Public Invited To Pep Rallies Under The Trees

Bouncy music beckoned Ranger Junior College students from dormitories, classrooms, and cars while gaily decked cheerleaders yelled for noise. The football team responded as they loosed a tremendous roar. Other shouts merged with those of the football team and cheerleaders to create college spirit, and another pep rally "under the trees" came into being Wednesday morning, September 18, on the campus in front of the Administration Building. The aroused students voiced a medley of cheers, urging the football team to "Go — Fight — and Win" in their ensuing game with Blinn Junior College Thursday evening.

These pep rallies "under the trees" are held on the RJC campus on the day preceding each week's football game. The public is invited to add their voices to the next pep rally and reawaken their old school spirit. The time is Wednesday, 9:15 - 9:45. The place is the east side of the campus in front of the main building.

FHA Holds First Meeting Of New School Year

Thursday, September 12, the FHA had their first meeting of the new school year in the high school auditorium. The president, Sandra Tibbles, led the group in saying the FHA creed. Linda Noth led the girls in singing the FHA song. Verganna Goswich was pianist.

The first vice president, Denise Huling, gave a report on the programs that are to be presented throughout the year. The second vice president, Brenda Weaver, told about the entertainment that is to be given this year. Secretary, Betty Estes gave a report on the last two group meetings which were in May and the two of the executive committee which met last summer. Treasurer Sylvia Robinson gave a report on the FHA finances.

Sandra told about a Bulldog mascot uniform. The FHA voted to pay for the material to make the uniform. Nancy Boen was decided upon to wear the uniform. Then Sandra told who was on the various committees.

They are as follows: Program committee, Denise Huling—chairman, Carolyn Dempsey, Sarah Cooper, Alice Hodges and Jean Miller; Entertainment committee—Naomi Bradford, Jan Watkins, Carol Drennan and Robbye Scottings; Projects committee—Sandra Orms, chairman, Mary Ann Herweck, Twana Nichols, Kay Aishman and Linda White; Finance committee—Sylvia Robinson, Martha Lebrado, Sherry Sullivan and Janice Black; Membership committee—Peggy Smith, Senior; Mary Sue Twyman, Junior; Janice Stephens, Sophomore; and Janey Johnson, Freshman. Also appointed were Publicity committee—Sharon Brown, chairman, Barbara Dawson and Donella Carwile; Public relations—Cookie Falls and Barbara Isabell.

The group was reminded that to be in the FHA dues must be paid by October 5 which is State Fair Day. The dues are \$1.25. If any FHA girl wants to go to the fair, they should sign their name to the list at high school for that purpose.

RJC Has Blue Eyed Trumpet Section

John May, freshman student at Ranger Junior College, was sent out this week on his first assignment in journalism class and came up with a novel approach to his story.

His assignment: Go get a story on the trumpet section of the college band. His headline for the story: "BLUE-EYED BLOW-HARDS OF RJC BAND"

He went not into the talents of the individual and collective trumpet players. He came up with the odd fact that all except one in the 15-man section were blue eyed.

He points out that these blue eyes belong to blonds, red-heads and brunettes; their school majors are as diverse as forestry to fashion designing; they come from all over Texas; their one thing in common is their blue eyes.

Campus-wise, we are still wondering just how good — musically — the trumpet section is.

John May plans to be a writer and he has that one thing vitally necessary to that profession — the ability to latch on to the unusual.

Bulldogs Defeat Panthers For First Win of Year

L. H. Pounds broke the score board jinx for the Bulldogs in the first quarter of Friday night's game, returning the Panther's first punt 90 yards for the first score of the evening. Pounds took the punt just inside the ten yard line and was down the sideline 90 long yards, outrunning two potential tacklers the last 20 yards of his journey.

The game between the Bulldogs and the Gorman Panthers was more one sided than the score indicates.

The Bulldogs racking up 341 yards total offense as opposed to Gorman's 59 indicates creditable performance by both offense and defense.

The second Ranger score climaxed a 38 yard drive with Ray Newnam, the games leading ground gainer carrying for 18 and 17. Quarterback Johnny McGee ran the keeper for the final seven steps.

A forty yard pass, McGee to Drennan in the end zone was called back on an illegal receiver penalty.

In case you should notice, in the next few days, any high school seniors going around showing off their hands, they are not rehearsing for a dishwashing commercial. The fact is that the long awaited senior rings arrived Wednesday afternoon. Thursday morning the seniors were picked up by the rings between seven and eight o'clock.

I would like to correct an error in the report of the senior officers. Betty Estes is class treasurer and her name was left out of Thursday's paper. My apologies to Betty.

Ranger Defeats Cisco 8 to 6 In Junior High Tilt

Ranger's Bullpups turned a first quarter Cisco fumble into a touchdown and then made two extra points that proved to be all they needed for an 8-6 victory over the Cisco Middlets in a junior high school conference game in Cisco last Thursday night.

Halfback Graham felled on the Cisco fumble on the Midget 40. Fred Blackwell, the pup field general, completed passes to Graham, Fox and Miller for a first down on the Cisco 20. Miller then made five yards, and Blackwell hit Graham with a touchdown pass. Fox plowed over for two points.

Judge T. M. Collie of 91st District has ordered Eastland County Commissioners' Court members to appear at 10 a. m. Monday, Sept. 30, in his court "to show why a temporary restraining order should not be issued as prayed for" in the suit styled J. L. Butler vs. Glenn Justice et al.

The judge's order, filed with District Clerk Roy Lane last Thursday, follows:

"Be it remembered that on this 18th day of September, 1963, came on to be considered the application of the plaintiffs in the above cause for temporary order restraining the defendants from the continued and further use of Eastland County property for private purposes and on private and municipal property, and it appearing that said petition is in due form, said order should be granted."

The citation named County Judge Scott Bailey and Commissioners Glen Justice, J. B. Arther, Buck Collins and C. B. Dill.

The plaintiff has alleged that county equipment had been used on private and city property in the Gorman area, it was reported.

Rangers Lose To Blinn In Conference Opener 14-0

Winning the battle but losing the war was never more aptly displayed than in the game between the Rangers and Buccaneers Thursday night at the Bulldog stadium.

Moving the ball well, the Rangers racked up a whooping 305 yards total offense as opposed to Blinn's 176.

Key fumbles and the inability to deliver the scoring punch contributed to the odd turn of affairs.

Blinn's first score came following a Ranger fumble of the three yard line. Two plays later resulted in the touchdown.

Blinn's second score came on Tommy Cook's pass which was good for 29 yards and a touchdown. Both point after tries were good and Blinn was ahead by a score of 14-0.

Butch Rodenberger, Ranger's fullback, ripped the Blinn line for a total of 117 yards, and the games rushing honors.

FOUNTAIN PRESENTED IN CEREMONY HELD SATURDAY

A flowing fountain located on the north side of the courthouse in Eastland was presented to City and County officials by the Civic League and Garden Club during ceremonies held Saturday afternoon immediately following the Peanut Bowl Parade.

Mrs. Dale E. Trout, president of the Eastland Civic League, made the presentation assisted by Mrs. Frank N. Sayre, chairman of the project. Accepting the fountain were the following officials: Mayor Pro Tem Frank Deaton for the City, County Judge Scott Bailey and Commissioner Glenn Justice for the County and Mr. and Mrs. Charlie Terrell, representing the Eastland Chamber of Commerce.

The cast iron fountain was poured in an iron smelting foundry in Alabama and has been a dream of the Civic League for the past year. During each club year, the Civic League endeavors to accomplish one major project. The fountain flowed during the ceremonies, but water was later turned off to permit drying of the concrete base. Full-time flow is expected to begin in the very near future.

As Countians view the fountain, they are reminded of a constant flow of new energy, activities and industry for Eastland County.

A SAD STORY
FOR SALE
Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.
We work with you to arrange for a loan that's as easy to handle as monthly rent.

Your home can be a picture of beauty...

with modern
Light for Living

Nothing does more to add to the beauty and livability of your home than modern lighting. Light can push back walls and make rooms seem larger. Light can bring out the rich color and texture of your furnishings. Light can create an atmosphere of brightness and cheer that makes evenings at home more pleasant and enjoyable. The well-lighted living room needs three kinds of light: (1) general lighting for over-all room illumination; (2) local or task lighting for reading, sewing and other close seeing tasks; (3) accent lighting for highlighting focal points of beauty, such as a picture grouping or planter. Your lighting dealer will gladly help you choose the proper lamps and fixtures to enjoy modern Light for Living. Or call our office and we'll send a lighting specialist to help you with suggestions.
