Alderman candidates lining up

Future shock

Monday was "Space Day" of Homecoming Week at Dimmitt High School, and these students and teacher came attired in the type of clothing they thought they'd be wearing in the year 2000. Standing, from left, are Mrs. June Parker as a crochety little old lady; Beth Benton in an antennae cap and wrist power units; Kim Watts in a slinky socks-over-jeans space suit;

Brenda Parker in a black star-hopping outfit; Ka Ka Bruegel in casual outer-space attire of silver; and Lilia Arce with green glitter eyelids. Kneeling are Kevin Ginn as a robot with built-in radio, calculator and electrical outlets, and Jeri Mann as a plastic-clad Orkan.

Five candidates already have filed for three places on the proposed new Dimmitt Board of Aldermen, subject to approval by voters to expand the city governing board from three members to six.

Mayor Elmer Youts called the city election Monday, setting Nov. 6 as the voting day, in response to petitions requesting a change to the aldermanic form of government. Youts said that certified signatures on the petitions represented more than the required 10 percent of the city's registered voters.

If city voters approve the issue Nov. 6, then they'll need to elect three more al-

dermen at the same time. So the ballot will contain both the proposition and the names of candidates. If voters turn down the proposition, the list of candidates will go down with it.

Candidates who filed within the first two days after Monday's election call are Joe Joselet, Jeffery L. Myers, John N. Mueller, Sam B. Killough and Wayne Collins.

Deadline for filing with the city clerk is Saturday. There is no filing fee.

A candidate must have been a resident of the city for at least 12 months.

If the proposition were to carry, three new aldermen would be declared elected to serve with Mayor Youts and City Commissioners Chet Braafadt and J. R. Brown. The two candidates receiving the highest number of votes would serve until the first Saturday of April, 1981, and the candidate polling third would serve until the first Saturday of April, 1980.

Game, dance to cap DHS Homecoming

The Spirit Week dance will conclude Dimmitt High School Homecoming festivities, starting after the Bobcat-Tulia game Friday and ending at 12:30 a.m. There will be a charge of \$3 per person and \$5 per couple.

The dance will be held in the west cafeteria at Richardson Elementary School. The dance is for exes and Dimmitt High School students and their dates.

The Bobcat Booster Club has announced that it will honor fathers of DHS Varsity squad members before the game.

Other pre-game activities will include honoring the Flame Queen and King and the Homecoming Queen.

The Booster Club urges everyone to be at Bobcat Stadium by 7:30 p.m.

Flame King and Queen will be presented and crowned at the traditional Homecoming bonfire at 8 p.m. tonight [See Homecoming, Page 14]

Residents tight with UW giving

Dimmitt United Way's house-to-house canvass is not producing the results that it had anticipated, Campaign Chairman Gary Moore announced this week.

"Donations of \$1-\$5 are needed," Moore said, "but it will be very difficult to support nine organizations with those amounts."

"Either folks are having to cut back completely on their giving or they don't understand what the United Way is about. I am really puzzled," he said.

"Each single contribution is allocated by the UW to help nine agencies and if the UW is not a success nine different organizations could be calling on Dimmitt residents to raise operating expenses."

The Dimmitt UW has collected 58% (\$9,425) of its 1980 goal and many volunteers are still calling on the residents of Dimmitt and will turn their donations in this week.

"The business community has underwritten over 40% of

this year's goal," Moore said. "Their support is truly appreciated."

The UW benefit golf tournament will be held Oct. 13 at the Castro County Country Club. All residents of the county are urged to participate no matter what their golfing skill is.

Over \$200 was brought in at the UW's tennis tournament.

A rural canvass will be conducted later this month,

Moore announced. "The UW urges all civic organizations to support the UW," he said.

Tax statements in mail late

Tax statements from the Dimmitt Independent School District are late this year and will be mailed about Oct. 8 instead of a week earlier as they usually are.

Andrea George, school tax assessor-collector, said the school tax office has switched to a new computer operation, which caused a delay, also there is more work this year because of the new home-stead exemption law in Texas.

She expects to have the statements in the mail next week, she said.

Banks, offices will close Monday

Banks and federal government offices will be closed here Monday in observance of Columbus Day, but city and county offices will be open, as well as utility company offices and retail stores.

The postoffice will be closed

and there will be no mail deliveries, but Postmaster Bill Sava said the staff plans to put mail in boxes. Both First State Bank in Dimmitt and Farmers State Bank at Hart will be closed for the day.

Dimmitt schools will not be in session because of a teach-

ers-in-service training day but Hart and Nazareth schools will be open.

Although the holiday observance will be on Monday, Columbus Day actually falls on Oct. 12, Friday of next week.

Continental restores DDD service

Free at last!

These switchboard operators and many others breathed sighs of relief Tuesday morning when Continental Telephone Co. restored its automatic Direct Distance Dialing service. All long-distance calls from Dimmitt, Hart, Nazareth and Sunnyside had had to go through operators since Sept. 10, when a

fire destroyed Continental's DDD facilities in the Dimmitt office. Operators from other areas were called in to help put through an average of 3,200 long-distance calls per day. Pictured are Betty Reyes of Dimmitt (left) and Robert Garcia of Pecos.

Direct distance dialing has been restored for customers in telephone exchanges of Dimmitt, Hart, Nazareth and Sunnyside as of 7 a.m. Tuesday, Reeford Burrous of Continental Telephone Co. reported.

Customers in these exchanges have been without DDD service as a result of a fire in the Dimmitt plant Sept. 10, which completely destroyed all DDD facilities.

"Every effort was made by our company to restore DDD service in the shortest possible time. The restoration involved replacement and complete testing of new equipment," said Burrous, service center supervisor.

"We regret any inconvenience caused to our customers and certainly appreciate their confidence in our prompt restoration of DDD service," he added.

During the time DDD service was out, telephone operators were imported from other areas such as Andrews, Dumas and Pecos to help handle the extra load of calls which went through the local switchboard.

The operators handled calls from 3,000 to 3,500 people in a 24-hour period, five times as many as in a normal day when the DDD service was working.

To meet Pope today

Jerome Brockman, deacon in the Holy Family Parish of Nazareth, will receive Communion from Pope John Paul II at an outdoor mass at Des Moines, Iowa today [Thursday]. He was one of 10 Americans—and the only Texan—chosen by the National Catholic Rural Life Conference to represent the rural dioceses of the US at the special mass. Here, Brockman and his wife, Margaret, pause Tuesday in front of their corn dryer, where he was working to get ahead of the harvest so they could leave for Des Moines Wednesday. In all, 150 persons representing different sectors of American life have been chosen to receive Communion in today's special mass.

History book deadline extended to November

Due to a last minute rush of interested people, the deadline for the Castro County History book has been changed from Oct. 1 to Nov. 10, according to history book chairman Mrs. L. B. Bowden.

Other reasons for the extended deadlines, she announced, are:

—Inability to obtain addresses of many former residents.

—People have not understood that they must pay for the book in advance.

—Residents are waiting for photos and information from relatives living elsewhere, reunions, vacations and delays because of the busy harvest time.

—Many do not understand that each household has its own story to preserve for the future.

—Some still do not know that the history book is being compiled and family histories

are needed.

—Publishers do not believe there are enough stories in at present for a successful history book.

"We would appreciate your story as soon as possible, don't wait until November," Mrs. Bowden said.

"The book will be an heirloom that will grow more valuable with each passing year. Don't disappoint your grandchildren and great-grandchildren by leaving out your story," she added.

When the stories are sent to the publisher for publication the Historical Commission wants to be assured that all family histories are included.

The book will be worth the \$35 charged and will make ideal gifts, Mrs. Bowden said.

"We want all to feel that they have been contacted in some way and that the public was aware of the County History Book."

First load of '79 milo received

First loads of the 1979 milo crop in Castro County were reported last week by elevators in Nazareth but the harvest is not expected to be well under way for a few more days and the crop is generally short over the county.

Corn and soybean harvests over the county are about at the halfway mark.

Earl Backus brought the first load of milo reported for Castro County to Dimmitt Agri Industries elevator at Nazareth Tuesday of last week.

Grown on his farm three miles west and 2½ north of Nazareth, it tested 15 percent moisture. Test weight was 60 pounds to the bushel. Backus estimated his yield at 4,500 bushels per acre. He said he watered the crop only twice, putting water on alternate rows.

Another load of milo came from George Schacher's place Tuesday to Star Grain at Nazareth, which began receiving the grain from hail-damaged fields last week.

Castro County Grain at

Dimmitt got its first milo Saturday, Don Gregory reported. It was grown by Tommy Kellar and was "real dry for a first load." Quality was reported good, with test weight of 56 pounds and a 13.2 percent moisture level.

Milo harvest is expected to be short because the acreage is not large this year.

Over the south part of the county corn harvest is about three-fourths finished, according to reports from Ronnie Truelock at Farmers Grain at [See HARVEST, Page 14]

First milo

Earl Backus of Nazareth sits atop the county's first reported load of 1979 milo, which he delivered to the Nazareth branch of Dimmitt Agri Industries, Inc. Castro County Grain Co. of Dimmitt and Star Grain of Nazareth also

received their first loads last week. Elevator managers expect a fairly short milo crop this year because of fewer planted acres and hail damage.

Sheffy's Chatter

Hawaiian tour was fun for Kuntz group

By MYRTLE SHEFFY

Rick Kuntz of Flagg and his brother Charles and wife Margaret of Hereford had a delightful time on their two-week trip to Hawaii. They did all the tours, went to the top of the volcano to see the crater, quite a big hole. I talked to Rick. He says a friend of a cousin, Roger McCluskey, took them on a tour of a Del Monte pineapple plantation. They learned all about the growing and selling of that fruit, also brought a few home to Fred and Helen. They had a helicopter ride over Kauai. It is called the most beautiful Garden Island, with its many waterfalls and many colorful flowers. They made several supper club shows, saw the cute hula dancers. Another day they went sailing in an outrigger canoe. Another time had dinner on a sail boat, a fine trip, lots of fun, too.

Les and Vicki Clary are home from a vacation trip to Las Vegas, Nev. They saw some shows, good but not outstanding. They had a good time seeing things and the many people. Ruby Sims kept the babies.

Garland and Susan Coleman and son have been to Red River for a vacation and to see the fall foliage that is at its peak in that mountain country.

Charlotte Dow is here from Rockdale, Md. to visit her parents Charlie and Mary Hestand, also for the 1959 class reunion this weekend. After this visit she will fly to Anchorage, Alaska to visit uncle Charles and aunt Irene Houtchens at Valdez and to the north slope to see her brother, Hoyt Hestand. Hoyt is with that big pipeline company.

Last week Charles and Mary went to Fort Sumner Lake to fish and be with the others at the cabin of Shotgun and Florene Stafford.

Their neighbor across the street, Marilou Bobbie Webb, is home from a three-week visiting trip in Kansas.

V. C. and Dorothy Hopson and friends Clinton and Jimmie Glenn of Canyon went to Houston last weekend to see the WTSU and University of Houston game. Houston beat us, but a good game. The Glenn's daughter Brenda is a "Lead Song Girl" and Cherie is one of WT's cheerleaders. They stayed at that hotel on the west side of the city. Had very good food and a good time.

Graham and Karen Sheffy, son Gabe and Brittany have moved to their new house out on Sunset Circle. They have been living out on the Graham farm southeast of town. Graham and dad Ted farm that place now.

Harlin and Bobbie Dodd and her mom, Mamie Birdwell, are up in the New Mexico hills around the Cimarron Valley to see the colorful fall leaves and shrubs. The aspens are at their best now.

Ceal Carlile is spending a few days in Lubbock visiting her sister, Moria Leon.

Mr. and Mrs. W. H. Cowan of Yucca Valley, Calif. visited his sister Cleo Forson for three days last week. Other guests of Cleo and Helen Richardson were friends Mrs. Adelle Powell of Richland, Wash. and Marjorie Dowlen of Amarillo, who were lunch guests Saturday, the 29th.

Mr. and Mrs. Paul Godfrey of Columbia, Mo. were here to visit Mrs. G's brothers Earl and Vern Lust and families and a sister, Mrs. Leona Stiles, who lives at South Hills Manor. Also in the home of James and Mildred Bradford.

Mildred Sheffy went to Fort Worth last weekend to visit her daughter Connie Cyd and take care of some business in Dallas. Bob and Mildred have moved their mobile home to their northeast 30, but still drive to jobs in Hereford.

Jim and Ellen Hrabal and Ramona Annen and Joannis Robertson went to the Bridge House in Amarillo last Sunday a week ago to play as a Swiss team at the tournament of 48 couples. Their team tied third place, won fourth and fifth and had a good time.

Betty Wardell was the birthday girl Saturday so friend Jimmy Jack took her out to dinner.

And two other birthday gals are Josie Bradford, Oct. 2, and Opal Bearden has the day Oct. 1. Ceal and I will take them to Plainview for dinner, just for a day out of town.

Neva Hickey joined her many relatives at the Eddleman family reunion at Odessa last weekend.

Lonnie Bell had a birthday Oct. 1, so his mama Polly Bell cooked the dinner for him and his family. Janice is trying to get well from recent surgery. The 18 members of Fellowship Class at the Methodist Church had dinner at the Colonial Sunday. Special guests were Mr. and Mrs. Howard Quiett and Sam and Virginia Gilbreath.

Jim and Dorothy Elder went to El Paso last week for a visit with their daughter Gayle and husband Dr. Philip

Becker and the children, Jeff and Christina.

Jack Patton Sr. of Spur spent a few days here visiting his sister Ceal Carlile and his son Jack Jr., Clara Patton and Billie.

Betty Touchstone and daughter Beth West went to Gruver last weekend for a visit with Betty's mom, Lula Woods.

Shirley Childress of Cleburne has been here for a visit with her parents Mr. and Mrs. Joe Parks and the sisters, Kim, Robin, Carla.

Paul and Margaret Coker moved here a while back from Hereford. Paul is manager of TV Cable. Their Saturday guests were her mother, Mrs. O. C. Rhodes from Friona, and sister Barbara Rhodes, a student from Plainview. Barbara is a candidate for Miss Wayland College. That contest will be the last week in October. They were shopping for a pretty dress for the contest. Also learned that young Shirley Norris is a saleslady at the Village Shop. She gets student credit for working.

Do go if you can to Ruidodo this coming weekend to see the "Mulearama." Taking mules and wagons and chariots from here are Kenny and Lou Ann Ebeling, Edgar and Betty Dennis, Donny and Cindy McDaniel, Donald Ray and Keri Carmichael. Now you folks remember to tell us whose mule won the races.

Bobbie Damron was hostess at the Friday bridge at the city assembly room. She served

ed hamburgers with pickup food and coffee. Her guests were Tina Rawlings, Retta Cluck, Virginia Gilbreath, Edna Riley, Faun Welker, Dorothy Elder, Josie Bradford, Betty Renfro, Betty Cartwright, Gladiola Shipley and Myrtle Sheffy. High score winners were Edna Riley and Bobbie Damron.

I was talking with Jean DuLaney. She says Bob and Jean and Stanley Byrnes' little Rala all went to Hereford to see grandson P.J. Head play football Thursday afternoon. P.J.'s dad James coaches the 6-year-old little Hereford Herds. And this was P.J.'s first flag game. Another day young Jake stayed here with grandma Jean so his mama could go to a party. This was at Jan Willis Baca's house to help celebrate the birthdays of sister Kay Lynn Rogers of Santa Rosa and Jill McLean. Patricia Braafladt helped Jan serve food and coffee at this Thursday morning party. Guests were Carlee Warren, Trudy Jackson, Sue Kemp, Poppy Head of Hereford, Betty Touchstone, Susie Bradford.

Mr. and Mrs. Elbert DeLozier have had much company the past week and the weekend, her sister Mrs. T. A. Robertson and a niece Mrs. Wallace Flynn from East Tennessee, Mrs. DeLozier says near the beautiful Smokey Mountains. She and Elbert were there last spring when everything was blooming. Other guests were Brent Ste-

phens from Groom, Mr. and Mrs. Bobbie Crooks from Childress, Libby Crooks, Leslie Sparks of Silverton, Vance McGee, Gene and Mary Smith's daughter, Ken Smith of WTSU, and Annie DeLozier and Mr. and Mrs. Edward DeLozier of Hereford.

Mr. and Mrs. A. M. or Blackie and Mary Blackwood have bought and moved into the Rachel Summers house at 606 W. Grant St. They are retired business folks who moved here from Albuquerque. Mary is a sister of Mrs. Nancy Smith. Oh, yes, they go to church with the First Baptists, have already joined the Senior Citizens Club. Welcome to Dimmitt.

I am a little late but I hear that Jean Christian of Roswell was a weekend guest of Carolyn Rickenbrode. Carolyn, with Keith and son Ronnie and Lori, moved to Dimmitt a while back from Roswell.

Jo Gregory tells us that her granddaughter Marilyn Gregory is on a world tour. It is called 100 Days at Sea on a

SCIENCE and GOD

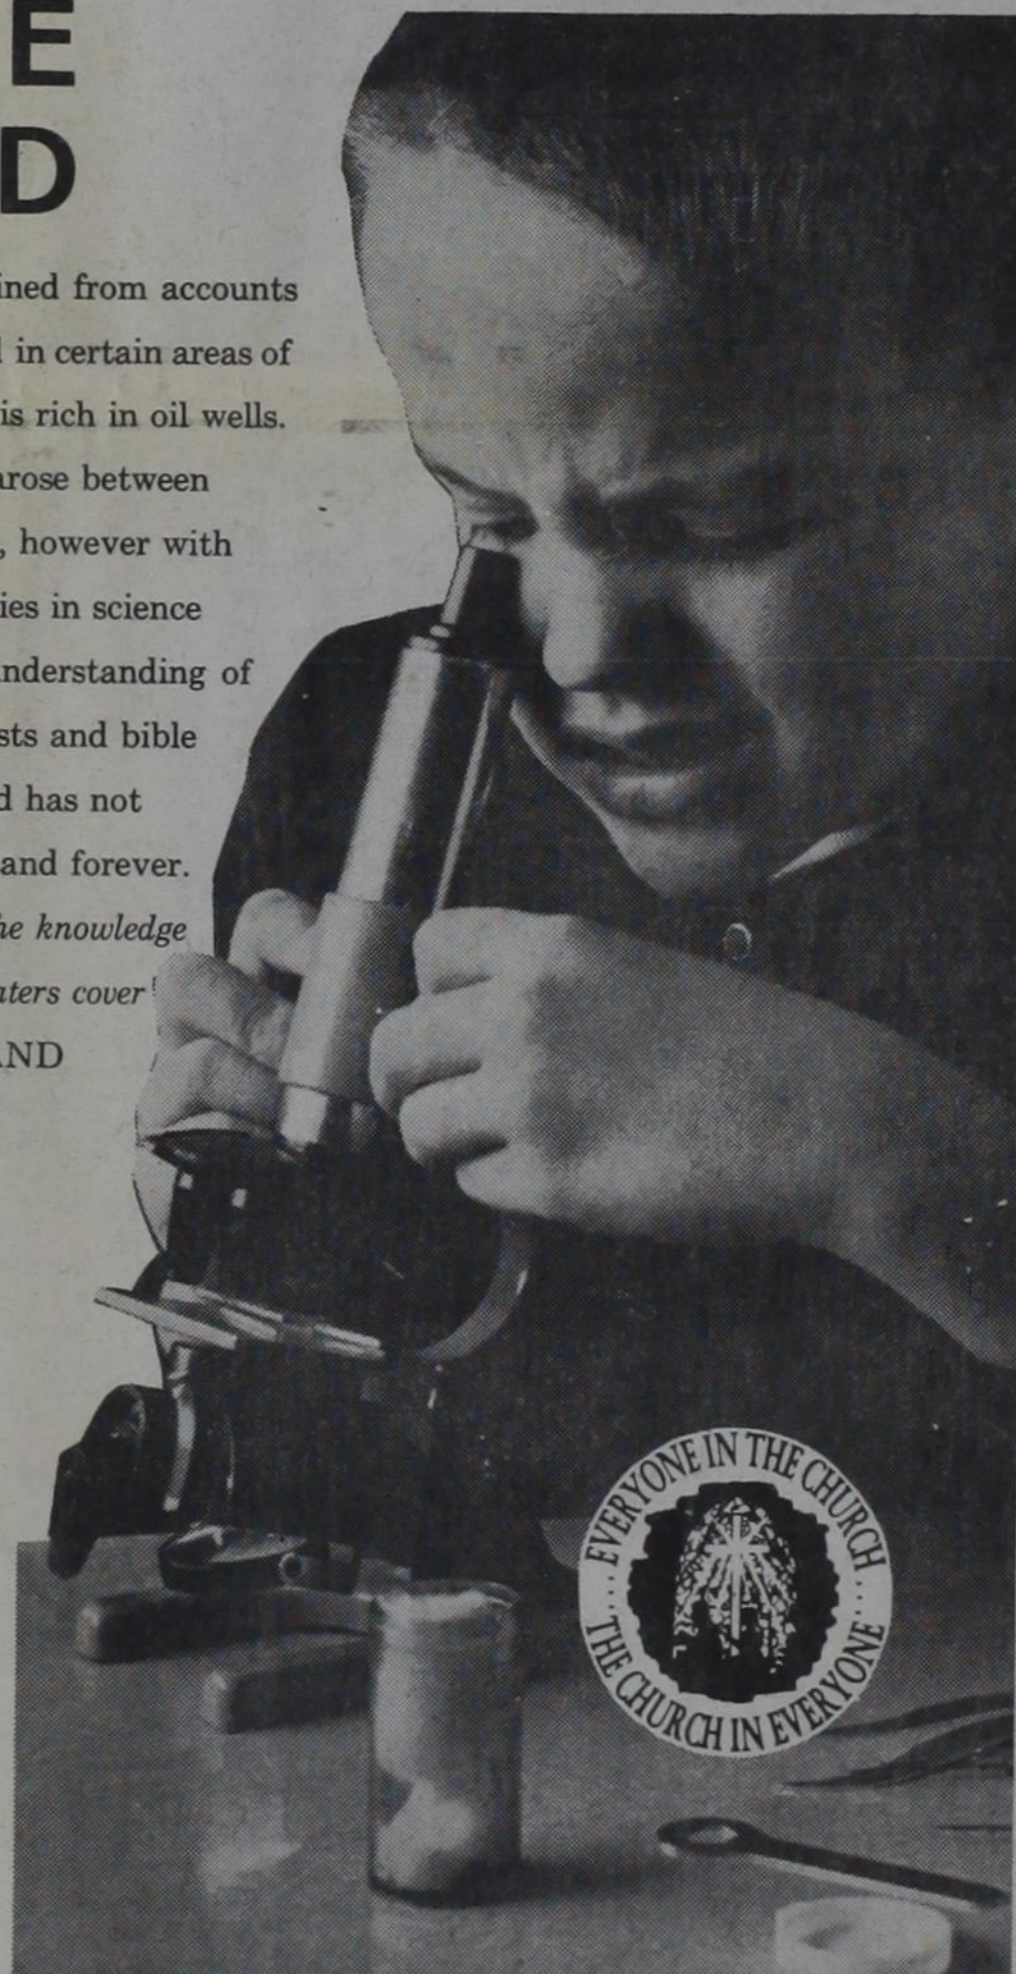

Not too long ago, a man determined from accounts in the bible that oil could be found in certain areas of bible lands... now this country is rich in oil wells.

In the past, vigorous arguments arose between some scientists and bible scholars, however with the passing of time, new discoveries in science have helped us to have a better understanding of God's word and now most scientists and bible scholars are in accord. God's word has not needed to be proved, for it will stand forever.

"For the earth shall be filled with the knowledge of the glory of the LORD, as the waters cover the sea." ATTEND CHURCH AND STUDY GOD'S WORD.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

India, stop in Africa at Moba and Capetown, Honolulu, Rio de Janeiro. This ship is manned by 170 Chinese crew and flies the Liberian flag. Dr. John Holloway, academic director of the program at the University of Colorado, thinks the semester will be more than sunsets and porpoises. Marilyn is the daughter of Dr. and Mrs. Carrol Gregory from San Francisco.

Many people went out to the Golden Wedding reception at the home of Joe and Lois Scott Sunday afternoon. This was hosted by their son Ben and wife Mollie and their girls.

Bedford and Elsie Smith returned home last Wednesday after attending funeral services at Mabank for his brother, Russell E. Smith Sr., whose death occurred Sept. 22 in a nursing home at Van. They also attended the burial services in a Dallas cemetery after the funeral. The Dimmitt couple had visited Smith's brother the day before his death, after they had been to the annual statewide Veterans

Service Officers conference at Dallas, sponsored by the Veterans Administration and all veterans' organizations in the state including the County Service Officers Association of Texas. Smith, state chaplain of the CSOA, gave the invocation and benediction at the conference, and was re-elected to his office for the coming year.

Bennie West of Eldorado, Okla. is visiting his brother Raymond West and family. Also visiting the family is Cora's sister, Daisy Wallen of Olustee, Okla.

Loyd and Dorothy Vaughan and Earl and Gerry Chaney have returned from a nine-day trip to England. Saw St. James Park, Picadilly Square, Harrod's (the huge department store), Trafalgar Square, Savoy Hotel, Fleet Street (where all the newspapers are published), St. Paul's Cathedral, Tower of London, River Thames, Big Ben, Buckingham Palace. Went to Glasgow, Scotland, such beautiful country. Saturday they drove to Windsor Castle and on the way stopped to see the Magna Carta that Queen Elizabeth and the late President Kennedy renewed in 1957. Saw the changing of the guards, went to Hampton Court. The landscaping is out of this world. Rode the tube and train to Dover and saw the White Cliffs. The last day they went to Oxford and shopped, then to Blenheim Palace, which was the highlight of the trip. Saw the room in which Sir Winston Churchill was born.

LEADING THE BOBCAT BAND at Dimmitt High School's games this year are Assistant Drum Major Suzan Collins (left), a junior, and Drum Major Laine Snider, a senior. It's the second year for Miss Collins and the third year for Miss Snider at the helm of the award-winning band.

Judge Simpson named spelling bee director

County Judge M. L. Simpson has been named as Castro County director for the National Spelling Bee sponsored for the 32nd year by the Amarillo Globe-News and West Texas State University. Simpson will be responsible for planning and directing the county event.

This year's Regional Spelling Bee will be held earlier than in past years because the National Spelling Bee is scheduled for the week of May 25 rather than the first week in June.

The top county winner in Area competition in Amarillo

on April 12 will receive an expense-paid trip to Washington, D.C. to represent the area in national competition.

The top 12 spellers will receive special awards. Every student who competes, beginning at the classroom level, will be given a certificate.

The AGN-WTSU area promotes a Junior Bee for students in grades four, five and six. These junior winners do not compete in the district event unless the student wins both divisions. They are guests at a luncheon preceding the April 12 spelldown at the Amarillo Country Club and will be given trophies.

Rotarians to set Halloween activities

"Seventy thousand of the 80,889 acres of cotton which were planted in Castro County this year were damaged, and 30,000 acres were destroyed by summer hail storms," Albert Hartman of the ASCS office told Rotarians at their Friday noon meeting.

Hartman gave a slide presentation on area crops, feedlots, the Running Water Dam, the new dam in progress east of Sunnyside, a new dam east of Hart and other aerial views of the area.

At tomorrow's (Friday) meeting the Rotary Club will discuss its plans for the Halloween carnival.

Attendance at last week's meeting was 87.58%, announced club secretary Bill Behrends.

October's program chairman is Doug Pybus.

Scout-A-Rama tickets now on sale

Local Boy Scouts are currently selling tickets for this year's Scout-A-Rama to be held in the Lubbock Civic Center from 1-5 p.m. Saturday, Nov. 3.

Approximately 150 Boy Scout units from 20 counties in Texas will be taking part in this year's Scout-A-Rama.

Lubbock was chosen for this year's Scout-A-Rama because it is located in the center of the South Plains Council.

Tickets are one dollar and are available from any Scout.

All units of scouting will be participating in this annual event.

Co-op month in Texas observed in October

October is Cooperative Month in Texas and across the nation as proclaimed by most of the country's governors. Gov. Bill Clements, in his official proclamation, urged the people of Texas to "give special recognition to the constructive and responsible roles of agricultural cooperatives in the economic progress of our state."

"Texas has more than 440 cooperatives operating and serving over 133,000 members," according to Bruno Schroeder, executive vice-president of the Texas Federation of Cooperatives. "These cooperatives are doing a business volume of almost 1.7 billion dollars annually," he said.

Cooperatives in Texas range from farmer-owned gins, elevators and compresses to marketing, supply and credit organizations. Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens.

"Cooperative Month," said

Schroeder, "is a good way to remind the people of Texas just how important cooperatives are to our well-being."

Pioneer has 2-for-1 split

Stockholders of Pioneer Corporation have approved the necessary charter amendments for a two-for-one stock split of the common shares issued by the corporation.

Approval was announced last week in a special meeting of stockholders at the corporate headquarters in Amarillo. Stockholders voting in favor of the action represented 77.6 percent of the 9,188,390 outstanding shares of record Aug. 23.

The stock split is effective on all common stock of record date and will result in 18,376,780 shares outstanding.

Pioneer Corp. President K. B. Watson said the corporation's board of directors will consider an increase in the common stock dividend at its next regular quarterly meeting.

New stock certificates will be mailed to stockholders Oct. 15, Watson said.

GSPA opposes proposed rule

USDA is considering a new regulation which Grain Sorghum Producers Association believes would be very detrimental to future participation in farm programs.

The proposed rule would require that farmers be approved by the Soil Conservation Service prior to their participation in government programs such as the feed grain set aside and price support program.

GSPA supports good conservation practices. However, the association takes the position that to attach such requirements with the complications and red tape inherent in such a plan, to the price support programs would destroy the producer's interest in participation.

Production control programs are essential to maintaining a balance in supply and demand, GSPA believes. It is important to have as many farmers as possible in the program for it to work effectively.

GSPA encourages all of its members and other farm organizations to work with their congressmen and USDA officials to see that this cumbersome provision is not added to future price support programs.

Open Charity Horse Show is scheduled

An Open Charity Horse Show will be held Oct. 13 at the Bill Cody Arena on the Tri-State Fairgrounds in Amarillo, to benefit the regional infant intensive care unit at Northwest Texas Hospital in Amarillo.

The event will be sponsored by the Alpha Beta Chapter of Epsilon Sigma Alpha, a ser-

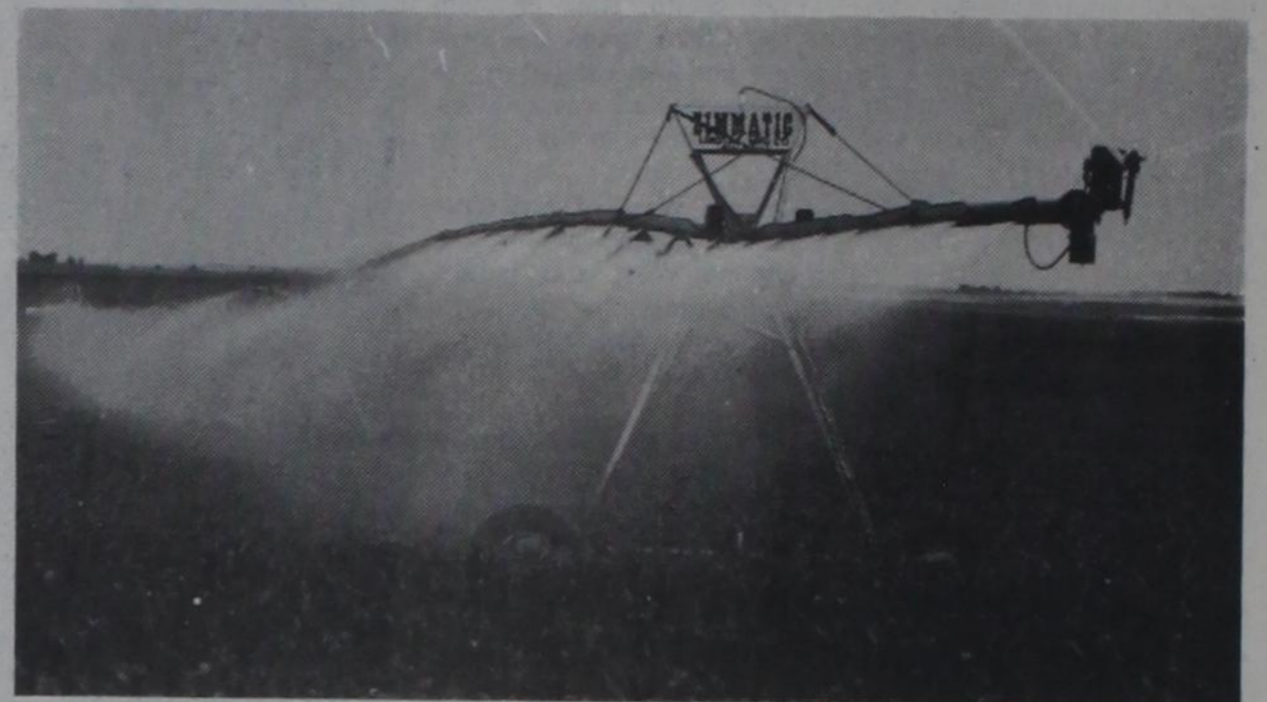

vice sorority in Amarillo with nine other chapters in the Panhandle area.

The infant intensive care unit is used for the entire Panhandle area.

There will be 40 performance classes from English Jump to Western Pleasure, with an \$8 entry fee per class. Entry forms are available in

area feed stores and western wear shops. Marilyn Shillings may be contacted at 3414 Rutson in Amarillo for more information.

THE first electric traffic signal lights were installed in 1914 in Cleveland, Ohio at the intersection of Euclid Avenue and East 105th Street.

Zimmatic Low Pressure waters down overhead

Cutting overhead is one of the keys to profitable irrigation. With a Zimmatic Low Pressure System over your crop you can unlock the door to big savings. Start by cutting horsepower requirements by as much as one-third and keep saving because your system will likely be more efficient and use less water.

And choosing Zimmatic Low Pressure gives you more than an economical center pivot. You get the company that pioneered low pressure in center pivot irrigation. Lindsay developed Zimmatic Low Pressure to cut horsepower without cutting performance. Your pivot is still 100% Zimmatic with all the dependable features and top-quality material that Lindsay is known for.

If you're considering center pivot irrigation, consider Zimmatic Low Pressure—the pioneer. Come in soon and find out how to water down your overhead while you pump up your profits.

Church exceeds goal for mission

By TEENY BOWDEN

Sunday morning was in-gathering day for the Mary Hill Davis State Mission Offering. The goal of \$930.00 was exceeded as \$1,024.00 was given. Mrs. Cliff Brown and the Uppitts gave an emphasis on state missions at the beginning of the worship service.

Michael Graham was one of four Springlake-Earth students receiving a scholastic

sweater last week. They each ended their junior year with straight A's.

Mrs. L. B. Bowden helped with a workshop on writing family stories in Rhoads Memorial Library in Dimmitt Friday afternoon and evening. She also helped with incoming letters at the museum Monday and Wednesday afternoons.

Tommy Graham flew home from Coshocton, Ohio, Sunday after a visit there with his grandparents, Mr. and Mrs.

Noble DeMoss. He is between quarters at TSTI, and will return to school Monday.

Leslie Louder visited recently with Dene and Paula Gray and Michael at Lake Texhoma, and Rev. and Mrs. Larry Odom, Lisa, Kyle and Misty in Dallas. Mr. and Mrs. Gray returned to Kuwait on the 15th for a second assignment there. Larry Odom is associate pastor of Beacon Hill Baptist Church in Dallas. He preached his first sermon last Sunday.

Mr. and Mrs. Hollis Buchanan of Abilene arrived Monday and they and Mr. and Mrs. Ezell Sadler left Monday evening for a vacation and foliage tour in the mountains of New Mexico and Colorado. They also visited at Red River with Mr. and Mrs. Weldon Bradley.

Mr. and Mrs. Alton Louder attended the football game in Littlefield Friday night to see their grandson, Zane Westmoreland, play. He is a senior this year.

The WMU Council met Thursday morning with the director, Mrs. Raymond Jones, in charge. It was the last meeting of the old church year.

Mr. and Mrs. John Graham visited in El Paso this week with their daughter, Mr. and Mrs. James Fox and family.

Mr. and Mrs. Doug Jeffcoat, Mr. and Mrs. Ernest Whitaker, and T. L. Rexroat, all of Loveland, visited in the Sunday morning worship services. The Jeffcoats and Whitakers ate out with Mr. and Mrs. Hershel Wilson at noon. Mr. Jeffcoat and Hershel are cousins.

Rev. Raymond Jones at-

tended an associational board meeting at First Church, Muleshoe Tuesday.

Mr. and Mrs. Loyd Morris of Tulia had dinner with Mr. and Mrs. Roy Phelan.

Mrs. Alton Louder, Mrs. Milburn Haydon and Mrs. Clarence Mitchell of Springlake visited in Care Inn Home in Plainview with their aunt, Mrs. Ida James, to help her celebrate her 87th birthday.

Mr. and Mrs. Hershel Wilson visited in Farmington, N.M. Wednesday with Mr. and Mrs. Doug Freeman and Sonya. Mrs. Freeman and Sonya came home with them to visit for a week.

Mrs. E. R. Little has been in Lubbock several times this week with her sisters and other relatives. Her brother-in-law had major surgery Wednesday. Her father, A. E. Davies, flew to Phoenix with his daughter from Borger Tuesday to attend the funeral services of his youngest sister. They flew home Wednesday night. Mr. Davies will be 93 this month.

Mrs. Eules Waggoner returned home Sunday evening from a visit in Midland and El Paso with relatives. She spent last Friday and Saturday in Midland with Mr. and Mrs. Jesse Pharis and family and Mr. and Mrs. Alan Jackson and flew to El Paso Saturday evening, where she visited with her sister, Mrs. Dora Potts in Favens. Another sister, Frances Armstrong of Arvada, Colo., flew in to El Paso at the same time and they visited together until Wednesday. Mrs. Waggoner flew to Midland and visited with the Pharises and Jacksons until Sunday evening, when she returned home.

Mr. and Mrs. Gale Sadler visited with Mr. and Mrs. Martin Lefevere of Brownfield Sunday afternoon and attended a special music program at the First Baptist Church in Brownfield with them Sunday night.

Coby Gilbreath was home from South Plains College for the weekend.

What's cooking at the school

Local shooters capture trophies

Castro County shooters captured most of the trophies in the Open Pistol Match sponsored here Saturday by the Castro County Peace Officers' Association.

Steve Vines of Dimmitt teamed with Terry Parker of Hereford to capture the championship trophy in two-man team competition. Placing second were Tim Hucks of Dimmitt and Dennis Powers of Tulia, while C. D. Fitzgearld of Dimmitt teamed with Rodney Miller for third place.

Fitzgearld won the trophy for best overall individual score, and Vernon Ellis got the consolation award for worst overall.

Twenty-six handgunners from throughout the area competed in four handicap divisions for individuals. Winners were:

0-299—Bill Conyers 1st, Johnny Stanford 2nd, Marshall Young 3rd.

300-399—Bud McClendon 1st, Alan Newman 2nd, Danny Wainscott 3rd.

400-499—Red May 1st, Rodney Miller 2nd, Kenny Paxton 3rd.

500-600—Steve Vines 1st, Dennis Powers 2nd, Dyrle Maples 3rd.

The meet was held at the Dimmitt Airport Pistol Range, with State Trooper Dyrle Maples as the rangemaster.

Former DHS teacher has 'Dallas' role

An episode in the television drama series, "Dallas", which will be shown Friday evening, includes in its supporting cast a former Dimmitt resident, Don Blankenship, in a walk-on role.

A former drama instructor in Dimmitt High School, Blankenship now teaches speech and drama in the Arlington School System.

Hart JV, 8th grade win

Junior Varsity gridders from Hart staved off a fourth-quarter assault by the Petersburg JV last Thursday and came out ahead 20-18, while Hart's Eighth Grade won a decisive 22-8 contest at Petersburg.

After a 6-6 tie at the close of a quarter, Coach Sam Browning's Hart JV added 14 points while they held Petersburg scoreless in the second. Neither team could tally in the third quarter but Petersburg staged a closing rally with two

touchdowns, but was unable to make the points afterward which might have tied the final score.

A big third quarter gave Coach Jim McBroom's eighth graders their 14-point margin of victory, with two touchdowns and the extra points. Until then it was tied at 8-all from the first quarter.

Nazareth

Two parties honor Nazareth bride-elect with Anton

By VIRGIE GERBER

A group of friends and relatives of Karen Schulte enjoyed a bachelorette party at the home of Tricia Gerber Saturday evening.

Sunday afternoon a bridal shower was given in honor of Karen Schulte, bride-elect of Danny Gerber, at the home of Rosie Kleman. Many beautiful and useful gifts were given to Karen.

Mrs. Alma Conrad is recuperating at home. Her sister, Cecilia Herzog of Dallas, is here visiting with her for a few weeks.

Mrs. Agnes Brockman is presently at High Plains Hospital in Amarillo for tests, but will be home this week.

Did anyone notice two Nazareth ladies picking weeds along the bar ditch? We did.

Congratulations to Jerome Brockman of our community, who is one of 10 American farmers selected by the National Catholic Rural Life Conference to receive communion from the Pope at an outdoor mass today (Thursday) near Des Moines, Iowa.

A small reception was held Saturday afternoon at the Rex Ramaeker home honoring Becky Burnett of Lubbock on her baptism at Holy Family Church. Her parents, Mr. and Mrs. Bill Burnett of Lubbock and her fiance, Gerald Bir-

kenfeld, were among the guests. Sheryl Schulte and Mike Hoffman of Lubbock were her Godparents.

The Benedictine Sisters of Nazareth were guests of the Incarnate Word Sisters of the St. Louis Province at St. Anthony's Hospital for a weekend workshop on celibacy, its relationship to communities and ministries. Dr. William Kraft, professor at Carlow College in Pittsburgh, Pa. conducted the workshop. On Saturday evening the Benedictine Sisters of the diocese attended a meeting at St. Joseph's Convent in Amarillo. On their return Sunday they visited Mrs. Agnes Brockman at High Plains Hospital, Mrs. Helen Dietz in Happy, Mrs. Ella Book and Jack Litsch in Tulia.

Kenny Brockman, Father Tafoya, Rudy Ramirez and David Cruz from the Immaculate Heart of Mary Seminary in Santa Fe, spent Monday night with Kenny's parents, the Jerome Brockmans. The next morning they all attended the funeral mass of Bishop Lawrence M. DeFalco in Amarillo.

NJH splits win-loss

with Anton

Nazareth's Seventh Grade gridders kept their perfect record for the season as they downed an Anton team last Thursday in Junior High games. The score was 22-8 and the record now stands at 2-0.

The eighth grade lost to their Anton counterparts 28-0 the same afternoon and are left with a 1-2 record.

Nazareth Junior Varsity played its first game Thursday, dropping a 15-0 decision to the Dimmitt Freshmen.

Playing at Hart the previous week, the seventh grade from Nazareth won 8-6 but it was a 28-6 loss for the eighth grade. Chris Gerber scored the seventh grade touchdown on the opening kickoff. The score for the eighth grade came on a pass from Sidney Gerber to Marvin Schmucker.

NHS strikes Swift-ly to whitewash Whiteface

By CHRIS ALBRACHT

The Nazareth Swifts, relying on the offensive combination of Bryan Huseman and John Steffens and a defense led by Dale Wilhelm and Jerry Kern, blasted the Whiteface Antelopes 34-0 Friday night at Whiteface.

Huseman rushed for 153 yards and one TD, while Steffens earned 62 yards and two TD's on the ground and passed for 78 yards and another TD.

It was the second straight victory for Nazareth, now 2-2 on the year. The Swifts scored 20 of their 34 points in the first 8½ minutes of the game. The first TD came on Nazareth's first offensive play, when Steffens kept around right end—and raced 27 yards to paydirt. Huseman added the conversion, and the Swifts led by 7-0.

Steffens teamed with Jeff Schmucker on a pair of pass plays for Nazareth's second TD. The first pass carried 42 yards to the Antelopes' 7-yard line, and after two penalties set the Swifts back to the 26, Steffens threw to Schmucker again and the senior end took it in for the score. Huseman

again added the conversion point to make it 14-0.

Jimmy Kern recovered an Antelope fumble at the Whiteface 16-yard line to set up Nazareth's third TD. It took five plays for the Swifts to go the distance, with Steffens scoring his second TD from three yards out. The kick failed, leaving Nazareth with a lopsided 20-0 lead with 3:30 still left in the first quarter.

After a scoreless second quarter, Huseman broke loose at the Nazareth 20 and raced 45 yards to the Whiteface 35 to spark the Swifts' fourth scoring drive. Seven plays later, Huseman carried the final nine yards, following blocks by Norman Gerber and Gary Book. Huseman added the conversion, and the Swifts led by 27-0 with 2:36 left in the third quarter.

Virgil Huseman got Nazareth's final TD on a one-yard plunge in the final period. The touchdown capped a drive that was sparked by the running of Bryan and Virgil Huseman. After Bryan added the conversion, Nazareth had its final victory margin of 34-0.

The Swifts' stifling defense allowed Whiteface only seven yards rushing, and didn't give up a first down all night. Meanwhile, the Swifts racked up 18 first downs while gaining 306 yards on the ground and 78 in the air.

It was Nazareth's sixth straight victory over Whiteface since 1974.

The Swifts will continue on the road Friday as they go to Canyon to play the Canyon JV. Kickoff time is 7:30.

ZAP!—Three Hart Longhorns team up to knock Petersburg quarterback Todd Shurbet out of bounds at the Hart 25-yard line as he looks for a receiver downfield in the first quarter of Friday night's Longhorn-Bufferalo game at Hart. Making the crunching tackle are Lorenzo Valenzuela [33], Daniel Higgins

[66] and Isaias Ponce [7]. Coming up on the play in background is Hart's Melvin Washington [41]. On the play after this one, Petersburg's Mike Phillips broke loose on a 25-yard scoring run to start the Buffaloes toward a 30-0 victory.

DHS Frosh beat stiff defense by Nazareth

Two long drives by the Dimmitt Freshmen's offense gave them a 15-0 victory over the Nazareth Frosh at Nazareth last Thursday, as touchdowns were scored in second and fourth quarters.

The Nazareth defense held to stall two other scoring threats by Dimmitt, on the 5-yard line in the second quarter and again in the third, after a 65-yard drive from kickoff, on the Nazareth 7-yard marker.

Quarterback Lonnie Robb, who had a good passing day as he completed 4 out of 7, ran the first Dimmitt TD across after the ball had been advanced 68 yards to the one. Fermin Gonzales' kick was good for the extra point.

After Nazareth punted away from the 7-yard line in the third, Dimmitt drove 68 yards with Ruben Casas carrying the ball the last two yards to score. Johnny Gonzales passed to David Ogas for a 2-point conversion.

Wingback Ray Owen made a diving catch on fourth down at the 2-yard line to keep the scoring drive alive. Owen caught three clutch passes and made several good runs during the game. Coaches John Thomas and Robert Crawford said.

They commended Casas for a good running game and completing two passes; Ron Rickenbrode, who intercepted a Nazareth pass in the second quarter and returned it to the Nazareth 26 to spark the drive to the Nazareth 5; and on defense, tackles Curtis Martin and Jesse Saenz, linebackers Justin Smith and Richard Guzman.

"Nazareth had a good defense and played especially tough when we got close to the goal line, but our offense was able to control the ball, and our defense played well though it didn't spend much time on the field," Coach Thomas said.

Longhorns fall, 30-0, to powerful Buffaloes

By MONTY UPTON

Hart's Longhorns got burned 30-0 Friday night by the blazing speed of the Petersburg Buffaloes after fumbling away the momentum in the first half.

Hart drove to the Buffs' 23 before fumbling the ball away in the first quarter. The Buffs then broke wingback Quentin Berry on a 49-yard romp, and tailback Mike Phillips got the final 26 steps to put up the first score.

The Horns established another drive that ended on the Petersburg 5 when Buff Eric Sell picked off a pass. The Buffaloes fumbled on their next series but Hart was forced to punt. Petersburg quarterback Todd Shurbet then hit Phillips with a pass down the side for 75 yards and the TD. The PAT pass fell incomplete.

Following a kickoff return to the 50, Hart was threatening when a Longhorn fumble was recovered by Sell in the end zone. Using mainly big plays, the Buffs scored again on a 33-yard run by Phillips. The PAT pass attempt was intercepted to end

the scoring in the first half, with the visiting Buffaloes ahead by 18-0.

In the second half, the Horns were kept off balance by having to play catch-up ball. Unable to shut down the big play outside, Hart gave up another TD on a 10-yard scamper by Berry. The PAT pass was incomplete.

The Longhorns then held their big, fast visitors in check until late in the final stanza. At that point, a 15-yard Hart penalty tacked onto the end of a 16-yard pass completion carried the ball to the Hart 22. Five plays later, Shurbet hit Sell for 12 yards and the final score. The PAT pass was again intercepted, leaving the scoreboard tilted at 30-0.

The Longhorns threatened one more time in the last

seconds as they drove to the Buffs' 9 before being repelled by two consecutive quarterback sacks.

The Longhorns will take on the Silvertown Owls Friday night at home.

COOPERATIVE MONTH: OCTOBER 1979

Discover Cooperatives During October Co-op Month

COOPERATIVES ARE PEOPLE!

All kinds of people belong to cooperatives. More than 23 million American families are members of one kind of co-op or another. They have joined together to provide themselves with all kinds of good and services.

Through cooperatives, people market farm products and buy farm supplies, fuel oils, gasoline, and even groceries.

Other cooperatives provide their members with credit, health care, electricity and telephone service. Still others provide housing, insurance and other services.

Whatever the human need, people can fill it themselves through cooperatives.

In a cooperative,
PEOPLE are number one

They're **first** because they're not only the customers, but the owners, too. In cooperatives all across the United States there are 50 million people who use cooperatives as a way of working together to obtain the kinds of services they need and want.

Make your own mixes

By TERESA L. CRISWELL

Have you ever noticed how many time saving and convenience foods are on your kitchen shelves? With the fast pace life style that we are living now, mixes seem to be a necessary part of our meal planning. Although mixes are convenient, they are often more expensive.

You can save time and money by making your own mixes and have a food with more nutritional value, too.

Granola Mix

To serve with milk for breakfast or as a great afternoon snack by itself.

10 c. old-fashioned rolled oats

1 c. wheat germ

1/2 lb. shredded coconut

2 c. raw sunflower seeds

1 c. sesame seeds

3 c. chopped almonds, pecans, walnuts or combination

1 1/2 c. brown sugar, firmly packed

1 1/2 c. water

1 1/2 c. vegetable oil

1/2 c. honey

1/2 c. molasses

1 1/2 tsp. salt

2 tsp. cinnamon

3 tsp. vanilla

Raisins or other dried fruits, if desired.

Preheat oven to 300 degrees F. (150 degrees C.)

In a large bowl combine oats, wheat germ, coconut, sunflower seeds, sesame seeds and nuts. Blend well. In a large saucepan, combine brown sugar, water, oil, honey, molasses, salt, cinnamon and vanilla. Heat until sugar is dissolved, but do not boil.

Pour syrup over dry ingredients and stir until well-coated. Spread into five 13x9" baking pans, or cookie sheets with sides. Bake 20 to 30 minutes, stirring occasionally. Bake 15 minutes longer for crunchier texture. Cool.

Add raisins or other dried fruit, if desired. Put in airtight containers. Label. Store in a cool, dry place. Use within 6 months. Makes about 20 cups of granola mix.

Breakfast Cookies

Add extra nutrition to your cookies.

1/2 c. shortening

1 c. brown sugar, firmly packed

2 eggs

1 T. milk

1 tsp. vanilla

1 1/4 c. all-purpose flour

1/2 tsp. baking soda

1/4 tsp. salt

2 c. granola mix

Preheat oven to 350 degrees F. (175 degrees C.). Lightly grease baking sheets. Cream together shortening and brown sugar in a large bowl. Add eggs, milk and vanilla. Beat well.

In a medium bowl, combine flour, baking soda and salt.

Mix well and add to sugar mixture. Stir in granola mix. Drop by teaspoonfuls onto prepared baking sheets. Bake 10 to 12 minutes, until edges are browned. Makes about 36 cookies.

Flaky Pie Crust Mix

Your guests will remember how light your pies are! 12 1/2 c. all purpose flour 2 tsp. salt 5 c. vegetable shortening

Combine flour and salt in a large bowl. Mix well. With a pastry blender, cut in shortening until evenly distributed. Mixture will resemble cornmeal in texture.

Put in a large airtight container. Label. Store in a cool, dry place. Use within 10 to 12 weeks. Or put about 2 1/2 cups mixture each into 6 freezer bags. Seal and label bags. Freeze. Use within 12 months.

Makes about 16 cups of flaky pie crust mix, enough for 6 double-crust pies or 12 single-crust pies.

Chicken Coating Mix

2 T. parsley flakes

1 T. oregano

1 T. marjoram

1 T. thyme

2 tsp. rosemary

1 tsp. garlic salt

1 tsp. onion salt

1 tsp. celery salt

1 T. ginger

1 tsp. pepper

1 tsp. sage

1 T. paprika

Combine all ingredients in a small bowl until evenly distributed. Spoon mixture into a small airtight container. Label. Store in a cool, dry place. Use within 6 months. Makes about 1/2 cup of chicken coating mix.

Chili Seasoning Mix

You'd better double the recipe!

1 T. all purpose flour

2 T. instant minced onion

1 1/2 tsp. chili powder

1 tsp. seasoned salt

1/2 tsp. crushed dried red pepper

1/2 tsp. instant minced garlic

1/2 tsp. sugar

1/2 tsp. ground cumin

Combine all ingredients in a small bowl until evenly distributed. Spoon mixture onto a 6-inch square of aluminum foil and fold to make airtight. Label. Store in a cool, dry place. Use within 6 months. Makes about 1/4 cup of chili seasoning mix. To make additional packages, increase ingredient amounts proportionally.

For more information on recipes for mixes, contact Teresa at the County Extension office at 647-4115.

Book Club's next review set Oct. 10

"Ever Since Adam and Eve" by Terry Hekker will be reviewed by Mildred Bradford at the Dimmitt Book Club meeting Wednesday, Oct. 10 at Rhoads Memorial Library. The business meeting will begin at 3:30 p.m. and the book will be reviewed at 4 p.m.

Mrs. Hekker is known to be a champion of the profession of housewifery and the joy of being a woman, wife and mother.

"As a spokesperson for an endangered species, Mrs. Hekker tells women they have a choice—it is okay to be a homemaker and mother," Mrs. Bradford said.

The public is invited to attend the review.

THERE are no classless societies. Social class is determined by occupation, source of income, neighborhood and type of house lived in.

Almost 200 relatives and friends gathered Sunday afternoon to celebrate the Golden Wedding anniversary of Mr. and Mrs. Joe M. Scott. Their son and daughter-in-law, Ben G. and Mollie Scott, and their three grandchildren, Krystal, Anessa and Bennie Jr., were hosts.

The honorees greeted guests during open house hours in their home on the Littlefield Highway. Mrs. Scott was wearing a formal gown of floating chiffon in berry hue.

Bennie Scott Jr. and Mrs. Scott's sister, Melba Mahafey of Fresno, Calif., invited callers to register. The two granddaughters, with Wanda Nelson and Ellen Gregory, served refreshments.

A three-tiered wedding cake ornamented with gold tinted flowers was the focal point on the table, which was covered with white linen and lace. Topping the cake was the figure 50 in gold. The centerpiece was of yellow and white roses with babybreath. Other yellow blossoms carried the anniversary theme through the rooms.

Their grandchildren presented the honored couple a

Meeting set to air farm issues, comments invited

A three-state meeting to air issues affecting the structure of American Agriculture is set for Dec. 6 in Wichita Falls. The meeting is open to persons who wish to speak, or to submit ideas in writing, according to County Agent Charles Hottel.

Secretary of Agriculture Bob Bergland will preside at this meeting, one of 10 scheduled across the nation. The session in the Wichita Falls Activities Center, 10th and Indiana, is for residents of Texas, Oklahoma and Louisiana.

Statements by pre-scheduled speakers and impromptu comments or questions from the audience will be included on the program.

Requests to address the meeting should be sent as soon as possible to Project Coordinator, Structure of Agriculture, USDA, Washington, D.C. 20250, Hottel said.

He added that name, mailing address, telephone number, and brief comments about the issue to be addressed, also the organization represented, if any, should be included with the request.

Others who will be unable to attend the meeting should send their ideas to the project coordinator, so their comments may be made part of the public record, Hottel added.

"Forces that have shaped American agriculture as we know it today need to be re-examined," Bergland said in

announcing the meetings. "We hope to develop the most comprehensive package of factual information and recommendations for use in proposing future policies, especially new farm legislation when the current farm bill expires in 1981," the agriculture secretary said.

Structure, as defined for this meeting, "includes such issues as number and size of farms, how they vary by

region and type of operation; ownership and control of resources including the form of business organization, its tenure and purchasing and marketing arrangements; degree of production specialization and how it affects management and technological requirements; barriers to entering and leaving farming; social and economic characteristics of farm operators and owners," Hottel said.

SWCD zone director election announced

Election of the Zone I director of Running Water Soil and Water Conservation District will be held at a meeting in the Nazareth American Legion Hall at 7:30 p.m. Oct. 11.

Zone I comprises the northeast part of Castro County. Paul Venhaus of Nazareth, the present Zone I director, has served in that position during two five-year terms.

SHM resident's services set

Funeral services for Myrtle W. Goodner, 76, of South Hills Manor will be held at 2 p.m. today (Thursday) at Wallace Chapel in Tulia. Burial will be in Rose Hill Cemetery.

She died at 5 a.m. Tuesday at SHM after a brief illness. Mrs. Goodner was a native of Granger and moved to Tulia in 1912.

More about: Harvest...

[Continued from Page 1] Hart and J. R. Brown at Flagg Grain. A spokesman at Star Grain also estimated the crop around Nazareth at about that point.

Farmers say the stiff winds this week have damaged corn still in the fields, according to Bill Gregory at Castro County Grain. Stalks have been blown down but the growers believe most of the grain can be salvaged.

That elevators handles sunflower seed, and Gregory said that harvest is about half finished in this area. Yields are good this year, running about 1,500 to 2,000 pounds per acre, he said.

The soybean crop is larger than usual this year, and Brown said Flagg Grain is "getting a lot of soybeans and they are of excellent quality if they were not hit by hail."

Moisture content is good, about 10 percent, he added. A similar report was made by Gary Moore for Dimmitt Agri Industries, who said the beans "are coming in good now."

He estimated that the corn harvest will not be over for three or four weeks, because "the last half will be the long half." Maturity of the corn varies, and some growers want to let their crop dry in the fields a few weeks longer if possible, he explained.

"Harvest just got started real good this week" on fields which were not damaged by hail, Pat Shield at Roy Grain said. "Yields are real good and moisture is running 18 to 30 now, averaging about 23. With prices holding about a dollar higher than they were last year, everybody seems to be pretty happy."

At Hart, Truelock said, "There are a lot of clean cornfields and we keep thinking the harvest is going to wind up but the grain keeps coming in. Some of the corn is real dry but some is real wet. There is still some in the field that has to dry up pretty good because it is going to Frito-Lay."

Elevator operators here do not expect storage problems for the remainder of the corn, milo and soybean crops.

All landowners in the zone are invited to come to the meeting and vote for a representative to serve the coming five-year term. To be eligible to vote a person must own land within Zone I and live within the district.

Running Water district includes five zones and is governed by five directors, one chosen by landowners from each zone. These officials must be actively engaged in farming or ranching and they are responsible for administering conservation activities within their district.

Soil and water conservation districts are political subdivisions of state government without authority to tax or take property for public use.

Assisted by federal and state government, they aid farmers and ranchers to solve conservation problems through a voluntary program, and also conduct a program to inform the public of each person's duty in conserving natural resources.

The Chamber of Commerce office is still collecting specialty advertising items to include in its "goodwill bags."

Litter bags were purchased by the Chamber to be filled with specialty advertising items and small gifts to be distributed to Dimmitt newcomers, and as souvenir gifts for special Dimmitt visitors.

Items still needed for the bags are pens, pencils, calendars, tape measures, gift certificates and other items. Small items are the most practical, Chamber Manager Delores Golden said.

Questions or suggestions regarding the project are welcome by the Chamber office.

REP. CLAY SMOTHERS To speak here

Legislator to speak at rally here

The Pro-Family Forum of Dimmitt and Hart will sponsor a "God and Family" rally Tuesday, Oct. 16, in Dimmitt High School auditorium, beginning at 7:30 p.m.

Texas Rep. Clay Smothers of Dallas will be here to speak at the rally, to which the public is invited. Invitations have been sent over this area, including special invitations to Texas senators and legislators, other officials and those who expect to be candidates for political office next year.

Rep. Smothers, a Democrat, has been a supporter of family-oriented legislation as a member of the state legislature. He is known as a dynamic speaker.

He is the administrator of St. Paul's Industrial Training School for Disadvantaged Children at Malakoff. St. Paul's is a non-profit institution for disadvantaged children, operated without government funding.

Pro-Family Forum organizations at Dimmitt and Hart are joining to bring the speaker to Castro County, and invite all residents to hear him.

Area officers attend local FFA meeting

On their tour of the FFA district, James Baxter, Area I president, and Charles Cammack, district president, attended the FFA meeting at Dimmitt High School Tuesday.

The men talked to the Dimmitt chapter on the upcoming FFA events and working to promote the FFA.

During their meeting the students made preparations for election of the club sweetheart and initiations.

City to purchase roller, PD cars

Dimmitt's city commission agreed at its Monday night meeting to purchase new equipment for city services.

Ned Smith, director of public works, was granted permission to purchase a patch roller for use in repairing chugholes in city streets. Money has been budgeted to cover the cost.

Police Chief Alan Newman requested that the commission purchase five or six used automobiles from the State of Texas for use as police cars. These are one-year-old cars which the state overhauls, repaints and sells to municipalities for about \$2,000 each.

Newman said that if each policeman had his own car the vehicles would be better maintained and cared for, since it would become a matter of pride for each man to keep his car in good condition.

The commissioners agreed to purchase three of these cars—which would provide each policeman an individual car—and see how they work out before deciding whether or not to purchase any more.

In addition to the cost of approximately \$2,000 per car, it will cost almost \$3,000 per car to equip them with lights, radios and emergency equipment, Newman said, but this cost would still be less than purchasing two new police cars, which the budget had provided.

Newman also reported that, at the request of the city commission, he had informed the palm reader on West Bedford that she was violating the zoning ordinances. He said she has now moved away.

City Manager Garnett Hol-

WHO, US?—These horses and hundreds of their pen-mates who live just outside the city along South Street are the subject of a protest movement by nearby Dimmitt residents who complain that the odor and flies from the three-block-long animal-pen complex is causing a public nuisance. Roofs in background show how close the animal pens are to some

of the homes inside the south city limits. But the city commission said it has no jurisdiction over the pens, and suggested the residents take their protests to the county commissioners' court. In addition to horses, the pens contain hogs, dogs, chickens, dairy cows and beef calves.

South Dimmitt residents renew complaints on pens

Another large delegation of South Dimmitt residents protested to the city commission Monday night about the animal pens along South Street.

The residents said they "don't want to make anybody mad," but that the odor and insects from the pens are creating an intolerable situation for those living in that area.

Most of the pens, which cover an area about three city blocks long and half a block deep, are old and many of the barns are ramshackle. They're used to keep horses, hogs, chickens, milk cows and beef calves.

Uncut weeds are also adding to the fly and mosquito problem. "There are weeds there taller than me," reported one resident.

Since the pens are not within the city limits, the commissioners reiterated that they could take no action unless the property owners who are under attack asked to be annexed to the city. One property owner has indicated that he would have no objection to

annexation, but another was adamantly opposed. City Attorney Jack Edwards recommended to the protesting citizens that they consult with the Castro County Commissioners' Court,

since the county has legal jurisdiction over the land in question. There is a possibility that the pens could be declared a health hazard by the county health officer, he said.

Cats, Horns face rugged contests

Dimmitt will host Tulia, Hart will host Silverton and Nazareth will travel to Canyon in varsity football action Friday night. Kickoff time for all three games is 8 o'clock.

Dimmitt's Bobcats would like nothing better than to get on the winning track with a Homecoming victory over the visiting Tulia Hornets.

The Hornets may not be as potent as the Floydadas, Slavons and Tahokas that have outscored the Bobcats by 96-31 in their first three outings. Still, Coach Bill Martin's Hornets have a respectable 2-2 mark, with victories over Friona and Spearman and losses to Canyon and Muleshoe, and they're considered a contender in District 4-AA.

Tulia's main strength is its experience. Three of the Hornets' backs were starters last year, and its line—headed by

To be eligible for a Presidential Scholarship at McMurry a student must graduate in the top quarter of his high school class.

Student nurse capped at WT

Cheryl Sammann of Dimmitt received her nursing cap in the traditional recognition Friday, Sept. 21, in convocation ceremonies at West Texas State University.

Awarding of caps to the nursing students is to recognize the completion of the first level of nursing school.

Miss Sammann is the daughter of Mr. and Mrs. Ernest Sammann.

Country Club to hold dance Friday night

While Dimmitt students are enjoying their Spirit Week Dance Friday night at school, another dance for their elders will be underway at the Castro County Country Club.

Tiny Lynn and His Band will provide live music for the Country Club Homecoming Dance Friday night from 9 to 1. The dance is open to all Country Club members and guests. Admission is \$10 per couple.

Funeral held for Tulia man

Funeral services for Claude D. "Dude" Westfall, 69, of Tulia, were scheduled for Wednesday afternoon in a Tulia funeral home chapel with burial following in Rose Hill Cemetery.

Mr. Westfall and members of his family were well known in Dimmitt. He died Saturday in the Veterans Hospital at Amarillo. He moved to Tulia from Coleman County in 1932 and married Ethel Timmons at El Paso in 1951.

Survivors include two stepdaughters, Ann Cook of Amarillo and Dee Yates of Arlington; three stepsons, Billy Timmons of Canyon, Ted Timmons of Jonesboro and James Timmons of Freeport, Ill.

Hart man's relative dies

Funeral services for Vern Evans, 57, stepfather of Houston Hamby of Hart will be held today (Thursday) at Calvary Baptist Church in Plainview with Rev. M. V. Davis, pastor, officiating. Military graveside services will follow in Plainview Cemetery.

Mr. Evans died Tuesday at his home. He was a native of Elk City, Okla. and a World War II veteran. He had lived in Amarillo before moving to Plainview in 1971.

He is survived by his wife, two daughters, a stepdaughter, three sons, the stepson and five grandchildren.

County unit of TSTA begins year

Castro County unit of the Texas State Teachers Association held its first meeting of the 1979-80 school year in Dimmitt Tuesday night.

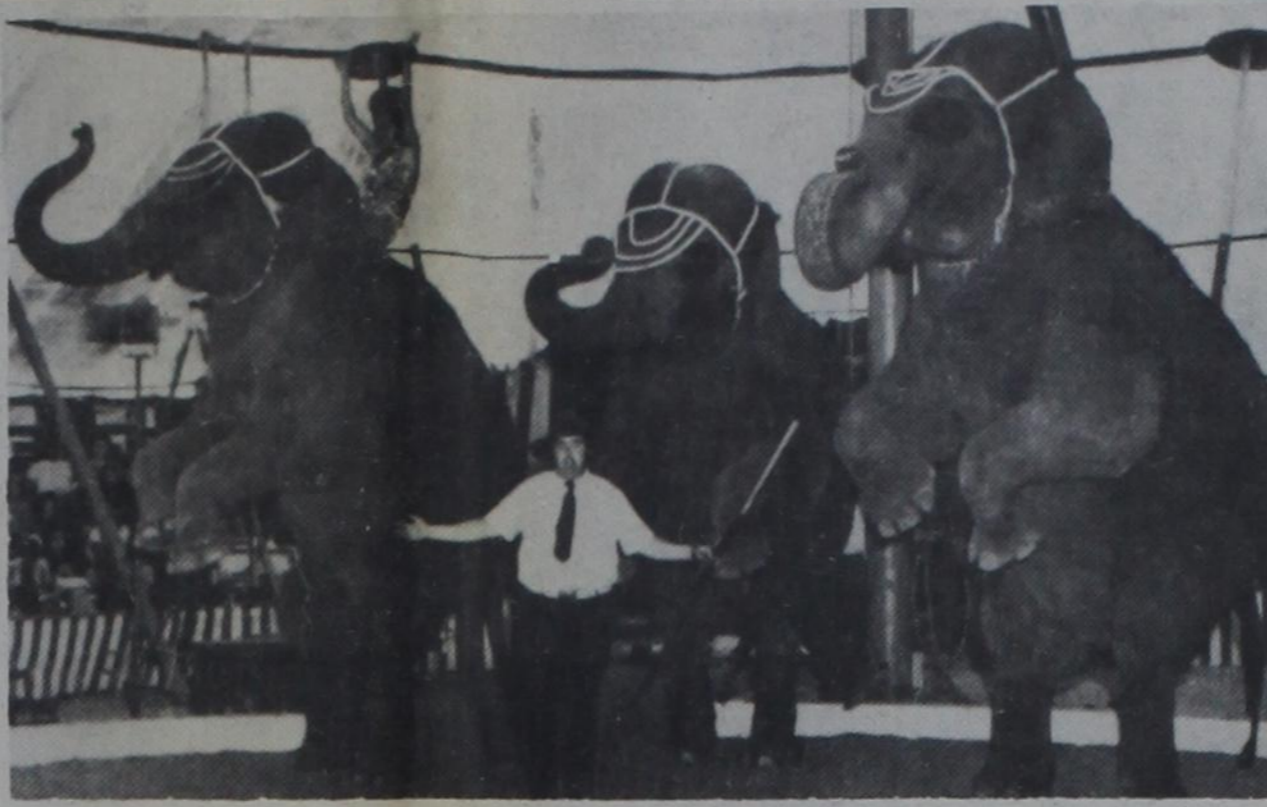

Speakers for the program were Jeanne Moseley, president-elect of District XVI of TSTA, and Ken Kemberlin, representing the National Education Association. Pat Dawson, president of the Castro County unit and a teacher in Nazareth High School, presided.

Members provided a potluck meal for the meeting. Reports were given from a district TSTA workshop held in Amarillo Sept. 18, when the local unit was represented by the president; Ruth Cochran, treasurer; Sister Adrian, secretary, and Maxine Myers, faculty representative.

District XVI officers and committee chairmen directed workshop training sessions for local members on extending TSTA services to the general membership and getting program suggestions from the members.

The district president, Treasure Brasher of Canyon, presided at the dinner meeting. Virginia Stacey of Lackland School near San Antonio, immediate past president of TSTA, was present.

Subjects for critical issues discussions included "Implementing Teacher Rights," "Needed Legislation" and "Activities and Functions of TSTA and NEA."

CIRCUS IS IN TOWN—Capt. Bobby Gibbs, Circus Genoa's head animal trainer, poses with one of the show's three herds of performing elephants. Circus Genoa, billed as "America's second-largest three-ring tent circus," is performing through tonight [Thursday] at Northeast Second and East Etter.

Conservation district directors in meeting

James Wilhelm and Dale Winders, directors of the Running Water Soil and Water Conservation District, are in El Paso this week attending the 39th annual state meeting of Texas Soil and Water Conservation District directors.

Others attending from the Running Water district are Mrs. Winders, Mrs. Wilhelm, Mr. and Mrs. Leo Ehly, Mr. and Mrs. N. A. Bryson.

The meeting, which is scheduled to close today (Thursday) is "Challenge of the 80's." The directors are reviewing developments affecting Texas conservation programs and planning future district programs. Election of three state directors and four alternates for the Association of Texas Soil and Water Conservation Districts was scheduled for Wednesday, and a new state president and vice-president are to be chosen Thursday.

Principal speakers are Neil Sampson of Washington, D.C., executive vice-president of the National Association of Conservation Districts; State Senator Grant Jones of Abilene and John Henry Faulk of Madisonville, humorist and political commentator.

National and regional executives of conservation associations are among the speakers and visitors to the state meeting.

DR. Robert B. Schwartz Jr. has been named economist in dairy marketing with the Texas Agricultural Extension Service. Schwartz will be responsible for developing educational programs to support the state's \$1 billion dairying industry.

letter to the editor Midland man suggests questionnaire rigged

Dear Editor:

Congressman Hance is attempting the impossible! Can he do it?

Let me explain. Castro County News readers recently received Congressman Hance's 1979 Questionnaire.

His question on gas rationing appears to be rigged to deliver a big present to Jimmy Carter—the power to invoke gas rationing.

Can you be persuaded to vote for gas rationing? Here's the question:

"GAS RATIONING — pass a law allowing the President to invoke gas rationing if it becomes necessary?" Yes or No.

Just think, "if it becomes necessary?" Could you vote against anything if it becomes necessary? Of course not. Everybody votes yes.

So, although we are acutely aware that government intervention in the market place in the form of mandatory allocations created tremendous gas lines this spring—and that more regulations, like gas rationing, would make life even more difficult for Americans who are dependent on their automobiles—still, if it is "necessary," we vote reluctantly for it.

Congressman Hance doesn't offer us the real choices:

1. Shall Congress continue to pass complicated laws and regulations to tangle every citizen in more red tape, ration coupons, and long lines, OR
2. Shall the Congress adopt a reasonable program to open up the vast resources of oil, gas, and coal that lie on federal land and adopt a program of paying a premium price for domestic oil instead of for OPEC oil?

This is the real question. Will Congressman Hance claim that we support gas rationing by referring to the results of this question? Perhaps.

Perhaps I have made a mountain out of a molehill. The wording of the questionnaire may be due merely to carelessness.

But I expect my congressman to take every care to clarify this important question—not muddle it up with a careless questionnaire to every voter. Or worse—a rigged question that can be used to claim that West Texans support gas rationing "if necessary."

ROBERT G. VOLKMANN
Midland
(Editor's Note: Come on, now—what would Hance have

to gain by rigging a questionnaire, except possible defeat in the next election? If you think his questionnaire was something other than an honest effort to learn the preferences of the people he represents, then we disagree with you. As to his wording on the gas-rationing question, we assume he used the word "necessary" in its absolute sense; and we hire, elect and pay people to keep up with gas supply and usage, and to know when the word "necessary" would apply. As to your alternative questions, they aren't questions at all, but statements. Questionnaires must be worded economically, their results must be interpreted within an elastic framework, and they're seldom definitive. We're confident that Hance and his staff realize this.)

Fair awards are won by Dimmitt girl

Jerri Ka Clark took the reserve champion award for her yearling ewes at the open sheep show—Southdown division—at the recent Panhandle-South Plains Fair at Lubbock. Miss Clark also received the herdsman award.

In the market lamb show she took first place in lightweight Hampshire.

Other awards received were third place for yearling rams, fifth place for ram lambs, first, fifth and sixth for yearling ewes, second, third and eighth for ewe lambs, second for pair of yearling ewes, second for pair of ewe lambs, and third for flock.

Miss Clark is the daughter of Mr. and Mrs. Jackie Clark. She is an FFA member at Dimmitt High School.

Driver cited after crash on highway

A citation for a traffic violation was issued after a two-vehicle collision on US 385 just north of Dimmitt Monday morning, which damaged both vehicles and caused injuries to two persons.

State Trooper Rick Bentley reported that a 1978 Chevrolet Suburban driven by Leland Shelton of Hereford, heading south on US 385, was in collision with a 1969 GMC truck driven by Rene Gil of Dimmitt, coming toward the west onto the highway from a county road, about 7 a.m.

The truck ran a stop sign, proceeded onto the highway and was struck by the Shelton vehicle, Bentley said. Heavy damage to the front of the Chevrolet and moderate damage to the right side of the truck resulted. Gil was cited for failure to observe a stop sign.

Shelton and a passenger in his car, John Robinson of Hereford, were taken to Plains Memorial Hospital. Robinson was treated and released, Shelton examined and released. Both suffered cuts and bruises.

September Tops honors cited

Monthly awards in the Dimmitt Tops Club were announced at a meeting Monday in Rhoads Memorial Library. Kops of the Month was Vivian Pigg, who kept her weight at a planned level during September.

Tops of the Month was Oleta Raper with a 7 pound loss, and Male Tops of the Month was James Slough, who lost 4 pounds, 12 ounces. Nelle Newton was named Angel of the Month for her encouragement to other members. Total weight loss of 22 pounds, 4 ounces was reported for the month.

For the past week P.O. Goodwin was Kops of the Week and Karon Moss Tops of the Week with a 6 pound loss. For the 23 members who weighed in Monday, a 13 pound, 12 ounce loss for the week was recorded.

Mrs. Raper, club leader, announced a meeting of officers and committee chairmen for the coming Area Recognition Day, at the home of Oleta Schumacher Tuesday evening. Plans for hosting the ARD here next month were discussed.

Every so often, I like to mention off-beat things I notice. Since Dimmitt is far away from larger stores we hardly see some things which come out that are out of the ordinary. The out-of-the-ordinary thing I would like to mention today is the work of David Munrow and the Early Music Consort.

In the early 1970's a young Englishman produced and directed a record that awakened the interest of critics everywhere. The record was called "The Art of the Recorder" by David Munrow and the Early Music Consort. This album was quickly followed by several others in quick succession.

The record came about through a series of fortunate

events which began when David Munrow, the student, fell into playing around with a crumhorn, an early day (medieval) trumpet. Young David became interested in this and other medieval instruments like the recorder, the naker, the shawn, and half a dozen other weird-sounding objects. After David went to South America, he tried using musical techniques he learned from primitive Indian musicians on his early European instruments and came to the conclusion that medieval and Renaissance music could be fresh and enjoyable—far different from the stodgy academic music played by other musicologists.

The effect on the public was immediate. Charmed by the sweetness and novelty of the music, David Munrow and a group of his fellow musicians became extremely popular at plays, concerts and on television.

During this time, David Munrow also produced a television show about music for children and somehow managed to turn out a thick book on the study of early European instruments and how they were played.

Always David Munrow was on the move. His comrades remember that he was always in a terrible hurry—and it was for good reason. For in 1975, David Munrow died at the age of 35.

He left behind dozens of the best medieval music recordings, excellent scholarship, over six hundred editions of a winning children's show on the BBC and hundreds of performances which delighted audiences everywhere—and all of this in a career that lasted just over one thousand days.

Pheasant hunting prospects are reviewed for Kiwanians

Pheasant hunting prospects for the season which opens Dec. 1 were reviewed for the Dimmitt Kiwanis Club Monday by Game Warden Chuck Cosper, along with some humorous tales of hunters and wardens.

Cosper, who has headquarters in Hereford and enforces hunting regulations in this area, was introduced as guest speaker at the Kiwanis luncheon after members had discussed plans for their annual project of a pheasant hunters breakfast Dec. 1, and sale of hunting permits on restricted land in the county where the owners give the club the right to issue permits to hunters for a fee.

Requests are coming in already from out-of-county hunters who were here last year, Gene King, club president, reported, and the permit fee has been set at \$50 this year.

Changes in laws concerning pheasant hunting, starting with a longer season this year, were detailed by Cosper. He said the season of 30 days instead of 16 days as in past years was opposed by most landowners and state game wardens but was approved because biologists reported the pheasant population up this year.

Despite an extreme cold winter and summer hailstorms this year, the pheasant population is larger in Castro and surrounding counties, the warden said, adding, "Those pheasants are tough birds and can survive a lot of weather."

Another new regulation forbids dragging chains across

fields by vehicles, to flush the birds for hunters, Cosper said. He reminded Kiwanians that hunting licenses are on sale in Castro County only at the county clerk's office and by Coy Ringwald at Nazareth, and are required for hunters.

He reported that "We're already picking up some pheasant hunters, this far ahead of the season. A couple from New Mexico were arrested lately near Friona, and their bids cost them \$500 in fines."

Cosper said the Kiwanis project of permit sales is a help to game wardens in supervising the rush of hunters, and was well-conducted last year. "I didn't hear any complaints at all about it," he said in answer to King's question.

Kiwanians will not meet for lunch next week, but will have their annual installation banquet at 8 p.m. Oct. 11 in Richardson Elementary cafeteria. New officers headed by Bob Murdock as president will be installed.

In addition to the speaker, guests were Deidre Craig, Dawn McRee and Tanya Fry of the Dimmitt High School Key Club.

Police calls

Police investigated a theft at Dimmitt Middle School last Tuesday involving a stolen bicycle. The bicycle was valued at \$160 and belongs to Richie Behrends. It is a brown Schwinn-Mag Wheel "Scrambler," the four spoke nylon wheels are bright yellow in color and the bicycle has no kick stand, police said.

A 1975 Chevrolet belonging to Bob Vilas was vandalized last Friday. The vehicle was written on with shoe polish, damage was estimated at \$250.

Ramon Mendoza told police that a large red welder valued at \$400 was taken from a small building that he was renting behind 307 Northeast Sixth St. last Wednesday. The case is still under investigation.

Wannie Stevens told police that while she was on her lunch break \$35 in cash was taken from her purse at the Castro County Community Action Center. The purse was located near her desk at the time the theft occurred.

A 1973 Chevrolet Vega was found 1 1/2 miles west of Dimmitt on FM 2392 after it had been taken from the Colonial Inn last Sunday. The vehicle incurred \$400 in damage.

Traffic accidents during the week resulted in the drivers being charged with two failures to control speed, two driving without a license and one permitting an unlicensed operator to drive.

Police also investigated several disorderly conduct and several drunkenness charges.

"THREE—WHO'LL MAKE IT FOUR?" calls auctioneer Dick Ratjen [right] at the old-fashioned yard auction at the John Hutchison home in Dimmitt Saturday. Antiques, tools, fresh fruit and vegetables, household items, shop equipment and miscellaneous goods went on the block during the auction, with buyers from Castro, Deaf Smith and Hale Counties bidding.

NHS elects officers for year

Officers were elected for the National Honor Society of Dimmitt High School at its first meeting of the 1979-80 school year.

Those elected were: President, Debbie Dobbs; vice-president, KaKa Bruegel; secretary, Lori Dyer; reporter, Sharla Street and treasurer, Laine Snider. The club's sponsor is Avis Smith.

Christmas greenery sales will be conducted in the near

future as a fund-raising project of the NHS, members decided.

EFFECTIVE listening is difficult because a person's mind is occupied with other things. One listens with only about 25 percent effectiveness. To be a more effective listener, be interested in the speaker and what is being said, listen to learn and extract the main idea.
