

First bale in; freeze due

IN WITH THE NEW—Charles Richard (left), outgoing president of the Kiwanis Club of Dimmitt, pins his successor, Jimmy Davis, during the club's annual installation banquet last Thursday night at the city hall assembly room.

Fred Bruegel Jr. of Bruegel Brothers Gin — Elevator reported the first bale of cotton ginned in Castro County Wednesday at 10 a.m. "It was Carl Bruegel's cotton," Bruegel reported. "He had sprayed it two or three weeks ago. It looks like it will make in excess of a bale to the acre."

Area cotton ginners were hoping for a couple of weeks of sunshine, but the Dimmitt area is supposed to have its first freeze before this weekend.

The area had its first light frost Monday morning, with ice reported on some windshields. Freezing temperatures are expected today (Thursday) and Friday, with highs reaching only the middle or upper 40's.

"It's gonna hurt the cotton some if we get a hard freeze," said L. J. Rice of

Hart Producers Co-op Gin. "The cotton is in real good shape now, considering all the damp and wet weather we've had."

October rainfall for the area totals 3.33 inches, and Donnie Shafer of Hart of the Plains Gin reports some damage from the moisture.

"The rain and cool weather has set cotton back about two weeks," Shafer said. "It depends on how hard a freeze we get as to how much damage it would do now. A real hard freeze would hurt the crops, but I don't believe a little frost would hurt; in fact, it might help."

"There has definitely been some damage because of the rain and cool weather," said Clay Davis of Flagg Farmers Gin. "but I'm not sure how much. Some fields will be worse than others. We had a little frost the other morning (Monday) and I don't think it

hurt us. Two or three light frosts might be better than one big freeze."

"If we could get two more weeks of sunshine before a killing freeze it would help," Davis said.

"We definitely need some more warm weather on the cotton," said Bill Birdwell of North Gin of Dimmitt.

"Some started stripping Tuesday," reported Army Armstrong of Bruegel Brothers Gin & Elevator.

"The cotton looked pretty good," said Armstrong. "I think it's going to yield good, think it's going to yield good. If we get a decent fall to get out the cotton, we should have a good crop, but if it sets in and starts snowing it will hurt things."

"It will be about three weeks before we'll gin very much. Most will have to have a hard freeze before they start stripping, some have sprayed and will start sooner."

Castro County Farm Bureau members elected eight new directors and adopted 16 policy resolutions on issues at the county, state and national levels at their annual county convention Saturday night.

The convention was held in the Dimmitt High School cafeteria.

Approximately 175 attended the meeting which began at 6:30 with a meal catered by Southern Sea of Lubbock.

Following the meal, the three students who the Farm Bureau sponsored to the summer student citizenship seminar at Waco (Baylor University) gave speeches. Students speaking were Joan Steiert, daughter of Mr. and Mrs. Bud Steiert of Hart; Danelle Schmucker, daughter of Mr. and Mrs. Dan Schmucker of Nazareth; and Ronda Pevehouse, daughter of Mr. and Mrs. Nathan Pevehouse of Dimmitt.

The eight directors elected were: Precinct I, J.C. Pohlmeier of Nazareth and Jeff Robertson of Dimmitt; Precinct II, Larry Hausmann of Dodd Community and Richard Connell of Dimmitt; Precinct III, Rex Lust and Edgar Dennis of Dimmitt; and Precinct IV, Tommy Kenworthy of Dimmitt and George Book of Nazareth.

Members adopted these policy resolutions:

STATE

"We recommend that all roads less than 24 feet wide have priority for highway funds to widen these roads."

"We oppose any attempt to repeal the law requiring annual auto inspections."

"We favor a law requiring proof of liability insurance before license plates can be issued for a vehicle and such insurance must be valid for the entire period of registration."

"We oppose any attempt to give service road traffic right-of-way over exit ramp traffic."

NATIONAL

"We recommend changing the deadline for filing state and federal income tax returns to Monday preceding the general election Tuesday in election years and corresponding dates in off election years."

"We recommend legislation requiring a federal agency bringing an action against a citizen or corporation, and if that citizen or corporation prevails in the courts, the agency must pay all legal fees and out of pocket costs of the defendant."

"We favor electronic marketing by private industry of livestock and meat instead of the yellow sheet."

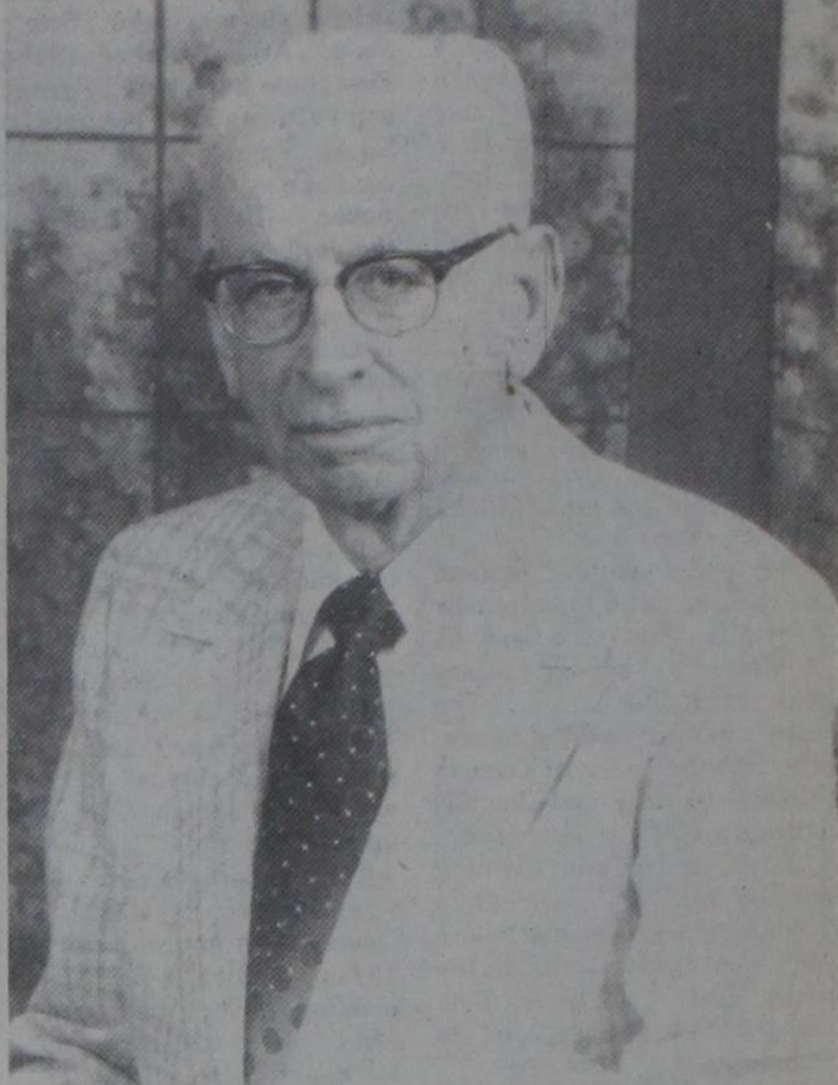

"We recommend that Congress take over the duties and responsibilities of the Federal Reserve."

"We recommend that the State Department not inter-

fere with international trade in agricultural products."

"We oppose the dumping of government owned commodities on the local markets and depressing prices."

"We recommend the elimination of microneare readings [See Farm Bureau, Page 5]"

Chamber asks aldermen: 'Will y'all light Yule?'

"Dimmitt may have to go without Christmas decorations this year if we don't get any help on it," Bob Caddell, a director of the Dimmitt Chamber of Commerce, told the Board of Aldermen at its Monday night meeting.

Caddell noted that the chamber has spent more than \$5,000 in the past three years on the town's Christmas decorations for upkeep and installation.

"We surveyed many area towns of a comparable size to Dimmitt, and we are the only town that does not have at least some help from the city government in such projects," Caddell said.

Chamber Manager Delores Heller said that the chamber this year could not even afford the usual \$500 payment to the Dimmitt Volunteer Fire Dept. for the installation of the decorations.

She noted that last year more than \$1,000 was spent to repair fixtures, and replacement of colored light bulbs. Alderman Wayne Collins said he felt that the decorations should be a volunteer effort, so as not to "saddle the taxpayers with an extra expense."

Chamber President Joe Josselet said the chamber would not just "dump it on the city and run," but would try to work things out, and hopefully get the expense included in next year's city budget.

Mayor R. L. Fleming offered use of the city's two fork lifts and the manpower of the city for installation of the decorations.

Members of the board also suggested that limiting the decorations to the courthouse and areas right on the square might reduce the funds and efforts needed. It was noted that new wiring was needed to hook up the lights on the large trees in front of the courthouse.

Police Chief Ron Mitchell said he would approach the Castro County Peace Officers Association to see if they would be willing to help with the project in some way.

David Allison appeared

before the board to ask why his claim against the city for \$1,100 in damages to his car had not been authorized for payment by the city's insurer, Plains Insurance Agency.

Allison's car, driven by his wife, collided with the city's animal control vehicle on the parking lot of the Ford dealership in Dimmitt on Aug. 13, 1980.

The Department of Public Safety trooper who was called to investigate the accident said it was a "50-50 case of contributory negligence." No citations were issued.

Allison wanted to know why the city's liability insurance would not pay for the damage to his 1968 Eldorado.

City Attorney Jack Edwards said that the finding of contributory negligence released the city from any obligation to pay for damages, since both parties were at fault.

Edwards added that the insurance adjuster in charge of the case had offered to come to the board and explain his findings.

Mayor Fleming told the board, "I thought that was what we were paying for on our insurance — to cover situations like this. If it doesn't cover what it should, then we shouldn't pay it."

Alderman Fred Annen

Deadline nears for redrawing of precincts

Monday's meeting of the Castro County Commissioners' Court will be the last chance for public comment to be considered in the post-census redrawing of the county's precinct lines.

County Attorney Jimmy Davis said that attorney Dennis McGill, the county's consultant on the matter, allowed the county to agree to an exchange of information with representatives of Texas Rural Legal Aid.

The TRLA is representing Carmen Catano, whose class-action suit last year forced the county to redraw precinct lines. Now the boundary lines must be drawn again to equalize the population counts in the precincts, based on the 1980 Census.

Davis said that he was not aware of whether any information had been exchanged yet by McGill and TRLA representative for the case, Al Kaufman.

The commissioners had tentatively agreed at their last meeting to complete the exchange before Monday's meeting, so that both sides could be better prepared to discuss the matter.

suggested that the board invite the adjuster to the next meeting and try to settle the matter.

Alderman Collins added that he was "not all that pleased with the city's insurance," adding that the board doesn't even have a copy of its policy.

The city board voted to change the city's designation with the Texas Employment Commission from being a "Paying Agent" — one that pays a percentage set by the TEC on each employee up to a maximum of \$6,000 — to being a "Reimbursing Agent," one that pays only when the bill for benefits has been allowed by the TEC.

"In choosing previously to be a paying agent the city has experienced a loss of \$5,168.46," City Administrative Supervisor Jo Hamilton [See CHAMBER, Page 15]

Kaderly twins' ewes win State Fair championships

Jan and Jill Kaderly, twin daughters of Bart and Susan Kaderly of Dimmitt, were the owners of both the Grand Champion and the Reserve Champion ewes in the Junior Hampshire Sheep Show of the Pan American Livestock Exposition at the State Fair of Texas in Dallas.

Spring, the Grand Champion ewe, is a 10-month lamb weighing 175 lbs. She took

the National Championship at Albuquerque and the South Plains Fair Championship at Lubbock. In keeping with this tradition, the Reserve Champion ewe, named Winter, won second place at both these competitions.

Winter is a year and 10 months old, and weighs 220 lbs.

Jan and Jill, the owners of Spring and Winter, are 10

years old and belong to the Dimmitt 4-H Club. They have been showing sheep for two years.

Professional breeders showed their quality livestock at the Pan American Livestock Exposition until Sunday. More than 3,500 4-H and FFA members are showing their cattle, swine and horses at the Junior Livestock Show Oct. 19 through 24.

Dimmitt's sales-tax receipts ahead of '80

State Comptroller Bob Bullock's office issued checks totaling \$37.9 million to Texas cities as their share of the 1% city sales tax for the October period.

This month's payment is about \$9 million more than the cities received during a comparable period in 1980, and Dimmitt's increase was more than \$2,000.

The yearly totals to date for the state are up 16% over the same period last year, and Dimmitt's rose 10.11%.

The figures for area towns show Amarillo with a 12.18% increase for the year to date, Canyon with an 11.66% increase, Floydada 2.03%, Friona 14.43%, Hereford 6.27%, Littlefield 9.96%, Muleshoe 13.76%, Plainview 6.63%, and the largest gain in the area, Earth with 51.94%.

Dimmitt received a check for October this year for \$9,687.12, while in 1980 it had only been \$7,498.95. Dimmitt's sales-tax receipts so far this year total \$117,516.06, compared with \$106,727.82 for the same period last year, an increase of 10.11%.

Hart and Nazareth both showed losses on totals for the year compared with last year.

Hart received a check for \$561.39 for October, compared with \$1,047.18 for October last year. Hart's total for so far this year is \$12,155.87, compared with \$13,546.77 for last year, a drop of 10.27%.

Nazareth's check was for \$1,099.59, compared with last October's \$1,085.07, and the year's total so far is \$12,705.03, only 0.20% behind last year's \$12,730.41.

Farmers Union meeting planned Tuesday night

The Castro County Farmers Union convention will begin at 7:30 p.m. Tuesday at the Hart

school cafeteria. Dinner will be served at 7:30, and the business meeting will begin at 8:30.

Door prizes will be awarded.

Tickets are \$5 each, and may be purchased at the door. County FU President Doug Higgins urged all local farmers and ranchers to attend the meeting and take part in the discussion and adoption of resolutions.

Policy statements adopted at Tuesday night's county convention will be forwarded to the Texas Farmers Union for consideration at the state convention.

Azteca makeup is explained

In a story in last week's issue, the News described the Azteca Economic Development Corp. as "a group of Dimmitt's Mexican-American businessmen."

Actually, only two of Azteca's five directors are business owners, Board Member Larry Gonzales explained. The other three directors and 15 members who make up the non-profit corporation are either farm workers or employees of local businesses and industries. All members of the corporation are Mexican-Americans.

Directors of the corporation are Gonzales, Thomas Falcon, Desi Pesina, Paul Fuentes and Ray Sandoval.

The Azteca Corp. has been appointed by the Farmers Home Administration to manage the Castro County Agricultural Housing Project, and has applied to become the owner of record of the project.

The Azteca Corp. originally was formed to secure financing for low-cost and moderately priced housing in the Dimmitt area, and that is still its long-range goal, Gonzales explained.

Deadline set for booth reservations

The deadline for reserving a booth for Dimmitt's annual Halloween Carnival will be next Wednesday.

The Carnival will be held Oct. 31 in the onion processing warehouse of La Mantia, Collum, Collier and Co., Inc. Carnival Co-Chairmen Tommy Fowler and Gary Hufhines invite all clubs and organizations in the community to conduct game or food booths. Concessions can be secured and booths reserved by calling Fowler at 647-5236 or Hufhines at 647-5416.

DST will end Sunday

Remember that hour of sleep you lost last April 26, when Daylight Saving Time started?

Well, you can get it back Saturday night. DST for 1981 will officially end at 2 a.m. Sunday. Don't forget to set your clocks and watch back by an hour before you go to bed Saturday night.

Parents enjoy Tech 'Dad's Day'

By MYRTLE SHEFFY
Goldman and Carole Dyer went to Lubbock last weekend to attend 'Dad's Day' at Tech.

the Lusts and his folks, the Truman Touchstones and Dr. Bill and Ann Murphy.

Mary Gollehon and her daughter Marilyn Warren of Orlando, Fla. and Christine Harris of Lubbock were here for a visit with kin and friends.

The Senior Citizens party was attended by 62 people. Games were enjoyed. D. C. Taylor presided at a business meeting.

Mrs. Eleanore Kline of Lubbock was guest reviewer at the Wednesday Book Club. She was the guest of Nancy Ross.

Mrs. James Bradford and Mrs. Stanley Byrnes served a special bread, coffee and fruit drink poured from a yellow pitcher.

Mrs. Leora Calhoun and granddaughter Mrs. Lopez went to Clovis to visit the daughters and families.

Seletta Gholson of Hereford spent a couple of days in Dimmitt working with the

South Plains Health Provider. She sometimes plays bridge with the Wednesday Duplicate group.

Floyd and Nell Copeland are home for the winter months from Ruidoso, where they stay in the summer.

Jack and Susie Bradford and baby girl have gone to Orange, way down in East Texas, to visit brother Dr. Bob and Paula Bradford.

Clara Kleman tells us to come to Nazareth Nov. 8 in the afternoon for the open house for the Senior Citizens.

Wilhelms house Sunday at the party for Carol Drerup. We, the many friends, are sad because of the death of longtime friend Bob McLean.

Mrs. C. G. Maples is in the Central Plains Hospital in Plainview. She is recuperating from a re-break of the pelvic bone.

Mrs. Leonard Wilhelm was hostess at a party and shower Sunday afternoon for Carol Drerup, who will be married Saturday, the seventh of November at 5 p.m. at the Holy Family Church.

Rex and Darlene Wooten took her parents Derooy and Lorena Cates to Rising Star to attend the funeral of Dixon Boggs, a brother of Lorena's.

Herbert and Irene Boswell of Lubbock have been here for a week with his aunt Josephine Bradford while she is getting well from a recent illness.

Bernice Hill was hostess to a group of bridge players with a party Thursday at Senior Citizens with dinner there.

Opal Bearden was hostess to the Friday bridge club and the girls served us a steak dinner with spice fruit cake for dessert.

Susie Reeves drove her new car and took friends Opha Burks, Jo Gregory and her friend Lola of Lubbock to Red

River and Angel Fire where they stayed at Jo's house. Susie says the tree and shrub colors were magnificent, golds, reds, greens, yellow.

daughter Joyce Rickard, mother Mrs. Neeley, sister Maxine Adams of Bledsoe and a brother Bill Neeley of Saudi Arabia, with an oil company there, anyway all

went to Oklahoma to the town named Thomas and Breckenridge to visit the Edwin Neeleys. Had a good visiting time and much bridge playing.

WRESTLING WITH OUR FEARS

Our fears seem as big and as terrible as this alligator sometimes, don't they? Fear about this thing and that can paralyze us and prevent us from doing our daily work. Many of our fears are real. A great many of our fears, however, are unfounded - a result of thinking and worrying about ourselves.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish.

LEGAL NOTICE
"STATE OF TEXAS"
TO: ANTONIO GARCIA, SR.
GREETINGS:

"YOU ARE HEREBY COMMANDED to appear and answer before the Honorable District Court 64th Judicial District, Castro County, Texas, at the Courthouse of said county in Dimmitt, Texas, at or before 10:00 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of ELODIA CALDERON GARCIA, Petitioner, filed in said Court on the 14th day of October, 1981, against ANTONIO GARCIA, SR., Respondent, and the said suit being number 5023 on the docket of said Court, and entitled 'In the Matter of the Marriage of ELODIA CALDERON GARCIA and ANTONIO GARCIA, SR. and in the interest of ANTONIO GARCIA, JR., a child,' the nature of which suit is a request to terminate the marriage of ELODIA CALDERON GARCIA and ANTONIO GARCIA, SR. and awarding ELODIA CALDERON GARCIA the permanent care, custody and control of the minor child, ANTONIO GARCIA, JR., and to award ELODIA CALDERON GARCIA all community property existing in Castro County, Texas.

"The Court has authority in this suit to enter any judgment or decree dissolving the marriage and providing for the division of property which will be binding on you.

"The Court has authority in this suit to enter any judgment or decree in the child's interest which will be binding upon you, including the obligation to make child support payments to this Court for support of said minor child; said support payments to be paid to the Managing Conservator appointed by this Court.

"Issued and given under my hand and seal of said Court at Dimmitt, Texas, this 16th day of October, 1981.

More about

Farm Bureau elects, adopts resolutions ...

[Continued from Page 1] as a quality factor on cotton. "We oppose any attempts to teach animal or poultry rights in our public schools. "We recommend that the National Endangered Species Act of 1973 be amended to include the American farmer as endangered but not rare, just raw. The American farmer should have priority over other species because of human need for food and energy production. "We recommend the

amendment of the Motor Carrier Act of 1980 to exempt farmers and ranchers. "We recommend legislation that would prohibit the importation of food products whose production involved use of any drug or chemical which has been banned in the United States. If a chemical is neither approved nor banned in the US, USDA would have to determine whether its use would constitute adulteration of food production."

COUNTY "Due to the amount of traffic on Farm-to-Market Highways 1055 and 168 and due to the fact that these roads are too narrow and have poorly maintained shoulders, Castro County Farm Bureau hereby resolves to support the County Commissioners Court and urges the court to give high priority to getting the responsible state agencies to widen or pave the shoulders of these roads to allow the safe flow of traffic."

Obituaries

Bob McLean

Funeral services for Bob McLean, 63, were held Monday afternoon in the First United Methodist Church of Dimmitt. Mr. McLean, long-time president and chairman of the board of the First State Bank of Dimmitt, died at 3:15 p.m. Friday in Lubbock Methodist Hospital.

Officiating at the last rites were Rev. Marvin Roark, chaplain of Lubbock Methodist Hospital; Rev. Howard Quiett, pastor; and Rev. Ed Freeman, pastor of the Presbyterian Church.

Burial was in Castro Memorial Gardens, directed by Parsons Funeral Home. Born and raised in Dimmitt, Mr. McLean was a member of the family that helped found the First State Bank here in 1907. He began his banking career here in 1936 as a bookkeeper, and was named vice-president in 1940 after the death of his father, Bruce McLean.

He married Helen Wesson of Dimmitt Sept. 3, 1939, in Clovis.

After serving in the US Army in World War II, he returned to the bank and was elected president and chairman of the board in 1953, following the death of his mother, Ruby.

Active in civic and business affairs, he played a leading role in the development of business, agriculture and industry in this area. He served as president of the newly organized Chamber of Commerce in 1949. He was the first recipient of the chamber's Citizen of the Year award in 1963, and in 1978 he was chosen to receive the first Citizen Through the Years honor.

He is survived by his wife, Helen; two sons, Robert and Charles, both of Dimmitt; three sisters, Emily Clinging-smith and Mary Alice DiCuffa of Dimmitt and Margie Wiggs of Granbury; an aunt, Alice Anthony of Dimmitt; and five grandchildren.

Active pallbearers at the funeral were Truman Touchstone, Craig and Bruce Fuller, Carl Lee Kemp, Jimmy Ross and James Horton. Honorary pallbearers were A. J. Kemp, Bud Hill, G. L. Willis, Allan Webb, Jay Lee Touchstone, Ward Golden, Donald Wright and Jim Elder.

A memorial fund has been started at the First State Bank, with its use to be designated later by Mr. McLean's family.

Dixon Boggs

Funeral services for Dixon Boggs, 77, were conducted last Friday in the Methodist Church in Rising Star. Mr. Boggs, who died Wednesday was a lifetime resident of Rising Star and the brother of Lorena Cates of Dimmitt.

He was retired and a former tire shop owner.

Other survivors are his wife Norena; two daughters, Dickie Parish of Corpus Christi and Lavita Scott of Abilene; a brother, Roma Boggs of Kress; two sisters, Mrs. Cates of Dimmitt and Ellen Brooks of Lometa; and six grandchildren.

Beulah M. Durrett

Mrs. Beulah Mae Durrett, 45, died Tuesday in Lubbock.

Services were held at 2 p.m. last Thursday in Spicer Funeral Home Chapel in Memphis, with Bright Newhouse of Clarendon and the Rev. Jim Hall, pastor of Lakeview Methodist Church, officiating. Burial was in Citizens Cemetery in Clarendon.

Mrs. Durrett was born in Kingston, Okla., and had lived in Clarendon from 1943 to 1973.

She moved to Lakeview seven years ago. She was a member of the Church of Christ.

Survivors include her husband, V. C. 'Zip' Durrett; a son, Scotty W. Lindley of Abilene; two stepdaughters, Mrs. Rita Gibson of Corpus Christi and Mrs. Brenda Schulte of Nazareth; a stepson, Brady Durrett of Amarillo; her parents, Mr. and Mrs. Floyd Watterson of Clovis, N.M.; five sisters, Mrs. Rosa McAdoo of Clovis, Mrs. Marie Urghart and Mrs. Paula Louise Bull, both of Lubbock, Mrs. Winnie Floyd of Fort Worth, Mrs. Mary Alice Thorp of Albuquerque; a brother, James Richard Watterson of Lubbock; and five grandchildren.

BILL THORNTON [center], longtime secretary of the Kiwanis Club of Dimmitt, receives the "Kiwanian of the Year" award plaque from Bob Murdock, last year's winner, at the club's

annual installation banquet Thursday night. At left is outgoing President Charles Richard.

Thornton is named top Kiwanian

Bill Thornton was announced as the Kiwanian of the Year and Jimmy Davis took the gavel as the new president when the Kiwanis Club of Dimmitt held its annual installation banquet last Thursday evening.

Joining local Kiwanians and their wives at the banquet in the city hall assembly room were fellow Kiwanians from neighboring towns, and members of the Kiwanis-sponsored Dimmitt High School Key Club.

Thornton received his Kiwanian of the Year plaque from last year's winner, Bob Murdock, who commended him for his work as club secretary for the past four years. Thornton has been a member of the local club six years, and has a perfect attendance record.

Installing officer and main speaker was Tom Caldwell, lieutenant governor of Kiwanis Division 33. He installed Davis as president, Robert Benton and Alex Glass as vice-presidents, Thornton as secretary, Cliff Lewis as treasurer, and Murdock, Duward Davis, Jack Patton, John Kovaks, Carl Bruegel, Leroy Maxwell, Doyle Wassom and Richard Stahl as directors.

Before turning the gavel over to his successor, outgoing President Charles Richard reported that the club had earned a gross income of \$21,968 during the past year and commented, "I'd like to see any other club with the number of members we have that has raised that much."

Richard reported that the club spent \$12,290.53 in the community during the year. The Kiwanis Club earns most of its income from its annual Pheasant Hunt and July 4 Fireworks Sale. Much of the money earned through the Pheasant Hunt comes

from sportsmen outside the area who buy permits to hunt on Kiwanis-reserved land.

As a "parting shot," Richard presented two special awards to fellow Kiwanians — a "Tongue in Cheek Award" to Floy Driver and an "Aggie Quarter" to John Kovaks.

Holding up a \$1 bill, he asked, "Do you realize that while you were sitting here eating tonight, our government was spending 350 million of these?"

Voluntary service by civic-minded people can help erase the need for some of this government spending and can

also ease the tax load at all levels of government, he said.

"We as Kiwanians need to keep in mind our goal of being of service to our communities and to the world," Caldwell said.

Following the installation ceremony, Jack Patton presented perfect attendance awards to the following Kiwanians:

- 15 years — Walter Spin-hirne.
 - 12 years — Carl Bruegel, Randall Craig, Bob Crozier, Jack Patton.
 - 10 years — Joe Nelson.
 - Eight years — Gene King.
 - Seven years — Floy Driver, Jimmy Davis.
 - Six years — Leroy Maxwell, Richard Stahl, Bill Thornton, Bob Murdock.
 - Five years — Charles Richard.
 - Four years — Duward Davis.
 - Two years — Robert Benton, Cliff Lewis, Doyle Wassom.
- Pianist Mark Broadstreet provided entertainment for the banquet, and Dale Wells led singing. Master of ceremonies was Elmer Berryhill. Special guests were the Kiwanis Sweetheart, Wendy Bruegel, and members of the DHS Key Club.

Two ribbon-cuttings planned in city today

Ribbon-cuttings are scheduled at two new Dimmitt businesses today (Thursday).

At 9:30 a.m., city and Chamber of Commerce officials will conduct a ribbon-cutting for the new Hereford Texas Federal Credit Union office at 212 W. Bedford St.

Ann Cox, manager of the

Credit Union office, invites all interested persons to visit the newly remodeled office. Coffee and doughnuts will be served after the ribbon-cutting.

At 10 a.m., the ribbon will be cut for Sheffy Western & Casual Wear, 119 SE Second St. Owners are Don and Karen Sheffy.

LARRY'S CHEVROLET-PONTIAC
THEY'RE HERE! THE '82s!

1982 Chevy Van

With Classic conversion. TV set, 4 captain's chairs, rear sofa-bed, ice chest, front and rear air conditioning, CB, AM-FM radio-cassette player, cruise control, electric windows and doorlocks, automatic transmission, 33-gal. tank.

1982 Bonneville

Model G 4-dr. sedan. Beige with vinyl top. Air, cruise control, sport mirrors, full power features, AM-FM stereo radio, 60-40 notchback front seat, 4.1-liter V6 4-barrel engine.

1982 Monte Carlo

Light jade metallic, with 4.4-liter 2-barrel engine. Air, tilt steering wheel, gauge package with trip odometer, AM-FM-stereo radio, locking wire wheel covers.

1982 Impala

4-door sedan, light brown metallic and beige. Air, tilt steering wheel, AM radio, remote mirror, intermittent wipers, value appearance group.

Save on These 1981 Demonstrators!

Pontiac Grand Prix

2-door Brougham. T-tops with removable glass panels. V8 engine, power windows, doorlocks, steering and brakes. Tilt steering wheel, cruise control, AM-FM-8 track stereo system. Special Brougham interior.

Malibu Classic

Four-door beige beauty with red interior. Air conditioning, power steering and brakes, WSW radial tires, automatic transmission, V6 engine. 10,000 miles. Save \$2,345.04. **Was \$8,618.44, now \$6,273.40**

USED CARS

1978 Mustang

Two-door hatchback with 4-speed transmission, air, power steering and brakes, AM-FM-8 Track. Blue.

1976 Chevelle

Four-door model with power steering and brakes, air conditioning. Solid blue.

1980 Malibu Wagon

Light brown. Power steering and brakes, air, 8-track. Low mileage.

1979 Chevy Van

Centurion conversion model — has captain's chairs, sofa-bed, power steering and brakes, air conditioning, AM-FM-8 Track stereo system. Low mileage.

USED PICKUPS

1978 Ford

4X4 model with 4-wheel drive, power steering and brakes. Solid white.

1977 Chevrolet

Silverado 4X4 with power steering, power brakes, air conditioning.

1978 Chevrolet

Silverado, light brown and tan, with 350 V8 engine. Power steering and brakes, air conditioning.

1979 Chevrolet

Silverado 4X4, extra nice. One owner. 27,000 miles. 400 CID V8 engine, power steering and brakes, air conditioning, tilt steering wheel, cruise control.

Hays Has It:

THE NEW NUMBER ONE IS HERE!

**MORE ACRES PER HOUR,
MORE ACRES PER GALLON
IN THE SIZE YOU NEED**

135, 160, 185 PTO HP

Now there's a New Number One. And it's from International Harvester. The new International® 50 Series tractors. The best performing tractors ever built. Here's why:
THE NUMBER ONE ENGINE. You'll find the New Number One in the size you need: 135, 160 or 185 PTO horsepower. Each with the power and economy of a reliable IH-built diesel engine, proven in independent field tests to cover more acres per

hour in less time, with less fuel. Now with exclusive Forward Air Flow for more efficient cooling, longer engine life.
THE NUMBER ONE DRIVE TRAIN. Discover the all-new advanced design drive train that features Synchro Six™ shifting. Shifts with smooth, quiet precision. The only drive train with 18 fully synchronized forward speeds. And the speeds are ideally spaced to help you cover more acres per hour.

THE NUMBER ONE HYDRAULICS. High-capacity Power Priority hydraulics supplies 67 gallons of total flow. You get 25 gallons for the hitch and remotes alone—delivered where you need it, only when you need it.

When you want tractor performance, productivity and reliability, you want the New Number One. An International 50 Series tractor.

THE largest incorporated town in the United States is Framingham, Mass., located outside of Boston, with a population of nearly 80,000.

Cotton buyers, painters draw BBB warning

October is Co-op month

South Plains residents are cautioned to be on the lookout for itinerant painters who are working in the surrounding area. It has been reported by one consumer that when the recent rains hit, the new paint job washed off.

This is a typical home improvement scheme in action. If you are contacted by someone wanting to do a paint job for you, check their references and check with the Better Business Bureau of the South Plains at 763-0459.

Some contractors have been known to change phony signs on the side of trucks so people believe they are local contractors. Sometimes license plates are also altered. If you have a problem with such a contractor, contact the police, sheriff's office or the Better Business Bureau immediately.

The BBB has also received an unusual number of calls this past week concerning unknown companies that are offering contracts on cotton. As with any contractual agreement that involves a company which you do not know, the BBB advises that the consumer move carefully. The best thing to do is to consult your attorney or banker. Remember, a company that tries to pressure you into doing something or signing something on the spot may not have your best interest at heart. In short, the BBB motto, "Investigate before you invest" applies.

FALL and winter '81 fashion trends are making news with tunic-length sweaters for dressy occasions, says Ann Vanderpoorten, a clothing specialist on the home economics staff of the Texas Agricultural Extension Service.

Cashmere, mohair, angora and wool — alone or blended — will provide the background for metallic embroidery and braid, she says. Bugle beads, pearls and tassels also are being used for accents. Less dramatic, but still dressy, are ruffled or scalloped trimmings of self-fabric.

Farmer-owned and controlled cooperatives play a key role in making the family farm the highly productive system it has become.

During October, which is "Cooperative Month," cooperatives are given special recognition for their roles in economic progress of this state and nation, points out Johnny Feagan, economist in organization with the Texas Agricultural Extension Service, Texas A&M University System.

"Cooperatives — Building a Better America" is the theme of this year's observance.

According to Feagan, Texas boasts more than 440 cooperatives that serve some 133,000 members. These cooperatives are doing a business volume of more than \$2 billion annually.

Conklin Co. appoints Robb group manager

Larry Robb has been appointed group manager of the Conklin Co., a Minneapolis-based chemical and energy-related products manufacturer. Robb and his wife, Tammy, live in Nazareth.

Robb's appointment recognizes his leadership training and sales and marketing achievements within the organization.

As one of 1,600 group managers and more than 17,000 independent Conklin distributors, Robb has helped build the company and will share in its 1981 returns. With \$32 million in sales in 1980, Conklin returned just under \$8 million in commissions to independent field managers and in bonuses to distributors.

The Conklin Co. manufactures roofing and coating materials, cleaners, agricultural chemicals and energy-related products, which are distributed through a network of independent distributors.

Nationally, some 50 million Americans belong to about 40,000 cooperatives.

"Cooperatives in Texas range from farmer-owned gins, elevators and compresses to marketing, supply and credit organizations," explains Feagan. "Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens."

According to Feagan, cooperatives make it possible for family farmers to receive more dependable markets for their products and more dependable and lower cost supplies for their farm input. They also benefit consumers by taking the lead in furnishing quality products, in developing better packaging, and in using more efficient distribution methods, all of which helps hold down prices of food and fiber products.

"Cooperatives evolved from the early American spirit of working together to survive. They were organized to compete with economic forces which threatened the economic existence of individuals. Today, cooperatives enable Americans to work together to help themselves," says the economist.

Butler finishes banking school

Anita Cameron Butler, formerly of Dimmitt, has completed the final year of the three-year Colorado Graduate School of Banking at the University of Colorado, Boulder.

She was commercial loan officer, and was recently promoted to a vice-presidency of the United Bank of Skyline of Denver, Colo.

Mrs. Butler, a 1968 graduate of Dimmitt High School, is a daughter of Mr. and Mrs. Al Cameron of Nazareth. In 1976 she was named to the "Outstanding Young Women of America," and in 1980 was listed in the "Who's Who of American Women."

She married Jim Butler of Utah, and they reside in Littleton, Colo. He is also in banking.

Mrs. Butler was among more than 500 who attended the 31st session of the school, held in August. She received a full scholarship to the school from the National Association of Bank Women, Inc. — one of 15 women in the nation to receive such a scholarship.

The primary goal of the school, one of five graduate schools of banking in the United States, is to prepare banking personnel for more rapid advancement to senior management positions in the banking industry.

The school includes three years to two-week summer sessions complemented by written assignments during each year.

ASCS news

1982 cotton quota, acreage announced

By CHARLEY E. HILL
County Executive Director
The US Dept. of Agriculture this week set the 1982 upland cotton national marketing quota at 14,666,667 bales and the national acreage allotment at 16,000,000 acres.

To become effective, marketing quotas must be approved by two-thirds of the producers voting in a referendum held not later than Dec. 15. If approved, quotas would limit the quantity of cotton which a producer could market without penalty. The date for this referendum will be announced later.

According to Everett Rank, administrator of USDA's Agricultural Stabilization and Conservation Service, USDA is required to set a marketing quota for the next crop of upland cotton whenever the current year's total supply is projected to exceed the normal supply. Rank said recent projections indicate that a marketing quota is required under the statutory formulas.

Rank said the amount of the national marketing quota corresponds to the national acreage allotment of 16,000,000 acres, which is the

minimum allowed by law. If, in the absence of new legislation, individual allotments were made effective, producers would have to plant within their allotments to be eligible for price support benefits, he said.

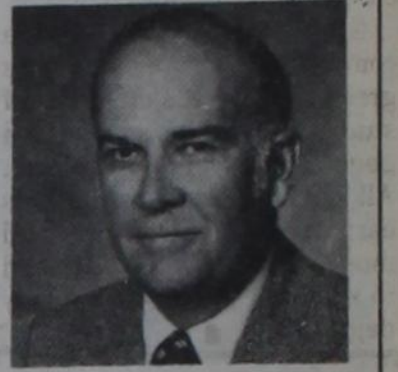

Rank said legislation currently under consideration in Congress could suspend permanent legislation, eliminate marketing quotas for the 1982 crop and make the referendum unnecessary. He said he was not making any other upland cotton program decisions at this time because the expected new legislation would also make them unnecessary.

If it becomes necessary to make further program announcements concerning quotas and allotments for the 1982 crop, they will be made before the referendum is held, he said.

Mason named honor student

Coy D. Mason of Summerfield was named an honor student for the just-completed summer trimester at Oklahoma State Tech, Okmulgee, Okla., where he is studying diesel mechanics.

He earned grades of 3.0 or better on a 4.0 system throughout the 15-week trimester. Most students attend 30 hours of classes each week.

Grade point averages are computed on the student's grade in his major area of study, as well as related general education subjects. All of the college's programs earn college credit hours, and most programs of study lead to an Associate of Technology degree.

Being 'AWOL' may cost \$100 for each day

"It could cost you \$100 per day for not making your child attend school," says District Attorney Jimmy Davis.

Robert Ryan, superintendent of Dimmitt schools, noted that attendance problems have become an increasing problem for school administrators.

"The law now requires school officials to warn the parent or guardian, and if after such warning the parent or guardian fails to require the child to attend school as required by law, then the local school officials are required by law to file a complaint against that parent or guardian," Davis said.

"We've already discussed several cases of non-attendance this year, and in the case of repeated problems, charges will be filed," Davis warned, adding that each day of absence after a warning has been given may constitute a separate offense.

Ryan urged parents having questions concerning the attendance of their children to visit or call the school principal.

STUDENT NURSE RECEIVES CAP—Diane Love [right] of Dimmitt receives her cap during West Texas State University's junior nursing-capping ceremony. Presenting the cap are Betty Henry [left], assistant professor

of nursing, and Dr. Charlotte Rappsilber, dean of the WTSU School of Nursing. Miss Love is the daughter of Mr. and Mrs. Barry Love.

Seven from county will attend SWCD convention

Dale Winders, James Wilhelm, Ernest Brockman, Harold Bob Bennett and Clarence Behrends, directors from the Running Water Conservation District will be in Amarillo, October 26-28, 1981 to attend the Forty-First Annual State Meeting of Texas Soil and Water Conservation District Directors.

Others attending from the Running Water Soil and Water Conservation District are Lynn Ehly, and Lilly Nicholson.

The purpose of the meeting is to review developments affecting Texas conservation programs and to plan future conservation district programs and activities.

Speakers scheduled for the meeting include State Senator Bill Sarpalius of Hereford; State Representative Gibson Lewis of Fort Worth; Milton E. "Bud" Mekelburg of Yuma, Colorado, vice president, National Association of Conservation Districts; Norm Berg, chief, USDA's Soil Conservation Service, Washington, D.C. and Don Strickland of Liberty, a businessman and civic leader.

Joe Montgomery of Abilene, president, Association of Texas Soil and Water Conservation Districts will also address the group. John Frantz of Hartley, president, Panhandle Association of Soil and Water Conservation Districts will welcome the group to Amarillo.

Senator Sarpalius, who will speak at the Tuesday morning general session, served as a member of the Senate Natural Resources Committee and Subcommittee on Agriculture during the last legislative session. He was also a member of the Human Resources and Economics Development Committees.

Representative Lewis, who will also address conservation district directors at the Tuesday general session, is a past chairman of the House Natural Resources Committee. With a major interest in environmental and conservation issues, Representative Lewis played a key role in the passage of the Texas Surface Mining and Reclamation Act.

Mekelburg, a farmer and businessman, is a spokesman for the nation's 3,000 soil and water conservation districts. NACD's primary purpose is to serve its member conservation districts in the conservation, orderly development and wise use of the nation's natural resources. Mekelburg is also scheduled to speak at the Tuesday morning general session.

Strickland, who is a noted public speaker, will present the address following the Tuesday evening banquet. He is a past director and vice president of Rotary International. Strickland also served as the chairman of the 1980 Rotary International Convention.

Berg, who will speak at the Wednesday morning general session, served on the Secretary of Agriculture's Coordinating Committee for the Soil and Water Resources Conservation Act and as leader of the RCA Management Group. He also served as chairman of the USDA Land Use Executive Committee.

Four concurrent workshops will be conducted on subjects of interest to SWCD directors on Tuesday afternoon. The workshops will feature discussions on oil and gas leases, conservation legislation, district operations and a session on recent technological developments in conservation tillage in Texas.

Regular elections for Association of Texas Soil and Water Conservation District directors for State Areas I, III and V will be held on Tuesday afternoon in the area sessions. A president and vice president of the State Association will be elected at the Association's business session on Wednesday.

Custom cars place in show

Three Dimmitt men placed high with five custom cars in the recent Rod and Custom Car Show in the Amarillo Civic Center.

Billy Harman's 1967 Dodge Coronet R/T earned a second-place trophy in a field of 11 contestants. His car was classified as a custom conservative hardtop.

Michael Goolsby won a first-place trophy with his 1967 Chevrolet pickup and a second-place trophy with his 1936 Chevrolet sedan.

Wade Maynard won two first-place trophies, one with his 1941 Ford pickup and the other with his 1940 Ford sedan.

The Amarillo show was sponsored by the Texas Show Car Association, headquartered in Arlington.

SACCHARIN is a white crystalline organic compound, several hundred times as sweet as sugar, commonly used as a sugar substitute. It has no nutritive value at all and passes from the body chemically unchanged.

Moisture survey now in progress

Your best source of information about next spring's pre-planted soil moisture conditions may be obtained from a cooperative soil moisture monitoring study already in progress on the High Plains. Soil Conservation Service and High Plains Water District staff are now preparing over 140 soil moisture sampling sites for the 1981-82 monitoring program. They hope the study will provide data for accurate pre-plant soil moisture maps on the High Plains.

The SCS has used a statistically sound random sample developed by Dr. Bob Davis, with the Agricultural Economics Department at Texas Tech University, to locate sites for up to 300 neutron probe access tubes on farms over the 15 county area. Site selection is based on the complexity of local soils and variations in saturated thickness of the Ogallala Formation.

Barney G. Lee, District Conservationist for Castro County, is currently contacting landowners and operators asking for their cooperation and permission to drill the probe holes and place the tubes. A minimum of disturbance to cropland is necessary to install these two-inch diameter, thin wall aluminum tubes which will be set to a depth of seven feet below the land surface. Crews will use a soil auger mounted on a small two-wheel trailer to prepare the sites. Readings of the soil moisture profiles will be taken with a hand carried instrument in late January and early February.

Lee says, "this study will give us an accurate picture of our soil moisture reserves over the entire area. This information will help farmers make more accurate pre-plant irrigation decisions to avoid both over and under irrigation this spring, and give an indication of potential dryland production."

above that needed to fill the soils to field capacity costs the irrigator about \$2.00 per acre inch, in fuel cost alone. Each "extra" inch can cost a farmer over \$320 on a 160 acre field. Under-irrigating, on the other hand, can cost producers millions of dollars in reduced yields.

For the dryland producer, the soil moisture monitoring program can provide data to help him select crop varieties most suitable for his existing soil moisture conditions.

The survey will also have a tremendous irrigation water saving potential, especially in years when the soil moisture deficit is small, such as is expected for this season if current weather patterns continue.

The High Plain's first soil moisture monitoring program was developed and maintained for many years under

the guidance of Oliver Newton, who worked for the National Weather Service at Lubbock. Technical guidance was provided by Texas Agricultural Experiment Station at Lubbock with funding support from the Plains Cotton Growers Association.

With Oliver Newton's recent retirement and the closing of the local Weather Service offices, a new sponsor was needed to continue the program. The High Plains Water District accepted prime responsibility for the program, and developed a cooperative agreement with the SCS to expand the program. The Texas Agricultural Experiment Station will continue to provide technical assistance as needed.

Corn Farmers! What corn hybrid outperformed the 9 most-planted hybrids in the Panhandle?

Stauffer Seeds™ S7795

S7795—The Panhandle's new yield leader. Results tell the story: Stauffer Seeds S7795 won both the 1979 and 1980 Texas Agricultural Experiment Station Yield Trials at Hallway, and holds a two-year test yield of 10,899 pounds/A. It's the hybrid breakthrough Panhandle Corn farmers have waited for—a rugged drought and heat resistant hybrid that pays off big at harvest.

Stauffer Seeds™—not a new company—a new brand name. You can expect this kind of record performance from Stauffer Seeds, a brand that is produced by 3 leading regional seed companies—Prairie Valley, Inc., Blaney Farms, Inc., and RBA, Inc.—over 45 years of hybrid seed corn experience and knowledge. Now, backed with the resources of

Stauffer Chemical Company, Stauffer Seeds will continue bringing you new and improved hybrids for your farm.

And for a limited time—get a Free Stauffer Seeds Cap! Size up the yield-winning characteristics of S7795 for yourself—by returning the coupon below. We'll give you a free Stauffer Seeds cap just for asking about Texas' new yield leader. But hurry! This free offer expires December 31, 1981.

Swifts lead top-ranked Mats by 7-3, until--

By JEANIE WILHELM
Nazareth's Swifts had the state's top-ranked Class A team (AP poll) down by a 7-3 count going into the fourth quarter Friday night at Nazareth.

Motley County scored four touchdowns in the last quarter — three of them in the final 4:35 — to beat Nazareth 28-7 in a District 2-A North game.

The only score in the first half was a 29-yard field goal

by Motley County's Glen Calvert, with 10:22 left in the half.

With 6:33 left in the third quarter, Calvin Schulte scored the only Nazareth touchdown on an eight-yard run. The

kick by Schulte was good and gave the Swifts a 7-3 lead.

But with 11:50 left in the game, Darrel Moore scored for Motley County on a 26-yard run. The kick failed, but the Matadors had a 9-7 lead. Motley county scored its

next touchdown on a fake field goal with 4:35 left in the game. The TD came on a pass from Brent Campbell to Jerry Long. The kick failed and gave the Matadors a 15-7 lead.

The last two touchdowns the Matadors scored came within 16 seconds of each other.

Tim Shannon scored for the Matadors with 1:41 left in the game on a 30-yard run. The kick by Calvert was good, giving the Matadors a 22-7 lead.

The last score of the game came with 1:25 left. The Swifts fumbled the ball on their own 5-yard line and the Matadors recovered it. Tim Shannon ran the ball in from there. The kick failed, leav-

ing the final score at 28-7.

One of the major factors in Motley County's victory was its defense. The Matadors intercepted one of Nazareth's passes and recovered five fumbles.

"The reason for the outcome was that we had too many mistakes. We fumbled the ball a lot, had bad snaps, and missed a fake field goal attempt," said NHS Coach Ken Cole.

"Defensively, I was proud of Francis and Mike Kern, and George Hochstein," said Coach Cole. "They played real well."

"If we can get our motor running again, we have a good chance to beat Happy," said Coach Cole.

The Swifts, now 5-2 for the

season and 1-1 in district, will travel to Happy tonight (Thursday). The game will get underway at 7:30.

TOUCHDOWN!—Nazareth's Michael Kern (77) and Rodney Heiman (76) leap skyward as fullback Calvin Schulte dives over the goal line to put the Swifts in front of the visiting Motley County Matadors midway in the third quarter Friday night. Schulte added the extra

No. 1 Wildcats to visit

By JOHN BROOKS
"I hope we can take a page from the book on the Arkansas-Texas game. Arkansas came out fired up and beat up on the No. 1-ranked team in the nation, and we get to play the No. 1 AAA team in the state this week."

Those were the words of Dimmitt Coach Mike Major (who, by the way, is an ex-Razorback), as the Dimmitt Bobcats tackle Littlefield's top-rated Wildcats Friday night at 7:30 at Bobcat Stadium.

Not only do the Bobcats get to face the state's No. 1 team in the Harris Rating System and the UPI Poll (and No. 3 in the AP charts), they get to face what Coach Major feels may be the "best defensive man in this area."

Pat Demel, at linebacker, is, without a doubt, the best defensive man we have

played all year long. He is extremely quick, and is super strong. He's been fighting off double and triple-team blocks all year long, and probably has more tackles himself than many teams. He has no weakness," praised Major.

"They have one of the most potent offenses we'll face this year," Major continued. "Bryan Gregory, at quarterback, is probably better than his big brother, Eddie. He runs well, and throws the ball efficiently. His favorite target is No. 80, George Brockington. He beat Floydada himself. He's not very big, just 140 pounds, but he does play well."

"Their best offensive lineman is probably Lynn Moorhead, at tackle. He is extremely capable," said Major. "At the other tackle, Alex Burnett, they have another quality player."

Longtime Wildcat Coach Jerry Blakely, whose 1980 unit went 11-2 before losing 26-18 to Stamford in the quarterfinals, has six other returnees besides Demel on defense. Moorhead returns at tackle, and Gregory will be at cornerback. Other veterans include end Billy Tiller, monster Scott Blakely, nose guard Jim Burks and end Leslie Yarbrough.

"Anytime you play the top team in the state, it's hard not to get motivated," said Coach Major. "It will be an honor to just get to play against these guys, and you should want to play at least 110 percent against the top dogs. It will

take super effort on each play just to do anything. I've seen some good teams, I've been associated with some super programs, but Littlefield has one of the best teams for a school this size I have ever seen. If they have a weakness, it's a lack of speed in the backfield. They don't have to have any, though; they'll run right through you, and pass right over you. Coach Blakely has a diversified offense, and you don't know for sure what they'll do. But once they find a weakness, they'll keep exposing that weakness until you do one of two things: plug up the hole, or sound the final gun."

Major was generally pleased with last week's effort by his charges. "We blocked a lot better last week. We probably should have run the option more. We thought they were playing us a little 'harder' at the corners than they really were. When we looked at the film, I thought, 'Why didn't we run the option more?' But we did run the ball better last week than probably any other time this year."

"We had some super catches, too," praised Major. "Richard Guzman threw several good passes, and Phil (King, split end) and Jeff (Watts, tight end) made some great catches. Richard did a good job of reading the defense on the touchdown pass to Phil, but we threw some into traffic that maybe shouldn't have been thrown. That comes from lack of experience, rather than from lack of ability. The only thing we can do is to get that experience. Richard did a good job, and just needs a little more experience."

"We must take those turnovers out of our offense," continued Major. "But, we weren't trying to keep it close last week. We were going for the win."

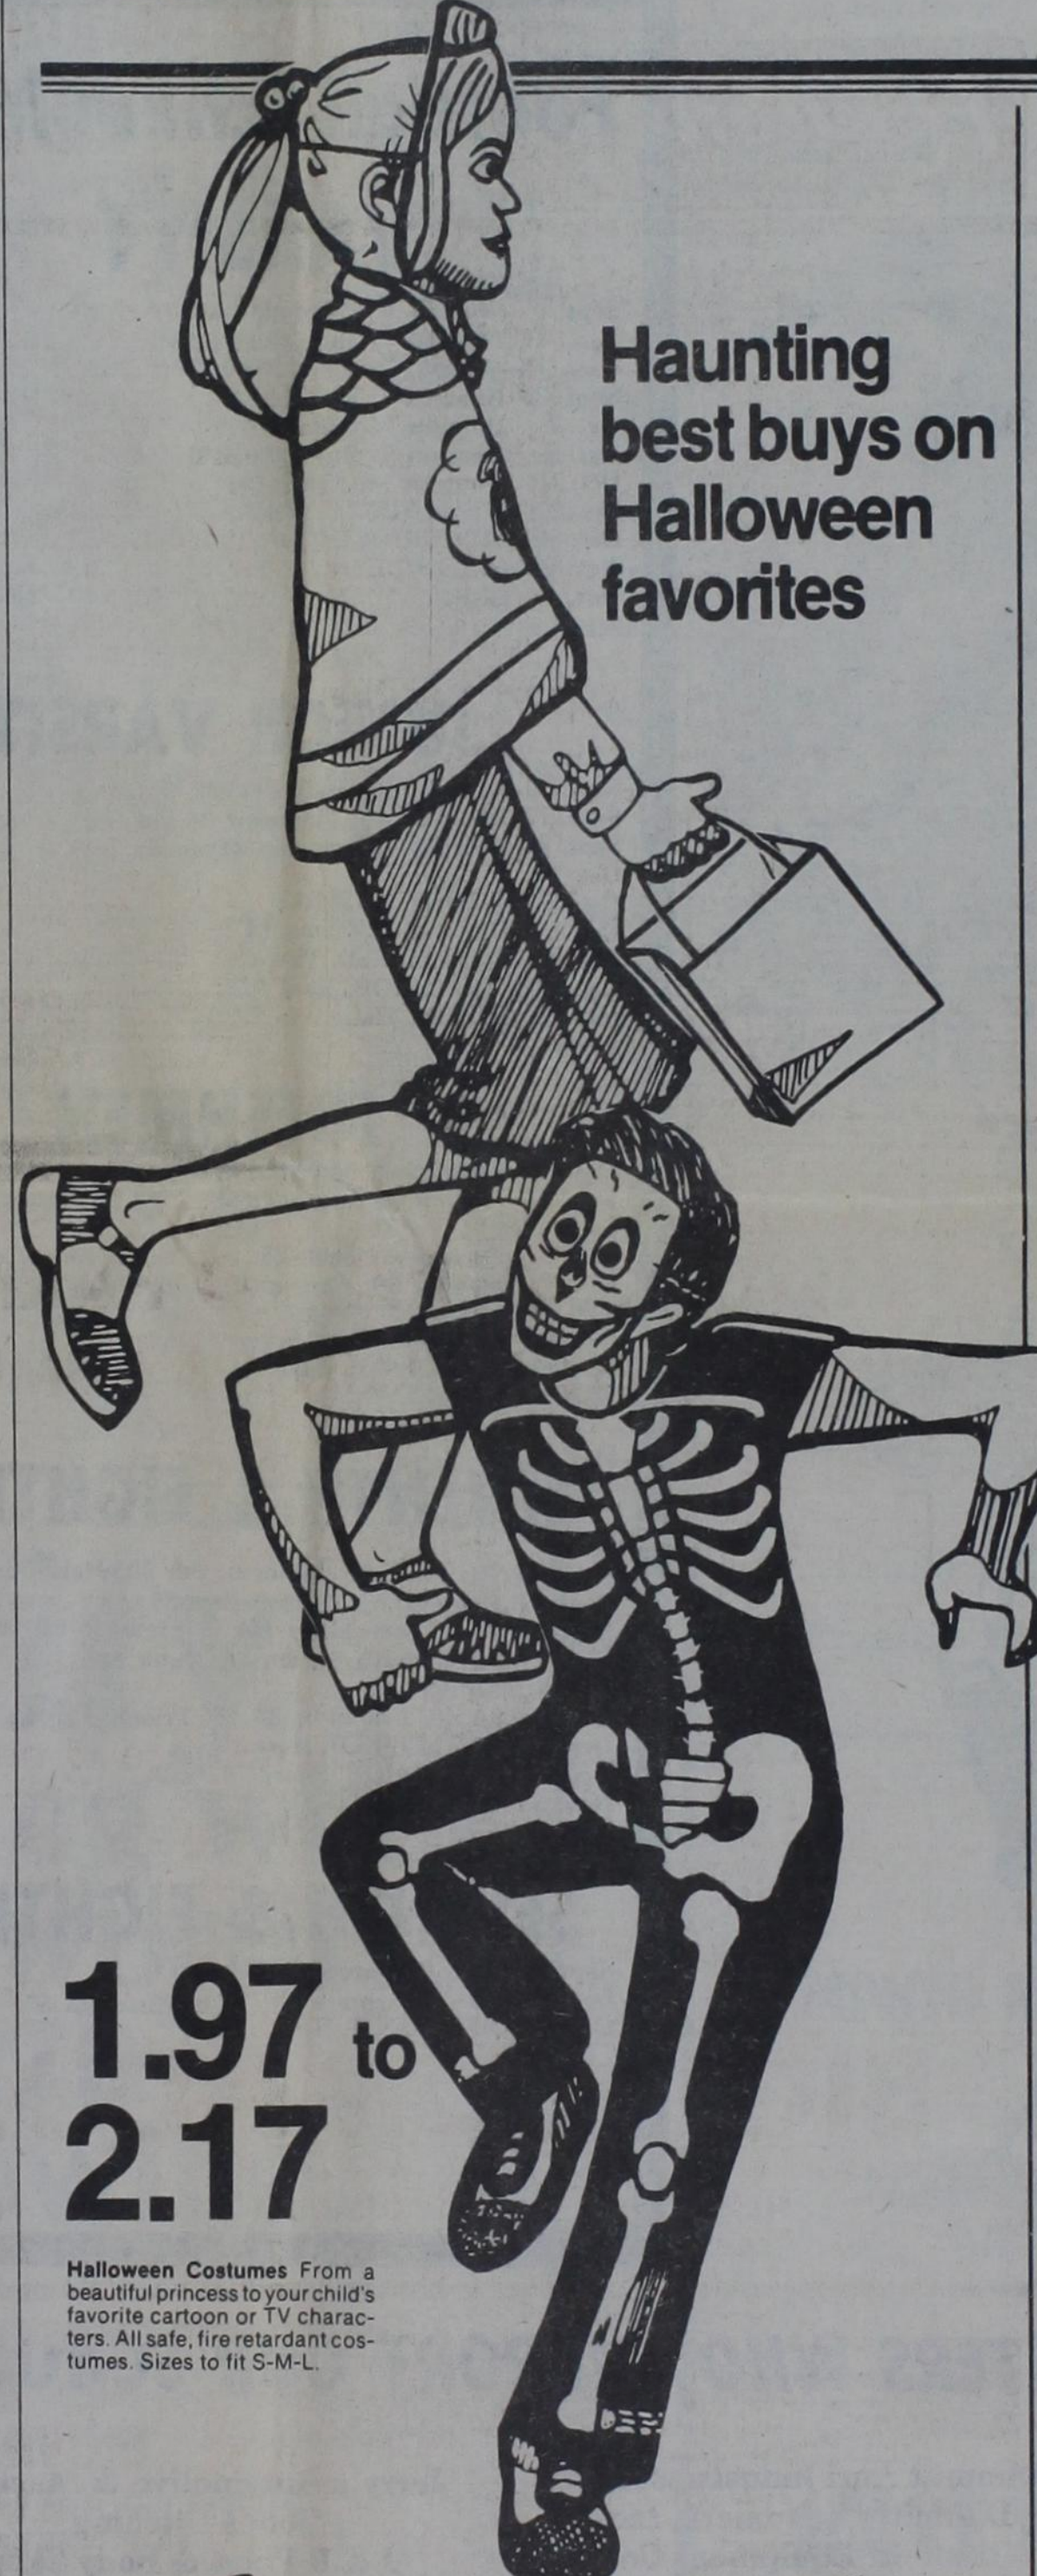

"I was glad to see Jeff do such a super job punting the football. We wanted to cut down on the returns as much as possible, and Jeff had a really good night kicking. We're going to have to have another good night punting this week. We did a super job on the kickoff returns, too. Larry (Espinosa) found some holes, some holes that weren't there before. We just did a good job blocking everything all night long."

Game time Friday night is 7:30 at Bobcat Stadium.

BIG GAINER—Dimmitt runningback Jay Nelson turns the corner past Friona's Jeff Lundy [42] for an eight-yard gain after taking a pitch-out in the fourth quarter of Friday night's District 2-AAA opener at Friona. At right is Dimmitt split end

Tim Wales [33]. The play netted another 15 yards when the Chieftains were penalized for a late hit after Nelson was driven out of bounds, giving Dimmitt a first down at midfield. The Chieftains won the game, 36-14.

Chiefs rip Cats, 36-14

By JOHN BROOKS
Friona broke open a close contest in the second half to take a 36-14 conference win over Dimmitt Friday night in Friona.

Two second-half interception returns for touchdowns and two runs from scrimmage

by tailback Nelson Jackson broke open a close game and put Friona, 4-3, over the .500 mark for the first time in several years.

Dimmitt, meanwhile, drops to 1-6 for 1981, and will meet the No. 1 team in AAA football in the state, Littlefield, Friday night at Bobcat Stadium.

Dimmitt took an early 6-0 lead, two plays after "monster" Brad Holcomb picked off a Mark Tucker pass at the Friona 30. Holcomb was pushed out of bounds at the Chieftain 16. After a two-yard run on first down, quarterback Richard Guzman rolled to his left on an option play, turned inside the defensive end, and scooted in for the score. A bad snap from center sent Johnny Nino's kick off to the side, but Dimmitt led, 6-0, with 8:13 left in the first quarter.

Friona tied it up with 1:57 left in the opening period, after driving the football 80 yards. The Chiefs, diversifying their attack with runs out of the wing-T and the I formations, moved with ease on power runs by Richard Malouf, Nelson Jackson (who would eventually break the game open in the second half), and Richard Osborn. It was Osborn who scored, from two yards out. The snap from center was errant, and holder Mike Neill was tackled by Johnny Gonzales before he could try for two points.

Dimmitt was able to gain just nine yards on its next possession, and a Jeff Watts punt of 54 yards sent the Chiefs back to their own 20. Friona couldn't generate any offense, and punter George Richardson couldn't cleanly field the snap.

He chased the errant ball into his own end zone, and was tackled there by Bill Johnson and Brad Holcomb.

The safety gave Dimmitt an 8-6 lead with 11:16 left in the first half.

Dimmitt suffered the first of seven turnovers on the ensuing possession, giving the Chieftains the big break they needed — and a lead they would never relinquish. The Chieftains couldn't move the football, but Mark Montoya (last year's all-district 2-AAA kicker) booted home a 28-yard field goal to give the Tribe a 9-8 lead that held through the rest of the period.

Tailback Jackson scored the insurance points when he broke down the right sideline on a 51-yard touchdown run in the opening minute of the third quarter. Jackson, among the leading scorers in AAA football on the Panhandle-Plains, and the holder of the record for the longest interception return in the state (106 yards last year),

had four blockers in front of him, but broke through four would-be tacklers to give Friona a 16-8 lead following Montoya's extra point.

Dimmitt got right back in the hunt when the Chieftains coughed up the ball after being penned up by another good punt by Watts. On fourth down, Guzman found split end Phil King in the back of the end zone. Coach Mike Major disdained the crowd's cry for a two-point effort, but Nino's extra point try sailed off to the right. Dimmitt trailed by two, 16-14, halfway through the third period.

Jackson scored his second touchdown of the night with less than a minute to play in the third quarter, as he went in from 39 yards out on a crisply-blocked sweep. Montoya again tacked on the extra point, and Friona had a 23-14 advantage.

The roof caved in on the Bobcats as three Guzman passes were picked off, and two were returned for touchdowns.

Neill returned one errant pass 35 yards with 11:24 left to put the Chiefs up, 29-14 (Montoya's kick was blocked by Watts), while Jackson returned another 15 yards for the final score of the night.

Carl Jackson picked off another pass for Friona in the fourth period.

A partially pleased Coach Major explained, "We weren't trying to keep it close; we were going for the win. When you're backed up, you've got to try to move as quickly as you can, and we tried to pass the football. That's one reason we didn't go for two (after King's touchdown catch). I thought we could score again... we had been moving the football, but you've got to credit their defense. They rose to the occasion when it counted."

Vega edges Hart by 7-6

The Longhorns could not lose on this particular night as Vega and Hart tangled in the district opener for both teams. Friday in Hart, Vega escaped with a 7-6 "white knuckle" victory.

Hart received the opening kickoff and after making one first down, the Longhorns had to punt to Vega. They took the ball and drove down to Hart's 20-yard line, mostly on the running of Brian Taylor. On fourth and three, from Hart's 13-yard line, Vega's Joe Potter attempted a 30-yard field goal, but it was wide to the left, leaving the game scoreless at 10:51 of the first quarter.

Hart was unable to move the ball on the ensuing kickoff and again they had to give the ball back to Vega. The Vega Longhorns took over on Hart's 48-yard line. Fine running by

Lane Mason and Brian Taylor put the ball on Hart's 1-yard line in just seven plays. From this point Lane Mason carried over for the game's first score. Joe Potter added the all important PAT to give Vega a 7-0 advantage with 6:51 remaining in the first quarter.

Hart regained possession of the ball at their own 30-yard line with 2:58 to play in the first half. With good line blocking, Daniel Guzman and Clay Barnes helped move the Hart Longhorns steadily downfield. With :16 left in the half, Clay Barnes bulled over from the 1-yard line, capping an eleven play drive.

The run for two points came up about two feet short, so at intermission Vega held onto a slim 7-6 lead.

As the second half began, both defenses "dug" in and controlled the play. The only serious threat of scoring in the third quarter resulted from a muffed quick-kick attempt by Hart, giving Vega the ball at Hart's 27-yard line. However, the Longhorns stiffened and Vega's fake field goal was unsuccessful leaving the score Vega 7 and Hart 6. This is how the third quarter ended.

Neither team really mounted a scoring threat in the fourth quarter. Hart

began to gamble on defense late in the game and Vega's Brian Taylor busted loose for a 61-yard gain down to Hart's 12-yard line. This run sealed a Vega win, 7 to 6, as Hart was unable to stop the clock.

Hart Coach Ken Hoskins said "Our youngsters played their hearts out. I knew it would be a tough game, but I know that our kids gave it their best throughout the entire game. I'm proud of our team's effort and the fact that they never gave up. We must regroup and get ready for Springlake-Earth. I really feel that one loss will not keep any team from winning our district."

Hart now stands at 3 wins and 3 losses, and 0-1 in district competition. The Longhorns travel to Springlake-Earth this Friday for another District 3-AA encounter. The Wolverines lost to Bovina last week 42-14. Game time on Friday will be 7:30 p.m.

Durham, Gonzales pace 7-A victory

Todd Durham and Jessie Gonzales led the way last Thursday as the Dimmitt 7th Grade A team routed Friona, 28-8.

Durham scored in the first quarter on a 25-yard run, followed by Gonzales' 20-yard scoring run set up by a Friona fumble.

Gonzales scored again in the third quarter. Then

another Friona fumble set up Durham's 15-yard touchdown run which completed the scoring.

Coaches recognized Jessie Gonzales, Todd Durham, and Jerry Gonzales for outstanding offensive play, and Milton Carrasco, Troy Gross and Gonzales for outstanding defensive play. Dimmitt's record is 2-3.

Electricity. Knowing what it's worth is worth knowing.

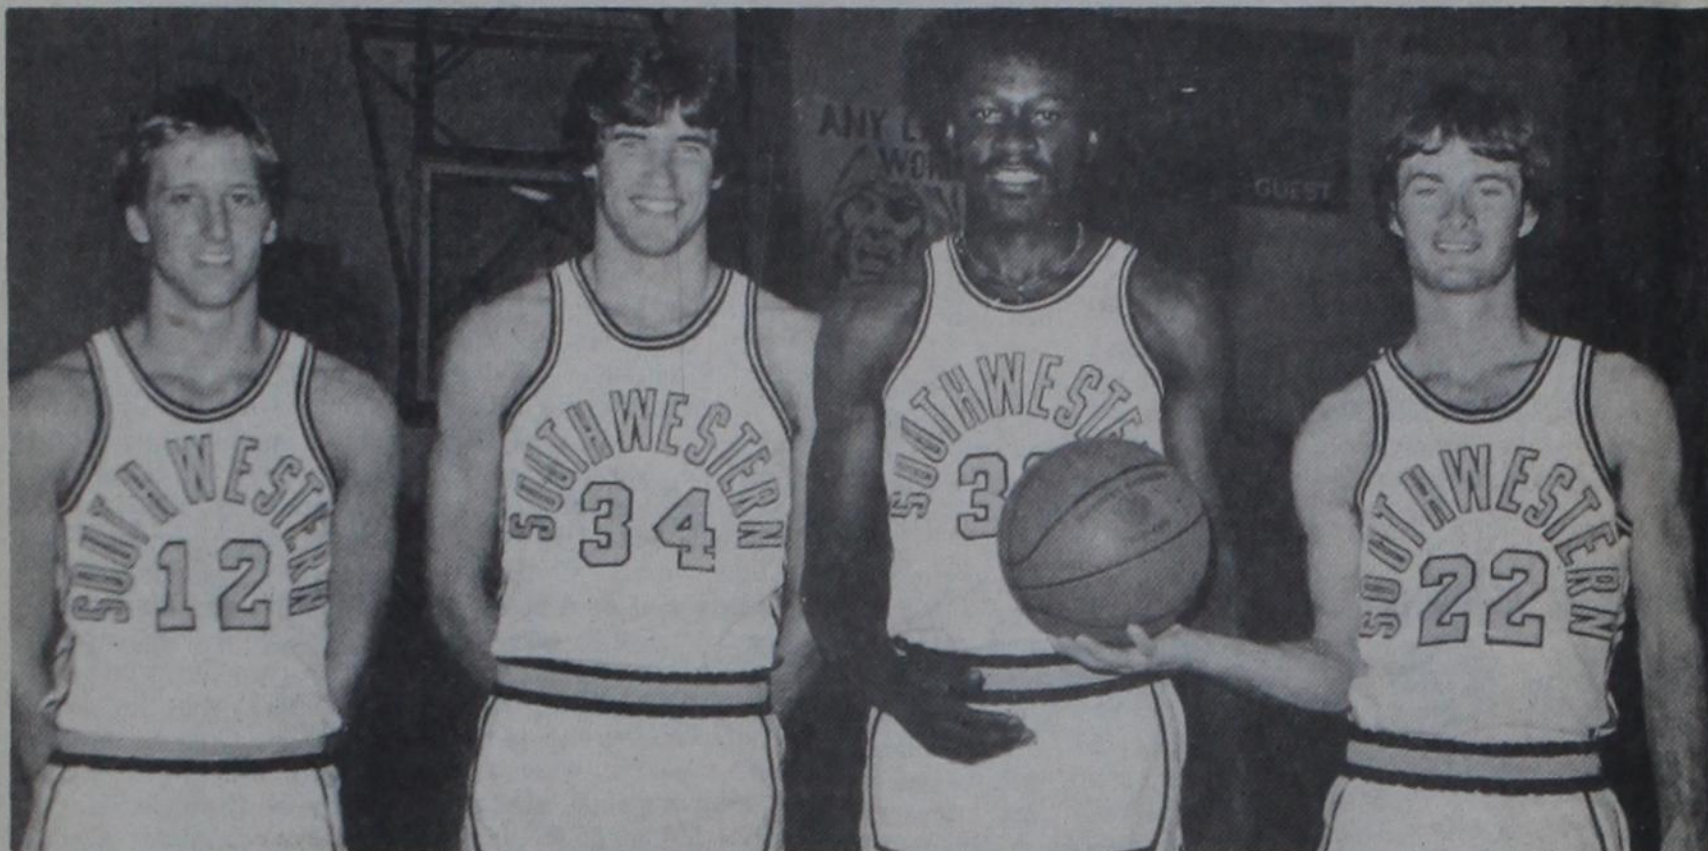

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.

- How much was your electric bill last month? \$ _____
- Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ _____
- How many people are in your family? _____
- Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ _____

Knowing what electricity is worth is worth knowing. Just look around.

ROCKY RAWLS [right], senior from Dimmitt, is a co-captain of the Southwest Nazareth Pirates and one of four veterans who will help defend the Pirates' Big State Conference basketball title this season. Other returners from last year's championship squad are [from left] Bruce Quick, sophomore from New

Orleans; Curtis Vick, junior from Luling; and co-captain Jackie Edwards, senior from Killeen. The Pirates won two of three pre-season scrimmages at Georgetown against the Army All Stars, based at Fort Hood.

Nazareth

'Seniors' open building

By VIRGIE GERBER
Forty members of the Nazareth Senior Citizens attended a meeting Tuesday, the 13th. It was the first meeting to be held in their new building. Plans are being made for an 'open house' Nov. 8 from 2 to 5:30.
Congratulations to Robert and Mary Verkamp on the birth of a son, David Michael, Oct 14 at Canyon Palo Duro Hospital. Grandparents are

Mrs. Ella Verkamp of Idalou and Earl Backus of Nazareth.
A farewell supper was given Tuesday evening at the Charley Hill home for Harold Gerber who moved to Austin on Wednesday to make his home. The Albert Gerber family, Jim and Sandee

Hoelting and Donna Charanza enjoyed the supper and several hours of home movies.
Fourteen members of the Young Adults Group, Sisters Adrian and Anita visited the Capuchin Nuns of St. Clare Monastery, Sunday in Amarillo. After attending mass with the Franciscan nuns, they enjoyed a tour of the monastery, then shared a picnic meal and singing with the nuns.
Neil and Hilda Duer of Fort Worth spent the weekend here with her mother, Elizabeth Schmucker. They also visited in the homes of the Lawrence Schmuckers, Leonard Gerbers and the Vincent Braddocks. On Sunday, the families enjoyed dinner together at K-Bobs Steak House.

Paul Gerber is spending a week in respite care at the Amarillo State Center.
Carroll and Denice Gerber drove to Austin Monday to spend a few days with Rick and Robbie Gerber.
Many friends attended funeral services for Bob McLean Monday afternoon at the Methodist Church.

Sgt. Yates in NATO exercise

Kiwanis makes contributions

Army Sgt. Bradley K. Yates, formerly of Dimmitt, has participated in 'Reforger '81,' a series of training exercises conducted by the North Atlantic Treaty Organization (NATO) forces in Europe.
A 1977 graduate of Dimmitt High School, Sgt. Yates is the son of Dee Y. Brisco, now of Arlington, and the late Robert Yates.
A maintenance clerk with the 3rd Armored Division in Frankfurt, West Germany, Sgt. Yates joined with members of his unit to provide support for the United States and allied forces taking part in this annual exercise.
The 13th of its series, Reforger '81 tested mobility, plans, capabilities and support agreements between military and civilian transportation agencies of both the United States and its NATO partners.
The exercise, stated Department of Defense officials, provided soldiers and airmen with peacetime training for performance of duty under simulated combat conditions.
Nearly 17,000 people along with 27,000 tons of equipment were sent to Europe from the United States in support of Reforger '81.
Sgt. Yates' address is: Bradley K. Yates 46298852, 3rd A.D., 22nd Chemical Co., APO New York, 09039.

Davis told members that \$2 was needed from each club member to send to the Texas-Oklahoma Foundation, and to the Tom Duncan Memorial Scholarship Fund.
Past President Charles Richard presented club member Floy Driver with the 'tongue-in-cheek award' he had not been able to receive at the club's installation banquet Thursday.
Davis and club secretary Bill Thornton planned to attend the Division 33 Council Tuesday, where plans for the coming year were to be made.
The club's board of directors is scheduled to meet Monday at 6:30 a.m. in the Colonial Inn Restaurant.
Concerning the upcoming annual pheasant hunt, it was suggested that Dimmitt 4-H'ers and FFA'ers might act as guides for hunters the first day of the season, so that hunters could find the designated areas more easily.
New member Don Sheffy was recognized at the meeting along with visitors Ben Benton and David Maxwell. Seventeen members were present.

Understandably, Hartman doesn't like the idea of sitting on the sidelines while her responsibilities are being absorbed by the rest of the Texas players on the court.
"I was really disappointed and upset," Hartman said. "I was really looking forward to this year, but that's the way things go. I guess I'll just have to stick around and play next year. But I was really looking forward to this year because I'm a senior and we have a young team. Lesa Jones is the only other senior. This just makes it harder for everybody else."

Hartman lost for season at UT

The University of Texas women's basketball team will be minus Nazareth's Cheryl Hartman this season.

And you can bet Hartman, the Longhorns' 6-1 senior post player, who recently had knee surgery and is out for the entire season, will surely be missed by a young, relatively inexperienced Texas team.

"I don't even want to think about it," coach Jody Conradt said. "There is no way to get around the fact that this is going to be a critical loss. I've been through a flood and a fire, but I think I'd go through both again if Hartman could play."

Hartman, a 1978 graduate and an all state player at Nazareth High School, said her left knee simply gave out when she was practicing one day. She initially injured it at the end of Texas' 1980-81 season. Hartman will be in a cast for six weeks, and then will go through a weight-lifting and rehabilitation program.

Losing experienced, talented post players to knee injuries is nothing new to Texas, however. Jackie Swaim, a starting post in the 1978-79, 80-81 seasons, missed a majority of the 79-80

season to knee surgery, and the Longhorns were forced to rebuild. Ironically, part of that rebuilding was the

8-A team romps, 30-0

Mark Smothermon, Woody Glass and Noe Castro ran for two touchdowns apiece last Thursday to lead the Dimmitt 8th Grade 'A' team to a 40-0 romp over host Friona.

The win boosted the Dimmitt team to a 2-0-2 record on the season.

Smothermon and Glass each ran for touchdowns in the first and second quarters, and Castro scored once in the third and once in the fourth stanza.

Dimmitt's defense held Friona to only three first downs.

Outstanding offensive players for Dimmitt were: Smothermon, Glass, Castro and Blake Brown.

On defense, Dimmitt coaches cited Castro, Smothermon, Bobby Gill and Bernie Garcia, who recovered three fumbles.

development of Hartman (who was then a sophomore) to help take over some of Swaim's responsibilities.

"Compared to when we lost Jackie," Conradt said, "Losing Cheryl is a bigger loss. With Jackie, she was on a senior-dominated team with a lot of leaders and experienced players, but with Cheryl, this is a young, inexperienced team. It will be harder to rebuild."

Understandably, Hartman doesn't like the idea of sitting

Lung Association warns about Halloween treats

Halloween brings ghosts, goblins and, sometimes, real danger. The American Lung Association of Texas warns about one danger for children — the risk of choking on holiday treats such as candy corn, hard candy, and peanuts.

At Halloween, children go door-to-door "begging." Parents should insist that youngsters bring the goodies home for inspection. For the youngest — two, three or even four years old — some of the candy can be divided or mashed before eating.

The chewing and swallowing muscles of young children may not be sufficiently developed to cope with certain treats, and choking can result. Halloween goodies also may "go down the wrong way," and lodge in the lungs instead of the stomach. This is called

aspiration. A foreign object of any kind in the lung can cause life-long problems. At times, surgery for removal is required.

The best warning is: Be sure children are old enough to chew and swallow correctly before trusting them with small, hard bits of food. Parents should always be on guard against small objects getting into the hands of children young enough to want to put everything into their mouths.

Set a good example. Don't put anything but food into your own mouth, and ask your Lung Association for the leaflet: "Keep Your Child From Choking."

Write the American Lung Association of Texas, 701 North Lamar Boulevard, Suite 104, Austin, Texas 78752-1088 or call (512)458-2206.

ENERGAS

Gas heating saves \$226 per year!

Compared to the heat pump, gas heating can save you \$226 per year on your utility bills. So if you hear that a heat pump is "more economical", remember, that is comparing it to other electric heating . . . not to gas! No other heating system even comes close to gas for economy. At Energas, we are committed to help you get the most for your heating dollar. Gas heating, combined with good conservation practices, saves energy, too.

BRAD HOLCOMB, Dimmitt's "monster" linebacker, picks off a Friona pass at the Chieftains' 30-yard line and starts a 14-yard runback in the first quarter of Friday night's District 2-AAA opener at Friona. At right is linebacker Mario Moreno. Holcomb's interception set up the game's first touchdown, giving Dimmitt a 6-0 lead. However, Friona won the contest, 36-14.

Key Club plans car bash booth

Sunday, ten members of the Dimmitt Key Club met to prepare a car for the club's car bash booth at the upcoming Halloween Carnival.

Plans for the booth and another money-making project connected with the Kiwanis Club's annual pheasant hunt in December were discussed at the group's meeting last Wednesday night.

Key Club President Phil King also urged members to attend the Kiwanis Installation Banquet Thursday, since the Kiwanians are sponsors of the Key Club.

Denise Behrends, D. D. Bishop, Darrin Black and Brett Sheffy attended the banquet.

The club meets at 8:45 each Wednesday evening at the Dimmitt high school cafeteria.

HISD board accepts bid

The Hart Independent School District's Board of Trustees accepted a bid on storm windows, approved an audit report, heard a report about Senate Bill #341 and heard a review of upper level math programs.

Supt. Ted Averit presented the information on the recent legislation affecting non-renewal of term contracts.

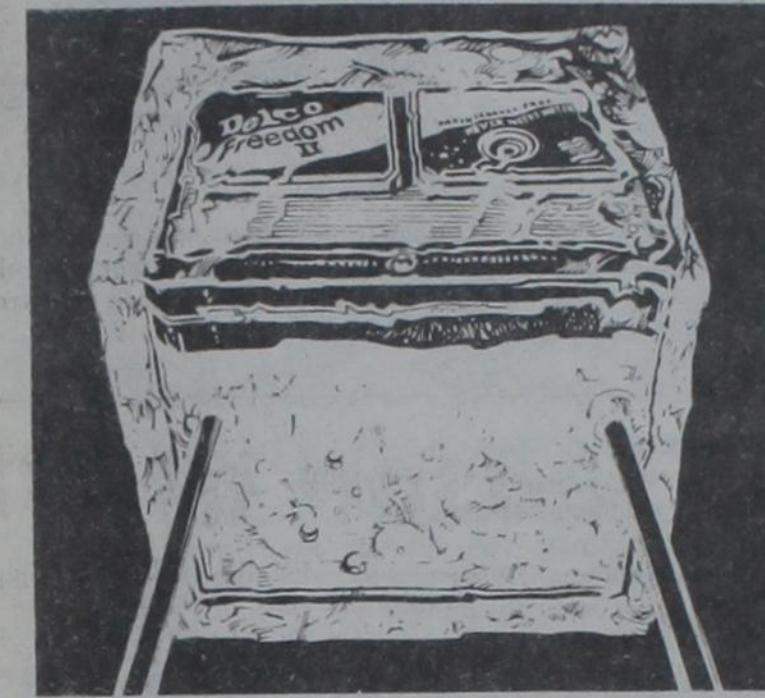

The Ed Harris Lumber Co. will provide the 16 school residences with 75 storm windows at \$25.50 each, a total of \$1,912.50.

Kaci Jones of Brown, Graham & Co. of Tulia presented the 1980-81 audit report, which was approved by the board.

Kathryn Jahay and Brenda Campbell gave a review of their math programs for grades 7 through 12.

The board also discussed building a new front entrance to the band hall, but no action was taken.

THURSDAY — Beef stew, fruit salad, cornbread, butter and syrup, cheese slices, oatmeal crunchies, milk.

FRIDAY — Roast, mashed potatoes and gravy, green beans, hot buttered bread, chocolate cake, milk.

China-painting demonstration slated Monday

Evelyn Lee of Tulia will give a china-painting demonstration at the October meeting of the Nazareth Art Club Monday night.

The meeting will begin at 7:30 p.m. in the basement of the Holy Family Church. A brief business meeting will precede the china-painting demonstration.

The meeting is open to all persons interested.

The club is making plans for its annual arts and crafts show and baked-goods sale, which will be held Nov. 22 at the Nazareth school lunchroom.

Mixson-Edwards vows exchanged

Cynthia Ann Mixson of Dimmitt and Derek Lee Edwards of Amarillo were united in marriage Oct. 12 at 7 p.m. in a civil ceremony conducted at the Castro County Courthouse by Justice of the Peace Marshall Young.

The bride, daughter of J. R. and Rickie Mixson of Dimmitt, is living at home with her parents while she finishes her senior year at Dimmitt High School.

The groom, son of Sandra Heldt of Amarillo and Jack O. Edwards of Del Rio, left the morning after the wedding to

enter basic training at Fort Leonard Wood, Mo. He is a 1980 graduate of Canyon High School.

Honor attendants at the wedding ceremony were Elonda Mixson of Plainview and Terry Mixson of Dimmitt, sister and brother of the bride.

A street-length dress with lace and blue satin ribbon trim and white-on-white flocked background was worn by the bride. She carried a bouquet of white daisies and blue carnations.

A reception for the couple was held in the bride's parents' home following the ceremony.

JACK STEWART [right] of Dimmitt has been elected vice-president of the junior class at Panhandle State University in Goodwell, Okla. Pictured with Stewart are Kenny Hughes of Lewisville, class president, and Tracie Keetch of Spearman, secretary-treasurer.

PMH Aux. Bazaar set

The Plains Memorial Hospital Auxiliary has set Nov. 13 as the date for its annual buffet and bazaar, which will be held in the Castro County Expo Building.

Plans for the double event were discussed at the group's monthly meeting Thursday at the Dimmitt Senior Citizens' Center.

Following the meeting, the members conducted a workshop, and plan to have another one today (Thursday) from 10:30 to 3 p.m., also at the Senior Citizens Center.

All members are urged to attend to help prepare items for sale at the bazaar.

Pesina-Stroud gets master's

Estelle Pesina-Stroud of Dimmitt received her master of education degree in secondary education from Stephen F. Austin State University at Nacogdoches at the school's summer commencement exercises.

She is the daughter of Mr. and Mrs. Desiderio Pesina of Dimmitt.

Miss Smith pledges

Judith Smith of Dimmitt is listed as a pledge of the Beta Alpha chapter of the Alpha Xi Delta sorority on the Texas State University campus at Austin.

The chapter had a total of 66 young women pledged at the closing of fall rush.

Miss Smith was initiated into the active chapter of Beta Alpha prior to rush.

She is the daughter of Mr. and Mrs. Robert Smith of Dimmitt.

The chapter was chartered at the university in 1929, and the nation-wide sorority exceeds 7,000 women in over 100 collegiate chapters and 200 alumnae chapters.

Club shares craft ideas

The Sundowners Extension Homemakers heard a report from Leta Eustace and viewed various Christmas projects at their meeting Thursday in the courthouse basement.

After a brief business meeting, Mrs. Eustace reported on her trip as a delegate to the State Extension Homemakers Convention in Austin recently.

The seven members present shared ideas on Christmas gifts and decorations which they had made.

Ruth Cochran and Maxine Myers served refreshments following the meeting.

'Smokeout' meeting called for Tuesday

Plans for the "Great American Smokeout" in November will be discussed at the Tuesday meeting of the Castro County unit of the American Cancer Society, according to unit president Jimmy Davis.

The unit will meet at 5 p.m. in the courthouse basement assembly room, where Davis will also give a report on the Texas Division annual meeting Sept. 29-Oct. 1 in Houston.

Special recognition was given to: crusade co-chairpersons Doricell Davis and Chris Maples; Brenda Andrews, who led the most successful business drive in the county's history; Cheryl Pybus, public education chairman, who reached 50% of the youth and 10% of the adults in the county with various information on cancer and the crusade; and Keith Mussett, who acted as treasurer for the past two years.

HHS yearbook sale planned

Hart High School annual staff members will present skits to the student body next Thursday to kick off their 1982 yearbook sales.

Yearbooks may be ordered through Nov. 3.

The 1982 yearbooks will be \$10, and a plastic cover will be 75 cents. For an additional \$2, a student's name will be printed on the cover.

To order a yearbook, contact any annual staff member or Mrs. Carolyn Rowland.

Social Security in Castro County

By JANICE ULMER

This week we are continuing our discussion of the 1981 amendments to the social security act. In the past two weeks we have covered changes in the minimum benefit, student benefits, young parent's benefits, and the extension of the annual earnings test to age 72 in 1982.

The law has also been revised to redefine who may qualify for the \$255 lump sum death payment. In the past, this benefit was paid to the surviving spouse living with the deceased at the time of death. If no such spouse was present, the money was paid to the funeral home (providing they had an outstanding bill) or to the person who actually paid for the funeral.

Effective Sept. 1, the priority of payment has been changed. The \$255 is still payable to the surviving spouse living in the same household. However, neither the funeral home nor individuals who paid for the burial expenses will be eligible for the lump sum death payment.

Instead, if there is no surviving living-with spouse, the lump sum is paid to a widow or widower who would be eligible for benefits based on the deceased's records for the month of death. When there is no such person, the \$255 is paid to a child or children entitled to benefits on the record of the deceased for the month of death.

This is a major change. Because of the variation in possible recipients of the lump sum, it is very important that anytime a person dies a family member or friend notify social security immediately.

Another change concerns the first month a person may qualify for benefits. It is now necessary that a person meet all qualifications for the entire month in order to be entitled. There are only three specific instances of this revision.

First, a person who turns 62 in or after September 1981 must be 62 the entire month to receive a benefit. For example, John Smith was born Sept. 15, 1919. He files for social security Sept. 24, 1981. John will be eligible for his first check Nov. 3, 1981, payment for October, as October is the first full month he will be 62 years old.

The second instance involves claims for child benefits. A child must meet all requirements throughout the month to receive a check. That is he or she must be a child of the worker, be dependent, unmarried, under 18 or if over 18 a student or disabled. Likewise if a spouse is claiming benefits based on having a child in his or her care, in-care must occur throughout the month. And thirdly, this provision will apply to hospital insurance benefits (Part A of medicare) effective September, 1982. If a person becomes 65 Sept. 14, 1982 and applies for medicare, his hospitalization coverage will be effective the first full month he is 65 — October, 1982.

Next week we will conclude our discussion of the social security changes made in the Omnibus Reconciliation Act of 1981. Specifically, we will cover changes in the disability program and medicare.

If you have any questions, call our toll-free number, 1-800-392-1603.

Police calls

A 22-year-old Canyon man was arrested this week by sheriff's officers on eight counts of theft by check. He posted bond and was released.

State troopers made three misdemeanor DWI arrests during the week, and city police arrested a Dimmitt man on DWI charges. All were released on bond.

PLAINS MEMORIAL

Domingo and Elma Gil are the parents of a son, Federico Esquivel, born Oct. 17 at 8:08 a.m., and weighing 5 pounds and 9 ounces.

A girl, Monica Jean, was born to Thomas and Norma Mora on Oct. 16 at 1:32 p.m. The infant weighed 7 pounds.

Oct. 11 at 6:21 a.m. a son, Kip, was born to Bud and Millie Kendrick. The baby weighed 6 pounds and 7 ounces.

Daniel and Maria Ramos are the parents of a boy, Julian, born Oct. 10 at 5:15 a.m., and weighing 6 pounds and 4 ounces.

OUT OF TOWN

Bill and Jeton Gregory of Odessa are the parents of a baby girl, Allison Jeanette. She was born Oct. 18 and weighed 8 pounds, 6 ounces.

Grandparents are Bill and Dalia Gregory of Dimmitt and Lewis and Wanda Hearon of Andrews. Paternal great grandparents are Jo Gregory of Dimmitt and Mr. and Mrs. J. M. Vernon of Abilene.

More about

Bob McLean ...

[Continued from Page 1] supported many civic and charitable efforts here, such as the United Way, Cancer Society, Heart Association, and special funds and community projects.

Mr. McLean was always at the bank by 6 a.m. for the daily 6:30 officers' meeting. His schedule grew more rigorous four years ago when his wife, Helen, became bedridden with Parkinson's Disease. He spent all his mealtimes and most of his spare time helping tend to her needs at the hospital and the nursing home.

A memorial fund in his name has been established at the First State Bank, with its use to be designated later by his family.

(For obituary, see Page 5.)

Hart names 52 District's top Lion to honor roll lists service goals

For the first six-weeks reporting period, Hart High School listed 38 students on the honor roll, while 14 junior high students made the list, for a total of 52, according to school superintendent Ted Averitt.

Those in high school are: Seniors — Clay Barnes, Jorje Barretero ICT, Lucia Berumen ICT, Dora Bonsal, Chris Clifford ICT, Fernando Coronado ICT, Dianne Davis, Daniel Guzman ICT, Chris Hanes ICT, Phillip Hawkins, David Hernandez ICT, Teresa Mapp, Abel Reyna, Derek Rich, Suzahn Rowland, Joan Steiert, Jose Valadez, Jay Wescott, Guadalupe Corrales CVAE ICT, Concepcion Rascon CVAE ICT.

Juniors — Grace Bonsal, Linda Booe, Robin Bowden, Debra Davis, Jennifer Davis, Dan Jones, Melissa Kittrell, Maggie Martinez, Coy Myrick, Ramona Perez, Darla Russell, Anna Steiert.

Sophomores — Rosa Linda Cazares, Denny Lacy, David Wall, Rosa Garcia CVAE.

Freshmen — Cristi Rowland, Esther Rodriguez CVAE.

In the junior high are: Eighth grade — Arnulfo Carrasco, Antonio Garza, Stephanie Lee, Mary Kaye Mapp, Rita Garcia CVAE, Micaela Mijares CVAE, Maria Gloria Ramirez CVAE.

Seventh grade — Kari Allen, Risha Ammons, Martin Castillo, Julie Davis, Sharon Heck, Brett Ritter, Gwendalyn Wilson.

McAlpin announced that the Lions of Districts 2T-1 and 2T-2 (the northernmost districts of Texas) are now raising \$125,000 to help build a \$250,000 cottage at Girlstown's Whiteface campus. A private donor has pledged to match the Lions' contributions, he said.

The new Girlstown cottage — which will be named Preach Edelman Cottage, in honor of the late district governor from Friona who was an avid supporter of Girlstown — will replace the dormitory that burned earlier this year.

Girlstown has campuses or facilities at four separate cities now — Whiteface, Borger, Lubbock and Austin. Girlstown, McAlpin said, "is beginning to be in better financial condition than it's ever been before — if we can just keep from having a major fire every two years."

The Hi-Plains Eye Bank, which is owned and supervised by the Lions of District

'Chanticleer' to be Monday night

Monday at 8 p.m. in the Hereford High School Auditorium will be the season's first presentation for the Hereford Community Concert Association.

The presentation will be "Chanticleer," a group of ten male vocalists with a program of varied music.

All association members are invited to attend.

Chamber asks

[Continued from Page 1]

told the board. The decision to change designations must be made in November of each year, and forms have to be completed and sent to the TEC.

In other business, the board:

—Decided to not ask for bids on replacing some of the city's water well pumps, but instead to replace them on an individual basis.

Alderman Annen said a supplier told him it would be easier to determine the price and the amount of trade-in allowance in an on-the-spot situation, which would preclude the letting of bids.

—Approved the audit report from Harold Irlbeck of Brown, Graham & Co. of Tulia. The audit was termed an evaluation of the city's operating procedures, and was requested because of the change in city managers. Irlbeck said, "Everything is in satisfactory condition." The cost of the audit was \$769.50.

—Allowed Jerry Heller, tax assessor-collector of the tax appraisal district, to write off \$1,276.20 in delinquent city taxes after Heller explained to the board why most of the tax bills were uncollectable.

—Read the notice of a proposed change in the designation of Revenue Sharing funds, which would use money set aside for seal-coating of city streets to be used instead for the purchase of submersible pumps for several city water wells. The second required hearing on the change is set for the board's Nov. 2 meeting.

Hart church to hold bazaar

The women of the First United Methodist Church of Hart are planning a bazaar Saturday from 1 to 6 p.m.

The bazaar will be in the Fellowship Hall of the church.

Willie McAlpin

2T-1, operated "in the black" for the first time last year, McAlpin announced.

The Eye Bank, headquartered in Amarillo, is the "depository and clearing house" for donated eyes. Lions in Panhandle communities are designated to transport donated eyes to the Eye Bank immediately in special containers. While the eyes are being transported, Eye Bank employees notify doctors, hospitals and eye patients on the waiting list so that the eye tissue can be used as soon as possible.

Tissue from donated eyes are used in cornea and retina transplants, fluid replacement, and many other eye operations that can restore sight to the blind or sight-impaired.

"We have had six transplants through the Hi-Plains Eye Bank since July 1; 12,000 donor cards are on file; and many in the area are waiting for transplant tissue," McAlpin reported. "Lions all over the United States are participating in sight conservation, and new eye research centers are being built."

McAlpin noted that there are 58 Lions Clubs in District 2T-1, and that the Dimmitt club was the 42nd he has visited since he took office July 1.

COMMANDS OUR CONCERN, AND WE ARE ESPECIALLY CONCERNED ABOUT YOUR GINNING SERVICE

We have reconditioned our gin and are ready to gin your cotton. We will give you the best turn-out and sample that is possible for us to give.

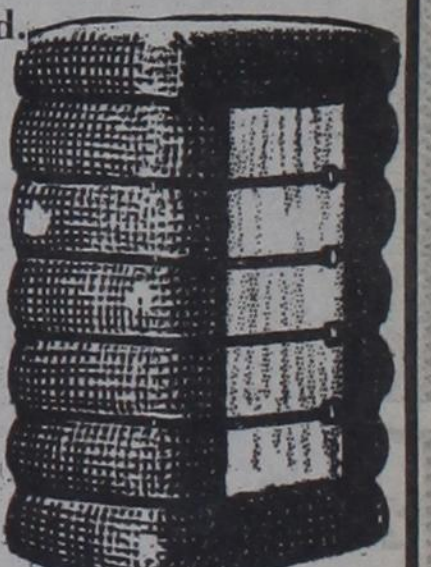

MODULE TRUCK

We have a module truck to haul your modules. We are happy to render this added service. We will gin your modules or trailers.

Ours is the gin where your patronage is solicited and appreciated. Drop by anytime for a cup of coffee and a friendly chat.

FLAGG FARMERS GIN

Clay Davis, Manager

Sunnyside

Farewell dinner honors pastor, wife

By TEENY BOWDEN
A farewell supper and fellowship honoring Rev. and Mrs. Raymond Jones was held after the Sunday evening services. About 80 persons attended. The Joneses were called to the local church six years ago from Cotton Center, where they had served several years. They will leave Tuesday for Sidney, Texas.

Those from out of the community present for Rev. Jones' final sermon and the supper following included Rev. and Mrs. Glen Smith of Springlake, Rev. and Mrs. Donnie Howell of Fieldton, Mr. and Mrs. Gaylan Burns of Cotton Center, Mr. and Mrs. Doyle Bothwell of Plainview, Mr. and Mrs. Bennie Villarreal of Littlefield, Susan Sadler, Gregg Harmon and Chris Elkins of Tech, Mr. and Mrs. Jacob King and Mr. and Mrs. Tim Dawson and Bethony Jo of Hereford, Mr. and Mrs. Thomas Parson and children of Friona, Mr. and Mrs. Grady Epperson of Wolforth, Mr. and Mrs. Jim Lawson and Natalie of Olton, Mr. and Mrs. Weldon Bradley, Mrs. Tex Conard of Dimmitt, and our newest residents, Mr. and Mrs. Billie King.

Sunday night was also the third Sunday singing, so during the song service solos were presented by Gerald Elkins, Hershel Wilson, Terrie Carson, Lynn Brown, Lonnie Wilson, and Nancy Parson of Friona. Gerald and Lynn sang two solos. Nancy sang "I Am Adopted," which delighted the crowd since they lived here when she was adopted. Melody Sadler played two trumpet solos, and a quartet made up of Lonnie Wilson, Lee Brown, Marshall King and Lynn Brown performed.

Mr. and Mrs. Billie King moved back into the community this week. He was transferred from Monument, N.M., to the El Paso Natural Gas Co. plant, but they will live on the King farm east of Sunnyside.

Mr. and Mrs. Ezell Sadler left for Breckenridge Tuesday after not being able to get phone calls through after the flood there. It was Friday before they could get out on Tanglewood Island and then drove through eight-inch water across much of the road. They found 4 1/2 inches of water in the kitchen-dining area and six inches in the bedroom area. It took Friday and Saturday to pump it all out, and do all the other necessary things. Their gauge showed 7 ft., 4 ins. above flood stage. Some of the trailer houses had water above the windows. Sheetrock may have to be replaced since it stayed wet so long.

Rev. and Mrs. Raymond Jones and their son, Bubba, vacationed in the mountains of New Mexico Tuesday through Saturday.

Earl, Larry Don and Kenneth Phelan of Weatherford brought Roy Phelan home Saturday and spent Saturday night with him.

Mr. and Mrs. Grady Epperson of Wolforth visited Sunday afternoon and spent Sunday night with their daughter, Mr. and Mrs. Hershel Wilson.

Mr. and Mrs. Curtis Ott and their son, Mr. and Mrs. Dan Ott of Fairburn, S.D., visited Monday with his sister, Mr. and Mrs. Alton Loudder. Tuesday night all the Ott family gathered at the home of Irvin Ott for a reunion. This included Mr. and Mrs. Alton Loudder, Mr. and Mrs. Doug Loudder, Lyle and Dara, Mr. and Mrs. Don Ott, Shannon, Misty and Meri Lyn, and Mr. and Mrs. Lance Loudder from the Sunnyside community.

Mrs. Ralph Hill, Kip and Kyla of Amarillo and Mrs. Vivian Pigg of Dimmitt visited Wednesday with Mr. and Mrs. Noah Spencer.

Rev. and Mrs. David Warren of Oklahoma visited Monday with Rev. and Mrs.

Raymond Jones and Bubba. Rev. Warren is a missionary to the Indians in Oklahoma.

Mr. and Mrs. James Powell of Canadian spent the weekend with Cheryl Powell and

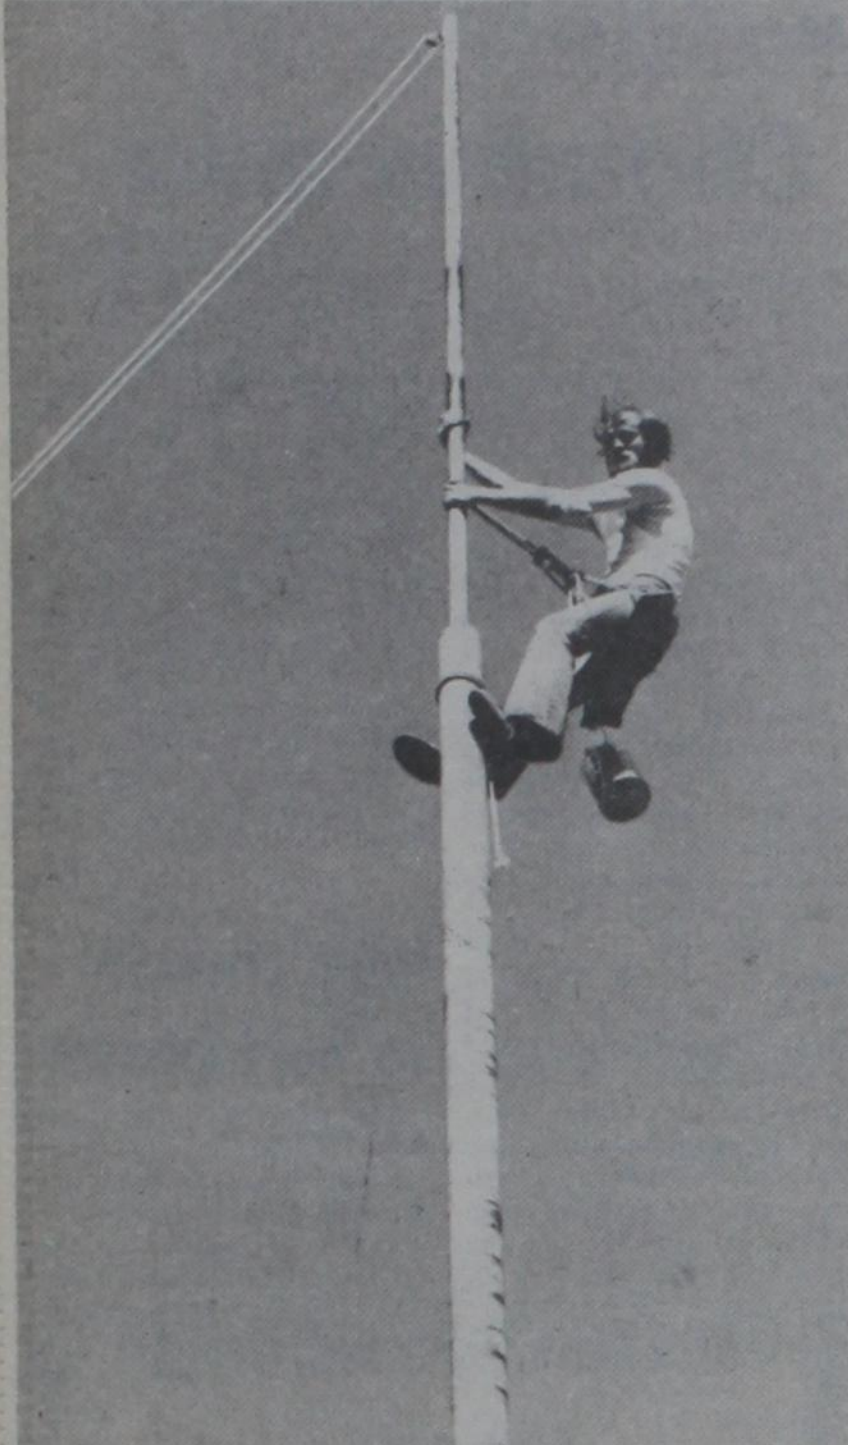

the Larry and David Sadlers. Mr. and Mrs. R.V. Bills returned home last Friday from a vacation in East Texas.

They went to Wichita Falls, Dallas, Houston, Galveston,

and back up into East Texas to Paris and then home. They also attended the funeral services in Dallas of a nephew who was killed the day they left.

Geneva Garrison of California visited over the weekend with her sister, Lillian Carson, and with their mother, Mrs. A.L. Aven of Hart. Baptist Women, BYW and

Mission Friends met Tuesday afternoon. Mrs. L. B. Bowden had charge of the program for the women. Mrs. Hershel Wilson had charge of the children.

HANGING HIGH—Flagpole painter D. Michael Whiteley of Floydada double-checks the weld and the strength of a courthouse flagpole's tip-top before hiking his way to the top to paint it. He goes up and down flagpoles supported by a seat-harness and stirrups attached to slip-ropes.

View from the library

By BRICK AUTRY

There is one book written by Stephan King which will not be an instant favorite. All writers suffer from being self-indulgent now and again. James Michener waxed eloquent over Spain in his book "Iberia," which turns out to be one of his longer and less readable efforts. Stephan King sets the reader up for a good time by presenting "Danse Macabre" and then proceeds to run off at the mouth in an indulgent fashion. "Danse Macabre" is a fine title. It is too bad the book isn't as intriguing. "Danse Macabre" brings to mind

those gloomy medieval illustrations of the Dance of Death where smiling skeletons lead terrified mortals to the grave, accompanied by bagpipe players and grotesque monsters. Towards the end of the first chapter, King tells us that going through the art of horror is something like a dance. So with this he begins to talk, or to write, his explanations about horror.

King's observations are adequate. His style for the book is not quite so adequate because the prose reads like a Playboy Magazine interview. Suffice it to say King's grammar is okay. His choice of words, including the four-letter ones, is not. King, that all-masterful writer of modern thriller fictions, comes off looking like a high school paper journalism student with a big head and a big mouth. One patron remarked that King wrote better horror stories than commentaries. Most critics will admit that it can be difficult for a writer to change style. In the case of Stephan King, it was so hard he didn't even try. He just talked and then wrote it down. That's self indulgence. But it is fun to write, and for a while, it is fun to read. —Please pardon me while I self indulge.
