LOCKNEY, FLOYD COUNTY, TEXAS FRIDAY, OCTOBER 7, 1949

NUMBER 5

Longhorns Travel To Tulia Tonight

The Lockney Longhorns will travel to Tulia tonight with hopes for bouncing back after their defeat last week and taking the Swisher County boys.

The Longhorns will be handicapped somewhat with the loss due to injury of Bobby Baxter, first string end, and with Tackle Delbert Shearer still carrying one hand in a cast. But Coach Curtis Kelley said Thursday that the boys were in good spirits and he had high hopes of winning the game this week.

Baxter will be out for weeks due to a knee injury he suffered in practice Monday afternoon. He was a fine defensive player and was developing fast. Shearer will probably be in the game but is hindered by the cast.

Tulia surprised the district last week by defeating the highly rated Rails team 20-6. Tulia had previously been defeated by Crosbyton on penetrations, a team that the Longhorns whipped 26-0 two weeks ago.

The game will start at 8:00 p. m. and a large group of Lockney fans will probably make the trip to see the game.

The starting line-up will be the same as in previous games with the exception that Sid Thomas will be playing the end position in Baxter's place.

In other games last week, Crosbyton defeated Paducah, and Spur beat Matador, to leave Floydada, Spur and Abernathy as the only undefeated teams in the district.

This week, Crosbyton plays Tahoka, Abernathy plays Floydada, Paducah plays Spur and Matador plays Rails.

Hospital News

Mrs. George Turner, Jr. was dismissed Monday after medical treatment.

Zee Adams, injured in a car wreck recently, was dismissed Monday and returned to his home at Richland, Calif.

Mrs. Joyce Churchwell was dismissed Monday.

Mrs. Mary McAda was dismissed Sunday after major surgery last week.

O. C. Allison was dismissed Sunday after medical treatment.

Mrs. Gene Belt was dismissed Thursday after major surgery.

T. Z. Reed continues to improve.

Bobby Baxter was admitted Monday for medical treatment.

Mrs. R. L. Powell was admitted Monday for medical treatment.

S. H. Milwee was admitted Tuesday for treatment of injuries received in a fall.

Mrs. Fred Dorman was admitted Wednesday for medical treatment.

Mrs. Fay Pinner was admitted Wednesday for medical treatment.

Mr. and Mrs. David Martin are parents of a baby boy born Wednesday night.

NEW ARRIVALS

Born to Mr. and Mrs. Elmer Roberts, a baby daughter, on September 2 at Vacaville, California. The young lady weighed seven pounds, 15 1/2 ounces and was named Phyllis Dee. She is the granddaughter of Mr. and Mrs. Frank Messimer of Lockney.

Mexican Preacher Here Sunday

A Mexican preacher will preach in the Spanish language at the City Auditorium in Lockney Sunday afternoon, it was announced this week by J. A. Stegall, who has planned the services as a representative of the Lockney Baptist Church.

The services will be held at 3 p. m. and everyone is invited to attend, Mr. Stegall said. A special effort will be made to get Mexicans to attend the services.

NEW RESIDENTS

Mr. and Mrs. Mike Campbell have moved here from Stamford and Mr. Campbell is employed as Intertype operator at the Beacon office. They are making their home at present in the apartment at the rear of The Beacon office.

\$250.00 REWARD

for conviction of person or persons who poisoned my Collie dog. Walter Sammann. 5-2tp

Thornton Baby Is Buried Thursday

Little Michael Rae Thornton, 2 1/2 year old son of Mr. and Mrs. Rae Thornton of the Ramsey community, passed away Wednesday at the Plainview Hospital. Physicians were uncertain about the cause of death, it was reported.

Funeral services were held Thursday afternoon at the First Baptist Church of Floydada with Rev. E. J. Cobb of Lockney in charge. Burial was in the Floydada cemetery.

Survivors include the parents, the grandparents, Mr. and Mrs. E. W. Thornton of near Lockney, Mr. and Mrs. W. J. Waller of Floydada, and great-grandparents, Mr. and Mrs. J. A. Goins of Floydada.

Bert Bobbitt Is Renamed as Area Soil Supervisor

More than 50 people gathered at Lone Star Tuesday evening for the annual election of a supervisor of the Floyd County Soil Conservation District. About forty voters were present and re-elected Bert Bobbitt to serve them for a five year term.

Two educational films pertaining to soils and the program of assistance of soil conservation districts made available to landowners were shown by County Agent Robert H. Gibson and Edd McLeroy, Assistant Agent, Ralph R. Cogdell, Soil Conservationist also assisted with operation of the district project.

Members of the district board of supervisors present were R. G. Dunlap, chairman, W. F. Ferguson from the southwest subdivision of the district and Mr. Bobbitt.

County Judge G. C. Tubbs gave a brief report on the progress being made by the Texas Rural Roads Association. The County is striving for a thousand members in this organization.

M. W. Wylie, president of the First National Bank of Lockney gave a report on the labor situation and the outlook for harvest of the fall crops.

The refreshments of coffee and doughnuts served by the home demonstration club ladies were enjoyed by all present.

Special Legion Meeting to be Held

A special meeting of the Landrum Post, American Legion, has been called for Monday night, October 10, at the Legion Home.

Purpose of the meeting is to elect new officers. There are several more important things to come up and all Legionnaires are invited to attend, according to Wayne Bybee, first vice commander.

NEW ARRIVALS

Born to Mr. and Mrs. Elmer Roberts, a baby daughter, on September 2 at Vacaville, California. The young lady weighed seven pounds, 15 1/2 ounces and was named Phyllis Dee. She is the granddaughter of Mr. and Mrs. Frank Messimer of Lockney.

Chrysler's first post-war station wagon, a 9-passenger Royal model, combines beauty with utility. The white ash trim provides a pleasing effect in contrast with the mahogany paneling, which really is metal that has been processed to resemble the grain of wood. The spare tire is easily accessible in a special compartment built into the tail gate. With the center and rear seats removed and the tail gate down, nearly 10 feet of loading space is available. The seats are upholstered in a leather-like plastic that resembles alligator hide and is easily cleaned with soap and water. Three body colors are available.

Troop 59, Boy Scouts, Has Inspection Monday Night

Troop 59 of Lockney, Boy Scouts of America, took part in the nation-wide Liberty Roll Call Monday night when they were inspected by District Chairman Jimmy Willson of Floydada at the Scout Hut here.

All young men 14 years of age and over were presented with Explorer certificates. This presentation is a part of the age change which became effective September 1. Boys 8, 9 and 10 years of age may now become Cub Scouts while the age for Boy Scouts is 11, 12 and 13.

Every Scout in America will be included in the Liberty Inspection. This activity is part of the two year crusade of the Boy Scouts to "Strengthen the Arm of Liberty."

Troop 59 is sponsored by the Lockney Rotary Club with Arthur Barker, Jr. as Scoutmaster and Mort Crapster as his assistant.

Mrs. Nancy Wheeler Is Found Dead

Mrs. Nancy Jane Wheeler, 76 years of age, was found dead by the side of her bed in her home in southeast Lockney Saturday morning. Death was attributed to a cerebral hemorrhage. She had been in comparatively good health it was reported.

Mrs. Wheeler was the mother of Mrs. J. D. Copeland of Lockney and had moved here about two and a half years ago to make her home near her daughter.

The body was carried to Huntsville, Arkansas where funeral services were held Tuesday. Burial was at Huntsville. The Copeland family attended the services. Carter Funeral Home of Lockney was in charge of arrangements.

Other survivors include two other daughters of Huntsville and one son in California.

New Equipment Installed at Plains

Complete new sound and projecting equipment was installed this week at the Plains Theatre here. Representing the most modern and best equipment available, the installation included the Century projector and the Strong high intensity lamps.

The new equipment will afford a better sound and also a better picture on the screen, according to J. B. Seale, manager.

Work is progressing rapidly on the new Mesa Theatre, located next door to the Beacon office, and Mr. Seale hopes to be able to open it within the next two or three weeks, he said.

County H. D. Tour Is Postponed

The County Home Demonstration Club's tour has been postponed this week due to the death of D. W. Burke. Announcement will be made later as to the time it will be held, club members said.

Two Plane Crashes Bring Death To One

That crop dusting by plane is a dangerous business was indicated this week when two planes, used in dusting crops in Western Floyd County, crashed the same morning. One brought death to the occupant while the other pilot was only slightly hurt.

W. D. Burke, 27, of Floydada, was killed instantly about 6:30 Wednesday morning when the light plane he was in struck an REA line and flipped on its back. He was dusting a defoliant on cotton belonging to Roy Hale in the Harmony community when the accident happened. The accident was witnessed by Mrs. Hale from the kitchen of her home less than 500 yards away.

"Mr. Burke had just made a sweep of the field and was pulling up to make a turn when he hit the wires," Mrs. Hale said. The plane hit the ground just a few feet from the line.

The plane struck the ground nose first and then flipped over on its back. It did not catch fire.

G. L. Snodgrass and Bill Tucker, neighbors of the Hales, reached the plane and had to cut the safety belt to get Burke out of the cockpit. His head was badly crushed but other parts of his body suffered no serious injuries. The plane hit the wire just above the wheels.

Burke, a native of Floydada, was a war veteran and a Marine Corps pilot. Since the war he had been operating his own dusting and spraying service. He was not married.

Survivors include his parents, Mr. and Mrs. D. W. Burke of Floydada, three sisters, and three brothers.

Funeral services were held Thursday afternoon at the First Methodist Church in Floydada with Rev. W. V. O'Kelley of Plainview officiating. Military graveside rites were conducted by American Legion and burial was in the Floydada cemetery.

Second Plane Crashes

A second plane crash, the same morning at about 9 o'clock, occurred on the Rip Griffith farm about five miles north of Lockney. Harry Blakely, piloting a plane belonging to James Miller of Plainview, apparently stalled on a bank and fell probably 150 feet to the ground. The plane was almost completely demolished but Blakely was not hurt very much. He had some cuts and bruises and a sprained ankle, it was reported by witnesses.

Blakely was dusting a defoliant on cotton belonging to Joe Page on the T. S. Fox farm, when the accident occurred. Witnesses to the accident included James Miller and Leslie Ferguson.

Mrs. O'Hearn's Brother Dies

M. C. Somerville, brother to Mrs. Frances O'Hearn of Lockney, passed away at his home in Wellington last Saturday. He had been ill for a long time.

Funeral services were held at Wellington Methodist Church Monday afternoon at 3 o'clock. Burial was in the Wellington cemetery. Attending from Lockney were Mrs. O'Hearn and Mrs. W. L. Thomas.

Missionary to Speak Here Sunday

Mrs. Vaughn, a missionary to Alaska, will appear at the Assembly of God Church here Saturday night and show slides of the area where she served.

Mrs. Vaughn will also speak at the Church Sunday morning and Sunday night, according to announcement by Rev. Olan Beauchamp, pastor.

LOCKNEY GARDEN CLUB WILL MEET TODAY

The Lockney Garden Club will meet this afternoon at 4 o'clock at the home of Mrs. Dorsey Barker, officials said Tuesday.

Flower Show Plans Practically Complete

Plans are practically complete for the second annual flower show sponsored by the Lockney Garden Club, to be held in the Wanda Baker building, next door to Maier Food Store, on Saturday, October 15.

Eighteen classes are planned at the show and entries in most classes are open to the public.

Complete rules and classes will be published next week.

Opens New Offices Here

Two new offices, an insurance firm, and a doctor's office, have been opened in the rear of The First National Bank building here.

Carl McAdams and Mort Crapster have moved their insurance firm to the building and Dr. G. A. McClelland has moved his office there also. The building has been completely renovated, rearranged and redecorated inside and modern, well-arranged offices are the result.

Formal opening of the new offices will be held Saturday of this week and coffee and doughnuts will be served to those who visit during the day.

Mr. McAdams has been in the insurance business in Lockney for a number of years. He handles fire insurance and related lines while Mr. Crapster, who has been here only a year or so, is representative of Southwestern Life Insurance Co. and also handles related insurance lines.

Dr. McClelland, formerly connected with the Floyd County Co-operative Hospital here, has been practicing in Lockney a little more than a year.

Churchwell Infant Buried Saturday

Graveside rites for Ronald Dean Churchwell, four-day-old son of Mr. and Mrs. Wendlan Churchwell of Plainview were held at 3 o'clock Saturday afternoon in the Plainview cemetery. Rev. E. J. Cobb, pastor of the Lockney Baptist Church, officiated.

The baby was born Tuesday in the Floyd County Co-operative Hospital here and died Friday afternoon at 4:45. The infant weighed one pound, nine ounces at birth.

The mother is the former Joyce Hooten of Lockney. Survivors, besides the parents, are the grandparents, Mr. and Mrs. Berry Hooten of Lockney and J. E. Churchwell of Plainview.

Fred Hance Dies In Illinois

Mrs. V. E. Spears, J. T. Spears and Mrs. George Long have been in Olney, Ill., this week where they attended funeral services for Fred Hance, a brother-in-law to Mrs. Spears.

Mr. Hance had been in ill health for several months. He spent several months visiting the Spears family here last year. He passed away Friday of last week and funeral services were held Tuesday of this week.

Bookkeeping Course Offered Veterans

A bookkeeping course for veterans is being taught at Floydada and there is room for a few more in the class. It was announced this week by N. S. Abbott, county coordinator.

The class meets four nights a week, Monday through Thursday from 6:50 until 10 p. m. A. D. Fultz is the instructor.

Veterans interested should contact Mr. Abbott, whose office is in the basement of the court house.

ATTENDS FUNERAL

Mr. and Mrs. Frank Messimer, Ruby and Charlene, Mrs. Cammie Messimer, Mrs. Lee Sullivan, attended funeral services Sunday at Burkburnett for Mrs. Stonecipher, a sister of the late W. P. Messimer.

Farmers Seek Harvest Labor; Set \$1.50 Price

Approximately 200 Floyd County Farmers meeting in the City Auditorium here Monday night decided to investigate the matter of securing Mexican Nationals as labor to help harvest the local cotton crop and set the price that they would try to maintain locally at \$1.50 in the field and \$1.75 delivered to the gin.

Considerable discussion was heard on both matters by probably the largest group of Floyd farmers to gather in several years. M. W. Wiley, president of the First National Bank of Lockney, presided at the meeting and led the discussion on the two matters.

The plan to secure the labor involves the forming of a non-profit corporation, enabling the group to secure the Nationals without posting a large bond for each as is required for individual employers. Cost of securing the laborers was believed to range around \$15 to \$17 per head, which includes transportation both ways. A majority of the farmers present favored the securing of the Nationals although some did not indicate an interest in it. Probably 95 per cent of those present favored maintaining the price at the figure set.

A committee composed of M. W. Wiley, chairman, Hubert Frizzell, Chester Carthel, T. B. Mitchell and Ed Whitfill was named to represent the county group in the investigation.

Information here was that it would be two weeks before the group would know whether or not they could secure the labor from Old Mexico. Cotton in this vicinity is not expected to be open to a great extent before that time.

Further discussion on the labor situation brought the suggestion that an effort be made to recruit East Texas negroes and efforts are also being made along that line. A letter to Mr. Wiley from Marshall, Texas, this week stated that all the cotton in that area would be out within two or three weeks and that hands would probably be available at that time. Mr. Wiley has written the State Employment office at Marshall requesting help in securing labor.

In discussing the price of pulling, it was brought out that most other counties in this area were paying \$1.75 per hundred delivered to the gin. Mr. Wiley brought out the fact "the farmer can't make any money out of the crop if he has to pay a higher price for pulling. We are not in favor of robbing the laborer but are in favor of paying him a fair price and that is all. The farmer has considerable money and machinery invested in the crop while the laborer has practically nothing."

Meanwhile cotton in the dry land areas was opening fast but the irrigated cotton was slower in maturing. A few Mexicans have begun drifting into this area but most of them are still working.

Thursday Markets

| Poultry | |
|-------------------------------------|---------|
| Heavy Hens, 4 lbs. & over | 20c |
| Light Hens, under 4 lbs. | 18c |
| Cocks, pound | 10c |

Lone Star News

By Mrs. Harold Griffith

Mrs. M. O. Peugh and Mrs. L. M. Readhimer were in Lubbock Thursday on business. Mrs. W. T. Rankin visited with Mrs. Clyde Farish Thursday afternoon.

L. M. Readhimer and M. O. Peugh were in Fort Worth and Dallas last Thursday on business. While in Dallas they visited with the Jarrett family at the Baylor Hospital.

Mrs. Clyde Farish visited in

the home of her sister, Mrs. Clayton Terrell on Wednesday.

Mr. and Mrs. Chester Griffith and Linda, Mrs. Harold Griffith, Duane and Dennis carried Mrs. Walter Griffith to Lubbock Friday afternoon for a week's visit with her children.

Mary Ann Rankin spent Friday night with Jimmie Dee Smith.

Mrs. R. L. Knox spent Friday night in the G. B. Johnston home. On Saturday morning she visited in several homes in the community. She was a luncheon guest in the Clyde Farish home

at noon.

Mrs. M. O. Peugh visited with Mrs. T. S. McGehee in Plainview on Friday.

Clyde Baxter, Bobby Baxter, Lavon and Ike Johnson of Lockney attended the football game in Lubbock Saturday night between Texas Tech and West Texas State of Canyon.

Mr. and Mrs. George Long of Silverton and Pat Frizzell attended the football game in Lubbock Saturday night.

Clyde Farish, A. D. Foster and L. M. Readhimer attended the football game at Texas Tech Saturday night.

Mr. and Mrs. Reed Lawson and Sandra were in Childress Sunday sightseeing.

Mr. and Mrs. D. J. Phillips and children visited with Mr. Phillips' mother, Mrs. Lila Phillips, of Plainview Sunday.

Mildred Rodgers spent Saturday night and Sunday with Wilma Foster.

Mr. and Mrs. Floyd W. Jackson spent Sunday with Mr. and Mrs. Buck Sams.

Visitors in the A. E. Frizzell home on Sunday were Mr. and Mrs. George Long of Silverton and Mr. and Mrs. Milton Frizzell and children of Rock Creek.

Glenda Ann Readhimer spent the week-end with Betty Sue Farish.

Mr. and Mrs. Howard Mosley and children spent Sunday in Plainview with Mr. and Mrs. Elmer Mosley.

Lowell Jarrett, who has been spending a lot of time at the bedside of his brother, Eddie in Dallas, was home for a few days this week.

Mr. and Mrs. Walter Childix of Plainview visited in the A. O. Foster home Sunday afternoon.

Mr. and Mrs. Harold Griffith and sons were luncheon guests in the V. D. Harris home Sunday.

Betty June Jackson visited with La Jaun Henderson Sunday.

Mr. and Mrs. J. B. Nance, J. D. and Betty Ann have moved into their new house just completed on the J. B. Nance farm. Luncheon visitors in their home Sunday were Mr. and Mrs. Tom Scarborough and girls of Amarillo.

Mr. and Mrs. Olin Grant and sons of Plainview, Mr. and Mrs. Clyde Bramlet and Wayne and Mr. and Mrs. Putt Jasper. Callers in the afternoon were Mr. and Mrs. Hugh Nance and son and Mrs. Verna Mae Garvin of Silverton.

Nita Jo Readhimer spent Sunday with Barbara Foster.

Mr. and Mrs. Jack Frizzell and children spent Sunday with Mr. and Mrs. Earnest Lee Thomas of McCoy.

Mr. and Mrs. Howard Watkins and Sharon visited in Plainview Sunday afternoon with relatives.

The Home Demonstration Club met with Mrs. Lowell Jarrett on Wednesday afternoon.

Longhorns Lose to Abernathy 18-7

The Lockney Longhorns suffered their first defeat of this season last Friday night when they fell before the Abernathy Antelopes 18-7. This game was very close all the way and the Longhorns had ample opportunity to win right up to the closing few minutes. Without discrediting a fine Abernathy team, fumbles and penalties at the wrong time cost the Longhorns the ball game.

Although the Beacon was unable to keep accurate check of the yardage gained due to the fact the Abernathy field was not marked, other statistics showed that the Longhorns were playing good ball most of the time. Our records show that Lockney made 17 first downs to 11 for the Antelopes, the Longhorns completed four passes out of six attempts while the Antelopes completed one out of two tries. One interception of an attempted pass, however, cost the Longhorns a possible score late in the fourth quarter with the score 12-7 and the Longhorns on the Antelope 30 yard line.

The local lads played very good ball in spots but couldn't seem to keep at it consistently. No doubt but what the Antelopes were keyed up and played their game of the year against the Longhorns.

Following is a summary of the game:

Abernathy received the kick off and returned to their own 23 yard line. They made successive first downs on their own 25 yard line, on the 45, on the Lockney 39 and then Snodgrass, fast Antelope back, broke loose around right end for a score standing up. He apparently caught the Longhorn secondary flat footed and out ran them. The try for point was not good.

The Longhorns received and returned the ball to the 25. With Strickland doing most of the ball carrying, they made successive first downs on their own 38 yard line, on the 50, on the Abernathy 39, on the Abernathy 29, drove to the 20, where they were penalized five, lost a yard, were penalized another five yards, and Abernathy took over on their own 26. They started a first down parade again, making firsts on the 38, on the Lockney 44, and a long run by Snodgrass giving them a first on the Longhorn eight. Two tries made the score and the point was missed again.

The Longhorns returned the kick to their own 43 yard line, failed to gain and punted to Abernathy 25. A 15 yard penalty against the Antelopes put the ball back on the 10 and they

quick kicked to the Lockney 31. The Longhorns made a first down and then fumbled with the Antelopes taking over on their own 42. They in turn fumbled and the Longhorns took the ball on the 50.

A pass from Strickland to Crouch was good for a first on the Abernathy 39 and then the Longhorns drove to the Abernathy 25 for another first. As the half ended they were on the Antelope 17 yard line, third down and two to go.

The Longhorns received the kick and returned to their own 39 yard line. They made a first on the Abernathy 45 in three plays, and a first on the 35, where C. B. Smart took off around end to the Abernathy 11. They made one, lost five and then fumbled with the Antelopes taking the ball on their own eight yard line.

The Antelopes made a first on the 28, and another first aided by a 5 yard penalty against the Longhorns. However a fumble gave the Longhorns the ball back in midfield. Strickland hit the line for 12 and a first down on the 30, another first was made on the 20, another on the eight and then Strickland pushed over for the score. The point was made on a running play and the score stood 12-7, Abernathy.

The Antelopes received and returned to their own 42 yard line. A fumble gave the Longhorns the ball on the 50 but they failed to gain and on an attempted kick, the punt was blocked with the Antelopes taking over on the Lockney 48. The Antelopes made a first on the 25 aided by a long pass, but couldn't go further and the Longhorns took over on their own 20 yard line.

The locals started to roll here making a first on the 32, a first on the Abernathy 40, and another first on the Abernathy 30. Here Strickland attempted to pass and the ball apparently slipped from his hand, with an Abernathy player intercepting it.

Apparently discouraged the Longhorns let Snodgrass get loose to the Longhorn 30 yard line, but here Bobby Baxter broke in and hit the ball carrier causing him to fumble with a Longhorn covering the ball. The Longhorns failed to gain and on a fourth down a bad pass from center went over Smart's head back to the Longhorn 5 yard line where the Antelopes took over and quickly made a score to sew up the ball game.

The Longhorns received and returned to their own 40 yard line. Strickland took off through the line, cut back and ran to the Abernathy 20 before he was brought down. A pass interference penalty gave the Longhorns the ball on the Abernathy 12 yard line. They made 4 yards as

the game ended putting the ball on the eight.

October 14. A pep rally is scheduled for 7:30 p. m. at the Tech gym.

On Saturday, open houses and coffee hours held by many organizations will honor returning alumni from 8 a. m. to 10 a. m. The annual Homecoming parade begins at 10 a. m. in downtown Lubbock.

Following a noon luncheon in the Tech gym, the weekend's highlight comes with the Baylor-Tech football game at 2:30 p. m. in Jones stadium. The Home-

coming dance in the Tech gym, scheduled for 9-12 p. m., will end the festivities.

The Ex-Students' Council will hold two business meetings prior to the football game and elect officers. The list of nominees includes Ed McCullough, '32, Midland, and Wayne Sellers, '38, Fort Worth, for the presidency.

Mrs. F. E. Brown left Wednesday for San Antonio where she will visit with her daughter, Mrs. Susie Draper.

Homecoming 14-15
More than 8,000 members of Texas Tech are expected to observe the annual pilgrimage to Lubbock on October 14-15 for a celebration that includes a football game, parade, luncheon and business meeting.

STATEMENT OF OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, AND JULY 2, 1946

Of the Lockney Beacon published weekly at Lockney, Texas for October 1, 1949. State of Texas County of Floyd ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Edgar R. Hays, who, having been duly sworn according to law, deposes and says that he is the editor and publisher of the Lockney Beacon and the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily, weekly, semiweekly or triweekly newspaper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946 (section 537, Postal Laws and Regulations), printed on the reverse side of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business manager are: Edgar R. Hays, Lockney, Texas.

2. That the owner is: (If owned by corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.) Edgar R. Hays, Lockney, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: Mrs. Hannah C. Hurst, Fort Worth, Texas, Intertype Corporation, Brooklyn, N. Y.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than of a bona fide owner; and this affiant has no reason to believe that any other person, association or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is 1261.

Edgar R. Hays.
Sworn to and subscribed before me this 4th day of October, 1949. (Seal) Frank Perkins. (My commission expires June 1, 1951.)

Now Is Time To Get Rid of Rats

COLLEGE STATION — Most farms could use the services of the "Pied Piper" for a few minutes at least but since this is hardly possible, you had better make plans to collect a few rat scalps on your own. The best time to get rid of the rats is before the barns and bins are filled with this year's grain crops, says James E. Poore, mammal control supervisor of the U. S. Fish and Wildlife Service.

He says that clean-up work removes hiding places and tends to concentrate scattered rat populations so that they can be poisoned easier. Pile posts and lumber on supports at least two feet above ground. Scrap lumber not worth saving and other junk should be destroyed or removed from the premises. Stack bottoms, other feed waste and manure piles should be scattered in the field so they will not give rats a good hiding place. Tall weeds also make fine rat hideouts if left standing, says Poore.

Clean up, poison and then rat-proof farm buildings is Poore's advice. Farm buildings in a good state of repair aren't likely to be infested with rats. Check to see that walls are tight, and foundations and floors are in good shape.

A strip of galvanized metal, three feet high, placed around the building will keep the rats out, says Poore, provided they can't get in through the floor. If you are building a new granary, set it on piers at least two feet above the ground, and then construct it so rats can't get in. The greatest damage from rats is not the grain they eat but the amount they waste. Both losses can be prevented by getting rid of the rats and rat-proofing all farm buildings, says Poore.

CARD OF THANKS

I wish to thank my friends and neighbors for their kindness and beautiful flowers and cards while I am ill. Especially do we appreciate the kindness of Mrs. C. H. Hastings.

Mr. and Mrs. R. L. Powell.

Mrs. R. L. Powell, who suffered a heart attack on September 25 is slowly improving.

Wayland Is Recognized As 4-Year College

PLAINVIEW, Sept. 28.—Dean R. E. Mendenhall has declared in a detailed statement that Wayland College is now recognized as a four-year college by the Texas State Department of Education.

He explained that this means all students desiring teachers certificates can be assured of their credits at Wayland. The first four-year class graduated from the college last May.

The Veterans Administration has also recognized Wayland, making it possible for veterans to get their tuition, supplies, and subsistence for all courses offered at Wayland. Through this recognition, 95 veterans are now enrolled in Wayland—a decrease from the 135 who attended last year.

The Southwestern Baptist Theological Seminary accepts Wayland graduates for entrance, while the Texas General Baptist Convention has recognized it as an accredited school.

The dean also states that a Wayland graduate of the spring class this year has been accepted by North Texas State Teacher's College to do graduate work without any conditions. He added that another Wayland graduate has been accepted by the University of Kansas to do graduate work without any condition on the basis of his all "A" average in his major field upon a similar basis of entrance having been set by the University of Texas.

"The next step for Wayland," continued Dr. Mendenhall, "is admission as a four-year college in the Association of Texas Colleges. We have good hope of this. Our goal is admission at the annual meeting in March, 1950, which will be retroactive to September 1, 1949.

"Admission when granted will be to Associate membership. That need not disturb us. All credits will be freely interchangeable in Texas. The only limitation will be on voting and office holding in the Association. "Membership in the Southern

Pic-Tours of Europe

ITALY
WHERE MANY OF THE WORLD'S GREATEST OPERA COMPANIES PERFORM, IS THE BIRTHPLACE OF THIS POPULAR ART. THE WORLD'S FIRST OPERA WAS PERI'S "DAPHNE," PRODUCED IN FLORENCE IN 1597.

BRITAIN—THE LORD MAYOR'S SHOW, WHICH EVERY AUTUMN DRAWS LARGE CROWDS TO LONDON, ORIGINATED IN 1215 AS A COLORFUL PROCESSION OF THE LORD MAYOR AND HIS RETINUE TO WESTMINSTER FOR PRESENTATION TO THE KING. WITHIN THE SQUARE MILE OF THE OLD CITY OF LONDON THE LORD MAYOR, WHO IS ALSO ADMIRAL AND GENERAL OF LONDON, HAS SUPREME AUTHORITY; EVEN TODAY THE KING MUST FORMALLY SEEK PERMISSION TO ENTER HIS DOMAIN.

A FALL OR WINTER VACATION IN EUROPE COSTS MUCH LESS THAN MOST PEOPLE REALIZE.

NATIONAL THEATRE FOR OPERA IN ROME.

Association of Schools and Colleges should be on our next program. I believe that we can reach that goal by 1952.

"We want to earn recognition, not demand it," the dean maintained. "Higher standards, lower grades moderately applied will help us to secure better recognition."

The junior college rating makes all freshmen and sophomore credits good, wherever presented. About 30 per cent of the Wayland students are candidates for the ministry or other Christian service, while another 30 per cent is preparing for

teaching. Two-thirds of the remaining 40 per cent of Wayland enrollments are underclassmen, leaving only 13 per cent of the students with credits that might be questioned in higher schools.

"Those 13 per cent will have their credits questioned only if and when they attempt to transfer to another college or to enter a graduate or professional school," said Dr. Mendenhall.

"Not more than half of the 13 per cent will do this. Hence, only six or seven per cent of our students will have cause to worry, and if they are in the upper half of the class they will be given admittance anywhere."

GRACEFUL, EH?

Not a very pretty landing, but it suits Mr. Bull to a "T". In fact the old Brahma is laughing with the crowd as this tough convict goes "boom" during the 18th Annual Prison Rodeo held at Prison Stadium every Sunday during October.

Sterley News

by Bonita Glover

Mr. and Mrs. Emmet Johnston and children of Clovis, New Mexico were visitors in the home of Mr. and Mrs. W. B. Mitchell Sunday.

Mr. and Mrs. Jessie Foster and J. D. visited in the O. H. Huffman home Sunday.

Miss Shirley Reeves of South Plains was a visitor in the Foster home Sunday. Miss Jeannine Foster entertained for her during the day.

Mr. and Mrs. W. B. Williams visited in Portales, New Mexico Saturday. After a visit with her parents, Mrs. B. H. Denton and Lynn accompanied Mr. and Mrs. Mullins.

Mr. and Mrs. Emmet Johnston had a wonderful time in Floydada Sunday where they visited with Mrs. Johnston's mother, Mrs. J. N. Ginn.

Mr. and Mrs. Lloyd Fellowers and little daughter of Lubbock visited with Mr. and Mrs. W. B. Mitchell as luncheon guests Sunday. Mrs. Fellowers is Mr. and Mrs. Mitchell's daughter.

Mr. and Mrs. L. A. Claborn returned home from visits in Colorado, New Mexico and different points north. They seemed happy to return home but they never seemed to tire of telling the things they saw and did. They had a nice trip.

Mr. R. W. Smith has improved greatly from the fractured leg he received recently. Every one in Sterley is very happy to hear this and we feel sure he will be well soon.

Mr. and Mrs. M. O. Buchanan and family were luncheon guests Sunday in the A. M. Hanks home.

Mr. and Mrs. C. H. Humphrey reported to have had a fine luncheon at the Everett Reeves Sunday.

Mr. and Mrs. A. M. Hanks made a business trip to Amarillo last week.

Mr. and Mrs. Earlie B. Johnston have brought their little daughter home. They are very proud parents of the little girl.

Mr. and Mrs. V. E. Penix and Darlene, Mr. and Mrs. Everett Rivers and children, and Miss Ella Mae Buchanan enjoyed a picnic at the Plainview Park Saturday. They had a nice time.

Mr. and Mrs. Clyde Shearer and Mr. and Mrs. L. G. Rhine, of Plainview, visited in the L. A. Claborn home Sunday as luncheon guests.

Mr. Jack Jeter of Plainview visited his aunt and uncle, Mr. and Mrs. G. E. Patterson Sunday.

Mr. and Mrs. Dave West are visiting in Amarillo this week. Mr. J. W. Brannum of Amarillo is taking Mr. West's place as conductor on the Fort Worth and Denver train.

Mr. Bert Bobbit and his daughter, Evelyn, of Amarillo, are now back from their vacation in different parts of Arkansas, Oklahoma and Kansas. Miss Evelyn Bobbit visited with Mr. and Mrs. James Bobbit over the week-end before returning to her work in Amarillo. They had a very nice time on their trip.

Mr. and Mrs. Earlie B. Johnston and daughter made a trip to Amarillo Monday for the fair and to visit with Mrs. Johnston's grandmother.

Our polio victim, little Jimmy Howell, is now able to stay with his parents, Mr. and Mrs. Horton Howell, with frequent visits to the clinic in Plainview. We are very happy to receive this announcement.

Mr. and Mrs. Amos Nelson and children visited in Quanah over the week-end. Herman Nelson visited in Childress, also.

We are proud to have Hildred

Humphrey, cosmetics consultant for Luzier's cosmetics in our midst. Miss Humphrey is also working the territory around South Plains, Lockney and all surrounding territory.

Every one attending the game at Abernathy Friday night were unhappy with the score. Come on Lockney. Every one in Sterley is behind you in everything you attempt. Let's win next Friday.

Mrs. L. L. Rhodes has been ill this past week and we hope she will be well soon.

Another person who is ill this week is Mrs. G. P. Nelson. Get well soon, Mrs. Nelson.

We are sorry to hear Mr. Riggs was returned to the hospital Monday for an operation Tuesday.

Miss Barbara Mullins made a trip with the F. H. A. girls to

Lubbock Saturday for the fair. Mr. Porter Buchanan is now working in the elevator here. hope he likes it.

Mr. and Mrs. Elland Johnson and little daughter, Shirley, of Turkey, were guests of Mr. and Mrs. Sam Jack Sunday.

The Home Demonstration Club had a party Thursday night. A large crowd was there. Every one had a very nice time.

Lockney Dry Goods

With a JOHN DEERE TWO-ROW COTTON HARVESTER

The easiest way to boost your cotton-growing profits is to use a John Deere No. 15 Two-Row Cotton Harvester. Based on 194 labor cost, it saves \$30 or more per bale over hand pulling. It does an excellent job in any crop that's suitable for mechanic stripping.

Handling two forty-inch rows at a time, the No. 15 does a clear efficient once-over job of saving bolls. Its work is considered by many gin operators superior to cotton stripped by the average hand puller.

With the John Deere, you, too, can make short work of your harvest. Get all your cotton to the gin before bad weather causes crop losses. For details, see us the next time you're in town.

See PAT STANSELL at Lockney Implement Company or Stansell & Collins Co. at Floydada before you trade for a COTTON HARVESTER. We can arrange most any terms you would desire.

LOCKNEY IMPLEMENT CO.

FLOYDADA

JOHN DEERE

The Quality Name in Farm Equipment

Defoliation Offers Advantages

COLLEGE STATION — Cotton has made exceptionally good growth in most sections of the State this year. Right along with a heavier set of bolls there has been rank growth of leaves. Many cotton growers are turning their attention to cotton defoliation—that is, using chemicals to make the leaves fall off so cotton will mature faster and easier to pick.

The chemical which has been used the longest and has given good results is finely ground calcium cyanamid (SI-AN-ID), according to M. K. Thornton, extension agricultural chemist of the Texas A. & M. College System.

Thornton says cotton should be dusted with calcium cyanamid at the rate of 30 to 35 pounds per acre. It can be dusted from airplanes or with ground dusting machines. The dust must stick to the leaves in order to get good defoliation. Early in the morn-

ing, while dew is still on the leaves, is a good time to dust, says Thornton, or after a rain while the air is still moist. He adds that defoliation is likely to be a failure if dusting is done during extremely dry weather or when there is no dew on the cotton leaves.

A spray of ammonium thiocyanate (THI-SI-AN-ATE) dissolved in water and applied at the rate of 10 pounds per acre gives good results in drier sections of the state. This spray has not been tested thoroughly under Texas conditions and therefore cannot be definitely relied upon.

Removing leaves from cotton has several advantages. It makes picking easier—whether it's done by hand, by spindle picking machines, or by mechanical strippers. There is less leaf stain on lint. Bolls open more uniformly and earlier. And there's less greenstuff left for boll weevils to live on.

Thornton suggests that you see your county agricultural agent for more information on chemical defoliation of cotton.

La Ventana Study Clubs Meets Tuesday

The LaVentana Study Club met in regular meeting Tuesday, September 27 in the home of Mrs. Clyde Baxter.

Mrs. W. H. Johnston, president, presided over the business meeting. Mrs. Albert King, departmental chairman of the district board, gave a report on the board meeting and luncheon held in the Herring Hotel in Amarillo September 23.

Mrs. G. C. Applewhite, first president of the LaVentana Club was guest speaker, her subject being "What Are Our Churches Coming To." Mrs. Applewhite gave a very interesting and instructive talk.

Next meeting of the club has been changed to Wednesday, October 12. Hostess will be Mrs. Hubert Frizzell.

Candle Light Circle Meets

With Mrs. Karl Sammann as hostess, the Lutheran Trinity Ladies Aid Society met on Sunday evening, October 2 at 2:30. Meeting opened with song, Scripture reading and prayer by President Mrs. Ted Boedeker with program following. Those on program were Mrs. Otto Schriber, Mrs. E. C. Matthews and Miss Wilfred Stoener. Business opened with suggestions for new name of society. It was voted to be "The Candle Light Circle." This will be put in our new year books. Colors chosen for cover of Year Books were blue and gold. Election of officers were as follows: President, Mrs. R. C. Matthews; vice president, Mrs. Ted Boedeker; secretary, Mrs. Wilfred Stoener; treasurer, Mrs. Hubert Stoener. Roll call showed 11 present, 3 absent with four visitors. Mrs. Hubert Stoener was received as a new member.

Refreshments of sandwiches, cake and ice cream were served to Mesdames Ben Quebe, Ben Brandes, Albert Kelm, Wilfred Stoener, Hubert Stoener, Walter Sammann, Henry Sammann, Otto Schriber, Ted Boedeker, Kari Sammann, R. C. Matthews. Visiting ladies were Mesdames W. O. Schmidt, E. M. Sammann of Hale Center, Homer Garmis of Littlefield and Arthur Sammann of Tulia.

Mrs. Rhine Presents Pupils at Recital

Mrs. Luther Rhine presented her pupils in a piano recital in the home of Mr. and Mrs. Walter Sammann on Tuesday evening, September 27 at 8 o'clock. Program for the evening as follows:

Guards March—Strebog, by Mabeth McLaughlin and Foncine Boedeker.

Hawaiian Love Song—Truax, by Carolyn Jo Sammann.

Gold and Silver Waltz—Lebor, by Foncine Boedeker.

Spinning Song—Albert Elmeo-reich, by Delores Sammann.

Golden Star Waltz—Strebog, by Carolyn Jo Sammann and Foncine Boedeker.

Dolls Dream—Oesten, by Mabeth McLaughlin, acted by Pat McLaughlin and Valera Jan Sammann.

Star of Hope—Kennedy, by Carolyn Jo Sammann.

Parade of the Wooden Soldiers—Leon Jessel, by Mabeth McLaughlin.

Star of the Sea—Kennedy, by Delores Sammann.

March Militaire—Greenwald, by Mabeth McLaughlin and Delores Sammann.

Refreshments of hot chocolate, sandwiches and cookies were served to Messrs. and Meses, M. C. Scheele, Mildred and Marie, Dave Mathis, Janice and Warren Ted Boedeker, Cecil, Larry Merlin and Foncine, Harold McLaughlin, Dan, Mabeth and Pat, Walter Sammann, Delores, Carolyn and Valera, and Luther Rhine.

CARD OF THANKS

I wish to thank all of the people very much for the many cards, flowers and gifts while I was in the polio ward at Plainview. Your remembrances are deeply appreciated.

Rita Merle Smith.

Mrs. J. Floyd Howe and baby daughter, Jan of Panhandle is spending the weekend here with her parents, Mr. and Mrs. Ed

Providence H. D. Club Meets

The Providence H. D. Club met Tuesday, September 27 at 2:30 with Mrs. Norman Smith as hostess.

Meeting opened with Roll Call of 16 members present, 12 absent. Reading of the minutes followed.

Those on program were Mrs. Arthur Clay, Mrs. E. M. Quebe, and Mrs. Walter Sammann.

Mrs. E. M. Quebe showed material for making aluminum trays. County tour to be on 6 and 7 October. Lunch to be served in Providence club room. Mrs. B. H. Quebe will show her new kitchen.

A free will offering was taken up to help cannery at Lockney.

Miss Lella Petty gave demonstration on cottage cheese salads and processed cheese. Refreshments of ice cream and cookies were served to Mesdames Ben Quebe, E. M. Quebe, B. H. Quebe, Ben Brandes, Wilfred Stoener, R. C. Matthews, Dave Matthis, J. W. Matthis, Arthur Clay Bill Butth, Walter Sammann, R. Collis, Norman Smith, Lella Petty, Robert Buhrkuhl, Sam Jones and Charlie Boedeker, Jake Jones and Clarence Brandes.

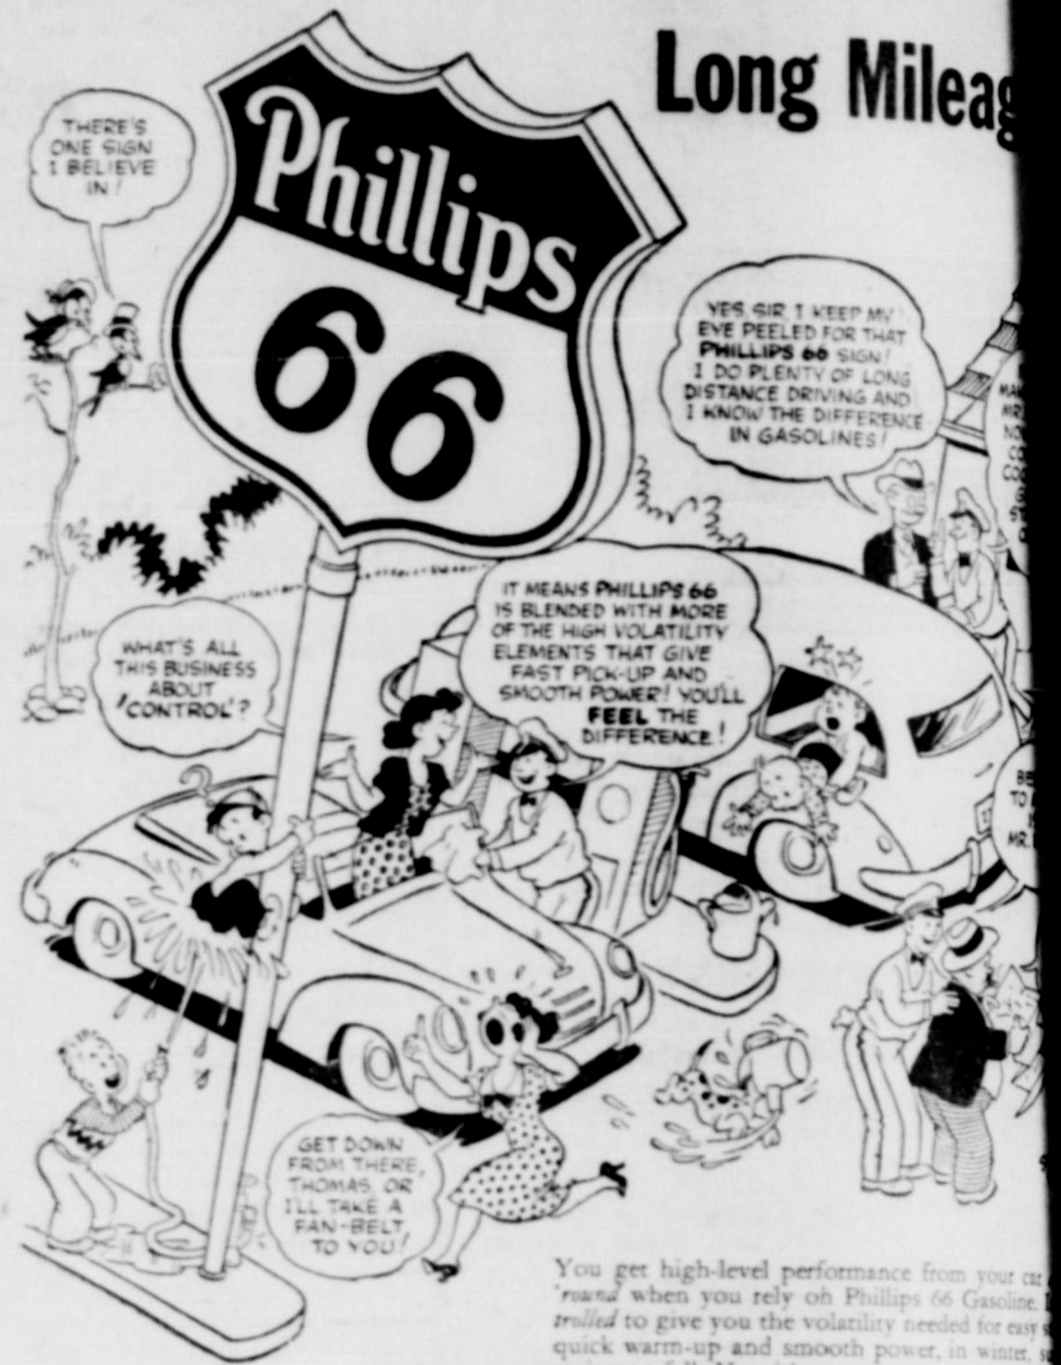

Our next meeting will be October 25 at 2 o'clock with Mrs. Dave Mathis as hostess.

ATTEND FUNERAL SERVICE

Mr. and Mrs. W. O. Wylie and family and Mr. and Mrs. J. R. Wylie and family returned Tuesday from Cleburne where they attended funeral services for C. M. Wylie, brother to the local men. The brother died Sunday afternoon and services were held Tuesday at Cleburne. He had been ill a month.

Dean Briggs of Harvard called Boston the town, "Where the Cabots speak only to the Lowells, and the Lowells speak only to God."

Raymond Spence Circle Meets With Mrs. Cobb

The missionary circle named in honor of the missionary, Raymond Spence of Lockney, now in Tokyo, Japan, met Monday afternoon at the home of Mrs. E. J. Cobb with nine members present. Mrs. Cobb brought the Bible study from the book of Ephesians.

Those attending were Mmes. Guy Sams, Ed Whitfill, Edgar Hays, Thurman Thomas, D. R.

Foster, I. A. Applewhite, M. P. Fulkerson, B. B. Vernon and E. J. Cobb.

The circle will meet next Monday in the home of Mrs. Edgar Hays and all the ladies of the Baptist church who are not already attending a circle, are extended a cordial invitation to come.

Mr. and Mrs. Avon Powell of Clovis, N. M., spent the weekend with her mother, Mrs. R. L. Powell, who is ill.

Behold, the days come, saith the Lord, that the plowman shall overtake the reaper, and the treader of grapes him that soweth the seed; and the mountain shall drop sweet wine, and all the hills shall melt.—Amos 9:13.

What some people don't know about driving fills many a hospital.

Of all the disasters that take human lives nothing has yet been discovered that beats an American week end holiday.

The score of the traffic deaths that occurred over the Labor Day week end holiday is all in, the total is over 500. In all probability ten times as many were injured, some to the extent that they will be incapacitated for life. A pretty price to pay for carelessness and a three day holiday.

The Socialists need not concern themselves about taking over this country. The Socialist

program is being put into effect as fast as it can be jammed through Congress. All the Socialists need to do is to sit on the side lines chew a straw and wait.

Fifteen million war veterans will be entitled to a share in the two billion dollar insurance refund. The refund will equal 55 cents a month on each thousand dollars of insurance for each month the insurance is in force. Some refunds will amount to as much as \$500. Payment is promised after the first of the year. The refund results from the fact that in determining the amount of the premium to be paid the actuaries estimated the rate to be higher than was found necessary. The refund consists of the difference between what was actually required and what was paid in.

Ten years ago Hitler invaded Poland. The invasion started a war that lasted six years, destroyed Hitler, the German army and Germany itself. Come to think of it, they even

The experts now all agree that business over the country will be good until the first of the year. No predictions are being made for 1950.

It begins now to appear that John Lewis' three day work week has not reduced coal stocks sufficiently to put Lewis in a good bargaining position for his new demands. As a result a strike is predicted for some time this fall. Lewis has learned that he can't make any headway when there is a large stock of coal on hand. When the country's bins are empty he makes better progress, in his demands.

It is unfortunate that Providence does not always arrange it so that the driver at fault is the one who gets injured or killed. At the rate motorists are being disposed of in traffic accidents, such an arrangement would soon reduce materially the number of careless drivers.

Now and then we run across an old church member whose religion consists of his religious prejudices. The stronger his prejudices the more religion he thinks he has.

Winter is just around the corner. Even with the advance notice we will all have of its coming, few of us will be ready for it.

Texas Takes a Holiday—Oct. 8-23.

With Our EXCHANGES BEWARE OF SHYSTERS

The time of year has come around when you will no doubt have many propositions, solicitations, and "fly by night" schemes proposed to you by shysters drifting through the country.

The Tahoka Chamber of Commerce has as one of its main objects, the prevention of any such schemes. Most of you members would be surprised at the number of solicitors to whom we have refused to grant a letter of authorization to solicit.

We have a secret committee, composed of business men in Tahoka, that may act as a committee of approval for solicitations that are presented to the Secretary. If this committee thinks the solicitation is a worthy one, they will instruct the Secretary to issue a letter of authorization to the solicitor. This letter of authorization in no way obligates you to give or subscribe to the bearer.

If you are solicited for donations, advertising schemes, church fairs, school folders, etc., we would appreciate it very much if you would require a letter of authorization from the Chamber of Commerce.

This anti-solicitation campaign is set up to help you and the other business men and women

of Tahoka. Thanks for your cooperation.—Tahoka Chamber of Commerce Bulletin.

RAMPARTS WE WATCHED ON THE A-BOMB

The ramparts we watched on the A-Bomb, thanks to continued infiltration of top military secrets by Communists, have suddenly been blasted out from under our feet, and not only Scurry County but all America suddenly finds itself in another world this week—with only global control of the atom emerging as the "stopper" for the world vs. Russia.

Those of us who have said, repeatedly, the past few years that we have a point definitely proven; that many who wanted to share secrets of the atom bomb with the whole world should have been shut up before they got their deadly missions accomplished.

First, before America takes its shirt off, key and responsible military leaders should ascertain just how much "bluff" Russia has put into the fact "an atomic explosion has occurred in the U. S. S. R." President Harry Truman backs up the statement that the Reds after expenditure of many millions in devious ways, have broken the A-Bomb monopoly.

Since top military leaders have anticipated this development for four long years, observers with a common-sense view indicate

it does not bring the World War III any closer to our door. But lest the boys of Snyder and Scurry County die in vain, and lest their life blood be spilled in a sadly lost cause now is the time—and not 10 years from now after we may be embroiled in another bitter struggle—to clamp down on all Reds, subversive groups, pink herrings and pacifists. We need no further action after our congressmen finish bankrupting America by the giddy-headed appropriations that have been going down pork barrel for more than a devil-may-care decade.

We have been amply warned that the only road to peace has been through ample preparedness and iron-clad security on the home front; now all America, and citizens in every village of the land, may get a chance to learn, really, what these words mean.

No, we don't have firing squads in chicken-hearted America to deal with subversives who have worked for an eventual over-throw for 15 years. Now that we have let the international yellow rats, the overlords of the gutter and back alley rob us of our greatest security weapon, how about a full, unbiased explanation from those in reliable quarters? Many average citizens want to know just what happened.—Scurry County Times.

2-4-D Presents A Problem

A question of considerable importance is arising from the use of 2-4-D as a weed exterminator. The chemical, although harmless to most grasses, is detrimental to leafy plants and, if applied, will kill valuable crops along with undesirable weeds.

Two cases of damage to cotton crops in this county have been reported through County Agent Hugh Clearman, and the question is becoming definitely acute in areas where cotton is grown more extensively. In most cases, damage is reported to result from the chemical being blown into adjoining fields, a situation which could arise in this country under the most careful circumstances of application.

The question is of such import that a supreme court decision will likely be necessary to establish a precedent or, perhaps, the passage of legislation. One trend of thought would be to agree with the courts which held blowing of dust was "an act of God." Another would be paralleled to damage suits where overflow water was diversified so as to ruin adjoining lands.

Science and progress, down through history, have complicated the matter of living to such an extent that literally thousands of laws are listed on statute books over the country. Such, it seems, will be the fate of 2-4-D. A product designed to shorten working hours and to increase yields has made living a more complex matter, just as did the automobile and gunpowder. Come to think of it, they even had to pass a law in regard to breaking the ordinary door lock.—The Hereford Brand.

G. B. Dealey, founder of the Dallas Morning News, began his newspaper career as an office boy for the Galveston News in 1874.

The first printing press in Texas was capable of printing 300 copies an hour. Some presses in the state today can turn out as many as 160,000.

Going to get your \$2,064 bait back?

Your shiny new automobile—with prices averaging about \$2,064—has to get you a whale of a lot of use to justify its cost.

Winter wear is the worst bait-snatcher. It can strip your car of plenty of service . . .

Unless you OIL-PLATE it!

2. Always on Guard! Even when the fine lubricating oil itself isn't covering a part, OIL-PLATING is! It protects your engine against grinding "dry-friction" starts . . . from corrosive combustion acids . . . from sludge and carbon caused by wear.

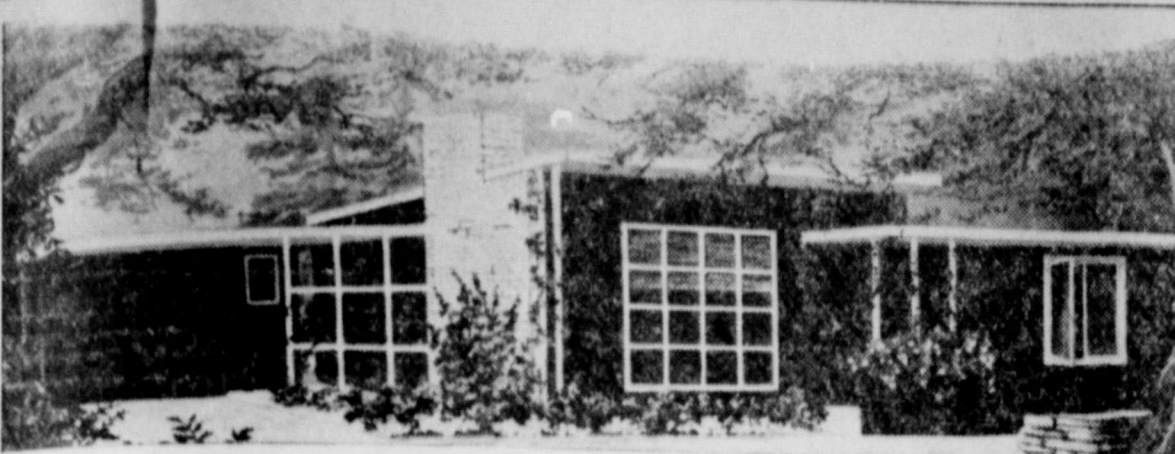

3. Watch Out for Winter! The frigid months are the most dangerous months for these car-killers. New and older cars both urgently need Conoco Nth. Don't wait . . . drive yours in today and armor it against winter with Conoco Nth.

1. Oil-Plating—a feature of patented Conoco Nth Motor Oil—performs a wear-preventing miracle by fastening a shield of special lubricant to working parts. OIL-PLATING can't all drain down—even overnight!

See Your Conoco Mileage Merchant, NOW!

SOUND SIMPLICITY at rock-bottom cost is the keynote of this new model home recently opened by the Montauk Beach Company, Inc., on Long Island, N. Y. Designed after the suggestions of Douglas Tuomey, building consultant for Good Housekeeping magazine, the architect kept expenses down by: (1) Elimination of basement; (2) Simple frame and roof; (3) Dry Wall construction; (4) Simplified windows and trim; (5) Use of closets for partitions. Although the house embodies the latest principles and advancements in moderate-priced design and construction, it's so simple to build that the toolwise amateur can do much of the work. The Montauk House lends itself to any seashore terrain and can be used for a summer or year round home. It is featured in the June issue of the magazine.

and every clover needs a grass. They go together most everywhere, and it takes a variety of good grazing plants to make a real pasture. Duke says the ammonium ni-

trate produced slightly higher yields than the 16-20-0 but that the stalks on the 16-200 plot were stronger and this made possible a better combining job. Fertilizers have used on the Duke farm for the past four years and he tells Holcomb that its use is becoming a must in his farming operations. He plans to increase his acreage of fertilized crops next year.

Cancer Ranks 2nd As Cause of Death

AUSTIN, TEXAS—Dr. Geo. W. Cox, State Health Officer, in speaking of cancer, said that it ranked second as cause of death in Texas, being exceeded only by heart disease. Last year approximately 6900 Texans died of this disease. One of the reasons so many people die of cancer is because the disease usually exists some time before it is recognized. By then it has progressed from a small local cancer to a large and dangerous one.

In the beginning cancer is not painful so many persons do not consult a doctor. Any lump, especially in the breast, should be looked upon with suspicion. Other suspicious symptoms are any sore that does not heal about the tongue, mouth or lips; sores caused by broken teeth or ill fitting dental plates should receive attention; irregular bleeding or discharge from any opening of the body is a danger signal. Persistent indigestion with loss of weight is a symptom of cancer of the stomach. With any of these signs one should go immediately to a doctor. Many times the suspicion of cancer will have been unfounded but it is much better to be safe.

It is desirable to treat all diseases in their early stages, but in no case is it more important than cancer. Periodic examinations made with cancer in mind affords the best protection against this disease. Surgery, x-ray and radium are the main weapons which are used to combat cancer.

Our solar system is made up primarily of the sun and eight planets. Ipso Facto, a Latin expression, means "by the very fact itself."

Mr. and Mrs. Walter Boedeker spent Sunday evening with Mr.

MISS AMERICAN LEGION OF TEXAS, pretty Jerry Gibbons, uses a fan to keep cool while trying on a new coat which will be among the advance winter fashions to be shown at the American Styles meeting in Dallas, August 14-19. While most Texans will be complaining about the heat, some 4,000 buyers from all parts of the Southwest will attend the exhibit to see a forecast of what American women will be wearing next winter.

and Mrs. J. D. Boedeker and son at Plainview.

The H. D. Club ladies met Thursday evening in the club room to work on their aluminum trays. They will meet again this Wednesday to complete trays.

Mr. and Mrs. M. C. Scheele and girls, and Mr. and Mrs. R. Scheele of McGregor attended the Amarillo Fair on Monday.

Mr. and Mrs. Walter Sammann and girls, and Mr. and Mrs. Harold McLaughlin and girls attended the Amarillo Fair on Tuesday.

Mrs. Clarence Brandes of Plainview visited last Tuesday evening with Mrs. Harold McLaughlin.

Mr. and Mrs. Dave Mathis are expecting to entertain relatives from Oklahoma this week.

Delores, Carolyn and Valera Sammann missed school last Friday to attend the burial of their collie dog "Laddie" who was poisoned on Thursday night. It was hard for the little girls to give up their faithful friend.

The parents and teachers met in the school on Thursday, September 29 to discuss organizing a P-TA with Mrs. Robert Buhrkuhl acting as chairman, Mr. Robert Buhrkuhl as president, Mrs. Walter Sammann as secretary, Mrs. Harold McLaughlin as treasurer, Finance committee, Ted Boedeker, Walter Sammann, M. C. Scheele and Bill Buth.

Membership Committee—Mrs. J. E. Barker, R. C. Matthews and Mrs. Harold McLaughlin, Mrs. Norman Smith, Program Committee, Mrs. W. E. Johnson, Mr. and Mrs. Sam Jones and Mr. and Mrs. Arthur Clay.

Publicity Committee, Mr. and Albert Scheele, Mrs. Bill Buth, and Mrs. Ben Quebe.

Year Book Committee, Rev. and Mrs. H. L. Anderson, Mrs. R. Buhrkuhl, and Mrs. L. M. Baker.

It was voted to have meeting every first Thursday of month at 7:30 in the school.

The P-TA is planning a Halloween Carnival on October 27. Those appointed for that com-

mittee were Mr. W. E. Johnson, Mrs. D. Mathis, Mrs. Harold McLaughlin and Mr. Ted Boedeker. This P-TA extends to all of Providence community, who have or will have children in school.

A NEW WAY TO HEALTH

DR. H. C. LEWIS

Chiropractic is simple, common sense, and effective. It adds nothing to nor does it take anything away from your body. It simply clears the nerve channels, sets free nature's forces and gives her a chance to perform the wonders of health restoration and preservation as only she can do. Clear the nerve channels and the natural intelligence will do the rest just as it mends bones and heals abrasions, given time and favorable conditions. REMEMBER: It is not true to say "We did everything possible" unless Chiropractic was included.

"Can We Ignore Such Amazing Results"

| | | | |
|--|--|---|---|
| Female Trouble CASE NO. 1658: A lady of 26 years complained of female trouble, low abdominal pains, discharge, nausea, dizziness, headaches, constipation and awakening tired and head-achy every morning. Neurocalometer spinal nerve analysis and Xrays made at the Chiropractic Clinic located a spinal interference to nerve energy flow. Adjustments restored alignment and removed the cause of defective energization. | Headache CASE NO. 1181: A young woman, age 29, suffered a great distress from sick headaches, a dull aching pain in her stomach, pains in her kidneys, painful lumps in her groin and extreme nervousness, was very despondent and had crying spells because her physicians were unable to help her. This young woman was Xrayed and carefully examined by a Chiropractic Clinic where the cause of her suffering was located in her central nervous system which regulates all organic function. After a few months of adjustments she is now in normal radiant health. | Asthma CASE NO. 1441: A little boy of five was brought to the Chiropractic Clinic suffering with Asthma which he had had since birth. Various treatments had failed to do more than relieve each spell. Examination disclosed a vertebrae at the top of the spine causing nerve interference and defective energization of the air sacs of the lungs. Corrective adjustments restored the spinal alignment to normal and the Asthma has not returned the past year. | Jaundice CASE NO. 173: came to the very weak condition. Eye jaundiced condition that had steadily worsened. The Chiropractic meter and X-rays revealed a serious misalignment of the neck vertebrae. Chiropractic adjustments were made and in a short time low condition and this man just fine. |
| Sinus Trouble CASE NO. 1136: This case is a lady, age 49, who had a history of 6 years of sinus trouble and hay fever. After going the rounds of doctors and remedies, she finally came to the chiropractic clinic for spinal examination. After the Neurocalometer and X-rays located the cause of her trouble, spinal corrective adjustments were begun to realign and remove interference in nerve wave frequencies which restored normal function to the entire ill-functioned body. Upon discharge, this patient reported no symptoms of any kind remained. | Neuritis CASE NO. 1062: A 47-year-old mother of three children had been suffering for two years from neuritis pains and aching in the back of her neck, side of her head, and shoulders, with a puffy swelling at the base and sides of her neck, and female trouble. She was nervous and felt a tightness about her throat. Previous treatments had failed to help her. She came to the Clinic for a Neurocalometer spinal analysis and Xray examination of the areas indicated by the Neurocalometer. We found a vertebral subluxation causing an interference with nerve energy waves controlling the musculature and glands of the neck. Corrective adjustments promptly restored alignment and removed the cause of the trouble after which periods became regular and other symptoms vanished. | Arthritis CASE NO. 1616: A matron, age 32, came to the Clinic complaining that she had been suffering for five years with terrible pains along the spine between her shoulders which had previously been diagnosed and treated as arthritis. She also complained of period headaches, cramping, low backache, and low abdominal pains. Neurocalometer spinal analysis indicated nerve interference and X-rays revealed spinal vertebral misalignment causing the interference. She was discharged when alignment was restored at which time she had no pains and said she felt completely well. | Constipation CASE NO. 124: age 10 years, the Clinic nausea from the Clinic. The patient had given the almost all the eating the case and Neurocalometer spinal analysis indicated nerve interference and X-rays revealed spinal vertebral misalignment causing the interference. She was discharged when alignment was restored at which time she had no pains and said she felt completely well. |

YOW—EE—E! RIDE 'IM OUTLAW!

There's a thrill a minute when the wild outlaws of the range tangle with the tough outlaws who ride in the Texas Prison Rodeo now being held at Prison Stadium, Huntsville. Reservations may be made through the Prison Ticket Office. Colliers magazine says it's, "the greatest prison show on earth."

Twelve Floyd County Students at Wayland

PLAINVIEW, Sept. 30, (W.S.C.S.)—Twelve Floyd County students are among the 480 enrolled at Wayland College, Dean Raymond E. Mendenhall announced here today.

They are Bobby Lu Casey, Norma Jeanne Vernon, Dorothy Joyce Holn, and William Anderson Poe, all of Lockney; Mary Dee Cozby, Ivy Pearl Simmons, Robert May Garrett, Margaret June Green, Annie Lou Hopper, Harroll Seth Johnston, Jerold McMillan, and Leonard Walton Wilson, all of Floydada.

Miss Casey, daughter of Mr. and Mrs. Hilburn Casey, is majoring in business and minoring in education.

Miss Vernon, daughter of Mr. and Mrs. Bert E. Vernon, is a freshman.

Miss Holn, daughter of Mr. and Mrs. Jesse Holn, is majoring in business and minoring in economics.

Poe, son of Otto Poe, is majoring in business and minoring in engineering.

Miss Cozby, fresman, is the daughter of Mr. and Mrs. L. B. Cozby.

Miss Simmons, daughter of Mr. and Mrs. W. S. Simmons, is a freshman.

Miss Garrett, daughter of Mr. and Mrs. R. A. Garrett, is majoring in commercial teaching.

Miss Green, daughter of Mr. and Mrs. James E. Green, is majoring in English.

Miss Hopper, whose major is business, is the daughter of Mr. and Mrs. Gene Hopper.

Johnston, son of Rev. and Mrs. Sidney Johnston, is majoring in education and minoring in history.

McMillan, son of Rev. and Mrs. J. O. McMillan, is majoring in photography.

Wilson, son of Mr. and Mrs. W. B. Wilson is majoring in agriculture and minoring in education.

Wayland's maximum enrollment almost been reached. Along with the new students, there are 13 new faculty members.

Improvements on the Wayland campus include a newly renovated basement in the administration building, which houses the journalism and photography departments, the Wayland World Press, and a student recreation center. A new dining hall will soon be built.

The second printing press installed in Texas was brought in by Mena, a Spaniard, in 1817.

GO TO CHURCH SUNDAY.

Aiken News

By Mrs. M. B. Salmon

Rev. and Mrs. Bill Ebbs of Plainview and Mr. and Mrs. M. B. Salmon visited in the home of Mr. and Mrs. Connie O'Brien and family Monday night.

National Business Women's Week Is Observed Oct. 9-15

Next week, October 9 through 15, will be observed as National Business Women's Week, and several special events will be held by the Lockney Club, it was announced this week.

Sunday, October 9, the club will attend the Lockney Methodist Church, in a body according to Mrs. Clara Copeland. On Thursday night, October 13th, a dinner meeting will be held in the dining room of the Methodist Church with a program appropriate to the special observance.

Program committee for the week is Mrs. Lucy Dean Record, Mrs. Ellen Wiley, Mrs. Velma Cox.

National Business Women's Week is being celebrated for the twenty-second year by the Federation of Business and Professional Women's Clubs, Inc. Its purpose is to pay tribute to the accomplishments of women every where in business and the professions. This year members of the National Federation are concentrating their efforts toward building better communities and have adopted the slogan, "Boost Your Town—It Boosts You."

Mr. and Mrs. Carl Ferguson and Mrs. W. M. Ferguson left Wednesday for a visit with relatives at Nashville, Arkansas.

Tweed-Duet

Any resemblance between this girl's outfit and her beau's sport tugs is purely deliberate—for sentimental as well as practical reasons. The odd jacket is a distaff version of his favorite wool tweed, and the skirt, of similar material, will keep in fashion stride with his slacks. She chose the jacket from a gray, green or brick assortment—for about \$18—and the skirt, in black spiked with red checks or green with gold, was hers for about \$11. This Tilly Schanzer ensemble is from four pages of "I wear fabrics like his" in the August issue of Good Housekeeping magazine.

Van Earl Hughes Circle Meets

The Van Earl Hughes circle of the Baptist W. M. U. met Monday, October 3 at the home of Mrs. T. B. Mitchell.

Mrs. T. S. Fox taught the Bible study. Those attending were Mrs. Fox, Mrs. Luther Rhine, Mrs. W. H. Johnston, Mrs. Hilburn Casey, Mrs. Leslie Ferguson, Mrs. J. W. Franklin, Mrs. T. B. Mitchell, Mrs. I. A. Applewhite, Mrs. Harmon Handley, and Mrs. Elbert Thomas.

Royal Ambassadors Have Picnic Thurs.

The Royal Ambassadors of the Lockney Baptist Church had a picnic in the Plainview park Thursday, September 29. A very interesting missionary program was rendered.

Those present were Don, Jerry and Alvin Vernon, C. F. Barber, Jackie Dale Cooper, Donice Casey, Lane and Duane Poteet, Gene Handley, Charles Williams, Judon Cobb, Eldon Karr, Sammie Lynn, Mrs. Lois I. Cox, Mrs. Hilburn Casey, Mrs. Harmon Handley, and the sponsors, Mrs. Clay Muncy and Mrs. Bert Vernon.

Y. W. A. Meets Monday Night

The Young Women's Auxiliary of the Lockney Baptist Church met last Monday night in the home of Elizabeth Handley, Mrs. G. C. Applewhite gave a review on the book of Revelation.

Refreshments were served to Myrtle Lou Newton, Dorothy Marr, Felicia Applewhite, Jontha Lee Casey, Elizabeth Handley, Mrs. Hilburn Casey, Mrs. Ed Whitfill and Mrs. Handley.

Donnie Bybee, a student at Texas Western College, El Paso, spent the past week end here visiting his parents, Mr. and Mrs. Delbert Bybee. Donnie and the other boys from Lockney have been given four years athletic scholarships, was reported.
