Parents of the couple are Mr. and Mrs. C. M. Faircloth and Mr. and Mrs. W. B. Griffith, all of Eastland.

Given in marriage by her father, the bride wore a floor length dress of chantilly lace with layers of lace down front, long tapered lace sleeves, a scalloped neck, and a lace train. Her illusion veil fell from the edges of a satin sequined pillbox. The layered veil was below the shoulder length. She carried a bouquet of gardenias, orchids, and Frenched carnations atop a lace covered Bible. She wore her mother's pearls.

They wore long pink empire dresses with lace sleeves and bodice and floor-length satin trains. Headdresses were pink sequined pillboxes with veils. They carried bouquets similar to that of the bride's.

The flower girl, Michelle Parr, daughter of Mr. and Mrs. Winford Parr, was dressed in pink. Danny Foster, son of Mr. and Mrs. John Foster, was ring bearer. The ring was carried on a white pillow.
Herman Walters of Eastland was best man. Groomsman and ushers were J. B. King and Wade Allred, both of Ranger, and David Fox and Joe Waldrop of Eastland.

Music was presented by Mr. and Mrs. Stuart Love and Mr. and Mrs. John Foster. Selections were "I Love You Truly," "One Hand, One Heart," and the traditional wedding

Cooper, Florence Cogburn, and Jim Query.

The bride attended Eastland High School where she belonged to Future Homemakers, candy striper, Sub-Deb Club, Band, and Glee Club. She was a fire theme winner two years. She was a member of the Eastland Civic Theater and entered the Jaycee Rodeo queen contest in 1966.

The groom attended school in Olden, Breckenridge, and Ranger. A graduate of an Abilene Barber College, he is a barber in Ranger.

4-H Club

News Prepared

By

Mr. Bob Cohen
Assistant County
Agricultural Agent

Mrs. Wanda Chilton
Assistant County
Home Demo. Agent

Summer is a busy time for 4-H Club members who are involved in numerous activities — County, District and State. One of the 4-H Club members who seems to be assisting this summer is Miss Kathy Kincaid. Kathy, 17, the daughter of Mr. and Mrs. Robert Kincaid, has been in 4-H Club work for eight years. During this time she has carried projects in Citizenship, Junior Leadership, Freedom Improvement, Lamb, Poultry, Canning, Freezing and Sewing. Some of the activities in which Kathy has participated have been Achievement and Livestock Project, Concessions and Activities at County Livestock Show; 4-H Floats and parties; Flower Show; Making 4-H signs.

As a member of the Morton 4-H Club, Kathy has served as vice-president, resident, reporter, and delegate to the county council, a member of the council, and has served as co-chairman for three years, vice-chairman, and girls treasurer. She has helped plan the notebook, county achievement project, floats and county camps. In 1966, Kathy was a member of the district council and is currently serving as co-chairman and a member of the 1967 Texas State 4-H Council.

Kathy has attended the State 4-H Leadership Training Lab, and in July will attend a citizenship Workshop in Waco where she will represent the State 4-H Council as well as Eastland County and District 8.

Yes, Eastland County is proud to have such an outstanding 4-H Club member to represent us State — Wide.

Hats off to another Eastland County member who is active in her church, school, community, and 4-H Club.

A part of 4-H Club meeting recreation. To have a good recreation program in a particular club there must be someone who can lead the games, skits and other recreational activities that are selected. 4-H members who are interested in recreation could make good Junior leaders in recreation.

One of the most used projects areas in 4-H clubs work is recreation; however, for some reason no one ever carries this as a project. A 4-H recreation project will provide training in the leading of active, quiet, and mental games for club meeting and parties. Advanced recreation projects members learn how to play family recreation, conduct club meetings and plan a complete party. An individual could use the information gained in the project in his or her home, school and private parties.

For information on how you may begin a recreation project contact one of the Assistant County Extension Agents in the Courthouse (2nd floor or basement).

NEW PURINA STEER FATENAS are "BUILT-TO-FIT"

YOUR CATTLE - YOUR GRAIN - YOUR ROUGHAGE.

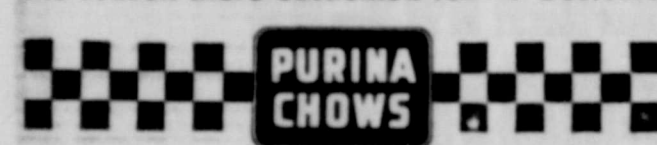

Recent tests on over 2500 cattle at the Purina Research Farm led Purina nutritionists to develop a modern, new concept in cattle feeding. It's the Purina "Built-to-Fit" Cattle Feeding Program featuring five Purina Steer Fatenas. It helps put on efficient gains. And it cuts feeding costs for many cattlemen.

For example, test cattle fed a ration supplemented with Purina Steer Fatena L-5 averaged 6.4% faster gains on 10.7% less feed.
