ARMY SURPLUS STORE EASTLAND, TEXAS

JOHN HART

COUNTY JUDGE

(Re-Election)

The Financial Condition of Eastland County is In the Best Shape Than For Many Years.

I WILL APPRECIATE YOUR SUPPORT IN THE DEMOCRATIC PRIMARY MAY 5th

But, lo and behold, current history reveals that rats and other vermin eventually "thrive" on the stuff, by autoimmunization. But, very recently, a new development has been perfected—one which the dirty vermin can't "learn to love"—an entirely new concept for the mass assassination of pests of all types. And, it will be especially annoying to the lethal—rats, because they can't BELCH.

Accordingly, according to James Ratliff, owner of Ratliff Feed & Seed, his firm has just been selected as the exclusive dealer for this area, for this unusual line of pesticides, produced by J & J Chemical Company, of Houston.

This new rodent bait is unique for the following reasons: (1) It's a quick killer—overnight; (2) It's "safe" for humans and pets; (3) gives no "secondary" poisoning to animals who might eat a dead rodent; (4) cost of using it is approximately 80% lower than any other pesticide.

The new multi-purpose insect bait shares the same advantages. Quick killing—no contamination to crops—can be used indoors as well as outside—no mixing or wetting required—and lasts several weeks.

Spring breezes are exhilarating until they turn themselves into tornadoes and leave us helpless in their wake. Bond Sales Total \$66,116 In January

January Savings Bonds sales in Eastland County totaled \$66,116, according to Guy P. Parker, chairman of the Eastland County Savings Bonds Committee. This figure represents 5.6% of the 1962 sales goal of \$520,000.

Total January sales in Texas were \$15,310,631, which is 9.3% of the 1962 state goal of \$165,100,000.

The highlight of our 1962 sales activities will be the Freedom Bond Drive held in May and June, Chairman Parker reported.

The Freedom Bond Drive will be the first nation wide Savings Bonds campaign held since the Korean War. This campaign was personally inaugurated by President Kennedy at a meeting in Washington on January 19th. I feel confident that the citizens of this County will respond to the Freedom Bond Drive and our 1962 Savings Bonds goals will be met", Parker concluded.

All in color, the 16-mm sound motion pictures range in running time from eight to thirty minutes.

Humble makes the films available on free loan as a public service. They may be borrowed by schools, clubs, business and industry, civic groups and other organized groups. Requests for the films may be made to any local Humble office.

Or maybe the new-size Chevy II is more to your liking. Built for big families and still slips neatly into small parking places. And, with this, the kind of ingenious engineering (new easy-riding Mono-Plate rear springs, for example) that

won this year's coveted Car Life Magazine Award for Engineering Excellence.

But say you want to go all out—to get the full treatment in space, spirit and splendor. Then there's nothing like a Jet-smooth Chevrolet. Makes paying more pointless.

One Thing After Another—

... can and may happen in the life-span of every business. Good years and bad follow one another in quick succession. The same is true in the work we do or the profession we follow. If we own real estate, for example, the titles are subject to the ups and downs of every-day happenings. There are numerous pitfalls that can wreck a title in a single day, some of them beyond your control. The abstractor is your title guardian—advise with him often.

VISITS HERE

Mr. and Mrs. Don Squyers and children of Vernon spent the week end visiting Mr. and Mrs. Bill Squyers.

Quilting Meet Held By North Star HD Club

The North Star Home Demonstration club members met at the clubhouse on Tuesday at 10 a.m. for an all day meeting for the purpose of quilting two quilts which were put onto frames Monday afternoon, and to hold their regularly scheduled business meeting as outlined in the yearbook.

Names drawn last week to have their quilts completed were Mrs. Will Ware and Mrs. Lee Burhead. Approximately 25 members and visitors attended the exhibit and program.

Because the club members in the Rising Star area are getting very quilt-minded, they have solicited information from one of Texas' outstanding authorities on quilt making, Miss Sallie Hill, Editor, Women's Department of Progressive Farmer.

A lecture kit on the history of quilts and instructions in the art of quilt making has been mailed to the North Star women. The kit was also accompanied by some of the prize-winning quilt blocks and other blocks of Biblical, historical, floral and nature themes which have been entered in the Progressive Farmer's Quilt Contest in recent years by women from various regions in the nation, including Texas entries from the southern region.

These beautiful blocks were the highlights of the afternoon program while on exhibit, Miss Sallie Hill is a native of Texas, and has served many years in the Home Demonstration field as a county home demonstration agent, and as a District agent with the Texas Extension Service before becoming associated with the Progressive Farmer.

Sunday visitors in the home of Mr. and Mrs. S. T. Williams saw their son, Mr. and Mrs. Eugene Williams and daughters from Jacksboro and Mr. and Mrs. Herbert Williams of Ranger.

1920 Club Talks On 'Scarcity Amid Plenty'

The 1920 Club met Thursday, February 15, at the Community Club House for a program of Scarcity Amid Plenty. Mrs. R. L. Hamrick talked on "Too Many People," discussing the population explosion and its implications, and Mrs. Charles Hummel spoke on "Food Problems of the World."

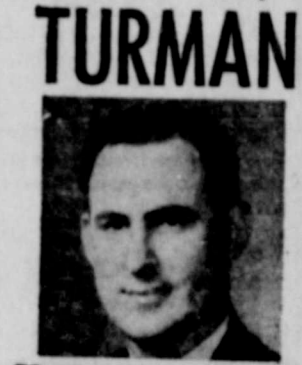

The following members were present: Meses. A. W. Brazda, J. Floyd Killingsworth, J. E. Matthews, C. E. May, Sr., Theodore Nicksick, Jr., C. B. Fruel Boone Yarbrough, O. C. Warden, Hummel, and Hamrick, and Miss Anna McEver.

The next meeting will be held March first, when the club will observe Texas Day.
