DRAWING TOWARD GOD

The Art and Inspiration of JACK HAMM

DRAWING TOWARD GOD is a book designed to apply scriptural truth to everyday living. By means of some 50 full-page drawings interspersed in the text, the reader is led to reflect with the artist-author on the great issues of life. Over a billion Impressions of Jack Hamm's religious art have been printed in the U. S. and 17 foreign countries. For the first time he sets down his reasons behind the drawings. Winner of four national cartooning awards, Hamm contends that the nature of God and man's nature need to be, and can be, related one to the other.

"Jack Homm has a way of using his brush, crayon, and conds to cut through to some of the great theological truths that concern us all. This is a marvelous book for individual mediation, or for any group of dedicated people who wish to have guide to promote inspirational discussion. Jack has a rich imagination and a fine sense of fundamentals. We have been blessed in our world with many great editorial cartoonists, but I know of no other man who has been able to turn his talents to interpreting religious truths as has Jack Ham." preting seligious truths as has Jack Ham." From The Introduction
By CHARLES M. SCHULE
Creator of "Pennuts" "I lks the work of Jack Harom. He has a great gift for pleterizing, and therefore making simple, important truths that would be difficult to express so explicitly in words."

The most pleasant surprise of the tour was at Drew Dan Jacksons. His wife and Mrs. Herman Schaefer had cold drinks, hot coffee, cookies and cake waiting for the men on the tour. After four hours of riding and walking in the sand the brownies and drinks sure were good.

Drew Dan also showed us a real good peanut crop.

A beef cattle short course as been planned for all beef producers in Eastland Couny Oct. 15, 16 and 17. It will be ield at the Farm Bureau building east of Eastland on Highway 80. Each session starts at 8 p. m. On Tuesday night, L. A. Maddox, Extenson Animal Husbandman, will discuss animal breeding. He plans to cover crossbreeding which is causing a lot of dis-

cussion among cattlemen. Dr. C. M. Patterson. Extension Veterinarian, is going to talk about animal health on the meeting. Wednesday night. This is a very important subject, especially since the recent outbreaks of anthrax in Brown County.

On Thursday night, U. D. Thompson, Extension Animal Husbandman, will talk on animal nutrition and the many problems involved in feeding.
