NEWS \* NOTES \* BRIEFS

IT WAS on the 1st day of May 1916, the Sinclair Oil and Refining Corporation was established.

Independence, Kansas, was the birthplace of its founder, Harry Sinclair, and the spiritual birthplace of the billion-dollar complex of companies known by his name today.

It is not surprising that the oil fields of Texas play a prominent role in the history of Sinclair development. The words "in a brief span of years, petroleum has altered man's way of life throughout the world" are inscribed on the monument marking the site of the well that brought in the great spindletop field in Texas.

In commemoration of a half century of expansion, a colorful 104 page book has been published. We are indebted to Mrs. Saul Perlestein for the loan of a copy of this fascinating story of phenomenal growth. The book contains pictures and stories of Sinclair's first Texas well on the Gulf coast in 1916, operations in Ranger in 1917, the Mexia field, the pipeline from Burkburnett to Houston, a link in the chain of lines from the Gulf to Great Lakes, and the giant refinery in Houston, one of the largest Sinclair holdings in the nation.

Dedicated to the company's 112,000 stockholders, 50,000 employees, and 4,000,000 customers, the volume gives credit where credit is due—from the dinosaur to the gas tank.

CONGRATULATIONS to Mr. and Mrs. W. W. Jones, 301 E. Main, who observed their 63rd wedding anniversary on April 27.

INDOORS FOR A week prompted Peggy, five year old daughter of Mr. and Mrs. Larry Hunt to walk to the window and say: "Dear Jesus: rain, rain, go away."

GOOD MEETING in good weather was the report of Mrs. Ruby K. Halbert, Patsy Stokes and Joyce Cole as they returned from the state FHA convention in San Antonio.

BULLDOG BAND braved bad weather to compete in UEL contest last Friday afternoon.

RAIN slowed progress of remodeling at home of Mr. and Mrs. Jesse White, Leon Plant... Gave Mr. and Mrs. Ken Lewis time to unpack new merchandise at Western Auto Store... Reduced attendance at Herbert Rapp's Ranger Drive-in Theater.

WET WEATHER made Ranger folks behave, according to police who report no arrests over the weekend.

LIGHTNING struck a light pole on Saturday morning resulting in "no lights" for 45 minutes. Ranger Fire Department reported "no calls" during the weekend.

HAM AND BEANS The youth of First Christian Church will serve a ham and bean dinner in the dining room of the church from 11 a.m. to 1 p.m. Saturday, May 7. Tickets are \$1.00 for adults; 75 cents for children.

JEST for fun

Lady in tramp: "What, may I ask, do you offer as an excuse for your present state of affairs?"

Tramp: "Mal-adjustment," he replied. "I'm too young to draw the old age pension, and too old to be a juvenile delinquent."

Saturday Is Election Day

(An Editorial)

The residents of this county will have an opportunity Saturday to express themselves at the ballot boxes as they go to the polls in the First Democratic Primary Election. They will select the nominees of the Democratic Party for offices from the precinct to the district and state levels.

Voting in all elections is, of course, one of the obligations of good citizenship.

In making some recommendations concerning the election, it is not our purpose to try to tell you how to vote. Rather, we seek to call your attention to things that you might want to consider when you cast your ballot. In this light, we offer these thoughts for your consideration in some of the races:

STATE SENATOR — Tom Creighton of Mineral Wells was elected to the State Senate from the 22nd District in 1961 and has advanced to 11th place in seniority. He is serving as chairman of several important committees. He is a graduate of the University of Texas law school, is a military veteran, served as a county attorney eight years, and has done an outstanding job during his five years in the Senate. The new 22nd district includes half of Tarrant County. Senator Creighton has pledged that he will give that part of the district the same fine representation that he has been giving the small towns and less populated counties. He is a young man "going places." Let's give him a big vote.

FOR CONGRESS — The 17th District has a very able representative in the Honorable Omar Burleson. He took a heritage rooted deep in the soil of West Texas to Washington with him 20 years ago, and he still stands for the same high ideals and standards. His actions in the Congress over the years have reflected the feelings of a vast majority of his constituents. We need his strong voice in Washington to stand guard over the rights of the people and the states to fight against pressure groups.

FOR GOVERNOR — John Connally has done an outstanding job and deserves a big vote as an expression of appreciation.

FOR LIEUTENANT GOVERNOR — Preston Smith has demonstrated ability in handling the duties of this office and merits re-election.

FOR RAILROAD COMMISSIONER — Since his appointment to fill a vacancy years ago, Byron Tunnell has shown that he is a man of ability. He has the background as a lawyer, a legislator and as a member of the Railroad Commission, and he has earned election to a full term of office.

lin of Hill County resigned as secretary of state to make tin if Hill County resigned as secretary of state to make this race. He was appointed to that position by Governor Connally after having done a fine job as a state senator and as a citizen. He has earned this promotion.

Regardless of how you vote, we would like to urge you to take the time Saturday to visit the polls and cast your ballot.

Dodgers, Yanks Win First Games

An enthusiastic crowd of Little League players and fans were on hand for the opening of the season at Little League Park, 6:30 p.m. Monday, May 2.

The opening game saw the Indians and Dodgers in a game that ended in a score of 6 to 4 in favor of the Dodgers. In the second game, the Yankees took a 5 to 2 lead over the Giants.

Little League games are scheduled for Mondays and Thursdays; Minor League games for Tuesdays and Fridays.

Thursday's game will feature the Yankees vs Indians, and the Dodgers vs Giants. Playing for the Giants are Jim Duvall, Mark Dempsey.

Members of the Dodgers are Ricky Hughes, Ronny Ainsworth, Steve Edwards, Paul Sullivan, Mike Wendel, Benjie Jiminez, Tommy Anderson, Wendel Tipton, Victor Wendel, Steve McGough, David McGough, Dick Brasher, Tim Grandpre. Manager is Gene Townsend.

Making up the Indians team is Robert Garcia, Jimmy Battles, Mark Olsen, Fred Welton, Jerry Blackwell, Odus Wilson, Lance Rippy, Ray Rippy, David Meecham, Cody Bradford, Emeterio Vasquez, and Jimmy Cork. Team managers are Jack Blackwell and Carl Meachamp.

Cancer Drive Is Extended

Inclement weather prevented completion of the residential section of the Cancer Crusade conducted on Thursday, April 28.

Deadline for canvassing has been extended through Friday, May 6. Workers will complete assignments and submit reports to area chairmen who, in turn, will report to the general chairman.

Chairman Gary Beauchamp is most appreciative of the response of both workers and contributors.

The downtown crusade is in progress this week. Under the direction of W. T. Eaton and Mrs. D. E. Pulley, all places of business will be visited. This drive is scheduled to be completed by the end of the week.

125 Vote Absentee

Only 125 persons voted absentee for Saturday's Primary election the county clerk's office has reported.

This figure is down from corresponding past election years.

Absentee voting ended at 5 p.m. Tuesday, and that number had either come in in person to vote, or made application to vote by mail. Those who have been sent ballots through the mail, must have them back to the clerk's office by noon Saturday to be eligible, he said.

By town, absentee voting was: Eastland, 52; Ranger, 10; Gorman, 21; Carbon, 4; Desdemona, 3; Kokomo, 2; Rising Star, 2; and Cisco, 22.

No GOP Primary Set in County

The Executive Committee of the Eastland County Republican Party announces that a Republican Primary will not be held in this county.

However, plans are being made for a County Convention to be held next week, according to Mrs. Virginia Russell of Eastland.

Demo Conventions Scheduled Saturday

The precinct convention for Ranger is expected to be at the polling place at 2, it is reported.

The Eastland Precinct Convention will be held Saturday, May 7, at 2 p.m. in the Commissioners Courtroom of the Court House, according to County Judge Scott Bailey.

The following Saturday, May 14, the County Convention will begin at 2 p.m. in the District Courtroom, Court House, at which time delegates will be named for the state convention, Bailey said.

Pickrell, who is co-owner of Pickrell Insurance Agency, Ranger, is a graduate of Ranger High School and Junior College, and attended Houston University. He is a member of Ranger's First Methodist Church, Jaycees, and Rotary Club. He and Mrs. Pickrell, the former Shirley Offield, have a daughter, Annette, age one year. The program will include numbers presented by the band and choir on tour. Dorothy Reynolds, Dallas, soloist of the choir, will sing a group of varied numbers. The choir has been federated with the Texas Federation of Music Clubs with the Eastland Music Club as the sponsoring organization.

Dozen Precincts To Handle Votes

Approximately 5,000 voters are expected to turn out Saturday for the Democratic Primary election in Eastland County. Polls will open from 8 a.m. to 7 p.m. in a dozen precincts and, if the weather remains dry and fair, the 5,000 figure was forecast.

County administrative posts and state and national representative races appeared to be the key questions to be decided in the Saturday voting.

The County Commissioners Court could be re-organized with the county judge and two commissioner positions up for election. Eastland Countians will also help decide on a state representative and senator and a United States Congressman while they mark their ballots.

The county Republicans are not holding a primary, and nomination in the Democratic primary traditionally means the victor for an office in the general election in November.

It was presently estimated that there are from 8,500 to 9,000 qualified voters in Eastland County.

Key race on a county-wide basis is that which pits incumbent Scott Bailey and John Hart for the county judge's office. Cisco precinct voters will also decide between incumbent C. B. Dill and Charlie Pence for the commissioners post from Precinct Four, and in the Gorman-Carbon-Desdemona precinct voters will decide between incumbent Glenn Justice and Dick Foster.

Eyed with a great deal of interest will be the state representative's race to elect a successor to Wayne Gibbons. In the race are Saul Pullman of Eastland, Pat McGough of Cisco, Burke Musgrove of Breckenridge and John Musseman of Albany. There are five counties in District 63.

The county will probably give strong endorsement to Sen. Tom Creighton who is opposed by Vernon (Gene) Smith of Fort Worth, in view of support given his Mineral Wells senator in the past few years.

The U.S. congressional race which pits Cong. Omar Burleson and Abilene Attorney Eldon Mahon will come in for close observation, too, as the two vie for the 17th District representative's seat. Eastland was the site in March for an appreciation banquet for Cong. Burleson, indicating that the 20-year congressional veteran will carry the county. There are 23 other counties in the district.

Most county and precinct officials whose terms expire this year are uncontested.

Contested state-wide races include those for governor, lieutenant governor, U.S. Senator, attorney general, commissioner of general land office, railroad commissioner, & court of criminal appeals.

### COLLEGE CAFETERIA SERVES AVERAGE OF 500 MEALS DAILY

The personnel of the Ranger Junior College cafeteria consists of Mrs. Mildred Bonney, manager, Roy Crawley, assistant manager, and Mrs. Rebecca Moody, assistant.

"Most RJC students are very courteous," according to Mrs. Bonney, who has been associated with the cafeteria for ten years.

She estimates that an average of 500 meals are served a day in the cafeteria.

A resident of Ranger for twenty-four years, Mrs. Bonney has five married sons, three granddaughters, and five grandsons. Her sons are W. F. Jr., 1229 Patricia Lane, Garland; Richard, 3297 South 13th, Abilene; Jimmy, 1973 A&M Ave., San Angelo; Bill, 701 Finland, Grand Prairie; and Charles, 3700 Wakeforest, Houston.

Mrs. Bonney, who plans to visit her children during the summer, says, "It has been a pleasure working here. I have become very fond of the students and through the years I have made many friends."

Crawley, assistant manager, has been associated with the cafeteria for eighteen years.

He and Mrs. Crawley, also residents of Ranger for eight years, have three daughters, Billie Joe Craddock of Sundown, Beverlie Ann Prater of Midland, and Dena Roy Findall of Garland. A son was killed in Korea in 1952.

When asked to give his opinion of the RJC students, he replied, "All the students I have come into contact with are the best; all are kind and sweet to me. I find that if you are fair with them, they will be fair with you."

During the summer he plans to do some fishing, and then he will work on the campus setting things ready for the fall semester.

Reminiscing about former students Crawley says, "Some of the best friends I have are former students of RJC who now have good jobs and nice families. Each year ex-students, who are in business of their own, come by to see me, and all are proud that they have attended Ranger Junior College."

Mrs. Moody has worked in the cafeteria for three years. She has lived in Ranger 12 years and in this vicinity for 25 years.

Mrs. Moody is the mother of two children, both married. The Moodys have five grandchildren, all girls.

She plans to work this summer in a rest home. In addition she wants to travel, visiting several states.

Rock collecting and cooking are favorite hobbies, though much of Mrs. Moody's spare time is spent working with young people in church.

### Student Defines Suitcase Colloge

A suitcase college is one where the popular, thing to do is to go home every weekend.

Ranger Junior College is an A-1 example of a suitcase college on weekends.

There are many factors responsible for this practice. One is the ratio of boys and girls. Many boys cannot find dates; so they go home for the weekend.

Another factor is the size of the town. Very few people enjoy staying in a small town where they know few people and have little to do.

Jobs at home are another reason why college people leave school on Friday for home.

"It is, in a way, a bad situation, but it can hardly be helped. It appears that a majority of colleges over the country are suitcase colleges."

## John Hart Issues Formal Statement

In making this my formal announcement for the office of County Judge of Eastland County, I would like for you to know.

I was born October 27th, 1916, in Cisco, and am the son of the late Judge John S. Hart and Mrs. John S. Hart, who still resides near Cisco. I was raised here in Eastland County.

After graduating from Eastland High School, I attended Hardin - Simmons University and majored in Business Administration. Later, I served as a flying instructor for the Air Force during World War II.

My wife, Mary Elizabeth, and I have three children, Judy, age 30, now attending Texas Technological College; Bob, age 13, a student in

Eastland High School; and Pat, age 10, a student in Eastland Elementary School. My family and I are members of the Methodist Church.

I have been active in most phases of the oil business since World War II. I believe that this and other business experiences qualify me to deal with maturity with the administrative and financial duties associated with the office of County Judge.

For the past 25 years, I have served in various capacities as director of the Southwest Conference Officials' Association and president of various regional associations, which have given me an insight into the problems of the young people which I feel will be invaluable in counseling and in serving as juvenile judge.

While my father was County Judge, I had the privilege and opportunity of observing for many years the way in which my father counseled and assisted the elderly and distressed people of Eastland County, which I feel will help me immeasurably in assisting the elderly and distressed people of our county today. I feel that the office of County Judge requires diligent, unselfish, mature, and courteous devotion, not just for a period during the day, but for 24 hours of every day of every week. I feel that it is imperative to our county and our county government that the office of County Judge cooperate with the other county officials.

When you elect me your County Judge, I assure you with all my heart that I will serve you as County Judge with all the sincerity, courtesy, honor, and judicious maturity the office demands.

## Piano Guild In Breckenridge On May 6th and 7th

Over forty students from area piano teachers' studios are scheduled to play memorized programs for Mrs. Elsie Parker of Morrill, Nebraska, in Breckenridge on May 6th and 7th. The auditions are an annual event which is sponsored by the National Guild of Piano Teachers, which serves over 70,000 students in the United States.

"We are so pleased that Mrs. Parker was secured to hear us again," said Ben Karnes, chairman of the Piano Guild Center. "Mrs. Parker judged our class in 1961, and the students remember her as being a pleasant, colorful personality, who was never caught napping. Delightfully appreciative of any student's accomplishments, Mrs. Parker nevertheless advised some student 'you can fool some of the people some of the time, but not all of the people all of the time.'"

Since being here, the wide-traveled teacher-organist-judge has adjudicated guild events as far separated as Oregon and Tennessee. A recent communication from Mrs. Parker informs us of her joy in her 93-year-old father who is in a Denver hospital getting a checkup, and who is busy writing sermons which are going to colleges and also being translated into many languages. "Since seeing you in 1961," she adds, "I have added trifocals so as to see better, but you can tell the students that I do not wear a hearing aid." Ranger students to be auditioned are Paul Riffle, Gracia Haby, Kim Collins, Beth Pearson, and Jimmy Watkins. Pupils from Eastland are Lisa Germany, Alex Meredith, Shannon Wilson, Victoria Wilson, Lois Lee, Anna Hart, Bill Hart, and Janie Miller.

### Rare Book About Pioneer Preacher Is Reproduced By Area Publisher

BROWNWOOD — A rare Texas book has been reproduced in facsimile by the Cross Timbers Press here. The book is "Twenty-five Years on the Outside Row," an autobiography of Peter W. Gravis, pioneer Methodist preacher. It was printed in 1892 by the "Exponent Steam Print" at Comanche. Historians know of only three copies of the original book still in existence and two of these are in libraries.

The book not only tells the story of Gravis' life as a front-

ier preacher, but gives many interesting sidelights into historical events in Central Texas and the Panhandle, beginning in 1859. Gravis literally rode or walked to his appointments with a pistol in one hand and his Bible in the other. He had several narrow wescapes from the savage Indians and suffered many other hardships.

Gravis also tells his experiences as a Confederate soldier, participating in several battles, and later as a chaplain with the Frontier Army at Camp Colorado.

He served in numerous Texas counties including Blanco, Hays, Gillespie, Llano, Comanche, Erath, Bosque, Palo Pinto, Eastland, Hamilton, Coryell, Lampasas, Burnet, Mason, San Saba Brown, Knox, Archer and others.

The new edition of Gravis' book includes not only the facsimile reproduction of the original book, but also an introduction and notes by Dr. T. R. Havins, professor emeritus of Howard Payne College, Brownwood, and James M. Day, director of State Archives, Austin. The new publication was limited to 1,000 copies.

The Cross Timbers Press is a unique publishing venture. Havins and Day joined with three Brownwood men, James C. Capps, Jene Wagner and Clark Coursey, to form this association in order to make the rare Gravis book available to the general public.

Interested men are urged to get their applications in early. Application deadline for the examination to be administered on June 11 is June 6, Sosebee said.

Applications and additional information may be obtained by contacting any DPS patrolman or office, by writing to Personnel and Training, Texas Department of Public Safety, Box 4067, NAS, Austin, Texas 78751.

### DPS Calling For Recruits

"Career employment with the Texas Department of Public Safety is currently being offered young men between the ages of 21 and 35 years in the uniformed services as patrolmen," according to Sergeant Roger Sosebee.

"More than 100 of these positions of trust and public service will soon be open to qualified men," Sosebee said. "They include opportunities for advanced education, excellent physical conditioning and a permanent career of serving mankind."

Upon graduation from the 16-week training program at the modern DPS Law Enforcement Academy in Austin, the trainee will be commissioned a patrolman in the uniform services.

At the Academy, he will receive a salary while in training. He will be taught Texas Highway and Criminal Law, accident investigation, first aid, professional driving, care and use of firearms and many other interesting courses.

Job benefits afforded patrolmen include two weeks annual vacation, 12 or more holidays per year, 12 days of sick leave per year, liberal retirement benefits based on age and years of service and trav-

### Governor Urges Texans To Cast Votes Saturday

AUSTIN — Governor John Connally warned Texans here this week that failure to vote and to attend precinct conventions Saturday, May 7th could result in a takeover of the state Democratic party by a minority group.

"Frankly, a small, militant group of people is trying this year to take over the Democratic Party of Texas for their own purposes," Connally said. "The only way to prevent this is for conscientious citizens to turn out in mass at the polls, and at their neighborhood precinct conventions to make sure that the voice of the majority continues to shape our party and government."

"Voter apathy is the constant threat to good government," he said. "And if we like the kind of stability and

progress we've had in Texas, we'd better guard it carefully on election day. The fellow who thinks his vote isn't important this year couldn't be

more wrong, regardless whether some of the races may appear close. "It is very important that all qualified Texans be certain

to vote on May 7th. And I particularly urge them to attend their precinct conventions after the polls close. I hope they will elect delegates to

Delegates named in precinct

conventions will attend county conventions May 14, and those conventions in turn select delegates to the state convention in September in Austin.

**Abandonment M-K-T Railway In Area Seen**

The M-K-T Railroad has reactivated a request with the Interstate Commerce Commission to discontinue operating the 220-mile segment of the line from Waco to Stamford through Eastland County, according to information here Friday.

John W. Barriger, president of M-K-T, announced last week that the Katy would seek to carry out the abandonment to the three lines crossment proceedings that it withdrew for one year in April of 1965. Mr. Barriger's statement, in part, follows:

After study of the 1965 financial result of operations, it has been decided to re-activate the abandonment proceedings relating to a 220-mile segment of our line, originally built by and still locally known as the Texas Central Railway, from a point six miles west of Waco to Stamford.

"M-K-T, however, will continue to operate the western end of this branch beyond Stamford in order to continue to serve a large gypsum plant at Hamlin and another at Rotan, the terminus of the line. These two stations produce sufficient traffic to support his 42 mile segment of the line and its operation of trains over trackage rights have been secured from the Fort Worth & Denver Railway for a distance of 114 miles from Stamford to a connection at Wichita Falls with M-K-T's line into Denison.

"While abandonment proceedings are pending before the ICC, the Katy will make this route (Fort Worth & Denver at Stamford, T&P at Cisco, and Santa Fe at Dublin and Morgan) that any sections of this prospectively discontinued M-K-T trackage that any one of them may wish to acquire will be for sale to them."

It was understood here last year that the T&P might be interested in acquiring the line from Cisco to Hamlin. Since the Katy plans to continue serving the Hamlin and Rotan plants via Wichita Falls, however, it appeared doubtful that T&P would still want the spur.

City officials have expressed an interest in acquiring the M-K-T right-of-way north past Lake Bernie and Lake Cisco. This right-of-way would be turned into a road, possibly a farm-to-market highway, to serve new cabin site areas on the north and west sides of Lake Cisco.

Texas Highway Department officials have been awaiting word on what will happen to the M-K-T line southeast of Cisco to determine their needs for Interstate 20 crossings, it was reported.

## Out of the Bowling Bag

The Men's city tournament, the fifth one we have had, went off very smoothly with a lot of winners as follows: First place in the team event went to the Southern TV team with a 2967. Close behind was the Champs with a 2902 which was good for second place. The Volunteer Fire Department was third with a 2887.

In the doubles, J. Honea and Richard Hopson were first with a total handicap score of 1287. Second place went to Clyde Maynard and Rodney Thurman with a handicap score of 1229. J. D. Johnson and Gerald Dempsey took third with a 1211.

The singles got real hot with C. White rolling a 659 series handicap. Clyde Maynard was second with a 646 series handicap, and Bill Matlows took third with a 637.

All in all it was a great City Tournament with everyone having a grand time. The management of Fiesta Bowl wishes to extend a big thank you to all the wonderful bowling patrons who helped the tournament to be such a success.

The Bantam Junior League finished Saturday morning and trophies were given to the winners. First place team was the Thunderbirds, winning 76 and losing 14. Second place was won by the Gutter Dusters, having won 58 and losing 32. Third place was the Fireballs, winning 24 and losing 66. High series for the boys went to Terry Ensler with a 345. For a high game it was Stacy Roberts with a real nice 215. High series for the girls went to Jan Brewer with a 310. High game went to Kathy Jones with another 215 game, all with handicap. Stacy Roberts had high average with a 147. High game patch with-out handicap went to Stacy Roberts with a 213. Richy Bailey was the most improved bowler with 39 pins to his credit.

The Japanese people are also bowling enthusiasts. We met one such fellow last week. He was Mitsmasa Takamoto of Tokyo, Japan, visiting in this country and on a trip to New York, Vancouver, Seattle. He is currently staying with John Lee Roper of Eastland. Mr. Takamoto says he averages about 180 in league in Tokyo. We hope Mr. Takamoto enjoys his stay, as much as we enjoy having him.

Oil Co. team with 1065, and 1033. For high individual game, the honors went to Howard Langford with a 258. Second place to Gerald Dempsey with a 227, and third to E. Lewis with a 258.

The fellows on the Monday night league were the greatest, and we hope they will join next year for another go around.

**Control weeds and grasses**

Use **VERNAM** on your peanuts

VERNAM controls annual grasses and many broadleaf weeds including crabgrass, barnyardgrass, pigweed, purslane, foxtail, Johnson grass from seed and annual morning glory. It reduces weed competition in the row for soil moisture, fertilizer and sunlight. You save time and money on cultivations.

VERNAM is a liquid - easy to use. Just mix it with water, spray it on the surface of prepared peanut soil, and incorporate right away. You can do it in one trip over the field. No need to depend on rainfall to carry VERNAM down to the weed seeds. And, since it's there from the start, VERNAM reduces the chance of Southern stem blight, caused by injury from early cultivation. It leaves no soil residue to interfere with crop rotation.

Use VERNAM on your peanuts and this year you'll be saving labor and money, you get better yields from reduced weed competition.
