The Castro County News

County bucks state voting trend

Castro County bucked the state voting trend on 10 of the proposed amendments and one referendum Tuesday, with 31% of the eligible voters turning out.

61st Year-No. 7

The county went against the proposed referendum for legalized parimutual wagering, while Texas carried the referendum by 55.83% to 44.16%.

Proposition 19, the "SSC amendment," allowing for bonds to finance incentives to draw a superconducting supercollider to Texas, passed by a large majority in the county.

In a surprising break with tradition, county residents voted against the proposed water development bonds of Amendment 23.

While the state passed Amendment 15, abolishing three county treasurer's offices, Castro County did not follow suit. Amendment 15 lost here, thanks in part to the campaigning of County Treasurer Oleta Raper.

County residents voted against proposed loans and grants to encourage economic development in the state, as put forth in Amendment 4. The state passed that amendment by a slim majority.

While the state passed Amendment 8 allowing for bonds to upgrade prison and mental health facilities, Castro County voted against it.

Amendment 10 exempting nonincome producing personal property (boats, RVs, planes, etc.) from ad valorem taxes lost by a heavy margin here but passed statewide.

The proposed "emergency districts" of Amendment 13 carried statewide, but lost here by nearly

The county voted against Amendment 16 allowing for the creation of additional Justice of the Peace courts in metropolitan said yes.

The county voted not to allow the legislature to determine certain age 55 or older. This proposed

for taxing districts to improve local jails, the county said no by almost 300 votes. The state passed the amendment with 56.60% in favor.

The county went against tax exemptions for out-of-use offshore drilling equipment, proposed in Amendment 20, by over 500 votes. That amendment passed statewide on the 25 proposed amendments by a narrow margin.

Castro County followed suit with counties, but the rest of the state the state on Amendment 3, passing by a large margin homestead tax exemptions for surviving spouses functions of city governments as amendment was the most popular on the ballot statewide.

The county also stayed in line with state voters in the closest race. that over Amendment 11, proposing tax exemptions on "passthrough" property which is in the state for 175 days or less. Incomplete statewide returns show Amendment 11 failing by less than two percentage points.

Here's how Castro County voted

Crash causes cattle, grain futures to drop

By ANNE ACKER

Ever since "Black Monday", the stock market crash on Oct. 19, cattle and grain futures have taken a nosedive and haven't stabilized yet, with cattle prices dropping 10% and grain decreasing 5%.

"January feeder cattle dropped from \$79 per hundredweight to \$70.50 in the last two weeks, a

10.7% drop," said Jerry Annen, commodities broker with Dillon-Gage, Inc. March corn futures fell 14 cents, from \$1.95 per bushel to \$1.81."

Cash prices for corn, wheat, milo and soybeans have remained unchanged for the most part, according to Bill Thornton at Dimmitt Agri Industries. Thornton said that

since the crash, he thought cash grain markets had strengthened a little, with corn and milo increasing about five cents. In the last few days, however, soybean and wheat prices have dropped. As of early Wednesday morning,

> was \$2.95, wheat was \$2.26 and soybeans were listed at \$4.57. "The cattle have come off about \$10," Annen said. "Some people believed the drop in the stock

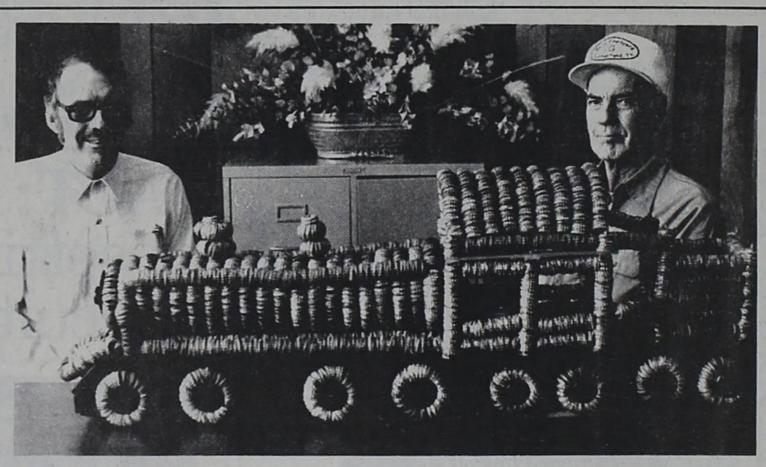

corn was \$3.35 per bushel, milo

market started the downslide on cattle and they got worried." "There are a lot of people putting cattle out on winter wheat pasture now. If they have hedged their cattle, then they won't be hurt. If they didn't have their cattle hedged, then they lost about \$70 per head in

the last two weeks," Annen stated. Hedging is the act of entering the futures market with a view to gaining protection against adverse price movements such as the stock market crash.

The Commodities Research Bureau had also dropped approximately 4% since the crash. The CRB handles 23 spot index prices including burlap, butter, cocoa, copper scrap, corn, cotton, hides, hogs, lard, lead, print cloth, rosin, rubber, soybean oil, steel scrap, steers, sugar, tallow, tin, wheat (MPLS), wheat, (KC), wool tops and zink. They also have 21 futures index prices on commodities such as live cattle, cocoa, coffee, coper, corn, cotton, crude oil, NY gold, heating oil No. 2, hogs, oats, lumber, orange juice, platinum, pork bellies, NY silver, soybeans, soybean meal, soybean oil, sugar "11" (world), and wheat

(Chi.). "The futures lost \$7 to \$8 after (Continued on Page 5)

BUCK RAPER (RIGHT) AND SON SAMMY WITH 'BOBCAT SPECIAL' ... A better use for bottle caps

His motive isn't so loco

When Louise Kemp showed Buck Raper a newspaper picture of a table-top locomotive that an Englishman had made of pop bottle caps, he took it as a challenge.

Raper has been making things from bottle caps for 20 years. A retired city maintenance man, he started the hobby while on sick leave with a bad back, "to have something to do." He has made water towers, rocking chairs, dolls,

bird houses and such through the years. But his locomotive is his piece de resistance so far.

His locomotive is named the "Bobcat Special," and contains between 5,000 and 6,000 bottle caps, all center-punched, strung on rolled wire and turned into different shapes.

The base of the Bobcat Special is made mainly of planking. Its axles are 1" and 1-1/4" pipe, and the steam-chamber shell is 2" PVC pipe. The rest is mostly bottle caps.

The Bobcat Special stands 17 inches high and is 3 ft., 10 in. long-almost a foot longer than the Englishman's model. Raper spent about 100 spare-time hours over the

past six months constructing the Bobcat Special. While he did all the work on the model, his son Sammy helped by collecting bottle caps from businesses around town that had soft-drink machines.

Dr. Pepper is the most popular drink at the places where they get their caps, they said.

As a finishing touch to the locomotive, Raper topped it off with a working miniature bell that he made. The bell's clapper is a fishing sinker.

What are Raper's plans for his locomotive now? "We'll put it in the county fair next year," he said. "The museum at Canyon wants it, but I don't

Now it's on to other things. Raper's next bottlecap project will be an airplane.

Leaving Home: "In Minneapolis, they tore down Met Stadium for a polyester ballfield with a roof over it, a ghostly greenish plastic baseball mall, and

Garrison Keillor, creator of the

mythical Lake Wobegon, Minn., in

the foreword to his latest book,

all those lovely summer nights were lost. The night train to Chicago was taken off, another broken romance, and all the little truck farms around the Twin Cities disappeared that sold fresh tomatoes, squash, and sweet corn at roadside stands or off the tailgate of a truck. Immense shopping malls sprang up in their place like fungus on the grass. One Christmas, after I wrote a book, I stood autographing copies of it for six hours at a chain store in the Ridgedale complex, as large and bewildering as an Air Force base, and felt its peculiar dementia, low and steadily throbbing from fluorescent lights, air conditioners, and electronic systems including synthesized violins playing homogenous hymns to the anesthetized people, and knew that some-

where we had gone wrong. . . .

By Don Nelson

"Life is complicated and not for the timid. It's an experience that when it's done, it will take us a while to get over it. We'll look back on all the good things we surrendered in favor of deadly trash and wish we had returned and reclaimed them. We may sit in a cool corner of hell and wish we had kept the ballpark, built the shops elsewhere, and not killed off all

those cornfields." Don't you know the St. Louis Cardinals wish those Minnesotans had kept the old ballpark, too?

How many people owe their lives to those who devised the stronger-than-steel fabric webbing that's used in seat belts? Have you ever heard of a seat belt ripping during a collision?

Halloween can be a fun time!

The employees at the First State Bank proved that with all the decorated pumpkis, the Halloween tree, and a serving table loaded with "goodies," popcorn, Halloween candy and "witches brew." They kept the "Gambler" in the basement. I hope you were able to see this work of art.

Another fun time was the Halloween Carnival at the Expo Saturday night, sponsored by the Kiwanis Club. They had several booths including food, bingo, basketball, ring toss, cake walk, roping and a

Senior Citizens

Ralph Lambright was elected president of the Castro County Senior Citizens Center. His term will begin Jan. 1, 1988. He succeeds Andy Schumacher who has been president for the last four years. Edith Graef was elected vice-president/secretary. Cleo Forson was elected treasurer. Re-elected to the board of directors were Nell Newton and Arthur Oakley.

The Castro County Senior Citizens Center is located at Third and Jones and is open Monday through Friday from 9 a.m. top 4 p.m. Quilting, crafts and table games are daily activities. The Domino Center is also open daily. A nutritious meal, open to the general public, is served daily from 11:30 a.m. to 1

Bridge is played on Thursday, Friday, and Wednesday at 10 a.m. Duplicate Bridge is played on Monday evenings at 7:30 p.m.

There is a noontime Bible study every Monday.

The Livingston Hearing Aid representative will be at the Center on Tuesday, Nov. 10, from 10 a.m. to

There is an evening of table games every Tuesday at 6:30 p.m.

Membership in the Center is open to everyone who is 50 years of age or older without discrimination as to sex, color, race, ethnic background, national origin, religion, denominational preference, political party, economic status, or

MONDAY — Pork chops, sweet potatoes, beets, salad, bread, tea, coffee and dessert.

TUESDAY — Barbecue beef tips, potato salad, brown beans, salad, com bread, tea, coffee and

WEDNESDAY - Oven fried chicken, potatoes and gravy, English peas, salad, bread, coffee and dessert.

THURSDAY - Meat loaf, macaroni and cheese, green beans, salad, bread, tea, coffee and dessert.

FRIDAY - Chicken strips, potatoes and gravy, corn, salad, bread, tea, coffee and dessert.

DYH to meet

Dimmitt Young Homemakers will hear a program by the American Cancer Society tonight (Thursday) at 7 p.m.

The program will be held in the Home Economics room at Dimmitt High School. A babysitter will be provided.

wet sponge throw.

Kids and a few adults were dressed as clowns, skeletons, vampires, devils, fairies, a bubble gum machine, pumpkins, a bumble bee, raisins, karate kids, rabbits, punk rockers, Madonna and her husband who was just released from jail.

Herminia Salinas was dressed as the evil witch and her children were dressed as a queen, pirate and joker. The Wright kids were dressed as Donald Duck, Huey, and Duey. Many hours were spent in making all these costumes. There were several Halloween yard displays.

The Easter Lions Club sponsors a Halloween Spook House at the Easter Community Building every year. The Easter 4-H Club sponsors a Halloween carnival on Saturday night. They have food booths and games including LIONS and the prizes are furnished by businesses in Hereford and Dimmitt and the proceeds go to several needy organizations including the Girls Town at Whiteface. The guests are transported from the Community Building to the Spook House in a hearse. They go through a maze upstairs, then downstairs. All Lions Club members are responsible for decorating eachh room. About 1,200 people attended this fun Halloween celebration.

Rachel Young from Denison has been visiting her sons and their families for two weeks. She stayed with Richard, Colletta, Alice and Molly Young in Dimmitt, and then went to Littlefield to visit George Young and his family. Both sons are choir directors in First Baptist Churches in Dimmitt and Little-

New Hib vaccine protects children

New availablility at local health departments of a vaccine against a common childhood bacterial infection may spare thousands of Texas toddlers serious illness or death, according to Texas Dept. of Health officials.

The vaccine, currently being distributed by the Texas Department of Health (TDH), effectively combats Haemophilus influenzae type b (Hib). The bacteria is a leading cause of bacterial disease in U.S. children and the most common cause of bacterial meningitis.

About 20,000 Hib infections, mostly of young children, are reported in the U.S. annually. And about one in every 200 children will have some Hib infection before his fifth year. Hib often leads to meningitis, which can cause retardation, blindness, deafness, and

Tests of the Hib polysaccaride vaccine show that it is safe and effective against Hib infection in tions, as well as pneumonia and children 24 months through 5 years old. Infants less than 18 months The children most at risk of appear not to be fully protected by the vaccine.

According to Robert D. Crider, director of the TDH Immunization Division, the Hib vaccine is "one of the safest vaccines available for children, in terms of the risk of adverse reactions. If children have any reaction to the vaccine, it is only mild."

Not only is the vaccine safe, it is also relatively inexpensive, for use by private physicians. Local health clinics are being supplies with more than 209,000 doses statewide, through combined state and federal purchases from the manufacturer. Qualified health clinic clients can have children immunized without charge.

"With this distribution," Crider said, "we hope to immunize the majority of 2-year-olds in Texas." Family physicians and pediatricians will manage their own patients. But TDH supplies are meant to reach the youngest, most "at-risk" children in the 24 month age group for whom the vaccine is effective.

TDH is urging all parents of children, ages 24 to 35 months or with chronic conditions, to inquire at their local health department or family physician's office for local details about the vaccine. Unlike some other vaccines, Hib immunization is not required by law, and must be specifically requested.

LEGAL NOTICE

The Dimmitt Board of Adjustment is scheduled to conduct a public hearing on November 12, 1987 at 7 p.m. in the Aldermen's Chambers at the City Hall, to discuss and consider a variance of Section 14-21 of the City Code for Juan Trevino, who plans to construct a carport, 1001 W. Allen which will be located within the 5 ft. "No Construction" zone and extending into the City street right of way, as established by section 14-21 of the City Code. Persons wishing to make comments both for or against this request for a variance may attend the public hearing or they may review the petition for a hearing at the office of the Building Inspector between the hours of 8 a.m. to 5 p.m. Monday through Friday. The Dimmitt Board of Adjustment does exercise all rights and privileges as established by article 1011g of the Vernons Civil Statutes.

JAMES KILLOUGH BUILDING INSPECTOR CITY OF DIMMITT

NOTICE OF FILING OF PERMIT APPLICATION FOR SOLID WASTE SITE

THE CITY OF DIMMITT has filed Application No. 445-A with the Texas Department of Health for an amendment of its permit number 445 by adding 57.862 acres to the west side of the existing 12.0-acre Type II municipal solid waste disposal site located approximately 1.0 mile northeast of the intersection of State Highway 86 and U.S. Highway 385, 0.5 mile east of U.S. Highway 385 in Castro County.

The application covers approximately 69,-862 acres of land and seeks to amend a permit to receive solid wastes under the regulatory jurisdiction of the Department for disposal or other processing in accordance with the said Department's Municipal Solid Waste Management Regulations. A technical review of the application is being made by the Department's Division of Solid Waste Management and various State and

Maid of Cotton entry deadline set

women who want an opportunity to be the 1988 Maid of Cotton.

Deadline for submitting applications to the National Cotton Council is Monday, Nov. 9. The 50th Maid of Cotton selection is scheduled Dec. 26-28 in Dallas.

U. S. cotton industry, the new Maid will travel across the country and around the world. She will speak to

Time is running out for young civic groups, take part in charity

the Council. Mrs. Scot Brewster, As goodwill ambassador for the who was 1980 Maid of Cotton Melissa Mock and now resides in Salt Lake City, will chair the panel.

Bullock says sales may reflect stock drops

sales would be the first indicator that the stock market's drop is affecting the Texas economy, according to State Comptroller Bob Bullock.

"A slowdown in consumer spending will tell us that the fallout from the problems of the stock market has hit home," Bullock said.

Taxable retail sales in the fourth quarter last year in Texas totaled more than \$16.3 billion. Sales are expected to grow slightly this year to about \$16.9 billion.

Bullock said any lack of confidence in the economy that translates into a steep drop in retail sales could spell trouble for the state's budget.

"About 50 percent of all tax revenue comes from the state sales tax and a slump in sales will naturally drag down sales tax collections," he said.

Bullock's latest revenue estimate predicts moderate economic growth in Texas in the next two years.

This mildly - optimistic forecast comes on the heels of a couple of years of declining economic activi-

He said his economists are

events, and participate in fashion shows throughout the Cotton Belt. She also will call on government leaders in Washington and in countries she will visit on her overseas tour.

Four of the five judges for the selection were announced today by Also named to the judging panel

> think twice before going out and buying a car, house, or anything." He added that in the long run, the conservative attitude could throw the country into a recession.

Many economic forecasters also feel the shock the crash brought on is likely to make people save more and spend less, and they feel that could be the ticket to helping the United States to rebuild its sagging economy in the long run.

"The Federal Reserve has pumped money into the banking system to help make people be able to spend more money, causing the prime lending rate to come down," Annen said. The interest rate Tuesday had dropped to 9%.

Annen also said that calls to his office have been unusually high lately and people who would never have though of bothering with the market before are now calling to check on what the market is doing.

Courtney and Powell wed in formal evening ceremony

Melissa K. Courtney and Robert Shan Powell recited their wedding vows Oct. 23 at 7 p.m. in the Tom Bean Church of Christ.

Rev. A.C. Quinn, pastor, officiated at the formal, double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Robert N. Courtney of Tom Bean. Powell is the son of Larry and Linda Powell of Tom Bean and is a former Dimmitt resident.

Floral arrangements featuring yellow and white gladiolas decorated the altars. Spiral candelabras were placed beside the altars and yellow and white bows marked the

Musicians Sharon Roberts of Howe and Rick Lee of Sherman performed Lady, If You Say My Eyes are Beautiful and Always.

Given in marriage by her parents, the bride chose a designer wedding gown of white charmouse satin and Schiffli beaded lace. The gown was created with a sweetheart neckline edged in Schiffle lace highlighted with sprinkles of pearls and sequins. The long sleeves were made of English net and featured beaded lace motifs and a modified bishop satin pouf at the shoulders. The straight, fitted skirt was fashioned of satin and featured Schiffli lace insets. A detachable cathedral-length train was attached to the back waistline of the gown with a white satin bow. The hemline of the gown was edged with Schiffli lace motifs.

She wore a hat trimmed in lace and accented with pearls and a long veil of bridal illusion.

The bridal bouquet was a cascading arrangement of yellow and white gladioas accented with roses and other small flowers. Babies breath, white ribbons and greenery accented the arrangement.

Maid of honor was Teresa Reynolds of Tom Bean. Lauri Putt and Jana Powell, both of Tom Bean, were bridesmaids.

Each attendant wore gowns of yellow taffeta trimmed with white. They carried nosegays of little

people."

Hospital staff praises duo for delivering years of TLC

For almost three decades Mitzie Brockman and Omega Johnson have walked the floors of Plains Memorial Hospital in Dimmitt, delivering compassionate care to the paients there.

The two received a little "thank you" in return for their many years of service last Thursday when the hospital board, staff, doctors and auxiliary members honored them with a surprise luncheon at the hospital's main dining room.

"We just wanted to show our appreciation for all their years of service," said Vicki Buckley, director of nursing at PMH. "The county is very fortunate to have two compassionate and good nurses here. They really care about the people walking through these doors."

Brockman, a registered nurse, has served the hospital for 30 years, starting in November, 1957. She is now operating room and recovery room supervisor and also teaches short programs in the Continuing Education program through Amarillo College. Brockman has also taught in the LVN program at Amarillo College for three years.

When starting out, Brockman didn't plan on being a nurse, but once she got a taste of it, she was hooked

"I wanted to be an airline stewardess, and at that time, you had to have a nursing degree to become a stewardess," recalled Brockman.

She entered St. Paul's School of Nursing in Dallas and was lost to the nursing profession from then on. "Once I got to St. Paul's I just loved it and I knew I wanted to become a nurse," she said.

Plains Memorial Hospital was not her first nursing experience. She began her career at St. Mary's of the Plains Hospital in Lubbock and later worked at Spohn Hospital in Corpus Christi before starting at PMH in 1957.

"When I was young and fresh out of school, Mrs. Mac (Ettie McDermitt) was my true teacher and inspiration," Brockman revealed. "She took me under her wing and got me started in central supply and

Johnson started with the hospital 25 years ago as a nurse's aide. She worked in central supply for several years and finally took surgical technician courses in 1966. She became certified in 1968 and is the hospital's main operating room scrub technician.

"I had never worked anywhere before I started here," Johnson said. "I took the surgical technician's raining course from a man who came here to the hospital in 1966 and I've worked on the floor, in surgery and in central supply ever since."

Johnson revealed that she has never thought of working anywhere else because Dimmitt is her home and because "once I got started, I really enjoyed it

"You have to give a lot of your life and a lot of your time to this profession," Johnson commented. "It's worth it, though. You get to know a lot of people. Mitzie and I have seen a lot of people come and go through the years-doctors, nurses, patients.

"There is a lot of work involved in nursing, but it is very rewarding," Johnson said. "We've had a lot of fun times and some sad times. There are always good times when you are around so many wonderful

For Brockman, "knowing the people I'm taking care of is one reason I have stayed here for so long. The service in a small hospital like ours is friendly

MITZIE BROCKMAN ... Compassionate nursing care for 30 years.

OMEGA JOHNSON ... 25 years of giving to her fellow man

Through the years it's been wonderful here," she said. "the RNs, LVNs and nurse's aides here provide good nursing care that is second to none."

"We've had a wonderful situation here. We have a lot of patient contact and we get to work in everything - obstetrics, surgery, recovery and emergency. It's really neat and it's one thing I really love about this hospital," Brockman stated.

"We cannot express how much we appreciate them for the examples they have shown to us and for all the love and care and concern they show to the community," Buckley said.

"We hope they have 30 more years!"

Winners announced in drug awareness contest

PMHA sets bazaar

The winners of the "HealthMart HealthSmart" drug awareness contest for area school children have been named by the contest judges.

In the drawing contest for grades 1 - 3, Erika Vaquera took first place, Colby McDaniel took second third place.

Juan Flores, 2nd place, and Scott Stahl, 3rd place. Honorable mention went to Stacy Stahl. "Congratulations to our winners

and thanks to all who participated," said Garland Coleman, owner of Coleman Pharmacy which sponsored the contest. "We are overwhelmed at the response of the children and the community to our contest. Every entry reflects Dimmitt's genuine concern about the nation's drug problem. This contest demonstrates how much education about drugs can accomplish."

The winning entries were chosen by a panel of three judges from the community. The judges reviewed all entries and chose the winners on the basis of originality, execution and insight into the issue of drug awareness.

Nurse thanks people for wonderful years at PMH

How pleasantly "SHOCKED" I was last Thursday when the Hospital Board, Hospital Auxiliary, medical staff and hospital employees from all departments honored Omega Johnson and myself for years of employment at Plains Memorial Hospital. No words can express my appreciation

However, I want to take this opportunity to thank all of the people who have supported and used our local hospital through the years. I thank you for the priviledge of caring for you as patients at Plains Memorial

Next, I want to express my deep admiration for the many, many aides and licensed vocational nurses who have given excellent and Christian nursing care to so many. I know I speak for all of the professional nurses in voicing this statement, "We could not do without you!"

God Love You All!

Mr. and Mrs. Cranford make new home in Lubbock

Mr. and Mrs. Richard Earl Cranford have established their new home in Lubbock following their Sept. 19 wedding.

The bride is the former Sonya Ka Andrews, daughter of John and Brenda Truitt of Dallas. The groom is the son of Bob and Betty Cranford of Plainview.

An evening ceremony at the Trinity Church Chaple united the pair in marriage with Jayson Knox of Austin, officiating.

The bride wore a formal-length white wedding gown designed with a fitted bodice. The bodice was created with a sheer net overlay and insets of re-embroidered lace. The long sleeves gathered mid-way to her elbows to create a pouf at her shoulders. The rest of the sleeves were fitted and were made of sheer net with lace insets that formed petal points over her wrists. The front of the full skirt was edged in lace trim and the back of the gown featured ruffles and lace which flowerd into a cathedral - length train.

She wore a long tiered veil of bridal illusion which was gathered on the side of her head with flow-

Salt air, the beating of heavy waves, and rains . . . these are just a few of the elements that a ship must face constantly. With all of these things, it is little wonder that the crew must be alert, looking for rust and other damage. New paint to protect the ship must be applied regularly.

An individual faces many things in this world, that would rust and corrupt his life, therefore it is good to begin each week with a renewing of spirit, that can be obtained only through worship in the Lord's house.

Glen Wilson attended the funeral services of Ernest Venable of Olton in Littlefield Monday afternoon. Venable was the father of Shirley Brooks of Hart, a neighbor of Glenn and LaWanda Wilson, LaWanda and Shirley are cousins by marriage. LaWana was unable to attend the funeral because she was staying in Lubbock with her daughter Glenda, who was very ill with a virus, and her grandson, Jazz.

Euless and Hazel Waggoner became great - grandparents again Thursday when another boy was born to Andy and Kyla Hancock of Abilene. He was named Bryan Andrew. His brother is James Colby. Hazel went down to Abilene Friday with Winston and Judy and stayed until Sunday with them. They attended the ACU Homecoming, visited with Jesse and Frances and family and Quint Waggoner and family. It was the first time Hazel had seen Tyler, Quint's six month old son.

Kelly Quisenberry was elected Extension Officer for the newly formed Beta Beta Psi Chapter at Earth Monday night. She and Danny took Slade (Batman) and Ashley (a pumpkin) trick-or-treating Saturday and to the Earth Carnival.

A trace of rain was received

Happy Anniversary

[Compiled from the Community Birthday Calendars sponsored by the Castro County Extension Homemakers, the Nazareth Swift Band and the Hart Band.]

NOVEMBER 5-Charles and Kathy Sammann, Don and Patricia Elliott.

NOVEMBER 6 — Jimmy F. and Joyce Davis.

NOVEMBER 7-Stanley and Rhonda Dyer, Robert and Sandie Ward, Ernest and Marie Sammann.

NOVEMBER 8 — Clay and Mildred Anderson.

NOVEMBER 10 - Mr. and Mrs. Eusebio Robledo, Jr., Clifford and Kim Braddock, Dale and Mona Brockman.

NOVEMBER 11 - J.C. and Jocelyn Pohlmeier, Frank and Lisa Aleman.

Friday afternoon. Another trace was received Sunday night.

Embree Roy and Willie Mae Sadler and Lillian Carson returned home from Richardson last Sunday night. Cindy Clatt had fallen and broken her arm.

R. V. and Bess Bills returned home Wednesday from a fishing trip and visit with relatives at Wichita Falls, Klondike, and Clarksville. They caught some fish, and probably would have caught more had it not rained most of the time they were there.

Lance and Terri Loudder took Lacy (Dorothy from The Wizard of Oz), Jake (the cowardly lion) and Katy (a martian from outer space) trick-or-treating in the community, to Zella Mae Rutherford's house in Earth, and to Roxie and Dwayne Loudder's house at Flagg. They also went to the Easter Carnival and Spook House.

Stacy and Geremy Norman came home with Sharon, Laura and Matt from Richardson Monday since the classes she wanted to attend on bank tellers will not start for two weeks. They took Matt and Geremy to a Halloween Party at the New Covenant Church in Muleshoe Saturday night.

Bro. Bentley Gwynn offered his letter of resignation as pastor to the church Sunday morning effective Nov. 10 to become the pastor of the First Baptist Church of Loop near Seagraves. He brought the Bible Study for the Dimmitt Ministerial Alliance last Tuesday.

Christi Gwyn, Robin and Jonathan Bridges and Holly Gwyn brought the special music for the Sunday morning service. The video tape on "aging" in Charles Swindol's series, "Strengthening Your Grip", was shown Sunday night.

Embree Roy and Willie Mae Sadler visited in Amarillo Thursday with Floy and Holmes Posey of

By Teeny Bowden 647-5703

Emma Jean King helped man the Eastern Star Booth at the Halloween Carnival in Dimmitt Saturday night. They had a food booth and sponsored a cake walk. Billie went to Earth to visit with Marshall, Lance and Lincoln. Kaye was in San Antonio Thursday through Sunday at a Wayland sponsored history meeting.

Marshall and Kaye were in Dallas last week Wednesday through Sunday for an Eastern Star Conference. Lance and Lincoln stayed with Billie and Emma Jean, and they got them to school and back each day with no problems.

Laura and Susan Waggoner were on the Dimmitt Jr. High "A" honor roll for the first six weeks period.

Carrie Sadler called home from Hawaii and was homesick. She said it was just 52 days until she would be home. Larry and Stacy had both called her on her birthday Oct. 15 and Sharon had called her Oct. 14th and wh was so homesick she could hardly talk to them then. Her next assignment is supposed to be Phoenix, so she is looking forward to being closer to home for that six months.

Nazareth romps over Claude, 37-6

It didn't take Nazareth long to figure out Claude's defense and put points on the scoreboard Friday night in Nazareth.

The clock showed 11:20 in the second period when the Swifts crossed the goal line for the fourth time to take a 28-0 lead over the Mustangs.

With the 37-6 thrashing of Claude, Nazareth improved its record to 8-1 overall and 3-1 in District 1-A South Zone play.

The Swifts had already scored on every possession in the first quarter and had run only 19 offensive plays when they went ahead 28-0.

"We played good for the first 14 minutes and built up a 28-0 lead," said Rex Minshew, Nazareth mentor. "The kids relaxed after that and weren't playing good football. When you play a team that is weaker, you tend to drop down to their level of play and I think that's what happened."

The Swifts held Claude to four downs on each drive in the first

back for a -19 yards offense and no first downs, but Claude came back in the second period to gain 65

The first quarter kickoff was pushed back for 30 minutes because of a problem with stadium lights, so Claude fielded the kickoff at 8 p.m.

After three offensive plays, Claude was forced to punt. Nazareth quarterback Chris Schmucker took the kick and raced 50 yards before he was brought down inside Mustang territory on the 19.

With 3:15 expired off the clock, Chris Schmucker connected with end Brad Hoelting for a 7-yard scoring strike. Heath Schulte kicked the point-after to give the Swifts a 7-0 lead.

The Swifts took to the air again for their second TD.

Chris Schmucker and Cory Hoelting got together for a 26-yard play and Schulte kicked the PAT

quarter and forced the Mustangs that gave Nazareth a 14-0 lead halfway through the opening per-

> Tailback Gregg Gerber, who gained 96 yards on 12 carries to lead Nazareth's rushing attack, worked for Nazareth's third TD in the first quarter, gaining all but four yards of the 54-yard drive. He started off the drive with an 18yard run, then hauled in a screen pass from Chris Schmucker and picked up another 25 yards. Brian Schmucker moved the ball to the Claude 7-yard line with a 4-yard run, then Gerber capped off the drive by barreling into the end zone. Schulte added the PAT for a 21-0 first quarter lead with 2:43

40 seconds into the second period, Nazareth struck again. Brad Hoelting caught a 29-yard pass to move the ball to the Mustang 2, then Brian Schmucker snuck over for the TD. Schulte's fourth extrapoint try sailed through the uprights for a 28-0 Nazareth lead.

HE'S COMING AT YOU 60!-Nazareth's Brad Hoelting (88) grits his teeth and prepares to make his way into the end zone Friday night in Nazareth. Hoelting beats Mustang defenders Michael Kelley (30) and Brad Holland (66), but is

forced to take on Claude's John McSmith (60) after catching a Chris Schmucker pass, but he still wins the battle and finds his way into the end zone for Nazareth's first score of the game. The Swifts went on to take a 37-6 victory.

Hart loses to S-E, 27-12

Hart had a devil of a time stopping Springlake - Earth's Gary Spencer as he tore through the Longhorn defense for 139 yards and a touchdown on 21 carries on the night before Halloween at Longhorn Field.

The Wolverines unearthed their bag of "tricks and treats" against the Longhorns, compiling 364 host team to just 187 yards for a Birch booted the PAT for a 14-6 S-27-12 District 3-AA victory.

Hart took an early lead in the game, concluding a 44-yard drive in eight plays when Larry Brown went in from the 1 with 3:18 left in the first quarter.

The Horns couldn't keep the

With 4:41 remaining in the third period, Donald Spencer raced eight yards for another S-E touchdown. Birch's point-after was good and the lead increased to 21-6.

Gary Spencer added the extra sparkle to the Wolverine party when he rambled 27 yards for a TD to add six more points to S-E's

Hart added one more touchdown in the game late in the final period. Longhorn quarterback Rey Velasquez found Cody Myrick behind Wolverine defenders for a 34-yard gain all the way to the Wolverine 4. Velasquez ran around the right end for a touchdown and ended the scoring with 2:24 left in the game.

"We didn't play very well at all," said Hart Head Coach Mark Stroebel. "We played pretty well in the first half and I thought we'd do alright, but then they threw the 62yard touchdown and we went down from there."

Claude picked up its first first down on its next possession and drove all the way to Nazareth's 22, but the defense was able to stall the drive. Nazareth's second-team offense

took over, but couldn't get on track and were forced to punt.

The teams traded punts for the remainder of the half.

The second half flew by with just 21 plays run the entire half.

Early in the third quarter after a Claude player was injured, Mustang Head Coach Bruce Yeager met with Minshew and the officials and a "continuous clock" was put into effect. For the remainder of the game, the clock would not be stopped except for a team time-out or change of quarter.

"We had talked about it during the week and decided to start the continuous clock if the game was getting out of hand," Minshew said.

Claude's only scoring effort came with 3:30 left in the third stanza. Starting at their own 37, the Mustangs marched to the goal line in six plays. Michael Kelley broke through several tackles and picked up 37 yards to the Swift 25-yard line. Three plays later, end Gary Holland and quarterback Landon Landry teamed for a 31-yard touchdown. The kick failed and Claude had to settle for six points.

Gerber took off again on the Swifts next possession, which began at the Claude 42. He picked up eight yards down to the 34, then Brad Hoelting gained eight additional yards from a pass reception. It's Gerber's turn again and he races all the way to the end zonewell almost. The ball was marked inside the 1-yard line. A five yard

Scoring summary First Quarter:

8:45: N-Brad Hoelting 7 pass from Chris Schmucker (Heath Schulte kick)

6:28: N-Cory Hoelting 26 pass from Chris Schmucker (Schulte 2:43: N - Gregg Gerber 7 run

(Schulte kick) Second quarter: 11:20: N-Brian Schmucker 2 run

(Schulte kick) Third quarter: 3:30 C-Gary Holland 31 pass from Landon Landry (kick failed)

Fourth quarter: N-Gerber 1 run (Schulte kick) 2:50: N—Safety

penalty moved Nazareth back to the 6, then Gerber took off again. He made it all the way to the the 1yard line again. The third time proved to be the charm, however. Gerber pushed his way into the end zone from the 1 on the next play and Schulte's PAT put Nazareth up

Claude ran three plays, but lost five yards which brought up a fourth - and - 15 situation from its own 19. As Landry got the snap and prepared to punt the pigskin, Nazareth tackle Tommy Cobb flew through the air and blocked the kick. Cobb and Landry battled for possession of the loose ball until Cobb dropped Landry in the end zone for a safety and a 37-6 lead with 2:50 left in the game.

"I've really got to give Claude a lot of credit. They don't have a lot of depth with just 13 or 14 guys, but they came out and played us pretty good," Minshew added.

Swifts shoot for playoff berth

Swifts when they travel to Happy Friday night for the final regularseason game in District 1-A South.

The team that wins will go into the playoffs. For the loser, the season will be over.

The Cowboys are ranked 21st in the state, while the Swifts are ranked 28th. Happy, with a homefield advantage, is favored by a slim two-point margin by the Harris Rating System.

Meanwhile, Dimmitt's Bobcats will host Muleshoe and Hart's Longhorns will travel to Hale Center to close out their 1987 football seasons. Both of the local teams will be the underdogs.

Nazareth at Happy

"This is for all the marbles. It's do or die Friday night," according to Nazareth Head Coach Rex Minshew.

It's all boiling down to the final game. Nazareth and Happy are tied for second in District 1-A South Zone play and the winner will advance to the state playoffs. Both teams stand at 3-1 on the year, both

It's "do or die" for Nazareth's losing a loop contest to Vega, who has already clinched first place in the district.

Minshew knows his team is going to have to put out a superb effort to defeat Happy's Cowboys in Happy Friday night, but he is confident that the Swifts can come through with the win.

Happy relies heavily on the speed of its backfield, including junior halfback Jesse Sosa (5-9, 160) and sophomore fullback Guy Coile (5-8, 175.)

Happy will run out of the wishbone and according to Minshew, "they have a very versified offensive attack. They'll run powers, traps and just mix it up."

The Cowboys will operate with Mary Middleton, 6-2, 165 junior quarterback at the helm. "Middleton throws the ball well when they can give him to time to do it," Minshew said.

They've got a good, quick backfield. The line is big and opens up good holes," Minshew said.

All-state tackle Chris Cogburn is Happy's big man in the trenches, tipping the scales at 5-11, 260. He will be joined by tackle and alldistrict defensive end Rowdy Bryan

(6-1, 220) and Jose Fernandez, ada, then Tulia, Friona and Floydabacker (5-10, 180).

"Rowdy Bryan is a very, very good defensive end,"Minshew revealed. "Happy runs a 4-3 on defense and the secondary has great speed. They've got most of the guys from the backfield in the secondary including Middleton and Sosa. I don't know how they'll react to a team that throws the ball as much as we do, because they haven't played anybody who really throws a lot," he added.

"We are going to have to do the things that got us here," Minshew said. Hopefully everything will click for us."

Muleshoe at Dimmitt

The Bobcats and Mules will fight it out Friday night to see which team ends up in the district

Muleshoe has the better record, 4-5 to Dimmitt's 2-7, but both teams are winless against the excellent squads that make up the top division of District 2-AAA.

(The district race is still just as close as it was predicted to be before the season started. If Littlefield defeats Tulia as expected Friday night, and Friona upsets the oddsmakers with a win over Floyd-

offensive guard and all-district line- da would end up in a three-way tie for second with 3-2 records, and a coin flip would determine the playoff team. A Floydada victory over Friona would send the Whirlwinds into the playoffs - unless Tulia were to upset Littlefield.)

Muleshoe started the season with a 35-12 win over Olton, then lost by 7-13 to Boys Ranch. The Mules followed with three straight shutout victories — 28-0 over Hart, 39-0 over Springlake - Earth and 28 - 0 over Lockney - but times have been hard for the Mules since. In district play, they've lost to Friona by 17-27, to Floydada by 7-29, to Littlefield by 0-29, and to Tulia by 20-26.

But the Mules haven't been

"They played Littlefield tough, it was 14-0 at the half, and they only lost to Tulia by six," Bobcat Coach Clifford Smith noted.

Muleshoe attacks out of multiple-I formations. On defense, the Mules use a basic 5-2 but give it multiple looks, sometimes bringing all three linebackers up into the

"They're average sized except for Michael Dunham (205-lb. running back)," Smith reported. "They have a real strong-armed quarterback in Johnny Garcia (160-lb.

senior). Daniel Olivas (170-lb. ju- Troy Valdivia (6-0, 190) and Sky nior wingback) has pretty good Bizzell (6-3, 210) working from speed. They like to run behind their tackle. right tackle, who weighs 223."

Hart at Hale Center

The Hart Longhorns will wind up their season Friday night against the Hale Center Owls, who are fighting for a playoff spot.

"Hale Center is about average size - they are probably a little bigger than we are," said Hart Coach Mark Stroebel. "They haven't done anything really spectacular this year, but they have beaten a few teams."

Hale Center runs a veer-type offense, with Jamie Garibay (5-8, 155) guiding the reigns from his quarterback position. Garibay passed for 725 yards and five touchdowns for the Owls last season and according to Stroebel, he is "their best athlete."

Garibay's main target is secondteam all-district wide receiver Keith Roden (6-3, 170). Tim Silva (5-5, 140) is also a strong offensive weapon for the owls, combining for 900 yards rushing and receiving last year.

In the offensive line, Bert Hooks (5-10, 165) and Victor Herrera (5-8, 210) will line up at guard, with

Defensively, the Owls will line up in a 5-2 formation and 27.

Police calls

A 1981 Honda three - wheeler valued at \$500 was taken from the Wade Maynard residence at 717 Cleveland Oct. 29.

According to reports, the thieves entered the residence through the west window leading to the bathroom. They traveled through the house to the garage, causing \$100 dollars in damages, and took the three-wheeler.

A Dimmitt man was arrested early Sunday morning on charges of disorderly conduct.

Carol Ivy Smith of Earth was cited for failure to yield the right of way when the 1981 1210 Datsun she was driving collided with a 1982 Chevrolet Silverado pickup, driven by Marcelino Mareno of Dimmitt.

A hit and run accident Oct. 24 left a 1977 Gold Continental Mark IV with light damage.

Itonaga lifts JV Cats over New Deal

He did it again!

Masatoma Itonago, Dimmitt High School's American Field Service exchange student kicked an extra point after Leo Castro scored on a 42-yard run with 7:07 left in the second period and his kick proved to be the difference in a victory for the JV Bobcats last Thursday.

Friona scored in the final stanza and went for the two point conversion and the lead, but the JV's defense stood strong and held the Chieftains to post a narrow victory.

"We had a good drive going in the third and got two holding penalties in a row. The down marker man got confused and I thought that it was fourth-and-two, but it was third-and-two. We tried a 26yard field goal, going for 10-0, but 7:30 p.m.

the kick was blocked," said Dimmitt Coach George Rasor. "I don't know if we'd have scored, but we wasted a down there."

Oscar Velasquez marked his third 100+ game out of the last four with 105 yards on 23 carries to spark the JV's 221-yard offensive performance. Castro picked up 50 and Dimmitt's only touchdown on four attempts. and Bary Hill's 12 totes accounted for 37 yards.

Josh Gonzalez caught both of Dimmitt's - pass completions, good for 28 yards. Rasor said "Gonzalez' receptions were super catches, right on the sidelines. It was a great effort just to catch them."

The JV Bobcats will conclude their season tonight (Thursday) at Muleshoe. Kickoff time is set for

New Deal snaps Freshmen win streak

The New Deal Tigers snapped Bobcats finally got into the game. the Dimmitt Freshmen Bobcats eight - game winning streak last Thursday with a 16-8 victory in a game that was scheduled last week after Friona's freshmen canceled their game with Dimmitt.

The first half was wrapped up by the Tigers, as they racked up 140 yards rushing to Dimmitt's 44. New Deal's defense shut out the Bobcats in the first 24 minutes of the game and New Deal took a 16-0 lead at half-time.

Dimmitt returned the favor in the second half, shutting out the Tigers and allowing them just 26 yards rushing, but it was a little to late.

The Tigers struck early, posting a 16-yard touchdown run in the opening period. New Deal jumped to an 8-0 lead

in the second period after registering a safety. On the final play in the half, a reversed run fooled the Bobcat defense and the Tigers added another six points to their lead. They also

sion and a 16-0 lead. In the second half, the Freshmen

snuck in for the two-point conver-

Dimmitt's first and only scoring play came in the third quarter. John Ortegon gained 11 yards to set up the touchdown. Henry Rocha broke through the Tiger defense for the TD, then Freddy Martinez completed a pass to Scott Acker for the two-point conversion, but it was all the Freshmen would get.

Martinez was accurate on six of 21 passes for 62 yards in the game to lead the Bobcat offense. Miguel Ontiveros caught three passes while Rocha, Acker and Daniel Espinosa each caught one.

Rocha was the backbone of Dimmitt's ground attack, picking up 51 yards on 13 carries. Ontiveros added 34 yard on nine carries and Ortegon rushed five times for an additional 27 yards.

In the field, power means productivity. And that's where a **MAGNUM** tractor delivers.

At the heart of every new MAGNUM tractor you'll find the most advanced diesel-powered engine available today.

In fact, our all-new 505 cubic inch engines have over 8% more displacement than Deere's 466 cubic inch engine. What's more, these engines meet or exceed all SAE

J 1349 performance standards. Same for government and industry mandated emission standards worldwide.

A tilt-up hood provides easy service access. And the MAGNUM tractor engine design simplifies service with 25% fewer parts.

New engines, new cab and a new 18-speed full powershift transmission in four all-new tractors from Case IH.

See us for more information about these new 130-195 PTO hp tractors.

MAGNUM means more.

HAYS IMPLEMENT COMPANY

Hwy. 385 & FM 3215, Dimmitt 647-2151

Well, yeah, Friona won the game as expected, 28-9. But you could look at it this way: Dimmitt won the third quarter, 9-0, and would have won the second half, 16-7, if Friona hadn't intercepted a fourthquarter pass in the end zone.

The Chieftains, who are battling for a chance at a coin flip in the playoff race, ran up a 21-0 halftime lead behind the running and passing of quarterback Daniel Echols.

Friona started the second half by giving Dimmitt a two-point safety on a high snap that rolled out of the end zone, then the Bobcats scored their lone TD later in the third on a pass from Mat Bradley to Rick Zimmer.

After the Chieftains scored their only second-half TD in the fourth,

Scoring Summary

First quarter: F - Ben Osborn, 4 run (kick

failed), 8:00 F-Cody Burney, 5 pass from Daniel Echols (Echols run), 0:23

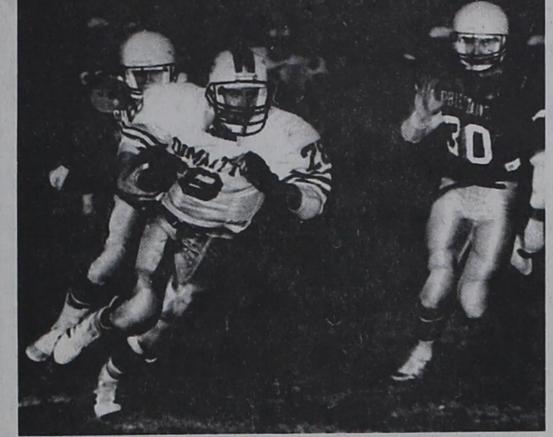

F-Echols, 9 run (Burney kick),

D-Safety, 6:30

D-Rick Zimmer, 6 pass from Mat Bradley (Jim Nelson kick), 3:13

F-Osborn, 6 run (Burney kick),

Records: Dimmitt 2-7, 0-4; Friona 7-2, 2-2

KEVIN PETTY returns the ball 24 yards after intercepting a Friona pass at the Dimmitt 40-yard line in the third quarter of Friday night's District 2-AAA game at Friona. Petty also was Dimmitt's leading rusher with 47 yards on nine carries. Friona won the game, 28-9.

the Bobcats drove to the Friona 1, only to have the opportunity squelched by an interception in the end zone.

The victory hiked Friona's record to 7-2 for the season and 2-2 in District 2-AAA play. Dimmitt fell to 2-7 and 0-4.

The Chieftains molded a 55yard, seven-play scoring drive on their first possession. The Bobcat defense had them facing third-andnine and got a hand on an Echols pass near the Dimmitt 20, only to have Friona's Terry Widner juggle the ball twice and control it at the 15. From there, Ben Osborn gained 11 yards, then scored from four yards out with four minutes gone in the game. A bad snap foiled the point-after kick attempt.

Then the game got a little wild.

found a seam outside and ran in for the two-pointer to hike the hosts' lead to 14-0 with 23 seconds remaining in the first quarter.

The next time they got their hands on the ball, the Chieftains drove 72 yards in 13 plays. From the Dimmitt 9, Echols ran an option-right, picked up a couple of clearing blocks and weaved through the Bobcat defense untouched for the third score. Burney kicked the extra point to make it 21-0 with 3:53 remaining in the second period.

The Bobcats came alive in the second half. Kevin Petty intercepted an Ellis pass and returned it 24 yards to the Friona 36, and three plays later, Jim Nelson punted the Chieftains into trouble at their own 5. The Bobcat defense held, forcing Friona's first punt, and collected two points when the snap sailed

over the punter's head and out of the end zone.

Two minutes later, Kelly Howell recovered a fumble at the Friona 9, and on second down Bradley connected with Zimmer on a six-yard touchdown pass. Nelson added the extra point to cut Friona's lead to

Early in the fourth, the Bobcat defense forced Echols out of the pocket as he looked for a receiver on third-and-five at the Friona 36. But the speedy quarterback broke away and raced 49 yards to the Dimmitt 16 to set up the Chieftains' final TD. Osborn ran it in four plays later from the 6-yard line, and Burney kicked the extra point to make it 28-9 with 7:11 remaining.

After a Friona interception and another Chieftain fumble - their fifth of the night — quarterback

Clay Lytle guided the Bobcats on a 64-yard drive. Petty reeled off a 16yard run, Davis followed with a 24yard sprint and Lytle connected with Jason Griffith on a 14-yard pass play to advance the ball to the Friona 16. From there, Lytle drilled a pass to Bradley, who made a beautiful catch at the 1-yard line on a crossing pattern.

November 5, 1987

On first-and-goal, the Bobcats went to the air again, only to see Friona's Mickey Pena mess things up with an end-zone interception.

"It was the same play we had scored on earlier," Coach Clifford Smith said. "We had had a lot more success passing against them than running-especially in the second half-and we had confidence in that play. Also, a pass would kill the clock, give us a little more time,

(Continued on Page 16)

Second quarter: Third quarter:

Fourth quarter:

After an eight - play Dimmitt drive stalled at the Friona 44, punter Jim Nelson got a high snap and kicked a desperate low-liner which Friona's Stephen Thornton returned all the way-80 yards. However, a clipping penalty nullified the TD and put the Chieftains at the Dim-

> mitt 34. The Tribe fumbled on first down, and Rodrigo Jackson pounced on it for Dimmitt. But on the Bobcats' first down, Echols intercepted a long Bradley pass at the Friona 33 and returned it 37 yards to the Dimmitt 30, giving the Chieftains a four-yard profit on the two turnov-

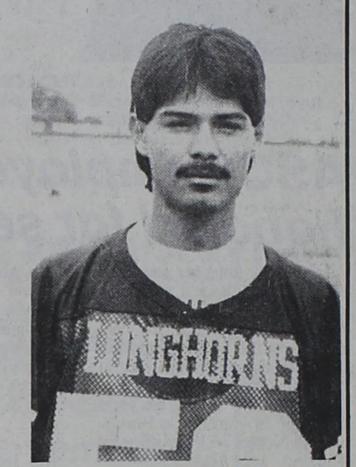

From there, Friona punched to the Dimmitt 6 in three plays, but the Bobcat defense—paced by Rick Zimmer and Chad Davis-stopped the Chieftains' running game cold. Echols went to the air on third-andgoal from the 5, and found Cody Burney in the end zone for the score. The Chieftains came back with another pass play on the conversion attempt. Dimmitt's defenders pressured Echols out of the pocket, but the speedy quarterback

Eighth Bobcats tie; seventh graders win

The Dimmitt eighth allowed Friona to score with :13 left in the game and had to settle for a 14-14 tie with the Chieftains last Thursday night in Friona, while the seventh graders scored in the fourth quarter to win their first game of the season.

The eighth graders stand at 6-0-1 on the year while the seventh graders record improves to 1-5-1.

Dimmitt 8th

The eighth graders held a 14-8 lead after two quarters of play and held that lead until the final seconds of the game.

With the help of two Dimmitt penalties, Friona marched its way down the field and scored the tying touchdown with :13 left. The Dimmitt team wasn't going to be defeated and held the Chieftains on the two-point conversion attempt.

Dimmitt took an early 6-0 lead in the first quarter when Billy Ray

Thomas scored from six yards out. Friona went ahead later in the stanza with a TD and two-point

Both teams were quiet in the second period, and Friona took its 8-6 lead into the locker at halftime.

Dimmit marched out in the third period and scored on an 18-yard Armando Arce run. Chris Cowan added the point-after attempt and Dimmitt took the lead once again, but it wouldn't stand up through the final period.

"I knew we had to be at least one touchdown better than they were if we wanted to win the game," said Dimmitt Coach Lyman Schroeder. "It's always pretty good."

"We were penalized heavily and Friona had just two flags thrown on them. We had them stopped on the Spearman will provide the toughest

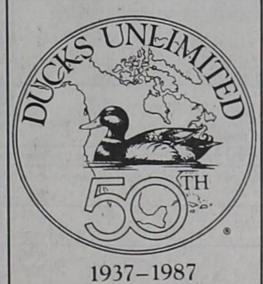

last drive twice, but penalties kept

them alive," said Schroeder. Dimmitt 7th

> Jaime Salinas scored from two yards out in the final period to lift the seventh grade Bobcats to their first victory of the season, a 6-0 win over Friona in Friona.

> The junior high teams will host Muleshoe tonight (Thursday) starting at 5:30 p.m. at Bobcat Stadium in the final game of the year.

> According to Schroeder, if the eighth grade Cats can win tonight's matchup, they "will be the first junior high team to go undefeated for two years in a row in the history of Dimmitt Middle School."

OUTSTANDING ASCS SERVICE AWARDS
... Ruth Hackleman (left) for 33 years and Mary Lou Rountree
(right) for 29 years.

ASCS employees honored for service

Mary Lou Rountree and Ruth Hackleman of Dimmitt have been recognized by the Texas State Agricultural Stabilization and Conservation office for their outstanding performance as employees in the Castro County ASCS Office.

Rountree has served the local office for 29 years, while Hackleman has worked with the office for 33 years.

The awards were presented by Jerry D. Harris of Lamesa who serves and chairman of the fivemember Texas State ASCS Committee.

Bivens to announce Senate intentions

Teal Bivins, a rancher and cattleman from Amarillo, plans to announce his intentions regarding the District 31 State Senate seat in Dimmitt Friday, Nov. 6, at 12 noon at K-Bobs.

The public is invited to a Dutchtreat lunch to meet Mr. Bivins.

"Teal will be in Hereford, Littlefield, Plainview and Dimmitt on Thursday anf Friday discussing the State Senate race," according to Mrs. Clark, Castro County Republican Chairman. "Do come out and get acquainted here on Friday," she added. "The ASCS administers the federal farm programs," said Harris.

"This task has been great and demanding on our county offices. We are proud of Mary Lou Rountree and Ruth Hackleman and their contributions to ASCS in the past

The local ASCS office announced that Pat Guy, director of the district covering Swisher, Castro, Parmer, Deaf Smith, Lamb, Bailey, Cochran, and Hockley counties, will be leaving for Austin.

The district will now be divided into a north a south district and new new district director for Castro County will be John Fuston of Hereford.

Castro County will be included in the new district along with Bailey, Lamb, Parmer, Swisher, Briscoe, Deaf Smith, Randall and Oldham counties.

Local cotton gins are 'distinguished'

Three local gins were among 745 that processed 3,568,692 bales of cotton during the 1986-87 crop year and have received the distinguished service award from the Cotton Board.

The North Gin of Dimmitt, Inc., Hart Producers Coop Gin and Dodd Gin Company, all located in Castro County, were presented the award, which is given to gins with grower participation levels above 80% in the cotton research and promotion program.

"Consumer demand for cotton is were first-time recipients.

higher today than it has been in 15 years, proving that cotton's self-help program is obviously one that works," says Cotton Board chairman Tommy Funk. "These gins, and the growers they serve, have done a tremendous service for the cotton industry with their outstanding support for Cotton Incorporated."

The gins that received a support rate above 80% represent approximately 1/3 of all gins across the cotton belt. Of the 745 gins, 238 were first-time recipients.

Nov. 19 meeting deals with farm bill

A meeting to inform Castro County producers about the New Conservation Provisions of the 1985 Farm bill, will be held at the Dimmitt City Hall on Nov. 19 at 7 p.m.

Dr. Bill Harris, Extension Soils Specialist from Texas A&M University, College Station, will discuss the implications of the new conservation provision on conser-

LEGAL TITLE OF BANK

vation compliance, sodbuster and swampbuster programs.

A panel discussion will conclude the program with the local ASCS and SCS personell giving local impact on these situations.

This program is jointly sponsored by Castro County Chapter of WIFE and the Executive Committee of the Extension Program Building Committee.

Locals plow through new trucking regulations

The trucking industry of Hereford and the farm-related industries of Hereford are sponsoring a meeting Thursday, Nov. 19, at 9:30 a.m. at the Hereford Community Center.

The purpose of the meeting is to explain the new Federal Motor Carrier Safety Regulations adopted by the last session of the Texas Legislature. The new regulations will go into effect Jan. 1, 1988.

Representatives from the Dept. of Public Safety License and Weight Service from Lubbock will be on hand to go over the regulations.

Those attending will need a copy of the Federal Motor Carrier Regulations, which can be obtained from the Hereford Chamber of Commerce.

The new regualtions deal with many subjects such as driver logs and hours of service, medical cards and driver qualifications.

There will be no charge for the meeting unless funds are needed to pay for the community center. All affected persons are urged to at-

Taxpayers may have to choose between IRA and pension plans

IRAs or qualified pension plans?

The Tax Reform Act of 1986 may force many taxpayers to decide between these two popular retirement planning tools, according to experts with the American Society of CLU and ChFC.

Edwin P. Morrow, CLU, explained that only those who earn less than \$25,000 for single taxpayers and \$40,000 for joint filers can deduct IRA contributions up to \$2,000.

Those who earn more must decide between an IRA deduction and active participation in their company's qualified pension plan.

For most people, the decision will be to remain the the qualified pension plans, which include profit sharing. Keogh and 401(k) plans.

"Others may decide to use their IRAs as a long-term, high interest savings option," said Morrow. "The contributions won't be deductible, but the interest will be tax-deffered until retirement."

Regardless of the choice of tax-deferred retirement plans, taxpayers will face new, tighter rules for distribution and early withdra-

"There is a 10% excise tax on withdrawals made prior to age 59 1/2," said Andrew J. Fair, an attorney specializing in pension planning.

"But there are exceptions to this rule that business owners should review with a financial services professional."

The act has also made major changes in the

tax treatment of distributions made under qualified plans, said Fair. The biggest change is the replacement of 10-year averaging with less

Fair also warned anyone who may be think-

Highly compensated employees will face additional concerns, according to Edward A Stoeber, another tax expert for the American

The requirements for qualified plans, he cautioned, will be tightened beginning in 1989, so the plans do not favor "highly compensated exmployees," defined as anyone who owns 5% of a firm and earns more than \$50,000, but is in the top 20%, or who is an officer earning

"The trend is going to be away from qualified plans for these executives and we'll see the use of supplemental non-qualified executive retirement plans to offset those losses," predicted Stoeber.

The experts all agree that streamlining the tax brackets has smoothed away some favorite deductions. But any taxpayer can prosper under the act by making the right choice with the aid of a chartered life underwriter or chartered financial consultant.

TWD seeks approval of bond sale

Texas Water Development Board today in Austin, Board members authorized the Development Fund Manager, Sue Clabaugh, to proceed with steps necessary to sell \$55 million in Texas Water Development Bonds.

Proceeds from the bond sale will be used to fund the Board's Water Supply Account from which lowinterest loans for water supply projects are made.

This sale will leave only \$25,-

Social Security in Castro County By TERRY J. CLEMENTS

People in the local area suffering from permanent kidney failure should know that Medicare health insurance is available for those who need a kidney transplant or regualr kidney dialysis.

A person who has permanent kidney failure can get Medicare if he or she has worked long enough to be insured under Social Security, already gets Social Security benefits or is the spouse or child of someone who has worked long enough under Social Security.

Medicare coverage generally begins with the third month after the month the person starts getting dialysis treatments.

Coverage can also begin in the first month of a course of dialysis if the person takes in an approved self-dialysis training program and the person expects to self-dialyze after the course.

Coverage can also begin the month the person is admitted to an approved hospital for a kidney transplant if the transplant takes place within 3 months.

Medicare generally ends 12 months after the month a person no longer needs maintenance dialysis or 36 months following a kidney transplant.

For more information about Medicare coverage for people with permanent kidney failure you may contact us at 1401-B West 5th street, or call us at 293 - 9623. Appointments can be arranged if

At the monthly meeting of the 000,000 Texas Water Development Bonds authorized but unissued of the \$190 million authorized in November 1985 for the Water Supply

> The Development Fund Manager was seeking Board approval for the \$55 million in order to meet demands for Water Supply Account financial assistance over the next six to twelve months. Issuance of the remaining \$25,000,000 as a taxexempt private activity issue is proposed for December.

According to Texas Water Development Board Chairman Louie Welch, today's approval for sale of the remaining bond authorization for the Water Development Account serves to point out the critical need for voters to approve Constitutional Amendment No. 23 in the Nov. 3rd general election.

"We have already identified water supply and wastewater treatment facility construction needs far beyond the bonding authorization that will result from passage of Amendment No. 23. We cannot afford to be shortsighted about the infrastructure needs of our state if we intend to maintain an environment in Texas that will be conducive to attracting new industires that can put the Texas economy back on its feet," Welch said.

LIQUID FEED

- * Professionally blended LOCALLY to suit your needs.
- * Reduces your labor.
- Increases calving percentages.
- * Increases weaning weights (meat and bone, not fat).
- * Gives better herd health than you ever thought possible.
- * One of the best feeding program investments you will ever make.
- * For control of wheat pasture bloat.

Court hears four plead guilty

The 242nd District Court heard guiltly pleas from four people in recent sessions, and the District Grand Jury handed down three indictments.

Wiley Ray White, 33, of Dimmitt entered a plea of guilty to the charge of hindering a secured creditor and was placed on ten years felony probation Thursday by visiting District Judge Wesley Gulley.

Judge Gulley ordered restitution totalling \$12,108.36 and probation and reporting fees and court costs totalling \$3,733.00 from White, who was indicted in 242nd District Court for sale of cattle without accounting for the proceeds of the sale or paying the money to a local financial institution which had loaned money on the cattle.

In a related matter, White also waived trial by jury on another pending charge involving cattle in the 242nd District Court. Evidence will be offered to the District Court later this month on that pending charge.

Florencia Castaneda, 32, of Dimmitt pleaded guilty before Judge Marvin Marshall in 242nd District Court in the Sept. 15, 1986 damage to brine tanks and water lines at the Dimmitt Western Foods Products plant.

Castaneda was placed on ten years felony probation, ordered to secure employment and pay restitution of \$8,746.40 plus \$4,483.00 in

fines, court costs and probation fees.

J. R. Monreal, 24, of Earth, was fined \$500, plus Court Costs of \$133 and \$360 in reporting fees and placed on probation for one year after pleading guilty to forgery by making involving a forged check passed to a Dimmitt business during June. Testimony indicated that restitution of \$125 had already been paid to the local business.

Wanda Lou Ward, 26, of Dimmitt, was placed on three years felony probation in 64th District Court by Judge Jack Miller after Ward pleaded guilty to tampering with governmental records by accepting welfare benefits during periods of unreported earnings.

Ward was ordered to pay \$1,293 for restitution of the welfare benefits and a returned check previously filed in the County Court. She was additionally ordered to pay \$1,213 in Court Costs and reporting fees. The Court order also imposed disqualification from further welfare benefits.

The 242nd District Court Grand Jury handed down three indictments Oct. 22.

Kevin Earl Reed, 18, of Dimmitt, was indicted for burglary of a habitation and burglary of a vehicle.

David Earl Ward, 17, of Dimmitt, was indicted for attempted burglary of a habitation.

Adam Lopez, 19, of Dimmitt, was indicted for aggravated assault.

gum. Since I was out on the highway where nobody would step on it, I figured that was a good place. Because of the side wind, I couldn't toss it out of the driver's - side window or I would have gotten it right back-probably in my ear or collar. So I leaned across as far as my seat belt would let me, and tossed it out of the open window, hoping it wouldn't stick to the door or the body. It didn't. It stuck to the

I decided to tough it out and not panic. Prying that blob of gum off the window later, from the outside, would be a lot safer than playing contortionist in a vehicle moving along the highway at an average speed for our corner of the world.

But just as I was thinking these thoughts, the gum decided to let go.

Now this particular gum was Wrigley's sugar-free Extra brand, spearmint flavored, which is light

green in color, which I wish they wouldn't do. There's only one advantage to light-green chewing gum-you can see it easily from a distance. I'm not sure how much of an advantage that is.

Anyway, when it dropped from the window, I glanced into the rearview mirror. Maybe I wanted to make sure of the final resting place of my left-over chew. Or maybe I was hoping a crow would grab it. It would serve him right.

Just as I glanced back through the rear-view mirror, I saw this little green ball bounce a good six feet into the air after it hit the So you can take it from me: used

chewing gum (green gum, at least) will bounce when it's dropped onto a highway at an average speed for our corner of the world.

I thought you'd like to know
