OPAL MARSH Easter Lilies

Easter is the most important and sacred of Christendom, & it is probably celebrated by more people in the world than any other event. Flowers are about the second most important thing about Easter, since almost everyone buys new clothes for this annual occasion. The most used flower during the Easter period is the Easter

It symbolizes Easter because it represents light and purity. The lilies which are grown by most florist usually have pollen stalks removed because nonfertilization keeps the fl-

owers white. We specialize in Easter flowers, and all you have to do is call, and they will be delivered to your door.

SCHOOLMENS RESOLUTION The following resolution was unanimously passed by area school administrators at a meeting held this

WHEREAS, The University Interscholastic League of Texas has for many years promoted a program of interschool activities for Texas Public Schools that has distinguished itselef as one of, if not the one most outstanding organization of its kind in the United States

WHEREAS, The League as it now exists does operate under an Constitution and a set of rules made by the participating schools of the League and subject to annual change as the demand arises and

WHEREAS, Certain Legislators of the Texas Legislature now in session have introduced legislative bills for consideration that would seriously jeopardize the current and future operation of the League . . . the undersigned school administrators of the 53rd Legislative District composed of Stephens, Shackelford, Callahan. Eastland and Palo Pinto Counties go on record as being unalterably opposed to House Bill No. 737 by Representative Swanson of Houston and House Bill No. 1093 by Representative Musgrove of Breckenridge, or any other Legislative Act that would propose to usurp the authority now vested in the schools of Texas that belong to and participate in the Interscholastic League as

Most school men and TIL backers vow that the "transfer rule" cnded the old "recruiting" practices which at one time in the state's history matie professional games of high school athletics, the representative says.

The TIL is certainly not perfect," says a county superintendent, who asked that he not be named, "but it is certainly an improvement over what we've had in the past.

Musgrove says that the TIL should "up-date" itself, with a local gorerning board to evaluate every case on its own merits, rather than deprive a youngster of participating, because of the blanket 'transfer' rule.

A letter from C. C. Miller, chairman of the TIL's legislative council, was read to schoolmen, and it read in part - Musgrove's bill would League activities 'in

after attending the noon Cisco meeting with schoolmen. Rep. Musgrove said that all he wants to do is to get the League to examine itself and stop discriminating against youngsters who are penalized just because their paterits have to move. "I'm not saying that there won't be some recruitam saying that some plan can be worked out if the League seriously tackles the proolem and tries to find a sol-

red cow", Musgrove has at-tacked. He introduced a bill to abolish the Texas Railroad Commission. He dropped that bill tater saying that he really didn't want to do away with the TRR, just wanted to

The people in Eastland County are getting a little sick and a little tired of the constant threat to the 11th Court of Civil Appeals being moved somewhere else. By the Temple Dickson of the Abilene District. We're just as convinced that the best way to put a stop to this nonesense, once and for all, is to let the people who are responsible for the constant threat know that we want it stopped, Right Now!!

Not all the people in the town where the noise is about stealing our court, are interested in seeing their small-town neighbors robbed, so we're going to let them know that we need their help . . . they can let their community leaders know that they are not in favor of stripping the Appeals Court away from Eastland County.

Best way to let these people know how we feel is to remind them that we plan to do business only with those who respect our rights and our in-
