ANNOUNCING A NEW SERVICE

We are pleased to bring to Ranger a service which was available only in larger cities and to owners of tape recorders.

This is the fast growing trend to send taped letters instead of hand written especially to service-

We are offering this service free, complete with

a 27 minute blank letter tape, plastic mailing container, and mailing label, all you need is about 18 cents to mail it anywhere. A tape letter is easy to make. Using our record-

ing equipment, in privacy, you simply talk into the microphone instead of writing, the completed tape is then sealed and mailed.

If you have a friend or relative in the service give him a lift with the sound of your voice, don't forget the rest of the family and the kids. Let them all talk,

Tape recorders are plentiful overseas. Chances are you will get the same tape back with an answer which we will be glad to play it back for you.

Although we have tape recorders of all sizes and types and miles of tape for sale this offer is not to sell or demonstrate equipment.
