

Walter Rogers' WASHINGTON NEWSLETTER

POLITICS
By Walter Rogers.

The word "politic" is defined in Webster's New Collegiate Dictionary as "of or pertaining to civil government." It has also been defined as the science of government, the rules of conduct by which men must live. History records many attempts in this field of endeavor, none of which has been free of flaw. Throughout the ages, most of these attempts have resulted in dismal failure. It might be said that as a result of these dismal failures and in revolution against them, the Declaration of Independence and the Constitution of the United States were born. At the time of the creation of our great country, one of the leading political lights of England gave us a life expectancy of not more than 50 years. Others have predicted our disintegration from year to year, from decade to decade and from century to century. In a few years, this country, under the Constitution which has had relatively few amendments, will have survived for 200 years, and it is my prediction that the foreboding of doom, both of this generation and those of the past, will be as disappointed at the end of the 200 year period as each has been in the falsity of their own individual predictions. Man lives by challenge, and it can never be said that this country and our people have failed to have our fair share of challenges. With each, we have grown stronger. Today we are faced with perhaps our greatest challenge. It, too, will be met and dispensed with as have all others to the greater glory of our nation and our people. We must never lose faith in our own country, in our own people and in the philosophy of government written into our Constitution.

Much has been said in recent years as to the preachings and the doctrines of those who lived in the early days of our country and who fashioned many of the concepts

and the philosophies which have guided us through the years. Perhaps the two leading schools of thought were represented by two great Americans who saw eye to eye on many subjects, but who were in direct conflict on others. I speak of Thomas Jefferson and Alexander Hamilton. I thought it would be well to sum up in this newsletter a few of the beliefs of these great men as compiled by historians and presently documented in the history of this country.

On Political Philosophy, Jefferson believed in innate worth, rationality, ability and equality of men regardless of education or wealth, as being capable of self-government. Hamilton on the contrary did not believe in the masses and public opinion. He was a great admirer of hereditary monarchy and of the propertied classes.

On the question of minority rights and special interests, Jefferson vigorously defended the rights of the minority through proper application of a Bill of Rights. He placed great faith in the common people and vigorously opposed the entangling of estates and primogeniture. Hamilton is recorded as being little concerned with individual rights and subscribed to an aristocratic Senate to check popular assemblies.

Both men saw eye to eye on complete freedom of the press and its wide utilization.

On the general subject of government, Jefferson believed that union was essential to the safety and prosperity of the States; that government was necessary to prevent men from injuring each other, and the less government the better. He opposed government by an elite, wholeheartedly endorsed the proposition that it should be by and for the common people. Hamilton is reputed to have believed in a strong permanent union and a strong Federal central government to insure that union.

On the machinery of government Jefferson believed that the President should serve not more than two terms (you will remember that this is the 22 Amendment to the Constitution adopted in 1951). He believed in a complete separation of powers and a full application of the Bill of Rights by the judicial branch of the government as an essential means of safeguarding

of our country disintegrating.

Dear Fellow Texan:

For the nearly five years that I have been in the United States Senate as a representative of the people of Texas, you've been writing me asking how we would pay off the national debt, which is now about \$300 Billion; and I have given a good bit of thought to this question. But up until recently, I have not seen an answer that promised the paying off of this debt within the immediate future. But now, Fellow Texans, there is a way. Through the development of communications by use of space satellites, Hamilton subscribed to election of the President for life and election of Senators for life or good behavior. He believed that the power of judicial review should be exercised to declare void unconstitutional acts of State and Federal legislatures. (It might be remembered that it is this power fixed in the decision of Marbury vs. Madison by Chief Justice Marshall that is the present source of the tremendous power of the Supreme Court.) Hamilton also believed in high property qualifications for voting.

There are many other matters that are of great interest with relation to the thoughts of these two great Americans, and it would be well for those who are interested in our government to review the history of that era. It will be most revealing and will certainly point out the beginning of philosophies that were adopted after vigorous and bitter debate and argument in a country under a government of the people by the people and for the people. It will reassure everyone that if we will proceed in accordance with the dictates of the Constitution we need have no fear of our country disintegrating.

Community 4-H Club Histories

The Frio Jolly Workers Girls 4-H Club was organized in 1958 with six members. Through the years, we have lost members and gained new ones. At the present we have the same number that we began with. They are Dianna Adams, Jana Cole, Carol Robbins, Edlana Vinson, Sammie Ann Vinson, and Mary Ann Vogler.

In 1960, our club had a community project in which we took samples of water to be tested. We are planning a fire prevention project for this year.

Our club has had many interesting programs such as family manners, nutrition, visit from a foreign exchange student, fire prevention, and good grooming.

Our club has had almost 100 percent participation in all county events. In most of the events, we have won top honors.

Our club officers are: President Carol Robbins, Vice president — Mary Ann Vogler, Secretary — reporter, Edlana Vinson, Council Delegate—Jana Cole, Song Leaders—Sammie Ann Vinson and Dianna Adams.

We have 2 foods groups. The leaders are Mrs. Frank Robbins and Mrs. Edgar Vinson.

Our clothing leaders are Mrs. Clark Andrews and Mrs. E. F. Vogler.

Our organization leader is Mrs. Floyd Cole.

We are planning two money management groups.

During our 3 years in 4-H, we have had troubles and mishaps but have thoroughly enjoyed learning and working together.

By Mrs. Edd McLeroy
On September 19, 1961 seventeen enthusiastic young girls from 9-11 years of age and twelve interested parents met in the community room of the courthouse in Dimmitt. As a result of this meeting the Dimmitt Go-Getters 4-H Club was organized.

At present this club has 21 members and the young ladies serving as officers are: President, Debra Summers; Vice president, Nancy Howard; Sec-Treas., Marilyn McLeroy; Reporter, Susan Benson; and Council delegate, Cecilia Vandiver. Other members are: Janice Annen, Ruth Dyer, Shelly George, Kathy Griffin, Keri Kirkpatrick Suzanne Merritt, Jackie Schaeffer, Vicki Vaughan, Delores Wilke, Kay Willis, Poppy Byrnes, Kathy Markley, Becky Sanders, Kay Wood, Deborah Wilson, and Nell Wood.

Parents serving as leaders are as follows: Mrs. Edd McLeroy and Mrs. J. W. Benson, Organization Leaders; Mrs. Cecil Vandiver, Mrs. Stanley Schaeffer, Mrs. G.L. Willis, and Mrs. Charles Vaughan, Foods Leaders; Mrs. Bill Summers, Mrs. Noble Howard, Mrs. Hugh Evans and Mrs. Bud Griffin, Clothing Leaders.

Members of this club were very active in the recent Junior Fat Stock and Project Show held in Dimmitt Feb. 1-2-3, 1962. Fourteen members entered the Bake Show and won 1 rosette, 11 blue ribbons, 12 red ribbons, 3 white ribbons and 1 yellow ribbon. This club also assisted with the 4-H Food booth by selling coffee and cakes to participants and spectators.

Lawrence Hagy Heads Drive For Palo Duro Theatre

The appointment of Lawrence Hagy as Chairman of the Development Committee for the symphonic drama campaign has been announced by Wales Madden, General Chairman of the campaign.

The drama, based on the history of the Texas Panhandle, is planned for the Palo Duro Canyon where an open air theater will be built for the purpose.

Hagy said, "Symphonic drama provides a means for us to preserve our great heritage here in the Panhandle in a most unique and thrilling way. Thousands of Additional tourists will be lured to our area. Rewarding benefits from both an economic and cultural standpoint will surely result."

The Texas Panhandle Heritage Foundation Development, sponsoring the symphonic drama drive, was established to "recapture, re-create, and preserve the history of the Panhandle by presentation of symphonic drama in a permanent theater in Palo Duro Canyon".

Paul Green, noted playwright and essayist and originator of symphonic drama will write the script for the story of the history of the Panhandle. Symphonic drama marks the first major step in the development of the area arts by the Amarillo Area Foundation.

Hagy, a long-time civic leader, independent oil man and cattleman, has headed many local civic drives since he came to Amarillo in 1923. He is a past director of the Amarillo Chamber of Commerce, past mayor of Amarillo, and past pres. of the Panhandle Producers and Royalty Owners Association. He is currently a Director of the Amarillo Area Foundation, and past director of the Amarillo United Fund, the Amarillo Country Club and the Amarillo Club.

He served in WW II and was discharged with the rank of Lt. Colonel. In 1945 he received the Legion of Merit.

The symphonic drama campaign goal is \$350,000. The money will be used to build the amphitheater in the Canyon and to pay the operating expenses for the first year.

Keep your fears to yourself, but share your courage with others.

Civility costs nothing, and buys everything.

Herington-Waggoner Wedding Vows Exchanged in Bride's Home

Miss Judy Herington, daughter of Mr. and Mrs. Garry Herington, and Winston Waggoner of Dimmitt, were married in a double ring ceremony Saturday, March 9, at 6 p.m. in the home of the bride's parents.

L.L. Jennings, minister of the Church of Christ at Melrose, and uncle of the bride, performed the ceremony. Vows were exchanged before a cathedral arch centered with a basket of pink roses. On either side were tapered candelabras flanked by palms.

John Herington, brother of the bride, lighted the candles.

Miss Janice Sikes from ENMU in Portales was soloist for the occasion singing "The Wedding March," and "I Love You Truly," preceding the ceremony.

Best man was Erwin Young of Lubbock, classmate and close friend of the groom.

Miss Dianna Henson of Cotton Center served her cousin as maid of honor. With her dress of mauve color, styled similar to the bride's she wore white gloves and carried pink rosebuds.

The bride was lovely in a dress of white imported bridal satin styled with a scooped neckline and three quarter length sleeves. Appliques of chantilly lace adorned the ballerina length skirt. Her elbow length veil was attached to a Juliet crown of seed pearls and lace. White shoes and gloves completed her attire.

Carrying out bridal tradition she wore a pearl ring of her paternal grandmother, as something old, a pearl necklace gift of the groom, was something new, the veil was borrowed from Mrs. Duane Herington and a blue garter, gift of Mrs. James McDorman, was something blue. She carried a bridal bouquet of white miniature roses with white lily of the valley.

The reception table was laid with a white cutwork cloth and centered with the wedding cake decorated with pink roses and love birds and topped by a miniature bride and groom. A vase of miniature pink roses completed table decorations.

The couple cut the cake with a sterling silver server given them by Martha and Mary Coffey.

The couple left immediately after the ceremony for a wedding trip to Ruidoso after which they will be at home at 1900-9th St. in Lubbock.

For traveling Mrs. Waggoner wore a beige sheath dress with beige accessories.

The bride is a 1960 graduate of Farwell High School and had been a student at Lubbock Christian College until January. She is employed at Hemphill-Wells in Lubbock as a secretary.

The groom is a 1957 graduate of Dimmitt High School and is currently a senior at Tech in Lubbock.

Presbytery Installs Rev. Burr Morris As Pastor Here

The Rev. Arthur Burr Morris was installed by the Plains Presbytery as pastor of the local Presbyterian Church last Thursday evening at the Methodist Church.

As moderator of the presbytery, the Rev. James G. Glenn of Borger asked the constitutional questions of the pastor and the congregation. The Rev. C. M. Schindler of Lubbock read the scripture, Ephesians 4:1-16, and offered the prayer.

Preacher for the evening was Dr. William E. Everheart of Amarillo.

The charge to the pastor was given by the Rev. Richard Avery of Memphis. Charging the congregation was the task of the Rev. Lewis Koerselman Sr. of Tulia, who had been moderator of the Session of the local church while it was without a pastor.

Benediction was pronounced by the new pastor, the Rev. Mr. Morris at the close of the service.

Mrs. Elton Singer was pianist for the service.

The congregation and guests enjoyed a fellowship hour with refreshments in the Community room of the First State Bank following the service. Ladies of the church served the refreshments.

Out-of-town guests other than participants in the service included the Rev. and Mrs. Finis Hodges of Muleshoe, The Rev. Clarence Wylie of Lubbock, Mr. and Mrs. Bill Leslie and Celia, Mrs. Brode Hoover, Mr. O. V. Alexander, all of Memphis, Mrs. Everheart of Amarillo, Mrs. Koerselman of Tulia and Mrs. Glenn of Borger.

A dinner before the service was served at the Presbyterian Manse on Western Circle Drive. Guests were the out-of-town people and Mr. and Mrs. Joe Cowen of Dimmitt, Mr. Cowen is Clerk of Session of the local church.

VISIT N WAXAHACHIE

Mr. and Mrs. Bill Kitchens and their daughter, Mrs. Doris Portwood and Karen left Friday to visit another daughter Miss Billie Kitchens in Waxahachie. They all spent Saturday in Dallas and returned on Monday.

Dimmitt High School Students went all out Monday to elect their candidates to the Student Senate presidency with such antics as these before the student body. Not only do they learn the fundamentals of elective democracy through the formal election proceedings, they also learn something about the informal antics used universally to get candidates elected. Named president after the smoke cleared was Mike Burkett.

Bethel Only County Community Entered In State Contest

Judging will begin next month in Texas fourteen extension districts to determine district winners in the 1961-62 Texas Community Improvement Program.

The only community entered this year is Bethel. The community has had several work days spent in cleaning up, painting, and generally sprucing up their community building some eight miles west of Dimmitt. Ordinarily there are two or three entrants from the county. In the past, county communities have done fairly well, with Sunnyside at one time winning a first place.

Eight communities in the state will be named as outstanding in each of the districts. The first place district winners will then be considered by the state judging committee in their determination of the top three communities in the state.

268 rural communities have signed up from over the state. There are about 10,000 families in these communities and the judging will be conducted by district extension agents. The announcement of the "Most Progressive Rural Community in Texas" will be made in May.

Purpose of the contest is to make rural communities better places in which to live, with particular emphasis on increasing and managing income; increasing the opportunities for social activities; improving the farm and home, and improving health conditions and services.

Awards for the winning communities are provided by the electric utility companies operating in Texas. The program is sponsored by the Texas Agricultural Extension Service in cooperation with these same companies.

GOES TO WASHINGTON D.C.

Miss Charlotte Hestand, daughter of Mr. and Mrs. Charles Hestand of Dimmitt is in Washington D. C. where she is employed in an art studio. Since her arrival there she has visited with her friends, Mrs. Dickey Warren, the former Pat Brock of Dimmitt.

hospital Saturday morning. Mr. and Mrs. Hubert Edwards were in Muleshoe Sunday afternoon where they visited Mr. and Mrs. Hugh Wingo.

Mr. and Mrs. Glenn Stiles of Big Square visited Mr. and Mrs. Earl Lust Friday afternoon.

Heavy wet snow fell over most of the community early Saturday morning, followed by intermittent rain during much of the day. The rain was not much more than drizzle, but moisture amounts of ½ inch or more have been reported.

Bethel Prepares for Community Contests

Fourteen persons the first day and twenty the second participated in the clean-up, fix-up days at the Bethel Community Center on March 13th and 26th. The big push was to prepare the community centers and grounds for the Community Improvement Program sponsored by the Extension Service of A. & M College and the electric utility companies operating in Texas.

A covered dish luncheon was enjoyed each of the work days and officers of the community organization have thanked all who helped. Biggest part of the job was repainting the center.

Mrs. Dilmond Neumayer visited her daughter, Mrs. Leon Crum in Dallas last week end.

A Message From CARROL WEBB To The VOTERS OF DIMMITT

I have previously announced my candidacy for City Commissioner of Dimmitt in the April 3, 1962 election. I am earnestly seeking election to this office.

I am 35 years old, married, and have two children and own my own home at 615 NW 7th street. I have lived in Dimmitt for about 6 years, and am a partnership owner of Farmers Supply Company in Dimmitt. I am a member of the Church of Christ, 4th & Bedford and teach the 4th grade children Sunday School class. I am interested in the youth of our city and work in the Scouting program on the executive board.

During World War II I served with the Navy from 1943 to 1946, serving 2 years in the South Pacific, and was recalled to active naval duty for service in the Korean conflict from 1950-1952, holding the rank of 2nd class Boat-swains mate.

As a tax payer and businessman I am vitally interested in the development and promotion of Dimmitt. I feel that the office of city commissioner is a vital link in Dimmitt's Development and that this office should be filled by people who have the ability and the desire to serve in this office.

I have been interested in good city government for many years, in my former place of residence, Stanford, Texas and in Dimmitt since establishing residence here.

Although I have not served in any city elected office in Dimmitt, I feel my experiences in military service, business, and various organizations have given me a background for this office.

If elected I will try to serve the citizens of Dimmitt by giving careful consideration to the city problems that will arise during my administration.

I will appreciate your vote and influence.

Sincerely yours,
Carrol Webb

Helpful hints from club members: If you have odd nylon stockings of different colors, buy a package of color remover. Follow instructions on package to remove the color in the hose. Then buy a package of stocking dye and dye the hose the color you desire.

Save your old Lamp shades. Use them around small rosebushes and other small out-door plants that are just starting to grow. Remove the covering of the shade and use the wire frame as protection.

To laundry pigskin gloves, add a few drops of olive oil to the rinsing water, they will be much softer.

About Your HEALTH

A weekly public service feature from HENRY A. BELLE, D.D.S., Consultant of Health.

The teeth of Americans contain at least one billion cavities, each a potential source of toothache, dental authorities now estimate. They say tooth decay is so widespread that it involves 95 of every 100 persons and is still increasing.

A virtually incurable chronic disease which must be prevented if it is to be conquered at all, tooth decay is a particular nemesis of elementary school-age youngsters although all ages are vulnerable to its ravaging pain.

Children are said to develop cavities at about the same ratio as do adults—approximately one per child per year. But scholarly surveys show that whereas one-third of the adult need for fillings is being met, only one-fifth of the cavities in children's teeth are being repaired.

The reason, Texas Health Department dental officials speculate is that so many parents still cling to the totally false notion that so-called "baby teeth" are unimportant because they are temporary. The frequent result is that good dental health for children is still a relatively scarce commodity.

In an attempt to reverse the

trend toward almost universally poor dental health among youngsters—particularly in underprivileged homes—the dental division of the Texas State Department of Health gives financial and educational support to dental clinics in selected local health departments around the State.

The addition of fluoride in carefully controlled amounts of public water supplies is known by dental researchers to be an efficient deterrent to dental decay. The State Board of Health at a recent meeting reaffirmed its belief that fluoridation is safe and effective, and recommended that local communities consider the practice wherever applicable and practicable.

There is one positive step all parents can take to avoid the fate of toothlessness among their children, dental scientists agree. It's a simple step, requiring only that youngsters be taken to a dentist for tooth and gum inspection before being enrolled in school each fall.

Before the visit is over, the dentist will have tutored the youngster in good dental hygiene at home, hoping the habits will take hold and last into adulthood.

When enough children have received such instruction, and make it a part of their daily lives, the blight of tooth decay may slowly fade from the American scene.

Exchange Student To Speak Before Christian Church

Gary Huntingford, exchange student in Dimmitt High School from Australia, will be the guest speaker at the 10:50 a.m. Sunday morning worship service at First Christian church, March 31. Young people of the area are especially invited to attend.

Mrs. B. Campbell of Earth, Texas, will be presented at the regular 6:00 p.m. service in the absence of Minister Bedford W. Smith to give Jesus' famous "sermon on the Mount" from memory.

Minister and Mrs. Bedford W. Smith will be absent over the weekend to read for wedding of their son, Bedford David Smith to Miss Dixie Lee Carlin of Bucklin, Kansas on Saturday evening. Minister Smith will read the wedding rites for his son and bride, both of whom were honor students at Bucklin High School when they graduated there in May of 1959. David was the top student of his class. He is a Junior ministerial student at Midwest Christian College in Oklahoma City, was president of the Sophomore Class last year and Captain of the College Basketball Team both last year and this. Miss Carlin is an honor graduate of Dodge City Junior College and has completed half her Junior year at Southwestern University at Winfield, Kansas. She was the Home Coming College Queen at Dodge City College her Senior year.

Mr. Smith will preach at the First Christian Church in Bucklin Sunday morning and be guests in the home of Minister Paul Manning there while away from Dimmitt. The Smiths will be accompanied to Bucklin by Mrs. Smith's parents, Mr. and Mrs. L. W. Graham of Knox City, and by their daughter and family, the Samuel R. Kobles and little daughter, Carra Lou, house guests of the Smiths this week. The Smiths will return to Dimmitt Sunday evening.

First Christian Church members here this week enjoyed the fellowship hour Wednesday evening with sandwiches and pie. The Board will meet next Wednesday to consider further plans for their property improvement. The property at the end of W. Grant on Circle Drive was dedicated free of indebtedness on March 11th.

RETURNS FROM COLORADO

Mrs. David Rettman returned Monday from Colorado Springs, Colorado where her husband has been in basic and special military training for the past several weeks. Mrs. Rettman is visiting her parents, Mr. and Mrs. Fred Waggoner while her husband is being transferred to Virginia where she will join him later. Rettman is the son of Mr. C. A. Rettman of Hereford.

holm, Sweden, Copenhagen, Denmark, London, England, and Helsinki, Finland. He had the opportunity to speak to a Communist Youth Group in behalf of Christianity and democracy in Moscow where he engaged in a question and answer session with leading communist youth. He was allowed to hold a week long Christian mission behind the iron curtain on the Russian occupied island of Barnholm, probably the only such meeting of its kind. In addition to holding conferences with many Soviet youth leaders, he was allowed to meet Khrushchev in the Kremlin.

In 1959, Dr. Kerr was a delegate to the International Youth Conference in Stuttgart, Germany, where youth leaders of 16 nations participated, and is currently chairman of the Texas Committee for the White House Conference on Children and Youth.

In the United States, he has conducted successful city-wide youth rallies in Houston, Baltimore and Washington, D.C., and has served as the speaker of several state and nationwide groups. He was vice chairman of the Texas Training School Code Commission which made an extensive study of delinquency and is author of the book, "Child by Child We Build a Nation" which resulted in the enactment by the Legislature in establishing the State Youth Development Council.

A native of Abilene, he graduated from Hardin-Simmons University there and then entered the School of Law at the University of Texas. For a time he practices law in Lufkin. His last legal work was on the Governor of Texas' legal staff before entering the ministry.

He has held pastorates at the University Methodist Church, Austin; Robstown Larger Parish; Central Methodist Church, Austin; and First Methodist Church, Kerrville. Schools participating in the American Heritage studies program are Abernathy, Cotton Center, Dimmitt, Hale Center, Hart, Kress, Lockney, Olton, Petersburg, Plainview, and Tulla.

The wedding will be May 2 in the Holy Family Catholic Church of Nazareth.

Public Invited To Look Up Family History

Anyone who would like to look up their family history will have an opportunity to do so at a genealogical workshop in Amarillo.

The workshop for beginners will be held at the Mary E. Bivins Library, 10th & Polk, Amarillo, Saturday, April 7th from one until nine p.m. According to Amarillo Genealogical Society president Mrs. Forrest B. Doshier, there will be competent people on hand to help. It will be sponsored by the society.

"Most Texans have family lines that were well established in this country prior to the American Revolution," Mrs. Doshier said. "The Genealogy Room of the Mary E. Bivins Library has many books, family publications, and the old

Local Youths To Hear Talks On American Heritage

Plainview, A Texas youth crusader, Dr. Walter Kerr, will be guest speaker for the annual Plains American Heritage banquet in Plainview April 10, according to an announcement by Dr. John G. Chapman, head of the history department at Wayland Baptist College and director of the program.

Approximately 300 faculty and parents are expected to attend the event when the winners of essay, poster and project contests from each school in the 11 participating area cities, including Dimmitt and Hart, are given awards as a climax of the year's emphasis on Americanism. The program is coordinated by Wayland College.

Dr. Kerr, who turned from law practice to the Methodist ministry is founder of the Walter Kerr Youth Crusade with international headquarters in Tyler. He is also active on behalf of youth in several other capacities.

Last year he carried on a crusade in South Korea to help set in motion a youth movement which he hopes will prepare young people there for free elections. In South Korea he spoke at all the country's principal colleges and countless high schools. He addressed 40,000 South Korean youths averaging five talks a day during his two-week stay.

He was recently asked to head the Tokyo Olympic Organizing Committee to help spread goodwill and understanding among athletes participating in the 1964 Olympics there.

The active Texan, who was interested in opera in his college days and a professional performer for the theater and radio one year in New York, has also been invited to speak at mass youth rallies in such cities as Oslo, Norway, Stockholm, Sweden, Copenhagen, Denmark, London, England, and Helsinki, Finland. He had the opportunity to speak to a Communist Youth Group in behalf of Christianity and democracy in Moscow where he engaged in a question and answer session with leading communist youth. He was allowed to hold a week long Christian mission behind the iron curtain on the Russian occupied island of Barnholm, probably the only such meeting of its kind. Jumbo Community 4-H Club History

By Mrs. Bill Simpson
In January, 1962 interest was revived in a community 4-H club in Jumbo. The Extension Agents, Mrs. Stringer and Mr. Hottel, met with the interested group at the Bill Simpson home.

The club was reorganized as Lucky Jumbo Community 4-H club and officers elected were: President, Lou Ann Witkowski; Vice president, Carolyn Simpson; Council Delegate, Mickey Simpson; Reporter, Betsy Simpson; Song leader, Jane Witkowski and Patty Simpson; Recreation leader, Gerald Witkowski, Rita Sue Witkowski is a Junior leader.

Organization leaders are Mrs. Leo Witkowski and M. L. Simpson, Jr. Foods leader is Mrs. Bill Simpson, Safety leader, Leo Witkowski, and Livestock leader, Bill Simpson. A Project show in February, Lucky Jumbo garnered 9 blue ribbons, 7 red ribbons in girls events and Gerald Witkowski won 2nd and 4th with his two beef calves.

The first Jumbo 4-H Club was organized in September of 1953. It was an all girl club called the Willing Workers. The roll was composed of Joyce Stevens, Nancy Axe, Vicki Axe, Judy Glenn, Beth Moore, Carolyn Simpson, Patty Simpson, & Betsy Simpson. Mrs. Odle Moore, served as bedroom leader and Mrs. Steve Glenn and Mrs. M. L. Simpson, Jr. served as foods leaders. Mrs. Joe Connell and Mrs. Dean Barden served as clothing leaders. Mona Dell Hunter served as Junior leader.

On May 4, 1959 a group of interested youngsters and parents met with Mrs. Stringer and Mr. Hottel and the Lucky Jumbo Community Club became a reality. Officers were: President, Mona Dell Hunter; Vice President, Jim Axe; Sec., Betsy Simpson; Treasurer, Jerry Anderson; Reporter, Nancy Axe; and Council Delegate, Kent Glenn. Mr. and Mrs. Bill Simpson were organization leaders.

Lucky Jumbo was represented 100 per cent in the County Elimination, Bake Show and Dress Revue, 100 per cent of the girls in the Project Show. We had good representation at the other events. Our club won a set of 4-H and U.S. flags at the project show for having a high percentage of members to enter pictures of their 4-H member signs. During the year our 4-Her's won 3 rosettes, 29 blue ribbons, 21 red ribbons, 14 white ribbons, and 9 medals. With a roll of 16 and 7 events this tells its own tale. Judy Glenn and Carolyn Simpson won first in County and District with a Jr. team demonstration on vegetable preparation. LaQuita and Rita Anderson won first in county with a Junior team demonstration on Dairy Foods, but

were unable to compete in District because of an age factor.

Our outstanding 4-H member for 1959 was Mona Dell Hunter. Besides being our president, she and Rita Witkowski of Nazareth won county, district and 2nd in State with a Senior team demonstration on safety. Mona Dell also served as vice chairman of county 4-H council. She also completed several result demonstrations during the year; gardening, canning, freezing, foods, and clothing.

In 1960 Lucky Jumbo compiled another enviable record. Mickey Simpson applied for and got a gilt and boar pig under the Sears program. He won first and Reserve Champion at the County fair with the boar. In Amarillo at the Tri-State Fair he placed 6th. Betsy and Patty Simpson won county elimination with a Junior team demonstration on vegetable preparation. They entered district, 14 members won 11 medals, numerous ribbons in almost 100 per cent entrance in 7 county events.

At county awards night in November - Mona Dell Hunter was recognized as Gold Star girl and Patty and Carolyn Simpson received silver trays for outstanding achievements. Club was awarded certificate.

With the new interest I'm sure the Lucky Jumbo Club can and will accomplish big things in coming years.
