UNITED FUND MEET IS SET FOR TUESDAY

Detailed plans for Ranger's coming 1965 United Fund drive are expected to be finalized during a meeting of UF officers and directors Tuesday afternoon at 1 p. m. at the offices of the Ranger Chamber of Commerce.

The fund-raising campaign will be staged here on Monday, Oct. 4, and the city's quota is \$5,500. The goal and date were set during a directors' session last Tuesday.

Dr. Luther Gohlke is chairman of the drive and he will be assisted by Dr. John Foster, assistant chairman.

Glyn Gilliam, president of the local United Fund group, will preside during Tuesday's afternoon session.

Proceeds from the 1965 campaign will go to eight agencies — Boy Scouts, Campfire Girls, Community Public Library, Teen Town, Texas United Fund, American Red Cross, Salvation Army, and the USO.

"Give a Day's Pay — the UNITED Way!" will be the slogan for the Ranger fund-raising effort.

NEWS * NOTES * BRIEFS

GET READY to give, Ranges, during the coming, all-important 1965 United Fund drive.

We like the remark we heard one Ranger man make the other day: "The United Fund collects money and spends love."

Doodling with a pen while coffeeing up Friday morning we figured the share each of the eight participating agencies out of each of the \$5,500 to be raised beginning on Monday, Oct. 4.

The Boy Scouts and Teen Town get 22 cents each; the Community Public Library, Child Welfare Club and Salvation Army receive 11 cents each, the American Red Cross gets 18 cents, and the Campfire Girls, Texas United Fund and USO receive one cent each.

RANGER workers of the American Cancer Society are desperately in need of clean sheets, pillow slips, etc., for use in making urgently-needed dressings for local cancer patients.

If you can help in this important cause, call The Ranger Times, MI 7-1101, or Mrs. G. A. Fyffe, 316 Mesquite, phone MI 7-1326.

Mrs. Fyffe reported that since July 1, 11 Ranger women have made 672 cancer dressings for six patients.

These fine volunteers have spent 169 hours of their time in this charitable work. They will appreciate your help. Won't you — please?

Doe-Kill To Be Controlled By Land-Owners In County

Control of doe killing in Eastland County will be in the hands of land owners in the future if Parks and Wildlife Commission proclamation is adopted, as it is expected to be.

A public hearing was held in Eastland County Monday evening and 35 persons attended, hearing a report on the proposed proclamation and expressing their opinions regarding the provisions.

The Parks and Wildlife Commission was given authority to control the means and methods of taking game, the bag limits and the open seasons, by an act of the last state legislature.

Reading the proclamation was O. F. Etheridge, State Parks and Wildlife Information and Education officer, and on hand to answer pertinent questions were Dwane

O. Smith, Fisheries Biologist, Clyde E. Holt, Wildlife Biologist, and local Game Warden Maurice Dry. The proceedings were tape recorded for the benefit of the Commission.

BREAD of Life

Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved.

—Acts 4:12.
Now none but Christ can satisfy. None other name for me, There's love, life, and lasting joy, Lord Jesus found in Thee!

Father of Ranger Woman Passes; Services Friday

Funeral services for Everett Virdon Thornton, 63-year-old father of Mrs. Larry Farrow of Ranger, were held Friday morning at 10:30 o'clock in the First Baptist Church, De Leon.

Rev. Henry Wardlaw, pastor of the church, officiated and burial was in DeLeon Cemetery.

Mr. Thornton died Wednesday morning at 6 o'clock at his home in DeLeon, apparently the victim of a heart attack.

He was born Jan 21, 1902, in Cedar Grove, Ky. and had lived in Comanche County since 1933. Semi-retired, he had been working as a caretaker at De Leon Nursing Home.

Previously, he had been employed at Heldridges Food Store for several years. Mr. Thornton was a member of the Beattie Baptist Church. Survivors include his wife, Bertha; three daughters, Mrs. Michael Huesas of North Brook, Ill., Mrs. George Bingham of Comanche, and Mrs. Larry Farrow of Ranger; three brothers, Curtis and Edward, both of Beattie and Cletis of Odessa; three sisters, Mrs. Lori Drake of Beattie and Mrs. Laura Adams of Odessa, and Mrs. Lula Williams of Barstow, Tex.; and four grandchildren.

VISITING HERE

Mrs. Studie Jones has visiting her this week her daughters and their husbands, Mr. and Mrs. C. O. Bennett of Lubbock and Mr. and Mrs. G. M. Patton from Hamlin. Also visiting her were her granddaughter and family, Mr. and Mrs. R. L. Staudt, Janna and Robert of Amarillo.

ENROLLMENT AT RJC TOTALS RECORD 327

The official registration count at Ranger Junior College is 327 with five withdrawals, leaving a total of 327 students, it was reported Friday.

Two new instructors have been added to the teaching staff, and additional help has been employed for the cafeteria personnel.

The Board of Regents of the college is investigating the possibility of building another dormitory for boys and adding a unit to the girls' dormitory to be ready by the fall of 1966.

More students are being enrolled daily and registration for full-time work will continue through September 27.

Murder Trial Is Postponed

The murder trial of Robert Hall, which was scheduled to begin Monday in 91st District court, is postponed and is presently set for Oct. 11, it is reported.

Motion for continuance was asked by Defense Attorney Earl Conner Jr., was acceptable to Prosecuting Attorney Perry T. Brown, and was granted by Judge J. Frank Sparks.

County Cancer Society Has Monthly Meeting

Eastland County Cancer Society met for a monthly meeting on Sept. 17 at 7:30 p. m. in the Texas Electric Service Room in Eastland.

The Certificate of Authorization was presented by Mrs. Harvey Baker of Abilene, district director of District 13, and the Eastland Unit, having met the standard, voted to accept the Certificate. Mrs. Baker commended the Eastland unit for doing such an outstanding job in the April Crusade. This county was one of the counties on the Texas Honor Roll and one of the counties which had "Bettered it's best."

Due to the absence of Barry Moncue, manager of District 13, awards that were to be presented at this meeting will be presented at the next meeting.

Delegates named to attend (Continued on Page Four)

Only semblance of opposition registered at the meeting was from a group inquiring about the bow hunting restrictions in the county. Mr. Etheridge explained that present legislation does not permit a bow season in the county, although there may be seasons in Stephens and Palo Pinto Counties.

Mr. Holt explained that a doe survey is presently being made in the county, the results of which will be reported (Continued on Page Four)

TEA WILL CELEBRATE 45th ANNIVERSARY OF 1920 CLUB THURSDAY

To celebrate its 45th anniversary, the 1920 Club members will be entertained with a tea in the home of Mrs. C. E. May on Thursday afternoon, Sept. 23, at 3:30 p. m. Mrs. Ven O. White will be co-hostess.

Mrs. J. E. McDowell will speak on "Through the Looking Glass for the Past 45 Years."

Mrs. J. E. Matthews is president of the club for the 1965-66 club year. The group

was organized in 1920 and celebrated the same year.

Leader for the anniversary tea reassembly for the new club year will be Mrs. E. F. Horrigan.

A preview of the year's study will be presented by Misses A. W. Brazda, R. L. Hamrick, A. N. Larson, Theodore Nicksick and J. Floyd Killingsworth.

The meeting will be conducted with presentation of the club collect by Mrs. C. R. Pruet.

SCHOOL BOARD OKAYS PLAN TO ALLOW COURSE CREDITS ON PASSING EXAMINATIONS

The Board of Trustees of Ranger Independent School District met in regular session Tuesday night with all members present and approved a plan whereby students of recognized ability could receive high school credit for courses merely by passing an examination. Such credit would not be valid for graduation purposes but could be used as excess credits for college entrance.

During the business session, presided over by Ross Hodges, president, the board also heard reports from High School Principal James Childers, Young Principal Boone Yearbrough, and Hodges Principal Larry Hunt.

Audience was granted to Ray Williams.

The board also approved the vice-president of the board signing checks for either the president or the secretary when either are out of town or unavailable for signing. Dr. Luther Gohlke is vice-president and R. V. Robinson is secretary of the board.

The resignation of George Munnerlyn, high school custodian, was accepted. No action was taken to name a replacement.

Supt. James Clark reported on interscholastic league eligibility rules and reported on luncheon commodities received.

A tax report prepared by Mrs. Zora Hughes, tax collector, was reviewed. It showed \$78,745.11 was collected the past school year for the public schools, and \$44,728.42 was collected for the college.

The football receipts report for the Cisco-Ranger game showed Ranger's share of the profits after officials were paid was \$479.56. No report had yet been received on the Dublin game.

Bills for August were gone over and approved for payment.

Fund balances for the close of the fiscal year as given by Supt. Clark were \$387.27 in the State Available Fund, \$7,532.66 in the Local Maintenance Fund, \$2,045.17 in the Transportation Fund, \$1,323.63 in the Interest and Sinking Fund and \$6.78 in an old Building Fund. The Athletic Fund balance was \$463.73 and the Lunchroom Funds totaled \$3,897.54.

The total enrollment was given by Clark as being 616-162 in Hodges Primary, 153 in Young Elementary, and 302

in the Junior - Senior High School.

The board asked the superintendent to draw up some board policies that they had discussed and to present them (Continued on Page Four)

Bulldogs Turn on Power To Rip Gorman Panthers, 50-6, in Friday Night Tilt

Combining a vicious, power-laden ground attack and a rock-ribbed defense, Coach Gerald Cumpston's Ranger High Bulldogs far exceeded expectations at Bulldog Stadium Friday night as they ripped the Gorman High Pan-

thers, 50-6, in a non-conference school-boy grid clash.

In pre-game ratings the Panthers had been doped to lose. But — only by a few points. The District 22-B club, paced by Quarterback Daryl Hirst, impressively opened their season a week earlier by topping the AAA Graham Steers "B" team, 27-0.

The 10-A Bulldogs went into the Friday night fray with a record of a thin 15-13 triumph over Cisco and a 14-0 loss to the Dublin Lions, both 7-AA clubs.

The Maroon & Whites, after chilling an opening 39-yard drive by the visiting Panthers, took possession of the oval on their own 45-yard stripe after Quarterback Johnny McGee had recovered a Gorman fumble. Seven plays and 50 yards later, Fullback Larry Blackwell blasted across from the five. But End Jerry Watson's kick for the extra point was wide.

The explosive Bulldogs scored again six plays later capping a 50-yard punt return with a TD blast over center from the 5-yard stripe. Halfback Mike Landtroop lugged the ball across and McGee uncorked a quarterback sneak for two extra points.

Three more tallies in the second quarter put the RHS powerhouse ahead at half-time with a commanding 36-0 bulge.

McGee swept right end from the 10, clinching a 48-yard drive, early in the second quarter. Blackwell plunged through left tackle for the extra points.

Eight plays later, Landtroop raced 31 yards around left end after a pass — McGee to Halfback Phil Brown — had set up the TD play. McGee passed to Brown for the extra points.

After Rudy Mendoza had recovered a Panther fumble, it was first and 10 for the Bulldogs on their own 48. On the first play Jerry Watson ran 52 yards for the last score of the first half.

As the margin of victory mounted in the last half, Coach Cumpston sent in just

about everybody but the water-er boy, and the peppy reser- (Continued on Page Four)

DONALD O. KELLEY

Airman Kelley Is Selected For Tech Training

Airman Donald O. Kelley, son of Mr. and Mrs. William A. Kelley of Oiden, has been selected for technical training at AFB, Tex. as a U. S. Air Force administrative specialist.

Airman Kelley recently completed basic military training at Lackland AFB, Tex. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically-trained personnel for the nation's aerospace force.

The airman, a 1963 graduate of Oiden High School, attended Ranger Junior College.

Mrs. Kimmel, 50, Ex-Resident, Is Buried Friday

Mrs. Harold F. (Annie) Kimmel, 50-year-old former resident of Ranger, was buried in Evergreen Cemetery Friday afternoon following funeral services held at 2 o'clock in the Killingsworth Funeral Chapel.

Officiating were Rev. H. B. Terry, pastor of Bethel Baptist Church, Eastland, and Rev. Jackie Heath, pastor of Eastside Baptist Church, Ranger.

Mrs. Kimmel, who was born Jan. 31, 1915 in Stephens County near Ranger, died Tuesday at Hillcrest Hospital in Waco where she had been making her home.

Surviving are her husband; three sons, Phil, Donnie and Harold Dean, all of Waco; one daughter, Mrs. Maurice Eastover of Waco; her parents, Mr. and Mrs. W. A. Harmon of Stephenville; three sisters, Mrs. Jack Tyecker of Abilene, Mrs. George Martin of Dublin and Mrs. Earl Pendell of Sun City, Ariz.; five grandchildren.

Ranger Women Hurt In Wreck

Barbara B. Thackerson, 23, and Wanda Sue Cherry, 20, both of Ranger were treated for minor injuries and released at Hendrick Memorial Hospital following a two-car collision at U. S. 80 east and Cockrell Dr. about 11:40 a. m. Friday.

Police said both were in a car driven by Barbara Thackerson and were going west on U. S. 80.

The other car, driven by Nancy Darden Pitzer of Breckenridge, was going east on U. S. 80, police said.

ATHLETIC BOOSTERS URGE MEMBERSHIP TO SUPPORT TEAMS

"If you're a backer of the RHS Bulldogs or the RJC Rangers then you need to be a member of the Athletic Boosters Club," Mrs. Homer Perry, secretary, reminded Friday.

Homer Perry, president of the organization, also announced that the group will resume its regular schedule of meeting on Monday nights in the cafeteria of Ranger Junior College.

Membership cards in the

Ranger Athletic Booster Club are available from the following persons:

- Jack Duvall, Mrs. Jesse White, Juanita Hamilton Mrs. A. Garcia, Mrs. Blackwell, Charles R. Mahaffey Wilson, Watson, L. Landtroop, Mrs. M. E. McGee, J. E. Speed, Charles White, Coach Gerald Cumpston, Mr. and Mrs. Leonard Pounds or Mr. and Mrs. Homer Perry.
- Names of supporters buying memberships will be published in The Ranger Times each week.

refs. with some who think there's too much traffic on the gridiron these days. We thoroughly enjoyed an interview on the ABC network Monday night between former All-American and NFL star Tom Harmon and former All-American Kenny Washington of UCLA on this subject.

It took some real iron men back in those days to go 60 minutes. But this is no reflection on our great gridmen of today. Just a nostalgic glance backward at what some fans yet call "the good old days" of the pigskin sport.

DEAN RICHEY left Ranger Sunday to return to Peabody College — Nashville, Tenn. where he is working on his Master's degree in psychology. Richey son of Mrs. Melissa Higgins of Ranger, received his bachelor's degree from North Texas State University, Denton, last January and completed one semester of work at Peabody last spring.

A graduate of Ranger High School and a former student at Ranger Junior College, Richey hopes to make a career of working with emotionally disturbed children.

Texas, however, is considerably below the national income average \$2,500 per capita.

Haskell's "Thang" and Caddo's "Criter" have been joined down in East Texas by a "thing" reported in the vicinity of Jefferson.

Dwaine Dennis, former editor of The Ranger Times and now owner and publisher of The Jefferson Jimplicute had the following to report in his front page colin this week: "No new developments have been reported to the Jimplicute concerning the spotting of a monster near Scotts Creek Bridge several weeks ago. "The monster took on new meaning last week after many unidentified tracks were

discovered a short distance from the bridge. "Several hunters were in the area over the past week-end, but no new tracks or sightings of the "thing" have been reported.

"Tracks discovered last week were along a sandy road about 100 yards from the bridge. A definite four-foot pattern could not be seen from the tracks found in the sandy road. The tracks discovered had a three and one-half foot stride and the prints measure about four inches by six inches. Other tracks discovered at the Old Foundry Cemetery near Lodi measured about five and one-fourth by seven and one-fourth inches.

"Many persons from this and surrounding areas have visited the two areas during the past three weeks and no one that has seen the tracks have been able to positively identify the tracks as being that of a bear or gorilla. Many persons seem to think that the tracks were made by a bear while others lean toward a gorilla.

"Only time can tell whether the tracks were actually made by some artificial means that the tracks were

FIRST IN CLASS — Scott Miller, Morton Valley 4-H member, showed this Southdown ewe lamb to her class at the West Texas Fair in Abilene Monday.

BRIT FERGUSON
with Grand Champ Ewe

County 4-H Clubs Win Awards At Area Fair

Eastland County 4-Hers were a credit to the County at the 1965 West Texas Fair at Abilene September 12 through the 18, according to Assistant County Agent Bill McCutchen. The local 4-Hers had 26 sheep and seven head of beef cattle in the Fair. Those entering Livestock were Larry, Jerry, and Lynn Williamson of Ranger; Scott and Becky Miller of Morton Valley; Frank Claborn of Eastland; Mike and Bill Farnsworth and Brit Ferguson of Cisco; and Cynthia and Carter Housel of Rising Star.

In the open Hampshire sheep division, Brit Ferguson had the third place pen of three ram lambs, third place ewe lambs, and a first and third 2-4 tooth ewes. He had the Grand Champion Hampshire ewe of the Junior show. Bill Farnsworth had fourth place 2-4 tooth ewe in the open division, and a second place 2-4 tooth ewe in the Junior division.

In the open Southdown classes, Frank Claborn had the fifth place ram lamb, the third place pen of three ewe lambs, the second place Get-of-Sire and third place exhibits flock. Scott Miller of Morton Valley had the second place ewe lamb in the open show.

In the Junior show Frank had the second and fourth place ram lambs, the fourth place ewe lamb, third place 2-4 tooth ewe, and second place pen of three. Scott Miller had the third place ram lamb, first place ewe lamb and third place pen of three.

County youngsters did equally as well in the beef show. In the Junior Angus show Carter Housel showed a fourth place Junior yearling heifer and Cynthia had a third place Junior heifer calf. In open Angus show Carter had a fifth place Junior yearling heifer, and a fifth place Summer yearling bull. Cynthia had a fifth place senior heifer calf.

In the open Hereford division Jerry Williamson had a fifth place Spring yearling heifer, and Larry Williamson had a sixth place Spring yearling heifer. Lynn Williamson had a fifth place Summer yearling heifer in the Junior Hereford show.

The Eastland County youngsters did a fine job in fitting and showing their animals, commented McCutchen. They brought back a stack of ribbons and the generous prize money awarded by the West Texas Fair will certainly help on the projects.

Rising Star Boy's Sears Gilt Shows At Westex Fair

The Eastland County Sears Gilt Show was held at the County Show barn in Eastland at 8 a. m. Saturday, September 11. The 4-Hers who received gilts in the Spring brought their animals to this show and were judged for the best development as breeding stock.

Members who exhibited their gilts were Donald Hughes of Carbon; Jack Clark, David Bailey, and Carter Housel of Rising Star. Winford Parr, Vocational Agriculture Teacher at Eastland placed the animals and commented on the class.

Carter Housel of Rising Star exhibited the first place gilt, received \$7 to be used on his project and represented the county at the Area Sears Gilt Show at the West Texas Fair Grounds in Abilene Saturday.

Workshop Is Set For Area Masons In Eastland Soon

A workshop has been scheduled for officers and members of Masonic Lodges in this area at 8 p.m. Thursday, September 30. The meeting will be held at the Masonic Hall in Eastland. Officers of Breckenridge, Cisco, Rising Star, Gorman, Ranger, Carbon, Desdemona and Eastland Lodges have been especially invited.

The Workshop is part of a statewide semi-annual program authorized by the Grand Master of Masons in Texas, J. Carroll Hinsley of Austin. The program is conducted for nearly 1,000 Texas Masonic Lodges with a membership of 250,000 men. The Masonic Order is the state's largest fraternal organization.

The purpose of the Workshop is to enable Masons to Masonic Lodges and their operations. The Workshop will be conducted by Stanley B. Aldrich of Mineral Wells, who is a retire Army Colonel and chairman of Masonic Workshop Area B-8.

Grand Master Hinsley stressed the importance of attendance by all Lodges officers and emphasized that other Mason are welcome.

SINGING SUNDAY

There will be an all-day singing at Gorman on the third Sunday, Sept. 19, according to an announcement by Pete Tyrone. Arrangements are being made for a large crowd, Mr. Tyrone said. A basket lunch will be spread, and everyone is invited.

McCutchen wished to thank the people of the County who came to see the youngsters exhibit their animals. A good group of people from Eastland County attended the three days of judging.

Convicts Take The Glory Out Of 'Easy Life' For Youngsters Of County

"Don't despise the simple things of life."

That was the stern advice to Eastland County youngsters from inmates of the Texas state penitentiary during "Operation Teenager" in Eastland Friday morning.

More than 2,000 public school and junior college students sat in wide-awake wide-eyed awe as three convicts told their own life stories and sounded warnings for those who sat free outdoors. Many of the teenagers wept openly as the tales of broken homes, broken hearts and broken lives were unfolded.

The three anonymous inmates gave no outward sign of their hard, cruel lives as they appeared in their spotless, freshly-ironed white uniforms, looking for all the world like "the boy next door. Neither was over 21 years of age, but the total of their sentenced time amounts to 271 years, it was announced.

On stage at the Majestic Theater they appeared as they do at what they now call their "home", only with numbers, no identity. No one told of coming from a large family

and drifting into the wrong with a friend and the good feeling of having self respect.

No. Two was from a wealthy family, wanted for nothing, and sought only after the "easy" life of no work, no study and no responsibilities.

No. Three told about his search for popularity at the expense of all other qualities. Neither of the three listed a goal, and in the summation, cited that omission as one of the reasons they are where they are today.

"We are not where we are because of an accident. It didn't happen all of a sudden. We are what we are and where we are because of our pattern of behaviour — established when we were like you."

Advising the youngsters to enjoy the simple things, the convicts said that these were the things that they miss most now — a quiet evening at home with the family, a hill, a walk down a street

Without a wasted word and in an articulate manner as one could imagine, the young men spelled out their stories during the two programs. Their well-measured words dramatically gave impact to an impressive program for area youth.

Eastland Police Chief Ray Laney, who helped direct traffic was heard to comment: "If this were to help but only one, then it will have been a success."

Junior Football Teams Divide Twinbill Event

The junior high football teams of Cisco and Ranger broke even in a double header program Thursday night at Chesley Field in Cisco. Cisco won the 7th grade game and Ranger won the main event.

In the opening contest, Cisco recovered a Ranger fumble on the three yard line

and QB Monte Morris drove over for a touchdown. Morris also plunged over for two extra points that proved to be the margin of victory.

Late in the game, Ranger's Rusty Squyres got his passing game going and had completions of 14, 11, 12 and 11 yards to score. Mike Campbell pulled in the TD toss. A line buck failed and Ranger lost, 8 to 6. The Ranger score came in the final minutes of the tilt.

In the main event, Cisco never offered a serious threat. Johnny Martindale had several good runs, including two for 15 yards each, but the Bengals never got beyond the Ranger 18.

Late in the game, Ranger QB Raymond Jimenez got his offense going with Tommy Bolt, Roy Nicky and Larry Williams in his backfield. They started in midfield and picked up four first downs to the Cisco 6. Jimenez then went over a sneak and Williams circled for the two points. Ranger won, 8 to 0.

The Ranger line included Alan Thomas, center; Phil Sanders and Richard Williams, ends; David Garcia and Mike de Los Santos, tackles; and Gene Bilby and John Rutledge, guards. Gilby and Thomas were credited as the top defensive stars for Ranger.

After a scoreless first half the seventh graders in their first appearance on a gridiron — came to life in the third quarter and annexed two extra points to put the pressure on the Pupettes.

With time fast running out on the clock, three quickly completed passes put the young Bangerites down on the Cisco 8-yard stripe. They scored with only 18 seconds left but failed on their conversion attempt to knot up the game.

Next Thursday the Ranger Junior High aggressors travel to Comanche to meet the Little Indians.

R ★ H ★ S REPORT

By Bob McKeivain

The second annual Powder-Puff football game will be held in Bulldog Stadium Friday, September 24, at 7:30 p.m. The event will again be sponsored by the high school Beta Club. Coaches were selected at a recent meeting of the club. They are Jerry Watson, Phil Brown, Al Garcia, David Mahaffey, Dowell Hartfield, and Jack Watson.

Cheer leaders will be of the male variety to add color and laughs to the unusual event. Cheer leaders include Mike Landtroop, Bill Robinson, Freddie Blackwell, Johnny Graham, Bill Watkins, Armondo Renteria, Larry Monroe, and Joel Jimenez. Twirlers will be Roy Pearson, Larry Blackwell, Glen Wilson and Terry Brown.

A new feature of the game this year will be the selection of a football bean to be elected by the participants in the contest. Tickets will go on sale Tuesday morning at the high school. They will be 25 cents for high school and grade school students. Adult tickets will be 50 cents. Tickets will also be available at the gate.

Players will be on one team: Nancy Veale (captain), Marilyn Nash, Sylvia Camacho, Kathy Sharp, Ann Raliff, Bobby Scoggins, Jane Bradford, Elvera Renteria, Deana Seymour, Vicki Hattin, Ruby Cole, Jackie Stevens, Jane Pearson, Linda White, Suzanne Rourke, Donna Johnson, Mary McGee, Jana Niska, Mary Barnes, Patsy Stokes, and Mary Craig.

Making up the other team will be Cathy Rogers (captain), Debbie Johnston, Delia Camacho, Nancy Newnam, Janice Black, Donna Ainsworth, Cheryl Mahaffey, Eileen Noth, Jeanne Edwards, Dixie Hodges, Francis Revels, Zuelia Carwile, Betty Weeks, Karen Mince, Barbara Rushing, Midge Williams, Bettie McKeivain, Sheila Graham, Alice Greer, Shirley Rose, and Latoria Stevens.

Dixie Hodge was presented a mum at the pep rally signifying her selection as a football sweetheart and a candidate for football queen at the last home game. Congratulations, Dixie!

The Future Teachers chapter met Thursday for its first gathering of the school year. President Alice Hodges presided over the meeting. Principal James Childress spoke to the group about the benefits of being a member of the teaching profession. Mr. Childress pointed out that teachers' salaries are being raised steadily and that professional recognition, long in coming, has now been granted to educators at all levels.

Verganna Gowick reported on the projects that have been planned for the coming year. Their purposes center mainly on serving the school and winning greater public knowledge of the FTA.

Jack Watson was appointed sergeant-at-arms for this year. Jack is a senior and has been a member of the chapter since it was founded three years ago.

Four members of the chapter will attend the District VII workshop in Haskell September 25. They are Alice Hodges, Robby Scoggins, Jane Pearson, and Bob McKeivain.

The District VII Convention will be held at Midwestern University in Wichita Falls on November 17. Several members of the group are planning to attend that meeting.

The Student Council sponsored a paid assembly Tuesday. A program on physical fitness was presented by Mr. Leo Gada, a juggler and acrobat.

Alvin Langley, son of Mr. and Mrs. A. G. Langley has taken a leave of absence from his work with Texas Co., out of Odessa and is attending Ranger Junior College.

BOY SCOUTS 12th WORLD JAMBOREE SET IN IDAHO

Farragut State Park, Idaho, has been named as the site for the 12th World Jamboree in August 1967 with the Boy Scouts of America as host. The 5,000 acre park is located in northern Idaho on the shores of Lake Pend Oreille. About 50 miles northeast of Spokane, Washington. It is expected that 17,000 Scouts from nearly 100 countries will take part in what will be one of the largest representative gatherings of youth ever held in the free world. About 5,000 members of the Boy Scouts of America will be accepted for the world encampment compared with the 53,000 who attended last year's National Jamboree at Valley Forge, Pennsylvania.

Chief Scout Executive Joseph A. Brunton of the Boy Scouts of America stressed the importance of the 12th World Jamboree as a demonstration of world brotherhood and said, "We should use the power of Scouting as an international force of peace. We should strive to make the spirit of Scouting prevail in all nations."

The invitation to the Boy Scouts World Conference from the Boy Scouts of America was unanimously accepted in August 1963 in connection with the 11th World Jamboree held on the plains of Marathon near Athens, Greece. The 12th World Jamboree will be the first ever held in the United States. The only other World Jamboree ever held in the Western Hemisphere was in Canada in 1953.

Numerous sites in the United States were considered and inspected before the final decision for the Farragut Park location was made. In addition to weather, scenery, availability of supplies, and transportation, and opportunities for swimming activities, the Idaho site will give an opportunity for Scouts from other countries to view a greater expanse of this country as they travel to the State Park.

The dates of August 1-9 1967 have been chosen, as they have special significance because they coincide with the 60th anniversary of the first experimental Boy Scout camp conducted on Brownsea Island off the English coast by the founder of Scouting, Robert S. Baden-Powell.

The first World Jamboree was held in England in 1920, and, in a spontaneous tribute, Baden-Powell was named as Chief Scout of the World. The first Jamboree was attended by representatives of 34 countries.

Other World Jamborees have been held in Denmark, Holland, Hungary, England, France, Austria, Canada, The Philippines, and Greece.

As a part of the 1967 World Jamboree, Scouts from many of the 53 local councils of the Boy Scouts of America will have the opportunity to serve as hosts to Scouts from other countries. Although the Scouts will speak 26 different languages, experience at previous world Jamborees has shown that language barriers fall quickly as boys get together as brother Scouts.

Both families attended the funeral of Mrs. Lanier's uncle Mr. C. A. Renfro, who died at the age of 97.

Mr. and Mrs. Garvin Chastain had as recent visitors in their home, Mr. and Mrs. P. G. Russell of Dallas. Mr. Russell is a former geologist with Lone Star and was located at Eastland.

Mr. and Mrs. Owen Falls had Mr. and Mrs. James Maddox from Mingus visiting in their home last Saturday. Also Paul Ramsey, a nephew of Mr. Falls stopped by for a visit before returning to Texas Tech.

Mrs. Velma Spores from Odessa, has been visiting in Cisco, and also visited Mr. and Mrs. Jack Williams of Ranger.

Mr. and Mrs. Clyde Fisher are here visiting her mother, Mrs. Tom Fox. The Fishers are former residents now living at Las Cruces, New Mexico.

Mr. and Mrs. Al Tune and Pamela of Monahans visited here with their aunt, Mrs. Mary Koeler.

Skating on ice is possible because the weight of the body melts the ice and the skater really is traveling on a film of water which freezes again as the weight is removed.

Gology is the study of the science of birds eggs.

Military Personnel To Be Featured At Peanut Bowl

Army, Navy and Air Force personnel will have a display downtown during the entire day of the Sixth Annual Peanut Bowl, Oct. 16, it has been announced by Chairman Tom Staggs.

Plans are shaping up to look as if this may be the biggest parade ever for the Peanut Bowl, Staggs said. The 266 Fort Hood Band was scheduled to be here for the event, however it has been announced that this band will be replaced by the Second Armored Division Band of Fort Hood.

The Hardin - Simmons University Cowboy Band, among many other attractions, will be on hand for the parade. Parade time will be at 3 p.m.

The H-SU Cowboy band, known throughout the country for its fine musical and marching ability and its "Cowboy Shuffle", will feature the Six White Horses, ridden by Hardin - Simmons co-eds.

The band will also perform at the football game between Cisco and Ranger Junior Colleges.

Big halftime activities are being planned for the football game.

RIIS FOOTBALL

(Continued from Page 1.)

vists turned in creditable performances. Four plays after Gorman kicked off to open the second half, Landtroop got around the corner on a right end sweep and raced 58 yards to score. The conversion attempt failed.

Another Gorman fumble on the return kickoff gave the Bulldogs possession on the Panther 21. McGee knifed through center to score from the 13 and Blackwell blasted over for the two extra points.

The game, but outclassed Panthers tried to rally late in the third quarter when they moved from their 33 down to the 20 on a dozen yardage-gaining plays. But there the Ranger defense wouldn't yield and the drive stalled.

Midway in the fourth period Gorman moved from its own 45-yard line down to the Bulldog 29. From that point Hirst burst into the clear around left end for the Panthers' lone tally of the night. A pass try for the conversion was incomplete.

Little Valorie Hoover and her brother Scott, have been enjoying a visit with their grandparents Mr. and Mrs. John Smith this week.

Ranger Band Booster Club Meets, Plans Made For Coming Year; Report Sale Of 229 Memberships

The Ranger Band Booster Club met Tuesday night in the high school band hall with Mrs. J. D. Drennan, president, presiding. The minutes of the last meeting were read by Mrs. Morris Newnam, secretary. Mrs. Reese Franklin, treasurer, gave the monthly financial report and presented the proposed budget for this year. Mrs. Franklin also reported that some 229 membership cards have been sold to date. Mrs. Theo Hale, Chairman of the committee, presented the constitution and by laws for 1965-66.

Band director, Mr. Burns, announced the winner of the \$5 prize for most membership sales was Darla Franklin. Darla sold 25 cards. Membership cards are still available from Mrs. Drennan and Mr. Burns. The club members voted to purchase new pom poms for the band caps, and Mr. Burns promised to get the order in the mail immediately so we can look forward to new cap decorations before too long. Mr. Burns announced that the Ranger, High and Junior High bands have been invited to take part in the Gorman homecoming parade, October

2. There will be ten neighboring school bands participating. During the half time of the homecoming ballgame, they will all take part in a mass band effort. The members of the high school band entertained the visiting band from Gorman Friday night after the game here, with a coke and cookies party at the Bulldog Band Hall. All parents of members of high school and junior high bands are urged to attend these meetings. The next meeting will be October 12, 1965, at the band hall.

2 Indians Here to Learn Techniques Of USDA Soil Conservation Office

Two men from India will be observing the work of the Soil Conservation Service in Eastland County for two weeks, reports Irvin Poff, area conservationist, Soil Conservation Service.

Arun Kumar Dutta, Assistant Soil Conservation Officer, Calcutta, India, arrived in Eastland Tuesday, where he will observe Local Manager E. E. McAllister and the local SCS staff until Sept. 16. Then he will go to Stephenville for a week.

Narayan Kashinathji Shende, Assistant Soil Survey Officer, Nagpur, India will be in Stephenville until Sept. 16, when he will come to the Eastland County office for study until Sept. 24.

Messrs. Dutta and Shende have previously had training at Washington, D. C., South Dakota, Nebraska and California, and will go from here to Fort Worth, South Carolina, Georgia and Ohio before returning to Washington and then home.

They are particularly interested in the activity of Soil Scientists of the area, as they will be in charge of Soil Survey operations when they return to India in November. In Eastland County, they will work closely with Edward R. Harris, soil scientist for the local SCS office, learning about the survey process. Mr. Harris recently joined the Eastland staff and is in the process of a two-year survey of the entire county soil status. The Indians' objective is to gain additional field experience in soil surveys and their use in watershed and farm planning, Mr. McAllister said. Mr. Poff stated, "We welcome the opportunity to assist them in becoming familiar with our ways of conservation. We have had very good experience in the past in work with such foreign representatives."

The foreign guests will stay at the Village Hotel during their stay in Eastland.

Press Meets Indian Agricultural Visitors

By DIXIE DUNCAN

An interesting and educational conversation got underway last Tuesday evening in the Agricultural Stabilization and Conservation Service office when the press met and had the privilege of talking with Mr. Narayan Kashinathji Shende of Nagpur, Maharashtra, India, and Mr. Arun Kumar Dutta of Calcutta, India. They arrived in Texas from California this week and came to Eastland Tuesday.

Both Mr. Shende and Mr. Dutta are assistant soil conservation officers in India and arrived in the United States on May 26 for a six-months stay, during which time they will receive training in aerial photograph in-

terpretation, cartographic, photogrammetric in soil conservation centers in the U. S. Dutta, who has one son, age three and one half years old, is a graduate of Central College of Agriculture, with a Bachelor of Science degree. At I. A. R. I. in New Delhi he received his IARI Associate degree.

He and his family live 240 miles from the border over which India and Pakistan is currently having dispute. He is very much concerned about the border dispute—what with his family so close.

Shende, also a graduate of I. A. R. I. in New Delhi, attended the Central College of Agriculture an Intermediate and Bachelor of Science degrees.

National religion in India is Hindu, which provides that no beef be eaten. In that country, cattle are religious animals, Messrs. Dutta and Shende said. There are some 14 major languages in that land, with at least three languages being spoken by every adult.

The average size of a farm in India is five acres. Crops grown there include rice, wheat, cotton, corn (which they call maize) and peanuts (groundnuts). Rainfall varies from five inches to 500 inches, they say.

Mr. Dutta will be in Eastland for two weeks, while Mr. Shende spends the same period of time in Stephenville, then they will swap towns and Mr. Shende will be here for two weeks.

They have each been assistant soil conservation officers for 12 years.

Postmen are limited by law to 50 pounds of mail per trip.

VISITORS FROM INDIA — Narayan Kashinathji Shende and Arun Kumar Dutta, both of India, are shown in the Eastland office of the Soil Conservation Service where they will be headquartered alternately for the next four weeks learning about U. S. Department of Agriculture practices and procedures as part of an international information exchange project.

THANKS

FRIENDS and NEIGHBORS

It was very nice of so many of you to attend our Open House out at Lone Cedar Country Club Monday evening.

We are sure that your warmth and friendliness was appreciated by the many new families in our midst who are associated with our public school system and our junior college.

We hope these newcomers will find an abundance of happiness, joy and satisfaction in their associations with the citizens of friendly Ranger.
