Ringmaster of the show is Officer Ernest Pressley, special representative of the International Association of Chiefs of Police, which is co-sponsor with American Trucking Associations of the tour.

Officer Pressley, a policeman for nearly 20 years, beby staging shows for gan neighborhood children, featuring his talented dogs. The show drew such an enthusiastic response that he took leave from police department department work and began teaching safety in schools.

While in Ranger, Officer Pressley's local sponsors are the Texas Motor Transportation Association and the Texas Department of Public Safety.

Slogan of the program, which has appeared in 48 "Safety Circus" in Ranger on states, is "Walk Safe-Ride Wednesday, Jan. 29 Safe-Play Safe." Standout

A big attendance is expected for the annual "Aunt pidly sobered in a cell, was Jemima Pancake Supper," a fund-raising benefit for the 1964 Ranger March of Dimes campaign, to be held in the Ranger Junior College cafeteria Friday beginning vited to attend the two-day at 6 p. m.

The yearly affair is sponsored by Ranger Lions Club and members of the group will handle all details, including cooking and serving pancakes, sausages and coffee.

Tickets now are on sale from members of the Lions unit and also may be purchased at Craw-ford-Doss Drug in downtown Ranger. The ducats are priced at 75c each.

Pete Brashier is chairman of the event and urges Rangerites to attend and support the important MOD project. "Bring the family," he said. "They'll enjoy the food and the money spent goes to a highly worthy

WAYNE THRASHER, the president of the student body of Ranger Junior College, is deeply appreciative of the response to the special "Car Wash" last weekend for the

"Celia Jiminez Fund." The inclement weather hampered receipts, but all donations were gratefully received and turned over to the fund, he said.

BELATEDLY and apologetically we acknowledge the the mighty glad news for the most - Ranger's beloved Ethel B. Gilmore is back with us following a six months stay with relatives out on the West Coast.

Golly, we felt so good when Mrs. Gilmore, truly a noted Texas historian, called to compliment the revamping of our Hanger Times. But, best of all - after 10 long years it was so wonderful to hear her voice.

Mrs. Gilmore, like all of us, is getting older. And she's staying close to home and fireside at 313 Fannin Street.

Those of her many friends who didn't know until this reading that this beloved lady has returned might pick up their telephones and bid her welcome - her number is MI 7-3482

Mrs. Gilmore, bless you, we're happy you're home!

Don't forget to tell maina to skip supper Friday night. She'll be glad if you do. Just tell her that you're taking the whole family out to to the Ranger Jr. College cafeteria to enjoy the an-nual "Aunt Jemima Pancake Supper," sponsored every year by Ranger Lions Club. (Continued on Page 2)

Facts...not "Chin Music from 40 Purina Feeding Demonstrations. There's a reason why Purina's "Built-in Roughage", self-feeding program is gaining in popularity wherever cattle are fed. And that reason is FACTS... supplied by the cattle themselves in hundreds of public feeding demonstrations throughout the West. Here are typical facts from the heavy cattle feeding area of northern Colorado! An average of 40 recently-com-pleted demonstrations there show the kind of results the average feeder can expect on Purina's "Built-in Roughage" program with mile and cottonseed hulls, barley or ground ear corn. Feeders can select from a number of Purina-approved "Built-in Roughage" rations, depending upon availability and prices of local grains. In Colorado, 2,571 cattle (both heifers and steers) were fed

These facts were gathered under practical conditions, with widely varying cattle and weather conditions. But all cattle were fed a "Built-in Roughage" ration formulated with Purina Special Steer Fatena.

The secret to "Built-in Roughage" feeding is Purine Special Steer Fatena. Ask for it at our store.

an average of 122 days. Average daily gain for the steers was 2.79 lbs. and one pound of beef was produced on 8.55 lbs. total feed. Heifers gained 2.52 lbs. per day, made a pound of beef on 8.87 lbs. total feed.
