

Seniors prepare for trip down aisle

Nazareth High School will lead off the 1982 graduation march Tuesday night when 27 seniors receive diplomas. Hart High School will hold its commencement exercises Friday, May 21, with 31 seniors receiving diplomas. At Dimmitt High School, 86 or 87 seniors will graduate the following Friday night, May 28. Baccalaureate exercises for both Hart's and Nazareth's graduating seniors will be Sunday. For Dimmitt High School's 1982 grads, baccalaureate will be May 23. Other end-of-school highlights for Nazareth High include the

Academic Awards Program Monday and the Senior-Teachers Dinner Monday night, the beginning of the week-long senior trip to Colorado next Wednesday, and eighth grade promotion next Thursday. Activities at Hart High during the next eight days include the annual Band Concert tonight (Thursday), the Athletic Banquet Saturday night, and H-Award Assemblies at both the high school and junior high Tuesday. Dimmitt school activities during the next two weeks include

the Choral Concert tonight (Thursday), the Junior-Senior Banquet and Prom Saturday night, All-School Clean-Up and Hamburger Supper Monday, Fun Day Tuesday, Senior Assembly Wednesday, Band Concert and Industrial Arts open House next Thursday, Choir Banquet May 21, Band Banquet and Dance May 22, Senior Day May 24, and eighth grade graduation May 27. Hart's and Nazareth's seniors will be featured in a special section in next week's issue of the News, and Dimmitt's seniors will be featured in the May 27 issue.

Emergency farm bill: last hope?

NHS girls win state in tennis

Roxane Birkenfeld and Brenda Hoelting couldn't finish their Nazareth High School careers without winning another state championship. The two seniors—who already had collected seven gold medals between them in girls' basketball—turned the trick this time in tennis, winning the Class A girls' doubles championship Saturday at Austin. They started their climb through the state tourney Friday morning, defeating Celeste's Cheryl Water and Angie Pierce, 6-4, 6-1. Their toughest match came Friday afternoon when they met Santa Anna's Julie Jones and Karen Wetzel in humid, high-80's weather. The NHS duo took the first set handily, 6-1, but the Santa Anna girls forced a tie-breaker in the second set before Birkenfeld and Hoelting captured a hard-earned 7-5 victory to avoid a third set. In the championship match Saturday morning—played in ideal mid-70's weather with no wind—the Nazareth girls turned in their best performance ever, blanking Roxanne Rohlack and Lisa Franklin of Thrall, 6-0, 6-0, for the state title. "The championship match was definitely the best that Roxane and Brenda had played all year," said Coach Sandy Oliver, who had the thrill of capturing a state championship in her first year of tennis coaching. Birkenfeld and Hoelting were down several times in the championship match by as many as three points, but they rallied every time to take 12 straight games and sweep the match. "They were just determined they weren't going to get beaten," Oliver said. "I think Roxane and Brenda had a definite psychological advantage in the championship match because both girls had been there before," Oliver said. (Birkenfeld and Sharon Gerber finished second in state in doubles last year, while Hoelting placed third in singles.) It was the seventh state girls' tennis championship for Nazareth High School since 1973. NHS netters have won two state championships in girls' singles and five in girls' doubles, plus two state titles [See NHS GIRLS Page 14]

Farmers and agribusinessmen flooded Washington with phone calls during the national "Farmers Speak Out" program Tuesday, and Congressman Kent Hance said he feels the campaign will help the chances of the proposed Farm Crisis Act of 1982 to be passed. But farmers and businessmen here who talked with a USDA official on a conference call couldn't hide their frustration and desperation after he had parried their proposals for short-term emergency measures. Eleven local farmers and agribusinessmen gathered in the board room of Dimmitt Agri Industries, Inc., for a 3:30 p.m. conference talk with John Ford, deputy assistant secretary of agriculture. Ford is originally from Deaf Smith County and still owns a farm north of Hereford. DAI General Manager Bill Clark coordinated the conference call and provided discussion sheets outlining the major problems facing local farmers, as well as a priority list of proposed short-range emergency measures. But the local group got little or no encouragement from

Farmland Industries—will help the chances of the Emergency Farm Bill of 1982, which he is co-sponsoring. Local farm leaders expect the proposed emergency bill to go before the House Agriculture Committee next week. The bill proposes a nationwide referendum in July on whether farmers should set aside 15% of their cropland; the release of \$600 million in additional loan money through the Farmers Home Administration; a 5% additional diversion by farmers already participating in the [See FARM BILL Page 14].

United Way is disbanded

The Dimmitt United Way's board of directors, frustrated over falling short of campaign goals for five straight years, has voted to disband the corporation. The vote came last Wednesday afternoon while the board was pondering the prospects for a 1982 drive in the face of the hard-hit farm economy here. However, the board voted to pay the \$50 fee to continue local affiliation with the United Ways of America, Inc., and to preserve all UW records at the school business office in case the community wants to revive the campaign in the future. "Unfortunately, the economy of the community has made it impossible for the United Way to function," President Dale Wells said. "Hopefully, the next few years will see a turnaround, and we will be able to resume our fund-raising operations." He added, "We hate disbanding. We just haven't been able to raise the money we allocated the last several years." The last UW drive raised only \$7,805, which was 64.9% of the goal of \$12,025. After voting to disband, the board distributed checks to five participating organizations, giving each 64% of its allocation. The organizations were Kids, Inc., Girl Scouts, Boy Scouts, Meals on Wheels and American Field Service. Board member Cheryl Pybus, who was the campaign chairman for last year's drive, commented, "Every year the United Way has dropped the goal lower and lower and has still fallen short. But this is the first year we have fallen short by that much." Of the board's action to disband, Mrs. Pybus said, "I hate it for the community's sake. I don't think the businesses, especially, realize just what this is going to mean when all these organizations have to start their own individual fund drives again." When it was first organized here, the United Way tried to pull in all organizations that depend on public subscription for their funding. But many major organizations—such as the Red Cross, Cancer Society, Heart Association and Muscular Dystrophy Association—prefer to run their own campaigns with their own staffs and volunteers, and would not affiliate. So the Dimmitt United Way came to represent mainly local and regional organizations. The Dimmitt UW exceeded its goal the first year and had a carryover for the following year. But in succeeding years it started faltering as requests went up. Despite heavy cuts during goal-setting, the annual drives still fell short, although a contribution of only a dime a day per family would have put the drives well over the top every year. Here are the figures for the UW's last five annual campaigns: 1978—\$29,170 requested by participating organizations; requests cut to a \$17,431 goal by budget committee; \$15,431 raised. 1979—\$27,541 requested; goal set at \$16,041; \$13,041 raised. 1980—\$14,600 requested; goal set at \$14,600; \$11,575 raised. 1981—Goal set at \$12,025; \$11,575 raised. 1982—Goal set at \$12,025; \$7,805 raised.

Conventions are Saturday

The county conventions of the Republican and Democratic Parties in Castro County have both been set for Saturday. The Democrats will meet at 2:30 p.m. in the basement of the Castro County Courthouse. Six delegates and six alternates will be elected to attend the State Democratic Convention in September in Fort Worth. Also, Bart Kaderly will take over his duties as newly-elected county chairman from retiring chairman Oscar Wylie. The Republicans will meet at 7:30 p.m. in the Dimmitt City Hall meeting room. Both conventions are open to the public, although only duly elected delegates or alternates from the precinct conventions will be allowed to vote.

Local choirs rate I and II

The Dimmitt High School Singers earned a I (superior) rating during the 50th Annual Tri-State Music Festival in Enid, Okla., last week. The Show Choir rated a II (excellent). This was the first year for the Show Choir to compete. The soloists and their ratings were Janis Hutcheson, I; Cheryl Powell, I; Steve Anderson, II; Rena Moore, II; and Tammy Stanford, II. In addition to attending the festival activities, watching several show choirs perform and participating in the Grand Concert on Saturday, the group toured the Oklahoma Theatre Center and visited the two-level Crossroads Mall in Oklahoma City. 1978—\$29,170 requested by

DHS choirs to give spring concert today

The Dimmitt High School Singers and Show Choir will present a spring concert today (Thursday) at 7:30 p.m. in the Dimmitt High School auditorium. Admission will be \$1 per person. The Singers will perform contest pieces, "Sigh no more, ladies, sigh no more!" by Emma Lou Diemer and "Come Sirrah!" by Thomas Weelkes; "Who Shall Abide" by Walter L. Pelz; and contemporary selections, "Lady," "Joshua Fit the Battle of Jericho," "Sinner Man," "Harriet Tubman" and "Bound for Jubilee." Soloists performing will include Janis Hutcheson, Steve Anderson, Tammy Calhoun, Rena Moore and Lori Rickenbrode. The Show Choir will present its contest routine including "Let the Sunshine In," "Parents," "I Sing the Body Electric" and "Long Train Runnin'."

County to settle out of court for \$14,500

The Castro County Commissioners' Court unanimously agreed to settle out of court on two law suits concerning the defunct Castro County Housing Authority. The county will pay \$14,500 in attorney fees and damages. "We did not admit wrongdoing," Mrs. M. L. (Polly) Simpson, county judge, said. "We just preferred to settle out of court." The major suit challenged conditions of the labor camp and the way it was run by the Housing Authority in 1979, including a rent increase. The second suit stemmed from a complaint from a tenant against an employee of the Authority.

IA youths win 28 state awards

Dimmitt High School students brought home 28 awards from the State Industrial Arts Contest held in Waco last weekend.

KELLY BALLARD WITH HIS ARMOIRE
... Top state award with Superior rating

Kelly Ballard won top honors with his armoire, which received a superior rating. Excellent ratings were earned by Ramiro Esquivel, grandfather clock; Alex Lopez, grandfather clock; Scott Hays, curio cabinet; Corky Esquivel, stereo cabinet; Don Chavira, chest of drawers; Robert Espinosa, curio cabinet; Ruben Sanchez, dresser; Maria Sanchez, desk; Teresa Brown, headboard; Lonnie Robb, dresser; Elvira Rojas, standing mirror; Carla Moore, canopy bed; and Rosa Gauna, armoire. A Chevy engine rebuilt by Troy Ellison was rated excellent. The club project, a Jeep-type vehicle, was also given an excellent rating. Students and projects receiving outstanding ratings were Debora Jordan, shelf; Manuel Aranda, headboard; Wanda Brown, stereo cabinet; Curtis Daniel, stereo cabinet; Shirley Salinas, chest of drawers; Tony Martinez, table and benches; Martha Garcia, china hutch; Rita Ramos, china hutch; and Ray Schilling, bumper pool table. Three DHS students placed in the top 10 in the state in written exams. They were J. P. Spencer, Power Mechanics II, Ross Armstrong, Power Mechanics I, and Jose Vasquez, Metalworking II. The students hauled their projects to Waco in trailers provided by Don Moke and King Trailer Co. of Amarillo. Accompanying the students as sponsors, in addition to their teachers, were Mr. and Mrs. Donald Wright, Mr. and Mrs. David Hays, Agnes Schilling, Lewis Jordan and Dan Nelson. All the state projects had qualified at the regional level. Supporting the local IA students with contributions for awards at that contest were Castro County Grain, George's Exxon, Gary's Tune & Lube, North Gin, Nelson Drilling & Pump Service and Robert Jones. For more than a decade, DHS industrial arts students have been capturing state awards with their woodworking and power mechanics projects.

Sheffy's Chatter

End-of school whirl underway

By MARY EDNA HENDRIX

It's that time of year again for all the school and church parties and other end of school activities.

The Bedford Street Church of Christ entertained the seniors with a banquet Monday night. There were 84 seniors and sponsors, deacons, elders of the church and their wives. The mothers of the seniors cooked the meal and decorated fellowship hall. They had navy and yellow streamers hanging from the ceiling with a cluster of balloons in the center with curly-ques of ribbon from the balloons. There were two sets of three candlesticks with votive candles. They used streamers of navy and yellow down the center of the tables with confetti and small boy and girl graduates all along the tables. The centerpiece at the head table was a beautiful floral arrangement made up of all yellow flowers: carnations, spider mums, daisies, baby's breath and greenery, with a big blue ribbon. Dale Wells, minister, was the master of ceremonies. The guest speaker was Bill Brown of Lubbock, a humorous after dinner speaker and former minister.

The GA leaders, Joyce Davis and Jan Waggoner, were hostesses for the GA Mother and Daughter salad supper last Wednesday at the First Baptist Church. Others attending were Cheryl, Laurie and Amy Glidewell, Liz and Beth Sams, Joan and Kim Blackwell, Rhonda and Shanna Schaeffer and Jan and Jana Waggoner.

I forgot to mention last week that I also saw Mrs. Ted Sheffy and her daughter Virginia at the community concert in Plainview. Virginia is a teacher in the Plainview Schools.

Rainbow Connection was the theme of the Eighth Grade Banquet held May 1 in the Expo Center. Decorations included a backdrop of a big rainbow and balloons. Rainbow colors and decoration were used on the tables. A talent show was presented by several of the eighth grade students. Performing were Tammy Malone, Donna Casas, Darla Young, Camille Summers, Leandre Lynn, Stephanie Ryan, Cindi Nutt, Karen Nelson, Jill Nelson, Todd Braafadt, Mark Shackelford, Ben Benton, Tod Bradley, Woody Glass, and Zeldia

Ellison. A dance followed the banquet. Sponsors of the eighth grade class are Nancy Greer, Carol Schroeder, Zeldia Ellison, Rick Thomas and John Temple.

The Senior Class of Dimmitt High School was honored at a Senior Fiesta at the First Baptist Church Monday night. Speaker and entertainer for the evening was Joe Reed of Lubbock. After graduating from Lorenzo High School, he played collegiate ball at Baylor University and Mississippi State. For nine years he was involved with the National Football League as quarterback of the San Francisco 49ers and Detroit Lions. He was named Top New Male Gospel Vocalist of the Year in 1978. He has appeared with Billy Graham and is a dedicated member of the Fellowship of Christian Athletes.

College friends of Debbie Murdock visited her parents, Wanda and Bobby Murdock, and had dinner with them Monday night. They were Susan Kilpatrick from Abilene, Teri Wheeler from Amarillo, formerly of Montana and Bea Diaz from Petersburg. Miss Diaz was a former student of Maxine Myers at Petersburg. Miss Myers is the librarian at Richardson Elementary School.

Mrs. Ethel Sides of Lubbock died May 5. She was the mother of George Sides and Sara Hill's aunt. Our sympathy goes to these Dimmitt relatives.

Cy and Mariah Olson, children of Mr. and Mrs. Steve Olson, had tonsilectomies on Monday in Deaf Smith General Hospital in Hereford.

Bill and Winona Bunth went to Andrews over the weekend to visit their son, David, who is an employee of Continental Telephone Company of Texas.

Sunday Mrs. Leora Calhoun and Mr. and Mrs. Carlos Lopez had a wonderful Mothers Day and Great Grandmothers Day when Mr. and Mrs. Mike Gleas from Clovis, N.M. came over and spent the day with them and showed off the new great grandson to all.

Mark and Kay Merritt from Midland were here last weekend visiting their families, Rev. John and Dorothy Street and Glenn and Mona Merritt. Teri and Kris Dowell from Odessa were visiting Bryce and Darlene Dowell for Mother's Day. Darlene prepared the Sunday dinner for her mother and dad, Mr. and Mrs. J. O. Carpenter. Teri will receive her degree in Music Education from Texas Tech on Friday.

Debra Dennis received her degree at South Plains College in Levelland Friday morning at 10. She is the daughter of Edgar and Betty Dennis and the granddaughter of Morgan and Geneva Dennis. They all went down for the graduation exercises. Connie, Debra's sister also attended.

Oleta Gollehon went to Lubbock Thursday to meet

her grandson John Gollehon, who came to spend a few days in Dimmitt. He is the son of Mr. and Mrs. Ben Gollehon and he has a good job with the postal service in Fort Worth.

James and Joyce Autry came from Rocky Ford, Colo., to take their parents to Conchos to fish. James' parents are Mr. and Mrs. W. T. Autry and Joyce's mother is Irene Carpenter. They reported a good time, but it was almost too cold to fish, and it rained part of the time. They enjoyed several days of visiting and eating.

Our sympathy goes to the Homer Nisbett family on the loss of his mother who lived in Big Spring.

The Ministerial Alliance met for a meeting and social April 30 in the home of Rev. Ed and Betty Freeman at the Presbyterian Manse. Those present were the Freemans, Joe and Joyce Higgs, Rev. John and Dorothy Street, Rev. Wayne and Becky Mullins, and Dale and Cindy Wells. After a short business meeting the group enjoyed some delicious refreshments. The Alliance has begun a weekly Bible Study each Tuesday at 10 a.m.

Two of our former Castro County residents are doing well in their new places of residence. Mrs. J. C. Williams has moved to Vinita, Okla., to be with her son. She celebrated her 90th birthday March 16. Mr. and Mrs.

Hills Manor was led by the First Baptist Church. Those attending were Rev. John Street, Joe Higgs, Gene and Connie Ivey, Mrs. Smith, Milton Bagwell and Virgil and Geneva Justice. Rev. Street brought the uplifting message on "Happiness."

Wes Wellborn has been licensed to the Gospel Ministry by the First Baptist Church of Dimmitt where he serves as Youth Director. Wes, who delivered his first sermon Wednesday evening, April 28, is a junior at Wayland Baptist University in Plainview. May 16 will be his last day at the church. He is returning to Sulphur Springs to work for the summer. We wish him well as he moves away. There will be a special, all-youth fellowship supper at the church after the 7 p.m. worship service Sunday, May 16.

Joe Higgs has given me moral support this week by finding some of the news that I have written. He also gave me this poem by Rodney Herick:

Life begins
When we decide to live
To read a new book
To make new friends
Expand the depths of old friendships
To look at life
As a new adventure
Not as the same old drag
Life is going to begin
Today

Wednesday was a very special day for Juanita Summers. Her two lovely daughters-in-law had a luncheon in her honor at Somethin' Special, and several friends came to wish her happy birthday. This is a pretty place for a party and everyone had a good time. Special food was shrimp salad, a frozen salad and coconut pie. Those present were Doris Lust, Cletha George, Doricell Davis, Polly Simpson, Opha Burks, Elois McMasters, Mary Jo Birdwell, Beral Hance, Ann Lust Cayton, Juanita and the two hostesses Sue Summers and Patty Summers. Juanita opened the gifts and passed them around for everyone to see. We wish her many more happy birthdays.

Ann Cayton and little daughter Tonya are here for a visit with her parents, Houston and Doris Lust, while the Caytons are in the process of moving from Greeley, Colo. to Phoenix, Ariz. One day Ann, Doris and Sue Summers went to Lubbock to see Flo Touchstone. They had a great time, Doris and her three daughters.

Ann Cayton went to Tulia Friday to get her grandmother, Mrs. Edna Finck, so they could all be together for Mothers Day at the home of Houston and Doris Lust.

Mrs. Opha Burks was hostess to the Thursday Bridge Club at the Senior Citizens Center last week. Johnnie Vannoy and Oleda Schumacher tied for high score. Others playing were Cleo Forson, Betty Cartwright, Jo Gregory, Elizabeth Huckabay and Tina Rawlings.

Susan Hanners entertained some young women who are interested in needlepoint. She served a fruit plate and blueberry muffins to Joyce Davis, Sue Caddell, Debbie Annen, Cindy Adams and Janet Stanford.

A lovely shower was given for Brenda Underwood in the home of Mozelle Lilley last Saturday morning. She received many beautiful and useful gifts. Twenty-six ladies assisted Mozelle with hostess duties.

Sharon Wilke gave a skating party for her son, Jason, on his ninth birthday. Those enjoying the skating were Stacy and Jana Waggoner, Craig, Coby and Mitzzy Heller and Kirk Wilke. Others who watched and enjoyed the birthday cake and refreshments were Delores Heller, Donna Wilke, and Grandmothers, Dorothy Wilke Cook and Mozelle Lilley.

Debbie Murdock was in Dimmitt over the weekend visiting her parents Wanda and Bobby Murdock and brother Brad. They went to Hart and picked up Wanda's parents Mr. and Mrs. W. H. Felder, and on to Plainview to visit Wanda's sister and her husband, Mr. and Mrs. Jack

Godfrey.

Milton and Sandra Bagwell took Clara Neumayer, Ivor and Hazel Bagwell, Steve and Anita and Rick Bagwell to Hereford last Sunday. Anita's parents Mr. and Mrs. James Smith met them and they all ate at the The Thompson House.

Lon and Mary Woodburn took Mary's mother Mrs. Simpkins, to Hereford to meet relatives from Amarillo and they all had lunch together.

Mary Flynt met her husband Jack, in Indianapolis where he was holding his national executive meeting. There were several hundred in attendance, two representatives from each state and some from foreign countries. Kent Hance was the guest speaker. Captain Jackie and Elaine Flynt and their three children met their parents there. They are living in Michigan where he is in the Air Force.

Karron Smith and son from Hobbs, N.M. have been visiting the Flynts and the Ralph Smiths.

Bobby and Wanda Murdock and son Brad attended the Waylon Jennings and Jessie Colter Concert in Lubbock Thursday night. This was a benefit for South Plains College in Levelland and all proceeds went to the college. One of Waylon's sons is now attending South Plains College. Bobby grew up with Waylon at Littlefield and they have been friends for many years. The Murdocks had stage passes (Compliments of Waylon) and got to have a long visit with Waylon and Jessie.

Mrs. Ozro Stephens and her granddaughter Kristy Luke of Amarillo were here for Mothers Day weekend visiting in the home of her son Harold and Shirley Stephens. They attended First Baptist Church services Sunday morning.

Opha Burks assisted by

Mary Lu Smithson hosted a luncheon in her home recently in honor of Anne Golding Stelle III, a recent bride, her mother Liz Golding, and the hostesses of Anne's bridal shower. Delicious food was served to the following ladies: Dalia Gregory, Mary Cluck, Doris Lindsey, Jo Gregory, Hazel Nelson, Mona Merritt, Myrna Miller, Debbie Jackson, Martha Dannevik, Cleo Campbell, Gerri Chaney, Alyce Killingsworth, Janice Bell, Hazel Waggoner, Joy Barker, Annie Calvert, Bettye Huckabay, Jean DuLaney and Jeanie Miller. Anne and her husband Raleigh are making their home in Phoenix, Ariz.

Celebrating Mothers Day at Edwin "Goose" Ramey's home were his daughter Decimae Beene and Jay Beene and his son, Brent, all of Friona, and Beral Hance.

IT'S A FACT — Often older citizens have trouble finding productive employment. But this is not so for the 160 older citizens who have participated in "Adult Sitter Clinics" in eight Texas counties conducted by the Texas Agricultural Extension Service. These energetic oldsters learned how to be competent caretakers of elderly ill citizens in their communities or their own homes. More than 35 percent have earned supplemental income through full or part-

time work as a result of their certified training.

Southwestern Public Service Company power lines meet the highest safety and service standards. When wind, weather, tree growth or other factors affect these lines, SPS crews correct the problem quickly. If you see a downed power line or other equipment that might cause an injury or service interruption, call your local SPS office. Your call could help prevent an accident or service outage.

Raymond Dement, Line Supervisor, Roswell.

Typically, heating and cooling account for more than 60% of your home's energy consumption. Selecting the correct size of air conditioning unit can help reduce this consumption. You also can conserve energy by placing outside air conditioning units away from shrubbery or other obstructions which could block the flow of outside air to the unit. When using an air conditioner, keep blinds or draperies closed against direct sunlight and keep all outside doors closed. Conservation efforts like these can help you "keep your cool" this summer.

Al Rettig, Senior Consumer Services Representative, Lubbock.

We at SPS applaud those customers who reduce their monthly electric bills by using electricity more efficiently. One such customer, Amarillo College, recently voted to remove 94 lighting fixtures from a classroom building. This action allowed the school to meet engineering standards for lighting levels, and is expected to save the college about \$5,628 a year in electricity costs.

John Marshall, Manager of Revenues, Amarillo.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

Gary Rainwater

Conservation chief named

The Running Water Soil and Water Conservation District has a new district conservationist, Gary Rainwater, who moved to Dimmitt May 3 from Muenster.

Having served with the SCS for 7 1/2 years, Rainwater was also a district conservationist in Muenster. He has worked with SCS in Lockhart, Seguin, and New Braunfels, as well.

"It's a little bit different here, when I was used to all grassland and now I'm dealing with all cropland," Rainwater said.

Born in Ballinger, Rainwater was raised on a ranch. Graduating from high school in Ballinger, he received his degree for teaching vocational agriculture from Southwest Texas State University in San Marcos.

He is a veteran of the army, having served 18 months in Vietnam.

In Muenster, he was a member of the Jaycees and the volunteer fire department. He is a Baptist.

His wife, Teresa, is from Menard. She has a degree in elementary education with a minor in art. They have two children, Travis, 6, and Heather, 4.

IN the English colonies throughout the world in the 1700's a popular punch was made by spiking fruit juices with an alcoholic toddy manufactured from coconut-palm sap. Others were made from rice and sugar. The stuff was called arrack.

C.R. Anthony Company celebrates 60th year

Sixty years ago in 1922, young Charles Ross Anthony opened the first store in what is now the C. R. Anthony Company chain of nearly 300 stores. The ideals that Anthony believed in — friendly customer service and family-oriented merchandise at affordable prices — continue to be the basis of the company's success today.

"Even in 1982, our sixtieth anniversary year, customer service is still our number one priority," states Bob Anthony, President of Anthony's.

The company is gearing up for its official anniversary date in May, says Ron Cawthon, director of sales and advertising, adding that, "We are advertising special '60th Year' items each week throughout 1982, with an emphasis on fashion and savings."

Other anniversary projects include a customer contest to begin in May, with winners being selected in July.

Many nationally known manufacturers are giving support to Anthony's anniversary celebration by way of contest prizes and advertising funds.

And while Anthony's is promoting these famous brands, their own house brands continue to be popular with customers. Anthony produced merchandise includes jeans, shoes, luggage, and shirts.

It's a new name for the same farm acres

Conservation Use Acres is the name for set-aside or diverted acres, and the name applies to the acres that farmers must lay out in order to participate in the 1982 farm program.

This acreage must have been planted to a small grain or row crop one of the past two years, said Charley E. Hill, County Executive Director with Castro County ASCS office.

Nothing can be mechanically harvested from these acres

There are now 299 Anthony's stores in 21 states. Company headquarters are located in Oklahoma City, as is Anthony's Distribution Center, where the majority of merchandise is shipped to stores via a company-operated truck line.

Anthony's recently held its annual managers' convention, one of the company's biggest events of the year.

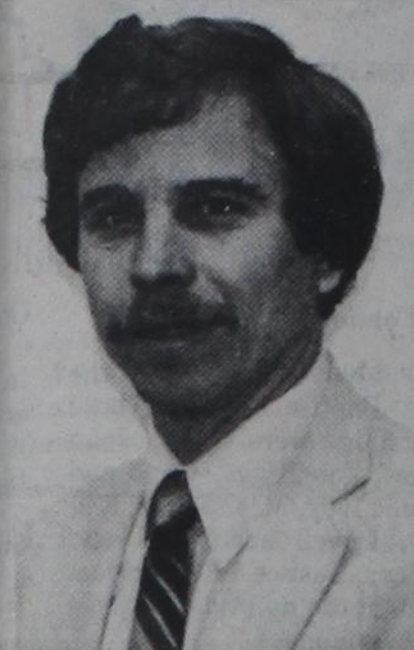

"We show new fall merchandise, discuss the year's goals, and hold an awards banquet," according to Cawthon. "It's lots of work, but also a lot of fun, and everyone gets excited about the rest of the year."

Anthony's is owned primarily by stock-holding employees, retired employees, and their families. Bob Anthony, a grandson of C. R. Anthony, is president of the company, and other relatives of the founder also work for the company.

"Almost all of our executives started at the store level," Anthony says.

"Everybody has an opportunity to move ahead. Our company is built on an incentive system that encourages hard work and lets our 'Anthony Merchants' share in the success they have created."

As Ron Cawthon says, "It's a formula that's worked for us for 60 years — and it's going to keep on working. Anthony's will be around a long, long time."

Richard Schwalm

Schwalm is new at CPSL

Central Plains Savings and Loan of Dimmitt has a new manager, Richard Schwalm, formerly employed by Central Plains of Plainview. He started work here April 26.

His title here is branch manager and assistant vice president. In Plainview, he served as a collections agent. In the company's Tulsa office, he worked participation certificates.

He had previously worked as an office manager and closing agent with an abstract company in Plainview. He is president of the Germania Farm Mutual Local 340 insurance chapter in Plainview.

Born in New Jersey, Schwalm grew up in Houston, graduating from high school there. He attended South Texas Junior College in Houston and obtained his real estate license from South Plains College's Plainview campus.

He is married, and has three children. His wife owns a business in Plainview, so Schwalm plans to commute.

He is a member of the First Christian Church of Plainview, and plans to apply to the local Rotary Club for membership.

A part-time musician who plays steel guitar, electric six-string guitar, piano, organ, banjo, mandolin and drums, Schwalm also enjoys hunting, fishing and photography.

THE first air gun was made for the French King Louis the IV in 1408.

FFA boys compete in district contest

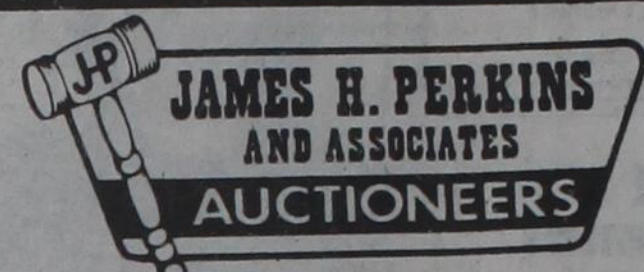

Nazareth High School's FFA team competed in the Plainview District FFA Farm Mechanics Contest held last Thursday at Texas Tech University.

Instructor David Bownd's team competed against seven other district schools in such skills as electrical wiring, small engine repair, welding skills, and tool identification. Nazareth's team members were George Hochstein, Michael Kern, Pierce Brockman and Joe Kleman.

The first place team trophy for Plainview District was won by Cotton Center; second place, Motley County; third place, Floydada. Other schools in the competition

were Tulia, Hale Center, Plainview and Abernathy. The contest is sponsored

annually by Swisher Electric Cooperative in Tulia and Lighthouse Electric Cooperative in Floydada.

G-522DR

Look to the G for leading over-all performance.

Year after year, growers come back to Funk's G-522DR.

Why? Because it performs consistently. Through good years and bad, disease pressure or drought.

And now, G-522DR is available as HERBISHIELD seed, so you can use BICEP® or MILOCEP® herbicide for tough, highly effective control of both weeds and grasses.

All across the sorghum belt, G-522DR yields are impressive, topping major competitors time and again.

G-522DR is resistant to downy mildew. Head smut, too. And has resistance to Strain A of Maize Dwarf Mosaic Virus (MDMV-A), and tolerance to northern leaf blight. It's tropically adapted for extra weatherability. Develops sturdy stalks. Stands uniform. And produces high-quality golden-bronze grain.

Its wide adaptation and medium maturity make G-522DR easy to manage, a wise addition to most sorghum programs. Plant G-522DR this year. Chances are, you'll come back.

G-522DR, HERBISHIELD or regular. Setting a new pace in sorghum.

Funk's is a brand name. Numbers identify varieties.

The limitation of warranty and remedy on the tag attached to each bag of Funk's G-Hybrids sold is a part of the terms of sale thereof.

Bicep® and Milocep® are registered trademarks of CIBA-GEIGY Corporation.

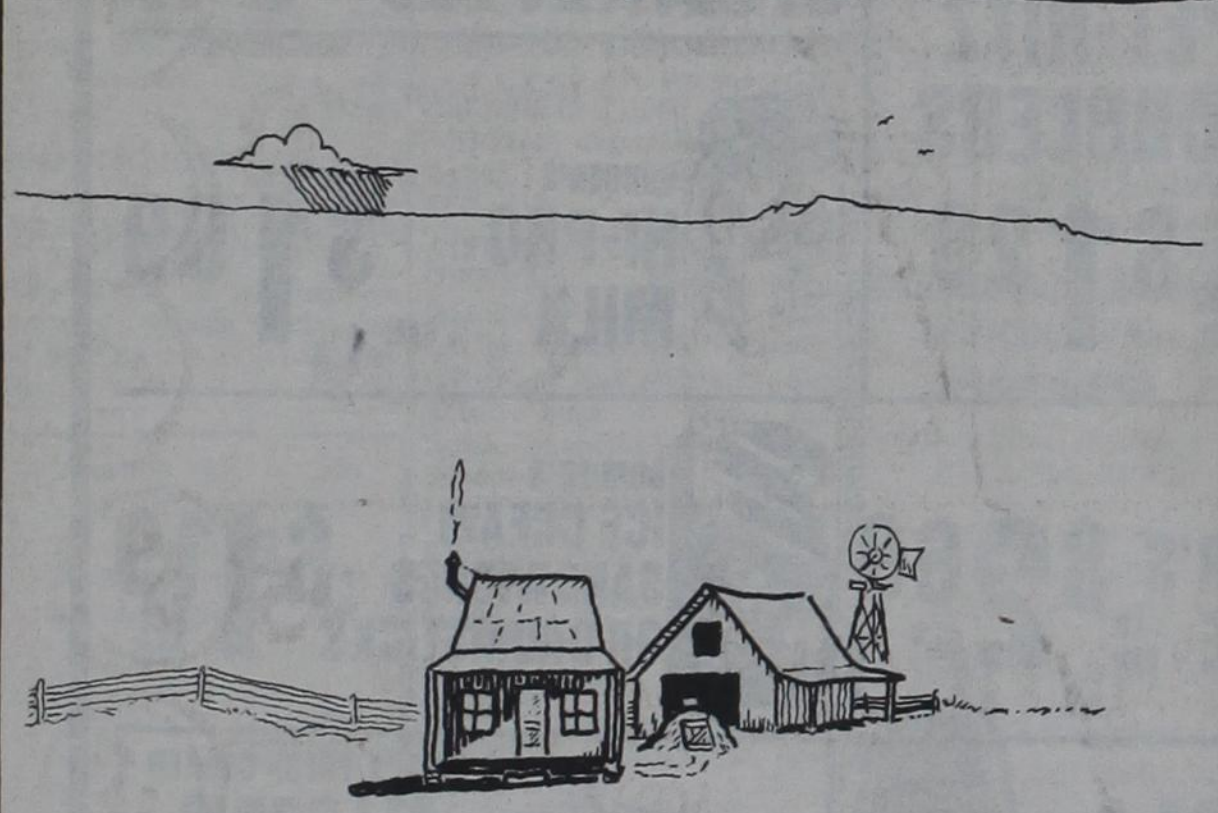

We really want to be part of your sorghum program.

in 1982. However, wheat, barley or oats may be hayed if they were planted prior to Jan. 29, 1982, and prior to reaching the dough stage, he added.

"If you use acres that are planted to wheat for your Conservation Use Acres, you may graze these acres until the wheat is completely grazed out. Otherwise, you can not graze this acreage between May 1 and Nov. 1," Hill said.

Conservation Use Acres must be protected from wind and water erosion and can not grow up in noxious weeds, he added.

"Even though we don't have the disaster program in 1982, you should still come by and complete a Form 574 before you destroy or make other use of a disaster-affected crop," Hill told farmers. "This could affect the classification of the crop for deficiency payments purposes, if one is made."

Ray gets doctorate

Rev. George Ernest Ray Jr., formerly of Dimmitt, will receive his Doctorate of Ministry degree along with 449 other graduates receiving degrees and diplomas May 14 at Southwestern Baptist Theological Seminary in Fort Worth.

Dr. Ray's church position is pastor of Justin Baptist Church in Justin.

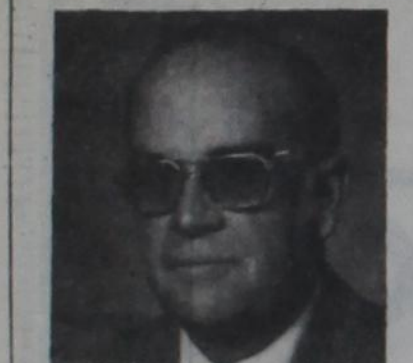

His mother is Mrs. Tera M. Ray of Irving. His father was the late Rev. George Ernest Ray Sr., who formerly pastored the First Baptist Church of Dimmitt from 1951-1958.

He is a graduate of Dimmitt High School, and he married Monette Kenmore of Dimmitt.

Seminary President Russell H. Dilday Jr. will confer degrees on the school's largest spring graduating class ever.

Southwestern Seminary is the largest of six such institutions owned and operated by the Southern Baptist Convention. More than 40,000 students have been enrolled during the institution's 74-year history.

Insects of interest Early garden pests

Garden preparation is underway, and several insect pests may be already lurking in the garden, waiting to feed on new seedlings or transplants. The white grub is a soil pest that may be present when the garden is planted.

Grubs are more often a problem in a new garden following grass or where manure was applied to the garden the previous year.

The adult stage of the white grub, named the May or June beetle, is often attracted to porch or street lights. White grubs hatch from eggs laid in

the soil, and may take 1-3 years to complete their life cycle. The grubs are white with brown heads and reach a length of about one inch. They are clumsy, slow moving, have 6 legs and assume a C-shape.

White grubs feed in the soil on the roots of many different vegetables, causing plants to wilt and die. The white grub can often be found by carefully digging below the plant and looking for the culprit. Grubs are best controlled before or when the garden is planted. Pre-plant insecticides may be considered when one or more white grubs are found per three square feet at the 5-6 inch depth. Sprays or granules, such as Diazinon, may be applied to individual plants at transplanting.

White grubs are more difficult to control after the garden is planted. An insecticide spray applied to the base of the plant may protect plants from grubs. Insecticides should be used in the garden only when necessary. Always read and follow label instructions carefully.

Squash bugs also overwinter in or near the garden, and often attack squash soon after it emerges. Squash should be checked frequently so squash bugs can be hand picked or sprayed as soon as this pest appears. The prevention of a large population build-up is important in controlling squash bugs.

Call or visit the Extension Office for information on how to select, plant, water, fertilize and protect many different garden vegetables.

THE word ajar comes from "on char" meaning "on the turn."

Soil Stewardship Week is May 16-23

The Running Water Soil and Water Conservation District will join in the nationwide celebration of Soil Stewardship Week May 16-23 according to an announcement by James Wilhelm, Chairman of the District's Board of Directors. The theme of this year's celebration is "A Time for Tenacity."

"This is 'A Time for Tenacity' in our faith, in concept, in communication, in cooperation, in the political arena, in experiments and research, in leadership, in priorities, and in total commitment," cites the National Association of Conservation Districts (NACD) in the 16-page Soil Stewardship Week booklet. Foreword for the publication was written by President Ronald Reagan. NACD has sponsored Soil Stewardship Week since 1955, in cooperation with the nation's nearly 3,000 soil and water conservation districts.

Informative material on the Soil Stewardship Week theme each year is distributed through local conservation districts to clergymen, lay leaders, churches, civic and educational organizations and to individuals participating in the observance.

"With the growth of population and the world demand

for food and with the clearing and development of most land that is suitable for cultivation, we must turn our attention to the task of saving every acre," according to

NACD. "The dream of adequate supplies of food and shelter must cover a period that extends far into the future because this is the only world we have and the total

heritage of our descendants." Information and materials for the 1982 observance of Soil Stewardship Week are made available in this area by the Running Water SWCD.

Girls to learn about 'rush'

All high school senior girls are invited to a Panhellenic party Sunday from 2 to 4 p.m. in the assembly room of the YWCO at 1006 South Jackson in Amarillo.

Sponsored by the Amarillo City Panhellenic, the party is held to "answer any questions and give helpful information concerning each school's rush," a spokesman said.

Mothers are also invited.

Presbyterian happenings

Palo Duro Union Presbytery meets on Friday and Saturday at the Union Presbyterian Church in Brownwood. There will be a Pre-Presbytery Evangelism Event on Friday afternoon led by Pete Hendrick of Austin Theological Seminary. Charles Armstrong is the Sessional representative. The Rev. and Mrs. Edward D. Freeman plan to attend.

There is a Sunday Church School class for everyone every Sunday at 10 a.m. The Adult Class meets at the manse, all other classes meet at the church.

"Racial Unity, Economic Justice, and Soil Stewardship" will be the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God on Sunday May 16, at 11 a.m.

Galatians 6 will be the subject of the Bible study on Wednesday, May 19 at 7 p.m.

The choir will practice on May 19, at 8 p.m. The choir, besides preparing for each Sunday's service, is practicing on music for the dedication of the new organ on Sunday, May 30.

There is a warm welcome awaiting anyone who attends any of the services and activities of the Presbyterian Church.

viewpoint: The best is yet to be. The month of May is Senior Citizens Month, so designated by President Reagan and Governor Clements. On several occasions I have been reprimanded by persons my own age for admitting my age. I want to say, "What is so distasteful and disgraceful in the word 'old'?" In this youth-worshipping culture, we use disguising terms to describe old people, such as "golden-agers" and "senior citizens." In so doing, we are refusing to accept old age as a gift of God, who promises, "I will reward them with long life." We who are in our sixties or beyond can look back at our lives and see how the Lord has led us. God has brought us thus far and has given us the peace and joy that come with fullness of years. Don't be afraid of old age, nor try to delay it or deny it. Enter old age proudly, gratefully, with confidence and anticipation; you will find with Robert Browning, "The best is yet to be." — EDWARD D. FREEMAN, President, Castro County Senior Citizens.

Senior Citizens. The Area Agency on Aging of the Panhandle Regional Planning Commission is conducting a public hearing on the needs of the elderly at the Hereford Senior Citizens' Center today (Thursday) from 1 to 4 p.m. Genesis 9-11 will be the subject of the Bible study at the Castro County Senior Citizens' Center on Monday from 12 noon to 1 p.m. The monthly covered-dish supper and game night will be held at the center on Tuesday at 6:30 p.m. There will be a Physical Fitness Workshop for the Senior Adult on May 20, beginning at 8:30 a.m. at West Texas State University. Kiwanis moves meeting place

The Dimmitt Kiwanis Club will meet for their Monday noon meetings at the K-Bob's Steak House in Dimmitt.

At the club's meeting Monday, the members voted to begin meeting at K-Bob's since the meal cost had gone up at their previous meeting place, the Colonial Inn Restaurant.

A slight increase in dues will be required to cover the meal cost at K-Bob's, which will be \$4.25 per meal.

Graduating Dimmitt seniors who are the children of Kiwanis members were honored at Monday's meeting. Those attending were Beth Benton, Wendi Bruegel, Lisa Davis, Todd Hatla, Phil King, Kent

Kirby, Brad Murdock and Scott Sheffy.

Key Club President Mark Bruegel reported on his club's trip to the district convention in Dallas, and added a work of thanks to the Kiwanians, sponsors of Key Club, for the \$600 donated toward the expenses of the trip to the convention.

Kiwanis President Jimmy Davis informed members that

a proposal will be made at the International Convention in June to raise the International dues another \$5 per year member.

It was announced that all Kiwanians and their wives were invited to the FFA banquet that was held Tuesday night.

Fifteen members and the club sweetheart were present Monday.

LOST AND FOUND—Red and white jacket, real nice, down-insulated and quilted. Report to the library if you have lost this. Size would fit a young man of about 13 we would say.

Here's something that hasn't appeared for awhile.

New Books — "A Guide to Heraldry" by Ottfried Neubecker; "Late Innings" by Roger Angell; "The Incredible Lou Ferrigno" by Lou Ferrigno (of course); "Before and After Zachariah" by Fern Kupfer; "Why You're Richer Than You Think" by Emyl Jenkins; and "Keeping a Family Cow" by Joann Sills Groman.

Let's go from the bottom up just to be interesting. "Keeping a Family Cow" is self-explanatory. It was originally published as "The Cow Economy" by an author who steadfastly supports the small farm as an important economic unit.

Emyl Jenkins is a well-known appraiser and in his book he tells you the guidelines of how to make a preliminary appraisal of your things at home. It's illustrated and has a complete index.

Those of you who read the 1980 January issue of "Redbook" magazine will remember Kupfer and her "A Place for Zachariah." Here in book form is a more detailed account of a woman, her family and their brain damaged child.

Once in a while we get a new book by Arnold Schwarzenegger, the body builder. Now that he has fully developed all he can develop he has written and promoted body building books. Lou

Ferrigno, a friend and competitor of Arnold's now has brought out a similar looking body building manual with photos and illustrations. Only someone as egotistical as a body builder has to be, would bring a book to the public entitled "The Incredible Lou Ferrigno" by Lou Ferrigno. However, once inside the text, the reader finds from the first person autobiography that Mr. Ferrigno has developed more than just a large muscle-bound body, he's grown character as well, which is fun to read about.

"The Summer Game," "Five Seasons," and now "Late Innings," bring Angell's list of baseball non-fiction classics up to date. This one brings the series right up to date. With all the difficulties which baseball has had the past three years, this ought to be an interesting one.

"A Guide to Heraldry" is, if nothing else, very colorful. It is a small book and probably not completely comprehensive. It has a lot of things, though, and lots of fine, colorful illustrations. Those of you with European heritage and interested in family crests, coats of arms, and shields, will want to see this.

In the old days people bought a product called amadaw. It was an easily lit substance used as tinder. It was made from a fungus boiled in lye and mixed with saltpeter. It was also called

Kurlie Q's

The Nazareth Kurlie Q's met for square dance lessons Sunday night. Three squares of students are doing great after eight lessons. Most of the students can dance at the regular dances.

Two couples of students and three couples of regular dancers went to Amarillo Saturday night to a special benefit dance.

A fifth Sunday dance is planned this month. We will have a guest caller from Louisiana and a pot luck supper.

Our regular caller is Sid Perkins from Plainview. He is one of the outstanding callers of this area.

The Kurlie Q's have regular dances on the first, third and fifth Sunday of each month. Lessons are each Sunday at 7:30 p.m. at the Expo Building.

We have had several guests from Tulia, Plainview and Hereford. Guests and visitors are always welcome at our dances.

The Kurlie Q's also dance Sunday for the South Hills Manor residents. The dance will be to benefit the purchase of a lift for the home.

Hereford will host Tech exes

Hereford will be the host for a "Red Raider Day" June 3, and Tech exes and supporters from Dimmitt and Friona have been invited to participate in the day's activities.

Dave Hopper, chairman of the event, announced that activities begin at 1:30 p.m. that day with a golf tournament. A social hour is set at 6 p.m. at the Hereford Country Club, followed by a dinner.

Local Tech supporters interested in playing in the tournament or attending the dinner should contact Dave Hopper, Box 150, Hereford, or Mike Horton at the golf shop, 364-2782. Deadline for golf entries is May 28.

An entry fee of \$25 will cover all events. Non-golfers and women who want to attend the dinner will be charged \$10 each.

Early screening is set May 19-20

The Dimmitt Independent School District will sponsor a free Early Childhood Screening of pre-school children (ages 3-5).

To take part in the screening, bring your pre-schoolers to the City Hall meeting room, 200 E. Jones, between

the hours of 8:30 a.m. to 3:30 p.m. on May 19; or between the hours of 6 p.m. and 8:30 p.m. May 20.

The screening is used to locate children who may need special education pre-school programs to help them to succeed in regular kindergarten programs.

Each child will be screened for fine motor, gross motor, conceptual and communication skills.

A counselor, trained in the identification of children with special education needs will review the screening results with the parent or guardian of each child screened. A parent or guardian must accompany each child participating in the screening. The total screening process should take about one hour.

For additional information, contact the Director of Special Education for the Castro County Cooperative for Comprehensive Education in Dimmitt at 647-3103.

Local pianists play for Guild

Fifteen local piano pupils of Mrs. Leon Sanders registered as candidates Wednesday in the National Fraternity of Student Musicians sponsored by the National Guild of Piano Teachers.

The pianists performed in the national piano playing auditions, elementary and intermediate, from 9 a.m. to 2:45 p.m. in the First Baptist Church of Olton.

The students participating were Sharon Ellison, Michelle Garcia, Priscilla Garcia, Deneia Hanes, Jo Hyman, Tonya Lamberth, Troy Johnson, Heather Moore, Kalina Pohlmeier, Anessa Scott, Krystal Scott, Krista Sims, Ryan Smith, Brian Stewart and Jacalyn Thompson.

From coast to coast, over 10,500 piano pupils of the nation were to compete in this annual event being held in 700 music centers of the country.

Community loses pioneer

By MRS. OWEN ANDREWS
The death of Mrs. Annie Steele Springer recently marks the passing of another of the pioneers of this area. Having married Albert Springer at Childress in October of 1916, she came with him to this area in November of 1917, when his father G. F. Springer brought

his family from the family home at Childress to settle here. She and Albert drove a team of horses to a wagon loaded with household goods and farm implements all the way from Childress.

His brother-in-law, T. L. Sparkman, came also with a loaded wagon on the overland trip, camping along the way as necessary. They arrived at the destination, two or three miles east of the point which later became the location of Jumbo school, where G. F. Springer had bought two sections of land — mostly unbroken grassland. They and the Sparkmans were to live and farm breaking out sod and taking care of some cattle.

In 1924, the Albert Springers with their first two children, George A. and Mary Lois moved about seven miles further west to land which had been purchased from J. O. Lindsey, one of the early settlers and landholders of the area. The Sparkmans followed to a farm adjacent the

following year. The Springers were among the few who built an adobe house, with soil taken from their own farm and molded into handmade blocks, and plastered with cement — it would be considered something of a "solar house," in simple form now. It was comfortable for many years.

Their other son Charles was born while living there in 1936.

The Springers also pioneered in another important part of community life when they and the Earl Springers were first to put in the type irrigation system which was to become the backbone of the farming industry about 1932. Others followed quickly, when they saw that it was practical to make the dry area into a whole "land of plenty."

A new modern house, Mrs. Springer's own plan and dream, was built there in the late 40's. She stayed on while after he died in 1955, and then moved into South Hereford on Highway 385. She was busy for many years and worked regularly for Perrys and later the Christian Book Store — enjoying most of all being with people. Only when her health failed and she had to live in the nursing home in Dimmitt, did she give up her busy and useful life.

A group from Frio Homemakers Club and guests made a trip Tuesday to Casa del Sol, a solar home on Blanco Canyon and located ten miles north and two miles east of Crosbyton. The house, owned by Mrs. George Mae Ericson, was built about four years ago and is a model of use of active solar energy. Mrs. Ericson thinks her energy bill is about half the amount of a similar building without the solar system. Much glass makes a sunny pleasant interior. It has a solar heated swimming pool, with tables and chairs for large groups of persons to dine in the spacious area around the pool.

Mrs. Ericson prepares and serves her guests from the large, centrally located, open type kitchen. Four mesquite burning fireplaces added to

the home's comfort and a large conference room is provided so that groups from college and business organizations may meet for seminars and such activities. A strongly built, centrally located room is especially for storm protection. The house utilizes ideas and materials natural to the locale, as Mrs. Ericson is very conscious of preserving history of the area. She also works for the Crosby County Museum in Crosbyton, helping gather material of the past history for future generations. She is a native of the area, the granddaughter of the Hank Smiths, who were pioneers of that area and well known for their contributions to the community. Mrs. Ericson is a graduate of Texas Tech, but spent many years in the East with her husband. After his death, she returned to the area and began the work of trying to preserve her heritage. She plans for the house to become a part of the museum, after her passing.

The local group also visited the Crosby County museum. Going from here were Mesdames Marguerite Cole, Beverly Paetzold, Ellen Warrick, Ella Caudle, Annie Vogler, Loleta Vinson, Jo Gregory, Annie Lee Dobbins, Sue Andrews, Carleta Harkins, Vada Axe, Darlene Richardson, Bonnie Baldwin, Nadine Warrick, Helen Barber, Virginia Yandell, Alline Tindal and Ruth and Frank Robbins.

Mrs. Blanche Baldwin has returned home after several weeks visit with her children. She visited the Ben Deans at Dallas, and their children and grandchildren of the area, also the Wesley Earps and family in the Denton area, and with her son, Rev. Darold Baldwin and family at Garland. She spent several days at McAllen with her daughter, Olagene West and her daughter Donna. On April 3, she attended the wedding of Olagene to Richard Crum of Houston. The wedding took place in the parlor of Calvary Baptist Church in McAllen.

Donna was her mother's maid of honor and the other daughter Linda (Mrs. Larry Moore) of Kerrville was soloist, with a family friend, Russel Thomas, as organist. Larry Moore was the groom's attendant, Mrs. Wesley Earp of Denton, the bride's sister, was in charge of the reception, and was assisted by several friends of the couple. The couple plan to live in Houston where he is with an insurance firm. She is completing the school term in McAllen, and making other preparations for the move. She has taught several years in McAllen Public Schools and is also active in church work there. Donna has been enrolled in college in McAllen, for the past two years.

After the wedding, Mrs. Baldwin went to San Juan, Puerto Rico, flying from Dallas to visit her son, Robert and his wife. He has been with A.T.&T. for many years and is now on furlough working on a special project for the Puerto Rican telephone service. They moved last August for the expected two year stay. Their daughter, Kristi, came to Lubbock to attend Texas Tech at that time. The family had been in Chicago several years before that. Kristi expects to visit her parents for about three weeks after this semester end and return to Lubbock for the summer session at Tech.

Among the graduates of the Permian Basin University of Texas this May 15 will be Miss Melody Tone, daughter of Rev. and Mrs. Gene Tone.

In the 1840's and 1850's people put acorns in a wide necked bottle and sprouted them. They used them as conversation pieces in their parlors. Of course, they were called acorn bottles.

PRIZE WINNERS in the Wheels for Life Bike-a-Thon held recently in Dimmitt are (from left) Kristi Kinser, daughter of Leroy and Sharon Kinser of Dimmitt; Steve Adams, son of Bobby and Anita Adams of Tulia, formerly of Dimmitt; and Shawn Ewing, son of Edward and Sharon Ewing of Dimmitt. Kinser and Ewing tied for first place in raising the most funds for the special event,

which benefitted St. Jude's Children's Research Hospital. They both raised \$240 through pledges and donations, and both were awarded ten-speed bicycles. Adams received a calculator for his efforts in raising \$168.52. The event brought in a total of \$1,944, according to local chairman Jo Parks. The prizes were donated by various individuals and businesses in Dimmitt.

Group attends Hocheim meet

Walt and Lucy Pohlmeier, J. Paul and Gertie Waggoner, Carl Dean and Mary Kleman, M. L. and Clodell Aven and Lonnie Bradley, representatives of Hochheim Prairie Farm Mutual Insurance Association, local branch 45 of Nazareth, have recently returned from the 90th annual convention of that association.

Held May 3 and 4 at the San Antonio Marriott, the convention honored sales representatives as well as branches for their record-breaking efforts during 1981. The two-day session involved delegates voicing their needs and opinions regarding the Hochheim Prairie Farm Mutual Insurance Association's Constitution and By-Laws, working together with management to make Hochheim Prairie the best possible insurance association for its members.

400 delegates from 87 branches across the state were present. Special guests, home office staff and their spouses comprised an additional 150 in attendance.

A Mexican Fiesta was the highlight of Monday evening with a buffet and dance.

The Tuesday meeting adjourned after the completion of the amendments to the constitution and the by-laws of Hochheim Prairie Farm Mutual, and the election of grand directors.

St. Jude's chairman commends volunteers

Dear Editor:
The St. Jude's Children's Research Hospital Wheels for Life Bike-a-thon is over for this year, and we want to thank the citizens of Dimmitt for their generous support of our campaign.

We are extremely proud of the 41 riders, the hardworking volunteers whose efforts made this ride a success, the generous sponsors, and the businessmen who contributed prizes, money, and refreshments. To each of you who had a part in our effort may we say very simply, THANK YOU SO VERY VERY MUCH!

Because the diseases that St. Jude's Children's Research Hospital is battling can strike any child anywhere,

this money will be helping to save children's lives all over the world.

Your help was an important part in this event, and you performed a very worthwhile service acquainting the citizens of Dimmitt with the life-saving work being done at St. Jude's. For this we are very grateful.

It's a wonderful feeling to know that the people of our community are concerned and caring individuals and, on behalf of the children of St. Jude's, I want to thank each and everyone who helped in any way.

Percy Hart

Services for Percy Hart, 87, of Hart, were held at 4 p.m. Saturday in the First Baptist Church of Hart with Rev. Jack Lee, pastor, officiating.

Burial was in Hart Cemetery under direction of Parsons Funeral Home of Dimmitt.

He died Friday in Central Plains Regional Hospital in Plainview after a long illness. He was a long-time resident of Castro County and a retired farmer.

Mr. Hart married Edna Livesay on Mar. 12, 1926, in Plainview. He was a member of the First Baptist Church of Hart since 1926, a World War I veteran and a member of the American Legion.

He is survived by his wife; one son, Joe Percy of Hart; two stepsons, Leon Horton of Saginaw, Mich., and Troye Horton of Fullerton, Calif.; three sisters, Fannie McCoy of Austin, Ann Dixon of Pampana and Madelin Dutton of San Antonio; four grandchildren, one step grandson and one step great-granddaughter.

Emma Huseman

Services for Emma Huseman, 76, will be at 10 a.m. today (Thursday) in the Holy Family Catholic Church in Nazareth with Father Stanley Crocchiola, officiating.

Burial will be in the Holy Family Catholic Church cemetery in Nazareth under direction of Parsons Funeral Home of Dimmitt.

Mrs. Huseman died at St. Anthony's Hospital in Amarillo on Monday. She was born July 20, 1905 in Mansfield. She had been a Castro County resident since 1916.

She married August Huseman on Jan. 20, 1934, in Clovis, N.M. She had been a life-time member of the Holy Family Catholic Church of Nazareth.

She is survived by her husband; a daughter, Ruth Ann Franklin of Fort Worth; one sister, Mamie Schuchert of Bentonville, Ark.; and one brother, Raymond Annen of Nazareth.

Emaline Watkins

Emaline Watkins, 92, of Lovington, N.M., and formerly of Floydada, died May 1, and funeral services were held May 4 in Floydada.

Mrs. Watkins is the grandmother of Kenneth Covington of Dimmitt.

Born April 27, 1890, in Alabama, she came to Floydada in 1928, moving to Lovington eight years ago. She married Luke Watkins on March 15, 1915 in Alabama. He died Dec. 20, 1963.

Survivors include two daughters, Lois Edwards of Tatum, N.M., and Bea Covington of Floydada; 31 other grandchildren; 76 great-grandchildren, including T. J. and Amy Covington of Dimmitt; and 13 great-great-grandchildren.

Abbie L. Parker

Services for Abbie L. Parker, 91, were Wednesday at 10 a.m. in Wallace Funeral Chapel of Tulia with Rev. Lewis Koerselman, interim pastor from Palo Duro Union Presbytery in Amarillo, officiating.

Burial was in Rose Hill Cemetery under direction of Wallace Funeral Home.

Mrs. Parker died Monday at 2:15 a.m. in South Hills Manor of Dimmitt. She was born Abbie Edwards on Sept. 17, 1890 in Alabama.

She moved to Swisher County in 1910 and married Hugh Parker Jan. 15, 1918, in Amarillo. He died Feb. 8, 1972.

She was treasurer of Tulia Missionary Society for many years and a member of the First Presbyterian Church of Tulia.

Survivors include a son-in-law, John Allen Doan of Tulia; four grandchildren; and eight great grandchildren.

SENIOR CITIZENS HONORED—Ocie Bolton (left) receives the Outstanding Volunteer of the Year certificate and Cleo Forson accepts the Outstanding Senior Citizen of the Year award from Rev. Edward Freeman, president of the Castro County Senior Citizens, Inc., during the organization's game night last week. The two awards were presented as a

feature of Older Texans Month and the winners were determined by vote of CCSC members. Both award certificates were signed by Gov. Bill Clements, who commended older Texans for "the invaluable contributions they have made to our state." The awards were sponsored by the Texas Dept. on Aging.

School looking at computer

At its Monday night meeting, the Dimmitt School Board decided to send out feelers to the City of Dimmitt and the Castro County Tax Appraisal District to see if they are interested in participating in a computer service the school system would provide.

With the board 75% to 80% certain that the schools will obtain the system anyway, fees paid by the other participants would help soften the estimated total cost of over \$133,000 to the schools for the IBM System 34, with hardware, software and three years' maintenance included.

The school system is mainly interested in the computer's capabilities for inventory, student scheduling and attendance reporting, as well as standard bookkeeping procedures.

"With what we pay the Educational Service Center for computer services, we could pay out our part in eight years, but it will only take four years if the others join in with us," said Supt. Robert Ryan.

The school proposes to buy all of the equipment and then sell time on the computer to the other entities. However, they also have the option of just buying the central computer and whatever they will need and let the others buy their own hardware and software. Either way, the city and tax appraisal office will pay a user fee to the school.

After the vocational agriculture teachers at Dimmitt High School draw up actual blueprints and specifications, the school board has agreed to let bids on the building of a new barn and pens for the ag farm north of town. The barn will be 40'x50' enclosed and sitting on concrete. A lean-to will include calf pens, and exercise runs will be attached to that, extending another 60 feet.

The Dimmitt FFA Club has almost \$10,000 in the bank right now to go toward the building project. Ryan said that the school will call for the bids, however, and serve as "banker" for the project.

Who's in charge of stored cars?

The responsibility for disposal of wrecked and impounded vehicles rests primarily on the garage owner, the Castro County Commissioners Court said Monday during its regular meeting.

Sheriff Lonny Rhynes and Police Chief Ron Mitchell told the commissioners that wrecked and impounded vehicles do not qualify as abandoned vehicles and must be dealt with differently.

When the wrecker service picks up an abandoned vehicle at the request of either the Sheriff's office or the city police, the responsible department must notify the vehicle owner and lien holder within 10 days.

However, if the vehicle is wrecked or impounded, notification is left to the garage owner and can be done after at least 10 days. Such vehicles are never considered abandoned unless they are leased. In other action, the county

Matador coach gets DHS post

A coach who has guided the Motley County Matadors to a 21-2 record and the state quarterfinals during the past two years will be the new head football coach at Dimmitt High School.

He is Gene Griffin, 29, who won the DHS job over 35 other applicants from seven states. He will succeed Mike Major, who has resigned to join the coaching staff at UT-El Paso.

The Dimmitt School Board hired Griffin Monday night after interviewing two finalists for the job.

"Both my wife and I are really excited about it," Griffin said. "We are looking forward to living in Dimmitt and working with the coaches there."

He added, "We'll do our best to try to get the football program up with the other programs. We know it's going to be a challenge, but we're really looking forward to it."

Griffin indicated he will keep all assistant football coaches who want to stay.

"As far as I know now, the assistants that are there now will be with me next year," he said. "I think that's only fair—these men have been living in the community, and they've obviously been doing a good job. From what I've seen of them, they seem like

extremely good people."

Griffin graduated from West Rusk High School in New London, where he lettered in four sports. As a student in the Texas Tech Honors Program, he earned a BS degree in education in 1975. His teaching fields include physical education, English, history and health.

As an officer in the US Marine Corps (1975-78), he coached the USMC First Artillery Field Group's football team to a 7-2-1 record and was chosen to coach the Marine Base All-Stars, whose only loss was to the eventual USMC champions.

After a year as a line coach at Lockney, he accepted the head coach's post at Motley County in 1979. His first year at MCHS, he suffered his only losing season as a head coach—2-6-2—then guided the Matadors to a 9-1 record in 1980 and to a 12-1 mark and the state quarterfinals last season.

"He's a young guy who has had some head coaching experience, and his record shows that he was able to take what was there and do something with it," School Trustee Don Gregory commented after Griffin's hiring.

Griffin said he plans to move to Dimmitt "by the first of June."

MOST VALUABLE PLAYERS announced at Nazareth High School's Athletic Banquet Monday night were (from left) Calvin Schulte in football and boys' basketball, Roxane Birkenfeld in girls' basketball, Karen Birkenfeld and Danelle

Schmucker in girls' track, and Chris Gerber in boys' track. These athletes won state honors in four sports and state championships in two.

VIRGIL HUSEMAN received the NHS Fighting Heart Award in both football and boys' track Monday night.

Nazareth High School recounted state championships in two sports and state honors in two others during its annual Athletic Awards Banquet Monday night.

Tennis tourney raises \$950

The Castro County Chapter of the American Heart Association grossed over \$950 in its annual tennis tournament last week. Competition finished Tuesday night after it had been delayed because of the weather.

Winners of the tournament, all of which was doubles play, are:

In the women's section, Linda Lowe and Cindy Davis were first, and Joyce King and Ruth Kitchens were second in A Division; Ruth Kitchens and Doricel Davis were first, and Ramona Heinman and Debbie Schmucker were second in B Division; and Diane Townsend and Rhenea Webb were first, and Janette Malone and Joyce Thomas were second in the C Division.

In the men's section, Joe King and Jimmy Ross were first, and Keith Lowe and Doug Pybus were second in the A Division; Jay Reeve and Jerry Vera were first, and Jerry Killingsworth and Mack Steffy were second in B Division; and Matt Howell and Tommy Stanton were first, and Glen Black and Richard Franks were second in C Division.

In mixed doubles, Joe King and Ruth Kitchens were first,

and in two sports and state honors in two others during its annual Athletic Awards Banquet Monday night.

The state championships were in girls' basketball and girls' tennis doubles, and the individual state honors came in boys' basketball and girls' track.

Roxane Birkenfeld, Karen Birkenfeld and Virgil Huseman were announced as the winners of the school's most prestigious awards for all-around athletes—the Swift Award and the Swiftette Award.

Roxane Birkenfeld accounted for five state gold medals during her high school athletic career—four in basketball and one in tennis—while her cousin Karen earned three gold medals in basketball and a state bronze medal in track.

Huseman was recognized for his contributions in football, basketball and track. He won post-season honors in both football and basketball.

The Swiftette and Swift Awards are based on character, leadership and scholarship, plus participation in at least two sports for the girls' award and three sports for the boys' award.

Winners of the Most Valuable Player Awards were Calvin Schulte in both boys' basketball and football, Roxane Birkenfeld in girls' basketball, Chris Gerber in boys' track, and Karen Birkenfeld and Danelle Schmucker in girls' track.

Most of these senior athletes also earned the Fighting Heart Awards. Karen Birkenfeld won the award in girls' basketball and shared it with Miss Schmucker in girls' track. In boys' basketball, the award went to Schulte, an all-state player who led the team in rebounding, scoring and assists. Huseman won the Fighting Heart Award in both football and boys' track.

Winners of the NHS Scholastic Athlete Awards were Danelle Schmucker, who posted a grade average of 98.5 this year, and Francis Kern, who had a grade average of 97.

Other top individual awards went to Renee Ramaekers, Most Improved Player in girls' basketball; Karen Birkenfeld, Defensive Player of the Year in girls' basketball; Mark Huseman, Most Improved Player in boys' basketball; Virgil Huseman, Defensive Player of the Year in boys' basketball; Pierce Brockman, Outstanding Offensive Player in football; and Michael Kern, Outstanding Defensive Player in football.

The primary focus in this session is four different styles by which communication can be classified. In this training session an emphasis will be made on choosing a correct way or an appropriate style of communication, depending upon the situation.

in boys' doubles and several silver and bronze medals in both boys' and girls' tennis. NHS netters have advanced to state tennis tournaments every year since 1973.

It was Birkenfeld's fifth gold medal, counting her four in varsity basketball. She also earned a silver medal in tennis doubles last year.

And Hoelting now owns four state gold medals—three in basketball and one in tennis. She also finished third in the state in tennis singles last year, although the UIL didn't award bronze medals last year.

Because the NHS tennis season was short this year due to the long basketball season and bad weather, Birkenfeld and Hoelting got to play in only three tournaments before starting their championship climb. They won championships at Plainview and Canyon and placed third in the big Amarillo Invitational before winning the district and regional championships that paved their way to Austin.

PMH nursing school is now AC affiliate

The Licensed Vocational Nurses School at Plains Memorial Hospital in Dimmitt is now affiliated with Amarillo College, and, effective in August, students at the school will receive some college credit from Amarillo College.

Interested students should make application prior to the entrance exam date of July 30.

Director of Nurses at PMH, Jan Burleson, said that personnel from Amarillo College will come down to assist with administering the tests, which will be furnished by the college.

College credit will be given for the academic courses in the nurses' studies. These credits may be applied to working toward an RN degree or to other college degrees.

"The school will have very few changes. The main difference will be that the students will be getting credit, where they didn't in the past," Mrs. Burleson said.

For more information, contact Allan Bradley at the hospital at 647-2191. Mrs. Bradley is the instructor for the school.

Danelle Schmucker is the high school valedictorian, and Patti Schacher is the salutatorian. Other high-ranking seniors with a four-year average of 90 or higher are Pierce Brockman, Mike Kern and Denise Acker.

Senior honor students (for one year) are Danelle Schmucker, Denise Acker, Patti Schacher, Mike Kern, Liz Wilhelm, Pierce Brockman and Roxane Birkenfeld.

Juniors who ranked in the top of their class are Deanna Hoelting, Jeannie Wilhelm, Sharon Birkenfeld, Tammy Heck, Mary Jean Huseman, Rhonda Hoelting, Janet Huseman and George Hochstein.

Honor students in the sophomore class are Liz Albracht, Francis Kern, Cheryl Hoelting, Anne Birkenfeld, Kevin Acker, Bart Huseman, Scottie Book and Philip Birkenfeld.

Freshman honor students are Russell Hoelting, Ricky Backus, Mark Kleman and Dwight Acker.

Junior high honor students include eighth graders Gail Birkenfeld, Dale Albracht, DeZane Schacher, Mike Huseman, Annetta Schmucker and Cecilia Kern; and seventh graders Russell Acker, Alan Birkenfeld, Philip Durbin and Charlotte Heck.

Monday meeting to be on bees

The second in a series of beekeeping meetings will be held at 8 p.m. Monday in the assembly room of the Courthouse, according to Allen Knutson, EA-Entomologist. A detailed slide presentation on "Queens and Requeening" will be shown.

The queen is the most important bee in the colony. She is the only one capable of mating and laying fertilized eggs which develop into worker bees. Queens may live for several years, but may need to be periodically replaced to maintain a vigorous, productive colony.

The beekeeper should be able to recognize when the queen is failing and needs to be replaced. The pattern of egg-laying and the presence of drone and queen cells indicate a poor or missing queen. We will discuss how to recognize the need for requeening, how to introduce a new queen into a hive and how to unite two weak colonies.

The purpose of the meetings is to bring together area beekeepers and all other interested persons to discuss their experiences and exchange information concerning beekeeping in Castro County.

Two games set in ALMO play

Dimmitt's Senior Babe Ruth baseball team will host Friona Sunday at 2 p.m. at the Babe Ruth Park.

Tuesday, Dimmitt will travel to Muleshoe for an ALMO League game at 8 p.m.

Members of Dimmitt's Senior Babe Ruth team are Zeke Garcia, Fermin Gonzales, Ron Rickenbrode, Jeff Watts, Raul Ramos, Johnny Gonzales, Johnny Nino, Shan Powell, Tony Martinez, Roy Tijerina, David Ogas, Brian Armstrong, Ellie Garcia and John Robel. The team is coached by Mickey Bishop and Henry Ramaekers.

Tennis clinic is set in May

Kim Wilhelm will conduct a tennis clinic at Hart High School May 24-28.

Instruction will be offered for beginners, intermediates and advanced players at a cost of \$30 per player.

Court times are 2 to 3:30 p.m., 3:30 to 5 p.m., and 5:50 to 7 p.m., with players asked to designate which time period they would prefer.

Wilhelm is a former State Champion and player for the Texas Tech tennis team. She has attended instructor's clinics in Austin, Las Vegas and Houston.

Call Hart Coach Ralph Granger at 938-2140 for more information.

Hart offering adult classes

The Hart High School Homemaking Department will be offering four sessions for interested adults in the month of June.

The sessions will cover tools and techniques of upholstery, pattern measuring and alteration, and techniques of machine embroidery.

There are no tuition charges. The only expenses will be for materials each individual uses.

Definite dates and times will be worked out when it is determined what interest there is.

If you wish to enroll or need more information, contact Nancy Wescott or Cindie Walker at Hart High School, or call Mrs. Walker at her home at 938-2674, before May 21.
