Nazareth Drama Wins District 4-B

Nazareth High School dramatists walked away with top honors in the District 4-B play presentations at Kress on March 16. Miss Linda Hindman and Ted Conrad were selected on the all-tournament play cast. Title of their district-winning play was "The Old Lady Shows Her Medals." Scene of the performance was London, England, during World War II. It was about a group of scrubwomen who all had sons in the Army—all, that is, except one. She had no son but had been writing to a young man in the British Army and sending him small presents all along. She had used a title of nobility since the young man did not know her. The soldier received a leave and came to see her and during his stay became quite fond of the old woman after being cool toward her at first. It was generally accepted by the other scrubwomen that the boy was really her son instead of an orphan as he actually was. This idea was carried through the program as the young man went back to the army, devoted to the old woman. At the end of the play he was killed in action and his medals sent to her. The play was filled with pathos, some humor, and much human interest.

School Board Election Saturday

Mr. J. G. Davis, Jr. and Mr. Jim Elder have filed as candidates for the Dimmitt Public School Board. These two men have as their opponents Mr. Delmond Neumeyer and Mr. Ivor Bagwell, present members of the school board whose terms expire this year. They are running for re-election. Balloting for the election will be Saturday in the old Home Economics Room at Dimmitt High School. Polls will open at 8 a. m. and close at 7 p. m.

Hart 4-H Tractor Program Underway

The Hart 4-H tractor maintenance group number three have had some interesting lessons and demonstrations. Each student has given several demonstrations. Some of the demonstrations were as follows: "How to Crank a Tractor" by Doyle Jennings; "How to Fill and Use a Grease Gun" given by Jack Sharp; "How to Clean an Air Cleaner" by Gary Davis; "Greasing a Roller Bearing" by Kenneth Jennings; "Showing and Telling the Difference in Weight of Oil" given by Mary Teach; and "What Makes an Engine Run" by Carolyn Davis. The 4-H meetings are held at the Taack farm. Roy Taack is the 4-H leader for this group. Refreshments are served and enjoyed by all.

Brothers Reunited After 24 Years

Mr. and Mrs. P. M. Adams and son, Elza, and Edd Newton recently returned from a visit in San Diego, Calif. While there they visited with Grant Adams, a brother of Mr. Adams, who is seriously ill. It was the first time the two brothers had seen each other in 24 years. Blake, son of Mr. and Mrs. R. C. Adams, and David, son of Mr. and Mrs. Elza Adams, had completed boot training and returned home with them for a few days visit before returning to duty. They had been stationed in San Diego.

Hospital News

Fowler, Florentio Pineda, Alfonso Armos, Candelario Rivera. **PATIENTS DISMISSED FROM THE HOSPITAL:** Mrs. Sid Taylor, Baby Girl Sandoval, Billy Mack Gafford, Mrs. E. B. Noble, Mrs. Frank Allen, Katherine Vardell and baby girl, Joe Lee Alder, Karer Sue Book, Gary Winkle.

Ed. Note—This is the first installment of a new feature in the News, a weekly livestock market report. Information contained herein is furnished by the Federal-State Market News Service of Amarillo and written by livestock reporter Darryl W. Vanderflugt. The feature may not necessarily be on page one (each week.) Approximately 8,000 cattle and calves sold at the Amarillo Livestock Auction sale during the three days selling this week. This was in increase of around 1,400 head over the previous week and was the largest receipts since mid-November. Stocker and feeder yearlings comprised the major portion of supplies, calves under 400 pounds were very limited as were cow and calf pairs. Slaughter yearlings and calves were in light supply and sold steady to 25 cents higher. Canner and cutter cows sold weak to mostly 50 cents lower, beef grades fully steady. Bulls scarce, fully 50 cents to \$1.00 lower. Stocker and feeder classes met with considerably less active trading than last week and prices dropped full 50 cents below a week ago with some sales reflecting \$1.00 declines from best prices. Fed cattle prices at most major centers made advances of 50 cents to as much as \$1.00 on choice grades the first two days this week, largely due to lighter receipts. Chicago dressed beef prices advanced about 50 cents, however New York failed to respond.

STOCKER & FEEDER CATTLE
Good and Choice Quality
Str. Calves under 400 lbs.—\$17.00-22.00
Str. Calves & Ylgs. 450-650 lbs.—16.50-20.00
Feeder steers 650-900 lbs.—14.50-17.50
Heifer calves under 400 lbs.—15.30-18.00
Heifer Yearlings 450-650 lbs.—14.00-16.75
Med. & Gd. Stocker Cows—9.00-12.00
Cow & Calf pairs—9.00-14.50
SLAUGHTER CATTLE
Calves & Yearlings
Good & Choice—16.25-19.00
Commercial—13.00-16.25
Cows, Util. & Commercial—10.50-13.00
Cows, Canner & Cutter—8.00-10.25

May 1 Deadline For Grain Contest

Castro County 4-H boys have until May 1 to submit their entries in the Grain Sorghum contest to the County Agent's office. Prizes in the program include a \$100 bond to first place winner, \$50 bond for second place and \$25 for third. Trophies and medals will be awarded to those finishing the program. Piloting the grain sorghum program this year will be Woodrow Nelson and Otto Dinwiddie of Hart. Winners will be selected on a basis of 80 percent for production, and twenty percent on records kept. Two to five acres of any variety except hybrids may be planted and entered.

Vacation Bible School Clinic Is Scheduled

A vacation Bible School clinic for the Tierra Blanca Association will be held at the First Baptist Church, Dimmitt, April 5, 1956. The clinic will start promptly at 10 o'clock. The inspirational message will be given by Rev. E. J. Keith of Arwell. A sack lunch will be served at the noon hour. The closing session will be at 3 o'clock. Anyone who is interested in Vacation Bible School work is invited to attend the clinic.

Pvt. R. J. Hoelting Arrives in Korea

7th Div. Korea Army Pvt. Richard J. Hoelting, son of Mr. and Mrs. Frank G. Hoelting, Rt. 1, Nazareth, recently arrived in Korea and is now a member of the 7th Infantry Division. Continuing its training, the "Bayonet" division is the only U. S. Army division that has remained in Korea since the cease-fire. An ammunition specialist in Company E of the division's 17th Regiment, Hoelting entered the Army last September and completed basic training at Fort Ord, Calif.

Nazareth Seniors To Sponsor Dance

Nazareth Senior Class will sponsor a dance at the Community Hall April 12 beginning at 9 p. m. The Bohemian Orchestra of Seymour will furnish music for the occasion. Admission will be \$1 per person. Everyone is invited.

Easter Egg Hunt Sunday at 3

LIVESTOCK MARKET REPORT

What is probably the largest Easter egg hunt ever staged in Dimmitt will be held Sunday afternoon beginning at 3 o'clock at the new park site in the south part of town. Present plans call for about 1,600 eggs to be hidden for the age groups: up to and including four years of age; five and six years; and seven and eight years. Each section will be roped off and instructions will be given by a loud speaker. The hunt is open to all children in this area and is sponsored by the Dimmitt Junior Chamber of Commerce. The JayCees will be on hand to make arrangements and to see that everything runs smoothly. Prizes will be awarded winners at the close of the hunt. This will be the first official project by the JayCees in Dimmitt. All children attending the Easter Egg hunt are urged to bring baskets or sacks for gathering the eggs. Rules for the hunt will be announced by loud speaker prior to starting time.

School Board Hires Two New Coaches

Two new coaches for Dimmitt High School athletic teams were selected Tuesday night at a special called meeting of the School Board. J. D. Covington, presently of West Texas State College, will be head football and track coach and John Ethridge of Sundown as head basketball coach and assistant football and track coach. These men will replace the present coach, Leo Fields. Mr. Covington is at present a graduate student at West Texas State College and is scheduled to receive his master's degree this summer. He was on the varsity team there for three years and was a member of the 1950 record team that played in the Sun Bowl. A 175-pound guard, he was selected on the all-conference team that year. He was coach and teacher at Borger Junior High for one year prior to entering the Navy in 1952, where he served for three years. He is 27 years old, married, and the father of two daughters. His wife is also a student at West Texas State. They will move to Dimmitt in August, but Mr. Covington is expected to visit Dimmitt High School from time to time to get acquainted. He was selected from a field of fourteen applicants for the position. Mr. Ethridge is a graduate of Sundown High School and while there lettered in both football and basketball and won state in the half-mile run. He attended Texas Christian University in Fort Worth on a track scholarship. While there he began playing basketball as a sophomore and during his senior year was voted the most valuable basketball player in the Southwest Conference. He received his bachelor's degree in 1952 and will receive his master's degree from Boston University this summer. He has an outstanding scholastic record and had half a year of successful coaching at Demmon, Texas, before entering the armed services. He was selected from a field of six applicants. The school board meeting Tuesday night also saw the extension of the contract of Mr. Alvis Fuquay, assistant coach and math and history teacher at Dimmitt High School. He has been assistant coach at the school for the past four years. These men will have teaching duties to perform along with coaching. This year will be the first time a separate coach for football and basketball has been hired. There will be no football spring training, instead workouts will begin August 15.

Water Fight Starts In Bailey County

Citizens of Muleshoe and Bailey County are trying desperately to keep the City of Lubbock from tapping 53,000 acres of their land for water. Lubbock has gained water rights to this land but their move to increase their water supply is being fought by Bailey County on the grounds it will quickly deplete their underground irrigation water supply. The project, under discussion by Lubbock for several years and originally planned to be started about 1970, has been put on the "immediate action list" by the city, which plans to spend an estimated six million dollars to lay a pipeline from Lubbock to Bailey County sandhills area to utilize the underground water. "If Lubbock is permitted to carry out its plans for underground water of Bailey County, it will not only make a complete desert out of the 53,000 acres already under its control, but will destroy a major portion of the underground water supplies not only in Bailey County, but of the surrounding counties, and will actually drain much of the water now eventually finding its way to present wells on the outskirts of Lubbock," said Dr. L. T. Green, president of the Bi-State Water Commission which organized to combat Lubbock's move for Bailey County water. "From a strictly legal standpoint, on the basis of cases already decided in the state, present laws don't offer us much chance of protection from this destruction of our property," Jack Young, Muleshoe attorney and manager of the Commission said. "This exact situation has never been brought to our courts before, and there is no adequate legislation to cover a situation of this kind. We have some additional legal actions under consideration, but right now we want the whole state to know the dire prospect we face." Lubbock has remained mostly quiet as to what they plan to do if Bailey county is successful in the fight to hold their water. At present the city is legally entitled to the water and is making plans to go ahead with pipeline activities. A public meeting of the Bi-State Water Commission will be held Friday, March 30, in the Muleshoe High School auditorium. Everyone is invited to attend.

Prize Money In For County 4-H Cotton Contest

A total of \$1025 has been collected from Castro County ginners and other people connected with the local cotton industry to pay for trophies and awards in the County 4-H cotton contest. Any young man between the ages of 9 and 21 is eligible to join the 4-H Club and enter the cotton contest. The program, with the exception of prizes to be awarded, has been worked out in detail. The land to be planted must be designated, measured and staked off and entered in the contest at the Castro County Agent's office by May 1. Two to five acres of any variety may be planted. Winners will be selected on a basis of sixty percent on production, twenty percent on grade and staple and twenty percent on records kept. The committee on prizes includes Roy Cluck, Jack Bradley, Roland Shepard and Rodney Smith of Hart. A mimeographed set of rules and prizes will be given ginners and 4-H members. Donors and donations to date include: Castro Co-op Gin \$125, Dimmitt Gin & Elevator 50, Flagg Gin Co. 50, L & H Gin Co. 50, Martin Gin Co. 125, Tam Anne Gin 50, Shepard Gin 75, Hart Gin 75, Hogan Gin 50, Campbell Gin Co. 50, Northern Star Seed Co. 300, Anonymous 25. Total \$1025.

Dimmitt 8th Grade Wins Track Meet

Dimmitt's 8th grade tracksters this week-end had a comfortable margin as they took a three-team junior-state track meet in Dimmitt. They racked up 41 points in the meet, followed by Dimmitt High School Freshman with 35 and Hart Junior High School with 14 points. A resume of the meet is as follows (numbers and letters in parenthesis denotes school grade): 50 yard dash—J. Collins (8) first; Jerry Hyatt (8) and Norman Nelson (F) tier for second. Time: 6 sec. 75 yard dash—J. Hyatt, first (8); G. H. Thomp. 2nd (F); D. Maxwell, 3rd (8). Time: 8.9 sec. 100-yard dash—J. Collins, 1st (8); N. Nelson 2nd (F); Nick Zapata (Hart) 3rd. Time: 11.1 sec. 220 yard dash—Gene Varner (Hart) 1st; C. Smithson (8) 2nd; Boyce Tate (F) 3rd. Time: 28.3 sec. 440 yard dash—Ben Holcomb 1st (F); M. Oakley (8) 2nd; Armando Gonzales (H) 3rd. Time: 66.1 sec. 880 yard dash—Ronnie Farris (H) 1st; Romero Garza (8) 2nd; Q. Oakley (8), 3rd. Time: 2.44 sec. 440 yard relay—Dimmitt 8th Grade first (Hyatt, Curtis, Maxwell, J. Collins); Dimmitt Freshmen second (Renfro, Thomas, Tate, Nelson); Dimmitt 8th grade third (Smithson, F. Collins, Bornes, Faulkner). Shot Put—D. Cole (F) first; B. Holcomb (F) 2nd; Nick Zapata (H) 3rd. Distance: 39 ft., 11 in. Broad Jump—B. Holcomb 1st (F); J. Collins (8) 2nd; G. Vornner (H) 3rd. Distance: 17 ft., 6 in. D. Cole (F) tied for first, G. Odum (F) and B. Tate (F) tied for second. Height: 5 ft., 1 in. Hart Junior High School coach for the event was Charlie Beach. Dimmitt freshmen were coached by A. D. Fuquay and the 8th grade by Thomas Harrison and Bill Reisdorph. Individual scoring honors went to James Collins of the Dimmitt 8th grade with 14 1-2 points, followed by Ben Holcomb of Freshmen with 13 points. Ronnie Farris and Gene Varner were high for Hart with five points each.

Remember to Attend Easter Sunday Service

FATHER OF LOCAL WOMAN DIES LAST WEEK
W. A. Carden, 70, of Milport, Alabama, died Thursday of last week and funeral services were conducted Sunday afternoon. He was the father of Mrs. George Davis of Dimmitt, and Mr. and Mrs. Davis and son, Donald, left immediately on learning of his death. Mr. Davis returned home Wednesday, but his wife and son remained in Alabama due to the illness of Mrs. Davis' mother, Mrs. Carden.

BRADLEY AND SHARP AT PLAINVIEW STOCK SHOW
Bobby Bradley and Jack Sharp are showing beef calves in the Plainview Fat Stock Show. The ten-county show is being held Wednesday, Thursday and Friday at the Plainview Fair Grounds.

8th GRADE TRACK MEET AT HIGH SCHOOL TUESDAY
An 8th Grade track meet will be held at the High School football field Tuesday, April 3 at 3:45 p. m. Teams from Tulia, Muleshoe, Olton, Hereford and Dimmitt will be entered.

RITA SUE WITKOWSKI

Nazareth Girl 4th In Spelling Bee at Amarillo

Miss Rita Sue Witkowski, 12-year-old daughter of Mr. and Mrs. Leo Witkowski of Nazareth Saturday took fourth place in the Eighth Annual Amarillo Globe-News Spelling Bee in Amarillo. She was the only girl finalist in the Bee which saw three boys win the first three places. It was the first time three finalists were boys. Miss Witkowski had earned the right to represent Castro County in the Spelling Bee by defeating all comers in the county held Friday, February 17. Another Nazareth girl, Miss Mary Sue Burt, received a junior spelling award before television cameras Saturday.

Ranchers Concerned About Grasshopper Infestation

Castro County Agent Marvin Simms said this week a United States Department of Agriculture egg-count indicated a coming heavy infestation of grasshoppers in the north portion of the county which has ranchers worried. There is no state aid should a grasshopper plague develop except through the disaster fund administered by the governor. But this fund only amounts to about \$200,000 for the two-year period. Federal entomologists have their fingers crossed but are expecting the most serious grasshopper attack in the west since 1938, when the insects devastated North Dakota. Hatching of the eggs is expected to begin about the middle of April. They will be easy to kill with insecticides so long as they are in the infant stage, but it will be difficult when the insects are full grown. Federal entomologists have their fingers crossed but are expecting the most serious grasshopper attack in the west since 1938, when the insects devastated North Dakota. Federal entomologists have their fingers crossed but are expecting the most serious grasshopper attack in the west since 1938, when the insects devastated North Dakota. Hatching of the eggs is expected to begin about the middle of April. They will be easy to kill with insecticides so long as they are in the infant stage, but it will be difficult when the insects are full grown. Federal entomologists have their fingers crossed but are expecting the most serious grasshopper attack in the west since 1938, when the insects devastated North Dakota. and James Clemens of Briscoe County. This is the fifth time since the Bee was inaugurated in 1903 that a pupil of Nazareth School received County Championship and the privilege of participating in the Amarillo Bee. In 1950 Betty Mae Leinen daughter of Mrs. Lucy Leinen won third place and the following year went back to take second place. In 1952 Odette Ball, daughter of Mr. and Mrs. Florence Ball, at present a senior in Nazareth School, won first place and a berth in the National Spelling Bee at Washington, D. C. The 1955 contestant was Dolores Warren, daughter of Mr. and Mrs. Joe Warren, who placed among the Top Spellers.

Mrs. James C. Swindle of San Francisco, California, left Friday after a short visit with her sister, Miss Sophie Rosler of Nazareth. Mrs. Swindle is on her way to Vernon, Texas, to visit her parents, Mr. and Mrs. Jake Rosler. Rita Sue Witkowski, 12 year old daughter of Mr. and Mrs. Leo Witkowski, well-known farmer in the Arroyo Community, received fourth place in the annual Globe-Spelling Bee at Amarillo on Saturday, March 24. Of the 41 contestants from Texas, New Mexico, Oklahoma and Kansas, Rita Sue was the last girl to spell out the misspelled word "pooey". She spelled the word "pooey" correctly, after the announcer had used two lists unfamiliar for the contestants, one taken before the 26th round in which Rita Sue failed and the other given only to the two finalists, young David

The Switkes was second place in the Interscholastic League Tournament on the same day and on the same court when they met Anton, but lost to Kress, winner of the first place. Members of the Swift team are Danny Schumacker, Ted Conrad, Joe Drenup, Jack Acker, Tommy Acker, Joe Ed Bohmer, Lenae Hoelting, Fred Ball, and Edwin Huseman. Edwin was unable to play in the Conference Tournament on account of an injured foot.

In a series of games played during the week from March 19 to the 24, the Nazareth Switkes won second place and received a trophy, after playing Three Way, Sudan, Amberst, Spade and Plainview, at the Spade Invitational Volleyball Tournament, in which 20 teams participated. The first three of those games were won without a decision game, a decision play-off with Spade took place. In the final game, the Switkes had Plainview 14-11 and Plainview won with a two-point lead. The second game was also Plainview's with a score of 16-10. The Switke Team is composed of Regina Gerber, Carolyn Huseman, Odette Ball, Eileen Schulte, Linda Hindman, Norma Venhaus, Joan Schupack, Norma Venhaus, Joan Schulte, Charlene Schulte, Arlene Leinen, Mary Ann Huseman, Evelyn Drenup, Ethel Drenup, Charlene Hoelting, and Rosalie Schacher.

Mr. and Mrs. H. E. Henshey and Elmer visited their daughter and family, Mr. and Mrs. Don Sorgenfrei in Midland Saturday and Sunday.

Sunday dinner guests in the home of Mrs. J. G. Favia were her son, J. G. Jr. and family, Mr. and Mrs. Earl Lutz, Mr. and Mrs. Kay Roberts, Mrs. Leona Rothwell and Dell Dowdy.

THE CASTRO COUNTY NEWS

PUBLISHED EACH THURSDAY IN DIMMITT, TEXAS

Entered as second class matter in the United States Post Office in Dimmitt, Castro County, Texas, under the act of March 3, 1879.

B. M. Nelson and Sons, Publishers

EDITORIAL COMMENT

One Down, More to Go . . .

Dimmitt's City Park was a long time in coming, but we've finally got it. It is a virtual necessity when a city becomes as large as ours.

But this project has arrived. It is only a matter of time and work until it is ready for use. Dimmitt has not had a major municipal project of this nature for several years. In fact, discounting utilities, the street-light and paving project was about the last major city undertaking.

It is time now to begin thinking about what else Dimmitt and Castro County needs. Two

Our Greatest Gift . . .

It is a world of decisions. Everyone, regardless of who he is, must every day decide on a multitude of things. These include such mundane items as whether to wash the dishes before sweeping the floor and whether or not to make a U-turn instead of circling the block.

This is an automatic response to most of us—but this system of conditioned reflex motion sometimes carries over into other things which should be given more thought.

Imagine how many more day-to-day problems could be solved by the mere process of thinking. It may take five minutes of constructive reasoning to arrive at a conclusion, but that time is all too few people willing to take that much time.

Ordinarily these people are labeled "hot-headed," "stubborn" and so on. Actually there is no distinction to being a stubborn person. It just shows an unwillingness to listen to people who take the trouble to think. The greatest endorsement is sometimes allowed to rest and evaporate through disuse.

No two people think alike—this is, naturally enough, a universal truth. That's what makes this a worthwhile world to live in. But given the same information regarding a problem that needs solving, a majority vote of thinking men will give the right answer—and the majority will be overweighing if the information is complete.

There are many uses to which we can put our powers of reason. A husband may leave his wife in a cheerful mood in the morning, but after she has spent the day thinking and brooding about how rough her life is and the undesirable (often imaginary) qualities of her husband, then her attitude when he returns from work might well be quite different.

If she (or he, for that matter) would take the trouble to think everything out completely, the home life might improve.

This is a summation of a lot of our troubles. When we jump to conclusions, without properly evaluating, then more problems develop. We would have less gossip and slander, less ridiculing, fewer divorces, more constructive work

Major items seem paramount: a municipal building and a new County Hospital.

We need both of these and soon. Which should come first would be open to debate, but everyone we've talked to seemed indubitably only so fast and we have reached the time to slow down a point. It may be we will have to find some other way of doing the job other than by voting bonds. But however it is done, it must be undertaken and the sooner the better.

done and so on.

Scientists tell us we never use about 85 percent of our brains, that if they were developed entirely the human race would force some as never before.

Mistakes are made every day because someone didn't stop to think. People are hurt, accidents are caused, mental anguish and other things happen. It isn't just in everyday life that problems arise due to an unwillingness to reason. In every business in Dimmitt the proprietor at times has to set down, scratch his head and indulge in thirty minutes or so of deep meditation about business problems. Our scientists, industry leaders, and people at the top of the economic level got there because they think and use their heads instead of accepting a routine job where repetition is commonplace.

It might be said a person's habits of reason are a guidepost to his possibilities of success in every phase of life. Our public schools are responsible in part for this condition which has always existed. Too much memorization and not enough conclusive thinking is stressed. There is no point in blaming the schools for an individual's shortcomings, however, since some thinking people are produced by public schools. It still remains to the individual to develop himself, for he is the one it affects most.

Non-thinking people are the ones who are the followers. They are the ones who vote for men who appeal to the emotions, who condemn without trial, who believe everything they hear, who do think.

Even people who use their minds to the fullest extent are sometimes wrong, the same as a jury can condemn an innocent man. To arrive at successful conclusions all the factors must be known and as this is sometimes impossible, then we have errors in thought. A mathematical equation will be in error if all the components are not present.

To think constructively is a hard habit to develop. But once a person realizes that it is a worthwhile objective and begins working at it, the personal problems that seem so overwhelming might well take on a different aspect.

Washington Newsletter

WALTER ROOGERS

FARM LEGISLATION The Senate is drawing close to a final vote on the controversial farm bill. By the time this letter reaches you, this highly important legislation will be in a Conference Committee made up of members representing the House Agriculture Committee and the Senate Agriculture Committee. This Committee will try to work out the differences between the House and Senate versions of the bill and to work out a bill acceptable to both houses of Congress. It will be remembered that the House last year passed the bill fixing mandatory price supports at 90 percent of parity. The Senate failed to act last year on the measure prior to adjournment. The House bill is still before the Senate, but the Senate has written a new bill into which has been injected a number of items. If this bill passes the Senate, which is expected, the chances are that it will never be debated in the House of Representatives. The reason being that the Senate will substitute its farm bill for the version in the House farm bill and then pass the bill as a House measure. This means that the bill will then be taken to a Conference Committee and not further debate. The only time that the House will get to act on such a measure again will be to vote for or against accepting the report of the Conference Committee.

The Senate has already knocked out right 90 percent supports. As we predicted, the 90 percent support was lost because a Republican block was joined by several Southern Senators to whom Benson had made a special appeal. I respect the sincerity of the Senators in what they have done, but I question their judgement. The farm problem is a nation-wide problem and the attempt to settle the local matters and problems with a disregard for the rest of the farm economy must operate to divide the farm forces. We hope that the Administration is not pursuing the doctrine of "divide and conquer" in its attempt to solve the farm problem. As I have repeatedly stated in the past, the family-size farm is one of the pillars upon which this country has been built to its present greatness. If we want to destroy our way of life, the greatest blow that can be struck against it would be the destruction of the family farm unit. It is in this sense that its democratic roots, independence and freedom. These roots can be as completely destroyed by economic means as by physical force. This must be the same to happen.

PHYSICAL LEGISLATION The battle lines on highway legislation are fast shaping up. The highly explosive tax matters in last year's bill have been measurably watered down by the Ways and Means Committee's recommendations. Plenty will be said, however, with regard to the present hot debate seem to have cooled down some. The issue that is coming to the front as one of the leading controversies is the issue of whether or not the taxpayers should pay all of the expenses to relocate the facilities of utility companies along present highway rights of way. Congressman Brady, Gentry of Tyler, Texas, a former Texas Highway Commissioner and County Judge, has been waging a running and effective

fight against the use of tax money to pay utility companies for relocating their facilities. One of his major weapons is the argument that the present rights of way have been used free of charge by the utility companies and that these companies have provisions in their contracts agreeing to relocate these facilities without cost to the public. The utility companies claim that if the taxpayers are not required to pay for relocation costs, then they will be the cost of this relocation to their customers. You can see there is plenty of fuel here for a good sized bonfire.

Like the school aid bill and other pieces of legislation here, you can expect many attempts to put rider legislation on the highway bill. This is one means of helping the trend toward total centralization of government and regimentation of individuals. Have you ever thought of how fast centralization and regimentation are being accomplished? When most of you are boys and girls you didn't have to have a license for every turn of your daily life. About the only licenses we knew of at that time were dog licenses and those

only applied to city dogs. Country dogs didn't need them so long as they came to town for strictly social purposes. I guess it can properly be said that we are now leading a dog's life, at least insofar as licensing is concerned.

VISITORS Visitors in Washington this last week included Colonel Joe Mason (formerly of the Amarillo Air Force Base) and now at Wright Patterson. Incidentally, Joe kept his home in Amarillo and expects to return there. The Honorable Bill Hostly, member of the Texas Legislature and attorney of Paducah, was in town for a couple of days and we enjoyed visiting with him. Mr. and Mrs. Robert Wheatley of Amarillo were in town. Mr. Wheatley represents the Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employees. They were able to sit in on some of the hearings on railroad retirement legislation which is before one of the subcommittees on which I serve. It was certainly good to have all these folks in the Capital City and we hope more of you can come.

Geometry Classes To Have Exhibits

Have you noticed anyone with rough, beat-up books around D. H. S. lately? It is probably the results of the work in the geometry classes, taught by Grace Smith. The students have been constructing geometric figures that can be used in the drawing of letters on the blackboard. They consist of board compasses, quadrants, compasses, triangles, and protractors. One day each week is set aside as a work day. These projects will be on exhibit from April 2 to April 7 at the school department store.

Yellow
The moon was yellow.
The land was bright,
As we strolled along
Through the autumn night.
With every gesture,
And with every glance,
She gave me a hint
That she craved romance.
I stammered and stammered
As time went by.
The moon was yellow—
And so was I.

His'n and Her'n
She missed the turn
The car was whizzing
The fault was her'n
The fault was his'n.
The funeral was his'n.

Actor—Burt Reynolds
Song—I Was the One
Singer—Carl Perkins
Pastime—Running Around

My Tail is Told

Hello there! Are you busy? Oh, good, then may I ask you a simple question? Why do you people have tails? Monkeys have them, and they look so nice. There are so many ways that tails would help us in this modern age.
For instance, a tail of proper length would save many lives in any of the following ways:
1. Automobile accident prevention: a built-in signal without taking your hands off the wheel for a moment.
2. A sanitary aid for the swatting of insects.
3. In war, a tail would act as a sort of sensory unit for the protection of the rear.
4. A man's hat could be tipped without dropping all of his groceries.
The fact is, I don't see how man can live without a tail. Times are so dangerous. Think of what a powerful weapon it could be to use against the Russians. I even built myself a beautiful tail to see if an artificial one would work, but they took it away from me.
5. When you are coming to get me again now. It may be just as well because I don't have anything to say. My story is done.
As the young polar bear said to me in the iceberg: "My tail is told!"
Stadium World

Seniors Take Aptitude Test

All of the seniors of D. H. S. took four tests Monday. The tests consisted of Reading Test, Test of Mental Maturity, Occupational Interest Inventory, and Test of Personality.
These tests are given by faculty members and are graded by staff members of West Texas State College. After the tests have been graded, three counselors from West Texas State College will come to DHS to talk with the seniors.

Dimmitt Places Second In Play Contest

"This Way To Heaven" Dimmitt's entry in the district one-act play contest, won second place honors. They presented their entry Thursday night at the Otton High School. The first place went to Otton High School with the presentation of "The Sisters McLoish." Tullia's entry, a drama entitled "The Running Tide," placed third. The first and second place winners were awarded pennants.
Jimmy Manning, D. H. S. Senator, was named Best Actor of the district meet and Juanece Hendrix, Otton, was named Best Actress.
The All-Star Cast consisted of: Gail Cooper, Dimmitt; Bill Bowyer, Otton; Carol Swintura, Tullia; Sam Hively, Tullia.
High compliments were paid to the Dimmitt cast on excellent make-up and sound effects.

D. H. S. Quartet

Have you heard a few musical notes coming from the auditorium of the High School lately? Bert McCarty has organized a quartet which consists of Wilmer Studer, Douglas Moke, Jerry Jones and Leon Crum. The quartet appeared on the Lion's Club dinner Thursday, March 29. They sang several numbers which were enjoyed by all the club members.
The quartet is directed and accompanied by Mr. McCarty, science instructor.

HART NEWS

MRS. ROBERTA J. RAY
Jack Smithman was taken to the Muleshoe Hospital last Tuesday night where his case was diagnosed as pneumonia. It was first thought Mr. Smithman had a heart attack. Mr. Smithman came home Thursday, and is recuperating nicely.
Mr. and Mrs. Ed Harris entertained with a bridge party last Thursday night. Guests were: Mr. and Mrs. Charley Sanders, Mr. and Mrs. W. T. Sanders, Mr. and Mrs. Will Gilmore, Mr. and Mrs. Worth Jones, Dr. and Mrs. Jeff Davis from Plainview, Mr. and Mrs. C. O. Burt, Mrs. Buford Hayden, Mrs. Purche Riley, and Mrs. Charley Martin.
Mr. and Mrs. E. R. Carpenter of Knox City, visited friends in Hart last Sunday afternoon.
Mr. A. M. Armstrong was in Lubbock last Monday on business. Mrs. E. E. Davis and Mrs. R. L. Hawkins are helping care for his mother, Mrs. Rosa Moss, who is in the Medical Center Hospital in Plainview.
Mrs. Minerva Foster of Palmyra, Mo. was a visitor in the home of the Ray Wels last week. Mrs. Foster and Mrs. Wall are cousins and have not seen each other since Mrs. Wall was seven years old.
Mr. Jack Godfrey was in Plainview Hospital for major surgery. Mrs. E. E. Davis is home and reported doing nicely.
The Hart Band Parent Association wishes to thank everyone for their cooperation in making our program, Three Ring Circus, a success. We had a very nice crowd and made \$200.00, which will certainly help us out with our band expenses. Again we say, THANK YOU, very much.
Mrs. Otto Dinwiddie returned home Sunday afternoon from Cleveland, Ohio, where she had been caring for her daughter, Duffie, who is recovering from a bad surgery.
Miss Loyce Elaine Whitten, daughter of Mr. and Mrs. L. L. Whitten of Amarillo, and Max Eugene Newman, son of Mr. and Mrs. H. Newman of Hart, were united in marriage in the First Baptist Church of Plainview, Texas, last Tuesday evening. Dr. R. L. Dolson performed the ceremony. The rehearsal dinner for the wedding of Miss Whitten and Mr. Newman was held at 5 o'clock Sunday, March 25th, in the home of Mr. and Mrs. J. B. Craig of Plainview. Guests from Hart who attended the wedding of Miss Whitten and Mr. Newman were: Mr. and Mrs. H. E. Newman, Mr. and Mrs. Joe Newman, Cheryl and Terry, Mr. and Mrs. A. R. Bostick, Mr. and Mrs. Rex Bostick, Mr. and Mrs. T. B. Cox, Mr. and Mrs. Miles Cox, Mrs. Tommy Simpler, Mr. and Mrs. Claud Cox, Mr. and Mrs. Roy D. Pyatt, Mr. and Mrs. H. E. Loman, Mr. and Mrs. W. C. Ciek, and Mr. and Mrs. Jim Hight. The reception following the wedding was given in the home of Dr. and Mrs. R. L. Dolson of Plainview.
Mrs. O'Leary Brelard of Lubbock was the guest over the weekend in the home of her sister and family, Mr. and Mrs. Joe Newman.
Sgt. and Mrs. Rex Bostick are spending several days with the R. B. Bosticks. They have just re-

HART NEWS

turned home from spending 16 months of duty in Germany.
Mr. and Mrs. Cecil Bostick of Carlsbad, New Mexico, and Mr. and Mrs. Max Bostick, Byrne and Hollis of Norman, Oklahoma, are also visiting in their parents home, Mr. and Mrs. A. R. Bostick.
WORDS OF WISDOM: Worry is like a rocking chair. It gives you something to do, but it won't get you anywhere.
THE ROY HABERERS ENTERTAIN RECENTLY
Mr. and Mrs. Roy Haberer entertained in their home Friday night, March 23, with a dinner and 42 party. The centerpiece for the table was a beautiful arrangement of Dutch iris and Euphorbia, with fall leaves for the background.
After dinner games of 42 were enjoyed by the following: Messrs. and Mrs. Edgar Hamer, Posey Cunningham, E. B. Wright, Nolan Froehner, Rev. and Mrs. Raymond Van Zandt and Dr. and Mrs. Faust of Earth.
BROWNIES MEET MONDAY
The third grade Brownies troop held a regular meeting Monday afternoon, March 26, in the old high school gym. The topic for discussion was "Interest of Community Life." For a demonstration they visited the county jail and the fire house where they were permitted to ride on the fire truck. After the ride they returned to the school where refreshments were served by Mrs. Claud Milsap and Mrs. Doris Smiley to 25 members and the leaders, Mrs. Charlene Armstrong and Mrs. Alvin White.

HART NEWS

Mrs. J. G. Davis and Mrs. J. W. Spence were Amarillo visitors on Tuesday. They also visited with Mrs. Ed Wilson, Jr., in Hereford.

There are two sides to every coin!
SAVING AND SPENDING are the two sides of every coin (every piece of "folding money," too). Your success in getting ahead financially depends largely on which side you look at FIRST. If you look at the SPENDING side first, you may never get around to the SAVING side at all. Better attend to your saving before you even start spending. Deposit the FIRST dollars out of every pay envelope and spend what's left over. It's the only method of saving that really works!

First State Bank of Dimmitt

"You can eliminate ironing with an ELECTRIC Clothes Dryer!"
says MRS. L. D. DENNY
Guymon, Oklahoma

IT'S MAGIC—NO TRICK! ELECTRIC DRYING'S SLICK!
SEE YOUR REDDY KILOWATT APPLIANCE DEALER

My big interest in owning a clothes dryer is the time that I can save. I make all the pins for our cafe and spend several hours a day there, and I have four children, and must wash every day. Now that I have my dryer it takes fewer clothes for my children, and less time to launder them.
I choose many of the materials that need no ironing for our clothes, especially the dresses for my little girl. I haven't time to iron the many ruffled dresses she wears every week. With the no-iron materials, her dresses are ready to wear when they come out of the clothes dryer. MY YOUNGEST SON WILL SOON BE TWO, AND I HAVE NEVER HAD TO IRON ANY OF HIS CLOTHES.
Sandy says our towels are as soft as her kitten. And she is so right, because my towels are so fluffy, soft and clean smelling after being dried in my electric clothes dryer.
See your Reddy Kilowatt Appliance Dealer, and see for yourself that you, too, can enjoy all the advantages of modern clothes drying. Of course, it's electric.

GMC brings you the most impressive improvements of all 1956 trucks

Now we can show you these great new GMC's that are further than ever ahead of all others. Their advances not only clinch power supremacy—but reach into fields still unexplored by other truck-makers.
For example, GMC's Road Shock Damper Suspension—plus a unique new stabilizer—produces in half-ton models a ride comparable to the finest passenger car.
An optional new fast-ratio cruising axle in light-duty GMC's gives you an overdrive's pace and economy without its cost.
Sharply increased engine displacement in both six and V8's gives you a power family unsurpassed in the light-duty field. Specifically, we offer 14.4% GREATER displacement on 6-cylinder models, 16.2% on V8's than our nearest competitors. And GMC V8's mind you, match the shortest stroke ratios in the truck industry.
Styling is well into the future—panoramic windshield to sand-tight tail gate. Tubless tires, of course. And a 12-volt electrical system in standard.
These are some of the strides presented in new 1956 Blue Chip trucks we now have on view. The values are even more notable. Come in and get the facts!
*Standard on Suburban; optional on light extra cost on other 1956 models.
Your key to Blue Chip value.

See us, too, for Triple-Checked used trucks

DOUBLE STAMPS EVERY WEDNESDAY

Mr. and Mrs. E. V. Dunn and grandson, M. M. Kidd, and Morris Truman attended church at the Ackerly Church of Christ Sunday and were dinner guests of their daughter, Mr. and Mrs. P. K. Torbeta.

Janice Curry, daughter of Mr. and Mrs. Cecil Curry, received treatment in Northwest Texas Hospital this past week.

M. M. Kidd of Marysville, Calif. and Morris Truman of Los Angeles, Calif. were week-end guests of M. M.'s grandparents, Mr. and Mrs. E. V. Dunn, and uncle, Mr. and Mrs. Fred Dunn, and an aunt, Mrs. J. L. Proffitt and Mr. Proffitt.

Mrs. R. E. Wilson is in North west Texas Hospital, Amarillo, for treatment.

BAPTIST CHOIR TO PRESENT CANTATA

The choir of the First Baptist Church will present the cantata, "Christ Crucified", by Roger C. Wilson, at the evening worship services, Sunday, April 1st, at 8. Soloists are Miss Wilton Ivey, Mrs. T. S. Buckmaster, Dr. Charles Vandiver and Mr. E. L. Ivey. Accompanists are Mrs. George E. Ray, organist; and Mrs. E. L. Ivey, pianist. The cantata will be directed by James Sinclair, music and educational director of the First Baptist Church.

Members of the choir are: sopranos, Mrs. Noel Gollehon, Mrs. E. H. Youts, Mrs. Charles Vandiver, Mrs. W. E. Reisdorph, Mrs. John Turner, Sara Beth Oakley, Norma Messenger, Wilton Ivey, Wilma Noble, Betty McDermitt, Mrs. J. E. Burch; Altos: Mrs. Cecil Dennis, Mrs. T. S. Buckmaster, Mrs. E. L. Carpenter, Mrs. James Sinclair, Mrs. Beaty, Mrs. Al Williams and Ann Gollehon; Bass: E. H. Youts, Noel Gollehon, E. L. Carpenter, John Turner, W. E. Reisdorph and Elbert Smith; Tenors, Charles Vandiver, Farron Broadstreet, Gene Ivey, Norris Wesson, J. D. Westberry.

ZEALOT CLUB MEETS

Hart Zealot Club met in the home of Mrs. Joe Newman. Co-hostess was Mrs. Verle Crick. Mrs. Newman and Mrs. Crick gave the program on landscaping and planting of bulbs. Two flower arrangements were on display. The club decided to give them a shut-in each month. Present were Meses, Jimmie Davis, W. A. Hawkins, Jr., Shir-

Dimmitt Youngsters In Safe Driving Club

An organization to promote interest in driving safety and various types of custom and sports cars activities was voted into being Tuesday night in the C & C Pump Company building.

Twenty-seven young men met to adopt a constitution and approve by-laws of the Dimmitt Cruisers. Joe Ben Mitchell was elected president; Van Conard, vice-president; Jimmy Johnson, secretary-treasurer, and Milton Moore, reporter.

RANCE CLUB MEETS WITH MRS. HODGES

The regular meeting of the Rance Home Demonstration Club was held at the home of Mrs. E. J. Hodges on March 22nd. The program, "Know Your Weight" was given by Mrs. H. C. Behrends and Mrs. Jack Strewin. Mrs. A. A. Goolsby was selected as food demonstrator for the year. Those attending were Meses, George DeLozier, H. G. Behrends, L. T. Counselman, Jack Strewin, A. A. Goolsby, Clarence Behrends and the hostess.

The Big Square Home Demonstration Club will hold a bake sale at Wilson Grocery Saturday, March 31.

ley Garrison, Ed Bennett, Theron Morrison, Dewalt Armstrong, Rodney Smith, Glenn Reed, W. D. Bell and Owen Hankins.

EASTER NEWS

By Mrs. L. B. Worthan

Suzanne and Cheryl Solomon of Memphis are visiting with their aunt, Mrs. William Moss, this week.

Mr. and Mrs. Shorty Smith, Mr. and Mrs. Ben Medley and daughters of Hereford visited with Mr. and Mrs. W. A. Epperson Sunday.
