Event Is Planned Sunday Morning

The Life of Christ — from birth through the Resurrection — will be portrayed by a cast of 135 in a two-hour outdoor production Sunday morning in the second annual Kendrick Easter Pageant. Many thousands of people from throughout the state are expected to witness the event. Starting at 3:30 a.m. in order with the Crucifixion scene at sunrise on Easter Sunday, the event will be held at the 320-foot stage complex at Kendrick Amphitheater located midway between Cisco and Eastland on Highway 80.

The huge amphitheater, built by the J. H. Kendrick family as their contribution to the Lord's work, has been erected during the past six months of white aggregate stone. It contains 12 stages for 43 scenes that will feature the pageant. Authentic in every detail of costume and props, the Kendrick family has gone to considerable expense to make the pageant bigger and better than last year's. And improvements will continue at the amphitheater in the year to come. Described as the most complete performance of the Christ story ever presented in Texas, the script was prepared and adapted from the Bible by Phil Kendrick, who with Mrs. Bill Mitcham are the directors. The pageant will be narrated by Pierre Kendrick and Mrs. Ros Westfall as the huge cast enacts the various scenes. Live animals will be used in several scenes. A female camel was leased from the Fort Worth zoo for the nativity scene. There will be a grey donkey for Mother Mary, and a white donkey for Jesus' triumphant march. A camel for the wise men, and sheep for the shepherds in the fields. The River Jordan actually flows, and the Sea of Galilee will be very real. Three huge crosses have been erected for the Crucifixion scene. And Mount Calvary has been erected for added realism. A trumpet trio to provide needed fanfare has been added. It is made of Rhett Smith and Randy Beskow of Eastland and Hulin Perrin of Ranger. Stage managers are J. H. Kendrick, Fern Kendrick, and Mrs. Bill Kendrick. Lighting will be handled by Bill Mitcham and Roy Westfall. Music for the pageant will be provided by Mrs. J. H. Kendrick at the piano, Phil Kendrick at the organ, the Kendrick quartet, a trumpet trio, and a choir. The list of characters includes the following: Mrs. James McCormick and Mrs. Fred Brown, Herod's slave girls; Stacy Kendrick, Angel of the Lord; Kathy Capers, Mrs. Ray Carey, Judy Williams, Beverly Harris, Ann Harris, Janie Graham, Mrs. Ted Touchstone, Mrs. Everett Harris, Shirley Ford and Stacy Kendrick, angel chorus; W. Burleson Makes Statement In Congress Re-Election Race

Omar Burleson, veteran Congressman from the 17th District today pledged a vigorous, active campaign for the Democratic Primary nomination for re-election.

In announcing his plans to seek re-election, Burleson stated he will base his campaign on his record of nearly 20 years service in Congress.

"In that time, I have never been a 'yes man' to anyone or any group, but have fulfilled my responsibility to vote on each issue for what I thought was in the best interest of our Country, our State, and our District; people have the right to expect no less," Burleson said.

Burleson is among the senior members of the U. S. House of Representatives in point of service.

His seniority has carried him to the Chairmanship of the potent House Administration Committee, and to the second position to the Chairman on the powerful House Foreign Affairs Committee. In addition, Burleson serves on two important Joint Committees formed from senior members of the House and Senate, as Chairman of one and Vice-Chairman of the other.

"In all my years in Congress," Burleson said "I have followed two guiding principles: First, to know the views of my constituents and reflect their sentiments to the greatest degree possible in my actions as their Representative. Second, to inform and advise as closely as I can on those issues which affect our District, our State, and the Nation."

Burleson termed his approach to government as one of "common sense," gained through his years of public service.

Burleson is a former County Attorney and County Judge of Jones County. He was appointed an FBI Agent, and served in a number of assignments over the U. S. He resigned from the FBI to join the Navy in World War II, with duty in both the Atlantic and the Pacific.

As a leader in Congress, Burleson has consistently urged the return to a sounder fiscal policy and the cutting of unnecessary and extravagant federal spending.

"I have tried to see that your tax money is spent as wisely, and as judiciously, as you would have spent it had you been in my place," Burleson said. "The record will definitely show that on many occasions I have found myself in the minority — especially on needless spending of the taxpayers' money. I am proud that I have never failed to exercise the right to vote and to do as I thought best."

"At every session of Congress, I have voted for expenditures below that recommended by the Executive Department, and far below that actually appropriated by the Congress, except in the field of National Defense," Burleson said.

"When it comes to the defense of this Country, I have

always voted for those things calculated to make and to keep our Nation stronger than any other in the world," he said.

Burleson said he feels there are those other things for which the Government was designed and, of course, it costs money. "Such things as the conservation of our natural resources — caring for God's gifts to people that they may be preserved for future generations," he said.

Burleson also said that the individual, groups of individuals or local governmental entities are unable to cope with matters of flood control and, in many cases, an adequate water supply. "We have got to look to the future if our area progresses. For one thing, this means water is a priority concern."

"The Federal Government has assisted our area in numerous respects in coping with some of these problems. We have our share of flood control projects and our share of attention to those now in the planning stage. An example is the effort to find an answer to the flood threat in Abilene and several other places.

"An example of other Federal activity in our area is, of course our military installations new Post Office buildings and other Federal interests which are proper and needed."

Further, Burleson said that he "certainly subscribes to the idea that the Government should help the elderly and those people who are unable to help themselves."

Burleson has been an implacable foe of the constant encroachment of the Federal Government into the area of State and local affairs.

"As the Federal Government has grown to its colossal proportions, the threat of centralized power in Washington has increased," Burleson pointed out. "To this, I am opposed, as my actions have proved."

"Big Government and high taxes are the result of many activities of the Federal Government which should be reserved to the States. Big Government with its far-flung operations has created needless waste and extravagance."

Burleson stated he was proud of the "trust and the confidence placed in me by the people who send me to Congress — and to violate that trust in any respect would be unthinkable."

He urged residents of the 17th District not familiar with his background of service to investigate the record he has made — "And if you believe I have been faithful to duty and worthy of your continued support, then your active participation in my campaign will be greatly appreciated."

Well-known through Texas, Burleson is a native of the 17th District. He was born and raised on a farm between Anson and Stamford in Jones County. He attended rural school, and graduated from Anson High School.

Out of the Bowling Bag

By RALPH SITLER

Believe it or not, we had another first place winner at the Stephenville singles tournament last weekend. Ray Harbin of Eastland and a member of the Volunteer Fire Department rolled a 1286 for six games including handicap.

Others who did good were Holman Bagwell with a 1203, Jerry Carter rolled 1149, J. D. Johnson rolled 1217, Bill Jordan rolled 1226, Benny Skinner rolled 1154, and Leo Gann rolled 1129.

Our housewives party was another success with 30 ladies joining in the fun. Mrs. Janie Swift was the lucky winner of the drawing prize, which was a blouse sponsored by the Mode O'Day Shop of Eastland. Other ladies won free games, etc., given by the Fiesta Bowl each week.

The Couples League met Thursday night at 7 p. m. to award trophies, and to form a new summer league. By the way, more couples are needed for this league so if you are interested, call the Fiesta Bowl.

Final standings for the

couple's league are as follows: 1st place team, Mr. and Mrs. Mack Heart and Mr. and Mrs. Howard Langford; 2nd place, Mr. and Mrs. Holman Bagwell and Mr. and Mrs. Gene Bagwell; high individual for men, scratch, J. D. Johnson of Ranger rolled 246 for the season.

High handicap men's game for the season was Bill Beck of Ranger and the high game for the season was Sara Peel of Eastland with a score of 237. The high single game for the season was Peggy Beck of Ranger with 249. Howard Langford had a 620 scratch for the high series for men (season). Sara Peel had 587 scratch for the high series woman's game. Men's handicap series was 686 rolled by Mack Heart and in the women's handicap series Sara Peel bowled 639.

J. D. Johnson was awarded a gold belt buckle from the American Bowling Congress for being the most improved bowler of the men for the season with 18 pins over average.

Mrs. Birt Stevens also was awarded a prize, a gold pin for being the most improved woman bowler of the season with an improvement of 13 pins over average.

Wesson Succeeded By Pettit As Office Manager For PCA

Mr. Wesson, field office manager of the Production Credit Association in Eastland, is rather busy these days. Among many other things of importance, he has on his mind the question of "What to do after retiring." This is rather a big question considering the fact that Mr. Wesson has devoted the past 36 years of his life in the cotton business and to financing farmers.

Mr. Wesson and his wife, Myrtle, moved to Eastland from Las Cruces, N.M. in 1950, when he became man-

Little Moisture Recorded During Month Of March

Only two days in March brought rain to Eastland County, according to a report from Weather Observer James K. Smith. The .02 inch rain on March 28 plus the .09 inch rain that fell on March 29 left the land rather dry with a total of only .11 inches of precipitation for the entire month.

Average rainfall for March is 1.59 inches. This year, the county was shy 1.48 inches, the report shows, and last year it was 1.05 under average with a total of .54 inch for March.

Rainfall during February of this year totaled 1.42 inches which was .04 inch over the average of 1.38 inches. In 1965, precipitation in February totaled 2.10 inches, .72 inch above average.

The Resurrection Story Will Be Theme Of Local Church Programs

Palm Sunday service marked the beginning of Easter observance in multiple thousands of churches throughout Christendom.

In days ahead, the greatest story ever told will be repeated in sermon and song, pageantry and praise, as worshippers rejoice in the victory of the empty tomb.

Ranger churches are preparing programs to provide a genuine worship experience for all — the man in the pulpit and the man in the pew.

Spokesmen for each group extend an invitation to area residents to attend these services.

CHURCH OF GOD
The Church of God will observe Home Coming Day as they worship the risen Savior. Former pastors and members will attend services which will feature seasonal music and the message by the pastor, Rev. J. C. Coleman.

Following the morning service, there will be a fellowship dinner and egg hunt.

SECOND BAPTIST
The Living Lord will be worshipped in sermon and song in the teaching and training program, and fellowship of believers during all scheduled services of Second Baptist Church on Sunday, Rev. Robbie Hobbs, pastor, will be in the pulpit for both morning and evening messages.

CHURCH OF THE NAZARENE
Members of the Church of the Nazarene are looking forward to participating in a season of genuine inspiration this Sunday. The pastor, Rev. D. A. Lambert will present a message of the resurrection.

FIRST CHRISTIAN
Members of First Christian Church will observe Holy Communion at 7 p.m. this Thursday; Good Friday services will be held at 7 p.m., and worship services in keeping with the day will be conducted on Sunday, according to announcement of the pastor, Rev. E. W. Burke.

MERRIMAN BAPTIST
The Young People's Department of Merriman Baptist Church will be featured during the Easter Morning Service. This will prepare the hearts of worshippers for the message of the pastor, Rev. L. R. Higginbotham.

CHURCH OF GOD OF PROPHECY
In the absence of the pastor, Rev. L. E. Selvers of Sweetwater will be in the pulpit for both morning and evening services on Sunday.

Following the morning service, there will be a fellowship dinner and egg hunt.

MACEDONIA BAPTIST
Members of Macedonia Baptist Church will attend the Kendrick Easter Pageant, returning to Ranger in time for regular services, featuring a seasonal message by the pastor, Rev. L. A. Sharp, Jr.

FIRST BAPTIST
The choir of First Baptist Church under the direction of Dan Mitchell will sing "Hallelujah! Christ Is Risen" by James McGranham, preceding the message "Alive From the Dead," by pastor Avery J. Sullivan at the morning worship hour at First Baptist Church.

ST. PAUL BAPTIST
"The Old Rugged Cross" and "Christ Arose," are selections chosen by the choir of St. Paul Baptist Church as their special contribution to the service this Sunday morning. Rev. J. C. Mills of Fort Worth interim pastor, will bring both morning and evening messages.

There will be an egg hunt on the church lawn at 3 p.m.

FIRST METHODIST
Rev. Ray Elliott, pastor, First Methodist Church announces that both morning

and evening messages will be centered around the events of Easter.

The choir under the direction of Dr. Kenneth Alford with Jimmy Watkins at the organ, will present special music prior to the sermons.

EASTSIDE BAPTIST
Easter plans for Eastside Baptist Church include special features commemorating the resurrection. Music by both choir and congregation will be in keeping with the season as will be the messages of the pastor, Rev. Jack L. Heath.

Like Polara 500's standard 383 in. V8 kicking up a storm while you ride in the sunshine. Like the man said—you don't have to go small to go sporty. Go big. Go Polara 500. The Dodge Rebellion wants you.

Beautiful Trees I Have Known

By LORESTA VEALE
"How much like trees are some people — always swaying with the wind but never really bending."
The third beautiful tree of my memory is a giant live oak. In the winter after all other trees have lost their leaves, the live oak retains its finery. Each of these trees was very beautiful, and each represented a certain phase of nature. The cottonwood became fall; the willow became spring; and the live oak represented the coming of spring.

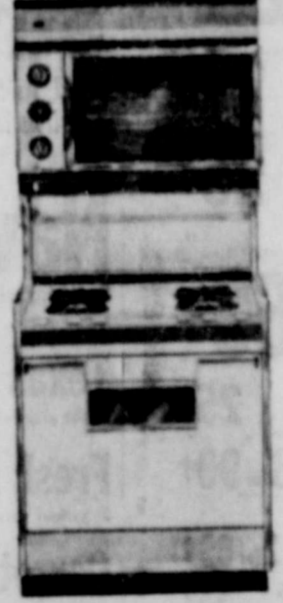

Tree of the most beautiful trees I have known are located within five miles of my home. The first tree I noticed was a stately cottonwood. During the fall as I was walking through the pasture, I came upon it. The leaves were all golden and just starting to fall. Against the blue background of the sky, I thought it was the most beautiful tree I had ever seen.

Gas cooks cooler

There's no hangover heat with gas cooking. Turn a gas burner off and it's off — instantly. Cooking stops. Broiling is cooler, too, and smokeless. With gas you can broil with the door closed. Gas makes the big difference because it's cool, clean, fast, safe, efficient, dependable and more economical than you know what. Now's the ideal time to get that modern, automatic gas range that you've always wanted — at gas appliance dealers or Lone Star Gas.
