Farmers and ranchers Eastland County were remind ed Friday that claims for the Federal Gas Refund must be submitted before September The claim may be filed only be the owner, tenant, or operator of a farm situated in the United States and operated as a trade or busines

This refund is on the fou cent per gallon excise tax paid on gasoline and diese fuel used by operators or their farm during the perk of July 1, 1964 to June 30, 1965. This refund has no connections with the claims for refunds sent to the State comptroller office.

The gasoline used on an on erator's farm by custom contractors is also eligible for the efund, but that used in high vav travel is not. The so cial postcard form, 2240 is the proper one to use to submit fuel claims, and they have been mailed to operators who reported in 1964.

New farmers and those who have not received the Form 2240 may obtain one from th Farm Bureau office at 208 West Commerce, Eastland. Farm Bureau was instru nental in obtaining both the tate and federal tax refund or non-highway-used gasoline it was reported.
