County Auditor Reeford Burrous made suggestions to commissioners about expense reports for county employees.

He suggested that commissioners set guidelines for expenses at \$35 a night for lodging, \$4 for a morning meal, \$6 for noon, and \$10 for an evening meal, and 23 cents per

mile when taking a car. He said all receipts should be kept and turned in. He suggested that if receipts were not turned in, commissioners should follow the guidelines for reimbursement to the individual.

Other suggestions Burrous made were: that any donations made should come through the County Judge's office; that commissioners renew some of the county's C.D.'s to get the highest possible interest; and that commissioners adopt a requisition and purchase order policy.

Bob Caddell, representing the Chamber of Commerce, Robert Ryan, DISD superintendent, and George Lamberth of Amstar, met with commissioners to discuss the need for a new speaker system at the County Expo building.

"We feel that something should be considered and done in upgrading the system," Caddell told commissioners. "We're here to help in any way we can."

Commissioners agreed that something needed to be done about the system. Caddell, Ryan and Lamberth have checked into several speaker systems, and will help commissioners in drawing up specifications for a new system.

Commissioners approved the payment of a bill for \$5,851.84 to Yellow House Machinery, from Precinct 1.

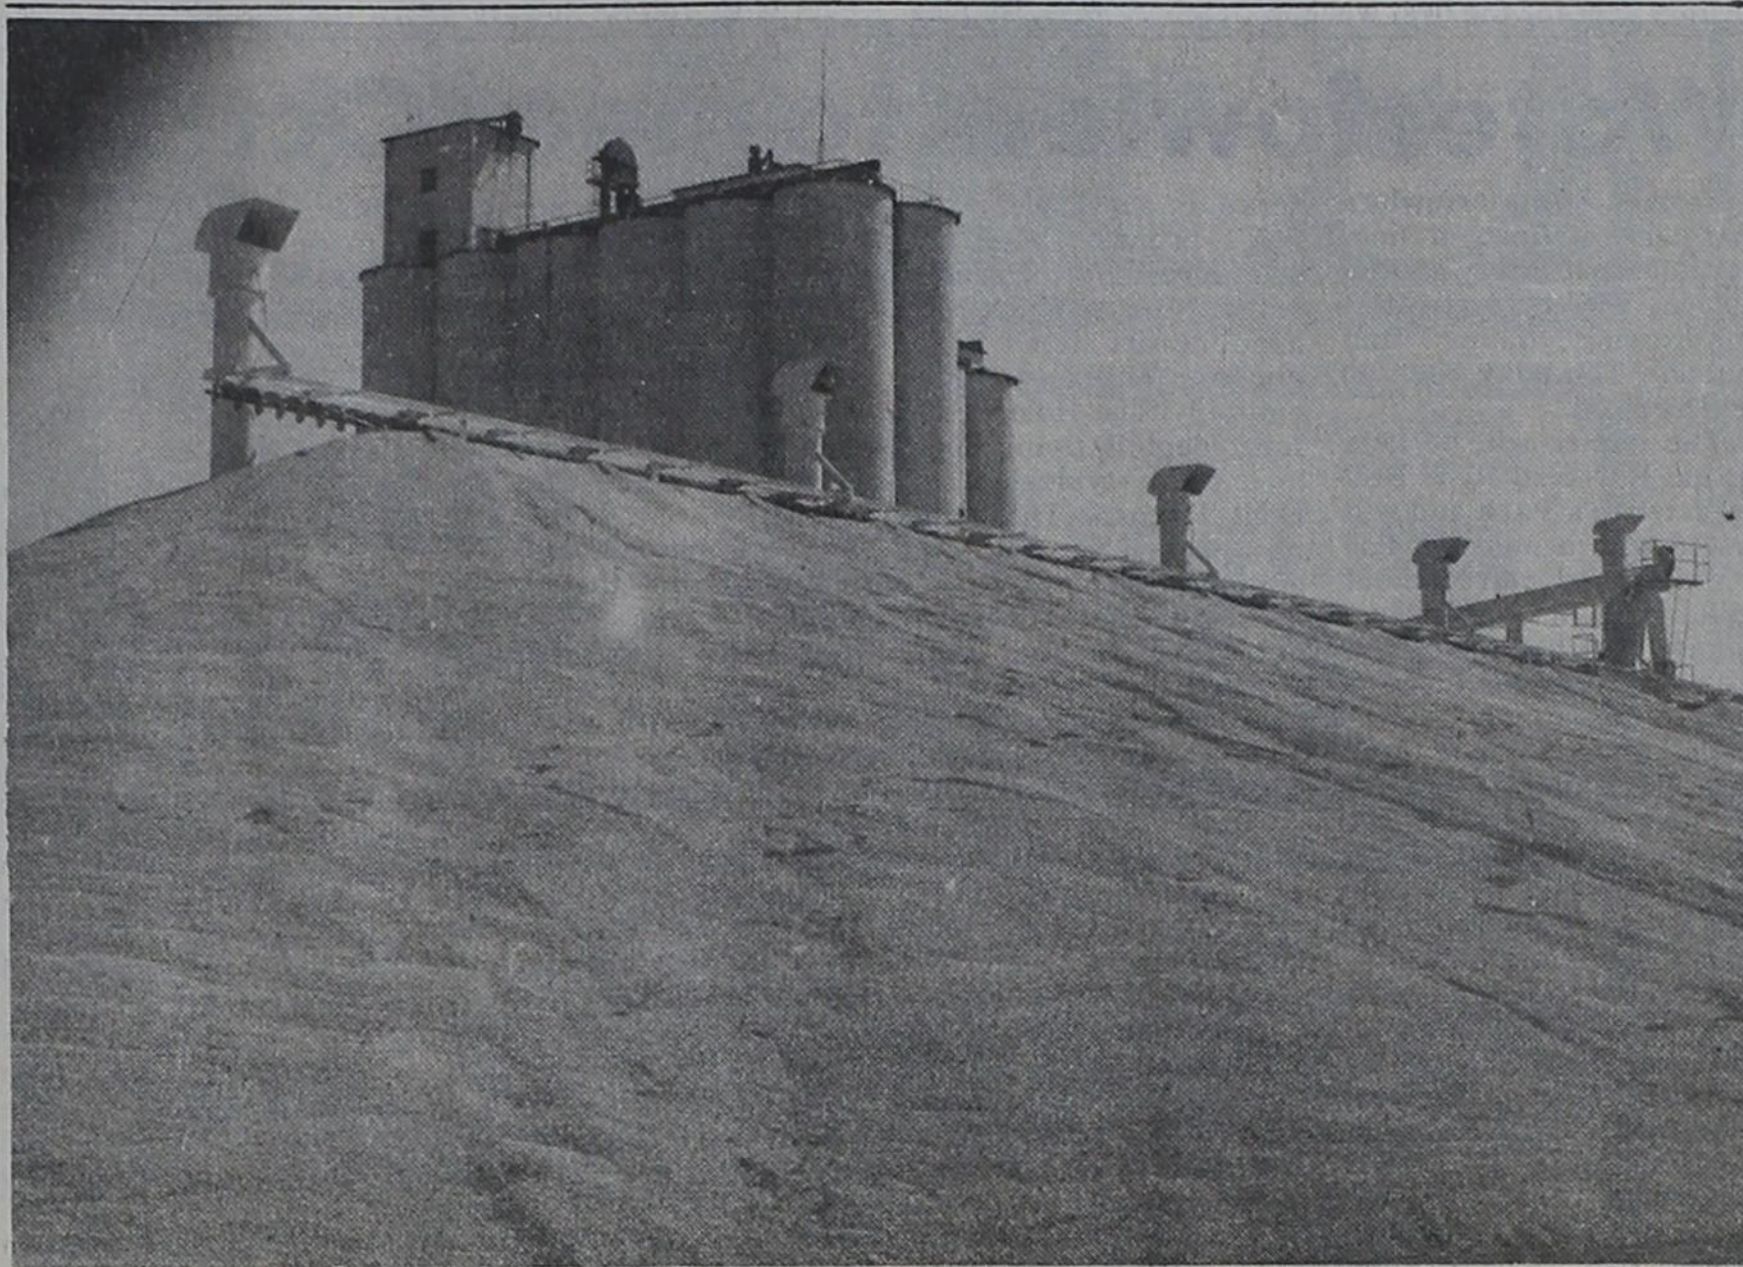

They also approved reimbursement to several county officials for attending conferences. County Judge Polly Simpson will be reimbursed \$256.38 for attending the State conference for county judges and commissioners. Ed Wilson also attended, and will be reimbursed \$246.91. Justice of the Peace Marshall Young will be reimbursed \$350 for expenses.

In other business Commissioners:

—met in executive session with District II Extension Director Katherine Crawford to discuss the Castro County extension agent.

—discussed the sick leave policy for county employees and are considering allowing 10 days sick leave with full pay and 10 days with one-half pay.

—appointed Janice Matthews from Precinct 3 to the Child Welfare Board.

TALL CORN—A mountain of dry corn — approximately 800,000 bushels of it — has grown near the South Elevator of Dimmitt Agri Industries, Inc. When this year's crop poured in, the elevator complex still had most of its storage capacity taken by carryover corn from the 1981-82 loan and reserve programs, "and terminal warehouse space was either non-existent or too expensive," General Manager Bill Clark said. Release by the Commodity Credit Corp. of grain to the PIK Program is now making storage space available, so the cooperative will start reducing the mountain of corn this week, Clark said. "We tried to get the CCC to release PIK grain earlier for orderly marketing, but they wouldn't do it, so our only other alternative was to stack it, unless we wanted to pay high storage-space costs," he said.

### For DHS Band

## Board authorizes 'state' trip

Despite an estimated cost of \$13,000 or more, the Dimmitt School Board granted permission for the high school band to participate in the Nov. 14-15 state marching contest if selected.

Newly placed under University Interscholastic League jurisdiction, the contest will be open to the top two bands of each region, as selected at the six regional contests.

At regional, the top two and an alternate will be selected in each classification. The alternate band may go to state if either of the top two are unable to attend.

The board agreed that Dimmitt's band could attend only if selected as a top two, not as an alternate.

Board members stated that they wanted to give an equal opportunity to any school group qualifying for the state level of competition to be able to attend.

It was also decided to approach the band boosters to help with expenses. Attending the state competition would not prevent the band from taking its annual spring trip.

The board gave approval for the band to attend the Tri-State Music Festival at Enid, Okla., with departure set for 7 a.m. Friday, May 4, and arrival back in Dimmitt set for May 7.

The high school choir was given permission to attend the White Water Choral Festival at Oklahoma City, with departure set for Wednesday, May 2, at 2:30 p.m., and return on May 6.

As allowed for in the budget, the board approved a total \$15,448.98 expenditure for two new pickups. The bid was awarded to Reeve-Fleming Chevrolet of Dimmitt for two 1983 models. 1984 Chevrolets were priced at \$7,294.70 each, but did not have the same number of options included. Bids received from Stan Byrnes Ford of Dimmitt included \$7,982.15 per vehicle for 1983 models and \$7,552.30 per vehicle for 1984 models.

The board voted to reappoint the same three members they named to the Castro County Appraisal District Board. Agreeing to serve another two-year term are James Welch, George Sides and Charles Nutt.

Board members Fred Bruegel, Glenn Odom, Deanne Clark and Charles Wales reported on sessions they attended at the recent Texas Association of School Boards convention. Main topics of the

convention touched on computers and merit pay for teachers, as well as academic coaches, curriculum direction, drug abuse, and textbook selection.

Clark reported that items discussed in the delegate session included voluntary silent prayer in schools and teaching creationism as an alternate theory.

Approval was given by the board to new job descriptions and evaluation forms for the superintendent, librarians and school nurses.

New wording on local board policies was approved concerning personnel contracts, use of school vehicles and organization of instruction.

It was noted that catastrophic insurance coverage purchased by the school board will only cover students involved in UIL athletics, rather than those in any UIL activity.

In an executive session, the board added 14 names to the list of approved substitute teachers, and were briefed on a discipline incident at the middle school.

## Final decision on RR yet to come

It will be sometime in the near future before the Texas Railroad Commission makes a final ruling on the case concerning closing of the railroad agency at Dimmitt as requested by Burlington Northern Railroad.

Burlington filed a motion for rehearing, a request for oral argument and a motion for severance after the preliminary report of the commission was made public, in which the commission said it would not grant the railroad's request to close the Dimmitt agency and handle the agency work

through the Plainview agency and a roving agent.

Carl Collyer, representative of Bruegel & Sons, Inc. of Dimmitt; R. L. Rahlfs, traffic and commodities manager of the Amstar Corp.; and James W. Naylor, administrative assistant of Dimmitt Agri Industries, Inc.; all filed replies to the railroad's motions and request, asking that they be denied, letting the ruling stand as is.

Collyer said that the replies were due by Oct. 7, and that the commission is to give a final decision within 45 days of that date.

PEPPY FIRE DRILL—Dimmitt High School cheerleaders whip up enthusiasm during an impromptu pep rally in front of the school Friday morning. Planned by the Dimmitt Athletic Booster Club, the rally started as a fire drill — a standard practice during National Fire Prevention Week — and

after the students filed out, they found banners, fire trucks and a crowd of adult boosters waiting for them. Several members of the Dimmitt Volunteer Fire Dept. cooperated by wheeling out one of the fire trucks and an emergency vehicle.

## Roming appointed to Texas Water Commission

Governor Mark White recently appointed a West Texan to the Texas Water Commission. Ralph Roming, a 44 year old Farmer County farmer from Bovina, is already on the job in Austin serving his four year term as a commissioner. His appointment was announced Sept. 2 and Ralph says he learned of it only an hour before being sworn in.

Roming is Chairman of the Citizens Advisory Committee to the Texas Low Level Radioactive Waste Disposal Authority and a member of the Agricultural Producers Advisory Committee jointly created by the Governor's office and the Texas Department of Agriculture. Roming served for 87 years as a county committeeman of the High Plains Underwater Conservation District No. 1. He is a co-founder and

former chairman of the Texas Chapter of the American Agricultural Movement and a member of the President's Council, Texas Farmers Union.

His responsibilities with the Water Commission, formerly the Texas Water Rights Commission, include acting on applications for water use, waste disposal and other permits, the creation of water districts, and funding approval of applications for bonds by water districts.

Roming has worked in water related issues and in state government as chief clerk of the Texas House of Representatives' Agricultural and Livestock Committee from 1979 to 1980. He was legislative director of the Alcohol Fuel Products Association from 1980 to 1983.

Roming says he has realized that water is the most crucial problem that the State faces for the next 20 years. He believes it is time to make specific strides in formulating a scheme of this state's water policy," says Roming.

He serves on the three member Commission full time with Chairman, Felix McDonald and Lee B. M. Diggart. Roming is replacing J. D. Stoner of Lufkin who resigned.

**RESIDENTIAL BEAUTY SPOT**—Zonelle Maples' home at 216 W. Etter has been chosen as the residential beauty spot for the first week in October. Mrs. Maples

house was chosen because of the neat paint job. It is painted a pleasant yellow and trimmed in white. White pots with yellow flowers adorn the porch.

## Waterfowlers to meet Oct. 20

Texas Waterfowlers Association, Inc., a non-profit conservation organization, will hold its first fundraising dinner and auction Thursday, Oct. 20 in Hereford.

The dinner will be held at the Hereford VFW Hall in Veteran's Park and will begin with a merchandise viewing and refreshment hour at 6 p.m. A barbecue dinner will begin at 6:45, followed by an auction at 8 p.m.

The dinner is open to all interested persons. Tickets for the event are priced at \$15 each which includes a tax deductible \$10 TWA membership fee and \$5 for the dinner.

Advance tickets may be obtained by calling 364-7062 or 364-3880, or by writing TWA at Box 95, Hereford.

Highlighting the TWA fundraiser will be an auction which will feature works by local and national artists. Ted Walling of Hereford will

serve as auctioneer. A bronze waterfowl sculpture by Hereford artist Andy Wilks will headline art items in the auction. Wilks' sculpture, entitled "The Hole in The Ice," depicts flying ducks in a scene typical of the High Plains. The sculpture is one of a limited edition of 30.

Tom Taber of Woodendare, San Jacinto, Calif. donated a classic hand-carved snow goose decoy done in wormwood that will also highlight the auction. The decoy is completely hand rendered and represents a collector's item for those interested in waterfowl art. Hand carved duck decoys from Swan Quarter Carving Co., Island Lake, Ill. will also be auctioned.

Waterfowl art prints will include remargued works by Carl Melichar, Mayer, Minn. and prints from David Maass and Gary Moss depicting waterfowl

and upland game scenes. Hereford taxidermist Kevin Fox has donated his services to mount a pheasant supplied by the highest bidder while Bill Henderson of Hereford has donated a rattlesnake hatband he made for the event.

A Remington Model 1100 shotgun from the limited edition "One of 3000" series will be the featured dinner gun. The shotgun is engraved with a waterfowling scene on the left side of the receiver and carries Remington engraving on the right side.

Proceeds from the fundraiser will be used by TWA to provide waterfowl wintering habitat in Texas with much of the proceeds to be used in the High Plains area.

Texas Waterfowlers Association was organized by Mike Smith and Jim Steiert of Hereford in July of 1982 to help provide additional waterfowl wintering habitat in

Texas. TWA seeks to provide financial incentive to landowners to manage suitable habitat areas for waterfowl through sanctuary lease arrangements. TWA also seeks to reduce disease problems in wintering waterfowl by providing additional habitat.

## Nazareth bazaar set

The Nazareth Art Club Holiday Arts and Crafts Bazaar will be held Nov. 20 in the Nazareth School cafeteria.

Booths will be assigned as reservations are made. Each booth will be provided with one table and chair. Booths must be reserved by Nov. 12, and the \$15 fee must be paid by then.

For more information contact Lucille Drerup at 945-2562 or Rose Mary Wilhelm at 945-2583.

## Shot clinic to be Friday

A free immunization clinic is set for Friday from 9 a.m. to 12 noon in the Dimmitt City Hall meeting room.

Shots will be given that offer protection against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella and mumps. There will be no charge.

EGGS are a "natural" food because there's so little interference in the production process.

# Feed Grain Program calls for 10% reduction

Secretary of Agriculture John R. Block announced a 10 percent acreage reduction for "acreage conservation reserve purposes" for the 1984 feed grain program. Program sign-up period will be Jan. 16 - Feb. 24, the same as for the 1984 wheat program. "I am referring to the 1984 program as an acreage conservation reserve to give special emphasis to the administration's objective," Block said. "We want to encourage farmers to place their more erosive land into conservation uses while continuing to balance supply and demand during 1984. The current payment-in-kind program accomplished this, and our goal in 1984 is to encourage a continuation of this very important conservation practice."

Block said participation in the 1984 program is a way in which farmers can control over-supply situations similar to what they have just faced. "It will also provide a degree of insurance for farmers against price fluctuation and adverse weather conditions," Block said. "The point is, it is not always in the farmer's best interest to plant fence row to fence

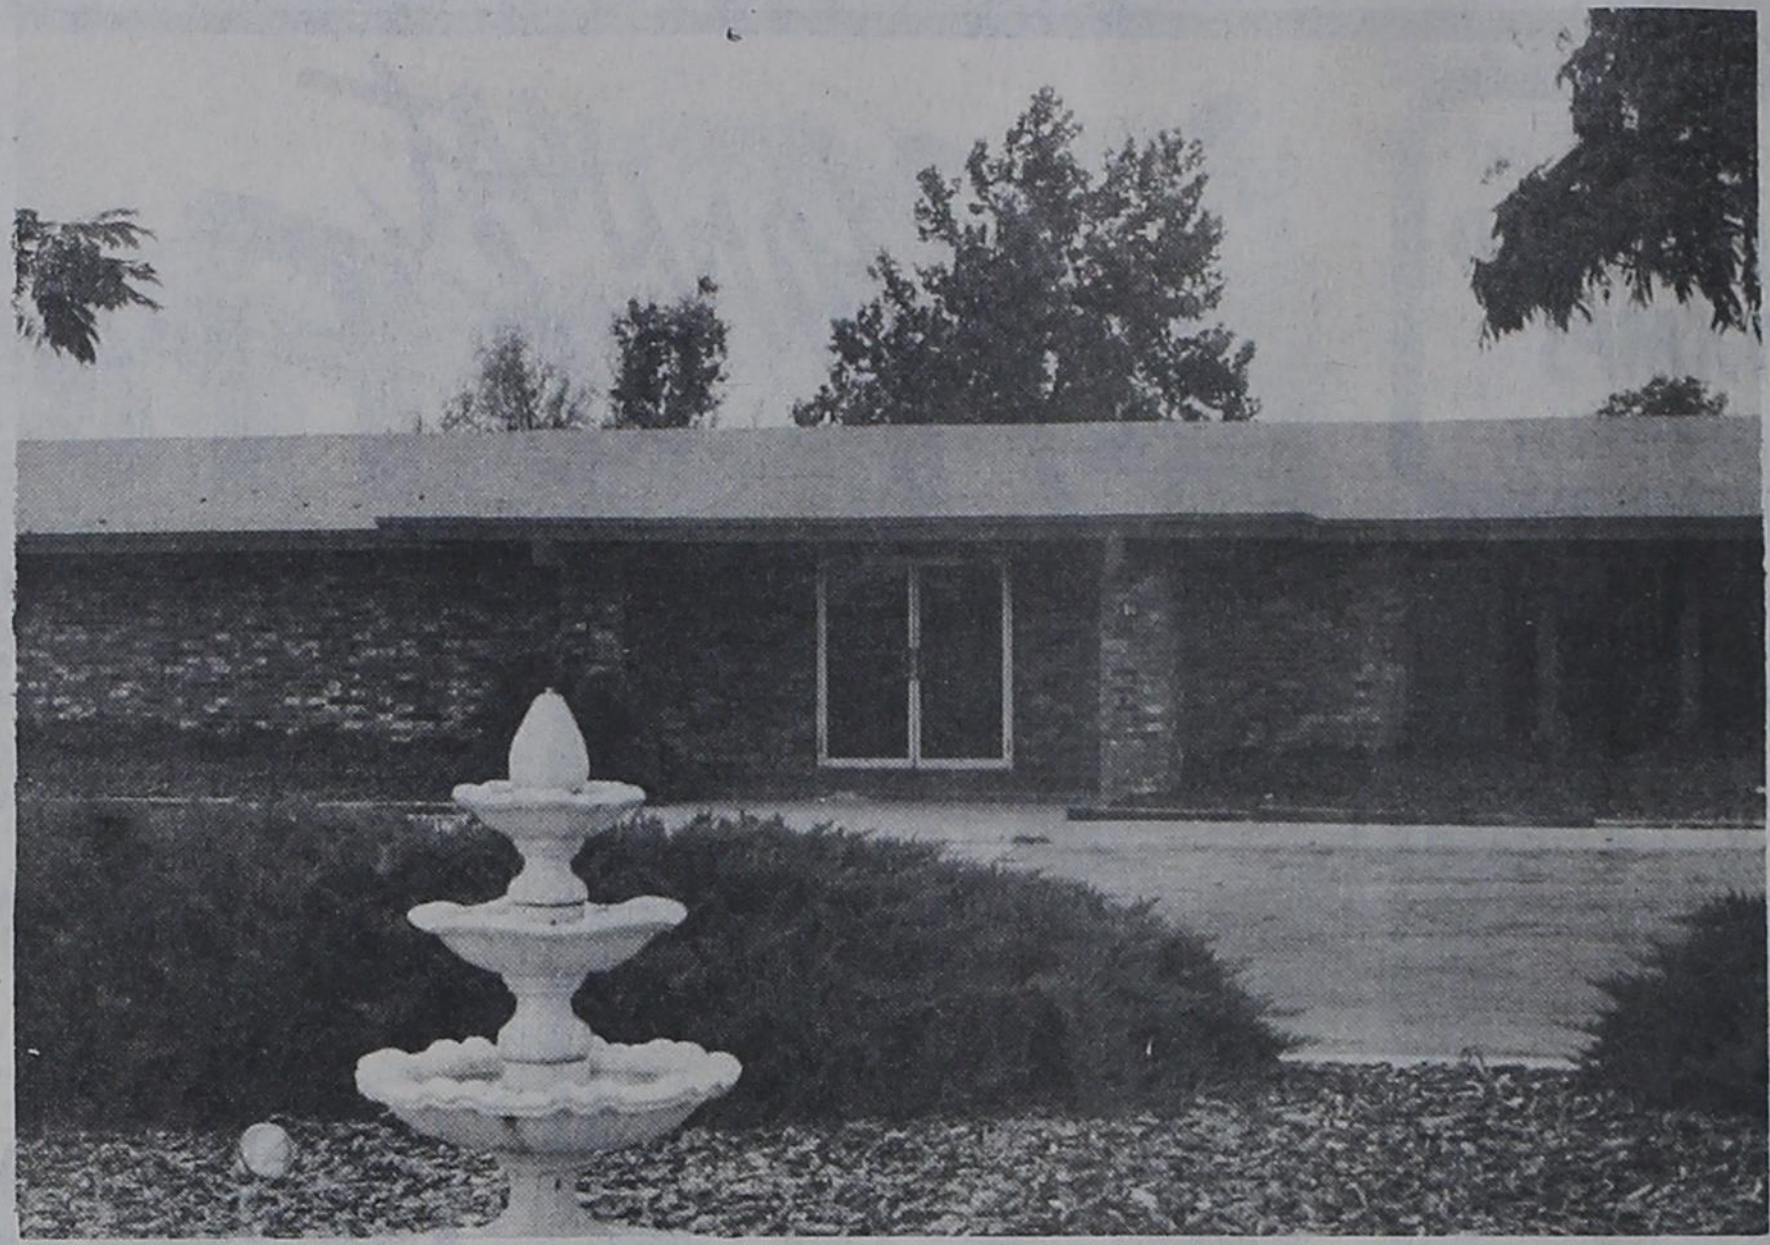

row." Regular Commodity Credit Corporation price support loan and purchase rates, per bushel, will be: corn, \$2.55; sorghum, \$2.42; barley, \$2.08; oats, \$1.31; rye, \$2.17.

Other 1984 feed grain program provisions include:

- To be eligible for price support benefits, a producer must agree to limit corn, sorghum, oats and barley acreage planted for harvest to not more than 90 percent of the farm's feed grain base and devote to an acreage conservation reserve an acreage of eligible cropland equal to 11.11 percent of the 1984 planted acreage. As under the 1983 program, two bases will be established, one for corn and sorghum and the other for barley and oats.
- The 1984 acreage base will be the average of the acreage planted and considered planted to feed grains in 1982 and 1983.
- Land designated for acreage conservation reserve use must have been devoted to row crops or small grains in two of the last three years except for a summer fallow farm. In case of summer fallow, acreage conservation reserve use acreage must be land that would have been planted to small grains or row crops in 1984 in the absence of the 1984 feed grain program. The land

must be protected from wind and water erosion throughout the year.

- Offsetting and cross compliance will not apply to the 1984 program.
- No advance deficiency payments.
- Haying will not be permitted on the conservation use acreage. However, the acreage may be grazed except during the six principal growing months.
- As in the 1983 program, waxy corn will be included, but not popcorn or sweet corn.
- Malting barley will not be exempted from the program.
- There will be no immediate entry in the farmer owned reserve for the 1984 crops of feed grains. Further, USDA intends to review the size of the reserve before regular price support loans for the 1984 crops reach maturity. A ceiling may be placed on the size of the feed grain reserve at that time which will effectively preclude entry of the 1984 crops in the reserve. Any 1984 feed grains entering the reserve will be at the same loan rates as for regular CCC loans.
- Contracts signed by program participants will be considered as binding and will provide for liquidated damages for failure to comply with program requirements.

## Job training available

Texas Panhandle Community Action Corporation has announced initiation of job training programs authorized by the Job Training Partnership Act of 1982 in the 25 counties which comprise the Texas Panhandle.

Argus A. Burnett, Executive Director, said economically disadvantaged and jobless persons in the Castro County area who need training to obtain jobs may get applications at the agency's office at 112 East Jones Street in Dimmitt.

Burnett said the community action agency has been designated by the Panhandle Job Training Partnership to provide JTPA services for eligible persons who reside in all the 25 county area except Amarillo. "Persons residing in Amarillo are to be served by the Texas Employment Commission," he said.

A 30 member Private Industry Council joined with 25 county judges and two mayors to form the Panhandle Job Training Partnership which has set local program and training guidelines. Members of the PIC are representatives of private businesses, economic development agencies, educational institutions, labor organizations, rehabilitation agencies, community-based organizations and the public employment service from throughout the Texas Panhandle. Local area members of the Partnership are Castro County Judge Polly Simpson and Paul Garcia of Amstar Corporation.

The Job Training Partnership Act replaced the Comprehensive Employment and Training Act (CETA), Oct. 1. Programs under JTPA are to prepare youth and unskilled adults for entry into the labor force and to provide job training to economically disadvantaged persons who are facing serious barriers to employment and need the training to obtain jobs.

## Police have suspect in Hays burglary

Dimmitt police are processing evidence found in the motor home taken Oct. 2 or 3 from Hays Implement Co., and they have a suspect in the case.

The Pace Arrow Motor Home, valued at \$38,000, and numerous tools were taken in the burglary. The motor home was recovered last week in Oklahoma City, and has since been returned. It is presently in Amarillo for repairs on the damage done to the outside when the burglars were driving it out of the building.

Police said all the motor home's contents were still inside, and a small portion of the tools taken from Hays were in the home.

## Japanese feed team visits here Monday

A 16-man team representing Japan's livestock feeding industry studied crop-storage practices, marketing methods and quality of feed grains and soybeans here during a visit to Dimmitt Agri Industries, Inc., Monday afternoon.

The team included production managers, sales executives, researchers and economists from Japanese feed manufacturing companies. Team leader was Dr. Ichiro Kaizuka, deputy director of the Commercial Feed Division of Japan's Bureau of Animal Husbandry.

Their visit here was part of a 1½-day swing through the High Plains area. Other stops included Hi-Pro Industries of Friona, Southwest Feed Yards in Hereford (where they saw steam-flaking of grain sorghum), and a scientific symposium at Texas Tech.

Here, Dimmitt Agri Industries General Manager Bill Clark explained the cooperative's structure, its "pool marketing

system" and the quality of feed grains and soybeans grown and stored here.

The tour group, titled "Japanese Feed and Livestock Survey Mission to USA," is sponsored by the Asian offices of the US Feed Grains Council and the American Soybean Association, and is visiting throughout the US. Accompanying the tour group were Seiji Terada, program coordinator for the USFGC in Japan, and Hidesuke Sera, the ASA's associate director for animal nutrition in Japan. Both men have their offices in Tokyo.

Their guide for the High Plains area was Y. F. Snodgrass, service director of the Grain Sorghum Producers Association. Snodgrass explained that one of each six to seven acres of corn and milo produced in the US now goes to Japan. The US is now providing more than 60 percent of the milo and more than 80 percent of the corn now being imported by Japan.

## Top-ranked Littlefield wins Cat-fight, 28-0

By DON NELSON  
Trying to tackle Littlefield's Steve Greene is like trying to bulldoze a whirlwind.

Dimmitt's Bobcats found that out Friday night, just as five teams before them had. The 180-lb. junior tailback scored touchdowns on runs of 44, 11 and 35 yards as the Wildcats won the District 2-AAA opener here, 28-0.

In all, Greene gained 176 yards on 29 bouncing, twisting carries for a six-yard-per-carry average.

But the Wildcats proved, too, that they aren't all Greene. Watching the running of Larry Cantu, Steve Coston and Randy Kemp, the passing of Chris Ayala, the catching of Ferrante Lewis and Raymond Sierra, and the

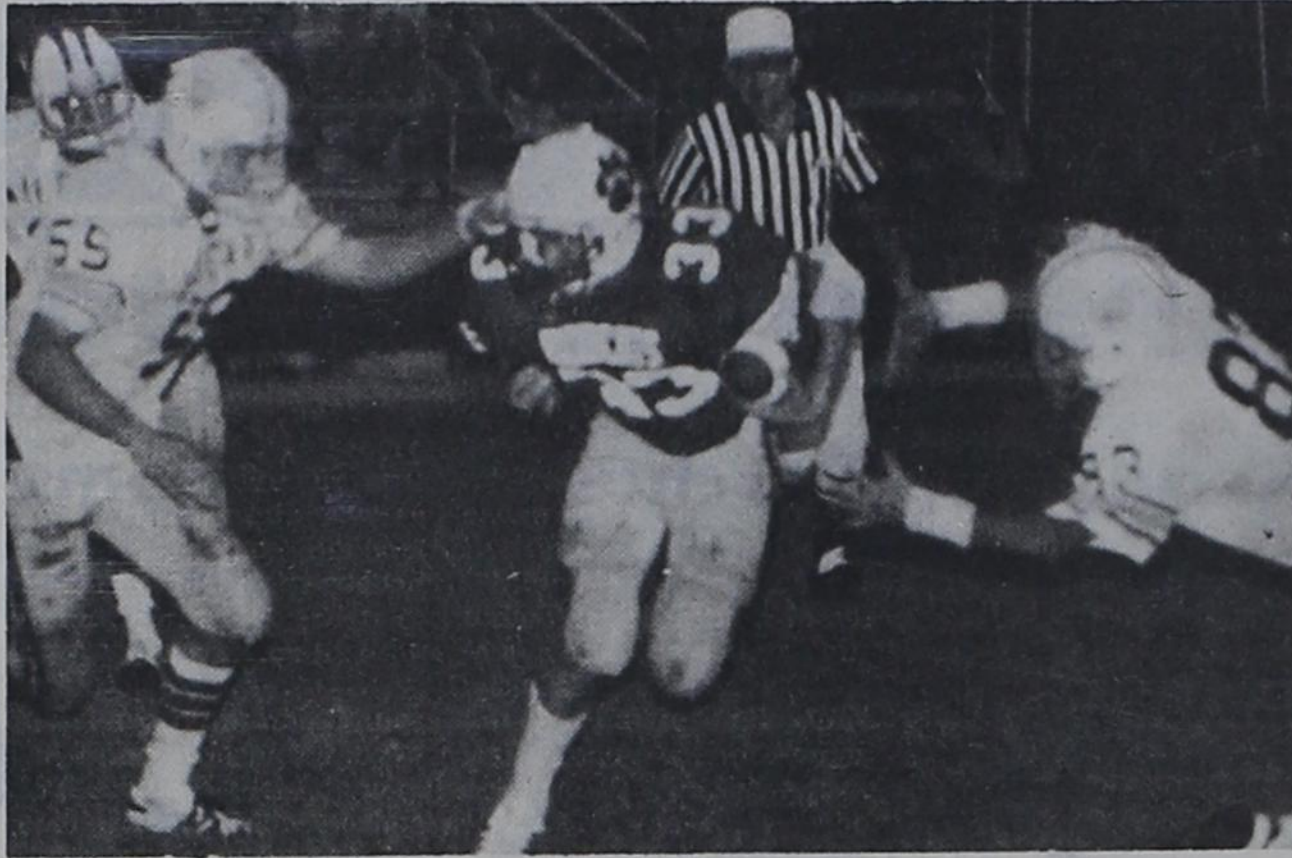

textbook blocking of the big Littlefield line, one got the impression that the Wildcats could beat any other team in the district without Greene. With him, they appear capable of beating any other Class AAA team in the state, just as the pollsters say they can.

Dimmitt's players and fans found it out first-hand as the visiting Wildcats scored a touchdown in every quarter with machine-like precision, rushing for 291 yards and completing five of eight passes for another 75.

"They're just so talented," Bobcat Coach Gene Griffin marveled. They're big, and they've got seven, maybe eight, players who are faster than anybody we've got."

Still, Griffin was proud of the way his players took the fight to the state's top-ranked team.

"We're proud of our kids — they really got after them," Griffin said. "We held Greene to less than his average, and we gained more yards against them (202) than anybody except Post. Take away the bad breaks we got, and a couple of mistakes, and

**TOUGH DUTY**—Dimmitt tailback David Barton is nailed for no gain by Littlefield's Jay Jaquess (55) and John Lee (83) in the third quarter of the District 2-AAA opener here. Barton was Dimmitt's leading ground-gainer

we played as well as we've played all year."

Those bad breaks and miscues cost the Bobcats some big gainers early in the game and made two of Littlefield's touchdowns easier.

The Bobcats came out like a house afire, gaining 33 yards of their first three plays — 24 of them by sophomore fullback Mark Smothermon through a wide hole in the middle. Then wingback Mark Coker caught a pass from Woody Glass and raced 20

yards to the Littlefield 33 — only to have it nullified by a late holding call. Instead of having a first-and-10 at the Littlefield 33, the Bobcats faced second-and-14 at their own 36. The drive died two plays later.

Later in the opening quarter, Glass kept on a triple-option play to the left and gained 19 yards. But a referee, fooled by the fake, blew his whistle as the fake-man was piled up, while Glass was racing upfield. The inadvertent whistle killed the gain.

In the second quarter, a 39-yard Glass punt backed the Wildcats up to their own 21, and the Bobcats held them at the 25. Littlefield punted; a Dimmitt player touched the ball; the Wildcats pounced on it at the Dimmitt 44; and seven plays later Littlefield had its second touchdown, with Greene twisting away from three tacklers to cover the final 11 yards.

Trailing 14-0 in the third quarter, Dimmitt drove from its own 25 to the 44 in six plays, then decided to go for it on fourth-and-two. The play backfired, though, and Littlefield

took over there. Two plays later, the Wildcats faked a student-body-left and Greene took the ball on a counter move, cut back to his right and raced 35 yards for his third TD of the night.

The Bobcats followed with their best drive of the game, traveling 58 yards from their own 20 to the Littlefield 22. But the Wildcats stopped them there, and a Bobby Nino field-goal attempt was wide. Highlight plays of the drive were a 32-yard pass-and-run play by Brad Holcomb (Dimmitt's longest gainer) and an 11-yard run by Glass.

The only touchdown Greene didn't score Friday night came with 1:59 left in the game, when Ayala connected with Lewis on a 33-yard pass-and-run play. Sierra added his fourth PAT of the night to make it 28-0. The final Littlefield drive started at the Wildcat 13, and the Bobcats halted it at the 18, forcing Littlefield to punt on fourth-and-24. But Dimmitt bobbled the reception, giving the Wildcats new life at the Littlefield 44. Ayala's TD pass to Lewis came four plays later.

Longest run of the night was Greene's beautiful 44-yard touchdown jaunt in the first quarter, during which he bounced off and spun away from three Dimmitt tacklers. Two plays earlier, Nino and Charlie Perez had stopped him for no gain. Corky Esquivel turned the same trick in the fourth quarter, and the entire left side of the Dimmitt line held him yardless once in the

fourth. Otherwise, he gained ground with every tote.

Twice Dimmitt defenders knocked Littlefield carriers loose from the ball with fierce tackles and

recovered it — late in the second quarter at the Littlefield 34, and early in the third at the Dimmitt 25. But neither turnover affected the outcome of the game.

**Cat's Corner**  
By JERRY STUMP  
The score of the Littlefield game does not reflect the play of the Bobcats... it was a good game and we are proud of all the CATS... Now let's go get the Mules.  
Hey Dimmitt, I believe we've got the spirit. I mean balloons (by the interact club), firedrills (which was a pep rally), the regular pep rally with the Great Geni Griffnette performing, the pan-band... What next week? Come to booster club meeting and find out. Don't miss out on the fun.  
The game is in Muleshoe this week, so plan on going down and fill the stands with Bobcat fans... Don't leave it up to the next guy... YOU DO IT!  
**SUPPORT THE BOB-CATS**

### Wildcats corral junior Bobcats

Littlefield recorded two wins over Dimmitt last Thursday in 7th and 8th grade football games in Dimmitt.

Littlefield 8th graders registered a 25-0 win over Dimmitt, and the 7th grade Wildcats won by an 18-0 margin.

Dimmitt 8th grade was threatening to score near the end of the game, but the Wildcats intercepted a pass in the endzone as time ran out.

The 7th grade Bobcats were plagued by penalties and two crucial interceptions which killed potential scoring drives.

### Tough Mules are next on Bobcats' schedule

Now that Dimmitt's Bobcats have Littlefield out of the way, so to speak, there's the matter of Muleshoe.

It's not a little matter. The Mules have a respectable 4-1-1 record and hope to make Dimmitt their fifth victim when they host the Bobcats Friday night in the second round of the District 2-AAA race. Kickoff time is 8 o'clock.

Friday night the Mules walloped Abernathy by a 35-6 count in their district opener. Earlier Muleshoe victims have included Portales (33-14), Leveland (14-7) and Floydada (48-14).

The Mules' tie was a bloody 0-0 duel three weeks ago against Idalou, which is still unbeaten and ranked in the top 10 in Class AAA by the Harris Rating System.

Muleshoe's lone loss was a 21-6 setback two weeks ago by the amazing Morton Indians, who are now ranked second in the state in Class AA by Harris.

"They're easily the second best team we've faced," Bobcat Coach Gene Griffin said of the Mules. "I don't see how anybody is going to stop Littlefield, but I think Muleshoe would win almost any other district they happened to be in."

The Mules have been winning with a wing-T offense. They're the only team in the district using the wing-T, but it isn't new to the Bobcats, who saw it at Boys Ranch.

"They're a very run-oriented team — they play ball control," Griffin reported. "They'll throw only eight to 10 times a game. They're bigger than we are, but not nearly as big as Littlefield. However, I think they're quicker than Littlefield."

On defense, watch for the Mules to vary their basic split-4 with a 5-3 and a "60 stack," in which they shift one inside linebacker to nose guard and stack the other inside linebacker behind him.

"That 60-stack can cause a lot of problems," Griffin said.

Main Mules to watch are junior halfback Mark Morton (155), senior fullback Trent Hysinger (175), junior quarterback Jeff Hamilton (160), and senior split end Darin Shaw (5-1, 150). It was Shaw who caught four long passes last year to help the Mules upset the Bobcats 21-14.

"We should have beaten Muleshoe last year," Griffin said. "Our kids were down after losing to Littlefield, and we didn't play well."

He hopes that won't be as much of a problem Friday night.

"We think we've talked to our players enough about the Littlefield loss that we hope the kids won't be down," Griffin said. "We can't stand a flat week, with our schedule." The Mules will be playing to stay even with Littlefield and Friona atop the 2-AAA standings, while the Bobcats will be battling for the district's second playoff berth.

## More about Swiftettes...

(Continued from Page 5B)  
(13.01), and Renee Ramaekers (13.02), finished 14, 15 and 16, respectively. Ce Ce Kern placed 25th in the race.

Nazareth's Kelly Schilling won first in the JV division, running a 13:36. Ramona Heiman finished 3rd in 14:06, and LaDawn Schmucker was 5th in 14:15. Anita Huseman placed 6th and Annette Schmucker was 17th.

The Swiftettes won the varsity division without the help of No. 2 runner, Gail Birkenfeld, who missed the start of the race because she didn't get her shoes on in time.

Nazareth coach Joe Lombard explained, "We only have six pairs of running spikes and we were getting them transferred from the junior varsity girls to the varsity. Gail was still putting on her shoes when the gun went off and consequently she didn't get to run."

"Winning is a shock," Lombard said. "I didn't think we were at the larger school's level."

—“What Level of Success Have You Reached?”

—Is There Life After Death, and How Do You Perceive It?”

—“How Do You Know You are in the Right Place at the Right Time?”

Mr. and Mrs. L. J. "Bud" Steiert of Hart announce the engagement and approaching marriage of their daughter, Joan Frances, to Timothy Wayne Emery, son of Mrs. Lloyd Willis of Lubbock and the late Tom Emery.

The pair plan to wed Oct. 22 in the Holy Family Parish of Nazareth. Friends and relatives of the couple are invited to attend.

## Alligators are subject of talk

How to catch, kill and skin alligators was the subject of the talk Lana Downing gave to the Dimmitt Rotary Club at its Friday meeting.

Mrs. Downing was introduced by club member Emmett Broderon. A public school teacher, Mrs. Downing has a sister who lives in Louisiana, and she and her family have turned alligator hunting into quite a sideline.

Mrs. Downing said that her sister's family has killed alligators as large as 11½ feet long. They sell the hides and the meat.

Mrs. Downing showed a book of recipes including dishes such as "Alligator Tacos," "Alligator Burgers," and "Alligator Steaks."

With slides and posters, Mrs. Downing showed the step-by-step process taken in turning alligators into profit. She added that the hunting of alligators was legalized in the 1970's in Louisiana, and the hunters are carefully licensed by the state.

Twenty-one club members were present at the meeting along with Interact member Robby Hottel.

## Penningtons move to Wichita Falls

A reception was held last Thursday evening in the fellowship hall of the First Baptist Church of Dimmitt honoring M. A. and Christine Pennington of Dimmitt, who were moving to Wichita Falls.

"It's not easy," the Penningtons said of the move, which came Saturday. "We didn't know until Oct. 1 that we were leaving."

In Wichita Falls, the couple will be associated with Eden Hills Baptist Church at Sheppard Air Force Base, working with Chuck Miller, pastor.

"Brother Miller has much more than he can do and has been hoping for over a year that we would come and help him," Pennington said, adding that the congregation is mostly composed of young men and women in the military and their families. Mr. and Mrs. F. W. McDonald, daughter and son-in-law of the Penningtons are also active in the congregation.

The Penningtons came to Castro County in August of 1961. They have both taught in the Dimmitt schools for a number of years, and Mr. Pennington was the pastor of Northside Baptist Church.

"I had the privilege of seeing the debt retired on that building," Pennington said. He was also the beginning pastor of New Hope Baptist Church and was active in helping the congregation secure the ground and building.

During his five-year tenure as president of the Castro County Senior Citizens, Inc., the present building at Southwest Third and Jones in Dimmitt was acquired. Also, grants were ob-

tained for renovation of the building and for starting the nutrition program. Pennington was active in securing

Revenue Sharing funds through the city and county for help in paying off the debt on the building.

Pennington also served as president of the Castro County Committee on Aging and as president of the local Retired Teachers Association.

"It is with much regret that we leave Dimmitt," the Penningtons said, "and we will remember all the kindnesses shown to us here. All our friends are invited to come by and see us in Wichita Falls."

Their new address is 4705 Tammy, Wichita Falls, TX, 76306.

# Salvation Army meeting slated

The kickoff meeting for the Dimmitt Salvation Army Service Unit fund drive will be held at K-Bob's Steakhouse Tuesday at 12 noon, Doug Rains, Service Unit Committee Chairman and Mrs. M. L. Simpson, Jr., County Judge announced today. The Committee Chair-

man also revealed that Dorothy Hopson will serve as Campaign Chairman for the fund drive. The Campaign Chairman noted that the goal of \$1,000 will be used to pay for The Salvation Army's services for the less fortunate in this area. "We are confident that our community will support the emergency fund program as generously as in the past," said the Campaign Chairman.

The committee, composed of business and civic leaders, carries out a year long program of aid to people with emergency needs. Acting on behalf of The Salvation Army, the committee arranges for food, lodging, utilities or other basic necessities that a family or an individual might require in a crisis situation. The Service Unit committee also acts as liaison with The Salvation Army's statewide programs. Some of these services are: summer outings for boys at the Army's Camp Hobbittelle near Dallas; help for paroled prisoners; and emergency relief in time of natural disaster.

PAST PRESIDENT'S plaque was presented to Robert Benton (left), recent past president of the Dimmitt Kiwanis Club, by current president Alex Glass at the club meeting Monday.

## Kiwanians award plaques

At the Dimmitt Kiwanis Club meeting Monday, current club president Alex Glass presented outgoing president Robert Benton with his past president's plaque.

Glass reported on the club's board of directors' meeting held Monday morning. He said that the board voted to levy the annual \$1-per-member

donation to the Kiwanis International Foundation and to renew the annual gumball machine contract.

The board recommended that the club issue a public plea for more land to be used in the club's annual pheasant hunt, with land owners asked to contact Robert Benton for more information.

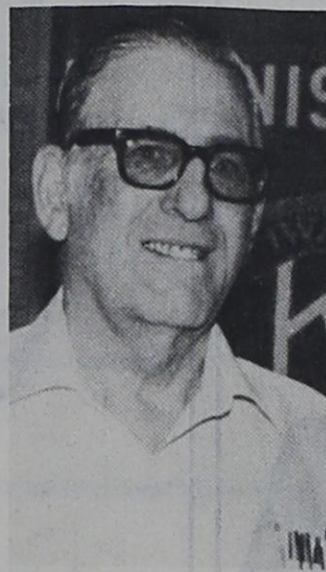

At the club meeting, Dimmitt Police Chief Don Franklin presented a program on the police department.

He told the club that 365 adult arrests were made in 1982, along with over 100 juvenile arrests, with a majority of the charges being upper misdemeanors or felonies.

"Our new crime lab equipment has been a big help in solving many of these crimes," Franklin said of the almost \$6,000-worth of equipment the city allowed the department to purchase.

"We're here to work for you. We want to be as professional as possible and give the public the kind of service it expects,"

Franklin concluded. Guests at the meeting included Delwin Jones of Lubbock and Key Clubbers Mark Shackelford, Eric Stump, Kelli Small and Scott Hill.

KIWANIAN OF THE YEAR honoree is Bill Thornton. Thornton was named at the recent club installation banquet. He was cited for his performance of duties as club secretary for five years and for work on many other projects as well.

# On the Go

With Mary Edna Hendrix, 647-3343

Richard and Ruth Wooten spent a week in the home of their niece and her husband Bobbie and Tyson Eubanks in Vinita, Okla. They had a real good visit with relatives and some of their former neighbors when the Wootens lived there several years ago.

Kelly Autry and his wife Debbie and son Trent have moved from Abilene, to Rocky Ford, Colo. Kelly will assist his father, James, in the ranching business. Irene Carpenter spent a week there helping them redecorate the ranch house by painting and also baby sitting while all the others were painting.

Janet Stanford, Irene Carpenter, and I attended the Region 12 W.M.U. workshop in Lubbock on Tuesday. We visited with several who lived in Dimmitt at one time or have relatives living here now: Ann Sinclair, whose husband, James, was choir director and educational director at the Baptist Church here in 1957; Ann Heard, whose husband, Larry, is a cousin to Dan; Tina O'Brian, granddaughter of the J. O. Carpenters and niece of Darlene Dowell and Irene Carpenter. Tina sang a special in the General Assembly and she is on the secretarial staff at the Lubbock church. Our own Joyce Davis conducted workshops for the two-day session, including one "Toward Better Programs" (Using Aware and Discovery). We enjoyed the meeting, as well as the delicious lunch of Quiche, assorted fresh fruits, and chocolate refrigerator pie.

Beral Hance met her daughter Beth Hodges of Panhandle in Amarillo Monday afternoon. They had dinner and Beral went home with Beth to spend the night. The Thursday Bridge Club met at the Senior Citizens Center with Elizabeth Huckabay as hostess. Ferne Dickey was high scorer with Louise Mears coming in second. Others playing were Jean Christian, Oleda Schumacher, Jo Gregory, Betty Cartwright, Alice Collyer, Opha Burks, Cleo Forson, Ruth Skinner and Susie Reeves.

The Friday Bridge Group met at the Senior Citizens Center with Gladys Shipley as hostess. Betty Cartwright won high score and Retta Cluck was second. Dorothy Elder, Josie Bradford, Opal Bearden, Carolyn Copeland, and Tina Rawlings were others playing. A farewell party and covered dish supper was given for Bro. and Mrs. M. A. (Christine) Pennington. This was sponsored by the W.M.U. and was held in the Fellowship Hall. The Penningtons are moving to Wichita Falls. They have gone on many Christian Crusades including El Salvador, and Brazil. We wish much happiness for them in their new home.

On Tuesday evening the Community Concert Board members met at the Rhoads Memorial Library to discuss plans for the coming season of concerts. Nolan Froehner presided over the meeting. The tickets have been mailed and if you bought tickets and have not received them, please call one of the board members. Those present were: Nolan Froehner, Mrs. Conrad, Rev. Ed Freeman, Beral Hance, Joyce Higgs, Irene Carpenter, Oleta Gollehon, Jimmy Davis, Robert Ryan, and Mary Edna Hendrix.

The officers of WMU met in the kitchen of First Baptist Church Wednesday morning and surprised the church secretary, Winona Bunch, on her "39th" birthday. They presented her with a beautiful pink corsage and she received several gifts, cards, and flowers. Janet Stanford baked a cake and placed several candles on it. Winona made a wish and tried to blow out the candles but some of them refused to go out! Those enjoying the birthday celebration were: Rev. John Street, Joe Higgs, Bill Bunch, Janet Stanford, Sara Hill, Dorothy Hopson, Ettie McDermitt, Vicki Smithson, Mauzee Youts, Irene Carpenter, and Mary Edna Hendrix. I visited with Ruby Sims for a few minutes. She had surgery and is recovering slowly. Bobby Murdock's father had surgery in Lubbock on Wednesday so Bobby and Debbie were there for the operation and Wanda and Billie Gunn went down after work. We wish a speedy recovery for all these friends.

Dr. Charles and Esta Vandiver have returned from a Partnership Mission trip to London, England, and other points of interest. For eight days they joined a group of 233 people from New Mexico and Maryland at the invitation of London Baptists through the Foreign Mission Board. The teams of six to 10 people worked in 28 different churches in a 200 mile area of London. The Vandivers worked in Camrose Baptist Church in Middlesex. The church consisted of clerical and professional people made up of English, Asians, Jamaicans, West Indians and people from Sri Lanka and Uganda. England has

a population of 47 million in an area smaller than Utah. Most of those who profess a religion belong to the Church of England. They had been told the English are very reserved and seldom show emotion but they found them to be very warm and deeply affectionate and their fears of formality were melted and their apprehension was allayed. They said God's spirit was moving long before they arrived, and throughout the eight days of being in sharing groups and tea gatherings in different homes, school meetings and with various church groups they felt He unerringly guided them from one victory to another. They were the guests of Mr. and Mrs. Reginald Toy and their 13-month-old daughter, Rebecca.

The large group that went reported wonderful results and feel they have returned to Amarillo better Christians because

of the faith of their British friends, their simplicity of life style, the dignity of their manner and their reverence in prayer. The Vandivers say they are glad they had the opportunity to go.

The underground subways (tube) and electric rails are a great and interesting way to get around in England. They went to Edinburgh, Scotland for a visit to John Knox country and to Ba' th. The Abbey was founded there in 1499 and is

# County receives \$8.6 million

Castro County last year received an estimated \$8.6 million in spending by U.S. travelers, a national study commissioned by the Texas Tourist Development Agency has disclosed.

Its rate of growth, 17 percent over 1981 receipts, was eight percent over that for the state as a whole.

The travel study, done by the U.S. Travel Data Center in Washington,

D.C., found that the county last year had 137 travel-related jobs, with a payroll estimated at \$1.3 million.

It also realized an estimated \$57,000 in local and county taxes paid by travelers.

The study measures the economic impact of all overnight trips and day trips at least 100 miles from home. Thus it includes spending by Texans as well as by out-of-state visitors. Trips

for all purposes are in the picture.

For the state as a whole 1982 travel meant \$13.7 billion to the Texas economy.

The nine percent increase over 1981 traveler spending was five times greater than the 1.8 percent growth of the U.S. travel industry.

Travel industry employment last year in Texas rose to 283,917. The figure was up four percent over

1981 — six times above national travel industry employment which fell two percent last year.

Texas also received an estimated \$316.8 million in state taxes paid by travelers. Another \$161.6 million was paid in local and county taxes.

The Travel Data Center said that the state figures would have been "substantially higher" had it been able to include estimates of spending by international visitors to Texas

# SEASONS CHANGE

For a time leaves are green, then in early fall they become brilliant with many colors. Finally they turn brown and fall from the trees, leaving them drab and lonely looking. God never changes, he is an ever present help. "For I am the Lord, I change not" Attend church and learn more of God's wonderful and never changing love.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny — the truth which alone will set him free to live as a child of God.

remarkable because of its size and the large numbers of beautiful old leaded glass windows which has earned it the title of "Lantern of the West."

The magnificent architecture and the beauty of the gardens large and small were a joy to see.

While in London they attended the 40th wedding celebration of George and Louise Gilkerson of Lubbock at the Churchill Hotel. Their family and 12 couples from the states were there for a brunch and dinner and entertainment by Scotland's Paul Young.

Mr. and Mrs. Loran Thomas, former residents of the Flagg Community, who reside in Weatherford, were in Dimmitt Sunday visiting some of their old acquaintances of the Flagg Community. Mrs. Thomas is the former Fay Casler. Some of the friends they visited were Mrs. George Bradford, the Fraziers, and the Gene Iveys. The Thomases had attended a school reunion at Happy and couldn't resist stopping by Dimmitt to visit friends.

Mrs. Buster Morgan honored Thelma Bryson on her birthday with a luncheon in her home in Bovina. She served a delicious meal of chicken crepes, cherry jello salad, tomato aspic, broccoli, hot rolls and later in the afternoon she served fresh apple cake and ice cream. Those driving over from Dimmitt were Mauzee Youts, Oleta Gollehon, Irene Carpenter, Hazel Bagwell, Connie Ivey, and Mary Edna Hendrix.

Airman First Class Monte Johnson, who is stationed with the 92nd L.G.T. at Fairchild Air Base in Spokane, Wash. flew in Sept. 20 for a visit until Oct. 4 with his parents Cowboy and Jeanne Johnson and other relatives and friends. Airman Johnson is with the Alert Facility Minor Maintenance and Control and is in transportation for the 92nd Bomb Wing, Strategic Air Command, and caters to the vehicles of the air crews who are war ready. He has been at Fairchild Air Base since November of 1982.

The family had a calf fry for him while he was here with 75-80 people attending including friends from Dimmitt, an aunt and uncle Keith and Mona Pittman from Amarillo; and an aunt and uncle Judy and Rex Anderson, and cousin Wil Burlin from Clarendon.

He visited in Clarendon with grandparents Mr. and Mrs. Carl Pittman and some college friends. His grandparents also visited in Dimmitt with him and the family.

While Monte was visiting here, his wife Tena was in Mississippi visiting her family. Her parents have recently moved from Childress to a small town near Corinth, Miss. Monte and Tena are expecting their first child in March.

**Senior Citizens**

Castro County Senior Citizens Center is located at Third and Jones and is open Monday through Friday from 8 a.m. to 4 p.m. A nutritious meal is served each day from 11:30 a.m. to 1 p.m. Bridge, table games, and quilting are daily happenings.

Today (Thursday) there will be Bridge beginning at 10 a.m.

On Monday there will be Bible study at noon. Duplicate bridge will be played in the evening.

On Tuesday, the Beltone Hearing Aid representative will be here from 9 a.m. to noon. The monthly covered-dish supper will be at 6 p.m. It will also be game night, the monthly birthday party and the election of officers for the new year.

Next Wednesday there will be Bridge at 10 a.m.

Those involved within the Castro County Senior Citizens Center, whether staff, board, or volunteer, act as a booster in the process of creative options "with" older adults rather than "for" older adults to advance independence and promote well-being. The uniqueness of the senior center stems from these — its total concern for older people and its concern for the total older person through proven expanded alternatives, thereby elevating the quality of life in later years.

The Ways and Means Committee is planning a Halloween Fun Day Saturday, Oct. 29 beginning at 10 a.m. There will be a prize for best costume and Bridge, dominoes, forty-two, eighty-eight, skip-bo, wahoo, and other table games are planned. The registration fee of \$5 includes lunch.

**Christian Church sets fall revival**

Gerald Baley of El Paso will be the evangelist for the Fall Revival of the First Christian Church of Dimmitt set for Oct. 16-21.

The services Sunday will be held at the regular times: 9:45 a.m. for Bible school, 10:45 a.m. for morning worship and 7 p.m. for evening worship. Also, on Sunday a pot luck luncheon will be held in the church fellowship hall.

Monday through Friday evenings the services will be held at 7:30.

Also featured will be Mr. Baley's son, Tim, who will present special music each evening. Having previously appeared at the local congregation back in March, the brain-damaged youth plays the piano "with a unique talent."

Mr. Baley has taught in Bible colleges for 25 years. He and his wife, along with their son, are presently engaged in full-time music evangelism, as well as in speaking to parents of

handicapped children.

"The public is cordially invited to come to the revival services, as well as to the luncheon on Sunday," said Roy E. Barringer, minister of the church.

**Church to celebrate anniversary Oct. 23**

Lee Street Baptist Church of Dimmitt will observe its 23rd anniversary on Oct. 23 with several special events planned.

Rev. Murry Brewer of Midland, who was the organizing pastor of the congregation, will deliver the morning sermon at the 11 a.m. worship service.

A luncheon will be served in the church fellowship hall at noon, followed by a special anniversary program at 2

p.m. Several former members of the congregation and former music directors will take part in the program, which will be followed by an hour of visitation and fellowship.

All former members and friends of the church are invited to attend the anniversary events.

The observance will end at 4 p.m., according to Rev. Ronnie Travis, pastor.

From: Paul W. Moore, President  
Hi-Plains Savings and Loan  
Hereford, Texas 79045

Between December, 1982, and April, 1983, Hi-Plains Savings purchased loans of approximately three million dollars from Southwest Mortgage Service Company of Dallas.

These loans were being serviced by Southwest Mortgage, and Hi-Plains Savings and Loan Association has filed suit in Federal Court in Amarillo to have the loans transferred to Hi-Plains for servicing.

Southwest Mortgage is opposed to the transfer.

This is a Civil matter and the outcome will be determined by the court.

**REeve scores in top 5%**  
 Julie Reeve, a senior at Dimmitt High School, placed in the top five percent of over one million participants in the 29th Annual National Merit Scholarship Program.

Reeve, the daughter of Mr. and Mrs. Don Reeve of Dimmitt, will be honored with a letter of commendation for her outstanding test performance.

All participants in the current Merit Scholarship competition entered by taking the PSAT-NMSQT in the fall of 1982. Although the scores of the 35,000 commended students designated throughout the 50 states were very high, they were slightly below the level required for semifinalist standing. Only the 15,000 semifinalists who were announced by NMSC on Sept. 14 will have an opportunity to continue in the competition for some 5,300 Merit Scholarships to be awarded next spring.

## Valley upsets Swifts, 10-2

**By ANNE BIRKENFELD**  
Six Nazareth turnovers and a last minute touchdown clinched a 10-2 Valley win Friday night in a District 2-A North showdown at Valley.

The hard-hitting Patriot defense forced the Swifts into five fumbles, and the Pats picked off one Nazareth pass.

Valley chipped away at the Swift defense and wound up with 207 total offensive yards, 194 coming from an explosive ground attack led by Tim Clardy, who gained 103 yards including a 1-yard touchdown run that clinched the game for the Patriots. Nazareth totaled 147 yards on offense, gaining 89 yards in the air.

Prior to the Valley game, Nazareth head coach, Ken Cole made the comment that his team would have to hold on to the ball and be able to move offensively. That was the thing the Swifts couldn't seem to do, as they dropped their first game of the season 10-2 to Valley.

Nazareth didn't have any problem moving the ball on their opening possession. Plays such as an 11-yard pass completion from Johnny Schmucker to Ricky Backus, got the Swifts rolling. They got down to the Patriot 41 when misfortune struck. Schmucker fumbled the ball with 9:32 remaining in the opening period.

Valley took possession, but couldn't capitalize on Nazareth's error. They ran only three plays before they returned it to the Swifts on Nazareth's own 15-yard line.

The Swifts couldn't move the ball, and this time the Patriots took advantage. With 1:58 left in the first quarter, Valley's Tommy Williams booted a 24-yard field goal to give his team a 3-0 lead in the first period.

Nazareth mounted a good drive on its next possession. Schmucker again connected with Backus, and also hit Eric Wilhelm for an 11-yard gain. Wilhelm's reception

put the Swifts on the Patriot's 15-yard line — but, Nazareth fumbled the ball with 1:30 gone in the second quarter.

Nazareth was plagued by turnovers and Valley was hampered by penalties. The Patriots were penalized six times for a total of 36 yards compared to 2 for 15 for the Swifts. Valley's first infraction, illegal motion, moved the Patriots deep into their own territory. Nazareth's Eric Wilhelm and Billy Steffens sacked Patriot quarterback, Kraig Cox, in the endzone with 9:31 remaining in the half to put the Swifts on the scoreboard. Nazareth again had a good drive in the works, but another fumble — this one by Wilhelm with 7:00 gone in the half, canceled out any hopes the Swifts had of going ahead of Valley at the half. The score at the end of two periods was 3-2 Valley.

The second half got off to a slow start. The teams traded punts for most of the third quarter. With 3:37 left, the Swifts fumbled the ball for the fourth time that night, giving Valley another chance to extend their one-point lead. They failed to capitalize, and Nazareth still had a lot of time left to come back, but they again turned the ball over to Valley, this time on an interception thrown by Schmucker.

Valley started the fourth quarter downfield, but a delay of game penalty presented a deficit they couldn't overcome, and they returned the ball to the Swifts. Nazareth gave it back four plays later, and on Valley's next drive they again buried themselves in a hole as a result of penalties.

Nazareth was still alive, but the Swifts' hopes were dashed as they fumbled again with under two minutes left to play. Nazareth got one more chance, when, with 1:44 left, Johnny Schmucker picked off an errant Patriot pass. A pass interference penalty, committed by Valley helped the Swifts but it just wasn't enough. Nazareth went for the first down on 4th and 4 but failed to make it. Valley took over on the

Nazareth 10-yard line, and Tim Clardy ran it in from one yard out to give Valley its final score, and a 10-2 victory over the visiting Swifts.

Nazareth coach Cole said, "Our lack of offensive execution was probably the difference in the game. We failed to control the line of scrimmage like I thought we could. Valley played a great game. They made very few mistakes."

Nazareth drops to 5-1 overall on the season, and 2-1 in district play. Valley moves to 3-0 in loop play.

The Swifts have an open date Friday but will be back in action Oct. 21 against Amherst at 7:30 p.m., at Amherst.

# OCTOBER IS NATIONAL **COOP** MONTH

October is Cooperative Month in Texas and across the nation as proclaimed by most of the country's governors. Governor Mark White, in his official proclamation, urged the people of Texas to "give special recognition to the constructive and responsible roles of agricultural cooperatives in the economic progress of our State."

"Texas has more than 400 agricultural cooperatives operating and serving over 133,000 members", according to Billy Conner, Executive Vice-President of the Texas Federation of Cooperatives. "These cooperatives are doing business volumes of almost four billion dollars annually", he said.

Cooperatives in Texas range from farmer-owned gins, elevators and compresses to marketing, supply and credit organizations. Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens.

"Cooperative Month", said Conner, "is a good way to remind the people of Texas just how important cooperatives are to our well-being."
