

in Bureau Campaign Is On

Membership solicitors for the county Farm Bureau were busy this week, despite the cold weather and memberships were being secured right and left, according to reports reaching The Lockney Chairman. A. S. Wether along with W. E. and Horton Howell were busy with memberships in town and other groups were working in rural areas. George Turley reported that memberships were being secured around Aiken Tuesday. Hubert Frizzell reports community already goal.

if Dinner attended
Membership drive kick-off was exceedingly well attended Monday night with Secretary Quebe reporting were served. The dinner at the Lockney Grade cafeteria and the solicitors their wives were present with several guests.

of the evening was a dirt farmer of County and a member of directors of the County Farm Bureau. n is very active in farm work.

Floydada Concert Monday Night

Members of the Floydada Municipal Concert Association can mark down Monday, Feb. 19, as a red letter day in their engagement books. On this date, Jean Graham, America's loveliest young pianist will be presented in a recital at the Floydada High School Auditorium. The concert starts at 8:00 o'clock.

The career of this remarkable young artist has been marked by growing achievements and she has been notably favored by critics and laymen alike. Jean Graham first played a piano at the age of 5 and won her first public award at 6. A succession of First Prizes followed — among them the Edgar Stillman Kelley Scholarship Award of the National Federation of Music Clubs, the Chicago Young Artist Association Award, the bronze medallion for musical excellency given by the Women's International Exposition in New York City, a Juillard School fellowship and the Leveritt Foundation Award in 1949.

As the winner of this coveted honor, Jean Graham appeared as soloist with the New York Philharmonic and went on to appearances under such great conductors as Stock, Ormandy, Thor Johnson, Stokowski, Hilsberg and Fielder.

She has appeared on all series at the famed Garden Museum in Boston since her debut in 1950 and has toured extensively in the East, South and Midwest.

The nation's leading critics have acclaimed her as the possessor of "personal temperament with the unusual strength to project it" and "an incredible pianist with a brilliant as well as lyrical persuasiveness." Her favorite composers are Bach, Ravel, Chopin, Liszt, Saint-Saens and Beethoven, and she brings to each a sure knowledge of the technical problems involved. Her musical introspection causes her to communicate to the fullest the intent of the composer, and the listener will find that the music has been not merely performed for him but rather revealed in its full glory.

Jean Graham may be an introspective artist, but she is a radiant healthy extroverted young girl. Her favorite occupations, aside from her music, are hiking and swimming, and her standard breakfast on the day of a concert is the thickest, juiciest steak she can find.

As pretty as she is gifted musically, Jean Graham is looking forward to her first concert with audiences in Floydada.

Fire Dept. To Have "42" Party

The Lockney Volunteer Fire Department will sponsor a "42" party at the fire station on Friday night, Feb. 23, it was announced this week. A charge of \$1.00 per couple will be made and proceeds will be used to buy baseball suits for the boys.

Everyone who enjoys "42" are invited to attend the party.

Mr. and Mrs. Lee Lindemann of Minot, N. D., are here visiting in the home of Mr. and Mrs. G. M. Brunner. The two families are old friends, both having lived in Kansas at one time.

Mr. and Mrs. Johns Cox, Nova Jean and Wanda Mae and Marilyn Anderson visited Mr. and Mrs. Pepper Martin near Plainview Saturday night. Mr. Martin has been ill since Thursday.

Hot One Day, Cold The Next!!

The temperatures went from one extreme to another here this week, the maximum-minimum thermometer kept by Joe Holt showing a difference of 64 degrees in the high temperature Monday and that of Tuesday. The high on Monday was 84 as it had been the two days previous, while the high on Tuesday was 20.

The norther of almost blizzard proportions which struck here Tuesday was accompanied Tuesday night by between two and three inches of snow but the snow will be of little if any value from a moisture standpoint since it drifted and did not stay on the wheat fields. The snow was a powdery substance also and it would take quite a bit of it to measure an inch of moisture.

The high and low temperature each day as shown by Mr. Holt's thermometer was:

	Max.	Min.
February 8	78	24
February 9	76	28
February 10	84	24
February 11	84	24
February 12	84	43
February 13	20	18
February 14	24	14

Local schools were dismissed here Wednesday but were scheduled to be back in operation Thursday. Supt. Reeves said that the school buses would be unable to make some of the east-west roads but that they would make at least a part of their route.

REAL ESTATE TRANSFERS

J. H. Widener to Loyd L. Widener, 280 acres out of section 84, block D-2.

M. H. Ragle and wife to Bertha Smith, 60x160 feet out of N. B. Davis survey No. 9, block SC, Abstract 590, in town of Lockney.

Fannie Jones to Hazel Mitchell, one-half interest in east one-half of northwest one-fourth, block C.

Fannie M. Spears and V. E. Spears to David Jackson, lots 7, 8, 9, and 10, block 2, Day addition to Lockney.

L. H. Wood to T. J. Buske, 2 1/2 acres out of southeast one-fourth, survey 84, block D-2.

WATT GRIFFITH HOME FROM HOSPITAL

Watt Griffith, who has been in the Plainview Sanitarium for several weeks, returned home Wednesday afternoon, February 14. Mr. Griffith is improving steadily, it was reported.

9,800 Feet Is Depth For Test

The projected depth of the wildcat oil test near Cedar Hill was announced at 9,800 feet or pay this week. This depth is to explore the Ellenberger. It was said.

The well will be drilled by Houston Oil company and reports here were that machinery was scheduled to be on the ground by March 1. The location is on the John S. Lackey land, 12 miles east and one mile north of Lockney.

The contract calls for Houston Oil Co. to drill the wildcat to 8,000 feet regardless of what show of production may be encountered above that point. The 8,000 foot project is calculated to allow a test of the Pennsylvania limes.

Joe Reeves Lambs Hit Record High

It appeared this week that at last Joe Reeves' luck had turned for the better. A shipment of Joe's good woolled slaughter lambs average 99 pounds topped the all time record high market price for that class at the Fort Worth market Thursday of last week. The price paid was \$37.

To make the price even more lucrative, Joe raised the lambs himself.

Joe has been the victim of a series of accidents and bad luck recently. About two months ago he fell from the top of a feed stack, breaking his arm and chipping some of his teeth. He was recovering from that when he took the mumps and was confined to his home. Then last week a butane explosion wrecked his home and put he and Mrs. Reeves along with Albert Willis in the hospital.

Joe is hoping that the high price he received for his lambs is an indication that his misfortune is at an end.

Open House Held In Frizzell Home

Over 200 guests registered at the open house Sunday afternoon Feb. 11 from 1:30 to 5:30 held by Mr. and Mrs. H. E. Frizzell in their new brick home north of Lockney.

G. B. Johnston Jr. greeted guests at the door and Mr. and Mrs. A. E. Frizzell and Mr. and Mrs. G. B. Johnston assisted Mr. and Mrs. Frizzell in showing the house.

MARRIAGE LICENSE

County Clerk Margaret Collier has issued the following marriage license:

Feb. 10—John Christian Gramstaff and Dorothy Jeanne Battey.

DONKEY BALL GAME HERE
—Pictured here is a typical scene from the scheduled donkey basketball game which will be played in the local gym next Tuesday night, Feb. 20. Local players will ride the donkeys and play the game.

Grayson Tate Hurt In Korea

Lieut. Grayson Dee Tate was seriously wounded in Korea on January 30, according to information received here by friends of the family the past week.

Lieut. Tate is the son of Mr. and Mrs. G. D. Tate of Denver City. The family formerly lived here and Mr. Tate served as high school principal for a number of years. Lieut. Tate graduated at West Point Military Academy last year and has been in service in Korea several months. He was outstanding in athletics.

A letter from Mr. Tate to Mr. and Mrs. Marvin Cox of Lockney tells of the incident:

"I don't have much time to write, but wanted to let you know that we had a letter from Grayson yesterday telling us about his wound and I wanted to pass the information on to you.

"Grayson was serving as forward observer for his company and was leading a charge on a hill occupied by the Chinese somewhere between Suwon and Seoul when a Chinese artillery shell exploded right near him. Five other boys were killed instantly and four others were critically wounded within fifteen feet of him. Grayson received a serious and painful thigh wound. He caught a large piece of shrapnel on the top part of his thigh which sliced away the bigger part of the big, long muscle there. He was fortunate in that the large artery, nor large nerve was not broken either. The doctors told him he would be in bed a long time and would probably have to learn to walk again.

The only thing the doctors worried about is whether or not the wound will close—it is such a large place they told him it might require grafting later on. We feel very fortunate that it is no worse than it is.

"The letter was written from aboard a large hospital ship 'The Consolation' anchored in Pusan harbor. He said the ship would leave for Japan as soon as it picked up a load of the badly wounded men. He is probably in Japan now. He received immediate medical attention after being hurt. He said a medic was there in a matter of minutes and administered morphine and put a tourniquet on his thigh, then called the litter bearers who took him down the hill and to the ambulances and first aid station. We are very thankful for the way he was taken care of."

Rev. and Mrs. E. J. Cobb and family have as guests in their home this week, Mrs. Cobb's mother and father, Mr. and Mrs. L. D. Camp from Plains, Texas.

Neighbors Plow Reeves Land

Eleven neighbors gathered Monday morning at the home of Joe Reeves in the Sterley community and chiseled his land for him. Joe is in the local hospital as the result of a gas explosion at his home recently. Previous to that he had suffered a broken arm in a fall and had taken the mumps.

The neighbors chiseled the land twice and got it in good shape, it was reported here. Those helping in the "good neighbor" project were Bryan Smith, Robert Lee Smith, Bob Crawford, Leslie Ferguson, Jim Bert Bobbitt, Loran Rhodes, Gene Belt, Mason Davis, Kenneth Wolford, Elmer Sandusky and C. L. Henderson.

Girls Play Paducah In District Play-Off Monday Night

The Longhornettes, Lockney high school girls basketball team, will enter the district play-off next Monday night at Wayland Gym, Plainview. They play Paducah the first game.

Other teams in the tournament are Tulla and Spur. The play-off will be held Monday, Thursday and Friday nights with each team playing one game each night. The high teams will enter the regional tournament.

The Lockney girls and Tulla girls are representing the north half of District 3-A while Spur and Paducah represent the south half.

Baptist Workers To Meet At Cone

Floyd County Baptist Workers Conference will meet with the Cone Baptist Church on Tuesday, Feb. 20, it was announced this week. The Floyd County Association includes Baptist Churches in Floyd, Briscoe, Crosby and Motley counties.

The day's program will begin at 10:00 a. m. and will be concluded about 3 p. m. Lunch will be served at noon by the Cone church.

Rev. Clifford Potts of Matador will preach the sermon of the day on "Personal Soul Winning" at 11:35 a. m.

Farmers Should Test Germination Of Cotton Seed

Farmers should test the germination of any cotton seed they may have on hand now, local gin men warned this week. If the germination is poor and the farmer waits until planting time to test them, he may find himself short on seed. A considerable part of the cotton seed from last year's crop has poor germination qualities, it was said.

Ginners also urged farmers to buy their seed early as possible if they do not already have them.

Legion To Sponsor Heart Drive

The Landrum Post of the American Legion is sponsoring the annual American Heart drive for funds in Lockney, it was announced this week. The funds are used in research as to the cause of heart ailments.

Local citizens are urged to donate generously to the fund through containers which will be found at a number of business houses here.

COURT TO AUSTIN FOR HEARING

County Judge Frank L. Moore with one or two Commissioners from Floyd County attended a hearing in Austin Tuesday night on the Callahan-Graham House Bill 226 which proposes to take from counties their half of the assumption fund surplus and abolish the \$15,000,000 annual Colson-Briscoe fund for rural roads.

Local people are opposing the bill since this county receives a round \$25,000 annually from the fund.

Longhorns Lose To Spur In District Play

The Lockney Longhorns lost their first game in the District 3-A play-off round robin at Lubbock Tuesday night. The Spur Bulldogs defeated them 41 to 37 after the Longhorns had lead most of the game.

It was a heart-breaking game to lose. The Longhorns jumped into a quick lead and led at the end of the first quarter 7 to 3. They had a 13 to 7 lead at the half time and were leading 22 to 19 as the final quarter began.

The locals were playing tight, never being able to relax and really cut loose as they usually do. The strange gym and the unfamiliar oval-shaped backboards probably were some disadvantage to them.

Joe Cunyus was high point man for the locals with 12 points and Sid Thomas made 8. Durham made 12 for the Bulldogs.

The Longhorns will play Crosbyton Thursday night at the same place and on Friday night will play Abernathy. Crosbyton lost to Abernathy 47 to 20 Thursday night. Spur and Abernathy will also play Thursday night and Spur will play Crosbyton Friday night. The two high teams at the close of the round robin will enter the regional tournament.

Defeat Tulla
The Longhorns earned the right to go into the district play-off by soundly defeating the Tulla Hornets in the local gym last Friday night. The score was 50 to 30 in favor of the locals with Sid Thomas making 20 and Cansler of Tulla making 10. The Longhorns made 10 out of 14 free tosses for 72% while Tulla was making 8 out of 26 for 30%.

Local players included Don Bartram, Joe Cunyus, Barry Thompson, Pat Frizzell, Orland Gilbert, Bill Sherman, Doug Meriwether and Sid Thomas.

The B team also won over Tulla, that score being 50 to 28. Don Bartram made 16 while Doug Meriwether made 10 for the Longhorns. Nelson made 11 for Tulla.

Girls Win
The Longhornettes made it a clean sweep by defeating the Tulla girls 25 to 16. Elizabeth Handley made 9 points for the local girls while June Wiley and Velma Seale made 8 each. Webb made 9 for Tulla.

The Lockney guards, Nelda Schaffner, Pat Poteet and Pat Pylant were outstanding in their work, holding the Tulla forwards to a minimum of points. Nelda was exceptionally good in keeping the tall Tulla forward from scoring and in taking the ball from the backboard.

Consumers Re-elect Directors Wednesday

Consumers Fuel Association of Lockney in annual meeting here Wednesday afternoon re-elected two directors and heard a auditor's report by Edwin Merriman of Lubbock.

Re-elected were Henry Schacht and Hubert Frizzell. Holdover directors are Paul Cooper, Buck Sams and Guy Sams.

COUNTY COUNCIL TO MEET SATURDAY

The Floyd County Home Demonstration Council will have its regular meeting at 2:30 Saturday, February 17, 1951 in the County Court Room at Floydada.

EDITORIAL

The earth is the Lord's and the fullness thereof; the world and they that dwell therein.—Psalm 24:1.

Old Man Weather is dealing West Texans and Texans in general a lot of cold, disagreeable weather this winter but the experts say that this kind of weather, in reasonable quantities, tends to improve the race. We shall wait and see the results of this winter's temperatures.

Congratulations to Coaches Curtis Kelly, Bill Birdwell and the Longhorn basketball team upon their gaining a place in the district play-off. We're backing the boys to come through

this week and win a place in the regional meet.

An exchange notes that we have 10,000 laws on the statute books of this country trying to enforce the ten commandments.

The experts are still guessing about the election of Taft in Ohio. Author and defender of the Taft-Hartley labor law, it was predicted that labor would snow Taft under in his vote for the Senate. It seems the rank and file of the labor group didn't vote as the labor leaders talked. The count of votes not only put Taft over by a big majority but also raised in the thinking of the public a new appreciation of the Taft-Hartley labor bill, concerning which most people appear to have a fuzzy idea. Taft lost only four of Ohio's 88 counties in his battle for re-election. His 1950 vote margin was 430,879 compared with a mere 17,000 in 1944. Taft carried the big industrial cities of Cleveland, Cincinnati, Toledo and Akron.

If you get behind a car Saturday evening that is poking along as though the driver was window shopping from the car window the chances are he isn't. He is looking for a place to park.

A thing to remember when we are inclined to get too harsh about this Korean war: China and Russia are right on the ground, but we have to move troops and supplies 7000 miles to get to the spot where the fighting is in progress.

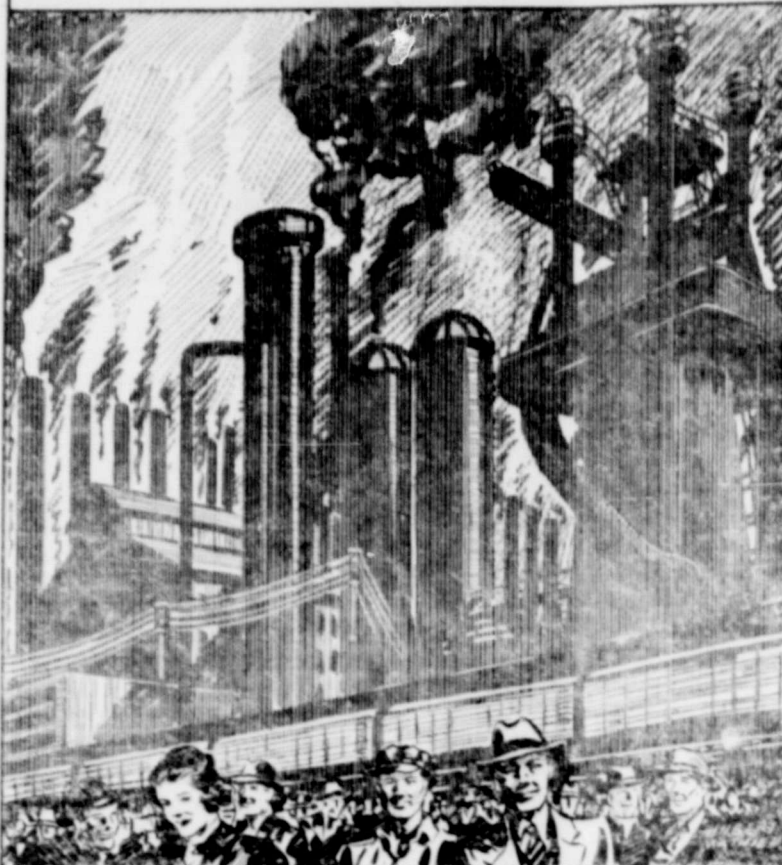

In the recent election four states voted down propositions to legalize gambling, in one form or another. The states were California, Arizona, Massachusetts and Montana.

General Dwight Eisenhower has publicly announced that he believes universal military training as the fairest and best military preparation for this country.

How a young man spends his money depends on whether he earned it in the good old-fashioned way or whether he wheedled it out of dad or mom.

OUR DEMOCRACY — by Mat THRIFT FORGES THE TOOLS

THE SAVED MONEY OF MILLIONS OF PEOPLE PROVIDES THE IMPLEMENTS OF PRODUCTION—THE PLANTS AND MACHINES THAT MAKE AMERICA'S INDUSTRY POTENT IN PEACE AND MIGHTY IN NATIONAL DEFENSE.

UNDER OUR SYSTEM OF INDIVIDUAL OPPORTUNITY, THESE THRIFTY PEOPLE, THROUGH THE INVESTMENT OF THEIR SAVINGS, ARE THE OWNERS OF A PRODUCTIVE EQUIPMENT UNRIVALED BY ANY OTHER FORM OF ECONOMIC ORGANIZATION—A POWER CREATED BY FREE MEN, AND A FORCE TO KEEP THEM FREE.

With Our EXCHANGES

THE NATION COMES FIRST

The other day a group of the nation's most powerful labor czars called on Defense Mobilizer Charlie Wilson and told him how he should do his job.

Mr. Wilson then told them to go fly a kite—which is exactly what he should have done.

There has been occasions, too, no doubt, when industrial nabobs, or captains of Big Business have told Mr. Wilson what he should do, when and how he should do it. If there haven't been such occasions, there will be—and what Mr. Wilson said to the labor bosses should also be said to their counterparts in business and industry. If Mr. Wilson is as advertised, he will not take dictation from any group—including politicians. Instead he will run his job to the best of his judgment and ability, or he'll get out and go back to General Electric where he has better, more pleasant and more remunerative employment.

Charlie Wilson isn't supposed to "take care" of the CIO, or AFL bosses. He is not beholden to Big Business, Little Business, to Republican or to Democrats.

His job is to hasten preparedness, solely to protect the nation from successful attack by Russia and its satellites—not to be sure that the blondes, or the brunets are given "breaks" or that the bowlegged citizens are assured advantages over their knock-kneed brethren.

It shouldn't take another Pearl Harbor, or a string of them, to convince the highly organized selfish groups in this country

that we must either work together, or fall together.

We hope it won't take another such national tragedy to make all and sundry understand that this is no time for petty selfishness on the part of any individual, or collection of individuals.

Charlie Wilson is said to be both tough and able.

His record indicates he is both. Let us hope he is—and that he will, if necessary, whiplash all and sundry into line who haven't the sense, or decency, to get in line and stay there.

If he does, he'll have public opinion solely behind him—and there are still more than enough Americans outside the CIO, AFL, Big Business and politics to have their way.—Lubbock Avalanche

HURT HER, WOULD YOU?

Today my daughter, who is seven years old, started to school as usual. She wore a dark blue dress with a white collar. She had on black shoes and wore blue socks. Her cocker spaniel, whose name is "Scoot", sat on the front porch and whined his canine belief in the folly of education and she waved "good-bye" and started off to the halls of learning.

Tonight she talked about the school. She told me about the girl who sits on front of her... the girl with yellow curls... and the boy across the aisle who makes funny faces. She told me about her teacher, who has eyes in the back of her head, and about the trees on the school yard, and about the big girl who doesn't believe in Santa Claus. We talked about a lot of things... tremendously vital, unimportant things... and then we studied spelling, reading and arithmetic, and then to bed.

She's back there now... back in the nursery... sound asleep, with "Princess Elizabeth" (that's her doll) cuddled in her right arm. You guys wouldn't hurt her, would you? You see, I'm her daddy. When her doll is broken, or her finger is cut, or her head gets bumped, I can fix it, but when she starts to school, when she walks across the street, then she's in your hands.

She's a nice kid. She runs like a deer and darts about like a chipmunk. She likes to ride horses and swim and hike with me on Sunday afternoon. But I can't be with her all the time... I have to work to pay for her clothing and her education. So, please help me look out for her. Please drive carefully. Please drive slowly past the schools and intersections. And, please remember that children run from behind parked cars.

Please don't run over my little girl.—Muleshoe Journal.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

April 15, 1909

The plans for Rural Route No. 1, running north of Lockney, are beginning to take tangible shape. Postmaster Howard says he is confident the necessary three-fourths of the hundred families will take boxes and gates will be moved.

Mrs. C. M. Alford and Misses Annie and Marnie boarded the train Tuesday morning for Channing where they will visit some thirty days with Jim Sheppard and family.

J. L. Norris has just bought an up-to-date confectionary stand and will occupy the Byars building with the same soon. R. L. Underwood will be manager.

Sunday afternoon last, accompanied by a large number of friends, Frank Dodson and Miss Ida Griffith drove to Floydada and there were married. Judge F. P. Henry officiating. After the ceremony the young couple and their friends repaired to the Floydada Hotel where supper had been prepared for them.

Do Colors "Do Something" For You?

College Station.—Do the colors in your wardrobe really "do something for you"? Nena Roberson, associate clothing specialist with the Texas A. & M. College Extension Service, says that a person should make the most of his or her skin, hair, and eyes by wearing the colors that are right.

When a color is repeated, Miss Roberson explains, it becomes brighter. For example, a bright yellow dress makes a sallown complexion more noticeable. On the other hand, a bright blue dress may make bright blue eyes seem dull because the dress overpowers the color of the eyes. A lighter tint or darker shade helps to bring out the color of a person's eyes.

Miss Roberson warns that bright colors and white make a person look larger. Color can even match personality, she believes. A timid, shy person may wear becomingly a slightly dull color trimmed in bright colors.

Blondes should wear colors, the clothing specialist adds, that make their hair seem more golden. Blues, dark greens and violets are suitable in this case. Redheads should avoid red and red-violet, violet, white, and, in fact, any extremely bright colors. An olive-skin brunette can be sure of appearing attractive in dark reds, red-orange, red-violet, colorful brown, beige and deep wine. She should avoid bright blues, greens and purples. Pure white and gray or colors lighter than the skin are not recommended either.

The clothing specialist adds that "in-betweens", that is, those with fair skin and dark hair with blue, green or gray eyes, or those with fair skin, brown hair and brown eyes, have special colors complimentary to them, too. The type first mentioned should look for bright green, blues, blue-greens, and violet. The second "in-between" type should seek dark rich red-violet, red and red-orange, bright beige, brown and eggshell. Colors to avoid would be bright blues and greens, as well as black.

Miss Ruth Crocker spent last week end visiting with her parents in Tullia, Mr. and Mrs. J. R. Crocker.

Mr. and Mrs. Frank Perkins visited with friends in Lubbock Sunday, February 11.

Articles made of nylon should be washed frequently. Any of the commonly used household soaps can be used. Handwashing is recommended for the delicate trimmings. Squeeze the suds through the fabric, rinse in warm water, squeeze out excess moisture and hang to dry.

Aiken News

By Mrs. R. C. Rogers

Mr. and Mrs. Dorman Lewis of Amarillo were week end guests in the home of Mr. and Mrs. Haroee Seago, Charlotte and Cherrei.

Mr. and Mrs. Marshall are the proud owners of a new Chevrolet. Mr. and Mrs. Forrest Mickey and family have moved from the Paymaster farm to the house formerly occupied by the Herman Stoves.

Now—How about traffic on the Santa Fe?

With the cooperation of our officers, and of the employees who remained at work, Santa Fe managed to keep thousands of freight cars and all its passenger trains moving during the "outlaw strike" which began January 30th and which so severely crippled our country's rail transportation. Santa Fe could not, of course, operate at its top efficiency.

Now vital supplies, which have been piling up in freight terminals during the past several days, are starting to move.

A complex situation

There is one point, however, we know the public will understand. So complex a thing as America's transportation system cannot be turned off and on like a water faucet.

Thousands of "car days" were lost due to freight cars standing still. Even though cars are now moving it is bound to take a while before congestion

is relieved and delayed cars are unloaded at their destination.

Santa Fe was able to deliver more cars to other railroads than other railroads delivered to Santa Fe. Consequently, Santa Fe now has substantially less cars on its rails than when the "outlaw strike" began. Naturally, this will result in a shortage of cars until this complex situation has been cleared.

A word to our shippers

We are doing everything possible to speed up the return to normal. We ask, however, that shippers who now need cars bear with us during this period.

Santa Fe expresses its thanks to its shippers and passengers for their patience and understanding during the trying times we have all just passed through—and also to all our people who cooperated in this emergency, many of them responding beyond their normal call of duty.

EASTERN STAR BEGINS STUDY

The Eastern Star has begun a study course at the O. E. S. Hall every Wednesday at 2:00 p. m. Everyone that is interested in the course is invited to attend.

Mr. and Mrs. Arch Crager left last week for Weslaco where they will spend several weeks.

THANK YOU

We know of no better way to reach you than to say "Thanks for everything." We are so grateful to all of you for your help during and after the disaster at our home, and the splendid follow-up with your neighborly visits and the array of flowers. May God bless each of you. Joe and Ruth Reeves.

SOCIETY

Mrs. E. J. Cobb Entertains With Valentine Party

Mrs. E. J. Cobb entertained the Priscilla Sunday School class of the First Baptist Church Thursday night at 7:30 in her home.

The regular business meeting was held and several valentine games were played among them being heart exchange and duel.

Refreshments of hot chocolate and little cakes were served to the following members: Mmes. Rhea Mitchell, Bruce Rich, J. C. Thomas Jr., Edward Smith, John Parker, Ross Cooper, Thomas Marr, Glenn Mitchell, Wayne McClain, Thurman Thomas, George Ramsey, Don Murphy, Jack Morris, Udell Cunningham, Tom Moore and Mrs. E. J. Cobb.

SOUTH PLAINS CLUB TO MEET FRIDAY

The South Plains Community club will meet Friday night of this week at the school house, it was announced by Mrs. Art Willis, president. The meeting will start at 7:30.

Mrs. Willis said that the club would hold play practice and also reminded everyone to bring card tables and dominoes.

Mr. and Mrs. Jesse Harris and children and J. J. Harris visited with relatives in Snyder and Lorraine Sunday.

Mrs. Bill Wisdom Complimented Sat.

Saturday afternoon, February 3, Mrs. Bill Wisdom was complimented with a bridal tea shower in the home of Mrs. Glenn Watson.

The guests were greeted by Mrs. Watson and presented to Mrs. W. C. Wisdom, mother of the groom, and Mrs. Bill Wisdom, honoree, who were in the receiving line.

Yellow and blue were emphasized in the party room decorations. The refreshment table was centered with a bouquet of Jonquils and fern and covered with a lace cloth over yellow. Mrs. George Turner Jr. served Russian tea and Mrs. Floyd Huff the cake squares, which were decorated with flowers in yellow and blue. Mrs. Austin Meriwether presided at the bride's book.

Josephine Smith and Mrs. D. D. Tate presided in the gift room. Approximately 50 guests registered or sent gifts during the hours of 3:00 to 5:00.

Hostesses were: Mmes. Lloyd Wofford, Clyde Sloan, D. D. Tate, Austin Meriwether, Dan Teuton, Jake Smith, George Turner Jr., Robert Lee Smith, Bill Watson, Floyd Huff, E. C. Bennett, Barney Manning, Leon Wofford, Josephine Smith and Mrs. Glenn Watson.

Mrs. Ray Cannon left Tuesday morning, February 13 for Phoenix, Arizona after spending some time here visiting Mrs. Minnie Cannon.

Johnny Chandler And Barbara Chandler Honored On Birthday

Mrs. John Chandler honored her little son, Johnny Ed and little niece, Barbara Chandler, daughter of Mr. and Mrs. Carl Chandler, with a birthday party on their fourth birthday Saturday afternoon, February 10.

Several games were played and then ice cream and cake were served to the guests. Each honoree had a birthday cake with four candles. Favors were little baskets filled with candy. Forty guests were present.

Those attending were: Cecile Cox, Barbara Cox, Wayne Cooper, Elaine Cooper, Glenn Henderson, Charles Henderson, James Davis, Donnie Jackson, David Ray Jackson, Shirley Ann Martin, Allen Martin, Coy Martin, Gary Bob Chandler, Bobbie Miller, Pat O'Brien, Gerald Chandler, Teddy Bob Cooper, Carol Cooper, Kathy Chandler, Diana Allison, Carol Chandler, Billy Hays, Jan Chandler, Linda Lucas, Frances Dunavant, Neil Cunyus, Eva Chandler, Nora Henderson, Glenda Gayle Cooper, Barbara Hays, and Edith Cooper.

Mmes. J. B. Chandler, Cecil Cox, Clyde Lucas, Edd Martin, Glen Cooper, Bob McAninch, David Jackson, Joe Jackson, and Edd Chandler.

Lone Star Home Demonstration Club Meets

The Lone Star Home Demonstration Club met Tuesday afternoon, Feb. 6 at 2 p. m. in the home of Mrs. Bailey Henderson.

Roll call was answered with my favorite laundry trick. Mrs. C. L. King gave a demonstration, on making dress belts. Mrs. W. T. Rankin gave a report on the poor conditions in our Mental Institutes of Texas.

Lovely refreshments were served to Mmes. H. E. Frizzell, D. J. Phillips, Shorty Hartman, A. O. Foster, M. O. Peugh, W. T. Rankin, Slaney Rogers, M. A. Martin, I. O. Graves, Jesse Lovvorn, Weldon Graves, G. B. Johnston, C. L. King, E. O. Barrett, W. D. Nance and the hostess, Mrs. Bailey Henderson.

The next meeting will be in the home of Mrs. W. D. Nance Tuesday, February 20th.

BUSY MOTHERS CLASS HAS ALL DAY SOCIAL

The ladies of the Busy Mothers Class met in the basement of the Methodist Church, Tuesday, for their regular all day social and quilting.

Lunch was served at noon and in the afternoon the Devotional was presented by Mrs. Delbert Bybee. Mrs. Pearl Hall gave the closing prayer.

Ladies attending were: Mmes. T. T. Threet, Pearl Hall, J. H. Weathers, Laura Stinbough, Paul Cooper, Henry Easley, Frank Dodson and Delbert Bybee.

Mr. and Mrs. Johns Cox and Nova Jean were dinner guests of Mr. and Mrs. Pepper Martin of Plainview, Tuesday. Afternoon guests were Mr. and Mrs. Mark Martin.

Mr. and Mrs. Mark Martin and Mark Wade Merrell spent Sunday near Plainview with their son and daughter-in-law, Mr. and Mrs. Pepper Martin.

Lee's Poultry Remedies

You will find at Powers Pharmacy a full poultry remedies. Here's a few of them and

GERMOZONE

Used in poultry drinking water to help prevent disease and for sanitation.

ACIDOX

Also used in the drinking water to control Cecal Coccidiosis.

LEEMULSION

Also used in the drinking water and soothes and reduces irritation in the air passages like a cough medicine for humans.

VAPO-SPRAY

Used in a spray-gun, this Lee product is the whole flock in the prevention of disease passages.

GIZZARD CAPSULES

Feed to the chickens to rid them of gizzards. Capsules are measured doses for each bird.

LOUSE POWDER

Based on DDT and Micro-mesh Sulphur will give very rapid action in ridding your poultry of lice.

FLOCK WORMER

Controls the large round worms and mixed with the feed and is very effective.

PICKPASTE

For controlling cannibalism among the birds. Pickpaste is pulvisive to the fowl and prevents the birds from pecking at each other.

PERCH PAINT

Controls body lice and feather mites, on perch and it will do the work.

MITE KILLER

Used in a spray gun, you spray it in poultry houses to control mites and blue lice.

TONAX

A tonic and conditioner used in poultry will supply your birds with blood-building trace minerals that they need.

SULFA-MERAZINE

One of the sulfa drugs now converted to a powder for use in poultry.

Ask us for a FREE BOOK describing various poultry diseases and how to care for poultry and give remedies for their diseases.

BOY SCOUT NEWS

There will be a meeting of the newly organized Explorer scouts of Lockney on Friday night, Feb. 16, at the scout hut just south of the city auditorium. Time for the meeting is 7:30 p. m. sharp. All member explorers are requested to be present, and to bring another boy, age 14 or over, who would like to learn of the plans and activities of the local explorer post and perhaps join the new unit. Plans for a special tour of the New Mexico mountains and a visit to camp Philmont, N. M. will be announced. Explorers will qualify for this and other tours, camps, rendezvous, etc. on a point system which will be put into immediate force.

All boys in the community who are age 14 or older are eligible for membership in the new organization if they can meet the requirements of Exploring. Young men who are not now explorers are cordially invited to attend this special meeting. Among the many phases of training to be offered the young men in the organization are: Emergency mobilization for civilian defense in event of disaster, training in giving and receiving orders similar to present military procedures, ability to get along well with other people, and exploring various businesses and professions as a vocational guide for young men, to name only a few.

Teen-age young men have always been in an awkward position; too old for "kid stuff" and not quite old enough for adult behaviour. The new program of exploring is specifically designed to give them the things they want to do by providing a good sound organization and program of exploring the new life into which they will be thrust in a very few short years. Parents, teachers, preachers, and others interested in this program are always welcome to attend these meetings and become familiar with

the aims and ideals of Exploring. We welcome anyone to visit us during this meeting, and also welcome any suggestions or criticisms concerning our Post and its program. —Reporter.

Stop For School Bus Or Get Fined

Local motorists were warned this week by officers that unless they began observing the state law that requires a motorist to come to a halt before passing a school bus, they would start receiving traffic tickets. Some have been failing to observe this law, officers said, and as a result one or two school children came very near being run over by a car. The law requires that when a motorist approaches a school bus that has stopped and is discharging pupils, the motorist must come to a full stop just before reaching the bus and then may proceed at a rate not exceeding 10 miles per hour until

he has safely passed the bus. Some people have failed to come to a stop, passing the bus at a fast and dangerous speed, it was said.

Mr. and Mrs. L. T. Busby, Nettie Hancock and children spent Sunday in Amarillo visiting with Mr. Busby's mother.

There are 409 rooms in the Texas capitol building.

Texas Venture
In Education • 1876-1951
Our first state college—Texas A. and M. is now in its seventy-fifth year

Believing that every Texas boy of outstanding ability should have a chance to get a college education if he really wants one, former students of the A. and M. College of Texas five years ago made up a fund to finance their first Opportunity Awards. They offered any Texas boy who graduated from high school with an excellent record and who could not go to college without financial assistance a chance to win a scholarship paying \$300 to \$400 a year plus a student job if he needed it, to help him through college. Selections were made on the basis of scholarship, character and need, with a competitive examination as the deciding test. Sixteen boys won Opportunity Awards the first year and have graduated from A. and M. with outstanding records. Many Texas leaders have become interested in the plan and have given scholarships. This year there are 200 Opportunity Award boys in school at A. and M. from all over the state. One of the newest of these scholarships was financed by gifts from the current student body of the college.

Irick News

By Mrs. Cloyce Chambers

Visiting in the R. J. Battle home this last week end were Mr. and Mrs. A. S. Jones, and Mr. and Mrs. Carl Jones from Grady, N. M. Joining them Sunday were Mr. Battle's cousin and family, Mr. and Mrs. Homer Long and son, Jimmie, and Mrs. J. B. Long from Lubbock.

Mrs. R. J. Battle left Monday for a three day visit with the J. E. Watson's of Floydada.

Mr. and Mrs. Gilbert Roberson from Olton spent Saturday night with the Wallace Allens. Mr. and Mrs. J. B. Allen from Plainview ate Sunday dinner with them.

Mrs. C. E. Blair has as a guest in her home this week, her father, E. W. McMurtrey from O'Donnell, Texas.

The Lockney Methodist minister, N. S. Daniel, his wife and son, Philip, ate dinner with the Oliver Humes family Sunday. Other visitors included Mr. and Mrs. Delbert Aldredge, Ronnie Harris, Kenneth and Bobby Holt, from Lockney.

Mr. and Mrs. Arnold Banks are building them a new home in the northwest side of Plainview, located on the Plainview-Dimmitt highway. Mr. Banks said that they hope to have it ready to

occupy by April. We will hate to lose them from our community.

Mrs. Sam Moore is ill this week with the mumps.

Marvin Widener and his family, which consists of a daughter and a son, have moved to our community from Portales. They are living at the place that Mace McPherson's family recently vacated. Mr. Widener's wife was burned to death two years ago in a fire at Portales. His daughter also suffered injuries in this fire. We want to welcome them to our midst.

GO TO CHURCH SUNDAY.

Huntin' AND Fishin'
By Harve Pennington

The .22 cartridge is without doubt the most used cartridge in America and in the world. Rifles chambered for it are the most widely sold. It has taught more people how to shoot than any other and it has killed more game than all other cartridges put together. The cheapest rifles ever made are chambered for it and some of the most expensive. It is a very old cartridge, yet it has never gone out of date because development work has continually been done on it. It is one of the most accurate cartridges in the world, yet most of its users have no notion of its potentialities. It's killing power is greatly underrated on one hand and greatly underrated on the other. By some it is considered a toy, by others a meat getter that can and will keep the wolf from the door.

This strange and interesting thing is none other than the little .22 rimfire, seen in its best form in the .22 long rifle. What is said about it here is intended not for the skilled, cold-eyed .22 target shot, the small bore specialist with his 12 lb. rifle and 10x scope, but for the ordinary hunter, informal target shooter, and bottle buster who gets into the shooting game by the way of a .22 and who usually knows little about one.

One thing most .22 owners don't seem to know is how to go about sighting their rifles in for general hunting and plinking, and few have any but the vaguest notions as to the trajectory and range. So here goes for some dope. A universal rule to follow is that any rifle should be sighted in for the longest range which does not give a trajectory so high as to cause midrange misses. In a .22 long rifle high-speed ammunition at a velocity of 1,375 foot seconds and equipped with a telescope sight (which gives a higher line of sight and consequently an apparently flatter trajectory) the best distance to sight in for is 75 yards. Now, how does this trajectory work?

The bullet starts out below the line of sight and crosses it about 20 yards, at 50 yards the bullet has risen 1 inch above the line of sight. It crosses again at 75 yards, at 85 yards, it is about 1 inch below it and at 100 yards it is 3 inches below it, at 125 it is 8 inches below, so to hit anything at that distance, even with a scope sight, is very difficult.

The .22 is primarily a short-range cartridge, but sight in for 75 yards and you can't blame trajectory for missing the head of a squirrel or cottontail anywhere up to 85 yards or the body of a cottontail up to 100 yards. To shoot the heads off of snakes at very close range, it is necessary to hold above the point where you want the bullet to strike, since from the muzzle to 20 yards the bullet is traveling below the line of sight.

As we have seen, sighting in a scope-mounted .22 for 75 yards

gives a long... If the same rifle... be as follows: 20... point of aim at... yards. It will t... 75 yards, 5 in... and 11 inches... other words, the... range on small... be considerably

DHIA records kept by Texas dairymen in 1949, show that dairy cows producing 224 pounds of butterfat returned \$165 above feed costs while cows producing 475 pounds returned \$497 above feed costs.

Providence News

By Mrs. Wilfred Stoerner

Mr. and Mrs. Walter Sammann and girls moved to their home in Plainview. We will certainly miss them in our community. We wish them well in their new home.

The Providence P. T. A. sold refreshments at the Walter Sammann sale, making a nice profit.

World Day of Prayer was observed at Trinity Lutheran Church Friday, Feb. 9th with a special Prayer service conducted by Rev. H. L. Anderson, sponsored by Candle Light Circle. Refreshments of donuts, hot coffee were served. A beautiful spring bouquet of flowers and white candles adorned the serving table.

Ben Brandes was admitted to Abells Hospital Clinic at Lubbock Thursday, Feb. 8th. He is in room 10.

Mrs. B. T. Samman Jr. was admitted to Abells Hospital and Clinic at Lubbock Thursday, Feb. 8th. She is in room 8.

Mr. and Mrs. Sam Jones visited Mrs. B. F. Sammann Jr. at the hospital Sunday.

B. F. Sammann Jr. visited his wife at the hospital Sunday.

Mrs. Ben Brandes, Mr. and Mrs. L. B. Brandes, Debra, Mr. and Mrs. Wilfred Stoerner motored to Lubbock Sunday to visit Mr. Ben Brandes.

Mrs. B. F. Sammann Sr. visited Mrs. B. F. Sammann Jr. Sunday.

Mr. and Mrs. Ted Boedeker, Mr. and Mrs. Ben Quebe, Mr. and Mrs. Marvin Scheele attended the open house of Mr. and Mrs. Hubert Frizzell of Lone Star Sunday.

Ladies of Candle Light Circle will meet Thursday, Feb. 15th at 2:30 p. m. in the educational Unit of the Church to make Chancel Paraments.

Mr. and Mrs. William Murphy and family motored to San Angelo to the bedside of Mr. Murphy's sister. She passed away Wednesday. We express our sincere sympathy.

Mr. "Hack" Harmon left for military service Thursday, Feb. 8th.

Mrs. Albert Scheele visited Mrs. Russell Crouch and baby Friday.

Mrs. Marvin Scheele, Mrs. Walter Sammann, Mrs. Ted Boedeker attended the girls basketball game at Lockney Friday.

Mrs. H. L. Anderson entertained twelve guests with a Stanley Party Thursday, Feb. 8th. An enjoyable time was had by all attending.

Cotton farmers are reminded that treating planting seed will aid them to secure a better stand and will also help to control angular leafspot and sore-shin.

Seascape

Never too early to plan for that tropical cruise. Here's a lovely pin-dotted pique surf suit for sun-deck or resort wear from the pages of Cosmopolitan magazine. Contrasting wool knit in red or blue makes the fitted trim. Made by Reel-Poise. The suit with jacket, about \$35.

Mr. and Mrs. J. B. Seale Jr. of Amarillo spent last week end with his family, Mr. and Mrs. Brad Seale and Velma.

Mr. and Mrs. Hugh Carroll spent last week end in Clovis visiting with their daughter and family, Mr. and Mrs. James Crane and Janie.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: MRS. S. A. HUGHES, S. A. HUGHES, THE UNKNOWN HEIRS OF MRS. S. A. HUGHES, DECEASED, THEIR HEIRS AND LEGAL REPRESENTATIVES, AND THE UNKNOWN HEIRS OF S. A. HUGHES, DECEASED, THEIR HEIRS AND LEGAL REPRESENTATIVES, Defendants,
Greeting:

You are hereby commanded to appear before the Honorable District Court of Floyd County at the Court House thereof, in Floydada, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 5th day of March A. D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 16th day of January A. D. 1951, in this cause, numbered 3936 on the docket of said court and styled L. A. Wofford Plaintiff, vs. Mrs. S. A. Hughes, et al Defendants.

A brief statement of the nature of this suit is as follows, to wit: Suit by L. A. Wofford as plaintiff against the persons to whom this writ is directed as defendants, in trespass to try title involving Lots 1, 2, 3 and 4, in Block No. 24 in the Original Town of Lockney, Floyd County, Texas, as shown by the plat of such town of record in Volume 6-F, Page 591 Deed Records of Floyd County, Texas; plaintiff alleging that he was lawfully seized and possessed of such premises claiming the same in fee simple on January 1, 1951, on which date defendants, and each of them, unlawfully entered thereon and ejected plaintiff therefrom to plaintiff's damage in the sum of \$300.00; the reasonable rental value of the premises being \$10.00 per month; plaintiff further alleging that he has had and held peaceable, continuous and adverse possession under title from and under the State of Texas of such lands and tenements for more than three years before the commencement of this suit; plaintiff praying for judgment for title and possession of such premises, for damages, costs, writ of restitution and general relief as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. If this citation is not served within

90 days from the date of its issuance it shall be returned unserved.

Issued and given under my hand and the Seal of said Court, at office in Floydada, Texas this the 16th day of January A. D. 1951.

Attest: Mary L. McPherson,

Clerk, District Court, Floyd County, Texas.

(SEAL) 21-4c.

LET REDDY'S ELECTRIC RANGE BE THE HEART OF YOUR KITCHEN

... and Valentine's Day will be every day, all day. Reddy and his electric range takes the cook (that's you) out of cooking... keeps you fresh looking no matter how many meals you prepare. You see, there's no unwanted heat escaping from an electric range. All heat created by the high speed electric elements is transmitted directly to the pots and pans by three scientific means of heat transfer. The food alone cooks when you cook electrically... you stay cool and fresh... always at your best. If you're not low cooking electrically, start now, like so many Amhandle-Plains-Eastern New Mexico. Pecos Valley women already have done.

Mrs. Glenn Watson spent several days last week visiting with her sister, Mrs. I. F. Barton in Amarillo.

Mr. and Mrs. A. P. Barker returned from Mineral Wells and Temple Friday, February 2, after several weeks vacation.

Francis Yvonne Ragle of Plainview spent Saturday night with her grandmother, Mrs. M. H. Ragle and aunt, Mrs. Minnie Cannon.

Watch your expiration date.

News From Weslaco

Most Lockneyites went to church today.

A large catch was reported on Sunday by those who were at Boco Chica. So by 5 o'clock Monday morning the cars were leaving Camp for there.

Those from Lockney who went were Uncle Jack Myers, T. J. Word, Edd Whitfill, Jno. Belt, Mr. and Mrs. Jake Griffith and others who didn't report.

Jake and Martha Griffith plan on going to the Charra Day Parade at Brownsville today. Jake wants to take some pictures of the pretty "Senorita's."

A nice compliment was passed on the Lockney people by the management of the park here. He said he didn't see how a town the size of Lockney could have so many nice people, if the sample he had here was any example of the whole town.

Edd Whitfill, Dow Colson and Guy Sams visited Mr. and Mrs. T. B. Mitchell at Port Isabel Wednesday.

John Belt, Jake Griffith and Clem Banard went to Port Isabel today fishing. John Belt carried off the honors with 24 pounds. Drum.

Just a personal note to Mr. Wiley at the First National Bank—How much down payment do you require to open a \$2,000 checking account?

Wednesday night the Guy Sams entertained with "42" and Canasta. Those attending were Mr. and Mrs. Henry Ford, Mr. and Mrs. L. A. Cooper, Mr. and Mrs. Dow Colson, and Mr. and Mrs. Edd Whitfill.

Mrs. L. A. Cooper, Mrs. Sams, Mrs. Colson, and Mrs. Whitfill spent one of the cold days last week shopping in Harlingen.

Mr. and Mrs. Jim Harper and Mr. and Mrs. Edd Whitfill spent one night in Port Isabel visiting Mr. and Mrs. T. B. Mitchell and other friends.

On Sunday the Lockney people are divided—each attending the church of their choice. Reverend Brannan, ex-president of the Baptist Brotherhood is holding a revival at the First Baptist Church in Weslaco.

Mr. and Mrs. Clem Bannard and Jno. Belt visited Old Mexico Tuesday.

Tuesday night the Jake Griffith's entertained the camp with a traveling picture of the Yellowstone National Park and other points of interest.

T. B. Mitchell visited the park Tuesday.

Folks up there may get tired of so much "Fishy" news, but after all that's about all anyone down here does.

Thursday was just another one

of those fishing days. Those going from here to Boco Chica were: The Coopers, Whitfills, Colsons, Sams, and John Belt. Some good fish were caught.

Mr. and Mrs. Arch Crager arrived in Weslaco Friday. They plan on doing some fishing.

Please over look all mistakes—spelling and etc. For after all "The fellow who never makes a mistake usually takes his orders from one who does."

Ho Ho. Another week gone.

Joe Rogers and Dr. J. O. Rogers left Monday for Fort Worth where they will visit for several days with relatives.

Watch your expiration date.

Janice Thompson Is Frat Charter Member

ABILENE Feb. 9.—Janice Thompson of Lockney has been elected a charter member of Sigma Tau Delta, a professional English fraternity, at McMurry College.

Dr. Lloyd Huff is sponsor of the organization, which requires at least sophomore rating, a B average in English, and contributions to literary magazines. Purpose, according to Dr. Huff, is to stimulate scholarship, and to create interest in literature, and publications.

GO TO CHURCH SUNDAY.
