With 4,929 out of 6,011 precincts reported Wednesday morning, Texas voters were approving all but one of the 11 proposed constitutional amendments on the Tuesday ballot.

An 8:28 a.m. wire report Wednesday indicated that all amendments were passing by a 53 percent or better margin, except No. 8, which would have authorized tax-exempt status to certain veterans' and fraternal organiza-

tions.

All the precincts in Castro County had reported by Wednesday morning, and five of the 11 proposed amendments failed in the county.

Here are the results statewide and for Castro County:

No. 1, to allow counties with less than 30,000 population to have fewer than the four justices of the peace now required,

was getting 78.40 percent of the "yes" vote statewide. In Castro County, 401 voted yes and 123 voted no.

No. 2, replacing the \$10,000 limit on urban homestead exemptions with a one-acre limit, was receiving 62.65 percent approval in Texas. In Castro County, 261 voted against and 253 for the amendment.

No. 3, authorizing the Legislature to allow commodity boards to collect product assessments to help promote the commodity, was getting 66.15 percent approval statewide. The amendment passed in Castro County, 285 to 219.

No. 4, to establish a system that would keep the Legislature intact after an enemy attack was winning 62.20 percent of the vote. The amendment failed by one vote in Castro County, 250-249.

No. 5, would permit the Legislature to take money from the Available School Fund (which is the interest

earned on the Permanent School Fund) to guarantee local school bonds. Statewide it was winning by 63.55 percent. In the county 347 voted for and 172 against the amendment.

No. 6, allowing garnishment of wages for child support was winning by a 79.57 percent margin in Texas. It passed in the county by a 397 to 136 margin.

No. 7, allowing the Veterans' Land Board to issue \$500 million in state bonds to establish a Veterans' Housing Assistance Fund for mortgages, was ahead with 70.97 percent of the vote. In Castro County, 309 voted for and 203 against the amendment.

No. 8, was failing statewide by 52.61 percent of the vote. In the county, 350 voted against and 158 for the amendment.

No. 9, authorizing the Legislature to allow probate court judges to substitute for county judges in probate matters,

was winning 69.61 percent approval. In the county it failed by a 260 to 236 margin.

No. 10, which would authorize cities to relocate or replace sewers on private property, was winning by a narrow 53.23 percent statewide. The amendment failed in Castro County by a 308 to

199 vote.

No. 11, giving the Board of Pardons and Paroles the exclusive right to determine which inmates should be paroled and taking the final authority away from the governor was winning 68.38 percent approval. In the county 308 were for and 202 against the amendment.

A lawsuit asking \$1,100,000 in damages has been filed in 242nd District Court against the City of Dimmitt by three persons who were injured in a June 20 collision with a city patrol car driven by City Patrolman Vaughn Maddox.

Plaintiffs in the suit are Robert Young Jr. and his wife, Jane, of Midland, and Taylor Stephenson, father of Michael Stephenson, a minor, of Clayton, N.M.

Defendants are listed as the City of Dimmitt and the estate of Vaughn Maddox, deceased, although the suit has not currently been issued against the Maddox estate.

The accident occurred eight miles north of Dimmitt on US 385. Witnesses told investigating officers that Maddox's patrol car was traveling north at a high speed, without its headlights on, and swerved into the path of the Youngs' southbound car, in which their 13-year-old nephew, Michael Stephenson, was a passenger.

When officers arrived at the accident scene, they found Maddox dead in the front seat of his patrol car with a gunshot wound in his chest and his service revolver on the car floor below his hand. They also found a suicide note in the patrol car. At the time of the accident, Maddox was on duty on the 11-7 shift and was in uniform.

Young and Stephenson were critically injured, with both sustaining injuries to the ribs and chest, and suffering ruptured spleens and a collapsed lung each. Young also had injuries to his pelvis, left hip and leg, and back. Mrs. Young had injuries to the head and neck, along with bruises and abrasions.

The suit alleges that Maddox was guilty of acts of negligence that caused the collision and resultant injuries to the plaintiffs. It also alleged that Maddox's actions are

attributable to the city, and that the city was also negligent.

In an answer filed by the city's attorneys in the matter — Underwood, Wilson, Berry, Stein and Johnson of Amarillo — the defendant was noted as taking exception to the plaintiff's petition alleging that Maddox's acts are attributable to the city, pointing out that Maddox was not acting in the course of his duties and had "deviated completely and impermissibly from the duties of his employment and was on a purely personal mission in no manner related to his employment by (the city)."

The answer also noted that the allegation of negligence by the city was "impermissibly general and fails to give the defendant fair notice of the charge it faces."

Governmental immunity was also claimed, since the functions of the police department are governmental rather than proprietary.

The plaintiffs claim that they have sustained severe and serious bodily injuries and incapacity, which will in all probability be permanent in nature. It was also noted that they have incurred and will continue to incur medical expenses, physical and mental pain and suffering, and loss of wages and earning capacity.

The city's liability insurance coverage at the time of the crash had a limit of \$500,000, and coverage obtained since that time will not cover the incident, because it happened before the new policy was purchased, according to City Manager Paul Catoe.

"The insurance company that covered us at the time of the incident is trying to negotiate an out-of-court settlement," Dimmitt Mayor R. L. Fleming said. "I feel it would be better for all concerned if we could settle out of court."

CCC corn re-inspected

Federal inspectors began the inspection Tuesday of approximately 23 million bushels of corn stored at PLB Storage Corp. in Plainview.

Carl King, president of the Texas Corn Growers Association, accompanied Deputy Assistant Secretary of Agriculture John Ford Monday on a tour of the facility.

Texas state officials said samples taken from the storage bins late last month revealed 53 percent of the corn was of the lowest quality. A USDA inventory showed only 1 percent was of the lowest grade.

The reinspection, ordered by Agriculture Secretary John Block, is supposed to clear up the issue of quality in the event that Congress acts this week to mandate a release of the grain at reduced prices to ranchers in drought-stricken areas.

"The corn I looked at (Monday) had a slight odor to it," King said, "but it was feedable for

livestock."

The legislation to release the grain is an amendment to the dairy bill, and includes specific provisions for the release of the low grade corn.

King talked to Marty Clayton, administrative assistant to Sen. Lloyd Bentsen, Tuesday, and Clayton said they are hoping Congress will pass the legislation Wednesday or today (Thursday). But, Clayton said a more realistic date for passage might be Nov. 22 or 23.

Ford said that if Congress acts on the legislation to release the grain, Block has pledged to make the grain available "the moment" it becomes law.

"The shame of it all is that this should have been done four months ago," King said, "to save those families losing their foundation herds."

King also said that Ford has done "a marvelous job of wanting to do something about this corn. He has done his best."

Host homes needed for European farmers

The Dimmitt Young Farmers need a dozen or more host homes for a group of young farmers from Europe who will tour the area Friday and Saturday, Dec. 2 and 3.

The entourage will include approximately 20 young farmers from European Common Market countries, who will be here to study local farming and livestock-feeding methods. They will be from Germany, France, Belgium, Italy, Spain, Portugal and other nations in the European Economic Community. All are members of SISA, an international organization of European young farmers.

The tour group will also include approximately 10 members of the Young Farmers of Texas and the Texas Flying Farmers from throughout the state, who will be serving as state tour guides and pilots.

Official host and hostess for the group here will be Howard and Maretta Smithson. The Smithsons took part in one of the international exchange tours last February when they went with an American group to Germany, Belgium and Luxembourg.

Smithson is a past president of the Texas Young Farmers and is a member of the National Young Farmers Institute.

The visiting young farmers from Europe "are

all very intelligent people, and most speak several languages," Smithson said. "They will probably include some of the most successful young farmers in Europe."

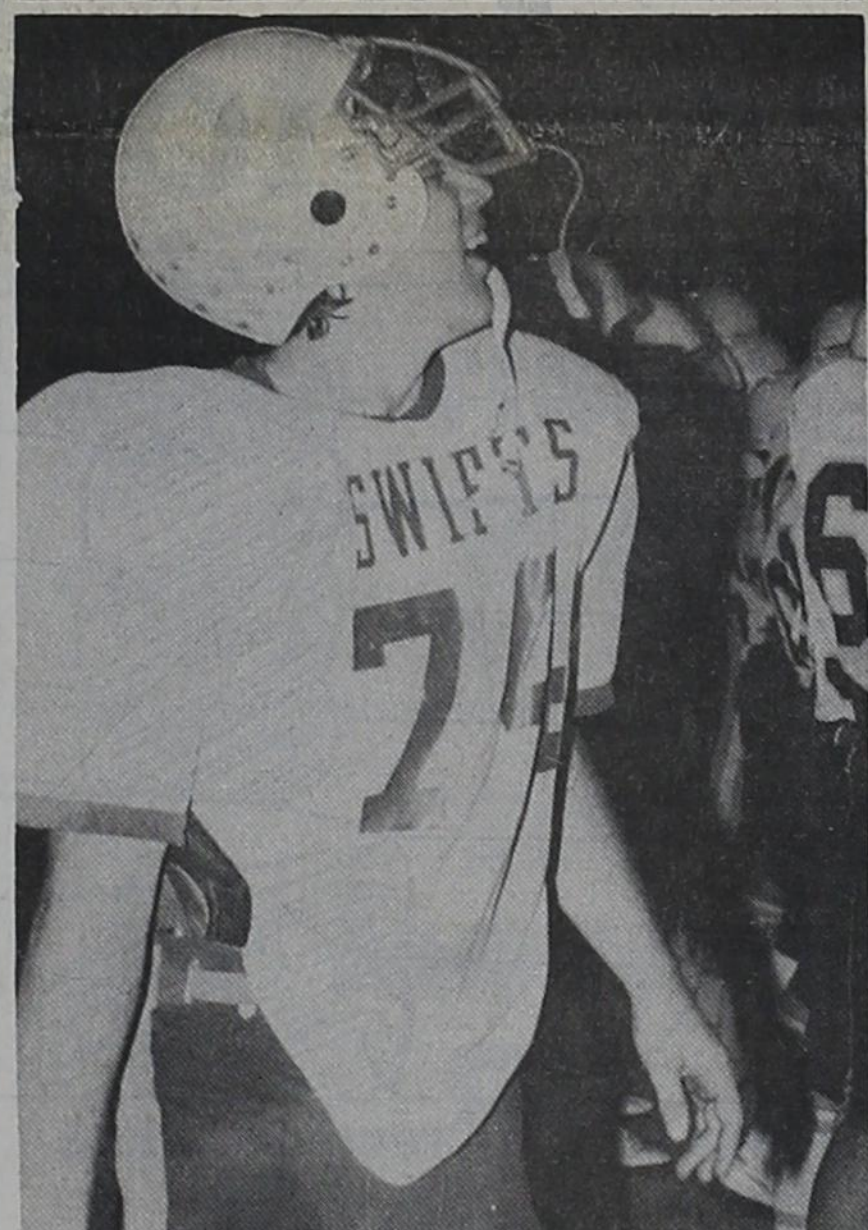

Overnight housing is needed for the visitors on Friday night, Dec. 2. The group will arrive that afternoon, eat dinner that evening at the high school, and have lunch at a local restaurant at noon Saturday, before leaving Saturday afternoon.

Members of the Dimmitt Young Farmers are planning to house many in the delegation, and other local families have volunteered, but a dozen more host homes are still needed, Smithson said, for both the European and domestic members of the entourage.

"We don't know yet whether any wives are coming with them, but we will know in the very near future," Smithson said. "We know we'll have a lot of individuals."

Any family interested in hosting one or more members of the group should call Mr. or Mrs. Smithson at 647-2301.

Also, the local and state Young Farmers are seeking mementos and small product samples from this area, and donations to help pay for meals, plane fuel and ground transportation for the visitors, Smithson said.

Swifts make playoffs

By ANNE BIRKENFELD
Nazareth is in the state football playoffs for the first time in the history of the Swifts' 11-man football program.

The Swifts earned a playoff berth Friday night with a 21-6 win over Happy.

The Swifts, the No. 2 seed in District 2-A North Zone, will play Sundown, a 26-12 winner over Anton Friday. Gametime is 2:30 p.m. Saturday in Plainview.

Nazareth finished the regular season with an impressive 8-1 record, their only loss coming at the hands of District 2-A champion Valley (10-2). Sundown, on the other hand, closed out a perfect season Friday with its win over Anton.

"Our defense has been the key to our whole year," said Nazareth mentor Ken Cole. "It's the reason we've won as many ballgames as we have."

The Swifts outscored regular season opponents 208 to 30, including five shutout victories.

The Swift defense has allowed opponents an average of only 120 yards total offense per game. Cole said Sundown is similar to the Swifts in many aspects. "They run exactly the same type offense as we do. We are probably equal in size, except their tackles may be a little bit bigger, and our team speeds are pretty much the same.

"Like us, their defense is a little better and more consistent than their offense," Cole said. Fans can expect a hard hitting defensive battle Saturday when the Swifts and the Roughnecks square off in the first round of the Class A state football playoffs.

Holiday calendar

Praise Service

The Castro County Ministerial Alliance is sponsoring its annual Community Praise Service on Nov. 22 at 7 p.m. in the sanctuary of the First Baptist Church of Dimmitt, 1201 Western Circle Drive.

"The Alliance extends a warm invitation to all churches of our county to participate in this Union Service," a spokesman said.

Following the service, a community-wide reception will be held at 8 p.m. in the church's fellowship hall.

Hosting the reception will be the Alpha Epsilon Tau Chapter of the Beta Sigma Phi Sorority.

On the program will be a flag presentation by the Dimmitt Boy Scouts. They will also perform ushering duties.

Special music will be presented by choral groups from the Dimmitt public schools, led by Doug Henry.

Joe Higgs, minister of music and education of the First Baptist Church of Dimmitt, will present the message of the evening.

Hart bazaar

A colorful array of gift items will be for sale Saturday and Sunday at the annual Hart Arts and Crafts Bazaar at the Dairy Bee, 603 Broadway, in Hart.

The bazaar will be open from 9 a.m. to 6 p.m. Saturday and from 1 to 6 p.m. Sunday. Admission is free and free refreshments will be served.

A percentage of the proceeds has been pledged to benefit the Hart Cemetery fund.

Harvest festival

A Harvest Festival will be held in Hart next Wednesday (Nov. 16).

The First United Methodist Church of Hart is sponsoring the festival which begins at 7 p.m. at the church.

The festival will begin with a supper at 7, followed by a worship service. The featured speaker will be Kerry Hurst, pastor of the First

United Methodist Church in Gruver.

The Hart Baptist Church mens quartet will sing, and everyone is welcome.

"This is the time we celebrate the harvest, by joining together for fellowship, gifts to God, and worship," said Rev. Buddy Payne, pastor of the First United Methodist Church.

PMHA buffet, bazaar

The Plains Memorial Hospital Auxiliary (PMHA) Bazaar and Holiday Buffet will be held Friday in the Castro County Expo building, and area residents are invited to attend.

The bazaar, open from 10 a.m. to 3 p.m., will feature a variety of homemade gift items, and some unique Christmas items.

The buffet, which will be open from 11:30 a.m. to 1:30 p.m., will feature a variety of good foods including: turkey and dressing, and every auxiliary member's favorite dish. Salads, desserts, main dishes, and casseroles will be served. Auxiliary members will also have baked goods for sale. Cost for the meal is \$4

for adults and children under six may eat free.

The bazaar will kickoff PMHA's Operation Christmas Greetings. The organization asks residents of the county to donate the amount of money they would normally spend on postage and cards for local Christmas Greetings. In turn, the PMHA runs a giant Christmas card in the Castro County News, including the names of those who donated.

Proceeds from the Bazaar, buffet and Operation Christmas Greetings, go directly to Plains Memorial Hospital for use in hospital needs. Gift items at this year's bazaar are a grandfather clock, and a Log Cabin quilt made by Laverne Bates.

City to survey paving interest

The Dimmitt Board of Aldermen voted Monday night to begin checking out citizen interest in paving several city streets under an assessment program.

Local property owners living on unpaved streets may be contacted by city workers or are welcome to stop by the City Hall and express their interest in going along with the project.

"We need at least 15 to 20 blocks of paving before contractors will be able to give a competitive bid," Mayor R. L. Fleming told the aldermen.

Once the amount of paving to be done is determined and bids are let, property owners will be informed of what their cost will be — probably between \$25 to \$30 per frontage foot.

Property owners will be able to finance their portion at 8 percent interest over a three-year payout. In areas where the majority want the paving, those who refuse to pay will be assessed the cost is a statutory lien on their property that must be cleared if the property is ever sold. However, it was noted that a lien cannot be placed on a person's homestead. "A homestead refusing to go along with the paving could possibly knock a whole block out of the paving project," City Manager Paul Catoe said.

After the bids are in and the price per foot is determined, a public meeting will be held for property owners to be able to have some input on the project.

"We need to have a majority of the property owners willing to go along with the project. The city cannot afford to pay more than its 10 percent, including intersections and alleys," Fleming said.

Bill McMorries of McMorries and Associates, city engineers for Dimmitt, told the aldermen that the biggest problems in an assessment program are the financing and legal costs.

"These costs could add as much as 10 percent to the actual paving costs," he said.

The board asked that a report on citizen interest and other aspects of the project be presented at the Dec. 5 meeting of the board.

Dan Nelson of Nelson Drilling and Pump Service asked the board to grant him a water tap at his business, which is located on East SH 86, outside the city limits.

Claiming that a former city manager had promised him the tap in the

Swifts top Happy, 21-6

By ANNE BIRKENFELD
The Nazareth Swifts played almost error-free football Friday, dominating Happy, 21-6, and earning a second place playoff spot representing District 2-A North Zone.

In a "must win" situation, the Swifts took advantage of numerous Happy errors to clinch the win.

Nazareth meets Sunday at 2:30 p.m. Saturday in Plainview in the first round of the state playoffs.

The Swifts knocked at Happy's door all night long. They began eight of their ten drives in Cowboy territory, starting from inside the 30 each time, and came away with three touchdowns and a safety.

Nazareth drove to the Happy one-yard line on their second possession, but were held short of scoring. The Swifts dropped Cowboy Kenny Johnson in the endzone only one play later, for a safety and a 2-0 lead with 2:45 left in the opening period.

The Swifts struck again with 2:45 left in the second quarter as the Schmucker cousins, quarterback Johnny and tight end Marvin teamed up for a 3-yard scoring toss. The two point conversion failed and Nazareth led 8-0 for the rest of the half.

Happy's attempt to get a drive going in the opening minutes of the third quarter fizzled when they fumbled the ball giving Nazareth possession on the Cowboy 40.

On fourth down and five from the Happy 25, Nazareth failed to make the first down, and handed

the ball back to the Cowboys. On the ensuing play, Johnny Schmucker recovered a Happy fumble on the 20 yard line. On fourth down, Johnny Schmucker attempted a 20-yard field goal, but came up short, but an over eager Cowboy collided with Schmucker as he attempted the field goal, giving the Swifts another shot at the end zone. They took advantage of Happy's mistake and capped off the drive with a 5-yard touchdown scamper by Chris Gerber. Schmucker added the PAT to give Nazareth a 15-0 lead with 4:43 remaining in the third quarter.

Happy ran only two plays before they fumbled for the third time in a row. Roger Schulte came up with the recovery for the Swifts, but this time Nazareth could not capitalize.

The Swifts allowed Happy only 120 yards total offense, and 70 of that came on the Cowboys only scoring drive. With only :27 gone in the final quarter, Kenny Johnson took the ball on a 20-yard scoring run to put the Cowboys on the scoreboard. But that was all the Swift defense allowed Happy. Chris Gerber picked off the pass when Happy tried for a two-point conversion and the Swifts led 15-6.

Before the game expired, Nazareth scored again, this time on a 7-yard run by Roger Schulte to give the Swifts their final margin of victory — 21-6.

Abernathy edges Dimmitt JV, 2-0

With :23 left in the game, Abernathy JV scored a safety to edge Dimmitt JV, 2-0, last Thursday in the season's final football game.

A high snap on a Dimmitt punt play set up the score. The ball rolled into the Bobcat endzone, and Todd Durham fell on the ball, allowing the safety, and preventing an Abernathy touchdown.

Abernathy beats 8th 'Cats, 42-22

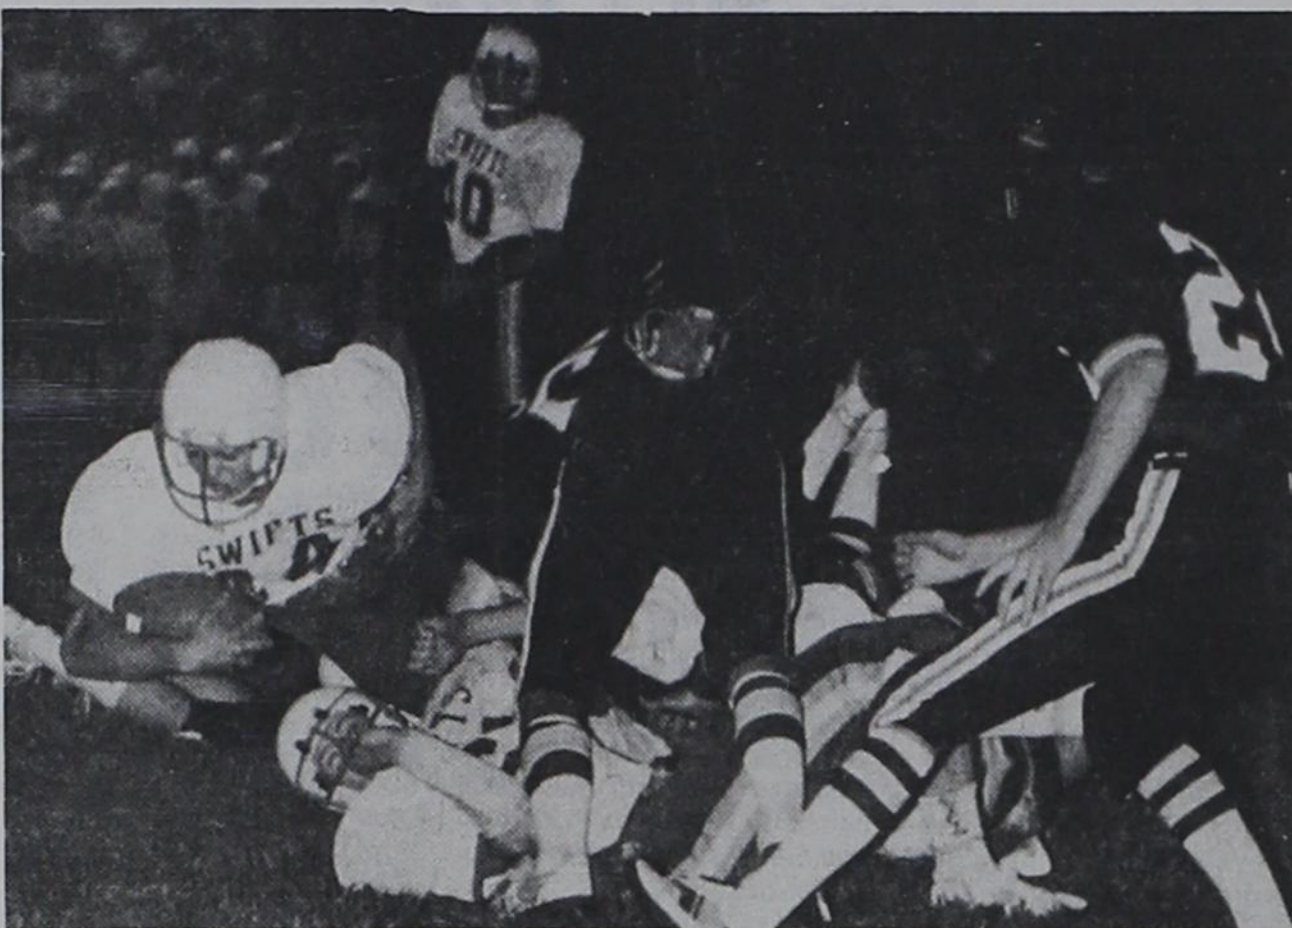

Abernathy's 8th grade rolled to a 42-22 win over Dimmitt 8th last Thursday in the Bobcat's season finale.

The 8th Bobcats finished the year with a 2-6 record.

"We won the battle up front," said Nazareth head coach Ken Cole. "We were able to get good drives going, and keep the ball

out of Happy's hands. The difference in the game was that we were able to control the lines of scrimmage.

"I was pleased with the way the team played. They played aggressive and with enthusiasm the whole game."

ALMOST THERE—Nazareth's Chris Gerber lunges toward the goal line in Friday night football action at Happy. The Swifts won 21-6 to earn a second place finish in District 2-A North.

Basketball scrimmages set

Castro County basketball teams take to the floor this week with pre-season scrimmages scheduled for Tuesday, today (Thursday) and Friday.

The Hart Lady Longhorns hosted Floydada Tuesday in a scrimmage. The Dimmitt Bobbies and Nazareth Swiftettes travel to Levelland today (Thursday) for a three-team scrimmage. Tip-off is at 2:30 p.m.

The Bobcats travel to Amarillo Friday for a 3:30 p.m. scrimmage with Amarillo Tascosa. The Hart and Nazareth boys (not in football) have a tentative scrimmage planned for next Thursday (Nov. 17).

Tuesday, the Bobbies scrimmage Vega at 4:30 p.m. at Vega. The Swiftettes travel to Plainview the same day for a 3 p.m. scrimmage with the Lady Bulldogs.

The Lady Longhorns travel to Muleshoe next Thursday for a 6 p.m.

scrimmage. The Bobcats second scrimmage will be Nov. 19 against Amarillo High at 10 a.m. in Amarillo.

The Bobcats and Bobbies open regular season play Nov. 21, when they host Morton.

Nazareth teams open the season on Nov. 22 at Farwell, and Hart boys and girls host Lubbudde on the same day.

Next week the News will feature a pre-season look at the county's basketball teams.

CARD OF THANKS

On behalf of the Castro County Historical Museum, Inc. we want to express our appreciation for the gift of \$600.00, given by Lonny Rhynes, Sheriff and the Sheriff's Department. This was given from one-half of the proceeds of the Wally Fowler Show. These funds will help the Museum to partially pay for the materials and labor needed in the construction of a "Porch" on the Annex Building.

We acknowledge your generous monetary support and thoughtfulness through the years. Again, a sincere "Thank you" from the Museum.

DYF has meeting

Dimmitt Young Farmers met last Thursday to discuss fund-raising projects, and housing for a group of European young farmers.
The European group, accompanied by several Texas Young Farmers, will be here Dec. 2 and 3. Norris Cole was assigned to contract for the wood chips to be used in the 1984 Junior Fat Stock Show, and Larry Robb and Matt Howell will get the

trophies and ribbons for the show.
Seventeen members attended the meeting last Thursday, and the next meeting will be next Thursday (Nov. 17) at 7:30 p.m. in the Dimmitt High School vo-ag building. All meetings are open to the public.

Any member who has not paid this year's dues should contact Stan McDaniel.

PAYING PRACTICES FOR CATTLEMEN

Certain management practices can put money in the bank for cattlemen — up to \$90 more per cow per year. Practices that virtually guarantee a net return are pregnancy testing, sorting and feeding cattle according to need, selecting bulls on performance and implanting steers, says a beef cattle specialist with the Texas Agricultural Extension Service. These practices can mean extra dollars because they help increase the calf crop and weaning weights, which means more pounds of beef going to market.

The CHRYSLERS are coming!

Chrysler — Dodge — Plymouth

We are no longer a Ford-only dealership.

We are also your new authorized dealer for all Chrysler Corporation products, and we're ready to take your order.

We can provide you with sales and service on the Chrysler Fifth Avenue, New Yorker and Laser, the complete line of Dodge cars, pickups and vans, and all the fuel-efficient Plymouth cars.

We're proud to announce this exciting expansion of our service to Dimmitt and Castro County, and look forward to serving you with pace-setting Chrysler Corporation products as well as quality-proven Ford vehicles.

Along with this expansion comes a change in our company name — from Stan Byrnes Ford to Stan Byrnes Motor Co.

As a result of our expansion, we are enlarging our sales staff. We will be adding several new salespeople — men or women. If you are interested in growing with our firm; if you are neat, friendly and meet people well; we invite you to apply in person. No previous auto-sales experience is necessary.

We're proud that the Chryslers are coming to Dimmitt and Castro County. And that we're bringing them to you.

Swiftettes capture cross-country title

Nazareth placed five runners in the top 20, to win the team title in the Regional Cross Country Meet held Saturday in Lubbock.

The win qualifies the Swiftettes for state competition which will be at 9 a.m. Saturday in Georgetown.

The Nazareth team competed against 180 runners from 36 teams (AAA, AA, and A schools) Saturday, scoring 48 points

for the first place finish. Abernathy was second with 78 points, and Slaton finished third with 137 points. All three teams will compete in the state meet.

Of the Swiftettes seven

runners, five finished in the top 20, earning team points in the two mile course.

Leona Gerber finished 5th in 12:51; Shari Schilling was 11th in 13:03; Renee Ramaekers finish-

ed 12th in 13:06; Debbie Schmucker was 14th in a time of 13:23; and Gail Birkenfeld ran 17th in 13:25.

Kelli Schilling was 21st in 13:29 and Ramona Heiman finished 32nd in

13:50. "I thought the kids ran well," said Nazareth Coach Joe Lombard. "We were hoping we could finish first. The kids probably ran some of their best races."

The Swiftettes will compete against 11 other teams at the state meet this weekend.

"I don't know what the competition will be like," Lombard said. "I'm sure it will be tough, but we're going with the idea of trying to win."

Joel Birkenfeld was the only Swift runner competing in the Boys Cross Country Regional meet Saturday in Lubbock. Birkenfeld finished the three mile course in 18:26. He was 38th out of 130 runners.

'We had fun' despite 4-6 mark, coach says

OUCH!—Dimmitt tailback David Barton is stopped for no gain by Abernathy's Rene Vecchio, 237-lb. defensive tackle, during the final game of the season here

Friday night. The visiting Antelopes won the game, 21-0. (Photo by Scott Hays)

By DON NELSON
"We had a lot of fun. The kids worked hard. Things didn't always go our way — in fact, they hardly EVER went our way. It was a valuable learning experience for me, and I hope it was for the kids."

Coach Gene Griffin, finishing his second year at the helm of Dimmitt High School football, assessed his Bobcats' 1983 season, which ended in the fog Friday night with a 21-0 loss to Abernathy.

Finishing 4-6, the Bobcats didn't have a winning season. But it wasn't a bad season, either. It had its high points, and the Bobcats did well for a team blessed with neither size nor speed.

"You know, it's not any fun getting beat; you'd always rather win," Griffin said. "But I think it's how you respond to it that's more important than the loss itself. And we weren't that far away from a 7-3 or 8-2 season."

After losing their season opener to Floydada, 13-20 (a game which Griffin felt the Bobcats should have won by at least a touchdown), the team blanked its next four opponents — who were, admittedly, not strong foes — by an aggregate score of 126-0.

Then came Littlefield in the first district game. Then Muleshoe. Then Friona. It was a murderous schedule against three of the strongest teams in the area.

There wasn't a weaker team in District 2-AAA, really.

Conceding Littlefield its rightful place as district champion and top-ranked team in the state, Griffin commented, "I think any other team in our district could have been the second-place team up north (in 1-AAA)." There, Perryton won the championship and Dalhart was the runner-up, with River Road and Boys Ranch finishing as also-rans.

Despite the overall strength of District 2-AAA's teams, though, Griffin feels his Bobcats could have — or should have — beaten Friona, Tulia and Abernathy in their last three games. Fumbles, interceptions and bad breaks all played key roles in the Bobcats' district games.

"I've never had as much hard luck in my life as in the past five weeks," Griffin said. "It happened again Friday night — they (Abernathy) had to drive approximately 60 yards for 21 points. Of course, our mistakes allowed that, but still..."

One of the highlights of the Bobcats' season was the community support that never waned.

"We really appreciate the fan support we had this year, and the support from the newspaper and radio station," Griffin said. "The people of Dimmitt have just been tremendous — especially the Booster Club. I'm just sorry we couldn't perform in proportion to the support we had. Football's a lot of fun, but it's a lot more fun when the people of the town are involved."

The Bobcats played their season in unusually

mild weather. There were no snows, no freezing rains, no mud-baths. However, because of the wet field Friday night, the season finale turned into a shoving match between the Bobcats and the heavier Antelopes. And the Antelopes won it.

Because of a shanked punt, Abernathy had to drive only 20 yards for its first touchdown, in the opening quarter. Ross Bradley scored on a four-yard run and David McKinney added the extra-point kick to make it 7-0 with 5:48 remaining in the opening period.

That's where the score stayed until the fourth quarter, when a high snap went over punter Woody Glass's head and he had no option but to cover it at the Dimmitt 15. Abernathy scored on the next play, on a gutsy 15-yard carry by Bradley.

Then, after Mike Love covered an on-side kickoff at the Dimmitt 28, Abernathy intercepted a first-down pass and returned it to the Dimmitt 24. Three plays later, Billy Cooper plunged across the goal line to give the Antelopes their final TD.

Otherwise, the game was virtually even in total offense (199 to 215) and first downs (10 to 13). The Bobcats came close to scoring only once — late in the second quarter — but a goal-line stand by Abernathy stopped them at the 1-yard line.

Abernathy finished its season with a 6-4 record and 2-3 in district play, in fifth place. Dimmitt finished with a 4-6 season

Hard-Luck Longhorns finish with 1-9 mark

Farwell capitalized but Hart couldn't as the visiting Steers turned two Hart fumbles into a touchdown and a field goal for a 15-0 victory in an otherwise evenly-played game at Hart Friday night.

The victory propelled Farwell into the state playoffs as the District 3-AA champion.

For Hart, the loss ended a frustrating — even maddening — season in

which the Longhorns had the No. 2 defense in the region but had to settle for a 1-9 record. In four of those losses, Hart's defense held the opponent to seven points or less, and in two losses the Longhorns had game-winning touchdowns called back. One of those was in the 3-0 loss to Olton, which is also playoff-bound.

"Even though we did not have a very good season, the Hart Longhorns have nothing to be ashamed about," Coach Mark Strobel said. "They never gave up, and had a chance to win every game but two. Many times these young men could have given up, but they didn't. They got back up week after week and gave everything they had."

"The community should be proud of these kids," the coach added. "I feel they will be an asset to our town, because they know what it is like to lose, but most importantly, they know a loser stays down and a winner gets back up and learns from his mistakes."

There were mistakes aplenty by both teams Friday night as they fought it out on the slick, wet turf in thickening fog. Hart lost four fumbles and Farwell three, and Farwell picked off four Longhorn passes while Hart intercepted one.

Neither team could get anything going on offense during the first 22 minutes, but then Farwell got its first break when Hart fumbled at the Longhorn 22 with 1:03 left in the half. The Steers drove 16 yards, where they were halted by the tough Longhorn defense. With three seconds left, Farwell's Manual Cantu booted a 23-yard field goal to give the Steers a 3-0 halftime lead.

In the second half, after forcing Hart to punt, Farwell drove for its first TD, with Alan Euband tossing a 22-yard pass to Roger Robertson for the score. Robert Martinez blocked the extra-point kick, and the score stood at 9-0 with 8:30 to go in the third quarter.

On the ensuing kickoff, Hart returned only to the 11, then Arthur Finch coughed the ball up on the next play and Farwell recovered it on Hart's 13-yard line. It took the Steers just three plays to score, with Blake Kelly running the ball in from the 3-yard line with 7:10 left in the third period. A two-point conversion attempt failed, and Farwell was ahead, 15-0.

The Longhorns followed up with two good drives but could never get a touchdown across. The first drive was highlighted by a 12-yard Omar Longoria run and a 23-yard jaunt by Freddy Washington behind the blocking of Arnie Garza and Darrell Ethridge. But the drive died on Farwell's 27-yard line.

Hart forced Farwell to punt three plays later, then started another drive that included an eight-yard run by Washington, a pass completion by Ronnie Rodriguez, and a 30-yard run by Longoria that carried to Farwell's 15-yard line. But two plays later Farwell intercepted a Johnny Washington pass on the 7-yard line to end Hart's scoring hopes.

Police calls

Twelve men and one woman were arrested during the week.

Nine arrests were on alcohol related charges. Four men were arrested on DWI charges.

A 21-year-old Friona man posted a \$750 bond on charges of DWI and resisting arrest.

A 58-year-old Lubbock man was arrested for contributing alcohol to a minor and for public intoxication. A 17-year-old Dimmitt man was charged with being a minor in possession of alcohol.

A Hereford man was arrested for public intoxication and posted a \$200 bond.

Two men, one from Springlake and one from Dimmitt, were arrested for disorderly conduct.

A 63-year-old Santa Rosa man was arrested on drunk pedestrian charges and posted a \$100 bond.

Friday, a 40-year-old Mexia woman was arrested in Dimmitt for violation of probation.

Saturday a Hereford man was arrested in Dimmitt on a warrant from the Hereford Sheriff's Office for hindering a secured creditor.

A 24-year-old Dimmitt man was fined \$275 following his arrest Nov. 1 for disorderly conduct, public intoxication and resisting arrest.

An evaporative cooler was stolen Friday from 503 SW 4th. The cooler belonged to Gary McClendon. Police are investigating the incident.

A tool box and tools were taken sometime Sunday night or Monday morning

from Chief Welding at 511 SE 3rd. There was no forced entry to the building, but police believe entry was gained through a large metal door on the east side of the building.

About \$1,500 worth of tools were taken. A majority of the tools had the numbers 1 or 5 engraved on them, or a welded head.

A 1981 Chevy metal hubcap was taken from the pickup of Ascencion Vargas between 4:50 and 6 p.m. Monday. The pickup was parked at the north parking lot of Dimmitt Middle School. The hubcap was cracked on the inside center.

The bagpipe, regarded as the national instrument of Scotland, was used by the ancient Romans.

Obituaries

Hubert Buchanan

Services for Hubert (Buck) Buchanan, 77, of Hart, were held Wednesday in Newnie-Ellis Funeral Home Chapel in Midland, with Elder J. E. Barrington, pastor of Midland Primitive Baptist Church, officiating.

Burial was in Sunset Memorial Gardens of Odessa.

Buchanan died Sunday in Heritage Home of Plainview after a two-year illness.

He was born in Nimrod and grew up in Putnam. He married Elnora Frances Brewer on Jan. 30, 1943, in Beaumont, lived in Dallas, moved to Lubbock in 1947 and moved to Hart in 1962. He was the owner of Hart Lumber Co. and a member of the Texas Lumberman's Association and Hart Primitive Baptist Church.

Survivors include his wife; a daughter, Mrs. Larry (Beverly) Walker of Beaumont; two sons, Ron of Dallas, and Douglas of Plano; four sisters, Iola Hicks and Mrs. Mervil Seatrunk of Abilene, Bertha West and Xenia Williams of Midland; eight grandchildren; and one great-granddaughter.

Luther Wilson

Services for Luther E. Wilson Sr., 77, of Ropesville were held Tuesday at Ropesville United Methodist Church with the Rev. Tommy Jenkins, pastor, officiating, assisted by the Rev. Oscar Batten, minister of the Church of Christ of Ropesville.

Entombment was in the catacombs at Rest Lawn under direction of Rest Lawn Funeral Home of Wolforth.

Mr. Wilson was the father of Hershel Leo Wilson and Mrs. Dorothy V. Nutt of Dimmitt.

He was born Dec. 13, 1905, in Polk County, Ark. He married Ruby Lee Jeffcoat on Oct. 17, 1926 at Ralls. He owned and operated a cafe in Ralls.

In 1930, they moved to Abernathy, where they farmed. They moved to Ropesville in 1938 and continued farming until retiring. He was member of the United Methodist Church of Ropesville.

Survivors include his wife; three sons, Hershel of Dimmitt, Billy of Brownfield and Luther Jr. of Ropesville; three daughters, Mrs. Nutt of Dimmitt, Mrs. Lillian A. Hill of Levelland, and Bonnie Fay Ferguson of Ropesville; a brother, J. D. Wilson of Stockton, Calif.; a sister, Leola Wilson of Ralls; 19 grandchildren; and 21 great-grandchildren.

The family suggests memorials to the American Cancer Society.

Frona Dubose

Services for Frona Dubose, 75, of Amarillo, were held Wednesday in Trinity United Methodist Church in Amarillo with the Rev. Stan Cosby, pastor, officiating.

Burial was in Llano Cemetery by Schooler-Gordon Funeral Directors. Mrs. Dubose died Sunday afternoon at her home. She was the sister of Irene Carpenter of Dimmitt.

Mrs. Dubose, a longtime Amarillo resident, was a member of Trinity United Methodist Church.

Survivors include two sons, a brother, two sisters, and three grandchildren.

The family requests memorials be to the American Heart Association or the Kidney Foundation.

James Martinez

Funeral services for James Martinez, 1-month-old son of Mr. and Mrs. Cuper Tino Martinez of Hart, were held Wednesday afternoon in St. John's Catholic Church of Hart with Rev. Harold Waldow, pastor, officiating.

Burial was in Hart Cemetery under the direction of Parsons Funeral Home of Dimmitt.

The infant died at 2:15 p.m. Monday in Lubbock General Hospital of congestive heart failure. He was born at Central Plains Regional Hospital in Plainview.

Survivors include his parents; two brothers, Rafael and Mike Angel, both of Hart; a sister, Veronica of Hart; and his grandparents, Mr. and Mrs. Angel Martinez of Mexico, and Julia Rodriguez of Lubbock.

Beets need cool weather

Beet harvest is about 50 percent complete and Holly Sugar Corporation Ag Manager Calvin Jones said that in Castro County, "we're looking at a 20 ton per acre beet crop."

Jones said for Castro County, the sugar content is averaging about 14.5 percent.

"The rain depressed the sugar content a little bit," he said. "Primarily because the warm temperature has caused the beets to continue to grow, and put on new leaves at the expense of sugar stored."

"Hopefully we will get some cooler temperatures to retard the growth and stabilize the sugar content."

growers have done an excellent job of delivering clean beets. "They are to be commended on the job they've done in the fields with the difficult wet conditions we've had."

Jones said the beet harvest should be completed about Nov. 23.

ROSALIE'S COUNTRY CUPBOARD—Ribbon cutting ceremonies were held last Thursday for Rosalie's Country Cupboard. Participating in the ceremonies are (from left) Bob Caddell, Sonia Herrick, Karen Markley, Leroy Maxwell, Rosalie Hawkins, store owner,

Roger Malone, and Chamber Manager Delores Heller. Mrs. Hawkins will be selling Watkins products, which includes food, gift items and yogurt with a featured daily flavor. The store is located at 218 E. Bedford, next to Texas Corn Growers.

Northwestern University conferred an honorary degree on ventriloquist Edgar Bergen's dummy, Charlie McCarthy.

Christmas Parade to be held Dec. 3

A first for Dimmitt will be the First Annual Christmas Parade set for

Dec. 3, to be sponsored by the Castro County Ministerial Alliance and the Dimmitt Chamber of Commerce.

Organizations, civic clubs and churches are being asked to enter a float in the parade. Entry fee is \$5.

With "The Sounds of Christmas" as the parade theme, parade floats are to portray the themes of various Christmas hymns, assigned on a first come, first served basis.

"We want the parade to have a religious emphasis, reminding all of us of the birth of Jesus Christ," a spokesman said. "We would really appreciate the participation of everyone to get this new project off to a good start."

Prizes will be awarded to the best float in various categories.

The parade is scheduled to begin at 4 p.m., starting from the Dimmitt Middle School parking lot on West Jones Street.

Those wishing to enter may contact the Chamber of Commerce or Joe Higgs, vice president of the Ministerial Alliance, at 647-3115 or 647-3165.

100- TO 190-HP JOHN DEERE TRACTORS

NOW—

field-test proof of 50 Series tractor performance

Now there's scientific proof of the improved performance of our new 50 Series tractors. John Deere engineers have developed a unique test device that can measure tractor performance IN THE FIELD.

The Dyna-Cart™ test vehicle can exactly simulate implement loads. Plus, tests are conducted in a farm field, not on a test track, so traction conditions are the same as real field work.

The Dyna-Cart shows a 4650 with Quad-Range™ transmission to be 13.7% more fuel efficient than a 4640 with Quad-Range. A 4650 with 15-speed Power Shift transmission proved 11% more fuel efficient than a 4640 with 8-speed Power Shift.

We have full test results at the store now. Stop in for your copy and complete details on 100- to 190-hp 50 Series tractors.

Greg Miller and Ladonna Brockman

Vows to be Nov. 26

Mr. and Mrs. Ernest Brockman of Nazareth announce the engagement and approaching marriage of their daughter, Ladonna, to Greg Miller, son of Rosie Miller and William Miller of Longview.

The pair plan to wed Nov. 26 in the Holy Family Church at Nazareth.

The bride-elect graduated in 1978 from Nazareth High School and in 1982 from Texas A&M with a degree in bioengineering. She is currently employed as a design engineer for a medical equipment company in Houston.

A graduate of Longview High School, the prospective groom graduated from Texas A&M University in 1982 with a degree in Mechanical Engineering. He is currently employed as a construction analyst in Houston, where the couple plan to make their home.

Kim Sides is honored

A bridal shower honoring Kim Sides, bride-elect of Ed Watson, was held Saturday morning in the home of Charles and Sue Summers of Dimmitt.

Greeting guests as they arrived were the bride-to-be and her mother, Mrs. George Sides, along with the prospective groom's mother, Mrs. W. T. Watson.

Also attending were Mrs. George Bagwell of Dimmitt, grandmother of the honoree, and Mrs. Denette Watson of Muleshoe, grandmother of Watson.

Beth Benton received guests at the guest book. The gifts were displayed throughout the home, and refreshments of assorted fruit breads, fruit and cheese balls were served.

The serving table was covered by a cut-work and crochet ivory cloth. Tea and coffee were served in a brass tea service, and fall flowers of amber, gold, white and rust chrysanthemums and daisies made up the centerpiece.

Out of town guests included Mrs. Joe Boozer of Hereford, and Sue and Stacey Sides of Lubbock.

Laura Elizabeth Woods

Engagement is told

Laura Elizabeth Woods of Harlingen and Robert "Rob" Kenley Hughes of Weslaco plan to wed Nov. 26 at 2 p.m. in the chapel of the First Christian Church of Lubbock.

The bride-elect is the daughter of Mr. and Mrs. Carl L. Kebert Jr. of Harlingen and Dr. Joe E. Woods of Lubbock. The

prospective groom is the son of Mr. and Mrs. Dale Hughes of Weslaco.

A graduate of Dimmitt High School, Hughes is employed as general manager of Rob's Air Conditioning and Heating, Inc. in Weslaco.

Woods is a graduate of Coronado High School in Lubbock, and received her associate of applied science degree from South Plains College in Levelland. She is an emergency medical technician at the South Padre Island Division of the Harlingen Emergency Medical Service.

ROW sets tour

The Republican Organization for Women has set its annual Christmas Tour of Homes for Dec. 3 from 10 a.m. to 4 p.m.

The tour and the upcoming constitutional amendments election were items of discussion at the group's recent meeting, which was held in the home of Betty and Ed Freeman.

Homes scheduled for the tour include the homes of the Herman Ackers, the Darrel Buckleys, the Stanley Gerbers and the Eddie Adamses.

The November meeting of ROW will be a luncheon in the home of Rick and Beverly Bennett.

CCCWB to meet Dec. 1

At the Dec. 1 meeting of the Castro County Child Welfare Board, members will discuss buying Christmas gifts for the foster children in care from Castro County.

Also, Kent Bridenstein, area foster care placement worker, will present a program on the need for foster homes. All board members are encouraged to attend.

At last Thursday's meeting, the board was informed that Randall Daniels of Amarillo will be the new Child Protective Services worker for the area, covering Castro and Hale Counties.

Board members voted to sponsor a booth at the Dec. 3 Dimmitt Young Homemakers annual bazaar. The booth will be for fingerprinting of preschool age children by the Dimmitt Police Dept. The fingerprinting is for purposes of identification in cases of lost or missing children.

Board Chairman Linda Maxwell reported on the booth that was set up at the Halloween carnival. She noted that around 80 persons took the nine-question test of multiple choice answers, and the average person missed five of the answers.

"Many people taking the test remarked that they were not aware of the extent of child abuse in our state," Maxwell reported, "so I think our booth fulfilled its purpose of making people more aware."

Vickie Yokum, Rhenea Webb, Al Webb, Delma Myers, Robbin Myers, Carla Miller, Adrian Falcon, Lucy Ewing, Meka Thomas, Johnnie Chavers, Missy Polivoda, Richard Saucedo and Ricky Gonzales made the "honor roll" by only missing three or fewer answers. No one made a perfect score, and only one person missed every question.

Pyle speaks to Dimmitt teachers

In light of recent attacks on the country's public education system, Betty Pyle, president of the Texas Classroom Teachers Association, told members of Dimmitt Classroom Teachers Association Monday, "We hear a lot about what is wrong with public education, unfortunately, we hear little about what is right."

Public education was started with the idea of equality, Pyle told the group. In this country, "every child has the opportunity to receive an education."

Pyle said reforms in education are needed because "society is changing. It is becoming an age of information. If students are not competent in areas of science, math and language arts, they will not be able to compete."

Curriculum reform in Texas has led to the requirement of four years of English, three of math, and two years of science to be eligible for graduation. Pyle said the colleges of education, which have been under attack, now have a new set of instructions and program standards and certain criteria have to be met to become a teacher.

teachers in the country is declining," Pyle said, "while the student population is increasing."

"The low pay for teachers, lack of respect for the teaching profession, and a lack of discipline," has led to a shortage of teachers.

"As long as we have this situation we will have a shortage of teachers," she said.

Pyle said there are three concepts being viewed for across the board increases in teachers' salaries.

Merit pay, incentive pay, and the master teacher plan are programs which are being studied. But Pyle said the programs "are a smoke-screen by themselves as long as base pay is as low as it is."

The problem with the merit pay system is that it sidesteps the issue of paying every teacher a decent, respectable salary. Teachers' salaries today are too low to justify raising the pay of only a few," she said.

Pyle also said that most school districts that have had the merit pay systems have dropped them. The reason, "a lack of money."

The master teacher plan being used in some schools, is a process through which teachers (through training, and experience) can qualify for a higher teaching position and higher salaries.

Betty Pyle

ies. The problem with this system, Pyle said, is that only a certain percentage of teachers eligible for advancement may advance, because of a lack of money in the system.

An incentive pay plan would reward those who are willing to make an extra effort through working longer hours or longer school years, obtaining additional training, assuming more responsibility, etc.

Although the need for reform in our public schools is clear, Pyle said "the structuring of changes must be deliberate and careful if our ultimate goal of improving the quality of education is to be realized."

Workshop set for next week

A pants pattern alteration workshop will be held Nov. 18 in the assembly room of the courthouse in Dimmitt.

Persons interested in attending should call the extension office to enroll (647-4115).

Supplies needed include: a sewing machine, pants pattern (as close to your measurement as possible), iron, scissors, tape measure, pencil, newspaper, scotch tape, fabric (cotton, wool, poplin), thread, zipper, and favorite sack lunch.

The workshop will last from 9:30 a.m. to 3:30 p.m.

Isaac, Henry earn parts in AC plays

Two Dimmitt men, Jeff Isaac and Doug Henry, have parts in plays being produced by the Amarillo College theater arts department.

Isaac, a graduate of Dimmitt and a student at AC, will have parts in the plays, "Brecht on Brecht" and "Joseph." Henry, Dimmitt schools' choral director, will act in the

play "Joseph." The AC drama department will enter the plays in the American College Theater Festival.

The plays will compete in the festival's area division Nov. 30-Dec. 2 at Texas Tech University. Plays which win there will compete at regionals in Fort Worth. Regional winners will perform at Kennedy Center.

The two plays will be staged at Amarillo College: "Brecht on Brecht," today (Thursday), Friday and Saturday, and "Joseph" will play Nov. 16-19.

"Brecht on Brecht," adapted by George Tabori, is a montage of poems and plays by German playwright Bertolt Brecht (1898-1966). "Joseph" is a "rock opera." Tim Rice and Andrew Lloyd Webber based their play on the biblical character Joseph.

Turkey shoot set Sunday

The Nazareth Fire Department is sponsoring a Turkey Shoot Sunday from 1 p.m. until dark at the draw north of Nazareth.

There will be skeet and target shooting and prizes will include turkeys and bacon.

Shells will be for sale at the site.

Booths are available

Merchants who want to participate in the annual Merchants Christmas Breakfast Nov. 19 need to contact the Chamber of Commerce office as soon as possible to reserve a booth.

Booth sizes are 8 by 12 foot and cost \$25 per space. The free breakfast will be served Nov. 19 at the County Expo Building. Merchants will be setting up booths from 2 until 8 p.m. on Nov. 18.

Spring to enter national contest

A Dimmitt 4-H'er will be competing in the 1983 National Ladies' Lead Line competition Sunday in Louisville, Ky.

It will be the third year of travelling to the contest for Kim Spring, 10, daughter of Charles and Sue Spring of Dimmitt.

In the contest, entrants model a garment of at least 50 percent wool while leading a ewe lamb on a leash.

Spring won her age group in 1981, and was given third place in 1982.

Her outfit this year will consist of a skirt and jacket of 50 percent wool. The skirt is gathered, with buttons down the front, and is of a rust-aqua plaid. The long sleeves of the rust-colored jacket are puffed at the shoulder. One button fastens the front. She completes the look with an off-white blouse-slip combination, with eyelet ruffle trim.

Kim Spring

The lamb she will lead is a Hampshire. She recently won third at the Ohio State Fair with her cross-bred market lamb. She has also competed in the Ladies Lead Line at the Ohio State Fair, as well as at Hereford.

IN APPRECIATION—Linda Fitzgerald (center) is presented with a plaque of appreciation for her efforts as treasurer of the local service unit of the Salvation Army for the past two years. Presenting the plaque are local unit chairperson

Polly Simpson and Field Service Representative Doug Rains. The local unit is currently conducting its annual fund-raising campaign, with a goal of \$1,000. Contact any local unit member for donations.

Bazaars planned in area towns

Several organizations are planning bazaars this weekend in Lazbuddie, Hale Center, and Hereford.

The Lazbuddie Young Homemakers' Arts and Crafts Christmas Bazaar will be held Saturday from 10 a.m. to 6 p.m. in the Lazbuddie School cafeteria.

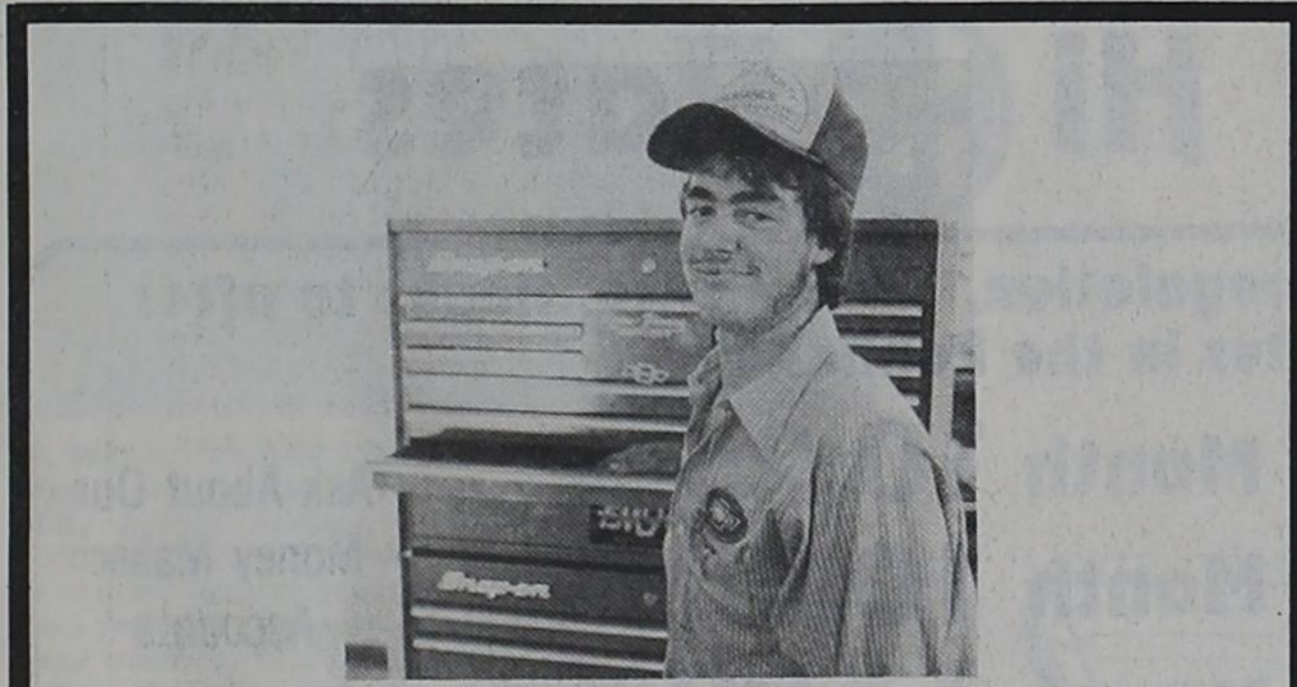

Wesley United Methodist Church of Hereford is hosting its Fall Festival of Arts and Crafts Saturday from 9 a.m. until 6 p.m. at the Hereford Community Center.

The Hale Center Young Homemakers Christmas Bazaar will be held Saturday from 9 a.m. to 6 p.m. and Sunday from 1 to 4 p.m. at Akin Elementary cafeteria. Admission to the Hale Center bazaar is \$1 for adults and 50 cents for students.

Jake and Ruth King of Hereford visited Sunday afternoon with Ezell and Verba Sadler.

Trees being ordered by conservation district

The Running Water Soil and Water Conservation District is once again taking orders for wind-break tree seedlings and pecan trees.

Seedlings available this year will include a new variety. The Afganistan Pine is from Southern Russia and Afganistan. It is a Southern Pine, and will not be sold north of Amarillo. The Forest Service says that it is a drouth hardy pine and a fast grower, depending on how much water it receives. After it becomes established, it will usually grow up to 24 inches a year. The Forest Service has notified the Running Water District that there are just a few of these trees left to order, and they probably won't be available long. Anyone in Castro County who wishes to order this particular

pine will need to get their orders in as soon as possible.

The prices for wind-break seedlings has increased to \$40.00 per order this year. An order consists of 30 potted or 100 bare root trees. The 30 minimum order for potted must all be the same variety, the bare root seedlings can be ordered with 50 of one variety as a minimum order.

The pecan trees will be the same price as they were last year, \$9.00 each. Each pecan tree is three years old and the nursery prunes the trees before delivery, however because they are bare root, they will need to be planted as soon as they are received. The date of delivery for the pecans is the last of February. The same two varieties that were ordered last year, will also be ordered this year. The

Western Schley is a self pollinating tree, and the Wichita will need another variety to pollinate. Both varieties are paper shell pecans.

There will be three different delivery dates on the trees this year. The pecan trees will be the first delivered, the ideal date for planting is the last of February. The Afganistan Pine will be available the first of March, and the other windbreak trees will be delivered at the Conservation office the first of April.

Anyone wishing to order any of these trees should contact the Running Water District at the Soil Conservation Service office at 3rd and Bedford, or call 647-4324 to place an order.

Large orders for pecans ordered out of Castro Co. will require payment in advance.

Smokers urged to sign up

Join the Great American Smokeout next Thursday (Nov. 17).

Smokers can sign up at Thriftway and Taylor and Sons to go without cigarettes for 24 hours. Non-smokers can sign up to adopt a smoker and to stay with them and help them keep that promise for 24 hours. The Great Ameri-

can Smokeout is an annual celebration sponsored by the American Cancer Society.

This is the seventh anniversary of this unusual event, which continues to make an enormous impact on smokers. Last year, according to a Gallup study, three out of 10 cigarette smokers cut

down or cut out smoking for the day. Close to 4.5 million smokers actually quit for the day. About 2.3 million of these quitters were still not smoking one to 11 days later.

"Why don't you join the Great American Smokeout, Nov. 17? You'll be glad you did!" a local spokesman said.

Crime Line offers \$550

Crime Line is offering \$550 in rewards for information which would lead to the arrest and indictment of those involved in the three Spotlight Crimes this week.

A \$100 reward is offered for information concerning damage done to a light blue Ford F150 pickup that was parked at Stan Byrnes Ford Friday night.

Someone kicked a large dent in the passenger door of the pickup. The incident occurred sometime Friday night.

A \$150 reward is offered for information about the theft of a drive shaft from a shredder belonging to Ben Scott. The machine was parked five miles northeast of Dimmitt. Scott said he recently noticed the two-piece drive shaft was missing from his shredder. He has no idea how long ago the theft occurred. The shaft was green and valued at \$200.

A \$300 reward is offered for information about damage done to a semi-truck and trailer near Nazareth.

The truck-trailer was parked at the Larry Ramaekers residence, 1 1/4 miles north and 2 miles

east of Nazareth.

On Oct. 29, someone moved the truck-trailer from the residence 3/4 mile north. The vehicle became stuck in a ditch, and the vandals returned to the residence and took a 4630 John Deere tractor and tried to pull the truck from the ditch.

The rear trailer bumper was broken off, the exhaust pipe bent. The transmission and rear end possibly will require repair and 100 gallons of diesel fuel drained from the truck onto the ground.

Anyone having information about any of these crimes should call Crime Line at 647-4711.

LIGHTING AND EGG PRODUCTION

Effective lighting helps pullets develop physical and sexual maturity for high egg production, says a poultry specialist with the Texas Agricultural Extension Service. Since pullet and layer lighting programs can conflict, producers are advised to do business with reputable pullet growers who follow a light program which meets their requirements.

CCMA to attend Kiwanis meeting

Members of the Castro County Ministerial Alliance are invited to attend the Monday meeting of the Dimmitt Kiwanis Club at noon at K-Bob's in Dimmitt.

Bud Eades of Hereford, Lt. Gov. of Kiwanis Division 33, will speak on the international organization's "Spiritual Aims," in keeping with the 1983-84 club year's theme of Spiritual Emphasis.

The club's board of directors met Monday morning and voted to hold the club's annual pheasant hunters' breakfast and pheasant hunt, with hunting permits going up to \$100 per person for the entire pheasant season for hunting on selected acres. Last year the fee was only \$50.

"Our expenses have gone up and we may be

faced with less acres," Club President Alex Glass said.

Glass displayed an appreciation certificate given to the club by the Castro County 4-H Council for the support the club gives to the 4-H program.

Joe Higgs of the Castro County Ministerial Alliance invited the club to enter a float in the Dec. 3 Christmas Parade, jointly sponsored by the Alliance and the Dimmitt Chamber of Commerce.

The Senior Chapter Conducting team of the Dimmitt FFA presented the program on how they conduct "sample meetings" to be judged in competition. Teams are judged on the method of opening and closing of meetings and on how well they follow proper parliamentary procedure.

The team will compete in district competition on Nov. 16 at West Texas State University. Members are Woody Glass, Scott Nelson, Kim Howell, Sue Crozier, Mark Smothermon, Billy Patton, Mark Shackelford and Karen Nelson.

1984 grain program questions answered

By CHARLEY HILL

How are the 1984 wheat and feed grain acreage bases established?

For regular farms, the base is the average of the planted and considered planted (P&CP) for 1982 and 1983.

For rotation farms, the base is the average of the P&CP for the 2 previous years in the rotation that correspond to 1984. For example, in a 2 year rotation the base is established as the average of 1980 and 1982 P&CP.

Are the corn and grain sorghum bases combined for 1984 participation?

Yes. The same is true for barley and oats.

When will producers be expected to sign up for the 1984 Wheat and Feed Grain Acreage Reduction Program (ARP) and the Wheat Payment-In-Kind (PIK) Program?

The established signup period is Jan. 16 through Feb. 24, 1984.

Because participation in both the wheat ARP and the Feed grain ARP is voluntary, may the farm operator choose the crops in which to participate?

Yes. The operator may choose to participate in ARP for any of the eligible crops; however, because corn and grain sorghum bases and barley and oat bases are combined, participation for these crops is combined. For example, the total corn and grain sorghum acreage on a farm participating in the Corn and Grain Sorghum ARP must be limited to the corn and grain sorghum acreage permitted.

What is the level of participation for the ARP?

To participate in the:

Wheat ARP, the maximum wheat acreage may not exceed 70 percent of the farm's wheat base.

Barley and Oats ARP or Corn and Grain Sorghum ARP, the maximum permitted acreage of barley and oats or corn and grain sorghum may not exceed 90 percent of the farm's applicable combined feed grain base.

To participate in the Wheat PIK Program, must the farm be enrolled in the Wheat ARP?

Yes.

What is the level of participation for the Wheat PIK Program?

Wheat PIK will be offered on an acreage of not less than 10 percent nor more than 20 percent of the wheat base. The farm operator may choose any level within this range.

What are the benefits of participating in the programs?

For wheat and feed grain the benefits are:

Commodity loan eligibility on the participating commodity.

Target (deficiency payments) price protection.

That the base is considered as having been planted to the crop for establishing a base in a future year.

Additionally for wheat, the benefits include PIK loan collateral for farms participating in the Wheat PIK Program.

How are payments under the Wheat PIK Program determined?

Compensation for wheat PIK acreage is the result of the PIK acres (level of participation 10 to 20 percent of the base) times the farm's diversion yield, times 75 percent, rounded to whole bushels.

What penalties are assessed if a producer decides to terminate any ARP or PIK contract after the final date for signup?

Producers who decide to drop out of any program after the final signup date will be subject to liquidated damages. The rates for liquidated damages will be specified in the contract for participation. Liquidated damages will not apply if the producer decides to drop out at any time during the signup period.

For 1984 why is the acreage removed from production referred to as "Acreage Conservation Reserve" (ACR) acreage instead of "Conservation Use Acreage" (CUA),

which was used in 1982 and 1983?

The change in terminology emphasizes the conservation aspects of the 1984 programs.

In 1984 will there be a difference between the eligibility requirements of ACR under ARP and PIK as there was in 1983?

No, land that qualifies for ACR acreage under ARP will also qualify under PIK, and land that is eligible for PIK is also eligible for ARP. In areas where it is normal to summer fallow, the land designated for ACR acreage must be land that would have been devoted to a crop for harvest in 1984 under normal weather conditions.

How will eligibility for ACR acreage be determined on summer fallow farms?

The County ASC Committee will consider the history of the cropping pattern carried out on the land intended to be designated as ACR acreage. If the eligibility, or ineligibility, cannot be clearly determined from the cropping history on the land intended to be designated, the County ASC Committee will determine the average of the acreage summer fallowed on the farm based on the total acreage of crops planted in recent corresponding years on the farm. **Who is responsible for determining the eligibility**

of ACR acreage?

The County ASC Committee is responsible for determining the eligibility for land to be designated; however, the producer is responsible for ensuring that land designated for ACR acreage is eligible. This should be done before the deadline for reporting the ACR acreage.

If a cover is required on ACR acreage, when must the cover be established?

If a cover is required to be established, it must be established as soon as possible to protect the land from wind and water erosion, but not later than the normal ending planting date for spring-seeded crops in the area.

The Dimmitt High School Bobcat Band has once again completed the first step toward a sweepstakes award by earning a Division I rating at the regional marching contest held Nov. 2 in Jones Stadium in Lubbock.

Of all the Region XVI AAA bands, Denver City and Littlefield were selected as the top two to advance to the state level of competition.

The 128-member Bobcat Band is led by Cody Myers, assisted by Brian McLaughlin. Dee Ann Tackitt of Nazareth is the flag instructor.

Judges' comments about the band's performance included "excellent show design," "good precision," and "good pride and discipline."

Judges for the contest were Harold Floyd of Iraan, Wendell Gideon of Stephenville and J. R. McIntyre of Odessa.

Other bands from the area and their ratings include Hart III; Abernathy II Mulesoe II, and Friona II.

Myers said the Bobcat band is now working on the Christmas concert, set for Dec. 18 at 2 p.m. in the high school auditorium. The junior high band will also participate.

future in exchange for free right-of-way in running a water line to the Dimco, Inc. vegetable processing plant, Nelson asked the aldermen to honor the promise now.

"I didn't even charge the city any damages for tearing up my driveway," Nelson added. He told the board that he currently gets his water from a well across the highway, but has been having difficulties with it.

Fleming told Nelson that the board is currently working on a city policy dealing with taps on city water lines outside the city limits, and will let him know the results.

"Well, I'd appreciate any consideration you can give me on the matter," Nelson concluded.

Nazareth events planned Nov. 20

Saturday is the deadline to sign up for a booth in the Nazareth Art Club's Holiday Arts and Crafts Bazaar which will be held Nov. 20.

The bazaar will be held in the Nazareth School Cafeteria from 11 a.m. to 5 p.m. Persons interested in reserving a booth should call Lucille Drerup, 945-2562 by Saturday.

The Nazareth Christian Mothers Society will serve a Thanksgiving Dinner of turkey and all the trimmings from 11 a.m. to 2 p.m. in the Nazareth Community Hall, Nov. 20.

The public is invited to attend both events.

Wheat annual meeting and symposium set

An educational symposium and annual business meeting of the Texas Wheat Producers Association and Producers Board has been set for next Thursday (Nov. 17), at the Hilton Inn in Amarillo.

W. R. Moore Jr., farmer-elected chairman of the Producers Board, said that the symposium is designed to shed some light on current uncertainties surrounding wheat production and marketing — from changing farm program uncertainties to weather uncertainties — from changing world monetary situations to

world affairs, all affecting levels of wheat exports and in turn, present and future prices and income.

Winston Wilson, of Washington, D.C., president of U.S. Wheat Associates, the producers foreign market development arm, will be the keynote speaker, opening the session at 9:15 a.m.

Carl Schwensen, president of the Washington-based National Association of Wheat Growers will address "Wheat's Washington World: Current Administrative and Legislative Issues."

Dr. Ron Cook, corporate

manager of employee health education and physical fitness, Sentry Life Insurance Company, Stevens Point, Wis., will present "An Overview of Wellness."

Sen. Bill Sarpalius, Chairman of the Sub-Committee on Agriculture of the Natural Resources Committee for the Texas Senate will be the prime-time speaker just prior to lunch at the Thursday meeting.

During an afternoon producer association business meeting, resolutions governing the organiza-

tion's policies for the coming year will be discussed and adopted. Election of officers for the coming year will finalize the action of the group for the day-long session.

The organization's officers, Moore and Harman, said there will be no registration fee for members or guests and all sessions are open to the press and interested individuals. Wheat-related information and education materials and exhibits will be provided by the Texas Agricultural Extension Service and related agribusinesses.

A MALE SHEPHERD MIX with some labrador, this dog is now available for adoption from the Dimmitt City Animal Shelter, according to Animal Control Officer Charles Whitman. The dog has had his shots, and other fees are negotiable, Whitman said. From 1½ to 2 years old, the animal is friendly and in good health and would make a good country dog. He has also had some obedience training. Contact Whitman through the Dimmitt Police Dept. before Monday, when the animal will be put to sleep.

Our servicemen know: if not us, then who?

Dear Editor:
This is in reference to an article (about a petition) in the Oct. 27 issue concerning the question of US military presence in Lebanon.

I, too, feel devastated about the cold murder of over 200 US and French servicemen there trying to maintain a peace-keeping force. The petition asked, "Just why are we there?" and then answered that very question in the next sentence — "We... would like to see all nations be as lucky as we are to be living in a democratic country."

Without our peace-keeping efforts in Lebanon, there would be no one to hold off any attempts of Communist domination. Where would it go from there? As the Soviets take control of Lebanon, they would just keep expanding all throughout the Middle East, a very important area for the US. I feel that it is also very important to realize that we are protecting US interests by being there.

I do agree that the Marines should be able to defend themselves to a greater extent, but also bear in mind that we are not there for reasons of combat. An increase in arms may serve as an indication to other forces in Lebanon that we want or are ready for an all-out war, something I think all of us are trying to avoid.

As for the Marines themselves, I'm torn up inside everytime I watch them bring more bodies home on TV and for an instant, furiously wonder, "Why us?" But then I realize that those men, in joining their branches of the service, joined because they wanted to and are aware of their responsibilities as enlisted men.

Living in a predominately military environment —

with the Texas A&M Corps of Cadets — all of the recent activity in Lebanon and Grenada is very strongly felt and foremost in many of the cadets' minds. It frightens me to think that many of my friends, who are members of the Corps, upon graduation in May, will go to their various designated posts all over the world in the interest of US Democracy. But just about any of them you talk to, from freshman to senior, will tell you with a proud gleam in their eye that they'll do it when asked. Statistics on increased enlistment within the last two or three weeks alone should be an indication to the US population of the positive feelings by the young men of the country about our involvement there. I'm just asking those of us at home to support these men and their decision and to trust their patriotic insight. Besides, they are the ones putting their lives on the line for us.

With respect to Grenada, I really have positive feelings about the success of our mission. Again, many servicemen died through it all but our aggression is a sign to the rest of the world that we won't stand back and watch. Just imagine what the other powers of the world would think if we pulled out of either Lebanon or Grenada with our mission incomplete — a big threat, huh?

As a last note, I would like to remind everyone that our elected officials were put in their positions by a majority vote; therefore, in a time like this especially, we need to pull together as one unit and support their decisions. Would any of you like to be in their place now?

Armistice Day is remembered

Dear Editor:

I thought it might be of interest to some of the old timers to recall memories of the first Armistice Day in Dimmitt.

Very early on that cold 11th of November of 1918, Mrs. Ed Smith at the switchboard called my home, that of Judge C. F. Kerr, to tell the good news of the signing of the armistice.

My grandfather, Mr. William Ireland, known by many as Uncle Billy Ireland, and I hurried to the church house to ring the bell — long and loud! All of the neighborhood knew immediately the meaning of it because we all had hoped and prayed and waited to hear the good tidings.

(We had but one church building at that time, which was located where the First United Methodist Church now stands.)

The school, also housed in one building, was closed, as were the businesses of the town. Dinner was served on the grounds of the court-house, just as we had it for the Dimmitt picnic.

A meeting had been planned for some two weeks later, but it was moved up for that night in the school auditorium. The program that we had been preparing to give was moved up for the occasion. It was not the finished production we had hoped for, but what it lacked was made up for in fervor and in spirit. I remember so well how ill-prepared I felt when asked to present the "speech" to which I had been assigned.

Someone from the West Texas State Normal at Canyon — it seems that it was Mr. J. L. Duflos — came and spoke for the raising of Liberty bonds.

We were so grateful to God that our boys who had gone "to Tipperary" and "over the top" would be coming home!

This day shall always be a memorable one to each of us.

Thank you.

Mrs. R. H. Birchfield, Amarillo (the former Bettie Rose Kerr)

Editor's Note: This letter was written Nov. 11, 1982, but was received too late to use last year, so we are printing it now. Armistice Day was celebrated beginning in 1918 in honor of the ending of World War I. Later, the holiday was changed to Veterans' Day, in honor of all US service veterans.

Many festive parties were held over the weekend! All the women were dressed in the lovely fall colors of dresses and suits.

A beautiful shower for Kimberly Sides was held in the newly redecorated home of Mrs. Charles Summers. I met the mother and grandmother of the groom to be, Edwin Curtis Watson, and of course, Carolyn Sides and Ruby Bagwell were in the receiving line. Connie Dennis came in from Texas Tech in Lubbock to help with the serving of fruit breads, cheese balls, and hot cider.

Another lovely party was the twenty-fifth wedding anniversary for Martha Jo and Harold Hyman hosted by their daughters Jo and Leigh. Betty Touchstone was serving the prettiest petit fours I have ever seen from a table decorated with a small grapevine basket flanked by white doves. In the basement of this beautiful home Geneva Schaeffer was serving meat balls and party wieners in a sauce and cheese rolls. The young hostesses tired of all the formality in the house so they went out in the backyard in their pretty dresses and jumped on the trampoline with all their friends.

Elmer and Jewel Scott of Dimmitt and Jeter and Lillis Garner of Farwell enjoyed seeing the beautiful scenery near Cloudcroft, N.M. last weekend. They also attended the 50th wedding anniversary of Lois and Asa Smith at Mt. Rolls, N.M. at the Trinity Baptist Church.

Mrs. Earl Chaney entertained with a birthday celebration for her mother's 85th birthday. The party was planned as a surprise but since Mrs. Florence Cooper lives with the Chaney's and Mrs. Chaney was doing so many extra special things around the house that Mrs.

Cooper probably knew something was going to happen. They served punch and birthday cake to 45 guests. Out of town guests were: Mrs. Glenn Elliott from Longview (daughter), Sue (Chaney) Battles from Calleyville, and Gwynn (Howell) Shultz from Richardson (granddaughters) and several from Muleshoe. Mrs. Cooper has received 70 birthday cards.

Wanda Murdock read an article in the Littlefield paper concerning a former Dimmitt girl, Laura (Armstrong) Anderson, daughter of Charles and Courtenay Armstrong. Laura lives in Amherst now and is a nurse at Methodist Hospital in Lubbock. A Hereford woman whose husband was involved in a car accident wrote a letter to the Editor of the Lamb County Leader-News telling the citizens of Amherst they had an outstanding citizen among them.

Marvin Davis was in a car accident, where he was pinned inside the wreckage for two hours. Laura was on her way home from work and drove upon the scene shortly after it occurred. She went to the aid of Mr. Davis, administering first aid to a severe head injury and applied pressure to stop the bleeding. She stayed with him about two hours while rescue workers were on the scene working to free him. Mrs. Davis said Laura is a credit to her profession and it is good to know there are still Good Samaritans among us.

Laura Anderson and her husband, Danny, are both natives of Dimmitt. They have a nine month old son, Jarred and they attend the First United Methodist Church in Amherst.

Part of Laura's qualifications in helping Mr. Davis came not from her schooling and training, but from something deep inside her — compassion and bravery. Laura, we are proud of you!

Rev. Bedford and Elsie Smith attended the 36th statewide Veterans Service Officers Conference that was held at the luxurious Merriot Quorum Hotel in Dallas in September 17-21. Rev. Smith offered the opening prayer for the conference. This is an annual conference and the Smiths have attended for 12 years.

On Oct. 29 Rev. Bedford Smith and Elsie went to Knox City to help celebrate the 96th birthday of Elsie's father, Mr. L. W. Graham. There were three sons and two daughters, and just one granddaughter was able to attend the celebration. A

reception was held in the afternoon for friends and relatives, and a few years ago he was honored as the Man of the Year and he has received a 25 year pin for his work with the Red Cross.

The Community Concert held last Saturday night featuring Keith and Rusty McNeil was very entertaining and I have heard several good comments on their performance. My sister and her husband, Lynna and Troy Cloer, drove over from Tulia for the concert and Mary Lee Caliouette and Lucille Brasher came with them. They came to my home for refreshments before returning to Tulia.

Zay Gilbreath was in town over the weekend visiting his parents, Sam and Virginia Gilbreath, and Louise Mears and other relatives and friends.

Carol Cluck from Oklahoma, a former Dimmitt resident, was visiting Retta Cluck and other relatives for a few days. It was good to see her again.

Our sympathy goes to the Ward Golden's in the death of Ward's sister-in-law, Juanita Golden, of Brownfield.

Also we would like to extend our sympathy to Irene Carpenter and her family in the death of her sister, Mrs. Frona Duse of Amarillo.

The Thursday Bridge Club met at the Senior

Citizens Center for lunch with Johnnie Vannoy winning high score and Jo Gregory second high. Cleo Forson was hostess and others playing were: Emily Clingsmith, Bernice Hill, Louise Mears, Jean Christian, Elizabeth Huckabay, Retta Cluck, Ferne Dickey, Ruth Skinner and Oleda Schumacher.

The Friday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge with Josie Bradford as hostess. Dorothy Elder won high score. Others playing were: Opal Bearden, Retta Cluck, Gladiola Shipley, Carolyn Copeland, Emily Clingsmith, and Cleo Forson.

Bill and Betty Dixon from Springfield, Mo. were in town for the Dixon reunion and spent the night with Morgan and Geneva Dennis, their former neighbors on the farm. We will write more about the reunion for next week's paper.

C. A. and Oleada Hance

and Martha Isaacs are home after a trip of visiting relatives and friends in the Sherman and Bonham area. Then on to Shreveport, La. to visit C. A.'s brother, C. J. Hance. The drive to Louisiana is very nice this time of year and the foliage was most beautiful.

Amarillo College theater department will present two productions on two consecutive weekends this month, according to Terral Lewis, director. "Brecht on Brecht," will be staged at 8:15 p.m. (Continued on Page 2B)

The Carpenter's FRIEND

To build... one must have plans, and plans give exact measurements. The carpenter who makes careful measurements finds that the work is made easier. Careful measuring prevents waste... waste of time and materials. Therefore the measuring device is truly a friend to the carpenter.

The church wants to be your friend, and help you to a easier and better way of life. The Bible clearly gives us a way to measure life. Through many centuries man has found no better rules than those given in the Bible.

Attend church and receive the friendly welcome that awaits you.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Dance is Friday

A dance to benefit the Cystic Fibrosis Foundation will be held Friday in the Friona Community Center.

Open to the public, the dance will start at 8 p.m., lasting until 1 a.m. Admission will be by an \$8 donation for a single or \$15 for a couple. Door prizes will be given, and refreshments of pretzels, popcorn and soft drinks will be provided.

Live music will be provided by the band "Eloy and the Troubadors" of Clayton, N.M. The band performed at the Hereford Country Club's Christmas Dance.

Tickets will be available at the door, or in advance at the Friona Chamber of Commerce or the Friona Dairy Queen.

GETTING SET for the seventh annual Great American Smokeout next Thursday (Nov. 17) are Doris Lindsey and Bill Sava. A feature of this year's program is the Adopt-a-Smoker campaign. Non-smokers are asked to "adopt" a smoker for the day and give extra encouragement and support for that person to go without smoking for the 24-hour period,

or longer. Also, emphasis is being given to smokeless tobacco, with chewers and dippers being encouraged to quit for the day. For more information on the campaign, sponsored by the American Cancer Society, contact Richard Stahl, Doug Pybus or Jim Killingsworth, local co-chairmen.

Hearing Tests Set For Dimmitt

Electronic hearing tests will be given at the Senior Citizens Center on Tuesday, Nov. 15 from 10 a.m. to 12 noon.

J. Wampler, certified hearing aid audiologist, will be at 218 W Jones to perform the tests.

Anyone who has trouble hearing or understanding speech clearly is welcome to have a test using modern electronic equipment to determine if his loss is one which can be helped. Some of the causes of hearing loss will be explained, and diagrams of how the ear works will be shown.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out whether the latest methods of hearing correction can help them hear better.

The free hearing test will be given Tuesday from 10 a.m. to 12 noon at the Senior Citizens Center. If you can't get there on Tuesday, call 647-2654 and arrange for an appointment at another time. In-home testing is also available.

County receives refund

State Comptroller Bob Bullock recently sent checks totaling \$10.7 million to 219 counties and 416 cities as their share of the state's 10 percent mixed drink tax collected during the third quarter of 1983.

Bullock said the state collected a total \$37.2 million in taxes on the sale of mixed drinks during the quarter, up 7.4 percent over the same period last year.

Texas cities and counties each receive a 15 percent rebate on the tax collected on mixed drinks sold within their boundaries under the law that legalized the sale of mixed drinks in the state.

The state's general revenue fund will receive the balance—\$26.4 million—of the tax money collected.

The mixed drink tax is collected by the Alcoholic Beverage Commission and city-county rebates are sent out quarterly by the Comptroller's Office.

Bullock said the mixed drink tax brought in \$111.2 million during the first three quarters of 1983.

Castro County received a 15 percent remittance of \$1,001.54. The county's total tax revenue was \$6,676.91. Dimmitt's share of the total tax revenue was \$4,738.34, while Nazareth's was \$278.03.

More about On the go

(Continued from Page 1B) Thursday and Friday and at 2 p.m. Saturday afternoon this week. That is the 10th, 11th and 15th. Both shows will be held at the Concert Hall Theater

on Amarillo College campus.

"Brecht on Brecht" adapted by George Tabore, is a "collage of the works of exiled German playwright Bertolt Brecht," said Lewis. "The show includes Brecht's poems, music, and scenes from many of his plays." Jeff Isaacs, young actor, is cast in this show.

The second show, "Joseph And The Amazing Technicolor Dreamcoat," will be presented at 8:15 p.m., Nov. 16-19 and 2:30 p.m., Nov. 19. It is by Tim Rice and Andrew Lloyd Webber, a musical version of the biblical story of Joseph and the coat of many colors. This show embraces many styles of musical theater and provides entertainment for all ages. Jeff Isaacs and Doug Henry are both cast in "Joseph." Both productions are entered in the American College Theatre Festival which will be held in December at Texas Tech University. Amarillo College theater students will attend the district festival to see stage entries from colleges and universities from the tri-state area. Winning productions will advance to the regional festival held in Fort Worth. We are so proud of Jeff and his accomplishments.

Social Security in Castro County

By TERRY J. CLEMENTS

Last week we talked about Supplementary Security Income (SSI) and how it can be a life saver but also a hardship if reporting requirements are not met.

We mentioned that changes in income, resources or living arrangements must be reported. However, at times changes occur that the recipient does not see as a change.

For example, a change in income is considered by most people to be a change in their monthly cash income. However, "in-kind" income is also recognized by SSI rules. For example, a recipient may have their utility bills, taxes, insurance or food bills paid by another person. This is income. A friend or relative may let a recipient live in a house for free. This, too, is income. A son or daughter may rent a house to a parent who is a recipient and charge less than market rental value. Income again. A person living with the recipient may help with the bills. This is possibly income.

Occasionally, a recipient will give their home to another party, usually an adult child. This creates a major problem for the recipient. The recipient continues to live in the home but no longer owns it. According to SSI, the recipient is receiving "in-kind" income in the form of rent-free shelter, because the person is no longer living in their own home.

These are a few areas that can create problems for the SSI recipient. If you have a question concerning SSI please call us at 293-3271. If you need to visit our office our address is 1401-B West 5th Street in Plainview.

Senior Citizens

Castro County Senior Citizens Center is located at Third and Jones and is open Monday through Friday from 8 a.m. to 4 p.m. A nutritious meal is served each day from 11:30 a.m. to 1 p.m. Quilting and table games are daily activities.

Bridge will be played at the Center today (Thursday) at 10 a.m. The Advisory Board of the Center will meet for a luncheon meeting today at noon.

Veteran's Day is Friday. Fly your flags. There will be a Duplicate Bridge Tournament at the Center on Saturday and Sunday.

There will be a Bible study on Monday at noon. Duplicate bridge will be played in the evening.

A Thanksgiving covered-dish dinner, an evening of table games, and a birthday party for all those with November birthdays will be on Tuesday beginning at 6 p.m. Bridge will be played Wednesday at 10 a.m.

What's the Gas man doing here?

That's Bob Caddell, Energas' Dimmitt manager.

You are likely to find him at any activity that relates to the well-being of the community. He is in business here just like the grocer, the clothing or farm store operator. What happens in the civic life of the town affects him, his family and his livelihood. As an Energas manager, he has a lot of responsibilities... and one of them is to help make the town a good place to live.

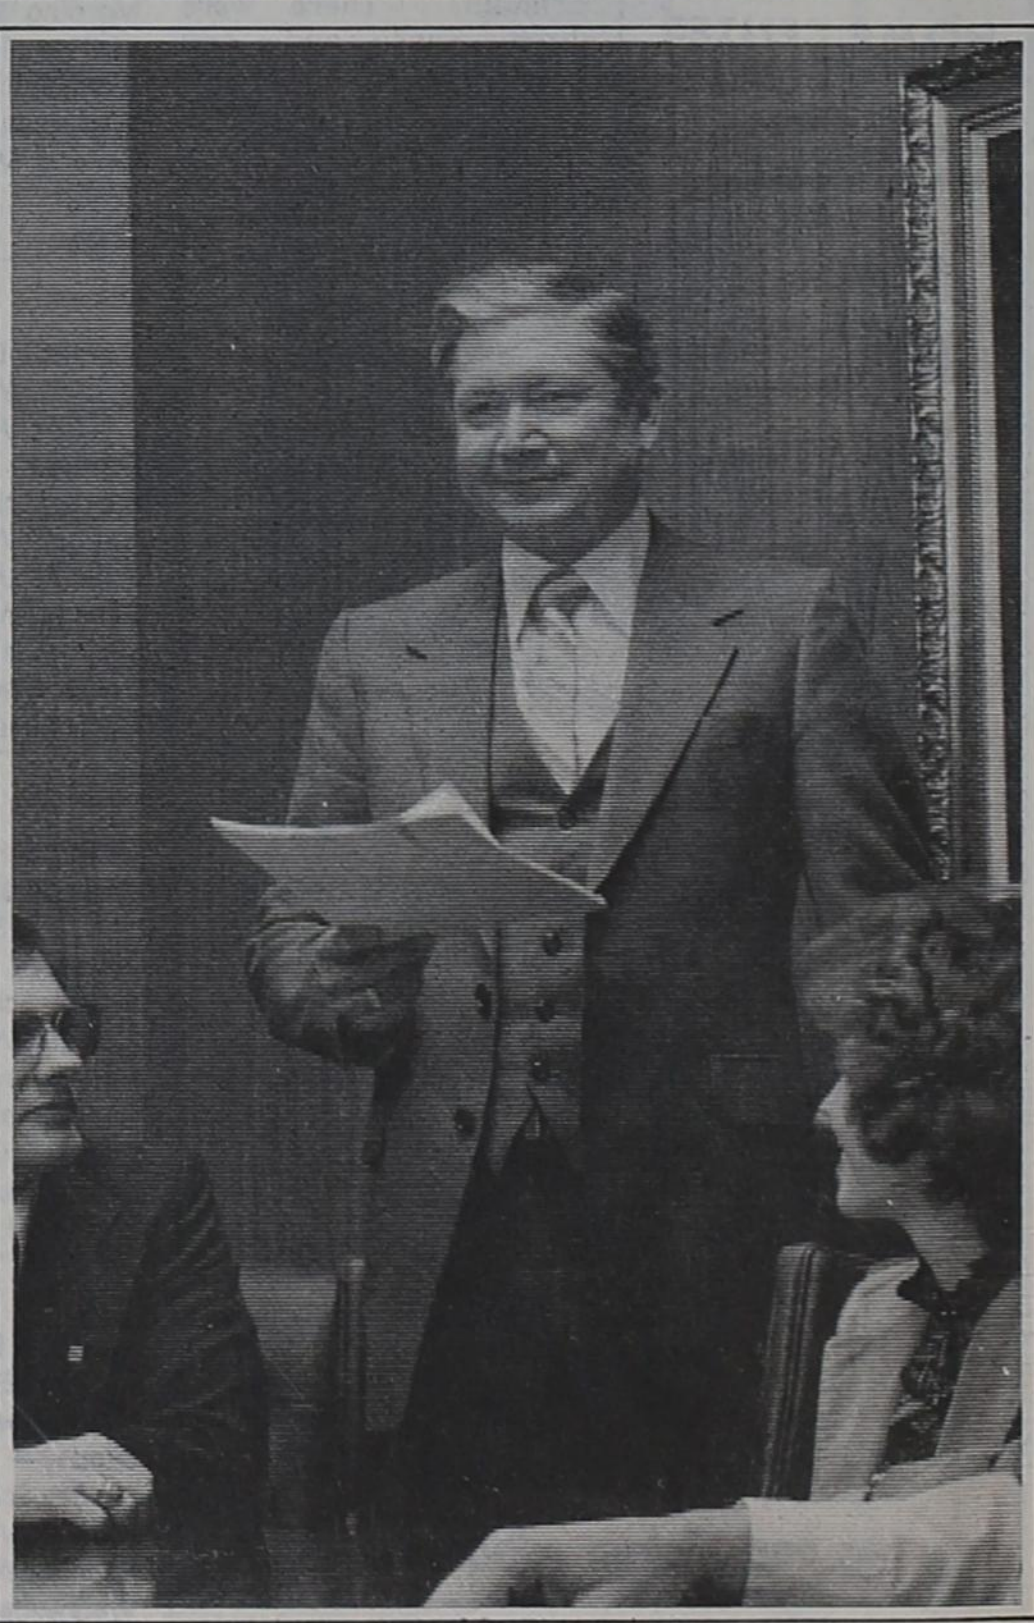

So, when you see an Energas man at a civic meeting or in your alley, you can be sure he's there for a good reason.

Energas people can do and want to.

"It's great to have the people of the Dimmitt office represent Energas. I am proud of the job they are doing and the spirit in which they are doing it."

Hottel is honored

Recently retired Castro County Extension Agent Charles Hottel was among 32 staff members of the Texas Agricultural Extension Service honored at a special luncheon Tuesday at Texas A&M University.

The staff members, who all retired during the past year, have a combined total of almost 850 years of service to the state of Texas.

The luncheon was sponsored by the Extension Service and the Alpha Zeta Chapter of Epsilon Sigma Phi, the national honorary Extension fraternity.

Each retiree received a special plaque from the County Judges and Commissioners Association of Texas, represented at the banquet by President Bernard Eads, Dallam County commissioner.

Retirees and their guests were recognized by Dr. Zerle L. Carpenter, Extension Service director. Emcee for the program was Doyle L. Moore, associate director of the Extension Service.

CERTIFICATE OF COMPLETION for an Agricultural Financial Management Seminar is awarded to Castro County Extension Agent Menzies McWilliams (right) by Richard L. Trimble, program chairman and economist-management of the Texas Agricultural Extension Service. McWilliams received the certificate for completing the week-long seminar, held Oct. 24-28. Forty selected

extension employees who counsel with farmers and ranchers on financial matters were invited to attend. Topics included financial statement development and analysis, making cash flow projections, investment analysis and forms of business organization. The seminar was put on with financial assistance from the G. Rollie White Charitable Trust.

Amstar reports 1984 first quarter results

Amstar Corporation reported that for the quarter ended Sept. 30, 1983, the first quarter of its fiscal year 1984, net sales and operating revenues were \$335,448,000 and net income was \$9,306,000, or 99 cents per share of common stock after provision for dividends on the preferred stock.

For the comparable quarter a year ago, net sales and operating revenues were \$298,994,000 and net income was \$1,832,000, or 17 cents per share after preferred stock dividends. In the quarter ended Sept. 30, 1982, there were non-recurring costs associated

with the suspension of operations at two facilities which reduced net income by about 46 cents per common share.

"In the first quarter of fiscal 1984 all of the Corporation's operations were profitable and its sweetener business, in particular, achieved improved results over those of the same period a year ago," said Howard B. Wentz, Jr., Chairman of the Board, President and Chief Executive Officer.

Farm groups want '3' to pass

State Rep. Leroy Wieting (D-Portland) recently announced the formation of a united statewide movement to push for the passage of Proposition 3 in the Tuesday election. The group is comprised of a broad cross section of the state's agricultural commodity producer groups.

The "Vote For 3 Committee" will be urging support for proposed Constitutional Amendment No. 3 which seeks to provide for the advancement of Texas food and fiber production and marketing through research, education and promotion financed solely by the producers of agricultural products.

Wieting, chairman of the Texas House Standing Committee on Agriculture, was elected chairman of the Vote For 3 Committee, as well.

"This will be an organized effort to inform the public and build grass roots support for passage of this important amendment," Wieting said. "We want to make sure that the general public understands that this is much more than a 'farm issue.' It is really a 'jobs amendment' that may well affect the rate of recovery from unemployment in the state," he stressed. "If passed, Proposition 3 will be a positive step toward helping create new jobs on both farms and towns and cities throughout Texas."

"Currently," Wieting pointed out, "40 percent of Texas' crop acres are idle for lack of adequate markets for farm products. To the extent that increased efficiency in

production, market research and market development activities are successfully carried out with the self-help funding provided by Proposition 3, these farm acres will be put back to use. This would help create new jobs, both on farms and in related processing, financing, transportation and marketing industries throughout the state."

Wieting, the veteran Dean of the House, said that the Texas Legislature saw the need for such a program and provided for commodity self-help programs as early as 1967, but a Texas Supreme Court decision in 1975 held that the legislatively established method of self-assessment was an "occupation tax," thus unconstitutional. Wieting said that Proposition 3 would provide the clarifying language necessary to remove any obstacles to producer self-help programs caused by that court decision.

The committee chairman pointed out that "passage of Proposition 3 would not change any provision of the Constitution, but simply add language that would activate legislation which would allow already existing Texas Commodity Producer Boards to decide whether to have a 'prior exemption' or 'refundable' self-assessment for promotion. In addition, any future commodity boards which might be established through a referendum process would also be required to indicate which process of assessment would be utilized."

Wieting went to some length to stress that there would be no cost to the state or the state's taxpayers to implement the provisions of the amendment. "This amendment will help establish a self-help program which will be funded exclusively by those who will benefit from it."

The proposed Constitutional Amendment was authorized by Senator Bill Sarpalius (D-Canyon), chairman of the Senate Natural Resources Subcommittee on Agriculture. In the House, the amendment was supported by Rep. Tom Uher (D-Bay City). The measure passed the Senate without a single dissenting vote and passed the House by a two-thirds majority.

Founding members of the Vote For 3 Committee (still open to other producer and related groups) are representatives from the Texas Wheat Producers Association, Texas Grain Sorghum Producers Association, Texas Corn Growers Association, Texas Soybean Association and Texas Beet Growers Association.

Job training is needed for vets

Employers may be eligible to receive up to \$10,000 from the government in exchange for training and hiring an eligible Vietnam Era or Korean Conflict veteran through the Emergency Veterans Job Training Act of 1983.

The program is limited to growth industries, occupations requiring technical skills or occupations where demand exceeds the supply of workers.

Employers must design a training program of at least six but no more than 15 months and must certify that they plan to hire the veteran upon completion of the training.

Adequate facilities for training must be available, wages and benefits must not be less than those normally paid, and training cannot be for a position for which the veteran already qualifies.

Reimbursement to employers will be 50 percent of the starting wage up to a

maximum of \$10,000 per veteran. Payments will be made at the end of each three-month period of training or can be monthly in the case of employers with fewer than 75 employees.

The first year of the program is set to be funded with \$150 million nationwide, with the money used on a first come-first served basis.

Prisoner seeks family

Dear Editor:

I was born in Dimmitt, but my parents moved away from there when I was small. My parents were killed in an automobile accident when I was 6, and I have lived in and out of foster homes until I was 15. I am in prison now and have never felt so all alone.

I believe some of my relatives may still live in or around Dimmitt. I was hoping you could find the kindness in your heart to publish my letter in your newspaper in hopes my relatives or someone who may know of them would read it and write to me. I would also like, very

much to correspond with anyone as a pen pal. I'm a lonely young white male, but loneliness picks on certain age or color, so if there is anyone who would like to share a smile from time to time, please write. All letters will be answered.

I must ask could you please enclose a stamp for I'm locked in a cell 24 hours a day with no way to get any.

Thank you, Editor, very much for your time.

Sincerely,
Eddie Blankenship

Baptists elect Vandiver, Ryan

Two Dimmitt residents were elected to major positions on Texas Baptist Boards during the annual meeting of the 2.2-million-member Baptist General Convention of Texas (BGCT) in Amarillo Nov. 1-3.

Elected to the Executive Board and also to the board of trustees of Wayland Baptist University was Charles M. Vandiver, dentist. The Executive Board, composed of laypersons and ordained church leaders, conducts the business of the BGCT between annual sessions.

Elected to the board of trustees of High Plains Baptist Hospital was

Robert G. Ryan, superintendent, Dimmitt ISD.

The BGCT owns and operates eight colleges and universities, an academy, eight hospitals, four children's homes and five homes for the aging.

This work is supported by the Convention's 4,700 churches and missions which will give more than \$50 million this year through the Cooperative Program, a unified effort for mission work at home and abroad.

Besides the institutions, the convention helps support the work of more than 6,000 missionaries in the United States and more than 100 foreign nations.

Food show is today

Mary Binderman will present a Festive Food Show at 10:30 a.m. today (Thursday) in the assembly room of the courthouse in Dimmitt.

Binderman, from Southwestern Public Service Co. will demonstrate how to make Christmas candy, breads, party appetizers and salads.

There is no charge, and those attending will receive a free cookbook and recipes. The public is invited.
