TOWN TALK

NEWS * NOTES * BRIEFS

H. V. O'Brien, editor of the Eastland Telegram, reports that the Lions Club of the county seat took a "straw poll" on the presidential situation during their Tuesday noon luncheon and meeting. The results: President Lyndon Johnson 14, Senator Barry Goldwater 8, Gov. George Wallace 1 and George Parr 1.

"I CANNOT explain why, but there was some mystical charm possessed by the old Ranger derrick," says Mrs. Ethel Brookes Gilmore.

"People speak of it with a type of love given to some object that they have known and lost and they long to see a replica which will again represent the Ranger of the flowing black gold era.

"They, the people," Mrs. Gilmore continues, "want it close to where it once stood so that all passers by may see it and they can look on it as a shining symbol of hope for the Ranger of the future.

"I talked to many," Mrs. Gilmore said Friday, "and all wanted a derrick again because it was and will be a landmark known far and wide."

Mrs. Gilmore said one business man this week said he'd "donate \$25 or \$30" to a fund to erect another derrick in downtown Ranger.

Individuals interested in the project, she said, include Mrs. H. G. Adams Sr., Mrs. Kenneth Jameson, Floyd Killingsworth, Mrs. Joiner, Zora Lee Hughes, Rip Galloway, Postmaster Max Ohr, Dr. Luther Gohlke, T. L. Browning, L. H. Browning, Betty Monroe, everybody at the Commercial State Bank, Marjorie Maddocks and associates, Sam Seay, Eva Pressler, Buddy Vinson, Curtis Blackwell, Charlie Arnett and others.

MANY HAPPY RETURNS to the following Rangerites who'll be celebrating birthdays during the coming week:

- Sunday — Mrs. Margerite Heard, Denny Ewing, Joe Pete Miller.
- Monday — Cindy Clark, Ricky Nowak, Paul Arterburn, Mrs. Winifred Miller, Mark Bethany.
- Tuesday — Barbara Ann Ford.
- Wednesday — James Lyle Green, Mrs. W. A. Lewis.
- Thursday — Mrs. W. O. Cantwell, Joel Jimenez, Kenneth Twyman, Joanne Hamilton, Dr. W. P. Watkins, H. C. Pounds.
- Friday — O. J. Caraway Jr., Lillie Anderson, Wayne Bell.
- Saturday — Kenney Bounds, Jerry Watson, Addie Joe Williams.

WELCOME RAINS drenched Ranger early Saturday. The badly needed downpours began at 3 a.m. At 8 a.m. The Times gauge held 1.3 inch of the precious liquid. . . Bob Patterson, chief of police out at Monahans, dropped by The Times Friday afternoon en route to College Station to attend a short course — Sunday through Thursday — at Texas A&M University. It's for law enforcement officers and this year's session will stress public relations and juvenile delinquency. The Monahans chief, once boss of the Ranger Police Department, has a staff of 10. . . Mrs. Claudia Alexander recently enjoyed a week's visit with her daughter, Mrs. Joy McKenney, and her two grandchildren, Cheryl Ann and Jimmy McKenney, out in Lovington, N. M. And now Mrs. McKenney and her daughter and son are here in Ranger on a reciprocal visit. The McKenneys will return to New Mexico Tuesday. . . Gerald Williams, head football coach and athletic director of Ranger Junior College, says football. (Continued on Page Two)

TEST for fun
Summoned to the business office, the salesman was told, "This expense account amazes us. How do you manage to spend \$14 a day for food?"
"I manage," came the reply, "by skipping breakfast."

RANGER TIMES

Volume 43 Price 10 Cents RANGER, TEXAS, SUNDAY, AUGUST 16, 1964 NUMBER 101

RHS GRID BRAIN TRUST — Guiding the Ranger High Bulldogs pigskin squad this fall will be Coach Jack Duvall, center, head coach, and assistants Jerry Trice, right, and Leroy Duke, left. The trio begin grueling pre-season training sessions Monday.

RHS Grid Workouts Open Monday; Over 40 Due To Report

Action at the Ranger High School grid war camp gets under way Monday morning.

Beginning at 8 a.m. sharp, Coach Jack Duvall and his aides will begin issuing equipment to 42 or more candidates for starting berths on the 1964 RHS Bulldog grid juggernaut.

Tuesday morning at 6:30, the Maroon & White charges will report for the first of two weeks of rigorous two-a-day drills. Evening sessions kick-off at 6:30 p.m. During that time Duvall will be whipping into top fettle and physical shape the spirited lads who'll be gunning with fervor and determination to capture the 10-A title and any and all other honors that may come within grasp.

Duvall's '64 machine will be built around a nucleus of 10 returning lettermen:

- Johnny McGee, 185, junior, quarterback, veteran of two RHS pigskin campaigns.
- Ray Newnham, 170, senior, fullback, a three-year letterman.
- Lee Ausburne, 145, senior, halfback, two-year letterman.
- L. H. Pounds, 160, senior, halfback, two-year letterman.
- Alberine Garcia, 155, junior, guard, one-year letterman.
- Alec Garcia, 175, senior, guard, two-year letterman.
- Bill Robinson, 195, sophomore, tackle, one-year letterman.
- Jesse Renteria, 150, senior, end, three-year letterman.
- Walter Jacoby, 140, junior, end, one-year letterman.
- David Dunson, 145, junior, guard, one-year letterman.

The 1964 Bulldogs will run off the slot-T. And there'll be additional Duvall-created innovations. The RHS mentor posted a 6 won-4 lost record during the '63 campaign. He is ardent in his interest in coaching as a career, and this will be his second season as top boss of a 1A cleats and moleskin crew. He came to Ranger from Weatherford where he served as an assistant coach.

Duvall's new forward wall will average between 160 and 165 pounds. Material for the line likely will be plentiful. One major problem will be a replacement for letterman-center Terry Sutton, who recently moved from Ranger with his parents.

Smooth ball-handler and flinger Johnny McGee, one of the 10 returning lettermen, will have first bid for the quarterback position, and Ray Newnham, game, hard-driving fullback, probably will be the kingpins in the Maroon & White secondary. Newnham also is the squad's outstanding punter.

Lee Ausburne, who scamps the 100 in about 10.3, and L. H. Pounds, both vets of '63, likely will be starting in the halfback slots.

With a 6-4 record a year ago, Duvall's talent fared well in district ratings. McGee, Newnham and Jesse Renteria, all lettermen, were plugged for District 10-A honors.

Working intently with Duvall in his bid to build a winning

gridiron crew in the weeks to come is Jerry Trice, expert on stats and analysis, who is currently spending most of his time viewing 16-mm. movie film and indexing offensive and defensive strategies of Ranger High's foes-to-come.

Trice is tabbed as the RHS line coach. He'll also mentor the junior high ball club. He played football at McMurry College, Abilene.

Third member of the RHS staff is volunteer Leroy Duke, classroom teacher, who played freshman ball at Hardin-Simmons University, Abilene, prior to entering the U.S. armed forces.

In addition to the 10 returning lettermen, the following squadmen are due to answer Coach Duvall's call for action Monday morning:

- Jerry Watson, 160, Richard Lebrede, 130, David Speer, 170, Phil Brown, 130 and Larry Blackwell, 175, all sophomores; Leroy Pearson, 160,

- Jack Watson, 200, and Mike Landtroop, 155, all juniors; and Larry Herrington, 140, and Jerry Warden, 150, seniors.

Brand new recruits who'll be reporting Monday morning at 8 a.m. are Benny Harris, 150 Milton Kennedy, 190, Wayne Hale, 210, and Wayne Boone, 155, seniors; Larry Monroe, 175, Don Buntun, 175, David Mehaffey, 160, and Willie Cantwell, 155, juniors, and Billy Gideon, 130, and Dwight Dunn, 120, sophomores.

Thirteen promising freshmen also will be suiting out for Duvall's rugged two-a-day workout sessions:

- Randall Mehaffey, 140; Randall Rogers, 95; Andy Hamilton, 160; Rickey Squires, 120; Jim Tom Garrett, 130; Preston Sunday, 185; John Stokes, 170; Steve Thomas, 115; Marvin May, 160; Charlie Orms, 170; Glenn Wilson, 95; Terry Brown, 135, and Polo Hernandez, 120.

Ranger Coaches' Wives Watch Games In Same Spirit As Other Fans

By JANICE WATSON
As football season approaches many of us begin to think of attending the games and rooting for our favorite team. And, we have mixed emotions when we look ahead at the chances of victory or defeat.

But have you ever wondered how it would feel if you had more than a fan's interest in the outcome, how it would be if your job depended on the performance of those players on the gridiron? Certainly it would be exciting. But this excitement and apprehension is an accepted way of life for the coaches — and for their wives.

These "First Ladies of Football" are accustomed to the excitement of a close, well-fought battle, the joy of victory, and, yes, even the sorrow of defeat. They are elated when they hear praise of their husbands' coaching, also are disappointed when the praise becomes criticism. But it is a wonderful way of life — and their reactions show it.

When asked how it feels to be a coach's wife Mrs. Jack Duvall, mate of Ranger High's head coach, answered, "It's real exciting during football season but I don't like being a coach's widow."

"It's exciting — certainly different," says Mrs. Gerald Williams, Ranger Junior College's "First Lady of the Gridiron."

The next time you start to criticize a man's coaching, look behind you first — his wife, might be sitting there. And what would her response to this be?

Mrs. Williams has a deaf ear to criticism; Mrs. Duvall is understanding and has learned to overlook censure;

Chuck Malone New Addition To RJC Faculty

Ranger Junior College has announced the addition of Chuck Malone to the faculty where he will teach in the division of applied science and will be an assistant coach for football and track.

Dr. Theodore Nicksack, Jr., college president, said Malone has been Director of Student Housing, and he and Mrs. Malone will live in an apartment in the new dormitory for men.

He is a graduate of El Dorado, Arkansas High School and attended Little Rock Junior College, where he played football. He has the B.S. and M. Ed. degree from Midwestern University, where he played tackle on the football squad. He was named all-state in Arkansas, while attending high school.

In his special field of line coaching he has coached at Kermit Junior High, Kermit, Texas, West High School in West, Channelview High and Killeen High.

His civic memberships include Junior Chamber of Commerce and Rotary Club.

Jaycees Aid Youth Center, Make Repairs

Teen Town was the major topic for discussion at the Thursday morning breakfast meeting of the Ranger Junior Chamber of Commerce.

Doyle Gentry, president, presided after having returned from a vacation trip.

The Jaycees were scheduled to begin doing repair work on the Ranger youth center Saturday.

Also discussed during the meeting held at Porky Pig was a coming party for the Jaycees and their wives. The date has been tentatively set for Saturday, Sept. 12. The affair probably will be held at the Lake Leon Country Club.

Plan To Call Quarterback Club Meeting

A meeting of the Ranger Quarterback Club will be called in a few days, according to Leonard Pounds.

The Quarterback group is comprised of players' parents and fans supporting the Ranger High Bulldogs' grid squad.

J. D. Drennan is vice president, and Mrs. Frances Cox is treasurer.

Sight-Saving Month Campaign Is Planned

HOUSTON — State Senator Criss Cole of Houston will serve as chairman of the September "Sight-Saving Month" Campaign conducted by the Texas Society for the Prevention of Blindness.

"More than 400,000 Americans have already lost their sight forever," Sen. Cole said. "Adding to this tragic loss is the realization that half of all blindness is preventable. Not just by wonder cures or drugs, but just by the application of sight-saving knowledge we already possess."

Noted cartoonist and film producer Walt Disney is sight-saving chairman of the National Society for the Prevention of Blindness, of which the Texas Society is an affiliate.

Vet Employee Back At RPD

New member of the Ranger Police Dept. is Charles D. Robinson.

He is employed as radio operator and is one of the city's veteran police department employees. Robinson formerly was employed by former Chief W. G. Pounds.

Cattle Grazing Soil Bank Land As Emergency Program Begins

Drought-plagued livestock in Eastland County began grazing soil-banked acreage late this week in a U.S.D.A.-approved emergency measure to help farmers and ranchers during the dry spell.

The Agriculture Stabilization Conservation office at the courthouse was literally swamped all day Friday, and Office Manager Gilbert Meredith reported that the staff accepted applications as quickly as possible, and began granting approvals about 2 p.m. as land-owners signed statements to follow the rules of the program and payed the office for the right to graze the land.

Gorman Liquor Vote Petition Is Issued

Sept. 19 is guessed to be the most-likely date for a wet election in Gorman with spokesmen from that town indicating that "they don't expect much trouble in getting their petitions signed."

The completed petitions probably will be presented to the county commissioners court Monday, Aug. 24, and that body must call the election in not less than 20 days and not more than 30, if the petitions are found to be in order.

An application for petition to legalize sale of all alcoholic beverages for off-premises consumption in Gorman was filed Wednesday with Eastland County Clerk Johnson Smith by a delegation of Gorman residents.

The application bore 12 names, and only 10 were required. It was signed by some of the leading citizens of the community. The petition was issued at 4 p.m. Wednesday.

Approximately 136 signatures will be required on the petition, which is 25 per cent of the qualified voters in the county precinct in which Gorman is located. The election is for the city limits of Gorman only.

A 30-day period is allowed

Scouts Report To Rotary Club On Recent Trip

Scoutmaster Fred Bennett of Troop 10 and four scouts — Gary Don Bennett, James Radloff, Tommy Brasher and James Dixon — presented the program at the weekly luncheon and meeting of Ranger Rotary Club Thursday at noon at Porky Pig.

The scouts, accompanied by Bennett, attended the national Boy Scout jamboree at Valley Forge, Pa., recently and also visited Washington, D. C., New York and other points of interest.

Dr. John Foster, vice president of the civic group, presided in the absence of President Bill Collings who is on vacation.

Visitors present include Mr. and Mrs. Briggs Todd of Dallas, E. W. Mince of Cisco, I. L. Bradley of Cisco, Tom Wilson of Eastland, Frank Sayre of Eastland, and Grover C. McGown of Ranger.

SBA Man To Confer With Area Firms

BROWNWOOD — A field representative of the Small Business Administration's Dallas Branch Office will visit the Brownwood Chamber of Commerce Office, Wednesday, August 19, 1964, from 9:00 a.m. to 5:00 p.m.

Any small businessman interested in obtaining information about SBA's business loans or other services may call for an appointment at MI-5-2646 or contact the SBA Field Representative on August 19, 1964, at the Brownwood Chamber of Commerce Office, 201 North Fisk Street, Brownwood, Texas.

The U.S.D.A. has already paid the landowners for "laying the land by" and now, with scarcely little rain this summer, the owners are turning to the "saved" grassed lands for emergency help to keep stock fed.

It's costing the landowners a minimum of \$1 an acre per month for land with poor cover. And \$1.25 an acre per month for fair cover and \$1.50 for good cover. The ASCS office has records of the type of cover, and field men will begin Monday making spot checks of the participating

Firemen Halt Two Grass Fires

Two grass fires broke out Tuesday afternoon and were extinguished by Ranger Volunteer Fire Dept.

The first blaze, at Browder Service Station, Highway 80 east, was reported at 3:12 p.m.

At 4:45 p.m. firemen were summoned to snuff out a grass fire along the right-of-way of the Texas & Pacific Railway west of Ranger near the Lone Star plant.

RETURN HOME

Mrs. Helen Julius has returned to Ranger after a month's visit with her daughter and family, Mr. and Mrs. Lyman Cauvel of Tampa, Fla. Mrs. Cauvel is the former Martha Bell Julius of Ranger.

RJC Band Training To Get Under Way Sept. 6; 24 New Freshmen Due

"Basic training" for members of the Ranger Junior College Band will begin Sunday, September 6. All band students living in the dormitories will report at this time. The first meeting will be held on Sunday night with actual training starting on Monday morning.

The 1964-65 RJC band will make its first appearance in Roswell, N. M., on Saturday, September 19, when the Rangers' grid team meets the New Mexico Military Institute.

The band will accompany the football team on all season trips and will perform at all home games.

In addition to half-time shows in football season the band also makes an annual Spring tour, playing in schools all over the state.

Roger C. Martin is director of bands at RJC. Officers for the coming year are president, Dale Wibbert of Del Rio; vice-president, Bobby Owen, Ranger; secretary-treasurer, Jane Spears of Clyde; sophomore representative, T. C. Collier, Fort Worth; drum major, Barry Martin of Houston; and student assistant, William Clinton, Houston. The freshman representative will be elected after summer training begins.

Featured twirlers for the Ranger band will be Jane Spears, a sophomore from Clyde, and Anna Adams, freshman, of Hamlin.

There will be 24 freshmen band members representing twelve Texas high schools.

Fort Worth sends the largest number of "fish" with nine

students. Houston is next with five, followed by Graham with three, Hamlin and Del Rio with two each, and Eastland, Corpus Christi, and Ranger with one.

Musicians from Fort Worth are Billy Wheeler, Dave Braswell, Louis Barkholt, Danny Dickey, Charles Underwood and Jeff Richards all of Polytechnic High School; Calvin Young, Carter — Riverside; Kenneth Wood, North Side; and Nancy Isel, Mansfield High.

Houston sends Mike Schult, John Pearce, Harvie Chaney and Gary Davis from Smiley High School and Roy Mize from Furr High School.

Graham is represented by Sharon Dye, James Dye and David Norman.

Hutch Holland and Anna Adams are graduates of Hamlin High School.

Freshmen from Del Rio are Carl Fricke and Mike Deaton. Eastland sends Janice Watson; Corpus Christi, Eusebio Jasso; and Ranger, Peggy Neely.

Lions Speaker Fails To Show Thursday Noon

Jack Duvall, mighty busy this week getting ready to start his Ranger High School grid drills next Monday, forgot an engagement he had for Thursday.

Thursday at noon, as a matter of fact, when he was scheduled to talk to the Ranger Lions Club — and about football, no doubt.

As a result, Stanley Owen, local druggist who was program chairman for the Wednesday noon luncheon and meeting at Porky Pig, had a crimson countenance.

No business came before the group. Charles Arnett, president, presided.

RPD Reports Only 2 Arrests

Only two arrests were reported this week by the Ranger Police Dept.

Tuesday a local man was jailed, charged with drunkenness. He later was released upon payment of a fine.

And Thursday officers picked up another Ranger man who was creating a disturbance at a residence.

RANGER JUNIOR COLLEGE had its greatest grid season back in the autumn of 1959. That year, the Purple & White Rangers were tutored by Jim Puryear, and played a ruzged 12-game schedule. They opened against Paris Junior College grinding out an impressive 28-0 win and triumphantly wound up their three-month pigskin campaign with a 49-31 victory over Monterrey Tech, down in Mexico.

At the start of the season, Ranger was ranked No. 9 of the 15 top junior college grid powers in the South. And the Purple & Whites dualed with 5 of the teams on that list. They wound up their grid combat with a record of eight wins and four losses.

The Rangers were smashed by Cameron Junior College Aggies, up in Soonerland, 27-7, three weeks later they were stabled by Texarkana Junior College, 25-6, two weeks later they were jarred 29-6 by Navarro Junior College and a week later were upset by Henderson County Junior College, 22-20.

The Rangers' vanquished foes included Austin College "B", Murray State A&M (Okla.), Eastern Oklahoma A&M, Tyler Junior College, Blinn Junior College, Cisco Junior College, Paris and Monterrey.

Oh, well — you can't win 'em all. But probably Gerald Williams & Company will be out there trying this fall.

HERE'S A QUOTE from Benny Butler, editor of The Rising Star Record: The sale of cigars, I am told, is greater than it was a year ago in spite of the U. S. Health Service report that inhaling cigarette smoke is a prime cause of lung cancer. It just goes to show that people are going to do what they want to do regardless of statistical evidence or warnings of peril.

"There is no use in condemning a bad habit," writes a Houston doctor. "There is no use in bringing the facts to bear on it and expect that this alone is going to remove a particularly undesirable habit from the world. We have to begin very early in the education of little children at school, in the education of our youngsters at home if we are going to remove not only the habit of smoking but the bad habits in human relationships, the bad driving habits which kill people on the road, the bad habits between all of us which make life miserable and bitter and so unnecessarily tragic."

Bravo, Doctor! But who is going to teach them?

COUNTY AGENT J. M. Cooner is a carp fisherman from way back in East Texas — the piney woods of the Timpan country that was particularly famous a good many years ago for its corn whiskey.

So he took all of his knowledge of the carp fishing game to Lake Cisco this weekend. Working on a selected spot on the north shore, he was after the big ones. We'll give you a report later in the week on the success of the well planned venture.

Mr. Cooner has a recipe for carp bait that has been handed down through generations of faithful carpers. It is, as you might guess, top secret. We can report, however, that when you get to the point where you roll and knead the mixture, he specifies that it be done "with loving care."

A NOTED PRAYER FOR RAIN

The famous Kansas journalist, William Allen White penned the following prayer for rain during the depression days of 1935.

"O Lord, in Thy mercy grant us rain and by that we don't mean a shower. We want to go out and watch the lightning rip across the southwestern sky in hot blue forks as the fat clouds roll in on us. We want to hurry home to close the house with the first fat drops the size of marbles, on a suddenly rising wind, chasing us and plunking on the car hood. We want to scramble all over the house, just as the first sheets descend, frantically slamming down the windows.

"O Lord of Hosts, we want to look down out of the window and watch regiments of close-packed raindrops march diagonally down. We want to hear the gurgle of the gutters under the eaves, and then the sputter of the downspout.

"God of Israel, Isaac and Jacob, let it come down so hard, let the drops dance so high that the streets and sidewalks seem covered with a six-inch fog of spatter-drops. Then let it just keep up for a while, and then begin to taper off, and then turn right round and get a lot worse, swishing, pounding, splattering, pouring, drenching, the

thunder coming — Crackity-Bam! — and the lightning flashing so fast and furious you can't tell which flash goes with which peal of thunder. So that all the women will get scared and climb on top of the beds and scream at you not to get too close to that window.

"And then, O Jealous God, repeat the whole act about three times, and in the middle of the second time we will climb the attic stairs and put the wash pan under that tiny leak in the roof which usually you can't even notice in an ordinary rain. And after a couple of hours kind of taper it down, O Lord, to a good steady rain — not a drizzle, but a businesslike one that keeps up until just about dawn and then spits a few drops occasionally during the morning from a gray sky.

"Kansas is indeed the Promised Land, O Lord, and if it gets a break it will flow with milk and honey. But we can't live much longer on promises.

"So in Thine own way and in Thine own time, make up Thy mind, O Lord, and we will bow before Thy judgment and praise Thine everlasting name. Amen."

Olden Baptist WMU Holds Meet

The WMU of the Olden Baptist Church met Monday for Royal Service program. "Christ for the Whole Wide World" was led and accompanied by Mrs. Bob Farrell. The call to prayer was by Mrs. Nannie Allmon, using scripture from Roman 1:18-32. She also led the prayer for the missionaries.

Subject of the program was "English-Language Churches Overseas." It was introduced by scripture reading of Matthew 28:16-20, Acts 1:8 and 8:1-4.

Mrs. I. E. Talley spoke concerning the Baptist work in Iceland and how a woman in the service found Southern Baptist there and also about the personnel carrying on the work in Luxembourg and Argentina. A prayer was led for this work.

The topic, "Germany, France and Spain" was taught by Mrs. Farrell, explaining about the hardships overcome by the missionaries, military and business families who assist in foreign churches, led by the Holy Spirit.

In connection with the topic, "Guns and Jansen," Mrs. J. D. Browning told of how her relatives in the military service in Japan had helped build a large church from a small one-room church and how they worked with those who were in the "New Life Movement" last year. In conclusion a prayer was led for work being done in all these foreign countries.

Mrs. Farrell reported that many of our church women had shown interest in forming a night circle. Plans are being made for this. Miss Nannie Allmon led the closing prayer.

Mr. and Mrs. Gailard McGowan recently attended the funeral services of his cousin, Lloyd McGowan, son of Jake McGowan and formerly a resident of this community. While in West Texas they visited Rev. and Mrs. Bob Estes and family at Hedley, Texas. Summer cooking make your kitchen "like an oven"?

Change to cool flameless electric cooking!

Women who cook electrically will tell you that electric cooking makes a big difference in kitchen comfort during hot weather. That's because flameless electric surface cooking units transfer heat by direct metal-to-metal contact with utensil bottoms. They send their heat through the utensils and into the food, not into the kitchen air. Electric oven cooking is cooler, too. There's no flame, so no intake and exhaust of air is needed to support combustion. The oven is insulated all around, including the bottom, to keep heat inside where it belongs. See your electric range dealer soon and start cooking the cool, flameless electric way!

Browsing with Bev

This year has been a good one for beef eaters. The market has been loaded with lots of top quality beef, and it looks like supplies will be plentiful throughout the summer and fall months.

Because of overflowing meat cases and attractive beef prices, more people are buying beef than ever before. And they're asking more questions about how to judge quality, how to cook beef, how to store it.

Here are some of the more frequently asked questions:

Q. When I buy round steak, it is sometimes red only on the outside and grayish brown on the inside. Why is this? Is the meat still good to eat?

A. Beef is always a dark, purplish red when first cut. After it is exposed to air for about 30 minutes, the color pigment becomes oxidized and turns red. This accounts for the red outside and dark inside. Such a condition is perfectly normal.

Q. How can I cook beef to keep shrinkage to a minimum?

A. Cook at low or moderate temperatures 300 degrees F to 350 degrees F for all or most of the cooking time. Don't overcook.

Q. How long can I safely keep beef that has been roasted?

A. Cooked meat and meat dishes will keep its high quality covered or wrapped loosely 1 or 2 days in a household refrigerator if the temperature is 38 to 42 degrees F.

Q. Is all beef Federally inspected?

A. Only that which moves across state lines is required by law to be inspected. This however, totals 80 per cent of all commercially slaughtered beef animals.

Q. What's the difference between inspected and graded beef?

A. Inspection which is mandatory for all meat moving in interstate commerce, is for wholesomeness. Grading is for quality, and this service is voluntary. About 50 per cent of beef is graded.

When buying beef for your family, you should figure about 1/4 pound per serving if there is no bone. If the cut has a little bone (say, it's a rump roast), you'll have to buy about one-third pound for each. Buy about half a pound if there is a medium amount of bone such as in a blade chuck roast.

Frozen beef can be cooked without thawing. Allow about 1-1/2 times the usual cooking time for an unfrozen large roast. Small roasts and steaks require less additional time.

After you've canned, frozen, eaten and given away all of the peaches, nectarines and apricots you can from your backyard tree—and there's still some left—try drying these fruits. Dried fruits will keep a year or so when stored in a cool, dry, dark place.

Here's how to dry these fruits—in your own oven:

Select about 6 pounds fresh, ripe, firm fruit. Wash and drain. Peel if you wish, then cut in halves and remove pits.

To prevent discoloration, soak fruit 15 minutes in a solution of 3 1/2 tablespoons sodium sulfite to 1 gallon of water. A drizzle of sun-dried sodium sulfite. Two other, but less effective, treatments are: (1) To dip fruit in a salt-water bath of 4 to 6 tablespoons salt to 1 gallon of water for about 10 minutes, or (2) precook fruit in steam or boiling water until tender but firm.

Arrange fruit on trays and place in 150 degree F. oven with the bottom tray 3 inches from the oven floor. Do not use top unit in electric oven. Prop open the door of an electric oven 1/4 inch; a gas oven door, 3 inches. (This helps control heat and lets out moist air.)

Alternate trays every 1 or 2 hours. Fruit is dry when pliable and leathery, usually about 6 hours or longer. Pieces around the edges of the tray will dry first. Remove these as soon as they are dry.

Cool and package at once. Pack dried fruit in glass jars, plastic, metal or heavily waxed cardboard frozen food containers. Use a tight fitting lid. Plastic bags that can be heat sealed may also be used. They should then be placed in a rigid container to prevent tearing.

At one time the Alamo was claimed by the City of San Antonio, the Roman Catholic Church and the U. S. Government.

Sermon Topics For Methodist Are Announced

"How to Manage Yourself" will be the title of the Sunday morning sermon to be delivered by Rev. B. L. McCord, pastor, First Methodist Church.

The morning worship rites begin at 10:30 a.m.

At the 7 p.m. services, Rev. McCord's sermon will be entitled "Conquering Our Doubts."

The Chancel Choir, under the direction of Mrs. David D. Pickrell, will sing "How Great Thou Art" by Stewart Hine. Joe Pete Miller will be at the keyboard of the organ.

The public is cordially invited to attend.

Mary Martha Class Has Picnic Supper

CHRISTIAN SCIENCE

Continuing a series of Bible Lessons on names which belong to God, the subject at Christian Science services on Sunday will be "Soul."

The Bible readings will include this verse from Psalms: "Give unto the Lord the glory due unto his name; worship the Lord in the beauty of holiness."

Related readings from the Christian Science textbook will include these lines "Immortality, exempt from age or decay, has a glory of its own—the radiance of Soul... Beauty is a thing of life, which dwells forever in the eternal Mind and reflects the charms of His goodness in expression, form, outline, and color" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 247).

Accent on Health

J. E. PEAUV, M.D., Commissioner of Health

Austin — A blister could well be called the modern version of the mythical Achilles heel.

Much as Achilles — the Greek ideal of youth, strength, beauty, and valor, was fatally wounded by an arrow piercing his vulnerable heel, a tiny blister can spoil a game of golf or tennis or even a whole vacation.

The blister merits closer attention than we usually grant it. And the admonitions which apply to our athletes also are sound tips for the millions of weekend and vacation athletes.

A blister is caused by pressure and friction on a localized area of the skin. Fluid collects between the inner and outer layers of skin. If pressure is continued, it hurts. Even if no infection follows, the pain can cause a limp that isn't much fun for the golfer or hiker, and it can upset the customary grip on a tennis racket, golf club, or canoe paddle.

The best approach to blisters, as to disease, is prevention. Proper fitting shoes are fundamental. There should be room beyond the big toe, room across the top, fitting of the ball of the foot into the widest part of the shoe with no slipping of the heel.

Wearing two pairs of socks, a lightweight pair under sweat socks, is recommended for athletics. Hands can be pro-

ected by taping or by special sports gloves.

A decision on whether or not to puncture a blister is based on location, size, and inflammation. If there are signs of inflammation or irritation, medical attention is indicated. Sometimes it is advisable to puncture a blister before it breaks from friction. Wash the area with soap and water and sterilize with alcohol. The puncture is made with a sharp needle held in a forceps (small pliers) and sterilized in a flame. The puncture is made at the side of the blister and the outer skin layer is left in place as a protective cover.

Attention to cleanliness in dealing with blisters cannot be overstressed. Infected blisters require prompt medical attention, as do the occasional blisters from severe sunburn or other burn causes.

But with proper prevention and forethought you can keep your "Achilles heel" from spoiling your fun or vacation.

Vet's Questions And Answers

Q — May death pension be paid to a widow and minor children of a peacetime veteran who died from causes not connected with his military service?

A — No. If a veteran's total service was all peacetime service, death pension for non-service connected death is not payable to his widow or children.

Q — I am a widow with an infant child. Soon I will marry a disabled veteran who receives maximum pension. How much will his pension increase with two dependents?

A — Assuming the veteran is single now, the maximum pension would be \$85 per month if his income was below \$600 per year. A veteran with two dependents with income below \$1,000 per year would be entitled to \$95 per month.

Q — Under the above circumstances, will the VA pay any medical or dental expenses for my daughter and me? If I should become pregnant, will the VA pay the maternity costs, in part or in full?

A — The VA will not pay any medical or dental expenses for your daughter or you, nor will it pay any maternity costs.

Rising Star News

By Mrs. Lee White

People of the Rising Star-Cross Plains and surrounding communities may have, if a master plan calling for \$60,000 worth of improvements at Lakewood Country Club is carried out, one of the finest and most elaborate facilities for recreation anywhere by next summer.

The \$60,000 project calls for modernizing and enlarging the golf course and modernizing the present water system to allow for irrigating the fairways; a swimming pool with up-dated specifications; boat docks and picnic and playground equipment for the 69 acre park area which adjoins Lake Phil - pe - co, originally built by Phillips Petroleum Company years ago, equal distant from Cross Plains.

A committee from Rising Star and Cross Plains, headed by R. D. (Bob) Needham as chairman, hopes to have an FHA loan completed and legal work processed in time for some phases of the construction to be started this fall. Other committee members are W. E. Tyler, Fred Roberts, A. A. White, Charlie Tyler and Dave Lee.

"The recreational facilities," Needham emphasized, "will be available to everyone. It will not be operated for profit but for the enjoyment and entertainment of the communities as a whole."

Mrs. Goldene Ware, Jay Lee and Gary and Mrs. Vendene Willett, Denise and Deana, left Tuesday for an extended vacation, seeing the World's Fair and on into Canada before returning home by way of Missouri where they will visit Mrs. Ware's sister and family, Mrs. Oleta Ware Porter and a brother, Glenroe Ware. They plan to visit many places of interest as they go and on the return journey home.

The big air-conditioned station wagon will be the mode for traveling and picnicking on the trip.

Mrs. A. D. Jones was honored on her 90th birthday with a dinner at her home South of Rising Star hosted by her children.

Miss Annye Kate Blair Weds Jackie Don Wheeler Aug. 8

Miss Annye Kate Blair and Jackie Don Wheeler were united in marriage in the sanctuary of the First Methodist Church of Gorman at 8 p.m. Saturday, Aug. 8. Rev. Roy F. Johnson, pastor of the First Methodist Church of Hewitt, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Walter Marvin Blair of Gorman, and the bridegroom is the son of Mrs. John Wheeler of Gorman and the late Mr. Wheeler.

Organist, Mrs. Leo Lambert of Andrews, presented the wedding music. She accompanied Miss Marjean Edgar of Dallas, who sang "Oh, Perfect Love," "Entreat Me Not to Leave Thee," and "The Wedding Prayer."

Given in marriage by her father, the bride wore a formal wedding gown of white peau de soie with a molded bodice, controlled belt skirt and cathedral length lace framed train. Her finger tip veil of bridal illusion fell from a cluster of peau de soie roses. She carried a white Bible with a bridal bouquet of white roses and gardenia upon it.

Miss Elizabeth Ann Parr, cousin of the bride, was maid of honor. The bridesmaids were Misses Priscilla Beadle of Dallas and SaraBeth Greer of Fort Worth. Junior bridesmaid was Miss Catherine Parr, cousin of the bride.

Bridal attendants wore identical formal dresses of deep aqua peau de soie with scooped neckline, cap sleeves, empire waistline and floor length trains. Their headresses were peau de soie roses and each wore short white gloves and carried bouquets of white roses.

Best man was William Latham of Denton. Groomsmen were Jerry Hoodenpile of Fort Worth and Lt. Max Pierce of Austin. Ushers in-

cluded B. F. Agee of Dallas, Paul Bellows of Richardson, and Jerry Warren of Orange and Max Ferris of Denton also served as candlelighters.

The bride's mother wore a rose silk sheath dress with matching accessories and a gardenia corsage.

The bridegroom's mother wore a slate blue lace dress with matching accessories and a gardenia corsage.

A reception was held in the fellowship hall and members of the house party were Mmes. William Latham of Denton, B. F. Agee and Charles Butler of Dallas, Misses Kiki Dixon of Denton, Carolyn Christian of Fort Worth, Marilyn Shell and Linda Shell, both of Gorman.

For her wedding trip to Mexico the bride chose an aqua silk linen suit with black accessories. She used a gardenia corsage taken from her wedding bouquet.

The bride is a graduate of Gorman High School and North Texas State University where she was a member of Chi Omega, ACE and SNEA. She has taught in the Andrews Public School System for the past two years.

The bridegroom is a graduate of Gorman High School and received his BBA and MBA degrees from North Texas State University where he was president of Blue Key National Honor Fraternity, Baptist Student Union and NTSU Student Body. He is listed in Who's Who Among Students in American Colleges and Universities and is in Who's Who at NTSU in Management. He is employed as Assistant Personnel Manager of State Farm Insurance Company.

The couple will reside at 14040 Peyton Street, Dallas. The bridegroom's mother, Mrs. John Wheeler was hostess for the rehearsal dinner at Lone Cedar Country Club.

In Texas... after a swim, beer is a natural

On a hot summer day, a dip in a cool stream can be wonderfully refreshing. Equally refreshing when you're relaxing afterwards with friends is a hearty glass of beer. There's hardly another beverage around that suits what you do for fun as much as beer. Camping, hiking, or just lounging on a lawn chair—beer brings to each just the right touch of extra good living.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Texas... beer goes with fun, with relaxation
