# THE LOCKNEY BEACON

SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY

VOLUME 49

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, SEPTEMBER 29, 1950

NUMBER 4

## Longhorns Host To Abernathy Friday Night

The Lockney Longhorns will be seeking their second district win when they play host to the Abernathy Antelopes here on Friday night of this week. The game will be called at 8 p. m.

The Antelopes had an open date last week and are known to be preparing for the game with the Longhorns which will be their first district game. They defeated the locals 18-7 last year at Abernathy and if they can duplicate that feat this year they will be in top running for the district crown. They have defeated Morton 7 to 6 and lost to Slaton 24-12 in their two games this season.

The Longhorns are fresh from a win in their first district game last week when they ran over Crosbyton 53-14. Coach Curtis Kelly is reported to be fairly well pleased with the new T formation he inaugurated last Friday night. He and Assistant Coach Elvin Lyons have been polishing up plays this week in an effort to make the Longhorns a smoother functioning team.

Coach Kelly said that he would probably start about the same line-up he started last week. Some of the boys are bruised up but all will be able to start, he thought.

The game will be a grudge game from both sides, it appeared this week. Abernathy fans are still out of humor because their team was disqualified for using an ineligible player last year and blame Lockney and Floydada with the disqualification. On the other hand, a number of Longhorns were on the team which was defeated last year by the Antelopes and they are determined that it won't happen again. A large crowd is expected to be present for the game.

## Charles Huffman Wins In Wheat Contest At Fair

Charles Huffman, one of the outstanding 4-H Club boys of Floyd County, won second place in the 4-H Club Wheat Improvement Class for Texas at the Tri-State Fair in Amarillo. Charles won a \$25.00 cash prize and an all expense trip to a major terminal wheat market possibly Ft. Worth. These prizes were furnished by the Texas-Oklahoma Wheat Improvement Association.

Charles is the son of Mr. and Mrs. C. H. Huffman and lives in the Prairie Chapel community approximately eight miles north west of Lockney. In 1948 Charles purchased one and one-half bushels of registered Wichita wheat seed from the Chillicothe Experiment Station which he planted on three acres. A total of 39 bushels of certified wheat was harvested in 1949. He planted 10 acres to the certified wheat for the 1950 crop and entered the wheat improvement contest last October. The green bugs destroyed all but two acres of this wheat last spring. However he continued in the contest and harvested approximately 31 bushels of wheat from these two acres. After balancing his books for the 1950 crop he made an estimated profit of \$17.50. He is keeping his certified seed to plant for the 1951 crop.

County Agent, Bob Gibson said that Charles was a very good 4-H Club boy and worked hard on the demonstration for which he won these awards.

### NEW ARRIVAL

Dr. and Mrs. Charles A. Baker of Bethesda, Maryland, are the parents of a son born on Sept. 23. The young fellow was named Charles Artemas II and weighed seven pounds, 11 ounces at birth. Paternal grandparents are Mr. and Mrs. Robin Baker of Plainview. The maternal grandparents live in Kansas.

## Bargain Rates On Star Telegram

The Beacon is now authorized to offer The Fort Worth Star Telegram at the fall bargain rates of \$13.95 for daily and Sunday one year. The Star Telegram is offering this rate for 60 days only, they say, and it is available to new as well as old subscribers.

Daily only one year is \$12.60. You can save money on your daily paper by renewing it now at The Beacon office.

## DEATH CLAIMS J. C. WILSON

Death claimed James C. Wilson in the St. Mary's Hospital, Lubbock, early Saturday morning of last week. Mr. Wilson had been ill about five weeks and had undergone an operation recently. He had been very seriously ill since the operation.

Funeral services were held at the First Baptist Church here Sunday afternoon at 3:00 o'clock conducted by Rev. E. J. Cobb, the pastor. Rev. A. L. Shaw of Happy and Rev. C. J. McCarty of Lubbock, interment was in the Lockney Cemetery with Carter Funeral Home in charge. An unusually large crowd was present for the services, an indication of the many friends Mr. Wilson had.

Mr. Wilson had lived on his farm four miles east of Lockney since coming to this area in 1920. He was born at Blum, Texas on January 18, 1885. On April 3, 1904 he was married to Miss Callie Bower.

Mr. Wilson was converted and joined a Baptist Church when he was 14 years of age. He was a member of the Lockney Baptist Church at the time of his death.

Survivors include the widow, two sons, Alvin of near Lockney and O. V. of Kress; three grandchildren, one brother, W. L. Wilson of Sweetwater; three sisters, Mrs. Ella Casey of Lockney, Mrs. N. L. Dasher of Waco, Mrs. W. T. Davis Sr. of Wichita Falls. Another sister, Mrs. Guy Smith of Wichita Falls, passed away Tuesday night of this week, just four days after her brother's death. Another son, Gaylon Wilson, passed away several years ago.

## Fire Destroys Gas Pump Monday Night

Fire probably starting from a short in an electrical wire or possibly from lightning destroyed a gasoline pump at the V. L. Webster service station here Monday night. The fire was first discovered during the rain and electrical storm which hit the city about 9 p. m.

The Lockney Volunteer Fire Department reached the scene quickly and just as quickly snuffed out the fire with a chemical especially prepared for gas fires. The pump was destroyed and the fire was threatening the awning overhead when brought under control.

## Modern Radio To Move This Week End

Modern Radio Service will move to the Cooper Garage building in the 600 block on South Main Street this week end and be ready to serve customers again by Tuesday morning of next week. It was announced by Marvin Cox, proprietor.

Mr. Cox deals in radios, radio repair, radio parts, tubes and accessories. He has been in business here for almost five years. He invites his customers to visit him at his new location beginning Tuesday morning.

Mr. and Mrs. Bob Williams from Clarendon and Mrs. Calvin Merchant and Richard from Hereford spent several days this week in the home of Mr. and Mrs. L. T. Busby and family.

Mr. and Mrs. Russell Spence of Plainview visited Mr. and Mrs. R. T. Spence and family Tuesday.

## Local People See Tornado Playing Around Monday

Quite a number of local people watched as a small tornado played around west of town Monday about 1 p. m. finally seeing it disappear into the clouds northwest of the city.

The twister did no damage other than blow down some feed but succeeded in scaring a number of people and kept the local citizenry jumpy for the remainder of the day. It apparently formed near the Lois Williams place southwest of Aiken. It hit the Williams house, reports here said, but did no damage and continued on its way in a north-easterly direction. Dipping and rising it crossed highway 70 between the Wilkes Alfalfa Mill and Aiken and traveled on to the Berry Hooten farm northwest of town. Mr. and Mrs. Carl Chandler, who live on the Hooten farm, watched the twister as it approached their home and then saw it swerve away to miss the house by probably 150 yards. Contrary to reports, no buildings were destroyed on the Hooten farm, the only damage being to feed.

The twister traveled on and hit the shelterbelt of trees on the A. P. Shugart farm five miles northwest of the city. Here it seemed to disintegrate and disappeared into the clouds. Nothing further has been reported from it. It was cutting a path about 40 feet wide, observers say, and did considerable damage to feed and other crops.

Another twister struck the county the same day and at about the same time about a mile and a half southeast of Floydada. This one pulled some water out of a lake but did no other damage. It was also traveling in a northeasterly direction. It was seen near the Lon Blasingame home in that area.

The local twister was watched by students at Lockney High School as well as a large number of local people who climbed on top of buildings. The fire siren was sounded to warn local people of the storm.

Radio reports from the weather bureau continued to warn local people to watch for tornadoes and another was predicted for 3 p. m. but failed to materialize. However local people continued their vigil and when the fire siren sounded again about 9 p. m. Monday night, the first thought of most was that another twister was approaching. However, the siren was for a fire at the Webster Service Station which was (Continued on back page)

## Donald Wiley Dies In Auto Accident

Donald Wiley, 22 years of age, was killed in an auto accident near San Angelo Friday of last week. He was a brother to Richard Wiley, who is employed at Jackson Tire Co. here. The family formerly lived in the South Plains community.

The deceased man was employed at San Angelo. He was alone in his car when it went out of control on a slippery pavement, it was reported here.

Funeral services were held at Floydada at 2 p. m. Sunday at the First Baptist Church. Interment was in the Floydada Cemetery.

Survivors include his parents of Floydada, the brother here, and a half brother, James Bailey of Plainview.

## Mrs. Smith Dies At Wichita Falls

Mrs. Guy Smith of Wichita Falls, a sister to Mrs. Ella Casey and the late J. C. Wilson of Lockney, passed away at Wichita Falls late Tuesday night after an extended illness. The Wilson families were called to Wichita Tuesday because of her serious illness and had just returned home when the news of her death came. Funeral services had not been set early Wednesday morning.

## 20 MILE SPEED LIMIT ON MAIN

The City this week clamped a 20-mile an hour speed limit on Main Street in an effort to cut down on the excessive speed that some motorists drive on the street.

Pointing out that almost every intersection on the street was a school crossing and that the lives of school children were endangered by the high speeds, City Officials said that offenders would be fined.

"We're not trying to antagonize anyone but some people drive 40, 50 and 60 miles an hour down Main Street and we must protect the lives of our children," officials said. "We hope that drivers will observe this speed limit and that we will not be forced to call your attention to it personally."

## SW Pub. Service Announces New Irrigation Rate

The Southwestern Public Service Company is this week mailing to irrigation customers served by the company letters announcing a rate of 1 1/2 cents per kilowatt hour effective January 1, 1951. This new rate has been set instead of the 1 3/4 cents rate which was announced last January. The rate is now 1 1/4 cents.

Considerable opposition among farmers resulted when the 1 3/4 cent rate was announced last January and the company has since made a study of irrigation rates over the past five years, including this year's experience based on the new kilowatt hour change. The announcement of the change was made by J. M. Collins, division manager, of Plainview.

Letters being mailed to the farmers in this area indicate that irrigation customers who signed contracts since January 1, 1950, on the rate of 1 3/4 cents will be credited with the difference between the 1 1/2 cent rate and the 1 3/4 cent rate. The letters say, "If this reduction in the kilowatt hour charge results in a lower overall bill for this irrigation season, the savings will be credited to your account or refunded, as you prefer."

The minimum charge will be unchanged.

## W. O. Stark Is Buried Here

W. O. Stark, 81 years of age, was buried in the Lockney Cemetery on Thursday, Sept. 21. He died in his sleep at his home in El Reno, Okla., Tuesday morning of last week.

Funeral services were held at the First Baptist Church in Plainview, Sept. 21 at 2:30 p. m. Mr. Stark was a former resident of both Lockney and Plainview. He was engaged in the contracting business here and built the old Baptist Church building and the present Methodist Church building, a number of school buildings in this area and possibly others. He was a deacon in the Baptist Church.

Mr. Stark was born August 2, 1869 in Illinois. He lived in Lockney after coming to Texas until about 1927 when he moved to Plainview. He had lived in El Reno since 1939.

Survivors include the widow and three children, Ross Stark of O'Donnell, Orlin Stark of Quitaque, and Mrs. Jean Morgan of Hereford, two sisters, Mrs. D. P. Clanton of Corpus Christi and Miss Nona Clark of Plainview; two brothers, E. E. Stark and R. E. Stark, both of Plainview.

Mr. and Mrs. Gavin Marr, Jeanie and Debbie of Albuquerque, N. M., visited Saturday and Sunday in the homes of Mr. and Mrs. R. E. Marr and Mr. and Mrs. Thomas Marr.

Mr. and Mrs. B. L. McAninch and Gary Bob spent Sunday in Lefors visiting his parents.

## PLANS SET FOR X-RAY SURVEY IN FLOYD COUNTY NEXT WEEK

Plans are in readiness for the Floyd County TB x-ray survey which will be made in Floyd County next week. The mobile x-ray unit will operate in Lockney on Wednesday, October 4, from 9 a. m. until 5:30 p. m. and in Floydada on Friday and Saturday, October 6 and 7, the same hours.

Skilled technicians with the unit will do the actual work in making the x-rays but a group of local workers will assist with the registration and keeping records of those who are x-rayed.

Mrs. M. W. Wiley, local chairman for the survey, has announced a list of the local committees who will assist in making the survey. The clerical committee, those who will work with the unit in keeping records and registering, include these: Mrs. Wanda Baker, chairman, Mrs. Clyde Farish, Mrs. Art Barker, Mrs. Austin Meriwether, Mrs. Dwight Jackson, Mrs. George Myers, Mrs. C. J. Taylor, Mrs. Raymond Meriwether and Mrs. R. L. Knox Jr.

One committee will make a house-to-house canvas in Lockney just preceding the survey in an effort to enlist everyone in appearing for an x-ray. This committee is made up of Mrs. Marvin Gilbert, chairman, Mrs. Edwin Johnson, Mrs. Joe Parish

## Hog Show Will Be Held Saturday

The annual F. F. A. and 4-H Club Achievement Day Hog Show will be held Saturday of this week at Floydada with the rules and prizes about the same as they were last year.

A number of local boys will exhibit animals in the show, according to local Ag Instructor Francis Montandon. Those from the Lockney Chapter of Future Farmers who will probably show an animal includes Bobby Ray Griffith, Joe Cunyus, Garland Cox, Ray Gene Carthel, Warren Mathis, Deanie Henderson, Don Bartram, Buddy Brown, Joe Huffman and Edgar Hartley.

The show barn will open at 8 a. m. Saturday to accept entries and judging will start at 10 a. m. The usual rules regarding light and heavy weights will be in force.

Prizes will be \$5.00 for first, \$3.00 for second, \$2.00 for third, with a ribbon for fourth and fifth places and \$10.00 and rosette for grand champion barrow and gilt.

In the cow-hog-hen gilts class, an A type farrowing house is first prize with second place being 100 chickens, third place 75 chickens and all others showing 50 chicks.

Auction sale will start at 2:30 p. m.

The event is sponsored by the Floydada Chamber of Commerce, and Raymond King, Castro County Agricultural Agent will judge the show. Auctioneer will be Col. W. H. Seale, general superintendents is Emory Angus with assistants being H. G. Barber, Floydada ag teacher, Bob Gibson, county agent, and F. L. Montandon, Lockney Ag teacher.

## Scouts To Study Hobby Work

Scouts of Troop 59, Lockney, will be taught to work with their hands in woodcraft and leathercraft, Scoutmaster Art Barker Jr. said this week. He urged that all boys 11 years of age and older who are interested in being a Scout come to the meeting next Monday night, at 7:30 at the Scout Hut near the City Auditorium.

The Scoutmaster will also teach the boys how to shoot a rifle, how to handle a gun safely, etc. The new Scout year is starting and Mr. Barker is anxious to have a number of new boys enroll as Scouts at this time.

Watch your expiration date.

and Mrs. George Myers. Rev. N. S. Daniel is chairman of the clerical assistance committee and Joe Parish heads the electrical committee.

The telephone committee, who will contact people by telephone is made up of Mrs. Estelle Powers, chairman, Mrs. Floyd Jackson, Mrs. Charlie Boedeker, Mrs. Fred Dorman.

The hostess committee, who will receive and welcome those who appear for an x-ray, includes Mrs. Henry Hodel, chairman, Mrs. Bill Hodel, Mrs. Ewald Quebe, Mrs. Tommy Chatham, Mrs. Ray Aston, Mrs. Clyde Applewhite, Mrs. Arthur Barker, Mrs. Sid Thomas.

Mort Crapster is in charge of the loud speaker committee, Edgar Hays is chairman of the publicity committee and is being assisted by Mrs. Kelton Shaw, Mr. and Mrs. G. M. Brunner are in charge of the transportation committee and A. P. Barker is chairman of the location committee. Faye Pinner and J. D. Copeland head the loading and unloading committee.

Announcement of the survey will be made in daily papers and over radio stations in addition to personal contacts being made here. Every effort will be made to x-ray at least 1500 persons in Lockney on Wednesday, Mrs. Wiley said and Floydada has set an equally challenging goal.

The unit will operate here at the Lockney Auto Co. and at Floydada at the Chamber of Commerce offices. Since the cost of the survey is born by tax payers every resident of the county is being asked to participate in order that an early discovery of such diseases as tuberculosis, enlarged heart and others may be made and a cure effected much sooner. Results of the survey will be kept strictly confidential and those who have the x-ray made will not have to remove any clothing.

It will require less than one minute to make the x-ray and efforts will be made to keep up with the group so that no one will have to wait.

## Floyd Farmers Win In Wheat Classes At Tri-State Fair

Floyd County farmers completely dominated the Special Wheat Classes at the 1950 Tri-State Fair last week, said County Agent Bob Gibson.

In the wheat grain class W. A. Massie was first with Wichita and third with Westar.

Louis Cardinal was first with Tenmarq, L. L. Jones was first with Red Chief and Pawnee and second with Blue Jacket, Ralph Johnson was second with Wichita and Troy Lee McNeill was third with Tenmarq.

In the Baking Contest W. A. Massie grew the Reserve Champion wheat winning the Tex-O-Kan Flour Mills Trophy and the Philip W. Pillsbury engraved plaque, also a cash award. In this division Louis Cardinal was third and L. L. Jones was fourth and fifth. Each of these men won a cash award on their placings.

These men are to be complimented on the excellent quality wheat they grew, said Gibson.

### Longhorns Romp Over Crosbyton 53-14 Friday

The Lockney Longhorns, running a brand new modified winged T formation, romped over the Crosbyton Chiefs last Friday at Crosbyton to the tune of 53-14. At that more than half of the game was played by reserves and Coaches Curtis Kelly and Elvin Lyons used every man who was suited out including Roger Conner, reserve back who weighs all of 99 pounds.

The Longhorns had recovered from their lethargy shown in the Sudan game and blocked, tackled and ran very hard. Especially their blocking showed improvement as they ran almost at will over the Chiefs. The blocking of the entire Longhorn team was coupled with some very fast, elusive running by Ray Ferguson and C. B. Smart. Long runs were the rule instead of the exception with these boys as they scored eight touchdowns. Smart scored three of these, one of them a 90 yard return of a kick-off, Ferguson scored three, Bill Sherman, reserve back scored one and Joe Cunyus, left end, scored one on a pass from Smart. None of the touchdown runs were less than 30 yards.

Statistics showed that the Longhorns made only ten first downs while Crosbyton made nine. However, the Chiefs were unable to make even one first down against the first string Longhorns. The locals tried four passes, completed two for 36 yards while the Chiefs attempted six, completing two for 10 yards and had one intercepted.

The Longhorns racked up a big 423 yards from scrimmage to 141 for the Chiefs and the locals were penalized a total of 95 yards to 45 for the Chiefs. Most of the local penalties were either for Backfield in motion or off-side.

Here's the game as recorded by The Beacon reporter:

The Chiefs received, returned to their own 35, made 0, 3 and 3 and kicked to Smart who returned the ball back to where it started from, the Crosbyton 41 yard line. A fumble lost one for the Longhorns, they made 1, made nothing and kicked to the Crosbyton 21. On the first play Baxter, Longhorn right tackle, broke through and threw the Chief ball carrier for an 8 yard loss. The Longhorns were penalized 5, the Chiefs lost one yard and each of two successive plays and kicked to the Longhorn 49. The locals made a first on the Crosbyton 40, made 1 yard and then Ray Ferguson took off around his own left end on a weak side play and went over the goal standing up. Smart smashed over for the extra point. Score 7-0.

The Chiefs returned the kick-off to their own 29 yard line, made nothing in two tries, lost one and then kicked to Smart which proved to be an error, since he took the ball on his own 35 yard line and behind excellent blocking returned the kick for the score. He also plunged for the point. Score 14-0.

The Chiefs took the kick-off back to their own 33, lost 1, made 3, fumbled and an alert Longhorn covered the ball on the Crosbyton 40. Smart took off around his own right end, cut back through the secondary and scored standing up. He also plunged the point. Score 21-0.

Crosbyton returned the kick to their own 29 yard line. On the first play, the Chiefs attempted a pass, which Mac Howard gathered in on about the 40 yard line and carried over the goal. However, clipping penalty on one of the Longhorns nullified the score and gave the Longhorns the ball back on the Crosbyton 30. The Longhorns decided to try a pass themselves and Smart drew back and dropped the ball right into the arms of Joe Cunyus, Longhorn left

### Senator LeBlanc Says South Has Great Industrial Future

#### Now Is the Time to Start Getting Somewhere, Says HADACOL Owner

Lafayette, La. (Sp.)—Senator Dudley J. LeBlanc, colorful owner of HADACOL, wants the South to sell its advantages to the nation just as he is selling HADACOL to the rest of the country.

The Senator spoke to about 500,000 people on his recent half million dollar good-will tour of 10 southern states. His theme was the fallacy of the South producing raw products, shipping them north for processing and then paying freight to bring the finished product back home.

The Senator pulled his handkerchief out of his pocket waving it to crowds that ranged from 25,000 to 60,000. "This handkerchief was made from cotton grown in the South," he said. "The cotton was shipped to Massachusetts and made into this finished product. Then we in the South paid the freight on it back home where we grew the cotton."

"That mill in Massachusetts furnished employment to folks up there and paid taxes that created schools and improved their economy. Why couldn't those northern folks move factories down here and give employments to our folks? I tell you, they would if we sell them the wonderful advantages of the South just as we are selling HADACOL to the rest of the nation."

Senator LeBlanc is spending a great deal of money on colored sound pictures of the HADACOL Good Will Show to display the advantages of southern industry. He plans to show these in theaters. He is also preparing an elaborate booklet to distribute throughout the north.

Senator Dudley J. LeBlanc

"I feel that when a firm has become as large as HADACOL that it owes it to its people to do more than sell just itself," said Senator LeBlanc.

Senator LeBlanc presented Mickey Rooney, Burns and Allen, Carmen Miranda, Connie Boswell, Roy Acuff, Ernest Tubb, Minnie Pearl, Sharkey and His Dixieland Band, Frakson the Magician, and Marie Germain LeBlanc.

HADACOL is now selling at the rate of more than \$2,000,000 per month and the Senator is planning to increase sales to \$50,000,000 if he can obtain enough raw materials.

end, on the Crosbyton five. Joe took the ball on over for the score. The point was missed and the score was 27-0.

Crosbyton received and MacDuff returned the ball to the Lockney 48 yard line before being brought down. Ellis attempted a pass for the Chiefs but Smart stepped in to intercept it and return the ball to the Longhorn 46. Ray Ferguson took over at this point, swinging around his own left end for a 54 yard run and the score. Pat Frizzell pushed the ball over for the extra point on a quarter-back sneak.

The Chiefs returned the kick-off to their own 35, attempted a pass which was incomplete, a fumble lost 8, and Smart returned the punt to the Crosbyton 44. Smart completed a pass to Cunyus to the Crosbyton 18 yard line but the play was nullified by a penalty, the Longhorns drawing 15 yards. They lost 10 on the next play, then Ray Ferguson took off around his own left end to run 69 yards for the score. Smart plunged the point. The score 41-0.

The Chiefs returned the kick to their own 31. Here Coaches Kelly and Lyons started sending in reserves and almost the entire team was made up of reserves most of the remainder of the game although some starters did get in the game occasionally. The Chiefs made 8, 1 1/2 and 2 for their first first down of the game, the Longhorns were penalized 5, the Chiefs made 1, had a long run nullified by a 5 yard penalty, lost 2, and a pass to Davis, end, was good for seven yards, but that wasn't enough. On the attempted punt, two Longhorn line men broke in to block it and Carl Sammann covered for the Longhorns on the Crosbyton 45. The Longhorns were penalized 5, made 5, a pass was incomplete, they made 5 more and the ball went over to Crosbyton on the Crosbyton 38. The Chiefs were penalized 5, a pass was incomplete and then a pass was completed for 3 yards as the half ended. Score 47-0.

**Lockney Band Plays**  
The Lockney High School Band under the direction of Gene Trimble made its first public appearance of the season and entertained the crowd with a number of well-rendered musical selections. They did not march at the half time.

The Longhorns received the kick off at the start of the second half, Smart taking a hand-off from Doug Meriwether and carrying back to the Crosbyton 40 yard line. The Longhorns couldn't go and they kicked to Crosbyton's 26. The Chiefs couldn't gain either and kicked to Lockney 49. The Longhorns then punted to the Crosbyton 17 where the Chief safety man fumbled the ball and it was covered by a Longhorn. The Longhorns made 4, were penalized 5, lost 4, were penalized another 5 and then Bill Sherman, reserve back, swung out around end to score standing up. Try for point failed and the score was 47-0.

third string was on the field. The Chiefs received the ball and returned to their own 34. They made successive first down on their own 49, on the Lockney 40, on the Lockney 29, on the Lockney 14 and then on a reverse which fooled the reserves completely, carried over for the

score. The Chiefs plunged for the point and the score was 53-14 as the game ended.

The direct interview story was first used by Horace Greeley.

The newspaper has been called the common man's university.

Don't Be Satisfied With Symptomatic Relief!

# HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

## Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition When due to lack of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin in your system!

Read How These Folks Benefited Who Had Such Deficiencies

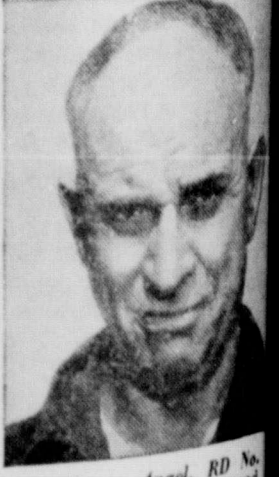

**Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma,** suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

**Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio,** "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

**Mrs. J. Scissinski, 514 Kruger, Ottumwa, Iowa,** writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results... she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

**Mr. Henry Angel, RD No. 1, Springfield, Ohio,** "I used to suffer great pain from neuritis aches in all parts of my body, especially in my arms and shoulders. I got any real relief until I started taking HADACOL. After taking several bottles, my pain is gone. And I'm working again." (Now there's a real man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pain because they were due to such deficiencies. HADACOL is helping thousands of such thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

**IMPORTANT!** Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL. HADACOL not only supplies deficient systems with extra quantities of

BEAUTY IS YOUR BIRTHRIGHT

By MONA

Hi! Honey! Being of Spanish descent, I was always slightly annoyed when people would ask me how it was I had such an unmistakably Spanish name, Ramona.

to rush back to the drug store for another bottle. I didn't mind if people gawked when they saw me hurrying down the street with a futuristic hair-do half-black, half-brown, dangling around my shoulders.

After a few months my hair didn't seem very dark to me, so I bought blue black dye and used it. This was fine until I noticed in the folder a deeper black called jet. That was for me. When I applied it I felt that at long last I was a flashing brunette and I was content with my inky hair.

Though it entailed a great deal of work it was worth it, for I felt that I had finally achieved a romantic appearance and I practiced poses meant to be seductive and tried to read a spanish novel in the original (oh, my aching brain!) all because of my dyed hair which I secretly thought looked like glimmering black ribbon.

After two years later, after I had dyed my hair so much that it was gummy as a wig and I could hardly pull a comb through it. I had gualms about its shoe-black shade. My gualms vanished at night, because for the first time in my life I didn't fade into the background under dim lights.

If you have dyed your hair black or are considering doing so, ask yourself this one question. "How does dyed black hair seem in the sunlight? Mine looked like a cloud of soot. Bye, Honey, see you next week. Mona.

All beauty questions sent to "Beauty is your Birthright," 246 Fifth Ave., N. Y. C., N. Y. will be gladly answered.

Mrs. Harley Workman and Mrs. J. N. Snodgrass of Lockney visited Mrs. Lois McKinney of Silvertown last week.

Lonnie Seaman, a student at West Texas State College, was here visiting his mother, Mrs. Lee Seaman, last week end.

IF YOU'RE INTERESTED IN SAVING

TIME MONEY ENERGY (and what woman isn't)

LEAVE IT TO YOUR ALL-ELECTRIC KITCHEN!

Time, energy and budgets are three mighty important considerations for the modern homemaker! Is it any wonder that more and more women prefer kitchens all-electric. For electricity is a miracle worker... especially in the kitchen. All the right appliances in correct labor-saving arrangements add up to more time for yourself, and your family. Less work, easier work... with results more satisfying. Besides saving precious time and energy, low cost, dependable electric service does its work at a very modest wage. The services of your range, refrigerator, dishwasher... and the many other components of your all electric kitchen costs but a few cents a day!

Your electrical appliance dealer will be happy to discuss an all-electric kitchen to fit your budget. See him today!

### Whitfill-Jennings Vows Exchanged

Martha Whitfill became the bride of Melvin Jennings September 12 in Clovis, New Mexico. Boyd C. Glover, Minister of the Church of Christ, performed the ceremony. Martha is the daughter of Mr. and Mrs. Frank Whitfill of Lockney.

The bride wore a wine suit with black velvet accessories and a corsage of white gardenias. She carried out the traditional custom of something old, new, borrowed and blue. For something old, she wore a gold bracelet her mother had worn on her wedding day. For something new was her wedding attire. Something borrowed was a choker and earrings, belonging to her sister-in-law, Mrs. Glenn Whitfill. For something blue she wore a blue blouse.

The bride attended school in Lockney and graduated in the 1949 class.

The groom attended Tulia High School, graduating in 1949.

After a short wedding trip through New Mexico, the couple is making their home on a farm northwest of Tulia.

GO TO CHURCH SUNDAY.

### H. D. Club To Meet Today

The Lockney Home Demonstration Club will meet today (Thursday) at 2:30 p. m. in the home of Mrs. Joe Parrish for regular meeting. A discussion on "Tailoring" will be given by Mrs. J. H. Cooper, and members are reminded to bring a gift for their club sister.

Officers for the coming year were elected recently at a club meeting. The meeting was held in the home of Mrs. Jake Jones and roll call was answered by giving a traffic law.

Officers elected were: Mrs. J. H. Cooper, president; Mrs. Jake Jones, vice-president; Mrs. L. W. McCuiston, secretary-treasurer; Mrs. J. E. Tierce, council representative.

Mrs. Jones gave an interesting demonstration on Cooking in Aluminum Foil. Her menu included hamburger a la foil, potatoes, carrots, biscuits, baked apples, graham crackers, sandwiches.

The refreshments were a plate of this menu with a fruit drink.

### Attend School

Ladies from the Lockney Club attending the Pre-Tailoring School at Floydada on Tuesday, Sept. 19 included Mrs. J. H. Cooper, Mrs. L. M. Honea, Mrs. F. L. Brown, Mrs. J. E. Tierce, Mrs. L. W. McCuiston.

Miss Lella Petty, county home demonstration agent, showed colored slides on "Roses for the Home Gardener" at the meeting of the local club Thursday, Sept. 21. The meeting was held in the basement of the Methodist Church. A large number of ladies were present. Roll Call was answered by giving the favorite variety of roses.

### T. B. X-Ray Film Shown To B. P. W. Club

The Business and Professional Women's Club met in their regular business meeting Tuesday night, September 19 at the High School.

The Health and Safety Committee composed of Ada Bailey, LaVerna Brunner and Ellen Wiley had charge of the program and a motion picture which was shown on tuberculosis, advertising the X-Ray machine which will be located in Lockney, October 4.

Dr. Wayne Greer gave a very interesting discussion on Dentistry. Dr. Greer is District Chairman of the Texas Association of Dentistry.

After the program punch and cookies were served to the following guests: Mrs. Fred Dorman, Mrs. Floyd Jackson, Mrs. Marvin Gilbert, Mrs. Edwin Johnson, Mrs. Bill Hodel, Mrs. Henry Hodel, Mrs. Jessie Cox, Mrs. Robert Ayres, Mrs. Clyde Applewhite, Mrs. Charlie Boedeker, Mrs. Clyde Farish, Mrs. Ewald Quebe, Miss Sue Hunter, Mr. and Mrs. G. C. Applewhite, Mr. and Mrs. Joe Farish, Mr. and Mrs. A. P. Barkett, Fay Pinner, Dee Copeland, D. Wayne Greer, Harley Wright, Francis Montandon, Mort Crapster, Weldon Dodson, F. M. Smith, Mr. Trimble and Mr. Boyd.

Members present were Tangy Hargis, June Bybee, Betty Knox, Estelle Powers, LaVerna Brunner, Wanda Baker, Ada Bailey, Wilma Brown and Ellen Wiley.

A short business meeting was held following the program and the year books for the year were distributed.

### W. M. U. Has All Day Meeting Monday

The W. M. U. met at the First Baptist Church Monday September 25 for an all day meeting. Both the Spence and Hughes circles met. This meeting was observing the Mary Hill Davis Week of Prayer for State Missions. Twelve women met at 10 o'clock, a covered dish luncheon was served at noon, and in the afternoon a Missionary Program was given.

A program on State Missionary Work which is carried on in Texas was enjoyed by the group and an offering was taken for the work done in Texas. The theme song for the Week of Prayer is "He Lives." This program was also observed by all the young people's organizations in the church.

Those present were: Mmes. T. S. Fox, Sid Thomas, Guy Sams, Edgar Hays, Horace Jones, E. J. Cobb, Hilburn Casey, Harmon Handley, I. A. Applewhite, D. R. Foster, E. A. Cox, and W. S. Rexrode.

Watch your expiration date.

### Marie Harris Honored At Birthday Party

Marie Harris, daughter of Mr. and Mrs. Jessie Harris, was honored at a birthday party Saturday afternoon September 23 at 3 o'clock.

Games of Drop the Handkerchief, Red Dover, London Bridge and many others were played. Mrs. Harris took several pictures of the entire group.

As favors each little girl and boy was presented a party hat to be worn during the party.

Refreshments of home made ice cream and cake were served. A huge cake with eight candles was presented to Marie. She received many nice gifts.

Guests were: Onita McCormick, Rayland Brotherton, J. D. Handley, Nancy Jo Schacht, Ann Brown, Barbara Ann Whitlow, Mary Ballard, Jane Ballard, Yvonne Hayes, Scharlott Ann Taylor, Audie Louise Light, Jimmy Visage, Johnny Harris, the honoree and Hope McGhee who assisted Mrs. Harris in supervising the games.

### Mrs. H. E. Frizzell Hostess To Club

Mrs. Hubert Frizzell was hostess to the members of the La Ventana Study Club, Tuesday, September 26.

Mrs. Bill Johnston, President, was in charge of the business meeting. The program was on "Youth" with Mrs. C. L. King as leader and assisted by Mrs. Raymond Teeple and Mrs. Ben McGhee.

Mrs. A. H. Suiter brought the Federation News and Mrs. Kenneth Wofford gave a point on etiquette.

Those attending included: Mmes. Clyde Baxter, Bill Johnston, C. L. King, Albert King, Ben McGhee, Charlie Merrick, W. T. Rankin, Clarence Strickland, Raymond Teeple, Elmer Sandusky, A. H. Suiter, Kenneth Wofford and Mrs. Frizzell.

The next meeting will be with Mrs. Clarence Strickland as hostess, October 10.

Mr. and Mrs. Ray Adams of Cone were visitors in the R. T. Spence home Sunday.

### "66" DRIVE-IN CAFE ON HIGHWAY 70

Plate Lunches—Short Orders—Chili and Hot Dogs—Coffee and Cold Drinks—Candy, Cigars, Cigarettes.

Curb Service at Regular Prices Open Until 12 Midnight

### Timothy Hartman Honored On Birthday

Mrs. Melvin Hartman honored her little son, Timothy, with a birthday party on his third birthday. The party was Thursday afternoon September 21.

After several games were played and the gifts were ice cream and cake was to 10 guests.

Those present were Murrell, Donald and Bandyerson, Vickie and Steve Gary Don Tiner, Derrell and Linda Phillips, Tony Frizzell, Mike Nance.

Mrs. H. C. Turner, Mr. and Mrs. D. T. Fields and son, Jim of Gibsland, La., visited in the E. J. Rodgers home this week. Mrs. Turner remained with her daughter, Mrs. Rodgers, who is ill and has been bedfast for the past five weeks.

Ewell Dee Kelley, a student at West Texas State College, visited with his parents, Mr. and Mrs. C. D. Kelley last week end.

**Lockney, Tulia And Ralls Win**

Lockney, Tulia and Ralls won their first district games of the season last Friday night at the expense of Crosbyton, Spur and Floydada. Paducah did not play a district game since they played the Class B Matador Matadors.

Spur and Tulia played a 7-7 tie at Tulia but Tulia was awarded the game on the penetration count, standing 3-2. There was considerable dispute over the officials decision and reports here are that the matter may be discussed at a district committee meeting.

The Floydada Whirlwinds dropped an unexpected decision to the Ralls Jackrabbits 19-0 at Floydada. The Rabbits were reported to have a powerful ground game and the Winds couldn't stop them through the line.

Paducah rolled over the Matadors 32-6 in their non-district game.

As a result of these games Friday night Tulia, Ralls and the Longhorns will step up along with the Paducah Dragons as chief contenders for the district crown.

**Week's Schedule:**

Ralls at Tulia  
Crosbyton at Paducah  
Hamlin at Spur (non-district)  
Abernathy at Lockney  
Matador at Floydada (non-district).

**Supervisor To Be Elected From NE Floyd County**

An enjoyable program is being planned for the election party of the Floyd County Soil Conservation District to be held at South Plains school October 3rd at 7:30 p. m. All farmers and their families living in the northeast sub-division of the District, including from the old Flomot road north to the County line and from the Silverton highway east to the line, are invited to attend.

A supervisor will be elected to represent this area on the District board to fill the vacancy created by the expiration of the five year term of Cecil Purcell, who has been serving the District for about seven years. An explanation regarding eligibility to vote will be given at the meeting.

County Agent Bob Gibson will show three films, assisted by personnel of the Soil Conservation Service. "In Common Cause," is a film showing some of the accomplishments of soil conservation districts, how they are formed and operated and the big job yet to be done to increase crop production and saving the soil. Another film, "Life of The Soil, Organic Matter" gives the story of how soil is formed and the difference between soil in the timber areas and in grassland areas. It shows the importance and functions of organic matter in the soil and its relation to fertilizer. "Soil Conservation With Regular Farm Equipment" shows that farmers can carry out the conservation practices beneficial in this area with the equipment that is already in use on the farm. Some new types of equipment are also shown.

The South Plains home demonstration club will serve refreshments to the entire group.

**CARD OF THANKS**

We wish to express our sincere thanks to our many friends and neighbors for the many beautiful flowers and the sympathy and aid extended to us during the illness and at the death of our beloved husband, father and brother, James C. Wilson.

Mrs. J. C. Wilson  
Mr. and Mrs. Alvin Wilson and family  
Mr. and Mrs. O. V. Wilson and family  
Mrs. Ella Casey  
Mr. and Mrs. W. T. Davis Sr.  
Mrs. Nellie Dashner  
W. L. Wilson and family.

Watch your expiration date.

### EDITORIAL

Wherefore the Lord said, Forasmuch as this people draw near me with their mouth, and with their lips do honor me, but have removed their heart far from me, and their fear toward me is taught by the precept of men.—Isiah 29:13.

A good neighbor is a man who will share his storm cellar with you in time of need. There were many good neighbors in this community Monday afternoon as the clouds were flying around and the tornadoes flitting hither and yon. We never intend to join in with that group who belittles the man who builds a storm cellar.

The Hoover survey showed that the U. S. government owned 848,567 typewriters which are being used by 235,000 persons. The difference between government and private business is that private business would dispose of 613,567 of the typewriters while the government will employ 613,567 persons to run the idle typewriters.

The only really truthful history ever written appears in the Old Testament. The Old Testa-

ment gives the good and bad points of its characters. For this reason its characters are all human and true to life. The average history touches only upon the good points of its characters and thus creates lopsided individuals. It leaves the impression that they were all super men, filled with virtues and with out fault, which in most instances they were not. The beauty of true art lies in its fidelity to truth. In this respect the Old Testament represents the highest point in historical and biographical art.

If all the church people who are opposed to liquor and other things that seem to enter largely into the production of modern movies would band themselves together and refuse to go to a movie that featured drinking as though it were "the thing to do," this type of picture would disappear from the screen. The movie producers say they produce what the people want and the people say what they want by their attendance at the picture shows. If we have the wrong kind of pictures it is because the people want them and encourage their production by their attendance.

An exchange records the fact that the Wild Life authorities have compiled a list of some fifty types of wild life that are rapidly disappearing from the American scene. Nowhere in the list, the editor notes, is to be found the several worn out forms of wild life which are eligible for extinction, as every reader knows. Prominent among these are: The social lion, the fly in the ointment, the aging wolf, the cock of the walk, the bull of the woods, the gay old dog, the old goat, the blind tiger, the road hog, and a few others you might mention.

A local man started out the week Monday morning, to observe all the courtesies prescribed in driving his car. He stopped at all the stop lights, paused at intersections and kept within the speed limit. He was a half hour getting to his place of business and had two dents in his rear end made by other drivers who exercised their usual driving habits.

The editor of one of our exchanges attributes the lack of horse sense these days to the fact that there is not nearly so many horses as there once were.

One thing the Korean war has already accomplished has been to show up the experts who thought they knew all there was to know about defense weapons and defense tactics.

#### WRONG ADVISORS

WHEN LYNDON B. JOHNSON ran for U. S. Senator and defeated Coke Stevenson for that office, Johnson had the support of President Harry S. Truman, although Truman did no particular work in behalf of Johnson.

Many people believed at that time that Johnson would be another yes man for the president. But that has certainly not been the case.

Of all the officials in Washington today, Senator Johnson has been the most outspoken as far as urging military preparedness is concerned. Time and time again he has urged preparedness, but much of his effort has been to no avail.

On July 26, 1946, Lyndon B. Johnson said, "I have supported and will support an adequately paid million-man army and a half-million man navy; an air force of 400 thousand combat planes and 12 thousand training planes."

On May 7, 1947, Johnson said, "The one thing a bully understands is force and the one thing he fears is courage. If Russia is not willing to stop, then now is the time for us to decide whether we will meet her, and meet her now."

On March 29, 1948, Johnson said, "Russia today has more

than four million men in her army. America has 540,000. Russia is building 8 to 12 thousand planes a year. America is building 1,800. Russia is spending 20 billion dollars a year to make herself invincible. We are spending between 10 and 11. We are 322,000 men short of minimum peacetime needs. Some of our finest citizens say, in our atomic air-age, that we won't need a footsoldier army so why universal military training? I wish I could believe what they say."

On February 13, 1950, Johnson said, "If a guided missile war-

fare should begin within the next two or three years, we, at our present rate, would be very feeble participants. For push-button warfare, we have neither the push nor the button."

On March 28, 1950, Johnson said, "Is the Senate of the United States willing to gamble with the national security? The prudent man, instead of regarding the figures of our military men as excessive, would regard them as an underestimate."

On June 24, 1950, the North Koreans got word that President Truman was sending American troops against them. The Americans were not ready at that time, and our country nearly suffered a terrible defeat. We were defeated for weeks and weeks, and many of our American boys lost their lives as a result of this unpreparedness.

The main objectives to preparedness, including the president, have cost us this price. Lyndon B. Johnson was not alone in his urging better preparedness, but he and the others who agreed with him were either not heard or not heeded.

It seems to us that the president has been ill-advised much too often. We feel that he has been ill-advised, for we simply do not see how one man could have made so many errors by himself. After all, he's supposed to be well-informed in his position.—McLean News.

Cotton farmers are urged to check the cotton sacks of all pickers who come from the south Texas area for cotton bolls or seed cotton. Any material found in the sacks should be burned immediately because pink bollworm inspectors have found many worms and larvae in this material. The pink bollworm population in South Texas is high at this time.

The quickest way to the poor house is to spend like you were rich.

### Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

November 29, 1918

W. F. McGhee and daughter Jeffie, of the Bobbitt community, were in town Wednesday.

E. E. Dyer and Marshall Davis returned Tuesday from Dallas and Burkburnett where they have been on business.

Lawrence Gruver returned Saturday from the North Plains where he has been looking after business matters.

Wednesday W. M. Collins and Noah Nixon were returning from Plainview on a hand car and the car jumped the track throwing them off. Mr. Collins' arm was broken and a gash cut in his head, while Mr. Nixon was not hurt seriously.

R. T. Spence, of the Bobbitt community was in town Wednesday.

October 1, 1908

Saturday J. P. Posey sold his residence property to J. T. Robs for a consideration of \$750. Mr. Robs intends to move in shortly and give his children advantage of the College school here.

Ed Jones and wife and father left Monday for New Mexico on a prospecting tour. They don't know where they are going but are certainly on their way.

Monday night an informal supper was given to a few friends by Mr. and Mrs. J. L. Norris in honor of their daughter and son-in-law, Mr. and Mrs. Auzy McCollum.

W. Methley doesn't want his

name in the paper—he was in town Tuesday.

E. E. Lawson, of east town, now recovering from blood poisoning which set up in his hand from a scratch some week two ago. It was thought for time that his condition was critical.

Sheriff S. B. McCleskey has been much in evidence in Lockney this week.

John Ewing, of Estelita, died in Lockney with E. Thompson and family last week. He's a brother to Floyd and John Thompson.

## Straight FROM WASHINGTON

I LOST A BILLION DOLLARS!

As far back as 1924, there were proposals to reorganize the Interior Department. When it was again studied by the Hoover Commission task forces in 1948 those members reported that "had such a reorganization taken place 25 years ago it is likely that a billion dollars would have been saved to the public over the years."

Daniel And White At Lubbock Fair

Lubbock.—Price Daniel, Attorney General of Texas, and John C. White, newly-elected State Commissioner of Agriculture, will lead the giant "Parade of Progress" to be staged in Lubbock on the opening day of the Panhandle South Plains Fair.

The parade will begin at 2:30 p. m. Monday, October 2.

Daniel and White will be principal speakers on the Old-Timers Day program Monday afternoon. White will speak at 5:00 p. m. in front of the Fair Ground's grandstand. Daniel is scheduled to speak at 7:00 p. m. prior to the opening of "Panorama of the Plains."

Both Daniel and White will crown the winners of the "Miss Lubbock" and "Miss South Plains" contest during the court scene preceding the "Panorama of the Plains," the historical spectacle to be staged nightly during Fair dates, October 2-7.

Charles Beedy Is Candidate For Tech Judging Team

Lubbock.—Candidates for a place on the livestock judging team at Texas Technological College are training in preparation for two contests.

The first event will be the American Royal Livestock Exposition at Kansas City Oct. 14. The International Livestock Exposition at Chicago Nov. 25 will be the big event for the team.

Contestants for the team positions: Claude Ash, Bronte; George Barron, Lamesa; Charles Beedy, South Plains; Billy Collier, Crosbyton; Ray Drennan, Welch; Alvin Davis, Post; Bobby Gray, Snyder; Glen Johnson, Old Glory; William McMullan, Snyder; Cecil Morris, Electra; Maurice Kingsberry, Santa Ann; and Bill Piper, Lubbock.

Mr. and Mrs. Wesley Hastings, of Ruidoso, are here for an indefinite visit with the Joe Foster's and Vestal Hastings.

All bins used for the storage of farm grains should be thoroughly cleaned and fumigated to control insects before any grain is placed in them for storage. Stored grains should be checked at least once per month for insect infestations.

Science Show At State Fair

The greatest science show ever presented in the Southwest will be a free attraction of the 1950 State Fair of Texas, Oct. 7-22.

Depicting advances since the turn of the century in atomic energy, electronics, aviation and other phases of science will be new exhibits from the American Museum of Atomic Energy including recent acquisitions from Brookhaven National Laboratory. These will be augmented by exhibits from America's industrial research laboratories.

The dramatic show will occupy 20,000 square feet of space in the new Science Building on the 187-acre, \$35,000,000 fair grounds.

The Science Show will set the pace for the Mid-Century theme of the 1950 State Fair—"A salute to the first half century, a preview of the second." The show will be opened with the explosion of an astonishingly realistic, simulated atom bomb. The now-familiar mushroom climbing into the sky will be the signal that the show is on.

Exactly how the miracles that resulted in the atom bomb were accomplished will be shown by mock-ups and authentic research tools.

Included will be a 250,000 Van de Graaff generator. A "live" model of an atomic pile the size of a small house will enable visitors to have their dimes irradiated harmlessly but "hot" enough to register on a Geiger counter.

One exhibit will demonstrate the use of radioisotopes or tracer atoms and radioactive phosphorus in agriculture.

\$34,000 Pledged To People's Hospital In Advance Gifts

An official statement released last week by J. M. Willson, General Chairman for the \$100,000 People's Hospital Campaign fund at Floydada revealed that \$34,000.00 has already been subscribed to the fund in pre-campaign pledges.

A tabulation of the 30 pledges received to date including 8 thus far from the campaign executive committee, 7 from the hospital board of trustees and 15 from hospital employees showed that better than one third of the \$100,000 goal had already been reached.

Of the \$34,000.00 already subscribed, \$15,000.00 represents pledges from the hospital board and employees. In presenting these subscriptions to Mr. Willson, J. P. Moss, Board President

said: "We of the board are indeed grateful that you and other influential citizens of our area have joined in the campaign effort. We hope that these pledges will, in a small way, demonstrate our sincerity and serve to encourage you and your workers."

Commenting on the \$34,000.00 in advance gifts, Mr. Willson said: "It is indeed encouraging to know that at this early date, before the campaign has even started, we have reached one third of our objective. These pledges represent only a handful and if the same spirit of generosity is exhibited by the hundreds of prospects we will call on, it is well within our ability to achieve the goal."

The Big Gift solicitation is scheduled to get officially underway not later than Monday, September 25th. The campaign booklet "Born of Community Need" now enroute from the printers, is expected to be mailed to all prospects by Friday of this week. The fifteen Big Gift solicitors have selected their prospects and are ready to make calls. The first organization meeting for the Special Gifts group under Marvin Shurbet is planned for next Monday evening at B & M Cafe, 7 p. m., and a meeting of the General Division will be called at an early date according to Walter G. Collins, General Gifts Chairman.

Guests in the home of Mrs. A. J. Mabry over the week end were her nephews Mr. and Mrs. M. A. Sewell from Fort Worth, Mr. and Mrs. W. H. Sewell from Shamrock, Mr. and Mrs. Bert Sewell from South Plains. This was the first time in 14 years that the brothers had been together.

FALL TIME AND Flower Time!

Our stocks are complete on many lines — some of which are not usually carried in an ordinary variety store.

We are getting "SHIP 'N SHORE" BLOUSES every week. Watch for new styles.

We have also added the "EUNICE ANNE" BLOUSE — a real dress-up blouse — and if you are looking for a pretty blouse for that new suit, just drop by and see them. If we do not have the style you want, in the right color, we can get it for you in ten days.

If you haven't tried "DOVEDOWN" HOSE you are cheating yourself — for they have wearing quality we have never seen in any other brands.

FOR DREARY DAYS, there is thread to do all kinds of crochet and other fancy work.

For the HOME BEAUTIFUL—there's another shipment of IVY. The plants are fine, healthy specimens all ready to beautify your home.

"BULBS" too — Tulips, Hyacinths, Jonquils, Daffodils, Crocus — for outdoor planting. Now is the time.

The "INDIAN BULBS", "POTTED PLANTS" and "GOLD FISH" will be in soon. Watch for them.

Three hours between five and eight p. m. is the time of best travel everywhere in the United States. You are four times as likely to be killed in an automobile accident between five and eight in the evening as you are between seven and eight in the morning. You are five times as likely to be killed in an automobile accident between five and six in the evening as you are between six and seven in the morning.

### Huntin' AND Fishin'

By Harve Pennington

Vacationists who plan to take firearms along on their outings, and this means many thousands of care-free, sport-loving folks—will do well to heed the advice of Henry P. Davis, public relations manager, Remington Arms Co., Inc., Bridgeport, Conn.

A 22 calibre rifle is a source of much pleasure around any camp or on any fishing trip or outing, says Davis, but double safety precautions should be taken to see that it is properly used. Generally there are children in camp and their elders should make sure the rifle and its ammunition are kept where it is safe from the curious hands of the youngsters. A double precaution is to never keep gun and ammunition together until you are ready for target practice. By all means, teach the children to shoot. But before you start the lessons be certain that you have a large backstop against which you can shoot in perfect safety. If you can find a small bluff or bank against which you can place your targets, so much the better. Whatever the backstop, be sure the bullets cannot ricochet from it. When you take a rifle out on the water, be extremely careful in your shooting. Never shoot a rifle at the surface of the water, as the bullet may glance and injure some one hundreds of yards away.

It's best to do your shooting on solid ground as a moving boat does not make for accuracy. Vacationists can have a lot of fun and improve their shotgun marksmanship, too, with a hand-trap, a carton of "clay" targets, a couple of boxes of shells and the favorite field gun. With this outfit every type of game shot can be simulated. Here again, as always in shooting, be sure of your back stop. There may be another picnicking party on the other side of the hill. No matter what type of gun you take along on your vacation, always bear in mind the Ten Commandments of Safety. They are simple, easy to follow and right to the point. Here they are:

Treat every gun with the respect, due a loaded gun. This is the cardinal rule of gun safety. Carry only empty guns, taken down or with the action open, into your automobile, camp or home. Always be sure that the barrel and action are clear of obstructions. Always carry your gun so that you control the direction of the muzzle, even if you stumble. Be sure of your target before you pull the trigger. Never point a gun at anything you do not want to shoot. Never leave your gun unattended unless you unlock it first. Never climb a tree or fence with a loaded gun. Never shoot at a flat, hard surface or the surface of water. "Do not mix gunpowder and Alcohol."

Freshly-ginned cotton seed should be checked closely for damaged seed before it is stored. Only sound seed with a moisture content of less than 12 percent are suitable for storing, unless sufficient facilities are available for drying and cooling the seed.

### Sterley News

by Mrs. M. A. Boone

Paul Glover of Snyder, Texas, arrived Sunday to spend a two weeks vacation with his parents, Mr. and Mrs. A. K. Glover.

Mr. and Mrs. G. P. Nelson attended Church at Plainview Sunday.

Floyd and Larry Hays of Tullia visited in the A. K. Glover home Sunday.

Rev. and Mrs. F. R. Pickens were dinner guests of Mr. and Mrs. A. H. Suiter Sunday.

Mr. and Mrs. W. B. Mitchell spent the week end in Clovis and Ft. Sumner, New Mexico.

Week end guests in the W. B. Mullins home were Mr. and Mrs. G. M. Green and Mrs. Elvis Roberts and baby of Crosbyton.

Mr. and Mrs. Wayne Mullins Jr. of Brownfield, Mr. and Mrs. James Mullins of Lubbock, Mr. and Mrs. Carl Mullins of Abilene and Mr. and Mrs. R. V. Webster and baby of Lockney.

The Sterley home demonstration club met in its regular meeting Thursday with Mrs. A. H. Suiter and Mrs. Schaffner as hostesses. Present were 15 members and four guests, Miss Petty, Mrs. Byars, and Mrs. Collier of Floydada and Mrs. Tannahill of Ft. Worth. Miss Petty showed slides on roses and barbecue pits. There will be a special meeting at the club house Thursday. All members are urged to be present.

John Branum of Amarillo is working in Sterley this week.

Mr. and Mrs. Bill Howard returned Sunday from Amarillo where they attended funeral services for her uncle.

Rain that began falling early Monday morning measured 2.7 inches.

The National Geographic Society says a possible ancestor of the word typhoon is the Arabic tufan, meaning tempest.

### Aiken News

By Mrs. M. B. Salmon

Mrs. Johnnie Lee spent several days in the home of Mr. and Mrs. Hauck in Littlefield last week. Mrs. Hauck is ill but is much improved at present.

Floyd Dorman is on the sick list. He returned to his mother's Mrs. C. B. Dorman, Monday, after receiving treatment in Plainview hospital for pneumonia.

Mrs. Arch Keys, Jim and Janis were guests Thursday of Mr. and Mrs. Wiley Moore.

Lee Wesley and family, Mrs. Helen Howard of Plainview and Mrs. A. L. Arnold of Canyon visited in the home of Mr. and Mrs. M. B. Salmon Thursday night.

Little Janis Keys spent Thursday night with her grandparents Mr. and Mrs. Wiley Moore.

Mr. and Mrs. Connie O'Brien Loy and Pat, Mr. and Mrs. L. L. Williams, Kenneth, Peggy, Junior and Jerry, Mr. and Mrs. A. V. Campbell and Carolyn and Mr. and Mrs. Buck Kellison and Gail were among those from Aiken attending the football game at Crosbyton Friday night.

Mr. and Mrs. R. C. Rodgers and James Riley attended the Tri-State Fair in Amarillo Friday night.

Mr. and Mrs. Deryl Cole of Plainview visited in the home of Mr. and Mrs. A. P. Langfelt last week.

Mr. and Mrs. Robert Schoppa, Keith and Janis spent weekend with relatives and friends at Vernon.

Mr. and Mrs. Jim Grisham and Randy of Clovis, N. M. spent the weekend in the home of Mr. and Mrs. Johnnie Lee.

Mr. and Mrs. C. S. Rhodes, Charlie, Gracie, Dale and Ann spent Sunday in the home of Mr. and Mrs. M. B. Salmon.

Mr. and Mrs. Connie O'Brien Loy and Pat spent Sunday with relatives at Morton.

Mr. and Mrs. Levi Dorman and daughters of near Hale Center visited in the home of Mrs. C. B. Dorman Sunday.

Mr. and Mrs. Wiley Moore visited in the home of Mrs. John Moore and Mr. and Mrs. Henry Shipman Sunday afternoon.

Mrs. Floyd Dorman was called to the bedside of her sister, Mrs.

Jilles Dalton, in Lubbock hospital Monday.

Mrs. R. L. Slaughter and sister of Plainview visited in the home of Mr. and Mrs. J. M. Tye Sunday afternoon.

Tommie Duval's parents of Roscoe visited Mr. and Mrs. Duval over the week end. Charlott Kay returned home with them for a visit.

Woman's best asset is man's imagination.

**Reserves Are Called For Physical**

Several local men who are in the Army reserve have been ordered to report for a physical examination preparatory to reporting for active duty. Included in the most recent call was Robert E. Daniel Jr., local manager of the Daniel Automotive Store here, F. G. Jones, Jr., and Cecil R. Andrews of Aiken. These men will report to Lubbock on Sept. 27 for a physical examination which does not necessarily mean that they will be called for active duty but is the first step in that direction.

Mr. and Mrs. T. B. Mitchell returned last Friday from the Coast where they spent several weeks.

**Council Takes No Action On Petition**

The City Council told a group of business men meeting with them recently that they could take no action on the matter of the installation of a dial telephone system here and the raising of the local rate since they had already signed a contract with the telephone company. Fay Pinner, secretary of the Business Men's Club said this week.

A postcard poll on the matter showed that both city and country telephone subscribers were two to one against the proposed change. Pinner said. After the poll, the group met with the Council asking them to rescind their previous action.

Watch your expiration date.

**Flower Show At Floydada Sept. 30**

The third annual flower show, sponsored by Our Home Garden Club of Floydada, will be on September 30. Mayo Motor Company's attractive lobby will be the setting and the theme is "Little Mexico."

The committees are reported as working with much interest and effort to make the displays interesting to all who love flowers.

Those who plan to participate in the show are urged to read the schedule and study the rules before entering the show. The public is invited to participate, said Mrs. Alpha Boothe, publicity chairman of the club. The show room will be open to the public throughout the show hours. The schedules are as follows:

**Flower Show Schedule**

- Class I: Single specimen, Roses, (Coke type bottle container).
- Class II: Single specimen, Large Dahlia (milk bottle container).
- Class III: Single specimen, Small Dahlia (coke type bottle container).
- Class IV: Three or more large Dahlias mixed colors (any container).
- Class V: Five or more large Dahlias mixed colors, (any container).
- Class VI: Five or more Small Dahlias any color, (any container).
- Class VII: Three or more Roses any one color, (any container).
- Class VIII: Three or more Marigolds, (any container).
- Class IX: Three or more Asters, (any container).
- Class X: Five or more Zinnias, (any container).

**Flower Arrangement Classes**

- Class I: Miniature Arrangement (arrangement and container not to exceed 6 inches in height or width).
- Class II: Childrens Class (arrangement in any container by child 12 or under).
- Class III: For men (any flower in any container arranged by man).
- Class IV: Arrangement in any vase, combination of colors, Perennials, annuals or both may be used in this.
- Class 5: Arrangement of Foliage (any container).
- Class VI: Arrangement of flowers or any other plant material (vegetables, fruit, or dry materials, any container).
- Class VII: Special arrangements for Garden Club Members only (accessory permitted) Mexican Theme, Church.

**Rules Of The Show**

- 1. Exhibitors should have their entries at the Mayo Motor

Building by 10 a. m. on Sept. 30, 1950.

2. All entries will be judged if classified and in place by the judging time which is 11 a. m.

3. An exhibitor should have only one entry in each class.

4. The show is not limited to Garden Club Members. All who are interested in gardens and flowers are cordially invited to exhibit.

5. The flower show will be open to the public from 1 a. m. to 6 p. m.

6. All flower containers are to be provided by the exhibitors.

7. The flower show committee will not be responsible for any container or other properties left at the flower site.

8. Entries must remain in place until 6 p. m. and must be removed by 6:30 p. m.

**High School PTA Hear Teen Agers Discuss Standards**

The High School P. T. A. met Monday Night September 25 at the High School building at 7:30.

Hershel Carthel, president, presided over the meeting which opened with a group singing of "America."

Following the business meeting a round-table discussion on "Where Do Teen-Agers Get Their Standards" was heard. It was led by Rev. N. S. Daniel and the following students participated: Sid Thomas, Barbara Carthel, Mary Jones and Jimmy Myers.

Mrs. Joe Holt gave a piano selection. A large group attended. It was agreed that the P. T. A. meetings would be held at the High School every second and fourth Monday Nights at 7:30.

Watch your expiration date.

**Lockney People See--**

(Continued from page 1) quickly extinguished by the local fire department.

Rains did not accompany the twisters but a deluge fell in the area along the Floydada-Silverton highway Monday afternoon and also hail fell in that area to further damage crops. The rain there and in the Muncy community southeast of Lockney was reported to have measured up to four and five inches in some places. It fell quickly and flooded the entire area, covering the highways in several places.

Tuesday water still stood over the Floydada-Lockney highway in one place.

Rains fell here Saturday night, Sunday night and Monday afternoon and night to bring the total rainfall to more than two inches for the period. Skies cleared Tuesday and Wednesday and farmers were hoping for a continuation of warm, dry weather.

An electrical storm accompanying the Monday night rain did some damage, striking a pressure system on the France Carthel farm and destroying the switch and breaking an electrical line of the Southwestern Public Service Co. in the Sterley area and disrupting service for perhaps half an hour.

Dinner guests in the home of Mrs. C. D. Kelley Sunday were her sisters Mrs. Hubert Carzine, Ray Joe and Marnell and Mr. and Mrs. R. B. Graham, all of Clovis, Bill Quaddelbaum, Joe Keeter, and Ewell Dee Kelley.

Mrs. R. E. L. Stutts returned Monday night from several weeks visit with her daughter at Victoria, Texas and other relatives in that area. Her daughter returned home with her for a visit here.

**MRS. JEFFCOAT RETURNING**

Mrs. Cleatis Jeffcoat is expected to return home Friday of this week from a Dallas hospital

where she underwent a serious operation recently. Her condition was reported to be improving this week.
