

Need Of Football Stadium Outlined By Supt. Reeves

By Sidney Reeves

As each succeeding football game of the 1948 season was unrolled, the urgency and necessity of a stadium at Mitchell-Zimmerman Field became more apparent. Time after time the clause of "It is a shame for Lockney to have the best football team in the district and the poorest stadium" resounded throughout the town. Many of us were chagrined to welcome our visitors and townspeople to the game with nothing more than the terrazzo to offer them as a seat, yet this was the best that we had.

Now is the time for effective action upon the part of the entire community in a concerted drive to erect a stadium befitting the progressive environment of Lockney and its surrounding territories. Nothing worthwhile can be achieved without the efforts of the entire populace interested in seeing a stadium erected.

Many plans for financing a stadium have been advanced; however, a group of interested people have arrived at the conclusion that the most feasible is one which has been pursued by many of the Stadia builders throughout the country, and which is substantially the same plan as used by the directors of the Cotton Bowl in Dallas to enlarge their stadium to its present size. Briefly, each person will finance the building of as many seats in the new stadium as he desires and the seats will be reserved for him for a period of ten years upon the payment of a general admission fee, the amount of which will be established by the district committee each year. The approximate cost of erecting a steel stadium is estimated to be six dollars per seat, which means that a person desiring two reserved seats would pay twelve dollars toward the erection of the stadium and he, then in turn, would have these seats set aside for his use for a period of ten years. By using this plan, it is thought that the entire population can share equally without becoming an unbearable burden to anyone.

Many towns have been fortunate in having philanthropists as citizens who have donated large sums toward the erection of stadia, most notable of these being Jones Stadium at Lubbock financed in a greater part by Clifford Jones, who also contributed materially to the erection of the fine plant at Spar. Possibly there are philanthropists in our midst who are tired of contributing every fifth day's income to the coffers of the Bureau of Internal Revenue and who would like to ease their income tax burden by contributing some sum to the Lockney Stadium. If this be the case, don't let your desires be hidden under the proverbial bushel basket.

For the next month, applications for reserved seats in the newly proposed stadium will be accepted either at the office of the Lockney Beacon or at the offices in the high school. If you desire to have seats in the new stadium, please drop in at either of the places and get your name on the list so that we may expedite the plans and begin work at an early date. LET US DO THE JOB NOW. DON'T WAIT TO BE SOLICITED BUT COME AND BE THE FIRST ONE TO START THE BALL ROLLING.

Thanksgiving Service To Be Held Wednesday

A community Thanksgiving service will be held at the Lockney Baptist Church on Wednesday evening, November 24, at 7 p. m. It was announced this week.

Rev. N. S. Daniel, local Methodist pastor, will be the principal speaker. Musical numbers will be rendered also.

The people of the community are invited to be present.

Meeting At West Side Church To Begin Next Friday

A meeting will start at the West Side Church of Christ in Lockney on Friday, November 26. It was announced this week. The meeting will continue 10 days and Evangelist Paul Knight of Booneville, Ark., will do the preaching. Services will be held at 7:15 p. m. It had not been decided whether a morning service would be held or not, it was said.

Mr. and Mrs. Carl Ferguson spent last weekend at Post with their daughter, Mrs. Bob Jones and Mr. Jones.

Mrs. Stella Perry from Plainview visited in the Ira Cox home last weekend.

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, NOVEMBER 19, 1948

NUMBER 11

Stores Will Close On Thanksgiving

Most of the business houses in Lockney will be closed on next Thursday, Thanksgiving Day, it was indicated by a survey made by The Lockney Beacon Wednesday.

Exceptions to the closing all day will be service stations, cafes, and probably the grocery stores. It was indicated. Of course the gins will not shut down but the grain elevators will be closed.

The bank and post office will be closed. The school will turn out both Thursday and Friday.

The highlight of Thanksgiving Day will probably be the bi-district football game between The Lockney Longhorns and the winner of the Post-Littlefield game this week. The site cannot be determined, of course, until the winner in District 4-A is named.

The drug stores will probably be open a part of the day.

Following is a list of stores who will be closed all day: The Lockney Beacon, OK Rubber Welders, Armstrong Electric, Lena Fae Store, Baker Hardware, Baker Dry Goods, First National Bank, Campbell Variety, McClung Bakery, H. G. Parker Furniture, Truett Variety, Longhorn Barber Shop, Tommie Barber Shop, K. W. Cook, J. Verne Dumont, Dr. Wayne J. Greer, Lockney Electric, Southwestern Public Service, Wofford Wood Shop, Fowler Shoe Shop, Carl McAdams, Taylor's Laundry, Modern Radio Service, Lockney Auto Co., Personality Beauty Shop, Pennington Motor Co., Huggins Produce, Hammond & Company, Joe Handley's Shop, Browns Cleaners, Johnson Bros. Garage, Higginbotham-Bartlett Co., Pinner & Childers, Lockney Frozen Foods, Lady Fair Shop, Plains Barber Shop, Post Office, Carter Burial Assn., Brown and Turner, Frank Perkins Agency, Master Cleaners, Lockney Dry Goods, White Auto Store, Lockney Implement Company, U & I Laundry.

"Whitey" Bacon, Cooper Bros. Garage, Lockney Lumber & Supply, Baxter-Smith Grain Co., Brunner Lumber Co., Patterson Grain Co.

Possible others will close at least part of the day.

Rotarians And Wives Hear Mahon Speak Friday

George Mahon, representative in the Congress from the 19th district of Texas, urged members of the Lockney Rotary Club, their Rotarywives and guests to "Know America" in his address here Friday night at the annual Rotary night.

Mr. Mahon told of the typical American feeling for the worthwhile things and then spread out into a discussion of world wide events and told how the national congress was seeking the answers to many problems of this day including the dispute with Russia.

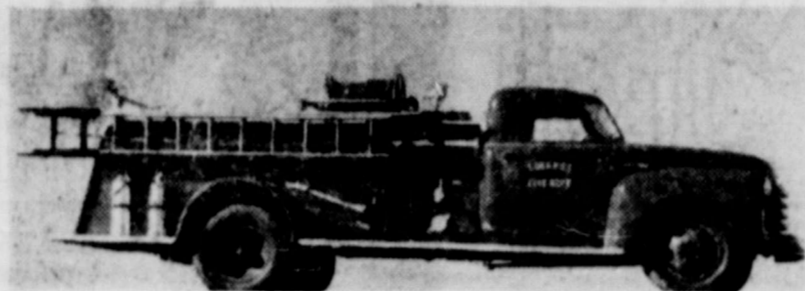

He was introduced by Edgar R. Hays, who called attention to the fact that Mr. Mahon was serving not only his district but his country, pointing out that the Congressman served as chairman of the sub-committee on military appropriations during the war which called for travels to all parts of the world. He is scheduled for chairmanship of the sub-committee on Government Corporations when the new congress is organized in January. This has to do with the Farm Security, Commodity Credit and other government organizations. Mr. Mahon is third in seniority among Democrats in the powerful Appropriations Committee.

The Lockney Rotary Club quartet sang three songs, and the guests were introduced by Fellowship chairman Jessie Cox. The affair was held in the basement of the Methodist church. The Methodist ladies served a delicious meal to about 60 guests.

Mr. Mahon spent the night here as guest of Mr. and Mrs. F. L. Brown and returned to his Lubbock office Saturday morning.

Mrs. Mary Rose of Quitaque visited her nephew, C. H. Rose and family here Sunday. It was the first time Mr. Rose had seen his aunt in 40 years.

Lockney's New Fire Truck

Pictured here is the new fire truck cab and came almost completely equipped.

Business Men Asked To Clean Store Fronts Thursday

Mayor G. M. Brunner and the City Council issued a statement this week urging that all business people of the city come down to their stores early on Thanksgiving morning, Thursday of next week, and clean the gutter and street in front of their stores.

"We have tried to hire someone to do this and have been unable to do so," Mayor Brunner was quoted as saying. "Since the streets and gutters need cleaning badly, the Mayor and City Council will appreciate the business people taking over this task for this time and cleaning up in front of their own places of business Thanksgiving morning. Let's keep our town clean."

Area 1 Supervisor To Be Elected

A number of the Board of Supervisors of the Floyd County Soil Conservation district from area 1 comprising the northwestern part of the county will be elected when all land owners of the area gather at The Beacon office on Saturday, November 27. It was announced this week by V. C. Marshall, executive director of the Soil Conservation district.

The new member will take the place of John Belt Sr. who recently resigned.

All land owners who are 21 years of age or older who reside in the area are qualified to vote. The area is bounded on the east by the Floydada-Silverton highway, on the south by Highway 79 and extends to the county line on the north and west.

Mrs. Esley Yeary Passes Away

Mrs. Esley Yeary, a resident of the South Plains area for most of her life, passed away in the Plainview Hospital early Saturday morning. She had been ill several months.

Funeral services were held at the South Plains school house Sunday afternoon at 3 p. m., conducted by Rev. R. C. Guest assisted by Rev. C. A. Joiner. Burial was in the Floydada cemetery. Harmon Funeral Home of Floydada was in charge of arrangements.

Mrs. Yeary was 48 years of age. She was a member of the South Plains Baptist Church.

Survivors include her husband, one son, Marlon Yeary of Fort Worth, her parents, Mr. and Mrs. Grigsby Milton Sr., of South Plains, four brothers, Grigsby Milton Jr., of South Plains, Otto Milton of Albuquerque, N. M., Otto Milton of Quail, Armon Milton of Denver, Colo.; two sisters, Miss Minnie Milton of South Plains and Mrs. Lillian Whiting of Shawmut, Ala.

Board Receives Examination Call For 30 Men

The Selective Service Board No. 45, which comprises Floyd, Hale, Swisher and Motley counties, has received a preinduction physical examination call for 30 men. It was announced this week by J. D. Lockhart, secretary.

The men will be examined at Lubbock on December 8 and return home the same day, Mr. Lockhart said.

This is the second call received by the local board since the draft was inaugurated.

Powder Bowl Game Is Monday Night

The Floyd County "Powder Bowl" gridiron battle will be played Monday night on Wester Field at Floydada when the Lockney Honeybees will take on the Floydada girls team starting at 7 p. m.

The Honeybees, under the coaching of Metz Lafollette and George Atwood, have been working hard this week. They have a well balanced team though not very hefty.

Following is the probable starting lineups:

Lockney	Po.	Floydada
Kay Norman	RE	G. Roberts
Lewzetta Morgan	RT	J. Johnson
Peggy Carthel	RG	A. Berry
Fredda Bybee	C	D. Hennessee
Melba Weathers	LG	S. Fyffe
Joy Keeter	LT	M. Fawcett
Lela Huddleston	LE	A. Beedy
Betty Handley	QB	C. Jones
Velma Seale	FB	J. Powell
Arlene Turner	RH	P. Collier
Glenda Reidhimer	LH	J. Stewart

Other local players may be Mary Louise Manning, Shirley Cooper and Sue Nelms.

Hob Miller of Lockney and A. E. Bitter of Floydada will probably be the officials.

Admission of 50c for adults and 25c for students will be charged.

Mrs. Sarah E. Stowe Dies Monday

Mrs. Sarah E. Stowe, age 79 years, passed away at the home of her daughter, Mrs. Arnold Langfeldt in Aiken early Monday morning. Mrs. Stowe and her husband Amos Stowe were residents of this area many years, living here until he passed away about four years ago when she returned to Grafrod, Texas, to make her home.

A short funeral service was held at the Carter Funeral Home here Monday afternoon, conducted by Rev. A. K. Smith, pastor of the Aiken Methodist Church. The body was taken by hearse to Grafrod where funeral services were held Wednesday afternoon. Burial was in the Grafrod cemetery.

Survivors include one daughter, Mrs. Langfeldt of Aiken, five sons, Herman Stowe of Aiken, Leon, Otis and Stanley Stowe of Grafrod, and L. A. Stowe of Colorado. Ten grandchildren also survive.

Methodists Start Work On Building

The Methodist Church building is to be dressed up inside and out. The work has already begun, and we are in hopes it will not be long until it has the new look.

We are also to have an electric organ. Mr. and Mrs. Jake Griffith are giving the organ which is a very generous gift. They say the organ will be installed as soon as the building is renovated. We have about \$5000 already raised for the work of fixing up the building. We hope that this will grow to \$8000 in the next week, as only a few of our members have had a chance to give so far. We want every one to have a part in this good work. We are also in hopes that some one will give the chimes to go with the organ. This would be a very generous thing for some family to do. May God's blessings be on each of you, as we move forward in this great work.

Newton Daniel, Pastor

Mr. and Mrs. Harold Huggins of Colorado City attended the homecoming last week and visited his parents, Mr. and Mrs. J. D. Huggins

Longhorns To Play Either Post or Littlefield Bi-Dist.

Local Ginnings Pass 10,000 Mark

Cotton ginnings at the three Lockney gins passed the 10,000 mark this week with the total bales ginned reported at 10,137 Thursday morning.

Gin men estimated that the crop was approximately three-fourths gathered. Weather has been ideal the past few days and the gins have been "snowed under" with cotton.

The grain harvest was about completed, elevator men reported, with only some debanding left to do. Milo had risen to \$2.15 on the local market Thursday which is only a few cents under the loan price.

More Than 400 Ex-Students Register Thursday

Homecoming Day for ex-students of Lockney High School was a great success. Held on Armistice Day here, more than 400 ex-students registered and a much larger crowd attended the football game between the Lockney Longhorns and the Paducah Dragons.

Supt. Sidney Reeves said that the exact number of registrants hadn't been determined as yet. Neither have the winners of the prizes for the ex-student who came the farthest, the oldest, etc. This information will be secured as soon as the list of registrants has been checked thoroughly.

A large group of the ex-students enjoyed the delicious meal served at the grade school lunchroom at the noon hour. Furnished by the business men of Lockney and prepared by Mrs. Carl McAdams and her corps of workers, the barbecue lunch was complimented on every side. The occasion was also used for visiting among old friends and for class gatherings.

A crowd estimated at between 2500 and 3000 watched the Longhorn-Dragon football game in the afternoon in which the local team completely outclassed their foes from Paducah.

The Beacon will endeavor to run a complete list of the ex-students who registered in next week's issue.

Only 10 Have Blood Typed First Night

The first night set aside for typing blood of the people of this area in order to form a "living blood bank" was somewhat a disappointment. Joe Holt, in charge of the Floyd County Co-operative Hospital laboratory here reported Wednesday. Only 10 people appeared to have their blood typed, some them hospital personnel.

The following were the first 10 to join the blood bank group: Hubert Frizzell, Henry Hodel, Mrs. Joneal A. Harrison, G. B. Johnston, Jr., Mrs. D. R. Foster, J. D. Copeland, Dr. D. R. Foster, Joseph H. Holt, Mrs. Edol Sams, Mrs. J. M. Floyd.

Tuesday and Thursday nights of each week from 7:30 until 9:30 have been set aside for the hospital technicians to do this blood typing. They are donating their services without charge so that a blood type record of at least 250 people in this area may be secured for use in case of need of blood in some emergency. A charge of \$1.00 is made for the typing which covers the actual cost of the chemicals used.

The Lockney Rotary Club and the Business & Professional Women's Club are helping to push the project through. Everyone in this area is urged to go to the hospital either one of the above nights of the week sometime within the next two or three weeks and get their blood typed. It will be beneficial to the person as well as the community.

The Lockney Longhorns, taking a rest this week after completing their regular schedule last Thursday, will play either Post or Littlefield in the bi-district game next week. Both of these teams are in District 4-A while the Longhorns are champs of District 3-A.

District 4-A has been divided into the north half and south half because of the fact there are too many teams in the district to play one schedule. Post has won the south half of the district, defeating all four opponents in that area decisively. However in the north half the season ended with three teams tied for the first position. They were Littlefield, Levelland and Sundown. Levelland had defeated Sundown, Sundown had defeated Littlefield and then last Friday night Littlefield defeated Levelland to tie the race. At a meeting in Littlefield Saturday, the district committee chose Littlefield to represent the north half of the district and their game with Post will be played this (Friday) afternoon starting at 2:30 at Post.

The winner of this game will then meet the Longhorns in the bi-district game at a place and time yet to be decided. It will probably be on next Thursday, Thanksgiving Day, however.

Comparisons show that the Longhorns have piled up 232 points this year to Post's 212 and Littlefield's 160. The Longhorns have allowed their opponents 50 points while Post has allowed only 32 points and Littlefield has allowed 49.

The only close comparison which can be made between the Longhorns and the teams of district 4-A are these: Post defeated Spur 13-6 in an early season game. The Longhorns defeated Spur 13-6. Levelland defeated Ralls 32-6. Littlefield beat Levelland 7-6 and the Longhorns beat Ralls 20-0. These comparisons are conflicting but local fans feel that the Longhorns have an excellent chance to win the bi-district game. The game will probably be rated very close and the team that plays heads-up football and gets the breaks will win.

Lefors has won the title in District 2-A and will play Phillips next week if Phillips defeats Perryton this week and wins the title in District 1-A. The winner of the Phillips-Lefors game then will play the winner of the Longhorn 4-A game for the regional title. The regional winner will then enter the state Class A play-offs. This year for the first time in history the Class A teams will determine the state champion.

Box Supper At Lone Star Tuesday Night

There will be a box supper at the Lone Star Schoolhouse on next Tuesday night, November 23, it was announced last week. The supper will be sponsored by the school patrons and the money derived will be used for school improvements.

The ladies and girls of the community are urged to bring pies and the men come prepared to buy them. A large crowd is expected to be present.

Spur-Floydada Play For Second Place In District

The Floydada Whirlwinds will journey to Spur tonight (Friday) to play the Bulldogs for the second position in district standings. At present the Bulldogs hold second place and Floydada third. However, if the Whirlwinds beat Spur they will then be tied with the Bulldogs for the second position.

In other District 3-A games this week, Paducah plays at Matador and Crosbyton goes to Ralls.

Results last week showed the following:

Team	W	L	Pct.
Lockney	7	0	1.000
Spur	5	1	.833
Floydada	4	2	.667
Crosbyton	3	3	.500
Abernathy	3	4	.429
Paducah	2	4	.333
Ralls	1	5	.167
Matador	0	6	.000

Watch Your Kidneys!

Help Them Cleanse the Blood of Marmful Body Waste
Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.
Symptoms may be sagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

WTCC Officers Are Selected

Abilene, Texas—A West Texas banker and a group of wellknown business men will direct the activities of the West Texas Chamber of Commerce for another year in what has been declared the most outstanding work program in the history of the organization.

John D. Mitchell, president of the First National Bank of Odessa, is the new president of WTCC. He formerly was a Lubbock banker and has been active in West Texas financial affairs for a number of years.

J. M. Willson, Floydada, owner of a dozen lumberyards on the plains, and a trustee of SMU and McMurry College and active in Boy Scout work, is first vice president. B. P. Bludworth, outdoors advertising man of Brownwood is second vice president and Frank Kelley, Colorado City oil land man, is third vice president. Ed S. Stewart, Abilene candy manufacturer was elected treasurer.

D. A. Bandeen was reelected to the general managership where he has been for 20 years, with a rising ovation to his long leadership in West Texas activities.

Principal activity of the organization for the ensuing year will be in its fight for protection of domestic water rights and attempt to increase water development in the area, according to the convention program.

At the annual meeting in Abilene Monday, the WTCC directors authorized the creation of two strong groups. One is a Municipal Water Rights Committee, which will be made up of city officials in West Texas towns needing additional domestic water and to work for protection of existing water rights.

The other activity will be the formation of the Soil Conservation Enactment Committee which will be composed of representative agriculturists, county judges and mayors of West Texas which committee shall be charged with the responsibility of assisting in the passage of the enabling act of the 51st Legislature, and in assisting the respective counties of West Texas in securing the maximum local benefits from the act.

This will be in support of the Williams-Ho't bill, which is an enabling act for HJR 24 (Amendment No. 7) which was voted at the Nov. 2 election. This bill is being sponsored by the WTCC.

District directors of the organization elected were: Roy S. Bourland, Pampa; Henry Teubel, Tulla; A. B. Taff, Childress; J. R. Fleming, Weatherford; Frank S. Roberts, Breckenridge; Charnell Jobe, Lamesa; J. L. Pinkerton, Monahans; R. M. Hawkins, Alpine; E. L. Buelow, San Angelo, and John C. Grammer, Coteman.

Mr. and Mrs. Dick Taylor and family of Lubbock visited in the J. D. Huggins home last week and attended the homecoming.

Mr. and Mrs. Emory Huggins and family of Plainview visited Mr. and Mrs. J. D. Huggins and attended the homecoming in Lockney last week.

Mrs. Kate Chandler left Thursday night of last week for a visit in Lubbock with her brother who is ill.

Sterley News

By Mrs. M. A. Boone

Members of the Sterley Home Demonstration Club were hostesses Wednesday November 10 to the women of other clubs on the county tour. Seventy women registered at the club room, after visiting the home of Mrs. J. E. Patterson, who was Sterley's living room demonstrator. Various forms of hand work were displayed in the club room and a covered dish luncheon was served with coffee and rolls at noon. Mrs. R. H. Tinsley, retiring president, introduced Mrs. Joe Reeves, president elected for 1949. Mrs. Reeves welcomed the guests, and Mrs. J. W. Foster was called on to offer thanks. Mr. and Mrs. A. O. Yarbrough and children visited in Memphis Monday and Tuesday.

Visitors in the M. A. Boone home Sunday were their daughter and husband Mr. and Mrs. Blake Wool of Plainview, Mr. T. L. May and Jack Baskin of Estelline.

Mr. and Mrs. J. N. Southard and children visited relatives in Lubbock Sunday.

Miss Evelyn Bobbitt of Amarillo visited her father and brother Bert and Jim Bert Bobbitt Wednesday night and attended the home coming in Lockney Thursday.

Mr. and Mrs. A. B. Blount of Floydada and Miss Green of Wichita Falls visited Mr. and Mrs. B. A. Howell Friday.

Mrs. L. A. Claborn visited her daughter in Plainview Monday.

Mr. and Mrs. Amos Nelson and children and Mr. Clarence Nelson of Anton visited Mr. and Mrs. G. P. Nelson over the week end.

Mr. and Mrs. J. D. Nelson visited in Turkey Sunday.

Dock Gibson of Derricks, Ark., is visiting his sister, Mrs. Everett Rivers this week.

Mr. and Mrs. Wilmer Teuton and son, Larry, of Amarillo spent last week end in Lockney visiting their parents, Mr. and Mrs. Ed Teuton and Mr. and Mrs. J. D. Huggins. They also attended the homecoming.

47 Club Boys And Girls Win

COLLEGE STATION—Forty-seven 4-H club boys and girls reaped the awards of their work when announcement was made of 1948 state winners this week by the Texas A. & M. College Extension Service.

Individual awards range from all-expense trips to the National 4-H Club Congress to \$25 savings bonds.

Twenty-nine of the youngsters will make up the delegation to the Congress in Chicago November 28-December 2, and it is possible that the delegation will pick up additional members, since several of the girls and boys are entered in sectional and national contests which offer the all-expense trip award.

Texas' representatives will go to Chicago in two groups—one from Fort Worth group will be accompanied by J. W. Potts, state boys' 4-H club leader, Gladys Martin, assistant state home demonstration agent and Fannie Brown Eaton, extension district agent for District 12, while the group from Amarillo will be accompanied by W. H. Jones, extension district agent for District 9.

This year, in contrast with several previous years, there were no winners from Floyd or Hale counties.

Arch McGaughey of McGregor spent the weekend here in the Berry Hooten home. Mr. McGaughey and Mr. Hooten were reared together in central Texas.

Lockney High

Jerry Sims Kay Norman
Tiney Foster Ilene Harris

Well, the great day is over and now we must settle down back to studies. The Homecoming was a great success with an estimated three thousand attending from all over the United States. There was not standing room at the football stadium where the Padukah Dragons met their defeat. The Longhorns took the district title with great ease coming out of the lopsided game with a 48 to 0 victory. We are now looking forward to our Bi-district game. We wish to express our deepest appreciation to our Band Director George Atwood for his ideas about the homecoming. "Orchids to Atwood."

School was much quieter than usual Friday. Everyone is ready to study hard to make up for the lost time. The boys have shaved and gone to white shirts and a few of the girls look a little less like cowhands. It seems as if we have returned to civilization. Wait-listen-slam, bang, clatter, and clam; a figure darts by then a few more leave their tracks in the past. It does not seem to be cattle rustling

or an air-raid; it is just the noon bell. Joe Keeter and Jimmie McGowen are in the lead. Calvin Pyle jams them in the traffic and with only one fractured skull, thirteen broken ribs, five less fingers arrives first in the lunch line. This goes to prove that there is never a dull moment in Lockney High.

DONNIE BYBEE'S LAMENT

I think that I shall never see
A girl refuse a meal that's free!
A girl whose hungry eyes are fixed
Upon—a coke that's being mixed.
A girl who doesn't primp all day
To make the soldiers look her way.
A girl who doesn't always wear
A bunch of junk to match her hair.
A girl who doesn't always put
Powder deeper than a foot.
But girls are loved by fools like me.
Cause gosh who wants to kiss a tree
"Lets do something about it girls"

CANDID CAMERA

Name: Marie Martin
Born: June 14; Place: Hermleigh
Hair: Light brown; Eyes: Blue-gray; Height: five feet and one inch.
Ideal boy: James Whitfill, has a good personality, isn't a smart alec, trustworthly, and good looking.
A pleasant day: To type 50 words a minute in typing. The day I belong to James.
Belongs to: James, Mother and Daddy.
Likes: Football, basketball, book-keeping, band, and to be in a crowd and have lots of fun.
Dislikes: Snooty people; asparagus, and smart alec boys.
Ambition: To be a good wife and housekeeper.
Name: Ewell Dee Kelley
Born: June 15, 1931; Place: Floydada
Hair: Black, Eyes Brown; Height: six feet and one and a half inches.
Ideal girl: Must be prettiest girl in school, have all the curves, class and cloths.
A pleasant day: To beat Shearer by one touchdown. No school, a football game with Floydada, scores 99 to 0.
Belongs to: I don't know myself, but I'm still looking for a "purty gal!"
Likes: football, basketball, pretty women, to eat, sleep, and dates.
Dislikes: Being skinny, school, mushy dates.
Ambition: To get out of High School

and to win state.

DIRT STORM

Who had "just" a little "hard" luck Thursday night??? Huh?
Katie Belle, did you have a good time bowling Tuesday night? How does a certain little girl feel about these bowling parties??
Harold Dee, did you cause a little first class friction on the bus the other morning?? Good going—so keep it up!!!
Mary Evelyn, won't you ever learn that it doesn't pay to tell secrets out of school?

A. T., we hear you are about to lose a girlfriend—could it be because of a "man"!!!!
Roylene, did you and Bobby Douglas "ave a good time in Plainview Sunday night??? Ah-h!

Shirley, didn't you and Ray get cold in the convertible Sunday nite??
Melba, you were doing good Sunday—three men!!! How about it??

Nita, why were you so happy Monday?? Could it be that you got a letter from a certain guy from Crane??
Beth, why the sudden interest in Plainview?? Come on out with it!

The Floydada guys seem to have an interest in a little gal named Joy!!
—Good going kid!!

Iva Mae—were you really mad Saturday night—was it because of a certain Floydada guy???

Jerry—did you have fun Sunday afternoon?? Thought you kept your activities a secret didn't you??

Wilma is the romance between you and W. C. still booming?? Hows about telling us??

By the way Joy did you really like Tommy Ray?? Huh?

Beth, were you really surprised to see your old flames from Dodson Friday afternoon??

Charles how do you like strawberry ice-cream?? Ice cream that is!!!!

"CONGRATULATIONS" to our little engaged Senior!! Best of luck Marie!

Tiney, you certainly disappointed a certain fellow Sunday night.

FOREIGN STUDENTS AIDED

AUSTIN, Texas—Twenty foreign students from 11 countries have been given University of Texas graduate non-resident tuition scholarships of \$125 each for the current semester. Ten recipients are from China, and one is from each of the following countries: India, Peru, Spain, Canada, Mexico, Guatemala, Egypt, France, Lebanon, and Panama.

JACK LIVESAY IS PLEDGE

CANYON—Jack Livesay of Lockney was pledged to Tau Tau Tau this week at West Texas State College. The social fraternity also pledged three other new members following rush week which ended Sunday.

Thirty-one students were asked to join the four sororities and three fraternities on the campus.

GO TO CHURCH SUNDAY

JONES TO FLORIDA

LUBBOCK—Dr. E. N. Jones, vice president of Texas Technological college, will represent the college at Pensacola, Fla., Nov. 16-18 at "Carrier Cruise."

Doctor Jones is attending the amphibious exhibition at the invitation of the Navy department.

The original meaning of the word opera was "works."

with a JOHN DEERE TWO-ROW COTTON HARVESTER

The easiest way to boost your cotton-growing profits is to use a John Deere No. 15 Two-Row Cotton Harvester. Based on 1947 labor cost, it saves \$30 or more per bale over hand pulling . . . does an excellent job in any crop that's suitable for mechanical stripping.

Handling two forty-inch rows at a time, the No. 15 does a clean, efficient once-over job of saving bolls. Its work is considered by many gin operators superior to cotton stripped by the average hand puller.

With the John Deere, you, too, can make short work of your harvest . . . get all your cotton to the gin before bad weather causes crop losses. For details, see us the next time you're in town.

We have hookups to mount the Harvester on John Deere tractors Model A, B and G, and on IHC tractors, model H and M. They can also be installed on certain other types of tractors.

A small deposit will hold one of these harvesters until you are ready for it. We will come and get your tractor, install the cotton harvester and deliver it back to your farm at no extra cost. There were approximately 40 of these machines sold in the Lockney trade territory last year and we can supply you with the names of the purchasers if you wish to talk it over with someone who bought one last year.

Longhorns Swamp Paducah 48-0

The Lockney Longhorns closed their regular 1948 football schedule on Armistice Day, last Thursday, by defeating the Paducah Dragons 48-0. The victory was sweet revenge for the locals who were knocked out of a perfect season last year by the Dragons in a 7-6 defeat.

The Dragons were completely out-classed by the Longhorns although the Paducah team had made a good showing against other District 3-A teams. They had defeated Floydada and Ralls and lost to Crosbyton and Abernathy by a close score.

Both of the Sandlin boys started against the Longhorns but Joe was hurt in the second quarter and removed from the game. Paul Sandlin played most of the game. However, the real star for the Dragons was a little boy by the name of Slover whose name wasn't even on the program. Slover made most all the Dragon yardage on the ground.

For the Longhorns no one boy stood out, but all of them played good steady football. Jerry McCulloch made two of the touchdowns for the Longhorns, Calvin Pyle made three, Jack Cole made one and Charles Crouch made one. Reserves played a good part of the second half and made two touchdowns against the Dragons.

Statistics showed that the Longhorns made 12 first downs to 6 for Paducah. They gained 375 yards from scrimmage to 124 for Paducah. The Longhorns attempted five passes, completed two for touchdowns and a total of 46 yards and had none intercepted. The Dragons attempted 29 passes, completed 4 for 48 yards. They had two intercepted.

The Longhorns blocked two punts both of which set up touchdowns.

The Longhorns were penalized three times for 25 yards while the Dragons were penalized once. The locals lost 14 yards from scrimmage while Paducah lost 28 yards. Paducah fumbled once.

Here is a brief review of the game.

Paducah received and returned the ball to the 31 yard line. They made 2, passed incomplete, made 2 and then on an attempted punt the whole right side of the Longhorn line swarmed in and blocked the kick. The Longhorns took the ball on the Paducah 34. The Longhorns made three, and then nine for a first down, were penalized five, and then made another first on the Paducah 13 in three plays. The next play carried to the 1 1/2 yard line and then Jerry McCulloch plunged over

for the score. A fumble on the attempt prevented the point.

Kelley kicked the ball over the goal line and off the playing field on the kick-off and the Dragons took it on their own 20. They made 2 and then 7 and then 3/4 of a yard. Lacking about one foot, Sandlin decided to buck the line on the fourth down instead of kicking. He hit the Longhorn line, lost a half a yard in the attempt and the ball went over to the Longhorns on the Paducah 30.

The Longhorns failed to gain on one play, then Jimmy McGowen dropped back and passed to End Calvin Pyle who went over standing up. McGowen kicked the point and the score was 13-0.

The Dragons returned the kick-off to their own 26. They fumbled on the first play and a Longhorn recovered on the Paducah 27. The locals made 4, and then Pyle took the ball on an end around play and carried over for the score. McGowen kicked the point.

The Dragons received and returned to their own 24. They lost 2 on the first play, lost three on the next and lost four and the third down. They then kicked out on their own 33.

On the first play from scrimmage for the Longhorns Pyle took the ball on an end around to the Paducah 15. The Longhorns lost 3, were penalized five, had a pass incomplete and then Pyle made 12. They made 5 and lost the ball on downs on the Paducah 7.

The Dragons threw two passes, both incomplete and kicked to the Lockney 46. The Longhorns drove down to the Paducah 29 where they lost the ball again on downs. Here Ray Ferguson, reserve back hit Joe Sandlin for a 15 yard loss and Sandlin was removed from the game. The Dragons failed to gain enough and kicked to McGowen who returned the punt to the Paducah 42. They drove down to the Paducah 21 from which point Jerry McCulloch broke loose for the score. McCulloch also plunged for the point.

Paducah received, passed three times incompletely, and then fumbled the ball with Lockney recovering at the half time whistle blew. The score Lockney 27, Paducah 0.

Both the Lockney and Paducah bands performed at the half and were very impressive.

The Longhorns didn't take long to score at the start of the second half. They received and returned to their own 29 yard line. They made a first on the Lockney 42 in two plays and then Pyle took the ball on an end around and ran 58 yards for the score. McCulloch plunged for the point.

Paducah received and returned to their own 35 yard line. With a number of Longhorn reserves playing the Dragons made seven in three plays and then kicked to McGowen who returned the punt to the Paducah 48. The Longhorns made a first on the Paducah 34 and then Jack Cole broke through over right tackle, reversed his field and went over standing up. McCulloch plunged for the point. The score 41-0.

Coach Curtis Kelley had most of his second and third stringers in the game now. The Dragons received and returned to their own 29 yard line. On a series of mixed scrimmage plays and passes the Dragons drove down to the Lockney 18 yard line. But here a pass interception stopped them and the Longhorns took the ball on the Longhorn 24. They in turn drove to the Paducah 40 where they lost the ball on fourth down. The Longhorn forward wall broke in and blocked the kick and reserve end Bobby Baxter recovered the ball for the Longhorns on the Paducah 27.

The Longhorns made a first on the Paducah 16 and then McGowen passed to reserve end Charles Crouch for the score. The point was made and the score stood 48-0.

The Dragons came back with a determination to score against the Longhorn reserves and drove down to the Lockney nine yard line on a series of plunges and end runs. Here Coach Kelley returned his first string line to the game and the Dragons wound up the first three downs with minus one yard and on the fourth down De Juan Strickland intercepted a pass for the Longhorns and ran the ball out to the Lockney 35, where the game ended.

There were 13 men at the Last Supper.

Texans Smoking Themselves Out Of Home-Home

AUSTIN, Texas—Texans are smoking themselves out of home.

They are also smoking themselves out of life, health, jobs, farm products, raw materials, timber, and places of education and entertainment, claims Marvin Hall, State Fire Insurance Commissioner.

He says the main cause of fire throughout the nation is careless smoking, not only according to the major number of fires it starts each year, but also in the amount of cash damage done.

"Smokers should use friction lights or safety matches wherever possible," he suggested, "and matches, cigarettes, cigars and pipe ashes should be thoroughly extinguished and thrown in a metal container. Matches should also be kept in a metal container, and in a place where

small children cannot reach them. Also a liberal supply of ashtrays should be provided throughout the home."

To diminish the chances of a cigarette fire in your home, Hall says do not smoke in the garage, barn or in the attic, and as you value your life, do not smoke in bed, this being one of the most dangerous practices of smokers.

He stated that smoking should be prohibited in all storage plants and warehouse basements of all stores and buildings, schools, theatres and places of amusement where large crowds gather, wholesale and retail gasoline plants and stations, and wherever fire may endanger lives and property.

Other main causes of fire, listed in order of their frequencies, are: gasoline and other petroleum products; misuse of electricity; stoves and furnaces; chimneys and flues; exposure; sparks on roofs; lightning; hot ashes and open fires; open lights; spontaneous ignition and rubbish.

Mr. and Mrs. Shaw Celebrate Golden Wedding Sunday

Mr. and Mrs. W. A. Shaw, who formerly lived in and near Lockney for many years, will celebrate their golden wedding anniversary with an open house Sunday, November 21st, at their home 363 West California Street in Floydada. Calling hours will be from 3 until 6 p. m.

The couple was married November 18, 1898, in Trenton, Fannin County, Ga. On November 5, 1917 they moved with their family to Floyd County, making their home near or in Lockney for about ten years.

Children and grandchildren of the couple will aid in receiving and at the tea table during the afternoon.

LOCKNEY H. D. CLUB TO MEET MONDAY

The Lockney Home Demonstration Club will meet in the home of Mrs. E. E. Stapp on Monday, November 22 instead of on Thursday which is the regular meeting date, it was announced this week. Miss Leila Petty, county home demonstration agent will be present. All members are urged to be present.

Bridal Shower Honors Mrs. David Williams

A bridal shower was given at the home of Mrs. Herman King Friday afternoon honoring Mrs. David Williams, the former Nina Lee Foster.

Arrangements of chrysanthemums decorated the entertaining rooms. Mrs. L. M. Reidhimer and Mrs. Raymond Teeple poured punch from a crystal service. Mrs. King, Mrs. Clyde Parish and Mrs. Ben McIhee furnished music during the entertaining hours and Mrs. J. T. Griffin read "Husbands" by Edgar A. Guest.

Hostesses for the occasion were Mrs. C. L. King, Mrs. Albert King, Mrs. L. M. Reidhimer, Mrs. Raymond Teeple, Mrs. Jack Frizzell, Mrs. Ben McGhee and Mrs. Herman King.

Approximately 50 guests called or sent gifts.

VISITS HERE FROM LAMPASSAS

Mrs. A. O. Harrell of Lampassas, Texas, is visiting in the home of her sister, Mrs. Will Fieds. Mrs. Harrell with Mr. and Mrs. Fields visited Mrs. Doris Delahunty of Crosbyton and their other two daughters, Mrs. Belt and Mrs. Holmes at Lubbock. They also visited Mr. and Mrs. R. V. Fields in San Angelo, Texas.

La Ventana Club Meets Tuesday

The La Ventana Study Club met in the home of Mrs. Hubert Frizzell on Tuesday, November 9. Mrs. Robert W. Smith was leader of the program. Roll call was answered by a quotation from the subject, "Old Mexico." Mrs. Smith gave a "Brief History of the Country."

Mrs. Clyde Baxter gave the "Customs (Social and Educational)." Mrs. Frizzell spoke on "Current Trends in Mexico."

A round table discussion on "Points of Etiquette" was held.

Ten members were present. The next meeting will be with Mrs. Griffin on November 23.

El Progreso Study Club Has Meeting

The El Progreso Study Club held their bi-monthly meeting Wednesday of last week in the home of Mrs. Frank Perkins.

Roll Call was answered by a quotation from "Oddities in the News."

A book review was given by Mrs. Sid Thomas.

Refreshments of chicken salad, cake and coffee were served to twelve members. The next meeting will be with Mrs. D. R. Foster on November 24.

Carol Cooper Is Party Honoree

Mrs. Howard Cooper honored her daughter, Carol with a circus party on Thursday afternoon November 11 from 2 to 4:30 o'clock celebrating the honoree's second birthday. A circus atmosphere prevailed throughout the entertaining rooms in decorations, games and stories. Pictures were also taken of the happy youngsters.

Hilarious excitement was prevalent when Mrs. R. E. Marr, Carol's grandmother, pulled in a little red wagon laden with mysterious gifts for the honoree. The group enjoyed playing with the many toys before being invited into the dining room for refreshments.

The white birthday cake surrounded with pink confection animals and topped with pink candles in animal holders formed the centerpiece for the table. Each plate held individual cakes also topped with two lighted pink candles which the guests blew out as the honoree blew out her own, birthday candles. Toy bird whistles were plate favors.

The young guests included Shirley and Jackie Cooper, Diana Allison, Jonita Ferguson, Johnnie Chandler, Gary Bob McAninch, Jane Chandler, Richard Hearne, Elaine and Wayne Cooper, Jane Chandler and Mrs. R. E. Marr.

NEW ARRIVAL

Born to Mr. and Mrs. Bill Watson on November 1, a baby boy who has been named Oran Coleman. The young fellow weighed eight pounds and five ounces and made his appearance at the Plainview hospital. Grandparents are Mr. and Mrs. Glen Watson of Lockney and Mr. and Mrs. Oran Davis of Canyon.

HAIR-RAISER . . . Mrs. Johnby Olsen of Chicago, Ill., made a vow in 1932 that she would not cut her hair as long as a Democrat sat in the White House. Now, scissors or no scissors, she'll have to wait another four years.

Clara May, Rev. Shaw Are Married

Announcement is being made of the marriage of Miss Clara May, daughter of Mr. and Mrs. W. H. May of Wilson, and Rev. Vernon P. Shaw of Kerrville, son of Mr. and Mrs. F. E. Shaw of Vernon, which took place Monday at high noon at the First Baptist church of Wilson with Rev. Aaron Shaw of Happy, brother of the bridegroom, performing a double ring ceremony.

Kenneth Shaw, student at Wayland college served as his father's best man and Charles Baker, Lawrence May and Jerold May, nephews of the bride and students at Hardin-Simmons university in Abilene, were ushers.

Following a wedding trip to Albuquerque, N. M., the couple will be at home in Kerrville where Rev. Shaw is pastor of the First Baptist church.

Mrs. Shaw is a graduate of Hardin-Simmons university and has done graduate work at the University of California and Texas Technological college. She has worked as a State Baptist Training union worker under the direction of the Baptist General convention of Texas. Rev. Shaw is a graduate of Wayland college and Howard Payne college in Brownwood. Before moving to Kerrville, he pastored churches in West Texas, including the First Baptist of Floydada.

F. R. McLeod's Mother Is Claimed By Death

Mrs. D. McLeod of Snyder, mother of F. R. McLeod of near Lockney, was claimed by death last Saturday about noon. She had been in ill health for a number of years.

Funeral services were held at the Primitive Baptist Church in Snyder Sunday afternoon at 2 o'clock. Burial was in the Snyder cemetery. Her husband died several years ago.

Mrs. McLeod had been a resident of Scurry County for 33 years.

She is survived by three sons, F. R. of Lockney, M. B. of Odessa, and J. A. McLeod of Roseburg, Ore.; three daughters, Miss Theo McLeod of Snyder, Mrs. Mertie Tatum of Snyder and Mrs. Pearl Denham of Throckmorton.

Those attending funeral services from this area included Mr. and Mrs. F. R. McLeod and family of Lockney and Mr. and Mrs. Gene Bolley and baby of Amarillo.

Mr. and Mrs. Gavin Marr and baby daughter have moved to Lockney from Olton.

Mr. and Mrs. Raymond Reasonover of Lubbock visited Mr. and Mrs. J. D. Huggins last Thursday.

Card of Thanks

INHERITANCE . . . Pasquale (Pat) Iarossi of Camden, N. J., grins lavishly about the "\$200,000" soaped on the mirror of his barber shop. He helped a down-and-out stranger 44 years ago, and when the man died last month he left the bulk of his estate to Pat.

Radio Device Helps Baby Sitter Care for Children

SHANKS VALLEY, N. Y.—A radio baby sitter for student veterans living here has been put into operation by Maj. J. L. Wood of Seattle.

It enables one baby sitter to take care of a number of children in their own homes on such occasions as community dances.

Maj. Wood is living here with his wife and two children while studying at Teachers' college. Before he entered the army he was in commercial radio.

His procedure is to place a microphone near the crib of each baby to be watched and connect it to an amplifier in his own home.

Each amplifier is labeled with the name of the baby being watched. In each home he also places an alarm clock near the baby so that if its ticking ceases the baby sitter will know that the radio device is no longer working.

The microphone is so sensitive that it will even transmit the sound of the child's breathing.

Thief Apologizes, Returns Loot; Identity Kept Secret

TACOMA, WASH.—Police were puzzled about whether or not to continue search for a bandit who held up and robbed an ice cream store of \$90 here, then, hours later, changed his mind and returned the money.

Mrs. Edyth Eaton, victim of the robbery, told officers the robber called her up and apologized for taking the money. She said she then urged him to return it saying she would not reveal his identity to police. He returned the money and she kept her promise.

Bond Campaign Is Launched In County

Seeking to encourage farmers and ranchers to build financial reserves for themselves, a special campaign for the sale of U. S. Savings Bonds was launched in Floyd County Nov. 11.

This announcement was made by J. M. Willson, County Savings Bonds Chairman, who explained that the effort here will be a part of a nationwide drive having three objectives. These objectives are: To get farmers and ranchers to save as much money as they can; to increase the number of wage and salary earners who are buying Savings Bonds where they work; and to increase the number of participants in the bank's Bond-A-Month Plan.

"So far as this county is concerned, the farm and ranch objective is the most important because the welfare of our whole area is largely dependent upon the well-being of our farmers and ranchers," he said.

He said that the drive would continue through this year, and that an effort would be made to contact every farm and ranch family in the county.

"Most of the farm and livestock organizations and government agricultural agencies are assisting in our efforts to sell Savings Bonds to farmers," he said. "They are doing so because they all agree that financial reserves are as necessary to the successful operation of a farm and ranch as they are to a business in the city, and that now, while farmers and ranchers are enjoying a measure of prosperity, is the time for them to build these financial reserves as a protection against the future."

He received notification from Nathan Adams of Dallas, chairman of the Treasury Department's Advisory Committee for Texas, that no dollar quotas had been established for the campaign. However, the state goal is to add 50,000 to the number of men and women who are buying bonds through the Payroll Savings Plan, and \$500 to the number of bank depositors who buy bonds automatically through the Bond-A-Month Plan. The national goals are 1,250,000 new participants in the wage deduction plan and 50,000 new participants in the Bond-A-Month Plan.

The American Legion has adopted the campaign on a nationwide basis as a part of its program for making America Stronger.

Fifty-nine new faculty members above the rank of instructor joined the University of Texas faculty this year.

Alliance With Europe?

Within the very near future, this country will start serious work on preparing the draft of a military alliance with a group of foreign nations. That would have happened before, had this not been an election year. As it was, the State Department and the other agencies involved thought it best to postpone it until after the election. In order to keep it above and beyond partisan political considerations.

It is a remarkable thing that such a proposal should be seriously made in a country which, until recently, had religiously followed Washington's admonition against entangling foreign alliances. It is a still more remarkable thing that some kind of a military alliance has every chance of being approved—that, indeed, the odds are overwhelmingly in its favor. There is no better illustration of the fact that the world has shrunk tremendously, looking at it from the military and foreign relations points of view, and that America's ocean-made geographical remoteness from Europe

SCHOOL DAYS

By DWIG

is no longer considered to be a guarantee of territorial security.

If and when the alliance comes into being, it will be the result of the Soviet Union's postwar attitude—and, more particularly, the obvious intent of that power to dominate all of Europe and destroy every possible vestige of Western democratic influences. Had Russia even gone through the motions of cooperating with the Western nations in implementing the peace, and had she shown even a modicum of restraint in her dealings with the little nations that border on

her boundaries, it is doubtful if the American Congress and the American people would have approved anything resembling an effective foreign alliance. However, that is water under the bridge, and the world being what it is we are taking more and more of the spotlight on the international stage.

According to John M. Hightower, an AP foreign editor, "State department officials—plan to consult leaders of Congress and the major political parties to find what they will support in the final drafting of a proposed treaty to create a North Atlantic mutual defense system." The countries which will be initially involved, besides the U. S., are Canada, Britain, France, Belgium, Luxembourg, and The Netherlands. Preliminary talks have already been held between the ambassadors of these nations and Undersecretary of State Lovett, who has been doing a great deal of quiet but important spade-work for the future while his chief, General Marshall, has been occupied with critical current problems.

Mr. Hightower reports that diplomatic authorities feel that a number of major points will survive negotiations and be formally enacted. Among them are: 1. The participating nations will form the nucleus of the non-communist alliance. 2. Other non-communist powers should be included. 3. If any of the nations involved is attacked, all the others will consider that they have been attacked as well. 4. Thereafter, each nation would take "appropriate action" in accordance with its own particular constitutional processes.

This is indicative of the progress the West is making in cementing its strength against possible aggression. It is reasonable to assume that such an alliance would be followed by outright military aid on a large scale to the countries of Europe which join. All of them are military weak, to varying degrees, and they want planes, tanks, ammunition, and so on. And, in the view of many, an alliance on paper wouldn't mean much unless it were solidly backed up by material power.

There is still another point that deserves wide mention—the courage that small European countries have shown in resisting Russia. That resistance is fairly easy for us, with our enormous military potential, and our possession of a huge country which has been free of foreign invasion. It is a very different thing for poor and devastated countries which have been fought over at almost regular intervals for centuries, and which are within easy reach of the powerful Russian bear with his innumerable divisions, his planes, his submarines, and his guns. The anti-communist leaders in those countries certainly

can hold no illusions about what will happen to them if the communists do gain control—the example of Czechoslovakia alone is sufficient. And even the rank and file of Western sympathizers know that there would probably be an unpleasant fate in store for them too—the communists obtain their forced labor gangs from those who oppose them. All in all, the peoples and governments of Western Europe have shown a fine degree of resolution in standing up for what they believe to be right.

Soil Conservation District News

Three supervisors of the Floyd County Soil Conservation District attended the State convention of district supervisors at Brownwood on November 9 and 10. W. H. Nelson went as a delegate and W. F. Ferguson and Cecil Purcell as members. They reported a nice, educational meeting with most of the program being from supervisors of various parts of Texas. The president of the National association of supervisors was in attendance.

H. R. Hartman of South Plains had

terracing done about a year ago with district assistance. Since then he has had some washing rains and has decided to terrace some additional land.

W. E. Terrell of Lockney reported that he made 99 bushels of Plainsman milo per acre on land that had been in alfalfa three years while similar land that had been cropped in sorghum made forty bushels per acre.

The field crew of the Soil Conservation Service office has set well locations for W. F. Ferguson of Starkey, O. G. Mayfield of Floydada and W. G. Jones of the Providence community.

How's our railroad doing, young man?

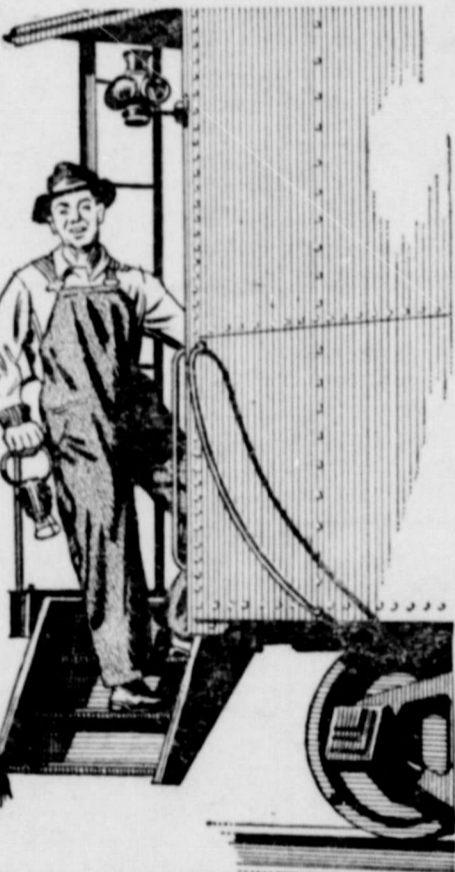

- "Is it making any money?"
- "What are they paying for fuel these days?"
- "Are you hauling much freight?"
- "Do you like your job?"

The little old lady is not a busybody—she is merely looking after one of her investments.

She has some money in the Santa Fe. Maybe it's ten, maybe it's twenty, maybe it's fifty shares of Santa Fe stock.

She is entitled to attend a stockholders' meeting. She can get on her feet and ask our board of directors questions just like the above. She can compliment those gentlemen for their management, or she can bang her umbrella on the table and tell them off.

Alone, her few shares of stock

can't do a lot. Alone, she couldn't elect a president of the United States. But stockholders just like her—housewives, teachers, merchants, salesmen, laborers—can tell us how to run the Santa Fe, and they do. (Actually 29,178 Santa Fe stockholders are women, most of them holding only a small number of shares each.)

And that's the beauty of America—the voice of the people is the voice that runs things, whether it's operating a transcontinental railroad or putting a man in the White House.

Isn't it a wonderful country where so many can own so much? That's "Free Enterprise."

Santa Fe stockholders, just as those of any railroad, know that American railroads must be permitted to earn at least 6% (many other industries earn more) on their investment in order to maintain sound and progressive operations and to continue to provide shippers and passengers with the finest in rail transportation.

SANTA FE SYSTEM LINES
Serving the West and Southwest

PMA Ballots Readied

The duly selected nominating committee of the Floyd County Production and Marketing Administration composed of Gilbert Fawver, Ben Quebe, Wiley Nance, Billy Staniforth Jr., Raymond Williams, Buck Sams, and Harvey Newberry met with the County Committee Monday, November 15, and selected the nominees which will appear on the ballots to be used in the County Committee and Community Committee elections.

There are three ballots to be used in the respective communities of Lockney, Cedar Hill, and Floydada. On each ballot appear two candidates for each of seven places to be filled. Provision is made for write-ins.

On the Lockney ballot appear the following nominees:

Delegate: Henry W. Schacht, Ben O. Quebe

Alternate-Delegate: R. C. Mitchell, James A. Bobbitt

Chairman: Raymond M. Rucker, Alvin O. Foster

Vice-chairman: Ewald M. Quebe, Robert W. Smith Jr.

Regular Member: Chester W. Mitchell, Herman R. King

1st Alternate: Hubert E. Frizzell, Harmon L. Handley

2nd Alternate: Wiley Nance, Buck Sams

The Cedar Hill ballot consists of the following nominees:

Delegate: Billy M. Staniforth Jr., Arthur S. Brown

Alternate-Delegate: Richard H. Stovall, Thomas S. Brown

Chairman: Robert Dunlap, Cecil Purcell

Vice-chairman: Ernest P. Smitherman, J. Shelby Calahan

Regular Member: Edell DeBois, Webb A. Taylor

1st Alternate: William D. Beedy, Orbie E. Beard

2nd Alternate: William E. Burleson Jr., George C. Beedy

The Floydada ballot will have the following nominees:

Delegate: Roy L. Hale, Ray H. Smith

Alternate-Delegate: Aldine Williams, Raymond A. Williams

Chairman: Gilbert Fawver, Walter M. Knight

Vice-chairman: Roy L. Hale, Harvey L. Newberry

Regular Member: Ernest L. Thomas, John K. Holmes

1st Alternate: Homer L. Farmer, Mal Jarboe

2nd Alternate: Frank Probasco, Wilson W. Edwards

The Lockney ballot will be used by farmers living in Providence, Prairie Chapel, Lone Star, Sterley, Aiken, Irick, Pleasant Valley, Lockney, Ramsey, and Muncy communities. The polling place will be Lockney Beacon Office.

The Cedar Hill ballot will be used by farmers living in South Plains, Edgin, Fairmount, Liberty, Fairview, Center, Campbell, Cedar Hill, and Hillcrest communities. The polling place will be Cedar Hill Store.

The Floydada ballot will be used by farmers living in Harmony, Sand Hill, Blanco, Floydada, Allmon, McCoy, Starkey, Baker, Antelope, Dougherty, Lakeview, and Pleasant Hill communities. The polling place will be the County Court Room, Floydada.

All farmers in Floyd County are being mailed ballots which may be used by them in voting by mail, returning the ballots to the county office, or going to the polling place on December 6 and placing the ballot in the ballot box. Those who do not receive ballots because of the inadequate mailing list may secure them at the county office and vote prior to the actual election or they may secure the ballot from the polling place. These various methods of voting have been authorized to take into consideration the fact that farmers are busy people and can not take time out to vote. These various methods will make it possible for each farmer to have the opportunity to vote for the farmer-committeemen who will administer the program for the coming year.

The apparent indication that important farm legislation will be forthcoming during the next year makes it more important that qualified men be selected to the farmer-committee positions.

Unknown Cattle Disease Sweeps Over 30 States

COLLEGE STATION—High school algebra keeps the students busy trying to solve for "X". And, right now, it's the same thing veterinarians are trying to do—solve for "X". Only in this case "X" is a cattle disease that was first reported in New York nearly ten years ago. Later it began cropping up in other states around 1943. Now it almost covers the nation,

except for the Pacific Coast states. At the latest count it was reported in over 30 states including Texas, says Dr. W. C. Banks, extension veterinarian of Texas A. & M. College.

"X" doesn't seem to affect anything except cattle. And, according to a recent survey made in the Southeast, it was found that nine beef animals were infected to one dairy animal. The most severely affected animals die from the disease. This survey also showed that 31 percent of all animals in 26 herds were infected, and 59 percent of the affected animals died. One of the common things among pregnant animals is abortions.

Symptoms of the disease include a watery discharge from the eyes and nose, and later on, as the disease develops, the animal's appetite fails, it loses condition, and becomes depressed. The skin gets thick, wrinkled, hard and leathery and lesions sometimes appear on the muzzle or in the mouth.

This "X" disease may be confused with pink eye, cobalt deficiency, Dallas grass poisoning or scabies by the stockmen. But for the veterinarian who knows the disease, it's not hard to diagnose.

It may hit the herd anytime of year, but is more likely to occur in the late winter and early spring months, says Dr. Banks. Its cause is not known, and for this reason there isn't any known treatment for the disease. No drug treatments have been effective for control.

Just about the only thing the stockmen can do is feed a good balanced ration and keep the herd and barns clean. Sanitation, good feeding and quarantine of new animals in the herd are about the only control measures there are.

Mrs. M. S. Johnson left Friday to visit relatives at Fort Worth and Greenville.

Lone Star News

By Mrs. Harold Griffith

The Lone Star PTA will sponsor a box supper Tuesday night November 23, 1948 in the school auditorium. There will be added attractions which includes a cake walk where some twelve cakes will be disposed of, a set up of dolls and an interesting grab bag. Coffee and soda pop will be available. Everyone is urged to come and help make this affair a success.

The Homecoming at Lockney was of much interest to this community. Several families got together with classmates at different places. These get-togethers were happy occasions for everyone.

The Albert King home was the scene of a bridal shower for Mrs. David Williams, nee Nina Lee Foster, on Friday afternoon November 12, 1948. Hostesses for this occasion were Mrs. Herman King, Mrs. Clois King, Mrs. L. M. Readhimer, Mrs. Jack Frizzell, Mrs. Ben McGhee, Mrs. Raymond Teeple and Mrs. Albert King. The bride received many beautiful gifts from her friends.

Miss Edith Johnson of Lubbock, Texas spent the Armistice Holidays with her parents Mr. and Mrs. G. B. Johnston Sr.

Mrs. Bloyce Yeager and children Stewart Lee and Lybia Kay of Hobbs, New Mexico visited Mrs. Floyd W. Jackson Thursday.

Mr. and Mrs. Hugh Nance and son of Silverton, Texas visited his parents, Mr. and Mrs. J. B. Nance and family Sunday.

Mr. and Mrs. L. M. Readhimer and girls visited relatives in Amarillo from Friday until Sunday noon.

Mr. and Mrs. Walter Griffith were luncheon guests of Mrs. Frank Copeland in Lockney Sunday.

Mamye Lou Nance of Amarillo spent the Armistice holidays with her parents Mr. and Mrs. W. D. Nance and family. Other guests in the Nance home over the week-end were Bobby Dean Nance of Amarillo and Mr. and Mrs. Conrad Henderson and son Donald.

Mr. and Mrs. Floyd W. Jackson and Betty June were dinner guests Sunday of Mr. and Mrs. Buck Sams.

J. E. Elmore of Lorenzo, Texas visited Mr. and Mrs. Howard Watkins and Sherry awhile Sunday afternoon.

Visitors in the G. C. Tiner home Saturday night and Sunday were Mr. and Mrs. Marcus Latham of Ropesville and Mr. and Mrs. C. W. Dodson Jr. from Midland, Texas.

Mrs. Reed Lawson has been spending some time with Mrs. Zeb Reed who is in the hospital at Lockney being treated for pneumonia.

Mrs. Ivey spent the week end in Floydada with her mother, Mrs. Surliner.

Mr. and Mrs. J. E. Stover were dinner guests Sunday night of Mr. and Mrs. Bob Tiner and Gary.

Mrs. T. S. McGehee and Mrs. Cantrell of Plainview were visitors in the W. T. Rankin home awhile Friday afternoon.

Mr. and Mrs. R. L. Knox visited Mr. and Mrs. Lowell Jarrett and Larry awhile Sunday afternoon.

Mr. and Mrs. Luther Watkins, Martha and Elton of Plainview visited Mr. and Mrs. Howard Watkins and Sherry Sunday.

Mr. and Mrs. Lee Settles and Mr. and Mrs. Bud Buckner were visitors in the E. E. Buckner home Sunday.

Mr. and Mrs. Harold Griffith and boys visited in the home of her parents, Mr. and Mrs. V. D. Harris Sunday night. Other visitors in the Harris home was O. C. Harris and family

from Sao Paulo, Brazil and Mr. and Mrs. B. E. Harris.

Mr. and Mrs. Kline Nall and girls were dinner guests Sunday night of Mr. and Mrs. Walter Griffith.

Mrs. Arlie Barnett and son of Amarillo visited her sister, Mrs. Lowell Jarrett and family awhile Sunday afternoon.

Mrs. Reed Lawson and Sunny visited Mrs. Jack Frizzell awhile Sunday afternoon.

Mr. and Mrs. Obie Peugh and children visited Mrs. T. S. McGehee of Plainview Sunday night.

Mrs. R. L. Knox visited Mrs. Jack Frizzell Monday afternoon.

Mr. and Mrs. Tom Edd Wells and children of Halfway were luncheon guests of Mr. and Mrs. Tom Wells and Nell Sunday. In the afternoon they all visited Mr. and Mrs. Hubert Griffith and girls of Lockney.

Mr. and Mrs. Oliver Cox of Amarillo visited in the L. M. Readhimer home awhile Sunday afternoon.

Mr. and Mrs. Tom Wells entertained for their daughter, Nell, Wednesday night November 17, with a birthday party on her thirteenth birthday. The guests list included Tom, Jim and Joe Nance, Glenda Ann Readhimer, Betty Ann Nance, Mary Ann Rankin, Betty Sue Parish, Harold Deen Griffith, Johnnie B. Griffin, Bobby Clyde Baxter, Loretta and Melvin Peugh and Pat Frizzell. Mrs. R. L. Knox and Mrs. Harold Griffith assisted Mrs. Wells with the games.

There will be a Thanksgiving program by the school children on Wednesday afternoon November 24, 1948. There will be a program from each room and the parents and friends are invited. School turns out for the holidays November 24 until Monday morning.

VISIT DOWN STATE

Mrs. C. P. McPherson and son, Carl of Lockney, and her daughter, Miss Mary Louise McPherson of Floydada returned Friday from a visit with relatives at Austin, Victoria, Seguin, Port Lavaca, Alvarado and Fort Worth.

Mr. and Mrs. Buster Hanna and children of Turkey and Mr. and Mrs. Edwin Barker of Providence spent Sunday in the Jack Cooper home.

ACCIDENTLY SHOT

Connie Robertson, son of Mr. and Mrs. M. V. Robertson of Plainview, was accidentally shot in the right leg last Sunday while hunting near Sterley.

A .22 automatic pistol was accidentally discharged in his pocket. He was treated at the Floyd County Co-operative hospital here where the bullet

was removed from its lodgement just above his knee. He was taken to his home Sunday afternoon.

With him at the time of the accident were Wilson Solly of Plainview and James Taylor of Lockney. It was reported.

Mr. and Mrs. R. T. Spence visited in the H. D. Ashby home last Sunday.

BUSINESS MANAGER—J. H. Felton

Did you RING OFF?

A good thing to remember is to "ring off" when you hang up the telephone receiver after talking.

There's a good reason for it, too. Ringing off (one turn of the ringer handle) tells the operator you're through talking. Then she can clear your line at once for the next call.

If you suffer from pocket-book pinch come the Yuletide season, here's a grand way to get around the gift-giving problem. For the smokers on your list, order cartons of mild, flavorful Camel cigarettes and pound tins of Prince Albert Smoking Tobacco—the largest-selling smoking tobacco in the country. When you give Camels or Prince Albert, you're giving smoking pleasure at its best—and a generous supply of it! The Camel carton, for example, contains 200 mild, cool cigarettes. Both Camels and Prince Albert packages will fit in perfectly with the spirit of the season, thanks to their colorful and gay wrappings. There's even ample space provided for a "Merry Christmas" message in your own handwriting. If you remind your dealer now to put away a gift-quota of Camels and Prince Albert, he can have them ready when you want them. (Adv.)

Rocking Horse Has Personality

HERE'S a rocking horse that has personality. It's one that has special appeal for youngsters of varying ages. You can have as much fun making and painting it as some lucky youngster will have using it. The full size pattern offered below really simplifies making, user merely traces pattern on wood, saws and assembles. No special tools or skill are required. Pattern also provides printed outlines for tracing mouth, nose, eyes, etc., on wood, thus no decorating skill is needed to paint rocker with a professional touch.

Caution for Swimmers

Stay out of the water for at least an hour after eating, and swim in sight of others. Be sure water is deep enough and free of obstructions before diving. Don't try to swim too far.

Ears are made from a piece of old felt hat, laid from a piece of rope. Send 35 cents for Pattern No. 53 to East-Bild Pattern company, Dept. W, Pleasantville, N. Y.

For Quick Cough Relief, Mix This Syrup, at Home

Here's an old home mixture your mother probably used, but, for real results, it is still one of the most effective and dependable, for coughs due to colds. Once tried, you'll swear by it. It's no trouble at all. Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments until dissolved. No cooking is needed. Or you can use corn syrup or liquid honey, instead of sugar syrup. Now put 2 1/2 ounces of Pinex into a pint bottle, and fill up with your syrup. This makes a full pint of splendid cough medicine, and gives you about four times as much for your money. It keeps perfectly and tastes fine. And you'll say it's truly excellent, for quick action. You can feel it take hold swiftly. It loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. Thus it eases breathing, and lets you sleep. Pinex is a special compound of proven ingredients, in concentrated form, well-known for its quick action on throat and bronchial irritations. Money refunded if not pleased in every way. **Pinex Is Quick Acting!**

BUY U. S. SAVINGS BONDS.

Tells the World "No More Laxatives!"

"I was so constipated I had to take laxatives all the time. That's over now—I'll tell the world KELLOGG'S ALL-BRAN every day really keeps me straight."—Mrs. Laura H. McNew, Poplar Bluff, Mo. If your diet lacks bulk for normal elimination, this delicious cereal will supply it. Eat an ounce every day in milk—and drink plenty of water. If not satisfied after 10 days, send empty carton to Kellogg Co., Battle Creek, Mich., and get DOUBLE YOUR MONEY BACK.

Spastic Clinic At Lubbock Monday

A clinic for the examination of children with cerebral palsy (sometimes called spastic paralysis or birth injury) will be held Monday, November 22 at the Cerebral Palsy Treatment Center, 1317 Tenth Street, Lubbock. Orthopedic Specialists from Fort Worth and Amarillo will be present to examine the patients.

Parents planning to bring children to the clinic are requested to register the children at the Center prior to the date of the clinic. Information regarding the clinic may be obtained by writing Miss Esther Snell, Director or calling Lubbock 6541.

Truett's Sister Dies At Matador

Mrs. T. M. Dixon of Whiteflat, sister of J. P. Truett of Lockney, passed away in a Matador hospital Sunday morning after an illness of several months.

Funeral services were held Monday at the Whiteflat Baptist Church with burial in the Whiteflat cemetery. Attending from Lockney were Mr. and Mrs. Truett and son, John Perry, Mrs. M. P. Fulkerson, Mrs. L. T. Busby, Mr. and Mrs. Vernon Daniels, Mrs. George Turner, Rev. E. J. Cobb.

JUNIOR 4-H CLUB MEETS

The Junior 4-H Club met November 18. Barbara Hays presided at the meeting. Mrs. Lella Petty gave a demonstration of correct table setting, pot holders and game books. 49 were present. Patsy Martin was elected as vice president, and Betty Joe Holmes as reporter. Several new members joined the meeting. Joan Sutterfield is unable to attend and vice president Barbara Hays became president.

Abraham Lincoln, James A. Garfield, and William McKinley were assassinated while serving as President of the United States.

This is the time of year to treat your cattle for grubs—This is grub season. They cause a big loss in meat, milk and leather. Ask the county agent about cattle grub control.

LOOKS LIKE A SAND BURR — Joan White, a senior in Hallahan girls' high school in Philadelphia, got her hair-do all stood up when she submitted to a scientific experiment at the Franklin Institute. And all she did was place her hand gently on a model of a Van deGraff generator. This widget, however, builds up high charges of static electricity. Miss White got a charge of 150,000 volts, every one of them strictly harmless—in a hair-raising sort of way.

Services At Sand Hill Sunday

Worship services will be held at the Sandhill School house Sunday afternoon at 3 p. m., it was announced this week.

Mrs. Bennie M. Rose, commissioned evangelist of the Church of the Nazarene will speak and she extends an invitation to all to attend and worship.

THANK YOU

To each of you who were so lovely to me, while I was ill, I appreciate your thoughtfulness, and the flowers from Mrs. Roy Handley, Mrs. Henry Ford and the hospital staff. They were beautiful and helped to gladden each day. To Dr. Foster, Mr. and Mrs. Holt and all the nurses, your kind attention and wonderful care will long be remembered and appreciated.

Sincerely,
Mrs. Boyce Kenady

County Council Holds Last Meet Of Year

The Floyd County Home Demonstration Council had its last business meeting of the year on Saturday, November 13. Mrs. Carrick Snodgrass, Chairman, presided. Seventeen members answered roll call and eleven clubs were represented.

Among the guests introduced were Mrs. M. L. Anderson of Lockney, Mrs. Wayne Russell of Lakeview, and Mrs. Paul Sparkman of Starkey, presidents elect of their clubs. Several other 1949 Council members were present.

Annual reports by club presidents, committee chairman, club officers, and T. H. D. A. chairmen made the meeting an outstanding one of the year.

New business included the presentation of plans for the annual Council Christmas party which will be held at the home of Mrs. George Weast of South Plains on December 15. The Recreation and Year Book Committees of the Council will be in charge of the program and the following refreshment committee was appointed: Mrs. John Smitherman of South Plains, Mrs. Otho Sanders of Sterley, and Mrs. Raymond Teeple of Lone Star. The 1948 Council members are asked to bring the 1949 members to the party.

Those present were Misses, Hephel Green and A. G. Cardinal Baker; Carrick Snodgrass, Harmony; O. G. Mayfield and John Lloyd, Homebuilders; S. V. Adams, Lakeview; Raymond Teeple, Lone Star; Lee Pope and M. A. Dorsey, Pleasant Valley; Lynn Miller and Arlon Miller, Sand Hill; J. B. Smitherman and George Weast, South Plains; and Otho Sanders, Sterley.

Visitors were Misses, M. L. Anderson, Paul Sparkman, Wayne Russell, and C. E. Bartlett.

D. A. Fulkerson Is Claimed By Death

D. A. Fulkerson, 85, was claimed by death at his home in Matador Friday of last week. He was an uncle of Mrs. J. P. Truett and a brother-in-law to Mrs. M. P. Fulkerson of Lockney.

Funeral services were held at the Matador Baptist Church Friday afternoon with burial in the Matador cemetery. Attending from Lockney were Mr. and Mrs. Truett, John Perry, Mrs. M. P. Fulkerson and Daniel Perkins.

Baptist Youth Rally At Dougherty Saturday

A youth rally for all young people will be held at the Dougherty Baptist Church on Saturday evening, Nov. 20 at 7:30. It was announced this week.

Several Wayland College students will be present and have a part on the program. The sermon will be by Dr. R. H. Fairwell.

Fellowship and refreshments will be enjoyed after the services. Everyone is invited to attend, it was said.

Texas flax production increased from a ten-year average yield of 287 thousand bushels to 864 thousand bushels last year and 960 thousand bushels this year. Last year's flax average was 91 thousand, and this year it came to 160 thousand acres.

Dr. Cox Warns Of Rheumatic Fever In Children

AUSTIN, TEXAS.—Rheumatic heart disease, a crippling and killer of children, is one of the leading causes of death and disability among children and young adults in the age group 10 to 25 years.

No vaccine such as those that prevent typhoid, diphtheria, smallpox and whooping cough has as yet been developed for its prevention and control, but we do know some of the danger signals and with a physician's early diagnosis, some of the damaging results of this disease may be prevented.

Quoting Dr. Geo. W. Cox, State Health Officer, "In general, the early symptoms of rheumatic fever are pain and swelling in the joints of the knees, ankles, elbows or wrists. The pain is felt usually in one of these joints and spreads to the others. Often a child gets irritable and cross without any apparent cause; he may cry easily and develop habits indicating nervousness. These symptoms may mean the beginning of an attack of rheumatic fever, and physician should be consulted immediately."

Predisposing causes to this disease, which include frequent chilling, damp or overcrowded living quarters, poor diet, colds, an attack of scarlet fever or other infections caused by certain streptococcal germs, should be carefully avoided.

Protection against these predisposing causes may mean protection against rheumatic heart disease, and these safeguards should be observed: Have children examined by a physician at least once a year; see that they have a well balanced and nourishing diet; make certain that they get sufficient rest, and see to it that they are dressed according to the temperatures of the room or the playground. Consult a physician at once if symptoms indicate that this disease may be present, and if the doctor prescribes complete bed rest, his advice should be followed exactly as given.

"Burn down your cities and leave our farms, and your cities will spring up again as if by magic; but destroy our farms and the grass will grow in the streets of every city in the country." William Jennings Bryan once

New Maytag HOME FREEZER

See the many advantages of this new home freezer, which also serves as a kitchen table. Fold-down leaf for extra work-surface and breakfast table. Capacity, 6 cubic feet. Counter-balanced lid opens easily—stays up without holding. Quick defroster for foods requiring it. Come in, first chance, and see these and other features.
