PREPARING THE **BOYS OF AMERICA** TO LIVE IN TODAY'S WORLD ...

BOY SCOUTS ANNIVERSARY

## HUNDREDS OF BOYS REACHED THROUGH SCOUTING

THE SCOUT OATH On My Honor I Will Do My Best

IEDS

To do my duty to God and my country and to obey the Scout Law; to help other people at all times; to keep myself physically strong, mentally awake and morally

Eastland County is very fortunate to have the kind of people whose first interest is their children. The Boy Scout movement was founded for the purpose of instilling in the boy a sense of direction and to make him more conscious of where he and this great country of ours' place will be in the world. Scouting exists to train boys in character, citizenship and

Your first question may be "How is this done?" First he is taught that he has responsibilities, chief among these are duty to God, duty to Country, duty to others, and last but not least, duties to himself.

This is done through the Scout Oath: "On my honor I will do my best to do my duty to God and my country and to obey the Scout Law, to help other people at all times, to keep myself physically strong, mentally awake, and morally straight."

The Scout Law teaches him that a Boy Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent. What higher ideals could you ask a boy to try to live up to?

We ask existing institutions to sponsor Scout Units in the various towns and communities all over the United States. In Eastland County we have five towns where Scouting is taking place at the present time.

Rising Star has a Boy Scout Troop sponsored by The Rising Star Chamber of Commerce. A Cub pack is being organized to be sponsored

In Gorman The Volunteer Firemen sponsor the whole Scouting program — Cubs, Boy Scouts and Explorers.

The Methodist Church in Ranger also is sponsoring the Scout Family of Units. They have the largest Cub Pack in the District with seven Dens going. The First Baptist Church in Ranger sponsors a Scout Troop,

Eastland has two Scout Troops sponsored by The Lions Club and the Rotary Club. The V. F. W. sponsors the Explorer Post in Eastland. There is a Cub Pack being organized at the present time to be sponsored by the Junior Chamber of Commerce.

Cisco has three units at present time and is in process of organizing a fourth. The Cub Pack is sponsored by the First Presbyterian Church (U. S.). They also sponsor a Boy Scout Troop. The Methodist Church sponsors a Boy Scout Troop. The Junior Chamber of Commerce is going to sponsor an Explorer Post. It is being organized at this time.

The Farm Bureau plans to sponsor a county-wide Scout Troop for all the rural boys in the County.

There are 117 boys registered in the Cubbing Program. Corman has Cisco 30, and Ranger 65. Packs are being organized in Rising Star and Eastland. We expect to reach 20 boys in Rising Star and 50 in Eastland.

There is a total of 140 boys registered in the Scouting program. There 14 in Rising Star, 29 in Cisco, 52 in Eastland and 55 in Ranger. Troop is being organized in Gorman with prospects of 20 boys.

The Farm Bureau Troop being organized will reach approximately 40

The Exploring program is reaching 42 boys. There are 20 in Ranger, 15 in Eastland and 7 in Gorman. We expect to reach an additional 25

We wish to take this opportunity to thank the following friends of Scouting for making it possible to reach these future citizens and in celebrating the 54th anniversary of Scouting in the United States and in Eastland County.
