

TOP KIWANIS—Receiving the top award plaques at the Kiwanis Club's annual installation banquet last Thursday night were Carl Bruegel (left), who was announced as the Outstanding Kiwanian of the Year, and Jack Patton, who was presented the past president's appreciation plaque.

Bruegel was the club treasurer during the year and also served as chairman of the Castro County Activities Committee, representing the Kiwanis Club on the county-wide planning group. Approximately 40 Kiwanians, wives and guests attended the banquet in Dimmitt High School cafeteria.

Big harvest gets underway

With a whopping 63,000 more acres planted to milo, corn and cotton this year, the county's farmers cranked up this week to get a head-start on the big 1971 harvest.

CASTING cautious eyes to the skies and keeping their fingers crossed as they shifted gears, growers started moving into the fields over the weekend. In many fields, combines were slipping and sliding a bit on soil that was still soft from recent rains.

The first loads of all three major crops are already in.

R. G. Henderson of Hart brought in the county's first load of milo Sept. 15, delivering a 17,140-lb. load to Farmers Grain Co. in Hart before heavy rains dampened hopes for any more early cutting.

Jim Collins, who operates the Zella Neal estate near Flagg, brought Dimmitt's first load of milo to Castro County Grain Co. last Thursday morning. It tested 16 percent moisture content and had a test weight of 58 pounds per bushel.

"It was a little wet, all right, but it was good, hard grain," said Don Gregory of Castro County Grain Co.

FRIDAY was first-milo day at Sunnyside, with Alton Lounder delivering the initial load to Sunnyside Grain & Supply, and Jack Clark bringing in the first load to the Farmers Grain Co. leg.

Milo harvest is expected to get into full swing in another week or 10 days—if the weather stays dry.

NOISE AND BUSY HANDS attracted a lot of attention at the Panhandle South Plains Fair in Lubbock Saturday afternoon as these Dimmitt High School woodworking students demonstrated their skills at an industrial arts exhibit in the Children's Barn Yard Building. Forming an assembly line, the DHS students—seven boys and three girls—used the

latest woodworking machinery to turn out tic-tac-toe game boards which they presented as gifts to visitors at the rate of one a minute. The exhibit was staged by the Panhandle-Plains Industrial Arts Association, with Lubbock suppliers providing the shop equipment and lumber.

Broadside crash on 385 injures three Thursday

Three persons were hospitalized as the result of a broadside collision six miles north of Dimmitt last Thursday night.

INJURED were Mr. and Mrs. Fred Wall of Dimmitt and Truman Lewis Riddle of Lubbock, for intensified treatment. He Wall's leg was almost severed below the knee in the accident. After receiving emergency treatment at Plains Memorial Hospital, he was transferred to Methodist Hospital in Lubbock where he is in fair condition Wednesday morning, and his injured leg reportedly was responding to treatment.

Wall's wife, Georgia, is in Plains Memorial Hospital, where she is being treated for multiple cuts and abrasions. Her condition is listed as satisfactory.

RIDDLE was hospitalized overnight at Plains Memorial and

released Friday. Highway patrolmen said his use of seat belts evidently saved him from being seriously or critically injured.

The accident occurred about 7:45 p.m. at the intersection of US 385 and FM 2397, six miles north of Dimmitt.

Highway Patrolman Bill Scott said that Wall, driving a 1964

Chevrolet, was making a left turn off FM 2397 onto US 385 toward Dimmitt when the accident occurred.

AS WALL pulled across the northbound lane of 385, he crossed the path of Riddle's car, a 1972 Oldsmobile Toronado, Scott said. The Toronado crashed into the left side of the Walls' Chevrolet, and officers believed Mr. and Mrs. Wall were both thrown from their car.

Wall, 57, owns and operates Wall Cleaning Service in Dimmitt. Mrs. Wall is the head bookkeeper for the First State Bank of Dimmitt. Riddle, 46, is the president of Villa Oldsmobile in Lubbock.

Trucker charged with swindling

An independent trucker from Mount Vernon was charged last Thursday with swindling H&S Produce Co. of Hart.

ARRESTED was Harvey Edward Boaz, 28, who was charged with writing approximately \$2,350 in bad checks to pay for potatoes which he hauled in a leased truck for resale downtown.

Ladies' city golf tournament slated

The annual City Open Golf Tournament for Ladies will be staged Saturday and Sunday at the Castro County Country Club golf course.

SPONSORED by the Ladies' Golf Association, the tournament is open to all ladies, whether or not they are members of the Country Club or the LGA. Deadline for entering is 12 noon Friday at the Country Club pro shop, and the entry fee is \$5.

The tourney will feature 36 holes of match play, with flights assigned according to handicap. Winners' trophies will be awarded at a Sunday evening banquet following the tournament.

Price assistant to visit Dimmitt

Congressman Bob Price announced this week that his representative, Charles Lanehart, will be in the First State Bank of Dimmitt Wednesday from 9 to 5.

"I HOPE you will contact him if you think I can assist you on matters affecting the Federal Government," the congressman said.

200 brands logged so far

County Clerk Zonell Maples said this week her office has re-registered almost 200 cattle brands so far, with "a lot more left" to be logged in the county's official brand book.

THE RE-REGISTRATION period started Aug. 30 and will end Feb. 29. According to a new state law, all brands and marks on Texas livestock must be re-recorded during the six-month period. After Feb. 29, any unrecorded brand will be available for use on a first-come basis.

Texas' new brand recording law also required all brands and marks to be re-recorded every 10 years in each county in which they are used.

The owner has the right during the six-month period to file the mark and brand now re-recorded in his name. If it can't be determined from the records who first recorded the brand or mark in the county, then the person who has been using the mark and brand the longest will have the right to re-record them in his name.

UNDER THE NEW law, it is illegal to brand livestock without first properly recording the brand with the county clerk in the county in which the livestock are held.

There is no limit to the number of brands and marks now re-recorded in a county by one person. A minor may have marks or brands separate from that of his father or guardian.

Cats vs. Chiefs: Stocking cattle? Then hear this--

It will be a battle for survival in District 3-AA when the Friona Chieftains visit Bobcat Stadium Friday night.

BOTH THE Chieftains and Bobcats lost their district opener Friday night, and both need a victory if they hope to stay in the 3-AA race.

Coach Brown L. Smith and his Bobcats hardly know what to expect from the Chieftains, who have run alternately hot and cold so far while compiling a respectable 2-1-1 record. However, Smith and Associates are figuring the red-and-white Parmour County tribe will be tough.

Dimmitt and Friona already have faced two common foes. Friona topped Farwell 26-8 the week before Dimmitt defeated the same team, 26-0. Then Friona rose to knock Muleshoe from the undefeated ranks, 13-6 two weeks after the Bobcats had dropped an 18-16 decision to the Mules.

AFTER THEIR good start against Farwell, the Chieftains cooled off as they allowed Bovina a 6-6 tie in their second outing. Two weeks ago they got hot and handed Muleshoe its first loss of the year, but last week the Chieftains turned chilly again and gave winless Olton its first victory of the year, 23-13, in their District 3-AA opener.

If the Chieftains' rhythm holds true, Friday night will be their night to be hot again. And that could spell heap big trouble for the Bobcats.

Dimmitt and Friona have always had the knack for messing up each other's playhouses. Last year the Bobcats posted a fine 7-3 season—but one of those three losses came on their trip to Friona, 14-0. Three years ago the Chieftains were riding high and were favored to knock off the Bobcats in easy fashion, but took a bad mauling instead. This year the two teams seem evenly matched, and the game

could go either way, depending on the breaks.

THE CHIEFTAINS are relatively inexperienced, with only five starters back from last year's team which posted a 6-4 record. The carryovers are tackle Carroll Cook and fullback Bill Bailey on offense, and Cook and halfbacks Johnny Bandy and Mike Royal on defense.

Royal is starting at halfback on offense this year, and is one of the Chieftains' main threats. Joining him in the backfield are James Bartlett at the other halfback post, Bailey at fullback and Bandy at quarterback.

Cook is the only seasoned performer in the line. He is joined by Kevin Wiseman at the other tackle spot, Mike Martin and James Perea at guards, Willie Blakely at center and Rich Shirley and Larry Fallwell at ends. Perea is up from last year's freshman squad, while Blakely and Martin lettered last year.

FRIDAY night's game is expected to be a rugged test for the Bobcats—especially if the Chieftains repeat the hard-nosed act they performed against Muleshoe. Don't be surprised if the game is a cliff-hanger.

Kickoff time will be 7:30 p.m. in Bobcat Stadium.

Sales-tax income may hit \$65,000 in city this year

Dimmitt seems headed toward a \$65,000 year in sales tax income.

THE CITY has received \$15,855.75 from the state comptroller in city sales-tax income for the quarter that ended June 30.

The total collected on taxable goods here and turned in to the state during the quarter was actually \$16,205.08, representing \$1,620,500 in taxable retail sales by the city's merchants in April, May and June.

"Net payment" on the previous quarter's sales taxes comes in a roundabout way through a statutory formula. Of the \$16,205.08 collected here during the second quarter, the state retained an administrative fee of \$324.10, then left \$792.45 of the collections in the city's fund to cover possible bad checks to the city's sales-tax account in Austin this quarter. However, the latest payment included \$767.22 which the state had held against the city's tax account the previous quarter.

DIMMITT'S new sales-tax collection is higher than last quarter, which brought \$15,327.67 in to the city's general fund on taxable sales of \$1,563,731.

Sales taxes collected here during the third quarter, which ended last Thursday, will be returned to the city at the end of December.

National 4-H Week

County's 191 4-H club members help 'bridge the gap'

Castro County's 191 4-H members are joining 78,000 other boys and girls throughout Texas this week in observing National 4-H Club Week, Oct. 3-9.

THEME of the special week is the same as the theme being used throughout 1971—"4-H Bridges the Gap."

"The theme will have a special meaning to 4-H'ers this week since they are learning to bridge many gaps as they strive to make a better world for tomorrow," said Dr. Don Stormer, state 4-H leader. "As these

youngsters attempt to find their own special places in our world, they are confronted with many gaps of uncertainty."

He added, "Young people, through 4-H, are learning to bridge some gaps by creating roads of unity through cooperative efforts. They can reach others, understand and accept others, appreciate others and learn from them. Thus, through courage and dedication, they can become stronger, more conscientious citizens."

YOU MAY NOT know the full extent of 4-H work in Castro

County, or the number of people who volunteer many hours of work and help to make the program successful here.

The county has eight clubs, including three that were formed during the past year. These include two in Hart and one each in Dimmitt, Nazareth, Flagg, Bethel, Easter and Friona. The clubs average 24 members each.

All clubs are represented on the County 4-H Council, which is headed by Gary Hart of Hart. In addition, there's a Junior Leadership Club made up of 25 advanced 4-H'ers from all

the county clubs. Stephen Ackler of Nazareth is president of the Junior Leadership Club.

WORKING with the county's eight clubs on their projects are 40 adult leaders. They coordinate their programs and goals through a county-wide 4-H Adult Leaders' Association, of which Robert Duke of Sunnyside is president.

County Agricultural Agent Charles Hottel and County Home Demonstration Agent Irene Keating coordinate the overall 4-H program here for the Extension Service, which sponsors 4-H statewide.

MAJOR county-wide 4-H activities are the Junior Fat Stock and Project Show in February; the Girls' Dress Revue, Bake Show and Food Show in July; the County 4-H Youth Fair in September; the Method Demonstration Contest in the spring; County 4-H Camp each August; and the annual 4-H Awards Banquet in November.

To keep up their work and coordinate their projects, the county's eight 4-H clubs have regular meetings—usually once a month. In addition to their projects in livestock, home crafts, agriculture and garden-

ing, their work branches out to include environment, nutrition, health, specialty groups, community betterment, management, career studies and international programs.

IN HIS 1971 4-H message, President Nixon pointed to the fact that 4-H'ers are developing their skills through real-life experiences. He said, "Four-H members are proving how effectively youth can meet the challenges of the 1970s, and they are setting an example throughout this nation and the world."

Stormer, state 4-H leader, added, "Four-H has something

to offer for every boy and girl between the ages of 9 and 19. It serves youth of all cultural, social and economic backgrounds and allows them to get a real grasp on many of the exciting things that this life has to offer."

National 4-H Club Week is set aside each year to promote 4-H and to recognize those 4-H'ers and adult leaders who are dedicating their efforts to worthwhile 4-H experiences. The week also is devoted to recruiting prospective 4-H members through various programs and activities.

Truck and car collide Monday

A wreck between a sedan and a loaded grain truck that were going the same direction on Halsell Street Monday afternoon caused moderate damage to both vehicles.

POLICE Chief W. W. Jones reported that the accident occurred between a 1958 Chevrolet grain truck driven by Hubert Ray Tigue, 31, of Friona, and a 1963 Chevrolet sedan driven by Jimmy Jack Butler, 33, of Dimmitt. The left front of Tigue's truck was in collision with the right rear of Butler's car, Jones said.

Both drivers were going east on Halsell, near the Northwest Fifth Street intersection, Jones reported.

Neither driver was issued a citation.

Annual carnival cranks up here

The annual Castro County Activities Committee Carnival started Wednesday evening and will run through Saturday night.

BECAUSE of courthouse construction, the carnival has been set up on the First State Bank parking lot this year instead of its traditional site, the courthouse square.

Rides will begin at 6 p.m. weekdays and at 1 p.m. Saturday. Representatives of civic clubs and community groups will man the ticket booths.

Carl Bruegel, chairman of the Castro County Activities Committee, said proceeds of the carnival will be used to finance Roundup Week and other county-wide activities coordinated by the committee during the coming year.

Trips, parties and football keeps Dimmitt folks busy

By MYRTLE SHEFFY
Trips and parties keep our Dimmitt people busy and football on the field and on TV.

MRS. FLOYD Copeland (Nell) is home from a flying trip to Darien, Conn. where she visited her son Jack and Jane Copeland and of course Robin and William. She had a short stay in the big city of New York. She visited a relative there who was in the hospital.

Mr. and Mrs. Andy Behrends and her brother Joe and Bessie Story of Hereford had a good trip north—first to the Cimarron Valley, on through the Red River Valley across to Cabresto Lake to do some fishing. I hear the fish didn't take the bait. They came home by Santa Fe and across that part of New Mexico. Mrs. Story had never seen the Rocky Mountains.

RHONDA WELCH was in the hospital with a concussion she received when the saddle on her horse broke and slipped, causing her to fall. She is doing okay, but must be careful Rhonda is the daughter of Mr. and Mrs. James Welch.

Mr. and Mrs. Troy Langford say "thank you" for all the cards and good wishes while their son was in the hospital after being hurt in a wreck.

Francis Jackson has been very ill in Northwest Texas Hospital in Amarillo. His son Bo of Kansas City and son Kenneth and Mrs. Ivey Jackson have been with him. He had surgery and complications but is better now.

Keitha Davis Scott and son of Los Angeles came home last week to see mamma Aural and the surprise sister Janis Davis flew in from New York City. Keitha had a birthday so mamma baked a cake and so did Mrs. Potts and half the town people went by to see the girls and have a cup of coffee.

WEDNESDAY Aural Davis and Grace Wright went to Lubbock to the fair. They took a wild ride on the big ferris wheel the crazy one, then ate cotton candy and apples, then went to see and hear Tennessee Ernie sing. "A good time was had by all."

Lonnie Bell took a bunch of boys to the game in Floydada Friday evening. They stopped at Little Old Mexico Cafe in Plainview for supper. Boys were Jeff Bell, Jim Bradford, Coby Gilbreath, David Gregory, Greg Kelly, Tommy Kenworthy and Donnie Carpenter. A good game even if we did get beat.

Raymond and Mary King of Lubbock were weekend guests of Myrtle Lois and Russel Moran and also came to church with them. Then all the friends got together Sunday evening. These I can think of—Glen and Koma Ratcliff, Joe and Gladys Benson, Evie and Nolan Froehner Pearl Shelly and others.

Suzan Nelson of Paducah was a Sunday guest of friend Garland Coleman and his parents Mr. and Mrs. G. E. Coleman who recently moved here from there.

ALMA AND Gene Kenmore who moved to Ruidoso N.M. were here a few days last week and they were the honorees at a party in fellowship hall (Methodist) Wednesday evening. The Bible class were hosts bringing cookies, punch and coffee. Their many friends gave them a money tree. Good wishes go to them from all of Dimmitt.

Michael and Jeffrey Chaney of Friona are staying a few days with grandparents Jerri and Earl Chaney, while their parents Mike and Betty go to Red River for a vacation. I hear the trees or foliage is turning—all those beautiful colors in that area, mountains of New Mexico and Colorado. Dimmitt's trees are turning a nice color also.

Ina Cleavinger was hostess Thursday to her bridge playing friends. She served a good refreshment plate to Shirley

Wise, Dorothy Mayfield, Ruth Jackson, Dorothy Gilbreath, Mona Merritt, Jo Eddie Riley, and Katy Graham.

I HEAR Mrs. R. E. Wilson is doing a good job as leader of the hospital auxiliary. The ladies met recently in the home of Mrs. Carl Bruegel for a workshop for the coming bazaar. Also you go to the hospital and see the pretty gift shop in the lobby.

Mrs. Dee Williams was hostess at a luncheon at the Hereford Country Club Thursday. Bridge was played later by Muriel Smiley, Josie Bradford, Cletha George, Myrtle Shelly, Opal Bearden, Gladys Cleavinger, Retta Cluck and Maggie Boren.

After this party I met Sid and Bob Shelly to go watch Joe or the Junior varsity football team play junior varsity of Tascosa, Amarillo. Joe caught a pass and made a touchdown in the last two minutes that put the Whitefaces ahead.

Ira Wimberly went to Abilene to do some fence mending on the farm there, so wife Jeanine flew up to Denver, Colo. for a visit with friend Nelda Thomas, who lives in Bismark, N.D. Nelda takes pictures of interesting farm scenes for a magazine.

We saw many people Friday at Geneva Schaeffer's Craft Shack opening in the old Rawlins Coffee Shop. Several from Hart came in to see Miss Jyn's lecture on painting and antiquing. Mrs. Schaeffer has many things you can get to work with such as the boxes and pictures. Go by and look and visit.

Out-of-town guests were Stanley's brother Dean and wife Doris from Canyon and a niece Debbie and husband Clifford and children Debbie and Mike from Pasadena, Calif.

GENE and Lena Vaughn visited in Dallas last weekend with their daughter and son-in-law Debbie and Larry Bills and the grandson David. He was one-year-old. They went on to Grand Prairie to visit a son Jerry and Linda Carr and son Kelly. Mrs. Vaughn is now with Harman's Thrift Shop.

Reba Touchstone was hostess at lunch and a bridge party Thursday. I hear she made potato birdnests and filled them with chicken a la king, that good dessert she makes. Guests were Anita Morris, who won high score, Johnnye Boothe, hearily high scorer, Aural Davis, Grace Wright, Maxine Tidwell, Dugan Butler, Muriel Smiley, and Gladys Benson.

Vicki Carpenter and Marla Mayfield spent the weekend in Lubbock, visiting Tech friends, Jill Braafladt, Kay Willis, Trudy Elder, and the other Dimmitt students. They all went to the Fair, ate too many hot dogs, saw some shows.

SANDRA Robertson Stanton recent bride of Jay, was the honoree at a kitchen shower in the home of Mrs. W. E. Kirkpatrick and granddaughter Meri Kirkpatrick. Pickup foods and Cokes were served from a pretty table to 25 guests. The hostesses helping Meri were Vicki Carpenter, Sharon Gowdy, Jane Ann Mooney and Linda Elder. Sandra is the daughter of Joannis and Ray Robertson.

Jewell and Jack Watkins of Navasota came up to see R. N. and Ann Carpenter and canned peas and gathered potatoes. Paul and Marge Acker, the twins Karen and Keith, and the Nazareth folks, Mrs. Phillip Acker, Mr. and Mrs. Paul Kleman and family, Marge's parents Mr. and Mrs. W. H. Wright of Amarillo, all attended the wedding of Marge's son Dan Crowley and Terri Hunt at her home on a ranch near Kingman, Ariz. in September. The setting for the service was in the beautiful flower garden of Dan's sister, Danelle Crowley of Columbia, South America, came for the wedding. She visited a few

days with Marge and Paul. The Castro County folks came home by the Grand Canyon, the Painted Desert, and Petrified Forest, and saw something at Flagstaff.

GEORGE and Maria Howell and children went to the Lubbock Fair. They had fun doing and seeing things. Maria was impressed with the ladies crafts show. There was a quilt showing the astronauts going to the moon in applique. Maria has a new niece she is proud of. Her name is Michelle Renee and her parents are Beth and John Fry of Santa Clara, Calif.

Rev. M. J. Lee, a former pastor of the First Baptist Church of Dimmitt during the 40s, and pastor at Guyman, Okla. for the past 19 years, retired effective Sept. 19. He will continue to live in Guyman doing evangelistic and interim pastorate work. Address is Box 1421. During his pastorate in Guyman, he went on a preaching mission in the Arctic and Alaska, served as moderator of Panhandle Assn. president of Oklahoma Baptist Convention 1962-63, a member of Board of Directors for Oklahoma Baptist University and the state convention Board of directors, a faculty member of OBU Summer School for Preachers for two years, and is a member of the Home Mission Board, SBC. Mr. and Mrs. Jim Bagwell were called to Wicks, Ark. to attend the funeral service of Henry Allman. His wife Edith is a sister of Mrs. Bagwell's (Robertha). The Bagwells and Edith went later to Hazelhurst, Miss. to visit the Bagwell's son Robert and family. They will come back to Wicks then home next week. The Allmans were residents of the Frio community many years ago.

GRAHAM SHEFFY, a Marine at Yuma, Ariz., called his dad Ted to meet the plane in Amarillo Sunday. He sent a big shepherd dog his sergeant gave him. Ted says ha ha.

The Morgan Dennises, the Elmer Youts, the Ivor Bagwells and Irene Carpenter went

to Palo Duro Canyon Friday night to see the show "They Came from Spain." They tell me it is a very good historical show about Coronado and his men going through this country. Of course they had that good barbecue supper in the canyon. The Garden Club ladies and husbands are planning a trip to see it soon.

Mr. and Mrs. Earnest Samman and children of the Big Square community went to Providence to attend the funeral service for his mother Mrs. Louise Samman, a longtime resident of Plainview, or north of town. The service was held in Trinity Lutheran Church at Providence.

DAVID E. Depew of Lubbock is serving the Northside Church of Christ as minister this summer. David was a dinner guest Sunday of Ray and Lottie Bearden. He tells me he served as missionary in Thailand and is now a student at Christian College in Lubbock and will go back to Thailand this winter.

He says the language there is tonal instead of different words, for instance one word can mean five things, depending on the tone of voice. That would be very difficult.

Dr. Franklin E. Swanner of Plainview will preach at First Baptist Church until they call a regular pastor. Dr. Swanner was born and educated in Kentucky and attended Seminary at Fort Worth. He has an honorary degree from Howard Payne College. Lee Street Baptist had a revival service going last week. Bro. Bill Wadley is pastor.

I WENT out to the football field to try and watch more than 100 boys 8 years through

10 years kick, punt and pass footballs. Seems they were all good. Grandson Scott, nearly 8 years, kicked. I sat near Pat Barlow and Sue Boozer and Oleta Cole, all with boys out there kicking. Beth Jones, and the W. G. Stavenhagens with every one was there. You know that is a "big deal."

Mr. and Mrs. T. J. Reed of California visited in the home of their nephew and family, the M. J. Reeds, last week. Sharon Barker, a junior nursing student at the University of Texas at San Antonio, visited from Wednesday until Monday with her parents Mr. and Mrs. Elvis Barker. Also visiting over the weekend was Pam Barker, a student at Tech in Lubbock.

MRS. Lillie Mae Hunter and friends Mr. and Mrs. Green of Dalhart were here Sunday to visit Hazel Merritt and to see the play "Adam and Eve" by the Alpha Omega Players from Dallas. Several young people from Dalhart and two from Petersburg were here also.

There was full house to see the play. Punch, coffee, and cookies were served by the young people of the church.

Mike and Michele Bell from ACC at Abilene were home last weekend to see his folks the Lonnie Bells. They also went

out to the football field to watch her husband, Big Billie's, Kim Tucker Graham, Rick Wallace of Tulia, Beth's husband and Kathy Graham Pulley of Lubbock. Other guests besides the honorees were Perry Graham, WTSU, Beth Wallace, school teacher at Tulia, Ted and Dorothy Shelly and daughter Virginia, Mary and Kent Gabel and girls, Mrs. Rachel Graham and Nettie Graham. Everyone brought gifts and good wishes.

MRS. Billie Graham was hostess at a family dinner Sunday honoring four birthdays—

NET

One of the definitions for a net is a trap or a snare. A net is used to catch a fish. There are times in every man's life when, like Job, he feels that God has trapped him in a net. Job 19:6 reads, "Know now that God hath overthrown me, and hath compassed me with his net."

But our troubles and afflictions are never caused by our God. Moreover, His Word says He is ever faithful to deliver His people. The Psalmist asserts: "Mine eyes are ever toward the Lord; for he shall pluck my feet out of the net."

How wonderful are His promises. These promises are proclaimed from the pulpit by your pastor each week for the blessing and edifying of God's people. Won't you attend church this week and partake of this blessing?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

V.F.W. NEWS

By GERALD BROADSTREET

Greetings, Comrades:
As you've probably heard by now, we are open once again. Due to the new state law, we had to obtain a permit to continue operation, and this process took a month.

We opened up last Friday, and when you come out to the post you will notice that we have two new changes. The most noticeable is the addition of a walk-in type refrigerator. Believe me, putting it in was quite a job! It was purchased from Comrade Ben Hill and had to be completely dismantled before it could be moved, and then reassembled where it is now. We had some very professional type help and some pretty strong backs. To all who helped with the project, a very sincere "Thank You" for a job well done.

THE NEXT change you'll notice is that we have a new post custodian, Harold Broadstreet. He and his wife Laura will be there to serve you from 4:30 till midnight through the week end till 1 a.m. on Saturday nights.

Harold is a retired Marine Corps gunnery sergeant. He spent over 21 years with the Corps, and his tour of duty has taken him all over the Far East, and the west and east coasts of the US. Needless to say, he can tell better sea stories than I can.

By the time this news is published our regular monthly meeting will have been held. The news deadline is Monday morning and our meetings are Monday night. I will report what happened in next week's column. I would like to mention that our post will be closed for business on our meeting nights, the first Monday of each month.

Our game night on Wednesday has been going real strong, and we've had some real nice crowds and some good times. If you haven't been out, you don't know what you've been missing. Make plans now to be there next Wednesday.

Say, if you haven't paid your 1971-72 dues, please pay them as quickly as possible. We get points in the district that apply to us in competition for Honor Post, and we sure do want that title again this year.

Town-Country Club off to good start

By IRENE KEATING
Last week I enjoyed attending the Town and Country Home Demonstration Club meeting. They met at Verletta Witts' and wore long dresses. They looked so pretty. Three new members who joined were Margaret Womack Shirley Goolsby and Jacque Sava. I am very proud of this club.

★
ANOTHER club I attended was Flagg. They had a demonstration on cultural arts presented by The Craft Shack. We learned how to do impasto and botique flowers. There is a lot of talent involved in "crafts" now-a-days.

★
TWO 4-H CLUBS had their club awards programs. At Nazareth Debbie and Steve Acker received the awards of outstanding boy and girl in their club. This is the highest award in the club and can only be won once. Winners of this award at Flagg were Sandra Tischler and Steven Anthony, junior members and Bob Duke, outstanding senior.

★
In Flagg Club this award can be won more than once. Both of these clubs had excellent programs and Max, Katrina and I certainly did enjoy them.

★
SATURDAY our 4-H Council met and elected new officers for 1972. They are Gary Hart,

chairman; Patti Hochstein, vice-chairman; Janet Smithson, secretary; Kenneth Adams, treasurer; and Steven Acker parliamentarian-reporter. The council made final plans for the county 4-H Awards program to be held Saturday, Nov. 6.

★
THIS IS National 4-H Week and I am proud that we gained two new 4-H clubs in 1971. They are both girl clubs—Happy Helpers (Easter) and Working Girls (Hart).

Presently we have 191 boys and girls enrolled in 4-H club work. 4-H is a very worthwhile organization as it teaches by doing. If any boys or girls are interested in joining a 4-H club contact my office or the leader.

★
THE CLUBS and organization leaders are:
Bethel — Mr. and Mrs. Jack Ingram.
Dimmitt — Mr. and Mrs. Therman Oldham.
Flagg — Robert Duke and Mrs. John Gilbreath.
Frio Jolly Workers — Mr. and Mrs. Fritz Smith and Mr. and Mrs. Billy Warrick.
Hart — Joe Percy Hart and Bill Hill.
Happy Helpers — Mr. and Mrs. Don Tindal.
Nazareth — Mrs. William Hochstein and Luke Acker.
Working Girls — Mrs. Joe Percy Hart.

Pink Ladies hold workshop

Plains Memorial Hospital Auxiliary held a workshop last Wednesday in the home of Mrs. Carl Bruegel, with 15 members present.

MEMBERS made items ranging from aprons to Christmas decorations to put in the auxiliary's gift shop at the hospital or to sell at the Holiday Bazaar in December.

Two more workshops will be held before the bazaar.

THE Texas Aeronautics Commission has approved 19 grants totaling \$374,812 for airport improvements.

MR. AND MRS. JAMES FRED COTTINGHAM
... She's the former Carol Ann Sharp

Sharp - Cottingham vows read Friday

Mr. and Mrs. James Fred Cottingham are at home in Hart following their wedding Friday night in the First Baptist Church of Hart.

THE BRIDE is the former Carol Ann Sharp, daughter of Mr. and Mrs. Orval Sharp of Hart. Cottingham is the son of Mrs. Glenn Miller of Roosevelt, Okla.

Rev. C. T. Cunningham officiated at the double-ring ceremony.

Pam Houston was the maid of honor and Frances Cunningham was the bridesmaid. They wore blue velvet formal gowns with white, blue and green trim, and each carried a single white rose with blue streamers.

THE BRIDE, given in marriage by her father, wore an A-line Empire gown of white brocade net over satin, with long lace sleeves, deep cuffs and scoop neckline. Her shoulder length veil was attached to a headpiece with seed pearls. She carried a bouquet

of white rosebuds with blue streamers atop a white Bible.

For something old, the bride wore a necklace, a gift from the groom. Something new was her wedding dress; for something borrowed she wore a penny in each shoe, minted in the bride's and groom's birth years; and for something blue she wore the traditional garter.

The church was decorated with an archway of greenery and white bows, with baskets on either side of white gladioli and greenery.

Larry Cottingham of Clinton, Okla., brother of the groom, was the best man, and Bob Gallagher of Olton was the groomsman. Kenneth Sharp of Lubbock, brother of the bride, and Johnny Stallings of Dimmitt were ushers.

THE RECEPTION was held in fellowship hall of the church. Mrs. Johnny Stallings, Mrs. Larry Cottingham, Mrs. Max Marble and Mrs. Vernon Mapp were members of the wedding party.

For a wedding trip to Red River, N.M., the bride chose a black dress with black and gold accessories.

The bride is a 1970 graduate of Hart High School and has been employed by the American Dusting Co.

The groom is a graduate of Hobart (Okla.) High School and attended Oklahoma State University. He is presently the unit manager for the American Dusting Co. at Hart.

Mrs. Goodwin wins Tops title

Mrs. Frances Goodwin was crowned "Queen of the Week" at last week's meeting of the SOS Tops Club, with a weight loss of four pounds during the week.

TWENTY-TWO members weighed in, recording a total loss of 13½ pounds.

Those attending the Area Recognition Day in Lubbock recently told highlights of the meeting. Representing the local club there were Joyce Davis, Tommy Sue Petty, Jean Petty, Patricia Powell, Agnes Brockman, Sible Stevens, Rose Birkenfeld and Leola Elkins. The next Area Recognition Day will be in Snyder in April, and the State Recognition Day is scheduled for June 2-4 in San Antonio.

Two local members, Tommy Petty and Agnes Brockman, graduated at the ARD in Lubbock as "KOPS," meaning they have reached the desired weight set by their doctors and are now required only to "Keep Off Pounds Sensibly."

Mrs. Pope visits husband in Hawaii

Mrs. Shirley Pope has returned to Dimmitt from a 10-day visit with her husband, Darrell, in Hawaii. He was on rest and recreation (R&R) leave from Vietnam.

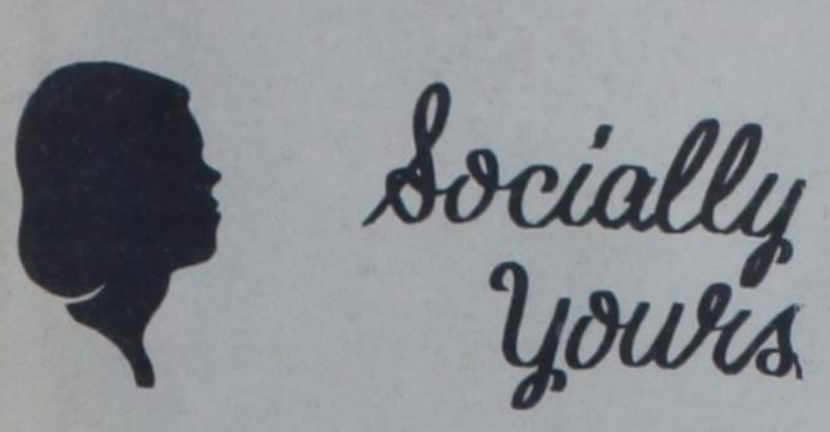

THE COUPLE spent a lot of time on the beach, tried surfing, attended luaus, shopped, and were constantly being given leis of flowers to wear.

While there, they saw the filming of a Glenn Campbell Goodtime Hour, with the Smothers Brothers, Minnie Pearl and Jim Nabors. They also visited Pearl Harbor, Sea Life Park and the Bird of Paradise.

The Army's R&R center kept a planned program of entertainment going—and Pope was part of it as he and three other men learned to do the hula in front of a large audience.

"IT WAS a great experience to be in Hawaii and to be reunited with Darrell," Mrs. Pope said.

Her mother, Mrs. Florene Leinen, met her at Lubbock Municipal Airport Friday night.

Perez - Villarreal vows are pledged

Miss Maria Del Socorro Perez of Hart became the bride of Manuel B. Villarreal of Kress in a double-ring ceremony Friday evening in St. John's Catholic Church of Hart.

THE BRIDE is the daughter of Mr. and Mrs. Agustin Perez of Hart. Villarreal's parents are Mr. and Mrs. Felix Villarreal of Kress.

Rev. Raphael Chen conducted the nuptial mass before an altar that was decked with baskets of flowers.

Vickie Martinez of Hart served as maid of honor. Bridesmaids were Lulu Perez, Isabel Costillo, Linda Valadez, Senaida Rayna, Yolanda Gonzales, Sally Reyna and Amelia Costillo.

SERVING as flower girl was Diana Martinez.

Given in marriage by her father, the bride wore a white floor-length wedding gown fashion

Book Club will meet Wednesday

The Dimmitt Book Club will meet in the First State Bank community room Wednesday for a business meeting and book review.

MRS. JAMES BRADFORD will review "Make a Joyful Sound" by Helen Elmira Waite. This is a biography of Mrs. Alexander Graham Bell, whose genius was overshadowed by that of her famous husband.

Mabel Hubbard Bell, although a beautiful and gracious woman in her own right, has generally been known in history only as Bell's "deaf wife whom he always attended devotedly."

The business session for club members will begin at 3:30 p.m., and the book review will start at 4. The review is open to the public.

FANNY Crosby, the blind hymn writer, wrote some 2,000 songs and hymns.

Nov. 27 vows set

Mr. and Mrs. Jimmie R. George of Dimmitt announce the engagement and approaching marriage of their daughter, Shelly, to Danny Rice of Hart.

Miss George

THE prospective bridegroom is the son of Mr. and Mrs. L. J. Rice.

Wedding vows are planned for Nov. 27 in the First United Methodist Church of Dimmitt.

Miss George, a Dimmitt High School graduate, attended West Texas State University and is presently employed at Plains Memorial Hospital. Rice, a graduate of Hart High School, attended West Texas State University and Amarillo College, and is presently in partnership with his father.

HAPPY LOAD — Castro County's first bale of 1971 cotton is unloaded at the ASCS office corner in Dimmitt last Wednesday by the man who ginned it and the man who produced it—Gene Ross (left), manager of the Morrison Gin at Sunnyside, and Carl Bradley, Sunnyside grower. The first cotton was Rilocot 90, developed by Ray Joe Riley of Sunnyside. The bale weighed 450 pounds and came from 1,960 pounds of seed cotton that also yielded 820 pounds of seed. It was the first time in years for the county's first bale to come from Sunnyside, instead of from Bethel or Easter.

Local Brown Swiss herds sweep honors at Lubbock

The dairy herd of Vincent Braddock of Rt. 2, Dimmitt, dominated the Brown Swiss show again this year at the Panhandle South Plains Fair in Lubbock.

BRADDOCK, who has missed winning a grand championship only once in 17 consecutive years of showing his Brown Swiss dairy cattle at the Lubbock show, easily swept both the premier breeder and exhibitor awards in the division last week.

Helping him make a clean sweep of the Lubbock Brown Swiss show were seven other Castro County exhibitors.

Braddock exhibited the grand champion Brown Swiss bull, Brad-Lou S. Laredo, and the grand champion cow, Brad-Lou Mack Estelle.

His son, Gerald, 22, showed the reserve champion female,

Brad-Lou F. Arlene, and Winston Waggoner exhibited the reserve champion bull, Roiling Meadows Marksman.

THE CASTRO County exhibitors—Vincent, Gerald, Raymond, Cecil and Duane Braddock, Winston and Euleus Waggoner and Hubert Backus—made it a clean sweep in all categories of the Brown Swiss division.

Braddock, who has shown grand champions at the Texas State Fair as well, said the top Brown Swiss cow at the South Plains Fair, "Estelle," is producing more than 70 pounds of milk a day with a butterfat test of five percent. She is three years old.

A. M. Meekma, dairy specialist from Texas A&M, judged 47 entries in the Brown Swiss show.

Pina, Gilliland enroll in TSTI

Antonio Pina and Randy Gilliland of Dimmitt are students on the James Connally Campus of the Texas State Technical Institute in Waco.

C. R. Anthony Co. launches 50th anniversary year Friday

The golden anniversary year of the founding of the C. R. Anthony Co., which began with a single store in Cushing, Okla., end is now one of the nation's larger department store chains, was launched in Oklahoma City Friday.

THE Oklahoma City Chamber of Commerce started the 50th birthday recognition with a special forum luncheon dedicated to C. R. Anthony, the 87-year-old merchant and longtime civic leader who launched his company in 1922.

The story of the C. R. Anthony is more than a story of business acumen. It is a story of a young Tennessee farm boy who built a strong company creating jobs for thousands. And it is also the story of a man who had time to serve his fellow man in a larger sense.

Anthony is still serving as president and chairman of the board of the company he founded, although he devotes much of his time to community projects. He helped establish and was the first president of Oklahoma City's United Fund and still serves on the board of trustees. He also serves as a trustee of Oklahoma City University, and a director of banks, foundations corporations and service organizations.

Recently, Anthony was awarded an honorary membership in the Telephone Pioneers of America in recognition of his 20 years on the board of directors of Southwestern Bell Telephone Co. He is a recipient of the

C. R. Anthony

coveted Horatio Alger award and has been cited by the National Conference of Christians and Jews. He has received the annual Humanity Award from the Big Brothers of America, an honorary degree of law from Oklahoma City University, and the doctor of Humanities degree presented by the Bethany (Okla.) Nazarene College.

The pattern of his work and personal commitment has sparked vital causes. Anthony has been an important factor in some capacity for the betterment of his community, and often on a state and national basis. He says, "My philosophy is

Medic-emergency programs booked

Robert A. Koonce, field consultant with the Division of Civil Defense and Traffic Safety of the Texas State Dept. of Health, will present programs to three Castro County groups during the next five weeks.

HE WILL encourage community awareness and concern toward the life-and-death importance of a well-coordinated Local Emergency Medical Services plan. A film will be shown on how one small town saw the need for better emergency care and established a model program.

Koonce will present the program and film to the Dimmitt Lions Club at noon Oct. 19, to the Dimmitt Volunteer Fire Dept. at 8 p.m. Oct. 21, and to the Hart Volunteer Fire Dept. at 3 p.m. Nov. 15. All the meetings are open to the public.

Koonce noted that 20,000 accident victims die unnecessarily each year and at least another 25,000 are permanently disabled as a direct result of inadequate emergency care and poorly trained emergency service squads.

3-AA sidelines

Floydada's 6-0 win over Dimmitt shows how tough race may be

Just like the past two years, Floydada came up a winner in its District 3-AA opener. But not exactly just like that.

THE WHIRLWINDS haven't lost in district since the 1968 season, and they opened the 1971 conference schedule with a 6-0 win over Dimmitt. Six to nothing. That's just one play away from a tie, as any football knows.

The closeness indicates that, just as predicted, Floydada's drive for a third straight championship may be rugged. After the first week of district play, the four co-leaders are the Whirlwinds, Olton, Littlefield and Abernathy. Only Littlefield had an easy time of it—which surprised many.

THE WILDCATS scored in the first quarter and rolled to a 28-0 victory over previously undefeated, untied Lockney. Olton, winning its first game of the year, outscored Friona 23-13, and Abernathy had to go the field goal route to nudge Morton, 10-7.

And the fierce pace doesn't appear to lessen any, either, with this week's schedule. Littlefield, coached by Jerry Blakeley, will go to Olton, where Blakeley coached last season, in the chief battle. Also, Abernathy visits Lockney, Friona travels to Dimmitt, and the Whirlwinds head for Morton.

FLOYDADA wasted little time in scoring, but after the initial outburst, Coach L. G. Wilson had to depend on his defense. And it came through.

"Our defense did an extraordinary job," praised Wilson. "This was the best game we've had defensively this season. Our boys really held them, to just five first downs.

"We just have to get more consistent on offense, though," said Wilson went to past performances.

"Last year's team was pretty well set, with a lot of seniors," commented Wilson. "But, two years ago, I remember our team wasn't as experienced, and we sputtered a lot. We continued to improve as the season went along, though, and this team will, too. We will improve from game to game."

FLOYDADA found scoring territory in the first quarter, as Van Mitchell went up the middle for 14 yards. Rest of the way, the Whirlwinds' defense had to hold off the offensive thrusts of Dimmitt's Daniel Frierson. Dimmitt was able to dent the Floydada defense for only 99 yards, and Frierson picked up 64 of that.

The offensive leader for Littlefield was high-scoring Ralph Funk, who tallied all four Wildcat touchdowns against Lockney. Three were of the short-yardage variety, but for the final surge, Funk went 58 yards. For the evening, the 195-pound Funk ripped off 284 yards on 39 carries.

For the game, Littlefield totaled 363 yards on the ground and its defense limited Lockney to only 84. The Longhorns went to the air for 95 net steps.

THE LONGHORNS face a "must" situation Friday night against Abernathy. Another loss would put the Horns practically out of the title picture.

Abernathy and Morton packed all scoring into the first half, and Joe Evans' 25-yard field goal was the difference. Jimmy Harvey's opening-game kickoff run of 87 yards had shoved Morton into a quick lead, and Evans' boot left the Antelopes trailing 7-3 at end of the first 12 minutes.

In the final minute of the half, Bobby Rogers cleared the last five yards for the Antelopes' winning score. Abernathy threatened three times in the third period and was on the Morton three-yard line when the game expired.

ABERNATHY lost regular quarterback Dave Davenport to an injury in the first period and he was replaced by reserve Steve Riley. Olton untracked with a 17-point outburst in the second quarter in sweeping past previously unbeaten-but-tied Friona. And it was the work of quarterback Steve Stockdale that paved the way.

The talented Stockdale tossed one scoring pass, booted two extra points and toed a 27-yard field goal for Olton. Mike Royal was the offensive key for Friona, scoring both Shieftain touchdowns.

OLTON took advantage of five Friona turnovers in the first half and scored on three of them. In the last half, Friona got three breaks but could turn only one into a score, in the third period.

Funk's four touchdowns hiked his seasonal total to 72 points, easily the best in the district.

DAVID NINO (25) of Dimmitt runs back to the Dimmitt 15 after making a crucial interception at the 5-yard line to stop a Floydada drive with 30 seconds remaining in the first half of Friday night's Bobcat-Whirlwind game at Floydada. Closing in on

Nino is Floydada's Rick Watts (21). This was one of several key plays the Bobcat defense came up with during the game, but the Floydada defense proved rugged, too, as the Bobcats lost the district opener, 6-0.

Winds win

Cats drop 6-0 squeaker

In a big defensive battle, the Floydada Whirlwinds narrowly got past the Dimmitt Bobcats, 6-0, in Floydada Friday night.

THE WHIRLWINDS scored with 6:28 left in the first stanza. The touchdown run of 14 yards was set up by a pass from Rick Watts to Charles Jackson. The pass for two extra points failed.

Then the Whirlwinds drove time after time only to have the wind knocked out of their sails by fumbles and a good Bobcat pass defense. Jerry Matthews came across the field to knock away a crucial Watts-to-Jackson chunk near the goal line. There were many key fumble recoveries by the Bobcats.

Dave Nino punted the 'Cats out of trouble time and again. Nino also made an interception on the goal line and returned swiped football to the Bobcat 20.

ON THE offensive side of the game, the number of plays was about the same for both teams, 66 for the 'Winds, 65 for the Bobcats.

The Bobcats had only 90 yards rushing and nine passing. Matthews tried to find his receivers 18 times, but succeeded only three. Watts found his receivers only four of 12 times for 46 yards. The 'Winds had a big 241 yards in total, to the Bobcats' 99. The key factor in the game was that Floydada averaged 3 3/4 yards per play while holding Dimmitt to 1 1/2.

Dan Frierson carried 24 times for 64 yards to lead the Bobcat rushers. He sorely missed his old amigo, Nati Anes, who was nursing a knee injury.

THERE WAS much riding of the officials by fans on both sides, and the Floydada fans got the loudest when the officials called a clip against the Bobcats (or at least that was the signal given) and marched it off against the Whirlwinds.

There were also two roughness penalties against the Bobcats. They were hot out on the field, with tempers flaring often.

In other words, it was a typical Floydada-Dimmitt battle.

Wilhelm sparks 12-0 Swift win

For the first time in three weeks, the Swifts had good weather to play in Friday night, and they showed their preference for favorable weather by shutting out the Tulia JV Hornets, 12-0.

THE SWIFTS gave the Hornets little mercy throughout the game. Senior quarterback Gordon Wilhelm reduced the morale of the Hornets quickly by running 50 yards on the first play of the game before being tripped up in a last-gasp effort by the Hornets.

The defense of the Hornets did very well in stopping the ground attack through the center of the line, but could do little in stopping the sideline plays and sweeps.

The scoring was done on two highly efficient drives by the Swifts. The first started after the Swifts blocked a punt and covered the ball in the Hornets' 14-yard line with a minute and six seconds left in the second period. The Hornets fought hard to stop the Swifts, and forced Nazareth to use up five plays and 64 seconds of time before scoring on a short three-yard run by Wilhelm with just two seconds left in the half. This made the score at half 6-0 after the Hornets stopped the point-after attempt.

AFTER the half, the ball continually changed hands until late in the fourth quarter when the Swifts drove for 73 yards in 21 plays. Pete Gonzales ran the ball into the end zone from 16 yards out, making the score 12-0 with 45 seconds left in the game. The point-after attempt was again unsuccessful.

The Swifts were outstanding both offensively and defensively. Quarterback Wilhelm became the night's leading runner with 96 yards in 19 carries. Defensively, the Swifts had several key players — Denis Kern with 13 tackles and two assists; Steve Acker with nine tackles and four assists; and Stanley Gerber, six tackles and nine assists.

THE SWIFTS have an open date this Friday, but on the 15th they will host Kress JV.

Longhorns tie Farwell, 13-13

By DAVID BASS

The Hart Longhorns lost a 3 1/2-quarter lead to the Farwell Steers and saw their chances for an upset go up in smoke as the Steers tied it up, 13-13, in Hart Friday night.

THE GAME began with a bang as the Horns used only a minute and 28 seconds to score. Erasmo Castillo received the kickoff for the Horns and made a good runback, then caught a pass in Steer territory to keep the Horns moving. The cap-off came when Dirk Rambo punched the ball over from the 1. James Taylor made the all-important extra point kick and the ecstatic Horns were in the lead, 7-0.

However, Farwell came right back, marching down field and scoring on a 12-yard run by Brett Hargrove with 8:12 left in the first quarter. The kick for extras was no good, though, and Hart still led, 7-6.

On the Horns' next set of downs came their worst scare of the quarter. Brett Hargrove intercepted a Hart pass and ran the ball for a touchdown, but the score was called back because of a clipping infraction and the quarter ended 7-6.

IN THE second quarter, the Horns played their best. Hart controlled the ball most of the time, and also the tough Horn defense recovered a fumble on the Farwell 20. This fumble set up a four-yard run for a touchdown by Johnny Ethridge. The kick was no good, making the score at halftime 13-6 in Hart's favor.

The Horns had to play a tough defensive game in the third quarter as the Steers began their move. The Horns prevailed, however, as they stopped the passing of the Steers and also the running plays to keep their lead throughout the quarter.

In the fourth quarter, the game began to slowly turn to

the favor of Farwell. However, the Steers were unable to move the ball on the ground against the Horns and had to rely on a fumble midway in the period on the Hart 25-yard line to set up their score. Farwell used short pass plays to get the score. The payoff came on an eight-yard pass from Hargrove to Doug Johnston. Andy Bowers knotted the score with his kick.

THEN, AFTER both teams had exchanged the ball, the Horns got it again with 5:41 left in the game on their own 15-yard line. From there, Johnny Ethridge led the Horns with his powerful runs on a thrilling drive that took Hart to the Farwell 16-yard line. There, with only one second remaining, the Horns attempted a field goal which Farwell partially blocked. This left the final score at 13-13.

In the penetration department Farwell had four to Hart's three, but the Horns made more yardage as they outdistanced the Steers, 301-230.

FRIDAY night, the Horns are at home again to take on the defending district champion Kress Kangaroos. With Kress coming off a 14-13 loss to Vega last week and the Horns coming off a 13-13 tie with Farwell, this game should prove interesting. Game time is 8 o'clock.

Lynn Buchanan earns 'Bobcat of Week' title

Senior tackle Lynn Buchanan was announced as the "Bobcat of the Week" at Monday night's meeting of the Dimmitt Athletic Booster Club.

IN NAMING Buchanan as the Top Cat of the week, Coach Brown L. Smith praised the 181-lb. lineman for playing against Floydada Friday night "the way the whole team should play—about half mad."

Smith also praised Jim Bob Ellis, 191-lb. junior guard, for turning in a good game against the Whirlwinds Friday night.

In addition to being honored at the Booster Club meeting Monday night, Buchanan was a guest of the Dimmitt Lions Club at its Tuesday luncheon meeting.

The seventh and eighth grade teams were disappointed that their opponents didn't show up last week. They had a useful inter-squad scrimmage, however, and are eager for their games at Olton Sept. 5. The eighth grade team is still undefeated, and the boys want to keep it that way, their coaches reported.

THE FRESHMEN rang up a resounding victory last Thursday over Olton's frosh. Robert Mayberry ran the opening kickoff back for a touchdown and scored the two-point conversion to give Dimmitt a quick 8-0 lead. Then Mayberry broke loose twice more in the first quarter on touchdown runs of 46 and 64 yards and added another conversion to make the score 22-0 at the end of the first period.

During the second quarter, Travis Hampton broke off tackle and romped 40 yards for a TD to give the Bobkittens a 30-0 halftime advantage. During the second half every boy on the squad had a chance to play, but it was Mayberry again who came up with Dimmitt's final touchdown—his fourth of the night—to give the Bobkittens a 36-6 victory.

Dimmitt's freshmen will play at Tulia today (Thursday) at 5 p.m.

The junior varsity team is still undefeated, but wound up with a 6-6 tie with Hale Center last week. Dimmitt's TD came on a run by Joseph Finch. The JV's also will play at Tulia tonight (Thursday), starting at 7:30.

MOTORISTS are reminded of the new state law which no longer allows motorists to stop and then pass a school bus which is loading or unloading children.

According to Supt Ted Averitt, a number of violations have been noted concerning the law.

In the past, motorists were allowed to proceed with caution after coming to a stop when a bus was loading or unloading. Now the law states that drivers must stop and remain stopped as long as the flashing lights on the bus are in operation, unless the bus driver motions for the motorist to proceed.

Averitt asked that motorists keep this new law in mind which was passed for the safety of all children.

Financial Facts By Willis A. Hawkins, Jr.

We have twenty-four million direct investors in this country. That is, people who have actually bought stocks. Indirectly through insurance companies and pension plans, we have more than a hundred million investors. This figure includes just about everybody except children and the truly poor. Not all of the 24 million are fiercely active, but the number grows all the time, making the stock market a great national pastime. Active investors do not pursue bonds (except convertibles) and preferreds (except convertibles) because of the lack of romance involved in the money game. It is boring to them. The irony is that this is a money game and money is the way we keep score. But the real object of the game is not money, it is the playing of the game itself! Price reports:

Rural Development Act would aid farmer, city

By **BOB PRICE**
Congressman, District 18
As a part of my continuing effort to bring new life to our rural areas, I joined with Chairman Bob Poage of the House Agriculture Committee in introducing the Rural Development Act of 1971.

INCLUDED in this bill are two bills which I have introduced separately. One allows an increase in the total amount of operating loan funds which may be loaned by the Farmers Home Administration. The other allows an increase in the amount which may be loaned to one farmer or rancher.

The Rural Development Act would also allow FHA to make loans for small businesses in rural areas, as well as guarantee loans for fire and rescue equipment.

The Soil Conservation Service would be allowed to share costs in creating municipal and industrial water supplies, in soil and water pollution control and solid waste disposal. The federal government would also be required to give priority to locating new facilities and offices in areas of 10,000 population or less.

Although I have reservations about certain portions of this bill, I believe it is a good vehicle on which our committee can begin deliberations to solve this most critical problem of bringing new life to our rural areas.

I HAVE been asked by the sponsoring Federal and State agencies to act as group leader at a Sept. 28-30 conference designed to see what can be done to improve animal waste disposal.

The National Symposium on Animal Waste Management will be co-sponsored by the US Dept. of Agriculture, Environmental Protection Agency, Council of State Governments, and the Association of State Universities and Land Grant Colleges.

Group rates set for 'Spain' show

In response to requests from a wide area, the producers of "They Came From Spain" have announced a student rate of \$1 per person for organized groups when the tickets are purchased in blocks.

BECAUSE of the scientific and historical nature of the show, it is attracting earth science classes, and students of Texas history, Spanish and drama.

Almost 6,000 people have seen "They Came From Spain" since its premiere Sept. 2.

For tickets and information about the student block purchase plan, write Box 268, Canyon, 79015, or call 806-655-2182.

Livestock and poultry producers are faced with serious problems as they struggle to comply with new laws and regulations on animal waste management. I am convinced that most producers are willing to adjust their operations where necessary to assist in environmental improvement.

I BELIEVE this symposium will provide us with a timely forum from which will come

ideas and proposals for better assistance to producers across the nation as well as general benefits to the public.

At my request two Panhandle feedlot operators have been invited to attend the symposium. They are Tom Herrick of Amarillo and Joe Easley of Hereford.

Findings and recommendations of our work group will be included in the final sym-

posium proceedings which will be made available to Congress, State and Federal agencies, farm organizations and the public.

★
Action on the floor of the House was limited last week to three bills, two of which were passed on voice vote. The House-Senate conference version of the Public Works Appropriations Bill was adopted on a 377-

9 vote. The Airport and Airways Act of 1970 was amended to clarify the priorities of Congress for airways modernization and airport development. The Peace Corps authorization was adopted at a level \$12.5 million below last year. I supported an unsuccessful amendment to cut an additional \$27 million because I feel this is one program that could be reduced during a present economic crisis.

Church members hear Latvian missionary

By **MRS. OWEN ANDREWS**
Guest speaker at Frio Baptist Church Wednesday evening was Rev. Charles Singer, a native of Latvia and a missionary. Rev. Singer is a leader of International Refugee Mission and Italian Gospel Mission, a mission effort supported by numerous churches in the US and other countries. Rev. Singer endured many hardships and much persecution during his church was the Flying Ambassadors and now devotes his time to missionary work and preaching the gospel.

RECENT GUESTS of the Frio church were the Flying Ambassadors, a group of people, most of whom live on the South Plains. Those coming for the Sunday evening service were Vern Floyd, Mr. and Mrs. Shafter Bailey of Seminole, Don Hancock and Dub Watson of Midland. They are part of a group which flies regularly to the Rio Grande for gospel preaching and to take medical supplies and to help the very underprivileged on both sides of the river. They had films of their work to illustrate their testimony.

MRS. WELDON Stephan was hostess on Saturday at a tea honoring Karen Armstrong of Sored by this church at Wayland. Karen was accompanied by her roommate, Donna Gaub, who is from Glendive, Mont. Karen's parents are the Jake Armstrongs of Olympia, Wash. At the tea Karen modeled the wardrobe which had been made by the ladies of the Frio group. As she commented "They fit like they were made for her."

Mr. and Mrs. Clark Andrews went to Dallas last weekend to bring home her mother, Mrs. E. B. Berryman, who had been visiting for four weeks in the home of her daughter, Mrs. Wallace White and family at Bill-oxi, Miss. She flew to Dallas on Sunday morning to come the remainder of the way with the Andrews.

JOE ANDREWS and son Jason recently went with Joe's brother, Glenn of Etter, to near Joplin, Mo. on a trip of several days. Joe and Jason returned

home Friday of last week. Jason, 4½ years old enjoyed flying home, particularly the take off and landings. (He is my grandson.)

Frio Homemakers Club met Tuesday in the home of Mrs. T. L. Sparkman Jr. The program was a round table discussion on "Hints for mothers-in-law and daughters-in-law." Mrs. Ronnie Andrews read "Will Your Daughter-in-law Like You?", by Ethelyn Pearson, of Minnesota from a current Farm Journal, to conclude the subject.

ON MONDAY afternoon Rev. and Mrs. Ogan met Roberto Ruffino of Rome, Italy, at the home of Mrs. Charlotte McKay in Lubbock. Ruffino is Sammy Ogan's Italian representative, as a foreign exchange student in Italy. Ruffino was an A.F.S. student attending Amarillo College in this country several years ago and lived with Mrs. McKay and her late husband Dr. McKay in Amarillo. He has come with the McKays to Hereford when they visited Mrs. McKay's relative, Henry Sears, numerous times. Ruffino is in

this country for a world meeting of AFS Workers in Atlantic City. He was with Sammy a few days ago, accompanying him to meet his Italian family at Fiorano, Italy.

MR. AND MRS. Richard Price are proud parents of a daughter,

whom they have named Robin Kay. The young lady who weighs 7½ lbs., was born Sept. 20. Grandparents are Mr. and Mrs. Paul Corbett of Hereford, O. E. Price and Mrs. Katherine Fox of Amarillo. She also has four great-grandparents, including Mr. and Mrs. John Key,

More About Big harvest

(Continued from Page One)

sprouted up all over the county, farmers started harvesting it anyway over the weekend. By midweek, truckloads of grain corn were forming a steady stream of traffic through Dimmitt.

"The corn is beginning to come in pretty good, and next week we should be moving into a heavy harvest," said Bill Clark, elevators manager for Dimmitt Agri Industries, Inc., the county's biggest corn customer.

"All the corn that's being harvested now is coming in for the dryers," Clark added. "There's not any in the field yet that's dry enough to put right into the elevators. Most of the corn coming in now is averaging 20 or 21 percent moisture content, and we're drying it down to 15."

MANY FARMERS who have installed their own corn dryers already had grain in the hopper late last week, as soon as their combines could get traction in the fields.

More rain, high winds or a multitude of pests could be disastrous to the corn crop, so most corn growers are getting their grain out now while the getting is good, and hoping the weather will hold so they can swing right into their milo fields.

CARL BRADLEY of Sunny-side brought in the county's first bale of 1971 cotton last Wednesday morning, but it will still be another three to four weeks before the cotton harvest gets underway in earnest.

Most cotton growers felt the recent rains and cold snap did considerable damage to the crop. In fact, many feel their cotton already has gotten a frost—or the closest thing to it, because of a smattering of hail that accompanied the cold snap three weeks ago.

But the damage may not be as bad as it seemed at first.

"If the weather holds pretty for another three weeks or a month before a freeze, the cotton is likely to do better than what we thought it would earlier," one gin manager commented.

THE COUNTY A.S.C.S. office finished its official tabulations this week on acres planted to major crops, and the results foretell the heaviest harvest here in years.

Grain sorghum acreage has taken a tremendous jump, from 95,000 planted acres last year to 136,109 this year—an increase of 41,100 acres, or almost 50 percent over last year.

Corn acreage took a big jump, too—which was expected with the production increase of the new Dimmitt Agri Industries corn milling plant.

LAST YEAR Castro became the state's No. 1 corn-producing county with 36,000 planted acres, but this year it's even bigger with 56,484 acres—an increase of 20,500 acres. The county produced 3.3 million bushels of grain corn and 177,000 tons of ensilage last year. The ensilage tonnage probably won't be much higher this year, but the county seems headed toward a six-million-bushel grain-corn harvest.

The big acreage increases in corn and milo are due to shifts in layout land and planting restrictions under the 1971 Farm Program.

Grain Sorghum Board to meet; ballots mailed

The bi-monthly meeting of the Texas Grain Sorghum Producers Board will be held at noon Tuesday at the XIT Steak House in Muleshoe.

BALLOTS for the election of four new members of the Texas Grain Sorghum Producers Board have been mailed to all the 28,000 farmers on the mailing list in the 29-county area served by TGSPB. Ballots also are available at county agent's offices. The deadline for postmarking these ballots is Oct. 15.

An election committee will be set up to oversee the tabulating of the votes. A tabulating committee will consist of six or seven disinterested persons who will be supervised by the election committee. The election committee, by law, will be one county judge, one representative of the Extension Service, one representative of the Texas Department of Agriculture and one representative of the Texas Grain Sorghum Producers Board. The counting of votes will begin Monday, Oct. 18.
