SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 48

LOCKNEY, FLOYD COUNTY, TEXAS FRIDAY, NOVEMBER 11, 1949

NUMBER 10

Longhorns Play At Paducah This Afternoon at 2:30

The last game on the Longhorn football schedule this year will be played at Paducah this afternoon at 2:30, Coach Curtis Kelley said this week. The game was moved up to a day time game at the request of the Paducah schools. Since it is an Armistice Day many people will be free to attend the game.

Coach Kelley expects the game to be a tough one, remembering two years ago when the Longhorns went into the final game with Paducah undefeated and then lost there 7-6. "The Dragons will probably be laying for us," he said Thursday, "but we expect to give them a busy afternoon."

Paducah has won three games and lost three this season, losing to Floydada, Tulla and Crosbyton. The Longhorns, with a five win and two lost record, should win the game but won't if they don't play their best brand of football. Some injuries are still bothering the Longhorns. Little Billie Norton Baker was lost last week when he received a broken nose in practice and won't be able to play the remainder of the season. Ray Ferguson still is nursing a twisted knee which he hurt in the Matador game and he won't be up to par, Kelley said.

Kelley will use the same starting line up he has used in the past several games with Crouch and Cooper at ends, Shearer and Rowell at tackles, Huckaby and Jeffcoat at guards, Thompson at center, Strickland, Conner, Ferguson, Howard or Smart in the backfield.

Despite the long distance quite a number of Longhorn fans will make the trip to see the locals play. It was indicated this week. School will not be in session Friday.

Coach Kelley said that if the Longhorns won this afternoon and either Floydada or Spur lost the Longhorns would continue their workouts next week. If the Longhorns should lose their game today they would be eliminated from any chance at tying for the district crown. If both Spur and Floydada win their games the Longhorns will be eliminated anyway whether they win or not. If the Longhorns win and Spur and Floydada both lose the district will be in a four way tie for first place.

LUBBOCK VISITORS HERE

Mr. and Mrs. Sidney Midgett and Mr. and Mrs. Joe Hindman of Lubbock visited in the home of Mrs. Olive Myers and Mr. and Mrs. George Myers the past week end. Wiley Midgett returned home with them for a visit.

Stores Will Be Open Armistice

Lockney business houses will not observe Armistice Day this year, a quick survey by The Beacon showed this week. The very busy times is the reason given for remaining open. Some few houses may close in the afternoon due to the football game at Paducah but most of them will remain open, it was indicated.

The Lockney Rotary Club will not hold their weekly luncheon today, F. L. Brown said this week.

The Lockney schools were dismissed Friday and no classes will be held, school officials said Thursday.

LaFont, Boulter Lead In Election

Harold M. LaFont of Plainview won his race for representative from the 120th District, it appeared Thursday morning. E. H. Boulter of Lubbock was holding a slim lead over J. M. Rankin of Ralls for the position on the state board of education.

In Floyd County all 10 of the proposed Constitutional amendments were soundly trounced but in the state returns it appeared that two of the amendments, regarding district court proceedings and the creation of fire districts, would be approved.

In the race for representative, almost complete returns gave Harold LaFont of Plainview 2,095 votes to 1,257 for Tom W. Deen of Floydada and 1,281 for Joe W. Jennings, Plainview. Deen lead Floyd County, however, polling 510 votes to 259 for Jennings and 233 for LaFont.

E. H. Boulter had a total of 4,156 votes in incomplete returns over the 19th Congressional District while J. M. Rankin of Ralls had 3966 votes. Boulter's 190 vote lead could easily be overcome by the remaining votes to be counted according to officials.

In Floyd County Rankin lead with 412 to 174 for Boulter.

Mexican Labor Is Still A Question

Whether the Mexican and other transient labor here for the cotton harvest would stay after the price of pulling was slashed to \$1.75 at the gin was still a question Thursday at noon. Some Mexicans were already leaving but still quite a few had indicated that they would stay on for a while at least.

The fact that many of them had trailers and trucks tied up at local gins waiting for unloading kept them from leaving so far. The number that will stay on to help finish the harvest was the big question in most people's minds Thursday.

Local gins are running night and day this week and had ginned over 4400 bales up to noon Thursday. County agent Robert H. Gibson reported to The Beacon that the county total to Monday of this week was approximately 11,695 bales.

Some farmers were trying to use mechanical strippers this week but the cotton is still not ready for that kind of harvesting, ginner said. It will probably be Thanksgiving before cotton will be dry enough to use strippers, in the opinion of most people.

Fair and warm weather the past week has been of great benefit to cotton farmers.

Judge Tubbs To Speak To Masons

Judge Clifford Tubbs of Floydada will speak to the Masons of Lockney Lodge No. 867 at the Masonic Hall at the regular stated meeting, Tuesday night, November 13, it was announced this week by Charlie Boedeker, Worshipful Master.

All Masons are invited to attend, Mr. Boedeker said.

Farmers Slash Pulling Price To \$1.75 At Gin

More than 500 farmers, laborers and other interested people attended a meeting at the City Auditorium in Lockney Wednesday night at which 90 per cent of the farmers present voted to slash the price of cotton pulling to \$1.75 per hundred pounds delivered to the gin effective Thursday morning.

Low grades of cotton lately forced the farmers to take this step, it was explained to The Beacon. The price for pulling has been \$2.25 per hundred delivered. However when the farmer gets a low grade bale bringing 18c to 20c per pound, pays \$2.25 per hundred to get it pulled, amounting to \$45.00, he does not have enough left out of the cotton to more than pay his expenses in raising it. For this reason local farmers felt that the price for pulling must be lower.

With M. W. Wiley, president of the First National Bank in Lockney, presiding, the group voted three ways: those opposed, those who did not wish to vote, and those in favor of the slash. Only one man was opposed to the move and he stated that he had agreed to finish the week at this price for that reason he could not cut his price Thursday morning. Probably 20 or 25 men stood indicating that they did not choose to vote either way. The remainder of the possibly 400 farmers then stood indicating their approval of the cut price.

Mrs. McGehee Is Claimed by Death

Another of Floyd County pioneer citizens passed away last Friday when death claimed Mrs. Tom S. McGehee. Mrs. McGehee died about six o'clock Friday after an illness which extended back to last February. She had spent much of the time the past few months in the hospital.

Funeral services were held at the First Methodist Church here Sunday afternoon at 3:00 o'clock. Rev. George Turrentine and Rev. N. S. Daniel, the local pastor, officiated. Burial was in the Lockney cemetery with Carter Funeral Home of Lockney in charge of arrangements.

A large crowd attending the services and the many floral tributes attested to the many friends Mrs. McGehee had.

Mrs. McGehee and her late husband, who passed away January 19, 1948, had been active in community life at Lone Star since 1908. They had always been interested in community as well as county affairs and had made a host of friends in this county. They were real pioneers, coming to Floyd county when settlers were few.

Mrs. McGehee was born March 3, 1883 in Montague County, Texas. Her maiden name was Nannie Verra Foster. She was married June 26, 1902 to Tom Scott McGehee in Coryell County. The couple came to Floyd County in 1908.

Mrs. McGehee had been a member of the Methodist Church most of her life.

Survivors include two sons, Scott McGehee of Clovis, N. M., and Douglas McGehee of Lubbock; one granddaughter, Dixie McGehee of Lubbock; five sisters and one brother as follows: Mrs. D. E. Watson of Hermeleigh, Texas, Mrs. Ed Hardin of Abernathy, Mrs. Charles Rhodes of Lubbock, Mrs. W. W. Mitchell of Norton, Texas, Mrs. W. E. Dorsett of Houston and J. H. Osborn of Glen Rose, Texas.

Mrs. Charles Wood of Lubbock spent last week end here visiting her sister, Mrs. G. M. Brunner.

Mr. and Mrs. Jack Myers and son, Steven, of Lubbock, visited his mother, Mrs. Oliver Myers here Friday and Saturday.

First Baptist Church Receives Full Settlement On Bldg. Insurance Claim

Trustees of the Lockney Baptist Church received a check amounting to \$18,720 Wednesday afternoon of this week in full settlement of the insurance policy the church held on the building which was destroyed in January. The building was insured with the Hardware Dealers Mutual Insurance Co. with state headquarters at Dallas.

The insurance policy amounted to \$18,000.00. The \$720.00 represented interest which had accumulated on the policy. The company also agreed to pay all court costs in the suit which was tried before Judge Joe B. Dooley in the United States District Court, Northern District of Texas, at Lubbock last May.

Representing the church in the suit were Lucian Morehead and Tom Parrish of Plainview. The insurance company was represented by Klett, Bean, Evans, & Justice of Lubbock, and the firm of Thompson, Knight, Baker, Weisberg and Simmons of Dallas. Trustees of the church making the settlement Wednesday were Leslie Ferguson, R. T. Spence, Hugh Carroll, and the pastor, Rev. E. J. Cobb. Settlement was made in the offices of Mr. Morehead with Mr. Justice representing the insurance firm. Church Destroyed by Sleet

The roof of the brick and tile church building collapsed last January 12. The collapse wrecked the entire building and it had to be torn to the ground since the remaining part was unsafe to use according to building authorities. Cause of the collapse was a layer of sleet ranging from 4 to 5 inches thick.

After the insurance adjuster viewed the building and reported to the company, the church was notified that the company did not believe that their policy covered such a loss and the church trustees were asked to sign a waiver of liability so that the matter could be closed. The trustees refused to do this and the company then then filed suit in the Federal Court at Lubbock asking the Court to render a judgment of non-liability on their behalf.

The church trustees waived the jury and the case was tried before Judge Dooley in May. At the close of the case Judge Dooley stated to the participants that he was inclined to believe that the church was entitled to recover on the policy. In explaining his position, the Judge brought out the fact that the company's policy denied any liability for snow or rain but admitted liability for hail. It did not mention sleet. Judge Dooley pointed out that sleet and hail were very similar, in fact of the same family. He stated that it was his opinion that should the company not be liable for sleet damage, they should so state in their policy and set up a scale to determine where the ice particles stopped being sleet and became hail.

He then stated that he was taking the case under further advisement so each party could file written briefs. He promised to make a final judgment at a later date.

It was reported here that Judge Dooley again advised both parties in October that he was preparing to render final judgment in the case and that he was still of the opinion that the church was entitled to recover full value of the policy, plus interest since the case was filed.

Last week legal counsel for the insurance firm contacted Mr. Morehead and stated that they were ready to make full settlement on the policy without the court judgment, to which Mr. Morehead agreed. The settlement Wednesday of this week resulted.

There were many other losses very similar to this one all over West Texas and, in most cases, the insured did not press for settlement since insurance companies denied all liability. Many people have been watching the outcome of this case because of this fact.

Texas Tech FFA Sponsors Boxing Show At Lubbock

A professional boxing show will be staged by the Texas Tech Collegiate Chapter of the Future Farmers of America on Thursday, November 17, it was announced this week by Easton Blendon who is in charge of arrangements.

Main event of the show will be a 10 round bout between Billy Henderson and Tony Olivas. Semi-final will be six rounds between Gene James and Eddie Lamarr. A special event will be a six round bout between Leonard Duncan and Art Gray.

The show will be staged at Sled Allen's arena. Sixth and Texas in Lubbock. Tickets are on sale at the Lockney Drug in Lockney.

The proceeds from the show will be used to set up a scholarship at Texas Tech for vocational agriculture students. Mr. Blendon said. The boxers are donating their services for this cause.

Small Crowd Attends Road Meet Here

A small crowd attended the rural roads meeting held at the City Auditorium Monday night. W. C. Foote of Petersburg, County Judge G. C. Tubbs of Floydada and Joe Jennings of Plainview all made talks concerning the plans and purposes of the rural roads organization. A number of memberships in the Floyd County Rural Roads Association were sold. M. W. Wiley of Lockney presided.

Bob McDonald and his string band furnished entertainment for the group.

"CEPH" FORTENBERRY IS 90 ON HIS 90TH BIRTHDAY

Entire group that was present. In the late afternoon everyone begin going to their homes wishing "Uncle Ceph" many more happy birthdays.

Those attending to make the day such a huge success were: Miss Jodie Fortenberry and Mr. and Mrs. Oliver Fortenberry of Happy, Texas; Hugh Fortenberry and Donald of Adrian; Jack Fortenberry and daughters, Kate, Chloe, Christine, of Adrian; Mr. and Mrs. Charles Higgins of Hereford; Mr. and Mrs. E. J. Dorris and sons of Clovis, N. M.; Mr. and Mrs. Guy Davis, Hereford; Mr. and Mrs. Dale Taylor and children, Hollis Okla.; Mr. and Mrs. Tom Fortenberry and daughter, Patsy, Mr. and Mrs. Cephus Fortenberry and daughters, Mr. and Mrs. M. H. Taylor and Dale, Mrs. John Kelley and Norma Dean, Mr. and Mrs. Dick Brickridge and son, Robin Fortenberry, Mrs. Mollie Roach, Etta Massengale, all of Lockney, Rev. and Mrs. Fred Fortenberry and son of South Plains, Mrs. Maggie Taylor Bourland of Canyon.

Mr. and Mrs. Jack Myers and son, Steven, of Lubbock, visited his mother, Mrs. Oliver Myers here Friday and Saturday.

NEW VISITING TEACHERS TO BE EMPLOYED

AUSTIN, Texas.—To bridge the gap between home and school in problems of pupil adjustment, Texas school superintendents plan to employ at least 327 new visiting teachers and counselors by 1951.

That was learned from a survey conducted by University of Texas Professor H. T. Manuel for the Texas Commission on Coordination in Education.

Approximately 70 per cent of the superintendents will employ the visiting teachers and counselors, the survey indicated.

Lone Star News

By Mrs. Harold Griffith

The community deeply mourns the passing of one of its long time residents, Mrs. T. S. McGehee who passed away Friday afternoon about six o'clock in the Plainview Sanitarium. Mrs. McGehee had been ill for several years and confined to the Sanitarium for about eight months. Mr. and Mrs. McGehee lived in this community for many years and there is a great vacancy left in their both being gone. Funeral services for Mrs. McGehee were held Sunday afternoon at three o'clock in the Methodist Church. Burial was in the Lockney Cemetery.

Mr. and Mrs. Albert King were in Matador last Sunday to see Mrs. Birchfield who was in the hospital.

Mr. and Mrs. A. E. Frizzell visited with Mr. and Mrs. Milton Frizzell and family of Rock Creek last Tuesday.

Mr. and Mrs. L. L. Rhodes and daughter visited Mr. and Mrs. Floyd Jackson and Betty Wednesday night.

A marriage of interest in this community was of Miss Arlie Shreves, daughter of Mr. and Mrs. Tom Shreves, and Jim Edd Stover, son of Mr. and Mrs. J. E. Stover, who were married on Tuesday, November 1, 1949 at 12:45 in the First Baptist Church of Portales, N. M. Rev. Doyle read the impressive single ring ceremony. Accompanying the couple were Mrs. T. C. Shreves, Mrs. J. E. Stover, and Mrs. Nettie E. White.

Those enjoying the birthday supper Tuesday night in the home of Mr. and Mrs. Albert King honoring Mr. King on his birthday were Mr. and Mrs. Ben O. King and Mr. and Mrs. John Bean of Silverton.

Mr. and Mrs. Elmer Mosley of Plainview visited in the Howard Mosley home Wednesday.

Little Sharon Watkins is able to be home after being sick last week in Plainview at the home of her grandparents, Mr. and Mrs. Luther Watkins.

Henry McPherson is improving in the hospital at Lockney after being hurt in the Farmers Gin at Lone Star last Friday night.

Visitors in the home of Mrs. Clyde Farish Friday morning were Mrs. Troy Ray and Mrs. W. T. Rankin.

W. T. Rankin visited Pottsville, Ark. over last week end with his mother, Mrs. W. H. Rankin.

Mr. and Mrs. Chester Mitchell and children of Lockney visited in the Herman King home Wednesday night.

Mrs. Lowell Jarrett, with her parents, Mr. and Mrs. Lee Davenport of Silverton, visited in Amarillo last Wednesday.

Mr. and Mrs. Bob Tiner and Gary Don were in Roaring Springs last Thursday night visiting with Mr. and Mrs. C. E. Smith.

Chester Griffith of Lubbock visited with his mother, Mrs. Walter Griffith Friday afternoon.

Mr. and Mrs. W. T. Rankin visited in Clovis Tuesday with Mr. and Mrs. Reginald Brown and family.

Mr. and Mrs. Lowell Jarrett

and Larry were luncheon guests of Mr. and Mrs. Reed Lawson and Sandra Wednesday night.

Mr. and Mrs. J. E. Stover spent Saturday night with relatives in Petersburg.

Boys from this community who entered their hogs in the 4-H club hog show in Floydada last Saturday were Johnnie B. Griffin, Buford Shreves, Tom Nance and David Frizzell. Several first places were won by these boys.

Week end visitors in the L. M. Reidhimer home were Mr. and Mrs. Oliver Cox of Amarillo. Sunday luncheon guests were Mr. and Mrs. Vert Reidhimer of Amarillo.

Nita Jo Reidhimer spent Sunday with the Howard Mosleys.

Mr. and Mrs. Chester Griffith and Linda spent the week end in the Harold and Walter Griffith home Sunday luncheon guests were Mr. and Mrs. Walter Griffith and children of Plainview.

Betty Sue Farish was a luncheon guest of June Wiley on Sunday.

Mr. and Mrs. Howard Watkins were in Plainview Sunday afternoon visiting with Mr. and Mrs. Luther Watkins.

Mr. and Mrs. Clyde Farish and Donald were luncheon guests of Mr. and Mrs. D. M. Marshall of Aiken Sunday at noon.

Mr. and Mrs. L. M. Reidhimer were dinner guests in the Howard Mosley home Sunday night.

Visitors in the A. E. Frizzell home on Sunday were Mr. and Mrs. J. A. Goin, Mr. and Mrs. Charles Fulkerson, Mr. and Mrs. Rae Thornton, all of Floydada; Mr. and Mrs. Edd Thornton of Lockney, and Mr. and Mrs. Milton Frizzell and children of Rock Creek.

Floyd Wayne Jackson was in Amarillo Sunday on business.

Mr. and Mrs. Jack Frizzell and children were dinner guests in the L. M. Reidhimer home Tuesday night.

Glenda Ann Reidhimer spent Sunday night with Betty Sue Farish.

Mr. and Mrs. J. H. Fowler of Lockney were in the community Monday seeing about their farm.

Edith Johnston and Alberta West of Lubbock visited in the G. B. Johnston and the H. E. Frizzell homes over the week end.

Mr. and Mrs. Tom Wells and Francis Nell were in Matador, Friday night visiting in the Walter McWilliams home. Nell Wells attended the football game between Lockney and Matador.

Lowell Jarrett went to Dallas Sunday to be with his parents, Mr. and Mrs. Charlie Jarrett and his brother, Eddie, for a few days.

Mr. and Mrs. Albert King were dinner guests Sunday night in the home of Mr. and Mrs. Carl McAdams.

John Howard of Decatur is spending some time in the A. O. Foster home and hauling grain for different ones in the community.

Weldon Graves spent Sunday in Tulla visiting his grandmother, Mrs. Cecil Graves.

Mr. and Mrs. Hugh Nance and son of Silverton were guests Sunday of Mr. and Mrs. J. B. Nance Betty Ann and J. D.

Mr. and Mrs. Tom Wells and Francis Nell visited Sunday in the Tom Edd Wells home of Halfway on Sunday.

L. M. Reidhimer, Herman King and Harold Griffith with Fred Haroage of Albuquerque, N. M. are deer hunting in New Mexico.

Mrs. Herman King with Mr. and Mrs. Arch Crager were in Lubbock Tuesday night.

Mrs. Floyd Jackson and Mrs. L. L. Rhodes entertained with a bridge party Thursday night in the Jackson home. Those enjoying the occasion were Mr. and Mrs. Tom Chatham, Mr. and Mrs. Payton Powers, Mr. and Mrs. M. J. Sams, Mr. and Mrs. T. J. Honea, Mr. and Mrs. Claud Hammonds, Mr. and Mrs. Bill Hodel, Mr. and Mrs. Wayne Greer, Mr. and Mrs. Raymond Meriwether, Mrs. Rhodes and Janie, Mr. and Mrs. Floyd W. Jackson and Betty.

Aiken News

By Mrs. M. B. Salmon

Mr. and Mrs. L. L. Scott visited in the home of Mr. and Mrs. Wiley Moore Tuesday night.

Mr. and Mrs. Howard of Childress visited Mr. and Mrs. Roy Howard last week end.

Mr. and Mrs. Floyd Compton visited Mr. and Mrs. Fred Duval last Tuesday night.

Mrs. Arch Keys Jr., Jimmy and Janis spent last Tuesday in the home of Mr. and Mrs. Wiley Moore and Aunt Bessie Woods.

Miss Virginia Compton of Lubbock spent Friday night and Saturday with her parents.

Mr. and Mrs. Vernon Campbell and Carolyn, Mr. and Mrs. Fred Duval, Mr. and Mrs. Buck Kellison and Mr. and Mrs. Connie O'Brien attended the football game at Matador Friday night.

H. E. Seago left Saturday morning for a deer hunt near El Paso.

Mr. and Mrs. L. T. Cox, Margie and Butch and Mrs. Wiley Moore visited in the home of Mr. and Mrs. M. B. Salmon Thursday night.

Bill Wesley and Roy left Friday night for a trip to Missouri.

Mr. and Mrs. Lee of Littlefield visited Mr. and Mrs. Johnnie Lee for a few days last week.

Mrs. George Turner Sr. gave a Stanley party Thursday night. It was well attended and enjoyed by all.

Relatives from Lamesa and Tulla visited in the home of Mr. and Mrs. Bert Eiam over the week end.

Mr. and Mrs. Ben Chandler of Quitaque spent the week end in the home of Mr. and Mrs. Carl Chandler.

Rev. Bill Ebbs of Wayland preached at the morning service at Aiken Baptist Church Sunday.

Several from Lockney attended services Sunday.

Mrs. Cina Rodgers visited Mr. and Mrs. Bill Wesley Sunday.

Al Johnson of Plainview visited Mr. and Mrs. L. T. Cox Sunday.

| Passes com. | 3 | 9 | |
| Yards passing | 45 | 57 | |
| Penalties | 105 | 15 | |
| Pass intercep. | 2 | 0 | |

The Longhorns of Lockney won as expected over the Matadors last Friday night on the Matador field. The final score was 35-6. It could have been much more.

With the half time score 28-0, Coaches Curtis Kelley and Metz LaFollette played their second and third strings most of the time during the last half and the second string played almost all of the fourth quarter.

The Matadors were badly outweighed but played hard football, setting the Longhorns back a time or two. However, the Longhorns better blocking and running began to tell early in the first quarter and they weren't long in scoring. Practically every backfield man on the Longhorn team had a hand in the scoring. This weeks game gave the Longhorns the position of having the highest scoring team in the district and at the same time holding the best defensive record with fewer points scored against them than any other team in the district.

Matadors chief offensive weapon was the pass play and the Matadors completed 9 out of 23 passes with a net of only 57 yards. Some of the completed passes lost ground for the Matadors when the receiver was trapped behind the line of scrimmage. Gesiecke and Rattan were outstanding for the Matadors.

Penalties slowed up the game considerably with the Longhorns getting a record total of 105 yards against them. However, a great part of these penalties were five yard penalties for illegal substitution with Coach Kelley trying to let every one on the bench play some ball. He didn't have time to send them all in when the ball was dead.

Summary of the game follows: The Matadors received and returned to their own 34 yard line. A pass was incompleated they made 3 and attempted another pass. On fourth down Rattan

got off a good kick down to the Lockney 27. The Longhorns made 3, 1 and 6 for a first on the 37, made 8 and 3 for a first on the 48, made 8 and 4 for a first on the Matador 40. The Longhorns were then penalized 15 yards, and, on the next down penalized five yards. A pass was good for 7, made 2 more and lost 6 on the next play. On fourth down Smart kicked to the Matador 28. The Matadors lost 4 yards on their first line play and lost another 4 on their second. Then they passed with C. B. Smart coming in and intercepting the pass, returning the ball to the Matador 28. Strickland took off between tackle and guard, carrying the ball to the Matador 2 yard line. Smart hit the line for a yard and then hit it again for the touchdown. Ray Ferguson carried over for the extra point. Score 7-0, Lockney.

Matador received and returned to their own 34 yard line. Then Gesiecke surprised the Longhorns with nice run around his own right end to the Lockney 44 for a first down. Matador was penalized 5, made nothing on two more running plays, attempted a pass and then kicked to the Lockney 30. On the first play from scrimmage for the Longhorns, DeJuan Strickland went in between his own right tackle and end behind excellent blocking and ran the entire distance for the score. It was a 70 yard run. Ray Ferguson again made the extra point and the score was 14-0.

Matador received and returned to their own 30. The Longhorns were penalized 15, and the Matadors made 1 and then a first on the Lockney 42. They lost 7 yards on a line play and then completed a pass for a 3 yard loss with Strickland rushing in fast and nailing the receiver behind the line of scrimmage. The Matadors were penalized 5, attempted another pass and then kicked out on the Lockney 24.

The Longhorns made 7, 1 and 3 for a first on the 35, made 5, 2 and 4 for a first on the 46, and then Rattan broke through and stopped the ball carrier without a gain. However, on the next play little Mac Howard, Longhorn halfback, took out around his own right end and ran the 53 yards to the goal line without being touched. Excellent blocking and Howard's side stepping kept him clear of tacklers. Strickland made the point on a line plunge and the score was 21-0.

The Matadors returned the kick to their own 47 yard line.

A pass was complete for a yard loss and the Matadors lost 11 on another attempted pass. They completed one for 6 yards and then kicked with Smart bringing the ball back to the Longhorn 46. Ray Ferguson picked up a first on the Matador 33, the Longhorns were penalized 15 yards, and a pass from Strickland to Crouch was good for 17 yards. The Longhorns were penalized 5, made 3 and then Strickland broke into the secondary and out ran the Matadors for the goal line. It was a 33 yard run. Stanley Conner, the Longhorn blocking back, carried the ball over for the extra point. The score 28-0.

At this point Coach Kelley sent in a bunch of substitutes. The Matadors returned the kick-off to their 31. On the first play Smart came in to intercept a pass and returned the ball to the Matador 41. Here the Longhorns started a passing spree, trying two without a completion, making 6 yards from scrimmage and passing again on fourth down. Matador took over on their own 35 yard line and attempted 3 passes in succession without a completion. On fourth down, Rattan, who was an excellent punter, kicked the ball over the Longhorn goal line, giving the locals the ball on the 20 yard line. The Longhorns were penalized five and made 8 as the half ended.

Matador again received the kick-off returning to their own 29 yard line. The Motley county boys made 5 and then a first on their own 44 yard line. They lost 4 on the next play, made 2 and then lost 3 and kicked to the Longhorn 29. The Longhorns with most of the team composed of second and third stringers, lost 7 yards, made 5, made nothing and then were penalized 5. They kicked to the Lockney 36. Here the Matadors started rolling, picked up 4 yards and then a first on the Longhorn 23. Gesiecke broke into the open here but fumbled the ball and recovered it for 10 yards making a first on the 13. The Longhorns were penalized 5 and the Matadors drove to the 1 yard line on the next play. Rattan drove over for the score. The try for point failed and the score was 28-6, Lockney.

The Longhorns received with Ray Ferguson stopping the ball and fumbling it momentarily on the Longhorn 25 yard line. But he picked up, found a hole in his right and raced the entire 75 yards for the score. Ferguson was hard pressed for a short time by a Matador back but out-distanced him and went over standing up. Mac Howard drove over for the point making the score 35-6.

The Matadors returned the kick to their own 29, made 5 yards, lost 5 yards, passed for seven yards and then made a first on the 42. They made 3, were penalized 5, passed for 10 and then made a first on the Lockney 44. The Longhorns were penalized 5, and then the Matadors made a first on the 13 yard line. The Longhorns were penalized 5 and the Matadors made 1. On the next play, however, they fumbled with a Longhorn covering the ball on the 10 yard line. The Longhorns made 4 and 1 and nothing and kicked out to the Matador 44. The Matadors made nothing, attempted a pass, made 2 and fumbled with a Longhorn again covering the ball on the Matador 35. DeJuan Strickland came back into the game here and carried the ball for a first on the 23. The Longhorns lost five, lost six on a fumble, were penalized five and then Strickland hurled a pass to Joe Cunyus, who, though surrounded by Matadors, went up into the air to take the ball and

then bulldozed his way to the 13. However the play was nullified by another five yard penalty. The Longhorns lost 2 and on a pass from Smart to Strickland carried to the 25 where Matador took over on downs.

The Matadors completed a pass for a first on the 41, the Longhorns were penalized 5, and another pass was good to the 48. The Longhorns were again penalized 5 and the Matadors completed a pass to the Longhorn 28. They attempted three passes without a completion as the game ended. Score Lockney 35, Matador 6.

The Navy is in the farming business on Guam where it operates a dairy and hog farm in addition to raising sateside and tropical produce for consumption by service personnel and civilian workers. Much of the farm products are sold through the island commissaries.

The Navy has two fleet post offices in the United States which handle all mail going outside the States to ships and shore stations. One is on the East Coast at New York and the other on the West Coast at San Francisco.

Here's why I take my JOHN DEERE Equipment to the man who knows it Best!

"There are three mighty important reasons why my John Deere Equipment goes to a John Deere Dealer for reconditioning. First, I benefit from the skill of his trained mechanics, schooled in servicing methods recommended by John Deere. Second, his shop is well-equipped with up-to-date precision equipment. His mechanics have the tools to do the work right. Third, he uses only genuine John Deere Parts, which are made to fit and wear like the originals they replace. Thus, it's a three-way assurance of work well done...economically done." It will pay you to consider the important servicing advantages we offer. See us soon for complete details.

Society News

Mildred Rogers and Chas. Simpson Wed

Miss Mildred Rogers, daughter of Mr. and Mrs. E. J. Rogers became the bride of Charles I. Simpson, son of Mr. and Mrs. C. O. Simpson, November 5 at Clovis, N. M. The simple double ring ceremony was performed by Justice of the Peace W. E. McConnell at 2:30 in the afternoon.

The bride was dressed in a beige garbardine suit complimented by pink and brown accessories. Her corsage was of deep pink carnations. She wore the traditional something old, something new, borrowed and blue. Something borrowed was a necklace belonging to Velma Seale.

The bride and groom are both 1949 graduates of Lockney High School. He is employed at U. and I Laundry here.

Wedding Supper

A wedding supper honoring the bridal pair was given Sunday, November 6 at the home of the bride's parents, Mr. and Mrs. E. J. Rogers.

A three tiered wedding cake topped with a miniature bride and groom centered the table. Places were laid for the honorees, Mr. and Mrs. Charles I. Simpson, Mr. and Mrs. C. O. Simpson and Tom, Mr. and Mrs. W. L. Thomas, Jr., Billy and Judy, Gene Rogers, Claudie Hammitt, Velma Seale and the hosts.

YWA MEETS MONDAY

The Young Women's Auxiliary of the Lockney Baptist Church met Monday afternoon at the high school building at 4 o'clock. Rev. Goree Applewhite gave a talk on the book of II Samuel. Seven were in attendance.

Watch your expiration date.

Nita Stowe Is Bride Of F. G. Jones Jr.

Miss Nita Joyce Stowe, daughter of Mr. and Mrs. Clyde Stowe of Lockney became the bride of F. G. Jones, Jr., son of Mr. and Mrs. Frank H. Jones, Sr., Lockney on Saturday, November 5 at 6:30 p. m. Rev. N. S. Daniel, minister of the First Methodist Church here read the vows for the double ring ceremony, which took place in the Methodist parsonage.

The bride wore an aqua crepe dress with brown accessories and a corsage of yellow chrysanthemums.

Bridesmaid was Miss Maxine Foster of Lockney. She wore a rose crepe dress with a corsage of yellow chrysanthemums.

Billy Stowe, brother of the bride, served the groom as best man.

Other attendants at the wedding were Mr. and Mrs. Clyde Stowe and Mrs. N. S. Daniel.

The bride is a 1947 graduate of Lockney High School. The groom is a 1947 graduate of Lockney High School. He recently returned from serving fourteen months in the army.

After a short wedding trip, the couple are making their home on a farm north of Lockney.

HULS FAMILY HOLD REUNION SUNDAY

The Huls family held a reunion Sunday at the home of Mrs. Marie McLain in Oklahoma City. The entire family was present for the occasion with a total of 53 signing the register.

Those from Lockney attending were Mr. and Mrs. Gilbert Huls, Mr. and Mrs. S. G. Miller, Mr. and Mrs. Bob Miller and Bobby. Mr. and Mrs. S. G. Miller returned by plane Sunday afternoon while the other Lockney people returned by auto.

Junior R. A. Meeting Held Tuesday

The Junior Royal Ambassadors of the Methodist Sunday School met in the home of Mrs. Clay Muncy on Tuesday afternoon for a Bible study.

Rev. Clay Muncy taught the lesson on "The Ten Commandments," from the 20th chapter of Exodus. Those present were Gene Handley, Juandon Cobb, Layne Poteet, DeWayne Poteet, Don Vernon, Jerry Griffith, Joe Rigby, Jerry Vernon, Rev. Muncy and the counselors, Mrs. Muncy, Mrs. Harmon Handley and Mrs. Bert Vernon.

On Tuesday, November 15, the group will meet in Mrs. Muncy's home for a lesson in the missionary book, "My Daddy Told Me," taught by Mrs. Guy Sams. All boys from 9 to 13 are invited to be present.

Pink-Blue Shower Honors Mrs. Ramsey

A lovely pink and blue shower honoring Mrs. George Ramsey was given in the home of Mrs. J. L. Dagley Wednesday, November 2 at 2:30 o'clock. After winning the prize the honoree found a large ribbon attached leading her to the basement filled with gifts. Little angel food squares iced with tiny booties, and coffee was served to the guests.

Those present were: Mmes. Doc Shell, J. B. Bilibrey, Lowell Bilibrey, John Spradlin, Earnest Spradlin and the hostesses Mrs. Novice Livingston, Mrs. Bunt Jester, Mrs. Truett Bilibrey, Mrs. Loreta Gotcher, Mrs. J. L. Dagley and Mrs. Ruth Burbank.

Sending gifts were: Mmes. Nell McClung, C. L. Anderson, Ella Marr, C. M. Stapp, J. R. White, Rozell Sams, Roy Roland, Chas. Moses, Lena O'Hearn, Yinnie Smith, Miss Josephine Smith, Mmes. Henry Bollman, J. H. Cooper, L. A. Applewhite, F. L. Brown, L. M. Honea, Lena Fae Sweatt, Elsie Kunkle, John Griffith and Grandma Livesay.

Out-of-town people sending gifts were Mmes. Ralph Bradley and Charlie Cato, of Leonard, Texas; Vera Adair, Greenville, Texas.

"The Other Room" Reviewed At Club

Mrs. N. S. Daniel reviewed "The Other Room" at the El Progresso Study Club held Wednesday afternoon at the home of Mrs. Henry Schacht, hostess.

Roll call was answered with "Where I Met My True Love."

A delicious salad course was served to the following members: Mmes. I. A. Applewhite, Clyde Applewhite, G. M. Brunnier, E. J. Cobb, J. D. Copeland, D. R. Foster, Edgar Hays, Henry Hodel, L. M. Honea, Frank Perkins, Guy Sams, G. J. Stapleton, C. J. Taylor, Sid Thomas, Ed Whitfill and the hostess.

Spence Circle Meets Monday Afternoon

Mrs. E. J. Cobb had the Bible study from Ephesians on Monday afternoon at a meeting of the Raymond Spence missionary circle at the parsonage. Present were Mmes. M. P. Fulkerson, B. B. Vernon, W. C. Eiland, Guy Sams, Edgar Hays, I. A. Applewhite, Hugh Carroll, Boyce Kennedy, E. J. Cobb and Mrs. W. S. Rexrode.

Approximately 35 pounds of cookies were packed and mailed to Buckner's Orphans Home at Dallas. The Van Earle Hughes circle also brought cookies to be sent for the orphan's Thanksgiving dinner.

Y.M.W.G.C. Has Hallowe'en Party

Members of the Y. M. W. G. C. entertained their husbands recently at a Hallowe'en tacky party in the home of Mr. and Mrs. Ernest Sammann. After the unmasking, kid games were lead by Mrs. Hubert Stoerner, Mrs. Bruce Rigler and Mrs. Gordon Lotta in the darkened, spooky garage.

The Hallowe'en motif was carried out exclusively throughout the entire home. Those attending were Mr. and Mrs. C. E. Flippen and son, Mr. and Mrs. Albert Scheele and family, Mr. and Mrs. Bruce Rigler, Mr. and Mrs. Bennie Quebe, Mr. and Mrs. Helmut Quebe and Myra Sue, Mr. and Mrs. Hubert Stoerner, Mr. and Mrs. L. B. Brandes and Debora, Mr. and Mrs. Gordon Lotta and Mr. and Mrs. Ernest Sammann.

GO TO CHURCH! SUNDAY.

Busy Mothers Class Has Social Meeting

The Busy Mother's Class of the Methodist Sunday School held a business and social meeting Wednesday of this week. A covered dish luncheon was served at noon.

During the day the group quilted a quilt for the orphans home.

New officers were elected for the class as follows: Mrs. W. L. Thomas, president; Mrs. E. R. Harris, vice-president; Mrs. Pearl Hall, secretary-treasurer; Mrs. Leslie Floyd, assistant secretary; Mrs. Lura Stinebaugh, teacher; Mrs. Hugh Counts, assistant.

Eleven members and four visitors were present.

Hughes Circle Meets Monday Afternoon

The Van Earle Hughes Circle of the Lockney Baptist Women's Missionary Union met Monday afternoon at the home of Mrs. E. A. Cox.

Mrs. T. S. Fox taught the lesson from the books of I and II Timothy. Those present were Mmes. O. B. Willbanks, Leslie Ferguson, Buck Kellison, Elbert Thomas, J. C. Thomas Sr., Sid Thomas, Wesley Hay, Harmon Handley, Hilburn Casey, Fox and Cox.

Methodist Notes

We hear so often that our world is in a mess. We hear on every hand that time is running out, that the Christian people just have so long to save the world. It might be as long as ten years, who knows? If we fail there will be chaos. Well, what is the Christian church doing about it? I believe all of them are doing something, but I want to talk about what the Methodist are doing.

First, we have 7,617,627 active members in our church. We have over a million Methodists that are to honor to count. Their names are on the church roll, but we have to list them as non-active members, because they do not support the church in any way by attending or giving.

We have 24,103 Methodist ministers and 40,321 preaching places, they are in every state and territory of the U. S.

We have 1,275 missionaries. They speak 125 languages in 49 different countries. Through these missionaries we have established 6,400 churches, 300 schools, 129 medical centers and 126 Social Service Institutes. This is reporting our foreign work, not counting any of our home work. It makes me proud that I am a Methodist.

We support this work by our gifts to world service, by special gifts to missions and by our gifts to our Sea Relief. But this is not enough. This is why we are in this "Advance for Christ" movement. It is going the second mile. Every Methodist church in the United States is supposed to do something extra to advance Christ's cause.

Our church here at Lockney has adopted a foreign Advance Special of \$845 and a Home Special of \$475, and for Over Sea Relief \$200. This is to be paid one third each year for the next three years. Sure it isn't much to help save the world, is it? We should pay that much every year. If we don't save the world, then what? It looks like our last chance from where I am sitting. May we all do our best.

See you at church Sunday. Newton Daniel, Pastor.

REED EXPRESS THANKS

We want to express our deepest appreciation to our many friends both far and near who remembered us so dearly in our great distress, for the visits and beautiful flowers which were tokens of high respect and sweet remembrance of our association in former days. Cards and letters came from beyond the muddy waters of the Mississippi River to the brim of the Great Pacific. Also from the Northern States to the brim of the Gulf, which has helped us about our sickness and sorrows during our long stay in the hospital and the beautiful flowers for the token of love which was bestowed upon us. Especially do we remember the kindness of the entire hospital staff, who bestowed upon us all the attention, skill and affection. All these kind things we remember dearly and pray God's blessings upon you.

Mr. and Mrs. T. Z. Reed and family

Some 149,000 acres in this country are devoted to the raising of popcorn.

Committeemen Are Selected In Monday Voting

Community committeemen who will administer the 1950 Agricultural Conservation Programs and the related programs were selected by their farmer neighbors in the community elections held Monday, November 7. These farmers will be the key men in the local administration of the various programs of the Production and Marketing Administration of the U. S. Department of Agriculture.

Elected were the following community committeemen:

Community A: Chairman—Raymond M. Rucker, Lockney.

Vice-chairman—Chester W. Mitchell, Lockney.

Regular Member—Charlie T. Boedeker, Lockney.

First Alternate—Leslie Ferguson, Lockney.

Second Alternate—Wiley D. Nance, Lockney.

Community B: Chairman—Cecil Purcell, Quitaque.

Vice-chairman—Lee Rushing, Floydada.

Regular Member—Johnny S. Laeke, Lockney.

First Alternate—Charlie A. Purnell, Lockney.

Second Alternate—L. B. Cozby, Floydada.

Community C: Chairman—Walter M. Knight, Floydada.

Vice-chairman—John K. Holmes, Floydada.

Regular Member—Ralph Johnston, Dougherty.

First Alternate—Fred C. Cardinal, Dougherty.

Second Alternate—Mal Jarboe, Floydada.

At the election delegates to the county convention were elected. These delegates are: Buck Sams, Lockney; Robert G. Dunlap, Lockney; Bill McNeill, Floydada. These delegates will meet in the county convention Monday, December 14, at 10:00 a. m. at which time they will name the county committeemen to serve for the 1950 program year.

Alternate delegates who will serve in case of absence of the elected delegates are: Hubert E. Frizzell, Lockney; Billy W. Stanforth, Jr., South Plains; Claud Ring, Floydada.

The Battle of Waterloo was fought in 1815.

West Texas And Hardin-Simmons Play Saturday

CANYON.—Collegiate gridiron fans of the Panhandle will flock to Canyon Saturday afternoon where an expected capacity crowd is expected to witness the important Border Conference struggle between West Texas State's Buffaloes and the always powerful Hardin-Simmons Cowboys.

Gaining power as the season progresses and displaying a running attack that can explode into touchdowns at any moment, the West Texans are expected to give the hoarheaded Cowpokes more than a little bit of trouble. It has been 26 years since a Buffalo team has come out victorious over a Hardin-Simmons el-

IRRIGATED LAND FOR RENT

If you need to rent a farm come to Pecos and investigate 1949 crop production. I have several thousand acres of irrigated raw lands in Reeve County, Texas. Costs for clearing, fencing, irrigation well and house is approximately forty dollars per acre. Tenant to improve and retain all rents until costs with interest is repaid. Preference option to purchase. I believe top farmers can produce twice as many pounds per acre, and get twice the loan value per pound, and harvest for one-half of the price of the cotton grown on the plains area. Loan value now 45 to 50 cents per pound and is being picked for \$2.00 per hundred. Row crop feeds, alfalfa and permanent pastures appear to produce equally with the Plains area. Desire to share 1-3 of live-stock. Also the long staple Pima cotton can be grown with loan value over 60c per pound, can be produced and no limit to acreage to be planted. Two girls are to be built for 1950 for the Pima cotton by the Western Cotton Oil Co. as per statement of their manager at Pecos, Texas. Investigate the herein statements and if interested see O. C. Bailey at Lockney or Artie Baker, Pecos, Texas. 9-4tc

Carnival Coming Here Next Week

A carnival, Standard Shows, will set up in Lockney Tuesday of next week and run through Sunday, it was announced this week.

The shows are sponsored by the Lockney Volunteer Fire department and will have several concessions and rides including a steam train, officials said. It will set up on the lot just east of the city water tower.

BRYAN SMITH INJURED

Bryan Smith was injured last Friday when a .22 calibre shell exploded in a fire where he was burning some trash, the shell part hitting him just below the left ankle and lodging next to his ankle bone. He was treated at the Plainview Sanitarium but the shell was not removed, physicians believing that it would do more harm to remove it than to leave it in the ankle. The accident happened at the home of his father, R. W. Smith in the Sterley community.

Achievement Week Observed By 4-H Club

This is National 4-H Achievement Week for nearly two million boys and girls who are members of this fine organization.

The 4-H Clubs represent the largest rural youth organization in the world. Numbering nearly 2,000,000 boys and girls between the ages of 9 and 21 years, they are enrolled in over 80,000 Clubs throughout the United States, as well as in Alaska, Hawaii, and Porto Rico. Ten other nations have 4-H clubs or similar organizations.

In Floyd County there are 13 boys' 4-H Clubs and 12 girls' 4-H Clubs with a total enrollment of 634.

Every club member has one or more projects. In girls' clubs it may be cooking, canning, home improvement, frozen foods, dairy foods. Boys may have meat animal, field crops, tractor or maintenance, soil conservation. Boys and girls may have better methods electric, farm safety, home grounds beautification, garden, poultry, health, recreation and rural arts.

Boys and girls who have finished their projects and handed in reports of their work to their agents will receive 4-H Club pins.

Heading the achievement list is Jackie Gene Brock who has won the state Citizenship contest for 1949. His record is being judged this week for the national contest and he has an excellent chance of winning. The award in the national contest is a \$200 scholarship given in honor of Mrs. Thos. E. Wilson.

Troy Lee McNeill won fourth place in the district Better Methods Electric Contest. He was presented with a Certificate of Honor and a cash award of \$20 by the Southwestern Public Service Company. Troy Lee and Jean Porter were two of the guests of honor at the Farm Electrification Field Day sponsored by the Southwestern Public Service Company at Plainview last month. Troy Lee will also receive a medal from E. F. Wilson for county award on Leadership.

Winner of the Talent Club Award from Floyd County for 1949 was Marlene Hollums. An all-expense paid trip to cooperatives from Lubbock to Corpus Christi as well as to historic places of interest along the way was the award for this honor.

The donor of this trip to the 16 winners in this area was the Producers Grain Corporation of Amarillo.

Shirley Womack won the coveted Gold Star award for the county. She will receive a Gold Star pin from Texas A. & M. College.

Nita Jo Day won the county award on Canning and will receive a Medal from the Kerr Glass Manufacturing Corporation. Nita Jo will also receive a Medal as county award from Montgomery Ward and Company, for her outstanding record.

Outstanding records in Home Improvement were made by Dorothy Holmes, Mona Rae Williams, Juanice Shearer, and Hazel Wilson. They will receive Medals from Sears Roebuck and Company.

Joyce Nell Womack, Loretta Peugh, Juanice Shearer, and Shirley Womack were the Blue award winners in the County-wide Dress Revue in May. They will receive Medals from the Simplicity Pattern Company.

Don Pope will be awarded a Gold Medal of honor and Billy Carmack a sterling silver Medal for their work in Dairy Production. Donors are Krafts Foods Company.

R. W. Smith will receive a Medal from the International Harvester Company for his work in Field Crops.

For their records in Farm Safety Troy Lee McNeill, Jim Robertson, Joe Mack Dunn, Weldon Pickens, and Olen Rapp will receive Medals from General Motors.

A county award will be given Stanley Burleson by Thos. E. Wilson on his meat animal project.

Jim Robertson, R. W. Smith, Patricia Spears, and Naomi Allen will receive county medals for their Garden projects. The Allis Chalmers Company gives these awards.

The Dearborn Motors Corporation will give sterling silver Medals of honor to Beuna Mae Hollmes, Frances Allen, Don Pope and Weldon Pickens for their Poultry projects.

Shirley Womack Chosen As Floyd Gold Star Girl

Shirley Womack of the Sand Hill 4-H Club is the Floyd County Gold Star Girl for 1949. To be chosen for this honor a member must have completed three years in 4-H work, must have a good established demonstration and must exhibit leadership ability as well as achievement.

Shirley is 14 years old and has been a club member for four years. Shirley has been clothing demonstrator two years. During this time she remodeled her clothes closet, made a shoe bag, and made or renovated 38 garments. She has entered the County Dress Revue for 4 years. In 1948 she won third place in the Junior Division. This year she won first place in the age 13 group.

During Shirley's four years of club work she has planned and prepared more than 200 meals. In 1947 she kept house and prepared the meals for the harvest hands for a week.

Shirley was Garden Demonstrator for her club this year. She had had all the responsibility of planting and working the family garden which produced enough to supply a family of nine with fresh vegetables from May until September. She valued her garden at \$150. During her four years of club work she has helped can more than 2000 containers of food. Shirley also helps with the field work.

Shirley won five blue ribbons on her exhibits at the Girls' 4-H Day at Floydada this year. These were on her pillow cases, pillow protectors, hot pot holders and skirt.

Shirley was reporter for the Sand Hill 4-H Club one year and was president for the year 1948-1949. She was one of the pages at the district meeting of the Texas Home Demonstration Association when it met in Floydada in May. She has been in 5 community plays and is a member of the Farmers' Union. She attended the 4-H Round-Up at College Station this year and helped earn funds for this trip for herself and sponsor, Mrs. H. F. Jackson. Shirley entered Floydada High School this fall and was elected secretary of the freshman class.

Shirley will receive Gold Star Pin from the Extension Service of Texas A. & M. College for being chosen Gold Star Girl.

Guests in the home of Mr. and Mrs. A. L. Phillips of Lockney on Sunday night were Robert Wilson and "The Blue Sky Boys" from Kaufman, Texas. The band played at Silverton Monday night in a show sponsored by the Senior Class. Robert is Mrs. Phillips' cousin.

Texas Grads Have Own Textile Firm In Central America

LUBBOCK—Two Texas Tech graduates who now live in Guatemala are doing their best to give feminine wardrobes a Latin-American look.

Joyce Dobkins and Louise Ohlenbusch, Texas-born-and-bred have set up their own textile factory in Guatemala City and are already importing skirts blouses and other wearing apparel to the United States bearing their "Mayatex" label. The trade name is a combination of the Mayan native weaving process and—naturally—Texas.

The 100-loom factory which the two Texans are setting up is the latest step on their pathway which began several years ago when they first entered the textile business. Miss Ohlenbusch was visiting friends in the Central American capital and became interested in the native weaving process. She had studied textile weaving and design in home economics at Texas Tech and wasn't pleased with the native article.

After trying the home factory system for a while, the girls decided to set up their own plant. The enlarged capacity should permit them to double their previous monthly output of 4,000 yards.

Miss Dobkins graduated from Tech in 1934. Her partner is a Tech graduate of 1940 and former school teacher at New Braunfels.

The handy Navy "ditty bag" was first called "ditto bag," because it contained two of each item.

Every Texas Doctor Can Detect Cancer ACS Leader Says

HOUSTON—Every Texas doctor is able to detect cancer. This is the conviction of Dr. E. W. Bertner of Houston, Chairman of the executive committee of the American Cancer Society, Texas Division.

"Many Texans have the idea that only a few highly trained specialists in the state, with elaborate equipment, can find evidence of cancer," says Dr. Bertner. "But, on the contrary, any careful doctor can detect conditions which may mean cancer, merely by using his eyes, ears, hands, and a few simple instruments which every physician has in his office."

Dr. Bertner carefully made this distinction, however: "although all Texas doctors should be able to detect what may be cancer it does take trained specialists to diagnose cancer positively. It takes a team composed of pathologists, radiologists, surgeons, and sometimes gynecologists to search out and combat the disease."

There are in Texas 23 cancer clinics. Dr. Bertner pointed out. Ten are supported by American Cancer Society funds. Others receive support from the State Department of Health, or are independently operated, or are clinics at Army and Veteran Service Hospitals.

"At each of these clinics are the trained specialists who diagnose cancer," Dr. Bertner continued. "If your doctor suspects cancer, he will send you to one of these clinics for diagnosis. But be sure to go to your doctor first! Do not fall victim to cancer quack who promises cure. See your family doctor."

"One of our aims in the American Cancer Society, Texas Division is to make sure that a Texas doctor recognize cancer in its early phases of development. Early cancer can be cured, and we must fight cancer with the knowledge we have."

Over 5,500 air transport hours were logged by the Navy's Fleet Logistic Support Wings in the past half year for special missions providing rapid and flexible support to essential military activities.

EDITORIAL

But this I say, He which oweth sparingly shall also reap sparingly; and he which oweth bountiful shall also reap bountiful.—Second Corinthians 9:6.

There is a good deal of complaint in some sections because of the fact that the government in its plans for flood control plans to build dams which will result in the impounded flood waters covering many acres of fertile soil. The point the government seeks to make is that while a few thousand acres of land will have to be sacrificed in the neighborhood of the dam, hundreds of thousands of acres along the lower courses of the river, just as fertile will be saved from annual devastations by floods. Each year millions of dollars are spent rehabilitating those whose farm and crops are destroyed by flood waters. The government is proceeding on the theory that this can be avoided by controlling the

flood waters on the upper tributaries of the river. However, the injured parties feel that the conservation of the water and soil reservoirs of the country are its biggest problem. The subsoil water table has been falling in this country for years and millions of acres of the top soil are being washed each year into the ocean. Whether we like the thought or not this problem must be faced some day, either now while it can be done with careful planning, or later when necessity demands that more drastic methods be employed.

An old timer said the other day, "farms don't seem the same to me any more. In my day we had a lot of horses on the farm. Farms today don't have any horses. It just doesn't seem like a farm any more to me when I visited my son's place. There is nothing interesting to me in a shed full of iron and steel gadgets. My son is thorough convert to the new way of farming and he tells me that he likes horses as much as I do but they can't get the job done on the farm today. It makes me feel that I have lived a long time. I remember when horses were the only power on the farm. There wasn't a single tractor or car in my county. Now there is farm after farm without a horse on it. I have lived through one complete period in farming."

A local business man says he has lots of respect for the early settlers. He does not refer to the settlers who traveled in covered wagons, but rather those who get their bills paid by the tenth of the month.

The man who boasts that he runs his own house usually does to the extent that he washes the car, wipes the dishes, tends the furnace and mows the lawn.

Cash resources of the steel workers union are about \$8 millions. If distributed among the strikers in strike benefits, each member would get \$16—little more than average day's wage of \$13.

President Truman has asked for an increase in taxes next year. Some one should tell Mr Truman that what the people would like to see is a sincere effort to reduce expenses along the lines proposed by

the Hoover Commission.

It is becoming more and more evident that the solution to the farm problem is far from being solved. True at the present the government is spending millions subsidizing the farmers by pegging prices at high levels and then digging up the difference between actual market price and the pegged price. Under the present system the government is being hard pushed in the matter of disposing of the daily mounting surpluses. Under the government price support plan production has jumped to a point where it more than supplies the local needs and the export demand. One will illustrate. At the present time that are twelve thousand tons of eggs buried in the government cold storage cave at Atchison, Kans., from which the producers received the guaranteed price. These will have to be destroyed or fed to the hogs. Under the farm plan that Congress rejected these eggs would have been sold at whatever they would bring. The producer in order to get the full guaranteed price would take the sales slip to his AAA office and receive the difference in cash. In either case all of the tax payers have to pay the loss but but by being able to buy their eggs at a lower price they would receive some return for their taxes. What is true of eggs is true of every other pegged farm commodity. Not a great deal of objection is being raised out through the country to the system. The farmers are making more money than they have made in the history of the country, the business man in the county seat and smaller towns are all doing well. Though many wonder how long it can be kept up no one is going to turn his back on Santa Claus. A local farmer says, "I like the good old prices and the money though the idea seems unsound to me, but when I think that a various times in history of this country the government has subsidized industry, it has subsidized the railroads and the sugar refineries and the like, maybe it can stand a little subsidizing of the farmers."

The mere process of worrying, one authority says, will injure one more than the thing he is worrying about.

A local parent who should know, says that sending a boy to college is like building a new house. It costs twice as much as you think it will.

The editor of one of our exchanges notes that his information is that there is still coal enough in the ground to keep us in coal strikes for another 200 years.

General Arnold says that Russia fears no army. She has the biggest army in the world. She fears no navy. It cannot reach her. What she fears is the long range, far reaching bombers.

It may be a small world as they say, but it costs the United States a lot of money to keep it going.

Don't overlook the importance of planning for future electricity needs or uses in the new farm buildings or in those that may be remodeled. Be sure that you're using the right size wire and that plenty of circuits are included to take care of future needs.

The post office workers have the smoothest working organization in this country. Under

1950 COTTON CONTROL

The virtual certainty of cotton acreage controls next year is causing considerable uneasiness. Many of the so-called experts, as well as farmers, business men and taxpayers generally are wondering: What will cotton controls do to other crops?

Millions of fertile acres now devoted to cotton will be planted in other crops. Farmers could not afford, even if so disposed, to allow this land to lie fallow. They will attempt to produce something. Will the result be large surpluses of other types?

The new crops planted on present cotton land naturally will vary with localities. Many of the products of several kinds will be used for feeding on the on the farm, to produce more meat. In many localities, including our own, farmers are being advised to stock with more dairy cattle. The reductions in cotton acreage are likely to lead to increases in the planting of nearly all other major crops.

If such surpluses do occur, they unquestionably will stimulate the demand for increased government support for more crops. Even the most vigorous advocates of the support system acknowledge there are limits as to how much money can be squeezed out of taxpayers for this purpose.

This does not criticize the prospect of cotton controls. Perhaps they are necessary. Certainly the leaders in the cotton industry appear to agree that something must be done to curb mounting surpluses.

But little will be gained if the prevention of one surplus should create a great many others. It is a possibility which clearly justifies uneasiness and the efforts which happily, are being made to anticipate and solve the problem before it actually is upon us.—Lubbock Alavanche.

ABOUT DEPRESSIONS

Just 20 years ago this week, one of the worst depressions the United States has experienced was beginning. If anyone realize what was happening, they kept quiet about it.

But the experience understandably causes those who recall it to fear that something similar, or worse, might happen again. There are sound people—those who are not alarmists, or chronic pessimists—who fear we might be on the edge of another depression now.

Perhaps we are. But this seems a peculiarly appropriate time to take an inventory of the prospects apparent to everyone in an effort to arrive at some sensible evaluation of the danger that may exist.

This inventory, definitely, is most reassuring. True, prices are high—higher, generally, than they were in 1929. But that is about the only parallel of today with the depression year which seems pessimistic in its implications.

Some of the favorable and reassuring comparisons are these: Many, many more people are employed, in total numbers and

in ratio to population, than when the depression started. Their average earnings are much higher, both in dollars and in relationship to living costs. Their assets in cash, savings, bonds and convertible life insurance are many billions of dollars larger, providing a huge backlog if times should turn bad. Several million families who were paying rent in 1928 now own their own homes. Another highly important item is represented by government subsidies of many kinds to support farm prices. There wasn't anything like that. Furthermore, the enormous backlog of many kinds, estimates run in billions. This provides a great reserve for justified jobs. None of this evidence that if the phe should come our own making economic justification back Alavanche.

"Farming By Air" To Be Explored At A. & M. College

COLLEGE STATION—Texas A. and M. College has been selected as the site of a national research project to develop the airplane and its component parts as effective agricultural tools.

The development program will be under the direction of Fred

E. Weick, professor and research engineer of the Aeronautical Engineering Department, A. and M. College, and director of the Personal Air craft Research Center. Weick, who is one of the nation's outstanding engineers, is known as the designer of the simplified control, spin-proof "eroucoupe" airplane. He came to A. and M. College last year.

Details of the joint undertaking and operating agreements were worked out in a conference of representatives of the National Flying Farmers Association, U. S. D. A., Department of Commerce, and the A. and M. College System at College Station, August 24. Formal announcement of the agreement was made at the fourth annual convention of the National Flying Farmers Association at Colorado A. and M., August 26 and 29.

The cooperative project was developed from a program set up by the Flying Farmers during their annual convention last year at Columbus, Ohio.

A new plane design suited to the needs of agriculture and development of improved methods of distributing sprays, dusts, seeds, and fertilizers from the air will be the immediate objectives of the project. The plane and its accompanying application equipment are to be designed to meet the needs of the average farmer.

Research along this line already underway at the A. and M. Personal Aircraft Research Center, a college-owned airport, wind tunnel, laboratories and shops, and outstanding personnel available in the engineering field, plus the close tie-in between engineering and agricultural work led to the selection of A. and M. College for this project, according to H. W. Barlow, dean of Engineering. Wide use of the airplane in agriculture in Texas and 12-months flying weather in the area were also factors in the selection.

Spur, Floydada Still Leading

The Spur Bulldogs and the Floydada Whirlwinds are still leading the league in District 3-A by virtue of their wins last Friday night. Spur defeated Abernathy 19 to 6 while Floydada eased by Tullia 7 to 6.

Others games in the district found the Longhorns running over Matador 35-6, Paducah defeating Ralls 19 to 12 for an upset victory and Crosbyton defeating the leader of District 4-A south, Post, 20 to 13.

Spur and Floydada, as well as Lockney, face tough opponents this week end. Spur will play Ralls at Spur, and Floydada will take on the double tough Crosbyton Chiefs at Floydada. The Longhorns play at Paducah, and Tullia goes to Abernathy.

The Longhorns still have a mathematical chance to tie for the title but most prognosticators are picking Spur to win the title. They must defeat both Ralls and Floydada to do it, but they are being picked.

From the point standpoint the Longhorns have by far the best record both offensively and defensively as the standing will show. They have scored more points than any other team in the district, 132 while allowing their opponents the fewest, 43.

The current standings are:

| Teams | W | L | P | OP |
|-----------|---|---|-----|-----|
| Spur | 5 | 1 | 123 | 68 |
| Floydada | 5 | 1 | 60 | 68 |
| Lockney | 5 | 2 | 132 | 43 |
| Crosbyton | 4 | 2 | 87 | 77 |
| Paducah | 3 | 3 | 82 | 89 |
| Tullia | 2 | 5 | 80 | 73 |
| Abernathy | 1 | 6 | 37 | 68 |
| Matador | 1 | 6 | 31 | 163 |

Twenty years ago there was one government employee to about 40 of the population. Today there is one government employee to every 22 of the population.

Sterley News

by Bonita Glover

Mr. and Mrs. Jack Bickley and daughter of Plainview spent Sunday in the home of Mr. and Mrs. Sam Jack and family.

L. S. Newberry and a friend of Goodnight spent Sunday in the A. K. Glover home.

Mr. and Mrs. James Mullins of Lubbock and Mr. and Mrs. Carl Mullins of Abilene spent the week end with their parents, Mr. and Mrs. W. B. Mullins.

Miss Wanda Jack and Miss Annie Murphy spent Tuesday night with Miss Bonita Glover.

Mr. and Mrs. Bernard Lyles and children of Turkey spent the week end in the M. O. Buchanan home.

Mr. and Mrs. C. W. Ginn of Cereal visited in the Emmet Johnston home this week.

Mr. and Mrs. J. W. Evans and son of Lubbock spent the week end with Mr. and Mrs. Everett Rivers and family.

Mr. and Mrs. Emmet Johnston were guests of Mrs. Johnston's brother, H. O. Ginn near Lockney Saturday evening.

Mr. and Mrs. Clyde Shearer spent Friday evening with Mr. and Mrs. L. A. Claborn.

Mr. and Mrs. L. M. Jones and children and Mr. and Mrs. Fred Higgs and little daughter went fishing in the Tullia Lake over the week-end.

Miss Vida Whitefield of Pauls Valley, Okla., a sister of Mrs. Jones, and Mrs. Neva Whitefield, sister-in-law, spent Monday with Mrs. L. M. Jones.

Mr. and Mrs. Everett Rivers and family and Mr. and Mrs. V. E. Penix and daughter made a business trip to Plainview Saturday.

After an enjoyable week in Waco Mrs. L. A. Claborn has returned home.

James Bobbitt has been ill this week. We hope he will be well soon.

We are very sorry to hear the Amos Nelson family moved to Anton. They were a fine family. We hope they will be happy in their new home.

On Friday, November 18, the Providence Home Demonstration club will present their prize one-act play at the Sterley Community Center. Admission price will be 15c and 35c. Pie, coffee, and sandwiches will be sold by the Sterley club. A wonderful time is in store for the young and old, so everyone come.

Mr. and Mrs. A. H. Suiter have been in Amarillo for a week. Mr. Suiter has been St. Anthony hospital. He is expected to return to his work the end of the week. Mr. and Mrs. Suiter are now in Lubbock visiting.

Mr. and Mrs. Lloyd Fellows and daughter of Lubbock spent

Sunday with Mr. and Mrs. W. B. Mitchell.

Avel Glover spent the week end with Mr. and Mrs. T. K. Glover and family.

Miss Juanita Tinsley spent

Sunday with Miss Lou Wana Rivers.

Miss Wanda Jack spent Sunday night in Plainview with her sister, Mrs. Jack Bickley, and family.

Parrish Will Be Honored For Long Service With Co.

Ninety-five long-time employees of the Plains Division of the Southwestern Public Service Co. will be the guests of honor at a service awards dinner to be held in Plainview, Wednesday, November 16th. Joe Parrish of Lockney will be among those honored for service with the electric light and power company. Mr. Parrish will receive a pin and scroll for 14 years service.

The service awards will be presented to the guests by J. E. Cunningham of Amarillo, president of the Southwestern Public Service Company. J. M. Collins of Plainview, division manager, will preside at the banquet.

The 95 Plains Division employees to be honored have spent various periods of time ranging from 5 years to 30 years with the Southwestern Public Service Co. and predecessor organizations.

Southwestern Public Service Company has recently inaugurated the service award plan and banquets to be held in the various divisions this year will be the first in an annual series of such events. Four hundred and fifty-three employees whose combined service totals 6183 years are to be honored guests at the first banquets this year.

Hospital News

NEW ARRIVALS

Mr. and Mrs. Paul Teuton are parents of a six pound, 10 ounce boy who was named James Edward. He was born November 5th. Mother and baby were dismissed November 9th.

Mr. and Mrs. Bob Davis are parents of a baby girl weighing nine pounds, six ounces, born November 8. The name was unavailable.

Mr. and Mrs. Juan Olivio are parents of a baby girl born November 8th and named Maria.

Mr. and Mrs. Singletary are parents of a girl born November 8th.

June Chandler was admitted Sunday and underwent a tonsilectomy Monday morning. She was dismissed Wednesday.

Henry McPherson was admitted Friday night for treatment of injuries received in an accident at Lone Star.

Mrs. N. D. Williams underwent surgery November 7.

Robert Cavazaz was admitted Monday night for treatment of burns. He will be dismissed Friday.

Mrs. George Turner was admitted Saturday and dismissed Sunday after medical treatment.

Elmer Sandusky was dismissed Monday after medical treatment.

Sid B. Thomas Jr. was dismissed Saturday after undergoing surgery last week.

T. D. H. Whitaker was dismissed Thursday after several weeks medical treatment.

Mrs. Floyd W. Jackson was dismissed Wednesday night for medical treatment.

Mrs. Georgedeane Cook was admitted Wednesday for medical treatment.

It is estimated that 25,000 Navy personnel are in travel status at all times.

Mr. Reed was made a Master Mason of November 22, 1908. He has been a member of the local Lodge since that time.

Everyone is invited to bring a basket of food, dominoes and dominoe tables. A free picture show of the All-State Camp at Red Rock, Colo., will be shown. It will be of special interest to juniors and junior reserves, it was said.

"We have much to be thankful for and it is hoped that every Farmers Union member in this part of the state will attend this informal get-together," Mr. Holmes said.

NEW ARRIVALS
 Mr. and Mrs. Jim Houck of Jacksonville, Fla., are parents of a son born Sunday, November 6. He weighed six pounds.

Mrs. Houck is the former Betty Cunyus. Grandparents are Mr. and Mrs. F. A. Cunyus of Lockney. Mrs. Cunyus will leave soon to see her new grandson.

USING GREEN TOMATOES
 By Leila Petty
 Co. Home Demonstration Agent
 Here are some ways of using those green tomatoes you pickled before frost:

Uncooked Relish
 2 Medium sized heads of cabbage.
 8 Medium sized onions.
 8 Medium sized carrots.
 12 Green tomatoes.
 12 Red and green sweet peppers.

Grind on a food chopper, using coarse plates.
 Stir in ¼ cup of salt and let stand 3 hours.

Drain well and add ½ gallon vinegar, 1 T. celery seed, 1 T. mustard seed, 6 cups sugar. Mix well. Do not cook.

Green Tomato Chow-Chow
 1 quart chopped green tomatoes.

1 quart chopped green cucumbers.
 1 cup chopped green peppers.
 1½ cups sugar (less may be used.)

1 T. celery seed.
 ½ T. whole allspice.
 1 quart chopped cabbage.
 1 cup chopped onions.

1½ quarts vinegar.
 1 T. mustard seed.
 ½ T. stick cinnamon.
 ½ T. cloves.

Wash, trim and chop vegetables. Cover vegetables with a brine made of ½ cup salt to 2 quarts of water. Let stand overnight. Drain vegetables to remove the brine thoroughly. Put spices in loose bag and heat with vinegar. Let simmer (not boil) for 10 minutes. Add sugar and drained vegetables. Cook slowly, stirring often until tender (about 1 hour). Pack into sterilized jars and seal.

Hog Show Winners—

(Continued from page one)

Norman Thomas and Charles Robertson also showed in this class each receiving 50 baby chicks.

Pen of 5 or more barrows, a new class, was won by Billie Joe Hambricht.

Prizes of \$5.00 for first place, \$3.00 for second place, \$2.00 for third place and a ribbon for fourth and fifth places were awarded. Breed champions were awarded an additional \$2.50 with the grand champion in each class given \$10.00 and a rosette.

The Floydada Chamber of Commerce put up the prize money totaling \$207.50.

Thirty-four hogs were sold at the sale following the show. The market value of the hogs was \$1591.40 and they were sold at \$1941.55, giving the boys a \$350 bonus.

The grand champion boar was sold to the First National Bank of Floydada for 33c pound. The Hampshire breed champion was sold to the Producers Co-op for 21c, the Poland China breed was sold to Patterson Grocery for 23c, and the Chester White breed champion was sold to Consumers Fuel of Floydada for 23c. Patterson Grocery also bought the Cross-breed champion for 23c.

Tom Nance's light duroc brought 24c, being bought by the Southwestern Public Service Co. Others were sold at prices ranging from 19c to 23c.

Judge of the show was Raymond King, county agent of Castro County. Emory Angus was general superintendent with H. G. Barber, Bob Gibson and F. L. Montandon as his assistants.

George Cavin and Pee wee Rainer were publicity men while Robert Crowell was secretary of the show. Pen assignments were handled by Harry Morckel and Edd McLerow, auctioneer was Col. W. H. Seale, clerks were O. P. Rutledge and Homer Steen, and the sale committee was Robert Crowell, Jim Word and Guy Ginn.

BROWN taste?

At the first suggestion of illness, consult your physician and heed his experienced counsel. Prompt action may save time, money and suffering. And, of course, we hope you'll bring the doctor's prescriptions to this professional pharmacy where prompt, ethical service, at fair prices, is the rule.

LOCKNEY DRUG CO.

R. T. Spence Hurt In Car Accident

R. T. Spence, 73, of Lockney, was injured Sunday afternoon when the 1948 Chevrolet coupe in which he was riding was struck by a Pontiac sedan driven by Elio De La Garza of Seguin about two miles east of Plainview on Highway 70. J. C. Spence was driving the Chevrolet.

The elder Spence suffered cuts and bruises but was not believed to be seriously injured. He was treated at the Plainview Hospital and returned to his home here Monday.

Garza pleaded guilty to a charge of failure to yield right of way and was fined \$25 plus \$12 costs in justice of peace court at Plainview. The accident happened when Garza attempted to pass a truck and collided with the Spence car. Both vehicles were badly damaged.

T. Z. Reed To Receive 40 Year Masonic Pin

Although T. Z. Reed will be unable to attend the meeting, he will be presented a 40 year Masonic pin on Tuesday night, Nov. 18 by Charlie Boedeker, Worshipful Master of Lockney Lodge No. 867. Mr. Reed will be represented by his grandson, Reed Lawson, who will receive the pin for him.

Mr. Reed was made a Master Mason of November 22, 1908. He has been a member of the local Lodge since that time. He has been ill for the past several weeks and for that reason will be unable to attend the meeting of the local lodge.

It is estimated that 25,000 Navy personnel are in travel status at all times.

Special Meeting Of Legion Called

A special meeting of the Landrum Post of the American Legion has been called for Monday night, November 14 at 7:30. It was announced by legion officials.

All members present at this meeting. A bad egg was present at this meeting.

THE LOCKNEY BEACON

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 48

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, NOVEMBER 18, 1949

NUMBER

New Business Building Here

Two new business buildings are under construction here at the present time.

Rudd and Jay Ed Parsons are building a 28x30 pumice block building on West Locust street just beyond the T. V. Copeland machine shop. The new building will house the Parsons Radiator shop on the west and the Capitol Photo Service on the east side. It will be a one story building with concrete floor. Walls are half way up now and it will probably be completed in three or four weeks. Clarence McCoy and Kirby Ford are doing the work.

Wofford Wood Shop is adding a 30x40 addition on the back of their building on North Main Street. This building is also of pumice block construction, one story. The new addition to the building will handle galvanizing equipment with which the shop will galvanize sucker rod couplings to prevent rusting. They expect to occupy the addition by next Monday.

District Title Will Be Decided In Tilt Tonight

The Spur Bulldogs-Floydada Whirlwinds football game to be played tonight (Friday) on the Whirlwind field at Floydada will determine whether Spur will represent the district in bi-district competition or the district will go a three or four way tie. In case of a tie the district representative will be chosen by lot.

Comparing past records, it doesn't appear that the Whirlwinds have much chance of stopping the Bulldogs from Spur but sometimes the 'Winds have been able to upset the dope bucket and defeat the Bulldogs even when rated the underdog.

In case of a tie, Spur, Floydada and Lockney will be tied with six wins and two losses each and Crosbyton will also join the group if they defeat Ralls this week end. These two teams play at Crosbyton.

Last week the Longhorns finished their schedule defeating Paducah 19-7. Crosbyton defeated Floydada 14 to 6 and Spur ran over Ralls 29 to 0. Tullia also upset Abernathy 13 to 7.

The other game this week sees Paducah and Matador in their annual battle.

Tullia, Abernathy and the Longhorns do not play.

Miss Hopkins New Nurse at Hospital

Miss Sarah Hopkins is the new registered nurse at the Floyd County Co-operative Hospital here. Miss Hopkins assumed her duties Tuesday.

Miss Hopkins' home is in Houston where she graduated from the Methodist Hospital. She did post graduate work at the Cook County Clinic in Chicago and had some special work in polio at Roanoke, Va., and at Houston. She has been nursing 19 years.

New Employment Service Man Here

L. O. Connally, representative of the Texas Employment Service, has arrived here to handle the transient labor replacing Joe Von Wernich. Mr. Connally has followed the cotton harvest from the valley, coming here from Roby. His home is in Waco. Mr. Connally is making his headquarters at Consumers Fuel Association.

Geraldine Sims, student of McMurry College, Abilene, spent last week end here with her parents, Mr. and Mrs. G. L. Sims.

Mrs. J. P. Darwin and Mrs. Ben Savage of Whitewright spent last week with their sister, Mrs. R. L. Powell of Alken who is ill.

Longhorn Scoring Plays at Paducah

Pictured here is Ray Ferguson, No. 37, Longhorn halfback, breaking through into the clear on a 62 yard run

for a score at Paducah last Friday afternoon. Ferguson can be seen on the far side of the line of scrimmage.

The Longhorns were trailing 6 to 7 as you can see by the scoreboard when De Juan Strickland, No. 21, Longhorn fullback, got loose on this play and ran to the Pa-

ducah one yard line. The tackler on his back rode him the last five or six yards. The Longhorns scored immediately after this play to take the lead.

Strickland is loose again here, carrying the ball to the Paducah 12 yard line before being brought down. The score on the board says

Lockney 13, Paducah 7. The score which followed this run sailed away the game for the Longhorns.

Eddie Jarrett Is Returned Home

Eddie Jarrett, injured seriously in a truck accident seven miles east of Lockney on August 21, was returned to the home of his parents, Mr. and Mrs. C. L. Jarrett near South Plains last Thursday. Eddie has been in a Dallas hospital for the past few weeks receiving treatment.

He is improving daily, relatives state, and he is able to sit up some and has almost normal use of his limbs. It will probably be two or three weeks yet before he will be able to walk. However, he is able to see visitors.

The Carter ambulance went down and brought Eddie home.

Attend Funeral At Ballinger Tuesday

Mr. and Mrs. A. J. Long and sons, Billie and Charles, were called to Ballinger Tuesday by the death of Mrs. Long's mother, Mrs. Ellen Hall. Mrs. Hall died at 1 o'clock, Tuesday, November 15, after a long illness. Mr. Long and Billie are employed at the Patterson Gin here.

RETURN FROM MARKET

Mrs. C. O. Jeffcoat and Mrs. Hershel Garthel returned last week from Dallas where they attended market and purchased merchandise for the Lockney Dry Goods.

Mr. and Mrs. G. C. Fairy of Odessa visited relatives here recently.

Last year American farmers grew some 300 million pounds of popcorn.

Gins Buried Under Cotton

Lockney gins were buried under an avalanche of cotton this week and many farmers were piling cotton in barns and on the ground. Using of mechanical strippers on a large scale has increased the flow of cotton to the gins considerably.

Although gins were running night and day they could not keep up with the flow of cotton and the surplus was growing larger each day. Farmers are having trouble keeping empty trailers and for that reason are piling the cotton in barns and on the ground.

Ginnings at the three Lockney gins totaled around 6350 up to Thursday morning and had around 500 bales standing on the yard. Other gins in the area were equally as far behind. County Agent Robert Gibson reported Tuesday that ginnings in the county totaled 19,997 bales to that time. This is approximately one-third of the estimated county production of 60,000 bales.

Continued pretty weather was also a big help in the cotton harvest. Mornings have been chilly but have not slowed up the gathering to any extent.

Farmers Should Ask To Abandon Wheat Acreage

Wheat farmers in Floyd County who have suffered wireworm damage and are planting wheat on additional acreage should make application to the PMA office for permission to abandon the damaged acreage. Ray S. McEntire said this week. Unless this is done there is a possibility that the farmer may find himself out of compliance with the 1950 wheat program.

This is brought about by the fact that the wheat definition is different from what it has been in the past. All wheat seeded, whether harvested or not, is classified as wheat. Consequently, any acreage abandoned and then this acreage planted on another tract, will be added together and in most cases will force the farmer out of compliance. Hence, it is very important that application be made to the county committee at once, Mr. McEntire explained.

October Registrants Are Announced

Registrants under the Selective Service law during the month of October in Floyd County have been announced as follows:

Billy Sullivan Smith, Lockney.
Fred Allen Nixon, Floydada.
William Taylor Watson, Lockney.
Bradford Muir Beedy, South Plains.
Troy Leon Tucker, Lockney.
Robert Lee Damron, Lockney.
Delton Dwain Waggoner, Floydada.
Ossie Dee Whitley, Lockney.

Doyle Greer New Manager of Drug Store at Plainview

Doyle W. Greer was recently assigned as manager of Cretney Drug in Plainview. He is the son of Dr. and Mrs. N. E. Greer of Lockney and operated the Greer Drug Store here for several years. He has been employed at Houston the past three years.

BREAKS ARM TUESDAY

Donald Allison fell at school Tuesday while scuffling with other boys and broke his left arm just above the wrist. The arm was set at the local hospital and he was getting along fine Wednesday.

Bill Cargile, who has been working at Midland, Calif., returned to his home here Friday. He will work here for a time.

THE BEACON WILL BE ISSUED EARLY NEXT WEEK

The Beacon will be issued at least a day early next week due to Thanksgiving. Our advertisers and news contributors are urged to get their copy to us one day earlier than usual. The Beacon, along with a number of other business houses here will be closed for Thanksgiving.

Work Starts On Paving Main Street Shoulders

Work was begun last week end on excavating dirt from shoulders on South Main Street preparatory to putting down caliche and hard surfacing the street from curb to curb.

The project is being done by the State Highway Department who appropriated \$14,000 plus last summer for the work. The shoulders will be hard-surfaced from the brick paving in the business district south to the corner where Main Street runs into the highway loop.

The crew is at work this week taking the dirt out on the west side of the street. When this is finished, probably Saturday or Monday, the caliche will be laid and rolled. The caliche will be laid down 9 inches thick and finished off to a 6 inch base, according to Mayor Bud Brunner. The seal coat will be run on it but the asphalt top will not be run until next spring at which time the old surface on Main Street will be torn off and the entire street resurfaced.

Piller New Cashier At First National

S. M. Piller on Tuesday of this week assumed his duties as cashier of the First National Bank in Lockney, according to an announcement by M. W. Wiley, president.

Mr. Piller has been in the banking business for many years. He was connected with the Farmers and Merchants Bank at Abilene from 1923 until 1943. Since that time he has served as county auditor of Taylor County. He resigned that position to accept the position with the local bank.

Mr. Piller is a graduate of Brownwood High School, attended Daniel Baker College and graduated from Draughons Business College at Abilene.

County Council Will Meet Saturday

The Floyd County Home Demonstration Council will have its regular meeting at 2:30 on Saturday afternoon, November 19, in the County Court room in Floydada, according to an announcement by Mrs. C. L. King, Council chairman. Club presidents will give their annual reports. After Council adjourns a Christmas workshop will be held with each member exhibiting a Christmas gift, preferably hand made.

Attending State P-TA Meeting

Mrs. Hershel Carthel, Mrs. Lola I. Cox and Clyde C. Sloan are attending the state meeting of the Congress of Parents and Teachers at Waco this week. They are representing the Lockney Parent-Teachers Associations.

NEW BUTCHER

J. O. Davis, formerly of Plainview, is the new butcher at Burk Food Store here. Mr. Davis has had many years experience as a butcher. He expects to move here as soon as he can find living quarters.

Some Stores Plan To Close On Thanksgiving

Some Lockney stores plan close on Thanksgiving Day Thursday of next week, while others will remain open, a survey showed this week.

Remaining open will be the grocery stores, filling station, dry goods stores, machine shop, gins, and some others. Those merchants who stated that they would be closed on Thanksgiving are:

Campbell Variety
Billrey-Motley Motor Co.
Powers Pharmacy
Lockney Drug Co.
Brown Cleaners
Master Cleaners
Southwestern Public Service Co.
Truett Variety Store
Lockney Auto Co.

Annual Thanksgiving Services Wednesday

The annual Thanksgiving service of this community will be held at the Methodist Church Wednesday night, November 23 at 7:30. It was announced this week.

Rev. E. J. Cobb, local Baptist pastor, will preach the sermon. Special music will be presented by singers of the city under the direction of Mrs. Troy Ray.

Everyone is invited to attend the service. Rev. N. S. Daniel, Methodist pastor, said this week.

Baker Hardware Will Give Ironer Away

A Thor Automatic Gladiron will be given away free next Wednesday, November 23 at the Baker Hardware Co. here, it was announced this week by John Staleup, manager.

The occasion will be an all-day demonstration of the Thor Automatic Washer and the Automatic Gladiron by Miss Daurice McKittrick, home economist for the Schoellkopf Company of Dallas. Miss McKittrick will show interested persons the many labor-saving features of the Thor products and all ladies of this area are invited to come in for the demonstration at any time.

Each lady will be asked to register and the Thor Gladiron will be given to one of those registering.

Mr. and Mrs. Delbur Rose and sons visited relatives in Texarkana last week end.

Floyd County Boy Vins 4th Place In Electric Contest

Winners in the 1949 Texas 4-H Electric Contest have recently been announced by Floyd Lynch,

State 4-H Club leader. Troy Lee McNeill, 14-year old son of Mr. and Mrs. Bill McNeill of the Dougherty community, has been informed that he is 4th place District winner in the 1949 Texas Electric Contest. The contest is sponsored by some twelve Texas electric service companies. The county agents handled the programs in

the counties with the objective of finding better ways to do jobs on the farm and in the home through the rise of electricity. Troy Lee's home has been electrified since April, 1939, when service became available from the lines of the Floyd County Rural Electric Cooperative. Mr. McNeill has been a cooperator for this and other benefits to the community, which has made it possible for Troy Lee to learn much of the advantages and possibilities of electricity on the farm and in the home today. Troy Lee has been active in 4-H work since 1944. He has held numerous offices in his 4-H clubs, carried out many projects in crops and livestock, and has taken an active part in the Floyd County Livestock Show. His story that follows shows how he has put electricity to work in carrying out his 4-H club projects:

"In looking for better methods to properly care for my projects, and farm life more pleasant for all my family, I attempted to put electricity to work whenever possible. As a means of learning more about electricity I helped an electrician wire houses all last summer. I made lamps and fans as my hobby. I wired our barn and put a flood light on the windmill tower, which provided light for feeding and watering swine, my club calf and the cows. I wired and equipped the chicken house for night lights so the egg production would be better. I wired the brooder house, and installed large bulbs which provided heat for the baby chicks. On this electrical brooder I installed an automatic control which saved me much time.

I have encouraged my friends to work with electricity and have tried to teach them its value and safety when properly used.

The R. C. Andrews 7th and 8th grade 4-H club studied electricity very carefully and we attended a demonstration about electricity at the REA building

Alma Jean Porter a local 4-H Club girl and I were chosen winners in the County Contest, Better Methods Electric, and we were honored at Farm Electrification Field Day at Plainview, October 8, 1949. We were given a plane ride over Floyd County and our farm homes, and a tour of the TUCO power plant at Abemathy.

Through these efforts I have become vitally interested in electricity and I am looking forward to the day when every farm home will enjoy its benefits."

At the 4-H and FFA Hog Show held Saturday, November 5, 1949, Troy Lee was presented a beautiful framed certificate by Mr. George Caven, manager of the Southwestern Public Service of Floydada. This certificate was presented to Troy Lee in recognition of his 4th place District winning in the Texas 4-H Electric Contest.

At the close of the show Saturday, Troy Lee carried home, not only the framed certificate, but a Rosette for exhibiting the Grand Champion Board of the show.

Troy Lee is not new in the winning circle and his many friends know that he certainly has potentiality of future success in 4-H and other work that he wants to do.

Twenty-two year ago, omitting all federal debt service, all varieties of government service cost the family less than \$200 a year. Today also omitting all federal debt service they cost the average family about \$1300 a year.

It is estimated that the average American consumes annually a half pound of tea.

NEW REFRIGERATOR HAS DE LUXE FEATURES

The spacious interior of International Harvester Model H-84 is impressing housewives everywhere. Actual capacity is 8.4 cubic feet. Rigid, beveled-edge steel shelves, designed for maximum food storage, make bulky foods easy to handle. Two crisper pans for vegetables and fruits, can be shifted to suit housewife's convenience. Fifty pounds of frozen foods fit in the full-width freezer compartment. Added storage space is provided by the Pantry-Bin, which holds 26.1 quarts of unrefrigerated foods.

Here's why I take my JOHN DEERE Equipment to the man who knows it Best!

"There are three mighty important reasons why my John Deere Equipment goes to a John Deere Dealer for reconditioning. First, I benefit from the skill of his trained mechanics, schooled in servicing methods recommended by John Deere. Second, his shop is well-equipped with up-to-date precision equipment. His mechanics have the tools to do the work right. Third, he uses only genuine John Deere Parts, which are made to fit and wear like the originals they replace. Thus, it's a three-way assurance of work well done... economically done." It will pay you to consider the important servicing advantages we offer. See us soon for complete details.

| Passes intrecp. | 1 | 1 |
| Yards penalties | 73 | 30 |
| Fumbles recov. | 2 | 0 |

The Lockney Longhorns won what was probably their last game of the season last Friday afternoon when they whipped the Dragons of Paducah 19-7. The Longhorns trailed 7-6 until the fourth quarter when they broke loose on two touchdown drives to win the game.

It was the last game for five seniors from Lockney High and they covered themselves with glory by their inspired playing against the stubborn Paducah team. Delbert Shearer, tackle, Robert Huckaby, guard, De Juan Strickland, fullback, Charles Crouch and Jerry Paul Cooper, ends, were the seniors playing their last game. Shearer and Huckaby each played a whale of a game in the middle of the line while Strickland was easily the star of the backfield. Strickland's hard running will be sorely missed in the Longhorn backfield next year.

Of course other Longhorns played good football but the senior boys were outstanding. C. B. Smart, Ray Ferguson, and Mac Howard each performed well in the backfield while on the line Thompson, Jeffcoat, Rowell, Fortenberry, Woods, Williams and others were showing what they could do.

Strickland set up the two 4th quarter touchdowns by carrying the ball first to the Paducah two yard line and then later to the Paducah one. But to Ray Ferguson went the honor of making the longest scoring run of the day when he broke into the secondary early in the first quarter and ran 62 yards to pay dirt to give the Longhorns the lead for a time.

Green from Paducah scored from 43 yards out for the Dragon's only counter. He and Slover were outstanding for the Dragons.

Local fans complained considerably about the officiating with the Longhorns getting a total of

73 yards in penalties, some of the decisions being highly questionable. However a 15 yard penalty slapped on Paducah in the fourth quarter had much to do with a third touchdown made by the Longhorns. It gave them a first down when a first down was doubtful on the series and the local boys went on to score again. The penalty was for unnecessary roughness.

A summary of the game follows:

The Dragons received and returned to their own 25 yard line. They made nothing, the Longhorns were penalized 5 yards for having 12 men on the field, and were penalized 5 more for offside on the next play, giving the Dragons a first down on the 35. Then Green broke out between left end and tackle and ran to the Longhorns 21 for a first down. The Longhorns were penalized 5 on the first play, the Dragons lost 1. made nothing and then fumbled with an alert Longhorn covering the ball on the Lockney 22. Strickland broke through for a first down on the Lockney 33 on the first play, the Longhorns made 5 and then Ray Ferguson broke through the line, outran the Dragon secondary and scored standing up. Try for point failed and the score was 6-0 Lockney.

The Dragons received again and returned to the 37. They made a first on the Lockney 46 on the first play, made 2 and then 4 and then broke loose to the Longhorn 26 for another first. They lost 1 on the first play, made 1 and then Stanley Conner came in fast to throw the ball carrier for a 4 yard loss. A pass was incomplete and the Longhorns took over on their own 29. The Longhorns made a first on the 39 on the first play, another first on the Paducah 49 and then a first on the Paducah 39. However a pass was intercepted by a Paducah player and the Dragons took the ball on their own 41. They made 1, lost 3 and made 8 and then on fourth down kicked with the Longhorn safety bringing the ball back to the Lockney 31. The Longhorns made 7 and then a first on their own 47 yard line. They made 3, then 3 more, were penalized 15, made 8 and Smart kicked out on the Paducah 19. They made 1 and then the Longhorns were penalized to the Paducah 39 for clipping. Slover then broke loose and ran to the Longhorn 10 for a first down. The Dragons were penalized 5, attempted a pass, made 6, made 7 and then lost 1 with the Longhorns taking the

ball on their own 3 yard line. The Longhorns made 3, made another 3 and then were penalized to their own 1 yard line. An attempted end sweep lost 1/2 yard and then Smart, kicking against the wind, got off a good punt out of bounds on the Lockney 45.

The Dragons made 2 and then Green broke out into the secondary and raced 43 yards to the score. The point was kicked and the Dragons led, 7-6.

The Longhorn Band, under Director Joseph Grimard, performed at the halftime, forming a large P on the Paducah side of the field and a large L on the Lockney side. The Paducah band also performed and a short memorial service was held by the veterans organizations of Paducah.

The Dragons received the kickoff and returned to their own 36 yard line. They made 1, 4 and 4 and then on fourth down chose to try for a first making it on the Lockney 45. They made nothing and then Mac Howard picked up a fumble, giving the Longhorns the ball on their own 42 yard line. The locals made 3, 3 and attempted a pass, and then kicked to the Paducah 30. The Dragons made 3, and then a first on their own 43 yard line. They lost 1, made 4, and completed a pass to the Lockney 44. They attempted another pass which Smart knocked down but the official ruled that he had interfered with the receiver and gave the Dragons a first on the Lockney 32.

The decision was roundly booed by the Lockney fans and Coach Kelley protested but to no avail. If Smart even touched the pass received it could not be detected from the sidelines.

The Dragons made 2, 2 more and then threw a long pass which Mac Howard intercepted on the Lockney 8. The Longhorns made 6, then a first on the 23. They made 2 and 3 and then a first on the Paducah 40. They made a first on the 30, lost 4 on the next play, made 10, were penalized 5, and then a pass from Smart to Howard and lateral to Strickland was completed with Strickland going to the one yard line, dragging two tacklers the last four or five yards. Strickland made 1/2 yard and then drove over for the score. He also drove over for the point and the score stood Longhorns 13, Dragons 7.

After Smart kicked the ball into the end zone the Dragons took over on their own 20. They made 9 and then a first on the 30, lost 1 and then a first on the 40, lost 2, attempted two passes and on fourth down kicked to the Lockney 17.

Here the Longhorns started another touchdown jaunt. They made 3 and 5 and then a first on the 29, made 5 and 4 and a first on the 42, lost 5, made 8 and then Paducah was penalized 15 for unnecessary roughness to give the Longhorns a first on the Paducah 45. They made 3 and then Strickland, with excellent blocking, made a first on the Paducah 12. Strickland made 2, Smart drove for 6 and then made a first on the Paducah 2. Strickland plunged over for the score. The try for point failed and the score was 19-7.

The Dragons received and returned to the Lockney 49 yard line on the kickoff. They passed for 9 yards on the first play and

then lost 10 on another attempted pass as the game ended.

Mrs. Daniel To Review "The Robber"

The Robber" by Bertram Book will be reviewed by Mrs. N. Daniel on Monday, December 5, at 7:30 p. m. at the Lockney Methodist Church. The review will be sponsored by the Wesley Service Guild. "The Robber" is a Biblical novel written about Barabbas, Jesus, Joseph of Armathea, and others. It tells the story of why Jesus was crucified and Barabbas was released. A silver offering will be taken for the benefit of the guild.

Jane Karen Rhodes Is Party Honoree

Jane Karen Rhodes was named honoree at a birthday party given by her mother, Mrs. Loren Rhodes at their home in Sterley on November 8. The occasion marked the young honoree's fifth anniversary.

Guests met at the Fort Worth and Denver Railroad station and rode the train to Sterley where they played games and presented Jane Karen with a number of pretty gifts.

Birthday cake and ice cream were served. Plate favors were books.

Children present were Polly Sue Gilbert, Charlotte Ann Taylor, Sandra Smith, Karla Smith, Nancy Jo Schacht, Nancy Webster, Toni Sue Webster, Joe Holt, Larry Yarborough, Sandra Yarborough, Carolyn Belt, Diana Allison, Bill Dodson, Jeanette Dodson, Randy Baccus, Andrew Newman, and honoree, Janie Rhodes.

Mothers attending included Mmes. Polly Gilbert, Robert Lee Smith, Alvin Yarborough, Weldon Dodson, E. A. Newman, Wynona Allison and Joseph Holt.

La Venta Study Club Meets in Hastings Home

The La Venta Study Club met November 8 in the home of Mrs. Vestal Hastings. A very interesting program on "China Today" was presented by Mrs. Robert Smith, Mrs. Clyde Baxter, Mrs. Hubert Frizzell and Mrs. Raymond Teeple.

Others present included one visitor, Mrs. Grady Wimberly of Silvertown and the following members: Mmes. J. L. Griffin, Vestal Hastings, Herman Huffman, M. S. Johnson, Bill Johnston, Albert King, Clois King, Thurston Rankin, Strickland, Wesley Hay, and Misses Lillie Wingo and Janet Huffman.

The club will meet with Mrs. Herman Huffman on November 22.

Mrs. Tommie Duvall Honored at Shower

Mrs. Tommie Duvall was honored with a pink and blue shower given Wednesday, November 9 at the home of Mrs. Herman Stowe at Aiken.

The entertaining rooms were decorated with arrangements of pink and blue mums. The serving table was laid with lace cloth and centered with a punch bowl surrounded by seasonal flowers. Pink and blue cookies were served.

Hostesses for the occasion were Mmes. Donald Taylor, David Stowe, R. C. Rogers, Jr., Mrs. Clyde Lucas and Oran D. Smith.

Seventy-five guests registered or sent gifts.

Attend District WMU Meeting Tuesday

Mmes. Hilburn Casey, Harmon Handley, Sid Thomas, E. J. Cobb attended a district meeting of the Women's Missionary Union of the Baptist Church at Levelland Tuesday of this week.

Approximately 400 ladies were in attendance. The program was made up largely of speeches by returned missionaries from China.

Junior R. A. Meeting Held Tuesday

The Junior R. A. of the First Baptist Church met in the home of Mrs. Clay Muncy, Tuesday, November 15 for their missionary program. Mrs. Guy Sams taught from the book "My Daddy Told Me." It was enjoyed very much by every one present. She also showed several articles which came from Japan, including a book, a Japanese flag, and chopsticks. Those present were Jaudon Cobb, Don Vernon, Layne Poteet, Wayne Poteet, Jackie Dale Cooper, Jerry Newton, Donice Casey, Jerry Griffith, Jo Wiley, Bobby Mills, John Perry Truett, Mrs. Guy Sams and the counselors, Mrs. Clay Muncy and Mrs. Bert Vernon.

Next meeting will be Tuesday, November 22 when Mrs. Sams will finish teaching "My Daddy Told Me." All boys nine to thirteen years of age are invited to be present.

MUSIC RECITAL

Piano and accordion pupils of Mrs. C. L. Record in Silvertown presented a musical program at the Silvertown High School auditorium last week.

The program consisted of accordion solos, piano solos, ensemble numbers, and rhythm band numbers.

Class Has Social Wednesday Night

The Builders Sunday School class of the Lockney Methodist Church met in the Edwin Johnson home for a social on Wednesday night, November 16. Guests at the affair were members of the class taught by Mrs. Clyde Farris, and Mr. and Mrs. Joe Grimard.

Games of forty-two and dominoes were enjoyed by all. Refreshments of popcorn balls and apples were served to the following:

Jake Griffith, Messrs. and Mmes. Troy Ray, Oliver Holmes, Paul Cooper, M. W. Wiley, Joe Grimard, Clark Harris, Ben Wood, F. L. Brown, G. M. Brunner, Ike Johnson, Mrs. W. L. Thomas, Mr. and Mrs. Raymond Rucker and Mr. and Mrs. Edwin Johnson.

"Japan's New Day" Heard at W. M. U.

Mrs. Guy Sams reviewed the several chapters of a mission study book "Japan's New Day" at the meeting of the Spence circle Monday afternoon at the Baptist parsonage.

Eight members were present. Gifts were brought to be sent to the Raymond Spence family, missionaries to Japan.

ATTEND GRAND SESSION ORDER EASTERN STAR

Mrs. T. B. Mitchell, Worthy Matron and Mrs. Henry Ford attended the Queen Esther Sessions 67th Annual Session, Grand Chapter of Texas, Order of Eastern Star held at Fair Park Auditorium in Dallas November 6 through November 10. They returned home Friday afternoon.

IRRIGATED LAND FOR RENT
 —If you need to rent a farm come to Pecos and investigate 1949 crop production. I have several thousand acres of irrigatable row lands in Reeve County, Texas. Costs for clearing, fencing, irrigation well and house is approximately forty dollars per acre. Tenant to improve and retain all rents until costs with interest is repaid. Preference option to purchase. I believe top farmers can produce twice as many pounds per acre, and get twice the loan value per pound, and harvest for one-half of the price of the cotton grown on the plains area. Loan value now 45 to 50 cents per pound and is being picked for \$2.00 per hundred. Row crop feeds, alfalfa and permanent pastures appear to produce equally with the Plains area. Desire to share 1-3 of livestock. Also the long staple Pima cotton can be grown with loan value over 60c per pound, can be produced and no limit to acreage to be planted. Two gins are to be built for 1950 for the Pima cotton by the Western Cotton Oil Co. as per statement of their manager at Pecos, Texas. Investigate the herein statements and if interested see O. C. Bailey at Lockney or Artie Baker, Pecos, Texas. 9-4tc

CITATION BY PUBLICATION OF FINAL ACCOUNT
 THE STATE OF TEXAS,
 To the Sheriff or any Constable of Floyd County Greeting:
 Frances O'Hearn, Administratrix of the Estate of John T. O'Hearn, deceased having filed in our County Court her Final Account of the condition of the Estate of said John T. Aiken News
 By Mrs. M. B. Salmon

Mrs. Floyd Compton spent Monday with Mr. and Mrs. W. W. Buckner.
 The Aiken community welcomes Mr. and Mrs. Bill Snider and Glynn Hubbard.
 Mr. and Mrs. Delber Rose and sons left Wednesday for a trip to Arkansas.

Mrs. Tommie Duval was honored with a pink and blue shower Wednesday afternoon in the home of Mrs. Herman Stowe. There were a good number of guests who registered and sent gifts: Mmes. David Stowe, Deryl Cole, R. C. Rodgers, Clyde Lucas, Oran Smith, Donald Taylor and Herman Stowe were hostesses.

Mrs. Johnnie Lee visited Mrs. Jim Grisham Thursday morning.
 Mrs. L. L. Scott visited Mrs. Wiley Moore Tuesday afternoon.
 Mrs. H. E. Seago is on the sick list but is much improved at present.

Mrs. Mattie Dorman's daughter from Oklahoma is visiting her.
 Mr. and Mrs. Vernon Campbell and Carolyn, Mrs. Robert Kellison and Mr. and Mrs. Fred Duval attended the football game at Paducah Friday afternoon.

Mrs. Lois Williams visited Mrs. H. E. Seago Friday afternoon.
 Mrs. Ethelyn Amidawn and daughter of Key West, Fla. were guests of Mr. and Mrs. Bill Wesley and family Friday night.

Little Jimmie and Janis Keys spent Friday and Saturday with their grandparents, Mr. and Mrs. Wiley Moore.
 Mr. and Mrs. Fred Duval spent the week end with friends and relatives in Oklahoma.

Misses Virginia Compton of Lubbock and Leota of Plainview spent the week end with their parents.
 Friends from Crosbyton visited in the home of Mr. and Mrs. Johnnie Lee Sunday evening.
 Mr. and Mrs. M. B. Salmon were dinner guests Sunday of Mr. and Mrs. C. S. Rhodes in Plainview.
 Peggy Williams spent Sunday with Nita Wesley.

Fatigue seems to be a contributing cause of farm accidents. Records show a definite increase in farm accidents at the time of day when farm people are becoming tired.

The juice from pickled fruits, such as crabapples, peaches and pears can be used to baste smoked ham.
 Abraham Lincoln was the Great Emancipator.

FHA Authorized To Make Farm Building Loans

The Housing Act of 1949 authorizes the Farmers Home Administration to provide loans for construction and repair of farm dwellings and other farm buildings. Loans for a period from 5 years up to 33 years at 4 per cent interest will be made to farm owners who are otherwise unable to finance needed housing and other building improvements for themselves and their tenants. A loan may be made to construct, improve, alter, repair or replace a dwelling or other buildings essential to the operation of the farm.

To be eligible for a housing loan, you must be a farm owner, be unable to get a loan elsewhere and lack the necessary capital to make the needed improvements. You must also be able to repay the loan from farm and other income. Tenants or farm laborers are not eligible but owners may borrow money to build or repair houses and other buildings for his tenants. A borrower has from 5 to 33 years to repay his housing loan but may repay his loan in a shorter time. The borrower will be expected to refinance his indebtedness through cooperative or private sources whenever he is able to do so. The loan is secured by a mortgage on the farm, subject to any existing prior liens, and such additional security as may be necessary to reasonably protect the Government's investment.

For this program a farm is considered a parcel or parcels of land operated as a single unit for the production of one or more agricultural commodities for sale or home use which have an annual gross value equal to at least \$400 based on 1944 commodity prices.

Preference is, of course, given to veterans of all wars and immediate families of deceased service men.

If your present income is not enough to repay a housing loan, you may still be able to get a loan if you can work out and follow the program which, within five years, will enable you to improve your method of farming and increase your income to a point where it will repay a housing loan. Therefore, if you have agreed to and are following a program designed to increase your farm income, and if you lack the money needed to meet your payments during any of the first 5 years, the Government may help you by writing off up to half of the principal and all interest due in that year.

There are standards for the farm houses and other buildings built or repaired with these loans. It is expected that any building built or repaired will have, when completed, a sound foundation, strong walls, tight roof and will meet similar minimum construction standards. There will be no exceptions for the construction work done with regular housing loans, however, in emergency cases when loans and grants are made for minor repairs to protect the health and safety of the farm family, the construction work need only conform to minimum standards to the extent necessary to make the

building safe and sanitary. The largest loan for minor repairs will be \$1,000, the largest grant \$300. No more than \$1000 total may be obtained in combined loans and grants for minor repairs. Grants may be made only to repair owner-occupied buildings.

In some cases loans will be made for land purchase or development under the Housing Act of 1949. When the purchase of additional land or when improvements such as clearing, draining, fencing, and terracing will increase the family income enough to repay the housing loan, funds may be used for land purchase or development.

County Committees of local farmers will recommend as to the eligibility of the applicants, the reasonable value of the farm, the type of assistance for which the applicant is qualified, amount of the loan or grant needed and the number of years over which the loan should be repaid. Where necessary, County Committees will inspect the farm and personally interview the applicant before making its recommendations.

The farmer who needs housing assistance may make formal application on a blank supplied that purpose at the office of Farmers Home Administration located at the court house, Floydada, Texas, which serves Floyd County.

Twenty years ago about a person in every 40 of the population was receiving money from the government. Today one person in every seven receives money from the federal treasury.

EDITORIAL

For ye know the grace of our Lord Jesus Christ, that, though was rich, yet for your sakes became poor, that ye through poverty might be rich.—Second Corinthians 8:9.

Wouldn't it be some improvement over the present system if in Lockney would adopt a Community Chest plan of giving those worthy things to which contribute each year. As we understand it, the Community Chest allots a certain amount of money to each need, the money all donated in one drive and in the city is through with donations for a year. Such things as the Red Cross, the Salvation Army, the Boy Scouts, etc., come through this chest.

It is time now for Lockney to make their annual donation to the Boy Scouts. It is a worthy

cause and we hope that everyone will make a donation to the cause. Many people support the Scouts as a maintaining member, giving a dollar a month through their bank. Such a plan is convenient and effective. When someone approaches you about giving to the Boy Scout movement, do so cheerfully. This movement has made good citizens out of more boys than almost any other non-religious thing you could mention.

But getting back to the Community Chest, we would like to see such a movement instituted in Lockney. It is a sensible, business-like way to handle donations to worthy causes. Let's do it.

Not entirely for an unselfish reason, there will be quite a number of Lockney fans in the Whirlwinds stadium tonight hoping that the Floydada boys can whip Spur. If the Whirlwinds pull the trick out of the bag then Lockney, Spur, Floydada and possibly Crosbyton will all be tied for the district lead. However, this writer doesn't believe that the Whirlwinds have what it takes to beat Spur as much as he would like to see it done. If the tie should materialize the four teams would draw to see who would represent the district in bi-district competition.

At any rate the Lockney Longhorns under Coaches Curtis Kelley and Metz LaFlette have had a good season. They scored more points against opponents than any other team in the district and have allowed fewer points to be scored against them. Losing eight starters off of last year's team is enough to hurt a team badly if not entirely wreck it, but the Longhorns did that and then came back to win at least second place in the district and also win every non-district game they played, and they played two rough ones. Shamrock and Sudan are both good, with Sudan recently tying Littlefield. We say congratulations to the Longhorns and their coaches. They have done a swell job and we betcha they do even better next year.

P. S. It is our prediction that many local fans are going to be surprised how well the Long-

horns do in the coming basketball season.

Senator Thomas of Oklahoma, says the American people are bored by taxes. An exchange lists this as the understatement of the year.

No romance in this country has attracted the nation wide attention as has the romance between Mrs. Carlton Hadley of St. Louis and Vice President Barkley. From the beginning the consensus of desire was that the Veep win the lady of his choice and they wouldn't have been satisfied to have it come out any other way. The Vice President is an interesting and always entertaining companion and Mrs. Hadley is a charming and gracious lady. Their courtship was a matter of public interest from its beginning and everyone is satisfied that it turned out as it did, and that they both may live happily ever after.

The death of Edward R. Stettinius removes from the scene of earthly activity a useful and capable man. Born the son of a rich man, Stettinius never let his inherited wealth subdue his energy or his desire to be at something useful and to do his full share of public service. When the war came President Roosevelt called upon Stettinius because he knew of his ability and wished to use him where he could accomplish the most for the country. Stettinius held several high administrative offices, climaxed with that of chief administrator of lend lease, where he did an excellent job. When he left public office he was not yet ready to retire. He returned to his alma mater, the University of Virginia, as rector. Ill health forced his retirement last spring.

We see some future for Princess Margaret Rose of England. Her refusal to be bound by musty traditions and customs is refreshing. The English people do not like some of the things she is doing as a result of her independent spirit, but should welcome an addition to the ruling class who has the courage to think independently and be a human being.

Go to Church Sunday.

LAND OF DIVERSIFICATION

Diversified farming, long sought goal of agricultural economists, is possibly the outstanding accomplishment of Deaf Smith County, and the situation is becoming more favorable each year.

At this particular season row crop harvest is in progress over the entire territory. Almost as important as having an exceptional row crop is the fact that it got underway shortly after lettuce harvest passed a peak, and blending in nicely with the two crops will be the sugar beet harvest, chiefly during November. Meanwhile, wheat prospects appear bright due to high moisture content of soil, thus rounding out a winter cattle grazing program which has meant untold income for farmers and ranchers over the entire area. Cotton, a reasonably new commodity in this community, was also at peak harvest this week. Looking back over the months, it is easy to recall how production of other crops is synchronized to reduce labor problems and to encourage efficient production of all crops included in the diversified farming program.

FARMERS' FRIENDS . . .

We saw something Saturday night that was probably the first such event to be sponsored by Anglo-Americans in the entire South Plains area. It was the Mexican Fiesta at Tahoka under the sponsorship of the Tahoka Chamber of Commerce.

Organized in 1903, eighteen years before Hockley County, Lynn County is one of the older counties created from Bexar territory. It has not had the fortune to be located in the center of an oil strike, but it has been a sturdy fighting and progressive county. Texas Flying Farmers were first organized in Lynn County under the name of the Lynn County Flying Farmers.

Under the leadership of the Tahoka Chamber of Commerce, Lynn County has again taken a new step. Hubert Tankersley, manager of the Tahoka chamber, planned the gala affair. It was an all afternoon and evening show. The Republic of Mexico sent consul to make a speech; All speeches were in Spanish. Three contests were held. One prized for the best Mexican dancers, one for the best entertainer and a third for the most beautiful Senorita. Dancing was held on the square under the direction of a special band.

Let us say that things appeared to be going along in a smooth way while we were there. It all came about, we understand, through the good neighbor policy. The Mexicans are aiding the farmer harvest a crop, they and the farmers give the merchants their trade and the city reciprocated by giving the Mexican fiesta for the benefit of the visitors.

The Tahoka Chamber of Commerce and the merchants of Tahoka rate a commendation for this work. They are doing a good job of keeping interested those whom the farmers of Lynn County need to harvest their cotton. Other cities and chambers could gain by taking cognizance of this good cooperation. — Hockley County Herald.

WHY RUN OFF?

There is no use in jumping in your car and taking off for some other town this fall to buy supplies. Petersburg merchants are stocked to the gills with all wanted merchandise. Every dollar you spend in Petersburg helps build and develop this community. As the town and community builds and develops our town property and farm

BUSINESS MANAGER—J. H. Felton

What a wonderful bargain!

For five days Mrs. J. E. Brasac kept an accurate record of all the telephone calls she made and received—and here's just a sample of the shopping she did and the steps she saved. Altogether, she carried on 44 telephone conversations, figures they cost her less than 2¢ each and covered a total of 183 miles.

"I don't know where you'd get a bigger 2¢ worth," she comments. "My telephone keeps me in touch with my family and friends, helps me run my household, and it's always there to call for help in an emergency. Thanks for a wonderful bargain!"

Thank you, Mrs. Brasac, for your kind words. We are working constantly on technical improvements so you can hear better, get your calls through quicker, enjoy more trouble-free service. And every year we're adding new telephones so that you can call more people, more people can call you. Our aim is to give you the best possible bargain today . . . and to keep it growing in value every year. Southwestern Bell Telephone Company.

What else gives so much for so little?

Tuesday— Ordered a baby gift, to be gift wrapped and delivered. Saved 10 miles.

Wednesday— Mrs. M. can make my new slip covers. Only 2 blocks, but lucky I phoned before she started another job.

Thursday— Felicia, my daughter, asked advice on new refrigerator. 12 miles to her office.

Friday— Felicia called. Some good buys advertised in morning paper.

Saturday— Evening paper wasn't delivered. Complained to circulation department. 3 miles to their office.

6183 YEARS of Public Service

SOUTHWESTERN PUBLIC SERVICE COMPANY
25 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

6183 years of electric service "know-how"
6183 years spent at bringing you the best in electric service, community leadership, and citizenship.

That's the record of 453 men and women members of the 1700-strong Public Service Company families, who will be the guests of honor this week at service award dinners to be held throughout our service area.

The "old-timer" of this group has devoted years to public service, while the "youngsters" be honored have served you for at least five years.

As a company, we are proud of our record— 25 years of good citizenship and public service. An employer, prouder still of the 453 men and women who, as a group, have spent 6183 years making that record possible.

 "IT IS OUR PRIVILEGE TO SERVE GOD"
 "What know you not that your body is the temple of the Holy Ghost which is in you, which ye have of God and ye are not your own? For ye are bought with a price. Therefore glorify God in your body, and in your spirit which are God's." (Corinthians 6:19-20.)
 This scripture, as well as many others, help us to realize that God wants us to glorify Him. We know we should and we want to glorify Him in our body and in our spirit, but we do not feel that we have time. The day is all too short to accomplish what seems to be necessary for our physical and mental well being. They clamor for all of our at-

tion.
 Because God wants us to be willing and obedient to Him He does not force us to serve Him. But He gives us His word and longs for us to heed His still small voice. It is a wonderful privilege to be able to serve the God of the universe. To glorify Him and even though we have many tasks to do it is possible to glorify Him in the body and in the spirit for I Corinthians 10:31 tell us "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God."
 By Mrs. Bennie M. Rose.
 Right after Missouri was admitted to the Union, friends gave Captain William Driver, a merchant ship skipper, a flag for his brig, with a twenty-fourth star added for the new state. As he set sail, he hoisted the flag, and inspired by its beauty, named it "Old Glory." Thus the first, and actually only, "Old Glory" is now in a museum in Salem, Mass.
 Potatoes can be stored in crates or baskets; beets and carrots in boxes of damp sand. All should be stored under moist conditions at temperatures ranging from 32 to 40 degrees.

Rural Telephone Bill Passed Congress
 Five years after it was first proposed, a rural telephone bill, passed in the last hours of the first session of the 80th Congress, was signed by President Truman on October 28.
 Authored by Sen. Lister Hill (Ala.) and Rep. W. R. Poage (Tex.) the bill permits the Rural Electrification Administration to make loans, similar to those now being made for rural electric lines, for construction of rural telephone facilities.
 Congress has authorized \$25,000,000 for loans during the present fiscal year, which ends June 30. Written into the law is a provision that during the first year no loans to new companies can be considered until all applications from existing companies already serving in the same area receive final action.
 Judging by testimony from small independent companies and mutuals, when Congress was gathering testimony on the rural telephone situation, the need of the small existing companies for loans is so great that there seems slight chance that any new companies will be able to secure loans during the coming

months, unless the existing companies are slow in making applications.
 Although loans are being made by the Rural Electrification Administration and rural electric cooperatives vigorously supported the bill, since telephone service makes the maintenance of electric service easier, at this time it does not seem likely that the rural electric system themselves will build rural lines.
 It is possible, however, that in some sparsely populated rural areas where economy is of the utmost importance that some organizational arrangement whereby use of the same poles for electric and telephone service can be made. Such joint-use arrangements have been made in the past between rural electric systems and telephone companies.
 Congressman supporting bill also pointed out that such assistance in furthering rural telephone improvement is a necessity, since rural service has actually degenerated instead of progressed during the past few decades.
 Christopher Columbus was born in Genoa, Italy.

950
FORD

IT'S HERE FRIDAY AND 50 WAYS NEW!

WITH THE EXCLUSIVE NEW 100 H.P. FORD

ITS QUIET WHISPERS QUALITY
 It's the quiet of new super-fitted pistons, new "hushed" timing gear, new fan designed for better cooling at slower quieter speeds. And what power! There's a full 100 horsepower wrapped up in this V-8 design that makes you master of any road. It delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

NEW "HUSHED" RIDE
 Ford's famous "Mid Ship" Ride is now so quiet you can talk in whispers while traveling at highway speeds. So smooth (with its great team of "Hydra-Coil" and "Para-Flex" Springs) that it virtually erases every bump.

NEW QUALITY FEATURES
 New quality is easy to find in this 50-way-new Ford. You find it in the new push-button door handles, in the new rotary door latch that needs only a feather touch to open, yet closes so securely. You find it in new sparkling upholstery colors.

NEW DRIVING COMFORT
 Not only does the 1938 Ford offer you more hip and shoulder room than any other car in its field—it offers you the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. Arrive relaxed after hours of riding.

But see it for yourself. Drive it so you can feel and hear the difference. And price it and see how much less it costs than any other really fine car.

are Urged In Christmas Mailing

Postmaster H. B. Machen this week urged that patrons of the office use care in wrapping and mailing their Christmas packages. Failure to do so would bring disappointment to some on the package fails to arrive arrives in a damaged condition. Especially should care be taken to address the packages legibly and plainly. They should be wrapped well and tied securely with good heavy twine. If they must have a fourth class inscription on the outside, packages are limited to a maximum of 100 inches in length and must not weigh more than 70 pounds. Perishable matter that is likely to spoil within the time of transportation is not mailable. Parcels overseas which are to be shipped as "U. S. A. Gift

Parcels" at a reduced postal rate, they must comply with strict rules regarding contents, etc., some of which differ for each overseas country. Postal employees can explain these. Boxes Tamped With Complaints have been coming to the office that children sometimes come in and tamper with boxes in the postoffice, especially after office hours, Mr. Machen said. He has also had complaints of rural mail boxes being knocked over and damaged. He pointed out that either of these acts was a federal offense and would subject the person committing it to federal prosecution. Parents should see that their children did not tamper with either, he said.

Regular and Reserve Navy enlisted men are eligible to compete for appointments as cadets in the U. S. Coast Guard Academy.

Providence News

By Mrs. Walter Sammann Mr. and Mrs. Wilfred Stoerner, Mr. and Mrs. J. B. Ross Jr. motored to Tulsa, Okla. on Thursday of last week to attend the 3 day reunion of the 90th Infantry Division, which was held on Friday, Saturday and Sunday. Mr. Stoerner and Mr. Ross both saw active service overseas with the famed 90th Division. They also visited with Mr. and Mrs. R. A. Gilbreath and sons at Oklahoma City.

Maebeth and Pat McLaughlin visited with Delores, Carolyn and Valera Sammann on Monday. The Providence Home Demonstration Club will meet Tuesday Nov. 22 at 2 p. m. in the home of Mrs. Sam Jones. Let's all be present, as we will need to have discussions on Christmas parties.

The Providence P-TA enjoyed a 42 party in the club room on Thursday evening, Nov. 10 at 7:30.

Refreshments of pie and coffee were enjoyed by Messrs. and Mrs. Luther Rhine, Walter Sammann, Harold McLaughlin, W. E. Johnson, Bill Buth, Norman Smith, L. B. Brandes, Robert Buhrkuhl and Rev. and Mrs. H. L. Andrews. High score went to Mrs. W. E. Johnson.

Mr. and Mrs. Bill Bennett visited with Mr. and Mrs. Harold McLaughlin on Monday evening. Foncine Boedecker spent Sunday with Delores Sammann. Mr. and Mrs. Ted Boedecker and children and Mrs. Ben Brandes visited with Mr. and Mrs. M. C. Scheele on Sunday evening.

Mr. and Mrs. Walter Boedecker entertained guests from Waco and Plainview on Sunday. Mr. and Mrs. Walter Sammann and Valera went to Lubbock on Monday.

Mr. and Mrs. Dave Mathis, Warren and Janice visited Mr. and Mrs. Leo Mathis in Kress on Sunday.

Carolyn Jo Sammann spent Monday as an over-night guest of Janice Mathis. Mrs. W. M. Schuette, Mrs. H. G. Schuette and daughter of Slaton, George Hagens of La Grange and E. Hagens of Yoakum were dinner guests of Mr. and Mrs. Walter Sammann on Tuesday.

Mr. and Mrs. W. E. Johnson and Ronnie visited with Mr. and Mrs. M. C. Scheele and girls on Monday.

Mrs. Walter Sammann visited with Mrs. M. C. Scheele on Tuesday evening.

Mr. and Mrs. Maynard Virden and girls of Pampa spent Sunday with Mr. and Mrs. Harold McLaughlin and family. Mr. and Mrs. W. M. Schuette of Slaton, Mr. and Mrs. Karl Sammann of Plainview, Mr. and Mrs. E. M. Sammann and Vera Mae of Hale Center, and Mr. and Mrs. W. E. Johnson and Ronnie were dinner guests of Mr. and Mrs. Walter Sammann and family on Monday.

Hospital News

Mrs. Gloria Singletary and baby daughter were dismissed Saturday.

Leland Bibrey was admitted Monday and dismissed Tuesday after medical treatment.

Add a few drops of lemon juice to rice the next time you cook it. It will keep the grains whole and make it beautifully white.

Methodist Notes

Thanksgiving season is here again. What a good time of the year it is. What do we think of Thanksgiving Day? Is it turkey and dressing; is it a football game or is it the day we have off and can go see Aunt Sarah? Do we think of God and are sincerely thankful for His goodness to us? That is what Thanksgiving Day should be, a day of sincere thanks to our Heavenly Father. That is the reason the first Thanksgiving was celebrated. Our forefathers were showing how grateful they were for God's goodness to them. The food they ate that day was a thanks offering to show their appreciation for what they had in the new land, where they had come to find religious freedom.

How thankful we American people should be in this land of plenty, for we are the best fed, the best clothed, the best housed people in all the world. We can say that about our people and yet one half of the world's population is hungry and cold. Should we not be indeed thankful and willing to share?

Thoughts For the Week "If we live selfish, self-centered lives, what right have we to ask for or to expect God's blessings in life, His mercy in death, or His companionship in the life beyond?"

"Every time I thank God for His love it becomes greater, and so do I."

FLOWERS FOR THANKSGIVING!

If there is someone you especially want to remember at Thanksgiving time, why not say it with flowers.

You won't find a more appropriate gift nor a more appropriate place to purchase the gift than . . .
