## Final Performance of Rodeo Set Today at 2

The Ranger Junior College Rodeo got off to a fine start at the Jaycee Rodeo Arena Friday night after the first performance on Thursday night was called off due to high winds and rain.

Several spectators were on hand Friday night to enjoy the rodeo. The best time in the calf roping was done by Johnnie Hughes of ACC with 14.5 seconds. The bull riding was exciting as several of the riders were thrown off, into the muddy water in front of the shoots. Terry of Clarendon Junior College was one of the better cowboys of the

night as he rode his bull. The second performance of the rodeo was to be held Saturday night, beginning at 7 o'clock. The make-up performance will be held Sunday afternoon at 2:00.

The Ranger Riding Club won first place in the parade which was held Thursday afternoon. The Erath Trailblazers were second place winners and the Cisco Riding Club were named third place winners.

DR. E. W. MINCE

## President E. W. Mince Completes Dr. Degree

Ranger Junior College President E. W. Mince has completed his work on a doctor of philosophy degree in educational administration at the University of Texas.

Dr. Mince will officially receive his degree in June at commencement exercises in Austin, but the degree became effective May 1 when he completed his oral examination.

As part of his degree work, Dr. Mince wrote a dissertation titled "A Study of Students Transferring from Texas Junior Colleges to Texas Senior Colleges: Correlation of Grade Point Averages Before and After." The study involved the examination of the grade records of some 2,378 students who transferred from junior to senior colleges between 1961 and 1966.

The project took four years to complete.

## James Van Stavern Named "Student Of The Month"

James Van Stavern, Leveland, and the grandson of Mr. and Mrs. Albert Hise of Ranger, was recently named "Student of the Month" at South Plains College in Leveland. Thus, he became one of the seven finalists in the "Student of the Year" election to be held this month.

His selection was based on leadership, student popularity, academic excellence, and interest in the college and its programs. He is president of the Student Education Association, member of the Student Council, was chairman and coordinator of the Homecoming activities, and member of

Los Creados Club. As secretary of the Young Republican Club, he has been a voting delegate at its state conventions the past two years.

He serves on the social committee, was director of the Halloween Coronation, last month won second place in both singles and doubles tennis competition, member of the marching and concert bands, Co-Director of the All College Talent Show, and on the school paper staff. He serves as Area and State Officer of the SEA, and was presented an award at its State Convention in Houston recently for work on the State Leadership Committee. Last fall he was selected to accompany the Nation SEA president on a tour of Matka School on the Texas Coast. He represented the faculty at the Professional Education Convention last fall. He was the only college student attending and was so recognized at its General Assembly in Houston. Last fall, he was the college delegate to the Professional Standards Conference held in Austin.

James, who will graduate this month, plans to travel extensively this summer. Before enrolling in Texas Tech this fall though, he will spend some time in Ranger where he has numerous relatives, and friends.

He is the son of Mr. and Mrs. J. E. Van Stavern of Leveland.

JAMES VAN STAVERN

## Movie To Be Shown Sunday At 1st Methodist

A film entitled "A People In Agony" will be shown in the sanctuary of First Methodist Church at 7 p. m. Sunday, according to announcement of the church Committee on Social Concern, sponsors of this service.

The film is a story of people of Viet Nam and is not concerned with United States involvement.

Area residents are cordially invited to attend this service.

JAMES R. CLOPTON

## James Clopton Is Named Jr. High Football Coach

James Robert Clopton, physical education teacher and junior high coach at Center, Texas, was elected Tuesday night to be junior high coach in the Ranger Schools next year. Clopton will be junior high football coach, boys varsity basketball coach, and boys varsity track coach and assistant in varsity football.

His teaching assignment will be made later. He was in the Comanche Schools two years as teacher and physical education and is

## Jimmy Caraway To Speak at Eastside Baptist

Jimmy Caraway will be in charge of preaching services at Eastside Baptist Church on Sunday, May 5, according to announcement of a spokesman for the congregation.

Caraway, the son of Mr. and Mrs. Hobart Caraway of Ranger, attended Ranger schools and is currently a student at Hardin-Simmons University in Abilene. He announced his surrender to the ministry some six months ago.

Area residents are cordially invited to attend these services.

## Dallas Police Personnel To Visit RJC

Terry R. Hauck and Kenneth Johnson, members of the Personnel Bureau, Dallas Police Department, will be on the campus of Ranger Junior College from 9 a. m. to 3 p. m. on Monday, May 13 for the purpose of interviewing prospective recruit for service in that department.

To be eligible for the proposed course of training, students must have completed 60 hours of college (including 12 hours English) with a "C" average. Each new officer must complete a course of instruction at the Dallas Police Academy as a trainee. The course covers a period of 13 weeks and carries a starting salary of \$550 per month. There is a need for more than 100 recruits at the present time, said a spokesman for the department.

Interested persons may contact Messrs. Hauck and Johnson in the office of Larry Hunt, Academic Bldg., RJC campus during above hours.

## ASSISTANCE FOR FINANCIAL ASSISTANCE AT RJC SHOULD BE SUBMITTED BY JUNE 1

Students who plan to take advantage of financial assistance programs at Ranger Junior College should submit applications for such programs to the college before June 1.

Dean R. B. Golemon said that money will be available for a variety of loan and grant programs and for students who wish to participate in the College Work Study

## Note Of Appreciation

By ZORA LEA HUGHES

"I appreciate the confidence placed in me by the School Board by hiring me as the Tax Assessor and Collector for the School and College for another year.

"As a school district is just as strong as the smallest tax payer, with the help of the tax payer in the district, I feel sure that we can do a good job for the school and college.

"Starting Monday morning, May 6th, the Tax Office will be open in the morning until some assessing has been done."

## Tom Golemon Wins 2nd Place In Competition

Tom Golemon was second place winner in state-wide competition in ready writing, literary division of Class A University Interscholastic League, held in Austin on Friday, May 3.

Golemon became eligible for state competition by winning first place in district and second place in regional meets.

The 18-year-old son of Mr. and Mrs. R. B. Golemon is valedictorian of the 1968 Senior Class of Ranger High School where he has established an outstanding academic as well as academic record.

High School Principal James W. Childress accompanied Golemon to the UIL contest.

## At Board Meeting School Trustees Elect Three Equalization Board Members

The Board of Trustees of Ranger I.S.D. Tuesday night elected Melvin Adams, A. E. Crawley and A. H. Powell to the Board of Equalization for 1968.

Earlier five had been selected but two preferred not to serve and only three may legally be appointed.

In other action the board elected James R. Clopton, now junior high coach at Center, Texas, as junior high coach for next year. Clopton, 29, is single. He is a graduate of Palmetto High School and received his Bachelor of Science degree from Howard Payne at Brownwood in 1965 with majors in history and physical education. He taught two years at Comanche following graduation.

In other action the board agreed to visit all the schools and inspect them as to their immediate needs and long range needs. They will visit Hodges Primary May 14 after a dinner meeting there.

The board is giving a picnic in Willow Park, May 7, at 7

## RJC Spring Concert To Be Held Tuesday

The Ranger Junior College concert band, stage band and choir and the Ranger High School choir will present a Spring Concert Tuesday, May 7, at 8 p. m. in the RJC Gymnasium.

Admission is free and the public is invited.

The concert band, under the direction of RJC Fine Arts chairman Edmond Lewis, will lead off the concert with a program including "Them Bases," "American Civil War Fantasy," "A Study in Lavender," "Parade of the Charioteers from 'Ben Hur,'" and "The Fairest of the Fair."

Director Lewis will then turn his attention to the concert choir which will perform Thompson's "Have Ye Not Known, Ye Shall Have A Song," "The Echo Song," which will be performed with the assistance of the Ranger High School choir, "I Hear A Voice A-Praying," "Elijah Rock," and a selection from "Sound of Music."

The RJC Stage Band will take over the spotlight next with a series featuring special instrumental work by outstanding members of the group. "Sugar Blues" will feature trumpeter Steve Ashcraft. "Back to the Jungle" will feature Jamie Trammell on trombone, Verganna Goswich on piano, and Kenneth Hughes on drums. "Harlem Nocturne" will feature Fred Hughes on saxophone. Keith Tipton on tenor sax and Larry McCaneless on trumpet will be featured on a "Tribute to Basie," and "And the Angels Sing" will feature Joe

Rakoczy on trumpet. The stage band will be under the direction of Mr. Alton Roan.

The combined concert choir, concert band, and high school choir will return to the spot-

light for a special finale—a performance of "Sibelius' memorable 'Finlandia'—under the direction of concertmaster Lewis. The concert will begin promptly at 8 p. m.

## Olden Senior Injured In Fall

A Ranger youth was injured in Big Bend National Park Friday when he fell from the edge of a canyon in the vicinity of Santa Elena Canyon.

Randy Moseley, a senior of Olden High School and the son of Mr. and Mrs. Fred Moseley of Ranger, was taken to Brewster County Memorial Hospital in Alpine for treatment.

Attendants at the hospital

said Friday night young Moseley was treated for scratches and was x-rayed, but did not have any broken bones. He was at the park with the senior class trip from Olden High School.

A hospital spokesman said he left with his parents Friday night.

His parents had come to Alpine upon being notified of the accident.

According to information obtained from the park, Moseley was standing at the edge of a cliff in the park, when a portion of the cliff caved in with him. He fell to the bottom of the canyon, reports indicated, and two Park Rangers went to bring him out.

Seven adults had accompanied the seniors on the trip to the park, leaving here Thursday morning.

The parents went to Alpine with his uncle, Pat Moseley of Olden.

## TEA Officials Visit Ranger Schools Tuesday

A minimum number qualified to be on the bus routes were visited Tuesday by two representatives of the Texas Education Agency's Transportation Division as was the Eastland Schools.

Their purpose in visiting Ranger was to survey the bus routes with a view to eliminating one bus if they later decide it should be done.

They questioned running a bus in Stephens County to pick up transferred students and also questioned Breckenridge Schools coming into Ranger School District for students. This is not supposed to be done but the present bus routes have been approved for many years Supt. James R. Clark said.

No decision was reached by the school will be notified after what they recommend and a trip to Austin might be necessary, Clark said.

Ranger has a problem now in that most of the buses have a minimum number qualifying on the routes and fewer than that actually riding the buses.

## Mollie Dry Is Guest of Ranger Lions

Twenty-seven members and guests of Ranger Lions Club heard a musical program during their luncheon meeting on Thursday.

George Kloss, program chairman, introduced Mollie Day who presented a group of vocal selections.

President Glyn Gilliam conducted the business meeting during which the final report of the nominating committee was submitted.

George Robinson will be in charge of the program next Thursday.

## THE BROWNWOOD TRIP

By TERESA DUDLEY  
Reporter for RHS Band

The Spirit of Ranger demonstrated the blend of music as the band played three numbers with not only rhythm and notes, but also style, including accents and lightly tinged phrases; dynamics, loudness or softness of the phrases; and the "touch of musician-ship," the vibrant chords, tones, attacks, and releases that makes a note group sound like music which tells a story.

The band was rated a "1" on the three concert pieces played: "Ojo De Aguila," "From Fox's Glenn," and "Czech Suite." The composer of "Ojo De Aguila," Everett Maxwell, was one of the three judges. He rated us a "1" on the concert music. The band's ability to sight-read was rated as a "1" by one judge.

Before leaving, several girls taped signs to the buses. The signs, one of which exclaimed "Here Goes the Spirit of Ranger," remained taped to the bus side during the trip to Brownwood and the return trip. A sack lunch was eaten about 10:30 and band members dressed for performance.

While band members waited for ratings to be given, they listened to other bands, and anticipated the judges' appraisal or criticisms of those bands. Bandmen and sponsors enjoyed a delicious meal at Underwoods. Barbecue steak, beans, potato salad, corn, jello bread, and drink comprised the menu. Soon after the band returned to Brownwood High School, its ratings were given.

Although many may assume that the job of chaperoning a bus is only making the trip with the band, many responsibilities are placed upon their shoulders. They have to keep jewelry, purses, and money. They help find misplaced shoes, gloves and band members. We would like to thank the following who accompanied us to Brownwood:

Mr. and Mrs. O. M. Franklin, Mr. and Mrs. Wesley Poyner, Mrs. Clyde Reid, Mrs. I. T. Reed, Mrs. Sidney Harton, and Mrs. Polly Alexander.

On one judge's concert criticism sheet, he commented that excellent teaching is being done for the Ranger High School Band. Mr. Helmcamp has devoted himself to the world of music. In addition to teaching sixth graders the principles of music, guiding junior high students toward excellence, and inspiring high school students to play their best, he directs the choir of the First Methodist Church.

A good teacher fulfills many specific tasks, including adopting clear standards. Mr. Helmcamp has worked for the peak of the mountain, the brightest star. A good teacher improves motivation. Interest has been sustained by the band's playing challenging pieces for contest, participation in solo and ensemble contests, and participation in all-district, all-region, and all-area tryouts. Other responsibilities of a teacher are arranging for practice of skills and training students in such a way that the learning can be applied under practical or field conditions. Mr. Helmcamp spent long hours after school and at night practicing with sections of the band and with solos and ensembles. This extra time and work that he has sacrificed for the band has molded our instrument playing group into a band with pride. Mr. Helmcamp not only fulfills his responsibilities, but he runs the second mile — quarbacks the sudden-death playoff that our band can represent Ranger High School and Ranger, Texas. Your concern and dedication to our band will remain in our hearts forever. We thank you, Mr. Helmcamp.

Mr. and Mrs. C. D. Eakin have returned from a visit in the home of Mr. and Mrs. Houston Stahl of Abilene and Mr. and Mrs. Charles E. Hearn of Odessa.

## Nimrod Oil Test Below 3,900 Feet: Discovery Made

Outcome of a wildcat Ellenberger oil test near Nimrod, 10 miles south of Cisco, was expected to be known this weekend as drilling went below 3,900 feet Friday night. The project is the George Mitchell Associates, Inc. of Houston No. 1 H. H. Harrelson and Ker-McGee. Operators reported that oil shows appeared good enough to be set. Location is 1 1/2 miles north of Nimrod in the southeast quarter of Section 40, Block 2, H&TC Survey. Permit called for 4,100 feet.

Elsewhere in Eastland County, Ivan J. Allen of Ranger has staked his No. 1 N. C. Gailey et al as a wildcat test some eight miles southeast of Ranger. Plans were for a 3,600-foot test on the 640-acre lease. Location was in the James Delaney Survey.

A Mississippi lime discovery well has been completed by Bilhartz Operating Co., Inc., of Dallas as their No. 3 E. H. Layne two miles west of Ranger in Eastland County. Location is in the Mark Haley Survey.

The well had a potential of 85.82 barrels of 42.3 gravity oil with 406 barrels of water. Flow was through a 10-1/4 inch choke with 540 pounds of pressure on the tubing. Production was from 3,564-88 and 3,595-3,602 feet.

## Beta Chapter Plans Last Meet Of Club Year

The Beta Upsilon Chapter of Delta Kappa Gamma Society will hold their last meeting of the club year Saturday, May 11, at 2:30 p. m., in the Cisco clubhouse, it was announced by a club spokesman. Highlight of this meeting will be installation of officers for the coming year, the announcement said, and also the Founder's Day program, an annual event for the organization.

Olga Fay Parker of Cisco will present the program in connection with the Founder's Day theme entitled "Personal Values — Profession." Selected music will also be played, the announcement said. Hostesses for the occasion will be Aileen Raymond, Ruby Frazer, Opal Little, Miss Nettie Thornton and Opal Mae Hearn.

## Prophets To Be Studied Monday At Bible Chair

The non-credit class in Old Testament Survey at the Bible Chair on Cisco Junior College campus can be termed a real success for this semester, it was announced by Gary Adams, director. Many of those who have attended have expressed their appreciation for the course of study.

The warmth of the atmosphere during the class recess each Monday evening indicates that the fellowship has been just as rich as the study has been beneficial, the announcement said. A total of 82 persons, representing a number of religious groups, attended for the class. Average attendance has been near forty during the semester. Speaking for the local church, Bro. Gary Adams stated that it has been a real pleasure for the Eighth St. Church of Christ to make this valuable course of study in the Old Testament available to people of Cisco and surrounding area. It is the intention to continue this class during the Fall semester this year with the course of study to be announced later.

One of the highlights of this semester will be a lecture next Monday evening, May 6, by Dr. Carl Brecheen, Professor of Bible at Abilene Christian College. Class study has brought the class to the period of the Kings in Israel's history.

During this period, the Major and Minor Prophets are involved. The entire class period Monday evening will be given to Dr. Brecheen and he will lecture in a comprehensive way on the Prophets and their writings, Mr. Adams said.

A young man whose academic work thoroughly prepares him for this task, Dr. Brecheen is at the same time a forceful and inspiring speaker. The Bible Chair is inviting all interested persons to hear this special lecture, be come acquainted with the Bible Chair and its work, and enjoy the fellowship of the occasion next Monday evening, May 6, at 7:30.

AUSTIN — President Lyndon B. Johnson's decision to step aside is turning the May 4 Democratic precinct conventions from the previous label of "dull" to a new one of "hotly contested."

John Connally, who had been slated to be the Texas delegate chairman in support of President Johnson, with little objection from anyone, now has a fight on his hands.

Connally's forces launched a favorite son candidacy for Connally at a meeting of the State Democratic Executive committee. Senator Ralph Yarborough objected, and appeared close to a decision to challenge Connally in the county conventions.

At first, the Connally candidacy seemed to be learning toward Vice President Hubert Humphrey, but Connally wiped that out by saying he would not be a stand-in for anyone.

By contrast, Republican conventions on May 4 seem more peacefully inclined. The state Republican organization is united behind Senator John Tower's favorite son candidacy. However, a challenge may be posed by a group trying to win delegates for Gov. Ronald Reagan in California.

County conventions on May 11 and state conventions on June 11 will follow, but the grass-roots decisions will be made in the more than 5,000 precincts in Texas on May 4.

U. S. Supreme Court predictably has extended the one-man-one-vote theory to local governments.

Lake legislative bodies, Court said, wherever city, county or other governmental units elect representatives from single-member districts, the districts must be substantially equal.

Ruling was on a case by Midland Mayor Hank Avery to force Midland County Commissioners Court to reapportion.

Dismissing opinion warned of "balance of reapportionment cases."

Atty. Gen. Crawford C. Martin has predicted the ruling will not disturb all elections already in progress this year, and indicated he feels the problems of unequal representation will be worked out by Texas subdivisions without judicial court suits.

Prior studies have demonstrated, however, that the vast bulk of county commissioners' precincts would be affected by the new ruling. To assume that all will voluntarily correct deficiencies pointed up by the high court appears to be expecting too much of local officials, many of whom will have jobs at stake.

RANGER, TEXAS

# \$2 Million Sabanno Project Hoping To Be 1 of 6 Picked

Supporters should know by the end of this month whether the Sabanno Watershed Project has been picked among the selected half dozen. The \$2 million Sabanno project is one of 24 under consideration by the State Soil and Water Conservation Board. Funds are available for only six, and planning for those selected as top priority will probably take up to some 18 months. The supporters for the Sabanno project made their bid

to the state board Thursday evening in Gorman. The board consists of Arthur Leesch of Boerne, chairman; Albert Roach of Paris, Frank Gray of Lubbock, Ernest Wehman of Pleaston and Henry Turney of Dublin. Sabanno Association President Ro Wilson of Gorman and other local officials took the board on a tour of the watershed Thursday afternoon. Approximately 700 countians gathered at the Gorman High School Football Field for a

free barbecue with the board. The large group then moved into the school's auditorium for the official public hearing on the project. It was an out-and-out appeal to the board for top consideration. There was no opposition registered and Chairman Leesch told the audience: "This is one of the outstanding tours and hearings we have held -- you will receive every consideration."

Wilson presided at the hearing and introduced the board and state Soil Conservation Service officials and others. Turney outlined the three points considered in setting priorities: damage, land treatment and the interest of the people. All points had been met in this project, he said.

Entering testimony in the hearing were: County Judge Scott Bailey who stated that the County Commissioners Court had joined as a co-sponsor, and assumed the responsibility of maintenance of the system as provided by law.

H. A. (Pete) Tyrone, Carbon area resident and a longtime advocate of flood control on the Sabanno, explained the devastating damage done by the river, stating that it averages three flood stages a year.

Dean Kirk of Gorman told of the erosion of the once-fertile land in the Sabanno watershed, and said that it is a "pleasure to be a steward of the soil, but that if corrective measures aren't taken, there won't be any soil to be a steward of."

Melvin Shell of Gorman outlined the value of increased peanut crop yields through

irrigation. Irrigation yields from development of the Sabanno could equal income from a factory hiring as many as 100 people, he said, stating that there are some 2,900 acres of peanuts in the watershed.

Eric Arnold, Gorman bank president, stated that his firm is ready and willing to assist the project.

Lendale Cole of DeLeon told of livestock losses.

Don Mooney of Gorman of crop damages. Tom Birdsong of Gorman pointed out the protection to the \$16 million Proctor Reservoir that development of flood control on the Sabanno would give. "Two thirds of the sedimentation at Proctor is coming from the Sabanno," he said, "and money spent on the Sabanno will mean protection for the Proctor investment."

Veteran Conservationist C. M. (Clint) McCain, who lives between Eastland and Carbon, aptly summed up the testimony, and talking without notes, entertained the audience and the board, with his confidence and enthusiasm for the project. "We've got good leadership, and we just believe that five good men like you (the board) will find favorably for us." Quoting back to some of the other talks, he said "We want to keep our tracks above Proctor" -- referring to keeping the soil in this area.

Wilson summed up, telling the board that in no other project could state funds be more wisely spent. "What have you seen in this project?" he asked. "Interest, endorsement, control at work and agricultural challenge."

Hosts for the barbecue were chambers of commerce of Gorman, DeLeon and Rising Star.

The preliminary field survey of the Sabanno calls for 13 major structures (dams) and 20 smaller ones.

Angela Lowrance, a member of the Range-Anns the Ranger Junior College girls' basketball team, has been named to the All-Conference team of the Texas Junior College Women's Basketball Conference.

All-Conference selections were announced following a meeting of conference officials.

Range-Anns Serlina White and Bernice Coniky were named to the Conference second team and Wilma Fahring and Judy Townsend were given honorable mentions.

The Range-Anns placed second in the conference after posting a 16-6 record for the season.

## Annual Banquet Is Planned By Lay Methodists

The Cisco District Lay Banquet, held annually by the brotherhood of the Methodist Church, will be held at the Corral Room of the Victoria Hotel Friday, May 10, at 7 p. m. It was announced by Dr. S. Wayne Reynolds, District Superintendent.

Guest speaker for the occasion will be Dr. Alcie Carlton of the faculty of Perkins School of Theology in Dallas, the announcement said.

Bruce Goleman of Ranger is District Lay Leader. Dr. Reynolds said. Plans for the program will be announced later this week. Several hundred people are expected to attend the annual event.

## Three Meetings Next Week Will Study Peanuts

Three meetings of interest to peanut farmers will be held in Eastland County next week announced County Agent Dr. Gordon. On Monday, May 12, at 10 a. m. in the county peanut diseases and peanut insects will be the topic of the meetings.

Gordon said he would cover the same topics in all three meetings, but these separate meetings will be held for the convenience of the peanut farmers.

The first meeting will be held in Rising Star on Monday night in the vocational agriculture classroom. H. L. Geyer, Vocational Agriculture teacher, will assist with the meeting, which will start at 8 p. m.

On Tuesday night, May 7, the meeting will be held in the Gorman High School Auditorium, starting at 8:00 p. m.

The third meeting will be held Thursday night, May 9, in the Pioneer Community Center. R. D. Boland, Pioneer Farmers Coop Manager, said the meeting would start at 8 p. m. He said Matt Dees of Thompson Hayward Chemical Company would also be on the program at Pioneer.

Gordon said Eastland County farmers lost several thousand dollars worth of peanuts to diseases and insects last year. He will discuss the latest research and recommendations for controlling these pests.

All farmers and others interested in increasing income from peanuts are welcome to attend one of these meetings.
