community and state - level projects since his graduation in 1950 from the University of Texas School of Law.

As a partner in the Creighton & Creighton law firm with his father, the late J. R. Creighton, and brother, John R. Creighton, he was in 1955 and again in 1954 honored as one of the outstanding men in Mineral Wells. He served as local president and later as state vice president of the Texas Junior Chamber of Commerce, and a national director of the U.S. Jaycee organization.

Creighton is past president of the Mineral Wells Lions Club. In 1959, he was named president of the Palo Pinto County United Fund, and has served as district commission er of Boy Scouts and regional vice president of the Texas chapter of the Association of the U. S. Army. Prior to his election in 1966

Carrier costs only this much more than "price" brand air conditioning

Just because Carrier is the recognized leader in air conditioning, some people have the mistaken idea it costs more, Truth is, you can have world-famous Carrier air conditioning in your home for about the same price you might pay for ordinary, compromise brands! And remember, we are air conditioning specialists, not general merchandisers. Our experienced installers know the job, do it right, and back it up with a written guaranty of performance. The result: through the years you enjoy the low operating costs that only fine equipment plus expert installation can provide.

Carrier central air-conditioning as little as

\$568.00

"Inis figure is computed as an example to compare with "price" brands and is based on a typical 1400 aquare foot installation where adequate central heating system and electrical facilities exist. While the individual requirements of your home may differ from this example, the low price is typical of Carrier's complete range of sizes and capacities to meet any air conditioning
