

Yule Greeting Project Begins

"Operation Christmas Greeting" for 1968 will kick off Friday for Castro County residents who want to help buy new equipment for Plains Memorial Hospital instead of sending Christmas cards locally.

THE PROJECT is co-sponsored by the Plains Memorial Hospital Auxiliary, First State Bank and Castro County News.

Those wishing to take part in the Christmas project are asked to estimate the amount they would normally spend on Christmas greeting cards to local friends and donate the money instead to a fund for hospital equipment.

Mrs. Faye Kenmore at First State Bank, project secretary, will compile the list of "Operation Christmas Greeting" donors.

and the names will be printed in a "Community Christmas Card" in the Dec. 21 issue of the Castro County News.

CONTRIBUTIONS may be made to any First State Bank teller, and the deadline is Dec. 15.

Although commercial contributions to the project are welcome, no business names are allowed on the Community Christmas Card. It's reserved for the names of families and individuals.

Those donating should instruct Mrs. Kenmore on how they want their family signature to appear on the Community Christmas Card. However, if space limitations make it necessary, the News may need to shorten family signatures that require more than one line of type. Signatures on the Community Christmas Card will be displayed as prominently as possible, depending on the number.

PROCEEDS of the project will go into a fund administered by the Hospital Auxiliary, and will be used to buy specialized equipment for the hospital.

In the past, "Operation Christmas Greeting" funds have purchased a training dummy, 16 mm sound movie projector and other training aids for the hospital's Vocational Nursing School, and special oxygen equipment, beds and orthopedic equipment for the hospital.

IN 'WHO'S WHO' — Dimmitt Mayor George Bradford will be included in the next edition of "Who's Who in Texas Today," according to an announcement this week by International Biographical Research Corp., which publishes the book of prominent Texans' biographies. The "Who's Who" volume is to go to press next month in Austin.

about dimmitt and castro county by b. m. n.

Names and addresses of Castro County men, in the armed services, are being printed this week on page three of the News. These names were supplied to the News by the American Legion Posts of the county and should be complete. However, if the name of any service man in the county has been omitted we will gladly publish it when called to our attention.

On numerous occasions weather has been the bane of the harvest season in this area. This year, however, a more ideal harvest season could not be hoped for. If the weather continues dry and moderately warm for another two weeks most of the cotton and vegetables will have been harvested, with only little, if any, damage due to weather.

I haven't had a pair of shoes half-soled in years, maybe it is because another part of my anatomy bears my weight most of the time, but it is nice to know that we again have a shoe repair shop in Dimmitt. Since pioneer days a boot, shoe and leather shop was essential in every village and hamlet across the land. These shops were operated by craftsmen, who had served the required number of years as apprentices, and who were equally adept at repairing an old shoe or making a new pair of boots or a saddle. Dimmitt's new shoe and boot shop is located at 417 North Broadway and is operated by Mr. Mack Gilbert.

We have many reasons to be thankful, at this designated thanksgiving time, and it would be an act of ingratitude to overlook any of our blessings but what a Thanksgiving it would be if only a solution could be found for what is referred to as the Vietnam problem.

Salvation Army Schedules Drive

The annual fund drive to support the Castro County Service Unit Committee of the Salvation Army will get underway at a kickoff breakfast at 7 a.m. next Thursday at the Colonial Inn Restaurant.

BOB MURDOCK will be countywide campaign chairman. Assisting him with the solicitation will be 70 volunteer citizens of Castro County.

Goal for this year's drive is \$1,800. Members of the Castro County Service Unit Committee are Judge Raymond E. Wilson, chairman; L. G. Manning, vice-chairman; Bob McLean, treasurer; Earl Brock, welfare secretary; Sheriff Jack Cartwright, Rev. Weldon McCormick and Weldon Skinner, all of Dimmitt, Joe Warren of Nazareth, and Rev. W. H. "Fred" Brown of Hart.

This committee's sole function is to offer assistance to anyone regardless of race, color, or creed in time of emergencies.

The committee assisted 406 persons during the past 12 months with groceries, medical aid, clothing, meals, lodging, transportation, etc.

IN ADDITION to the local welfare program carried out by the committee, all of the state services of the Salvation Army are available here also when needed. Some of these services are home and hospital care for unwed mothers, missing persons bureau, emergency disaster relief, and summer camp for boys. (Castro County sends four boys to camp each June. Weldon Skinner is camp chairman.)

Murdock pointed out that 90 cents of each dollar contributed to the Salvation Army stays in the state to support some welfare program.

Anyone not contacted by a volunteer worker may mail a check to Bob McLean, Treasurer, Castro County Service Unit Committee, First State Bank, Box 7, Dimmitt.

Churches Join For Community Thanksgiving

Dimmitt's annual Community Thanksgiving Service, was scheduled for Wednesday night at the Lee Street Baptist Church.

SPONSORED by the Castro County Ministerial Association, the service was to begin at 7:30 p.m., with ministers from throughout the city taking part.

Delivering the Thanksgiving message was Rev. John Sewell, pastor of the Assembly of God Church.

Bobcats to Host Berger Friday; Swifties to Visit

Dimmitt's Bobcats will take on the Berger Bulldogs of District I-AAAA in North Elementary School gym Friday night.

THE SAME NIGHT, the Bobbies, will host Nazareth's Swifties.

Game times will be shifted from their regular schedule for Friday night's clashes, with three boys teams seeing action before the Bobbies and Swifties wind up.

DIMITT'S and Berger's sophomore teams will tip off at 4 p.m., followed by a junior varsity game at 5. The Bobcats and Bulldogs will meet at 7 p.m., and the Bobbies and Swifties will start play at 8:30.

Friday night's game will be the first for the Bulldogs and the fourth for the Cats.

Socorro Man New Golf Pro

Lee Olson, 41-year-old manager of the New Mexico Tech course at Socorro, has been hired as the golf pro for the Castro County Recreation Center.

HE WAS chosen from among eight applicants, and will assume his duties here Dec. 1, according to Dr. James Wohlgenuth, president.

Olson has been a golf pro 16 years and has served at courses in Flagstaff, Prescott, Phoenix and Tucson, Ariz., and Socorro. A native of Detroit Lakes, Minn., he attended the University of New Mexico at Albuquerque, then interned four years in Arizona. He has been the head pro at Socorro for 12 years.

OLSON and his wife, Oma—also a native Minnesotan—have three children, September, 12, Mike, 10, and Russell, 9.

Olson first met with the center's board of directors two weeks ago. He was in Dimmitt Tuesday to sign an open contract.

In addition to being golf pro at the new course here, Olson also will have all concessions at the course, selling golf equipment, renting carts, giving golf lessons and supervising the clubhouse snack bar.

New Fair Building Studied

M-M-M! — Today's the day for thanksgiving and feasting, and the aroma of that golden-brown Thanksgiving turkey is enough to affect even the portraits on the wall. Mrs. John Merritt, 700 Maple St., places the festive bird

on the table while her four children in the pictures show their anticipation. Framed on the wall are Johnny, 6, Lint, 17, Amy, 8, and Suzanne, 15.

The county commissioners' court is now studying plans for a large new fair pavilion which would replace the rundown stucco buildings on the fairground, but which would require a bond election to build.

JUDGE Raymond E. Wilson, who presides over the commissioners' court, said the county governing body would like to see the present stucco buildings torn down, the three steel stock barns remodeled, and a new steel pavilion built just north of the stock barns and connected to them by a concrete terrace.

Commissioners are now studying for the fair pavilion, drawn by Bill Cox, Lubbock architect. The blueprints call for a 160 by 100 ft. building with a large exhibit hall, room for a center arena, collapsible bleachers, kitchen, dining hall, storage room and large rest rooms.

"The commissioners have said they'd also like to see the present steel barns insulated, painted, well lighted and modernized, with new doors on them," the judge said.

HE ADDED, though, that the commissioners' study is only a preliminary one and that voters will be called upon to decide whether to build the pavilion.

"We're just looking the plans over and trying to see if the county can afford to do something about the fairgrounds," Judge Wilson said.

"The commissioners court seems to feel that the bond election should be put on the same ballot with the courthouse annex proposition, and the two be voted on as two separate issues," the judge added, "but no date has been set for a bond election yet. We still have a lot of studying to do—we don't know yet what the new fair building would cost."

DST No Good, Clayton Says

State Representative Bill Clayton of Springlake announced this week that he will oppose Daylight Saving Time for Texas next year.

CLAYTON, who headed the House committee that initiated DST on a trial basis this year, asked Gov. John Connally in a letter this week to include a bill to exempt the state from Daylight Saving Time when he calls the Legislature into special session in 1968.

"The people of Texas have tried the advanced time," Clayton said. "A Belton poll shows a general disapproval all across the state, and several polls taken in this area indicates a great majority of the people in my district do not like Daylight Saving Time."

Petitions opposing DST have cropped up throughout the High Plains area—including Castro County. The main argument against DST here has been that the one-hour advance made it difficult for farm families to get their children ready to board school buses in time on September and October mornings.

"**AFTER GIVING DST** a fair trial, and after having an expression from the people in the district by polls and by personal contact," Clayton said, "I will support any action to exempt Texas from the time change."

Seven Bobcats Make All-District

Seven of Dimmitt's Bobcats were named in the District 3-AA All-Conference selections, released Saturday. The Dimmitt football team list included five seniors and two juniors.

THE DREAM team was picked Wednesday night of last week at an Octon meeting of district coaches and administrators. At Clot's request, the team wasn't to be announced until after the district champion Mustangs completed their playoff games. The pickings were released after Octon's loss to Denver City in the 11-district game Friday night.

All boys on the dream team were nominated and elected by opposing coaches. No coach was allowed to nominate or vote for his own players.

DAVID LAND, 186-pound fullback, repeated this year as an all-district choice for a running back post. (Instead of picking offensive backs by position, coaches selected a quarterback

and three running backs.) Last year Land was the only sophomore named to the all-district team.

Donald Johnson, 147-pound senior guard, was selected by district coaches as one of the two best offensive guards in the district.

The other half of Dimmitt's Johnson twins, co-captain Ronald Johnson, was named to the all-district first team as a linebacker. Johnson, a 145-pound senior, was co-captain of the Bobcats and defensive signal caller.

JOHN HAYS, 149-pound senior quarterback who played both offense and defense for the B-bobcats, made the all-district first team as a defensive halfback.

Louis Rendon, 165-pound senior guard, also narrowly missed a berth as one of the district's top five defensive linemen, and was given an honorable mention.

The coaches chose no second teams. Here's the 3-AA dream team line-up:

OFFENSE
Quarterback — Tony Pounds, Memphis senior.
Running backs — **DAVID LAND**, Dimmitt junior; Benny Akin, Olton junior; Tony Perea, Friona junior.

CENTER — Tie between Ricky Hurst, Friona senior, and Steve Pierce, Floydada junior.

Ends — Roy Long, Memphis senior, and Clark Riley, Abernathy junior. (Honorable mention: **LINT MERRITT**, Dimmitt senior.)

DEFENSE
Linemen (5) — Richard Hancock, Hale Center sophomore; Clark Riley, Abernathy junior; Joe Moet, Friona senior (unanimous); Eddie Hooper, Olton junior (unanimous); Johnny Scott, Memphis junior. Honorable mention: **LOUIS RENDON**, Dimmitt senior.)

Linebackers (3) — **RONALD JOHNSON**, Dimmitt senior; Tony Perea, Friona junior; Kim Stansill, Lockney senior.

CORNER backs (2) — Allan Booth, Memphis senior, and Kenneth Johnson, Olton junior. (Honorable mention: **LINT MERRITT**, Dimmitt senior.)

Halfbacks (2) — **JOHN HAYS**, Dimmitt senior, and Charles McLain, Olton junior.

H-D Notes

Today We Count Our Blessings

By IRENE KEATING
Today is Thanksgiving! I hope each of you has a lot to be thankful for.

REMEMBER that we need to be thankful for good health and a happy home rather than material goods. Has it ever occurred to you that some people who have many material assets are unhappy due to poor health, an unhappy home life, etc.?

I wish a wonderful day for each of you. For those who have taken earlier trips I hope all of you have a safe journey and a marvelous day.

THIS WEEK I'd like to discuss a new publication with you, "Older Adulthood... Is What You Make It!" We have plenty of copies of this available so you can come by and pick one up if you want to.

"Older adulthood can be the most rewarding period in your life if you prepare for it. Of course, each stage in the life cycle should prepare one for future stages. Most people recognize childhood as preliminary to later periods of their lives. But how many people realize the importance of preparing for older adulthood while they are young or middle aged?"

In studies it is revealed that most couples plan to own their homes before they retire, many couples haven't thought about how they'll spend their time after retirement. Texas studies indicate over three quarters of the families studied had made little or no preparation for retirement. Average money income decreased 19 percent after retirement in one Texas study.

TOPICS covered in the publication include a suitable dwelling, desirable location, home ownership, financial status, importance of a will, retirement and medical care. Other items discussed are new leisure, continuing education, new arts and skills, com-

munity activities, and philosophy of life. I hope many of you will get this bulletin and read it. You will be surprised at the things that we need to do while we're young to prepare ourselves for an enjoyable older adulthood. There is no disgrace in growing old. In fact, some of my fondest memories are of the happy times I had visiting my grandparents.

LEARNING HOW to govern by the representative process are these members of Hart High School's student council. The council was formed only last year, and is now playing a larger role in student body activities and policies. Seated, from left, are senior Danny Rice, president; junior Iona Clevenger, vice-president; and junior Rebecca Futrell, secretary-treasurer. De Rhonda Brown and Donnie Shive, freshmen; Danny Smith and Pam Shive, sophomores; Linda Popejoy and W. A. Hawkins III, seniors; Principal Weldon Bates, sponsor; and Joe Quiroz and Reba English, juniors. Two non-voting junior high members are still to be elected.

Dr. Hackerman Gets UT Office

Dr. Norman Hackerman has become president of the University of Texas at Austin following an administrative reorganization recommended by Chancellor Harry Ransom.

DR. RANSOM will concentrate all his efforts on administration of the UT System (10 campuses in seven cities), relinquishing most of the responsibility for day-to-day operation of UT Austin. Dr. Hackerman has been UT vice-chancellor for academic af-

fairs since 1963. He is a well-known chemist whose research specialty is metal corrosion.

MORE THAN 1400 separate proposals on veterans' benefits were received by the Veterans Advisory Commission during 11 meetings across the nation during the past six months. All the proposals will be weighed by the Veterans Administration as the basis for recommendations to be sent to the President next January.

Bible Thoughts
IS THERE A SUBSTITUTE FOR GOD?
By Ronnie Parker

The effort to find a substitute for God is as old as man. Long ago man found it hard to realize an unseen God so he made him a God. Man came to substitute and idol of wood, clay, or stone for his God. Men are constantly doing the same in one way or another today.

There are those who substitute man for God. Some are trusting man to save himself. These are the worshippers of progress. They have bowed at the shrine of science. Progress has been made. We can "out-swim the fish, out run the antelope, out trumpet the elephant, and outfly the eagle," but so what! While man is a splendid creature made in the image of his Maker, he is no substitute for God.

Many substitute mammon for God. It is perfectly amazing the grip that money has on the minds of many religious people. Though some are aware of spiritual values, they love money more. Worship of money is as deadly as the worship of the sacred ox. Both are idolatry.

Remember that Jesus said, "And this is life eternal, that they should know thee the only true God, and him whom thou didst send, even Jesus Christ" (Jn. 17:3). No! There is no substitute for God. To miss God is to miss life.

COMMUNITY CHURCH SCHEDULE

Table listing church schedules for various denominations including Catholic, Baptist, Methodist, and Christian churches, with times for Sunday, Wednesday, and other services.

THE SEASON FOR...

COLDS AND FEVER

THE COMMON COLD... one of the few viruses that man has not conquered with a cure. The only thing that we have come up with so far, are medicines to give us relief. Perhaps, some day, someone will come up with the solution.

There are many spiritual things that we do not know the answers to. These things we must accept on faith.

"The secret things belong unto the Lord our God: but those things which are revealed belong unto us and to our children forever, that we may do all the words of this law."

God has revealed himself, his son, and his commandments, these are the major things. Attend church Sunday, learn more of God's will for your life.

Capt. Conrad Piloting Jets Over Vietnam

Capt. Theodore J. Conrad, son of Mr. and Mrs. Leonard J. Conrad of Nazareth, is on duty at Phu Cat Air Base, Vietnam.

CAPT. CONRAD, an F-100 Super Sabre pilot, is assigned to a unit of the Pacific Air Forces. Before his arrival in Southeast Asia, he was assigned to the 4517th Combat Crew Training Squadron, Luke AFB, Ariz.

A 1956 graduate of Nazareth High School, the captain attended West Texas State University and Texas Tech.

He was commissioned in 1960 through the aviation cadet program.

Capt. Conrad's wife, Jeannie, is the daughter of Mr. and Mrs. W. W. Overstreet of 2908 N. Prince, Clovis, N.M.

Slough Finishes Ranger Training

Second Lieutenant Russell E. Slough, 23, son of Mr. and Mrs. James L. Slough, 303 NW Fifth St., Dimmitt, completed the Army Infantry School's ranger course Nov. 9 at Ft. Benning, Ga.

THE NINE-WEEK course is designed to develop exceptional endurance in the infantry soldier as well as teach him the skills of field craft, jungle survival and special amphibious operations.

Training in small boat operations, water crossing and jungle survival was taught in the Florida ranger camp at Eglin Air Force Base, while mountaineering and long-range patrolling instruction was given at the mountain camp in Georgia.

Local Girl Wins ACC Scholarship

Donna Summers, daughter of Mr. and Mrs. Elbert Summers, Route 1, Dimmitt, is among nearly 700 scholarship recipients at Abilene Christian College this fall.

A 1966 graduate of Dimmitt High School, Miss Summers is a sophomore business major. She has been named to the Dean's Honor Roll and is a member of Delta Theta social club.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish.

TEEN CLUB BANNER — This blue and gold banner of the Dimmitt Teen Club may look professional, but it was actually homemade by Joan Braafladt (left), 16-year-old sophomore, and Shirley Leinen (behind banner), an 18-year-old senior. Here, the two girls show their handiwork to Joe Land, youth activities chairman of the Dimmitt Jaycees, co-sponsor of the teen organization. Teen Club members adopted their statement of purpose when they first organized in September, and Joan and Shirley spent two weeks hand-cutting felt letters to put the purpose into banner form for recitation at all Teen Club meetings. The emblem on the banner was designed by George Nelson and Danny Goolsby. The new banner was unveiled at Monday night's Teen Club meeting in the Presbyterian Church. The Teen Club now has 136 members and a treasury of \$514 for community projects.

Nazareth

Knights Conduct Memorial Rites

By Mrs. Florance Albracht using the "Pattern" treatments on her.

On Tuesday evening of last week, the Nazareth Council of Knights of Columbus held memorial exercises for their deceased brother, Carl Burt. The ceremony with prayers and eulogy of the deceased is very touching and impressive. It is only in the last couple of years that guests of the Council can witness this ceremony.

Tuesday night the Council again held memorial exercises for all the deceased who have belonged to this council.

THE SCHOOL children held a drive Tuesday for the Muscular Dystrophy Association and collected \$91.08.

Mr. and Mrs. Gene Hubbard of Amarillo and Mr. and Mrs. Cyril Brockman spent the weekend in Dallas. They attended the 10-year class reunion of the '57 class of nurses of St. Paul's Hospital, of which the women are members. They also took in the SMU-Arkansas football game Saturday.

Mr. and Mrs. Tom Annen left Sunday to spend the Thanksgiving holidays with relatives at Mansfield and Arlington.

TUESDAY evening Father Arthur Meyers, spiritual director of the Third Order of St. Francis fraternity, and his two altar boys, Samuel Chevat and Raymond Gonzales, had supper with the Florance Albrachts before the meeting.

DARYLL BALL, son of Mr. and Mrs. Sonny Ball, surprised his folks by coming home a week early on his leave. He has been stationed in Korea the past 13 months. He has a 22-day leave and then will report to Fort Carson, Colo.

Mr. and Mrs. Bud Steffens took their little daughter Doris to have a checkup with her doctor in Hereford Wednesday. The doctor was pleased with her progress. The family and a group of women are

Turkey and Pork Month's Top Buys

Turkey is one of the most economical protein foods on the market—and just in time for the holiday season.

A LARGE turkey (18 pounds or more) usually sells for less per pound, reports Gwendolyn Clyatt, Extension consumer marketing specialist with Texas A&M University. For an added bonus, this size bird has more meat in proportion to bone.

Pork is seasonally in good supply, too, with good values on pork shoulder roasts and steaks, picnics, hams, bacon and sausage. Beef chuck roasts and steaks, and boneless roasts are featured items at many markets.

Cranberries are available, usually in one pound cello bags or boxes. The cranberry season is short, so you may want to freeze a few cartons for future use. High quality berries are plump, dry and firm, Mrs. Clyatt explains.

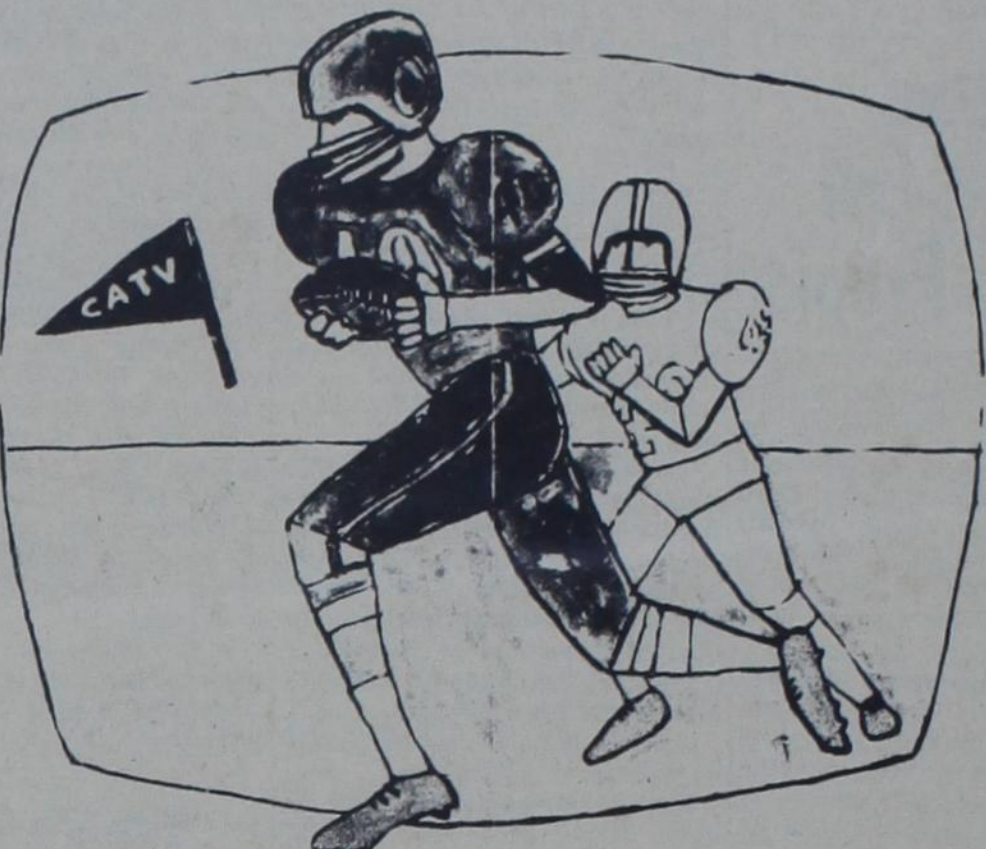

Green cabbage, eggplant, carrots, mustard, collards, turnip tops and roots, hard shell squash, sweet potatoes and dry yellow onions are among the better vegetable choices, price-wise. Cauliflower, broccoli, and brussel sprouts now offer menu variety at moderate price levels.

Nazareth to Host Bi-County PTA

The Swisher-Castro Bi-County PTA Council will meet in Nazareth School Tuesday.

licity chairmen for local PTAs are urged to attend, as well as regular PTA members and officers. Coffee will be served at 9 a.m. with the meeting to begin at 9:30.

Don't miss the bowl games!

Trans-Pecos Deer Outlook Is Good

Mule deer hunters can look forward to a good season in the Trans-Pecos Area this year, according to Jack Parsons, regional wildlife supervisor for the Texas Parks and Wildlife Department.

PARSONS SAID mule deer range from good to excellent physical condition in most of the nine counties which make up the Trans-Pecos regulatory area.

"Range conditions are good in most of the Trans-Pecos Area. There's a slight increase in the heads which totaled 155,000 last year," Parsons said. "Production has been normal."

Mule deer antlers should be better than average, Parsons said, due to better range conditions.

The total kill is expected to be somewhat more than 9,000 bagged last year, Parsons estimated. The season will begin on Saturday and runs through Dec. 10.

HUNTERS ARE reminded that the special mule deer tag on their license this year is only valid in the Trans-Pecos Region. In essence, the tag will permit hunters to kill an extra white-tailed deer. Previously, hunters had to use a regular tag on the mule deer.

Because of the buck mule deer tag, a total of four deer may be taken by a hunter in the Trans-Pecos. However, no more than two mule deer may be taken, of which no more than one mule deer buck may be bagged.

Barbara Hansen Is Crowned Sweetheart of Dimmitt FFA

Tuesday, Nov. 14, the Future Farmers of America in DHS crowned Barbara Hansen their 1967-68 Sweetheart.

Barbara is a sophomore in DHS and is the daughter of Mr. and Mrs. Walt Hansen.

Johnny Davis, FFA president, presented Barbara with a dozen long-stemmed roses, a beautiful crown and a kiss.

Candidates from the other three classes were Chris James, senior; Diane Webb, junior; and Jill Braafadt, freshman. They each received corsages of red carnations.

★ **TEEN MEMBERS** of the Teenage Library Club left at 8 a.m. Saturday, Nov. 11, for Tulla to attend the district convention.

Vickie Powell, president, acted as voting delegate and spokesman for the Dimmitt chapter.

The members returned to Dimmitt at 4 p.m. Saturday.

The Teen Library Club is sponsored by the one and only DHS librarian, Mrs. Leeth.

★ **TUESDAY, NOV. 7, the Future Teachers** of Dimmitt attended the district convention at Canyon.

They left on a bus at 7:30 a.m. and returned at 2:30 p.m.

General sessions, elections and workshops were attended.

Dimmitt was allowed twice as many voting delegates this year due to the increase in membership. The six delegates were Chris James, Mary Lee Stone, Linda Bruton, Russell Stringfield, Doricell Oldham and Anita Cameron who was spokesman.

This organization is sponsored by English II teacher, Mrs. Sharp.

★ **THE DHS PEP Club met** Wednesday, Nov. 15 to discuss and prepare themselves for the oncoming basketball season.

The girls were given passes for the home games which will be valid only when they are in uniform.

The Pep Club is to be congratulated on their magnificent support of our Bobcats and we wish them a great future with the basketball teams.

★ **THE DIMMITT Teen Club** meets on Monday nights at 7:30 p.m. in the courthouse basement.

Regular business and activities are carried on and all those wishing to attend are welcome. New members are also welcome.

P.S. Jeckyl and the Hydes will play for the Christmas dance, Dec. 23!

★ **THE NATIONAL Thesplan Society** presented the play, "Dark of the Moon," Tuesday, Nov. 14 in the High School Auditorium.

Senior Boy of Week:

Mark Brooke

On June 29, 1949, the Lubbock Methodist Hospital was the scene of the birth of another of our mighty seniors. Mr. and Mrs. D. C. Brooke became the parents of a son, Etery Mark Brooke.

MARK, being a typical teenager, says that his favorite pastime is "kicks." He enjoys loafing, TV, reading, and of course making the drag. His favorite song is "Soul and Inspiration," and his favorite group is the Monkees.

For co'rs he chose red and blue while the GTX tops his list of cars. Burt Lancaster is his choice actor and he especially likes "The Ten Commandments." A few of his other favorites are: Food, steak, class, speech; teacher, Miss McMinn; and hobbies, reading and tennis.

He is also a member of the Library Club.

THE ONLY pet peeve Mark has is anyone putting down shoes and no socks, or being barefoot altogether. He says this has to do with boys.

In the future Mark plans to attend college, and certainly everyone wants to wish him the best of luck in all that he does.

Who's Who

Who's Who for this week is a peppy sophomore named Karen Gail Lytle, daughter of Mr. and Mrs. A. M. Lytle, who live at 205 NW Third St.

SHE WAS born on May 18, 1952, in Plainview. Other members of the family include two brothers: Dennis and Jerry.

As a freshman, Karen held the honors of class favorite, Spirit Queen candidate, and a class officer. She is now a member of student council and an officer in FHA.

Some of Karen's favorites include: song, "By the Time I Get to Phoenix"; food, hamburgers; color, green and blue; car, SS-396 (red and white); sport, all kinds; book, Gone With the Wind; movie, "West Side Story"; actor, Sean Connery; actress, Elke Sommer.

BAND, basketball, skating, skiing, and swimming are Karen's hobbies and her pet peeve is stuckup people.

All the kids have their own special feelings for DHS. Karen says, "It's a good, small school with friendly people."

After graduation, her future plans are: "Going to college, after that I haven't given the matter much thought." Much luck to you in the future, Karen.

Must Assemblies Be Slouch-Time?

By BETSY SIMPSON

"Do unto others as you would have them do unto you." A very true statement which is totally disregarded in respect to our school assemblies.

ARE WE so tired that we can't even sit up straight in our seats? Do we have tired blood? Do we get the "blahs" and just don't care? To peek into the auditorium once the student body is congregated, one would think it a home for the much-publicized "hippies."

I have not been to a single assembly program in which someone did not prop his knees up on the chair in front of him and comfortably shift his weight to the "slouch." Being as guilty as anyone, though, I had not thought how terrible this looks to a stranger until I had the opportunity to survey the situation myself. In fact, the picture I got repulsed me to no end.

THE SEATS in the auditorium are comfortably upholstered—there is no doubt about that, but why is it so much easier to slouch, when, in reality, one can see better from the conventional sitting position?

Several teachers have been heard to comment on the behavior. Our behavior is not so bad; it's only the minority that do not act in a manner that is becoming to a high school student.

Yet, the senior class is to blame for most of the unruliness which occurs because they are the ones who set the examples by which the underclassmen react.

There are manners particular to the gym which are not acceptable in the auditorium, also most of the students in DHS are aware of these and do their best to correct those people abusing them.

THE OTHER DAY, though, in the assembly wherein the all school play was presented, the entire school put on their best manners. One teacher was especially ecstatic over the behavior and wants the student body to be commended publicly.

We can do what we want to. No one has told us yet—that we may not assume the sitting position most favored by all but we may take it upon ourselves to correct it before the faculty does, so, take your "Geritol" and come to assembly prepared to sit up!

Bobcat of the Week

Donald Johnson

Even though football season is over, there are still some football boys who deserve some recognition.

DONALD PAUL Johnson, son of Mr. and Mrs. H. W. Golden is a senior defensive linebacker and offensive guard. His number is 64, and he weighs 148 pounds, and stands a tall 5-ft., 9-in.

Donny feels the players are great guys and he really enjoys the games.

DHS, in his opinion, is really a great place to go to school as far as going to school is concerned and he thinks the kids are real friendly and the teachers are, every now and then.

IN THE FUTURE, Donny plans to go to West Texas State University and then later go into the Marine Corps. But he will never forget his favorite pastime in Dimmitt, which is shooting pool and his favorite activity in school was being a member of the Bobcat Band. Thank you Donny, and we hope you have good luck in the future.

Senior Girl of Week:

Oreda Bradshaw

This week our Senior Girl of the Week is Eula Oreda Bradshaw.

ORED A is the daughter of Mr. and Mrs. R. E. Bradshaw. She was born at Altus, Okla., June 1, 1950.

Among Oreda's favorites are listening to the radio and her favorite song happens to be "In the Chapel in the Moonlight." Her favorite color is blue; actor and singer, Dean Martin; movie, "Gone With the Wind."

She enjoys eating roast beef. Her favorite class and teacher is English and Mrs. Hedrick. And among her many hobbies, her favorite is reading.

ORED A'S pet peeve is snobbish people.

After graduation, she plans to attend beauty school in Oklahoma City. We want to wish Oreda the best of luck.

The Shadow

Subject Almost Outruns Shadow

Hi there! I'm the shadow and if you've ever been a shadow, it "ain't" easy because it doesn't matter when you get tired. You always have to follow that dumb old human.

WELL, I thought that one of my shadow friends and I could change since I had such an active human, but what I didn't know was that I was getting even a bigger mess. It all started last Monday when we got up and went to school. The day was fairly normal except he was all excited because the next day was band contest.

After school, this human of mine nearly lost me, running to the auditorium so fast and later I learned that he had a big part in the all school play and was also a backstage hand. I followed him all over the stage and then

when the speech teacher finally said that we could go home, I thought I was going to get to rest but I was badly mistaken because he went home, ate supper, and then came back to school for band practice and he nearly walked me to death.

AFTER BAND practice, he went home but he studied until 11 o'clock. I was awful tired and boy was I happy when he finally went to bed!

Well, I thought that the next day would be a sight easier but it wasn't because the band went to Plainview and I had to march behind him. After we got back to Dimmitt, we went home but returned to the school later and practiced for the play.

Wednesday, I was so tired that I didn't think I could make it through the day, but, after school we went to play practice and then finally home, but he studied late again.

Thursday was terrible because he went to play practice at 6:30 and Mr. Farrer started putting make-up on his face and I finally found out that it was dress rehearsal and was I glad that I didn't have to have all that goop on my face!

FRIDAY was the football game and after going to the game, we both went home because we were

Then Saturday we came to the school about 5:00 and sat down and went through the lines in the play, ate, and started getting ready for the play that was to be put on that night. I thought my human did one of the best jobs in the play. After the play, a party was held and we both attended and then returned home.

Sunday was a quiet day since we were so tired, consequently, after church, we both just rested.

Monday was a great day and we thought he was going to get to school a Monday night at home but then, over the loud speaker came this voice that said the play would be presented to the school on Tuesday and that a play rehearsal would be held Monday night.

THEN Tuesday morning came and we went to school but because of the play we didn't attend any classes until the last of fifth period. Boy! Did the play turn out a success! I finally figured that Robert Froehner is just too active for me so I'm going to trade again.

Seniors Get Photo Proofs

This week started off with a bang in DHS. Most everyone was preparing for the ball game against Floydada which was to be the last for the season. That night fans were everywhere shouting for victory although it was cold. Winning the game 30-7 really gave everyone something to brag about.

A LARGE High School and Junior High School crowd gathered at the Hootenanny after the game. Hot pizza was served and the Minor Details played several of their favorite songs. A few of the dates seen around town were: Anita and Tommy C., Danny B. and Karen Birdwell, Linda Bruton and Scott Talley, Chris and Tom, A'llan and Ray, Doricell and Joe Bob, Debra and A. D.

The Bobbies traveled to Plainview to the basketball clinic. They might not have won but we are still proud of them for playing a good hard game and showing excellent sportsmanship. Mickey, are you taking after Toot? (Two dates in night?)

MONDAY WAS the day that the seniors received their proofs of their Senior pictures. There were a lot of Oh, that's good, oo's and ah's. Nearly everybody had a hard time deciding on their favorite proof.

What? No band practice? Oh, well, the play cast was hard at work on the play anyway.

Paula, no mum, yet?

After the play Tuesday, Johnny Davis presented the '67-68 FFA Sweetheart, Barbara Hansen, to the student body. She received a dozen long-stemmed red roses with the traditional kiss. How about that, Shelly?

THE ANNUAL STAFF photographers seemed to be busy all day taking pictures. Is that right, boys? We wouldn't want you to overwork yourselves, now would we?

Co-op Urges Corn Increase

Corn apparently will be one of the biggest crops of the future for Castro County, and Dimmitt Wheat Growers, Inc., is urging more county producers to plant corn for the 1968 crop year.

To encourage more corn production here, Barry Love, agricultural representative and agronomist, has compiled a corn production guide which this week was sent to all DWG members.

Aaron Isaacs, general manager, noted that many county producers besides members of the cooperative may want to grow corn commercially next year.

For those who want to consider corn as a money crop in 1968, here is Love's corn production guide:

By BARRY LOVE

The information presented here is to be considered, as the title suggests, merely as a guide. Many of you are well familiar with corn production for grain or silage, while others have never grown the crop commercially.

The following information is provided to acquaint you with the crop and familiarize you with similarities as well as differences be-

ween production, harvesting, handling and storage of corn and grain sorghum.

SEEDBED PREPARATION

This operation will be the same for corn as for grain sorghum. Top of bed planting is recommended.

FERTILIZATION

The fertilizer requirements of corn are quite similar to grain sorghum. It will probably be necessary to use a slightly higher level of nitrogen for corn while the phosphorus level will be the same and it may be necessary to use potash before many years of production have passed. Sulfur and micronutrients are needed only when the individual situation warrants them. Although a split application of nitrogen is definitely more effective, it would be wise to consider applying the entire amount pre-plant because weather often prevents sidedressing. The phosphate source can be applied the preceding fall and nitrogen applied either fall or spring as the workload allows.

PLANTING

1. Time — For maximum yields and decreased damaged from the

Southwestern Corn Borer, an early planting from March 28 to April 15 appears to be most desirable.

2. Seed — As with grain sorghum it is very important to find a hybrid specifically adapted to your needs. While our growing season allows the maturity of longer season hybrids, the medium maturity ones will probably net more because of decreased damage by the corn borer as they can be harvested earlier.

3. Seeding Rate — For our area the optimum plant population is 20,000 to 24,000 plants/acre which can be obtained by planting 15 to 20 lbs./acre, depending upon kernel size. The plant population figures are more meaningful than pounds per acre.

4. Depth — Optimum depth is 2-3 inches unless a deeper planting is indicated to reach moisture.

5. Planting Equipment — The planting equipment now used for grain sorghum or cotton is quite satisfactory. If you use a row-planter your implement dealer can provide the correct plates for you. Before deciding on the row

width to use, first determine your harvesting method.

WEED CONTROL

1. Mechanical — Rotary hoes, sweep cultivators, and rolling cultivators may be used to control weeds in corn as with grain sorghum.

2. Hand-weeding — Of course this ancient, but effective means of controlling weeds is applicable to corn and must be used to supplement mechanical means.

3. Chemical — Atrazine 80W is an effective herbicide for use either pre or post-emerge. There are other herbicides, but none quite as satisfactory at this time.

4. Flaming — Since corn is a rapidly growing crop small weeds can be satisfactorily controlled by the proper application of heat from a high-clearance mounted flame cultivator.

DISEASES:

1. Maize Dwarf Mosaic Virus (MDMV) — This is the disease that is most likely to be a problem to corn production in this area. We saw the appearance of this disease in our area this year and it can be expected to increase. The answer to this menace seems to lie with the development of tolerant hybrids, some of which are already available.

2. Stalk-Rot — Several species are harmful to corn. In general corn is susceptible to most of the diseases affecting grain sorghum.

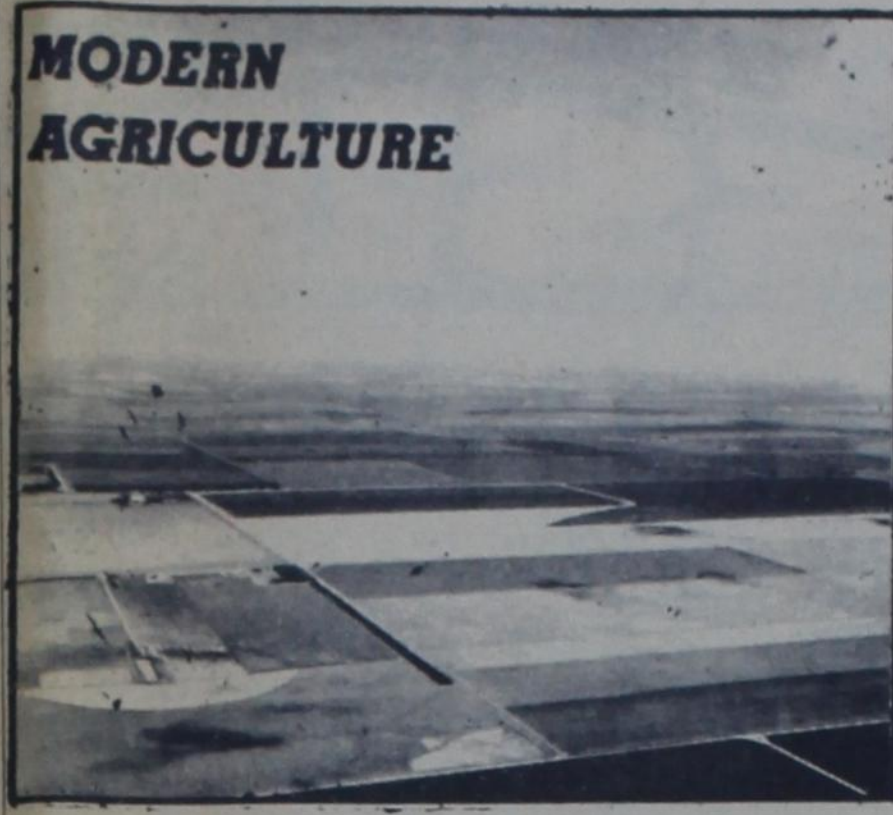

INSECTS:

1. The number 1 menace to corn production in this area is the Southwestern Corn Borer. The second generation larvae of this insect, which appears in late July or early August, causes most of the damage to corn plants by entering the stalk and girdling it just above ground level. After being weakened stalks rapidly lodge when the wind blows. This lodging usually occurs after corn reaches maturity.

1. Cultural — Early planting will minimize damage.

2. Mechanical — Topping the plant just above ear level, when grain is in the hard-dough stage, shows great promise to reduce lodging.

3. Chemical — Two spray applications of SEVIN 7 to 10 days apart, applied to the top of plants as 2nd generation borer larvae emerges from the whorl (middle to late July), will give good control.

Modern Agriculture

The nation's biggest industry is not US Steel, General Motors or AT&T, and yet employs six million workers.

It's modern agriculture.

THIS INFORMATION is only a small facet of the total agribusiness picture. Farm-City Week, Nov. 17-23, proclaimed by President Johnson, is to promote better understanding between farm and city residents, to increase their knowledge and appreciation of each other and their contributions to the American way of life.

The farmer's contributions to the American way of life are substantiated by figures from the US Department of Agriculture. The USDA shows that agriculture's assets total \$238 billion. This sum is equal to about half the market value of all corporations stocks on the New York Stock Exchange.

Today's farmer is also a good customer. He spends nearly \$30.3 billion a year for goods and services to produce crops and livestock. The farmer also spends \$12 billion a year on food, clothing, drugs, furniture, appliances and other products.

ACCORDING to the USDA, the farmer's purchases include:

- \$4.7 billion in new farm machinery. It takes 119,000 employees to produce this farm equipment.
- \$3.3 billion for fuel, lubricants and maintenance of machinery and motor vehicles. Farming uses more petroleum than any other industry.
- \$6.5 billion for feed and seed.
- \$1.7 billion for fertilizer and lime.
- 30 billion kilowatt-hours of electricity, more than is needed annually by Baltimore, Chicago, Boston, Detroit, Houston and Washington, D.C. combined.

THE MODERN farmer is a creator of employment. Three out of every 10 jobs in private employment are related to agriculture. Six million people have jobs providing the supplies farmers use, and eight to 10 million people have jobs storing, transporting, processing and merchandising agricultural products.

President Johnson said that in less than a generation, the American farmer has created a greater agricultural abundance than his predecessors achieved through all

Cotton Harvest Approaches Peak

Cotton harvest in Castro County and throughout the South Plains approached peak activity over the weekend, and the USDA Classing Offices at Lubbock, Brownfield and Lamesa received samples from approximately 32,000 bales Saturday.

W. K. PALMER, who is in charge of the Lubbock office, said the USDA cotton classing offices at Lubbock, Brownfield and Lamesa classed approximately

50,000 samples during the week ending Friday. This brought the total classed at the three offices this season to 151,000. Through Nov. 17 last year 394,000 samples of the 1966 crop had been classed. Middling made up 24 percent of the total classed at Lubbock last week, Strict Low Middling 46 percent, Low Middling 1 percent, Middling Light Spotted 22 percent and Strict Low Middling Light Spotted 7 percent.

Forty-four percent of the cotton classed at Lubbock last week stapled one-inch and longer, compared to 46 percent the previous week. Two-tenths percent of all cotton received at Lubbock last week stapled one and one-sixteenth and longer.

MICRONAIRE continued the seasonal decline. Fifty-two percent of the cotton "miked" in the Lubbock office was in the 3.5 and better micronaire category, 15 percent "miked" 3.3 and 3.4, 22 percent was 3.0 through 3.2, nine percent 2.7 through 2.9, and two percent 2.6 and below.

Forty-eight percent of the cotton classed at Lubbock last week had Pressley reading of 80,000 pounds and higher, compared to 56 percent the previous week. Pressley is an indication of fiber strength, and the most desirable Pressley reading is 80,000 pounds and above.

Trading increased in the new crop cotton on the Lubbock market and prices were generally \$5 to \$15 per bale higher.

AVERAGE prices paid for the most predominant qualities in the 3.5 to 4.9 micronaire range were 22.65 for Middling 31-32; 24.60 for Middling one inch; 39.00 for Middling 1-5-32; 19.30 for Strict Low Middling 15-16; 20.95 for Strict Low Middling 31-32; 22.60 for Strict Low Middling one inch; 36.75 for Strict Low Middling 1-5-32; 19.45 for Middling Light Spotted 15-16; 21.20 for Middling Light Spotted 31-32; and 22.65 for Middling Light Spotted one inch.

Prices paid farmers for cottonseed ranged from \$50 to \$60 per ton.

generations of American history.

"Our food and other farm products are helping to relieve hunger and to promote economic growth in the newly developing countries of the world," Johnson said.

ACCORDING to John G. McHany, Extension economist, close to 40 percent of the people in Texas are engaged in producing agricultural products, supplying farmers with production items and in processing and distributing products to the consumer.

Today, one farmer worker in the United States provides food for himself and more than 35 others, McHany said.

This is a far cry from Adam Smith's dream. Smith, a great economist of the 18th Century, visualized the time when one farm worker, through the improvement and cultivation of land, could provide food for two people and release the other half to be employed in providing other wants and fancies of mankind.

TODAY'S society has the highest level of living in the world, dream of Adam Smith.

W. Arthur Lewis, another English economist wrote, "It is not profitable to produce a growing volume of industrial products unless agricultural production is growing simultaneously. This is also why industrial and agrarian revolutions always go together, and why countries and economies in which agriculture is stagnant do not show industrial development."

PARALLEL TERRACES are now being built on the Raybern Ott farm near Dodd, to supplement a well established waterway in Bermuda grass. David Springer, work unit conservationist for Running Water Soil Conservation Service, explains that this waterway — much like nature's original grass-covered waterways — will provide an outlet for the terraces and deliver excess water to a lake downhill for pumping, while eliminating the erosion problem. (Soil Conservation Service Photo).

48 Attend Shortcourse; Next Session Is Monday

About 48 farmers, fertilizer dealers and businessmen from Castro and surrounding counties heard discussions on nitrogen and phosphorus at the first session of the Soil Fertility Shortcourse at Dimmitt last week, Charles

Grain Sorghum CHAFF

By WES ANTHONY

Boy oh boy, did you see the picture of the "beautiful" fairgrounds in Dimmitt week before last in the News?

WERE YOU proud of it? I doubt it.

Personally, I was ashamed and disgusted to think that a county with an annual livestock and agricultural gross income of over 40 million dollars could not afford something better than this.

Don't you think it's time to do something about it?

JUST RECENTLY my wife and I had the pleasure of visiting Nova Scotia, which is, as you know, a large peninsula some 800 miles long and over 100 miles wide, just off the east coast of the mainland of Canada.

While we were there we visited a county fair.

We here will produce more agriculture than the whole province of Nova Scotia. But we were amazed at the county fairgrounds we saw there.

There were eight livestock barns full of horses and cattle (no sheep or hogs). The barns looked like they were all the same size, and I counted 40 calves in one barn.

There was another barn filled with ladies' exhibits, still another for merchants' exhibits, and still another for forestry products. But to cap it all there was a coliseum some 150 feet by 200 feet. Looked like it would seat around 2,500 people around the large arena in the center.

I would judge the grounds covered some 10 or 15 acres. The people were certainly proud of it.

I didn't tell them we could not afford something like this in my home county in Texas.

★

Mother, speaking to small child: "If I've told you once I've told you a million times not to exaggerate!"

Hotel, county agricultural agent, said.

The shortcourse was held in DHS cafeteria.

LEAD-OFF speaker was Dr. Eugene Coleman, associate professor of agronomy at Texas Tech, who discussed "Nitrogen's Role in Crop Production."

Large amounts of nitrogen are removed from the soil when crops are produced, Coleman said, and this deficit must be replenished. He added that 6,000 pounds of grain sorghum produced on an acre of land will take with it 100 pounds of nitrogen. Furthermore, it takes about 200 pounds of the nutrient to produce the 6,000 pound yield. So, large amounts of nitrogen are required to keep are applied to the soil to become a soil in a high state of fertility.

Coleman also discussed the process of nitrification, which involves the changes that occur to nitrogen compounds when they are available for plant use. Nitrates are the available forms of nitrogen compounds, and their formation is affected by soil temperature, aeration, PH level and moisture.

Nitrification best occurs when the soil temperature is above 50 degrees F., Coleman pointed out. Also, the soil should be fairly loose for good aeration and contain adequate moisture. The PH range should be between 6.5 and 8, he added.

In discussing the application of nitrogen, Coleman said that on sandy soils, the element should be applied just prior to planting or by side dressing. On clay or tight soils, however, time of application is not significant.

Coleman concluded by saying that fertilizer is not a cure-all by any means. It is important for top production, he added, but should be used only with an overall program of good management.

ALSO SPEAKING at the first session of the shortcourse was South Plains Research and Extension Center, Dr. Arthur Onken, assistant professor of soils and fertilizer at the Texas Center. His presentation concerned "Phosphorus Response and the Reactions of Phosphate Materials in West Texas Soils."

Phosphorus deficiencies do not always show up as visual symptoms (discolorations) in plants, Onken said. However, he added that significant responses often can be obtained from crops by the application of phosphorus. Onken contended that applying phosphorus preplant by either banding or broadcasting is best for top results.

In discussing phosphorus availability, he pointed out that the species of plant as well as its root activity plays an important role in the amount of phosphorus used. Also, the solubility of the phosphorus compound is an important factor and the element's removal rate in a particular type of soil must also be taken into consideration.

Onken also discussed fertility

tests conducted in loose, sandy soils in which the addition of phosphorus resulted in a zinc deficiency. This occurred through a chemical reaction in the soil in which the available zinc joined with the phosphorus to form insoluble zinc phosphate.

The two speakers stressed the use of soil tests for a better fertility program, particularly to determine the need for phosphorus. Few responses have been obtained from potassium and none from sulfur.

THE final session of the shortcourse will include a discussion on soil-plant-water relationships as they affect production and fertilizer response and a presentation on diagnosing nutrient deficiencies and the secondary and micro-nutrient situation.

This meeting will begin at 6:30 p.m. Monday in the Dimmitt High School Cafeteria, Hotel said.

Extension Okayed On '67 Crop Loan

Wheat, corn, grain sorghum, oats and barley from the 1967 crops which are under price-support loans in commercial storage, will be eligible for loan extensions (resale) before the crop loans mature late in the spring or early summer of 1968.

ALL PRODUCERS who are eligible for price support on 1967 crops will be eligible for resale in commercial storage or farm storage if approved for the state, according to Charley Hill, County ASCS office manager.

Storage costs accruing during the resale period will be paid by CCC. These payments will be made to farmers who provided farm storage or who prepay warehouse storage charges for the extended period. If warehouse charges are not prepaid, CCC will extend period direct to the storage warehouseman. Payments by CCC to the warehouseman will not relieve producers of their obligation for warehouse charges which accrued during the initial loan period.

Producers may redeem resale commodities at any time and dispose of them as desired, Hill explained.

Under the 1967 crop resale program, price-support loans on stored commodities will be extended beyond the 1968 maturity dates until called. CCC retains the option to resale loans at any time the stocks are needed.

Storage rates on the 1967 crops now eligible for resale loan extensions will be announced later and will be available at state and county ASCS offices, Hill said.

AIRMAIL cards and parcels should be mailed to servicemen overseas no later than Dec. 11 to assure before Christmas delivery.

IRRIGATION

According to the best information available the following schedule should produce maximum yields: Preplant; When plants are 18-20 inches tall; Tassel to silking stage, and Soft-dough stage. Rainfall may make it possible to omit one or more of these irrigations. The two most important of these are pre-plant and the first post-plant.

In general corn will require approximately the same amount of moisture as grain sorghum for a similar yield.

HARVESTING

A conventional grain combine can be used for harvesting corn if equipped with a corn header. Plates are also placed between cylinder bars to prevent passage of cobs through the cylinder. The cylinder-concave clearance should be at a maximum. It now appears that it may be feasible to harvest topped corn with a combine equipped with a conventional grain header and pickup reel. Hesston row attachments, Roll-a-Cones or other gathering devices. Whenever possible the harvested grain should not exceed 20 percent moisture.

YIELD POTENTIAL

With adapted hybrids, producers with ample irrigation water should consistently yield 120-130 bushels per acre on good land. With the development of better hybrids 150 bushels should be attained in a short time.

HANDLING AND STORAGE

Corn can be handled and stored much the same as other grains. This grain will usually be harvested and marketed at a higher moisture level than grain sorghum. Corn will be purchased on the basis of No. 2 grade which has a maximum of 15.5 percent moisture and minimum of 54 lb. test weight.

More information on corn production will be made available at a later date, however if you have questions on any phase of corn production, drop in and we will be most happy to discuss the matter with you.

THANKSGIVING

In the Tradition of the Holiday, We Gratefully Take Account of Our Bountiful Blessings . . .

Prayerful moments in the church of our choice . . . happy moments with family and friends . . . these are the times when we most appreciate all our daily blessings. Today, we join with you in giving thanks . . . and extend our best wishes for a happy Thanksgiving.

Water Depletion Amended Claims Net \$1.4 Million

High Plains Underground Water Conservation District I reported this week that the Internal Revenue Service in Dallas has processed 6,218 amended water depletion tax claims for the years 1932, 1933 and 1934.

A TOTAL of \$1,400,000 was refunded from these claims district officials said.

And Revenue officials estimated that between 5,000 and 5,500 individual claims were made for the years 1965 and 1966, resulting in refunds of \$1 million to \$1.2 million per year to farmers filing.

The 1965 and 1966 water depletion claims were handled in a routine manner, similar to the depreciation schedule allowed for tractors and other farm machinery.

PUBLIC NOTICE

OF THE REQUIREMENT FOR RECORDATION AND LIMITATION OF CERTAIN CLAIMS OF WATER RIGHTS.
Notice is here given as required by Section 4 of the Water Rights Adjudication Act of 1967 (Article 7542a, Vernon's Civil Statutes) that all claims of riparian water rights, all claims under Article 7600a, Revised Civil Statutes of Texas, 1925, to impound, divert or use public waters for other than domestic and livestock purposes for which no permit has been issued, all claims of water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended, and all other claims of water rights other than claims under permits and certified filings, must be recorded with the Texas Water Rights Commission. Section 4 does not apply to use of water for domestic and livestock purposes as the same is defined by Commission Rules.
On or before September 1, 1969, every person claiming any water right to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 28, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive; provided an additional sworn statement is filed on or before July 1, 1971. Failure to file the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water right to which the Section applies.
Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P. O. Box 12396, Capitol Station, Austin, Texas 78711.

DON'T forget to use ZIP Codes on all your Christmas mail, in both the address and the return address. Only you can put ZIP into your postal system.

ALL GIFTS for Christmas mailing should be packed in sturdy boxes. Cardboard boxes should be wrapped in heavy paper and tied with strong cord.

Thoughts at Thanksgiving...

The warmth of family and friends... the spiritual guidance of our house of worship... the security of living in a fine community... the abundance and richness of our great country, where we may live and worship and vote as we please... for all this and much more we offer thanks. From all of us to our loyal friends and patrons, a happy and healthy Thanksgiving.

THANKSGIVING

Family, Friends, Food and Fun
Gather 'round the Holiday Table

The traditional Thanksgiving turkey, carved by father and served in bountiful abundance with all the trimmings to all the family, is just one of the many high points of Thanksgiving Day.

Traditional, too, is the thoughtful pause to remember and to be especially grateful for the many blessings that increase day by day. We join with you and yours in offering a fervent "thank you" for the privilege of this day.

DEAF SMITH COUNTY ELECTRIC COOPERATIVE

'Helping Texas Grow'

HEREFORD, TEXAS

Joe D. Carter, Chairman
TEXAS WATER RIGHTS COMMISSION

SIX GENERATIONS is something rarely seen, even in this day of longer lifespans. Here, little Michelle Autry, daughter of Mr. and Mrs. Emmitt Autrey of Hart, shows that she has a lot of grandmothers to spoil her. Michelle is in her mother's arms, and seated left is her great great grandmother, Mrs. Mary Lakey of Brownfield. Standing from left are her great great grandmother, Mrs. A. T. Matsler of Plainview; her great grandmother, Mrs. Robert Brooks of Hart; and her grandmother, Mrs. Deward Armstrong of Texico.

Wrongly Addressed GI Mail Will Be Delayed, Wood Warns

Postmaster John Wood this week urged Dimmitt residents to be sure to use the correct address on their letters and packages going to servicemen overseas to avoid serious delays in delivery.

THE COMPLETE list of county servicemen's addresses is printed in this issue of the News.

Wood reported that millions of letters and packages going overseas have been delayed because they were insufficiently addressed. He said that one of the biggest problems has been the failure of persons to include the very important five-digit APO or FPO number in the military address. Mail not containing this number is incorrectly addressed.

HE SAID that last year more than nine million pieces of mail were delayed in delivery. Of this number, 3½ million pieces failed to include the complete five-digit APO or FPO number in the address. This improperly addressed mail had to be sent to a military

locator directory, where time-consuming searches were made to determine the proper addresses.

"As the Christmas mail volume going overseas is expected to increase up to 30 percent or over four million pounds above last year, every precaution should be taken by friends and relatives of servicemen to address their letters and packages properly to assure rapid delivery to the destinations," Wood said.

THERE ARE four essential elements to an overseas military address. They are:

1. The servicemen's identity—grade, full name, and service number.
2. His military unit—complete.
3. Gateway post office—New York, San Francisco or Seattle.
4. APO or FPO—a five-digit number.

When any of these elements is missing, the letter or package will be delayed in delivery.

Hart Junior Varsity Captures District 1-B Football Crown

The Hart Junior High football team closed out their season last week with a 36-14 win over Lazbuddie.

THE SHORTHORNS had already cinched the District Championship two weeks ago, but the win over Lazbuddie was an important one as it completed an undefeated season for them. The victory extended their winning streak to 13 games and was their eighth consecutive win this season.

Robert Garcia and Jimmy Robinson led the offensive attack as they both made two touchdowns. The other Hart touchdown was made by Stoney Dyer and the extra points for the night were scored by Robinson, Oscar Longoria and Ruben Aguanio.

Defensively the rugged tackling of Dyer, Robinson, Longoria, and Ricky Black kept the Lazbuddie offense bottled up.

FOR THE season the Shorthorn offensive team, under the direction of Quarterback Steve Cox, rolled to a total of 232 points for an average of over 28 points per contest. The offensive line opened up holes that allowed ten different players to get into the scoring act during the season. The ball carriers who rolled up the most yardage for the season were Robinson, Garcia, and Aguanio with most of the passing chores handled by Cox and Robinson.

Most teams found that they were in as much or more trouble when the Shorthorns were on defense. By combining a sound secondary with a hard charging line, opponents were limited to a total of 60 points for an average of only seven points per game.

Stan Dyer finished as high man on the defensive totum pole with 74 tackles for the year. He was followed closely by Oscar Longoria, Jimmy Robinson and Bill Bates.

THE SEVENTH GRADE team played one game during the season and scored a 14-0 shutout over the Nazareth seventh and eighth graders. They hope to be able to continue the Shorthorns winning ways next season.

UT Seeks Info On Disasters

The University of Texas is seeking materials for a research collection that will be used to study human response to disaster.

The collection will be known as the Harry Estill Moore Disaster Collection in honor of the university's late sociology professor who made numerous significant contributions to the study of natural and man-made disasters. It will be housed in the new East Campus Library and Research Building, adjacent to the Lyndon B. Johnson Library.

The nucleus of the collection will be extensive data obtained by Dr. Moore on tornadoes, hurricanes and floods.

Paul Hilburn Jr.

Hilburn Attains Foreign Service Officer's Rank

President Johnson has named Paul W. Hilburn, Jr., son of Mr. and Mrs. Paul W. Hilburn of Dimmitt, a Foreign Service Officer of the United States.

HILBURN was sworn in at a ceremony in Washington, D.C. Lucius D. Battle, assistant secretary of state, was the principal speaker.

Hilburn received the appointment after successfully completing highly competitive written and oral examinations. He was among 200 accepted from more than 8,000 applicants who took the tests. The Foreign Service of the US is a career professional corps of men and women who are selected and trained to carry out the foreign policy of our nation.

Within a few weeks, Hilburn will be assigned to a position with an embassy or consulate in one of the 119 countries with which the US maintains diplomatic relations or with the Department of State in Washington, D.C.

Hilburn graduated from Evant High School in Evant, and received his BA and MA degrees from Texas A&M University.

Mrs. Hilburn, the daughter of Mr. and Mrs. D. H. Shurbet of Tullia, graduated from the University of Maryland.

Shelley's Chatter

Band Is First With the Turkey

By MYRTLE SHEFFY

So many things were going on in Dimmitt Saturday night. We and everyone went to the South Grade School cafeteria for the good Thanksgiving dinner Saturday night. Paula Birdwell and Janice Mooney made dinner music on the piano. We visited with friends, Poppy Byrnes, Suzan Benson, Joan Braafladt, Delores Wilke and several others who told us about the Teen Dance being held out at the Catholic building after the supper. "The Underground Press" made the music, "whoever they are."

AND REBA and Jay Lee Touchstone and Pearl Sheffy stopped by to tell us about the big bridge tournament out at the high school.

IKE MOORE, principal at the high school, and little daughter Melynn, went to Denver City to see the baigame. Ike says Olton played a good game. He came back by Seagraves and spent the night with his mother, then on to Lubbock to see the game between Tech and Baylor. He said the coaches went to see Phillips and Iowa Park play.

Saw Rita Vick on crutches. She let that heavy school door slam on her foot. She said Dr. Lee sewed her heel up with six stitches.

Oh yes! The mighty football boys were washing dishes and there were thousands of dirty ones. The girls were pretty waitresses. The Bill Danneviks said they were going to Nazareth Sunday for that good food. I will check to find out who else went.

MR. AND MRS. Bruce Henderson and son of Amarillo were in Dimmitt Sunday for a visit with Pat's parents, the Curtis Tates and Grandfather Tom Tate. Burl Taylor joined his father and brothers at Breckenridge to go on a deer hunt. His wife has promised us a steak (if).

Out of town people who came up for the funeral service of Wade Birdwell and did visit the Birdwell family were: Mr. and Mrs. Bill Dunlap, Dallas; Mr. and Mrs. M. L. Birdwell and Jerry, Azle; Mrs. Allie Logan, Mr. and Mrs. Dawn Logan, Mr. and Mrs. Jesse Strawbridge, Mineral Wells; Mr. and Mrs. Keith Birdwell, Texarkana; Mr. and Mrs. J. F. Revell, Electra; Mr. and Mrs. Don Speer, Odessa; and Mr. and Mrs. H. A. Speer, Hereford.

Mr. and Mrs. Norman Cleavinger went to Midland last weekend for a democratic party meeting. I didn't get the details on that.

Janie Vick, a teacher, has moved into the home of Mary Frances McLaughy. And the same friend who said that says that Jamie Stevens, another teacher, sings like a bird in the Baptist Choir. We have fine teachers. Mr. Farrer directed the all school play well.

MRS. GOODWIN MILLER was

hostess at a bridge luncheon at the Colonial Inn Restaurant Thursday. Her guests were Mmes. O. K. Howe, H. H. Carlile, Pearl Sheffy, Ray Riley, J. C. Gilbreath, Swain Burkett, Buster Tidwell, and Edgar Ramey.

Raymond and Bearl Hance went to Plainview Thursday night for the Ralph Wayne Appreciation Dinner. They were very impressed with the warm personality of Ralph and Ben Barnes. A thousand people came out to this event. The Hance's son Kent, came up with the seven planes full of Austin people. Barnes referred to Ralph Wayne as a man who will work for the public service for many years.

Mrs. Hance told of the pink and blue shower for Patti George Summers held at the bank recently. She said six grandmothers were honored guests. That little baby won't have a chance to be lonesome.

LOUISE Kemp and her friend Sybil Arnold of Fort Worth, the Russell Morans and son Scott, Mary Hays and Kay Bradley went down to Waco recently for the Homecoming and a visit with La Dawn and Ginger Kemp, Pat Moran and the other Dimmitt students there. Pat and several of her girl friends came up to Lubbock for the Baylor-Tech game this weekend.

Pete Whitlow of Happy and brother of Louise Kemp is in the Canyon hospital recuperating from surgery and Kathleen Hill of Amarillo is also getting well from more surgery. Both people lived in Dimmitt a few years ago.

Sandy and Betty Parsons went over to Wellington this week for a visit with their folks. Sandy's parents were over here last week on business. Mr. and Mrs. Roy Cluck spent a few days at Clayton last week. They went out to the ranch, also to visit son Junior and his family, and helped Junior take some cows to market.

Harold Stephen, the very busy Federal Land Bank man, was in Dallas on business this week.

Lively Taking Basic Training

Seaman Recruit David A. Lively, USN, son of Mr. and Mrs. Pharis C. Lively of Route 4, Dimmitt, is undergoing nine weeks of basic training at the Naval Training Center at San Diego.

HE IS receiving instructions in Naval customs, courtesies and organization, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drill's and sentry duty.

His Navy Classification tests will determine whether he will be assigned to a school, shore station or ship after his graduation.

'Festival Time' Features Cheese

Cheese has been a popular food for thousands of years. European colonists brought to our country their own methods of making cheese.

MOST OF the popular varieties that originated in Europe are being produced in the United States, and are available in many retail food stores, according to Gwendolyn Ciyatt, Extension consumer marketing specialist with Texas A&M University. Many cheeses still bear the name of their place of origin. For example, Parmesan cheese originated in Parma, Italy; Cheddar in Cheddar, England; and Limburger in Limburg, Belgium.

All cheese starts with the basic ingredient—milk. It takes about 10 pounds of milk to make one pound of cheese, so cheese is a concentrated source of most of the nutrients found in milk.

The distinctive flavor, body and texture of cheeses are due to the kind of milk used, the method used for curdling the milk and for cutting, cooking, and forming the curd, the type of bacteria or molds used in ripening, the amount of salt or other seasoning added and the conditions of ripening such as temperature, humidity and length of time.

Although American cheddar is the most popular cheese in the U.S., there are many other cheeses from which to choose.

IT'S NOW "Cheese Festival Time," and many food stores are featuring cheese displays, an ideal time to browse and acquaint yourself with a few new varieties of cheeses.

If cheese is wrapped well to exclude air, it can be kept in the refrigerator for several weeks. If mold should develop, it is easily removed and does not affect the taste of the cheese.

For best flavor you should remove cheese from the refrigerator about a half hour before serving. Cut off only what you will use; wrap and return the remainder to the refrigerator. Cheese that has been kept too long and become dry can be grated and used for flavoring.

IN ADDITION to articles normally prohibited in the mails, matches and lighter fluid may not be mailed to overseas military addresses.

IRENE KEATING and her husband were hos's at a good dinner for all the courthouse working girls Monday evening. We will hear more about that meal, Irene is Home Demonstration agent for Castro County.

And Irene Carpenter is visiting for a week with her daughter and son-in-law, Joyce and James Autry at Rocky Ford, Colo. That is where Burpee Seed Co. grows such pretty marigolds. Mr. Burpee wants that flower to be chosen for the national flower.

Dickie Sims of Lefors, also a student and roommate of A. D. Schreck's at WTSU, both were guests of the Arthur Schrecks this weekend.

Mrs. George Bradford, Mrs. Horace Carlile and Mrs. Sid Sheffy went to Olton Sunday afternoon to see the art, antique and Christmas arrangement show. We saw our longtime friend Mrs. Albert Walthow and their daughter Betty. And Mrs. A. G. Kirby and her daughter Mrs. M. E. Simmons were there. The Kirbys visited them. Mrs. Johnny Martin and daughter Luan came to the show. Mrs. Walthow does toile painting. Some of her work was shown.

MRS. ETTA BRASHEARS stayed a few days with her friend Mrs. Gus Barron in Tullia this week.

Mrs. N. A. Clingsmith is visiting her son Shorty in California while son Ira and Emily Clingsmith are visiting their daughter Ruby Mae and family in Louisiana for awhile.

Goldman and Carol Dyer were in Fort Worth last week for the Tech and TCU game. They also visited the Kemps. Said they had good fun.

Weldon and Mary McCormick and son Chris, said they were shown a good time by their friends at Fayetteville, Ark., last week. They flew around over the country, just looking. They saw the play, "Papa Was a Preacher," so now Bro. Weldon will know how eh? Arkansas is a pretty state in the fall, so they say.

The Vestals of Dublin write to the Rogerses that they have a pecan farm. I believe they have 1700 trees. How would you ever pick up that many pecans?

MR. AND MRS. Frank Mears, 608 W. Lee St., had a turkey dinner and reunion on Sunday, Nov. 19.

Those present were Mrs. Mears' brother, Buster Roberts of Welch and her four sisters and their families Mr. and Mrs. Homer Corbett of Loop, Mr. and Mrs. Ireland Liles of Welch, Mr. and Mrs. H. T. Todd of Loop, Mr. and Mrs. Elmer Wall of Lamesa. Ruby Webster of Lamesa, sister of Louise and sister-in-law of F. J. Mears was also present as was Mrs. Lena Roberts of Andrews.

Mr. and Mrs. Bruce Wooddell are the grandparents of a baby girl named Tiffany Dawn. The baby is the adopted daughter of Donna and Ira Hulse of Houston. The Hulses and Gerald and Patsy Moody of Jackson, Miss., will be in Dimmitt this weekend to visit the Wooddells.

V.F.W. NEWS

By GEORGE DERRICK

Our plans are to enlarge our post clubhouse in the near future. We hope to have this completed by the end of the year.

THE NAMES and addresses of all overseas servicemen from this area are being published by the Castro County News. Our V.F.W. Post asks you to write these men. Letters, Christmas cards, post cards, packages, etc., will be appreciated. Let them know we stand behind them 100 percent. Many of these men are in Vietnam. Let's show them we care. Our Post is in the process of writing each of these men personally. We believe it is the least we can do.

Our thanks and appreciation go to the Castro County News for publishing these names and addresses.

And the people of this area owe a big "Thank You" to the ladies of the HD Clubs, who worked so hard and diligently in sending the packages of Christmas candy to these servicemen.

A hearty "well-done" to these ladies from our VFW Post.

PASSING THOUGHT: A woman never knows for sure what she can do until she cries.

LSI will be used in experiments at the Veterans Administration Hospital in Los Angeles to determine if the drug is helpful in relieving dying patients from dread and pain.

New Shoe Shop To Open Friday

Mack Gilbert of Lubbock, longtime boot maker and shoe repairman, has announced he will open a shoe repair shop in Dimmitt Friday.

TO BE known as Gilbert's Boot & Shoe Repair, the new shop will be located at 417 N. Broadway, and will be open from 8 a.m. to 6 p.m. on weekdays.

Gilbert, who has been in the bootmaking and shoe repair business 38 years, has owned his own shop in Lubbock since 1952.

The opening of Gilbert's Boot & Shoe Repair here fills a void left when Jimmy McCutchen closed The Boot Shop earlier this year.

MAKE SURE your addresses on cards are written or printed clearly and that they are complete. Don't let your mail end up in the Dead Letter office because your handwriting can't be read.

Bobbies Rout Two Foes In First Week's Play

Dimmitt's Bobbies posted a clean sweep in the first week of their regular schedule, downing Adrian, 63-42, Tuesday night on the home court and trouncing Farwell, 63-44, there Friday night.

A FINE RECORD of six wins and only two losses as posted this year by Dimmitt High School's B squad, coached by Kenneth Cleveland and Van Kountz. The B-Cats lost their first bout of the year to Hereford, then downed Friona, Hale Center, Olton, Tulia, Kress and Abernathy by lopsided scores before losing their final game to Plainview. Team members were, front row from left: Jerry Cartwright, Bill Sand-

ers, Stanley Reed, Loy Wiley, Charlie Garza, Randy Schumacher, Johnny Vick. Second row: Lee Bradley, Glenn Schumacher, Randy Tally, Nelson Chavers, Skip Skinner, Garland Frazier, Noble Seely, Bobby Baker. Back row: David Perez, Mike Young, Mike Hutton, Jerry Brady, Marcellus Nance, Bobby Mayhew, Mike Mitchell and Leo Salcido.

Cats Top Adrian, Lose to Farwell

With Coach Kenneth Cleveland shutting his 13 varsity players in shifts, Dimmitt's Bobcats soared to a high-scoring 76-72 victory over Adrian in their first game of the season last week.

BUT THEIR OPTIMISM lasted only three days—Farwell's Steers clipped them by a 67-58 score Friday night at Farwell.

In the Adrian bout here, the Bobcats had to come from behind in the second half to pull the high-scoring game out of the fire.

THE VISITORS jumped to an 18-14 lead by the end of the first quarter and still led the Cats, 37-34, at halftime. But in the third quarter the Bobcats fired 21 points through the nets to take a 55-54 lead, and were never again headed. They extended their lead to four points by game's end.

Cleveland shuttled his players throughout the bout, with all 11 boys scoring. Leading the attack were post men Doug Hays with 14 and Ronnie Huckabay with 11, and forwards Jack Bradford with 12 and Jeral Seale with 10. **IN FRIDAY** night's bout at Farwell, the Class A Steers took an

Hart Drops Final Game To Lazbuddie by 21-14

By JIM REED
The Hart Longhorns dropped their final game of the season as they came out on the short end of 21-14 score in a district bout with Lazbuddie Friday night.

THE GAME was a real defensive battle as a total of only 10 first downs were racked up by the two teams. Both teams gained most of their yardage and did most of the scoring on momentary lapses on the play of both defensive units.

Hart's offensive might came from Tommy Gonzales and Danny Smith, the only Hart ball carriers who were able to gain much yardage against Lazbuddie.

Gonzales and Smith, along with Mark Porter, Clifford Ray and Quincy Hawkins, turned in outstanding defensive games.

THE GAME opened with a bang

as Danny Black took a pass from Gonzales on the first play and romped in for Hart's first TD in a single-shot display that covered 78 yards. A two-point try failed, and the Hart Horns had to be content with a six-point lead.

For a while it looked as though the Lazbuddie Horns were also going to march in for a TD on their first try. Steve Foster, Frank Hinson and Troy Steinbock tipped the Hart line in a drive that carried to the Hart 4. Lazbuddie killed its own drive, however, as Hart's Ray scooped up a Lazbuddie fumble to stave off an almost certain score.

Hart could do little with the ball this time and had to go into punt formation at the Hart 12. Quincy Hawkins' short punt went cut at the Hart 35 to give Lazbuddie another chance.

AND this second chance was all Lazbuddie needed as Derrel Matthews and Frank Hinson alternated blows at the Hart line with Hinson going in from the 4 to tie the score. Lazbuddie failed on its try after, and the score remained tied, 6-6.

The score didn't stay that way long, though, as Steve Foster broke free on a long run that carried to the Hart 8 only a few minutes later. Troy Steinbock hit Mike Casey with a third down scoring pass, and Lazbuddie took the lead. This time Steinbock's kick was good and the score was 13 for Lazbuddie and 6 for Hart.

THE REST OF the first half passed with both teams putting on a defensive battle in the middle of the field.

With the start of the second half, the Hart offense began to move. Two passes from W. A. Hawkins to Quincy Hawkins ac-

counted for most of the yardage as Hart drove from its 25 to a first and 10 at the Lazbuddie 17. Smith gained a yard, then a second down pass was picked off at the 9 to stop that scoring threat.

Three plays later Quincy Hawkins returned the favor as he stole a Lazbuddie pass at the 12.

AGAIN HART went to the air with Mark Porter now at quarterback — and again Lazbuddie intercepted, with Frank Hinson taking the ball at the 10 and getting back to the 35 before going down.

Things didn't go too well for Lazbuddie at this point, and Monte Barnes went in to punt at the 38. Hart put on a rush and Barnes was hit just as he started to kick. The ball popped up into the arms of Gonzales, who raced on in for Hart's second score. W. A. Hawkins' run for the extras was good, and the Horns regained the lead, 14-13.

BUT HART'S lead didn't stand up long this time, either, as Lazbuddie got a real break by recovering a fumble on the Hart 12. Two tries into the Hart line got only a couple of yards, but a third down pass from Steinbock to Hinson caught the Hart defense asleep and Lazbuddie took over the lead for good. Steinbock's try for the extras was good, making the final score 21-14.

Braddock Herd Classifies High

The Vincent Braddock herd of registered Brown Swiss located at Nazareth, was officially classified Nov. 13. This work was done by an official classifying judge sent out by the Brown Swiss Cattle Breeders Association of America, Beloit, Wis.

TYPE classification, like production testing, is one of the official programs of herd improvement of the National Brown Swiss Association. Classification helps a breeder get the answers about the type of each animal in his herd, just as production testing gives him the answers concerning the producing ability of each cow in the herd.

All animals not previously classified are given a type rating. In the Braddock herd, the judge rated four cows Excellent, the highest classification possible; 22 Very Good and 10 Good Plus, with none in the Good or Fair classification.

A QUALIFIED veteran who has not completed high school can receive \$130 per month while earning his high school diploma and still be eligible for one month of educational assistance for each month of military service up to a maximum of 36 months.

Pfc. Gonzalez Finishes Course

Army Private First Class Eleazar H. Gonzalez, 18, son of Mrs. Tirza P. Hernandez, 101 SE Seventh St., Dimmitt, completed a microwave radio equipment repairman course Nov. 9 at the Army Signal School, Ft. Monmouth, N.J.

DURING the 26-week course, he was trained in the installation, operation and repair of microwave stations and transportable radio equipment.

15-Year-Old Joins Angus Association

Jimmy Christie, 15, of Sumnerfield, has been granted a junior membership in the American Angus Association at St. Joseph, Mo., according to Glen Bratcher, secretary.

THIS NEW junior membership entitles Christie to register purebred Angus at regular membership rates, and to the privileges of the Association until the age of 21. At that time junior members are eligible to convert to lifetime memberships in the association.

There were 202 young people in the United States to receive junior memberships last month.

Imported Water's Cost Staggering, Aides Say

By VERN SANFORD Texas Press Association

Staggering cost of transporting water to various parts of Texas has been reviewed by the Texas Water Development Board.

Staff aides told the board that they figured it would take three-tenths of a cent per kilowatt hour to pay for power to bring water needed into West and South Texas. Board members indicated they feared that the estimate was too low.

Aides calculated it would cost \$1,810,000,000 to deliver three million acre-feet of water a year to Cooper Reservoir in West Texas to irrigate 1,500,000 acres.

MORE MIGRANT AID SOUGHT State Board of Education has boosted a federal aid request for seven migrant worker programs to more than \$3,900,000.

Earlier request for migrant children programs was increased to \$2,700,000 to expand assistance to 41 participating districts, launch new projects at Dimmitt, Georgetown, El Paso and Lamesa, and help Hurricane Beulah victims with clothes and school supplies.

New funds would go to McAllen's migrant demonstration school, pre-school work in 20 districts; salaries and travel for migrant teachers; and summer institutes at Pan American College, Edinburg, and Texas A&I University at Kingsville, for teachers, teacher aides and administrators working with migrant children.

Increases were sought for the special migrant compensatory education program in Rio Grande City and Laredo for children over 14, and the board's inservice and consultative program to revise the migrant school curriculum guide.

CONSTITUTION AMENDED Texas' 91-year-old Constitution, as a result of Nov. 11 elections, has six more amendments.

Voters approved all six proposed new amendments.

Also, as a result of the general election, Texas has a new Republican senator, 35-year-old Dallas lawyer Ike Harris. Republicans are in run-off races with Democrats next month in all six districts which have House vacancies. Two of the districts are in Houston, one in Austin, one in the Rio Grande Valley, one in Wharton and Matagorda Counties and the other in Bailey, Cochran, Hockley, Terry and Yoakum Counties of West Texas. GOP candidates led November voting in all but the Valley district.

COURTS SPEAK State Supreme Court has set a Jan. 24 hearing on a damage suit arising from a chartered plane crash that may result in new legal guidelines for cases involving Texas citizens killed or injured in out-of-state accidents. Question is whether the damage recovery ceiling of Texas or of the state where the accident occurred applies.

The high court upheld lower court decisions that Carrollton-Farmers Branch Independent School District could not legally expel two students because they got married.

Montgomery Ward was inefficient in handling the charge account of a Danbury lawyer, the top state court agreed, but ruled out damages, finding no intentional or malicious effort to harass

him over collections. In another case, the Supreme Court threw out an appeal of a driver who claimed suspension of his license was not proper because one of the traffic convictions which invalidated.

The Court of Criminal Appeals held that a man who voluntarily confessed murder to police before he was arrested cannot use as a defense the contention that he did not get warning as to constitutional rights on confessions.

ATTORNEY GENERAL RULES Atty. Gen. Crawford Martin held that the Department of Public Welfare must furnish monthly reports containing names of those seeking aid to blind to the Department of Public Safety, so their drivers licenses can be promptly revoked under a new law. His opinion said the 1941 law prohibiting disclosure of welfare applicants no longer applies in this particular case but does apply in other situations.

HOME LOAN CRACKDOWN A state crack down on loan abuses in the home improvements field is steadily widening.

Consumer Credit Commissioner Frank Miskell issued show-cause orders against 16 home improvement firms and 16 individuals, alleging they are lending money at illegal interest rates.

Orders applied to firms in Houston, Dallas, San Antonio, Kingsland and Fort Worth. "These cease and desist orders were but the initial step which will be followed by other legal actions as part of our comprehensive program to protect Texas consumers from abuse in the field of home improvements contracts," Miskell said.

Companies and personnel were directed immediately to stop any activity in violation of Texas' Regulatory Loan Act or new Consumer Credit Code.

Practices complained of include cash advances on home improvement loans (primarily for debt consolidation) as an inducement for contracts at interest rates over 10 percent. Some interest rates, an aide to Miskell said,

range from 18 to 24 percent. A Houston finance company has filed suit in district court in Austin, challenging Miskell's authority under the Regulatory Loan Act to regulate its purchases of discounted notes executed by homeowners to improvement contractors.

WAR ON POVERTY

Nearly \$210 million in federal anti-poverty funds have poured into Texas the past two years.

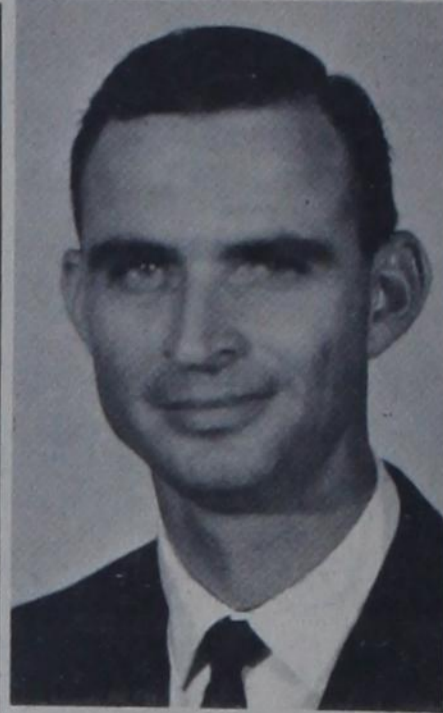

The annual report by the Texas Office of Economic Opportunity shows \$98,900,000 authorized for spending on War on Poverty projects during the fiscal year which ended Aug. 31.

The money found its way into the largest and smallest counties, and the richest and poorest. More than a third of the 1967 allocation — \$34,500,000 — went to five Texas counties — Harris, Bexar, Dallas, El Paso and Webb.

Nearly \$45 million of the state-wide 1967 total was for Community Action Programs including Operation Head Start for preschool children, health programs, neighborhood centers, concentrated employment programs to recruit, train and place hard-core unemployed, legal aid and adult services.

Neighborhood Youth Corps activities, reaching some 18,463 students, were allocated \$20,118,710 for the year. Job Corps training at the Gary Center in San Marcos, the McKinney women's unit, and the New Waverly rural center for men received another \$17,340,026.

HART NEWS

60th Anniversary Observance Set

By Mrs. H. E. Loman
Mr. and Mrs. Hubert Maples will be honored with a reception from 2 to 5 p.m. Sunday in observance of their 60th wedding anniversary.

HOSTS FOR the reception will be the couple's son and family, Mr. and Mrs. Glen Maples, and the couple's granddaughters, Mrs. Glen Herring, Mrs. Joe Schoen and Miss Elaine Maples of Amarillo.

The former Miss Lena Hogan and Hubert Maples were married Nov. 24, 1907 in Wellington. They have lived in and near Hart since November, 1916.

Maples was engaged in farming south of Hart until his retirement in 1960, when the couple moved into the city of Hart. All friends of the couple are invited, and the couple has requested no gifts, please.

THE ELECTION of new officers was the highlight of the Zealot Club meeting Tuesday of last week in the community room of Farmers State Bank.

Mrs. Ike Bennett was elected president, Mrs. Eldon Shive, vice-president, Mrs. Cleve McLain, secretary, Mrs. Lorenza Lee, treasurer, Mrs. Wamon Foster parliamentarian, and Mrs. Jack Dyer reporter.

Mrs. C. R. Jones presented the program by demonstrating the making of ribbon roses and chenille flowers.

The club voted to have a penny auction Dec. 12 in the home of Mrs. C. R. Jones, with Mrs. Lee as co-hostess. The penny auction is an annual affair, with proceeds to be used for treats for children in the lower grades of the elementary school. On Friday, Dec. 15, the club will have its annual Christmas party in the community room of the bank with husbands as special guests.

Hosting the meeting were officers of the past year, Mrs. C. R. Jones, Eldon Shive, Jack Dyer and Wamon Foster.

THE ANNUAL Harvest Day Festival was held Wednesday night of last week at the First Methodist Church to raise money for the Benevolence budget and missions. A bountiful Thanksgiving supper was enjoyed.

Speaker for the evening was Rev. Raymond Riley of the Methodist Church at Meadow.

Hart 4-H Club has elected new officers for this year.

Castro County Agent Charles Hottel of Dimmitt met with the boys and Leader Joe Hart at the Hart home during the election meeting.

Serving this coming year are president, Gary Hart, vice-president, Debbie Davis, secretary, Dennis Hill, and reporter, Terry Hill.

The group voted to sponsor a bake sale to be held in local grocery stores, with proceeds to be used in financing the 4-H activities.

The group meets once each month.

BROTHERHOOD of the First Baptist Church met Monday night in Fellowship Hall of the church with 15 men present to elect officers for this year.

Elected were Bob Lacy, president; J. D. Rodgers, vice-president; R. J. Murray, mission study chairman; Prinston Upshaw, mission in action; and Boots Rogers, secretary-treasurer.

The men will be meeting the next three Monday night in fellowship hall of the church to study the book on "Baptist Men's Brotherhood."

HART BOY SCOUT Troop 246 participated in the Haynes District Klondike Derby held at Tullia Lake Friday and Saturday. Approximately 300 Scouts and leaders enjoyed the campout and activities.

Competition in first aid, compass, signaling, cooking, rope rescue and distance measuring was conducted between patrols. Gold nuggets were awarded to the patrols according to their scoring.

Sleds were made by each patrol by lashing poles together and all the materials for the contest were carried on the sleds as the patrols went from town to town in the Klondike.

Each of the Hart patrols received blue ribbons and the troop also received a blue ribbon for its total high score.

A campfire was held Friday night when the troops took part in songs, skits and a search for a "Missing Child," and watched Indian dancers perform authentic dances.

Scoutmaster Deryl Clevenger, Robert Hawkins, neighborhood commissioner, David Nelson, assistant Scoutmaster, and Paul Armstrong accompanied the 19 boys with Mrs. Charles Black helping with the transportation.

SATURDAY morning from 10 to noon the Hart FHA Chapter sponsored a tasting tea, in the homemaking room of Hart High School.

For this moneymaking project the girls prepared their favorite foods and served samples to the public, selling the recipes for each food.

Approximately 50 ladies attended. Recipes from the sale will help in the expenses of the Best Beau Banquet at a later date.

MR. AND MRS. Robert Brooks were in Galveston last week, where Mrs. Brooks attended a postal convention.

Mrs. Mabel Aven was in Fayetteville, Ark., to attend the funeral and burial of her sister, Mrs. Ada King, who died at 2 a.m. Monday, with burial Wednesday.

Mr. and Mrs. Weston Futrell and boys of Shafter, Calif., spent this week in Hart and area towns visiting with their parents and other relatives.

MRS. LLOYD DAVIS urges each parent of a school age child to become a member of P.T.A. The membership is down considerably from last year. Any officer will be happy to accept your dues.

THE CHI PSI chapter of Beta Sigma Phi will meet in Fellowship Hall of the Methodist Church next Wednesday to pack, wrap and mail Christmas packages to our men in the service in Vietnam.

If you would like a part in the project, you may furnish cash to mail gifts, or dried fruit, cookies, cakes, candy, peanuts in shells or cans, peanut butter in cans, cheese in cans, pre-sweetened Kool-Aid, Jello, dried soup, soap or shaving lotions.

THE CHI PSI chapter of Beta Sigma Phi held its regular meeting last Thursday at 7 p.m. in the home of Mrs. Doug Higgins, with Mrs. Melvin Aven as co-hostess.

Following the business meeting, the program was presented by Mrs. Tom McLain on "Verse Making," and Mrs. Theron Morrison on "Poetry."

The Ritual of Jewels was given to Mrs. Bill Hill, Mrs. Bud Hill and Mrs. L. D. Williams.

Mrs. W. T. Sanders will host the next meeting in her home Dec. 14.

The Women's Society of Christian Service met at the Methodist Church last Thursday afternoon for mission study.

The devotional, "Growing Up Spiritually," was given by Mrs. Ed Bennett. Mrs. Fred Brown presented the concluding chapters on the study of Japan.

THE LOCAL P.T.A. president, Mrs. Lloyd Davis, and delegates Mrs. Charles Clark and Mrs. Sam McGill, were in Fort Worth last week to attend the 8th annual state convention of Texas.

Theme of the convention was "Our Changing Neighborhood." Approximately 3,000 delegates

met in the Will Rogers Auditorium.

Tom C. Clark, retired associate justice of the US Supreme Court, was a guest speaker, along with Mrs. Bernice Brown McCullar, former director of information for the Georgia Department of Education.

The annual state convention serves as governing body for the Texas P.T.A. The 1968 convention will be held in Houston.

HART PTA will meet Dec. 18, due to a conflict with another program. Mrs. Carl Rambo will present on Dec. 4 a Christmas program by the children of the grade school.

Hart schools were dismissed Wednesday at 2 p.m. for the Thanksgiving holidays. School will resume Monday at 8:30 a.m.

NEXT THURSDAY the district conference of Methodist Churches will meet at Trinity Church in Plainview at 9:30 a.m.

Delegates from Hart are Ed Bennett, Andy Gardenhire, Joe Bailey, Mrs. H. H. Parker, Wamon Foster, and Theron Morrison.

THE GIRL Scouts are sponsoring a drive for used toys for the children at the Baptist Mexican Mission. Ages are from infant to age 12.

Good used toys are needed and can be left at the home of Mrs. Dwight Miller or Myrt Loman, and please bring them during November. The Christmas party date has been set for Tuesday, Dec. 12.

W.M.S. MET Monday at 9 a.m. in fellowship hall of the Baptist Church for mission study.

Mrs. Harvey Davis presented the first lesson from the study book on Africa. Miss Beth Lawson has charge of the nurse on Monday mornings.

LONNY AND Kim Davis spent last week with their grandparents, Mr. and Mrs. Judd Davis, while their mother attended the state P.T.A. convention.

Weekend guests in the home of Mr. and Mrs. Hubert Maples were their granddaughters, Mrs. Glenn Herring and daughter Shanelle, Mrs. Joe Schoen and Joe III and Elaine Maples of Amarillo. Mrs. LeRoy Kersh of Olton, Mrs. Ray Cox and Mrs. H. K. Follis recently took Don to Houston for a physical check-up. Don had back surgery several months

ago and missed last year's school, but is making rapid progress this year. He will report for another check-up in February.

SPECIAL Thanksgiving services were held at Calvary Baptist Church Wednesday night of last week through Sunday afternoon.

Sunday at 3 p.m., Rev. Sledge and his wife were honored with an old fashioned pounding and cash love gift in appreciation of his two years of leadership.

Guests Sunday evening were from Evovina, Dimmitt, Plainview, Amarillo and First Baptist Church of Hart.

A SPECIAL Community Thanksgiving Service was held Sunday night in the First Baptist Church with all churches of the city invited to participate.

Taking part were Mrs. Weldon Davis, Mrs. Carl Rambo, Rev. Irvin Baker, Rev. C. T. Cunningham, Rev. Fred Brown, Rev. Van Earl Hughes, and Rev. Sledge. Special music was presented by a choir, and the message was by Dr. Jerry Dawson of Plainview.

Hart School Lunch Menu Nov. 27 to Dec. 3

Monday - Barbecue on bun, potato chips, sliced pickles, baked pork and beans, chocolate pudding with whipped topping, milk and butter.

Tuesday - Frito Pie, buttered sticks, hot rol's, rolled wheat cake, milk and butter.

Wednesday - Vegetable beef stew, filled crackers, cabbage relish salad, cornbread squares, fruit cobbler, milk and butter.

Deer Hunters Return Home

By TEENY BOWDEN
Mr. and Mrs. Larry Sadler returned home last Sunday night from Abilene after a successful deer hunt.

Mr. and Mrs. Ezell Sadler visited in Hale Center on their way home from Abilene Tuesday night with Mr. and Mrs. Erzell Keeler. He also reported a successful hunt. Mrs. Sadler also hunted one day.

Alton Loudder, Bob Ott, Cliff Brown, and L. B. Bowden returned home Wednesday night from an unsuccessful deer hunt. Mrs. Loudder also came home from Midland as they came in.

HERSHEL WILSON was dismissed from University Hospital in Lubbock last Sunday, and has been up and around some this week. He attended the Sunday morning church services.

Mr. and Mrs. Ray Joe Riley, Kevin and Jody vacationed last Saturday and Sunday with other members of her family on her father's ranch northwest of Hereford.

Mr. and Mrs. Odell James and Jerry returned home from Vinita, Okla., and Highfill, Ark., last Saturday. Mrs. James came in with a sore throat and laryngitis.

Mrs. Kenneth Walker and Cynda of Lubbock were dinner guests last Friday of her sister, Mr. and Mrs. Charlie Hall Jones, and Mrs. Kirt. Cynda spent the afternoon while her mother attended a funeral in Earth.

MRS. DAVID Sadler was a hostess for the shower tea honoring Ginger Gibbs in Dimmitt last Saturday.

Mrs. John Moore went to Lubbock Tuesday to be with the Don Thomason family while her daughter, Mrs. Thomason, was in the hospital. A new boy was born to them Friday morning.

The Baptist Men, formerly the Brotherhood, met at the church Monday night for their regular monthly meeting. Five members attended.

MRS. M. D. DURHAM left Clovis by train Wednesday morning for a two-week visit with their daughter, Marvalynne Durham in Plamdale, Calif.

Buz Holcomb of Arkansas visited Mr. and Mrs. Odell James recently and spent a few days with the Ben Holcombs.

Eldon Lilley and Dave Patterson of Summerfield returned home Monday from a fishing trip begun last Wednesday. They first fished at Falcon but were rained out, then went on to Port

Aransas and did some deep-sea fishing.

MRS. ELDON LILLEY stayed last Saturday night with Mrs. Dave Patterson and children.

Mrs. Eldon Lilley and her father, Edd Sweatt of Dimmitt, left Wednesday for Midland to be with their sister and daughter as she underwent minor surgery. Mrs. Velma Brown was dismissed from the hospital Friday and they returned home Saturday.

Mrs. L. B. Bowden visited with Mrs. Jack Hinson of Springlake and Mrs. Rachel Eliza Wednesday afternoon.

MR. AND MRS. Bob Little and Marty spent Wednesday night and Thursday in San Angelo with her sister, Mr. and Mrs. Craig Hardegrece and family. Mrs. E. R. Sadler kept the store open for them Thursday. Stuch and Venessa stayed with Leslie and Sandy Loudder.

The WMS night circle met for the second class of the mission book, "Africa-Arrows to Atoms" Wednesday night. Mrs. Milburn Hayden taught the class.

REV. M. D. DURHAM officiated at funeral services at Whitehall Thursday afternoon for Mrs. Rocco Brown. Alford Crisp attended the services with him. Mrs. Charlie Hall Jones and boys went to Bledsoe Thursday to visit her cousins, Mary Holstadt and children and Rusty McCormick. They returned home Friday.

The WMS day circle had their second meeting for new circles Thursday. Mrs. Cliff Brown, circle chairman, had charge of the meeting. The Beginner Sunbeams and the nursery were also conducted with Mrs. Odell James and Mrs. Alford Crisp.

NINETEEN members attended a local workshop at the church Thursday night following a covered dish supper. Roy Phelan, Sunday school superintendent; Noah Spencer, Training Union director; Mrs. L. B. Bowden, WMU president; Rex Jenkins, Baptist Men's president; and Richard Montgomery, music director, each had a part on the program with the pastor presiding.

Several from the community attended the play, "Dark of the Moon," in Dimmitt last Saturday night. Lee Ann Hockenberry was one of the actresses.

Mr. and Mrs. Weldon Bradley were among the many who attended open house at the Dimmitt High School Tuesday night.

Mr. and Mrs. Wiley Morris of

Miracle Valley, Ariz., spent Tuesday night with his cousin, Mr. and Mrs. Roy Phelan.

MR. AND MRS. Roy Phelan visited with Mr. and Mrs. Lloyd Morris of Tullia Friday. The men are cousins.

Lance and Lane Loudder of Flagg visited with Sandy Loudder and Mr. and Mrs. Doug Loudder, Lyle and Lara Wednesday afternoon and evening. They spent Wednesday night through Sunday with their grandparents, Mr. and Mrs. Alton Loudder and Mr. and Mrs. Doug Loudder and children while their parents vacationed in Arkansas.

The home of Mrs. J. Paul Waggoner was the scene of a tea shower honoring Mr. and Mrs. Olvis Spencer of Austin. Mrs. Noah Spencer sat in for the couple.

Hostesses for the occasion were Mrs. Waggoner, Mrs. E. R. Sadler, Mrs. Alton Loudder, Mrs. Milburn Hayden, Mrs. Robert Bridge, and Mrs. Hershel Wilson, who was unable to attend.

Mr. and Mrs. Ezell Sadler left at noon Friday for Benson, Ariz., where they will join a cousin, Mr. and Mrs. Coy Raney, for a fishing trip to Cholla Bay in Old Mexico.

MRS. GALE SADLER and her sister, Mrs. Don Smith of Portales, returned home from Missouri Friday evening. They had supper with the E. R. Sadlers and Mrs. Smith spent the night with the Gale Sadlers and returned to Portales Saturday morning.

Mr. and Mrs. F. W. Little of Seminole spent the weekend with

their son, Mr. and Mrs. Bob Little and children.

Weldon Bradley flew some friends to Minnesota Saturday for a combined business and pleasure trip. Bradley will visit with an Army buddy while there.

Susan Sadler got up with the mumps Saturday morning.

MRS. JAMES POWELL of Dimmitt and children visited Friday and Saturday with Mrs. Larry Sadler and girls and Mrs. David Sadler.

Randy Schumacher, Glen Schumacher, Roger Jones, Danny Newton and Rex Lust of Dimmitt were guests of Lee Bradley Saturday night.

Sandra and Marian Crisp were home from Plainview for the day Sunday.

Mr. and Mrs. E. R. Sadler spent the day Sunday with Mr. and Mrs. Erzell Keeler of Hale Center, and also visited with J. B. Hensley.

Mrs. Lowell Westmoreland and children of Littlefield were Sunday dinner guests of Mr. and Mrs. Alton Loudder, Lance and Lyle.

Mr. and Mrs. Raymond Lewis, Karen and Tommy visited Sunday evening with Mr. and Mrs. Raymond Lilley.

THE Y.W.A.s and their counselors and director, Mrs. Bob Ott, Mrs. Weldon Bradley and Mrs. Roy Phelan went to the Golden Spread Rest Home in Dimmitt Sunday afternoon, sang for them, and carried plate favors for Thanksgiving to both the home and the hospital.

Mr. and Mrs. Milburn Hayden

visited in Hereford Sunday with Mr. and Mrs. Bill Ott and family, and were dinner guests.

Richard Montgomery's parents and his brother, Bill Montgomery and family, all from Lubbock, attended the Sunday morning worship services with them.

Mr. and Mrs. Cliff Brown and boys visited in Lubbock Saturday with relatives.

Eighty-three attended Sunday School with 48 in Training Union Sunday.

Carl Sanderson Gets Commission

Carl G. Sanderson, 24, son of Mr. and Mrs. William G. Sanderson of Route 4, Dimmitt, has been commissioned a second lieutenant upon graduation from the Officer Candidate School at the Army Artillery and Missile Center, Ft. Sill, Okla.

GUNNERY WAS the primary subject taught during the 23-week course, designed to prepare men for officer duties in artillery units. Lt. Sanderson was also trained in artillery survey and transport, communications, map and aerial-photo reading, electronics, counterinsurgency and leadership. His wife, Evelyn, lives at Ralls.

Sen. Tower

Orbital Bomb--a 'Mistake'?

By SEN. JOHN TOWER (R-Texas)

Our Defense Secretary informed us recently that the Soviet Union is developing an orbital nuclear bomb—a terror weapon which can threaten the entire free world from its station in space. Defense Secretary McNamara—to use his words—is “not concerned.” He says the orbital bomb is a Soviet “mistake.”

THERE IS A mistake, all right. But it is not being made by the Soviet Union. It is being made by a Defense Secretary who is “not concerned” when our adversary for the first time seizes the strategic-weapons advantage from us. The mistake is being made by a Defense Secretary who has deliberately delayed US defense efforts in space, and who refused for years to develop an American anti-missile and anti-satellite de-

fense system. Perhaps the most amazing misstatement by our Defense Secretary was his immediate concession to the Russians that what they are doing with an orbital bomb does not break the treaty on peaceful uses of outer space. Last January President Johnson described the outer-space treaty as aimed toward—and I quote the President—“keeping outer space free forever from the implements of war.”

If an orbital bomb is not regarded by the Defense Secretary as an implement of war, then the President should start relying on some new advisors.

AS A member of the Senate's Armed Services Committee, I found Secretary McNamara's reasoning about the orbital bomb full of holes.

For instance, McNamara said the Soviet's orbital bomb would not be as effective for them as their existing ICBM system. Maybe so. But the orbital bomb is not a replacement for their ICBM system; it is an addition to it. A combined Soviet ICBM and orbital bomb force will be vastly more effective for the Reds than ICBM's alone.

The Secretary also says we need not worry because he will build a new radar system to tell us

when orbital bombs are launched from Soviet bases, giving us the same 30 minutes warning we now have of incoming ICBM's. In fact, all radar can tell us is that a missile of some sort has been launched. Radar will not tell us an orbital bomb is aboard. Unless we could and would shoot down every Soviet-launched missile we still will have only the few minutes warning an orbital bomb gives when it starts down.

IN ANOTHER instance, McNamara said the orbital bomb would not be worth the money to the Soviets because it would be too inaccurate to hit US Minuteman missile sites. But it could be aimed at cities, or have a huge warhead or multiple-warheads, making pinpoint accuracy unnecessary.

In addition, the Defense Secretary never has mentioned to the public the worst danger of the orbital bomb—its possible explosion not on an earth target but in near-space over a target country.

Our limited nuclear testing has taught us that nuclear explosions in near-space black out communications on earth for vast distances and for a long time. Such space explosions could blind our radar, disrupt our Strategic Air Command communications and render inoperable crucial electronic components of our own missile force.

We, unfortunately, must assume that the Soviets know more about the disruptive effects of nuclear blasts in space than we do, because they have tested more and larger weapons in space than we have.

OVER THE past five or six years, while the Reds have been developing this orbital bomb, our own attention to the defensive aspects of space has been pigeon-holed on McNamara's desk. He has even been reduced to arguing that we need deal with the orbital bomb if only we had an anti-missile system—but we don't, because he has delayed a start on such defenses until this year.

We also might know more about the military advantages of space if we had proceeded with our Manned Orbiting Laboratory to place men in space for prolonged periods. We could have had a Manned Orbiting Laboratory in space now, perhaps able to inspect and intercept orbital bombs. We have none because for years the Defense Secretary has allowed the project to lag and lapse.

With this orbital bomb the Reds

planners who contended that if we did nothing military in space the Russians wouldn't either. Meantime, to go with their orbital bomb, the Russians have been adding long-range aircraft, more and bigger ICBM's, and even an aircraft carrier. Obviously, the Soviet Union is methodically planning to extend its power and influence.

THE UNITED States had better get into the defense business in space in a big way and in a big hurry. I think we can meet this threat if we act fast. But, I want you to know that I (for one, am very concerned.

Frio Former Frio Resident Ben Sudduth, 83, Dies

By Mrs. Owen Andrews

Ben M. Sudduth, 83, former resident of this area, died about 9:15 p.m. Monday in a Mansfield hospital.

Funeral services were held Wednesday afternoon in the First Baptist Church, Mansfield, and burial was in the Mansfield Cemetery.

He is survived by his wife; two sons, Ben of Arlington and John of Grand Prairie; two daughters, M. S. English Cox and Mrs. Henry Kight, both of Lubbock; 12 grandchildren and two great grandchildren.

The Sudduths moved to Mansfield about eight years ago from this area, having also lived at Morton and Matador. They farmed most of that time, although they also had been in the laundry and real estate business.

Their last residence here was about four miles south of Hereford, and the Sudduths were active in Frio Baptist Church and community activities. They sold their farm to J. H. Dobbs eight years ago and moved to Mansfield.

Among local relatives is Oscar Easley, nephew of Mrs. Sudduth.

Miss Alma Andrews visited most of this week with her sister, Mrs. Charles King, and Mr. King in Amarillo.

Mrs. Johnny Robinson, Dave Yandell, Olin Parris and Walker Parris were shopping in Amarillo Wednesday.

Mr. and Mrs. W. H. Andrews visited her mother, Mrs. Herbert Adkisson, and other relatives in the Marlowe, Okla., area Monday to Wednesday.

VIRGIL Barber brought three college friends from Tech home for the weekend. They were Vick

Coker of Earth, Tommy Haney of Petersburg and Jerry Spencer of Sulphur Springs.

Mr. and Mrs. Travis Stafford are parents of a 7-pound, 2-ounce girl, born Nov. 15. She has been named Kathy Lee, and has a sister, Kim, who is 3 years old. Grandparents are Mr. and Mrs. Bill Williams of Hereford and Mr. and Mrs. Roy Stafford of Dimmitt. The Travis Staffords live at Tulare, Calif., where he is employed and attending school. Mrs. R. G. Alexander and Jan of Idalou spent the weekend with relatives, the Harlan Barbers.

FM 928 Near Hart Slated for Paving

A contract for a highway construction project in Castro and Swisher Counties has been awarded by the Texas Highway Commission during its November meeting, according to O. L. Crain, district highway engineer at Lubbock.

The construction, consisting of grading, structures, base and surfacing, will be on 11 miles of FM 928, extending from FM 168, five miles north of Hart east to FM 1424, five miles south of Lakeview.

KERR Construction Co. of Lubbock, which submitted the low bid of \$217,183, has been awarded the contract.

Construction is expected to take approximately 150 working days and will be under the active charge of H. C. Weaver, resident highway engineer at Plainview.

Wage Hearings Slated on Beets

The USDA Monday announced a series of public hearings on wage rates and prices for 1968 crop sugarbeets.

ONE OF THESE hearings will be held Dec. 4 at 9:30 a.m. in Lubbock, in the conference room of the South Plains Electric Building, 110 North Amarillo Road.

One condition which sugarbeet producers must meet to qualify for payments under the Sugar Act of 1948 is to pay wage rates not less than those determined to be fair and reasonable by the Secretary of Agriculture after hearings and investigations.

The act provides, as a condition for payment, that producers who process sugar beets grown by other producers must pay prices for sugarbeets determined to be fair and reasonable by the Secretary of Agriculture.

To obtain best possible information, USDA requests that all interested persons appear at these hearings to express their views and present appropriate data.

Nazareth 4-H's Install Officers

New officers of Nazareth's 4-H Club took office at the club's regular meeting last week.

THEY ARE Terry Huseman, president; Raymond Huseman, vice-president; Rita Womack, secretary; Lester Womack, treasurer; Stephen Acker, reporter; and Debra Hochstein, 4-H Council delegate.

David Acker and Mrs. John Womack were re-elected as organizational leaders.

The program was presented by Mrs. Womack, who gave the first in a series of lectures on "Child Care."

Now Receiving his Basic Naval Training at San Diego is David Allen Lively, son of Mr. and Mrs. P. C. Lively of Route 4, Dimmitt. Lively enlisted in the Navy Oct. 23, and is scheduled to complete his boot training Dec. 19.

Presenting The VERSATILE Eversman 329

Longer, Heavier Stronger—Built To Sell at a LOWER COST

Utilizing important NEW IMPROVEMENTS in the Famous Eversman CRANK AXLE

The main wheels of the EVERSMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors.

OUTSTANDING FEATURES—Length 32' 6". Width 12'. Blade capacity 1 1/2 cubic yards. Blade vertical travel 15". Weight 2010 pounds. Front V smoother blade for clod busting and use on heavy dry soil. Front Dolly Assembly for use in loose, moist and trashy soil conditions. Screw adjustment on front clavis provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

There are Eversman models to fit all standard farm tractors.

Farm Bureau Delegates Return From Lively State Convention

Castro County's Farm Bureau delegation has returned from the Texas Farm Bureau Convention held last week at the Terrace Motor Hotel Convention Center in Austin.

REPRESENTING the county at the convention of the state's 105,653-member organization were Mr. and Mrs. Guy Walser, Mr. and Mrs. Clark Andrews and Mr. and Mrs. Jack W. Flynt.

The 2,000 members attending heard Speaker of the House Ben Barnes, Congressman Bob Poage and American Farm Bureau Federation official Herbert Harris II compliment the organization on its continued efforts on behalf of farmers and ranchers.

Delegates passed resolutions in rapid-fire order without dissension. Among the resolutions approved by the convention were ones urging that justices of the US Supreme Court be elected, that no federal legislation be passed requiring registration of fire-

arms, and asking the federal government "to move in the direction" of eliminating governmental regulations in agriculture.

DELEGATES also recommended "strong action by the Federal Communications Commission to stop the communications media, especially TV newsmen, from portraying law and law enforcement officials as oppressors of the poor." The delegates opposed "any increase in the (federal) minimum wage and the extension of coverage to additional groups." The proposed repeal of the Taft-Hartley Act, which bans closed-union shops, was vigorously opposed.

Americans fighting in Vietnam were strongly supported by the Texas Farm Bureau.

Another resolution said all tariffs on imported agricultural commodities should be raised to sufficient levels to offset increased labor and production costs.

Pollard Speaks to Nazareth FHA At 'Winter Wonderland' Banquet

"Winter Wonderland" was the theme Nov. 11 for the annual banquet of Nazareth's Future Homemakers of America.

THE BANQUET was in the Nazareth community hall, and featured the crowning of the FHA Beau and FFA Sweetheart.

Jo Ann Guggemos, chapter president, crowned Mark Gerber as FHA Beau, and Bobby Schulte, FFA chapter president, crowned Sandra Gerber as the FFA Sweetheart.

Walls of the banquet hall were decorated with blue and white streamers. Two large snowmen stood at the sides of the stage, and a small cotton snowman looked over the banquet audience from the stage itself. The double doors were covered by a picture

of a sleigh ride. **REV. FRANK POLLARD**, former minister of Dimmitt's First Baptist Church, was the principal speaker. He spoke on "Choosing Our Ruts Carefully."

Rev. Pollard, who was introduced by Miss Guggemos, said young people must choose their ruts carefully "because we'll be in them for the rest of our lives." He said a person should have three ruts—"our mission, our mate, and our Master."

"**MAKE YOUR** missions worthy of you, not just worth money which you can't take with you," he said. "Your mate can make your life heaven or hell, so make the right decision and take your time. Let God be your master—He knows what makes us run because He made us."

The banquet meal was ginger ale lemonade, baked ham, green beans, beets, Cole slaw, parsley potatoes, and apple pie a la mode.

Private Lessons In Piano, Organ, Voice

Instructor is a graduate of NTSU School of Music. Limited enrollment. 15 students.

Birthday Supper Honors Miss Veazey

Mrs. Irene Keating had a Thanksgiving salad supper at her home in Hart Monday night. Honoree for the evening was Mrs. Lola Veazey on her birthday. Guests were Ruth Carter, Mrs. Beral Hance, Dorothy Wright and Zonell Maples.

Party Honors Lissa Huckabay

Lissa Huckabay celebrated her 13th birthday Friday with a party in her home at 710 Oak St.

HER GUESTS were Teresa Underwood, Rebecca Stanford, Susie Mooney, Debbie Hansen, Nita Singer, Patti Jackson, Judy Birdwell, Deana Hargrove, Janie Bothe, and Ronda Tidwell; and Messrs. Brent Sanders, David Schaeffer, Shannon DeVaney, Joe Sheffy, Charles Sammanns, Chris McCormick, Lonnie Strickland, Norman Hays and Tommy Cameron.

The youngsters were served sandwiches, pick-up foods and birthday cake. They played games and were entertained by the Minor Details, a combo comprised of Van Hopson, Deryl Buckley, Donnie Fennimore and Sandy K. Parsons.

Party Is Given For Kim Griffitt

Kim Griffitt, daughter of Mr and Mrs. Earl Griffitt, was honored on her 10th birthday with a party in her home. Six guests were treated to sandwiches and cake, then all took in a movie.

ATTENDING were Becky Veazey, Lisa McDaniel, Martha Dowe, Twyla Gwinn, Norma Wall and Pat Yerby.

Pink Ladies Set Tea and Bazaar

Plains Memorial Hospital Auxiliary will hold a public tasting tea and bazaar Dec. 9 in the First Methodist Church.

THE LADIES will start serving at 11:30 a.m. Auxiliary ladies are to have their gifts for the bazaar at the church by Dec. 8. These hand-crafted items will be on sale as novel Christmas gifts

Socially Yours

Mrs. Flynt, Daughter Take Part In Welfare Conference at Denver

Mrs. Jack W. Flynt and daughter, Sharron, attended the American Legion's 40th annual Western Area Child Welfare Conference at Denver Thursday through Saturday.

Child welfare leaders of the American Legion from 13 western states convened to discuss Legion child welfare program plans for 1968 and to hear reports from distinguished child welfare leaders.

MRS. FLYNT is national vice-chairman of the Legion Auxiliary's Child Welfare Committee.

Theme for the conference was "Programming for Children in the Computer Age." Specific areas of interest considered by the conference included juvenile delinquency, teenage smoking, family life education and emotionally disturbed children.

The conference was directed to ward implementing the Legion's 1968 child welfare program objectives at the community level.

Miss Annen Feted At Bridal Shower

A bridal shower for Janice Irene Annen, bride-elect of Wesley Odell Bennight, was held Sunday afternoon in the community room of the First State Bank.

RECEIVING the guests were Mrs. Fred Annen and Janice, Mrs. Levi Bennight, Mrs. Ethel Lowe and Mrs. Frank Annen. Connie Ezzell of Austin registered the guests.

The table was covered with white damask, and laid with silver service set and china with willow green napkins. The centerpiece, an epergne on a silver apron, was made of chartreuse fugi mums with spiral eucalyptus and leather leaf foliage.

Mrs. Murray Hall and Mrs. Dale Prather served coffee and spiced tea, cake squares with white wedding bells and bows of willow green icing.

The honoree's flowers were in the form of a corsage made of chartreuse fugi mums with willow green ribbon.

HOSSESSES WERE Joyce Rice, Lucille Smith, Evon Parker, Loyd Burress, Bertie McLain and Sue Bennett, all of Hart; and Sue Merritt, Shirley Hall, Amelia Barrera, Peggy Prather, Beverly Gerber, Dorothy Hopson, Lillian Schreck, Betty Huckabay and Eva Mae Morrison, all of Dimmitt.

Mrs. Murray Hall and Mrs. Dale Prather served coffee and spiced tea, cake squares with white wedding bells and bows of willow green icing.

May-Dollar Vows Recited in Luling

In a home wedding ceremony in Luling Nov. 4, Miss Alisa May, daughter of Mr. and Mrs. A. T. May of Luling, became the bride of Monty Dollar, son of Mr. and Mrs. L. E. Dollar of Dimmitt.

THE CEREMONY was performed in the home of the bride's parents, with Rev. Bob Little, pastor of Luling Baptist Church, officiating.

Given in marriage by her father, the bride wore a street length dress of beige bonded knit. She carried a white orchid atop a lace-covered Bible.

The couple's attendants were Mr. and Mrs. James Damon of Luling.

AMONG those attending the wedding was Mrs. Jimmy Ross, the bride's sister.

Mrs. Burks Hosts Arney Club

The Arney Community Club met last week in the home of Mrs. Charles Burks, with nine members present. Mrs. Larry Burks and Mrs. Clarence Zachary were co-hostesses.

AFTER A business session and demonstration of kitchenware products, members played several games with prizes given to the winners.

THE WEDDING will be in the Ford Memorial Chapel of the First Baptist Church of Lubbock Saturday at 7 p.m. Friends of the couple are invited to attend.

On the Go **MRS. R. V. McMAHON SR.** visited recently with her daughters, Mrs. Johnny Powell and family at Cortez, Colo., and Mrs. Raymond Mobley and family at Farmington, N.M.

Miss Schacher

Wedding Date Set

Mr. and Mrs. Alfred Schacher of Nazareth announce the forthcoming marriage of their daughter, Viola, to Calvin Melcher, also of Nazareth.

THE CEDDING will be Tuesday at 4 p.m. in Nazareth's Holy Family Church.

Miss Schacher, a 1966 graduate of Nazareth High School, is employed by Cowser Abstract Co. in Dimmitt.

Melcher, son of Mr. and Mrs. Edgar Melcher of Meadow, is due home this week from Vietnam.

Friends of the couple are invited to attend.

Garden Club Holds Annual Silver Tea

The First State Bank's community room took on a festive air Wednesday afternoon of last week when the Dimmitt Garden Club met for a program and silver tea.

MRS. OLLIE CARVER demonstrated the making of holiday arrangements using green cedar with small flowers, and such other accessories as a candle, a Madonna and bright flowers.

Mrs. H. H. Carlile and Allie Mae Willis served small rose cakes and coffee from a table covered with a white cutwork

cloth, using pink roses for a centerpiece.

Mrs. Jay Lee Touchstone conducted the business session.

THE CLUB plans to sell blue-bonnet decorative note paper and will participate in a Christmas flower arrangement show in Hereford during the first weekend of December.

Mrs. Jim Jack Butler was co-hostess for the meeting. Fifteen members were present, plus two guests, Mrs. Leola Haberer and Mrs. Kay Finneran.

October Toll: 3 Dead, 8 Hurt

Highway and road accidents in Castro County last month took a toll of three lives, eight injuries and \$11,665 in property damage, the Texas Highway Patrol summarized this week.

SGT. W. E. WELLS, Highway Patrol supervisor for the area, said patrolmen investigated 15 accidents on rural roads in the county during October.

The county's traffic accident summary for the first 10 months of 1967 shows 82 accidents resulting in eight persons killed, 61 persons injured, and an estimated property damage of \$71,654, Sgt. Wells reported.

Sgt. Wells urged county motorists to get the jump on winter driving by having their vehicles inspected to assure safe mechanical performance during the months ahead.

HE ALSO gave these suggestions for "winterizing" your driving during icy and slippery conditions:

1. Slow down and leave more space between cars.
2. Keep windows clear.
3. Turn on your car lights in any questionable conditions to help others see you.
4. Drive extra slow on turns, intersections and crests of hills.

CHOKING ON SMOKE at the doorway of this blazing home Friday morning are volunteer firemen J. B. Moore (left), Bob Murdock (in hard hat) and Gene Smith. The small stucco house, located at 305 S.W. Third St., was owned by Jack Gregory and rented by Enrique Dominguez.

No one was home when the fire broke out, and much of the inside had been ruined by the time neighbors spotted the blaze and turned in the alarm at 8:50 a.m. Virtually all the Dominguezes' household goods were destroyed in the fire.

Son-in-law Dies After Accident

Mr. and Mrs. Roy Baylets of Dimmitt received word Tuesday that their son-in-law, Paul Bailey, had died Tuesday as the result of an industrial accident in Beaufonte, Pa.

BAILEY, an electrician for Titan Metal Works, was injured Monday night and died at 4:30 a.m. Tuesday in a Beaufonte hospital.

Funeral services are scheduled Friday in Beaufonte. He is survived by his wife, Nina; a son, David, of the US Air Force; and a daughter, Paula Jo, 13.

157 Hunters Buy Licenses

With seasons now open on ducks, geese and quail, County Clerk Zonelle Maples reports that her office has issued 157 hunting licenses to county residents so far.

SHE SAID the number "is about normal so far," but predicted another run on licenses when pheasant season opens Dec. 1.

REMEMBER to mark a'l Christmas mail for which you have paid special charges with the type of handling it should get (airmail, Special Delivery, etc.).

PLAINS MEMORIAL HOSPITAL Born Saturday to Mr. and Mrs. Alex Trigo: a daughter, Lidia, who weighed 7 pounds, 12 ounces. Mr. and Mrs. Policarpo Hernandez are the parents of a baby girl, Angel Castro, who born Saturday and weighed 8 pounds, 6 1/2 ounces. Born last Thursday to Mr. and Mrs. Jose Garza: a son, Leonardo.

THANKSGIVING

The Proper Way to Start the Day
... in the Church of Your Choice

Remembering the blessings of a good life, each family in our community joins in a single voice of prayerful thanks on that day set aside for special Thanksgiving.

It is our privilege to be thankful, too; thankful for the many nice people who come to us for service. We count them all as our blessings and wish them all a very happy and bountiful Thanksgiving Day.

Castro Co-Op
Gin, Inc.

Thanksgiving

In the Thanksgiving tradition, we pause to count our many blessings. As we reflect on our good fortune, we express our gratitude to our customers, for past considerations. Warmest greetings and best wishes for a happy, hearty Thanksgiving!

Blue Room Coiffures

Bobbies Smother Bovina Tuesday

Dimmitt's Bobbies waltzed to their third victory in a row Tuesday night, smothering Bovina 65-38 in North Elementary School Gym.

THE GAME was a rout from the starting tipoff as the Bobbies sprang to 21-7 lead in the first period. Bovina fought back, though, and closed the gap to five points by halftime, 29-24, as the finding the basket.

But in the third period Dimmitt's guards buckled down and practically won the game by themselves as they thoroughly bottled Bovina's forwards. Bovina netted only eight points in the third frame while Dimmitt's forwards got the range again and poured 20 points through to take a 49-32 lead going into the final period.

Bovina's forwards fared even worse in the fourth quarter, netting only six points while Dimmitt sank 16 more to win going away, 65-38.

A'LLAN WEBB was Dimmitt's top goal-finder again with 34 points, followed by Debra Summers with 14, Ruth Dyer with 11 and Suzanne Merritt with 6.

"Our forwards actually had an off night," Coach Van Kountz said after the game, "but our guards did a real find job — especially Delores Wilke and Sharon Barker. The guards pretty well shut off Bovina in the second half, allowing them only 14 points. That's what won the game for us."

IN A GIRLS' B team game earlier, Dimmitt downed Bovina 24-18, with Vicki Vaughan scoring 11 of Dimmitt's 24 points.

Cats Bow to Hereford, 63-59, Despite Fourth Quarter Rally

Dimmitt's Bobcats dropped their second game in three starts Tuesday night, but not without a tremendous fourth-quarter comeback against Hereford. Final score was 63-59.

The Bobcat-Whiteface bout in North Elementary School gym was close in the first half, with Dimmitt trailing throughout by four to six points. Hereford gained a 15-11 lead by the end of the first quarter and still led, 28-22, at halftime.

BUT IN THE third quarter the Whitefaces put the game virtually out of the Bobcats' reach as they rang up 17 points to Dimmitt's 10 to take a 45-32 lead, 45-32, going into the final frame.

However, Dimmitt bounced back in the fourth period and turned in the best quarter of the game, scoring 27 points while holding the Whitefaces to 18. But it wasn't enough to overcome the Hereford lead, and when the final buzzer sounded the Whitefaces still were ahead by four points, 63-59.

Whitefaces put the game virtually

tion, Coach Kenneth Cleveland again used all 13 of his varsity players, settling with his smaller boys in the electrifying fourth quarter.

Leading the Bobcats in scoring was guard Bobby Baker with 19 points, while Jack Bradford netted 12.

"I was very pleased with the way our boys hustled back in the fourth quarter," Cleveland said. "We had our smaller boys in then, and they pressed Hereford all over the court and almost caught up with them."

IN THE B team game preceding the varsity bout, Dimmitt downed Hereford 54-52 as David Bellinghausen led the way with 13 points.

Dimmitt's B-Cats took a 15-9 first quarter lead which Hereford narrowed slightly to 28-23 by halftime. The B-Cats won the game in the third period when they rang up 18 points to Hereford's 14 for a 42-37 lead, then hung on to survive a fourth quarter Hereford attack that almost reversed the bout.

A Policeman's Thanksgiving

By W. W. JONES
City Marshal

I invite you to join me in giving thanks to our young men and ladies of Dimmitt.

I SAY "men and ladies" because to me the words denote responsible citizens, honest, respectful and responsible for their own actions.

If you will think back, you will realize we have had next to no trouble at all with our young people here. To me, this is something to be thankful for, because it concerns us all.

I don't use the word "teenagers," because our boys and girls here in Dimmitt are not in the same category with those in some other cities, where things are not going so well. So I don't think they should be described with the same catch-phrase.

I PERSONALLY am thankful for the way they conduct themselves, for they are the next generation of men and women who will be running our city.

I remember my grand-daddy shaking his head and saying, "I don't know what this younger generation is coming to." But the world is still turning, and I have full confidence it will turn tomorrow, too, with our new generation handling things.

So I think if we will have confidence in the boys and girls of Dimmitt, we will see they will

do what is right.

I personally give thanks for the privilege of working with the boys and girls of Dimmitt. The only reason I can come up with as to why they conduct themselves so very well is simply that their mothers and fathers did so before them.

YOUR police department would like to take this means of publicly thanking our young men and ladies for being what they are.

YOU CAN write "Do Not Open Until Christmas" on the outside of a Christmas package that goes through the mails. If a letter is enclosed, it must be noted outside the package and first-class postage should be paid for the letters, in addition to the parcel post rate for the package.

Thanksgiving

We Gather Together
In Thankful Spirit . . .

To meet with family and friends . . . to express our thankfulness for the many good things of life . . . these happy customs began with the first Thanksgiving Day. And may they long continue! At this season, it's our favorite custom to extend our thanks and best wishes to our friends and customers. To all of you, a happy, hearty Thanksgiving!

THANKSGIVING

Time to Be Grateful
For Many Blessings

A delicious turkey dinner, with friends and loved ones all around us . . . these are the traditions of Thanksgiving. But most of all, this joyful day is a time to remember the many blessings we can be thankful for. High on the list for us are our cordial relations with our valued friends and customers. To all of you, our sincere thanks and warm greetings.
