There are thousands of German, Swedish, Norwegian, Belgian, and other immigrants that come to this country annually. Why could not many of them be diverted directly to Texas instead of being left to learn the state's resources in later years? The journey by water would not be much longer in these days of rapid ships for even immigrants; and the advantage to the state would be

incalculable. The argument is advanced that the iners running to New York disorders. It removes the cause and effects Paso Herald. can carry steerage passengers at a rate that makes competition by the smaller vessels touching Galveston prohibitive. This is doubtless true, yet there is a big opportunity for some one with enough resources at hand to reduce the cost of coming to Texas by way of Galveston to the same basis as that of the voyage to New York, and to offer additional inducements that will swing the better class of citizens this way. For a le land could hardly tling up d ask for a blood into the state of healthy uch good. would result

Lost Reason After LaGrippe.

Daughter Had Frequent Spasms.

Dr. Miles' Nervine Cured Them Both.

"I feel it is my duty to let you know that your medicines have cured my little girl of nine, of spasms. She commenced having them many Navarro county farmers have all it a good remedy for myself I commenced giving it to my child. I gave her in all ten bottles of the Nervine and one of the Blood Purifier. That was over two years ago and she has not had an attack since we comroubled with nervousness and we consider her permanently cured. I enclose her picsition, a company set- ture. My mother-in-law lost her reason and e land could hardly plan and the influx was insane for three months from the effects of LaGrippe. Six bottles of Dr. Miles' Nervine cured her. My sister has also taken it for sick headache with good results. We all thank you very much for your good medi-cines and kind advice. I don't think there is any other medicine half so good. I send or state, or city my daughter's photograph so that you may see what a sweet little girl lives out in Arkansas."—Mrs. HANNAH BARKETT,

SWITCHING RATES IN KANSAS CITY

E FORT WORTH TELEGRAM.

Kansas City grain men and other shippers have filed complaint with the railcoad commissioners of that state against the railroads for their having made inreased switching charges. April 6 has been set as the date for hearing evi-

dence in the case.

The minimum switching charge in Kansas City is \$3. This the shipped claim is too high, as in such places a Let us reason together, dear reader, if St. Joseph. St. Louis and Memphis there you are one of the many plodding along are minimum charges ranging from \$1 to rom day to day, weary, worn, exhausted, \$2. This they claim is entirely sufficient, and anxious. If you are sleepless, nerv- and it is making entirely too high a rate Three big victories in one day is not ous, despondent, rheumatic, neuralgic or to boost the charge to \$3 for the miniburdened with any of the spring ills that mum. This increase of a dollar was made result from foul and impoverished blood, over six months ago and several times et us give you the positive assurance of since then efforts have been made to The St. Louis World's Fair Com- certain and speedy cure. Paine's Celery have the commissioners act on the question. Last fall when the reconstanment question was heard, the shipping charge . was one of the counts, but for some reason it did not come up. The matter lagged along and did not come up again until recently.

The minimum charge for switching a ear was formerly \$2 in Kansas City yards and since the raise it has cost the diferent houses thousands of dollars

There are often two switches to place a car where it is desired, and sometimes the charge on one car will be \$10. The charge for a single switching goes as

"And what did she say?" asked Heath-

erington, quickly. "She said, 'Of course not, Frankie, whatever makes you think so?" "

Heatherington's face fell. "But," added Henderson, eagerly, "I don't think she really meant that, because he had learned that it is not good to she said just the same the other day when Mr. Freelander asked her if she liked diamonds. And I know she likes diamonds." Little Henderson paused for breath; but

Doggie tapped impatiently with his foot. "The next day I told Maggie that I knew you wanted her to be your wife. At first she pretended not to hear me, and went on with her work. But I kept on talking, and at last I asked her why she would not marry .you, and she said-and

she said"-"Buck up," whispered Doggie, sternly,

'or I'll pinch you." tion or inquiry. He handed over the "She said she could only marry a man money without a word, and Doggie-after who loved her very much indeed," con cluded Henderson, hurriedly, with the air of one who has come through a trying or leal more or less creditably.

Captain Heatherington sat lost i thought. He was reviewing in his mir events which had pained him far more than his wounds. He recalled the even ing on which he had asked Maggie Henderson to be his wife.

Throughout the whole interview the Tve brought Hennie to tell you all image of the wealthy Freelander had about it," said Doggie, by way of intro- loomed largely on the horizon of his mind; and he had expatiated-perhaps, with unnecessary emphasis-upon the fact that he possessed an income which, though com-"Go on," said Doggie; tell him all paratively small, would suffice to keep his wife in moderate comfort. He had dwelt long and prosily upon his future prospects and upon the past history of his

vent request. And then-then Maggie had turned to him with a tiny, inexplicable laugh, and

"Oh, Captain Heatherington, you pay me a great compliment, but-I could not

possibly do what you ask!" He recalled the exact words with unasant distinctness. He remembered that he had turned away in a rage, re viling his luck, and telling himself that honest love was nothing to the woman whose heart was set upon wealth and position. He had blamed Maggie for her selfishness. He had called her mercenary and a flirt. But, in the light of his new knowledge, it was borne in upon him that he himself, and no other had been at fault. In his fear of a rival-in his anxiety to establish his social position-he had forgotten to speak of that which lay nearest to his heart. As he realized the extent of his folly a grim smile over-Permanently cured by taking Botanic spread his face. To Maggie it must have
