

THE LOCKNEY BEACON

• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 48

LOCKNEY, FLOYD COUNTY, TEXAS FRIDAY, SEPTEMBER 9, 1949.

NUMBER 1

Emergency Polio Fund Drive Starts

The Polio Epidemic Emergency Drive is underway in Floyd County, have started yesterday. The organization has been set up and community workers will probably start contacting people for donations today or tomorrow.

The drive is being held because "in no other way can the National Foundation continue to aid increased numbers of patients without slowing up scientific research and professional education," officials said.

Floyd county chapter funds have been exhausted and the chapter has borrowed money from the national foundation. This has happened in many other counties and the national foundation funds are getting

Let's Do Our Part

The emergency infantile paralysis fund drive is now on! Lockney and the northwest section of the county have been hard hit by polio this year and we have used most of the county funds secured through the March of Dimes last year. Let everyone of us be liberal in our giving to this emergency fund drive and replenish the funds which have been exhausted in caring for those stricken with polio.

low. Contributions are needed quickly so that no child may lack for treatment.

No goal has been set in Floyd County but the county needs to raise at least as much money as they did in the March of Dimes drive in February.

Everyone is asked to give liberally when contacted so that money will be provided to care for those who are crippled and unable to help themselves.

F. L. Brown is in charge of the drive in North Floyd County and Johnnie Reue of Floydada is in charge of the South Floyd County drive.

Mr. Brown has named the following community chairmen:

Providence, Mrs. Walter Sammann; Aiken, Charlie Andrews; Irick, Jack Dollar; Sandhill, Mrs. C. V. Carmack; Muncy, Mrs. Tye; Lone Star, H. E. Frizzell; Pleasant Valley, Harmon Handley; Liberty, Raymond Ford; Cedar Hill, Jack Stansell; South Plains, Mrs. John Smitherman; Sterley, Robert W. Smith; Edgin and Fairmount, Web Taylor; area north of Lockney, Leslie Ferguson.

The B&PW club members will make the drive in Lockney and booths will be set up on Main Street Saturday to solicit funds for the drive.

Bi-County PTA Council Meets Here

A bi-county Parent-Teacher Association Council met at the Methodist Church here Thursday and made preliminary plans for perfecting the organization.

Mrs. Hershel Carthel, vice president of the 14th district of Texas Congress of Parents and Teachers, presided over the council. Phases of the council work and the values attached were discussed by Mrs. H. G. Stinnett of Plainview, Mrs. H. F. Goedeke of Lubbock and Mrs. E. S. Smith of Lubbock.

The possibility of a permanent organization will be referred to each association in the two-county area, and the initial organization meeting will be held at Petersburg on Thursday evening, Sept. 22.

Committees to nominate officers and a committee to draw-up tentative by-laws were appointed.

Approximately 30 attended the meeting and the Lockney P. T. A. was hostess at a social hour following.

T. Z. REED ILL

T. Z. Reed suffered a light stroke of paralysis Thursday and is in a serious condition at the Floyd County Co-operative Hospital here, it was reported Thursday afternoon.

Rains Benefit Wheat Farmers and Feed

Rains falling generally over this section this week will be of considerable benefit to late feed and will furnish wheat farmers plenty of moisture to sow wheat, it was indicated Thursday.

The total for the week measured 1.55 at Hammond & Company's gauge here and in other areas of the county the total precipitation ranged from 1 1/2 to 2 1/2 inches. Rains were generally heavier in the north part of the county.

Rains fell here Sunday night, Monday night and Wednesday night with the Wednesday night rain being the heaviest and totaling just about one inch.

Soft Ball Game To Benefit Band

The Lubbock Avalanche will go "all out" to help the Lockney High School band on Thursday of next week when they send their softball team here for a game with the Builders Mart team of Floydada and on the same day issue a special edition of their paper extolling the merits of the Lockney schools and the softball team.

The Lubbock paper will provide the same thing at Floydada for the Floydada band on Monday night.

Earl Cooper of Lockney, a member of the Builders Mart team made arrangements for the game.

The Lockney band will receive the entire admission receipts to the ball game and will be furnished a large number of the special edition of the paper free to be sold.

The Builders Mart team is sponsored by James Willson Jr. of Floydada and has won their last 13 straight games. They have won 23 out of 32 games this season. A number of Lockney boys play on the team. Team members include Earl Cooper of Lockney, Paul Davis of Floydada, Phil Steen of Floydada, Maurice Steen of Floydada, Don Myers of Lockney, Ralph Glover of Floydada, Leonard Finley of Lockney, G. B. Johnston of Lone Star, "Red" Childers of Lockney, Arthur Womack of Floydada, James Robertson of Lakeview, Robbie Robertson of Floydada, Bob Crowell of Floydada and Johnnie Hutchinson of Floydada.

The Avalanche Journal team is one of the best on the South Plains.

Admission of 10c and 25c will be charged to see the softball game. The papers to be sold will carry pictures of both teams and give much information about the schools.

Cannery Moved To New Location

The Lockney Cannery has moved to its new home two blocks east of the grade school and people of this area are invited to visit the cannery there, Mrs. Sallie Griffith said this week.

The building was provided by the county and the school and gives the cannery much more room. The new building also is more conveniently arranged, has more ventilation and light and is generally much more satisfactory, Mrs. Griffith said.

Shower Planned
A shower to provide the cannery with needed working tools has been started by some ladies of the area and Mrs. Griffith said that the cannery would certainly appreciate and could use large cooking utensils, knives, tubs, and other things of this nature.

Mrs. Griffith said that the nicest and best grade of vegetables she had seen in several years were being canned this year. The cannery is canning from 400 to 600 cans per day.

O. J. Huggins is in California visiting relatives.

Visiting Here

ELMO WASSON of Big Spring, Governor of District 183 of Rotary International, who is visiting the Lockney Rotary Club today.

School Enrollment Totals 703 Tuesday

Up to Tuesday the enrollment of the Lockney schools had reached 703, it was reported by Principal F. M. Smith. This is slightly higher than last year's enrollment and a few more are expected to be enrolled yet.

The enrollment by classes in the high school was:

Senior 28, Junior 45, Sophomore 42 and Freshman 71. The grade school enrollment totaled 517.

Supt. Sidney Reeves said Thursday that he was trying to work out provisions for another first grade room. A total of 76 children have registered for the first grade which will require three rooms for that grade.

He expects the total school enrollment to reach 725 within the next few days.

Smith Girl Has Mild Case of Polio

Rita Merle Smith, 11 year old daughter of Mr. and Mrs. Milton Smith of Rencona, N. M., is in the West Texas polio center at Plainview. She has only a mild case of polio, physicians informed her mother.

Mrs. Smith said that Rita Merle had been feeling badly for several days and she brought her here for a clinical check-up. Her illness was definitely diagnosed as polio Friday morning and she was taken to the polio center.

Mrs. Smith and her daughter were visiting her parents, Mr. and Mrs. M. H. Ragle here.

Rita Merle's birthday is September 15 and since she won't be able to have a party her mother has asked that friends send her a card or letter on her birthday. She will appreciate it very much.

Hugh Perkins Dies At Fort Worth Mon.

Mr. and Mrs. Frank Perkins and George Perkins returned late Wednesday from Dublin where they attended burial services for their brother, Hugh Perkins, 66, whose home was Fort Worth.

Mr. Perkins died Monday at Fort Worth after an illness of several months. Funeral services were held at a funeral chapel in Fort Worth and burial was in the Dublin cemetery with the Masonic lodge in charge.

Survivors include the wife and one step-son, the two brothers of one step son, the two brothers of one sister.

Holland Case Is Moved To Briscoe

George Holland, negro, charged with murder of a Crosby County sheriff, will be tried at Silverton and the case has been tentatively set for Sept. 19, District Attorney John Stapleton said this week.

Holland was first tried in Lubbock county where he was convicted and given the death penalty. However the case was reversed and remanded and was transferred to Silverton on a change of venue.

Grand Jury Will Meet Monday

The Floyd County Grand Jury has been summoned to appear next Monday and will investigate a number of criminal cases, District Attorney John B. Stapleton said Tuesday.

The Grand Jury will be impaneled by Judge Alton B. Chapman in the County Court room which is being used for district court since the upper floor of the court house was burned.

The Grand Jury will meet in the old Grand Jury room on the second floor for its investigations. Among the cases to be investigated are three alleged cases of forgery and passing a forged instrument, one case of alleged swindling, one case of second offense of drunk driving, several cases of passing worthless checks, one of theft over \$50, and possibly others.

Mr. Stapleton said it is expected that the Grand Jury will return a number of indictments.

Due to the fact that some of the cases will probably be contested and require trial by jury, the third floor of the courthouse, formerly used as a dormitory for women and juveniles, is being painted, disinfected and generally overhauled to provide a jury dormitory. New beds are being installed, bath and other fixtures installed and the quarters made habitable.

Farm Bureau Membership Drive Is Planned

At the farmers meeting held at the City Auditorium here Tuesday night, plans were laid for a Farm Bureau membership drive to be held in the county October 17-23. The drive will be part of a state-wide drive for members by the farm organization.

County Farm Bureau President Ben Quebe appointed community chairmen in most Floyd County communities and asked that all chairmen and others interested attend a Farm Bureau bi-district meeting at Plainview on next Tuesday, Sept. 13.

H. F. Quebe, secretary of the county organization, said that there were now 35,000 members of the Bureau in Texas and that state officials hoped to double that number in the fall drive.

Community chairmen named were Hubert Frizzell, Lone Star; Harmon Handley, Pleasant Valley; Chester Carthel, Prairie Chapel; Bill Buth, Providence; Bill Staniforth Jr., South Plains; Harry Morckel, Floydada; L. D. Goughly, Floydada; J. S. Hale Jr., Starkey; A. H. Kreis, Floydada; Johnny Lackey, Cedar Hill; Hilburn Casey, Sterley; Carrick Snodgrass, Harmony; Claude Ring, Dougherty; and Frank Proctor, Floydada.

Meeting Set Sept. 19

Another meeting of farmers of the county has been set for September 19 at which time the matter of price for cotton pulling will be discussed further. Insufficient information on the price paid in other localities prevented much discussion on the matter Tuesday night.

County farm agent Robert Gibson spoke to the group briefly and advised that there was considerable "red tape" to securing Mexican nationals or "wetbacks" for labor since the farmer was required to carry insurance on them, provide transportation and housing and guarantee them a certain wage.

Mr. Gibson also brought out the fact that housing should be provided for labor regardless of who it is. He urged that farmers also provide extra trailers for hauling cotton and avoid packing it in tightly since this practice lowers the grade considerably.

The Bureau made tentative plans for a barbecue sometime after the membership drive is concluded.

Copeland Vs. Massie Case Set Monday

The suit for damages by Mr. and Mrs. H. A. Copeland of Floydada against the W. M. Massie estate has been set for 1 p. m. next Monday in District Court at Floydada and a petit jury has been summoned to appear at that time.

The suit grew out of the death by drowning of the Copeland's son, H. A. Copeland Jr. in an old caliche pit in West Floydada.

The suit was filed in September of 1948 but has been delayed due to the illness and subsequent death of W. M. Massie.

Courthouse Bonds Carry Saturday

Floyd County's courthouse bond issue went over last Saturday with a margin of 146 votes out of the 924 votes cast. This is only about 30% of the potential vote in this county.

The vote was heavily in favor of the issue at Floydada and in other boxes in south Floyd county and was heavily against it in most boxes in the north part of the county. Floydada's heavy vote in favor of the issue carried it. Floydada's total vote was 340 for the issue and 94 against it. Lockney's total vote was 42 for the issue and 158 against it.

Bonds Sold Monday

The \$200,000 in bonds were sold Monday by the Commissioner's Court to Louis Schickram of Amarillo. Schickram was the low man among the seven or eight bidders for the bonds. His bid totaled \$33,384.00 interest on a twenty-five year retirement basis. This is an interest rate of 2.875%, which is considered a favorable rate for the county. In addition he paid a premium of \$61.00 for the bonds.

Highest bid totaled \$88,963.75 for an interest rate of 3.067%. The bonds carry a 10 year option.

The Court has authorized the architect to proceed with the plans and specifications but it will probably be the first of the year before any actual construction work can be done, Judge G. C. Tubbs estimated.

Vote by box on the bonds was reported as follows:

	For	Against
SW Floydada	209	47

Bargain Rates On Daily Papers

Some daily papers have announced their fall bargain rates. You may save money by subscribing today at The Beacon office. Here are the rates:

Fort Worth Star Telegram, daily and Sunday, \$13.95. Daily only \$12.60.

Abilene Reporter-News, daily and Sunday, \$9.95. Daily only \$8.95.

Lubbock Morning Avalanche, daily and Sunday, \$10.95. Daily only \$9.00.

We haven't secured the bargain rate on the Amarillo News as yet.

Stapleton Licensed In Federal Courts

District Attorney John B. Stapleton was granted a license to practice law in federal courts Monday of this week by Judge Joe B. Dooley, judge of the Northern District of Texas.

County Board Refuses Transfer Of School Land

The Floyd County School Board, by a vote of 3 to 1, refused Tuesday to transfer a part of the Liberty school district to the Lockney rural high school district. The matter had been under consideration for two months or more and has created considerable interest among the districts involved.

Ben Quebe of Providence was the only member of the board in favor of the transfer.

The Liberty district was attached to the Floydada Independent school district under the recently enacted Gilmer-Aiken law, along with about 60 sections of other districts in the county. People of the north part of the Liberty district objected to the transfer and circulated a petition asking that the county board attach their part of the district to the Lockney district.

A number of people appeared before the board Tuesday in interest of the matter. The three trustees from the Liberty district Ray McCormick, Dick Ford and Gene Gilley, appeared before the board asking that the petition be granted. They represented about 18 or 20 of those involved in the area. Accompanying them was Charles Dean of Plainview, a lawyer who presented their side of the question. Mr. Dean also presented a letter from Supt. Sidney Reeves and the Lockney school board asking that the transfer be made.

Opposing the transfer were Mr. and Mrs. B. C. Hindsley and Mrs. J. R. Langley of Liberty and Supt. I. T. Graves and W. G. Collins, a member of the Floydada school board.

The area involved varies from two to three miles in width and is four miles long. It lies between the Lockney rural high school district and the Cedar Hill district. According to petitions circulated some time ago the residents of the area stood at 18 to 3 in favor of coming into the Lockney district. The area is also closer to Lockney than it is to Floydada.

Drawing Of Stadium Seats Monday

Drawing for seats in the reserved section of Lockney's new football stadium will be held Monday, Supt. Sidney Reeves has announced. He has asked Rev. E. J. Cobb, local Baptist pastor to draw the seats and those who have purchased reservations may receive their assignment any time from Tuesday on.

The reserved section has 11 rows and each row has 43 seats making a total reservation of 473 seats. Most of these have been sold, Mr. Reeves said. Purchasers of more than one seat will find that their seats have been grouped and will be all together. A rail will separate the reserved section from the remainder of the stadium. The entire stadium will seat probably 1500 people.

The first home game will be with Sudan here on Friday night, Sept. 16.

Soil Conservation Meeting Held

A meeting of supervisors from seventeen soil conservation districts of the panhandle of Texas met in the County Courtroom at Floydada August 24 for the purpose of discussing the provisions of the new aid bill just passed by the Texas Legislature, through which the soil conservation districts of Texas will receive \$5 million to further soil and water conservation work.

The meeting was opened at 10 o'clock by R. G. Dunlap, chairman of the local board. He introduced Mr. Sid Payne, member of the State Board of Soil Conservation District supervisors, who served as master of ceremonies through the remainder of the meeting.

Mr. Howard Goss, an administrative officer of the State Board, explained the provisions of the appropriation bill, giving details of how the money will be allotted to the districts and what uses will be made of it. The entire amount will not be distributed at once. The funds allotted to each district will be spent by

their board of supervisors for equipment and materials as needed to assist farmers in controlling erosion and conserving water and soil, according to Mr. Goss.

Louis Dawkins, a field representative of the State Board of Soil Conservation District supervisors of Plainview also commented on the program that is being outlined.

Other than representatives of the various Districts and the Texas State Board, the meeting was attended by officials of Extension Service, Production and Marketing Administration and Soil Conservation Service.

Mr. and Mrs. B. L. Fisher of Redonda Beach, Calif., left for their home Monday morning after visiting her parents, Mr. and Mrs. T. J. Rigdon.

Provide ample shade for the growing pullets. Shade on the range is most important during the hot summer and early fall months.

A mansard roof is an almost vertical one whose lower section is pierced with windows thus permitting an additional story.

Lone Star News

By Mrs. Harold Griffith

Lone Star school began winter session Monday morning with a nice number of pupils enrolling. Quite a few parents attended opening exercises. Mrs. G. C. Tiner is principal and intermediate teacher and Mrs. J. E. Stover will be primary teacher. Mrs. Rachel Ivey of Floydada will be lunch room cook again. She served delicious meals to the children last year and we welcome her back wholeheartedly.

Mr. and Mrs. L. M. Readhimer and girls visited one day last week in Albuquerque, N. M., with Rev. and Mrs. Fred Hardege and family. The Readhimers were enroute home from a vacation trip to Yellowstone National Park in Wyoming.

Recent visitors in the W. T. Rankin home were Mrs. Rankin's parents, Mr. and Mrs. Brown of Pottsville, Arkansas.

Mr. and Mrs. W. T. Rankin and children with Mr. and Mrs. Brown of Ark., spent last weekend in Clovis, N. M. as guests of Mr. and Mrs. Reginald Brown and children. Mr. and Mrs. Brown remained for a few days visit with their son and family.

Mr. and Mrs. R. L. Knox spent Wednesday night in Eldorado, Okla., with Mrs. Knox's mother, Mrs. Maude Price.

Mr. and Mrs. L. M. Readhimer were luncheon guests of Mr. and Mrs. A. O. Foster Sunday.

Mr. and Mrs. Reed Lawson and Sonny attended the Rigdon reunion in Lockney Sunday.

Miss LaNell Griffith returned to Lovington, N. M. last Tuesday to resume her duties as teacher in the public school another year.

Mrs. Brooks Jones and Mrs. Clyde Bramlet visited with Mrs. Walter Griffith Wednesday afternoon.

Betty Moss Wingo is spending

a few days with her parents, Mr. and Mrs. W. H. Wingo.

Glenda Ann Readhimer spent a few days last week in Plainview with Mrs. Almeda Rowell.

Visitors in the Bob Tiner home Friday were C. E. Smith and Mrs. Fred Brandon and Janice, Roaring Springs, Texas.

Mr. and Mrs. Clyde Farish and family returned home last week from a sight-seeing trip which included thirteen states. They visited with a cousin of Mr. Farish's in Silvan Springs, Ark., and spent two nights with a niece of Mrs. Farish's in Chicago, Ill. They saw the horse farms in Kentucky, the birthplace and boyhood home of Abraham Lincoln. The most interesting place to the Farishes was "My Old Kentucky Home" that Stephen Foster wrote about in his song.

Rev. and Mrs. G. C. Tiner entertained the intermediate B. T. U. class with a party Thursday night. Members and guests present were Glenda Ann Readhimer, Frances Nell Wells, Mary Ann Rankin, Betty Nance, Joe, Tommy and Wiley D. Nance, Harold Dean Griffith, Pat Frizzell, Donald McPherson and Robert Barrett.

Glenda Ann Readhimer spent the weekend with Betty Sue Farish.

Mrs. R. L. Knox visited with Mrs. Jack Frizzell Friday afternoon.

Mrs. Johnnie Griffin visited Mrs. Walter Griffith and Mrs. Harold Griffith Tuesday.

Sherry Watkins spent Friday with Sandra Lawson.

Glen Ray Freeman and Gafford Jackson of Roaring Springs spent Saturday night with Mr. and Mrs. Bob Tiner and Gary.

Edith Johnston of Lubbock, spent the weekend and Labor Day holidays with her parents, Mr. and Mrs. G. B. Johnston and G. B. Jr., and Mr. and Mrs. Hubert Frizzell and Tony.

Mr. and Mrs. Johnnie Griffin

and Johnnie B. spent Tuesday night and Wednesday at Buffalo Lake fishing.

Mr. and Mrs. Floyd W. Jackson and Betty, Billy Jake Wofford and Jimmy Reynolds attended Boys Ranch Rodeo at Amarillo Sunday.

Mr. and Mrs. L. M. Readhimer and girls with Mr. and Mrs. Reed Lawson and Sandra attended the football game in Shamrock last Friday night.

Mrs. Arlie Barnett and son of Claude spent Sunday and Sunday night with Mrs. Lowell Jarrett and Larry.

A. O. Foster made a trip to Wichita Falls over the weekend.

Visitors in the Howard Watkins home Saturday night were Mr. and Mrs. C. L. King and Mr. and Mrs. Jack Frizzell and children.

Mr. and Mrs. Howard Mosley and children were luncheon guests in the Durwood Jack home Sunday.

Weekend visitors in the Walter Griffith home were Mrs. Kline Nall and girls and Mr. and Mrs. Chester Griffith and Linda of Lubbock.

Mr. and Mrs. R. L. Knox Jr., of Spring Lake spent the weekend with Mr. and Mrs. Bob Knox.

Billy Jake Wofford spent Saturday night with Mr. and Mrs. Floyd Jackson and Betty.

Mr. and Mrs. Denzil Boyter and Jennie Sue spent Sunday with Mr. and Mrs. A. E. Frizzell and Pat.

Mr. and Mrs. J. B. Nance were in Silverton Sunday visiting in the Putt Jasper home.

Mrs. E. H. White of Petersburg is visiting her daughter, Mrs. J. E. Stover and family.

Claude Fletcher of Plainview visited Mr. and Mrs. Jack Frizzell and children Sunday.

Floyd Jackson and Betty were in Canyon Monday on business.

Mr. and Mrs. Jack Frizzell and children were dinner and over night guests in the Howard Watkins home Sunday night.

Mr. and Mrs. Morris Nance visited in the J. B. Nance home Sunday.

Mr. and Mrs. W. D. Nance and boys spent Saturday night in House, N. M. as guests of the Albert Pools. On Sunday night they were guests of Mr. and Mrs. J. A. Nolan of Hereford.

Donald Farish spent Saturday night and Sunday with David Frizzell.

Mr. and Mrs. Billy Jack Lawson and family were luncheon guests in the Reed Lawson home on Sunday.

L. M. Readhimer and H. E. Frizzell made a business trip to Clovis, New Mexico Sunday and Monday. While there they attended the Steer Roping contest Monday.

Mrs. Harold Griffith and Dennis spent Sunday with her parents, Mr. and Mrs. V. D. Harris of Lockney.

Mrs. Howard Mosley and boys spent Monday with Mrs. Jack Frizzell.

Mrs. Lowell Jarrett and Larry were luncheon guests in the home of her parents, Mr. and Mrs. Lee Davenport of Silverton Monday.

Tree ripe peaches, free from bruises, are best for quick freezing.

\$25.00 Prize for naming our new POULTRY AND DAIRY FEED

This firm will begin soon the manufacture in Lockney of a new poultry feed. We are asking our customers in this area to suggest a suitable name for this new feed. We will give a prize of \$25.00 for the best suggested. Judges will be local interested persons. Here are the rules:

1. Anyone except employees of the firm and the judges and their families are eligible to enter.
2. You may submit as many names as you choose. Each name must be written on a separate sheet of paper with the name and address of the contestant on the paper.
3. All entries must be postpaid and not later than September 10, 1949.
4. Entries must be mailed to the office of Baxter & Smith Grain in Lockney.
5. No charge is made for the purchase and you are not required to purchase.
6. The decision of the judges is final.

Mr. and Mrs. C. O. Roberts of Corpus Christi spent from Wednesday night until Friday here on business.

Anniversary Observed

The children of Mr. and Mrs. Ralph Brown of Ruidoso, N. M., gave them a surprise dinner honoring their 25th wedding anniversary. This gathering was held in the home of Mr. and Mrs. Albert Scheele on Sunday. Those present were Mr. and Mrs. Ernest Sammann, Mr. and Mrs. Bruce Rigler, Mr. and Mrs. Albert Scheele, Pat and Shirley Brown, Delores Sammann, Maebeth McLaughlin, Foncine Boedecker, and the honorees.

Dinner guests in the home of Mr. and Mrs. Ben Brandes Sunday were Mr. and Mrs. Wilfred Stoerner and Mr. and Mrs. Otto Schrieber of near Plainview.

Mrs. Robert Buhrkuhl and W. K. Reagon Jr., were called to the bedside of their father, W. K. Reagon Sr., of San Angelo. Mr. Reagon underwent major surgery Friday morning at the clinic at San Angelo. Mr. Reagon is improving rapidly.

WHEN YOUR APPEARANCE COUNTS...

That important business appointment... that long looked forward to date... require you to look your best. We carefully attend to cleaning, pressing and alterations to assure you the very best appearance.

BROWN'S CLEANERS

Claude Brown, Prop. Phone 72

with a JOHN DEERE TWO-ROW COTTON HARVESTER

The easiest way to boost your cotton-growing profits is to use a John Deere No. 15 Two-Row Cotton Harvester. Based on 1947 labor cost, it saves \$30 or more per bale over hand pulling... does an excellent job in any crop that's suitable for mechanical stripping.

Handling two forty-inch rows at a time, the No. 15 does a clean, efficient *once-over* job of saving bolls. Its work is considered by many gin operators superior to cotton stripped by the average hand puller.

With the John Deere, you, too, can make short work of your harvest... get all your cotton to the gin before bad weather causes crop losses. For details, see us the next time you're in town.

See PAT STANSELL at Lockney Implement Company or Stansell & Collins Co. at Floydada before you trade for a COTTON HARVESTER. We can arrange most any terms you would desire.

Sandra Sams Is Party Honoree

Sandra Sams was honored on her eleventh birthday by her mother, Mrs. Gerald Sams Sept. 3 at 4:30 o'clock.

Games were played and pictures of the group were made. The main attraction of the occasion was the large, beautifully decorated birthday cake glowing with candles.

Refreshments were served to the following guests: Clydene Terrell, Peggy Livesay, Ollie Mae Rogers, Asa Lou Copeland, Doyleene Harrison, Clara Lee

Smith, Betty June Jackson, Jolene Dorman, Margaret Ann Holt, Gary Holt, Deanne Arterburn, Mary Joan Myers, La Dora Ayres, Georgette Cook, Plainview, and the honoree's two grandmothers, Mrs. E. E. Weiss, Plainview, and Mrs. Hugh Counts, Lockney.

Mr. and Mrs. J. M. Cox of Archer City and Mr. and Mrs. Floyd Teaff of Olney visited in the Marvin Cox home here Sunday. The Teaffs attended the Teaff family reunion also.

GO TO CHURCH SUNDAY.

Shirley McGhee and Bill Wesley Jr. Are Wed Friday Eve

Candlelight and soft music blended to form an impressive background Friday evening for the informal wedding ceremony in which Shirley Ann McGhee, daughter of Mr. and Mrs. Ben R. McGhee, became the bride of Mallard J. (Bill) Wesley Jr., son of Mr. and Mrs. Mallard J. Wesley Sr., of Aiken.

Nuptial vows were exchanged in the First Methodist Church with Rev. E. J. Cobb, pastor of the First Baptist Church, reading the double ring ceremony. As the guests assembled Mrs. Oran D. Smith, organist, played a prelude of nuptial music. Clevanne McGhee, cousin of the bride, sang, "Sweathearts", "Because" and immediately preceding the ceremony sang "The Lord's Prayer". The "Bridal Chorus" from "Lohengrin" by Wagner was used as the processional and recessional.

An archway of white carnations and fern flanked by baskets of yellow and white mums and gladioli against a background of palms interspersed with candelabra formed the decorative setting at the altar.

Entering on the arm of her father who gave her in marriage, the bride was gowned in white sheer wool crepe, fashioned with a high neck line and fitted bodice with long sleeves and full gathered skirt. Her shoulder length veil of illusion was attached to a band of tiny orange blossoms. Her arm bouquet was of white roses. The handkerchief she carried was of point lace and linen and made by her aunt, Mrs. C. D. Merrick and carried at her own wedding thirty-six years ago.

Mrs. Bill Wesley Jr.

Jeanne Thomas attended the bride as maid of honor. She wore a blue sheer wool crepe fashioned identical to that of the bride. She carried a bouquet of yellow roses and wore a band of small white mums in her hair.

Glen Muse of Plainview was best man. Ushers were Billie McGhee, cousin of the bride, and J. B. Seale Jr.

Mrs. McGhee, mother of the bride, wore a suit of black gabardine with black accessories and a corsage of pink carnations. Mrs. Wesley, mother of the bridegroom, wore a navy dress with matching accessories and a corsage of white carnations.

Reception

Following the ceremony the bridal party was honored with a reception at the home of the bride's parents.

Draped with a handmade cloth of linen cut work, an heirloom of the family, the table was centered with the three-tiered wedding cake and an arrangement of garden flowers. Miss Patsy Sterns of Plainview served the cake. Miss Lavern Henders of Canyon poured punch. Hope McGhee, sister of the bride, registered the guests.

For a wedding trip to points in Colorado and New Mexico, the bride traveled in a navy suit with grey accessories and a corsage of roses.

Mrs. Wesley was graduated from the Lockney High School and attended West Texas State College at Canyon three years.

Mr. Wesley is a graduate of Plainview High School and is engaged in farming and ranching. He has received State and National honors in his work in agriculture and stockraising.

Only relatives and close friends of the couple attended the ceremony.

PTA Reception To Honor Faculty

The Lockney Parent-Teacher-Association will honor the school faculty with a reception at the high school on Tuesday night, September 13th at 8 o'clock.

There will be a short program and refreshments of punch and cookies will be served. Every parent and teacher are urged to attend. Program books for the year will be given to those joining the P. T. A.

To answer the question "Why have a P. T. A. organization?" We would offer as main objectives: to unite the forces of home, school and community in behalf of children and youth.

Other objectives are to bring into closer relations the home and school that parents and teachers may cooperate intelligently in the training of the child.

Also to develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

This first meeting will enable parents and teachers to become acquainted and enjoy an hour of fellowship together. If it is not possible for you to stay but a short time, feel free to come by at least long enough to meet the teachers of your children. It will bring about a happier relationship for you, the teachers and the child.

Mrs. Newton Daniel, Pres.

Wood Home Scene For Rehearsal Dinner

The rehearsal dinner for the McGhee-Wesley wedding party and their families was given Thursday evening, Sept. 1, in the home of Mr. and Mrs. Derrell Wood.

The reception rooms were gaily decorated with garden flowers of yellow and white, the bride-elect's chosen colors. In the arch way before the dining room hung wedding bells of white with silver and blue trim.

A buffet dinner was served by candlelight from yellow, silver and white tapers. The lace table cloth over yellow crepe paper was a gift from Mrs. O. J. Welch. A miniature bridal couple stood on a reflector surrounded by the traditional "something, old, new, borrowed and blue" as well as coins and rice. China dolls and other figurines stood near by. Streamers of wide yellow satin ribbons extended from the center piece bearing gifts of gold ear rings from Miss McGhee to her attend-

ants, Miss Clevanne and Mrs. O as were the low pottery holders, white painted flowers and white Other table a candle light ture plastic bride-elect's Mrs. Wood serving by Nita Wesley, orees. Others and Mrs. Ben Mrs. M. J. W Billy McGhee of Plainview,

Disinfecting Made Easy

Are your disinfecting experiences unpleasant? Turn thumbs down on old-fashioned disinfecting — get to know new, easy-to-use Germex made by Dr. Salsbury's. No dip odor. Germex is efficient in germ control, and economical, too — one pint makes 65 gallons general disinfectant. Also for poultry's drinking water. Ask for Germex. Lockney Drug Co.

Methodist Notes

We are going to observe Rally Day in our church school Sunday week, Sept. 18. We would like to have 200 in attendance that day. Let's start working now, by having 175 this Sunday. Be sure and come. We need you and you need the Sunday School and church.

We want our church to do a good year's work and it depends on each member as to whether we do or not.

Sunday night at 7:30 a group from the colored Methodist Church of Plainview will put on a program of 30 minutes before the regular sermon. Come and hear these people sing.

Thoughts for the Week

We are in the "Advance for Christ" program. Let us advance in our own spiritual life.

Every citizen who ignores God hampers his country from becoming exalted through righteousness.

One must listen to hear God's voice. Newton Daniel, Pastor

PROVIDENCE SAYS "THANKS FOR THE GOOD ROADS"

People of the Providence community were expressing their thanks this week to Commissioner Hugh Counts and his crew for the excellent work they have done on the roads in that community. Ben Quebe, Bill Butch and trustees of the Providence school were all highly pleased with the roads now that they are in such good condition and they asked The Beacon to express their appreciation publicly.

The new butcher at Newman Grocery & Market is Arville Hudson who with his wife and two boys moved here from Clovis, N. M.

Negro Given 90 Days and Fine

Jesse Stewart, charged with the third offense of illegal sale of liquor, was given 90 days in jail and a \$400 fine by Judge G. C. Tubbs in County Court at Floydada Tuesday. County Attorney Enos T. Jones prosecuted the case.

CARD OF THANKS

We wish to take this means to express our thanks to everyone who helped in any way in the loss of our home and furnishings by a recent fire.

Especially do we thank The Lockney Baptist Church and The Main Street Church of Christ for their donations.

May God's richest blessings be upon each of you.

The N. R. Pool Family

CARD OF THANKS

I wish to express my sincere appreciation to the people of Lockney and this vicinity for the patronage you gave my shoe shop while I was in business here. You have been very kind and I appreciate it very much. Bob Vaughn

WILL MOVE HERE

Mr. and Mrs. W. O. Stuart of Fort Worth were here this week making arrangements to move here. Mr. Stuart owns the farm south of town farmed by Norman Caldwell. They will build or buy a house in town and make their home here. Mrs. Stuart is the former Edna Parsons and was reared here.

Mr. and Mrs. Thos. K. Brown of Waxahachie and Mrs. W. G. Brown of Cedar Hill were here the past week visiting Mr. and Mrs. F. L. Brown and other rela-

Mr. and Mrs. Fred Hall and Harold, who is employed at the family spent the week end in Southwestern Motor Co. as a Fort Worth visiting their son, bookkeeper.

HANDLE PRESS ASSOCIATION

EDITORIAL

For this cause therefore have I called for you, to see you, and to speak with you; because that for the hope of Israel I am bound with this chain.—Acts 28:20.

We do not know whether the constitutional amendment to raise the salaries of the legislators is wise or not, but we do know that the Texas legislative system is badly in need of an overhaul. When you pay a man so little that he must resort to other means to secure a living for himself and his family, then you are driving him to a place where he must split his loyalty. In the legislature we should have men who are loyal to the interests of the state and who are not also interested in the welfare of an oil company or a sulphur company or some such organization.

We've never seen a more cooperative and public spirited attitude than that evidenced by the citizens of Lockney in the paving of local streets. To start

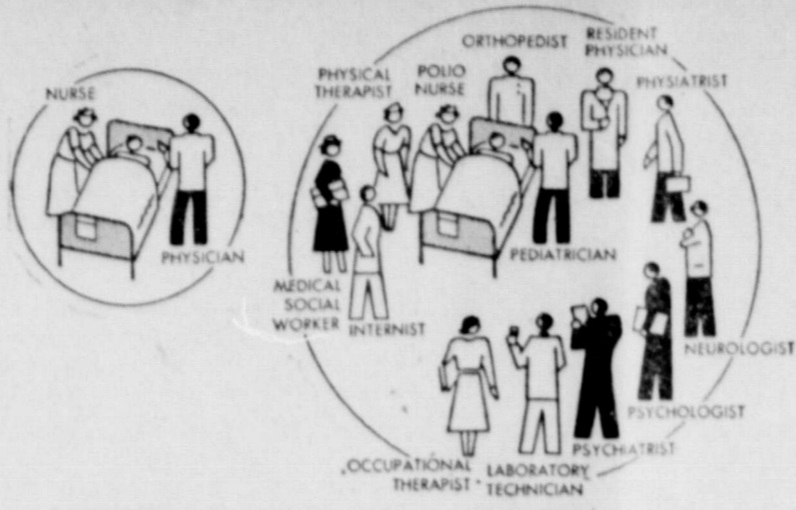

with the City itself was in no position financially to pay for the paving so it was up to the home owners of the city. Several years ago when the cut-off to the Floydada-Silverton highway was paved the city secured around 30 blocks of paving. This Spring when the Lone Star road was paved the city had more than 50 blocks paved. Now seven more blocks have been secured mostly for filling in gaps and completing streets which were not finished. In West Lockney every street running north and south has been paved from one end to the other with but just a small gap or two. Practically all streets running east and west have also been paved. Considerable paving has been done in east Lockney. According to The Beacon's figures the city itself now has well over 100 blocks of paving—around 125 in fact. Who can top that?

As has been mentioned before, a crying need within the business district of Lockney is toilet facilities for Mexicans. This fall our streets will be crowded with Mexican cotton pickers and there are no toilet facilities to serve them. Such a lack creates a highly unsanitary condition as well as an unpleasant one. Other cities of equal size have met and mastered this situation. Whatever the course necessary to provide these facilities The Beacon feels that we should do it.

Football is in the air and is usually the topic of conversation when a number of fans get together. Lockney has a fine group of boys who are carrying the school colors this year and they have the wholehearted support of this entire community. We feel sure, with the capable coaches that they have, that these boys will bring honor to their school. We do not especially mean by winning championships, but by playing clean, hard football, by conducting themselves as gentlemen both on and off the field, and by cooperating together and with their coaches. Maybe it shouldn't be so, but a high school football team carries a great responsibility. We know those 1949 Longhorns will conduct themselves in a worthy manner.

The constitution guarantees a man the right to the pursuit of happiness but not at 90 miles an hour.

GROWTH OF POLIO CARE TEAM

1938 1949

Medical care for polio patients is costing the National Foundation for Infantile Paralysis more money than ever before—because better treatment is available today than formerly, as the accompanying chart reveals. Until 1938 when the National Foundation was formed, a physician and a nurse usually comprised the best available care. Today, modern polio treatment may include 13 specialized services, provided by an entire TEAM of professional workers. This expanded care has cost National Foundation Chapters millions in March of Dimes funds. More money is needed immediately to continue these services. Support the POLIO EPIDEMIC EMERGENCY DRIVE to help care for today's polio patients. Send your contribution now to POLIO, care of your local Post Office.

With Our EXCHANGES

HITCHHIKERS ARE A MENACE.

Do you get a guilty feeling when you pass a hitchhiker on the highway? Does your sense of chivalry compel you to stop and give a lift to "ladies in distress" who appear by the road with thumb outstretched?

If so, consider the benefits earned by passing them up. First, you're alive; second, you probably haven't been beaten and robbed.

The case of Lewis E. Patterson Brady real estate man, should serve as a warning to Texans who extend hospitality to hitchhikers. Patterson had no way of knowing that the two pretty girls he picked up near Austin last week were cold-blooded killers. He probably never knew it. His body, minus wallet, was found by the side of the highway.

It is traditional with Texans to stop and render aid to motorists in distress, to give a lift to hitchhikers, and above all, a Texan must give succor to women when found along highways in need of transportation.

Changing times must work a change in highway etiquette, if motorists are to survive. Today one should not only have a feeling of guilt and pangs of chivalry—he should pass hitchhikers with caution—and relief. The cost of being "neighborly" on the highways today is too often robbery and sometimes death.

Unless the hitchhiker is an acquaintance, your family will thank you for speeding right on by. The cost of being a good guy makes any other course prohibitive.—The Ralls Banner

THE VAUGHN MUDDLE

President Truman's intense, personal loyalty to personal friends is a quality well recognized.

nized and, more frequently than not, commended by the American public. But this quality ceases to be admirable, and becomes the reverse, when the President permits his personal and official loyalties to become hopelessly mixed. When his loyalty as President blinds him to propriety, then Mr. Truman misuses the highest office within the gift of humans to bestow.

The most extraordinary example of the President's obvious confusion as to a fitting beneficiary of loyalty is Maj. Gen. Harry Vaughn, his military aide. Giving General Vaughn the full benefit of all doubts as to intentions and integrity, many of his actions and associations have not been of a nature which reflects credit upon a Presidential aide and as the incumbent's close—if not closest—confidant.

Some of the many incidents which have involved General Vaughn include acceptance of a decoration from the Argentine dictator, Peron, whose obvious motive was to improve his chance of getting a big handout in the U. S.; his intimate associations with acknowledged "5 per centers"; his intimate friendship with "Fixer" John Maragon, whom Vaughn himself now describes as being "beyond fumigation," the related deep freeze gifts and many others.

The best that can be said of Vaughn is that his conduct has not reflected the judgment and good taste which should be essential qualities of any official aide and close confidant of a President. Yet Mr. Truman stubbornly reiterates his determination to keep in a position of high honor and responsibility a man repugnant to great numbers of Americans.

These Americans would not—could not, with justice—criticize the President's friendships if he would keep them personal. But people have every right to criticize when objectionable personalities are made part of their government.

One Moment Please!

With Gayle Oler
Supt., BOLES
Orphan Home
Quinlan, Texas

Reputation is desirable. Character is indispensable.

What a wonderful world this would be if we would do as well today as we expect to do tomorrow!

Ideas, clothed in proper words, are moral dynamite.

Experience is not what happens to a man. It is what a man does with what happens to him. Shun idleness; it is the rust that attaches itself to the most brilliant metals.

A compliment doesn't mean much to a person if it is immediately followed by a criticism.

We are what we are when we are doing as we please.

There is only one place you can find success without work—in the dictionary.

It is not difficult to meet expenses these days. In fact, you meet them every time you turn around.

Courtesy—the lubricant which oils the wheels of business.

If, in the morning you throw minutes away, you can't pick them up in the course of the day.

To make a car fool-proof, keep the fool out of it.

Nothing has done so much harm to healthy friendliness as the belief that we ought to do one good act a day.

And then there was the man who was so fond of horses he married a nag.

Those who do not feel God in his love will be sure to feel him in his displeasure.

The harvest of wild oats is always rag-weed.

Nothing is so valuable to the development of a wholesome personality as devotion to an all absorbing task.

The men who move the world are the men whom the world cannot move.

We are as young as our faith and hope and as old as our fear and despair.

Most Americans unquestionably have their fill of the Vaughn escapades. Their respect for and confidence in Harry Truman, the President, suffer because of the friendship involved. The sooner Mr. Truman rid himself of such confidants, the more he can hope to salvage in confidence and respect for the high office which belongs to no individual but to all the people of the United States.—Lubbock Avalanche.

Mr. and Mrs. T. J. Rigdon, Mr. and Mrs. B. L. Fisher and Tom Jr., and family of Amarillo report a large catch and a good time on their fishing trip to Buffalo Lake Tuesday, Wednesday and Thursday of last week.

Under present conditions, it may become a United States. Dating time Jesus Christ in 527.

Fall Flower Show Set September 17

A thin or poor calf produces dry, tough and stringy meat while a fat animal furnishes juicy, tender and tasty food.

Paris, of Troy, caused the Trogan Wars by carrying off Helen, the wife of Menelaus, king of Sparta.

In relation to area, the two largest countries on the American continents are Canada and Brazil.

September 17 has been set as the second fall flower show, sponsored by Our Home Garden Club. This show will be held in the American Legion Hall in Floydada.

Three state flower show accredited judges will judge the show and ribbons will be awarded to the first three places in each class. There are 11 straight classes and 6 arrangement classes set up to be judged and this will be the second year that the services of state flower show accredited judges have been secured.

Features of the show this year will include a Christmas room in a typical holiday setting, a miniature garden pool and a landscaped model of the home of Mr. and Mrs. Tate Jones, located east of Floydada on the Matador highway.

A new class "For Men Only" has also been added to the show this year and this class is expected to create much interest among the men who are blessed or cursed with the green thumb. Rules for this class state "any man is eligible to enter any flower, in any container, in any arrangement."

Because of the growing interest that children have shown a special booth is being prepared for their individual arrangements. Any child 12 years old or under may enter this class.

Garden Club members will compete for awards in the special arrangements class of the straight division which will include spring, summer, fall, winter and church arrangements.

Each exhibitor is urged to read the schedule and study the rules carefully before entering the show and the public is cordially invited to participate in the show and visit the showroom throughout the day.

Committees appointed for this show include: Flower Show committee: Mrs. Guy Ginn, Mrs. J. M. Willson, Jr., Mrs. W. E. Garrett, Mrs. J. S. Hale, Publicity: Mrs. G. E. Mayo, Committee for judges: Mrs. John Reue, Mrs. Ralph Johnston, Mrs. J. S. Hale.

Awards: Mrs. John Kizer, Show place: Mrs. Alton Chapman, Entries committee: Mrs. W. E. Garrett, Mrs. Fred Zimmerman, Jr., Classification committee: Mrs. Fred Cardinal, Mrs. Tate Jones, Mrs. John Reue, and Mrs. J. S. Hale. Special Projects committee: Mrs. Alpha Boothe, Mrs. Kinder Farris, Mrs. Billy Henry, Mrs. John Kimble, Mrs. Jake Watson. Schedule committee is Mrs. Guy Ginn. Staging: Mrs. Jim Potts, Mrs. J. M. Willson, Jr., Mrs. Bob Collier, Mrs. Senton Howard, Mrs. Bob Clem, Mrs. George VanWickle, Mrs. W. E. Garrett and the Junior Exhibit committee is Mrs. J. M. McNeill and Mrs. M. L. Solomon.

25 Lettermen Return For Tech Team

Lubbock.—Football players of Texas Technological college, seeking its ninth Border conference championship and the third in succession this fall, will report for the season Sept. 1.

Coach Dell Morgan and his aides expect a rough fall, with one of the roughest schedules ahead which could be planned. Four Southwest conference opponents, five of the Border conference and Tulsa of the Missouri Valley circuit will be faced. Twenty-five lettermen will be back, along with several likely transfers and many promising sophomores. But nine key lettermen have been lost from the 1948 champions and coaches see difficulty molding a winning team.

Big Don Williams, letterman tackle, has been shifted to guard to fill a majority vacancy. With several good fullbacks, it is expected a shift or two from that post to right halfback will be made to correct another deficiency.

Three ends graduated, but replacements are seen in Dick and Hugh Jackson, brothers from Phillips, both transfers. Jack Davis, Littlefield sophomore, also is expected to help.

Strongest spots for the Red Raiders seem to be at tackle and center. All-Conference Marshall Gettys and John Andrews, starters of last year are back, along with reserves Doug McSwane and Bobby Broyles. Jerrell Price, all-state two years at Brownfield high school, is seen as a stand-out addition at tackle.

Bobby Williams is back at center for his fifth year, bolstered by J. B. Mahler, 1948 letterman, and Aubrey Phillips, 6-4, 225-pound sophomore.

Tech this fall is expected to do more passing, with at least four acceptable chunkers at quarterback.

"Blue sky laws" regulate the sale of securities.

Sterley News

by Bonita Glover

Mr. and Mrs. M. A. Boone and El Dora have moved to Tampico where he will be employed as station foreman. We are sorry to have this family leave this community. We hope they will be happy in their new home.

Everett Rivers will be working for the Ft. and Denver railroad in Plainview this week.

Mr. C. B. Humphrey has been ill this week and has been unable to work. We hope he will be well soon.

Mr. and Mrs. Emmett Johnston were guests of Mrs. J. W. Ginn in Floydada over the weekend.

Mr. and Mrs. W. M. Wood and Johnny visited with friends Sunday.

Mrs. Roy Barr and daughter, who has been visiting with her parents, Mr. and Mrs. G. E. Patterson, returned to their home in Eugene, Oregon via plane Thursday.

The M. O. Buchanan family have moved back to Sterley. We are glad to have this family back to make their home with us.

Mr. and Mrs. G. A. McAda and Gordon were guests of Mr. and Mrs. L. A. Claborn Friday.

Mrs. A. H. Sultier returned from Levelland Wednesday where she visited with her mother, who has been ill.

Mr. Homer Minor and W. J. Bryan of Plainview visited in the G. E. Patterson home Friday.

Frank Howard of Amarillo is working as conductor on the Ft. Worth and Denver railroad this week.

Carl and Nadine Mullins are spending the week with Mr. and Mrs. W. B. Mullins and Barbara.

Mrs. J. W. Foster and Jeanine and Mrs. L. P. Horston and Hershel visited in Petersburg with Mrs. Foster's sister, Mrs. H. B. Foster Sunday.

Mr. and Mrs. A. K. Glover and family went to Bovina Sunday where they attended a family reunion with Mr. Glovers parents.

Mr. and Mrs. Sam Jack and ents, Mr. and Mrs. J. R. Glover, family with Mr. and Mrs. Jack Bickly and Jackie visited in the home of Mr. and Mrs. Erland Johnson and daughter of Turkey Sudday.

Mr. and Mrs. C. B. Humphrey and children made a business trip to Wichita Falls last week.

Mr. and Mrs. M. O. Buchanan and family visited in Turkey over the holidays.

Mr. and Mrs. A. P. Sanders and Mr. and Mrs. Hansel Sanders entertained several friends at a dinner party on Sunday.

Guests in the V. E. Penix home last week were their son, Levell Dean Owens and their nephew, J. A. Owens.

The Methodist revival closed Sunday and it was a success, according to a report by Mrs. A. H. Sultier. The revival was interrupted when Rev. S. A. Sifford became ill Wednesday. Rev. Roy Bassett continued the messages.

Mr. and Mrs. Nelson Day and son were visiting with Mr. Day's brother, Mr. V. E. Penix this week.

The M. O. Davis family have returned from a trip to the coast. They report a nice trip.

We are happy to report that little Jimmy Howell, a polio victim, is doing fine. It is possible that he may be home in time to start to school the second semester.

Arvel Glover visited with his

parents, Mr. and Mrs. A. K. Glover over Labor Day holidays. He has been working in Seminole for several weeks.

Delton Jacks visited Stanley Perry Monday.

Mr. and Mrs. H. S. Watson of Matador were guests in the home of Mrs. Watson's sister, M. P. Fulkerson last week.

Ino. Stalcup, Manager Lockney

LONGHORNS BEAT SHAMROCK 14-0 IN HARD GAME FRIDAY NITE

Coach Curtis Kelley's Lockney Longhorns defeated the Shamrock Irishmen on the Shamrock Field last Friday night 14-0.

The Longhorns went into the game rated as the underdogs and with a great many of the local fans expecting them to get beat. But the local boys were clearly the best team on the field and won the game fairly. Despite the writings of some sportswriters to the contrary, the

Longhorns did not win the game on breaks. The breaks of the game were about even and fumbles were few. It was a well played game for both teams considering it was the first game of the season.

The Longhorns had an advantage in first downs as well as the score with first downs standing at about 14 to 7. The Beacon did not keep the yardage gained. That Longhorn line showed a

lot of improvement over their performance against Memphis recently and fans were comparing them to the strong Longhorn line of last year. Shearer at tackle, Crouch at end, Thompson at center and Huckaby at guard really stood out playing great defensive ball. Roger Skaggs, a dangerous scat back on the Irish team, broke through the middle of the line for nice gains several times but in the latter part of the game the Longhorns kept him pretty well bottled up. Kelley used a 6-2-2-1 defense most of the time with Thompson and Huckaby backing up the line. Bobby Baxter at end, W. L. Row-

ell at tackle and Tip Jeffcoat at guard were the other starters in the line and they played good football.

In the backfield, Strickland was the main defensive power and also carried the brunt of the power plays on offense. Ray Ferguson carried the ball brilliantly several times and demonstrated his ability to run a broken field, nearly getting away completely several times. One run of 40 yards was nullified partially by a penalty.

Mac Howard and C. B. Smart did their part in the back field both offensively and defensively. Smart's passing and kicking was excellent for a freshman and he shows promise of becoming an outstanding back.

The Longhorns and Irish played back and forth in the first half with neither team scoring but the Longhorns had a big edge in the stats.

The Longhorns did not take long to score after the kick off of the second half. Shamrock received and failed to make ten so they attempted a punt on fourth down. Barry Thompson rushed through from his line backer position and blocked the kick, the ball going out on the 18 yard line. The locals went over in four plays for the score with Strickland carrying over from the four on a plunge over the line. Strickland also converted the point with a plunge over the line.

The locals scored again in the fourth quarter but a penalty almost deprived them of the score.

On a punt the Irishmen took the ball on their own 18 yard line. The first play made one yard and the second one lost eight. The Irish then decided to kick, getting the ball out to their own 35 on a punt. However a 5 yard penalty was called on the Longhorns on the play and the Irish captain made the mistake of taking the penalty instead of refusing the penalty and putting the ball in play on the 35. The second attempt to kick was fumbled and a Longhorn recovered the ball on the one foot line.

The Longhorns carried the ball over but a 15 yard penalty for holding was assessed against the locals and the ball was on the Irish 15 yard line. Three plays did not make the necessary yardage and on fourth down, Smart tossed a pass to Howard who lateraled to Strickland who went over standing up. Strickland again pushed over the line for the point.

The Longhorns will not meet many players this year who are more dangerous than Shamrock's Roger Skaggs. This young fellow broke loose for several nice gains against the Longhorns. He was shifty and very hard to tackle. The Longhorns played excellent football in preventing him from getting away for a score.

The Irishmen never really threatened to score against the Longhorns although they made some nice gains at times. Kicking was about even as was the passing.

Probably two or three hundred Lockney fans attended the game. The Longhorns are idle this week but will play the strong Sudan team here next Friday.

AMAZING NEW MASSEY-HARRIS SELF-PROPELLED GIVE YOU

Balanced Separation

PLUS MORE EFFICIENT CYLINDER AND BEATERS . . . LONGER, WIDER STRAW-WALKERS . . . BIGGER WHEELS . . . MULTIPLE SPEED DRIVE . . . EASIER OPERATION — FOR GREATER CAPACITY, MORE AND CLEANER GRAIN, FASTER HARVESTING.

★ Here's grain saving . . . speed . . . convenience . . . adaptability to field and crop conditions such as you never dreamed possible. It's Balanced Separation! The new harvesting principle found only in the new "26" and "27" Massey-Harris Self-Propelleds.

Balanced Separation is controlled separation through every step of harvesting—in the cutting, elevating, the beaters and cylinder . . . in the longer, wider straw walkers . . . the thorough cleaning of the shoe.

Balanced Separation results in more Capacity . . . capacity that gets your grain in faster, easier, more profitably . . . capacity that gets all of your crop in the lowlands and on the hillsides . . . capacity that saves fuel, time, labor and grain.

See the new Massey-Harris 12 ft. "26" and 16 ft. "27" today . . . they're unmatched in profit-building field performance.

Balanced Separation and its 4 exclusive companion advantages

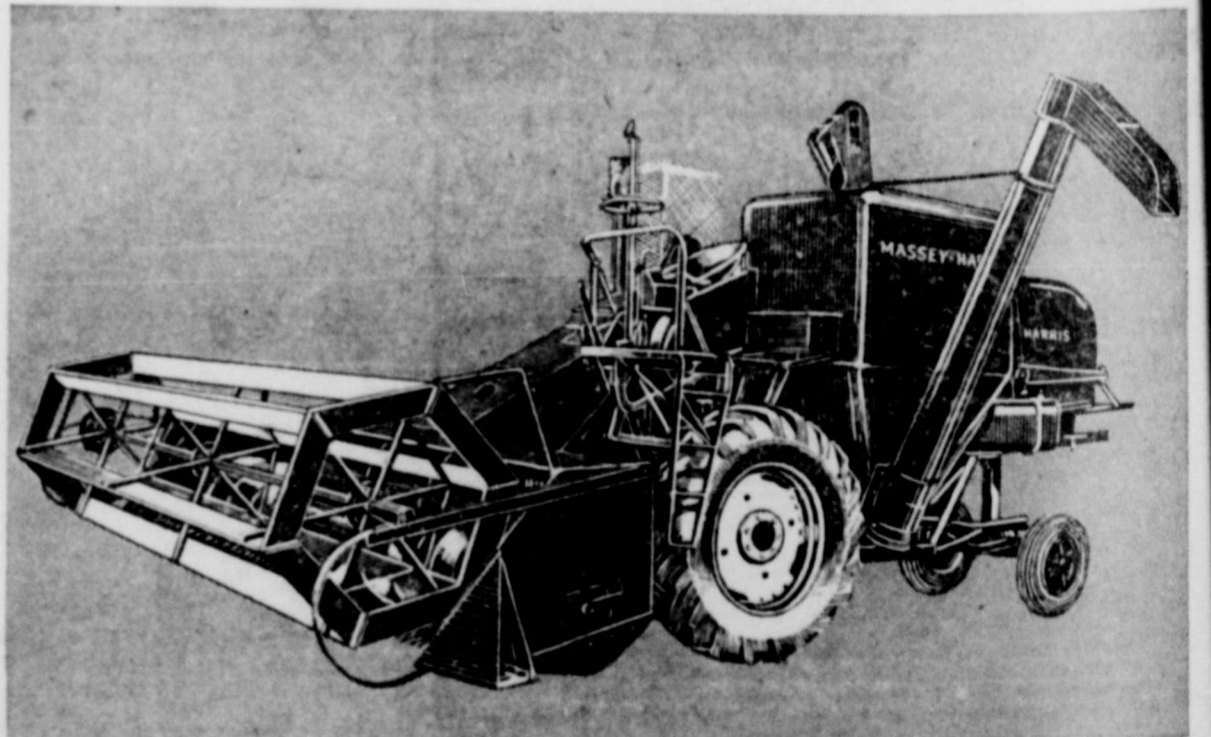

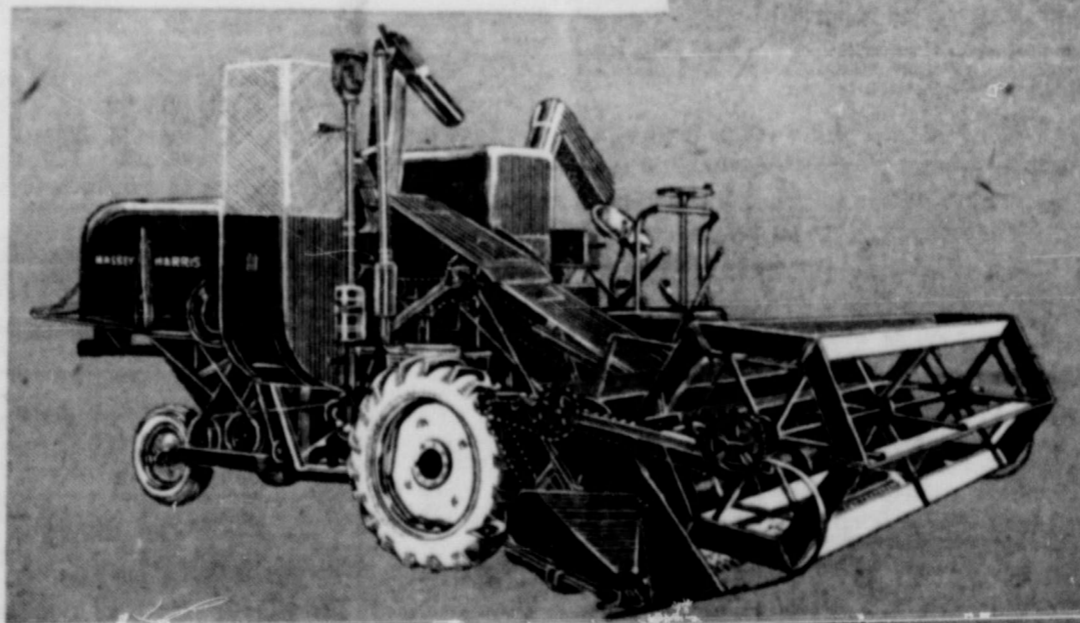

- ✓ Simplicity, Ease of operation
- ✓ Precision Balance and Stability
- ✓ 24 Controlled Speeds
- ✓ Extra Large Traction Wheels

are found only in the new "26" and "27"

Massey-Harris *Self-Propelleds*

ALL NEW 16 FL. "27" Biggest capacity combine on wheels

You get more capacity with the "27" . . . more speed, convenience, visibility, comfort—more of everything that makes harvesting easier, faster. You cut up to 70 acres a day with Balanced Separation assuring a clean job every step of the way. Tank on Bagger Models—16, 14 or 12 foot cut—special tank tracks or tires for rice.

NEW BIG CAPACITY "26"

With its 12 foot cut and Balanced Separation, the new "26" cuts its way through 50 acres of grain a day with the kind of profit-building efficiency and speed that makes the "26" just good business to own. And you get clean grain . . . all of your grain. Tank on Bagger Models—12 and 10 foot sizes. Special tank type tracks or tires for rice.
