Albany elected to receive the opening kickoff and returned the ball to their own 42 yard line to start the ball in play. The Lions picked a first down on a second down play as quarterback Aflen Chapman, on a keeper play, ran to the right side of the Bulldog line for 11 yards which resulted later in a fumble to give the Bulldoge the ball on the Bulldog 33 yard

The Buildogs moved the ball down to the Lion one yard before losing the ball on fourth down situation.

The Lions took over and the strong Bulldog defense held to force the Lions to punt.

#### 150 years ago, a new idea came to the college campus.

In 1819, at what is now Norwich University, military instruction was first offered in a civilian college.

It was a natural development of our Country's traditional concept of the citizensoldier and of civilian control over our Defense Forces.

Today, 150 years later, Army ROTC. is carrying on that tradition and has become an important resource of leadership, not only for national defense, but for civilian enterprise as well.

Army ROTC enables the college student to earn an oi r's commission as he earns his degree. It offers both 4- and 2-year scholarships to outstanding students. And it provides leadership experience that gives ROTC graduates an edge in any career they choose.

When you add it all up, Army ROTC vital to our American way of life.
