MERCHANTS BUSINESS MEN TO MEET THURSDAY AT 2 P.M.

An important meeting of Ranger merchants to formulate promotional plans for the holiday shopping season has been called for Thursday afternoon, Nov. 5, at 2 o'clock at the offices of the Chamber of Commerce.

They suffered a 30-0 rout at the hands of the rugged Clyde High Bulldogs last Friday night for their fourth straight 10-A loss against no wins. Their season record is a lone win and a tie in right starts.

Cross Plains Purple & Gold squad is tutored by Jim Farmer and Dorman Riddles. They have a young club with several sophomores and freshmen on the 26-man roster.

Ranger, Navarro Battle In Ranger Thursday at 7:30

One of the formidable teams in the Texas Junior College Football Federation — the Navarro Jr. College Bulldogs of Corsicana — invade College Stadium here Thursday night for a conference contest with the Ranger Jr. College Rangers.

The Bulldogs, who defeated the Blinn Buccaneers 32-19 last week, have a TJCFE record of three wins and three losses.

Amendments Get O. K. In County

Eastland County voters joined the state in approving the three proposed constitutional amendments. Incomplete statewide returns showed the school fund amendment carried with 294,705 for and 192,957 against.

The medical care amendment carried 230,067 for, 89,403 against in the state. Eastland Counties voted 3,332 for and 987 against — giving it the most decisive endorsement of the three.

Ranger's UF Contributions Total \$5,181

Ranger's 1964 United Fund contributions at the close of the active solicitation campaign on Saturday, Oct. 31, totaled \$5,181.24. Mrs. D. E. Pulley, drive chairman, announced Monday. The final tabulation, made by Don Yarbrough, treasurer of the UF organization, is far short of the \$6,856.00 quota. Fred Bennett, president of Range United Fund, said Tuesday that contributions will continue to be accepted. They may be mailed in — using the convenient blank appearing elsewhere in this issue of The Times. Or contributions may be made at Commercial State Bank. Checks should be made payable to "Ranger United Fund." Mrs. Frances Cox, an active United Fund director and worker, also announced Monday that students of the city's three schools made contributions to the '64 UF. At Hodges-Oak Park, a total of \$29.76 was received with the third grade leading others with \$10.07. Young School elementary students gave a total of \$45.63 with grade 6-A leading with contributions of \$17.74. The Senior Class of Ranger High School led other groups with a \$12.46 total. The high school classes combined gave \$43.35.

Henderson JC Routs Ranger Eleven, 18-0 Henderson County Jr. College Cardinals, top team in the nine-member Texas Jr. College Football Federation, inebitably humbled the Ranger Jr. College Rangers, 18-0, in a conference contest waged at Athens Saturday night. The winning cards scored their trio of tallies on a pair of paydirt ground slashes and a TD aerial. Their first counter came in the first three minutes of the opening quarter, they scored again in the second, and added their last six-pointer in the final period. Attempts for the bonus points — a try for two in the first quarter and attempted kicks from placement after the other pair of TDs — all failed. The Cards' stout defense contained the Purple & White visitors and most of the time they were able to keep the RJC offense at a more-than-safe distance from pay dirt territory. Late in the first half the Rangers made their only serious threat when they rolled down to the Cards' 2-yard stripe and a TD appeared imminent until the visitors fumbled the oval and Henderson County recovered on the 4-yard line to turn the tide. Operating from their own 47 yard in the opening stanza, Max Carter, shifty Cardinal halfback shot through daylight in the middle on a quick opener then sprinted 53 breath-taking yards to score. Capping a drive which set them down on the Ranger 30 in the third quarter, Quarterback Jimmy McGuirt hit Halfback Carter with a bullet heave on the 37 and the speedster worked his way down to the RJC 3 before he was hauled down. From there McGuirt sliced across from the 2. In the final period, Sparky Pearson hit Halfback Harold Williams with a pass in the end zone for the final score of the night. The aerial play was launched from the Rangers' 25-yard stripe. Although they failed to capitalize on their play, the RJC crew didn't look as bad as the score might seem to indicate. Fullback John DeMarzio looked very sharp on offense. Quarterback Billy Clary called a good game, and he and Halfback Joe Fitzgerald collaborated on several yardage-gaining passes. Sterling Pike's punting also was exceptional and helped the Ranger defense. Stellar in the defensive department for the game but out-classed RJC club were Byron White, Rudy Ramirez and Arnold Jasso. The Rangers wind up their 1964 TJCFF season next week — on Thursday, Nov. 12, when

ALEC GARCIA, 165-pound senior who has seen action as a guard on the Ranger High Bulldogs' 1964 grid machine, will start as an offensive tackle against the Cross Plains Buffaloes here Friday night.

SARAH COOPER, who weekly authors a column about high schoolers in The Times, has been chosen as sweetheart by the Ranger High band. She is a senior and French horn player in the RHS musical aggregation. Miss Cooper has been in the band for the past four years. She is reporter for the band, reporter for the Senior class, secretary of the FHA chapter, secretary-treasurer of the F. N. C., president of the Sub-Debs and has been a member of the Beta Club for the past three years. The daughter of Mr. and Mrs. Guy Cooper, she will be escorted and crowned by Gary Hames, band president.

We remind Ranger football fans that Thursday and Friday nights will be their last opportunities to make short trips to local stadiums to watch the high school and college grid crews in action on home turf. Thursday night it'll be the RJC Rangers going against the Navarro JC Bulldogs at the new College Stadium. And Friday night — at the Bulldog grid plant — the Ranger High crew hosts the Cross Plains Buffaloes.

Ranger Aircraft Parts Plant Has Promising Future

One of Eastland County's newest and fastest-growing industrial enterprises — thriving and with a highly promising future in prospect — is Southwest Machine & Engineering Co. Ranger plant manufacturing parts for major aircraft plants under sub-contract.

The facility is located on North Austin Street next to the Ranger postoffice and within the span of only eight months its payroll has mushroomed to a rate of \$50,000 annually.

Present production output is valued at a dollar volume of around \$200,000 annually.

And, within the next year, the firm — established here in February of this year by G. E. (Red) Langford — expects to double its employed personnel and also to double its volume of production.

Langford, long experienced in the business and himself an expert machinist, began Southwest Machine & Engineering Co. eight months ago as a two man operation — himself and another machinist.

Today the firm has an inventory of in excess of \$50,000 worth of equipment and employs 11 machinists.

Currently the regular work week is nine hours per day, five days per week, and many times production requires six-day plant operation.

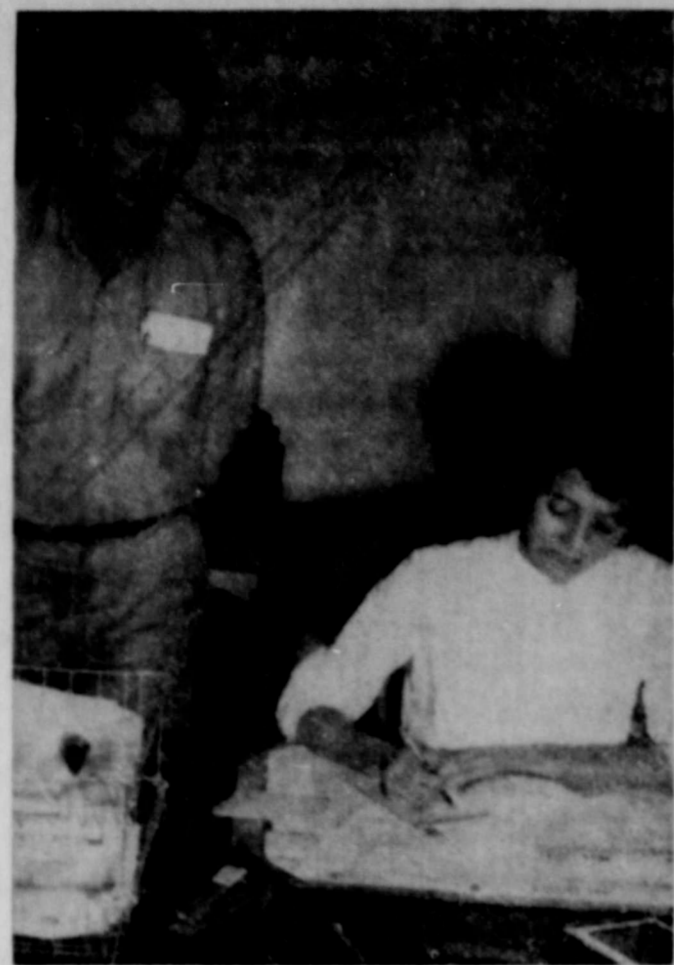

Southwest Machine & Engineering has been approved as a general contractor by General Dynamics, one of the largest aircraft firms in the world. GD's rigid requirements for such approval qualify the eligibility of the Ranger aircraft parts manufacturer to produce under sub-contract for other aviation companies.

Currently, Langford said, Southwest Machine & Engineering is awaiting contracts to be let shortly by a major aircraft manufacturer which will result in additional new production for the Ranger enterprise.

The plant is equipped to produce very minute parts up to large and complex units for aircraft. The gamut thus far has run from tiny rivets and bushings up to vertical spar caps — 7-feet long of steel and weighing 100 pounds. The spar caps are produced for Grumman Aircraft, New York.

Langford cites several advantages which, he says, will aid the growth of his firm:

(1) Proximity to the Dal-

las-Fort Worth aircraft complex — Convair, Bell, Ling-Temco-Vought, Texas Instruments and other aero-space firms and contractors.

(2) Excellent transportation — U. S. Highway 80 and Interstate 20, main line of Texas & Pacific Railway and daily motor freight service.

(3) Lower overhead and economical cost of living for employees.

(4) Recreational advantages offered in the area for men who like to fish, hunt and enjoy the out-of-doors.

Langford says his firm is also planning to offer commercial machine shop maintenance and will make its facilities and services available to various industrial plants in this area when emergency breakdowns occur.

A native of Caddo, Langford was employed by North American Aviation in California for four years during World War II until he enlisted in the U. S. Army Air Corps early in 1944. At the time of his discharge in 1946 he was attached to an Air Corps mechanics' school at Amarillo.

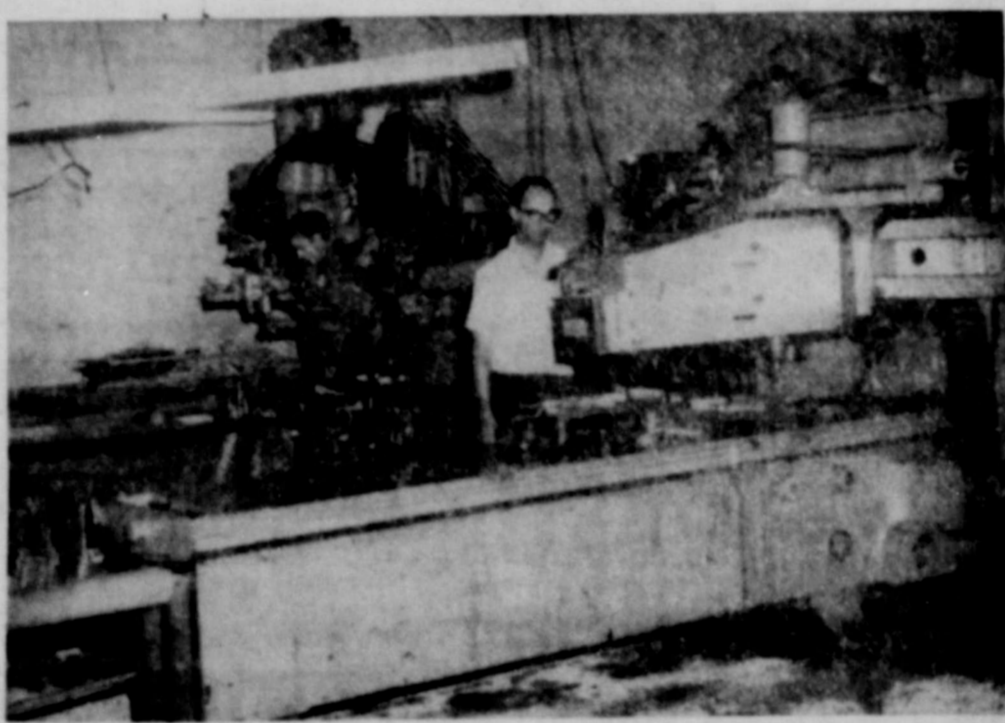

Following his return to civilian life he was employed by Convair at Fort Worth for three years as a tool and die maker. In 1949 he joined the R. E. Dye Manufacturing Co., Breckenridge, and remained in their employ until 1955 when he moved to Dallas to become associated with Walter McDonald Rock Bit Manufacturing Co.

In 1957 he established his own plant in Dallas, specializing in handling sub-contract work on aircraft parts. The firm, Aero-Space, Inc., was sold in 1961.

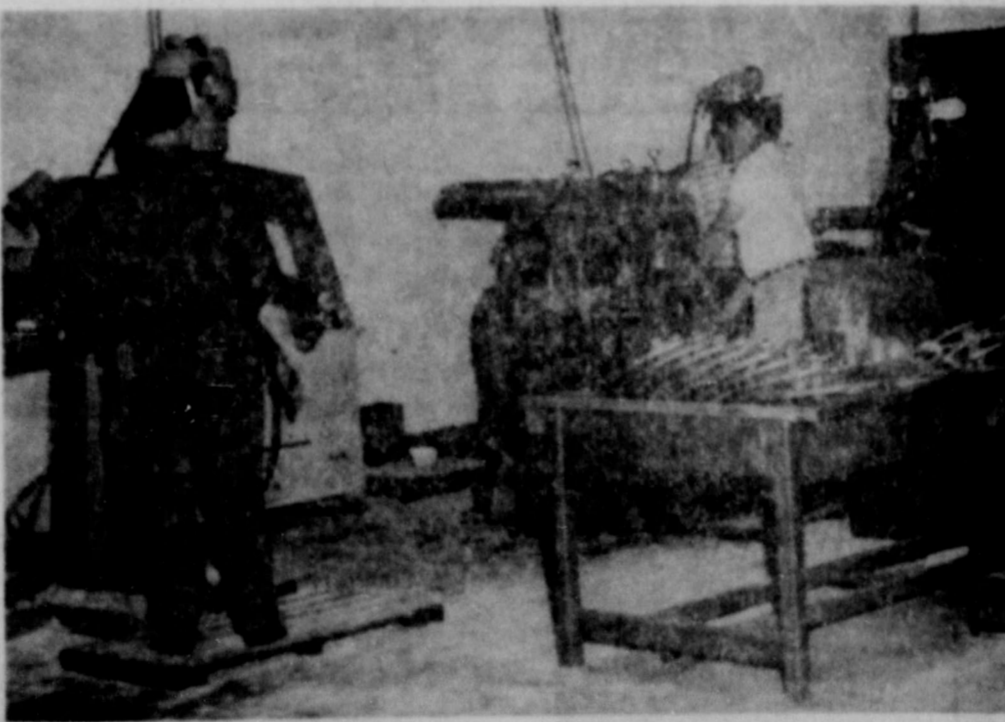

Blue-eyed and red-thatched, — which accounts for his nickname "Red" — Langford is a hefty 6-footer and weighs 210 pounds.

He and his wife and son make their home on a 1,700 acre ranch near the Necessity community. He raises Hereford cattle, mostly commercial, likes to fish and hunt.

He is a member of the Masonic Lodge at Breckenridge and he and his wife, the former Mary Elliott of Graham, are members of Necessity Baptist Church. A son, Gregg, 6, lives at home, and another older son, Eddie Langford, is employed in his father's plant.

EDDIE LANGFORD, left, and Roland Henderson, shop foreman, are shown operating the big five-ten, hydraulically-controlled profile machines which duplicate in exacting detail precision aircraft parts off master patterns. Langford's machine in background is making a wing fitting for a Lockheed jet transport. Henderson's profile machine in foreground is turning out a part for the Convair TFX.

Legion Aux. Asks Gifts For Veterans In Waco

The ladies' auxiliary unit of the Carl Barnes Post No. 95 of the American Legion have placed boxes at H. G. Adams Grocery, Worth Food Mart and in the lobby of the Commercial State Bank where Ranger citizens may deposit gift items that they would like to donate for invalid veterans of World War I, II and the Korean War.

The auxiliary president, Mrs. Ruby Greer, said that gift items collected by the Ranges unit will be sent to the Veterans Hospital in Waco. Deadline for the shipment of

the gifts collected is November 20.

Persons desiring to contribute \$1.00 to pay for a canteen book as a Christmas gift for a VA hospital patient may bring or mail it to The Ranger Times, Box 118, Ranger.

Suggested gifts: Children's shirts, sweaters, socks, pajamas, belts, western billfolds, toys, dolls, hair ribbons, anklets, dresses, woolen mittens, men's and boy's socks, handkerchiefs, boxes of men toilet soap, boxes of stationery, cartons of cigarettes,

scarfs, belts, razor sets, good pipes, hair brushes, housewares, playing cards, billfolds.

For ladies and teenage girls: Hand embroidered things — tee towels, pillow cases, dresses, scarfs, luncheon cloths, boxes of toilet soap, boxes of good candy, pretty lengths of material for dresses, bath towels, face towels, wash cloths, house shoes, boxes of stationery, lingerie, nylon hose, hair brushes, costume jewelry, head scarves, pencil sets, purses, etc. Please refrain from sending breakable gifts and used items.

Remember, gifts for the Gift Shop are selected by veteran patients to send home to their families at Christmas time. Sufficient time must be given our volunteer hospital workers to set up the Gift

Shop, to gift wrap the packages, and then to reach the patients' homes by Christmas Day. So please send your gift boxes early.

Rev. Ray Elliott At Workshop In Georgetown

Rev. Ray Elliott, pastor of the Ranger Methodist Church, attended the Town and Country Workshop October 26-27 at Southwestern University in Georgetown which was held for ministers, district superintendents, district and conference secretaries, members of the executive committee, and others interested in the church's ministry in town and country areas. Approximately 125 people attended the two-day event.

The theme of the 10th annual workshop dealt with trends and developments in town and country ministry. Sponsored by Southwestern University and the five Methodist Conferences of Texas, the Town and Country Workshop is designed to assist church leaders of the state in presenting a program of the work of the local church.

Dr. Floyd Brower of Carruthersville, Missouri is the featured speaker. Professor Harvey Watts of Southwestern University served as program coordinator.

RHS REPORT

By SARAH COOPER

Well, the loss last Friday night to DeLeon was certainly heartbreaking, but standing above all is the fact that the Bulldogs played a great game and fought to the last. Let's keep up the good spirit everyone showed, for the next two games!

Nearing the end of football season, the girls of RHS refuse to be outdone. The Beta Club is sponsoring a "Powder-Puff" ballgame to be played the Friday night after the Bulldog's last game. Any RHS girl who considers herself qualified can try out for one of the teams. Officers of the Beta Club will form a committee to decide who will be coaches for the two teams, majorettes, and cheerleaders. The last two will be boys, of course! Special rules will be decided upon and full details will be announced later.

Last Monday, Juniors tried out for the Drama Club in the high school auditorium. Mr. Askew will announce the members later. Seniors will try out next Monday at the same place. Suggested try-outs are pantomimes, speeches, poems, etc.

As everyone knows, this Friday is Homecoming. After the ballgame ex-students will meet and form an ex-students association. Officers will be elected, and next year the organization will choose a coming-home queen and will help to make a successful Homecoming for 1965-66.

To be crowned at this year's Homecoming a r e the football and band sweethearts.

Interscholastic League contest has been set for November 14, at which time the RHS band will be traveling to San Angelo to measure up to other bands in our region and to try for the sweepstakes.

The RHS majorettes have been doing extremely well at solo and ensemble contests.

At a contest held in Fort Worth the past weekend, Celeste Scott, head majorette, received four medals; Dorothy Oliver received two and Della Camacho won three. Mary Sue Twyman wasn't able to go because of an illness in her family.

At the recent Peanut Bowl, Mary Sue won two medals, Celeste won three, Della won two and Dorothy received one. Keep up the good work!

The F.H.A. has selected its Beau for '64-'65 L. H. Pounds, senior and three-year letterman for the Bulldogs. Last year he was elected "Friendliest Boy" at RHS and has also been active in track. Runner-up to L. H. was junior Johnny McGee.

Prior to the election on Nov. 3, members of the 5th period government class participated in a hot panel debate, discussing Republican and Dem-

There is nothing on earth so beautiful as the face of a happy child. His eyes gleam, his smiles are genuine, his emotions are true and open. A child is another true masterpiece of God.

It takes so very little to make a child happy. Be it a dainty curly haired little girl, a little tom-boy in breeches and pigtails, or a husky freckled faced little boy in faded jeans, all are the same. Just a lot of tenderness and love, a guiding hand, a word of encouragement and assurance when fears take over, a feeling of security at home when the outside world seems a little rough on them — these are the principal ingredients for a happy child.

insecure, afraid, unloved. It is not a nice sight, but some parents, in their selfishness or in their search for revenge, cause just such children. Broken homes, where the child spends six months here, then six months there without any real ties anywhere unhappy parents that argue and fight in a child's presence — these and other selfish factors caused by adults, are the reasons for such a child.

This kind of situation recalls to mind the words of Douglas Jerrold, "Happiness grows at our firesides, and is not to be picked in strangers' gardens." When a child has no real home, it is a natural instinct for him to try to "pick it from a stranger's garden." It is unpardonable for these adults to instill into the questioning mind of a youngster that Life offers nothing but hurt, unhappiness, selfishness, anger.

Imagine now, if you will, the face of an unhappy child—

ocratic policies and candidates. On the Republican side were Bob McCleskey, who spoke a but Goldwater and his policies; Alex Brasher, who gave the Republican platform; Stephen Long, who gave the vice-presidential candidates qualifications, and Sarah Cooper, who told the class about each National Convention. Democrats were Tommy Lenzi, who gave the attributes of Johnson; Catherine Stroud, who gave the Democratic platform and Donella Carwile, who discussed Hubert Humphrey.

In most cases, parents want the best for their children, but we parents are human and the animal instinct in us make us strike out in anger when we are hurt. But we should stop and think — how do we get into the child's face — then do what is right for him. He is not a little adult to understand the problem is not within his grasp, but it is with the grasp of the adults to understand what it is doing to the child . . . that is, if they would but only try.

WSCS Circle II Meets In Home Of Mrs. Ted Nicksick Monday

Mrs. Ted Nicksick, president of the women's society of Christian service, entertained Circle 2 at her home, with Mrs. Frank Williamson as co-hostess, Monday, November 2, at 2:30 p.m.

The chairman, Mrs. O. R. Crowen, presided during the business meeting in which Mrs. J. A. Johnson gave the opening prayer and spoke briefly about the "World Federation of Methodist Women." She stated that in 1923 during a meeting in London of the international missionary Council the idea was born and all women were urged to unite to promote peace and friendship and to work for the welfare of the world. In 1929 this idea took definite form and the constitution of the "World Federation of Methodist Women" was signed. The purpose of the organization is "to know Christ and to make Him known."

should understand the changes of these "New Nations" as they struggle for equality. She discussed at length the effects of the "Western Revolution" upon the world and how the communist exploit these ideas for their own ends. She then stressed the need to be (1) Penitent, (2) Principled, (3) Positive, and most of all (4) Patient, as we share our responsibility and do His work "in the fear of God."

Those present were Mrs. J. D. Drennan, E. J. Gilbert, J. E. Johnson, O. R. Crowen, A. W. Brazda, Gaston Dixon, Bruce Allsup, Richard Bonney, one guest, Mrs. Allsup from Dallas and the hostess and co-hostess, Mrs. Williamson and Mrs. Nicksick.

Worldwide Bible Reading Class Set For Nov. 26

"One Bible-reading amendment is possible immediately," says the Rev. David C. Downing, minister of the First Christian Church. "Any person can amend his neglect of the Bible by joining the world's largest Bible class and reading a selected passage each day. This unique Bible-reading class starts on Thanksgiving Day and continues through Christmas."

Worldwide Bible Reading is sponsored by the American Bible Society and a distinguished committee of laymen headed by President Lyndon B. Johnson. By reading the same pre-selected portion of Scripture each day, a spiritual bond is formed between Christians around the world.

JOY LOVE . . . 4-H dress revue winner

Joy Love, County 4-H Member Among Top 12 in Revue

Joy Love, daughter of Mr. and Mrs. Melva Love of Chaney and a senior Gorman 4-H Club member placed among the top twelve in the 1964 State 4-H Dress Revue.

The 43 District winners met in Dallas October 15, 16 and 17 to compete in the 1964 State 4-H Dress Revue. The contestants judged each other as to their poise, choice of accessories, general appearance, and of course, their garments.

The Woman's Building at the State Fair was the site for the two presentations given by the 4-H girls. The commentator, Mrs. Southworth of Sanger Harris, described the garments and gave a brief history of the accomplishments as each girl modeled her garment.

Joy, a senior at Gorman High School, is very active in school activities. She is a cheerleader, on the annual staff, and a member of the Beta Club. She has served as president of Gorman 4-H Club, treasurer of her class, FFA Sweetheart, Class Favorite, and Junior Clothing Leader.

Joy modeled the red brocade party dress and matching jacket which she constructed. Mrs. Love, a 4-H Clothing Leader, gave clothing instruction to Joy and other 4-H'ers.

Monday afternoon Mr. and Mrs. Nuge Sudderth of Ranger visited Mr. and Mrs. R. E. Miller.

Jack Eddleman and family of Fort Worth visited his parents, Mr. and Mrs. Frank Eddleman over the weekend.

\$18 Million To Be Spent In FM Roads Next Year

AUSTIN — The Texas Highway Commission has acted to protect the investment of Texas taxpayers in their 37,000-mile Farm and Ranch to Market Road system by approving \$18,090,200 for betterment in 1965.

A total of 3,305 miles of these all-weather roads will be improved under the 1965 Farm to Market Road Improvement Program to be executed in coming months by the Texas Highway Department.

Commission Chairman Herbert C. Petry, Jr. said traffic increase and heavier loads, coupled with the age of many of the rural roads in Texas, are big factors in the need for periodic "resoling" of many F-M roads.

Under the budget approved today, 353 F-M miles will be reconstructed with new grading, structures and surfacing; 338 miles will be widened, reconditioned and resurfaced; 679 miles will receive additional surfacing, and seal coat improvements will be made on 1,924 miles.

Extensive bridge widening and shoulder improvement work is also included in the list of improvements scheduled for Farm to Market Roads under the 1965 program, Petry said.

Today's improvement budget was in addition to a \$23 million Farm to Market Road construction budget approved by the Commission in May for new F-M road construction.

The Highway Department will spend about \$22 million next year for routine maintenance — in addition to extensive betterment covered in today's action — on the F-M system.

Of the total completed F-M Road system in Texas, 33,560 miles are rural and 1,085 miles are within city limits. An additional 2,469 miles are under construction at this time or financed for construction in coming months.

Since 1948 the Texas Farm to Market Road system has grown from 3,000 miles to the designated system of about 37,000 miles today. An ultimate F-M system of 50,000 miles is envisioned for Texas by the Highway Commission.

RECEIVES MEDAL — Technical Sergeant Melvin J. Alexander, (right) is shown receiving a U. S. Air Force Commendation Medal for meritorious service as supply supervisor at Kadena AB, Okinawa, from Brigadier General William G. Hipper, deputy for material, Headquarters, TAC.

Tech Sgt. Alexander Presented Air Force Commendation Medal

A U. S. Air Force Commendation Medal was received by Technical Sergeant Melvin J. Alexander, son of Mr. and Mrs. Roy M. Alexander of 115 E. First Street, Breckenridge. The medal given at Langley AFB, Virginia, was awarded to Alexander for meritorious service as a supply supervisor at Kadena AB, Okinawa.

He is now in Langley, assigned to Headquarters, Tactical Air Command, which provides firepower and other air support to U.S. Air forces.

The sergeant, who has served 16 years in the Air Force, is a graduate of Breckenridge High School. His wife, LaVeda, is the daughter of Mr. and Mrs. C. E. Mitchell of Ranger.

Making the presentation is Brigadier General William G. Hipper, deputy for material, Headquarters, TAC.

Obey Hunt Code Regulations Is Asked of Hunters

AUSTIN — Sobering reminders of trouble with guns afield is reflected in the monthly arrest report of the Parks and Wildlife Department, according to J. B. Phillips, coordinator of law enforcement.

He noted that 12 arrests were made for night hunting, 25 for hunting from an automobile, 1 for hunting in closed season, 9 for exceeding the bag limit on doves, 4 for using an unplugged gun and 4 for possession of wild doe.

Thirty-one cases were filed for lacking a hunting license but fishing license cases dropped from 386 on the preceding period to 173 for last month.

Phillips advised hunters to check on hunting hours, hunting places, dates for hunting different species and daily bag and seasonal limits.

He said waterfowl hunters should heed the new Federal and State regulation requiring that one feathered wing be left on each duck or goose.

The same rule applies to mourning doves and other migratory game.

Phillips said one chronic cause for violations is shooting too early or too late. Unless otherwise specified, he said, the big game daily shooting hours are from half an hour before sunrise to one half hour after sunset and the waterfowl hours are from sunrise to sunset.

caught several nice ones last week. We heard that he makes his own lures.
Seems that quite a few people are coming out to their lakeside cabins now. A lot of them say for the last time till spring. They're draining water lines and storing supplies, and in general, getting set for the coming winter weather.

Mrs. Tommy Brown and sons, Buddy, Phillip and Lance stopped by to spend the night with us Wednesday. The Browns are moving to Little Rock, Ark., where Mr. Brown will be editor of the Poultry Tribune. He was with the Texas Highway Patrol in Kermit for five and one-half years. Mrs. Brown is the former Margie Quarles, daughter of Mr. and Mrs. O. D. Quarles.

This reporter, husband, and Rev. H. B. Terry of Eastland took a tour of the lake one afternoon recently. The water was as smooth as glass and such a warm afternoon made it most enjoyable. We saw lots of ducks, beautiful colors in shrubbery and trees, and made friends with a white, tame duck.

Savings Bond Sales Report Is Announced

Guy Parker, chairman of the Eastland County Savings Bonds Committee, has announced that savings bond sales in Eastland County totaled \$14,824 during September.

Series E and H savings bond sales in Texas during September totaled \$11,497,961. Texas sales for the first nine months of 1964 totaled \$112,141,294, which represents 74.7 percent of the state's goal of \$150 million.

"The E and H Savings Bond sales program is one of the most important tools the U. S. Treasury has in managing the public debt. It is the most effective way of persuading individual citizens to share in the financial affairs of government. The investment in Savings Bonds is at a record peak. The over \$48 billion now outstanding in Series E and H bonds represents over 15 percent of the national debt. It is important, therefore, that all of us continue to purchase savings bonds regularly," Chairman Parker stated.

Baird, Clyde Scrap Crucial In Title Race

With only two weeks to go—combat due to end a week from Friday — the Baird High Bears, with a four wone lost record, are leading the District 10-A schoolboy grid circuit.

The Bears, who blasted previously top-ranked Albany Lions, 34-6, last week, face a night when they ram into the Clyde High Bulldogs.

In other loop action, the Eastland High Mavericks host the favored DeLeon Bearcats, and the Ranger High Bulldogs rate the nod in a duel with the Cross Plains Buffaloes at Ranger.

In a total of nine games this season, Baird has but one loss. That was an 8-0 upset by the Ranger High Bulldogs who are tied for fourth place in the standings with Albany.

Here are the standings of the seven-member 10-A circuit:

TV Antenna Co. Offers Turkeys Free For Toys

Southern Television Antenna Systems, Inc., which offers television cable service in Cisco, Eastland and Ranger, has announced a special promotion to benefit the Christmas toy projects in the three towns.

Raymond Thackerson, manager, reported that Southern TV would give a free turkey plus cable installation costs and 30 days of free service to non-users for connections through November 23 providing they donate any repairable toy to one of the three towns.

Each year, local civic groups collect toys and repair them for use in annual boxes that are distributed at Christmas time to the needy families.

"There's no gimmick to this offer," Mr. Thackerson said. "This is an opportunity for non-cable users to give us a trial without cost plus a Thanksgiving turkey."

The antenna service sponsored a project last year that helped the civic groups collect hundreds of toys that went into the Christmas boxes.

Raymond Mussatto v. Karen Kay Cheatham. Agreed to file briefs, Taylor.

Organ Dedicated Sunday At First Christian Church

The newly purchased organ was dedicated at the First Christian Church during the morning worship service Sunday, November 1. Miss Vergana Goswick, church organist, played an organ solo during the special dedication.

The organ, completely paid for by contributions from members and friends of the church, will be used each Sunday to add beauty and dignity to the worship services. The fifteen hundred dollars needed was raised by the church in less than five months.

Dates Announced

It has been announced by J. W. Elder, Sr., representative of the Eastland County Welfare Distribution Program, that the following dates have been set for the distribution of USDA Surplus Foods for Eastland County.

Monday, Nov. 9, Eastland, Olden and Ranger.

Tuesday, Nov. 10, Pioneer, Rising Star, Okra, Carbon, Gorman and Desdemona.

Wednesday, Nov. 11, Cisco, Scranton and Nimrod.

Welfare Center is located at 301 South Mulberry Street, in Eastland.

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Your PH is showing... it always does.

PH (personal hygiene) always shows, whether you've brushed your teeth or combed your hair. And whether or not you've had a bath is quite obvious, too, to those people who work or play around you.

Not only is PH — call it cleanliness if you like — an investment in success but it's a definite investment in health and a disease deterrent.

How is this so? With good PH you can often break the chain of disease transmission. Diseases don't just happen. The circle of disease transmission — simply means that germs which cause disease are permitted to enter your body by some process. For example, if you cut yourself and the wound is not properly cleaned, germs may enter the body and multiply, causing an infection. Or someone with the flu may cough or sneeze in your face. The virus, inhaled into your system, may

cause you to have a case of the flu.

The circle, or spiral as it may become, continues when you pass the germ on to someone else.

Handwashing — thorough scrubbing with soap in hot running water — is one of the very best known ways of preventing the spread of disease.

A mother who does not wash her hands before fixing baby's bottle may quite unknowingly precipitate a case of diarrhea.

Or if you are eating out and visit a public restroom without thoroughly washing your hands you may be inviting a case of infectious hepatitis, diarrhea or worse.

The kitchen at home is certainly not immune. Food-handlers especially need to be conscientious — handwashers, for their is the responsibility for what goes into the family's mouths. Handwashing is repeatedly emphasized in short courses for foodhandlers conducted by the State Health

Tickets Are on Sale Now For Olden Homecoming

For several years, people of Olden have been urged to have an Olden Homecoming or reunion for former residents.

For the past several months, the Olden Community Club has been working toward that goal, and it has been announced that there will be a reunion of the past and present residents of Olden on the Saturday following

Thanksgiving, Nov. 28. It will be an all day affair with the noon meal prepared by a catering service at \$1.50 per plate. The program will be short so that people can visit and talk as much as they desire. Those who care to remain through Sunday, are cordially invited to attend a church of Olden.

Over 500 invitations have been extended.

Local people are urged to buy tickets now for the noon meal. They may be purchased in Eastland from J. C. Everett at the Men's Shop and in Ranger at Kelley's Grocery.

Tickets will not be sold at the homecoming. This cooperation is needed in order to give the catering service the

number of meals to be served. See you at the Homecoming.

Kincaid Wins Man Of The Month Contest

A trio to the State Fair in Dallas was awarded to Mr. and Mrs. Don Kincaid last week by Charles Paizer Company for being winner of the company's "Man of the Month" contest.

They stayed at the Cabana Motel and attended the State Fair musical "Here's Love," starring John Payne and Lena Kirk.

Mr. Kincaid has since been promoted to Industrial Representative for the Agriculture Division of the company. He flew to Denver, Colo., this week to attend a training session before taking over his

new job.
