

It's a Bargain

Voters seldom have an opportunity to endorse a public bond issue without hiking their taxes.

But Castro Countians will have that opportunity Saturday, when they vote on a \$135,000 bond issue to enlarge Plains Memorial Hospital.

Directors of the county-wide hospital district propose to add a 20-bed wing and complete laundry to Plains Memorial, and to remodel part of the existing building to provide more specialized services. Total cost of the project would be \$270,000.

IF WE VOTE to stand good for half the project's cost, \$135,000, the hospital board could then apply for — and get — federal matching funds through the Hill-Burton Act to pay the rest of the construction bill. This is a standard (and usually necessary) procedure for public hospitals today.

But now another money source is coming into play in this expansion project. It's the federally sponsored health service program for migrant workers. This program, which started in Castro County last week and is now in the final stages of authorization, would set up a \$20,000-a-year fund here to help pay for impoverished workers' hospitalization. It's a provision that Congress considers equitable for hospitals in "impacted" areas.

According to Hospital Administrator Don Newman, this fund will enable Plains Memorial to recover losses that previously had to be paid by taxpayers' money. As a result, the new fund will probably enable the Plains Memorial Hospital district to add the new wing with little or no increase in its tax rate.

This isn't a guarantee, but it's a reasonable assumption at this point. And even if this new fund didn't materialize, the proposed wing would cost property owners only nine cents per \$100 assessed valuation. Either way, it's a bargain.

DIRECTORS OF the hospital have recommended this expansion for two main reasons. First is the initiation of Medicare, which is forcing hospital expansions throughout the country. Second is the county's current population growth rate.

In recommending the expansion, the hospital board hasn't counted any unhatched eggs. It has taken a realistic look at the current occupancy rate of Plains Memorial, and the need that will exist before the year is out.

The American Hospital Association has a formula for determining when a hospital is too crowded. When 85 percent of a hospital's beds are occupied most of the time, the ASA says, the hospital has reached the "critical" stage and no longer has the necessary reserve space to handle an epidemic or disaster.

IN THE LAST six months of 1966, Plains Memorial Hospital's occupancy rate averaged 82 percent. In January, the average was 84 percent. And for seven days last month, every bed in the hospital was filled and extra cots had to be set up in the hallways.

Where would this situation leave us if a disaster such as the Sunnyside tornado of 1961 were to strike?

The physicians who use Plains Memorial Hospital have endorsed this bond issue. The Hospital Auxiliary ladies who serve there daily have endorsed it. The Chamber of Commerce has endorsed it. The News endorses it.

But your endorsement is the one that counts the most. Please give it with your vote Saturday.

Play Park Group Slates Meeting

The Castro County Recreation Association will hold its organizational meeting next Thursday at 7:30 p.m. in Dimmitt High School auditorium.

THE MEETING was called Wednesday by the steering committee.

Sweetheart Ball To Be Saturday

The Ladies Auxiliary of VFW Post 8056 will hold a public dinner and Sweetheart Ball at the post home Saturday.

All proceeds will go to the relief fund to aid veterans and their families.

An oyster and shrimp dinner will be served at 6:30.

Woody McDermitt of Hereford will play for the Sweetheart Ball from 9 p.m. until 1 a.m.

Admission will be \$5 per couple. Mittee in a mail notice to all members.

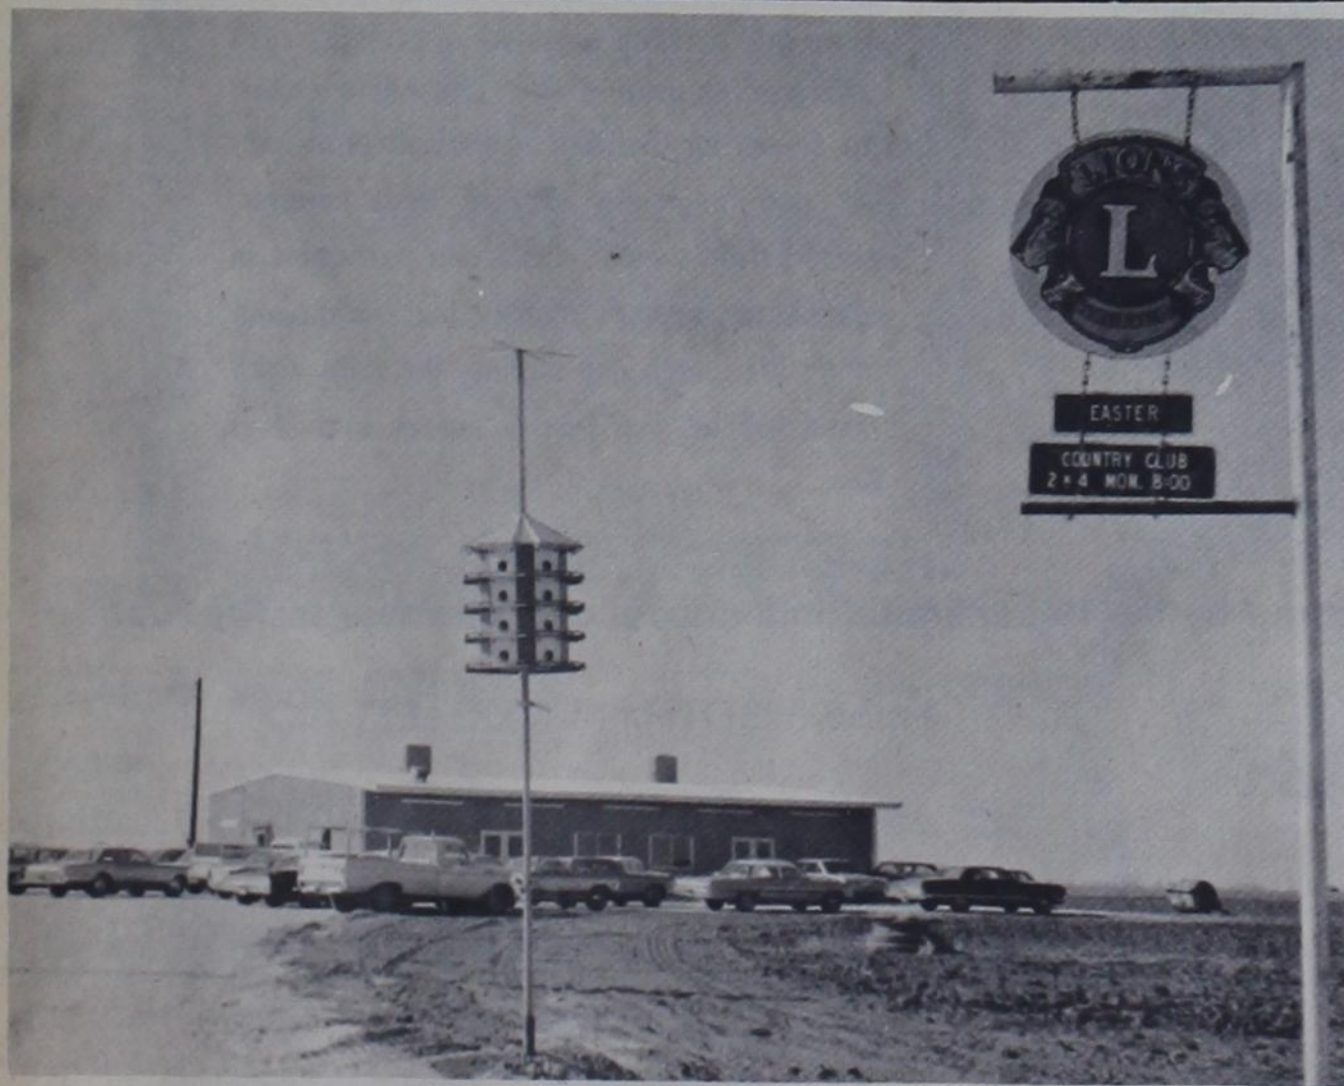

These who have signed up as charter members of the association will organize, adopt by-laws, elect a board of directors and hear a report on incorporation proceedings.

More than 300 residents here paid \$100 charter membership dues to give the association a \$30,000 initial fund. These 300 are the ones who will meet and vote next Thursday night.

The association's plan to build a huge recreation center here materialized last month when the Farmers Home Administration tentatively approved a loan of \$267,220 for construction.

AFTER NEXT Thursday night's organizational meeting, the association will be ready to incorporate and call for bids on the project. The recreation center is expected to be ready for use later this year.

"It is imperative that as many members as possible be present" at the organizational meeting, steering committee members said.

EASTER'S LIONS drew more than a hundred visitors from Dimmitt, Hereford and Friona Sunday afternoon at the open house of their new community building. The \$27,000 steel building includes an audi-

itorium, stage and kitchen, and is paneled throughout. In center foreground is one of the purple martin birdhouses club members sold to help earn money to build the new community building.

OPEN HOUSE at Easter's new Lions Club Community Building became an affair for all ages Sunday as these tykes picked up the beat of "Sweet Georgia Brown" and started a session of their own while their less active elders enjoyed coffee and cookies.

Issue Goes to Voters

"Shall the Board of Directors be authorized to issue \$135,000 in bonds..."

THAT'S THE question the county's propertyowning voters will answer Saturday as they mark ballots at eight polling places on the proposed addition of a 20-bed wing and laundry for Plains Memorial Hospital.

The proposed plan would enlarge the 2½-year-old Plains Memorial to a 50-bed hospital with extra space for offices, classroom and storage. It would also allow for remodeling part of the existing hospital to add an intensive care unit, family waiting room and formula room.

The hospital board estimates the project's complete cost at \$270,000, and intends to apply for federal Hill-Burton funds for the other \$135,000.

DON NEWMAN, hospital administrator, said the local share of the cost will probably be offset by a new health service program for migrant workers here.

The \$70,000-a-year federal program includes a \$20,000 hospitalization fund, which Newman said "is just as good as a nine-cent tax increase as far as the hospital is concerned" because it will pay bad debts that now are being paid from tax funds.

Although the local program has already been approved in Washington, the funds haven't yet been released.

"ONCE THE administrative details have been worked out, the project will receive these additional funds," Newman said this week. "This program will materially affect hospital finances during 1967 and years thereafter. It is my opinion that they will increase in taxes necessary for the current bond issue will be temporary rather than permanent."

Before the migrant aid program gave a new complexion to the expansion project, hospital directors estimated that the 20-bed annex would require the district tax rate to be hiked nine cents, to 39 cents per \$100 assessed valuation. This rate hike would allow the bonds

to be paid off in 13 years, directors said.

Newman estimated the nine-cent hike would cost the average homeowner less than \$1.50 per year, and would mean \$4 a year on a fully irrigated half-section of land.

But with the funding of the migrants' health service here, Newman said, at least part — and perhaps all — of the expected tax hike would be erased.

Saturday's ballot will bear the two choices:

"FOR the issuance of \$135,000 bonds."

"AGAINST the issuance of \$135,000 bonds."

The voter must indicate his stand by marking out one of the choices.

Polls will be open from 7 a.m. to 7 p.m.

To save costs on the election, hospital directors cut the county's usual 15 voting precincts into eight, combining as many as six precincts into one. (See "Where to Vote," this page.)

ALTHOUGH Castro voters have knocked down bond proposals in 1-2-3 order in the last two years, apparently no active opposition to the hospital bond issue has crystallized. The proposal has received endorsements from the hospital medical staff, Hospital Auxiliary and Castro County Chamber of Commerce.

Normal growth and the advent of Medicare have teamed up to make the new 20-bed wing necessary, Newman said.

"Plains Memorial Hospital is growing," he stated. "Use of local facilities was more than doubled in the 2½ years since the new plant was opened. This growth is the result of both an increase in local population and a greater use by local citizens of the facility."

HE SAID the growth is reflected "in all departments."

"In 1964, when the new plant was opened, the hospital employed a part-time technician in the laboratory and X-ray departments. It now has two full-time technicians. This same kind of comparison could be made in all hospital departments," he said.

Also, the hospital has added a Licensed Vocational Nurses School in an effort to solve its own personnel shortage problem. The accredited one-year school is conducted by Mrs. Mary Baldridge, R.N. The new annex would include a classroom for this school.

BROCKMAN CHECKS STUBBLE MULCH DEPTH ... On his award-winning farm near Nazareth

Jerome Brockman Gains '66 Conservation Title

Jerome Brockman, who farms southwest of Nazareth, was named the Conservation Farmer of the Year for 1966 in an announcement by Wade Mills, chairman of the Running Water Soil Conservation District.

BROCKMAN was cited for his outstanding job of conservation on the land that he farms even though all of the land he operates is leased.

He was recognized for the development and application of a complete basic conservation plan on two quartersections that belong to M. C. Dobmeier and Mrs. Wilma Cryder.

His conservation practices have included:

— **PASTURE** Planting on steep lands susceptible to erosion under continuous cultivation.

— Installation of irrigation pipelines and land leveling necessary to install a Conservation Irrigation System.

— Use of a planned cropping system to maintain and improve soil fertility.

— Crop residue management program to improve organic matter and protect land from wind and water erosion.

— Installation of a tailwater recovery system.

BROCKMAN'S first thoughts of changing his operation to its present status came after attending a Soil Conservation District tour in the Sunnyside community in 1952. The theme of that tour was land use conversion and establishment of permanent irrigated pastures.

After the tour, Brockman discussed his ideas with Mrs. Cryder, then enlisted the aid of the local work unit of the Soil Conservation

Service that assists the Running Water Soil Conservation District. With their help, he developed a basic conservation plan. He then entered into a Great Plains Conservation Program contract to secure needed cost-sharing assistance for its application.

IMMEDIATELY after this, Brockman agreed to follow the same pattern on his land. Today, Brockman is nearing the completion of his plans.

The land use changes, along with the recurring management practices, have helped to stabilize his farming operations.

In addition, he is helping to maintain and improve land that is not his.

The results — better and longer farming — and happy landlords.

'Follies' Set For Feb. 23-24

Feb. 23 and 24 have been set as the dates for the 1967 Lions Club Follies.

THE NIGHTS are a Thursday and Friday. Show Director Kathleen Burrus set the dates this week so they wouldn't conflict with the regional Class AA basketball tournament.

Mrs. Burrus said this year's musical variety show will use the "Show Boat" theme and will include 22 acts of singing, dancing, pantomime and comedy sketches.

One of the show's highlights will be a pantomime of the Supremes by Chet Braaffladt, Paul Hilburn and James Bradford. In another comedy revue that's expected to produce some hilarious surprises, several Dimmitt businessmen will be led or thrown back into the nursery.

ALSO IN the Follies line-up will be the Southern Belles, a bevy of beauties in ante-bellum attire; Skip Skinner's rock-and-roll combo; a barbershop quartet singing a pair of old favorites; and a variety of dance acts.

Crop Sign-Ups Get Underway

Sign-ups for the 1967 cotton, feed grain and wheat programs got under way Monday at the county ASCS office and will continue through March 3.

"This is a shorter sign-up period than in prior years, so please come in early if you intend to participate in these voluntary annual programs for 1967," County Office Manager Charley Hill urged Castro farmers.

AUTOMATION, believe it or not, is expected to delay the advance payments for diverted acres this year, Hill said.

The new automated payment system, he explained, "requires the drafts to be prepared on a special typewriter — and we have been provided with only one such typewriter."

He said the advance payments equal to one-half of the computed price support payment for feed grains will be initiated at sign-up time at the farmer's request.

Participating farmers will again be expected to measure and certify to the acres of wheat, feed grains, cotton and diverted acres on their farms. A measurement service is available at a fee through the ASCS office for farmers who do not wish to measure their own acreage.

MARCH 15 is the deadline for requesting the measuring service on wheat acreage, and is also the final date for requesting pre-measurement for 1967 cotton, feed grains and diverted acres, Hill said.

Dimmitt Wheat Growers, Inc., confirmed Tuesday that Miles Laboratories has backed out of a proposed partnership in a giant grain mill here. But the local co-op said it still intends to build the plant.

IN A LETTER to DWG stockholders Tuesday, Secretary and General Manager Aaron T. Isaacs said:

"Most of you know that Union Starch and Refining Co. sold out to Miles Laboratories some three months ago. This sale caused some delay in Union's decision to continue with Dimmitt in our wet milling operation.

"Miles Laboratories through Union Starch Co. has advised us that due to the acquisition of Union by Miles, our arrangement with Union would be contrary to the way Miles does business, so they do not wish to proceed with Dimmitt.

"We have therefore divorced ourselves completely from Miles Laboratories and Union Starch Co."

"WE ARE NOW putting into effect alternate plans and are hoping for very little delay in getting underway with the overall project.

"We think this decision is to the best interest of our stockholders.

"We will advise you as we progress on the alternate plan."

Isaacs said the alternate plan is one of several that DWG officials have had in mind throughout the project's planning stages, in case an agreement couldn't be reached with Union Starch and Refining Co.

BUT HE SAID he couldn't elaborate on the new plant at this point, except to say that "it is devised to build the plant and put it into operation."

Negotiations on a working partnership between Dimmitt Wheat Growers and Union Starch & Refining Co. were at the final contract stage when the Indiana firm merged with Miles three months ago. The Dimmitt co-op was to build the plant and Union was to manage it and market its products. Money to build the giant wet milling operation had already been committed by banks in Houston and New York.

Isaacs said officials of Miles Laboratories considered the proposed plant to be an attractive venture, but said it simply didn't fit into the giant pharmaceutical firm's operations.

WHEN MILES Laboratories violated an extended deadline on negotiations, Isaacs said, Dimmitt Wheat Growers directors decided to divorce the New York firm and go ahead with their alternate plan to build the plant and put it into operation here.

Co-op Speech Contest Opens

All expense paid trips to the nation's capitol city will be awarded to winners of an oratorical contest was announced this week by Leo Forrest, manager of Deaf Smith County Electric Cooperative, Inc.

THE THIRD ANNUAL contest is open to any boy or girl at least 16 years of age but not 18 years of age prior to Sept. 1, 1967, Forrest said. Winners will join winners of similar contests sponsored by other electric cooperatives across Texas on the third annual Texas Electric Cooperatives Government-In-Action Youth Tour to Washington, D.C. All expenses of the 13-day trip beginning June 8 will be paid by Deaf Smith County Electric Cooperative.

So far, 20 Dimmitt High School students have entered the contest. Each entrant will be required to give a 5 to 8 minute talk on the subject "My Future in Rural Texas" and answer 10 or more of 50 questions asked by the judges.

The oratorical contest will be judged on knowledge of subject — speaking ability — poise — personality and appearance.

Interested young people may obtain an official entry blank from their school or the offices of Deaf Smith County Electric Cooperative. The deadline for submitting entries will be February 17, 1967, Mr. Forrest said.

Doctors Back Hospital Plan

The physicians who make up Plains Memorial Hospital's medical staff endorsed the \$135,000 hospital bond issue in a public statement this week.

Their statement: **"ON SATURDAY,** Feb. 11, county voters will have an opportunity to express their opinion on an issue that is important to every citizen of the county. We have a fine hospital plant, but it is too small for present needs. It also leaves inadequate margin to care for emergencies that occasionally happen in all communities.

"We, the members of the Plains Memorial Hospital staff, urge your support of this issue."

Bible Thoughts

"THE DIVINE CREED"

By Ronnie Parker

The night before his death, Jesus prayed, "Neither for these only do I pray, but for them also that believe on me through their word; that they may be one; even as thou, Father, art in me, and I in thee, that the world may believe that thou didst send me." John 17:20-21. Before there can be the unity that Jesus prayed for, His followers must use only one creed. A creed is what one believes; it is a summary of the articles of one's religious faith.

Religious denominations present to the world a babel of creeds and dogmas. With malice toward none, we plead that all human creeds obscure the light of God's book, the Bible. Disciplines, Confessions of Faith, Prayer books, and manuals of church doctrine divide religious groups instead of uniting them. Since they are not written by the inspiration of God, human creeds must be constantly changed. The Bible should be our only creed for God is its author.

"Men spoke from God, being moved by the Holy Spirit" (II Pet. 1:21) and they have furnished scripture inspired of God that will furnish us "completely unto every good work." (II Tim. 3:17). "Receive with meekness the implanted word, which is able to save your souls." (James 1:21).

Labeled for PROTECTION

Some medicines may be taken internally; others are for external use only; therefore labels caution us as to their proper use. These precautions are for our own protection and good.

All things in life are not so clearly marked as to their proper use. The Bible is our source and guide, our label.

Thy word is a lamp unto my feet, and a light unto my path.

Psalm 119, 105

ATTEND CHURCH, STUDY GOD'S WORD

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Bobbies Get Revenge In 48-32 Win Friday

Dimmitt's Bobbies gained sweet revenge Friday night when they grabbed a quick lead, then slowly and deliberately snuffed out the Hale Center Owlettes' flame, 48-32.

Three weeks ago, the Owlettes had used a stalling game to gain a 42-36 victory here, virtually knocking the Bobbies from the district title race.

FRIDAY NIGHT, Coach Van Kountz's Bobbies didn't give the Hale Center girls a chance to start their stalling tactics. They jumped to a four-point lead and kept the pressure on the Owlettes throughout the contest.

In the third period they went into a stall, forced the Owlette guards to come after the ball, and converted the resulting foul shots into 12 points on 13 attempts. Allan Webb hit 10 for 10 from the charity line in this quarter, was 18 for 20 on free throws during the night, and led the scoring with 24 points. Scoring partner Debra Summers racked up 18 points and freshman Ruth Dyer added six.

THE VICTORY left the Bobbies with a 3-2 record in the second half of the conference race, in fourth place behind Abernathy, Floydada and Friona. The race

for the district championship is now between the top three teams, with the Bobbies out of the running.

Quitaque Kids To Play Here

In a St. Valentine's Day bonus game, Dimmitt's Bobcats will host Class B powerhouses Quitaque Tuesday at 7:30 p.m. in North Gym.

The Quitaque whiz kids have averaged a tremendous 105 points per game in their conference bouts, and lead their district with a shiny 28-2 overall record.

"**WE WANTED** a chance to play these boys, and it ought to be a good scrap," Bobcat Coach Kenneth Cleveland said.

Visit in Okla. Mr. and Mrs. E. A. Barker, Sharon and Pam visited their parents, Mr. and Mrs. Jack Lamm in Sayre, Okla., and Mrs. Ida Barker in Erick, Okla., and with other relatives over the weekend.

Teams to Travel To Friona Friday

The Bobcats and Bobbies will travel to Friona Friday night to close out the regular season against their toughest District 3-AA competition.

FRIONA'S Chieftains were second only to Dimmitt in the first half of the conference race, and are now tied for second in the final round-robin.

The Friona Squaws won the first half title in the girls' race and have a good chance to capture the second half title and clinch the district championship. They're locked in a race to the wire with Abernathy and Floydada at present.

Dimmitt teams played their final home conference games of the season Tuesday when Olton visited. However, the 3-AA champion Cats have a post-conference bout against Quitaque before going into the sudden-death playoffs.

Here for Wedding Mrs. Blanche Schlosser of Tulsa visited Mrs. Lavonia Carruth recently and attended the wedding of Jean Hammonds and Jerry Blackwell. Mrs. Schlosser, who taught in Dimmitt schools from 1949 to 1954, was Blackwell's first grade teacher.

Bobcats Capture 3-AA Title In 61-57 Thriller Over Owls

Dimmitt's high-riding Bobcats clinched the District 3-AA championship Friday night in their closest conference win of the year — a 61-57 cliff-hanger over Hale Center.

THEY HAD to come from behind to notch the victory, but Coach Kenneth Cleveland's Cats proved their staying power as they posted six points in the final minute to snare the victory from the Owls.

John Howell and Ronnie Kenmore sank crucial baskets and Tommy Stafford contributed a pair of charity tosses to pull the Cats from behind and give them their last-minute victory. Howell was the top scorer for the night, finishing with 23 points. Stafford netted 16, Kenmore followed with 12 and Billy Glidewell posted 8. The Bobcats started out handily enough, earning a 20-14 lead in the first quarter and holding a 32-28 advantage at halftime. But in the third quarter the roof almost fell in as the Owls spurred to a six-

point lead. **DIMMITT'S** notorious "theft ring" was a major factor in the title-clinching victory. Tailing the Owls by six points in the third, the Cats pulled off three steals and converted them in rapid order to tie the score at 42-all going into the final frame.

The fourth period was a see-saw battle until Howell saw a much-needed basket to give the Bobcats a 57-56 lead with a minute remaining. Kenmore came through with another clutch goal seconds later, and Stafford wrapped it up with two free throws with 10 seconds remaining to give the Cats their four-point victory.

THE EARLIER B team boys' game was a thriller, too, as Dimmitt won 45-43 in an overtime. The same night, Olton played Santa Claus for the Bobcats by toppling Abernathy. This game gave every team in the conference two losses except the unbeaten Bobcats, and insured the district title for Dimmitt.

LBJ's Boy Scout Week Message Cites Upcoming World Jamboree

President Johnson this week told the 5.8 million members of the Boy Scouts of America that "Boy Scout Week calls our attention to the wholesome influence of Scouting on the lives of millions of Americans — and thus on our progress as a nation."

HE VOICED the hope that the XII World Jamboree to be held Aug. 1-9 at Farragut State Park, Idaho, "will quicken among boys of many nations the desire for understanding and passion for peace upon which rests the future of all men."

The President's message for Boy Scout Week, Feb. 7 to 13, marking Scouting's 57th anniversary, was released here by the South Plains Boy Scout Council through Robert H. Brummal, president.

Here's the complete text of President Johnson's message: **"TO THE** Boy Scouts of America and their leaders: "Every society has vested its hope for tomorrow in the caliber of its youth. For youngsters without purpose or inspiration will grow into a generation without leadership or concern.

"Young men must be trained well in the duties and opportunities of citizenship. They must develop strength of character and an intense loyalty to the institutions of freedom. They must be physically fit and mentally keen.

"The Boy Scouts of America adopt these qualities as goal. **"BOY SCOUT** Week calls our attention to the wholesome influence of Scouting on the lives of millions of Americans — and thus on our progress as a nation. It also is an occasion for commending the volunteers and sponsors who sustain the Boy Scout movement.

"And in this special year, I want to join in welcoming Scouts of other lands to the United States. I trust that the 1967 World Scout Jamboree will quicken among boys of many nations the passion for peace upon which rests the future of all men.

Lyndon B. Johnson
★
PRESIDENT Johnson is honorary president of the Boy Scouts of America. He is the fourth President to have had an active record with Scouting before entering the White House. He was a Scout leader with the Capitol Area Council at Austin, serving on its Exploring committee. He was a member of the National Council from 1959 through 1963. In 1963 he helped to organize Post 1200 in Washington, D.C., which was chartered to the House

of Representatives for page boys working in the US Congress.

THE THREE earlier Presidents with Scouting records were Franklin D. Roosevelt, one of the organizers and president of the Greater New York Councils; Dwight D. Eisenhower, member of the National Executive Board since 1948, and John F. Kennedy, member of Troop 2, Bronxville, N.Y., from 1929 to 1931 and a leader of the Boston Council.

Former Bobcat Teams Leave Rich Heritage

Since our boys basketball team is doing so well this year, we decided to look at the earlier Bobcat teams. We took our research back to the 1936-1937 team.

THIS TEAM was composed of Bill Summers, Earl Stagner, Wilbur Johnson, Jack Boren, Elbert Summers, Bub Ramey, Bob Pinkert and Truman Redwine. One of the highlights of the year was beating Amarillo for the district championship. To get to the district championship, the competition was a little different to that of today. In order to compete for the district title, a team had to defeat every team in its county. Several counties composed a district. The district title was determined in a tournament style of play. Our particular district at this time was played in Canyon.

FROM 1936 through 1939, John Blaine coached the Bobcats. He quit coaching in 1940, to become high school principle. Four of the cagers on the team of 1939, were Trellis Summers, Jack Gladman, Herbert Mayfield and Jack Boone.

In 1940, William P. Radney took the coaching duties. His team consisted of Walter Shipley, Harold Stephens, Harlan Redwine, E. B. Noble, Julius Darsey, Lon Boothe and Bill Kirkpatrick. Radney continued coaching for the next few years. In 1941, the

team had the same players. They all returned as seniors, and Walter Shipley was an outstanding player for the team. He was all-district for two years.

IN 1943, JOHN Blaine returned to coaching and took several teams to state. In 1943-44, the Bobcats were a Class A team. Players were Bill Birdwell, John Curtis, Kenneth Jackson, Tom Mayfield, Howard Cook, Raymond Mobley, Tracy Stewart, Leo Ashcraft, Thomas Harrison, and Joe Harrison. This team won its district, its region, and placed fourth at the state tournament.

In 1952, the Bobcats again returned to state. At state, the winners of Class A played the winners of Class AA. Our Bobcats defeated the Class AA team, and as a result, this game was cut out because a Class A team finally beat a Class AA team.

As everything progresses with time, so does basketball. Rules have changed, and methods have changed, but the game remains the same. It always involved talent, ability, and sportsmanship and it always will. The teams from Dimmitt have always possessed these qualities, and we hope they always will. Here is the best of luck to the 1966-67 Bobcats. The good word is "WIN STATE!"

THE FHA presented an assembly Tuesday, Jan. 31, on "Morals and Manners." The program was given by a panel which consisted of Paralynd Render and Ray Bradley, both high school students; Mrs. Shirley Wise, a community leader; Mrs. Weldon McCormick; Mrs. Judy Moore, a young homemaker; Mr. Jimmy Ross, a local attorney; and Coach Roy Hunter, a member of the DHS faculty. Questions on morals and manners of teenagers today were discussed.

The display near the homemaking department contains pictures and Barbie dolls portraying goals of the National FHA on morals and manners.

THE DIMMITT Bobcats remain undefeated after a victory over

the Lockney Longhorns. The Bobbies also gained a victory Tuesday night. Let's all congratulate our teams on their fine team work and back our boys to State!

Paralynd Render won the Betty Crocker Award. She was the highest scorer on the test taken by several senior girls. Her paper will be entered in the state competition, and if it wins there also, it will be entered in the national competition.

The seniors ordered invitations and selected the color of their caps and gowns Tuesday. Since it has been a tradition in DHS to wear black caps and gowns the class of '67 chose to follow it. There isn't much time left until graduation, seniors, so make your grades so that you will be able to walk down the aisle with your classmates.

THE FTA presented a very nice radio program Friday. They discussed the various conventions attended by FTA members and told all about FTA in general. The members of the panel were A'llan Webb, Garland Jarvis, Paula Birdwell, Deanna Morgan, Ben Golding, Kent Lindsey, and Mike Bailey.

Freshman Girls Top Muleshoe

Last Monday the freshman girls journeyed to Muleshoe where they downed the Muleshoe freshman girls by a score of 41-27.

HIGH POINT individual for the Bobbies was Ruth Dyer with 26 points followed by Do'ores Wilke with 10 points and Suzanne Merritt with 5 points.

The score by quarters was: first quarter, Dimmitt 10, Muleshoe 9; second quarter, Dimmitt 25, Muleshoe 13; third quarter, Dimmitt 32, Muleshoe 19; and the final score was Dimmitt 41, Muleshoe 27.

THE GIRLS season record so far is 15 wins and 3 losses. Saturday before last they won the Tulia freshman tournament to add to their glories. Monday the 13th will be the end of a great season as they play Farwell here in their final game.

Panel Discusses Teen Morals In Assembly Program Tuesday

"The morals of our teenagers" was the theme of the assembly program Tuesday, January 31. The FHA girls, sponsored by Mrs. Snider, selected a panel of people to discuss today's teen morals.

The panel members included: Ray Bradley, a student of D.H.S.; Roy Hunter, a teacher in D.H.S.; Jimmy Rens, an attorney at law; Paralynd Render, President of the "Big Sister" Club of F.H.A., who served as the narrator of the program; Mrs. Gary Moore, a housewife; Mrs. McCormick, a pastor's wife; Mrs. Wise, a community leader; and Patty Simpson, President of the "Little Sister" Club.

Some very interesting questions were asked, such as: "Are today's teenagers rebelling?" "Do you think the new mod clothes, like

the new mini-skirts, have anything to do with our moral standards?" "Are most of the teenagers really bad, or is it just a small group?" There were several other very important questions.

The important points brought up emphasized the way a person thinks is the way he acts. This is influenced by one's environment and the kind of parents one has. These are great influences, but in the final analysis, what you want to be and what you make of yourself depends on you. The little quote, "Twinkle, twinkle little star, how you act is what you are", is very true.

A person's real character is what he is in the dark, when no one else can see him. This can be illustrated by how a person reacts to certain situations. One's real character will be exposed then.

Through-out the ages man has tried to explain why a good, respectable person suddenly changes, in that he misbehaves and does things he is later ashamed of. This can be explained. He has a feeling of inferiority; and he feels left out or ignored, so he resorts to bad behavior to get the attention and recognition he wants. But let's face it, the only people who recognize him is a small undesirable group. Really, most teenagers know the difference between right and wrong, but because they are afraid of being called a square or chicken, they do wrong.

Man has searched for a solution to these problems for ages: There are basic moral standards or principles which have been set down and do not change. These are the Ten Commandments. These were set ages ago and still apply today. Manners are a part of one's character. Manners are taught, but it depends upon the individual as to what he will do.

This all boils down to the fact that you are what you want to be. Your real thoughts will be shown by your actions.

After the panel discussion, Paralynd Render received the Betty Crocker Award, for being the best cook in D.H.S.

And remember, next time you see a teenager, most likely he is a fine, respectable young person. It is a shame that a minority of about 3 percent of all young people in this country make the crime headlines of our newspapers, while the good done by the vast majority of the 97 percent never receives publicity. Teens are tomorrow's citizens!

Frosh Defeat Lockney 54-37

Last Tuesday the freshman boys defeated the Lockney freshmen here by a score of 54-37.

BILLY SANDERS and Jerry Birdwell were tied for the high point honors with 12 points each. Coach Hedrick said that the main reason they won was that the boys outlasted Lockney.

As a final roundup, the score by quarters for the Bobcats ran 11 points in the first quarter, 14 in the second, 12 in the third and 17 points in the fourth quarter.

Restless? Who Says?

In this column, we try to let people say what they believe. Last week, one opinion of "restless teenagers" was given. This week we have three people stating their views on this subject.

ONE THOUGHT: "Personally I do not feel that teenagers as a whole, are restless. Being a teenager myself, I believe that

at times we become venturesome and tend to look elsewhere for a new sight to see and new faces to meet. This is natural. Everyone must find out for himself, which road of life he will take."

A different view is this: "I believe that teenagers are restless; I also feel that in America as a whole, teenagers and adults, are restless. We all realize that restlessness occurs when uncertainty exists within ourselves. I truly believe that America is deeply involved in a period of uncertain movements and actions which naturally cause the same uncertainty or restless action to occur within the lives of its people. Yes, teenagers are restless, because this is certainly a period full of

fear and fright concerning what must and will come to their young lives."

ANOTHER'S OPINION: "No, I do not think teenagers are restless. Teenagers of today are seeking, searching, and exploring into the depths of living. They sense, directly or indirectly, the conditions of a war-torn, chaotic world, which is filled with strife, heartache, and nervousness. Diligently, they are trying to find their places in this world; they realize that they have a responsibility to society. They want to fulfill their obligations.

May I conclude by saying: 'My hat is off' to teenagers of today who realize their status of insecurity, mingled with many, many temptations, and who are striving earnestly to make this world a better place by their having lived in it."

Bobbies Gain Revenge, 48-32

Friday night the Dimmitt Bobbies fought off the Hale Center Owlettes for their fifth district win.

A'LLAN WEBB led the Bobbies in the scoring department with 24 points. Debra Summers followed with 16 points. The Bobbies tallied a 48-32 win, and the defense did a tremendous job which certainly discouraged the fine scoring of the Owlettes.

Let's all come out and support the Dimmitt teams Friday night at Friona.

B-Bobbies Lose Final Contest

The B Bobbies fell to Friona's "B" girls last Thursday on Friona's court by a score of 32-18.

HIGH POINT scorer for the Bobbies was Shirley Leinen with 5 points. She was followed by Darlene Dadd with 4 points. The score showed this was primarily a defensive game. This was the last game for the girls and they ended their season with a record of 7 wins and 11 losses.

Bobbies Top Lockney, 61-35

Tuesday night, the Bobbies again saw action and another victory in their home gym. They defeated Lockney by a score of 61-35. At half-time the lead was 31-17.

A'LLAN WEBB was high pointer with 36 points. Debra Summers had 21 points. The Bobbies hit 46 percent of their field goals and 62 percent of the free shots.

The Bobbies will play their last game Friday night at Friona.

Let's all go out and support our teams!

Homemaking III's Take to Bottles

"Mrs. Snider, what do you do next?" "Oh! It's boiling over!" "Eee! You got me wet!"

I bet you'd never guess where these few sayings originated. Yes, the Homemaking III girls are at it again. This time the general topic is babies, and our very capable (?) junior girls are learning how to care for a new born baby. Tiny babies are entirely fascinating and cut, but have you ever thought how much work it takes to keep them that way?

THIS PAST WEEK the energetic young ladies have been preparing formulas, learning how to correctly burp and lay the baby down after it has eaten, and of course, bathing the baby.

You would not believe how much work goes into a formula, but even doing it the easiest way it takes quite a while. All the equipment such as spoons, bottles, nipples and measuring cups must be washed and sterilized before the formula is safely put in the refrigerator. Then when you get ready to use a bottle, the nipple has to be put through the cap without touching it at all. Seems pretty hard, but it isn't, when you get the hang of it. Of course when the bottle is finished, the remaining formula is dumped in the sink and the bottle is rinsed with cold water. And then the nipple has to be rinsed, but first you pour a pinch of salt into it and rub around the sides to cut butterfat and other greasy films.

WHAT DID I hear you say? Babies don't need a bath? Well, Mrs. Snider told the girls that babies do get dirty just lying around doing nothing. I don't understand, but that's what she said. Seems like there's dust in the air and fuzz in the tiny clothes. Anyway, babies need a bath nearly every day.

Shirl Leinen was demonstrating how to bathe a baby with a baby doll the other day and nearly got it dressed and had to wash its hair. Did you say you read the lesson, Shirl? And then Poppy, one of the most curious in the classes, (they all are but most of all her) tried to put her contact on one of the doll's eyes — "to see what it'd look like", and she lost it. In the end she got it out but remember — keep your own eyes in; the ones you loose might be your own, huh Poppy?

This next week the two classes plan to journey to Ann Touchstone's to watch her bathe her tiny daughter and to Cobb's to view the baby fashions.

Two Music Directors Attend Clinic-Convention in Houston

Representatives of elementary secondary and college music departments from all over the state are going "back to school" at the Texas Music Educators Association (TMEA) clinic-convention in Houston today through Saturday.

ATTENDING from Dimmitt and Nazareth are Ralph Smith, music director of Dimmitt Schools, and Nolan Froehner, music director of Nazareth Schools.

More than 3,500 music teachers and over 1,000 student participants are in Houston for the three-day event.

Main objective of the clinic-convention is to give Texas music teachers the opportunity to attend class sessions and demonstrations in their particular fields of interest, to learn valuable new teaching techniques, and to observe outstanding performing groups under direction of nationally prominent conductors.

Miss Hastings Enrolled at LCC

A Dimmitt student, Johnna Hastings, is enrolled for the spring semester at Lubbock Christian College.

A Dimmitt student, Johnna Hastings, is a freshman and is majoring in business.

A 1966 graduate of Dimmitt High School, Miss Hastings participated in the chorus, Future Homemakers of America, Future Teachers of America, Pep Club, and basketball.

LCC is celebrating its 10th anniversary this year. All campus events will be directed toward highlighting this decade of development.

Cub Pack 267 Banquet Set

Bethel Club Sends Load to Girls Town

Bethel Home Demonstration Club sent its first truckload of food, furniture, clothing and linens to Girls Town Wednesday morning.

THE CLUB'S main service project for the year is helping the 60 homeless girls at the publicly supported institution at Whiteface. "Cooperation from the public has been tremendous," reported Mrs. Reta Welch, project chairman. "Grocery stores have donated canned goods, several stores have contributed slightly damaged merchandise, department stores have donated many of their sale items, and individuals have given quite a bit of clothing and also money."

MEMBERS OF the club have also donated linens and clothing. The first truckload left Wednesday at 9 a.m. from the Bethel Community Building.

The club will accept contributions for the project throughout the year.

March 23 Date Set

Mr. and Mrs. Joe R. Smith of Dimmitt announce the engagement and approaching marriage of their daughter, Madelyn Lee, to David John Holt.

HOLT IS the son of Mr. and Mrs. John W. Holt of Carlisle, Dimmitt High School, and Holt graduated from Frenship High School. Both are now attending Texas Tech in Lubbock.

The marriage will be March 23 in the Presbyterian Church of Dimmitt.

Paralyn Render DHS 'Homemaker'

Paralyn Render ranked first in a written homemaking knowledge and attitude test given to senior girls and has become Dimmitt High School's 1967 Betty Crocker Homemaker of Tomorrow, it has been announced. Registered for the test were 581,334 girls in 14,753 of the nation's high schools, a new record for the 13 years the program has been offered by General Mills, its sponsor.

Paralyn will be awarded a specially designed silver charm, and she remains in contention for state and national scholarship swards ranging from \$500 to \$5,000.

In the program's next step, a state Homemaker of Tomorrow will be selected from winners in all schools of the state. The state winner will receive a \$1,500 college scholarship, and her school will be given a set of Encyclopaedia Britannica. The state runner-up's award will be a \$500 scholarship.

Gardeners Will Hear Miss Nitsa

Martha Nitsa, exchange student from Greece, will be the guest speaker at the Dimmitt Garden Club luncheon Wednesday at 11:30 a.m.

MRS. SID SHEFFY will give some pointers on conservation.

Mrs. J. W. Benson, Mrs. Roy Cluck, and Mrs. Cecil Dennis will be the hostesses.

The Dutch treat luncheon at the Colonial Inn Restaurant is open to the public.

Campfire Group Elects Officers

Pam Barker, is the new president of the Junior-Hi Campfire Girls.

OTHER NEW OFFICERS of the Dimmitt Campfire Group are Paulette Kenmore, vice-president; Julia Hottel, secretary-treasurer; and Janna Thanisch, reporter.

The girls are now selling Campfire Girl candy throughout the city. Boxes of candy may be purchased from any member of the Junior-Hi group.

Attending the last meeting were Denise Stone, Pam Barker, Julia Hottel, Janna Thanisch, Anne Golding, Jo Ann Shugart, Patty Hilger and Paulette Kenmore. Refreshments were served by Sharon Stone.

Arney Club Gets Painting Lesson

Joy Smith, Mary Cluck and Christine Cole presented a program on tile painting at last week's meeting of the Arney Community Club.

ELEVEN members and one guest, Mrs. Ernestine Danner, were present for the meeting in the club house. Sandwiches, punch and coffee were served by Mildred Fields and Edna Fortner, hostesses.

Club members will have a Valentine dinner at Wayne's Restaurant in Tulia Tuesday evening.

Merritts Host Girls, Parents

Mr. and Mrs. John Merritt were hosts to all the freshman basketball girls and their parents Monday night. Ice cream and cake were served to 50 people.

Mrs. Smiley Has Hostess Brunch

Mrs. Dorit Smiley entertained the hostesses of her daughter's recent tea with a Valentine brunch at the Hereford Country Club Feb. 1.

Her daughter, Glenda, became the bride of Gary Everete Heller Jan. 20.

Mrs. Smiley's 17 guests were served fresh fruit, egg rolls, creamed turkey, tea and coffee.

WT Coed Among 'Best Dressed'

Jane Cleavinger of Dimmitt was one of the five finalists last week in West Texas State University's "Best Dressed Man and Woman contest."

Miss Cleavinger, daughter of Mr. and Mrs. M. E. Cleavinger, is a sophomore elementary education major at WTSU. She was sponsored in the contest by her sorority, Delta Zeta.

Mrs. Floyd Stanford Gives WSCS Program

Mrs. Floyd Stanford presented the study from "Keepers of the Poor" at Monday afternoon's meeting of the Ruth Circle of WSCS.

Mrs. Edd Wilson Sr. presented the meditation, using scriptures and material from the booklet, "The Power." Twelve members attended the meeting, which was held in First Methodist Church.

Washington Report

From Congressman BOB PRICE 18TH DISTRICT, TEXAS

The office has been very busy since my last report. I introduced two pieces of legislation Jan. 26 and have been preparing other bills for introduction in the near future.

MY HOUSE Joint Resolution 224 proposes an amendment to our Constitution which would put the American people on record in favor of allowing prayer in schools and other public buildings. Contrary to the belief of many people the Supreme Court decision of several years ago did not outlaw prayer in schools. The justices stated that school officials could not give the students a prepared prayer to recite.

As I stated in my last newsletter however, I will fight for passage of this amendment to make sure that some future court does not prohibit all prayer in public buildings.

THE OTHER resolution was introduced in connection with my assignment to the House Agriculture Committee on January 25. House Concurrent Resolution 105, "expresses the sense of Congress that in the public interest the administration should (1) cease and desist in its efforts to enforce selective economic discrimination against American farmers and ranchers by deliberately depressing farm prices, and (2) use the various legislative authorities at its disposal to improve and enhance farm prices."

In regard to my appointment to the Agriculture Committee, I have requested assignment to three subcommittees. The subcommittee on Livestock and Grains, which handles legislation involving meat production and wheat, maize, soybeans, was my first choice. My other choices included Cot-

ton, which is a major crop in the 18th District (there are more than 600,000 bales annually produced in our area), and Conservation and Credit, which involves small watershed programs as well as dealing with Farmers Home Administration and Federal Land Bank problems.

I WILL BE announcing the members of my advisory committees on agriculture in the near future.

I am still in favor of blockading 60 Panhandle farmers, ranchers and businessmen on several committees.

I have received numerous letters in regard to the war in Viet Nam and the United Nations economic sanctions against Rhodesia. I expect to have about the Port of Haiphong and bombing air fields and industrial plants in North Viet Nam in order to bring this conflict to a speedy and successful conclusion.

Also, I am opposed to the United States' honoring any economic sanctions against Rhodesia as long as our so-called allies continue to trade with North Viet Nam.

Nazareth Inductees Have Farewell Party

By Mrs. Florence Albracht
A farewell party for the four young men from here who were inducted in the Army in Amarillo Tuesday was held in the Legion Hall Saturday evening. They are Denis Gerber, son of the Tony Gerbers, Lester Schulte, son of the Clarence Schultes, Kenzie Schulte, son of the Ray Schultes, and Gerlad Braddock, son of the Vincent Braddock.

PAUL VENHAUS and Mrs. Agnes Brockman flew to Great Falls, Mont., then went by car to Shelby, where they attended the funeral of their uncle. They reported icy weather and reads up there. Mrs. Walter Schulte had knee surgery in Plainview Hospital the past week. She is home and doing O.K.

On Friday afternoon the Gerber relatives from here went to Umbarger for the wedding of Carolyn Gerber and D. Weick.

MRS. JIM KALKA and daughters of Amarillo are spending some time with her mother Mrs. Max Acker while her husband is in Dallas looking for a place to live where they plan to make their home.

Mr. and Mrs. Greg Hoelting and family spent Thursday in Amarillo visiting the Leroy Hoeltings before Marvin left for A&M on Friday for the second semester.

Mr. and Mrs. Florence Heiman of Amarillo visited his dad at the Golden Spread Rest Home and had supper with Frank Hoeltings and also enjoyed the wedding anniversary of Cecil Hoeltings in the Legion Hall on Sunday.

A LARGE group of relatives and friends from here enjoyed the 10th wedding anniversary party of Mr. and Mrs. Cecil Hoelting in the Legion Hall on Sunday evening, Feb. 5. Coming for the party from out of town were Mr. and Mrs. Florence Heiman and Mrs. Lizzie Britting of Amarillo, Mr. and Mrs. Hoffman from Hereford, Mr. and Mrs. Andy Schumacher of Dimmitt and Mr. and Mrs. Bayard Keys of Plainview.

Mr. and Mrs. Vincent Ramaekers and family of Umbarger visited the Cyril Brockmans on Sunday afternoon and had supper with the Florence Albrachts.

Mr. and Mrs. Ed Gerber and sons of Hobbs, N.M., spent the weekend here, also attended the wedding in Umbarger and took in the farewell party.

THE ORDER of Martha met in the home of Mrs. Florence Albracht on Tuesday afternoon Jan. 31. 12 members were present. Linens were returned, sewed and laundered and will be sent to a needy mission in North Carolina. Holy Family Church will be observing Lent with the following Mass in the morning and evening with blessing and distribution of the ashes. Lenten Devotions will be held each Wednesday and Fri-

SWPS to Conduct Boy Scout Clinic

Southwestern Public Service Co. will conduct a Boy Scout Electricity Merit Badge clinic tonight (Thursday) in Lubbock.

THE CLINIC coincides with both National Scout Week and National Electric Week.

Limited to Scouts with ratings of second class and up, the clinic is to be held at 7:30 p.m. in the company's Reddy Room at 1120 Main St. in Lubbock. Boys from Dimmitt's troops have been invited to attend.

Purpose of the program is orientation on the electrical merit badge. Final approval of the badge rests with the Merit Badge Council. Electrical merit badge books will be given to those attending tonight's clinic.

The clinic will include discussions of the history of electricity, what electricity is, common electrical terms, safety, and career opportunities.

Nazareth Panel Discusses Dating

Saturday night Nazareth High School teachers and students held a panel discussion on dating. The panel members — including 12 NHS students — answered questions from students attending. After the discussion there was a wiener and marshmallow roast.

Holly's 1967 Beet Contracts Hike Grower's Price 30 Cents

Having completed arrangements with the Texas-New Mexico Beet Growers Association, Holly Sugar Corp. agriculturists began signing contracts with growers Jan. 31.

DEXTER W. LILLIE, Hereford district manager, said the 1967 Holly Sugar beet purchase contract will be based on the 30 cents per ton higher scale suggested by the Secretary of Agriculture in a recent fair price determination. The sugar market outlook continues favorable for this year's crop, he added.

"The lifting of acreage restrictions by the Secretary of Agriculture early in January will allow old Hereford district growers to plant beets and establish acreage histories which provide specific base allotments in the event that acreage controls are imposed in the future. We are looking forward to some 38,500 acres of sugar beets in 1967."

HE PRAISED the advanced agricultural practices commonly employed throughout the Texas-New Mexico area which have made sugar beets an ideal crop in the sound rotation program of High Plains farmers.

Lillie said Holly agriculturists expect to complete acreage contracting by mid-February. In 1966, he noted, some 450 growers raised beets in the Texas-New Mexico area and some increase in this number was anticipated under the current program.

Church to Hold Valentine Dinner

First Baptist Church will present its annual High School Sweetheart Banquet at the Colonial Inn Restaurant at 8:04 Saturday night.

THEME FOR the banquet will be "Castle of Dreams." Entertainment and inspiration will be provided by two outstanding students from Hardin-Simmons University at Abilene.

Larry Bates, president of the Student Congress at the Baptist University, will speak. He has been elected to "Who's Who in American Colleges and Universities," is assistant tennis coach, has played varsity tennis four years and was selected junior class favorite.

Also appearing in the program will be Terry Treadwell, a sophomore pre-medical student. He is a basketball player, is on the varsity tennis team, currently holds the Abilene city tennis championship, and is serving his Congress.

NHS Girls Give Fashion Revue

Nazareth's junior and freshman girls presented their annual style show recently in the school cafeteria.

THE JUNIOR girls modeled the wool suits they made in home-making class. The girls were Carol Jones, Sheila Birkenfeld, Sandy Gerber, Theresa Pohlmeier, Brenda Pohlmeier, Juanita Braddock, Kathy Huseman, Phyllis Huseman, and Sharon Hochstein.

The freshman girls modeled jumpers and blouses they made themselves. They were Jackie Book, Mary Kay Braddock, Lorene Brockman, Rena Dobmeier, Debbie Hochstein, Pam Lupton, Rosella Pohlmeier, Gladys Stef-

Easter News

Open House Well Attended

By Ruby Stone

The open house at Easter Community Sunday seemed to be well represented by people from Hereford, Summerfield, Frio and Dimmitt. There was a lot of good music and singing by quartets, plenty of cookies, coffee and cold drinks, and visiting among friends of the community. Congratulations go to the progressive Easter Lions Club. They are fine neighbors and friends. And their fine new building is a welcome addition to this community.

GARY BURNETT of Dalhart visited over the weekend with his parents, the John H. Burnetts, with the group Saturday.

Mrs. Glen Self made a business trip to Lubbock Friday afternoon. Mrs. G. G. Downing and Mrs. William Cole visited with Mr. and Mrs. Trent Downing and Laura last weekend en route to Santa Fe, N.M.

John Burnett was in Boise City and Keys, Okla., the first of the week, his son Gary met him in Dalhart on Tuesday on his return home.

MR. AND MRS. W. A. EPPERSON, Mr. and Mrs. Trent Downing and Laura visited Mr. and Mrs. Eldon Howell Monday night. Mrs. Eldon Howell returned to her home from a stay in the hospital Sunday.

Mr. and Mrs. I. G. Holmes of Lubbock visited the Loy Stones Sunday afternoon. Nellie D. Howell visited the W. A. Eppersons Monday and Tuesday.

Linda Wagner, and Barbara Wilhelm.

Mothers and friends of the girls were invited. After the show the FHA girls served cookies and tea.

Ladies Urge Community To 'Adopt' Girls Town

BY MYRTLE SHEFFY

"Help" help is needed at Girls Town at Whiteface. There are 60 girls from eight to 19 years old, who need everything: clothes, towels, sheets and especially money. They are in school and lunches were cut off because of "no money." The Bethel HD ladies are sponsoring Girls Town and will take donations to them on Wednesday. The grocery stores, Anthonys and others are helping. Going Wednesday were Mesdames Donald Gilreath, Elbert Smith, Charles Rickerd, Jack Howell, Bunia Schwen, Dan Heard, Jimmy Howell, James Welch, C. I. Gilbreath, Milton Bagwell. If you would like to donate some money give the girls a call.

MR. AND MRS. J. B. NOLAND who live in the northwest corner of the county lost their big barn by fire, also six head of cattle, seven saddles, stack of feed and several horses were burned, but not killed. They were away from home at a ballgame. The barn was an old landmark up near Summerfield. It was a total loss. The Nolands are close friends of the Ramey boys.

Mr. and Mrs. Jessie Masters and two small boys have moved into the Buster Tidwell house at 310 10th and Stinson Street. The Masters came here from Frio, formerly Cotton Center. He will be with Bruegel & Sons Elevators as bookkeeper. They are Methodists and Jesse is an active Mason. We welcome the Masters to Dimmitt.

A GROUP of friends surprised Cecil and Virginia Crum Thursday evening with a housewarming. A money tree was presented. Coffee and Spidnuts were served to more than 50 guests by the hosts who were Messers. and Mesdames Bud Giles, Al Jackson, V. H. Giles, Dexter McGaughey, Lon Boothe, Maurice Campbell, Dan Heard, J. O. Seale, Dale Prather.

Dee and Clara Neumayer went to Fort Worth Thursday to attend the Fat Stock Show. They went on to Waco to visit their daughter Nancy, her husband, Leon Crum and the grandson. Leon is a senior at law school at Baylor University.

JEANNE CAMPBELL was telling me about her interesting, new job teaching personality and self-improvement in the Hereford High School. This is an elective course open only to senior girls. It helps them learn to walk correctly, correct posture and how to select the proper clothes.

Mr. and Mrs. Richard Lindsey are in Dallas this week on business and plan to go on to East Texas for a visit with relatives. Jimmy Henderson, 9-year-old son of Bill and Ann Henderson, fainted and fell, hurting his head. He is in the hospital here. He was visiting his grandparents, the Sargents at Hart, when this happened.

The Donald Gilreaths received word that their nephew Max Gilreath, who is in the US Service in Viet Nam was wounded in action but is doing O.K. now. Do not have the details of this.

THIS HAS BEEN party week again.

Mrs. Dan Heard was hostess at a bridge party Friday afternoon. She served desert, dips and coffee to Betty Boothe, Betty Parson, Betty Huckabay, Joy Baker, Shirley Wise, Millicent Bennett, Dorothy Jackson, Martha Dannevik.

Tuesday night Sandy and Betty Parsons hosted a delicious shrimp supper at the Colonial Inn Restaurant. Bridge was played later by the Jimmy Rosses, Lou Boothes, Bob Huckabays, Dan Heards, Al Jacksons and Bob Ba-

kers.

TUESDAY REBA Touchstone had a few friends in for bridge and luncheon. Her guests were: Millicent Bennett, Ruth Jackson, Mary Jo Brown, Jane Blackburn, Ina Cleavinger, Jerry Butler, Beth Jones, Nancy Ross, Mary Bechtol, Ann Touchstone, Dorothy Gilbreath, Jo Eddy Riley and Betty Boothe.

Mr. and Mrs. J. R. Brown had friends in for dessert and coffee, bridge later. They were Mr. and Mrs. Bill Bennett, Mr. and Mrs. Lon Boothe, Mr. and Mrs. Ben Hill, Mr. and Mrs. Bob Huckabay, Mr. and Mrs. E. B. Noble, Mr. and Mrs. Dorit Smiley and Mr. and Mrs. Jay Lee Touchstone.

LEOLA HABERER was hostess at a dinner party Friday night, and "42" were enjoyed by "84" and "42" were enjoyed by Janie Hastings, Vera Webb, Ruth Wilson, Cletha George, Pearl Sadler, Ethel Damewood, Faye Holland, Nora Mae Newsom and Ethel Womack.

Mrs. J. C. Williams had a few friends for Sunday dinner after church. Mrs. Leona Rothwell helped her with hostess duties. Guests were Mesdames Ross Summers, George Webb, Kay Roberts, Ethel Womack, Buena Schwen, Leola Haberer, Janie Hastings and Edna Lippard.

Stanley Byrnes told me about the good steak dinner Mr. and Mrs. Shorty Oldham cooked up for their son Kenneth's birthday on Sunday. Dinner and a big, pretty birthday cake were served to Stanley, Joe Bill Butler, Rochelle Johnston, Doricell Oldham. Many more happy birthdays, Kenneth.

Mr. and Mrs. Joe Young were visitors in Muleshoe Sunday. They have a new grandson named Jerry Steven, who is the son of Ronald and Judy Young, both students at West Texas State University in Canyon. They were staying a few days with Judy's parents, Dr. and Mrs. Putnam of Muleshoe. Tony Young, also a student at WTSU, was home for a weekend visit.

Mr. and Mrs. Tom Keener of Sundown were weekend guest of their son Tommy Keener and family. Lynn, 5-year-old son and his dog went home with his grandparents for a visit.

Ann and Don Ballard and children of Fort Worth were recent guests of her sister, Mrs. Kenneth Cleveland and family.

Pat and Robbie Baldwin, students at Texas Tech, Lubbock were weekend guests of her parents, Mr. and Mrs. Bob Buntyn.

MR. AND MRS. J. B. Blackwell visited Mr. and Mrs. Porter Stone in Amherst Sunday. Porter has been quite ill.

Mrs. Ruby Power of Irving and Mrs. Banche Slausser of Tulsa, Okla., a former teacher here, were guests of the Blackwell's recently.

Mr. and Mrs. Porter Buchanan and children moved last week to Ardmore, Okla. Porter is in the building business. Margie has been with the bank here for years, says she will not work for awhile.

Virginia Stanley is home from New Jersey. She sold her house on SW Eighth Street to Mr. and Mrs. R. Young. Virginia lives near the Country Arms.

Bob Dulancy visited his folks at Shallowater Sunday.

THE GARDEN CLUB will sell new hats in the old Sugar & Spice space in the Bruegel Shopping Center, Saturday, Feb. 25. Come see! Come buy!

Mr. and Mrs. Don McCormick of Abilene were weekend guests of his parents Rev. and Mrs. Welton McCormick and Chris.

Marine 'Pilot of Year' Back Home; Visits Hart

When Maj. Raymond R. Powell, the Marine Corps Aviator of the Year for 1965, returned from Vietnam recently, one of his first stops was Hart.

The celebrated Marine aviator attended elementary school in Hart in the early 1940s while his father was superintendent of Hart High School and his mother was a speech and English teacher.

MAJ. POWELL, his wife and three of their five children were dinner guests of Mr. and Mrs. Bud Hill and family. It was reportedly a quiet dinner party — until the word got out.

Considered one of the top Marine aviators of the day, Maj. Powell was stationed nearly 11 months at Da Nang with Marine Fighter Squadron 115, attached to the First Marine Air Wing.

Piloting an F-4B Phantom fighter jet, he flew 115 missions during his tour of duty, including 30 or 40 over North Vietnam. On his support missions for Marine ground troops in the south, he "peddled" the new Snakeye bomb, which earlier had earned him his Aviator of the Year title.

AS A TEST PILOT, he had been the first to test the Snakeye, which is specially designed for extreme low-altitude bombing. He was instrumental in developing a delay faculty for the bomb, and for his work on this project he was named MC Aviator of the Year in '65. The award put him in the company of astronaut John Glenn, who won the title after being the first man to circle the globe.

FROM HART, he and his family moved in the late 1940s to Perryton, where he became one of the greatest athletes in Panhandle schoolboy annals. He was a stand-out on regional championship football and basketball teams at Perryton, and was also a Golden Gloves champion in high school and college. He earned a football scholarship to Oklahoma University, where he played fullback on one of Bud Wilkinson's national championship teams.

He entered the Marine Corps in 1954, and has since entered the pilots' top plateau everywhere he's served.

His new assignment is at the Marine Corps Base at Quantico, Va.

Maj. Powell's parents now live and teach in Amarillo. Until his return, his wife taught for PESO at Our Lady of Guadalupe Church in Amarillo.

ABOUT PILOTS' living conditions in Vietnam, Maj. Powell said, "Well, I'd say pilots have it as good or better than about anybody there. We had the best tents and best cold-water showers in Vietnam."

About US strategy in Vietnam — a subject stirring more and more controversy in the states — he said:

"Most of the men I knew cer-

tainly felt we should be there and seemed to feel we were going about it in the right way — that is, gradually increasing pressure instead of just blowing the whole thing to bits.

"THE MISSION is different than in any other war. People usually wind up thinking in war you should just go in and kill everyone. But we had to make every effort to destroy as little

property and kill as few innocent bystanders as possible. And you have to keep in mind that it costs a lot more to fight a war where you are constantly restraining yourself, trying to pick out the goodies from the baddies.

"But I certainly feel we must achieve victory there, and if there's one opinion I have about this war, it's that it is a 'must' war. It must be fought and won."

Yot "great" has to be the word for last Sunday's services! The house filled with people in a great spirit of worship, the blessing of hearing Tommy Phelps' testimony, the men's quartet on Sunday morning and the men's choir in the evening service — all of this plus the addition of six new members to our church family has to be expressed in superlatives of thanksgiving to our Lord!

Locking back is pleasant, looking forward is a challenge. Will you love Christ, live Christ, share Christ and pray to the end that Spiritual victories will become the rule and not the exception? Thank you for that! See you Sunday.

Your pastor and friend, Frank Pollard

Home Furnishing Course Underway

By Irene Keating
The District I THDA training meeting was held in Stratford Jan. 31. Mrs. S. R. Hutto, Mrs. D. L. Cleaver and I attended.

A REMINDER to the 4-H girls: Our County Foods Show will be held Saturday, Feb. 18 at 9 a.m. in the assembly room of the courthouse.

Remember, February and March are the months of the Home Furnishings Short Course. You may come to one or all of the sessions.

FAILURE to acknowledge sound design principles in planning a new home or remodeling an older one can result in wasted time and motion, fatigue, and even serious accidents.

A house of efficient design from the standpoint of space arrangement and use reduces disorder, fatigue, and the likelihood of falls and other accidents.

SOME OF the design features which will help to assure a safe and efficient plan include:

- (1) Placement of related activity areas on the same level and close together. For example, a play area for preschool children should be located near the mother's work area.

HART NEWS

Fire Destroys Rodgers Home

By Myrt Loman
Early Monday morning a fire completely destroyed a big hog barn and some small sheds at the farm of J. D. Rodgers southeast of Hart.

Rodgers ran out barefooted and stepped first on a rock, bruising his right heel, then stepped on a nail. The nail had to be pulled from his foot.

Friends from Hart with the aid of fire departments from Olton and Edmonson helped extinguish the fire.

Castro County members of the Texas State Teachers Association will have their second meeting of the year Monday night at Hart School Cafeteria.

Hats Hold Tips For Safe Driving In Nazareth Skit

Members of the Nazareth Catholic Daughters of America saw a program on safe driving at their February meeting.

HAZARDOUS driving habits were illustrated by Betty Mae Acker, safety chairman, and 10 ladies who modeled different styles of hats.

The hats were used to depict the hazards of drinking, smoking, reading or applying make-up while driving.

Other dangers that the ladies illustrated were driving with pets in the car, hogging the road, and driving alone with small children.

The models used their hats to warn against driving with worn tires or faulty headlights, failing to notice children on the streets, and becoming distracted by insects in the car.

DURING THE business meeting the court voted to sponsor a delegate to Girls' State again this year. Members also discussed plans to sponsor a day of recollection for young people of the parish during Lent.

Imogene Drenup reported that \$31 was collected for the Madonna P'an during the Hobby and crafts show. Margaret Womack, legislation chairman, reminded members to vote in the hospital bond issue election to be held Saturday.

Refreshments were served, and games were led by Dorothy Kleman.

All Teams Win Against Olton

After clinching the District 3-AA championship four nights earlier, Dimmitt's Bobcats roared on toward an undefeated conference season Tuesday by swamping the Olton Mustangs, 77-51.

THE BOBBIES, meanwhile, won a 45-43 cliff-hanger from Olton's Fillies as post forward Debra Summers sank two charity tosses with just one second remaining.

The boys' B team won by an identical score, 45-43, in a warm-up thriller. Jerral Seale sank a basket with two seconds remaining to give Dimmitt the victory.

Vote YES!

The Hospital Auxiliary (Pink Ladies) actively endorses the proposed issuance of \$135,000 in bonds to help build a 20-bed addition to Plains Memorial Hospital.

The hospital board has made a thorough study of the situation, and has concluded that this expansion is necessary, due to continued population growth and Medicare. We who volunteer our services to the hospital agree.

Besides providing more patient rooms, the expansion would provide Castro County residents with more specialized services and better overall facilities.

We urge you to vote FOR the issuance of bonds in Saturday's balloting.

You're Invited

TO OUR GRAND OPENING

SATURDAY FEBRUARY 11, 1967

Dear Dimmitt:

You're invited to a coming-out party. Ours! Cyanamid Farm Supply is proud to be a part of this community. We are here to serve (and perhaps help improve) our vital agricultural economy.

We are new. Like all newcomers, we look forward to making many friends in the years ahead. We want to start right away.

So we're having an open house Saturday, February 11. The doors will be open at 8 a.m. They'll close when the last visitor leaves.

There will be gifts and refreshments. Of course, we'll want to introduce ourselves, talk a bit with you, and show you around our new plant.

So bring the whole family. Invite your friends and neighbors. Make a day of it as the guest of Cyanamid Farm Supply Saturday, February 11, 1967.

Sincerely,

Bill Dannevik
Manager
