FARMERS AND RANCHERS are reminded that claims for the Federal Gas Tax refund must be submitted before September 30. This refund is on four cents per gallon excise tax paid on gasoline and diesel fuel used by operators on their farms during the period July 1, 1963 to June 1, 1964. This refund has no connection with the claim for refunds sent to the State Comptroller's office. The gasoline used on an operator's farm by custom contractors is also eligible for the refund, but fuel used in highway travel is not. The special postcard form, 2240, is the proper one to use to submit fuel claims, and they have been mailed to operators who reported in 1963. New farmers and those who have not received the Form 2240, may obtain one from the Farm Bureau office, and they will be glad to fill it out for you.

Farm Bureau was instrumental in obtaining both the state and federal tax refunds for non-highway used gasoline.

Ranger Junior College students met classes for the first time this fall in the new buildings which were completed during the summer. The new structures include a new gymnasium, which would be a credit to a large college, and a three-building complex made up of an administration, a science, and a classroom building.

Students who attended classes last year in the old structures especially appreciate the convenience, comfort, and attractiveness of the new buildings. It is the consensus on the campus that the new additions make attending class enjoyable, comfortable, and conducive to learning.

"The atmosphere," says sophomore Terry Logan of Graham, "is so pleasing that I feel that I can almost enjoy sitting through classes."

The classrooms are spacious, well-lighted, and well-ventilated and are furnished with attractive new desk chairs. The RJC "south-paws" have just special cause to praise the improvements if for no other reason than the convenience provided them in chairs with writing arms for left-handers.

In a time when America is on the move, Ranger Junior College goes forward.

RJC Diamond Stars Play In Big Tournament

Two Ranger Junior College sophomores, Richard Hooper and Parke Davidson, both of Dallas, participated last week in a National Baseball Tournament held in Battle Creek, Michigan.

The boys played for a team sponsored by the Wynnewood State Bank this summer. Their team qualified for national competition by winning the city, state, and regional championships.

The group left Dallas by jet plane last Wednesday and returned Sunday evening. The Wynnewood team of Dallas was defeated by teams from Lakewood, Ohio, and Knoxville, Tennessee, by a score of 3-1.

The Wynnewood team was the youngest team participating. The average age of the Dallas group is from nineteen to twenty-three years of age, whereas the members of the other teams were from twenty-five up.

Two RJC ex-students also playing on the Wynnewood team in the national play-offs were Gary Watson and Glen Patterson, also of Dallas. All four boys played on the RJC baseball team last year.

Hooper and Davidson returned to Ranger Monday morning.

Dr. W. P. Watkins Guest Speaker For Lions Club

Dr. W. P. Watkins is guest speaker at the noon luncheon and meeting of the Ranger Lions Club Thursday at the Porky Pig.

He spoke to the club on the number of high school football injuries in the nation, the state, and Ranger during the past three years.

Glyn Gilliam was named chairman of the committee for the Crippled Children's Camp at Kerrville. The club voted to donate \$1 for each member to the Lion's International in support of the Care program.

During the business session, the Club approved a scholarship to Ranger Junior College for Arthur Mendoza.

Democrats Plan County Strategy At Friday Meet

Eastland County Democrats made plans for their activities in the general election campaign at a meeting Friday night at the commissioners' court room in the Eastland courthouse.

Forty Democrats from all parts of the county attended the meeting and elected Mike Collins of Eastland as the campaign chairman. Mae Belle Oylor of Ranger was named publicity chairman.

It was decided that a county Democratic Party headquarters will be opened in the Conner Building on the south side of the square in Eastland with Jennette Harris and Ann Justice as co-chairmen.

Opening date of the headquarters will be determined and committees will be perfected at another meeting at 7 p. m. Monday, Sept. 28, at the same place.

Mr. Collins said that this would be an open meeting and that all Democrats would be welcome if they pledge to support the Democratic ticket "from the court house to the White House" in the Nov. 3rd general election.

Dr. Dodsworth Guest Speaker For Rotary Club

Dr. C. J. Dodsworth of Bowie, Governor of District 579 of Rotary International, was guest speaker at the noon luncheon and meeting of the Ranger Rotary Club Wednesday at the Porky Pig.

Dr. Dodsworth spoke to the club about his trip to Lake Placid, about Rotary and gave a number of points on how the local Rotary Club might promote Rotary.

He met Tuesday night with the Rotary committee at the Lone Cedar Country Club and discussed the plans for the Rotary Club for 1964-65 and the activities and made suggestions as to what the club could do in the way of activities and promoting Rotary during the year.

The next meeting of the club will be on Membership and will stress ways of securing new members. The next meeting will be held at noon Wednesday at the Porky Pig.

RJC Eleven Blasts Tyler JC, 22-9!

A hard-hitting, rarin' and rugged defensive platoon — RJC's combat-eager, rampant "raiders" — and an explosive Ranger Jr. College offense bombed favored and undefeated Tyler Jr. College Apaches from their lofty perch in the new College Stadium Thursday night with a stunning 22-9 upset.

Prior to the opening kickoff of the home debut Texas Junior College Football Federation contest, the invading Apaches, rated as one of the most powerful junior college aggregations in the Southwest, were odds-on favorites to roll over the Purple & Whites with ease.

Five plays after the starting boot, the Tyler juggernaut, piloted by Quarterback Vidal Carlin, took over on their own 48-yard stripe after they had returned the fourth down punt of Ranger's Sterling Pike from the Apache 33.

GLENN SCOTT of Southwestern Bell Telephone Company will present a science demonstration about human communications entitled "The Speech Chain" before the Ranger Rotary and Lions Clubs here October 1.

ROTARY AND LIONS CLUBS WILL HEAR TELEPHONE MAN

Talking machines, singing computers and speech-splicing devices will play key roles in a science demonstration to be given here for the Rotary and Lions Clubs at 12 noon on Thursday, October 1.

L. W. LEACH

On their first offensive play, it was Carlin handing off to Halfback Gordon Sewell who slashed over the right side for one to reach the 49. Then big Ronnie Davis swept left end for 18 to reach the Ranger 33 and post the initial first down of the night, and on the next play switched and sped around right end for 13 yards. The Black & Gold juggernaut was on the 20 with another fast first down. Sewell decided to probe the middle of the "raider" wall. Just at the line of scrimmage he was jarred hard and lost the ball. Ranger's Byron White recovered the fumble on the 18.

At that point Ranger's offensive unit took over. Halfback Tony Pietoso knifed over the middle for three, then he tried left guard but the play was nullified with Tyler being assessed a 15-yard penalty on a personal foul. Big Fullback John DeMaria splattered through the middle for five and a first down. Quarterback Billy Clary cruised around right end for eight and another first down on the Tyler 48, a side pass — Clary to Halfback Joe Fitzgerald — lost a yard, then Clary pitched out to Fitzgerald who hit End Larry Lee with a pass, and he pistoned down field to score the first TD of the night. Rudy Ramirez kicked the extra point and it was Ranger out from 7-0.

Proving their offensive and defensive prowess wasn't a matter of luck, five plays after Ranger had kicked off to Tyler the Purple & White stabbed paydirt for another touchdown.

Stymied by the jarring rads of Ranger's defense, Tyler's Carlin was hit by Ramirez for a six yard-loss back to his own 25 where Sewell punted. RJC's Pike-punted in the boot on his own 35 and got to the 47 before he was hauled in. Then Clary handed off to flashy Pietoso who streaked 53 yards to score. Ramirez failed to annex the extra point.

The night's action was highlighted by the bone-crushing play of Ranger's offense. They blocked the corners, turned in the end plays, pursued relentlessly. Rudy Ramirez, Byron White, middle linebacker, and Jerry Jones were the big defensive guns.

In the dying seconds of the first half, the Tyler club got its big break. Returning a punt to Ranger's 32, Carlin hit Sewell with a pass good for five, Carlin to Jeff Henry lost seven, then a completion Carlin to Ronnie Davis cashed for 12 yards and a first down on the Ranger 33, Carlin hit End Clifford Reiken (Continued on Page 5)

RJC's Homecoming Is Set For October 10

Approximately 500 letters have been mailed to Ranger Junior College Ex-Students inviting them to the 1964 Homecoming on October 10, according to the president of the Ex-Students Association, Weldon Cunningham.

"We have been promising, and now we can show you a new Ranger Junior College! But — you are going to have to come and see for yourselves. And we are hoping you will do just that," Cunningham said.

There will be the usual meeting for the election of new officers, and social events, but the unusual will be the tour of the new buildings, the football game against Kilgore Junior College in the afternoon in the beautiful new stadium, and the organization of area units of RJC Ex-Students Association. A dance will be held for all the students, faculty, and visitors the evening following the game.

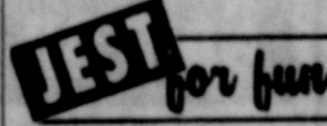

Dedication ceremonies for the new buildings were held on July 26, in the new stadium, with some 750 persons attending from Fort Worth, Abilene, Breckenridge, East-

land, Cisco, Ranger, and many more towns from the area.

The Texas Coaching School for six man-eight man football on the campus July 26 through August 1, with three all-star games drawing crowds of from 1200 to 1800 persons. The gymnasium was used for the basketball game and the new stadium was used for the two football games. This marked the first games ever played in these new facilities. Consensus among the visitors was that this was the finest coaching school in the associations nineteen years of existence. Enrollment figures showed the largest attendance ever and the official statement said the statewide news coverage was by far the largest and best.

Enrollment prospects for the college are at an all-time high for the 1964 term. A steady flow of prospective students has been on campus all summer. The news media have recently been giving much attention to the emphasis on junior colleges as expressed by authorities on education. The subject has been reported and editorialized with RJC having been mentioned time and again. It seems that others are awakening to the real need of the junior college and that Ranger citizens were slightly ahead of the times in voting three years ago for the expansion of RJC.

"Heretofore, we have made no organized effort among the ex-students to recruit students for the college. Now is the time for us to do this, if we want our school to grow. Not only do we need your help in this field, but we need you to start talking with your friends and acquaintances about the college. The good words you

35-Pound Bobcat Killed North Of Eastland

L. W. Leach of Route 1, Eastland, had quite an exciting morning Thursday when he shot and killed a full-grown, female bob cat weighing approximately 35 pounds; 18 1/2 inches tall and 33 inches long. She had two kittens.

Leach said he was chasing one of the kittens when he noticed the bob cat appearing, with her mouth open, as if she were going to attack him. He took aim, shot and the bullet struck in the cat's neck.

This true life adventure took place near the fork of the roads to Breckenridge and Morton Valley.

Mrs. Ellen Justice, county treasurer, said the bounty Leach received for the dead cat was five dollars.

FAT OVERWEIGHT

Available to you without a doctor's prescription, the GALAXON plan. You must lose ugly fat or your money back. One of the basic problems of losing weight is your inability to stick to a planned diet. The GALAXON plan contains a tablet and is easily swallowed. When you take GALAXON, you simply don't have the urge for extra portions because GALAXON depresses your appetite and decreases your desire for food thus making it easier and more comfortable for you to diet. Your weight must come down because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess and live longer. Of course GALAXON can't do all the work for you alone. But if you really want to cut down on your eating, and lose weight, GALAXON can be a powerful helper. The GALAXON plan costs \$3.00 and is sold on this guarantee: if not satisfied for any reason just return the package to your druggist and get your full money back. No questions asked. TOWN TALK

(Continued from Page One)

Congratulations to Mr. and Mrs. E. L. Brummett who'll be celebrating another happy wedding anniversary on Tuesday, September 29, and best wishes for many more.

The Eastland County Farm Bureau Board of Directors met in their regular monthly meeting Sept. 21 in the office location with the president, Jack Court, presiding.

Roll call was answered by 17 directors; invocation was given by Mitchell Campbell; minutes and finance report was given by Ray Norris, secretary.

Membership report was given by Cyrus Justice, membership chairman. As of Aug. 31, 1964, 618 families were enrolled in the County Farm Bureau.

Mitchell Campbell, chairman of the policy development, gave a report and said his committee welcomes any and all opinions on any subject or resolution that they would like to present to the development committee. He said, "if you think you have an idea that would improve agriculture or the nation's welfare, by all means attend the county convention."

John Love, public information chairman, gave a report on his committee; Cyrus Justice, chairman of the annual barbecue that was held in August, gave a report and stated the barbecue was well attended.

The board voted to have the annual convention of the Eastland County Farm Bureau on Tuesday, Oct. 13, in the office location in Eastland; they also voted to enter the Farm Bureau Queen in the Peanut Bowl parade.

The president appointed a refreshment committee for the convention. They are Mrs. Dorra Schaefer, Mrs. John Love and Mrs. Willie Cantwell.

Present were: R. L. Ricks, Billy Claborn, L. A. Harbin, Henry Fry, Glenn Jordan, Albert Hendricks, Aubrey East-er, Sam Kimmel, J. D. Griffin, Jr., Howard Wade, Ray Norris, Pat Moseley, Mr. and Mrs. John Love, Mr. and Mrs. Mitchell Campbell, Mr. and Mrs. Cyrus Justice, Mr. and Mrs. Willie Cantwell, Mr. and Mrs. Herman Schaefer and Mr. and Mrs. Jack Cozart.

The 1964-65 journalism class of Ranger Junior College has the potential of being one of the best journalism classes the college has ever had.

The class is composed of seventeen freshmen and six sophomores. They represent much talent, come from varied backgrounds, and have had varied working experiences. Twenty-one of the class are boys and two are girls.

Fort Worth is well represented by these five boys: Ken Burchfield, sophomore, majoring in education; Robert Smith, sophomore, major uncertain; Jack Taylor, sophomore, majoring in English; Billy Wheeler, freshman, majoring in history; and Don Coulson, freshman, majoring in physical education.

Coming from Houston are Gary Davis, freshman, major uncertain, and David Wolfinger, freshman, majoring in business administration.

Representatives from Ranger include Naomi Bradford and Arthur Mendoza, freshman, a librarian and history major respectively; Janice Watson, who hails from nearby Eastland, is a freshman majoring in journalism. Ishmal Benavides, Brownwood, is a freshman, who is undecided on a major.

Coming a long way from home we have Ken Hefner, a freshman majoring in education. Ken is from Howell, Michigan.

Others making up the class from various sections of Texas are Don Carter, Sweeney, a freshman, majoring in journalism; Joe Bond, Bullard, a freshman majoring in engineering; Dale Carroll, Weinert, a freshman majoring in physical education; Damon Hipp, Haskell, a freshman studying drama; Carlton Webb, Decatur, a freshman majoring in business administration; Butch Holland, Hamlin, freshman majoring in agriculture; Philip Mora, Irving, a freshman majoring in education; and Terry Loetz, Abilene, freshman, majoring in art.

The other three sophomores are Richard Hooper, Dallas, who is a pre-med major; Bev Bazel, Graham, who is an education major; and Gary Barker, Electra, who is a business administration major.

Students in the journalism class, in addition to studying the principles of news reporting will handle much of RJC campus publicity for the local paper and will have as their special project the preparation of the college annual for publication in the spring.

County's Proposed 1965 Budget Is Set Well Below Previous Years

Drought months apparently affect Eastland County budget-planning officials much the same as they do individual land owners — "proceed with caution and moderation."

This would seem to be the case upon analyzing the county's 1965 budget which will be submitted to the Commissioners Court for consideration. The budget hearing had originally been scheduled for Sept. 11 but due to the absence of one of the commissioners, was postponed and according to County Judge Scott Bailey, will be called soon.

The commissioners meet Monday and will likely set the date then, he said.

The proposed budget for 1965 is for \$493,626.95 in county resources. Compared to the 1963 actual expenditures and balances which were \$633,513.95, there is a \$139,887. drop for the coming year. This then like the farmer's outlook for the coming year, might be shaded by what's happened this summer when it just didn't rain.

The '65 figure is below the budgeted 1964 figure too by the way. The county is currently operating on a budgeted \$536,000.86.

Only one fund, the county poor farm, is being budgeted for more than in 1963 and 1964.

Judge Bailey has indicated that he plans to ask for a small amount of funds for two special projects. One will be for civil defense education and the other a historical fund to be used for marking certain historical locations, such as old cemeteries.

The commissioners will hear the following proposals (compared to budgeted 1964 amounts and actual 1963 figures.) All these figures include expenditures and balances, actual and anticipated, at the end of the year:

JURY FUND
 Proposed for 1965, \$13,520.81; budgeted for 1964, \$15,459.88; and actual 1963 figure, \$19,345.58.

ROAD & BRIDGE FUND
 Proposed for 1965, \$225,468.37; budgeted for 1964, \$252,536.53; actual 1963, \$278,067.91.

Permanent Improvement
 Proposed 1965, \$2,894.54; 1964, \$3,253.04; actual 1963, \$3,578.04.

Road & Bridge Sinking Fund
 Proposed 1965, \$35,017.13; 1964, \$40,166.96; 1963 actual, \$43,733.28.

County Poor Farm
 Proposed, \$4,310.47; 1964, \$3,844.73; '63, \$2,961.84.

Officers Salary
 Proposed '65, \$102,852; 1964, \$104,467; '63 actual, \$107,339.22.

GENERAL FUND
 Proposed, \$109,563.03; 1964, \$116,252.72; and 1963 actual, \$178,548.10.

As in any business, both public and private, "outgo" depends on "income," and taxes represent a large part of the county's revenue. How will tax collections be this year in view of the summer's dry months? Anybody's guess, but based on passed performance, they should be good.

For the past three years, valuations have gone up slightly and for the past five years, collection per centages have remained fairly constant.

TAX COLLECTIONS
 By year, valuations, levy and collection per centage:

'63	\$21,871,540	\$174,972.32	92.3
'62	21,870,390	174,963.12	92.2
'61	21,516,860	172,134.88	92.5
'60	21,632,060	173,056.48	92.8
'59	21,196,630	169,495.04	91.9

Valuation for 1964 is \$22,164,040; levy is \$1.22 per \$100.

COUNTY DEBTS?
 The county debt picture is

good. Eastland owes \$69,283.90 in bonds and machine warrants. The old road and bridge refunding bonds (of 1951 and 1953 vintage) will be paid off in 1966 — budget officials will be recommending that the levy for the sinking fund be reduced and funds applied to another fund.

Total owed on the old bonds is \$26,000, two for \$7,000 each and a third for \$12,000. Machinery warrants are broken down by precincts like this:

One	— \$23,000; Tw ₀ — \$21,748.80; Three — \$6,750. Four — \$11,785.
-----	--

For years, ten cents out of every tax-collected 90 cents has gone into the interest and sinking fund to pay off the old debts. A proposal for 1965 will reduce that ten-cent figure by three cents, and transfer it to the general fund. Then next budget-making time, the seven-cent levy can be redistributed.

Compared to the 1964 levy budget, the 1965 budget will be like this, if approved:

Jury fund	'64 '65
Road & Bridge	— 05 05
General	60 63
R. & B. Sinking	10 07
Total	80 90

17 FRESHMEN, SIX SOPHS ARE IN RJC JOURNALISM CLASS

The 1964-65 journalism class of Ranger Junior College has the potential of being one of the best journalism classes the college has ever had.

The class is composed of seventeen freshmen and six sophomores. They represent much talent, come from varied backgrounds, and have had varied working experiences. Twenty-one of the class are boys and two are girls.

Fort Worth is well represented by these five boys: Ken Burchfield, sophomore, majoring in education; Robert Smith, sophomore, major uncertain; Jack Taylor, sophomore, majoring in English; Billy Wheeler, freshman, majoring in history; and Don Coulson, freshman, majoring in physical education.

Coming from Houston are Gary Davis, freshman, major uncertain, and David Wolfinger, freshman, majoring in business administration.

Representatives from Ranger include Naomi Bradford and Arthur Mendoza, freshman, a librarian and history major respectively; Janice Watson, who hails from nearby Eastland, is a freshman majoring in journalism. Ishmal Benavides, Brownwood, is a freshman, who is undecided on a major.

Coming a long way from home we have Ken Hefner, a freshman majoring in education. Ken is from Howell, Michigan.

Others making up the class from various sections of Texas are Don Carter, Sweeney, a freshman, majoring in journalism; Joe Bond, Bullard, a freshman majoring in engineering; Dale Carroll, Weinert, a freshman majoring in physical education; Damon Hipp, Haskell, a freshman studying drama; Carlton Webb, Decatur, a freshman majoring in business administration; Butch Holland, Hamlin, freshman majoring in agriculture; Philip Mora, Irving, a freshman majoring in education; and Terry Loetz, Abilene, freshman, majoring in art.

The other three sophomores are Richard Hooper, Dallas, who is a pre-med major; Bev Bazel, Graham, who is an education major; and Gary Barker, Electra, who is a business administration major.

Students in the journalism class, in addition to studying the principles of news reporting will handle much of RJC campus publicity for the local paper and will have as their special project the preparation of the college annual for publication in the spring.

Soil Conservation District News

Good management of grassland during last summer drought is now paying off. Recent checks of soil moisture and grass growth by local Soil Conservation Service workers indicate how much good management pays. Except where grass has been overgrazed, growth since August 15 has exceeded all expectations.

Going back to August 15 it had been almost 3 months since this area had received any effective rainfall. This had happened during our principle grass growing season. Grass production was practically zero. The grass on the

land had been produced either in the very early spring or carried over from last winter. As the dry weather continued during June, July, and early August continuous grazing gradually eliminated this dry grass from the land. This happened on a very big portion of our rangeland as well as Coastal Bermuda pastures.

Livestock operators who managed to be in position last summer to relieve the grazing pressure on their land are now producing an abundant crop of grass. Recent samples of grass production with clipping tests show fantastic grass growth where grazing pressure was not too severe. One patch of Coastal Bermuda from which the cattle were removed July 15 to prevent damaging the turf shows almost 10,000 pounds of green grass per acre. This represents enough grass on an acre to furnish five or six cows for a period of one month.

A nearby patch of K. R. bluestem shows 7,900 pounds of green grass per acre. Grass production of better native grasses such as little blue-tem, Indian grass, and sideoats grama show from 4,900 to 8,900 pounds per acre. This is approaching normal yearly production for these grasses. Grass production on poor condition ranges that were severely overgrazed last summer show a disappointing regrowth of grass. Many such areas have less than 1,000 pounds green weight per acre.

A danger sign of recent overuse of grass is shown by moisture penetration tests. Core tests show a beginning of the same patterns of moisture penetration so frequently observed during the drought of the fifties. One overgrazed tightland pasture has the soil only wet to a depth of ten inches where the buffalo grass had been almost rubbed to the ground.

This represents only about 1 1/2 inches of water out of around 8 inches rainfall since August 15. Where the buffalo grass has 2-3 inches height the soil is wet almost 2 feet. This represents about 4 inches of water or about 50 per cent retention of rainfall. Mixed land pastures with a fair cover of grass and litter are generally saturated to around 3 feet. This represents 5-6 inches of water.

Stockmen who in one manner or another managed to retain their grass cover during last summer's drought are now reaping their reward. A reward to be seen in fattening cattle, green grass on the land, and water in the ground for growing a lot more grass before winter comes.

Lacasa News

By Mrs. D. B. Raney

Mrs. Allie Gardenhire, aged 80, who was born and reared in Lacasa Community, died in Brownwood Memorial Hospital September 20 at 4 a. m. Funeral services were at Davis-Morris Funeral Home in Brownwood Monday, Sept. 21 at 11 a. m. with brief graveside services at Macedonia Cemetery in this community. Pallbearers were nephews, T. C. Bradford of Dallas, O. E. Bradford of Breckenridge, Emory Bradford of Stephenville, Van Gardenhire of Cisco, and Clark Bradford and Dial Raney of Ranger.

Survivors are one son, Harless Gardenhire of Ranger, four daughters, Mrs. Erma Chapel and Mrs. Elsie Fry of Brownwood, Mrs. Vida Peyton of Dallas, and Mrs. Nova Sullivan of Fort Worth; four grandchildren, Mrs. Selma Goswick of Dallas, Mrs. Betty Reese of Fort Worth; four great grandchildren, Robby Fry of Brownwood, and Pat Sullivan of Fort Worth; four great grandchildren, Robby and Randy Goswick and Dan and Tim Reese; three brothers, John Bradford of Weatherford, Tom Bradford of Dallas, and Richard Bradford of South Bend. Only one brother, John, was able to attend the funeral.

Mrs. Addie C. Davis of Goldthwaite visited her sister, Mrs. D. B. Raney Sunday.

Friends of Harold Graham, who lives in San Diego, California and has been visiting his parents, Mr. and Mrs. Marian Graham at Strawn, entertained him and his wife with a party at the Lacasa Community Center, Tuesday night, September 22. Forty-two was enjoyed by all. Homemade ice cream and cake were served. His parents and nephew, Jerry Graham of Strawn were present besides the friends of the community.

The weekend rains filled tanks and creeks and watered fields and pastures so well no one seemed to mind mending fences and water gaps.

County 4-H Club Members Celebrating Anniversary

Over 300 4-H Club members in Eastland County will observe National 4-H Club week, Sept. 26 to Oct. 3. The head-heart-hands-health youth are in areas throughout the 50 states and Puerto Rico, according to Billy McCutchen, assistant county agent.

A major local and national aim of this year's 4-H week observance, McCutchen said, will be to recognize the 50th anniversary of the Cooperative Extension Service, of which the 4-H youth program is a significant part. In 1914, when the Smith-Lever Act authorized the Extension Service, the same federal legislation provided funds for 4-H Club work. For this reason, 4-H also celebrates a Golden Anniversary.

Prospective leaders or other interested adults and interested boys and girls between the ages of 9 and 21 are encouraged to attend the next 4-H Club meeting in your town or community. There is a 4-H program for you whether you live in town or on the farm. To find out when and where the next club meeting in your community will be and what your opportunities in 4-H are, contact the local 4-H Club leader, one of the members of the county agent's office.

Mrs. W. H. Davis Hosts Desdemona Study Club Meet

The Desdemona Study Club held its first meeting of the new season, September 19, in the home of Mrs. W. H. Davis.

Mrs. Davis and her daughter, Mrs. Aaron Henslee, Sr., greeted members and guests on the lovely terrace where Mrs. Howard Wade poured coffee.

Miniature donuts, sausages baked in rolls, and crab apples were served from a table covered in red and white. The centerpiece was a unique arrangement of red roses and petunias in conch shells.

After the social hour, the hostess called the meeting to order. Mrs. C. W. Maltby led the group in singing "Blest Be The Tie That Binds" with Mrs. Aaron Henslee, Sr. at the piano.

Committee reports were given after which the following officers were elected: president, Mrs. W. H. Davis; vice-president, Mrs. H. F. Wade; secretary, Mrs. J. F. Moseley; treasurer, Mrs. Olive Fein.

The day's program theme was "Poetry." Roll call was answered with a favorite poem.

Mrs. Davis gave a resume of former poet laureates, Lexie Dean Robinson, and read several of her poems. Mrs. Davis read "Solace" and "My Town," also her own compositions.

Mrs. Jessie McIlvane read from Lexie Dean Robinson's "Red Heel."

Mrs. Aaron Henslee, Sr. gave a very humorous poem, "I'm Fine."

The meeting closed with prayer led by Mrs. C. W. Maltby.

Bring out the beauty in your home...

with modern light for living...

The lighting in your home can do much more than merely dispel darkness. Good light in the living room, for example, can add an atmosphere of charm and cheer. It can bring out the beauty of your furnishings. It can make the room a hospitable background for entertaining... and an inviting center for your family's leisure hours.

To enjoy both beauty and eye comfort in the living room, you need three kinds of light: (1) general lighting for overall room illumination; (2) local lighting at chairs and sofas for close visual tasks; (3) accent lighting for decorative purposes. Your lighting dealer will gladly help you choose the lamps and fixtures you need for modern Light for Living. Or call our office and we'll send a lighting specialist to help you with suggestions.

For close visual tasks, like reading or sewing, portable lamps should be a part of each furniture grouping. The average living room needs from three to five portable lamps.

Overall lighting adds glamour and spaciousness to rooms. A lighted valance like this provides indirect light on the ceiling plus dramatic downlight on drapes and wall.

Accent lighting with recessed or exposed downlights brings out focal points of beauty. Lighted wall brackets may be used for the same purpose.

TEXAS ELECTRIC SERVICE COMPANY

HOMECOMING
(Continued from Page One)

Today may not bring immediate results but over a period of time your plugging for the college will reap a harvest of not only students, but an intangible mountain of good will. Both of these we need and you are the very ones who can accomplish this. You are out among these people and a word from you is worth more than all the advertising we could do. You are our living advertisement — what more do we need to show the world what we can do and have done," Cunningham stated.

The up-coming football season will add much to sports in this part of Texas. RJC has joined with all the junior colleges in Texas for a one-conference football setup, instead of the several conferences formerly in operation in the state. This will bring in teams from the junior colleges in East Texas which have not before played in this part of Texas. With their own stadium and gym, the college is expecting this to become the hub of college sports in north-west Texas.

Cunningham expressed the hope that all ex-students, if at all possible, try to arrange their time so that they can see these games on their old home ground. Then be sure and attend the games played by RJC in their area. A football schedule will be sent to each ex-student as it is printed.

All is not sports on the campus. The new science building will bring up to date this department which is taking an increased importance in the lives of all. The faculty of the entire school is individually working toward EXCELLENCE in their profession, and collectively giving their best to carry out the theme of "ADVANCING ACADEMIC EXCELLENCE AND FOSTERING FRIENDLY ATTITUDES." The Academic Building with six classrooms gives added strength to the upgrading of the program. The new Administration Building enables the staff to be much more efficient in the

performance of clerical and administrative duties. The new Physical Education Building houses the athletic department.

Much has been added in recent years which gives a more balanced operation of the college. A full-time student counselor, a full-time business manager, and two years ago, a department of public relations. These and many other improvements can only increase the effectiveness in giving students the very best.

Most of the faculty members are working toward doctoral degrees, with several in the last phases of the requirements. Each summer sees the greater portion of them off to summer school in places from California to Europe. This desire of dedicated teachers to constantly lift the level of their teaching ability, can result in nothing less than ACADEMIC EXCELLENCE at Ranger Junior College.

RIC RANGERS

(Continued from Page One)

with a toss good for 9, moving the oval to the 22. Carlin's next two shots were incomplete and on the second try Ranger drew a 21-yard penalty skidding the piekin down to the Purple & White's one-yard stripe. With only 4 seconds remaining, Sewell punted over right guard for Tyler's lone TD. Sherman Seiders added the extra point with a perfect kick from place.

In the first four minutes of the third quarter, the Purple & White struck for another quick TD. Tyler's Sewell, with the ball resting on the Apache 10, was back to punt out of the hole. But the snap was wild — way over the kicker's head — and bounced into the end zone for a Ranger safety.

Sewell then punted from the 20. RJC Fullback DeMaria took the ball on the Ranger 40 and traveled 9 yards before he was hauled down.

From that point Clary handed off to Pietoso who cut through a guard hole then raced along the sidelines on a 51-yard scoring jaunt. Ramirez added the point with a boot from placement.

The Apaches picked up two more points on the scoreboard in the final minutes of the game on a safety. Reservist Tommy Daugherty, in for Clary at quarter, was thrown for a 14-yard loss from the 19. And on the next play he was smeared in the end zone.

DeMaria punted from the 20 and three plays later the final gun sounded to end the contest.

SURVEY PLANNED TO OBTAIN NUMBER OF JOBLESS PEOPLE

The Texas Employment Commission will conduct a survey in Eastland County during the second week of October to determine the number of people who are unemployed. County Judge Scott Bailey announced Friday. The survey will determine whether the county should be classified as an area entitled to special considerations under government programs. Areas with a high unemployment figure are placed in a classification that entitles them to several benefits, Mr. Bailey said. The commission was con-

tacted by the Eastland County committee in charge of a new industry program. Details of the survey are expected to be known before the initial committee kickoff is held in a series of meetings on October 5. People between ages 14 and 60 who are not in school and who are employed one day or less per week and who are able-bodied are considered to be employable. Details of the survey are expected to be announced either by the employment commission or by the county committee.

CHRISTIAN SCIENCE
Incidents from the lives of the prophets Elijah and Elisha (I and II Kings) will be featured in the Bible Lesson on "Reality" to be read at Christian Science churches throughout the world on Sunday.

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include these lines: "The fading forms of matter, the mortal body and material earth, are the fleeting concepts of the human mind. They have their day before their permanent facts and their perfection in Spirit appear. . . Mortals must look beyond fading, finite forms, if they would gain the true sense of things" (pp. 263-264).

Bridge Tourney Planned Oct. 2-4 At Brownwood

The third annual Heart of Texas Sectional Tournament of the American Contract Bridge League will be held at Brownwood Coliseum Oct. 2-4, according to an announcement. All bridge players have been invited to participate.

Winners and runner up in all events will be awarded attractive prizes for permanent possession. The schedule of events was announced as follows: Friday, 8 p. m. — men's and women's pairs.

Saturday, 9:30 a. m. — Lone Cedar pairs; 2 p. m. — master pairs (1st session) and non-master pairs; 8 p. m. — master pairs (second session) and coleman pairs. Sunday, 1 p. m. — open pairs, qualifying round; 7 p. m. — open pairs (finals) and consolation.

'Beauty Of Holiness' Theme Of Ladies Bible Class Meet

The Ladies Bible Class of the Church of Christ, Mesquite and Rusk, met at 10 a.m. Tuesday for Bible Study, with Gary Beauchamp, minister, teaching the study.

The study was on "The Beauty of Holiness", Psalms 96:9. Reflecting the radiance of Heaven, Christ said, "I am the Light of the World". As the light of God shines through human lives all the world beholds the loveliness, Godliness brings a little heaven to this world and gives its glory to earthly lives. God's word furnishes the mirror for the soul and is the only guide for spiritual improvement. James 1:22-25.

Homemakers Meet Monday At Olden School

The Young Homemakers of Texas organization is to be held Monday at 8 p.m. in the Homemaking Cottage of Olden. It is sponsored by homemaking teachers of Eastland, Ranger and Cisco.

This organization deals with improving methods of homemaking, becoming more understanding of the home and its influence on the community, taking part in activities which will improve the home and community life, organizing a program for recognition of members and others for outstanding achievements, maintaining spiritual values of the home, and supporting Future Homemakers of America.

The State Association of Young Homemakers of Texas is composed of local chapters having their own elected officers, dues, and programs of work and projects. (A minimum of at least five active members is necessary in order to create a chapter).

The area supervisor, Mary A. Moore, and area officer, Ann Gibson, will attend the meeting Monday.

Everyone is cordially invited to attend.

First Baptist Sets Promotion, Recognition Day

Promotion and Recognition Day will be observed at the First Baptist Church Sunday, (today) September 27. The Sunday School and Training Union promotes will be escorted to their new departments during Sunday School and Training Union hours.

Newly elected officers and teachers will be recognized at the morning worship hour. Rev. Avery J. Sullivan, pastor, will conduct a brief service and bring a message on the theme "Consecration."

General officers for Sunday School include: Superintendent, Kenneth Bounds; associate superintendent, Roddy Carter; secretary, Miss Eunice Presslar. Training Union officers include: director, J. W. White; secretary, Anice Locke.

Members are urged to attend and visitors are cordially invited to attend these services.

Royal Neighbors Meet For Supper, Business Session

The Royal Neighbors of America met at 6:30 p.m. Monday, Sept. 21, at the lodge for their birthday supper and a business meeting at 7:30 p.m.

Lois Fyffe, Oracle, presided over the business session. Two new members, Mrs. Ruby Battle of Olden and Floyd Bommar of Ranger, were initiated.

The next meeting will be held Monday, October 5, at 7:30 p.m. at the Lodge.

Those present at the supper and meeting were Lois Fyffe, Leona Arterburn, Roxie Woods, Bessie Sharp, Barbara Tucker, Joyce Hoover, and Aca Hoover of Olden, Audie Lumas, Izetta Smith, J. C. and Leona Rose, Dawn Mason, Carrie Lee, Vergie Edwards, Vergie Higdon, Jim and Josephine Ferris, Linda Hodges, Virginia Ann Dawson, Viola Sharp, Nora Rouse, Nell Smith, Emma Donley, Lyla Effert, Edna Huffman, C. E. Bell and Albert Huffman.

Chili-Tamale Supper Is Set

The regular monthly covered dish supper will be served at 7 p.m. Wednesday, followed by a study of the general organization.

Alford Reports 29 Students In College Choir

Twenty-nine students make up the Ranger Junior College choir this year, twenty boys and nine girls. The first rehearsal was held the evening of September 14. The regular rehearsals begin at 2:00 p.m. in the Fine Arts Building every Monday, Wednesday and Friday.

Mr. Kenneth Alford, director, stated that the type of music to be used this year will range from popular and current folk music through the repertoire of the nineteenth century. He hopes that the choir can perform some late sixteenth century choral masterpieces.

The choir will be divided into four groups: a mixed choir, a boy's choir, the Moonshiners, and the Freshman 4.

The Moonshiners are Guinn Cook, James Eaton, Glenn Penney, and Martin Barrow. Johnny Signorelli, David Wyatt, James Eaton, and Glenn Penney are the Freshman 4.

Members of the choir are as follows: Leona Bain, Houston, Sherrill James, Brooksmith, Peggy Neeley, Ranger, Janice Watson, Eastland (soprano); Linda Bryson, Fort Worth, Ginger Gooden, Colorado City, Nancy Isel, Mansfield, Imogene Jones, Brownwood, Jane Spears, Clyde (alto); James Eaton, Jr., Andrews, Glenn Penney, Andrews, Johnny Signorelli, Conroe, Martin Barrow, Andrews, Harry Lawson, Del Rio, Howard Starling, Houston (tenor), Louis Brakholtz, Fort Worth, Ken Burchfield, Fort Worth, Harvie Chaney, Houston, Guinn Cook, Andrews, Jerry Copeland, Conroe, Clyde Creighton, Dallas, Gary Davis, Houston, Terry Loetz, Abilene, Johnny Preston, Andrews, William Clinton, Houston, George King, El Paso, Roy Mize, Kilgore, Mike Schultz, Houston, Davie Wyatt, Crockett, (bass).

Members are urged to attend and visitors are cordially invited to attend these services.

New Arrivals

Mr. and Mrs. A. B. Halbert announce the birth of a daughter, Mary Evelyn, Saturday, September 19, in City Memorial Hospital in Nacogdoches. This is the third child for the Halberts. They have one son, Robert C., age 10 and one other daughter, Janet Lee, age 7.

Mr. Halbert has recently joined the faculty of Ranger Junior College as head of the chemistry department in the division of natural science.

His family will join him here in a few weeks from their home in Nacogdoches.
