MR. BURLESON

El Paso Man Is Named District Farm Agent

John E. Burleson, El Paso ounty Agricultural Agent tince 1960, on March 1 will become district agricultural agent for Extension District 8 vith headquarters at Stephenville. Burleson replaces R. G. Burwell who retired on January 31, 1965. The Central Texas district is composed of 20 counties, including Eastland County.

In making the announcement, Director John E. Hutchison, Texas Agricultural Extension Service, said Burleson has made an outstanding rec ord in each of the positions he has held since joining the Extension Service in 1951. a native of Eastland County but did most of his growng up on a Comanche County

The new district agent is graduate of De Leon High School, Tarleton State College and Texas Technological College with a B. S. degree in horticulture. He has also done graduate work during sun sessions at Texas A&M Colorado State Universi

NIPAK-Last word in quality, first word in N, P and K-growing power for your crops!

The widest range of quality fertilizers of any U.S. plant are now on stream in the \$25,000,000 Trinity River Complex of NIPAK, INC., Kerens, Texas. These are urea, ammonium nitrate, anhydrous ammonia, direct-application nitrogen solutions and ammonium phosphates.

Fourteen satellite sales service centers in five states blend quality mixed fertilizers.

All solid NIPAK fertilizers are available at all locations in colorcoded bags or in bulk.

NIPAK's quality controls and unexcelled service mean extra profits for you. See your NIPAK fertilizer dealer today!

NIPAK, INC. DALLAS, TEXAS

ROYAL SETS DISTINGUISHED SERVICE AWARD-Texas Press Association presented its first Distinguished Service Award on Jan. 22nd at the newspaper publishers' Mid-Winter Convention in Austin. Award was given to Darrell Royal, publishers' Mid-Winter Convention in Austin. Award was given to Darrell Royal, Athletic Director and Head Football Coach at the University of Texas. It was presented in appreciation of the national recognition which Royal has brought to the state through the gridiron prowess of his Texas Longhorns, plus his own ability and personality. TPA Pres. Aubrey McAlister, (left) publisher of the Bonham Daily Favorite, is shown with Royal as the two examined the copper engraved plaque which pictures the famed Longhorn coach. Presentation was made at an honor banquet attended by 300 daily and weekly newspaper publishers of Texas. Dave Campbell, sports editor of the Waco News-Tribune, spoke on "That Man Darrell". Jimmy Banks of the Austin Burcau of the Dallas Morning News added to the tributes paid the honores.

loans are a part of the Economic Opportunity Act of 1964. They can provide up to 52,500 for up to 15 years at a 4% percent interest rate. Rural residents can get the loans on the basis of their ability and character.

According to Mr. Cole, the loans are for people who know a good way to increase their county FHA supervisor, but who cannot readily get financing through regular credit changes.

Another provision of the new FHA program provides to several of these girls entered a dance ensemble. The trophies are different from the unal award given for superb twirling which is usually a medal.

The annual band banquet has been planned and will be heid at the Lone Cedar Country Club on April 30. The hand mothers are working on the banquet.

Unlike the original plans, the banquet will include both high school and junior high bands since the junior high band is not allowed to have a banquet alone.

Speaking of banquets - the long-awaited day for the seniors will arrive April 23 when juniors will honor the graduating class with a ban ouet at Lone Cedar Country Club. It has been rumored that the seniors might have to furnish their own food, but is is doubtful, even though the juniors might have a little hard feelings.

Small Fruits Suggested For **Home Gardeners**

COLLEGE STATION Texas homeowners can have a satisfactory and dependable source of home fruit by using the four small fruits," says Bluefford Hancock, Extensi horticulturist at Texas A&M

These small fruits include figs, grapes, strawberries and blackberries.

"The small fruits have numerious advantages over the tree-type fruits, Hancock explains. They are quick to come into production, easy to propagate at home, extremely dependable in production,

AMERICA'S YOUNGEST HEART FUND VOLUNTEER is Eyear-old Theresa Mazzari, shown with her surgeon, Dr. George Robinson of New York's Montenore Hospital, who implanted a ball-in-cage plastic valve (like the one shown against ruler in inset) inside her heart to replace one that was too small to carry blood from one section to another. She's the world's youngest beneficiary of heart valve replacement surgery, and, understandably, an all-out sup-porter of the 1965 Heart Fund Campaign. The valve, implanted when Theresa was 10 months old, clicks audibly with each heart beat. That's music to Dr. Robinson's cars

With aluminized exhausts that discourage corrosion . . . Delcotron generators that encourage longer battery life . . . brakes that adjust themselves . . . rocker panels that flush themselves free of dirt and salt. Tight? They're downright miserly!

You're looking at the lowest priced sedan and station wagon that Chevrolet makes.

They neither look nor act their price.
They're roomy. The sedan seats six. The wagon has nine feet from the back of the front seat to the tip of the lowered tailgate.

They're good looking. Clean. Functional. You can get an economical 4-cylinder engine in the sedan or in both cars, a 120-hp Hi-Thrift Six that's quick to do everything but cost you money. As we said earlier, these are our lowest priced cars. Try one out today.
