## Class History

By NANCY VEALE

On a cool, dark, rainy morning in September, 1954, a group of seared children went trudging their way to school. The children were naturally frightened and tended to hang on to their mother's skirts; nevertheless, they started to school. Beginning at Young were Theo, Jimmy, Cathy, Dorothy, Zuella, Eddie, Kay, and Doug. Starting at Hodges were Verganna, Bertha, Richard, Dan, Mary, Willie, Cecilia, Jack, Bobby, David, Billy, and I.

In the second grade Gunn was added to the Young group, but Cathy, Doug, and Kay moved away. Don joined the Hodges crowd.

Next came the third grade. We really felt as if we were grown, after all, as third graders we had been in school for three whole years. Kay moved back, but started at Hodges this time.

In the fourth grade, Cathy moved back and was again enrolled at Young. Latoria was added to the group, too. Lee Roy and Verganna found themselves at Hodges, Zuella transferred from Young to Hodges, and Kay moved away again.

We were sprouting up by the time we were fifth graders, and Carol became a part of the Hodges class.

In the sixth grade, Latoria moved, but Kay returned and started at Young again.

When the next year, 1960, finally came, our class was together for the first time. We were so excited because it was our first year in Junior High School. We were more than ready to throw aside our grade school days and move up the ladder to the "big school." Alice and Dixie joined our class. Carol, Richard, Verganna, and Johnny were class officers.

In the 8th grade Sherry became a part of our class. Class officers were Richard, Verganna, Dixie, Carol, and Johnny. Delia was elected as our class favorite. We won the March of Dimes that year. Our two years in Junior High were happy ones, and we developed a firm feeling of unity and lasting friendships were formed.

Almost too quickly, it seems, we were "Fish." Class officers were Johnny, Richard, Carol, and Cathy. Sherry and Don were our class favorites. By the end of our first year of high school, we had adjusted ourselves well.

Don and Richard were our Sophomore class officers. Verganna was our class favorite, and Marilyn, Latoria, Rhonda, Debbie and Doug joined our class. Marilyn was elected FFA Sweetheart, Johnny was on the All Area team in basketball, and Don was All District in Band.

As Juniors we worked hard, but we had lots of fun. Lee Roy and Dixie were our class favorites, and Sherry was elected as "Friendliest" by the entire student body. Don, Theo, Sherry, Johnny, and Verganna were our leaders as officers. Johnny was All Area in basketball and football. Latoria moved away again. Our class was a big success in the magazine sales, and the Junior - Senior banquet and Junior play were said to have been the best ever given.

The summer just flew by, and our big year finally arrived. After eleven long years, we were Seniors at last! Don, Al, Sherry, Richard and I were elected class officers. Lee Roy and Alice were chosen as our favorites. Latoria returned and Sandra and Gary were new additions to our class. Personalities from our class who were chosen by members of the student body were as follows: Verganna, Band Sweetheart; Cathy, Football Sweetheart; Marilyn, Basketball Sweetheart and Pecan Queen; Richard, Basketball Beau; Johnny and Marilyn, Mr. and Mrs. RHS; Lee Roy was elected president of the Student Body; Johnny, Beta Club president; Doug, president of FFA; Sherry, president of FHA; Carol, president of FNC; Dixie, president of Drama Club; Alice, president of FTA; Theo, Band president; and Dan, editor of the annual. Other members held positions of responsibility in Beta Club, FHA annual staff, band, FTA, FNC, FFA, Drama Club, track, football, and basketball.

Viewing the sports scene, we see that Richard and Johnny were captains of the football team. Johnny was "Most Valuable Player," and was also All District in Football, and Richard went to Regional in track this year. Cathy was captain of the girl's basketball team, and Johnny was captain of the boy's team. Carol was "Outstanding Bandman" of the year, and Delia twirled as a majorette in our band. Cathy, head cheerleader, and Marilyn put

## Class Optimist

By DAN COLLINS

Well, Debbie has really put 'ol RHS on the block. Now it's my turn to try to set it back on its traditional old foundation.

In reply to Debbie's aside remarks about the teachers and administration, I could go into long oratory on the importance of adult supervision, but since none of us could care less I will simply say that I like 'em. In regard to Miss Mac's position as Superintendent of the South water fountain — can you think of anyone else who has a better chance to keep up on all the latest gossip? Now really, I find it hard to believe that Mr. Childers has already orn out two whips; after all, he's only been here nine months.

Smoking on the school grounds? Really, Debbie, this is outrageous! The teachers try to be good influences on us, and we should try to follow suit.

The fact that we can't sit in our cars during lunch hour isn't entirely detrimental. It gives us all a good chance to collect on our school insurance as we stand in the street.

Now you can't blame Jack for being a little bit egotistical. It's a biological fact that when the human body is patted on the back its head swells.

No, Carol isn't so much better in books than anyone else, she just reads the right kind. And Jimmy's problem isn't that the teachers don't like him — he just can't stand the sight of them.

RHS hasn't treated us so badly. Heaven knows it's seen worse Senior Classes and in all likelihood will see still even worse.

Thurber Ex-Students Set Reunion in June

The Thurber Ex-Students Association will hold its sixth annual reunion June 11-12, according to Modean L. Boggus, secretary-treasurer.

Activities will begin at 1 p. m. Saturday in the Old Dry Goods Building. Lunch will be catered on Sunday.

Ex-student Ollus Justus of Radio Station WBNL, Boonesville, Ind., will speak at the reunion. Besides being a radio announcer Mr. Justus is a song writer and author.

steam behind the team during football season.

Our Senior year was just great! We will never forget our Kid Day antics, the Senior play, the Junior-Senior banquet, and many other wonderful occasions. Of course, our class won the March of Dimes again, and the entire year has been a complete success.

As this year draws to a close, we wincereally say, "Well, the Senior Class of 1966, only hope that the future will be as exciting and filled with happiness as the past twelve years have been for us."

## Class Pessimist

By DAN COLLINS

I see my name listed as Class Pessimist on the program. Well, I disagree — I'm merely a realist. For instance, all the talk one hears of how great a school RHS is — is just that — TALK. I've been in this building for three years now and I've yet to find anything good about it.

The teachers would be alright if they weren't so snooty and so much like "watch dogs." Have you ever noticed the way Miss McEver stands in the halls and guards the water fountain between classes? Well, I think it is just an outrage. And while I am speaking of teachers, I might as well go ahead and air my views about a certain member of the administration known as the principal. When he came here this year, he seemed like such a nice man, I just knew school would be one big blast — and — wham! Now that he's got us broken in, he's already worn out two whips.

While the teachers are terrible and cruel to all the students, the rules that they make are even worse. Many people in this town don't realize that the students aren't allowed to smoke on the school grounds, and even worse is the fact that we can't sit in our cars during the lunch hour. Before you know it they will have us wearing uniforms and marching to and from classes as if we were in the labor union class of the Soviet Union. I just think it is time we had a public hearing of student representatives and the school board so we can submit our grievances. I'm sure that everyone would agree that we are treated unfairly.

To make matters worse, the students aren't perfect either. Just because Jack Watson got a scholarship to Texas Western, that's no reason for him to get an inflated ego. If there were powder - puff football teams at some of the colleges, maybe a few girls would have a scholarship too. Then there's our veterinarian, Carl.

Everyone talks out how smart she is, but I don't think she's so much better in books than anyone else. Take Jimmy Ratliff for example. There's no limit to what he could have done if the teachers had just liked him.

Well, as you've heard there are a lot of things that need changing in dear old RHS. The school just seems to be awfully unlucky, especially, this year. It is losing the greatest Senior Class in the entire history of Ranger High School. Even the Freshmen realize our superiority. I've waited a long time to have my say about the way things are done in this school, and I must say I'm glad to have done it. Of course, there are a few good things about RHS, can't seem to think of any right now, so I'll leave the job to Dan.

MR. GRIFFITH  
Griffith Plans To Attend H-SU Next September

Thomas Griffith, sophomore elementary education major from Tomball, Texas, has been athletic trainer at Ranger Junior College for the past two years. In the fall he will attend Hardin - Simmons University, where he will complete his college training.

Tom spends his free time hunting, fishing, reading and writing poetry.

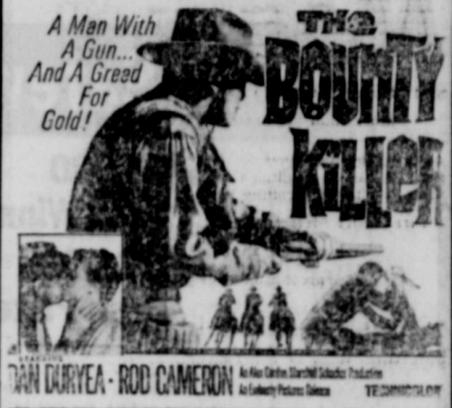

When asked about his duties and responsibilities, he replied, "Being a trainer is similar to being a nurse. You take care of everything from scratches to sprains. You use such instruments as the sonicator (ultra-sonic sound machine), whirlpool, and the heat lamp. On some injuries you work with the doctor following his instructions as to special care. The major purpose of a trainer is immediate first aid on the scene of the injury; then therapy, such as massage, bandaging, taping, etc., is continued until the athlete is able to return to play."

Being a trainer takes a lot of time, according to Tom, but he says he enjoys working with people and finds pleasure in helping them get well.
