This was a physical fact and the people of the Lord knew it was a spiritual fact also. Although a church's steeple is no longer the highest physical point in the city because of all the many-storied buildings and towers, the church itself is still filled with people who have reached the highest point of Godly maturity and who are filled with the highest degree of Christian love for God and man.

## Revival services to be conducted locally

Dimmitt's First United Methodist Church will conduct revival services March 3-7. Services will begin Sunday, March 3 at 8 p.m. and will be conducted each evening at 8.

**BREAKFASTS** will be held daily March 4-7 at 7:45 a.m.

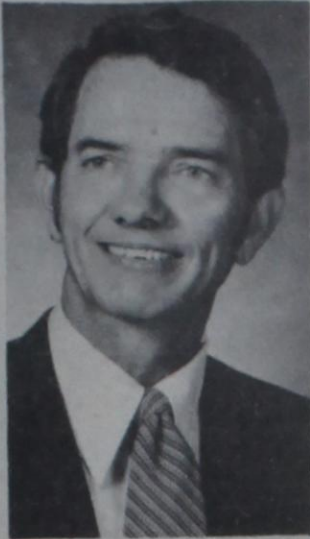

Rev. Leo K. Gee, pastor of St. Paul Church in Amarillo, will serve as evangelist.

A 1946 graduate of Granbury High School, Rev. Gee attended Tarleton State College and North Texas Agricultural College before enrolling at Texas Wesleyan.

During his undergraduate years at TWC, he served as pastor of the Waples Methodist Church near Granbury. After receiving his BS at TWC in 1952 he enrolled at Perkins School of Theology, Southern Methodist University. During his seminary years he served as pastor of Methodist churches in Blum and Rio Vista in the Cleburne District.

**AFTER HE** was ordained as a Deacon and then an Elder in the Central Texas Conference of the Methodist Church, he was transferred to the Northwest Texas Conference, where he was the founding pastor of St. Luke's Methodist Church in Lubbock. He also held a pastorate at the First United Methodist Church, Big Spring, where he served from 1965 until 1972.

Rev. Gee served as chairman

REV. LEO GEE

of the Northwest Texas Conference Board of Evangelism from 1964 through 1968, and now is a member of the Board of Trustees of the Sear's Memorial Home in Abilene. He has served as chairman of pastor's associations in Lubbock and Big Spring. Rev. Gee has conducted over 100 preaching missions in Texas, Alaska, Korea and Japan and has traveled extensively in Europe and the Holy Land. He recently completed a tour of Israel, Lebanon, Turkey, Syria and Cyprus.

Music director for the revival will be Robert L. Hawkins of Hart.

### Letter to the editor

## Reader commends Smith

Dear Mr. Nelson:

I wanted to take just a minute of your time to pat one of your fine citizens on the back for his great contributions not only to Dimmitt and the North Plains, but to all of Texas. I am speaking of Mr. Ralph Smith, the director of your outstanding Dimmitt High School band. I doubt that many people in your fine town are cognizant of all that Mr. Smith does and has

done for Texas bands, though I am sure you are aware of his great Dimmitt program. Mr. Smith was just elected president of the Texas chapter of Phi Beta Mu, the national band directors honor fraternity. This is an outstanding honor, one of many which have been bestowed on Mr. Smith by his colleagues. He has served the Texas Bandmaster Association as president and in many capacities in the Texas Music Educators Association.

I believe Mr. Smith's band is one of the best in Texas. The great thing is that the Dimmitt band members learn more than musicianship through their band participation. I have two ex-Bobcats in my college band, Dawn Parker and Brent Miller, and can honestly say they are among the finest young people I have ever known. I am sure that at least part of their fine upbringing can be attributed to what they were taught by Mr. Ralph Smith.

Again, I just wanted the people in Dimmitt to know how much the band directors of Texas respect Mr. Smith.

Personally,  
CHARLES TRAYLER  
Director of Bands  
Abilene Christian College

## Here's Hart's school menu

HERE ARE the Hart School lunch menus for Feb. 25-March 1:

Monday - Corn dogs and mustard, cornbread and baked beans, whipped potatoes, cherry cobbler, milk and butter.

Tuesday - Meatloaf and catsup, hot rolls and candied yams, cole slaw, brownies, milk and butter.

Wednesday - Pinto beans with ham, cornbread and buttered spinach, pickled beets and onions, apricot cobbler, milk and butter.

Thursday - Hamburgers on homemade buns, mustard, lettuce wedge, pickles, onions, fruit gelatin and milk.

Friday - Fried fish, tartar sauce, yeast rolls, green beans, buttered corn, cake, milk and butter.

MAN-MADE fibers represent about two-thirds of all fibers used by American mills for woven and knitted fabrics, carpets and other fiber products, notes Margret Ann Vanderpoorten, clothing specialist with the Texas Agricultural Extension Service.

### Extension slates

#### AI clinics for 74

Texas livestock producers will have an opportunity to attend one of 13 clinics on artificial insemination and pregnancy determination throughout the state during 1974.

**THE WEEK-LONG** clinics are a joint effort of the Texas Agricultural Extension Service and the American Breeders Service and provide actual field training in AI and pregnancy testing in addition to detailed information on managing the breeding herd.

According to John Beverly, animal reproduction specialist for the Extension Service, information is also presented on disease prevention, selection of breeding animals, record keeping and nutrition requirements of breeding animals.

The clinic schedule is as follows: Mar. 11-15, Houston; Mar. 25-29, Waco; Apr. 8-12, Longview; Apr. 29-May 3, Beeville; May 20-24, Brownwood; June 10-14, Brenham; July 8-12, Nacogdoches; July (date to be set), Decatur; Oct. 7-11, San Antonio; Oct. 21-25, San Angelo; Nov. 4-8, South Plains (site to be set); Nov. 4-8, Mercedes; and Nov. 18-22, Athens.

In addition to Beverly, Extension Service livestock specialists involved in the clinics are Dr. Dennis Herd, Dr. Jerry Cowley, Dr. Delmar Davis, Dr. Randall Grooms, Dr. Leroy Hoermann, Dr. Steve Hammack, Dr. Dennis White and Dr. Tom Woodward.

INFORMATION on advance registration is available from John Quinn, Rt. 2, Box 250, La Grange 78945 (713/249-3033) or Jimmie Travis, Box 232, Weatherford 76086 (817/594-5711). County Extension agents also have details on the clinics.

## Two Bobbies named for All-District honors

Dimmitt's Bobbies placed two players on the 3-AA All-District team and three others were given honorable mentions according to coach Bob Askey.

JUNIOR FORWARD Cindy Dyer and sophomore guard Marla Winders were named to the All District dream team. Forwards Lisa Simpson and Beth Cleveland received honorable mentions, as did guard Karen Hutto.

Here's the 3-AA dream team lineup: Forwards — Suzie Culwell, Olton junior; Darla Rhodes, Friona senior; Jill Owens, Littlefield senior; Cindy Dyer, Dimmitt junior; Tonie Gardner, Littlefield junior and Donna Muller, Olton senior.

Guards — Theresa Ingram, Friona senior; Laurie Gallagher, Olton junior; Carla Moses, Olton junior; Marla Winders, Dimmitt sophomore and Tina Day, Friona senior.

Melanie Cowart, Olton junior, also received an honorable mention as a guard.

### 15—LEGAL NOTICES

CITATION BY PUBLICATION THE STATE OF TEXAS TO: CHARLES LEWIS FRENCH, RESPONDENT GREETING:

YOU ARE HEREBY COMMANDED to appear before the Honorable 64th District Court of Castro County at the Court-house thereof, in Dimmitt, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 1st day of April A.D. 1974, to Plaintiff's Petition filed in said court, on the 6th day of February A.D. 1974, in this cause, numbered 3903 on the docket of said court and styled IN THE MATTER OF THE MARRIAGE OF EULA OREDA FRENCH AND CHARLES LEWIS FRENCH.

A brief statement of the nature of this suit is as follows, to-wit: A Petition to dissolve the Marriage of Eula Oreda French and Charles Lewis French.

Take notice that under the provisions of the Texas Family Code effective 1-1-74, you have the right to marriage counseling service in this cause and that same is available in Dimmitt, Castro County, Texas, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Dimmitt, Texas, this the 15th day of February A.D. 1974.

Attest: Zonell Maples, Clerk, 64th District Court Castro County, Texas By Joy Jones, Deputy (Seal) 15-20-4tc

The nice weather we've been having for the past few weeks has brought some golfers out of hibernation.

John Lantz got a hole-in-one on #2. This was his second in six months.

Special thanks are due Ralph Glover and Southwestern Public Service, and Bob Caddell,

Pioneer Natural Gas, for the use of their time and equipment in helping us dig holes and plant trees on the course.

The high school boys started practicing for the golf team last week. Ronnie Lawson shot a 37 on his first 9. David Kaplan, a promising young golfer from Phoenix, will be an asset to the team this year.

**SEVERAL OF** the ladies have been playing. Maxine Childers got an eagle on #7 Saturday. The same round Audrey Shottenkirk had a birdie on #2. Audrey and her husband, D.H. (Shot) joined the club last year, so she is a relatively new golfer.

Harold Hyman is coming on strong. He made #8 with two shots Saturday.

**THE BEN** Hills and Clyde Damrons hosted the Thursday Night Couples Bridge Club at a covered dish supper last week.

Virginia Crum was high individual with 4850 while Cecil Crum was second with 4080. Ramona Annen captured third with 3710 and fourth place went to Ellen Hrabal with 3570.

At the meeting of the Novice Bridge Club Friday Rosalia Gilbert had the top score of 4240. Second place went to Dorothy Elder with 4190 and Josie Bradford was third with 3070. Fourth place went to Opal Bearden with a score of 2630.

**WAGNER** is survived by his wife, Viola; a son, Darrel of Amarillo; two daughters, Mrs. Bonnie Johnson and Mrs. Linda Miller, both of Amarillo; five brothers, Kell, Bob and Elmo, all of Amarillo, Cecil of Jackson, Miss, and Tommie of Oakland, Calif.; and six grandchildren.

Funeral arrangements were under the direction of Boxwell Brothers Funeral Home.

ment's Hunter Safety Program has the sad task of compiling a hunter casualty report this time every year.

THE 1973 report is a little better, however, than last year's: 80 accidents versus 85 for 1972.

Fatalities and the number of people involved in hunting accidents are also down from last season. Some 116 persons were involved in accidents this year with 22 fatalities.

In 1972, 130 persons were accident victims with 30 fatalities. Of this year's figure, 22 of the persons involved were 16 years of age or younger.

According to Carroll, 20 of this year's accidents could be blamed on "hunter judgement."

"Most of these mishaps," he said, "might have been prevented if the victims had been wearing hunter orange or some other identifying clothing."

At present, Texas has no laws requiring hunters to wear articles of clothing which make them stand out against the autumn background.

HOWEVER, heading the list of accidents are those classified as the result of violating laws or rules of hunter safety.

"Here is where the Parks and Wildlife Department comes in," said Carroll.

"Our Volunteer Hunter Safety Program is entering its third year and the instructors have taught some 7,000 Texans of all ages the basics of handling firearms and safe hunting."

### Baling wire users urged to order their supplies now

"If you plan to use baling wire in your hay-making operation this spring and summer, put your order in now," urges an economist for the Texas Agricultural Extension Service.

BALING WIRE will again be in short supply this year, believes Dr. Arthur Gerlow. And unless farmers, ranchers and custom operators order early, they may experience a shortage similar to or possibly even worse than last year.

"The task of keeping inventories on such steel supplies as baling wire has now shifted from the manufacturer to the distributor or retailer," points out the specialist.

"This enables the manufacturer to ship to distributors directly off the production line. But the distributor must have his order in at the time of production. Otherwise he may be caught short."

Why did the baling wire shortage hit last year? According to Gerlow, a combination of things was responsible. First of all, hay production was high last year in most sections of the U.S. Texas experienced one of the best hay crops in many years. So, the demand was high for baling

wire and available supplies were just too low.

Furthermore, a shortage of steel, especially the lower quality steel rods used in producing baling wire, kept production down. The steel rods are mainly imported from Japan and Europe, points out the economist, and the industrial boom within those countries has kept the lid on their steel exports.

"ANOTHER thing to remember is that baling wire is a low profit item for steel companies to produce," notes Gerlow. "Therefore, the chance of expanded production is rather slim, especially under Phase IV price controls."

Whether or not there will be a noted shortage of baling wire this year will depend heavily on weather conditions, adds the economist. If spring and early summer conditions are favorable for forage growth, hay production could boom. And that would boost demands for baling wire.

"But users of baling wire can't afford to wait on the weather," emphasizes Gerlow. "They must get their orders in now, and even that might be too late."

### Groundbreaking slated for Texas 4-H Center Friday

Ground will be broken for the \$1.375 million Texas 4-H Center at Lake Brownwood, following a 10:30 a.m. ceremony Friday (tomorrow) in downtown Brownwood.

CONSTRUCTION on the 4-H Center is expected to begin shortly thereafter, with the Herman Bennett Company of Brownwood slated to build the youth facility on a 78-acre site near there.

Matthews, Cumpston and Associates, architects and engineers of Bryan, designed the 4-H Center, which will have a capacity of 200 people and should be completed in about a year.

T. Louis Austin Jr., of Dallas, chairman of the Texas 4-H Youth Development Foundation, will chair the groundbreaking program. Austin is president of Texas Utility Companies.

Lisa Swanson of Breckenridge, girl's vice chairman for the Texas 4-H Council, will give the invocation. The wel-

come will be extended by officials of Brownwood and Brown County.

DR. H. O. KUNKEL, Texas A&M University dean of agriculture, will make commendations to 4-H.

Viewpoints about what the 4-H Center will mean to Texas will be presented by a member of the Texas 4-H Council, an adult leader, and Dr. John E. Hutchison, director, Texas Agricultural Extension Service. Representing the Texas 4-H Council will be Ronnie Blakely, chairman, Hidalgo County youth who is a student at Texas A&M University. Giving the 4-H adult leader point of view will be Mrs. Floyd Terrell of Hale County.

The groups will then move to the exact Center site at the lake to turn the first shovel of soil. Adult leaders and others working with 4-H from throughout Texas are expected to participate in the ceremony.

THE CENTER will feature such programs as youth summer camps, leadership training, citizenship seminars, adult leader training, county 4-H camps, and family weekend retreats, announced H. T. Davison, Extension Service 4-H and youth specialist and 4-H Foundation executive director. The Center will also be available to other groups and businesses interested in conducting educational programs.

Davison said that about \$1 million has been pledged by business, industry, foundations and individuals. In each Texas county, 4-H members and leaders are presently conducting fund raising activities.

Brown County Water Improvement District No. 1 donated the Center site.

### Brockman selected to head club at WT

James Brockman, Nazareth senior, has been elected president of the Farm and Ranch Club at West Texas State University in Canyon.

BROCKMAN is a Plant Science major and a WT resident. The group, formerly known as the Plant Science Club, emphasizes agronomy.

Brockman is the son of Mr. and Mrs. Jerome Brockman of Nazareth. He is a 1969 graduate of Nazareth High School.

## On Wall Street

By Bob Hill  
**Lentz, Newton & Co.**

We can get a hint at 1974 developments by taking a look at the preliminary Gross National Product figures for the last quarter of 1973 which were just released. The rate of inflation in the last quarter was 7.7%, the highest in 23 years. From just November to December, consumer prices for fuel and oil and coal rose by a seasonally adjusted annual rate of 132%. The price of gasoline and motor oil rose at an annual rate of 50%.

THE NUMBERS themselves are not so important. It is the change in trends that we try to spot early in order to get some insight on what will happen to the economy, the stock market and your pocketbook during 1974 and 1975.

We can assume that 1974 fuel costs, on the average, will be double the 1973 prices. The Administration hopes to stabilize food prices late in the year, but you will see food prices rising sharply through most of 1974.

The unpleasant fact is that we will see a rate of inflation of 8% to 9% in 1974 and in some months it will probably exceed 10%. Inflation will also continue to plague us in 1975 and 1976. In fact, inflation is almost chronic in our economy.

It's important to point out which areas of our economy are showing real growth and which are not. Residential construction, consumer durables (automobiles account for 50% of consumer durable spending), aircraft and international trade are showing declines. The key point to remember here is that most of the areas of softness, though vital to real economic growth, involve only a small amount of industrial production.

For instance, residential construction involves very little industrial production in our economy. As we stated earlier, about half of our consumer durable spending is for automobiles. Yet automobile production in the aggregate accounts for only 3% of the total in-

dustrial production in the U.S. Industrial production will hold up well in 1974, assuming the Administration is successful in restricting fuel demands by consumers while maintaining an adequate flow to industry.

These industries will show increased sales in 1974: Railroad equipment, machinery, steel and aluminum, chemicals, rubber products, paper, foods and beverages, tobacco, textiles, apparel, leather products and mining.

TO SUM it all up, the slowdown in our economy will moderate in 1974 with the second half beginning to show increases in corporate earnings. The stock market will move above the 900 level for two reasons. Stocks are the only way to purchase a stream of earning power at knockdown prices and they do not have an inflation premium built into their prices. Remember, you have to make 10% on your money just to offset the loss in purchasing power caused by inflation. If earnings increases come through as they appear likely, these bargain prices on many stocks aren't going to be around six months from now.

THE 1973 outshipments of Texas cattle and calves shipped to other states totaled 3,700,000 head, down 10 percent from the 1972 annual number.

### Miss Parker named to ACC honor roll

Dawn Marie Parker, daughter of Mr. and Mrs. Ronnie Lee Parker of Dimmitt, has been named to the dean's honor roll at Abilene Christian College for the fall semester of 1973.

A 1973 graduate of Dimmitt High School, she is currently a freshman at ACC, but has not yet decided on a major. A grade point of 3.45 on a 4.0 scale is the necessary qualification for the dean's honor roll at ACC.

THE 1973 calf crop in Texas is estimated at 5,900,000 head, 10 percent above the previous level.

### GSPA slates meet March 1 in Lubbock

The annual meeting of the Grain Sorghum Producers Association will draw members and guests from across the US March 1-2.

DUKE LIGON, a deputy assistant administrator in the Federal Energy Office, is among speakers at the GSPA meeting.

Ligon's appearance was announced by A. W. (Dub) Anthony Jr., of Friona, GSPA's president.

Other speakers include Glenn Weir of Agricultural Stabilization and Conservation Service; Darwin Stolte, president of the US Feed Grains Council; Charlie Ball, executive vice president of the Texas Cattle Feeders Association; Dr. L. S. (Bill) Pope, associate dean of agriculture at Texas A&M; and C. K. Cardwell, deputy director for credit service of the Farm Credit Administration.

The meeting will be held in Lubbock's KoKo Palace with the first day's session open to the public. The second day is reserved for a meeting of GSPA's board of directors and an election of officers.

### Here's why Hesstonized Hay cures while others dry out.

**Don't lose the hay quality you grow.** The care you exercise planning your crop and timing your harvest might well be wasted if the windrower you use doesn't offer the type of conditioning action that will help preserve this quality. Since nutrition, palatability and the ultimate economy of feeding forage crops all depend upon this conditioning action, consider carefully what happens to the crop once it is cut.

**Gentle Uniform Conditioning.** All Hesston windrowers have what is basically the same kind of conditioner, matched to the speed and header of the specific windrower model. The conditioner consists of a fluted steel roll and a grooved rubber roll. As the crop passes through these rolls in a thin, uniform blanket, it receives a gentle, uniform cracking action. The cracking effect allows the moisture to evaporate while nutrient-laden solids are retained in the plant pulp. All of this is done gently, with minimum damage to the crop by the conditioner rolls. The Hesston windrower then leaves the crop in a fluffy windrow with excellent air circulation so that it cures evenly. In leafy crops, the stems dry at about the same rate as the leaves. This means that it is possible to stack or bale while the total crop is at a uniform moisture content, and before brittleness increases the leaf loss that lets so much quality stay behind in the field. To get a complete understanding of the difference this kind of conditioning can make, compare a Hesston windrower at work, and the hay in the windrow behind it, to one of the other kinds of windrowers.

**The Myth of Intermeshing Conditioner Rolls.** On a machine with intermeshing conditioner rolls, the over-aggressive action strips precious leaves. The harsh action of the intermeshing rolls stretch, tear and mangle the crop. Look at the crop in the windrow, and you'll see that the split stems and mangled leaves expose the plant pulp to the sun, wind, rain and humidity...you'll see why Hesstonized Hay cures while others simply dry out. At first glance it might seem that this over-aggressive conditioning action would make the hay dry faster. But the mangled crop mats—while the fluffy Hesston windrow cures evenly. Check the windrow after the hay has time to begin curing. The big importance is that Hesstonized Hay contains more nutrients, is more palatable to your livestock, and may be counted on to preserve that quality in the bale, stack or silo.

**The hay that made a name for itself.** Over the years, Hesston has sponsored many different quality tests, but the most convincing proof comes from the ranchers and farmers who feed the hay produced by Hesston windrowers. They think it is so special that they gave it a name—Hesstonized Hay. You can enjoy the benefits of this quality hay in your own feeding program...or you can enjoy the premium price Hesstonized Hay brings if you grow hay to sell. The Hesston Hydro-Static 620 windrower and the Hesston PT-12 pull-type windrower featured in this brochure both produce Hesstonized Hay. The choice you make depends on your particular requirements.

# Mrs. Griswold gives program, calls for support of Scouting

Mrs. Leonard Griswold addressed members of the Dimmitt Rotary Club at their noon luncheon Friday and urged those present to "get involved in Scouting."

BEGINNING her 25th year in the Scouting program, Mrs. Griswold is still as excited about Scouting as she was when she began and she urged Rotarians present to take part in Scouting through leadership and sponsoring activities.

"Next to my boys and grandsons, Scouting is in my heart," she told her audience. "There is a place in Scouting for every boy and every adult, and we need older persons to show our Scouts the way," she added.

Mrs. Griswold began receiving training as a Den Mother in 1950 in Denver, Colo. Living in Muleshoe two years later, she became Den Mother to five dens of Cub Scouts, a total of 45 youngsters.

Since that initial involvement she has continually served as a Den Mother and has trained many others in Scout work. She has received almost every award offered in the Cub Scout program and will receive her pin for 25 years of service in the fall.

MRS. GRISWOLD'S awards are numerous and some of her latest ones include the Roundtable Conference Award from Philmont Training Center in Cimmaron, N.M., the Arrowhead Honor in March of 1973; Craftsman and Den Leader of South Plains Council Award, serving on the Pow Wow in November of 1972; and a District Training Service award for training leaders throughout the Haynes District. The district is composed of towns in the area between Olton and Dimmitt, Tulia and Lockney and around Hale Center.

Mrs. Griswold is currently serving as Den Mother for two dens at Hart, consisting of 18 boys.

The mother of three handicapped children, she recalls that at one time all three of her sons were hospitalized in different hospitals in Denver.

"Scouting has helped me through many hard times and has also given my family a closer relationship and better understanding of other people and our responsibilities to others," she says. "Scouting has given me so much for my boys."

Work with the handicapped and those that have special

## PRPC awarded grant for new equipment

Governor Dolph Briscoe recently awarded a \$897,560 grant to the Panhandle Regional Planning Commission, Amarillo, for improving law enforcement in the area.

THE MONEY comes from the Criminal Justice Division of the Governor's Office. CJD administers the state's block grant from the Law Enforcement Assistance Administration under the Crime Control Act of 1973.

The award will provide high-band radio communication equipment for 73 participating area law-enforcement agencies. When the system is integrated with the statewide communication system, agencies of the PRPC area will have reliable communications via radio with all other law-enforcement agencies in the state.

**THE TEXAS CONSTITUTIONAL CONVENTION 1974**

REMEMBER, THIS IS YOUR CONSTITUTION.

MRS. LEONARD GRISWOLD

problems is one of Mrs. Griswold's specialties, and she replies that she would "much rather work with boys in Scouting than sit on their jury in a courtroom."

"SCOUTING helps influence and develop character in boys, it strengthens their ability to get along and prepares them for work in their community as

the boys travel and work together," she said.

Although she has threatened to retire from the program several times, someone has always talked her into taking "just one more" project. She will probably stay on until she is satisfied that the Haynes District's Scouting program is really "solid."

## Society steps up treatment services

Because of the steady growth in numbers of crippled children and adults in Texas, the Easter Seal Society for Crippled Children and Adults of Texas has stepped up its rehabilitation services.

ACCORDING TO Mrs. Sue DeVaney, who is the Easter Seal Representative for Castro County, 20,570 handicapped Texans received Easter Seal treatments during 1973.

"Despite medical scientific advances," she explained, "the ranks of the crippled are growing. This is because of population growth, increased number of accidents and medical treatment which saves victims of crippling diseases who might not have lived in past years."

Quoting the annual report of the Easter Seal Society for Crippled Children and Adults of Texas, she said that 18 affiliated treatment centers are in operation in Texas. They include treatment and rehabilitation centers, recreation and educational programs, and many others.

"Through these programs, persons with a wide variety of handicaps receive the help they need to live normal lives," Mrs. DeVaney said.

THE LARGEST group served includes those with major deficiencies of bones and joints, severe speech defects, cerebral palsy, arthritis, muscular dystrophy and multiple sclerosis and stroke. The Easter Seal Campaign, which provides funds for continuation of these services, begins March 1, and continues through April 14, Easter Sunday.

HEART COMMITTEE — County Heart Fund officials and members of the county Home Demonstration Council met last week to plan activities for the countywide observance of "Heart Awareness Week" which continues through Saturday. The county HD council is doing the "legwork" of the campaign this week, making calls door-to-door and passing out educational

material. Pictured at left are Maxine Ballard, Flagg HD Club, Margaret Womack, Town and Country HD Club, Irene Keating, county home demonstration agent and Jerry Marvin. At right are Joyce Burkholder, regional Heart Fund director and Edd McLeroy, county Heart Fund chairman.

## Income averaging is important tool

A higher farm and ranch income in 1973 does not necessarily mean a higher income tax bracket, says Dr. Wayne Hayenga, economist for the Texas Agricultural Extension Service.

"A TECHNIQUE called 'income averaging' can reduce taxes in situations where taxable income changes measurably from year to year," continues the specialist. "For the technique to apply, your taxable income must be at least \$3,000 more than your yearly average income for the four immediately preceding tax years."

In addition to ordinary income, capital gains on the sale of livestock and other assets may also be included in income averaging.

In filing for income averaging, Schedule G must be completed and turned in along with Form 1040, advises Hayenga. It is not necessary to file amended returns for the four preceding years, but the tax returns from these years must be available to record the taxable income reported.

The economist suggests a simple check to determine if income averaging will save tax dollars. First, compute the

"average taxable income" for the prior four years. Then, multiply that figure by 120 percent to get the "average base period income." The "averageable income" is determined by subtracting the average base period income from the current taxable income. If the difference is more than \$3,000, income averaging can be used.

"IN FIGURING your income tax by this method, the progressive rate schedule is eliminated on the top four-fifths of averageable income," points out Hayenga.

TEXAS, Missouri, Nebraska and Oklahoma rank in that order in the size of the 1973 calf crop among the 50 states. These four states accounted for more than a fourth of the total calves born in the nation.

Sunnyside news

Local youths compete in area stock shows

By TEENY BOWDEN

In the Springlake-Earth Junior Livestock Show Friday and Saturday Kevin Riley showed the Reserve Champion lamb, the Champion Medium Wool lamb, and the Reserve Champion Fine Wool lamb. He also won the Showmanship award for lambs. Lee Brown won 6th in the Light Weight division and 7th in the Heavy Weight division. Lynn Brown won 4th in the Light division and 9th in the Heavy Weight division. Eddie Alair was one of the superintendents of the lamb show. Dina Jo Hampton placed 3rd with a Hereford steer. Terry Blanton won second place in the Light Weight Crossbred steer division. Eddie Haydon helped with the buying and bidding Saturday. Morrison Gin, Rilcot Seed Company, Waggoner Farm Store, Tide

Products, Estacado Industries Inc., Sunnyside Feeders and the 4-Way Cattle Company were among the buyers. Sunnyside Feeders had the floor price for lambs. Tommy Alair is one of the directors.

IN THE Castro County Junior Fat Stock Show Thursday, Friday and Saturday Matt Gilbreath won first place with a lamb. Larry Duke placed 8th and 9th with barrows. Keith Calhoun and Joe Constanca placed 2nd, 5th, and 6th with partnership pigs in the local show and 4th place in the county show with the 6th place pig in the light weight barrow division.

The Lions Club met Monday night for their regular meeting and planned a ping pong tournament for Saturday beginning at 6:00 p.m. Cash prizes will be presented to the winners. At

the next meeting, Feb. 25, Milton Laurie of Kress will give a program on the Texas Lions Crippled Children's Camp. Anyone interested is invited to attend to learn about the various camps for the handicapped. Lynn Brown attended the camp for diabetic children last summer. Time for the meeting will be 7:30.

Rev. and Mrs. Mack Turner, Mr. and Mrs. Roy Phelan and Mr. and Mrs. Thomas Parson attended the Group Training Union School at the First Baptist Church in Dimmitt Monday through Wednesday nights. Hershel Wilson and Larry Starnes attended Tuesday and Wednesday nights. No Wednesday night services were held locally.

Joe Fulfer was one of the fourteen Springlake-Earth students winning first place medals in the regional ULL Solo and Ensemble competition in

Lubbock recently. Joe was a first place winner in both the solo and ensemble competition.

MRS. JOHN Gilbreath, Mrs. E. R. Sadler and Mrs. L. B. Bowden attended the Plains Memorial Hospital Auxiliary board and general meetings held at the hospital in Dimmitt Wednesday morning.

Darrell Parson of Plainview visited with his grandparents Mr. and Mrs. Thomas Parson Wednesday through Sunday and will spend part of next week also. Edwin, Philip and Wayne joined him Friday and visited through Sunday. Their mother has been in the hospital.

Mr. and Mrs. Hershel Wilson sponsored the Young People at a skating party in Plainview Saturday night. Those going were Lonnie and Debbie Wilson, Renee Jones, home from South Plains College at

Levelland, Doug Freeman of Earth, Steve Morgan, Lyle Shive and Lee Brown.

Dr. and Mrs. Myles Sadler of Lubbock came for Gregory Saturday and visited a while with Mr. and Mrs. E. R. Sadler.

MRS. KATY Waggoner of Dimmitt spent the weekend with Mr. and Mrs. J. Paul Waggoner.

Mr. and Mrs. O. B. Starnes of Morgan Mill spent the weekend with their son, Mr. and Mrs. Larry Starnes, Deanna and Donna.

Mrs. Howard Cummings entertained in her home with a salad luncheon last Sunday. Her guests were ten members of her Sunday School class.

Debbie Wilson was one of four Springlake-Earth students who entertained the Earth Lions Club Tuesday with the Poetry and Prose Interpretation they will present in the ULL

contest in April.

REV. M. D. Durham of Lubbock visited with several in the community Tuesday afternoon and had lunch with Mr. and Mrs. Roy Phelan.

Mrs. E. R. Sadler and Mrs. L. B. Bowden represented the church with a visit to the Golden Spread Nursing Home Thursday afternoon. They showed slides of the Twin Peaks area of Colorado made during a foliage tour in the fall and slides of the residents themselves made at various times.

Mr. and Mrs. James Powell and children of Dimmitt and Mr. and Mrs. Larry Sadler and girls spent the day Saturday with Mr. and Mrs. Ezell Sadler.

Mr. and Mrs. Roy Phelan visited in Fieldton Sunday with Mr. and Mrs. Tracy Phelan and Mr. and Mrs. Earl Phelan.

MRS. RALPH Fulfer has been a patient in Plains Memorial Hospital in Dimmitt this week. She was dismissed Monday morning.

Mr. and Mrs. Ellis Carter of Hereford visited Sunday with Mr. and Mrs. Edd Duke and family. Sandra Duke is helping care for her grandmother through the HECE program in Homemaking which allows students to work half a day and attend classes the other half. She can get most of the work done each morning and attend school in the afternoon because of the program.

Mr. and Mrs. Weldon Bradley would like to say to their friends, "Dear Friends, We would like to take this means of saying thank you for the gift and the going away party. Sunnyside has meant a lot to us, and we have fond memories of the past years. As ever, Weldon and Irene."

RECEIPTS of all livestock at auction markets inspected by the Texas Animal Health Commission totaled 9,400,000 head in 1973, compared to 9,100,000 head a year earlier.

WELDON BRADLEY CANDIDATE FOR COUNTY JUDGE CASTRO COUNTY Your Vote and Influence Will Be Appreciated

Commission adopts dredge spoil policy

In their most recent meeting Texas Parks and Wildlife Commission members voted to oppose, as a matter of policy, the disposal of dredge spoil in wetlands if Parks and Wildlife Department staff members determine the disposal area has particularly valuable or unique esthetic or ecological qualities.

IN THE policy, coastal wetlands are defined as marshes, grass flats, ecologically valuable bay bottoms and island rookeries, and inland wetlands include marshes, swamps and oxbow lakes.

Where the deposition of spoil is opposed, any posture of opposition is to be in accordance with the limits of the department's and commission's statutory authority.

When the staff determines that a wetland area has particularly valuable or unique ecological qualities, spoil proposals which would adversely affect the area will be opposed.

Alternate spoil disposal sites may be recommended. In cases where recommendations are provided, ecological need will be a major determining factor of consideration.

IN THOSE cases where the staff determines that detrimental environmental effects can be substantially minimized, the implementation of spoil disposal techniques which result in minimization will be recommended. Ecological need will be a major determining factor of consideration, and department staff recommendations will be made along the following guidelines:

- Spoil should be confined as much as possible in order to cover a minimum amount of bay bottom. Existing spoil dumps should be utilized when available. In valuable, shallow habitat, toe levees on emergent spoil islands or ring levees may be recommended. Construction of permanent levees for spoil containment that would eventually convert large areas of the bays to dry land, however, should be avoided. Where the anticipated volume of spoil indicates a need for such levees, spoil either should be placed on shore or transported from the bay.

- Existing or newly designated spoil areas on state-owned land should be retained as coastal or inland wetlands. Conflicting uses of these areas should be brought to the attention of the appropriate authorities.

- Continuous spoiling, to create lengthy spoil barriers across water areas, alters circulation and can result in shoaling, degradation of water quality, and interruption of fish migratory patterns. Spoiling may be alternated to opposite sides of the channel and openings should be left with sufficient bottom width and cross section

to permit water exchange.

- WHEN physically possible and environmentally desirable, new or greatly enlarged spoil areas should be situated in waters deeper than four-foot depth; so oriented as to cause minimum interference with current patterns and migration routes; and so situated that shallower waters offering sanctuary and nursery opportunities are not displaced.

- Toxic spoil materials should be retained on shore with provisions made for settling of solids before the water is returned to the bay or watercourse. Recommendations concerning the disposition of toxic spoils are coordinated with the Texas Water Quality Board.

- Each policy procedure will be inspected and evaluated by departmental personnel. Quantity and type of spoil, importance of water over spoil sites, effect on current or water movement, and availability of alternate or on-shore spoil sites will be considered.

The new policy does not apply to those persons, firms, organizations or agencies which are required to obtain permits to dredge from the Parks and Wildlife Department.

THE PURPOSE of the policy is to provide guidance to the department staff when commenting on projects or works proposed by other agencies in the absence of the need for a permit from the department.

Such projects which do require issuance of permit from the department will be governed by the Rules and Regulations Governing the Issuance of Permits to Remove Sand, Gravel and/or Fill Material from the Public Waters of Texas, and by the Regulations and Orders for the Issuance of Shell Permits.

Texas 'Rural Hero' nominations sought

The search is underway for Texas' Rural Hero of 1973.

THE RURAL Heroism Award is presented each year by the Texas Farm and Ranch Safety Council to some deserving person who has performed an act of exceptional bravery during a time of crisis.

Wayne Keese, agricultural engineer for the Texas Agricultural Extension Service and secretary-treasurer of the TFRSC, points out that the heroic act or deed must have occurred within the legal boundaries of Texas during 1973 and must be related to farming and ranching operations.

Nominations should include a written account of the incident and the names of all persons involved. Any available newspaper clippings and pictures should also accompany the nominations, says Keese.

All entries should be submitted by March 1 to the Rural Heroism Award Committee, Texas Farm and Ranch Safety Council, P.O. Box 489, Waco 76703.

Saturdays — 8:30 - 12:00  
HEREFORD, TEXAS

**SCHULTE'S** Angus steer was selected as the champion calf and his heavy cross was selected as the reserve barrow. Floyd Birkenfeld's light cross was picked as the Grand Champion barrow while Bernard Acker displayed the Grand Champion lamb, a heavy medium-wool.

Other Nazareth FFA and 4-H

members who took honors with their animals were:

- LAMB DIVISION**  
Medium Wool Light — 1. Norman Acker, 2. George Bermea, 3. Royan Acker, 4. Kevin Huseman.  
Medium Wool Medium — 1. Norman Acker, 2. Donna Acker, 3. Rodney Huseman, 4. Patti Hochstein.  
Medium Wool Heavy — 1. Bernard Acker, 2. Norman Acker, 3. Mark Brockman, 4. Clyde Birkenfeld.  
Southdown — 1. Daniel Acker, 2. Larry Acker, 3. Jimmy Hochstein.  
Finewool — 1. Allen Acker, 2. Doug Acker.

- CALF DIVISION**  
One class only — 1. Olen Schulte, 2. Ricky Kleman, 3. Ricky Kleman, 4. Sheryl Schulte.

- BARROW DIVISION**  
Heavy Cross — 1. Olen Schulte, 2. Sheryl Schulte, 3. Mark Hoelting, 4. DeWayne Kleman.  
Light Cross — 1. Floyd Birkenfeld, 2. Bobby Birkenfeld, 3. Clyde Birkenfeld, 4. Joe Kleman.  
Hampshires — 1. Lloyd Acker, 2. Keith Birkenfeld, 3. Mark Hoelting, 4. Keith Hoelting.  
Durocs — 1. Olen Schulte, 2. Bobby Birkenfeld, 3. DeWayne Schulte, 4. Floyd Birkenfeld.  
Chesters and Yorks — 1. Mark Hoelting, 2. Rex Ramaekers, 3. Jimmy Hochstein, 4. Gregg Schulte.  
Spots and Polands — 1. Glenn Dobmeier, 2. Gregg Schulte, 3. Randy Huseman, 4. Janet Huseman.

The Texas Tech senior livestock judging team acted as judges for the show.

### Boosters tourney deadline nearing

March 1 is the entry deadline for the Dimmitt Athletic Boosters Club volleyball tournament to be held March 11-16 at Dimmitt's North Grade gymnasium.

**MENS' OR** womens' teams from Castro County are eligible to enter the tourney. Teams will be limited to eight players plus a non-player captain or manager.

Anyone who has completed their interscholastic competition may play, but those participating in high school sports or who plan further competition are advised not to take part in the tourney so as not to jeopardize their eligibility for future activities.

An entry fee of \$10 per team will be charged. Team entries should be mailed or delivered to Mrs. Ben Derrick, Behrends Insurance Agency, 113 East Bedford, Dimmitt. Entry forms may be picked up from Mrs. Derrick or at the Castro County News Office.

### Gilliland receives state certificate

The Texas State Health Department has awarded its official certificate of competency for the oldest ecology oriented profession in Texas to Clifford L. Gilliland of Dimmitt.

**MR. GILLILAND** is employed by the City of Dimmitt. To practice water ecology in Texas, he has been taught effective ways for producing safe drinking water and treatments to make wastewater into clean streams for public use.

Because of this training, through the Texas Water Utilities Association, the largest water and wastewater training school in the US, there are cleaner streams and better operated facilities here than any other section of the country. Gilliland received the certificate only after completing formal and specialized education, accumulating a prescribed amount of actual work experience, and passing the examination given by the State Health Department's Sanitary Engineering Section.

Growing concern over clean water makes the water ecologist one of the most important workers in the community. Though his efforts are not seen by those he serves, his results are visible every time one turns on a tap.

**INCOME AVERAGING** may help — Farmers and ranchers may be able to use "income averaging" in preparing their 1973 tax returns to reduce their tax load, says an economist for the Texas Agricultural Extension Service. Income averaging may be especially helpful since farm and ranch income was up last year. To use income averaging, your taxable income must be at least \$3,000 more than your yearly average income for the past four years. Capital gains on the sale of livestock and other assets may be included in income averaging.

### Poster contest winners named

Winners of the North Elementary poster contest promoting the study of choral music were selected last week according to Harold Dutton, choral director.

**FIRST PLACE** honors went to Gus Ortiz while second place was captured by Laurie Herber. The third place poster was displayed by Annette Thomason.

Only sixth graders from North Elementary were involved in the contest, however other contests are being held at the junior and senior high schools and results will be announced later.

According to Dutton, the purpose of the contest was to bring to the attention of the students and adults some of the important benefits to be derived by the student, school, church and community from the study of choral music.

The winning students were presented with prizes in their classrooms and their posters are being displayed in the showcase at North Elementary.

**CONTEST WINNERS** — These three North Elementary students were named as the winners of the North Elementary choral music poster contest. First place winner was Gus Ortiz, (top) while second place winner was Laurie Herber (left). Third place went to Annette Thomason.

### VFW NEWS

By GERALD BROADSTREET

**Greetings Comrades,**  
This past weekend my wife Linda and I went to Childress for the District 13 Convention. Needless to say we both had a marvelous time as Childress really rolls out the carpet and makes you feel like royalty. In my opinion we did have a productive meeting and everything went very smoothly. Due to the resignation of our Senior Vice Commander Troy Talbot, Paul Guerra, our Junior Vice, was elevated to fill the position and Lynn Davis of Plainview was elected to Junior Vice Commander.

The welcoming speaker, Gene Merrifield, President of the Chamber of Commerce in Childress, gave a most wonderful talk on Americanism and how other countries in the world rely on us for help in time of need.

Our Department Representative Juston Morrow talked to us about how our organization has grown in the past 20 years and how fortunate we in Texas are to have the leadership we have at Headquarters in Austin. Our State organization is highly respected by the other states and many copy our programs, ideas and organizational plans.

District 13 is in fine shape in all areas with the exception of membership. There are a few posts that need only four or five members to be quota, when they obtain quota we will gain extra points.

**OUR POST** was well represented at the meeting. In all we had 10 delegates present. They were Leroy and Velda Wood, Ted and Silvia Stubblefield, Harold and Laura Broadstreet, Mildred Leinen, Florene Leinen, my wife Linda and me.

Comrades, the week of Feb. 17-23 has been declared national VFW Week. This is in conjunction with our 75th Anniversary. During these 75 years we have served our community and fellow veterans in many ways. I hope each of you is as

### VETERANS' SERVICES

By BEDFORD W. SMITH  
County Service Officer

Concerning Income Tax reporting: IRS Tips to Veterans' Beneficiaries:

The Veterans Administration is offering tips for recipients of veterans' benefits in preparing their federal income tax returns.

Officials noted that, in general, veterans' benefits are exempt from taxation, and need not be reported as income.

Interest on government life insurance dividends left on deposit or credit with VA is an exception. Since this interest is considered income, it must be reported, officials explained.

Dividends and proceeds from government life insurance policies are exempt from federal income tax, but proceeds are subject to federal estate tax.

Compensation, pension, GI Bill, and other educational assistance, including subsistence payments to vocational rehabilitation trainees, are among other major tax-exempt VA benefits.

Also exempt are grants to service-disabled veterans eligible for specially adapted homes and cars, and clothing allowances for those whose prosthetic devices tend to wear out or tear their clothing, VA officials advised.

Concerning Civil War Veterans' Widows and Survivors:

The Veterans Administration plans another "outreach" effort to inform widows of Civil

War veterans they're entitled to a \$55 monthly aid and attendance allowance if health conditions warrant.

The agency made personal contact with widows in 1969 to determine if they needed the allowance, which is in addition to death compensation and death pension payments.

Jack Coker, Director of the VA Regional Office in Waco, noted that in December there were 511 Civil War beneficiaries (272 widows and 239 helpless children) on the VA's rolls. There were 548 last June.

The average age of Civil War widows is 89.1 years, with 26 of them 100 years old or more. The oldest Union Army widow is 117 years old, compared to 105 for the oldest Confederate Army widow.

Castro Lodge AF & AM 879, Regular meeting, 3rd Monday. Practice every Thursday, Walter B. Jones, Worshipful Master, Ira E. Brown, Secretary. Visitors Welcome.

## "To save energy and money this summer . . . cool your home with Gas Central Air Conditioning.

You save with a gas system because it's a more efficient energy user than its electric counterpart. It's more efficient because gas, unlike electricity, is a direct source of energy. You don't have the energy loss that occurs in electrical generation and transmission.

### We help you save in another way, too.

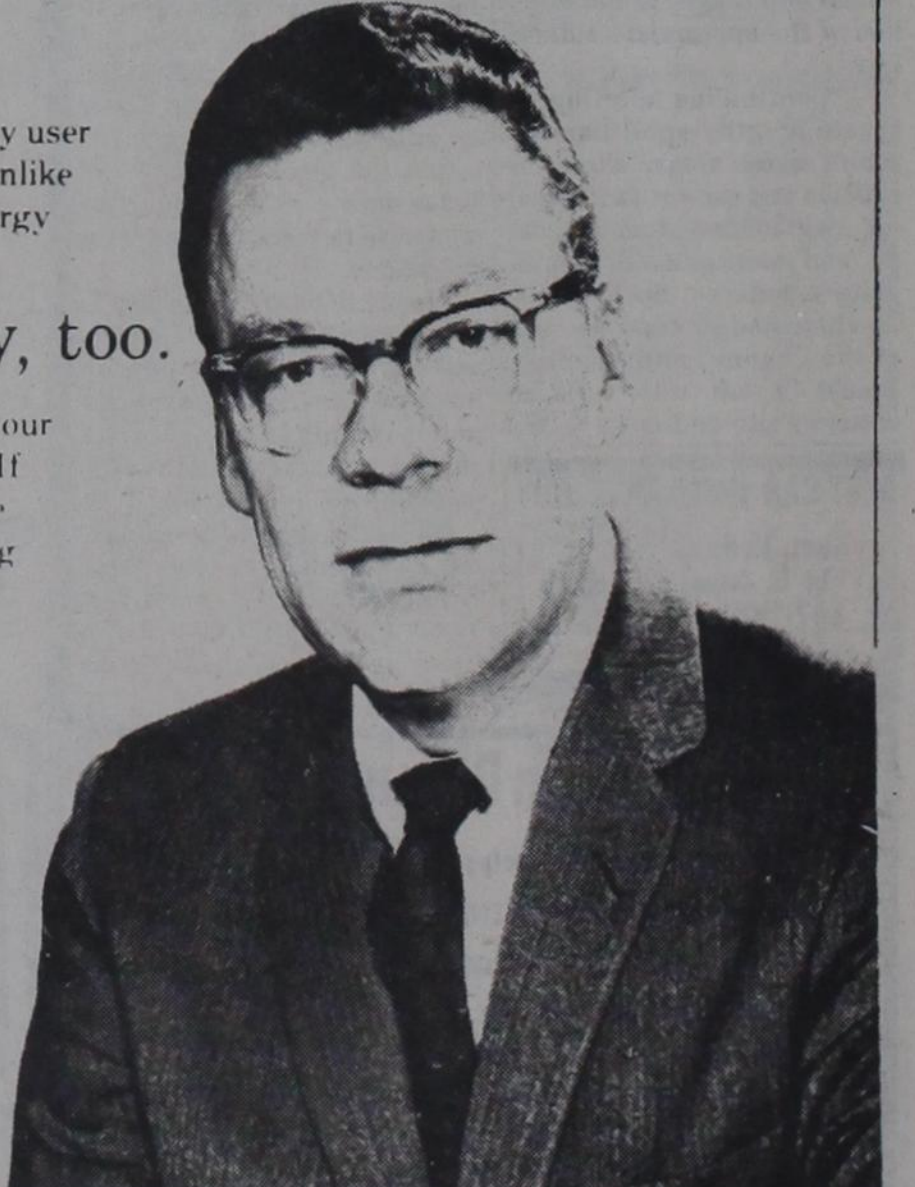

In addition to determining the exact cooling requirements of your home, our cooling specialists also check your attic insulation. If it's insufficient, insulation is added and included as part of the job. Proper insulation saves energy and money for both cooling and heating. So, beat the summer rush.

CALL US NOW FOR A FREE COOLING SURVEY AND ASK ABOUT SPECIAL WINTER TERMS.

PIONEER NATURAL GAS COMPANY

When you're buying or building a home make sure it's a Natural Energy Home with Gas cooling, and get more for your energy dollar year 'round."

**NEW SATELLITE BUS** — Dimmitt Satellite School Teacher Norma Conard (left) and her students board their new school bus at Reeve-Fleming Chevrolet Monday afternoon after being presented the keys by Emmett Broderick, chairman of the school's advisory board. Due to tremendous response by the community, the new bus was completely paid off by donations of more than \$1,900 over the

weekend. The 1973 Chevrolet stepside van is much bigger, fancier and more convenient than the school's former bus (background), a nine-year-old Chevrolet Travelall. The new bus has a sliding curbside door, automatic transmission, tilt steering wheel, air conditioning and power steering, and can be outfitted to seat 11 passengers if necessary.

**Local youth attend CYC meet in Amarillo**

By Mrs. AGNES BROCKMAN

The weather is the same as it's been all winter, very dry, but nice and sunny otherwise. It surely could be worse, but we are praying every day for rain.

PATTI Hochstein, Angie Wilhelm, Rex Ramaekers, Don Schulte, and Jerry Kern went to Amarillo Sunday to attend the meeting of the Catholic Youth Council of the Amarillo Diocese. Patti Hochstein was elected president of the Council, and the meeting next month will be held in Nazareth.

Linda and Johnnie Smith visited Rose Hindman over the weekend. Carol Hoelting came with them and also visited her folks.

A bridal shower was held Saturday afternoon at the Paul Acker home in Dimmitt for Debbie Acker (daughter of the David Ackers) who is getting married this coming Friday in Holy Family Church at Nazareth. She received many nice gifts, and a number of relatives from here attended the shower.

Mr. and Mrs. Cleburne Fritz and family came down from Amarillo Sunday afternoon to visit the Al Maurer family.

**THE FRANK Hoeltings and**

**Commissioners set city election date**

City commissioners set the date for the city election, passed an ordinance allowing for cost of gas adjustments, approved the installation of a street light and set a paving assessment at their regular session Monday night.

CITY FATHERS set April 6 as the date for the city election and appointed Bob Caddell as election judge. Earl Brock was appointed alternate judge.

The commissioners approved an ordinance allowing Pioneer Natural Gas Co. to make a monthly cost of gas adjustment for the city. The commission had been considering the move for some time prior to taking the action.

In other action city fathers set the paving assessment at \$7.50 for 33 ft. paving and \$8.25 for 41 ft. paving for a proposed city paving project.

Commissioners also approved the installation of a street light at the northeast corner of South Hills Manor.

**Jaycees to sponsor benefit roundball contest in March**

The Dimmitt Jaycees will meet Dimmitt High School's senior basketball players in a special benefit roundball contest to be held in late March according to Jaycee president Avery Thrasher.

ADMISSION to the contest will be a donation of \$1 for adults and 50 cents for children under 12.

Proceeds will go to the Chris Kittrell fund which has been established to help two year old Chris Kittrell regain his eyesight. The child has been blind since birth, but an operation could restore his sight.

Doctors must have \$1500 as a "down payment" in order to begin the process of restoring the child's vision, and the total cost of the project could run as high as \$8000 according to Thrasher.

**Ping pong tourney scheduled Saturday**

The Sunnyside Lions Club will sponsor their fourth annual Ping Pong tournament Saturday night beginning at 6:30 in the Sunnyside community building.

PRIZES will be awarded to winners in singles and doubles competition.

**Society to hold meeting tonight**

The Castro County Genealogical Society will hold its first meeting of the year tonight (Thursday) at 7:30 in the Rhoads Memorial Library.

Mrs. W. R. Kimbrough of Littlefield, a member of the South Plains Genealogical Society in Lubbock, will be the guest speaker.

Anyone wishing to begin or continue research on a family tree is urged to attend the meeting.

**MR. AND Mrs. Cyril Brockman and sons Perry and Pierce, the Phil Brockman family and the Gene Schacher family from Muleshoe spent the weekend in the mountains in New Mexico.**

Martha and Floyd Evers of La Junta, Colo. visited with her mother Mrs. Nick Ehly and brothers Leo, Emil and Alphonse over the weekend.  
David and Yvonne Ehly and children of Canyon visited their parents, the Vincent Husemans and Leo Ehlys.

**Youth injured in shooting accident**

A 12 year old Dimmitt boy was injured Friday evening in a shooting accident west of Dimmitt.

Kelley Hill, son of Mr. and Mrs. Bud Hill of Dimmitt, was struck by a shot from a .410 gauge shotgun Friday afternoon while hunting rats with a friend, Gary Bruegel, 13, on the Carl Bruegel farm west of Dimmitt.

ACCORDING to Mrs. Laqueta Hill, a ricochet sent shot fragments into the youth's chest, stomach and arms.

Hill was treated at Plains Memorial Hospital and was later taken to Methodist Hospital in Lubbock where he remained Friday night. He has remained at home since the accident.

According to Mrs. Hill, shot fragments struck the youth in the liver, stomach muscle and arms. She reported that unless complications occur, no effort will be made to remove the fragments.

"He's lucky he was hit where he was, rather than elsewhere," said Mrs. Hill. "He threw up his arms to protect his eyes at the time of the accident, so his injuries were less serious than they could have been," she added.

ORANGE or grapefruit juice yields about two-and-a-half times as much vitamin C as tomato juice, emphasizes Frances Reasonover, foods and nutrition specialist, Texas Agricultural Extension Service.

**More about New Bus . . .**

[Continued from Page 1]

affordable \$250, at the suggestion of the school's advisory board.

After the bus was turned over to Mrs. Conard Monday afternoon, the Happy Helpers 4-H Club of Easter bought the first tank of gas for it.

At their Tuesday noon meeting the Dimmitt Lions voted to contribute \$200.

THE WEEK'S flurry of donations left the bus fund standing at a healthy \$3,590.83 as of Tuesday evening, with more individual contributions expected.

"We are assured now that the bus is paid for," Broderick said Tuesday. "We still have to buy insurance, license plates and tires for it, and of course we'll need money for gas. Any additional contributions that come in will be used for these items."

He added, "We're still open to donations throughout the year. There are everyday costs of the school that have to be met, plus the cost of keeping up the new bus. Now that we've been assured that the school will be continued in its present form indefinitely, we need to generate the school's income again."

SATELLITE School trustees were unaware of the fund-raising plan that was afoot at Saturday's livestock sale.

"It's hard to praise one individual without also mentioning the others," Broderick said, "but we really do owe a vote of thanks to Carroll Webb for his efforts. He contacted several people for sizeable donations before the stock sale, and he and Dan Nelson got the donations going at the auction. We're grateful to the bidders, and to all who gave any amount. The response has been overwhelming. We had no idea the bus would be paid for so soon."

**INTERESTING people in the**

Mrs. Walker, from Plainview, was the guest reviewer for Shirley Stephens at the Dimmitt Book Club last week. Mrs. Walker brought Mrs. Mayes Osborn, a newcomer to Plainview, with her. Mrs. Walker gave an interesting review of the book "The Best and the Brightest" by David Halberstam. This is David Halberstam's long awaited book on America in the last decade — the story of what happened when the best and the brightest men in the country came to Washington, to serve the Kennedy and Johnson administrations, and exercised, or failed to exercise, their power in office.

Mrs. Walker told the members of the Book Club that Mrs. Evelyn Oppenheimer was the first person to review a book orally. She had lived in Dallas, then took a job in the East and came back to Dallas and was asked to review some of the books orally. This was in 1920 and the beginning of oral book reviews. During the social hour Sara Hill and Mona Merritt served lovely refreshments from a colorful table decorated in red and white bows and candles.

MEMBERS of the Dimmitt Garden Club have been making plans to landscape the small plot of ground south of the library, so Jo Behrends started by planting a tree.

Margaret Womack entertained the children at Story Hour last Friday by playing the "Winnie the Pooh" record and showing the pictures in the book that went along with the record. Todd Durham served candy and I served cupcakes and punch to Christie Petty, Wayne Schacher, Scott Hill, Todd and Tiffany Braafladt, Dondi Hays, Trampas Moke, Mecca Wilkerson, Denise Layman, Lynn Roland, Cathy Witt, Todd and Traci Hill and Whitney Warren. Mrs. Schacher and Mrs. Petty visited during the Story Hour. Phoebe and I gave Valentines to the children. (We were just one day late!)

**VIEW FROM THE LIBRARY**

By MARY EDNA HENDRIX

library last week: Mrs. Norville, from Hereford, came over to use the micro-film reader . . . Jim George came in to return his daughter's book . . . Maurice Campbell came in to see the new library . . . Noel Gollehon make a speakers stand for the Dimmitt Book Club to use so he brought it to the library about a week ago.

WANTED: The Dimmitt Book Club has asked for Betty Crocker coupons! They need some silverware for the library, so if you would like to have a part in this project please bring your Betty Crocker coupons to the library or give them to any Book Club member. Thanks.

**Miss Smith named as Betty Crocker winner**

Jo Ann Smith has been named Dimmitt high school's 1974 Betty Crocker Family Leader of Tomorrow. Miss Smith won the honor by scoring high in a written knowledge and attitude examination administered to high school seniors here and throughout the country Dec. 4. She will receive a specially designed award from General Mills, sponsor of the annual Betty Crocker Search for Leadership in Family Living and also remains eligible for state and national honors.

FROM THE ranks of all school winners in the state, a State Family Leader of Tomorrow is selected through judging centered on test performance and receives a \$1,500 college scholarship. The second-ranking student in the state will receive a \$500 scholarship. Encyclopaedia Britannica Educational Corporation will present "The Annals of America", a 20-volume reference work, to the state winner's school.

The test, personal observations and interviews are all prepared and conducted by Science Research Associates of Chicago.

This year 703,074 students from 14,463 schools were enrolled in the program. Approximately nine million students have taken part in the program since its inception in the 1954-55 school year and, with this year's grants,

**5-B CHAMPS** — The Nazareth Swiftettes captured the 5-B District championship this season and came within three points of clinching the Bi-District title in their bout with Bula last week. Squad members kneeling from left are Mary Jo Schacher, Kim King, Su Blair, Delphine Wethington, Jolene Pohlmeier and Vera Birkenfeld. Standing from left are

manager Alvina Birkenfeld, Patti Hochstein, Analeen Venhaus, Rose Braddock, coach John Blair, assistant coach Marty Catoe, Elaine Schulte, Alice Hochstein, Agnes Acker, Susie Schulte and managers Cindy Schacher and Kimberly Wilhelm. The Swiftettes closed the district race undefeated and downed Cotton Center 59-29 to clinch the district crown.

**Lions set new tourney dates**

The Dimmitt Lions Club voted Tuesday to set a new date for its volleyball tournament to avoid a conflict with the Nazareth Lions Club tourney.

BOTH tournaments were scheduled for Feb. 26 through March 2.

D. W. Harkins, chairman of the Dimmitt Lions' tournament, said the event will be held the week of March 18-23. This date will sandwich the tournament between tourneys conducted by the Dimmitt Athletic Boosters and the Young Farmers and Homemakers.

The Lions tourney is open to both men's and women's teams in the county. Entry forms are available at the Dimmitt High School principal's office and at the Castro County News. Entry fee is \$10 per team.

**'VFW' Week' being observed locally**

Members of Dimmitt's Castro County Memorial VFW Post 8056 are joining posts across the country this week in celebrating the 75th anniversary of the Veterans of Foreign Wars.

EARLIER this week mayor Elmer Youts declared the week of Feb. 17-23 as 'VFW Week' in Dimmitt.

The VFW is composed of 1.8 million overseas veterans. There are 186 members in Dimmitt.

Local Commander Charles Wilkerson and District 13 Commander Gerald Broadstreet urge county residents to observe the remainder of VFW Week.

**Too Late To Classify**

LOST: 2 female dachshunds, one red, one black with brown markings. Reward offered. Call 846-2281. 13-20-2tc

**Chi Psi to host volleyball tourney**

Hart's Chi Psi sorority will hold its second annual volleyball tournament March 7, 8 and 9 at the Hart High School gymnasium.

MENS' AND womens' teams are invited to enter the tourney. An entry fee of \$10 per team will be charged. Entry deadline is Feb. 28, and the brackets will be mailed March 1.

Teams may enter by contacting Mrs. Ethel Averitt, Box 363, Hart.

**Band to host taco supper**

Dimmitt's Bobcat Band will sponsor a taco supper Tuesday from 5:30 to 7:30 p.m. at the South Elementary cafeteria.

ADMISSION will be \$1.75 for adults and \$1 for children. Proceeds will benefit the Bobcat Band.

As our own offshore waters become more polluted and less productive, increasing numbers of big-game anglers are steering for the Bahamas where blue-water action excels 12 months of the year.

**NEW CURTAINS** for all the Dimmitt Satellite School's windows were put into place last Thursday by members of Dimmitt High School's Home Economics Cooperative Education class. These six senior girls did the curtain-making. Kneeling are Jaci Johnson and Linda Heck. Standing, from left, are Karen Seely, Juanita Zuniga, Nancy Vardell and Rita

Wall. Other girls in the class made "alphabet boxes" to help Satellite School students learn the alphabet by filing pictures of related objects in the boxes. The HECE class and their teachers, Estella Hottel and Marilyn McLeroy, presented the new gifts during a Valentine's Day lunch they served to the Satellite School students last Thursday at noon.

**Church to observe 14th anniversary**

The First Christian Church of Dimmitt will celebrate its 14th anniversary Sunday.

TENTATIVE plans for a new building program will be the theme of the 14th anniversary service to be held Sunday at 5 p.m.

The anniversary Sunday has also become the traditional time for the annual election of church and Bible School leaders.

The anniversary service will be followed by a salad supper and fellowship meeting sponsored by the Church's Women's Council to be held at 6 p.m.

Roy Barringer is the third and current minister of the church. Other ministers included Bedford W. Smith and Loren Dickey.

The church requests all members to be present Sunday morning for the balloting, and all members, past and present and friends of the church to attend the 5 p.m. meeting concerning projected building plans and the fellowship afterwards.

MARCH 3-9 is National Nutrition Week — a good time to remember that eating a balanced diet helps a person feel his best, notes Mrs. Karen Walker, foods and nutrition specialist with the Texas Agricultural Extension Service.

**VALENTINE SWEETHEARTS** — Mr. and Mrs. Charles Elbert Cross were announced as the "Valentine Sweethearts" of South Hills Manor during the nursing home's St. Valentine's party last week. They received a corsage and boutonniere from Mrs. Hazel Dunn, administrator, and were given the first slices of the "sweetheart cake." Mr. and Mrs. Cross, former Hereford residents, have lived in South Hills Manor two months.

**Hart couple at home after Feb. 10 vows**

Mr. and Mrs. Jessie Hernandez Jr. are at home in Lubbock following a Feb. 10 wedding in St. Johns Catholic Church in Hart.

REV. RAPHAEL Chen conducted the vows before an altar set with white candles in tapered candelabra entwined with greenery and small white flowers. Baskets of white floral arrangements flanked the candelabra.

The bride, the former Rosita Carrasco, is the daughter of Mr. and Mrs. David Carrasco of Hart and the groom is the son of Mr. and Mrs. Jessie Hernandez Sr., also of Hart.

Given in marriage by her father the bride wore a formal Empire gown of silk fashioned with long sleeves, caught at the wrists with lace cuffs. The gown was enhanced with tiny seed pearls. Her tiered veil was edged with lace and she carried a bouquet of carnations with white streamers.

Maid of honor was Mary Hernandez, sister of the bride. Bridesmaids were Norma Catano, Maricella Paz, Sylvia Guittierrez, Patricia Martinez, Anna Garza, Patricia Montemayor, Yolanda Lopez, Lori Sarabia, Adelina Garza and Socorro Bustamante. Flower girl was Maricella Carrasco, sister of the bride.

BRIDESMAIDS wore formal dresses of apricot with gathered skirts encircled with a flounce at the hemline. The skirts were accented with gold trim. Madras wore formal Empire gowns of red with gold trim at the neckline and waist.

Patrinos and madras were Messrs. and Mmes. Alfredo Gonzales, Margarito Paz, Florentino Bustamante, Alfredo Martinez, Alfredo Martinez Jr., Butch Martinez, Santos Nieves, Jose Isaguire, Augustine Perez, Eusebio Robledo, Miss Senaida Reyna and Ismael Carrasco.

Johnny and David Hernandez, brothers of the groom, were best man and ring bearer respectively.

Following the ceremony a wedding dinner was held in the Nazareth community hall.

FOR THEIR wedding trip the newlyweds traveled to New Mexico.

The bride attended Presidio schools and the groom is a graduate of Hart High School. He served with the Army and is currently employed in Lubbock.

**Book Club hears review Wednesday**

The Dimmitt Book Club hosted Mrs. J. W. Walker at its meeting Wednesday afternoon at the Rhoads Memorial Library.

MRS. WALKER reviewed the book, "The Biggest and the Brightest" which begins with the Eisenhower administration and the country's involvement in the Vietnam War, and traces that involvement through the Kennedy and Johnson administrations.

Mrs. Walker was the guest of Mrs. Harold Stephens. Mrs. Sara Hill and Mrs. Mona Merritt served coffee and cookies from a Valentine table following the presentation.

Mrs. Mayes Osborne of Plainview was a special guest.

**Vegetables short in American diets**

Most Americans don't eat enough vegetables, according to one expert.

DIETICIANS advise families to increase consumption of these vital foods, Mrs. Mary Sweeten, foods and nutrition specialist, Texas Agricultural Extension Service, said.

"Some advantages of eating vegetables include healthy eyes and skin, greater resistance to infection, and better blood and elimination.

"This stems from the fact that vegetables are one of nature's main storehouses for vitamins and minerals," she said.

"Properly handled and prepared, most vegetables supply an abundance of vitamin A — plus iron, calcium, phosphorus and vitamin B. Some raw vegetables also contain vitamin C."

THE SPECIALIST explained that proper preparation results in minimum vitamin and mineral loss.

"For example, one method involves cooking vegetables for short periods of time in small amounts of liquid.

"The family then gets its vitamins and minerals from these vegetables, instead of buying them under a brand name at higher prices.

"Consumers needn't be afraid to experiment with cooking — the family may learn to enjoy eating vegetables," the specialist added.

**40 participate in county's 4-H project show Saturday**

By IRENE KEATING

The big event last week was the Livestock and Project Show. The entire event was a big success. I really do appreciate the help and support that each of you have given to the 4-H program. The women who helped prepare our meat for the food sale deserve special thanks. They are Sara Hart, Nell Ingram, Mona Acker, Oneeta Cole and Dorothy Shannon.

WE HAD 40 girls and boys who participated in the project show Saturday. Judges for this event were June Bollen, Assistant County Extension Agent from Vega and Mrs. Emily Ogle, leader from Hereford.

Tammy Behrends was first place winner in the 9-10 year age group, David Graef was second and Heather Dubach

third. Others in this division were Darena Young, Royce Thomason, Jackie Anthony, Wendy Bruegel, Carla Moore, Laurie Sides, Rhonda Pevehouse and Beth Benton.

In the 11-year-old group Dianne Hochstein was first, Penny Hodnett second, and Katrina Bruegel third. Others participating were Ramonda Young, Kylene Behrends, Michele Acker, Deanna Moore, Kim Sides, Kim Watts, Roanne Acker and Kyle Bagwell.

MARY JEANNE Hochstein was first in the 12-year-old group with LuDonne Bonsal second and Sandy Harkins third.

The largest group was the 13 and over category with 15 participants. Winners were Carol Hochstein first, Leisa Graef second and Agnes Acker third. Other participants were Donna Acker, Kathy Ballard, Heidi Bruegel, Sandy Heck, Cinde Sides, Elaine Acker, Beverly Edwards, Carol Bagwell, Dianne Hodnett, Cheryl Pevehouse, Patti Hochstein and Brent Graef.

**Mrs. Gregory honored Sunday**

Mrs. A. O. Gregory was honored with a surprise birthday party Sunday afternoon at her home.

FRIENDS AND neighbors hosted the event, provided refreshments, and presented Mrs. Gregory with a birthday card tree featuring 89 cards.

Special guests were Mr. and Mrs. Hez Wright of Lamesa and Mrs. Jo Gregory of Dimmitt.

**Here are week's best food buys**

Meat prices continue to trend upward, so meat items should be selected with care, one observer noted this week.

"A LARGER cut of meat is frequently an economy," Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, said.

"Also less demanded cuts of meat are often priced below average.

"Many larger cuts can be divided easily into smaller cuts and cooked at different times," she added.

Less popular cuts of meat, such as beef heart, are tasty and nutritious when properly prepared, the specialist said.

"Steaks and roasts from the pork shoulder offer very good eating at considerably less cost than the more popular pork chops."

Turning to poultry, she termed turkey, turkey parts and fryer chickens economical protein food choices.

"EGG PRICES are up — considerably higher than a year ago, with Grade A, large-size eggs offering the best value."

At fruit counters, grapefruit and oranges are priced attractively with several varieties of oranges available — Temple, Valencia and Navel oranges are a few, the specialist added.

"Tangelos and tangerines are still available, though supplies are on the decline. Apples, bananas and pears are other fruit choices, along with moderately priced fresh strawberries and pineapples.
